

The ultimate husband in Chinese chapter 4031-4040

Chapter 4031

Hiss...

Seeing this scene, the surrounding Guards couldn't help but gasp.

This Sun Dasheng deserves to be a famous peak powerhouse.

Especially the power of this opening axe is too terrifying.

After the fierce battle began, Long Qianyu held the identity of the queen herself, and did not take action, but suspended in mid-air, watching the battle coldly.

At this time, seeing Sun Dasheng like a tiger going down the mountain, madly killing his subordinates, Long Qianyu's pretty face blushed, and he was furious. He coldly shouted: "Deal with this Sun Dasheng first.

" But Long Qianyu could clearly feel that the opening axe consumes a lot of internal energy, and Sun Dasheng kept urging the opening axe, and the internal energy was quickly consumed.

Perceiving this, Long Qianyu decided to let more people besiege Sun Dasheng. As a result, Sun Dasheng's internal power would soon be completely wiped out, and it would be easy to kill him at that time.

As long as Sun Dasheng, Ouyang family and Xia Yinzong are killed, their morale will drop.

"Kill!"

Hearing Long Qianyu's order, tens of thousands of Imperial Guards instantly locked Dasheng Sun, urging their figures one by one and besieging them.

"Great Sage!"

"Sect Master Sun!"

Seeing this situation, Wen Chou Chou and Elder Feng were all taken aback, exclaiming at the same time, they were about to rush over to save the siege, but there were too many guards around, and they couldn't beat it at all. Come.

"Haha!"

This chapter is provided by . Visit for daily update.

Seeing the tens of thousands of Guardsmen besieging, Sun Dasheng was not at all nervous. On the contrary, he was full of fighting spirit and shouted: "Just rely on these stragglers, if you want to kill me, come on."

Under the howl, Sun Dasheng clenched the Heaven-Opening Axe and waved it wildly.

Just saw the golden light, madly raging, the soldiers of the Guards, who had no time to dodge, were swept by the golden light, screamed and fell in a pool of blood.

At this time, Sun Dasheng was like a god of war, and within 100 meters of his body, it was like an Asura slaughterhouse.

However, Long Qianyu's perception was correct, the opening axe consumes a lot of internal energy. At this time, Sun Dasheng kept urging the opening axe, and the internal energy consumption was very serious. Gradually, the movement slowed down.

"Go to hell, Sun Dasheng!"

Seeing this scene, Long Qianyu didn't hesitate at all, let out a coquettish cry, and his figure came out, like a bolt of lightning, coming straight towards Sun Dasheng.

That's right, the reason why Long Qianyu has not shot is because he is waiting for an opportunity. You must know that the power of the opening axe in Sun Dasheng's hand is too terrifying, so Long Qianyu asked the Imperial Guard to consume Sun Dasheng's internal strength first.

At this time, seeing that Sun Dasheng's internal strength was almost exhausted, Long Qianyu did not hesitate and made a decisive move.

hum!

Long Qianyu's speed was very fast, and in the blink of an eye, he was behind Sun Dasheng, and a powerful aura burst out from his body. .

"Long Qianyu!!!"

At this moment, seeing Long Qianyu's surprise attack from behind, Sun Dasheng was shocked, his eyes were blood red, and he roared with gnashing teeth.

He never thought that this woman would be so vicious and use such despicable means.

"Yufeng Sword Art!" The

cold four words came out of Long Qianyu's mouth, and the surrounding air was suddenly torn apart. Then, an illusory sword shadow condensed. This sword shadow is more than ten meters long. , surrounded by strong winds, which is very amazing.

Yufeng Sword Art is a sword art secreted by the Nanyun royal family. Because it is too profound, no one has ever mastered it. After Long Qianyu became the queen, it took half a year to successfully comprehend it with his extraordinary talent.

Mad!

Feeling the power of the illusory sword shadow, Sun Dasheng was both angry and shocked.

As soon as this Long Qianyu came up, he made a killing move. This was to kill him.

hum!

Long Qianyu didn't talk nonsense, and when he raised his jade hand, the illusory sword shadow ripped apart the world and burst towards Sun Dasheng.

At that time, Sun Dasheng didn't have time to think about it, and quickly put the Kaitian Axe in front of him to resist!

Bang!

In the next second, Jianying slammed into the sky-opening axe, and heard a huge shock, Sun Dasheng let out a muffled groan, and the whole person was shocked and flew out, and it flew more than 100 meters away before it was heavy. fell to the ground.

When facing the siege of the Imperial Guards just now, Sun Dasheng urged the opening axe, which had consumed a lot of internal energy. At this time, he could not resist Long Qianyu's stunt.

Chapter 4032

"Great Sage!"

"Master Sun!"

Seeing this scene, Wen Chou Chou and Elder Feng couldn't help exclaiming. More and more, almost impossible to move.

"Sun Dasheng!"

At this time, Long Qianyu's figure landed gracefully, and his eyes were fixed on Sun Dasheng, showing arrogance and coldness: "What if you have an axe? In my eyes, you are just a reckless man. "

Speaking, Long Qianyu paused, and said coldly: "I will give you one last chance, do you surrender?"

Hu!

Hearing this, Sun Dasheng took a deep breath and chuckled, without the slightest hesitation: "Joke, I, Sun Dasheng, respect the heaven and my parents, and let me be willing to surrender to the people who have not yet been born. How old are you?"

"Okay, You have a lot of backbone!"

Long Qianyu's delicate face was extremely red, and his heart was even more ashamed and angry: "Then let me see if it's your bones or your mouth." As

he spoke, Long Qianyu's inner strength exploded, and he walked towards Sun Dasheng step by step.

A terrifying aura filled the entire battlefield!

Mad!

Seeing Long Qianyu getting closer and closer, especially feeling the powerful killing intent, Sun Dasheng was angry and panicked. He was a hero of his own life. Could it be that he was going to die at the hands of this woman today?

I'm so unhappy.

"Stop it!"

"Long Qianyu, if you dare to touch the Great Sage, I am at odds with you."

Seeing this scene, Wen Chou Chou, who was not far away, and Elder Huo and the others couldn't help shouting angrily.

Especially Wen Chou Chou, his eyes were blood red, and he lost his mind in an instant. More than ten years ago, he made a blood alliance with Yue Feng and Sun Dasheng, became brothers of the opposite sex, and vowed to live and die together, how could he watch the Dasheng being killed ?

Howling, Wen Chou Chou was about to break through the siege and rushed over to save Sun Dasheng. However, just after a few steps, he was stopped by the guards who rushed up.

At the same time, Ren Yingying and Elder Huo were also dragged so tightly that they couldn't escape.

"Go to hell!"

At this time, Long Qianyu's pretty face was icy cold, and when he got to the front, he gave a coquettish shout, and immediately raised his jade hand and slapped it directly on the top of Sun Dasheng's head.

Seeing the call from Long Qianyu's palm, Sun Dasheng's face was miserable, and his heart was completely desperate.

Brother Wen, Fengzi!

See you in the next life.

"Great Sage!"

At the same time, Wen Chou Chou couldn't help shouting, his heart was burning, and the tears couldn't stop flowing. His brother was about to be killed, but he was helpless. At this time, Wen Chou Chou felt like a knife in his heart.

"Whoosh!"

Seeing Long Qianyu's palm, he was about to slap it on top of Sun Dasheng's head. At this critical moment, a stream of light suddenly shot out, like lightning, and hit Long Qianyu's jade hand.

Um?

Long Qianyu reacted quickly, his delicate body flashed, and dexterously avoided, his delicate face was full of anger.

I saw that after the streamer was avoided by Long Qianyu, it was directly embedded in a stone not far away, crystal clear and white.

It turned out to be a white jade token.

What a powerful force.

At this moment, while Long Qianyu was angry, he was also extremely shocked.

The white jade is very fragile, but the comer can rely on the internal force to sink the white jade into the stone, and the white jade has not been damaged in the slightest. This method is really shocking.

Could it be Yue Feng?

Wow...

At the same time, seeing this scene, Wen Chou Chou everyone was stunned for a moment, and then they all became inexplicably excited.

Great, the wind must be back.

Because other than Yue Feng, in Kyushu, who else has such a clever means?

“Long Qianyu!”

Just when everyone was stunned, they heard a coquettish shout, which sounded from the sky not far away, and then saw a charming figure coming from the sky.

Wearing a long white dress, she looks astonished, like a fairy who has fallen into the mortal world.

It was Su Qingyan.

At that time, in Tianxiang Valley, Nalan Wushuang was poisoned with poison, and there was no cure. When he was about to die, he handed over all his inner strength to Su Qingyan.

After Su Qingyan buried Nalan Wushuang, she left Tianxiang Valley and went to the Ouyang family for the first time. Only after arriving did she learn that the Ouyang family had come to the Five Poison Sect. At that time, Su Qingyan didn't hesitate and rushed over directly.

“Su Qingyan?!”

Seeing Su Qingyan, Long Qianyu frowned, and there was a trace of coldness in his eyes.

Chapter 4033

Long Qianyu hated Yue Feng to the core. When he saw his woman, he naturally hated him. More importantly, Sun Dasheng was about to die at his own hands, but was interrupted by Su Qingyan at a critical moment. Not angry?

Phew...

At the same time as being angry, Long Qianyu was also secretly shocked. At this moment, she could clearly feel that Su Qingyan in front of her was much stronger than before.

It was actually the late stage of the Tribulation Realm.

impossible!

Feeling this, Long Qianyu was both shocked and resentful. You must know that after she became the Queen of Nayun, she has been taking the treasures of heaven and earth in the palace for all these years.

What made her even more unacceptable was that the original strength of Su Qingyan was comparable to hers, but at this time, Su Qingyan's realm was two levels higher than hers.

Why?

Despite being shocked and furious, Long Qianyu remained somewhat calm and looked behind Su Qingyan to see if Yue Feng was following.

“Qingyan...”

“It's Qingyan's younger brother and sister...”

“Haha.”

At this time, Wen Chouchou, Sun Dasheng and others also reacted, and they were all very happy.

Although it was not Yue Feng who appeared, everyone was extremely happy when they saw Su Qingyan appearing. Speaking of which, it has been nearly two months since Su Qingyan was deceived by Bai Yunfei.

In the past two months, Yue Feng and Ouyang's family have inquired about Su Qingyan's news everywhere, but they found nothing at all. Now that Su Qingyan is safe and sound, how can they be unhappy?

“Great Sage, Brother Wen...”

Feeling the joy of everyone, Su Qingyan was also very happy, and said hello with a light smile. Immediately, Su Qingyan turned her head to look at Long Qianyu: “Long Qianyu, why do you insist on getting

along with the Ouyang family? Can't you write off those grievances in the past? Do you have to die forever?”

Su Qingyan's beautiful face was very indifferent.

But seeing the situation around him, he was extremely tender and angry, and his tender body also trembled.

Su Qingyan was suspended in midair, looking around at the situation below, she could see that the entire Five Poison Sect was like a hell, and many disciples of the Ouyang family fell in a pool of blood.

Not only that, but Wen Chou Chou and Ren Ying Ying were all injured.

“One write-off?”

Hearing this, Long Qianyu smiled contemptuously, with a bit of coldness and hatred on his delicate face: “If it wasn’t for Yue Feng, our Nanyun royal family would not be called the laughing stock of Kyushu, don’t I thought that after so many years, I would forget.”

After speaking, Long Qianyu raised her jade hand and pointed at Su Qingyan: “Is Yue Feng hiding around? Let him show up.”

In Long Qianyu’s heart It is believed that Yue Feng is nearby.

After all, his relationship with Su Qingyan was so good that they were almost inseparable. Now that Su Qingyan is here, Yue Feng must be nearby.

Swish!

The words fell, and everyone’s eyes were focused on Su Qingyan.

If Fengzi was nearby, Long Qianyu in front of him wouldn’t have to be afraid of her.

“Yue Feng?”

However, under everyone’s attention, Su Qingyan shook her head and said with a complicated expression: “He is not with me.”

Yue Feng didn’t come?

Long Qianyu was stunned for a moment, and then smiled contemptuously: “Since Yue Feng is not here, you should die with these people.” As he

spoke, Long Qianyu stared at Su Qingyan tightly, her beautiful face was as cold as frost, and her jade hand froze. Hui: “All the officers and soldiers obeyed the order and killed all the people like the Ouyang family and Xia Yinzong! Also, take this Su Qingyan for me .

“

One after another, they responded, and they burst out immediately, thinking about Su Qingyan and rushing up.

“Want to destroy the Ouyang family, dream!” A

cold voice came from Su Qingyan’s mouth, and in the next instant, Su Qingyan’s jade hand slowly raised, only to see palm shadows condensed in the air.

“Thousands of Shadowless Palms!”

Su Qingyan shouted tenderly, her jade fingers pointing at the thousands of guards who were besieging her.

That’s right, what Su Qingyan performed was exactly the unique kung fu technique that Nalan Wushuang taught before his death. Speaking of which, Xia Yinzong’s kung fu technique was very unique. While giving it to Su Qingyan, he also passed on all the exercises he had learned to Su Qingyan.

Chapter 4034 Huhuhu

... When the

voice fell, I saw the countless palm shadows, as if they had spirituality, roaring up, carrying a terrifying power, to meet the guards.

“Ah...”

In an instant, thousands of palm shadows erupted and hit those Guards hard, and then a scream came out, and ordinary people were shot down on the spot and fell heavily in a pool of blood. among.

At this...

At this moment, Wen Chou Chou and everyone in the Ouyang family are both worried and excited.

I haven’t seen each other for a while, but Su Qingyan’s strength has become so powerful?

And... what kind of exercises did she practice, why haven’t you seen it before?

At the same time, Elder Huo and Elder Feng, as well as the followers of Xia Yinzong, frowned secretly.

This... This Su Qingyan performed, seems to be the unique skill of Xia Yinzong’s town school ‘Wuxiang Qianjie’, Wuxiang Qianjiu, only the head of Xia Yinzong can practice it, it is never rumored, this Su How did you learn to smoke?

Especially Elder Huo and Elder Feng, their eyes were fixed on Su Qingyan in midair with extremely complicated expressions.

Huh...

This scene angered Long Qianyu, who could have wiped out the Ouyang family and Xia Yinzong together, but Su Qingyan suddenly appeared, disrupting everything.

At this time, Long Qianyu was suspended in mid-air, seeing his own guards, dead, wounded, and his delicate face was full of gloom.

"All officers and soldiers obey the orders." Long Qianyu's delicate body trembled, and he shouted: "Don't confront Su Qingyan, hold her back for now. For the rest, get rid of the Ouyang family and Xia Yinzong as soon as possible, hurry up!"

When he shouted these words, Long Qianyu's eyes were full of cruelty.

Whoa!

As soon as the words fell, several thousand more imperial guards came to besiege Su Qingyan, while the rest revived and continued to attack Wen Chou Chou.

"Ah..." The

strength of the two sides is already somewhat disparate, and many people from the Ouyang family, as well as the disciples of the Xia Yin Sect, have been unable to fight any more due to the consumption of internal strength. At this time, under the charge of the Imperial Guard, many people suffered screamed and fell in a pool of blood.

"Crazy."

Seeing this situation, Su Qingyan was furious, looked at Long Qianyu and said, "You are really a lunatic."

Long Qianyu chuckled, unable to hide the hatred in his heart: "I am crazy. Now, you thought you were strong enough to turn the situation around, but you were wrong, you are only one person, and I have an army of half a million guards."

"I tell you, today is a heavy price to pay, and I'm going to be destroyed. The Ouyang family." The

last word fell, and Long Qianyu's delicate body flashed like a shock, entering the battlefield and fighting with Wen Chou Chou and the others.

hateful!

Su Qingyan was very anxious and wanted to rush over and join up with Wen Chou Chou, but there were too many Guards in front of her, rushing up like a tide, and it was almost impossible to kill them all.

Long Qianyu's plan was very successful, using tens of thousands of janitors to hold Su Qingyan back, while herself, with the remaining hundreds of thousands of janitors, besieged Wen Chou Chou and everyone else.

Bang bang bang.

In the blink of an eye, a few minutes later, I saw the Ouyang family and the Xia Yinzong, and thousands of people fell.

Seeing this scene, Su Qingyan was completely anxious, and she shouted: "Long Qianyu, if you think this can hold me back, then you are very wrong!"

hum!

As soon as the words fell, Su Qingyan's inner strength exploded completely, and in an instant, the air around her body suddenly condensed, and a terrifying force spread out from her delicate body crazily!

"Fire Cloud Palm!" The

cold four words came out from Su Qingyan's mouth. The moment the last word fell, the sky above his head burst with thunder, and the sky and the earth changed color.

Just saw Su Qingyan's jade hand raised, her eyes looking up at the sky, her delicate face was extremely solemn and solemn.

"What a powerful force..."

"What kind of skill is this?" The

sky changed suddenly. At that time, many people looked up subconsciously and saw that the sky was densely covered with dark clouds and thunderous, as if the end of the world.

In particular, the hundreds of thousands of Guards were all inexplicably panicked. They could feel that in the dark clouds, there was a terrifying force that was rapidly gathering.

"Fire Cloud Palm?" At this time, Elder Feng was also looking up at the sky, but his expression was extremely complicated, and he couldn't help but murmured.

Hearing this, Wen Chou Chou next to him asked subconsciously, "Elder Feng knows this skill?"

Chapter 4035

Elder Feng's face was complicated: "Of course I know it, this is the last trick in our Xia Yinzong's sect's unique technique 'Wuxiang Qiangong'."

What?

What Su Qingyan was using was the unique skill of Xia Yinzong?

At this moment, Wen Chou Chou was stunned, and only felt that his brain was buzzing. When did Su Qingyan learn the martial arts of Xia Yinzong?

Just when Wen Chou Chou was secretly wondering, he heard Elder Feng continue: "Wuxiang Qianjue Gong, never spread, especially this last trick 'Huoyun Palm', which is very profound, unless we teach it personally, Otherwise, it will be difficult to comprehend. And this Su Qingyan is so skilled... Could it be that she was with our head before?"

This...

Hearing these words, Wen Chou Chou's mind was instantly confused, if Nalan Wushuang taught Su Qingyan's unique skills, why didn't he see anyone?

Also, why did Nalan Wushuang pass on the unique skills of Xia Yinzong to outsiders without reservation?

hum!

At this moment, I saw the dark clouds in the sky, suddenly rolling violently, followed by a fiery red palm shadow, which appeared in everyone's sight.

The palm shadow, surrounded by crimson flames, became larger and larger as it landed, and at the end, it was several hundred meters in diameter.

boom!

This flaming cloud palm slapped the ground fiercely, and the terrifying palm force enveloped the more than 20,000 janitorial guards. In an instant, a roar resounded through the sky, and the surrounding area was filled with dust and smoke.

The Guards, who were shrouded in palm shadows, all died tragically, without exception, and there was no time to escape.

Hiss...

Seeing this scene, the rest of the Imperial Guards trembled and couldn't help gasping for air.

A palm shadow has such power, this is too perverted.

At this moment, Long Qianyu was also shocked, his delicate face was extremely ugly.

With just one move, he killed so many of his soldiers. If Su Qingyan didn't get rid of it, he would suffer endless troubles in the future.

boom!

Just when Long Qianyu was distracted, Wen Chouchou found an opportunity and burst out quickly. He slapped Long Qianyu's back with a palm, and heard Long Qianyu groan, his tender body trembled, and he was directly knocked back a few times. Ten steps.

"Pfft..."

After stabilizing his figure, Long Qianyu spat out a mouthful of blood, his face instantly pale. At the same time, he stared at Wen Chou Chou, terrified.

"Long Qianyu, you are defeated!" Wen Chou Chou said lightly.

Long Qianyu did not respond, but quickly adjusted the disordered internal strength, and then shouted at the remaining Guards: "Withdraw, the whole army is evacuated."

When he shouted this sentence, Long Qianyu clenched his teeth tightly. Lips, the heart is extremely unwilling.

But there was no way. Just now, Su Qingyan broke out a stunt and killed more than 20,000 soldiers in one move, and he was also injured. If he did not withdraw in time, the casualties would increase.

"Evacuate, quickly retreat!"

Hearing Long Qianyu's order, many janissaries shouted, and immediately protected Long Qianyu and retreated to the distance.

"Chase!"

Seeing this scene, Sun Dasheng clenched the opening axe tightly, howled, and chased up one step ahead, but he was stopped by Wen Chou Chou before he chased a few steps.

“Great Sage.” Wen Chou Chou took a deep breath and couldn’t hide his weakness: “Don’t chase after poor thieves. Besides, everyone’s internal energy consumption is very serious, and they don’t have the strength to chase.”

Hearing this, Sun Dasheng looked around and saw that the Ouyang family and the Xiayin Sect were all very weak. They fought against the Five Poison Sect at the beginning, but they didn’t catch their breath after the end, and they were attacked by Nanyun again. Siege of the Continental Guard.

After several fierce battles in a row, no one could bear it.

Ugh!

Seeing this situation, Sun Dasheng was very helpless, sighed deeply, and had to retreat.

“Everyone!”

At this time, Wen Chou Chou looked around and said slowly: “Long Qianyu has a peculiar personality, I’m not sure he will make a comeback, let’s hurry and meditate to recover, just in case.” The

voice fell, everyone nodded, one by one. Sitting there cross-legged, he began to regain his inner strength.

Time passed by minute by minute.

Soon, an hour later, I saw that the pale faces of everyone had recovered some blood.

At this moment, Elder Feng and Elder Huo glanced at each other.

Whoa!

The next second, under the leadership of Elder Feng and Elder Huo, the Xia Yin Sect members stood up one after another and surrounded Su Qingyan.

what’s the situation?

Seeing this scene, Wen Chou Chou and Ren Yingying were all stunned.

What is Xia Yinzong going to do?

The ultimate husband in Chinese chapter 4036-4040

“Su Qingyan!”

At this time, Elder Huo had a hot personality, and he was the first to come out and asked Su Qingyan: “How can you know the unique skills of our Xia Yinzong’s sect of ‘Wuxiang Qianjiu’ ?”

Huh!

As soon as the voice fell, Elder Feng and the surrounding Xia Yin Sect members all looked at Su Qingyan closely, each with complex and hostile eyes.

Faced with this situation, Su Qingyan didn’t panic at all, let out a sigh of relief, and said slowly, “This technique was taught to me by your head Nalan.”

What?

Hearing this, Elder Huo and Elder Feng looked at each other in dismay.

The boss passed it on to her?

How is this possible? Xia Yinzong’s secret skills of the town school are never rumored, this is the iron law of the sect.

“Impossible!”

Soon, Elder Huo reacted and said loudly: “Wuxiang Qianjue Gong is the unique style of our Xia Yin Sect. It is never rumored. Besides, our head and you can’t be friends. Why did I tell you?” The

voice fell, and the surrounding Xia Yin clan members nodded in agreement.

“That’s right, your explanation doesn’t hold at all.”

“There must be something strange about it!”

“As far as I can see, you must have learned something... It’s best to explain it honestly.

This chapter is provided by . Visit for daily update.

”, Wen Chou Chou was also full of doubts, but he acted calmly.

“Everyone, fellow Xia Yinzong.”

At this time, Wen Chou Chou looked around, and finally looked at Elder Huo and Elder Feng and said, “Don’t worry, Su Qingyan is my younger brother and sister, and was once the sect master of Wenzong. There must be a secret about this matter.”

After speaking, Wen Chou Chou tilted his head to look at Su Qingyan: "Brother Qingyan, what is the situation, you should tell me in detail." The

voice fell, and Ren Yingying also said: "Qingyan, just say it directly, so as not to be misunderstood."

Ren Yingying and Su Qingyan have a very good relationship, although she still doesn't know the situation, Ren Yingying firmly believes that Su Qingyan will not do the trick legal matter.

After all, that was a taboo in the arena.

call!

Hearing this, Su Qingyan took a deep breath and nodded, "Okay."

After that, Su Qingyan explained how she was deceived by Bai Yunfei, how she was imprisoned in Tianxiang Valley, and how Nalan Wushuang was poisoned afterward. , and how to break into Tianxiang Valley by mistake, they all said in detail.

Su Qingyan originally planned to tell the situation after taking everyone to Tianxiang Valley, and she was very saddened by Nalan Wushuang's death, and she has not recovered until now.

But at this time, facing Xia Yinzong's questioning, Su Qingyan also knew that she couldn't hide it.

What?

Sect Master.... Sect Master Poisoned?

At this moment, knowing the situation, whether it is Xia Yinzong or Wen Chou Chou, everyone is shocked, and they are all stunned in place.

Su Qingyan sighed, unable to hide her sadness: "Before I left Tianxiang Valley, I buried Sister Nalan there, you all come with me!" After saying that, Su Qingyan rose up and walked towards Tianxiang Valley. go.

The crowd followed without hesitation.

A few minutes later, Tianxiang Valley.

Behind the quiet and elegant yard, the Chou Chou crowd, as well as the members of the Xia Yin Sect, stood quietly in front of a new grave, all in silence.

"Sister Nalan."

At this moment, Su Qingyan took a step forward, tears kept streaming down: "It's all me, I didn't have any confidence at that time, so I helped you cook the antidote, and as a result, your poisoning deepened..."

Speaking, Su Qingyan burst into tears, although she and Nalan Wushuang knew each other for a short period of time, but after spending a few hours here before, Nalan Wushuang's generosity before her death passed on what she had learned to Su Qingyan for free, which made Su Qingyan extremely grateful.

After all, at that time, Su Qingyan had no inner strength in her dantian. If it weren't for Nalan Wushuang, she would still be a waste.

Listening to Su Qingyan's cry, everyone present felt very uncomfortable.

"Miss Qingyan!" At this moment, Elder Feng came out and said

with emotion: "Don't be too sad, the head is unfortunate because of her unfortunate fate. You have done your best at that time."

The elder bowed deeply to Su Qingyan: "Now our Xia Yin sect has no leader, please also ask Miss Qingyan to take over as the head and lead our Xia Yin sect."

Chapter 4037

Puff.

As soon as the voice fell, the surrounding Xia Yin sect members knelt down in an instant and spoke in succession.

"Yeah, please take Miss Qingyan as the head."

"See the head."

"Meet the new head..."

Faced with this situation, Su Qingyan was stunned, even though she had Sect Master Wenzong, I have seen all kinds of scenes, but this is the first time I have encountered such a thing.

You must know that Xia Yinzong is a hidden world sect that has been passed down for nearly ten thousand years. I don't understand it at all. How can I be the head?

Thinking to herself, Su Qingyan quickly shook her head: "...how can I be qualified to be your head?"

Since following Yue Feng, Su Qingyan has taken fame and fortune very lightly.

Huh...

Hearing this, Elder Huo and Elder Feng looked at each other.

Immediately, Elder Feng took a deep breath and said with sincerity: "Miss Qingyan, you have acquired the skills of our previous master, and also inherited the unique skills of the town school 'Wuxiang Qianjue', this master is naturally up to you. Do it." The

voice fell, and Elder Huo also said: "Yes, in the past 10,000 years, as long as you have learned the 'Wuxiang Qianjue', you are the head of Xia Yinzong, Miss Qingyan, you should agree.

" ...

At this moment, upon hearing the words of the two elders, Su Qingyan bit her lip tightly, her delicate face showing embarrassment.

"Haha..."

At this moment, Wen Chou Chou, who had been watching, couldn't help but smile, and then said to Su Qingyan, "Qingyan, since the elders are so sincere, let me see, you promise."

"You got Miss Nalan's exercises, which proves that you have a relationship with the Xia Yin Sect."

When he said this, Wen Chou Chou's eyes showed a bit of wisdom. In his opinion, Su Qingyan became the Xia Yin Sect. It outweighs the disadvantages. After all, the overall strength of Xia Yinzong is very strong. Otherwise, it would not have been so feared by the Heavenly Dao Alliance before. If Su Qingyan became the head, the Ouyang family would have a strong ally in the future.

When the voice fell, Ren Yingying and everyone also comforted them.

"Qingyan, agree."

"Yeah..."

Seeing this scene, Su Qingyan breathed a sigh of relief, and had no choice but to nod: "Okay then."

Seriously, she really didn't want to be a Xia Yinzong The head of the sect, but the kindness is hard to resist. Moreover, before Nalan Wushuang died, he passed all his skills to himself. This kindness will never be repaid in a lifetime. The only thing I can do now is to help her lead Xia Yinzong well. .

Great.

Seeing that she finally agreed, Elder Feng and Elder Huo were extremely happy.

The next second, everyone saluted again.

“Subordinate, I have seen the Sect Master.”

.....

On the other side, God’s Domain!

Imperial Palace.

The Nine Heavens God sat on the throne with an extremely anxious expression on his face.

The many priests below, standing there one by one, are also in a hurry. Just now, there was another news from Gong Ao, saying that the blood formation deployed by the Demon Lord Gone could not be broken at all, and the situation was extremely critical.

In this case, the Nine Heavens God was in a hurry.

“His Majesty—“

At this moment, a figure hurried in, it was Haotian Divine Sovereign.

When he got to the front, Haotian Shenjun said respectfully, and at the same time showed a bit of shame: “I am back, Your Majesty, I am ashamed to say that my Five Poison Sect in Kyushu failed to stop the Demon Lord Gone and let him run away... “

Just before he finished speaking, he was interrupted by the Nine Heavens God.

“Okay, let’s not talk about this for now!”

At this time, the Nine Heavens God had a solemn expression on his face: “Mozun has already gone to Fengmo Mountain. Moreover, the Heavenly Demon Blood Sacrifice Array has been deployed.”

What?

Demon Lord Gone deployed a blood sacrifice formation on the Demon Sealing Mountain?

Hearing this, Haotian Shenjun’s face changed, and his heart shook inexplicably.

As an existence under one person and more than ten thousand people in the God Realm, Haotian God Sovereign certainly knows what it means for the Demon Venerable to deploy a blood sacrifice formation in Fengmo Mountain.

Once Demon Lord Gone is successful, those Demon tribesmen who died in battle tens of thousands of years ago will be reborn and swept across the entire Divine Realm.

“It’s not too late for this matter, take your subordinates and head to the Demon Sealing Mountain!” At this time, the Nine Heavens God took a deep breath and quickly issued an order.

“Yes!”

Haotian Divine Monarch did not dare to neglect, and hurriedly walked out of the hall after agreeing.

Soon, hundreds of thousands of divine soldiers and generals, led by Haotian Divine Monarch, rushed to Fengmo Mountain.

Chapter 4038

Swish!

Seeing the scene in front of him, whether it was the god of Haotian or the nerves of hundreds of thousands of divine soldiers, they were all stunned, each with a chill down their spines.

I saw that the Demon Sealing Mountain in front of me was completely shrouded in a blood-colored fog.

On the periphery of the thick fog, a lot of magic soldiers were thrown down in various directions. At the same time, not far away, Gong Ao was still organizing the remaining magic soldiers for the next charge.

At the beginning, Gong Ao and Yue Feng brought 20,000 divine soldiers to check on the situation of Fengmo Mountain. When they arrived, they saw Demon Lord Gone deploying the blood formation. At that time, Yue Feng thought of a way to break the blood formation. At a critical moment, Gong Ao plotted behind his back.

After Gong Ao plotted against Yue Feng, he pretended to go back to Jiutian God to report the situation. Then, under the instructions of Jiutian God, he returned to Fengmo Mountain to monitor the situation here.

Jiutian God repeatedly told Gong Ao that he should not act rashly, just report the situation at any time.

However, Gong Ao was in a hurry to make meritorious deeds, so how could he honestly stand still? At that time, after returning to Fengmo Mountain, he immediately organized 20,000 divine soldiers to continuously attack the position of Shengmen, trying to destroy the blood sacrifice formation.

Although Gong Ao hated Yue Feng to the core, he also knew that Yue Feng's accomplishments in the formation technique were not comparable to ordinary people. Since he said that the position of the Shengmen was the key to destroying the entire blood sacrifice formation, he would absolutely Can't go wrong.

But as a result, Gong Ao was extremely depressed. The fog surrounding the blood formation is too terrifying, as long as it is contaminated with Dao, those divine soldiers will become mentally ill and kill each other.

After several attempts, the original 20,000 divine soldiers now only have a few thousand left.

"Your Majesty."

At this moment, seeing the appearance of Haotian God with hundreds of thousands of divine soldiers, Gong Ao was very excited and hurried up to greet him.

call....

Haotian Shenjun looked around, looking at the casualties around him, his face was very ugly: "Gong Ao, what's going on?"

He clearly saw that at the edge of the blood fog, many divine soldiers fell on the ground. There, there was no breath, and behind Gong Ao, the thousands of people were still alive, and they were all very embarrassed.

Uh...

Gong Ao was very embarrassed and explained: "Reporting to the gods, my subordinates have been trying to break this blood formation, so..." Before he

finished speaking, he was coldly interrupted by the gods of Haotian: "Broken Array? Your Majesty told you not to act rashly, why didn't you listen?"

"That's it."

Feeling the anger of the Divine Sovereign Haotian, Gong Ao was sweating profusely, and hurriedly said: "Before, after the Jade Dragon Consort did not act, Zeng Ao After carefully observing the blood formation, the only place where the formation broke is the Shengmen." As he

spoke, Gong Ao pointed to the direction of the Shengmen.

Gong Ao knew that he would end up disobeying his orders. In a desperate situation, he could only put the blame on Yue Feng. After all, Yue Feng was already trapped in the blood formation.

There is no evidence of death, so naturally don't worry.

Hearing this, Haotian Shenjun frowned, waved his hand and said: "It's alright, just follow my orders later, understand?" As he

said, Haotian Shenjun looked in the direction of Shengmen, and couldn't help it. Secretly muttered.

Where is the key to breaking the formation? It doesn't look like it anyway.

That Yulong consort, Yuefeng, must have been talking nonsense at that time, otherwise, he would not have been trapped in it.

hum!

Just when Haotian Divine Monarch muttered secretly, suddenly, a terrifying aura wave came, and then I saw a figure rushing out of the blood mist and suspended above the entire blood sacrifice formation.

It is the Demon Lord Gone!

Demon!

Seeing this scene, both Haotian Shenjun and Gong Ao's expressions changed.

In the next second, Haotian Divine Sovereign stared closely at the Demon Lord Gone in mid-air, without hesitation, he raised his hand and waved: "Kill the Demon Lord and destroy the great formation!"

"Remember, avoid the blood fog!"

"Yes, Your Excellency!" The

voice fell, and hundreds of thousands of gods and soldiers responded, and then they rose into the air and charged directly towards the Demon Lord Gone!

In an instant, the aura of hundreds of thousands of divine soldiers and generals erupted, and the entire sky of the Demon Sealing Mountain was distorted, and the momentum was astonishing.

“Another group of annoying ants.” The breath of hundreds of thousands of gods and soldiers came, and the Demon Lord Gone slowly opened his eyes, and a blood-colored light shot out, his cold and arrogant face was full of disdain.

Chapter 4039

“Get out of here!” In the

next second, the Demon Lord Gone said a few words lightly, raised his hand and waved, and suddenly, an extremely violent and terrifying breath burst out, forming a blood-colored storm, heading towards swept around.

“Ah!” The

blood-colored storms, like lightning, came in an instant, and many of the gods and soldiers rushing in front of them were too late to escape, and were instantly submerged, screaming constantly, and thousands of them fell from the air. , fell into a pool of blood.

what! ?

Seeing this scene, both Haotian Divine Sovereign and Gong Ao couldn't help gasping for air!

Is this the strength of the Demon Venerable?

It was so terrifying that thousands of divine soldiers and generals were wiped out in just a few gestures.

Under the shock, Haotian Divine Sovereign's eyes became more and more gloomy. There was a strong fighting spirit all around him.

“Demon Lord!”

Soon Haotian Divine Sovereign calmed down and shouted: “With me here today, you can't revive the demon subordinates here.” After the last word fell, Haotian Divine Sovereign exploded with divine power, like a cannonball. Go to the Demon Lord Gone.

Wherever the figure passes, the world seems to be divided into two worlds.

“Haha!”

However, the Demon Lord Gone just smiled contemptuously: “Haotian Divine Sovereign? You are a defeated general, what qualifications do you have to tell me these words?”

Hearing this, Haotian Divine Sovereign was very embarrassed, and at the same time his heart was angry. Thoroughly stimulated, speeding up.

“God, I’m here to help you.”

Seeing this, Gong Ao’s eyes flickered, and then he shouted, holding a golden spear tightly, and rushing straight towards the Demon Lord Gone.

Gong Ao knew in his heart that with his own strength, in front of the Demon Lord Gone, he was afraid that he would not be able to catch a single move, but this was the best opportunity to perform, and he should not miss it.

Gong Ao thought about it, with Haotian Divine Sovereign present, Demon Venerable wouldn’t target him, he just had to rush up and make a show.

If you defeat the Demon Venerable, it will be a great achievement.

“Looking for death!”

Seeing Haotian Divine Monarch and Gong Ao burst out, Demon Lord Gone sneered, and then urged his figure to attack.

Bang Bang Bang...

In the blink of an eye, Demon Zun Gone and Haotian Divine Sovereign, as well as Gong Ao, fought fiercely in the sky above the blood formation, and saw three figures constantly shuttle back and forth, causing thunder in the air, terrifying breath Surging, the world changes color.

When the two sides first fought, Haotian Divine Sovereign had no certainty in his heart. After all, the other party was the supreme demon of the demon race, and his strength was so terrifying.

After the fight, Haotian Shenjun was pleasantly surprised to find that the strength of Demon Lord Gone was much weaker than before.

Haha...

Gong Ao also found out and was very excited.

This Demon Lord Gone must be doing this because of the deployment of the blood sacrifice array and the consumption of power. Great, this is a great opportunity to kill the Demon Venerable.

Gong Ao guessed right, Demon Lord Gone had consumed a lot of Demon Soul power in order to deploy the Heavenly Demon Blood Sacrifice Array, and his strength at this time was only half of his peak period.

However, in the face of Haotian Divine Sovereign and Gong Ao's pincer attack, Demon Zun Gone didn't panic at all, and kept his eyes on the blood formation from time to time.

At the last moment of the blood sacrifice formation, as long as one persists, hundreds of thousands of demon subordinates will be able to break through the ground and be reborn.

boom!

Soon, Haotian Divine Lord and Gong Ao found an opportunity, and together they condensed a golden ball of light and smashed it on Mozun Gone.

After taking a few dozen steps back, Demon Lord Gone stabilized his figure, but a bit of weakness appeared on his proud face.

"Hehe..." At this moment, Gong

Ao was extremely excited, and laughed proudly at Demon Lord Gone: "The Supreme Demon Race is nothing more than that."

That is to say, it is to deliberately anger the Demon Lord Gone. Once the Demon Lord loses his sense of anger, more flaws will be revealed.

The voice fell, Haotian Divine Sovereign also looked at Demon Zun Gone, and said coldly: "Goni, don't be stubborn, just admit defeat."

"Hahaha..."

Hearing this, Demon Zun Gone's eyes flashed with evil spirits. , Yangtian laughed.

"Do you think that because I have consumed my strength because of the deployment of the blood formation, I can take advantage of the opportunity and control the situation?"

"..."

Chapter 4040 At the

end of the story, the Demon Lord Gone raised his hands slowly, and his thick and deep voice spread throughout the entire Demon Sealing Mountain.

"Great demon warriors, wake up."

Huhu!

When the last three words fell, I saw the blood mist that permeated the blood formation, as if it had spirituality, and quickly gathered towards the bottom, and finally fell into the ground below the big formation.

not good!

Seeing this, Divine Sovereign Haotian's expression changed, he was furious, and his body trembled faintly.

No wonder the Demon Lord Gone consumed his strength and remained so calm.

It turns out... his demon subordinates are about to be resurrected.

Gong Ao on the side was also pale and extremely ugly.

Kachacha...

Just when Haotian Shenjun and Gong Ao were secretly shocked, they heard a strange sound from the ground below the formation, and then, they saw one after another figure breaking out of the ground. .

When I saw these figures, it was a blue skeleton, and in the empty eye sockets, a strange blood-colored light flashed, which was breathtaking.

Hundreds of thousands of skeletons gathered together, and the scene was too shocking.

Huh...

At this moment, seeing the scene in front of me, whether it's the Haotian Divine Sovereign or the surrounding gods and soldiers, I feel chills down my spine and inexplicable chills.

At the same time, there is an unprecedented crisis in my heart.

Demon Lord Gone successfully captured hundreds of thousands of demon subordinates, and this catastrophe was inevitable.

woohoo...

Just when the surrounding gods and soldiers were secretly shocked, they saw blood lines emerging from the ground, and then clinging to those skeletons, forming blood-red armor.

Whoa!

After the blood-red armor was formed, the army of hundreds of thousands of demons saluted the Demon Lord Gone in mid-air,

“Hahaha!”

At this time, the Demon Lord Gone was very excited. After so many years, he could finally be revived. Demons are prestige.

Thinking to himself, the Demon Lord Gone put away his smile, his eyes were suddenly extremely cold, and he shouted: “Demon warriors, you have been buried for so many years, and you have waited a long time for one day.”

“Seeing these magical soldiers around you . Are you a god? Vent out all the grievances in your hearts, and destroy them all, leaving none of them!”

“Ow!” The

voice fell, and the hundreds of thousands of demon tribesmen let out bursts of howl, with a terrifying momentum. Like a beast, it rushed directly to the surrounding gods and soldiers.

“Ah!”

At this time, the surrounding gods and gods were all still in shock. Faced with the sudden attack of the demon tribe, they couldn't react for a while. It was pierced, sprayed with blood, and fell to the ground.

“Damn...”

Seeing this situation, Haotian Divine Sovereign clenched his fists and was furious.

At this time, Demon Lord Gone was full of pride and madness, and laughed at Haotian God Monarch: “Haotian God Monarch, weren't you very confident before? Why can't you laugh now?”

“You thought you brought hundreds of thousands of gods. Soldiers, can you control the situation? Let me tell you, they will all die here today, and none of them can escape!”

Shua!

Hearing these words, Haotian Divine Monarch's eyes were instantly blood red, and he shouted: “You are not proud, it is not necessarily who will win today and who will lose!”
The

voice fell, Haotian Divine Monarch roared, and his divine power exploded, rushing directly into the enemy group.

At the same time, Haotian Divine Sovereign did not forget to shout at the surrounding god soldiers and gods: "All the soldiers of the God Realm, this battle is related to the safety of the entire God Realm, don't back down, even if you fight to the last one, you must annihilate them all. "

Kill!"

At this moment, hearing the encouragement of Haotian Divine Sovereign, many gods and soldiers reacted one after another, mobilizing their inner strength one by one, and fighting fiercely with the demon clan who rushed up.

clang! clang! clang!

In an instant, the sound of weapons colliding, roaring and killing sounds echoed in the sky above the entire Demon Sealing Mountain, making the originally gloomy Sealing Demon Mountain become like hell.

The two sides were equal in number and evenly matched, and they were still at a standstill at the beginning.

Gradually, however, the Divine Realm side became unstoppable, and I saw that the ground in the area of the Blood Sacrifice Array collapsed from time to time, and deep holes came out. Those deep holes were all drilled out by the demon tribe Formed, at this time, it seems like a trap, and from time to time there are magic soldiers and gods falling into it.
