

## The ultimate husband in Chinese chapter 4041-4050

Chapter 4041

Wow...

With many companions falling into the deep hole, the formation of hundreds of thousands of divine soldiers and generals was in chaos in an instant.

At this time, no one noticed that at the edge of the blood sacrifice formation, a person lying there also fell into a nearby hole.

It was Yue Feng who was in a coma.

Previously, Yue Feng asked Gong Ao to help him enter the blood sacrifice formation, but was abandoned by Gong Ao at a critical moment. At that time, Yue Feng couldn't bear the powerful pressure of the blood formation and fainted directly.

After fainting, Yue Feng crouched beside the stone pillar of Shengmen.

At that time, Demon Lord Gone's mind was on the blood formation. He felt that Yue Feng was stunned when he broke in, so he didn't pay attention. After that, Haotian Shenjun came, and no one paid attention to Yue Feng.

.....

On the other side, in a dense forest not far from Sealing Demon Mountain.

Shashasha...

In the dense forest, dozens of figures were cautiously approaching the Demon Sealing Mountain, and they saw that these people were dressed in strange clothes, and they were all powerful.

Headed by, are two extremely beautiful women. The slightly larger ones are dignified and quiet, yet dignified. Smaller bright eyes and white teeth, but it gives people a sense of savagery.

This group of people is the demon tribe.

At the beginning, after Yue Feng released the demon clan from the place where the demon clan was sealed, he went to besiege the Yutian Palace. The battle was fierce at that time.

At that time, the ancestors of the Honghuang Dynasty named Yue Feng as Jiutian Xuansheng, and also resolved the grievances between the demon clan and the gods.

After that, the White Tiger King and Qi Cai Lingfeng took the demon clan and lived in seclusion in the northwest area of Fengmo Mountain. In the jungle, I plan to rest here.

This chapter is provided by . Visit for daily update.

In the past two days, the Demon Lord Gone came to the Demon Sealing Mountain to prepare to revive the minions buried in the ground, and the demon clan was alerted at that time.

Today, the White Tiger King sent a team of monsters to quietly come to Fengmo Mountain to investigate the situation.

The two women at the head are the daughters of the White Tiger King.

The older one is called Liya, and the younger one is called Mengya.

The two daughters of the White Tiger King, Liya is dignified and steady, while Mengya is stubborn and willful. It can be said that their personalities are two extremes.

Bang bang bang...

At this time, as it got closer and closer to the Demon Sealing Mountain, I heard the sound of fighting, and the screams kept coming. In an instant, Liya made a gesture to stop everyone.

"There seems to be a fight over there." Liya frowned and said slowly: "Could it be that the Demon Lord Gone has resurrected his subordinates?" The

voice fell, Mengya said disapprovingly: "What the hell happened, you can't tell if you look at it in the past?"

"No way!"

Leah shook her head, her beautiful face was a little dignified: "We can't take risks."

Whether it's Divine Realm or Demon It is not something you can provoke yourself, so you should be careful.

Thinking to herself, Liya ordered to a few of her subordinates behind her, "You guys, Tu Dun go over and take a look, remember, if you find out the news, come back quickly, don't be found out."

"Yes . ." The

voice fell, and several subordinates cast soil escape one after another, burrowing into the ground and heading towards Fengmo Mountain.

Earth escape is a common skill among the demon clan, burrowing into the ground like walking on the ground.

“elder sister!”

At this time, Mengya felt very boring, and said to Liya: “I want to go too.”

Liya said without thinking: “You can’t go, today’s exploration of Fengmo Mountain is no trivial matter, you have to be obedient.” My sister, who is stubborn by nature, will definitely go wrong.

Hearing this, Mengya stomped her feet.

Shasha...

After waiting for a while, I heard the sound of earth drilling, and then, several men who had been sent out by Lia, broke out one after another.

“The Demon Lord Gone really resurrected his subordinates.”

“Yeah, now he is at war with the hundreds of thousands of troops of the Haotian God...”

The two who came out first rushed to report the situation.

Hearing this, Liya frowned and her face suddenly became solemn.

This time it’s troublesome, the Demon Venerable resurrected his subordinates, not only the gods will be in chaos, but the demon clan will also suffer.

“Huh?”

At this moment, the last subordinate drilled out of the ground, and all of a sudden, the eyes around him converged.

I saw that his subordinate was dragging a comatose figure.

It was Yue Feng.

Originally, Yue Feng fell into the cave under Fengmo Mountain, but it was a coincidence that Liya’s subordinates ran into Yue Feng by using the dungeon, and brought it over without thinking at the time.

Chapter 4042

At this moment, Lia and Mengya, as well as the surrounding men, all gathered around.

“This is?”

“Isn’t it from the Demon Race?”

Speaking of which, Yue Feng is the benefactor of the Demon Race, and it can be said that he is well-known throughout the Demon Race. However, Liya and her sister Mengya, as well as the men who brought them, are the guard soldiers of the demon clan.

The so-called rear guard means that when there is a crisis in the demon clan, they do not need to rush to the front line, but protect the young and old soldiers of the demon clan. When the vanguard army is at war with the enemy, these guard soldiers are responsible for protecting the old and the weak. Keep the young safe and move them to a safe place.

In other words, these rear guard soldiers are called logistics support personnel in Kyushu.

When Yue Feng took the White Tiger King, Colorful Lingfeng, and the demon clan to leave the sealed land, Li Ya and these guard soldiers were the last ones to come out. Later, Yue Feng and the demon clan besieged Yutian Palace. Ria and these rear guard fighters moved to a safe place.

It can be said that Liya and these guard soldiers have hardly seen Yue Feng.

Moreover, at this time, Yue Feng’s face was covered in blood and mud, and he was even more embarrassed than a beggar. In this case, Liya and the others would not associate him with Yue Feng.

call!

Soon, Liya reacted, sighed lightly, and asked the subordinate, “Who is this person?”

Shuh!

The voice fell, and all the eyes around him focused on the subordinates, and each and every face was full of curiosity.

“Miss.”

The subordinate did not dare to neglect, and quickly responded: “When the subordinate was using the dungeon, he happened to meet this guy. At that time, he looked very strange. He was neither a magic soldier nor a demon tribe, so he brought it back directly. “

Hearing this, Leah pondered.

A few seconds later, Liya made up her mind and said, "Take him a Beast Yuandan and see if he can wake up."

Beast Yuandan is a unique healing medicine within the demon clan, and Lia is not sure if he is right. Whether the person in front of him is useful, but there is no other way but to give it a try.

Speaking of which, Liya didn't want to waste the beast Yuandan to treat an unfamiliar person, but the situation in the Demon Sealing Mountain was complicated, and she brought dozens of subordinates.

Since the person in front of him came down from the Demon Sealing Mountain, he must know some details.

"Yes, Miss."

Upon hearing the order, one of his men quickly took out the Beast Primordial Pill and stuffed it into Yue Feng's mouth.

"Sister."

At this moment, Mengya looked unhappy and muttered: "This person is hurt like this, it is a waste to use the beast Yuandan, and ah, looking at his clothes, he is not as good as a beggar, even if he wakes up. I guess I don't know much about it."

When she said this, Meng Ya didn't even look at Yue Feng, her delicate face was full of disgust.

Hu...

Hearing this, Lia couldn't help laughing, and then said softly: "Little sister, how can you say that? Even if this person doesn't know the situation of Feng Moshan, we saved him, it can be regarded as a good fortune."

What good fortune...

Mengya couldn't listen to it at all, she pouted to refute, but seeing her sister's seriousness, she finally held back.

"Wake up!"

At this moment, the surrounding subordinates did not know who shouted, and at what time, all eyes suddenly converged on Yue Feng.

I saw that Yue Feng, who had been in a coma, moved his fingers at this time, and then he let out a low pain and slowly opened his eyes.

At this time, Yue Feng only felt that his whole body was in extreme pain.

Damn, that blood sacrifice formation was really terrifying. At that time, it was shaken and flew out, not only breaking a leg, but also nearly dissipating the primordial spirit.

Um?

Muttering in his heart, Yue Feng looked around and was stunned.

I go, what's the situation?

I saw a group of people standing around, staring at him one by one, and two extremely beautiful women among them.

Even though she was wearing an ordinary grass skirt, her graceful figure and beautiful face were no less than the fairies in the realm of the gods.

Moreover, looking at their outfits and the power within their bodies, it is clear that they belong to the demon race.

Feeling Yue Feng's gaze, Liya and Mengya felt a little unhappy in their hearts. Liya was gentle and didn't show it, while Mengya was unruly but not used to Yue Feng.

Chapter 4043

"Hey!"

Soon, Mengya was the first to react, and said fiercely at Yue Feng: "What are you looking at? Let's dig out your eyeballs." Then, she made a fierce look .

Hearing this, Yue Feng didn't panic at all, but couldn't help but laugh.

This little girl is young, but her temper is not small.

"Are you still laughing?"

At this moment, Meng Ya was so angry that she was about to come over and do it. But she was soon stopped by Leah.

"Little sister, don't make trouble." Liya said softly, her voice gentle, but with an unquestionable majesty.

Meng Yatian was not afraid, but she obeyed Liya's sister's advice. She glared at Yue Feng and stood aside.

"Hello."

This is, Liya's eyes fell on Yue Feng and asked, "Who are you?" The leading woman asked Yue Feng, "Who are you?"

"Me?"

Facing Li At Ya's question, Yue Feng smiled slightly, and did not answer immediately, but instead asked: "If I guess right, you are all from the demon clan, right?"

"Yes!"

Liya nodded and responded: "My father The king is the White Tiger King."

As soon as he finished speaking, Mengya on the side answered proudly: "Have you heard of the White Tiger King, among the demon clan, the strongest and greatest being, one of the four innate spirit beasts, so, you have to be more respectful to us, and even more aware of awe, you know?"

What? The daughter of the White Tiger King?

At this moment, Yue Feng was stunned for a moment, surprised.

Haha, that's really good.

At this time, the realm of the gods has entered an unprecedented crisis. If there is help from the demon clan, the Demon Lord Gone will definitely be defeated. It's just that Yue Feng was seriously injured, and the whereabouts of the demon clan were mysterious. In this case, it was difficult to find the habitat of the demon clan.

But Yue Feng never thought that he would meet the demon clan so quickly.

Also, they were rescued.

Speaking of which, the Nine Heavens God is self-willed, selfish and arrogant. Yue Feng doesn't like him at all, and he doesn't want to help the God Realm to deal with the Demon Lord, but Yue Feng also understands that once the God Domain falls, the Demon Lord's next target is the continent of Kyushu.

The so-called cold lips, for the sake of the overall situation, Yue Feng felt that it was necessary to talk to the demon clan.

Phew...

Seeing Yue Feng smiling but not saying a word, Liya and her surrounding subordinates were a little baffled.

What the hell is this guy doing? No brain problem.

Finally, Leah frowned and couldn't help but said, "What are you laughing at? You haven't said who you are? My men brought you out of the ground, what happened to you? Also, why are you here? Feng Moshan?"

"Me."

Yue Feng took a deep breath and said seriously: "I am Yue Feng, since you are the daughter of the White Tiger King, take me to see her quickly."

When he said this, Yue Feng's eyes full of urgency.

What?

Hearing this, whether it was Liya, Mengya and the surrounding subordinates, they were all stunned, followed by a roar of laughter.

"What did he say? Yue Feng?"

"Looking at this outfit, the beggars are better than you."

"Do you know who Yue Feng is? The benefactor of our entire demon clan, the Nine Heavens Profound Sage of the Divine Realm, just like you, how dare you brag that you are Yue Feng ?

"

The subordinates couldn't help but sneered, each of them couldn't hide their contempt for Yue Feng, and at the same time they were all angry.

You must know that Yue Feng is so powerful that even the ancestors of the Great Wilderness praised him. How could such a character be so miserable?

More importantly, Yue Feng is the benefactor of the demon clan. The guy in front of him pretends to be Yue Feng, but he looks down on the demon clan, why is he not popular?

The mockery kept coming, Yue Feng smiled and didn't take it to heart at all.

"I don't know whether to live or die."

At this moment, Mengya couldn't help it, she walked over quickly, and shouted at Yue Fengjiao: "You're not too timid, you dare to fake the name of our demon benefactor, you really have come to the end of your life. "

Speaking, Mengya tilted her head and said to Liya: "Sister, I said just now to leave him alone, you still give her the Beast Yuandan, this is a crazy neurosis."

Chapter 4044 The

last sentence fell, Mengya couldn't help but glared at Yue Feng.

Seeing her arrogant look, Yue Feng was very helpless.

This is, Liya is also Xiumei, and she couldn't help but say: "Mengya, don't talk yet."

Saying that, Liya said to Yue Feng: "Do you know what you were talking about just now? Do you know, Yue Feng is the benefactor of our demon clan, and has a very high reputation in our entire demon clan, you pretended to be him, have you thought about the consequences?"

Like Mengya, Liya also thought that the man in front of her was lying.

Uh...

Yue Feng was very helpless, scratched his head and smiled bitterly: "I can't see that I have such a high reputation in the demon clan, that... I'm really Yue Feng, I can still lie to you. Can't it?"

After speaking, Yue Feng looked at Liya seriously: "So, you take me to see my father, the White Tiger King, whether it's true or not, and then we'll know."

This...

Hearing this, Liya lightly Biting his lip lightly, he groaned.

This is true. As long as he goes back to see the father, he will know at a glance whether this person is lying. However, the situation of Fengmo Mountain has not been investigated much.

Moreover, this person was too seriously injured, and it would take some time to bring him to the Hui family.

How to do?

"Sister!"

At this time, Mengya couldn't stand it any longer, she walked over and frowned, "Do you really believe what he said? This man is a liar. He just wasted one of our beast Yuandan, and now he pretends to be Your Excellency Yue Feng, follow me Look, just kill it." With

that, Mengya pulled out a cold dagger.

I go.

Seeing the dagger in Mengya's hand, Yue Feng was startled, is this girl so cruel?

At the same time, Liya also trembled, and quickly stopped: "Little sister, don't be impulsive."

After saying that, Liya looked around, and ordered to the surrounding men: "I'll go first, Hui people, you guys. Accompany Mengya, follow him with him, remember to take good care of his injury and don't let him have an accident."

When she said this, Liya's delicate face showed a bit of complexity.

Speaking of which, Liya didn't believe in the man in front of her either, but she also understood the impermanence of fate. If this person is really Yue Feng, and leave him here and ignore him, it will be troublesome.

After thinking about it, Liya returned to the clan first, and told her father the situation as soon as possible, so that the father could make a decision as soon as possible.

What?

Hearing this, Mengya was stunned and reluctantly said: "I don't want to take him, sister, if you want to go back, I will go back with you."

Then, Mengya pointed to Yue Feng: "Even if you want Save him and let these subordinates take care of it."

Lia smiled bitterly and said softly: "Sister, you are obedient, I do this because I want you to experience the experience alone. Moreover, if this person is really Yue Feng If you do, you will take good care of him along the way, and your father will reward you when the time comes." At the

end, Liya patted Mengya's shoulder: "Okay, that's it, my sister believes in you. That's ok."

After saying the last sentence, Lia moved her figure and quickly rushed towards the clan.

"Sister..."

At this moment, Mengya was very depressed and couldn't help shouting, but Liya was very fast and disappeared in the depths of the jungle in the blink of an eye. At that time, Mengya stomped her feet in anger.

After that, Mengya glared at Yue Feng angrily: "Wait, wait until you meet the father, let me know that you are not Yue Feng, and see how I peel your skin and cramp your muscles..."

After saying this, Mengya walked forward quickly.

The surrounding subordinates did not dare to neglect, they lifted Yue Feng up and followed closely behind. Yue Feng was seriously injured, his right leg was completely broken and he could only carry it.

Haha...

Looking at Mengya who was annoyed in front of him, Yue Feng was not angry, but was indescribably relaxed.

He now just wants to see the White Tiger King as soon as possible.

Because of meeting the White Tiger King, not only did he save his own life, but he could also invite the demon clan to send troops to help the God Realm deal with Demon Venerable.

.....

At this moment, the Demon Sealing Mountain is here.

"Ah..." On the

battlefield, the fighting became more and more tragic, and I saw that the morale of the demon tribe was getting stronger and stronger under the encouragement of the Demon Lord Gone. The divine soldier fell into the hole under the blood sacrifice formation, and the formation was in chaos. In this case, the casualties were increasing. ...

Chapter 4045

"Your Excellency God."

Seeing that the situation was getting worse and worse, Gong Ao panicked and shouted at Haotian God: "I can't beat it, withdraw... withdraw,"

If you don't withdraw, you will die . .

call!

Hearing this, Haotian Divine Sovereign did not respond, took a deep breath, and his face was extremely gloomy.

Ma De, in the end, it was a step too slow. I thought that this time, leading hundreds of thousands of gods and soldiers, I could disrupt Mozun's plan, but I didn't expect that in the end, Mozun successfully captured those Mozu tribesmen. .

"Evacuate!"

After a few seconds, Haotian Divine Sovereign shouted unwillingly: "Quickly evacuate Fengmo Mountain."

When he shouted this sentence, Haotian Divine Sovereign was unwilling, and he was the number two figure in God's Domain. , invincible and famous, but now he is in a situation of escape.

But there is no way, if you don't withdraw, you will die.

There is still a chance to withdraw.

Wow....

Hearing Haotian Divine Sovereign's cry, the surrounding gods and soldiers didn't hesitate, one by one gave up their stubborn resistance and fled in all directions.

Hahaha...

Seeing this scene, Demon Lord Gone laughed up to the sky, and at the same time madness and cruelty flashed in his eyes: "Warriors, don't let any of them run away, chase..."

"Ow.... "The

voice fell, and the hundreds of thousands of demon tribesmen screamed frantically as if they had been beaten with blood, and chased after the gods and soldiers who had fled in all directions to the west.

.....

At this moment, in the dense forest a few miles away from the Demon Sealing Mountain.

Mengya and more than 20 subordinates were walking slowly with Yue Feng. Because of Yue Feng's injury, they walked very slowly.

"Slow death..."

At this moment, Mengya couldn't help but turn her head and glared at Yue Feng, and muttered to herself, "I don't know what my sister thinks, she has to protect this liar.

"A burden, when will I be able to return to the clan?" The words were full of disgust.

Mengya's voice was not loud, but Yue Feng, who was behind him, could hear it clearly. I didn't think much about it at the time, just smiled.

After all, it's hard for anyone to be calm about this kind of thing.

"Ow..."

But at this moment, I heard a burst of howling sounds coming from behind, and then I saw a lot of figures, approaching quickly.

All of them were tall and covered in blood-red armor.

There are hundreds of them, and it is the demon subordinates captured by Demon Venerable.

Just now, under the order of Haotian Shenjun, the gods and soldiers fled in all directions, some of them fled into the dense forest here, and there were hundreds of demon tribes chasing in at that time.

It's just that this dense forest is too big, these demon tribes did not catch up with the escaped warriors and gods, but unexpectedly bumped into Yue Feng and his party.

Oops....

Seeing this scene, whether it was Mengya, Yue Feng and dozens of subordinates, their expressions changed.

"This... this is a demon warrior..."

"Oh, there are too many demon warriors, we are not opponents at all."

"It's all because our speed is too slow, otherwise, we would have left here long ago..."  
During the

discussion among dozens of subordinates, they all looked at Yue Feng subconsciously, and regarded him as a broom star in their hearts.

"Miss!"

Soon, one of his subordinates reacted and said to Mengya: "What should I do now? Demon warriors are very difficult to deal with."

Mengya is young and has never experienced this. How can I know what to do? , panicked.

“Don’t panic, there is me.”

At this moment, Yue Feng smiled slightly and said, “As long as you follow my command, I...”

At this time, Yue Feng was very confident, because this is a dense forest , The natural environment is very suitable for formation, but Meng Ya coldly interrupted before he finished speaking.

“Shut up for me.” Meng Yajiao shouted, pointed at Yue Feng and said coldly, “It’s all you, if it weren’t for dragging you as a burden, we wouldn’t be overtaken by the demon warriors.”

Without this guy , everyone has long returned to the clan.

As soon as these words came out, many of the subordinates were also very indignant and opened their mouths one after another.

“Yes, this kid is not only a burden, but also a broom star.”

“Miss, why don’t you kill him. If you kill him, we will leave quickly. Those demon warriors should not be able to catch up with us.” During the

discussion, many subordinates advocated To kill Yue Feng on the spot.

Hearing this, Meng Ya did not hesitate at all, holding the dagger tightly, she was about to stab Yue Feng.

## **The ultimate husband in Chinese chapter 4046-4050**

### **Chapter 4046**

However, there are also rational subordinates. Seeing this scene at this time, he quickly stopped and said: “Miss, calm down. When the eldest lady left just now, she repeatedly told me to take good care of this person.”

Phew...

hear this Then, the dagger that Mengya swung stopped instantly.

Yes, when my sister left, she said that you can’t hurt this person.

But...with his words, everyone will be unable to leave after being chased by the demon warriors behind.

Good hanging.

Seeing that the killing intent in Mengya's eyes had weakened a lot, Yue Feng secretly breathed a sigh of relief. To be honest, he was really afraid of Mengya's actions just now, and he didn't understand when he died, but it would be too wrong.

Rejoicing secretly in his heart, Yue Feng smiled at Meng Ya: "Actually, it is very simple to save your life, you just need to listen to my orders."

Meng Ya rolled her eyes and said contemptuously: "You shut me up. Mouth, you are a crippled person, you can't even protect yourself, what can you do?" The

voice fell, and many of his subordinates also laughed.

"That's right, stop bragging."

"Shut up, crippled, we will protect you."

Just as he was talking, he heard footsteps behind him, getting closer and closer. At the same time, the hundreds of demon warriors I also found Yue Feng and the others, and all of them suddenly flashed evil rays of light in their eyes, and rushed over with howling.

Huh...

Feeling the powerful breath of the demon warriors, whether it was Mengya or dozens of subordinates, all of them were pale and panicked.

This chapter is provided by . Visit for daily update.

The next second, Meng Ya bit her lip tightly and said softly, "Since you can't hide, you can only fight with them."

As soon as the voice fell, Mengya was about to greet dozens of subordinates and rush up.

I go.

Seeing this scene, Yue Feng was immediately anxious: "Don't be impulsive, if you rush up like this, you will die."

Said Yue Feng, pointing to the surrounding trees, and instructed the dozens of subordinates: "Go, go here. A branch, the thicker the better."

Mengya was upset, she shouted: "You still don't shut up?"

This crippled nonsense is too much.

Yue Feng looked serious: "You rush up, there is only one dead end, why can't you listen to me?" Huh

..

At this moment, Mengya thought for a while, nodded and said, "Okay, I'll listen to you asshole once. Saying that, Mengya ordered dozens of subordinates: "Do as he said."

"Miss, this crippled..."

"Come on, do you want to disobey?"

Seeing Mengya's serious face, those subordinates Not daring to neglect, he quickly broke some branches around, holding them one by one.

Yue Feng hurriedly shouted: "Ten to the left, ten to the right, the left is in the shape of a product, and the right is in a herringbone shape, hurry up, after you are in place, just wave the branch in your hand."

When he shouted these, Yue Feng In a hurry, but his face is very calm.

Yes, Yue Feng asked them to deploy a green wood formation.

Yue Feng felt that these demon warriors were still in a state of chaos because they had just been resurrected. In this case, they could be dealt with by deploying a simple green wood formation.

And there are trees all around here, and the deployment of the Aoki Formation is completely at your fingertips.

that's it?

Hearing Yue Feng's orders, both Mengya and those subordinates frowned and were full of doubts.

Can you deal with those demon warriors just by shaking the branches?

Is this too much of a joke?

"Ow..."

At this time, the hundreds of demon warriors had already rushed to the front, and the situation was extremely critical. At that time, the dozens of subordinates had no choice but to 'dead horses and live horse doctors'. On both sides, after standing in a good position, they waved the branches in their hands.

Clap la la....

The branches were waving with bursts of noise, whether it was Mengya or dozens of subordinates, they were extremely nervous, and their hearts were all adjusted to their throats.

However, to their astonishment, after the hundreds of demon warriors rushed to the front, they didn't seem to see themselves, but one by one with a bewildered expression, they looked around blindly.

The scene in front of them is very strange. Yue Feng, Meng Ya, and dozens of subordinates are right in front of these demon warriors, but they seem to be blind, they just can't see it.

This...

Seeing this situation, dozens of subordinates were stunned, staring blankly at Yue Feng, speechless, extremely calm.

How did he do it?

Mengya's body trembled and she was completely stupid.

Chapter 4047

This guy looks like a cripple, but he didn't expect to have this kind of ability.

Wow...

Soon, hundreds of demon warriors gradually left without discovering Yue Feng and others.

At this moment, whether it was Yue Feng or Mengya and the others, they all breathed a sigh of relief.

"Let's go!"

Then Yue Feng reacted and said to Meng Ya, "Let's get out of here quickly."

Meng Ya nodded, then greeted dozens of subordinates, and continued to move forward with Yue Feng.

...

the other side.

Kyushu, Apocalypse Imperial City.

In the splendid palace, Bai Yunfei slowly woke up, and the moment he opened his eyes, he was stunned.

Is this the palace?

At this time, Bai Yunfei was very surprised. He saw that in the bedroom where he was, the golden light was everywhere, and it was extremely luxurious. Not only that, but there were also several beautiful palace maids waiting by the side.

Strange, shouldn't I be in the Kunlun ruins? How can it appear in the palace?

And... which continent's palace is this?

"Where is this?"

Soon, Bai Yunfei came to his senses, and asked the court maid beside him, "Who rescued me?" "Go

back to your Excellency."

Saved you, this is the Apocalypse Palace."

Apocalypse Palace?

Hearing the answer, Bai Yunfei frowned. He remembered that the emperor of Apocalypse Continent was King Guangping, but he had nothing to do with King Guangping, and was even considered hostile before.

Because, at the beginning, King Guangping had let the weather royal family join the Tiandao Alliance, and Bai Yunfei and Tiandao Alliance had always been at odds, so they were naturally enemies.

Under such circumstances, King Guangping suddenly came to the rescue, which made Bai Yunfei puzzled.

"Haha..."

Just when Bai Yunfei was thinking about it, he heard a burst of laughter. Then, King Guangping, accompanied by several guards, walked in quickly.

At this time, the King of Guangping was wearing a golden robe, and he was in high spirits, showing the extraordinariness of the royal family.

When they arrived at the bedroom, when Bai Yunfei woke up, King Guangping was very happy: "Your Excellency is finally awake, it's really gratifying." After

speaking, King Guangping waved: "You all go down."

"Yes, Your Majesty!"

The voice fell, and several guards, as well as those maids who were originally in the palace, responded in unison, and then quickly exited the palace.

call!

As soon as his forefoot left, Bai Yunfei took a deep breath and looked at King Guangping complicatedly: "Why do you want to save me?"

King Guangping smiled slightly, and while pacing, he said, "Don't be nervous, Your Excellency, I have no other purpose in saving you. , just to show sincerity."

Sincerity?

Bai Yunfei frowned: "Please make it clearer."

King Guangping smiled and said slowly: "A month ago, there was a vision of heaven and earth in my Tianqi Emperor Mausoleum. I think your Excellency knows it."

Bai Yunfei nodded. , did not speak.

At that time, a vision appeared in the Tianqi Emperor's Mausoleum, and Kyushu was shaken. Of course Bai Yunfei knew it, and it was at that time that Yue Feng was paying attention to Tianqi Emperor's Mausoleum. Bai Yunfei broke into the ghost world for the second time and snatched it away. Sealed magic mirror.

At this moment, King Guangping's expression became complicated, and he continued: "That is the ancient tomb of my ancestor Chiyou. After the ancient tomb descended, I was fortunate enough to find the spiritual hall where my ancestor was."

"It was also at that time that I realized that it turned out that Ancestor Chi You is also a member of the Demon Race."

What?

Hearing this, Bai Yunfei was shocked, and looked at King Guangping tightly, unable to speak for a while.

According to this, the weather royal family is also a descendant of the Demon Race...

"Your Excellency!"

Just when Bai Yunfei was shocked, King Guangping stepped forward and said sincerely: "You and I are both flowing with Demon Race. Blood, it is considered a family, and your Excellency is a popular person beside Mozun, so I would like to ask you to introduce me so that I can take the royal family to serve Mozun."

It turned out to be the case.

Bai Yunfei looked stunned, but he wasn't stupid. He smiled slightly when he thought of something: "If you want to see the Demon Venerable, your allegiance is false, is it true that you want to unify the Kyushu continent?"

"The son guessed the original intention of King Guangping.

Uh..

His mind was pierced, and King Guangping's face flushed, very embarrassed.

Seeing his appearance, Bai Yunfei laughed and waved his hand: "Looking at you nervous, we are all members of the Demon Race. If you want to serve the Demon Lord, I will naturally help you."

Chapter 4048

said, Bai Yunfei suddenly noticed something, looked at King Guangping's eyes with doubts: "No, you don't have a demon soul in your body. Did you not inherit it in the tomb of your ancestor Chiyu?"

"The

voice fell, and King Guangping was directly poked into the pain in his heart. At that time, his face changed and he said fiercely: "To be honest, when I found the ancestor's temple, Yue Feng and a dead girl were there, and the girl called Ren Yingying, the daughter of the previous emperor, was only expelled from the royal family by me."

"Yue Feng and Ren Yingying are cunning and cunning, the inheritance of the Demon Venerable should belong to me, but they were robbed by despicable means at that time.

"

At the end, King Guangping was full of resentment.

When he thought that the ancestor's demon soul was obtained by Ren Yingying, King Guangping couldn't hold back his anger.

Ren Yingying?

Knowing these circumstances, Bai Yunfei nodded silently, and then said: "Since this is the case, you should not be too obsessed. Once the demon soul is inherited, it cannot be changed." After

speaking, Bai Yunfei thought for a while: "Since any Yingying has been inherited, so he must find a way to take it for his own use." Although the Demon Venerable has reshaped his body, the current situation is not optimistic for the Demon Race.

Since Ren Yingying has a demon soul, she must find a way to win over him.

"Your Excellency wants to subdue Ren Yingying?"

King Guangping's face flashed with complexity, and he couldn't help but say: "That girl has a very stubborn personality. She has been following Yue Feng many years ago. Based on what I know about her, it is impossible to rely on us. Although King

Guangping hated Ren Yingying deeply, he also knew that she had a deep affection for Yue Feng, and it was impossible for her to betray the Ouyang family.

call....

Bai Yunfei took a deep breath and smiled: "So, let's find a way to lead Ren Yingying out. Of course, we have to discuss the specific plan."

After speaking, Bai Yunfei comforted King Guangping: "Don't worry, as long as you help me subdue Ren Yingying, I will definitely arrange for you to meet your Majesty Mozun."

Hearing this, King Guangping finally smiled: "It's all up to your arrangement." The two laughed at each other. Immediately, the negotiation of the plan began.

...

the other side!

Kyushu, Tianxiang Valley.

At this time, in the pavilion in the courtyard, Wen Chou Chou, Sun Dasheng, and several elders of Su Qingyan and Xia Yinzong were sitting around discussing the next plan.

"Fengzi went to Shengzong, and there was no news at all. It's really urgent!" Ren Yingying bit her lip tightly, her face full of anxiety.

Wen Chou Chou pondered for a while: "When Haotian Divine Sovereign was there, I once heard him say that Feng Zi was brought back to the Divine Realm. If he is in the Divine Realm, he should not be in danger for the time being. What we need to do now is to Find that Ji Hongshang."

When Ji Hongshang fled at that time, he snatched the inner core of the ancient poisonous beetle, which was a big hidden danger.

The voice fell, and Sun Dasheng couldn't wait to answer: "Then Ji Hongshang is very cunning, you must catch her as soon as possible."

Elder Huo also nodded: "Yes, that Ji Hongshang has been with Bai Yunfei for so long, he must know a lot. The secret, this woman must not be easily let go."

Hmm!

Wen Chou Chou nodded, looked around and said, "It's not too late, we will immediately send people to various continents to inquire about the news."

When he said this, Wen Chou Chou looked confident.

At this time, the Ouyang family and Xia Yinzong joined forces, and it was difficult for Ji Hongshang to fly.

As a result, at this moment, a disciple of the Ouyang family walked into the yard quickly, first bowed to Wen Chou Chou and others, and finally Ren Yingying said: "The five poison sect general altar, suddenly a eunuch came, panicked, Said to ask to see the young lady."

Ren Yingying has been in the Ouyang family for a long time, because she has not yet married Yue Feng, so she has always been called the young lady.

Eunuch?

Hearing this, everyone, whether it was Ren Yingying or Wen Chou Chou, was stunned.

In the next second, Ren Yingying reacted and said, "Bring him here." A eunuch came inexplicably. Could it be that something happened to the Tianqi royal family?

"Yes, miss!"

The disciple responded, and hurriedly left Tianxiang Valley. After a few minutes, he brought a little eunuch back.

I saw that the little eunuch looked eighteen and nineteen, pure and white, with his hands down and a humble attitude.

## Chapter 4049 Arrived

at the front, the little eunuch respectfully said to Ren Yingying: "The servant has seen the princess, the servant's name is Xiwang, he is the personal eunuch next to the ninth prince, His Royal Highness the ninth prince learned that the princess was in the Five Poison Sect, so he asked the servant to send it A secret letter."

After saying this, Xiwang handed over a letter.

Eighth prince?

At this moment, Ren Yingying's delicate body trembled, and her thoughts suddenly surged.

The eighth prince Jiayin was born to Emperor Tianqi and his concubine, and he and Ren Yingying were half-brothers. At Ren Yingying's martial arts contest, Emperor Tianqi was raided to death by King Guangping, and the eighth prince at that time was only two years old. age.

Ren Yingying was talented and witty since she was a child, and she likes to tease people the most, so she has always had a bad relationship with other princes and princesses, but Jiayin is the exception.

At that time, after the tragic death of Emperor Tianqi, Ren Yingying followed Yue Feng to leave the Tianqi Continent. During that time, he always wanted to bring Jiayin out, but there was no chance.

Later, King Guangping became the emperor. In order to show his generosity, he regarded Jiayin as his son, and continued to let him stay in the palace and continue to enjoy the treatment of a prince. Knowing this at the time, Ren Yingying was no longer worried, but occasionally thought of this younger brother.

"Xi Wang!"

At this time, Ren Yingying took the letter and couldn't help but ask: "What's wrong with Jiayin?"

Xi Wang bowed slightly and said complicatedly: "The situation of the eighth prince is very bad now, specifically, the prince is in It should be written in the letter, the princess will know after reading it!"

When he said this, Xiwang looked serious, but there was a gloomy look in his eyes.

In fact, Xiwang was not the personal eunuch of the Eighth Prince Jiayin at all, but was sent by King Guangping to lead Ren Yingying to the Apocalypse Continent alone.

Hearing this, Ren Yingying didn't ask, but opened the letter and read it.

Swish!

Soon, after reading the letter, Ren Yingying's body was trembling, and her delicate face was full of anxiety, because it was clearly written in the letter that Jiayin's Bieyuan was blocked by heavy troops sent by King Guangping, and Jiayin's every move was under surveillance. , it can be said that freedom is completely lost.

In the eyes of others, this matter may be nothing, but in Ren Yingying's heart, it is no trivial matter. You must know that the emperor's family is the most sinister. A few years ago, King Guangping had just ascended the throne and became emperor, and the throne was unstable. To win the hearts and minds of the people, such as treating Jiayin kindly.

At this time, King Guangping's throne was already stable, and it was not impossible for him to attack Jiayin.

Thinking of this, Ren Yingying was very anxious.

Whoa!

Seeing that her face was wrong, Wen Chou Chou and the crowd quickly gathered around and asked.

"What's the situation?"

"What happened?"

Facing the question, Ren Yingying took a deep breath and told the situation, and finally said: "It seems that I am going to the Apocalypse Palace." The

voice fell, Sun Dasheng couldn't help but said: "You are too dangerous alone, why don't we go together, so that we can also take care of him."

Others also nodded.

However, Ren Yingying shook her head: "It's not good if there are too many people, we just had a fierce battle with Long Qianyu, the strength of the disciples has not recovered yet, and rushed to Tianqi Continent, I'm afraid it will be difficult to stop King Guangping The army."

Saying that, Ren Yingying's delicate face showed a bit of complexity: "Moreover, once we enter the Tianqi Imperial City, King Guangping will threaten Jiayin, Jiayin is still young, I will never allow him to have an accident. "

This...

Hearing this, Wen Chou Chou frowned and fell silent.

A few minutes later, Wen Chou Chou reacted, looked at Ren Yingying and said, "Do you have any plans?"

Ren Yingying thought for a while, and said, "I have decided, I will go alone, which is more convenient for the action, and I Even if the whereabouts are revealed, King Guangping can't do anything to me."

When she said this, Ren Yingying's eyes flashed with complexity.

There is one thing that she is inconvenient to say, that is, there is a secret passage in Tianqi Palace, and it is just below Jiayin Garden, but these are royal secrets, so Ren Yingying is inconvenient to say.

"Okay!" Seeing her say that, Wen Chou Chou had no choice but to nod: "Then be careful, if you encounter a situation, come back directly, and then we will discuss countermeasures."

Chapter 4050

Hmm!

Ren Yingying responded, and then looked around: "Everyone, let's just leave it alone!"

"Be careful!" Su Qingyan came over and couldn't help saying.

At the same time, everyone else also warned.

Ren Yingying responded one by one, then smiled, said goodbye to everyone, and then took the little eunuch Xiwang, left Tianxiang Valley, and rushed towards Tianqi Palace.

After several hours of traveling, Ren Yingying and Xiwang finally arrived at Tianqi Imperial City.

It was getting dark by this time.

Ren Yingying and Xi Wang did not go through the gate of the palace, but went to the slightly remote west gate, and hid in a corner.

"Xiwang!"

At this time, Ren Yingying directed at Xiwang: "When you go back, tell Jiayin to let him wait for me by the rockery in the backyard."

In the other courtyard where Jiayin is located, there is a rockery that is secretly located. The entrance to the road is in the rockery. Ren Yingying grew up in the Tianqi Palace and often went to that secret road to play.

“Yes, princess!”

Xiwang responded and quickly entered the palace. He had a waist badge on his body that allowed him to enter and exit freely, so he was not afraid of being checked by the guards.

But Ren Yingying is different, she has been expelled from the royal family by King Guangping.

call!

Seeing Xiwang entering the palace, Ren Yingying breathed a sigh of relief, turned and walked towards the moat outside. A hidden location on the moat was the exit of the secret passage.

Soon, the entrance to the secret passage was found, and Ren Yingying quickly got in. After walking for a few minutes, he arrived at the other courtyard where Jia Yin lived.

Um?

At this moment, when he came out of the rockery, Ren Yingying looked around and frowned.

I saw that there was no one around, and it was quiet.

what happened?

Didn't Xiwang tell Jiayin to wait at the rockery?

Whoa!

As a result, at this moment, a fire lit up not far away!

Ren Yingying looked at it subconsciously, her body trembled and she was furious.

I saw that there were nearly a hundred royal guards lined up not far away, and in front of these guards stood a proud figure, a golden dragon cannon, with a gloomy face, it was King Guangping!

Behind King Guangping is Xiwang.

“You!”

At this moment, Ren Yingying stared at Xiwang closely, her delicate face was full of anger, and the scene in front of her was obvious. Xiwang belonged to King Guangping. bring over.

“Ren Yingying!”

At this moment, King Guangping showed a smile, which couldn't hide the smugness and treacherousness in his smile: “Did you not expect it? It seems that I still know you very well, as long as you mention Jiayin. Son, you will come here no matter what.”

Ren Yingying didn't speak, but looked at him coldly.

King Guangping's expression gradually turned hideous: “You stole the demon soul of the ancestor, thinking that with Yue Feng's protection, you can sit back and relax? Let me tell you, if I don't get what I want, then I will destroy it!”

madman!

Hearing this, Ren Yingying frowned, then laughed lightly and mocked: “King Guangping, you have come to the throne improperly, the inheritance of the ancestors was not given to you, it is God's will.”

Having said that, Ren Yingying looked around and continued: “Even if you lure me here, you will not get the demon soul of the ancestors.”

Ren Yingying seems to be weak, but her personality is extremely tough. If other women face it In this situation, her legs have been weakened with fright, but she is different. Not only does she not panic, but she can calmly mock the other party.

Moreover, in this situation, Ren Yingying immediately guessed that Jiayin was all right, it was just an excuse for King Guangping to attract him.

Since this is the case, then there is no need to worry about Jia Yin's safety.

Swish!

Hearing this, King Guangping's expression changed. At that time, he was full of anger and stopped talking nonsense. He pointed at Ren Yingying and shouted angrily: “Take him down for me!”

Swish swish....

The voice fell, and many palace guards behind him, one after another He rose into the air and charged directly towards Ren Yingying!

Looking at the royal guards rushing up, Ren Yingying's beautiful face did not fluctuate in the slightest, and said lightly: "But this person wants to trap me?" The

voice fell, Ren Yingying raised her hand, a powerful force It broke out, and in an instant, the palace guards who rushed to the front were shocked and flew out before they understood what was going on.

Bang bang bang...

In the blink of an eye, dozens of royal guards fell to the ground, all pale and lost their fighting power.
