

The ultimate husband in Chinese chapter 4051-4060

Chapter 4051

Hiss!

Seeing this scene, the remaining royal guards couldn't help gasping for air.

At the same time, King Guangping was also furious, and looking at Ren Yingying's eyes, it became extremely hot.

Is this the power of the demon soul of the ancestor Chi You? Really strong.

"King Guangping!"

At this moment, Ren Yingying didn't talk nonsense, his eyes locked on King Guangping, the jade hand raised again, and saw a blood-colored light burst out, heading straight for King Guangping.

Ren Yingying is extremely talented. During this period of time, she has devoted herself to research, and soon integrated the power of the devil's soul, and her strength is not what it used to be.

Seeing that golden glow, King Guangping's heart skipped a beat, but he didn't feel the slightest panic, but was indescribably excited.

hum!

In the next second, King Guangping didn't have time to think about it. He stimulated his inner strength and quickly formed a protective film in front of him. At the same time, the figure quickly retreated.

boom!

The blood-colored light slammed into the protective film, and a thunderous roar was heard, and the protective film shattered instantly. Although the protective film offset a lot of power, the aftermath of Jin Mang still tore the surrounding air.

Fortunately, King Guangping retreated more than 100 meters in time, otherwise he would be disabled.

"King Guangping!"

At this moment, Ren Yingying had a pretty face with anger and looked at King Guangping closely: "Back then, you attacked my father emperor and seized the throne at the martial arts contest, and today I will pay your debts with blood!"

This chapter is provided by . Visit for daily update.

King Guangping sneered: "Okay, if you want to kill me, just come."

Shouting, King Guangping did not take the initiative to attack, but ordered the surrounding royal guards: "Everyone obeys the order, as I said before, form a formation!" The

voice fell, and the surrounding royal guards erupted one after another. In the blink of an eye, Ren Yingying was surrounded in the middle.

Um? !

At this moment, Ren Yingying's face flushed and she was secretly surprised.

This array is a bit weird.

Since establishing a relationship with Yue Feng, Ren Yingying's skills in formations have also improved a lot. Although he has not yet reached the level of 'unbreakable formations', he also has some understanding of various formations in Kyushu.

But Ren Yingying had never seen this formation in front of her.

Haha...

Seeing this scene, King Guangping showed a smile, indescribably proud.

Yes, this formation is the 'chaotic magic formation' that Bai Yunfei learned from the Demon Lord Gone, and it has never been recorded on the Kyushu Continent.

With the formation, Ren Yingying was quickly restrained.

I have to say that this chaotic demon formation is too sinister and evil, even if Ren Yingying possesses the power of the demon soul, he will not be able to rush out for a while.

"Ren Yingying!"

At this moment, King Guangping exploded his inner strength and flew over quickly, sneering and sneering: "What if there is a demon soul? With this formation, it is difficult for you to fly today, so you should give up resistance and die obediently. ." The

voice fell, and King Guangping urged his inner strength to cooperate with the surrounding royal guards to fight against Ren Yingying!

"you..."

In the face of the siege of King Guangping and many guards, Ren Yingying was anxious and angry, and said coldly: "King Guangping, you are really despicable and shameless, and the dignified emperor used such a method, and he really lost the face of the royal family!"

Feeling Ren Yingying's sarcasm, King Guangping was not angry at all at this time, but laughed more happily.

Because once Ren Yingying is angry, it is difficult to calm down, so that there is a chance to defeat her.

After making up his mind, King Guangping did not respond, but continued to besiege Ren Yingying with the surrounding guards.

boom!

Soon, King Guangping found an opportunity. Taking advantage of Ren Yingying's attention, he was attracted by the guards, and suddenly broke out, hitting Ren Yingying on the back.

Hearing a dull sound, Ren Yingying's delicate body trembled and fell heavily to the ground.

puff!

Finally, Ren Yingying spit out a mouthful of blood in the sky, her face was extremely pale, and her whole body was extremely weak.

"Ren Yingying, I said, you are the one who died today." At this time, King Guangping, his eyes full of madness, said coldly, his figure burst out and came to Ren Yingying again.

This time, King Guangping burst out with all his strength, the surrounding air was distorted, and the power was amazing.

Looking at the rushing King of Guangping, Ren Yingying spat out a mouthful of blood, and her delicate face was full of grief, anger and unwillingness.

"Stop..."

However, at this moment, a loud shout came, and then a figure quickly landed in mid-air, blocking Ren Yingying's face.

Wearing a black long shirt, he is indescribably handsome. The whole body is filled with more powerful momentum.

It is Bai Yunfei!

Chapter 4052

Is he?

Seeing Bai Yunfei, Ren Yingying's delicate body was shocked, and she was stunned at the time.

This... Wasn't this guy taken by Haotian Divine Sovereign at the time? How could it appear in the Apocalypse Continent?

"Bai Yunfei?"

At the same time, King Guangping and the surrounding royal guards were all taken aback, but at the same time, there was complexity in King Guangping's eyes.

Yes, his surprise was fake.

Everything in front of me was originally a scene played by King Guangping and Bai Yunfei. King Guangping first used the little eunuch to lead Ren Yingying to the Weather Palace alone, and then trapped her through the formation. At the critical moment, Bai Yunfei appeared. , to rescue Ren Yingying.

The purpose of this is to let Ren Yingying dispel her previous views on Bai Yunfei. Then take her for himself.

"Bai Yunfei."

At this moment, King Guangping calmed down, pretended to be very angry, and shouted angrily at Bai Yunfei: "You are not too timid, you dare to trespass in my weather palace, if you are sensible, hurry up and capture. "I

have to say that King Guangping is very similar.

At the same time, the surrounding royal guards also locked their eyes on Bai Yunfei, with a gesture of making a move at any time.

Haha...

Faced with this situation, Bai Yunfei raised his head to laugh, his eyes couldn't hide the cold arrogance, and sneered at King Guangping: "King Guangping, it's a pity that you are still the emperor of the Apocalypse Continent, to deal with a weak woman, even using such a There are many royal guards, I will be embarrassed for you."

After speaking, Bai Yunfei looked at Ren Yingying and continued: "I heard that Ren Yingying still calls you uncle according to her seniority, and you killed her in public. The father of the emperor also robbed the throne, and now he has to kill her to silence her, tsk tsk, it's really inhuman."

When he said this, Bai Yunfei's face was full of contempt, as if he was mocking King Guangping, but in fact he had been secretly paying attention to Ren Yingying's reaction.

After all, all of this is just a show, deliberately done for Ren Yingying to see.

"You..."

King Guangping's face flushed, his eyes almost spitting fire.

At this time, Ren Yingying reacted and shouted at Bai Yunfei: "Bai Yunfei, this is a personal matter between me and him, and it is not your turn to intervene."

Although Ren Yingying is talented and intelligent, Bai Yunfei and Guangping Wang are too good at acting. Like, she didn't notice it at all, but she was very principled, even though she was at a disadvantage, she didn't want Bai Yunfei to help.

After all, between her and King Guangping, there is hatred between the country and the family.

More importantly, Bai Yunfei is the subordinate of Demon Venerable and the biggest threat to the continent of Kyushu. How can he help him?

"Miss Ren."

However, Bai Yunfei was not angry at all when he heard Ren Yingying's coquettish drink, but said with a smile: "You and I both have demon souls, and we are our own people. I passed by here today and see that you are in trouble, come here. Help."

Saying this, Bai Yunfei looked innocent: "I really want to help, don't turn away people thousands of miles away."

Bah!

Hearing this, Ren Yingying's face was frosty, she couldn't help spit, and said coldly: "Whoever is with you, don't put gold on your face. This is my own business, and you don't need to worry about it. "

Bai Yunfei smiled, very helpless.

"Bai Yunfei!"

At this moment, King Guangping roared, "Since you have to meddle in your own business, let's stay together."

Having said that, King Guangping ordered the surrounding royal guards: "Take these two together, life or death .

"

Directly rushed towards Bai Yunfei!

Om...

In an instant, the breath of nearly a hundred royal guards distorted the sky, and the momentum was astonishing.

Seeing this scene, Bai Yunfei did not panic at all, but let out a light smile, mobilizing the power of the demon soul, and then slowly raised his hands.

Huhu...

In an instant, under the explosion of the power of the demon soul, I saw a bloody figure condensed in front of Bai Yunfei. Yin evil.

The next second, the phantom roared out, carrying a blood mist, and charged directly towards the royal guards.

"A bunch of ants, get out of here." Bai Yunfei roared loudly!

Chapter 4053

"Ah!" In the

blink of an eye, I saw more than half of the royal guards being slammed into by a huge ghost, screaming incessantly in an instant, falling from the air one by one, their faces pale.

Because it was a show, Bai Yunfei didn't have the right to break out. He just wounded the royal guards. Otherwise, this move would have killed them.

hiss!

Even so, seeing this scene, the remaining royal guards couldn't help but gasp.

Ren Yingying was also trembling in the suburbs, and she was shocked.

This Bai Yunfei...was worthy of being the right-hand man of Demon Venerable. He was injured so badly before, not only did he not die, but he also regained his strength so quickly.

Where King Guangping stood, his eyes were extremely complicated.

Then, under Bai Yunfei's eyes, he looked very annoyed and shouted: "What a thief, do you really think our weather palace is empty?"

Then, Wang Yangtian of Guangping shouted: "Where is the Royal Forest Army? Drive!"

"My subordinates are here!"

As soon as the voice fell, there were thunderous shouts not far away, and then there was a tide of nearly 100,000 Imperial Forest troops.

Yes, these imperial guards were arranged in advance by King Guangping.

Oops.

Seeing those imperial guards, Ren Yingying furrowed her brows, feeling a little nervous in her heart. At the same time, she didn't forget to give Bai Yunfei a stern look.

If it were just those royal guards, Ren Yingying would still have the confidence to break out of the siege, but now, Bai Yunfei has appeared, completely angering King Guangping, and attracting so many imperial troops at once. In this case, let alone kill King Guangping, for The father emperor took revenge, but it was very difficult to rush out.

"Miss Ren."

Bai Yunfei just pretended he didn't see Ren Yingying's coldness, and called out with a relaxed expression: "Don't worry, I'll help you break through the formation." The

voice fell, and Bai Yunfei burst out and rushed in directly. Ren Yingying was trapped in the 'chaotic magic formation', which was originally taught by Bai Yunfei to King Guangping, and naturally there was a way to break it.

But Bai Yunfei also understood that Ren Yingying was very smart, and if she completely destroyed the Chaos Demon Formation, she would inevitably have no doubts.

Therefore, Bai Yunfei did not directly break the formation, but scrambled from left to right in the formation, fighting indiscriminately.

"I said, you want you to help me." Ren Yingying snorted, and randomly activated the power of the devil's soul, trying to continue to break the formation.

Whoops...

At this moment, nearly 100,000 Imperial Forest troops rushed to the front and surrounded the outer circle of the Chaos Demon Formation, like an iron barrel.

Oops!

Seeing this, Ren Yingying bit her lip tightly, anxious.

The formation hasn't been broken yet, and there are nearly 100,000 Imperial Forest troops on the periphery, so it's really impossible to leave now.

Bump....

Just when Ren Yingying was anxious, she saw Bai Yunfei hit two palms, and the ten royal guards flew out. Suddenly, a gap appeared in the impregnable 'chaotic magic circle'.

"Miss Ren."

At this moment, Bai Yunfei shouted eagerly, "There is a gap in the formation, hurry up and follow me."

When shouting, Bai Yunfei's face was full of sincerity, but there was a hint of cunning in his eyes.

He was certain that Ren Yingying would not miss this opportunity.

call!

At this moment, Ren Yingying took a deep breath, and looked at Bai Yunfei's eyes, which flashed with complexity.

I really didn't expect... This Bai Yunfei is quite capable, and so quickly made a gap in the formation in front of him.

At this time, Ren Yingying didn't know that everything in front of her eyes was performed by Bai Yunfei.

With emotion, Ren Yingying didn't have time to think too much. Following Bai Yunfei, he rushed out of the Chaos Demon Formation. Bai Yunfei guessed right. Ren Yingying would not miss such a good opportunity.

Whoops...

As soon as they rushed out of the Chaos Demon Formation, the nearly 100,000 Imperial Forest troops who were waiting outside drew their long knives and rushed forward.

“Haha...”

In the face of this situation, Bai Yunfei laughed and burst into battle: “I haven’t paid attention to the Royal Forest Army in the Apocalypse Continent.”

After speaking, Bai Yunfei did not forget to call at Ren Yingying. Said : “Miss Ren, there are a lot of enemies now, let’s take care of ourselves.” I

have to say that Bai Yunfei is very smart. He knows that he is too enthusiastic and will disgust Ren Yingying, so he just reminded him at a critical moment.

Ren Yingying snorted coldly and ignored it.

At the same time, Ren Yingying burst out with the power of demon soul, and fought fiercely with the imperial forest army who kept rushing up.

Chapter 4054

At the beginning, Ren Yingying could easily deal with it, but there were too many enemies. After repelling a wave of the Imperial Forest Army, the Imperial Forest Army behind them rushed up again. It took a lot of energy and started to struggle.

Speaking of which, although Ren Yingying possesses a demon soul, she has not fully comprehended the power in it, let alone how to use it flexibly. Naturally, it is quickly consumed.

Not far away, Bai Yunfei was still very relaxed.

However, Bai Yunfei didn’t forget the purpose of tonight. While fighting fiercely, he paid attention to the situation on Ren Yingying’s side.

At this time, seeing Ren Yingying’s pretty face gradually turning pale, Bai Yunfei knew that the opportunity was coming, and shouted: “What? Can’t hold it anymore?”

Huh!

Bai Yunfei’s concern caused Ren Yingying to resist from the bottom of her heart, she breathed a sigh of relief, and said angrily: “Who can’t hold it anymore? Take care of yourself.”

Seeing her stubbornness, Bai Yunfei smiled and continued: "The devil's soul The power is incomparably mysterious, but you didn't use it like this, you listen to me now, reverse the qi and blood..."

Reversing the qi and blood is a way of using the power of the devil's soul.

Of course, there are also disadvantages.

Reversal of blood?

Hearing this, Ren Yingying bit her lip, and couldn't help but secretly underestimate.

Among the major sects in the Kyushu rivers and lakes, reversing qi and blood is a taboo. If you don't do it well, you will go into trouble. Did Bai Yunfei deliberately harm me?

But after thinking about it, the power of the demon soul is different from that of human beings, and it may have unexpected effects.

wow..

At this moment, hundreds of imperial forest troops came besieged. At that time, Ren Yingying didn't have time to think about it, and immediately reversed her blood. At some point, the power of the demon soul broke out again, and a powerful aura lingered around Ren Yingying.

Really can.

At this moment, Ren Yingying was both shocked and delighted. She clearly felt that the power of the demon soul consumed in her body had recovered a lot at this moment.

"Go to hell!"

Under the excitement, Ren Yingying let out a coquettish cry, her delicate body flashed, and she rushed into the enemy group again.

Haha...

Seeing this scene, Bai Yunfei showed a smile, and his heart was even more excited.

Even though Ren Yingying was witty and clever, in the end, she still fell for her.

You must know that although reversing qi and blood can greatly increase the power of the demon soul in a short period of time, the drawbacks it brings are also huge. Know how to deal with that dangerous malady.

Huh...

Under the excitement, Bai Yunfei burst out, gathered with Ren Yingying, and continued to fight fiercely with the surrounding Royal Forest Army.

A few minutes later, Bai Yunfei knew that it was almost the same, and a powerful force suddenly erupted. He saw that this force was extremely terrifying, and six ghosts condensed out in mid-air.

“Be careful!”

“Dodge away...”

Feeling the terrifying power of the six shadows, the surrounding Royal Forest Army and the royal guards were all shocked, and at the same time urged their figures to dodge backwards.

“Let’s go!”

Taking advantage of the opportunity, Bai Yunfei shouted at Ren Yingying, and then rushed out of the palace.

Ren Yingying bit her lip and hesitated for a while, but she got up and followed closely.

But when rushing into the air, Ren Yingying did not forget to turn her head and shout to King Guangping: “King Guangping, you are lucky today, let you live a few more days, and I will collect your head next time.” During the

speech, Ren Yingying Speed up, and in a blink of an eye, he and Bai Yunfei disappeared into the night sky.

Haha...

Watching Ren Yingying and Bai Yunfei fly away, King Guangping’s face was gloomy, but the corners of his mouth evoked a sneer without meaning.

The play is over, and now, it’s up to Bai Yunfei.

the other side.

In the mid-air northwest of the Imperial City of Weather, Bai Yunfei and Ren Yingying flew one after the other, flying in the air for half an hour. They reached a valley and saw that there was no Yulin army chasing behind them, so they landed one after another.

call!

Ren Yingying took a deep breath, the frost on her delicate face, she was very annoyed.

This King Guangping is really despicable and shameless, and he even used the Eighth Prince to lure him over.

Fortunately, I was lucky today, otherwise, I would be trapped in the palace and couldn't get out.

Thinking to herself, Ren Yingying looked at Bai Yunfei not far away with doubts flashing in her eyes, this guy appeared so coincidentally.

Chapter 4055

Moreover, as a member of the Ouyang family, he is hostile to Bai Yunfei, why should he help himself? Is it really like what he said, he has a demon soul and is his own person in his heart?

"Miss Ren!"

Facing Ren Yingying's gaze, Bai Yunfei looked relaxed and smiled, "Why are you looking at me like that? I said before, we are our own people, and I should help you.

"!

Hearing this, Ren Yingying's face flushed, and she scolded: "Shut up, I also said, I'm not your own."

Bai Yunfei was stunned: "You got Chiyou's demon soul, too. A member of the Demon Race, this is something that cannot be changed, why are you so persistent?"

Ren Yingying snorted and retorted lightly, "Even if I have a Demon Soul, I am a member of the Kyushu Continent, and you are a human traitor. , so please don't confuse me with you."

Having said that, Ren Yingying stopped talking nonsense, turned around and left.

"It's really persistent." Just after taking two steps, he heard Bai Yunfei smiling behind him: "If you want to leave, just leave, but we can make a bet that you will regret it soon, and come back and beg me. "

Hehe..

Hearing this, Ren Yingying chuckled lightly and said lightly: "Bai Yunfei, are you overconfident, I will come back to beg you? Stop dreaming." The

voice fell, and Ren Yingying left quickly.

At that moment, Bai Yunfei didn't stop her, but leaned against a tree and watched Ren Yingying walk towards the distance with a half smile.

Um?

Ren Yingying took a dozen steps, and suddenly her brows were furrowed, her delicate body was shocked, and she stood there.

At this time, Ren Yingying's delicate face showed a bit of consternation, no, it was fine just now, why suddenly, her whole body is so sour, and she can't exert any strength?

Not only that, the power of the demon soul in the body also showed signs of disorder, which... seems to be a precursor to going crazy.

Feeling this, Ren Yingying only felt her legs tremble, and she could barely stand still.

"Miss Ren."

At this moment, Bai Yunfei, who had been leaning against the fat tree, walked over slowly and asked with a smile, "Don't you want to leave? Why did you stop suddenly?"

"Haha, if you want to thank me, no need, I said, we are our own people."

When saying this, Bai Yunfei looked polite, but there was a trace of evil smile in his eyes.

call!

Hearing this, Ren Yingying frowned and did not respond.

This is, Bai Yunfei approached slowly, observed Ren Yingying's situation, a bit of joking appeared on his handsome face: "Miss Ren, you don't have to endure it anymore, the power of the demon soul in your body has already appeared disordered. There are signs that I can't exert any strength, isn't that so?"

Swish.

At this moment, Ren Yingying's face changed suddenly, she looked closely at Bai Yunfei, flashing with anger: "It's you... You poisoned me, right?"

Ren Yingying is very smart, the situation in front of you, Bai Yunfei obviously couldn't get rid of the relationship.

Moreover, with his strength, it was easy to poison himself silently.

"Poisoning..."

Bai Yunfei smiled slightly and shook his head with disdain: "I, Bai Yunfei, still disdain to do that kind of indiscriminate thing."

Wasn't he poisoning?

Hearing this, Ren Yingying frowned, her mind suddenly confused.

His situation was obviously a sign of poisoning, but Bai Yunfei said no.

This Bai Yunfei dare not admit it?

No, there is no need to lie to oneself with the existence of such strength as Bai Yunfei.

But if it's not poisoning, what's the matter with you?

"Hey..."

At this time, seeing Ren Yingying's face changing, Bai Yunfei's smile grew thicker, with his hands behind his back, he walked leisurely in front of her, and said slowly: "You don't have to guess, You are not poisoned, but the reversal of qi and blood before, and the backlash from the power of the demon soul."

What? The backlash of the power of the demon soul?

At this moment, Ren Yingying's delicate body trembled, and she immediately understood something.

Obviously, in the Weather Palace before, Bai Yunfei was helping himself on the surface, but he was actually hiding evil intentions. He knew that the reversal of qi and blood had great drawbacks and would trigger the backlash of the demon soul, but he deliberately didn't say it at the time.

No wonder he said just now that he would come to beg him, which turned out to be this.

The ultimate husband in Chinese chapter 4056-4060

Chapter 4056

Thinking of this, Ren Yingying's body trembled, staring at Bai Yunfei, she was so angry.

For so many years in the arena by myself, I have always been playing tricks on others and playing with others. Many years ago, I faked Yue Feng and captured all the major sects in the Earth Circle Continent together and trapped them in the Xingxing Building. The sweet girl was planted in Bai Yunfei's hands.

What a shame!

“Miss Ren.”

At this time, Bai Yunfei smiled and said, “You don’t have to look at me like this, the situation was urgent at that time, and I have no time to tell you the drawbacks of the reversal of qi and blood.”

After speaking, Bai Yunfei sighed and continued hypocritically: “But it’s not too late, it’s just a condition.”

“If you have something to say, hurry up and let go.” Ren Yingying bit her red lips and said coldly.

This Bai Yunfei said it nicely, but who knows what he was thinking secretly.

Bai Yunfei smiled: “It’s very simple, I’ll teach you the method of cracking, but you have to swear to join us and join me in allegiance to Your Majesty Demon Lord.”

“You were originally a descendant of the Demon Race, and now you have a Demon Soul, if you sincerely seek refuge If you do, Your Majesty Mozun will be very happy.”

“When the time comes, Your Majesty Mozun will have you and me to help, and the entire Kyushu, and even the Divine Realm, will be our world, haha...” At the

end, Bai Yunfei was very proud. laugh it out.

However, Ren Yingying had a cold look on her face, she didn’t even think about it, and decisively refused: “I want to be like you, to cause harm to Kyushu and ruin the lives of people? Stop daydreaming, even if I die, I will not agree to you.” The

voice Although weak, there is no doubt.

“Okay! As expected of Yue Feng’s woman, this chivalrous benevolence is admirable.”

This chapter is provided by . Visit for daily update.

After Bai Yunfei finished speaking with a smile that was not a smile, he sat on the grass beside him and waited quietly.

Ren Yingying snorted coldly, didn’t bother to pay attention, and was about to leave again. However, at this moment, a scorching power spread in Ren Yingying’s body.

At that moment, Ren Yingying felt like she was roasting on fire.

The burning sensation lasted for a while, followed by a bone-chilling cold.

Ren Yingying has a tough personality, gritted her teeth and did not make a sound, but a layer of sweat soon appeared on her delicate face.

Hearing the movement, Bai Yunfei stood up slowly, and said with a smile that was not a smile: "Don't hold on, the pain of the demon soul's backlash is not something that anyone can endure, so why do you do this?"

Ren Yingying couldn't stop herself. The trembling, resisting the feeling of alternating hot and cold, biting his lips tightly, he just didn't speak!

"Okay, I'll see how long you can hold on."

Bai Yunfei smiled slightly, not in a hurry, walked over slowly, sat under a tree and began to close his eyes and rest.

How to do?

Seeing this situation, Ren Yingying was angry and confused.

Do you really want to promise him?

No, my man is a hero of Kyushu, how can I join forces with the scourge of Kyushu like Bai Yunfei?

Thinking to herself, Ren Yingying gritted her teeth and continued to endure. She made up her mind that she must endure it.

However, the backlash of the demon soul is no trivial matter. The longer the time goes on, the stronger the pain that comes from the body. Bai Yunfei is right, ordinary people can't bear it at all.

call!

I don't know how long it took, Ren Yingying finally couldn't hold it anymore, her face was pale, and she was dripping with sweat.

"Bai Yunfei!"

At this moment, Ren Yingying said weakly at Bai Yunfei: "I can promise you, but there is one condition."

Haha...

Seeing that Ren Yingying finally gave in, Bai Yunfei was very excited and said with a smile: "Okay, you say."

Ren Yingying pondered and said weakly: "I can help you, but it must be done in secret, and my whereabouts must not be exposed."

Immediately, Ren Yingying lowered her head and muttered. He said to himself, "I can't let Yue Feng know about this. If he knew that I helped Mozun, he would definitely leave me.

"Flashing cunning.

Yes, Ren Yingying pretended to agree and didn't really plan to join Bai Yunfei. This was just a stopgap measure, in order to get Bai Yunfei's solution to the demon soul's backlash.

Ren Yingying is smart and witty. She knows that if she agrees, she will definitely be suspicious of Bai Yunfei. After all, the other party is not an ordinary person.

Chapter 4057

"Haha..."

Seeing that Ren Yingying finally agreed, Bai Yunfei was overjoyed, and he smiled and said: "Great, I knew that Miss Ren is a smart person, and now Your Excellency Mozun's team is growing, join us, is the most sensible choice."

Said, Bai Yunfei showed a meaningful smile: "Also, we are all descendants of the demon race, and we are a family."

At this time, Bai Yunfei was very excited, because Ren Yingying joined the demon. Respecting the team can be said to be of great significance. After all, Ren Yingying is not only witty, but also Yue Feng's woman.

Speaking of which, Bai Yunfei is not a fool either. He knows that Ren Yingying will not agree easily, and is likely to pretend to surrender. However, when he heard Ren Yingying talk about his concerns just now, Bai Yunfei instantly dispelled his doubts.

You know, Ren Yingying's feelings for Yue Feng are well known.

Therefore, she joined Bai Yunfei and worried about Yue Feng, which was completely natural. Moreover, saying it without any scruples proves that he has regarded Bai Yunfei as his own.

However, Bai Yunfei didn't know yet that this was deliberately pretended by Ren Yingying.

Although Bai Yunfei is smart and witty, he has only been involved in the arena for half a year. Compared with Ren Yingying, he still has some background.

Looking at Bai Yunfei's reaction at this time, Ren Yingying smiled lightly, but did not respond, but she was secretly amused.

This Bai Yunfei looks very smart, but it's actually not that good.

"Okay.."

At this time, Bai Yunfei walked over with a smile and said seriously: "Since it is my own, I will teach you the method of cracking the backlash of the devil's soul. You have to keep it in your heart."

At this point, Bai Yunfei explained the cracked formula in detail.

Ren Yingying listened very carefully, she was originally smart, Bai Yunfei only spoke it once, and deeply recorded all the formulas in her heart.

After jotting down the formula, Ren Yingying didn't dare to be slighted in the slightest, and hurriedly sat cross-legged and began to adjust the power of the chaotic demon soul in her body.

Bai Yufei stood by, watching with a half-smile.

Huhu...

After half an hour, I saw that Ren Yingying's pale complexion had improved a lot, and the power of the chaotic demon soul in the body finally calmed down.

However, Ren Yingying clearly felt that there was still a power of demon soul in the position of the heart, which was not under his control.

How could this be?

At this moment, Ren Yingying was very surprised, she couldn't help but said to Bai Yunfei: "There is still a demonic soul power that wanders in the body and is completely out of my control, what's going on?"

" ...

Hearing this, Bai Yunfei smiled slightly and explained slowly: "Don't panic, what I taught you just now was only the first half of the formulas, in other words, you only learned half of the formulas, your body The chaotic power of the devil soul has not completely subsided, so it is normal for this to happen."

What?

At this moment, Ren Yingying Overseas Chinese Federation rose to the red, and she couldn't tell the shame and anger: "Bai Yunfei, I have promised to join you, but you are still playing this way, isn't it funny?"

Ren Yingying was very angry at this time. , this Bai Yunfei is too cunning.

Uh...

Facing Ren Yingying's anger, Bai Yunfei was very embarrassed, and explained with a wry smile: "Miss Ren, you misunderstood, I didn't mean to pass on half of your formulas, but Lord Mozun passed it on to me before. half."

Saying that, Bai Yunfei smiled and continued comforting: "But don't worry, your current situation is no longer in danger. When Your Excellency Mozun comes back, I will introduce you. At that time, Your Excellency Mozun will definitely teach you the next lesson in person. Half of it."

Bai Yunfei's face was sincere when he said this.

Because what he said was right, when Demon Lord Gone passed down the formula, he did only pass half of it.

This....

looking at Bai Yunfei doesn't seem like she's lying, Ren Yingying bit her lip and didn't speak, feeling very depressed.

If that's the case, then you're out of luck. Thinking to herself, Ren Yingying made a very embarrassed look: "Looking at this situation, I misunderstood you, by the way, do you have any arrangements for me later

?"

Somewhat apprehensive.

What if Bai Yunfei lets himself harm the people of the Ouyang family?

Chapter 4058

Bai Yunfei smiled slightly: "No need for now, you go back to the Ouyang family first, and I will find a way to notify you if you have any plans."

Well!

Ren Yingying nodded, and then said goodbye to Bai Yunfei.

.....

On the other side, God's Domain.

Yue Feng and Mengya, as well as dozens of demon warriors, didn't know how long they walked, and finally left the dense forest. At this time, there was a meandering stream in front of them.

The water is gurgling and clear.

call!

Seeing this scene, Yue Feng felt relieved all of a sudden, and now he can finally quench his thirst. Since he was unconscious in the blood sacrifice, and then rescued by the people of Mengya, Yue Feng hasn't drank a drop of water for almost half a day. , is almost thirsty.

More importantly, Yue Feng had broken a leg and needed to rehydrate.

"Let's take a rest."

At this time, Yue Feng pointed at the stream in front and said to Meng Ya, "I want to go to the river to drink some water." After speaking, Yue Feng couldn't help licking his dry lips.

Swish.

The words fell, Meng Yaxiu frowned, and her delicate face showed impatience: "Why do you have so many things? After crossing this river, it will be our demon clan's territory not far away, you can bear it."

The voice was cold, beyond doubt.

Although Yue Feng used the Aoki Array to protect everyone from the harassment of the demon warriors, in Mengya's heart, her views on Yue Feng still did not change much.

From her point of view, Yue Feng asked everyone to hold the branches to avoid the pursuit of the demon warriors, but it was just some small tricks, and it was just good luck.

More importantly, she will soon arrive at the clan, and Mengya doesn't want to delay time.

I go.

This girl is too cruel, she is not allowed to drink water. Hearing Mengya

's words, Yue Feng didn't know whether to laugh or cry, and said slowly: "If I don't drink water, I will die. If I die, who will direct you to avoid those demon warriors?"

A few of the demon clan's

subordinates around: "You guys, take him to drink water." Seriously, Mengya didn't want to compromise, but this man was right, in case he died of thirst, another demon warrior would appear. , everyone is in danger.

"Yes, miss."

Upon hearing the order, several of the demon clan's subordinates responded in unison, then dropped the branches in their hands, and was about to come over and help Yue Feng to the stream.

"Stop."

Seeing this scene, Yue Feng hurriedly called out.

Um?

This voice, whether it is Mengya, or the surrounding demon clan's subordinates, is stunned.

Immediately afterwards, Mengya's delicate face was full of displeasure, and she said angrily at Yue Feng: "You are crazy, you are shocked, what are you trying to do?"

While talking, Mengya glared at Yue Feng. At a glance, I couldn't hide the disgust in my heart.

This person is really getting more and more annoying. If it wasn't for my sister's explanation before she left, she would take good care of him, and I really wanted to leave him here.

In the face of Mengya's accusation, Yue Feng was not angry at all, and said with a smile: "Mengya girl, don't be angry, I have no other intentions, look at this place, the vision is wide. Once the demon warriors appear nearby, It's easy to spot us."

Saying that, Yue Feng took a deep breath and pointed to the surrounding demon clan's subordinates: "So, the branches in their hands cannot be thrown away, and they must be arranged according to the previous position."

Phew...

Hearing this, Meng Ya was very angry After disappearing a lot, he waved his hand at random, and said to the monsters: "Did you hear it, don't throw away the branches, and stand according to the previous position."

Then, Mengya tilted her head to Yue Feng and said: "In this case, Go to the stream and drink water yourself."

However, Yue Feng didn't move, but leaned against a tree and looked at Mengya with a half-smile.

I have to say that Mengya is at a young age. Although her personality is a bit unruly, her delicate facial features, coupled with her slender curves, are enough to drive any man crazy.

Especially after walking through the jungle for a long time, Mengya's face was rosy, and there were some beads of sweat on her forehead, giving people an indescribable style.

"You..."

Yue Feng's eyes made Mengya very unhappy. At that time, her almond eyes glared, and she said: "What are you looking at? Don't you want to drink water? Why don't you hurry?"

Yue Feng slightly With a smile, he pointed to his broken leg: "Miss Mengya, look at me like this, why do I go to the stream alone?"

Chapter 4059

When he said this, Yue Feng was leaning against the tree, supported by one leg, looking very embarrassed.

Mengya was stunned for a moment, then said coldly: "Then what do you want?"

This...

Yue Feng scratched his head, looking very embarrassed: "I originally wanted your subordinates to help me over, but they It is also necessary to set up an array around to prevent the demon warriors from appearing at any time."

Said, Yue Feng's mouth twitched: "The only way now is for you to accompany me. You must know that the Aoki formation I deployed requires three There are sixteen people, and there are exactly thirty-six of your subordinates, none of which is indispensable. Therefore, Miss Mengya, I have to work hard for you once."

When he said this, Yue Feng's face was sincere, but his eyes flashed with slyness.

Yes, Yue Feng did it on purpose.

The green wood formations deployed by these monster clan's men need to be commanded by Yue Feng and constantly change their orientation in order to exert their effect. Standing still like this one by one, it is useless.

The reason why Yue Feng did this was to educate Mengya. This girl is arrogant and willful, and she doesn't know how to respect others at all. Yue Feng has been mocked by her with cold words several times, and she has long been unhappy in her heart.

Swish!

Hearing this, there was an uproar around.

Dozens of subordinates stared blankly at Yue Feng, their eyes full of complexity and shock.

This boy is not small, he dares to say that the young lady will wait for him to go to the stream to drink water.

At the same time, Meng Yayue's delicate body was trembling, her delicate face was full of shame and anger, she stared at Yue Fengjiao and shouted, "What are you thinking about? What status are you, and what qualifications do you have for me to serve you? Drink water?"

Meng Na was very angry at this time.

Father Wang is the famous White Tiger King, and he is a thousand-dollar body, but this man is dressed in tatters and has a broken leg. He is not even a beggar. How can he let himself serve him?

The more she thought about it, the more angry she became, she pointed at Yue Feng and scolded: "If you want to drink water, go by yourself. If you want me to accompany you, there is no way." The

attitude is firm and unquestionable.

Hehe...

Hearing this, Yue Feng was not angry at all, but said with a smile: "Don't get excited, I'm just saying, how dare you really serve me." As

he said that, Yue Feng broke a branch . Use it as a crutch, then stagger toward the stream. It's just that Yue Feng took one leg and walked very slowly.

"Hey!"

After taking a few steps with difficulty, Yue Feng stopped and muttered to himself: "I've broken a leg, and I've really become a cripple. It's such a short distance, I'm afraid it will take a long time to walk. Drink some water..."

"It's fine if you drink water, but I'm afraid, just after drinking the water, those demon warriors appeared, and by then, everyone would not be able to leave."

"Alas, just for the sake of If I drink water alone, I will take advantage of everyone's safety, and the loss will outweigh the loss."

Yue Feng muttered and walked slowly towards the stream. At the same time, Yu Guang kept an eye on Mengya's reaction. These words were deliberately said to her.

This man is so annoying.

Yue Feng's voice was not loud, but Ke Meng could hear clearly. At that time, he was ashamed and angry, and he stomped his feet and walked over: "Wake up, don't talk about it, I'll just support you.

" Then, Mengya stretched out her jade hand and supported Yue Feng.

To be honest, Mengya hated this beggar-like man from the bottom of her heart, and would not support him at all, but Yue Feng's self-talk really made her unbearable.

Moreover, what Yue Feng said was right. If there was no one to help him, it would take him nearly three times or even four times as long to walk to the stream to drink water than a normal person.

In the current situation, there may be demon warriors around at any time, and the time is very urgent.

In this case, Mengya was reluctant, but for everyone's safety, she could only come and help Yue Feng.

Phew...

At this moment, the moment Mengya hugged his arm, Yue Feng smelled a faint scent that was unique to the girl of the demon race. At that time, his heart swayed, and he couldn't help taking a deep breath.

smell good.

This pair of jade hands is so beautiful.

Seeing the intoxication on Yue Feng's face, Mengya blushed instantly, and she felt even more disgusted in her heart, and said angrily, "What are you stunned for? Why don't you hurry up?" The

voice fell, and Mengya dragged Yue Feng towards the stream. go.

Chapter 4060

Hiss.

Mengya was very strong. At that time, Yue Feng only felt the piercing pain from his broken leg. At that time, cold sweat broke out, and then he smiled bitterly: "Miss Mengya, please slow down.

" He murmured, but still slowed down.

Soon, to the stream.

Mengya urged coldly: "Hurry up and drink water, hurry up, everyone is waiting for you."

When she said this, Mengya couldn't hide the contempt in her heart, and at the same time she was relieved secretly, and finally said This waste was brought to the stream.

However, Yue Feng smiled and looked embarrassed: "Miss Mengya, you need to do me a favor."

"What?" Mengya said coldly.

Yue Feng scratched his head, showing a sly smile: "In my situation, I can't bend down at all, and I can't reach the water. Why don't you help me scoop some water

?"

Meng Yaxiu frowned and was very conflicted in her heart, but she resisted the attack, but looked around: "There is nothing here, what can I use to help you scoop the water?"

Yue Feng pointed to her pair of jade hands: " This is simple, you can hold the water with both hands and feed it to me."

Saying that, Yue Feng didn't forget to wipe the sweat from his forehead, and then urged: "Come on, Miss Mengya, I'm dying of thirst. "

What?

Hearing this, Meng Ya's body trembled, and fire almost spewed out of her eyes.

This person is getting more and more excessive. It's not enough to be supported by himself. He wants me to hold water in my hands to feed you?

What are the good things in this world that make you think about it?

Whoa!

At the same time, the surrounding demon clan's subordinates also exploded, looking at Yue Feng and discussing in a low voice.

"This kid is so courageous."

"That is, dare to let the young lady feed him with water..."

"Dare to tease the young lady like this, he is finished..."

The discussion from the surrounding men kept coming, Mengya's exquisite His face also turned red.

The next second, Mengya let go of Yue Feng directly, and said softly: "Don't be too aggressive, I have already brought you to the water, whether you have the ability to drink it is your business, don't be too aggressive in front of me."

After that, Mengya was about to turn ashore.

I go.

Mengya let go abruptly. At that time, Yue Feng was unsteady and almost fell, but fortunately, Yue Feng was quick-witted and grabbed a wooden stick tightly on the ground, which stabilized his figure.

In the next second, Yue Feng looked helpless and said with emotion at Mengya's back: "Alas, it seems that this is my fate, forget it, just die of thirst, it doesn't matter if I die, it's just a little bit. Trust me, I can't help you return to the clan."

"You..."

Hearing this, Mengya stomped her feet, then walked back quickly, holding a cup of clear water by the stream and handing it to Yue Feng In front of him: "Okay, don't talk nonsense, hurry up and drink it."

At this time, Mengya could not wait to kill Yue Feng immediately.

But there is no way, my sister said, we must protect his safety.

More importantly, this person does have some ability, so that dozens of subordinates can hold a branch to avoid the search of the demon warriors. He is really dying of thirst, what should he do if he encounters a demon warrior again?

Ha ha....

Seeing that Mengya finally compromised, Yue Feng felt indescribably happy, smiled slightly, and then went up to drink a few sips of stream water.

After drinking the stream water, Yue Feng was refreshed and felt much better than before.

“Thank you Miss Mengya.” Yue Feng smiled and thanked him.

However, Mengya didn't appreciate it at all, she curled her lips, and said angrily: “Stop talking nonsense, and the water is drunk. Now let's go on the road .

“

With help, he walked towards the road.

Crash...

However, every two steps, I heard the sound of dense footsteps coming from the woods not far away.

broken.

Hearing the movement, whether it was Mengya or the surrounding monsters, their expressions changed and they became inexplicably nervous.

Those demon warriors, catching up so quickly?

But soon, Mengya calmed down. The surrounding subordinates were all holding branches at this time. Even if the demon warriors came, they could not find everyone's whereabouts.

After calming down, Mengya rushed towards the woods.

At the same time, Yue Feng also looked up.

I saw that nearly a thousand figures rushed out of the woods quickly, very fast.
