

The ultimate husband in Chinese chapter 4071-4080

Chapter 4071

Yue Feng smiled and said: “My suggestion, of course, can’t listen to this Gong Ao. He lost the battle in Fengmo Mountain and has no face to go back to face the Nine Heavens God, so he can only find a way to atone for his sins, And your demon clan is his life-saving straw.”

After speaking, Yue Feng thought for a while and continued: “Also, based on what I know about Gong Ao, on the surface, he asked your demon clan to help, but in fact, he asked you to help. Be a pawn, be a cannon fodder.”

“He will use the blood of your demon warriors to delay the advance of the demons.”

Phew...

Hearing this, the White Tiger King’s face changed, his eyes flashing cold: “Your Excellency said Yes, based on what he has done to you, he will not treat our demon clan with sincerity.”

Speaking of which, the White Tiger King asked for advice again: “In that case, I order someone to drive him out of here?”

Yue Fengyao He shook his head: “No, just leave him alone and ignore it. If I guessed correctly, the Demon Lord Gone led the main force and has already rushed to the Yutian Palace, leaving only a small number of demon warriors to seal the demons. Wandering around the mountain. The situation is so critical, Gong Ao has no patience to wait.”

“Understood!”

Hearing this, the White Tiger King Mao Said, nodded and smiled: “Your Excellency Yue Feng is indeed resourceful, it’s getting late, Your Excellency, hurry up Rest, I will visit again tomorrow.”

After speaking, the White Tiger King said goodbye and left.

...

The next morning, in the woods outside the demon clan.

In the tent of the camp just built, Gong Ao sat there with a gloomy face.

At this time, Gong Ao had not rested for three days and three nights, and his expression was haggard, but at this time he had no plans to rest at all, and his heart was extremely anxious.

One night has passed, and the White Tiger King has not sent his subordinates to summon him.

This chapter is provided by . Visit for daily update.

God's Domain is now in the midst of a storm, so you can't waste too much time here.

Thinking to himself, Gong Ao instructed a divine soldier, "If you go and spread the word, just say I want to see the White Tiger King." The White Tiger King had no news, so he could only take the initiative.

"Yes, Commander."

The magic soldier responded and walked out of the tent quickly.

After a while, the magic soldier came back, looking very embarrassed, and said cautiously to Gong Ao: "Commander, those monster warriors don't want to spread the word, saying that the White Tiger King is busy and can't see."

What?

Hearing this, Gong Ao's face sank and he was very annoyed: "You were stopped by those monster warriors?"

"Yes." The magic soldier was very ashamed and responded, "They won't let me in."

Ma Germany.

Gong Ao was furious, his whole body trembling with anger.

This White Tiger King and these demon clans are too arrogant and arrogant. Now the entire Divine Realm is suffering an unprecedented crisis. Not only are these demon clan unhelpful, but their attitude is so indifferent.

It really makes no sense.

In anger, Gong Ao stood up abruptly and went to the demon clan's territory in person.

However, the result was the same as before, Gong Ao was also stopped by those monster clan warriors. After several attempts, Gong Ao was always blocked from the demon clan territory.

In the end, Gong Ao was completely angry and returned to the camp tent in a rage.

More than a dozen god generals came to hear the news, but seeing Gong Ao's gloomy face, they did not dare to speak rashly for a while, and stood aside tremblingly.

"Command Your Excellency!"

Finally, one of the gods came out and said politely to Gong Ao: "Since the demon clan is not benevolent, we are not righteous..."

Before he finished speaking, Gong Ao interrupted him.

"Nonsense!" Gong Ao was in a very bad mood, and scolded coldly: "With our few troops, we can still go in and chop off the head of the White Tiger King?"

Huh...

The god will take a deep breath and carefully comforted him. : "Commander calm down, that's not what I meant, my solution is, let's release a 'help talisman'."

Help talisman?

Hearing this, Gong Ao frowned.

The god will continue: "This is the territory of the demon race. After we release the 'relief charm', we will definitely attract many demon warriors to come. When that time comes, let's leave first..."

Gong Ao's eyes flickered, revealing a trace of it. Smile: "Understood, what you mean, let's talk about the demon warriors being brought here, so that the demons are forced to fight with them, and then we hide in the dark and watch the tiger fight?" After speaking

, Gong Ao nodded in approval: "Okay, this is a good way."

Chapter 4072 After speaking

, Gong Ao became proud: "This white tiger king, the reason why you see me is that you don't want to waste the power of the demon clan. He thought that if he left me here, I would have nothing to do? Wait until I lead the demon clan warriors. Come here and see what he does, when the time comes, the monsters will have to fight if they don't want to."

Gong Ao's eyes were full of deep coldness when he said this.

No matter what, I have to pull the demon clan into the water. As long as they can hold back part of the power of the demon, I can be considered a meritorious deed.

“Everyone!”

Thinking to himself, Gong Ao looked around and commanded the surrounding gods: “Pass my order, and as soon as it gets dark, I will release the ‘rescue talisman’ immediately.”

“Yes, Your Excellency Commander!” The

voice fell . . . Inside the tent, more than a dozen gods will respond in unison.

.....

On the other side, within the demon clan’s territory.

The White Tiger King got Yue Feng’s suggestion and never summoned Gong Ao. At the same time, the White Tiger King was also a little worried about Yue Feng’s injury. In order to show his sincerity, he specially asked his eldest daughter Liya to take care of Yue Feng.

Liya had a lot of respect for Yue Feng, so she naturally agreed. During Yue Feng’s recuperation, Liya personally gave food and drink to almost every detail.

This made Wei An uncomfortable.

Wei An is the son of King Xuanwu, with a sturdy figure and super strength. He is regarded as a well-known powerhouse among the entire demon clan. Wei An and Liya have similar grades, and they had a good impression of Liya long before the demons left the Sealed Land.

Later, the two sides gradually became adults, and Wei An had an indescribable admiration for Liya.

At this moment, outside the stone room where Yue Feng cultivated, Wei An was standing behind a tree with a complicated expression on his face.

A day ago, Liya promised Wei An that she would accompany him to practice today, but after a long time, Wei An didn’t even see Liya’s shadow. Finally, I found out that Liya came to take care of Yue Feng, and Wei An was very uncomfortable at that time, so he came to take a look.

Beloved woman, to take care of other men, it would be awkward for anyone to do it.

Squeak!

Just when Wei An was depressed, he saw the Shishi door being pushed open, and then he saw Liya walking out with a plate.

Just now, Liya delivered lunch to Yue Feng, Yue Feng recovered well, and a plate of delicious food was quickly eaten, which made Liya very happy.

After all, Yue Feng is the big benefactor of the demon clan, and it is the blessing of the entire demon clan that he gets better soon.

Swish!

At this moment, seeing Liya coming out, Wei An's spirit was shocked, and he hurried up to meet him. He couldn't help shouting: "Liya, Liya..."

Hearing the call, Liya was standing there and looked back to see that it was Wei An was stunned for a moment, then smiled lightly: "Wei An, why are you here?"

"Lya!"

Wei An walked up to him, his burly figure, in front of Liya at this time, was shy Like a child: "You...you promised me the other day that you would practice with me, did you forget?"

When he said this, Wei An's eyes were full of urgency and expectation.

Oops...

Hearing this, Lia suddenly remembered, and quickly patted her forehead, with a hint of apology on her delicate face: "I'm so sorry, Wei An, I forgot about this.

" Liya looked back at Shi Shi: "My father asked me to take care of Yue Feng. He is very heavy and needs to be taken care of."

That's true.

Wei An smiled embarrassingly, with a stunned look on his face, but he was very aggrieved.

Even if Yue Feng is the benefactor of the demon clan, the White Tiger King doesn't have to ask Liya to serve him.

Thinking to himself, Wei An tentatively said: "Why don't I call a few maids here and serve Your Excellency Yue Feng well, you can still accompany me to practice, you know, without you, I can't feel at ease when I practice. ."

In Wei An's heart, knowing that Liya also likes him, he will definitely agree.

"Farewell!"

However, Liya's answer was to pour cold water on Wei An invisibly: "This is my father's order, and... Your Excellency Yue Feng is erudite and knowledgeable, and I am also I want to take this opportunity to ask him some questions."

Liya knew that Wei An liked her, but in her heart, she always regarded Wei An as a friend.

This...

Hearing this, Wei An's smile froze on his face, and the whole person was stunned.

He never thought that in order to take care of Yue Feng, Liya would reject her rejection so simply.

Chapter 4073

"Okay, let's not talk about it!"

At this time, Liya smiled: "I will also prepare some herbs for Your Excellency Yue Feng, so that his legs can recover faster, so I won't talk to you."

After saying the last word, Leah left behind a fragrance and left gracefully.

Phew...

Watching Liya's figure go away, Wei An was stunned for a few minutes before he recovered. At that time, he only felt very angry and clenched his fists subconsciously.

Ma De, he and Lia were childhood sweethearts, but they were not as good as Yue Feng?

No... Absolutely not.

Shasha...

Just when Wei An was extremely annoyed, several servant girls from the White Tiger clan passed by talking and laughing from a distance. These servant girls were not very loud, but the chatter and laughter still reached Wei An's ears.

I saw a maid wearing a white grass skirt, and said with a bright face: "I tell you, there was a very strange phenomenon yesterday..."

"What phenomenon?" "Yeah, let's hear it."

If it's about the Demon Lord's army, forget it, it's boring." The other maids urged.

The white-dressed servant girl smiled and said in a low voice, "Last night, I saw Miss Mengya entering the stone room where Your Excellency Yue Feng was resting. I was very curious at the time, so I stopped there and stopped, and then I heard the dream. Miss Ya made a very painful voice."

"Then, Qi Cai Lingfeng came. At that time, I saw that she was very excited before she went in, but when she came out, her face was full of anger."

"Miss Mengya also came out with Qicai Lingfeng, and ah, Miss Mengya's clothes changed. When she went in, she was wearing a short skirt, but when she came out, she was wearing a feather coat." At the

end, The white-dressed servant girl's eyes flashed, and she said with a gossip smile, "Isn't it interesting?"

Wow!

At this moment, there was an uproar among the surrounding maids.

Is there such a thing?

Interesting....

what?

Hearing this, Wei An, who was not far away, was also shocked and froze there.

Miss Mengya went to see Yue Feng late at night. When she came out, she changed her clothes?

This...it's worth scrutinizing.

Could it be that Mengya fell in love with Yue Feng?

For a time, Wei An only felt that his heart was messed up. It was okay to serve Yue Feng with the woman he liked. Now even Mengya and Qicai Lingfeng are so enthusiastic about Yue Feng, which made Wei An feel very unbalanced.

At this time, I heard the white-dressed maid continue: "I guess, Miss Mengya must be in love with Your Excellency Yue Feng, and then she took the initiative to dedicate herself. Then, Qi Cai Lingfeng also likes Your Excellency Yue Feng, so I ran into him last night.

I'm very angry about the matter between Miss Mengya and Your Excellency Yue Feng." The

voice fell, and the other maids nodded in agreement.

"Yes, Miss Mengya has an unruly personality, and no one is convinced. Only a character like Your Excellency Yue Feng can make her move.

"We are still trapped in the sealed land, if Miss Mengya chooses him as her man, she will be considered a wise man."

"Hey, I also like Your Excellency Yue Feng very much, but it's a pity that I have a humble status."

Listening to the companions around, all of them were filled with emotion, and the white-dressed maid pursed her lips and said mysteriously: "Do you think this is the end? What else?"

"Also?"

"Speak quickly!"

After hearing this, the other maids suddenly became interested and urged.

The maid in white sighed lightly and said, "I think Miss Liya also likes Yue Feng. I saw with my own eyes this morning that Miss Liya gave Hu Jing to Your Excellency Yue Feng for healing."

"Hu Jing is ours. The treasure of the White Tiger clan, Miss Liya took it out without hesitation, it can be seen that in her heart, Your Excellency Yue Feng is irreplaceable."

Hearing this, the other maids nodded.

"Yeah, when Miss Lia was injured, she was reluctant to use tiger crystals."

"It feels so messy, Miss Mengya, Qicai Lingfeng, and Miss Lia all like Your Excellency Yue Feng, guess what, Who will Your Excellency Yue Feng choose in the end?"

"Shh... keep your voice down."

Under the discussion, the maids walked further and further away.

This....

Wei An, who was not far away, heard this and was completely dumbfounded. He just felt unspeakably uncomfortable.

Chapter 4074

Liya also likes Yue Feng?

Impossible, this is never possible.

After a few seconds, Wei An regained his senses, and his face was extremely hideous.

In Wei An's heart, Liya was the pure and snowy goddess, and the partner he swore to protect for the rest of his life. He didn't believe that Liya's heart was also tied to Yue Feng.

But the fact is in front of her eyes, Liya has given the tiger crystal to Yue Feng.

Tiger crystal is the healing medicine of the white tiger family. According to legend, it is the essence of the white tiger that was born from the ancestor of the white tiger after the creation of the world. In the next ten million years, no matter how many injuries the king of the white tiger suffered, as long as he took out the tiger crystal, Can heal quickly.

Later, the White Tiger King handed over the tiger crystal to Liya for safekeeping, until now.

Wei An clearly remembered that half a month ago, he wanted to take a look at what Hu Jing looked like. At that time, he begged Liya to take it out, but Liya always refused. At this time, in order to heal Yue Feng, he took it out without hesitation.

The more Wei An thought about it, the more upset he became.

At this moment, Liya took the newly collected herbs and came from a distance to send it to Yue Feng.

"Lia!"

Seeing Liya, Wei An hurried up to meet her.

Liya was stunned for a moment, her eyebrows frowned lightly: "Wei An, why are you still here? Don't you want to practice?"

Wei An couldn't be in the mood to practice at this time. "Lia, did you take out the tiger crystal and give it to Yue Feng?"

Wei An's voice trembled a little when he asked about it.

Without thinking about it, Lia nodded and said, "Yeah, what's wrong?"

Yue Feng is the great benefactor of the entire demon clan. Without him, there would be no demon clan today. It is a matter of course to take out the tiger crystal for him to use.

Huh..

Hearing this, Wei An took a deep breath and endured his displeasure: "Lia, Hu Jing is the treasure of your white tiger clan, how can you just take it out? Besides, you didn't give it to me when I wanted to see it. Take a look."

Pfft...

Seeing Wei An's unhappy appearance, Lia couldn't help laughing and said softly, "Wei An, why are you so careful? You were not in a special situation at the time, of course I can't just take out Hu Jing and show it to you."

"The situation is different now. Your Excellency Yue Feng is the great benefactor of our demon clan. He is seriously injured and needs to recover quickly."

Wei An suddenly became anxious and couldn't help it. Holding Liya's wrist: "What's the difference? I'm your playmate since childhood. We've known each other for so long, and how long have you known Yue Feng?"

"Can this compare?"

Liya frowned . , while speaking, he also kept struggling: "What are you doing, let go of me."

However, Wei An was completely stimulated at this time, and he couldn't listen to Liya's words at all, and grabbed her wrist tightly. , asked unwillingly: "Lia, let me ask you, do you like Yue Feng?"

At this

moment, Lia was stunned, then nodded and said: "I like it, Your Excellency Yue Feng not only brings We monsters are out of the sea of misery, and they are omnipotent, who doesn't like this kind of existence?"

When she said this, Liya's face was taken for granted.

At this time, Liya didn't understand what Wei An said about love, it was love between men and women.

pedal...

Hearing this answer, Wei An only felt that the invisible sledgehammer hit him, his body was shocked, he stumbled back two steps, his face instantly paled, and he was in a trance.

Heart is also extremely uncomfortable.

Leah.... Leah really likes Yue Feng.

Seeing Wei An's reaction, Liya was at a loss. What happened to Wei An today? It doesn't feel like normal.

Muttering in her heart, Lia didn't bother to pay attention to it, so she was about to leave, because Yue Feng was still waiting in the stone room to deliver the herbs, so this matter could not be delayed.

"Lia!"

Wei An stopped him just before taking two steps.

"What's the matter with you?" Leah frowned, very impatient.

I need to take care of Your Excellency Yue Feng, and I am very busy, but it is really annoying to be stopped by Wei An repeatedly.

Wei An looked at Liya closely, with a bit of madness in his eyes: "You can't like Yue Feng, you mustn't like him."

Liya said lightly: "Why?"

Chapter 4075

Call!

Wei An took a deep breath and said loudly, "Don't you know? Your sister went to look for Yue Feng last night. She has already dedicated herself to it. They already have a relationship. Yue Feng is your sister's man. How can you like him?"

"Only me, I am your future and belonging."

Wei An almost roared out the last sentence.

What?

Hearing these words, Liya's body trembled, and she was completely stunned there.

My sister went to look for Yue Feng last night, and they were still...

impossible, this is absolutely impossible.

The younger sister is arrogant and willful, and she looked down on Yue Feng before, thinking that he was a lame, trash, how could he take the initiative to show up?

“Lya!”

Seeing that Liya froze there and didn't speak, Wei An came over again, took Liya's hand and said, “In my opinion, Yue Feng's appearance is benevolent, righteous and moral, but he is actually a lecherous villain. To...”

Pop!

Before the words were finished, Liya broke free, raised her jade hand, and slapped Wei An's face fiercely.

“Wei An, Yue Feng is an idol I respect, you are not allowed to slander him like this, let alone slander my sister's innocence.” Liya's pretty face was full of frost, and she said coldly, “Don't come to me again in the future. ‘ The

last word fell, and Leah turned to leave.

In Liya's heart, Yue Feng is a hero who stands up to the sky. Even if his sister devotes herself to her life, he will remain calm and will never accept her disorder. After all, my sister has just grown up and is still young.

And Wei An is just anecdotal, and he spreads it everywhere, which is very hateful.

Kachacha...

Seeing Liya resolutely leave, Wei An became angry and clenched his fists tightly, his nails almost bleeding.

Well, since you don't believe me, I will find evidence myself, and I have to seize Yue Feng's lewdness.

.....

At this moment, in the stone room.

Yue Feng was wearing a white robe, sitting there cross-legged, indescribably cold and handsome.

This day, under Li Ya's careful care, Yue Feng is no longer in a state of embarrassment, and his injuries have recovered very quickly. At this speed, in two more days, the

broken leg will be restored to normal, and the power of Yuanshen will be completely restored.

“Your Excellency Yue Feng!”

At this moment, Liya pushed open the door and walked in, her delicate face full of respect: “Father, the king asked me to send a message and ask you to go to the stone hall to talk about it.”

Encountered Wei An outside . Son, Liya didn't say it, she firmly believed that Yue Feng was a great hero, and the things Wei An said could not be true.

To the stone temple?

Hearing this, Yue Feng was stunned for a moment: “What are you going to do there?”

Liya smiled: “I reported your situation to my father just now, and my father learned that your injury was healed very quickly. Please all the leaders of the demon clan to hold a banquet for your Excellency.”

Yue Feng couldn't help shaking his head and laughed.

This White Tiger King, who is not an outsider, is so polite.

At this time, Liya came over and said softly: “Your Excellency Yue Feng, everyone in the stone hall is here and waiting for you, you don't know, all the warriors of our demon clan admire you very much. This banquet It's for you, they'll be disappointed if you don't go.”

Yue Feng wanted to refuse, but when he heard Liya say that, he had no choice but to nod: “Okay!”

After saying that, Yue Feng left the stone room and went to the stone hall with Liya.

Phew...

Soon, when he arrived at the stone hall, Yue Feng was stunned when he saw the scene in front of him.

I saw that there were hundreds of seats in the huge stone hall. At this time, the seats were filled with warriors and leaders of the monster clan, and on the innermost throne, the White Tiger King sat there with a smile on his face.

“Haha...” The

White Tiger King was very happy when he saw Yue Feng coming in, he quickly stood up and greeted: "Your Excellency Yue Feng is here, hurry up and be seated."

"I have seen Your Excellency Yue Feng!"

At this moment, the entire stone The demon warriors and leaders in the hall also stood up one after another and greeted Yue Feng with admiration on their faces.

However, there is a figure among them, his face does not have the slightest respect, but a trace of contempt and disdain.

It was Wei An.

Yue Feng smiled, nodded to everyone, and then sat in the VIP seat.

"Your Excellency the White Tiger King." After sitting down, Yue Feng smiled at the White Tiger King and said, "It's not an outsider, why are you so polite?"

The ultimate husband in Chinese chapter 4076-4080

Chapter 4076 The

White Tiger King hurriedly said: "Your Excellency Yue Feng, don't say that, you are the great benefactor of our Monster Race. I will hold a banquet for you and express my gratitude. It is nothing to be concerned about." After speaking

, the White Tiger King looked around. After a circle, he continued: "Looking back at the time, all of our demon races were trapped in the sealed land by the God's Domain for thousands of years. If it weren't for Yue Feng, we would not have the freedom we have now." The

voice fell, and the surrounding people responded.

"Not bad!"

"Without Your Excellency Yue Feng, there would be no our monster clan."

At this time, the White Tiger King stood up and raised his glass: "I just heard from Lia that Your Excellency Yue Feng's injury has improved a lot, which is really gratifying. Come on, let's toast Your Excellency Yue Feng together."

All of a sudden, everyone got up and toasted Yue Feng.

Yue Feng has a heroic personality. Seeing this scene, he is also unceremonious at the moment, and he picked up the glass and drank with everyone.

Three rounds of wine.

The White Tiger King thought of the business, and said politely to Yue Feng: “Your Excellency Yue Feng, I have already followed your advice and will not see Gong Ao again. What should I do next, please give me some instructions.”

This...

Yue Feng pondered for a while, and said slowly: “Now that the war between God’s Domain and Demon Venerable is breaking out, the situation is very unfavorable for God’s Domain. According to my speculation, even if Gong Ao doesn’t ask for your help this time, Jiutian God will send other men down.”

“Although the grievances between God’s Domain and your demon clan have been written off, but based on my understanding of the Nine Heavens God, he will make a fair alliance with you on the surface, but in fact, he will still make you pawns.”

“Wait until you have consumed the demons . After the main power of the clan, the Nine Heavens God will make a big counterattack.”

Yue Feng’s voice was not loud, but it spread throughout the stone hall.

This chapter is provided by . Visit for daily update.

call!

At this moment, whether it was the White Tiger King or the demon warriors present, all of them frowned and thought.

Yue Feng is right, Jiutian God is very hypocritical, but he can’t fall into his trap.

Soon, the White Tiger King reacted and smiled at Yue Feng: “Your Excellency is right, it’s just that God of the Nine Heavens really wants to send messengers, so I refuse directly, I’m afraid it’s not right.”

Yue Feng smiled: “It’s not right. Why is it so difficult, just transfer your territory so that the Nine Heavens God can’t find it.” That

’s right!

Hearing this, White Tiger King’s eyes lit up, he didn’t expect that the Nine Heavens God could not find the demon clan territory, so he didn’t need to be embarrassed.

“What a joke!”

But at this moment, a mocking voice remembered, and then a tall figure stood up on the seat below. A face full of contempt.

It was Wei An.

Swish!

At this moment, the eyes of the entire stone hall converged on Wei An, each of them secretly wondering.

What is Wei An doing?

Does he have a better solution? At this moment, the White Tiger King calmed

down and looked at Wei An: "Wei An, what are you doing? Are you dissatisfied with the proposal of Your Excellency Yue Feng?"

This Wei An dared to disrespect Your Excellency Yue Feng, he was really courting death.

However, Wei An was the son of King Xuanwu, and King White Tiger couldn't say anything.

"Ha ha!"

Facing the White Tiger King's question, Wei An sneered and said loudly, "Of course I'm not satisfied, our demon clan has inherited thousands of years, and in terms of strength, it is not inferior to the gods and the demons. At this time, the entire gods of the demons are fighting. We have a good opportunity for the rise of the demon clan."

After speaking, Wei An glanced at Yue Feng and continued: "If you want me to say, we don't need to transfer the territory at all, let alone wait for the envoys from the Nine Heavens to come to the alliance, but take the initiative to attack first. Destroy the nearby demon warriors."

Wow...

hearing this, the other demon warriors and leaders around immediately started talking.

"Wei An also has some truth in what he said."

"Yeah, over the years, our demon clan have been subordinated to the realm of the gods and have been oppressed."

"However, it seems a bit inappropriate to take the initiative to attack..." During the

discussion, some agree with Wei An's point of view, some are uncertain, and some are against it.

At this time, Yue Feng stood up slowly, looked at Wei An and said, "You are right in saying that, but have you ever thought about how many warriors will be damaged once the demon clan joins the war? You just came out of the sealed land, it is time to recuperate, and it is very unwise to join the war on a whim."

Chapter 4077 The

voice fell, and many warriors and leaders nodded in sympathy.

What Yue Feng said is also reasonable.

The monsters have been trapped for so many years, and finally left the sealed land. It is better to recharge their batteries rather than rashly participate in the war.

Wei An sneered and shouted at Yue Feng, "There are hundreds of thousands of warriors in our demon clan, why should we obey you as a foreigner? Even if you are the benefactor of our demon clan, you can't arbitrarily control our destiny like this. "

When he said this, Wei An looked indignant.

Because of Liya's matter, Wei An had a lot of opinions on Yue Feng. At this time, seeing Yue Feng suggested that the entire demon clan should transfer the territory, and the White Tiger King also accepted the opinion, which made Wei An even more uncomfortable.

"Beast!"

As soon as he finished speaking, he heard a loud shout. King Xuanwu, who had been sitting there, stood up abruptly, walked over quickly, and slapped Wei An in the face.

At this time, King Xuanwu was shocked and angry, almost scared to death.

Mad, Wei An, this beast, dared to challenge Your Excellency Yue Feng in public, and continue to let him go on his way.

"Crack!"

This slap used all his strength, Wei An covered his face and stepped back several steps, his whole body was covered, and his face was swollen high.

For a while, the entire stone hall was silent.

"Father!"

Wei An quickly reacted and shouted, looking at King Xuanwu very aggrieved: "Did I say something wrong? This is our monster clan's business, how can he be an alien human to intervene? Son..."

"Crack!"

Hearing this, King Xuanwu slapped him again and scolded loudly: "Let's go, Your Excellency Yue Feng saved our demon clan from the sea of misery, how can we be outsiders? Although we are demon clan, we must repay our gratitude. How did I usually educate you?!"

"Father!"

However, Wei An's face was full of unwillingness, his eyes were red, and he was very aggrieved, and shouted: "Even so, the fate of our entire demon clan cannot be left to him. In my hands..."

King Xuanwu trembled with anger, pointed at Wei An and cursed: "Shut up, if you talk nonsense to me again, he will no longer be my son."

At this time, King Xuanwu was very angry.

This son of mine really has no rules at all. You must know that Yue Feng has a very high reputation in the entire demon clan. He not only possesses the power of bird ancestors, but is also treated with courtesy by the White Tiger King. In this case, his son is completely opposite to him. It is courting death, and it will even implicate the Xuanwu family.

This...

At this moment, Wei An covered his face, completely stupid there.

You must know that King Xuanwu has always loved Wei An very much. In Wei An's heart, no matter what he does, his father will support him unconditionally, but at this time he never thought that his father would cut off his relationship with him for the sake of Yue Feng.

The entire stone hall was also silent.

The White Tiger King and the other warriors around him, as well as the leader, all watched silently without stopping.

The White Tiger King is also very angry, this Wei An has no rules at all, but he is the son of Xuanwu King, so he can't say anything.

"What are you still doing?"

At this time, seeing Wei An froze there, the Xuanwu King shouted angrily: "You have lost all the faces of the Xuanwu family, why don't you get out?"

Wei An was very reluctant, but He didn't dare to refute, so he had no choice but to withdraw from the stone hall angrily.

However, Wei An did not leave directly. After leaving the stone hall, he hid outside the door and continued to listen to the situation inside.

At this time, in the stone hall.

"Your Excellency Yue Feng!"

After blasting his son away, King Xuanwu looked ashamed and clasped his fists at Yue Feng: "I'm really sorry, the dog doesn't understand the rules, and the words are offensive. Your Excellency is a lot, don't have the same knowledge as him. "

When he said this, King Xuanwu was very uneasy.

You must know that Yue Feng, as the Nine Heavens Profound Sage of the Divine Realm, since he has the ability to bring the demon clan out of the sealed zone, he can lock the demon clan in again.

Hehe...

Yue Feng smiled slightly and waved his hand: "King Xuanwu is polite, young people are a little impulsive, and your son is full of vigor. It is also excusable to disagree with my suggestion."

At this time, Yue Feng had a face Indifferent, after so many years, he really didn't take Wei An's rudeness seriously.

Chapter 4078 Huh

...

Hearing Yue Feng's answer, King Xuanwu breathed a sigh of relief, and a stone hanging in his heart fell to the ground instantly.

Great, Your Excellency Yue Feng did not pursue it.

At the same time, the White Tiger King and the surrounding monster warriors also showed smiles.

mad.

However, Wei An, who was eavesdropping outside the door, was burning with anger at this time.

This Yue Feng is too crazy, my father Xuanwu King apologized to you, but you are not humble at all.

Thinking about Liya again, Wei An wanted to rush in and scold Yue Feng, but considering that King Xuanwu was still inside, he held back.

At this time in the stone palace.

After King Xuanwu apologized, the awkward atmosphere at first eased a lot in an instant.

“Haha..”

At this time, the White Tiger King stood up and laughed: “Your Excellency Yue Feng is so tolerant, I represent all the demon clan, and I will toast you again.” After speaking, he drank the wine in the cup.

Yue Feng smiled and took a sip from the wine glass.

“Your Excellency Yue Feng!” The White Tiger King thought of something and asked, “After the banquet, we will transfer the territory immediately, do you want to go with us?”

There was a bit of concern in his words, because Yue Feng was on his leg. It has not completely recovered, nor has the primordial spirit completely recovered.

Yue Feng shook his head: “You don’t need to worry about me. My injury is not healed, so it is inconvenient to travel long distances. Moreover, I have to go back to see the Nine Heavens God.”

At this time, Yue Feng was calm on the surface, but dark currents were surging in his heart.

Mad, after that Gong Ao plotted against himself behind his back, he must have concealed the truth from the Nine Heavens God, and this matter must be exposed.

This...

Hearing this, the White Tiger King was stunned, and the surrounding monster warriors also looked at each other in dismay.

Your Excellency Yue Feng, don’t you transfer with the demon clan?

His wounds haven’t healed yet, can this work?

In the next second, the White Tiger King reacted first, and urged Yue Feng to dissuade him: "Your Excellency Yue Feng, it is too dangerous for you to stay here alone. What if you encounter a demon warrior?"

Yue Feng smiled: "Don't worry, as long as I hide in the stone room and don't come out, even if the demon warriors find me here, they won't be able to find me." However, the White Tiger

King was still worried and smiled bitterly: "Since Your Excellency insists so much, that's fine."

Wang suddenly thought of something, and continued: "In the northwest of this territory, there is a cave, where the location is hidden. If Your Excellency Yue Feng wants to restore his strength, it is better to go to that cave."

"Alright!" Yue Feng nodded without thinking.

He was reluctant to follow the demon clan to move away. The purpose was to restore his strength as soon as possible, but he also risked a lot of danger. At this time, Yue Feng, of course, would not refuse when he learned from the White Tiger King that there was a hidden cave.

Seeing Yue Feng agree, the White Tiger King smiled.

"Father!"

At this moment, Liya, who had been silent for a while, suddenly stood up and asked the White Tiger King for instructions: "Or... let me accompany Your Excellency Yue Feng and stay in that cave, This will also make it easier to take care of."

When she said this, there was a hint of blush on Liya's delicate face.

Speaking of which, Liya only admired and respected Yue Feng at first, but after taking care of Yue Feng for nearly a day, Liya gradually discovered that she felt different about him.

After being harassed by Wei An, Liya completely understood that she was in love with Yue Feng.

At this time, seeing that Yue Feng did not intend to leave with the demon clan, but stayed to continue to recuperate, Liya decided to stay by Yue Feng's side to take care of him without any hesitation.

Liya did this because in addition to being concerned about Yue Feng's injury, she also wanted to know more about this man.

This is a bit bad...

At this moment, aware of the shyness on Liya's face, Yue Feng immediately guessed that the daughter of the White Tiger King must have fallen in love with him.

At that time, Yue Feng's first reaction was to prepare to refuse.

You must know that in the Kyushu Continent, Yue Feng already has Ren Yingying, Su Qingyan, Xiao Yuruo... these confidantes are already very content, and really don't want to provoke other girls.

"Haha..." However, before Yue Feng could speak

, he saw the White Tiger King laugh in approval: "Okay, okay, I'm very pleased that Liya has this heart."

Wang Chong nodded to Liya and said, "Okay, you can stay here and accompany Your Excellency Yue Feng to heal in the cave. This is also a way of expressing gratitude for our entire demon clan."

Chapter 4079

Seeing the White Tiger King's agreement, Liya was full of joy, nodded and sat back in her seat, her eyes peeking at Yue Feng from time to time, showing a shy attitude, indescribably charming.

"This..."

Seeing this situation, Yue Feng couldn't help laughing and laughing. He opened his mouth to refuse.

However, as soon as he said a word, the White Tiger King came over, patted Yue Feng on the shoulder and said with a smile: "Your Excellency Yue Feng, this matter is settled like this, Liya is virtuous and attentive, with her taking care of you, I and I The warriors here can rest assured."

Seeing that he had said so, Yue Feng had no choice but to nod his head.

And Wei An, who was still outside the gate of the stone hall, was in a hurry at this time.

How could this be?

Liya actually asked to stay and take care of Yue Feng...

No, this is absolutely impossible.

The banquet lasted for more than an hour before it was completely over. The White Tiger King acted resolutely. After everyone left the stone hall, he immediately summoned everyone from the demon clan to prepare to transfer the camp.

And Liya took Yue Feng directly to the cave in the northwest.

But before going to the cave, Li Ya needs to go back to the stone room where Yue Feng rested and clean up. In fact, Yue Feng doesn't have many personal belongings, and he has nothing to pack. So soon Leah came out.

At this moment, Lia was very excited and anxious.

Excitedly, before Yue Feng's injury was completely healed, he was going to be alone with him.

And what is apprehensive is, will Yue Feng, a big man admired by everyone, like him?

While thinking about it, Li Ya rushed towards the place where she joined Yue Feng. Yue Feng's leg has not completely healed, so he can't wait too long.

Um?

However, when she came to a corner, Ria suddenly stopped, and her delicate face showed a bit of impatience.

I saw Wei An standing there with a complicated expression, as if he had been waiting here for a long time.

"Wei An!"

After being stunned for two seconds, Lia calmed down and said coldly at Wei An, "What the hell are you doing?" Originally in Liya's heart, she still regarded Wei An as a friend, but In the stone hall just now, Wei An was disrespectful to Yue Feng in public, which made Liya very angry, and began to hate Wei An in her heart.

Wei An was very excited and looked at Liya closely: "Liya, why do you want to stay and take care of Yue Feng? Didn't you say you didn't like him before?"

Huh!

Liya breathed a sigh of relief and said lightly, "Does this have anything to do with you?"

This Wei An is a lunatic, and he really doesn't want to say a word to him.

Feeling Liya's indifference, Wei An's head was shocked, and then she said affectionately: "Liya, can't you feel it? I like you. When our demon clan was still trapped in the sealed land, I would I'm fascinated by you, I want you to be my woman, I..."

Wei An became more and more excited as he spoke, and couldn't help but approach Lia.

Liya frowned, subconsciously distanced herself from him, and at the same time interrupted coldly: "Okay, Wei An, don't say it, even if you like me, we can't be together."

"Why?" Wei An froze there, puzzled in his eyes.

Li Ya is not hiding it, saying word by word: "Because I like Yue Feng, when you asked me before, I was not sure, but now I am sure, I like Yue Feng, not only like, but also worship him."

"I know that Yue Feng has many confidantes, and they are not inferior to me at all, so I don't expect to be his real woman. As long as I can stay by his side, I will be satisfied."

Speaking of this, Lia greeted him. Wei An's eyes: "So, stop pestering me, it's impossible for us, you know? Get out of the way." After the

last word fell, Lia pushed Wei An away and walked away without looking back. .

Swish!

Seeing Liya's figure go away, Wei An's face was hideous and extremely ugly.

good very good.

Leah...I am so affectionate to you, but you take me as a joke. At this moment, I, Wei An, swear to heaven, you will regret it.

Thinking about it, Wei An turned and walked towards the camp of the Xuanwu family.

At this time, the Xuanwu clan, like the other demon clan, responded to the order of the White Tiger King and was packing up and moving their territory, a noisy scene.

Wei An did not pack up, but found his confidant Tian Qi and said, "Don't pack up, take our people with me."

Chapter 4080

Tian Qi is a warrior of the Xuanwu family. He is about the same age as Wei An. He followed Wei An when he was very young, rested together, and practiced together. It can be said that Tian Qi is not only Wei An's right-hand man, but also his brother.

go?

Hearing this, Tian Qi was stunned for a moment: "Everyone is packing up and preparing to move the camp. What are you calling the brothers to do?"

Wei An was too lazy to talk nonsense, and urged: "Don't ask so many questions, hurry up. Go and convene people, this time, I have to do something earth-shattering."

Seeing him like this, Tian Qi didn't ask too many questions, so he hurried to convene his subordinates.

A few minutes later, nearly 5,000 warriors of the Xuanwu clan were assembled. These warriors were all under the direct jurisdiction of Wei An, and they were all very powerful.

At that time, Wei An did not hesitate to leave the territory with several thousand men and head towards Gong Ao's camp.

...

the other side. In the demon territory.

Yue Feng was sitting on the rock at the intersection, waiting for Liya to come and meet. There is a bit of complexity on the cold face.

Just now, Yue Feng saw Wei An intercepting Liya halfway.

Yue Feng had come here. He didn't understand at first that he and Wei An had no grudges, but Wei An had always been against himself at the banquet. It wasn't until he saw him stop Liya just now that Yue Feng understood that this kid likes Li Ya. Ya, that's why I can't get used to myself.

"Your Excellency Yue Feng!"

Just when Yue Feng was thinking about it, he heard a gentle voice, and when he looked up, he saw that Liya had come over at some point, standing in front of Yue Feng, slim and slim.

Yue Feng was stunned for a moment, then he recovered and smiled: "You're here!"

puff!

Seeing Yue Feng's goofy look, Liya couldn't help laughing out loud, and then asked curiously, "Your Excellency Yue Feng, what are you thinking? Are you absent-minded?"

Yue Feng scratched his head and smiled: "You and Is that Wei An all right?"

Wei An?

As soon as Wei An was mentioned, Lia was deeply conflicted, her smile froze, and she said lightly, "Let's not mention him, this Wei An is a lunatic."

Thinking of Wei An stopping her just now, Lia couldn't express her disgust. .

Sure enough, something happened.

Seeing this situation, Yue Feng immediately understood something, smiled and comforted: "I guess it is good, then Wei An likes you?"

This...

Lia was stunned for a while, a little uncomfortable, but still nodded: "Yeah."

Then, without waiting for Yue Feng to speak, Liya said quickly: "But I don't like him at all, this Wei An is too self-righteous, I used to regard him as a friend, but at the banquet today, he was so indifferent to your Excellency. Li, I don't understand the rules at all, I hate him to death." Hearing this, Yue Feng smiled bitterly and said

, "If he likes you, he would treat me like this, and it is human nature."

Yue Feng thought for a while and continued: "How about this, you don't have to take care of me, and move with your compatriots."

Seriously, this girl Liya is gentle and kind, and Yue Feng loves it from the bottom of her heart, but she doesn't want to be because of herself. This caused conflicts within the demon clan. After all, that Wei An was the son of King Xuanwu, and his status was not ordinary.

What?

At this moment, Liya's delicate body trembled, and then she bit her lip tightly and said, "Your Excellency Yue Feng...you...do you hate me?"

Yue Feng shook his head and said, "No, you have taken good care of me this day, and I am too late to be grateful. How could I hate you?"

"Then why did you drive me away?" Liya was a little excited and looked aggrieved: "In my heart, you are a great hero, a benefactor of our monster clan, and I stayed to take care of you, which was agreed by my father, and many warriors saw it at that time."

"If you don't let me follow, I will tell Father and those warriors knew about it, and thought I made you angry." At the

end of the story, Leah's eyes were red, and she almost burst into tears.

“Hey...”

Seeing Liya's pitiful look, Yue Feng panicked and quickly consoled: “Okay, don't be sad, I won't let you go, okay? .”

Yue Fengtian was not afraid of the earth, but he was afraid that the woman would cry.
