Chapter 4091

Call!

Empress Nuwa bit her lip, her delicate face was extremely solemn, and when she saw the Yutian Palace below, those divine soldiers destroyed five glazed orbs.

It can't go on like this, it's too slow!

Thinking to herself, Nuwa shouted at Haotian Divine Sovereign and the priests, "Haotian, come and stop him !

"

The sound echoed, and then erupted towards the Demon Lord Gone.

"Ah..."

Haotian Divine Sovereign and these priests, who originally fought with tens of thousands of divine soldiers to fight against the twelve holy devil kings and the army of the demon race, left the battlefield at once, and the formation was in chaos. The young god soldier let out a scream and fell in a pool of blood.

Even so, Haotian Divine Sovereign and these priests did not hesitate at all. They knew that Nuwa had her reasons for doing this.

"Goni, I'm here to learn about your strength!"

When he arrived in front of him in the blink of an eye, Haotian Divine Sovereign roared, his divine power completely exploded, and he was the first to charge towards Demon Lord Gone.

Buzz buzzing...

At the same time, dozens of priests followed, and in the blink of an eye, they cooperated with Haotian Divine Sovereign to surround Demon Lord Gone in the air!

"The defeated generals still dare to come out and show their shame?"

Seeing Haotian Divine Sovereign and many priests surrounding him, the Demon Lord Gone didn't panic at all, but showed a trace of contempt and coldness: "It's just you guys who still want to stop the deity. Go away!" The

voice fell, and a terrifying aura erupted from Demon Lord Gone's body, and the surrounding air seemed to freeze for a moment.

Immediately afterwards, the Demon Lord Gone wielded the blood-colored long sword and fought fiercely with the Haotian Divine Monarch and many priests.

Huh..

In the fierce battle, whether it is the Haotian Divine Sovereign or those priests, the hearts are extremely shocked.

This Demon Lord Gone, after reshaping his physical body, has increased his strength more than tenfold, which is simply too terrifying.

Although they were shocked in their hearts, Haotian Divine Sovereign and these priests still gritted their teeth, held the pressure, and fought fiercely with Demon Lord Gone.

A few minutes passed in the blink of an eye, and several priests had already been killed by Demon Lord Gone. The remaining priests and Haotian Divine Sovereign were also pale and could no longer hold on.

"Haha..."

At this time, while fighting fiercely with Haotian Divine Sovereign, Mozun Gone sneered at Empress Nuwa: "Nuwa, you let these rice buckets hold me back, are you trying to restore your divine power? It's a pity that they are so useless that they can't even hold on for an hour, I'm afraid you're going to be disappointed!"

Phew!

Empress Nuwa breathed a sigh of relief, her delicate face did not fluctuate in the slightest, and she looked at the Demon Lord Gone and said coldly: "Gonie, you don't know me too well, you sacrifice others to give me time to restore my divine power, this kind of thing I Never do it!"

"Also, you thought you had it all but you were so wrong!"

Om!

When the voice fell, the Empress Nuwa raised her jade hand, and the air around her body suddenly condensed. Then, a violent divine power burst out from her body.

"Cracking the Heavens!" The

next second, Empress Nuwa's red lips lightly opened, and she spit out a few words coldly. Immediately, her delicate body flashed like a shock, and she headed directly towards Yutian Palace.

Um? What is she going to do?

Seeing this scene, Demon Zun Gone frowned, and at the same time, the surrounding Demon army was puzzled.

Boom boom boom...

That is, at this moment, I saw the remaining four glazed orbs above the Yutian Palace, which were directly destroyed by the Nuwa Empress, and in an instant, the dust filled the air.

hum! hum! hum!

Immediately afterwards, the innate spiritual energy between heaven and earth was invisibly attracted by a powerful force, and gathered crazily towards the Imperial Palace from all directions. Then, a huge transparent protective layer appeared in front of everyone. This protective cover had purple flowing on it. The blue light, and countless cumbersome runes flicker, dazzling.

Huhuhu....

As the light of the protective cover became stronger and stronger, the dark clouds quickly gathered above the Yutian Palace, and I saw between the clouds, purple lightning, tearing the sky.

This...

is this the Nine Heavens Profound Thunder Formation?

At this moment, Demon Lord Gone finally realized something, his body was shocked, and his face was extremely solemn.

Chapter 4092

As the Supreme Being of the Demon Race, Gone recognized it at a glance. At this time, what was condensed around Yutian Palace was the Nine Heavens Profound Thunder Formation, one of the four innate magic formations.

The four congenital formations are the Nine Heavens Profound Thunder Formation, the Extremely Lieyang Flame Formation, the Holy Water Desolation Formation, the Three Talented Wind Dragon Formation, and the Four Great Formation Formations, each of which is extremely powerful. He used the four magic circles to deal with the demons,

which caused heavy damage to the demons, and the Demon Lord Gone still remembers it.

This...

At this moment, I felt the power of the thunder in the sky, hundreds of thousands of demon warriors, all of them were inexplicably heart palpitations.

Boom boom boom...

Along with the rolling thunderclouds, lightning bolts ravaged the sky.

“Not good! Hurry up!”

Seeing this situation, Demon Lord Gone couldn't help but shout, reminding the hundreds of thousands of demon warriors to disperse, but it was too late.

Kacha, Kacha, Kacha...

I heard a loud explosion of thunder, and from the dark clouds in the sky, thousands of thunder and lightning burst out, drawing dazzling rays of light between the heavens and the earth, and crashed down.

call!

Feeling the power of the thousands of thunder, many demon warriors turned pale and wanted to dodge at the same time, but their legs became weak in panic. Moreover, these thousands of lightnings almost completely destroyed the entire Yutian Palace. Blocked, you can't escape at all.

Boom, boom, boom!

In the blink of an eye, thousands of lightning bolts crashed into the demon camp, and a dazzling ray of light erupted. The entire Yutian Palace flickered with lightning and dust everywhere!

“what...”

In the midst of the terrifying thunder and lightning, I heard the screams of the demon warriors, and they were directly burned to ashes by the terrifying power of thunder and lightning. sounded.

The Nine Heavens Profound Thunder Formation mainly restrains the demons. Therefore, the surrounding tens of thousands of divine soldiers did not receive much damage.

call!

At this moment, Demon Lord Gone was suspended in mid-air, looking at the chaotic demon army below, his face was ashen, and his heart was burning with anger.

Speaking of which, with the strength of Demon Lord Gone, he is not afraid of the Nine Heavens Profound Lightning Formation at all, but the demon warriors under his command are different. At this time, he saw that the demon army he had just resurrected was struck by lightning one by one. Falling down, under the anger in his heart, he almost went crazy.

“Get out of this area, hurry up!” In anger, Demon Lord Gone howled loudly.

Relying on this demon army to occupy the entire God Realm and rule the human world, it cannot be destroyed like this.

wow.

Hearing the cry of Demon Venerable, many demon warriors came to their senses, mobilizing their demon souls one by one, rushing frantically towards the outside of Yutian Palace, and in a blink of an eye, more than one escaped from the dangerous area.

But even so, many of the demon warriors who managed to escape were injured by lightning and lost their combat effectiveness one by one.

Whoa!

Seeing this scene, tens of thousands of gods and soldiers suddenly cheered.

Haha...

At the same time, Empress Nuwa and the God of Nine Heavens also smiled.

Great, although the Nine Heavens Profound Thunder Formation was activated at the last moment, it was considered a success. Now that the demon army was severely damaged, the Demon Lord Gone was no longer able to occupy the Yutian Palace.

Ha ha...

At this moment, the God of Nine Heavens looked up to the sky and laughed loudly, unable to hide the pride in his heart, and mocked at the Demon Lord Gone: “Gonie, what if you have hundreds of thousands of troops? Are you going to break it here in the end? I said, if the master is not there, you may not be able to occupy the Yutian Palace...”

Swish!

Hearing this, Demon Lord Gone's eyes were extremely blood red, and he shouted angrily: "You are courting death!" The voice fell, Demon Lord Gone's whole body exploded with power, and he was about to rush over.

The army of hundreds of thousands of demons suffered such damage, and the Demon Lord Gone was already on fire. How could he bear the ridicule of the Nine Heavens God at this time?

"Your Highness!"

However, at this critical moment, a Holy Demon King rushed up quickly, stopped Demon Lord Gone, and said anxiously: "Your Highness, don't be impulsive, there are four innate formations, and the other party will only activate it now. If you have one, you have to think twice."

When he said this, the Holy Demon King's face was full of urgency.

right.

Hearing this, Demon Lord Gone calmed down instantly. There must be more than one Nine Heavens Profound Thunder Array near Yutian Palace, so don't be impulsive, you must be calm.

Thinking of this, Mozun Gone coldly glanced at the Nine Heavens God, then looked at Empress Nuwa, and said: "You are lucky today, I will break through Yutian Palace sooner or later!"

Saying that, Mozun Gone raised his hand. He waved: "The whole army retreats for the time being."

Dong Dong Dong... The

voice fell, and the demon army, led by Demon Lord Gone, receded like a tide.

Chapter 4093

Call!

Seeing this scene, the Nine Heavens God, the Goddess Nuwa, and those priests secretly sighed in relief.

Finally... finally defeated the strong enemy.

.....

On the other side, there is a dense forest more than ten miles northwest of Fengmo Mountain.

At this moment, in the dense forest, thousands of figures are gathering here, and I can see that among these figures, there are divine soldiers and warriors.

The leaders were Wei An and Gong Ao.

“Commander Gong!”

At this time, Wei An pointed to the canyon not far ahead: “The cave where Yue Feng recuperates and hides is in this canyon.”

“Okay, very good!” Gong Ao observed the terrain, very Excited nod.

“That’s right!”

Wei An thought of something, and continued: “When the time comes, please also ask the commander of the palace to cooperate with me properly.” At this time, Wei An was also extremely excited.

Just now, Wei An and Gong Ao negotiated. Gong Ao will go to the canyon first to force Yue Feng out. Then Gong Ao will deliberately embarrass Liya. At that time, Wei An pretends to pass by and rescues Liya. Go, stage a ‘Heroes Save Beauty’.

Haha...

Hearing this, Gong Ao laughed a few times and patted Wei An on the shoulder: “Don’t worry, since we are in an alliance, this commander will naturally help you bring beauty back!”

As long as he can successfully kill Yue Feng , by the way, help the son of the Xuanwu King, it’s nothing.

“Then I wish the commander of the palace a victory.” Wei An was very happy and hurriedly bowed.

Gong Ao waved his hand: “Okay, we don’t need so much etiquette, it’s not too late, I’ll go first.” After speaking, he greeted nearly a thousand soldiers and quickly set off towards the canyon.

Phew...

At this moment, Wei An stood there, staring in the direction of the canyon, and there was a bit of gloom in his smile.

Leah, don't blame me for doing this, you forced me to do this...

At

this time, in the canyon and cave.

Yue Feng sat there cross-legged, looking at his nose and heart, silently recovering the power of his primordial spirit.

Beside her, Liya stood there pretty, quietly guarding her.

Yue Feng thought about it, and when he completely recovered the power of the primordial spirit, he quietly passed through the portal of the gods and returned to the Kyushu continent. The war between the demons and the gods, let them go.

Phew...

After practicing for a while, Yue Feng opened his eyes and breathed a sigh of relief.

"Your Excellency Yue Feng."

At this moment, feeling that Yue Feng's condition was better than before, Liya was very happy and couldn't help but said, "Your complexion is much better than before, I believe you will soon be able to I'm healed."

Yue Feng nodded and said with a smile, "Thank you for your care. Without you, I wouldn't recover so quickly."

Lia was very happy when she heard the compliment, and then she thought of something and wanted to say something. Then he stopped: "Your Excellency Yue Feng, I...Can I ask you a question?"

"Okay!" Yue Feng responded without hesitation, and looked at Lia with a smile.

Leah bit her lip tightly, her delicate face was also a little red: "Well...that...I heard that my sister went to find you that night...and, you guys... .."

Thinking of her younger sister's devotion to Yue Feng, Liya's heart was up and down, and she couldn't calm down, and this kind of thing was too embarrassing, she couldn't talk about it halfway through.

What the fuck...

Although Liya didn't finish speaking, Yue Feng still understood something, and he couldn't help laughing.

The next second, Yue Feng sighed and said slowly: "Miss Liya, I don't know where you heard it from, but this is definitely a rumor. In fact, the situation at the time was like this..."

Next Within a few minutes, Yue Feng explained the situation that night in detail.

At the end, Yue Feng shrugged helplessly: "I was planning to give clothes to your sister at that time, who knew that Qi Cai Lingfeng suddenly came to me, seeing the situation at that time, she thought that my sister and I had something. In fact, that was a complete misunderstanding..."

Phew!

Knowing the truth, Lia was suddenly relieved, and her face was stunned.

That's how it was at the time.

Mengya is also true, too unruly, in the evening, she has to ask Your Excellency Yue Feng to see the power of bird ancestors.

At the same time, I am also a little fortunate in my heart that nothing happened to my sister and Your Excellency Yue Feng, so I... have a chance?

Thinking of this, a trace of blush appeared on Liya's delicate face again, showing her little daughter's attitude...

"Miss Liya?"

Seeing Liya's blushing face, Yue Feng was full of doubts: "You What's up?"

Chapter 4094

"Ah..."

When she heard the question, Lia reacted, she was shy, lowered her head, and panicked: "No...nothing!!"

Om! hum! hum! ...

Just as he was talking, there was a sudden burst of aura from outside.

Um?

Yue Feng was very alert and immediately opened his eyes.

At the same time, Liya was also shocked, and said softly: "Could it be that the father sent his men down?" This cave is very hidden, and outsiders can't find it at all.

Saying that, Leah walked out quickly.

Yue Feng followed closely.

hiss!

When I got outside the cave, I saw the scene in front of me. Whether it was Yue Feng or Li Ya, their expressions changed, and they couldn't help but take a breath!

I saw nearly a thousand divine soldiers and generals, who came quickly and surrounded the dough outside the cave.

And in the air in front of these divine soldiers and generals, a cold and arrogant figure was quietly suspended, dressed in golden armor, powerful and majestic!

It is Gong Ao!

Ma's!

When the enemy met, he was extremely jealous. Seeing Gong Ao, Yue Feng's pupils shrank, the anger in his heart rose, and at the same time, he was extremely surprised.

Mad, only the demons know about this place. How did Gong Ao find this place?

How are they?

At the same time, Liya's body trembled, and she felt that her mind was blank, and she was inexplicably nervous.

Swish!

Seeing Yue Feng, Gong Ao's eyes flashed with resentment and excitement.

Then Wei An didn't lie to himself, Yue Feng was indeed here.

The surrounding gods and soldiers looked at each other in dismay, and whispered one by one.

"The Jade Dragon Consort?"

"So he didn't die..."

"Great..."

When Gong Ao and Wei An were conspiring before, they deliberately let these gods and soldiers avoid them, so they didn't know, Gong Ao came to this cave with the purpose of killing Yue Feng, thinking that he happened to meet Yue Feng.

"Come on!"

Just when these gods and soldiers were inexplicably excited, Gong Ao's face sank, and he pointed at Yue Feng and shouted, "Take him down for me!"

What?

The commander of the palace wants to arrest Your Excellency Yue Feng?

Hearing this, the gods and soldiers became even more puzzled.

At this time, Liya reacted and pointed at Gong Ao and shouted: "Gong Ao, you are nothing but a commander, Yue Feng is the Nine Heavens Profound Sage, or the Jade Dragon Consort, you dare to do something to him, are you not afraid of the Nine Heavens God punishing you?"

"Falling down, the surrounding gods and soldiers all focused on Gong Ao, all of them incomparably puzzled.

Gong Ao had a cold face, without any expression, and sneered at Liya: "Girl, there is no time for you to speak here."

After saying that, Gong Ao looked around and shouted at the gods and soldiers: "All officers and men, this commander has received reliable information that Yue Feng secretly colluded with the demon clan and was preparing to betray the gods. Otherwise, he didn't die when he broke into the blood sacrifice formation, why didn't he go back to find your majesty, but hid in the demon clan?"

"Also, the White Tiger King has been reluctant to see me before, let alone help us to deal with the demons, because Yue Feng is in the way."

Wow!

Hearing this, nearly a thousand divine soldiers and generals suddenly burst into an uproar.

"Is there really such a thing?"

"Who knows, maybe it's true."

"Yeah, otherwise, why would he be hiding here?"

” Looking at Gong Ao with a half-smile but not a smile: “Wonderful, really wonderful, Gong Ao, your ability to confuse black and white is really extraordinary. At that time, in the blood sacrifice formation, you plotted against me behind my back, which caused me to be suppressed by the power of the formation. My legs passed out, and now, they are fabricating facts to slander me.”

“If your acting skills go to Kyushu, you will definitely turn red.”

Hearing the mockery, Gong Ao’s face turned blue and white, and then sneered. : “It’s a joke, you dignified Nine Heavens Profound Sage, I’m plotting against you behind your back? Yue Feng, don’t hide it, no matter what you say you can’t cover up the fact that you colluded with the demon clan.”

Haha...

Yue Feng sneered and ignored it.

Gong Ao’s eyes flickered, and he continued: “You said that I was plotting against you, then after you came to the demon clan, why didn’t you let the White Tiger King help you out, but hid here? It’s clearly your guilty conscience.”

Yes...

listen At this point, the surrounding gods and soldiers nodded secretly.

Commander Gong is right. Yue Feng has a close relationship with the demon clan. If he is plotted against by Commander Gong, why not let the White Tiger King come forward?

Chapter 4095

At this time, these gods and soldiers didn’t know yet. At that time, the White Tiger King really wanted to help Yue Feng, but was stopped by Yue Feng. Yue Feng did this because he didn’t want his personal resentment and implicated the Yaozu.

“Gong Ao!”

Seeing that these gods and soldiers were successfully confused by Gong Ao, Yue Feng sneered and said, “Whatever you say, what the facts are, you and I know the truth.”
After speaking

, Yue Feng’s tone gradually faded Leng, looked at Gong Ao and said word by word: “Also, I don’t let the demon clan help, because you are a scum, and it is not my turn to find help. If I kill you, it will be as easy as the palm of your hand.” The

last eight words , The voice is not loud, but it is full of domineering.

Swish!

Feeling Yue Feng's contempt, Gong Ao's face flushed, and it was unspeakably ugly.

Immediately, Gong Ao looked at Yue Feng closely, and sneered: "Okay, very good, Yue Feng, don't you want to kill me? Now I'll give you this chance."

After saying that, Gong Ao's divine power urged him to pull out his pocket. The golden spear pointed at Yue Feng in the distance: "Yue Feng, let's fight one-on-one, it is your ability to kill me, if you can't kill me, just follow me to see Your Majesty and explain the plot between you and the demon clan.!"

At this time, Gong Ao had a fearless face and sneered in his heart.

If it was before, Gong Ao would definitely not take the initiative to challenge Yue Feng. After all, Yue Feng's strength is too terrifying. But things are different now. Gong Ao clearly perceives that Yue Feng's Primordial Spirit has not fully recovered.

Hehe...

Seeing Gong Ao's confident look, Yue Feng chuckled, very contemptuous: "Gong Ao, you look down on yourself too much, if you say you beat me, you will beat you? What are you? Maybe the Nine Heavens God values you very much, but in my eyes, you are nothing more than a clown jumping on a beam!"

Yue Feng is not stupid. His Primordial Spirit has not fully recovered yet. If he rashly fights with Gong Ao, he will die.

Yue Feng thought about it, this cave is easy to defend and difficult to attack. As long as he sticks to the entrance of the cave, Gong Ao will not easily attack.

mad.

Hearing Yue Feng's answer, Gong Ao's face was ashen, and his heart was full of anger.

At this time, Gong Ao wanted to rush in immediately and take Yue Feng down, but thinking of Yue Feng's other abilities, he resisted the urge.

There is something strange about this cave, so you can't rush into it.

Moreover, Yue Feng has extremely high attainments in the formation technique and cannot underestimate the enemy. The only way is to force him out.

Thinking of this, Gong Ao couldn't help shouting loudly: "Yue Feng, you are the Nine Heavens Profound Sage and the concubine of the Jade Dragon, but you have turned your back on the Divine Realm and colluded with the demon clan, and now, like a

shrunken turtle, you are hiding in If you don't dare to come out of a cave, I'll be ashamed for you!" You ca

n't come out, right?

I'll scold you until you come out.

Swish.

Hearing the scolding, Yue Feng's face was indifferent, but his heart was full of anger.

This Gong Ao is really despicable, and he has resorted to such indiscriminate methods as scolding the street.

Seriously, for so many years, Yue Feng has acted upright and upright. When has he been scolded like this? I almost couldn't help it.

But on second thought, this was Gong Ao's aggressive tactics, and Yue Feng quickly calmed down.

At this moment, Yue Feng smiled slightly, looked at Gong Ao and said, "Gong Ao, save your energy, the aggressive method is useless to me, and the environment of this cave is good, my soul has not fully recovered, it is impossible to go out. Yes, if you have the ability, come in!"

Although he didn't have much contact with Gong Ao, Yue Feng also knew a little about him. This guy was suspicious by nature. The more mysterious he was, the less he dared to come in.

Thinking of this, Yue Feng sat at the entrance of the cave with a very relaxed expression.

Gong Ao's face was ugly and he didn't respond.

After a moment of stalemate, Gong Ao's eyes flashed and he sneered: "Yue Feng, you want to hide in it all the time as a tortoise? I won't let you do it." After

speaking, Gong Ao ordered the surrounding gods and soldiers: "Listen to my order, destroy the cave in front of you!"

This...

Hearing this, the surrounding gods and soldiers were all shocked and hesitant.

Even if Yue Feng secretly colluded with the demon clan, he was still the Nine Heavens Profound Sage.

Seeing them hesitating, Gong Ao's face sank, and he roared: "Are you all stupid? Yue Feng's crimes against the demon clan and the Divine Realm alliance are extremely heinous. Even if it is the Nine Heavens Profound Sage, His Majesty's Jade Dragon Consort will be severely punished.

" This commander is responsible for the consequences."

The ultimate husband in Chinese chapter 4096-4100

Chapter 4096

Hu Hu Hu!

Hearing this, the gods and soldiers didn't hesitate, they burst out and blocked the entrance of the cave.

Made!

At this moment, Yue Feng's face turned red and he was extremely angry!

This Gong Ao is really shameless. He didn't dare to break in, and let these gods and soldiers destroy the cave. I have to say that this trick of 'drawing wages from the bottom of the pot' is really amazing. Seeing that nearly a thousand divine soldiers and generals were about to join forces to destroy the cave, Yue

Feng didn't have time to think about it, and shouted, "Gong Ao, don't you want to fight me? I'll make it happen for you!"

The cave rushes out and rises into the air!

hum!

A powerful aura erupted from Yue Feng's body, and the surrounding air distorted instantly.

Feeling the breath of Yue Feng's eruption, whether it was Gong Ao or those divine soldiers, they couldn't help but take a deep breath and were secretly shocked.

This Yue Feng is indeed a talent valued by the ancestors of the Great Wilderness. At this moment, the power of the primordial spirit has not been completely recovered, and such a powerful breath can burst out.

Especially Gong Ao, while shocked, his eyes flashed coldly.

Ma De, if this Yue Feng is not eliminated, it will be difficult for him to sleep and eat.

At the same time, Gong Ao was indescribably excited in his heart.

Haha...

This chapter is provided by . Visit for daily update.

I thought this Yue Feng could bear it, but in the end, wasn't he forced out?

Excited, Gong Ao did not hesitate at all, and shouted: "Okay, you are finally willing to come out. Your Majesty often said that you are the number one person in Kyushu. Today, I want to take a good look at it."

Om!

The voice fell, and a powerful aura filled Gong Ao's body. He suddenly raised his hand and hit Yue Feng with a palm.

Seeing this scene, Liya's delicate body trembled, and her heart was clenched. She couldn't help shouting at Yue Feng, "Your Excellency Yue Feng, be careful."

Yue Feng smiled and signaled that Liya should not be nervous. .

clang!

The next second, Yue Feng came up to him, raised his hand and collided with Gong Ao's palms.

At the moment when the two palms collided, a loud noise was heard in the air, and then, a powerful aura wave swept across.

I saw that Gong Ao swayed slightly, but soon stabilized, while Yue Feng groaned, and Ling Kong was shaken back ten steps.

Obviously, with this palm down, Yue Feng suffered a loss.

Haha...

Seeing this situation, Gong Ao was extremely excited, he really guessed right, Yue Feng's strength has not fully recovered, he is not his opponent at all, this time, he must be killed.

Thinking to himself, Gong Ao sneered at Yue Feng: "This is the strength of the Nine Heavens Profound Sage? Can't you do it with just one move?"

Crack!

As soon as the voice fell, Gong Ao suddenly raised his right hand and summoned a golden spear.

Gong Ao's golden spear, although not ranked in the realm of the gods, is at the level of a magic weapon. It is an absolute rare treasure in Kyushu.

As soon as the golden gun came out, the temperature of the entire canyon seemed to plummet!

call!

At this moment, Li Ya clasped her hands tightly, secretly pinching a cold sweat for Yue Feng.

It was just the right hand just now, but Yue Feng couldn't stop it. At this time, Gong Ao was about to use his weapon, and Yue Feng was afraid that he would be in danger!

Mad!

Feeling Gong Ao's pride, Yue Feng was very angry, and his face was extremely solemn.

With a slap just now, Gong Ao knew that his strength had not recovered, and he began to act recklessly. The next move would definitely explode with all his strength, and he had to find a way to block it.

hum!

Just when Yue Feng was muttering, he saw Gong Ao swiping hard, and he heard a howling sound that shocked the heavens and the earth. It came from the golden spear, and then, a golden light ripped apart the heavens and the earth, bursting towards Yue Feng. Come.

Yue Feng didn't have time to think about it, and hurriedly exploded all his power, and at the same time urged the power of bird ancestors to deploy a protective film in front of him.

Bang!

Jin Mang slammed into the protective film, and saw that the protective film shattered in an instant. Then Yue Feng groaned, and the whole person was shocked and flew out, flying hundreds of meters away, and finally fell heavily into the cave. Entrance.

The power of Yue Feng's primordial spirit has not been fully recovered. In the face of Gong Ao's full outburst, it is difficult to resist even the power of bird ancestors. You must

know that the power of bird ancestors changes with the change of Yue Feng's strength. The stronger the strength, the stronger the power of bird ancestors.

Conversely, if the strength is too weak, the power of Bird Ancestor will not be fully exerted.

Chapter 4097

"Your Excellency Yue Feng!"

Seeing this scene, Liya couldn't help exclaiming, her delicate face was full of worry.

"Hey!" In the

air, Gong Ao stared at Yue Feng, his tone couldn't hide his pride: "What skills do you have, use them all, otherwise, there will be no chance." As he

spoke, Gong Ao said Ao's figure quickly landed at the entrance of the cave, holding the golden spear tightly, and slowly walked towards Yue Feng.

Mad!

Seeing Gong Ao approaching step by step, Yue Feng couldn't help but feel helpless.

"Stop!"

Seeing Gong Ao getting closer and closer, just at this critical moment, a tender shout came, followed by a flash of Liya's delicate body, blocking directly in front of Yue Feng.

"As long as I'm here, you are not allowed to hurt Your Excellency Yue Feng." Liya looked at Gong Ao tightly, her delicate face showing a bit of determination.

Liya knows that her strength is in front of Gong Ao, I am afraid that she can't hold it with three moves, but there is no way, Your Excellency Yue Feng is the big benefactor of the demon clan, and he is the man she likes. killed.

"Lia!"

At this moment, Yue Feng was both moved and anxious, and couldn't help but say, "This is none of your business, just get out of the way."

Liya stood in front of her without hesitation, which made Yue Feng feel anxious. Feng was very moved, but he and Gong Ao had a personal grievance, so she must not be implicated, and she was only one person. If she really wanted to fight, she was not Gong Ao's opponent.

Hearing the call, Li Ya didn't move at all, but said with a determined face: "Your Excellency Yue Feng, don't worry, I won't let you suffer any harm."

Seeing her so persistent, Yue Feng couldn't help laughing.

"Tsk tsk..."

Seeing this scene, Gong Ao couldn't help but sneer and mocked Yue Feng: "Really, Yue Feng, there are women to help you wherever you go. Are you embarrassed for a woman to help you out?"

When he said this, Gong Aoqiang suppressed the anger in his heart and thought of Princess Dongling in his mind.

Ma De, this Yue Feng, first stole his beloved goddess, and now he is hooking up with the daughter of the White Tiger King. This kind of scum, we must get rid of him today.

Hearing the mockery, Yue Feng sneered and said nothing.

At this time, Gong Ao's eyes flashed and fell on Liya: "You are the big daughter of the White Tiger King, Miss Liya, this Yue Feng is completely a womanizer, you must not help him."

"You shut up. Mouth!"

As soon as the words fell, Liya snorted and retorted coldly: "Your Excellency Yue Feng, the benefactor of our demon clan is bright and upright, not the kind of person you said." After speaking

, Liya opened her hands, the position is very firm: "I tell you, as long as I am here today, you will never want to hurt Your Excellency Yue Feng."

Although the voice is soft, there is no doubt.

Swish!

Hearing this, Gong Ao's face instantly turned gloomy, extremely ugly.

At this time, he was commanded by the dignified Shen Yun, and the celebrity beside Jiutian God was blackmailed by a demon woman. If this matter spread out, where would he put his face?

"Okay." In the

next second, Gong Ao sneered and said coldly to Liya: "You don't eat or drink for a toast, you really think you are the daughter of the White Tiger King, so I don't dare to do

anything to you? Hurry up. Get out of the way, otherwise, don't blame me, you're welcome." The

last word fell, Gong Ao's divine power exploded, and the surrounding air suddenly distorted.

Phew...

Feeling the breath of Gong Ao's explosion, Liya was secretly shocked, but her face was determined: "Gong Ao, you keep saying that Your Excellency Yue Feng is a scum, but in fact you are a villain. Feng Moshan, you conspired against Your Excellency Yue Feng, which caused him to lose a leg, and at this time, you slandered him again and again, and you should be eliminated as a scum."

Om!

When the voice fell, Li Yayu raised her hand, holding a long sword tightly, her figure flashed, and she stabbed directly at Gong Ao.

Liya's strength is not weak, in order to protect Yue Feng, this sword has ten successes! It can be clearly seen that wherever the long sword passes, the surrounding air seems to be distorted!

"Lia..."

Seeing Liya's direct action, Yue Feng was taken aback, and hurriedly said, "Don't be impulsive." Although Liya's strength is not weak, she is not Gong Ao's opponent.

After all, Gong Ao is the commander of Yutian Palace, the right-hand man of Jiutian God.

While shouting, Yue Feng was about to get up to stop it, but it was already a step too late.

"Haha..."

Seeing Liya rushing up directly, Gong Ao smiled coldly, standing there as steady as Mount Tai!

"Teach me? You don't have the qualifications yet."

After saying this coldly, Gong Ao's mouth twitched a hint of gloom, his divine power exploded, and the golden spear in his hand roared out, drawing a dazzling golden beam, and greeted Liya!

Chapter 4098 In the

blink of an eye, Gong Ao and Liya fought fiercely together.

“Dangdangdang!”

Liya held the long sword tightly and kept colliding with Gong Ao's golden spear, making loud noises. At first, Liya could deal with it calmly, but after a few rounds, she felt a little labored.

This Gong Ao had just fought fiercely with Your Excellency Yue Feng, and the power of the primordial spirit had been consumed a lot. Under such circumstances, how could such a strong formidable power erupt?

“Miss Lia, you are not my opponent, let's give up.”

Just when Liya was secretly surprised, Gong Ao sneered, the figure burst out, raised his hand and hit him!

The speed of this palm was as fast as thunder, and the opening of the hole was narrow, so Liya couldn't open it at all. At that time, in a desperate situation, she could only push the force and greet it with a palm.

boom!

In the next second, Liya and Gong Ao collided with each other's palms and made a dull vibration. At this moment, Liya groaned, her delicate body stepped back several steps, and her delicate face turned pale instantly.

Gong Ao's strength is stronger than her, and with that palm just now, Liya is of course not his opponent!

“You...”

Liya only felt her chest feel stuffy, she stabilized her figure, looked at Gong Ao in shock and anger, and at the same time she couldn't tell the fire in her heart.

This Gong Ao's strength is too strong.

This is over, I thought I could protect Your Excellency Yue Feng, but...

“Hehe...”

At this time, Gong Ao sneered and looked at Li Ya with a playful expression: “I thought the daughter of the White Tiger King is so powerful. Well, it turned out to be just that.”
The

voice fell, Gong Ao rushed over, quickly raised his hand, and tapped Liya's acupuncture point twice.

In an instant, Liya's body froze, unable to move at all.

Seeing this scene, Yue Feng's face changed greatly, and he was furious: "Gong Ao, you let her go, our grievances, don't involve others."

"Let him go?"

Gong Ao sneered and said lightly: "Yue Feng, do you think you are qualified to talk to me?" After speaking, Gong Ao made a lightning strike and sealed Yue Feng's acupuncture point.

At that moment, Yue Feng wanted to hide, but he was severely injured by Gong Ao just now, so he couldn't escape at all.

"Gong Ao, you scum!"

Liya's figure couldn't move, she was so anxious that she saw that Yue Feng had also been blocked, and she was even more angry, bit her lip, and yelled at Gong Ao: "I warn you, you'd better let us go, otherwise, I'll ask my father to rip you off."

Hearing the scolding, Gong Ao sneered and ignored it.

At this moment, Yue Feng took a deep breath and couldn't help shouting: "Gong Ao, if you think you are still a man, then let her go. This has nothing to do with her."

"Oh, I can't see it. You are quite worried about her safety." Gong Ao joked and sneered: "Yue Feng, the more you help her, the more I won't let her go, so you should save it."

"Yue Feng Your Excellency."

Liya was very excited and shouted at Yue Feng: "Don't talk so much to this kind of villain, he will not let us go, I have thought about it, even if we die, we will die together."

When she said this, Leah was very excited.

Two hours ago, when Liya realized that she had fallen in love with Yue Feng, she was both happy and shy, and at the same time a little inferior, because she was only the daughter of the White Tiger King, and she was not worthy of Yue Feng compared to her status. , Seeing Yue Feng in crisis, Liya was both worried and happy.

The worry is that Yue Feng is in deep danger, and he can't help.

Fortunately, he and Yue Feng died together, and he was happy.

This silly girl.

Seeing the fearlessness on Liya's face, Yue Feng was both moved and helpless.

"Gong Ao."

At this time, Liya continued to yell at Gong Ao: "You shameless and despicable villain, you must do it as soon as possible. If I die, my father will definitely avenge me.

" Lia was very excited, and the more she scolded it, the worse it sounded.

Mad!

At first, Gong Ao ignored it, but gradually he couldn't bear it anymore. At that time, he grinned, his eyes were bloodshot, and he walked to Liya step by step, slapped her face fiercely, and slapped her in the face!

To be honest, Gong Ao didn't want to hit Liya, but he was being scolded by a woman all the time.

"Clap!"

As soon as the slap went down, Liya let out a coquettish cry, and a slap print appeared on her fair face.

"I am the dignified commander of Yutian Palace, you are also qualified to scold me?" Gong Ao looked at Liya coldly, and almost squeezed these words out of his teeth!

Chapter 4099

At this time, Gong Ao was very angry.

He was robbed of the princess by Yue Feng, what's wrong with seeking revenge from him at this time? But in this Leah's heart, she became a despicable and shameless villain.

Ma De, Yue Fengqiang other women, is not despicable, not shameless?

Speaking of which, Gong Ao didn't plan to deal with Liya at all, because he had discussed with Wei An before, and after capturing Yue Feng, he would cooperate with Wei An to stage a hero to save the beauty. But Leah's scolding made him really unable to bear it.

Lia was blinded by this slap, and it took a few seconds to react. At that time, she looked at Gong Ao in shock: "Gong Ao, you.... You dare to hit me! You are by the side of

Jiutian God. A dog, and now slandering Your Excellency Yue Feng, saying that you are a despicable and shameless villain, and it is already flattering you...”

The more she scolded, the more angry she became. He was polite, but now he was beaten by Gong Ao, how could he bear it?

“Crack!”

Just before he finished speaking, Gong Ao slapped him again!

“Stinky woman, it seems that you haven’t seen the facts clearly... You care so much about Yue Feng, do you two have already performed the ceremony of Duke Zhou in this cave? Tsk tsk, I really can’t see it, Baihu The king’s daughter, so dissolute...”

When he said this, Gong Ao grinned grimly and looked at Liya up and down.

I have to say, this Liya is really superb, with exquisite facial features and a perfect figure.

Such a superb product is really cheap Yue Feng.

Pooh!

Hearing these slurs, Lia was ashamed and angry, and the suburbs trembled. She didn’t hesitate at that time, spit blood on Gong Ao’s face, and scolded: “Despicable and shameless bastard, don’t slander my innocence.”

“Looking for death!”

Gong Ao wiped the snow on his face, his face was extremely ferocious, and after scolding, he slapped again!

With this slap, Gong Ao almost used all his strength. At that time, Liya groaned, her legs softened, and she almost fell to the ground.

Gong Ao’s face was hideous, and the more he spoke, the more vicious he said: “Ma De, did I say something wrong? You bitch, if it has nothing to do with Yue Feng, why did you die with him? If you dare to scold again, I will put your mouth out. Smash it.”

Gong Ao almost shouted out the last sentence.

Swish!

Seeing this scene, Yue Feng’s eyes were extremely blood red, and he yelled at Gong Ao: “Gong Ao, what the hell, you beat a woman, what’s going on at me?”

At the same time, Yue Feng couldn't bear it. Looking at Leah's swollen face, she felt distressed and angry.

He was a dignified Nine Heavens Profound Sage, who was taken care of by Liya before, and he was already very grateful. Seeing her being beaten at this time was really heartbreaking.

Hearing Yue Feng's anger, Gong Ao stopped.

"Yue Feng!" The

next second, Gong Ao looked at Yue Feng coldly: "Shut up for me. You are just my prisoner now, what qualifications do you have to yell at me? Dare to shout again, Believe it or not, I'll kill her right away?" As the

voice fell, Gong Ao raised his hand and held the golden spear at Liya's neck.

"You..."

Seeing this scene, Yue Feng was trembling all over, but he couldn't continue after only saying one word.

He could see that Gong Ao was not joking, and if he said it himself, he really dared to kill Liya.

Seeing Yue Feng closed his mouth, Gong Ao sneered, ready to continue torturing Liya.

Whoops...

But at this moment, I saw a wave of powerful auras in the air outside the canyon.

Immediately afterwards, a howl came: "Stop!"

Hearing this howl, Gong Ao immediately stopped and turned his head to look.

At the same time, Yue Feng and Liya were also trembling, and they all looked for the voice!

Huh...

At this look, Yue Feng was stunned, and Liya trembled, surprised and delighted.

I saw that thousands of warriors of the Xuanwu clan came from the sky, all in dark gray armor and holding long knives.

In front of these Xuanwu warriors, a figure flew quickly!

It was Wei An.

Half an hour ago, after Wei An and Gong Ao discussed the details of the plan, they waited outside the canyon for news. come over.

Wei An didn't know that Gong Ao was scolded by Liya, completely lost his mind, and forgot to send him a signal.

Chapter 4100

Huh?

At this moment, seeing Wei An, Yue Feng couldn't help frowning secretly.

I thought it was the White Tiger King coming, why is this Wei An?

And... haven't the demon clan been transferred? Why is this Wei An still here?

Phew...

At the same time, Liya couldn't help but take a deep breath, looking at Wei An's eyes with a bit of doubt.

Didn't he move with the main force of the demon clan?

But Liya didn't think too much, but was indescribably excited, because when Wei An came, she and Yue Feng were saved. Although he was a little indifferent to Wei An, he was a monster after all, so he wouldn't care.

At this time, Liya didn't know that Wei An and Gong Ao had secretly formed an alliance. It was Wei An's high density that Gong Ao could accurately find this cave.

Swish!

At this moment, Wei An came to the front and saw that Liya's face was blushing, obviously being beaten, and she was instantly furious.

Afterwards, Wei An glared at Gong Ao, and his anger surged.

Mad, what happened to Gong Ao, he told him that he liked Liya, but he actually moved.

"Haha!"

Feeling Wei An's anger, Gong Ao showed a smile and said slowly: "It turns out that the son of King Xuanwu is here, I tell you, this is my personal grudge with Yue Feng, you better not interfere. Saying that, Gong Ao pointed at Liya: "

And this woman, she insists on helping Yue Feng and insulting me, so I can only teach her a little bit and teach her a lesson.”

When saying this, Gong Aoyi His face was cold and arrogant, but he secretly winked at Wei An.

At this time, Gong Ao seemed to be calm, but he was also a little anxious.

This Wei An, won't turn against me for a woman? However, he has already explained that it was Liya who took the initiative to provoke and that he beat her. If Wei An didn't understand it and insisted on tearing his face, he wouldn't care.

call!

Seeing Gong Ao chong winking at himself and explaining it on the surface, Wei An took a deep breath, but he was still very upset.

In Wei An's heart, Liya is his woman, but she was beaten by Gong Ao just now, can you feel better?

“Wei An.” At this moment

, Liya reacted and shouted at Wei An: “Save us.”

At this time, Liya felt an unprecedented kindness towards Wei An. After all, he came too timely. Don't worry about Yue Feng's safety.

At the same time, Yue Feng's eyes were also fixed on Wei An, showing a bit of anticipation.

That's great, this Wei An is the son of King Xuanwu, and he has thousands of monster warriors. Now, Gong Ao will definitely not dare to be presumptuous.

“Don't be afraid, Liya!”

Hearing Liya's cry, Wei An quickly responded loudly: “I'm here, no one dares to hurt you.”

After speaking, Wei An tilted his head and said coldly, Gong Ao: “Gong Ao Commander, I don't care what kind of grievances you have with Yue Feng, he is the great benefactor of our demon clan, you quickly let them go.”

Although he was very upset, Wei An did not dare to turn against Gong Ao at this time, after all, Li Ya still In his hands, more importantly, Gong Ao needed to cooperate with him in acting.

“Haha!” The

voice fell, Gong Ao sneered, and said disdainfully at Wei An: “How old are you? You said that if I let Yue Feng go, I have to let him go?”

Since we want to act, we must act like a little bit.

“Ma De!”

Wei An pretended to be very angry, his eyes widened, and he shouted angrily: “Gong Ao, don’t think that you are a celebrity around the Nine Heavens God, I will be afraid of you, and I don’t even see what it is. Where?” The

voice fell, and Wei An raised his hand and waved: “All the warriors listen to the order and surround them all.”

Whoa, when the

voice fell, thousands of Xuanwu warriors erupted one after another, commanding Gong Ao, And those gods and gods surrounded them, thousands of Xuanwu warriors broke out in unison, and the surrounding air was torn apart, shocking people’s souls.

This...

Seeing this scene, nearly a thousand soldiers and generals were inexplicably panicked.

what’s the situation? How did Wei An turn his face when he turned his face?

When I was in the camp before, didn’t I still have an alliance with the commander of the palace?

Seeing this scene, Gong Ao’s face changed, and he looked very shocked and angry, and said to Wei An: “Boy, you know that I am a celebrity next to Jiutian God, but you still dare to provoke me, have you thought about the consequences?”

“Either let him go or lead him to death.” Wei An responded coldly.
