

The ultimate husband in Chinese chapter 4116-4120

Chapter 4116

“Your Highness!”

At this time, a divine soldier walked in quickly and said carefully: “Then Yue Feng passed out, what should I do?”

Demon Zun Gone’s face turned cold, and he said coldly: “I can still How to deal with it? Kill it directly, destroy the primordial spirit, and destroy the corpse.” Since this Yue Feng had no use at all, he directly executed the matter.

“Yes, your honor!”

Upon hearing the order, the demon warrior responded and was about to go out and execute Yue Feng.

“Wait a minute!”

At this moment, Mo Yan, who had been standing beside him silently, walked out quickly to stop him: “Your Highness, this Yue Feng is not an ordinary human being, it would be a pity to kill him directly, it is better to keep it for now, maybe It will be useful in the future.”

When she said this, Mo Yan’s delicate face was full of seriousness and sincerity.

At this time, Mo Yan didn’t know why she wanted to save Yue Feng. She just felt that it was a pity that she finally brought Yue Feng from Fengmo Mountain and executed it like this.

Huh

Seeing Moyan’s opening, Demon Lord Gone waved his hand and said lightly: “Well, since you brought the person back, you have the final say on what to do with it.”

Moyan nodded and walked out quickly big account.

...

the other side.

Wei An brought thousands of Xuanwu warriors and colorful phoenixes to the new territory of the demon clan soon.

This chapter is provided by . Visit for daily update.

Soon, when I arrived at the stone hall in the new territory, I saw that the leaders of the entire demon clan had arrived, and they all had serious expressions.

The atmosphere was also a little depressing.

The White Tiger King sat there with a gloomy expression on his face.

Seeing this scene, Wei An was inexplicably panicked.

“Wei An!”

At this moment, King Xuanwu, who was sitting beside him, suddenly stood up and asked Wei An, “Why didn’t you follow us to the new territory, and you took three thousand Xuanwu warriors with you? What are you doing?”

“I…”

Father asked, Wei An was very frightened, scratched his head and explained, “Before I set off, I got news that a group of demon warriors appeared nearby, and the situation was critical at that time, and I didn’t have time I will report to your father and take someone there.”

Hearing this, King Xuanwu’s face softened a lot, and he said lightly: “Then what?”

” The canyon where Your Excellency is recuperating, I didn’t expect something to happen there.” Wei An tried to calm himself and responded.

Something happened?

King Xuanwu was stunned for a moment.

At the same time, the White Tiger King couldn’t help standing up, and said urgently: “What happened?” Yue Feng is the benefactor of the demon clan, so nothing can happen.

Also, my daughter Leah is there too.

Wei An did not answer directly, but glanced at the colorful Lingfeng beside him for help.

Wei An is not stupid, he knows some things, and he is not convincing to say it himself, but Qi Cai Lingfeng is different, she is the elder of the Vermillion Bird clan, and has a high reputation in the entire demon clan.

Swish!

At this moment, the eyes of the entire stone hall converged on the colorful Lingfeng.

Qi Cai Lingfeng did not answer directly, but waved at the outside. Suddenly, two warriors of the Xuanwu tribe walked in carrying the unconscious Liya.

“Ria!”

Seeing this scene, the White Tiger King’s heart trembled, and he hurried up to meet him. He was distressed and angry: “What happened?”

At this time, the White Tiger King clearly felt that the breath in Liya’s body was disordered. His face flushed, clearly a sign of poisoning. At the same time, Mengya

also ran over, and her beautiful face was full of worry: “What happened to my sister? How did it become like this? Hurry up and say it.”

In Ya’s heart, she still loves this sister very much.

“Your Excellency the White Tiger King!”

At this time, Qi Cai Lingfeng said slowly: “Don’t worry, Liya has taken Vermilion Bird Pill and is no longer in danger.” As

she said that, Qi Cai Lingfeng looked around, unable to hide her inner feelings. Angered, he continued: “Everyone, we were all deceived by Yue Feng’s superficial illusion. On the surface, he is unparalleled in benevolence and righteousness, but in fact, he is a despicable and shameless womanizer.”

What?

Hearing this, whether it was the White Tiger King, the Xuanwu King, or the surrounding demon clan leaders, their expressions changed.

Chapter 4117 In the

next second, the White Tiger King frowned and said displeased: “Qicai Lingfeng, don’t talk nonsense, don’t forget, Yue Feng is the inheritor chosen by Queen Suzaku, and he also passed on the power of bird ancestors. I gave it to him, and you have been doing your best to assist him before.” The

voice fell, and the surrounding Yao leaders nodded in agreement.

“Yeah, don’t talk nonsense!”

“Yue Feng saved our entire demon clan at that time, how could he be a lecherous villain?”

Listening to the discussions around, Qi Cai Lingfeng shook his head and said seriously: "When is it? , am I kidding about this? At that time, Yue Feng was in the cave and gave Liya 'Huanhe Water' to defile her. Fortunately, Wei An arrived in time to save Liya."

"I arrived at the time. At that time, Liya had already lost herself, so I gave her Zhu Que Dan, so she is in a coma now."

"Afterwards, when Wei An and I returned to the cave, Yue Feng had disappeared, and there were still traces of battle around. , and the corpses of many divine soldiers, according to my guess, Yue Feng was taken away by the demons." At the

end, Qi Cai Lingfeng looked at King Xuanwu: "These are what Wei An saw with his own eyes, if you don't believe me, ask him ."

For a moment, the entire stone hall was silent.

The Xuanwu King and the White Tiger King looked at each other in shock.

There is such a thing, Yue Feng wants to sully Liya...

After a few seconds, the Xuanwu King reacted and looked at Wei An and said, "Is this all true?"

Huh!

At this moment, the eyes of the audience suddenly converged on Wei An.

Afterwards, King Xuanwu took a deep breath and asked Wei An, "Wei An, is what Qi Cai Lingfeng said true?"

"Not bad!" When the

voice fell, Wei An nodded seriously: "Everything Qi Cai Lingfeng said is true. At that time, I was passing through the canyon and heard a strange sound coming from the cave, so I was curious and went to take a look."

"It turned out that I saw , Yue Feng gave Liya 'Huanhe Water', when I rushed in, Yue Feng was tearing Liya's clothes, and at that time, Liya had lost her sense." At the

end, Wei An made a pair of Looking angry, he said fiercely: "I was very angry at the time, so I taught Yue Feng a lesson, then took Liya away, and finally reached a valley, I wanted to help Liya detoxify the poison of 'Huanhe Water', but what The ability is limited, and there is no way to do it, but the colorful spirit phoenix arrived in time and used the Vermillion Bird Pill to quiet Liya."

"Wow!" The

voice fell, and the entire stone hall was full of discussions!

This Yue Feng, on the surface of benevolence and righteousness, did not expect that behind the scenes, it was such a person, and the entire demon clan regarded him as a great benefactor, which was really blind.

“But...” At this time, King Xuanwu frowned and shook his head at the same time: “But as far as I know, Yue Feng is not such a person.”

Hearing this, the eyes around him all looked at Xuanwu in surprise. King.

Now that the evidence is solid, what is there to doubt?

At the same time, the white tiger king next to him also took a deep breath and said, “There must be something else hidden in this matter, I also know who Yue Feng is, and he won’t do such a rude thing.”

Made.

At this moment, Wei An was a little anxious, and he couldn’t help but speak.

“King Xuanwu!”

Just before Wei An could say it, Qi Cai Lingfeng took a step forward with gritted teeth and said to the White Tiger King and Xuanwu King: “White Tiger King, Xuanwu King, you are all deceived by Yue Feng. Not only does he want to defile Liya, he has also Zeng almost ruined Mengya’s innocence.”

Saying that, Qi Cai Lingfeng looked at Mengya not far away, and continued: “The first night Yue Feng first came, I went to visit him in the secret room where he was resting, and saw that he used the The power of bird ancestors burned Mengya’s clothes...”

Speaking of which, if this kind of thing was in the Kyushu mainland, Qi Cai Lingfeng would definitely not say it, after all, this kind of thing is related to a woman’s innocence, but in the demon The clan is different, the women of the demon clan are not as conservative as the human women.

More importantly, Qi Cai Lingfeng was extremely disappointed with Yue Feng, and at this time, she wanted the White Tiger King to see Yue Feng clearly.

What?

Hearing this, the entire stone hall was in an uproar again.

Yue Feng not only wanted to be violent to Liya, but also did this kind of thing to Mengya before.

Both sisters are not spared, shameless.

So shameless.

Chapter 4118

“...”

At this time, Mengya came out slowly, with a bit of blush on her delicate face, and whispered: “One night, I took the initiative to find Yue Feng, want to Look at the power of Bird Ancestor.”

Although Mengya didn't like Yue Feng, she was straightforward and didn't want people to misunderstand her.

After all, what happened that night was mainly her fault.

However, Qi Cai Lingfeng shook his head: “Meng Ya, you are young and ignorant, and you don't know the characteristics of the power of bird ancestors. Although Yue Feng was injured, as the master of power of bird ancestors, he You can still control the power of the bird ancestors.”

“In other words, but Yue Feng doesn't want the power of bird ancestors to catch fire, it will be extinguished in a moment, and you will simply watch your clothes burn up.”

Speaking of this, Qi Cai Lingfeng looked around: “So, Yue Feng did it on purpose that night.”

Phew...

Hearing this, Meng Ya took a deep breath, her delicate body trembled, and she was very angry.

According to Qicai Lingfeng's statement, one night, Yue Feng pretended to be able to extinguish the flame of Bird Ancestor's power, but watched his clothes burn.

“Bastard!”

At this moment, the White Tiger King's expression changed, and he couldn't bear it any longer. He slapped the throne heavily, stood up abruptly, and shouted angrily, “This Yue Feng is so despicable, I respect him so much, but he treats me so much. The two daughters start.”

“This kind of scum, we still respect him so much in vain. If there is a chance in the future, we must cut him into eight pieces.”

“Yes, such a shameless villain, it is not a pity to die!” In an

instant, inside the stone hall The other leaders were also filled with righteous indignation, and they all followed suit.

Ha ha....

Seeing this, Wei An was as angry as everyone around him, but he was indescribably excited. In the end, he couldn't help it, and a smile appeared on the corner of his mouth.

Great, this black pot was successfully blamed on Yue Feng. Of course, it all depends on Colorful Lingfeng.

Wei An's expression changed, and the surroundings didn't pay much attention.

However, King Xuanwu saw clearly. At that time, he frowned secretly. Could it be that there is another secret about this matter? Otherwise, why would my son be so excited?

“Everyone!”

At this moment, the White Tiger King returned to his throne, looked around and said loudly: “Now I announce that the entire Yaozu and Yue Feng are cut off, and his life and death have nothing to do with the Yaozu.”

Saying these At that time, the White Tiger King was extremely angry.

He never thought that he respected Yue Feng so much, but the other party tried to attack his daughter.

At this time, the White Tiger King didn't know that he was being deceived. All of this was a lie fabricated by Wei An. Not only him, but also Qi Cai Lingfeng was also deceived.

“Follow the order of Your Excellency the White Tiger King.” The

last word fell, and the demon leaders of the entire stone hall responded.

The White Tiger King only felt physically and mentally tired, and waved his hand: “Okay, let's go!” In an

instant, the leaders walked out of the stone hall one after another.

Mengya also greeted the maid and carried her sister to the back to rest.

Wei An was relieved and followed everyone out of the stone hall, but he was still a little worried.

The framing plan was very successful, but it was only temporary. You must know that Leah was only temporarily in a coma, and she would wake up sooner or later. When she told the truth, she would be finished.

How to do it?

Outside the stone hall, Wei An became more and more worried.

...

On the other side, the Demon Camp.

Using Yue Feng to force Jiutian God to surrender failed, the Demon Lord Gone was very annoyed. Then let the Twelve Holy Demon Kings study together the way to decipher the Innate Formation.

However, the achievement of the Twelve Holy Demon Kings in the formation technique is less than half of that of the Demon Lord Gone, and the Demon Lord Gone can't break it, let alone them.

In this case, the Demon Lord Gone was even more annoyed.

"Your Highness!"

At this moment, Yutian came out and said boldly, "I think we should spend time cracking that innate magic circle, we might as well think of other ways."

"Do you have a way?" Demon Venerable Gone frowned and said angrily.

Yutian thought for a while, and said slowly: "Just now my subordinates got news that the demon clan has moved their territory, but during the migration process, many of our soldiers have been killed. I want to lead a reconnaissance team to find the demon clan. New territories, and then subjugate them with thunder."

Chapter 4119

"As long as the monsters surrender, we will let them be the vanguards and consume the power of the innate magic circle. When the power of the innate magic circle is almost exhausted, we will take the opportunity to launch an attack. At that time, the Yutian Palace will be broken.

"

Hearing this, Demon Zun Gone pondered for a while, nodded and said: "Okay, this method is feasible, this matter, I will leave it to you!"

“Yes, Your Highness!”

Jutian After answering, he quickly walked out of the tent. A few minutes later, he led five thousand demon warriors to explore the new territory of the demon race.

.....the

other side. Demon territory.

At this time, outside the stone hall, Wei An was standing there, ready to go to see Liya’s situation, but the moment he turned around, he was stunned.

I saw that my father, King Xuanwu, stood quietly behind him at some point, staring at him with a little scrutiny.

“Father!”

Wei An was uncomfortable with King Xuanwu’s gaze, but he squeezed out a smile: “Why are you looking at me like this?”

King Xuanwu didn’t answer directly, but said lightly: “Come with me, Let me ask you something.” After speaking, he turned around and walked towards the mountain behind the territory.

Wei An did not dare to disobey, and silently followed.

Along the way, King Xuanwu’s expression was indifferent, with no expression at all, and Wei An didn’t dare to ask any more questions.

Soon, on the mountain behind the territory, it was very remote and almost no one came.

“Father!”

At this moment, Wei An was inexplicably nervous, and asked cautiously, “What’s the matter? You still need to talk about it in such a place?” Perhaps there was a ghost in his heart. When he said this, Wei An felt very uneasy.

“Beast!”

As soon as he finished speaking, King Xuanwu’s face was full of anger, and he suddenly shouted: “You kneel down for me.”

With a sudden roar, Wei An shuddered, his legs were weak, and he knelt directly on the ground. .

“Let me ask you.” King Xuanwu looked at Wei An closely and asked coldly, “What is the truth about Liya? You tell the truth, if you hide anything, you will no longer be my son in the future. .”

King Xuanwu is very thoughtful. He has been in contact with Yue Feng several times, and he doesn't believe that Yue Feng is a lecherous villain. Moreover, he knows his son too well, and if he wants to get something, he must not compromise. means. Wei An has been in love with Liya since childhood.

Therefore, at that time, it was possible that it was not Yue Feng but his own son Wei An who wanted to defile Liya.

In the stone hall, when this idea flashed, King Xuanwu was not quite sure, but seeing the smile on Wei An's face when he walked out of the stone hall, King Xuanwu firmly believed in his guess.

“Father...Father!”

Wei An knelt there, sweat pouring out from his forehead, and tried to defend, “I said it in the stone hall just now, and it's all true.”

At this time, Wei An was very worried. Panic, but he knew that the truth could never be told.

“Fact?”

King Xuanwu's face was cold and he said angrily: “Others don't know you, but I don't know you? You looked so happy in the stone hall just now that you really thought I didn't see it? If you don't say it again, I'll give you to The White Tiger King, just don't have this son...”

Xuanwu King was just right, and he would never allow his son to do things that would harm the tribe.

Swish!

Hearing this, Wei An's face changed, and he quickly said: “No, Father, I said, I said...” The methods of the White Tiger King are known to everyone in the entire demon clan, and they are very cruel. If it falls on him In hand, it is completely over.

Afterwards, Wei An explained the real situation in detail.

At the end of the story, Wei An knelt there and kept kowtowing, and said with sincerity: “Father, it's all my fault, I'm a beast, I shouldn't have bad thoughts about Liya, please, please forgive me this time. , please.”

“You...”

Knowing the truth, King Xuanwu was so angry that he trembled, pointed at Wei An and cursed: “You bastard, Yue Feng is the great benefactor of our demon clan, how dare you if you do such a shameless thing and put the blame on him, you will lose all the face of the Xuanwu clan.” After speaking

, the Xuanwu King took a deep breath: “You go to the White Tiger King now and plead guilty in public. How to deal with it depends on your good fortune.” The

voice fell, Xuanwu King turned around and was about to leave.

Chapter 4120

Seriously, King Xuanwu doesn't want to do this either. After all, Wei An is his own son, but if he doesn't do this, the truth will be exposed in the future, and the Xuanwu clan will not be able to raise their heads in the entire demon clan.

After all, Yue Feng was the benefactor of the entire demon clan, and Wei An slandered him, which meant contempt for the entire demon clan, which was no small matter at this time.

“Father!”

Seeing that King Xuanwu was about to leave, Wei An was in a hurry, jumped up and hugged his leg, crying and begging: “Please, father, I don't want to be judged in public, I don't want to die.”

At this time, Wei An was really scared, he really didn't expect that his father and king would make such a decision, you must know that if he slandered Yue Feng, he was going to be judged in public, and he would end up in a terrible way. miserable.

In the face of his son's request, King Xuanwu was indifferent and said coldly: “When you slandered Your Excellency Yue Feng, you should have thought about this result.”

After speaking, King Xuanwu's face was full of hatred: “Wei An, I am so disappointed. Your Excellency Yue Feng saved our entire demon clan. Not only did you have no gratitude, but you also blamed him. Even if I wanted to spare you, the White Tiger King and other leaders knew, would they spare you? “

If I cover you up, what will the Xuanwu people do?”

“No, Father...” Wei An was completely panicked, knelt there and kept kowtowing: “If you do this, how sad your mother will be in the spirit of heaven.” , I really knew I was wrong this time, Father, please give me a chance, just a chance...”

Hu...

looked at Wei An with a pitiful look, and also mentioned his mother, King Xuanwu. Taking a deep breath, he suddenly softened.

Wei An's mother was King Xuanwu's favorite woman, but she had a bad face. When Wei An was very young, she became seriously ill. At that time, King Xuanwu searched for a lot of healing medicines, but they didn't work. His mother died in the Sealed Lands.

Because of this, King Xuanwu has always felt a little guilty towards Wei An.

"Okay!"

Finally, after a moment of silence, King Xuanwu opened his mouth and said, "Then I will spare you once as a

father." Kneel down.

"I can spare you, the White Tiger King and the other leaders, but I can't spare you easily." Xuanwu King's face was cold, without the slightest fluctuation, and said coldly: "If you want to save your life, you have to take advantage of Liya. Before you wake up, will you make up for the merits?"

Will you make up for the merits?

Hearing this, Wei An's head shuddered suddenly, and subconsciously said: "Father, what are you going to tell me to do?"

Wuwuwu...

King Xuanwu was about to respond when suddenly, a horn sounded from the entrance of the territory, and the demon As soon as the horn sounds, it means that there is a major enemy situation.

At that time, King Xuanwu did not hesitate, and took Wei An and quickly rushed towards the stone hall.

When they arrived at the stone hall, they saw that the White Tiger King and the other leaders had already arrived, each with a solemn expression.

"What happened?" Xuanwu King couldn't help but asked.

Wei Anan stood by the side, unspeakably uneasy. Compared with the happy mood before, it was completely in the sky and the other in the ground.

call!

The White Tiger King breathed a sigh of relief, looked at the Xuanwu King and said, "The news just came that the Demon Lord's subordinate, Jutian, one of the Twelve Holy Demon Kings, is coming to our new territory with 5,000 Demon Warriors."

Saying that, the White Tiger King looked around: "This matter is no trivial matter. We must send a warrior as soon as possible to lead Jutian away. Otherwise, once the new territory is discovered, we will no longer have a place to hide."

Hearing this, the other leaders around subconsciously lowered their heads.

Yutian, one of the twelve holy devil kings, is very powerful. Although this task is to lead him to another place, it is also a very dangerous task. Because of a little carelessness, I am afraid that he will not be able to come back alive.

At this moment, King Xuanwu looked around, and finally his eyes fell on Wei An: "Let Wei An do this task."

When he said this, King Xuanwu's eyes flickered with complexity.

Yes, King Xuanwu is going to let Wei An make up for his faults. You must know that Wei An slandered Yue Feng, but it is a huge crime. Only by making continuous achievements in battle can it be possible to obtain the forgiveness of the entire demon clan.
