Chapter 4121

What?

Hearing this, Wei An trembled and almost sat on the ground.

Father is crazy, want to let yourself go to distract Jutian? Isn't this a death sentence?

Feeling Wei An's nervousness, King Xuanwu tilted his head and lowered his voice: "Wei An, this is your best chance, as long as you behave well, when Liya wakes up and things are revealed, there is still room for manoeuvre, understand?"

Wei An was full of misery, but nodded anyway.

As of now, it can only be so.

At this time, the White Tiger King walked over slowly, looked at Wei An and said, "Wei An, are you sure?"

Hu...

Wei An took a deep breath, nodded and said, "Yes, everyone, don't worry, I will definitely lead Youtian to the place. Elsewhere, we will never let him find out about our new territory."

When he said this, Wei An's face was full of confidence, but he almost cried in his heart.

To be honest, he really didn't want to accept this task, but he couldn't help it, because King Xuanwu said it well, if you miss this opportunity, when Lia wakes up, it will be too late.

Only by taking this opportunity and making great contributions can we make up for the previous mistakes.

"Yeah!" The

White Tiger King nodded approvingly, and then smiled at the Xuanwu King: "You have given birth to a good son, I am very proud of our demon clan to have such a warrior."  
The

voice fell, and the other leaders also nodded their heads. go along.

Listening to everyone's admiration, King Xuanwu smiled and his heart was extremely complicated.

Soon, Wei An left the new camp with dozens of warriors.

hiss!

A few minutes later, when they arrived at a place more than ten kilometers away from the new territory, seeing the scene in front of them, whether it was Wei An or dozens of demon warriors, they couldn't help but gasp.

I saw that not far ahead, a team of demons was coming in a mighty way. Although there were only a few thousand people, the explosive atmosphere was extremely astonishing.

The leader, dressed in black and red armor, with a breathtaking aura, is Jutian, one of the twelve holy demon kings.

Swish!

At this moment, seeing Wei An's group, whether it is Jutian or thousands of demon warriors, their eyes converged instantly.

"Haha..."

Soon, Jutian laughed and said proudly: "It's really God's help, I met the demon clan so quickly, come on, give me all these dozens of demon clan guys. Get down."

Swish swish... The

voice fell, and nearly a thousand demon warriors erupted one after another, rushing towards Wei An. I saw that the sky was distorted, and the momentum was amazing.

"Let's go!"

Seeing this scene, Wei An's face turned pale, but he still forced himself to calm down. After shouting, he turned and ran away.

The mission this time was to lead Jutian away, as far as possible from the new territory. Therefore, there is no need to fight against the thousands of demon warriors in Jutian.

As soon as the voice fell, dozens of demon warriors followed Wei An and ran towards the opposite of the new camp.

"Run?"

Seeing this scene, You Tian sneered: "Can you run?" After saying that, he led the remaining demon warriors and quickly chased in the direction Wei An fled.

After half an hour.

After some pursuit, Wei An and his group were soon trapped in a valley.

"Boy!"

At this moment, Yutian stared at Wei An and said coldly, "None of the prey I was eyeing for Yutian could escape successfully, accept your fate!" The voice fell, and the power of the demonic soul burst out, and the figure Lightning fast, coming directly thinking of Wei An.

mad.

Feeling Yutian's speed, Wei An was taken aback. He didn't have time to dodge, so he could only push his energy to attack.

boom!

In the next second, the figures of the two sides collided in mid-air, and a vibration was heard. Wei An was directly shaken and flew out, while Yu Tian was suspended there, as steady as a rock.

"Pfft..."

Wei An flew for more than 100 meters, and after landing heavily, a mouthful of blood spurted out, and his face instantly paled.

"With this little strength, you dare to fight with me?" Yutian's face was full of contempt, and then he waved his hand: "Take it!" The

voice fell, and a dozen demon warriors came over quickly, tying Wei An with five flowers, and at the same time, with Wei Dozens of demon warriors who were with An were also captured.

"Speak!"

At this moment, Jutian sat on a rock and looked at Wei An coldly: "Who are you? Where is your new territory?"

Chapter 4122

Call!

Facing Yutian's inquiry, Wei An secretly exhaled, pretending to be very frightened, and whispered: "Return to Your Excellency, my name is Zhou Wu, my companion and I are an after-care patrol team, and for the time being I don't know the location of the new territory." After

speaking, Wei An tried his best to calm down and continued: "When the relocation was made, His Excellency the White Tiger King dispatched several after-care patrols to patrol around the old territory. The purpose is to prevent you from knowing the location of the new territory."

When he said this, Wei An was very sincere, but he couldn't express his anxiety.

The mission that came out this time is to lure away the Demon Lord's army and protect the new territory. More importantly, it is also the only opportunity for me to make up for my mistakes, so I must not make mistakes.

Wei An thought about it, as long as his true identity is not exposed, the Holy Demon King in front of him should not do anything to him.

After all, Jutian is one of the Twelve Holy Demon Kings, with an extraordinary position and self-contained identity, so he should not be ruthless against a patrol.

"I don't know?"

Hearing this, Youtian didn't doubt Wei An's identity, but his face still sank, and he said coldly, "Boy, do you know who I am? Have you ever thought about lying to me?"

Om. The

voice fell, and a terrifying aura swept the audience.

Feeling the powerful pressure, Wei An secretly swallowed his saliva and panicked, but he still insisted: "What I said is the truth, I dare not lie in the slightest, please be merciful, Your Excellency.

", Wei Fang pretended to be very flustered, his legs were weak, and he seemed to be unable to stand still.

Ha ha...

Seeing him like this, the corners of Jutian's mouth twitched, revealing a bit of contempt. These warriors of the demon race really have no courage at all, and they were frightened like this just by asking a few words.

Thinking to himself, Yutian no longer doubted, and continued to ask Wei An: "Okay, since you said that you don't know where the new territory is, then I ask you, after you have completed the task, how will you find the White Tiger King to meet?"

" .....

Wei An pondered for a while, his head turned quickly, and he responded: "When Your Excellency the White Tiger King assigned us a mission, he gave us half a day, and when the half day was up, let us go to a canyon to meet. When the time comes, the White Tiger King will send his subordinates to come down to meet us."

At this time, Wei An was very flustered in the face of Jutian's constant questioning, but he knew that if he couldn't tell the truth, he could only talk nonsense.

A canyon?

Yutian's eyes flashed and he asked, "What canyon, where is it?" As he spoke, Yutian couldn't hide his excitement.

Finally got some clues.

Without any hesitation, Wei An directly stated where Yue Feng had recuperated.

At this moment, Yutian made a decisive decision and ordered to a demon general next to him: "Go immediately, if you encounter a demon clan, take them all."

"Yes, Your Excellency Demon King." The

voice fell, and the demon general responded . , and then with several hundred demon warriors, they quickly rushed towards the canyon.

"Your Excellency."

At this time, Wei An took a step forward and said cautiously to Jutian: "I have already said what I should say, we are just some worthless and unworthy people, please forgive us and spare our lives, Let's leave." After

speaking, Wei An raised his hand and continued: "As long as your Excellency lets us go, I promise that I will never fight against the demons in the future."

Hu...

Seeing Wei An's timid look, Yutian chuckled, didn't bother to talk nonsense, waved his hands and said: "Okay, I'm in a good mood today, I'll let you go, but you have to remember you. What you said."

Wei An guessed right, Yutian was very conceited, and under his own identity, he would not attack these monster warriors at all. After all, this little monster leader in front of him had already told himself everything he knew.

However, Yutian didn't know that he was completely deceived by Wei An.

"Thank you, Your Excellency. Thank you, Your Excellency."

At this moment, Wei An was overjoyed, thanking Yutian again and again, and then left quickly with dozens of demon warriors.

Chapter 4123

Haha... At

that moment, Wei An rushed into the sky with dozens of subordinates, feeling indescribably comfortable.

This mission was really smooth.

I thought that in the hands of this holy devil, I would die, but I didn't expect to get out so easily. When I return to the territory later, my father will be very pleased.

the other side.

Wei An had just left with dozens of demon warriors, and soon, the demon general sent by Youtian returned with hundreds of demon warriors.

"Your Excellency the Demon King."

At this time, the Demon General quickly came to Yutian with a very complicated expression: "My subordinates explored the canyon, but didn't see a demon clan, and, near a cave, I saw a lot of dead soldiers of the gods."

After speaking, the demon general thought for a while, and continued: "My subordinate suspects that there is a dispute between the demon clan and the god's realm, and the two sides fought, and the demon clan kid just now deliberately We led us there to use us to deal with the realm of the gods."

"We were deceived." At the

very last sentence, the demon general looked solemn and slowly stepped aside.

Swish.

Hearing this, Yutian's face instantly turned hideous, almost unforgivable, and roared: "Ma De, that stinky boy just now dared to lie to me, hurry up, chase him back to me."

"Yes!" The

voice fell . , Thousands of demon warriors burst out one after another, chasing in the direction Wei An left, but after so long, in the vast sky, where is there still Wei An?

.....

On the other side, Wei An took dozens of demon warriors, flew for half an hour, and finally returned to the new demon land.

When entering the stone hall, I saw that the White Tiger King, Xuanwu King, and many other leaders had already arrived. They all looked expectant, and they had obviously been waiting here for a long time.

After all, protecting the new territory from intrusion is related to the future development of the demon clan, so Wei An's mission this time seems to be ordinary, but it is of great significance.

"Father! Your Excellency the White Tiger King."

This is, Wei An slowly walked forward and said with a slight salute.

The White Tiger King nodded, indicating that he would be excused.

King Xuanwu had an urgent look on his face, and couldn't help but ask, "How is the situation? Have you met

the demons?" "Yes." Wei An nodded.

Wow...

the voice fell, and the entire stone hall, whether it was the White Tiger King or the other leaders, were all emotional.

King Xuanwu also took a deep breath, unable to hide his nervousness: "What's the result?"

Wei An smiled slightly and said slowly: "Father, don't worry, I have successfully led the thousands of demons to our old man. Near the territory, that is, in the canyon where Your Excellency Yue Feng rests, they won't be able to find us in a short time." After

speaking, Wei An looked around and continued: ". We can rest in peace."

Mrs. All right.

Knowing these circumstances, the entire stone hall was filled with joy.

King Xuanwu also nodded in approval, looking at Wei An's eyes, showing a gratified smile.

Although this son has bad behavior, he has not let himself down in such a big event.

"Okay, okay."

At this time, the White Tiger King couldn't say how happy he was, and he praised the Xuanwu King: "Xuanwu, you have such an excellent son, which is really enviable."

After that, the White Tiger King Turning to look at Wei An, he smiled and said, "Wei An, what was the specific situation at that time, can you tell me?"

Shuh.

The words fell, and the eyes of the entire stone hall converged on Wei An at once. Like the White Tiger King, they all wanted to know how Wei An attracted the demon army away.

At this time, Wei An really enjoyed the feeling of being watched by everyone. At that time, he was pacing slowly in the stone hall, telling the story of how he encountered the Holy Demon King Jutian and how he tricked him into going to the canyon. Say it in detail.

At the end of the story, Wei An smiled and said: "The Holy Demon King Jutian is too arrogant, thinking that we, the dozens of monster warriors, have no threat to him, so he easily let us go, but how could he? I never thought that I was like a clown, being played around by me, haha..."

Chapter 4124

Haha...

The entire stone hall also burst into laughter, which was a tense atmosphere, but also became relaxed.

You must know that the Demon Race is too powerful and is the biggest threat to the Demon Race. Now that it has avoided a head-on confrontation with the Demon Race, can you be unhappy?

"Your Excellency the White Tiger King."

At this moment, a maid walked in quickly, her face couldn't hide her joy, and respectfully said to the White Tiger King: "Miss is awake, she is awake..."

Wow..

At this moment, the entire stone hall was in an uproar, and the surrounding leaders were extremely happy.

"It's great, Miss Liya is also awake."

"Haha, today is really a good day for our entire demon clan."

"Yeah..." The

surrounding discussions came, and the White Tiger King was also full of With a smile on his face, his mood is indescribably relaxed.

Great, my daughter was in a coma for more than ten hours and finally woke up.

broken.

However, Wei An, who was standing in the center of the stone hall, trembled in his heart, and suddenly panicked, completely lost his smug look before.

When Leah woke up, she couldn't hide the truth.

King Xuanwu also looked complicated.

"Let's go."

This is, the White Tiger King reacted, and said to the maid with a smile: "Go and have a look." The

voice fell, and he walked out of the stone hall first.

"father!"

Seeing this scene, Wei An felt even more uneasy, and couldn't help but whispered to King Xuanwu: "This... what should I do with this?"

King Xuanwu took a deep breath and comforted: "Don't panic, this is the end, it's time to face You have done a great job just now, and the White Tiger King will not do anything to you."

After speaking, the Xuanwu King waved his hand: "Let's go and have a look."

Hmm.

Hearing this, Wei An calmed down a little, and followed King Xuanwu towards Lia's resting room.

At this moment.

Leah's room.

Um?

Lia was sitting on the bed, only to feel the pain all over her body, and her head was a little dizzy. After looking around, she was stunned.

Is this new territory?

No, I wasn't drugged by Wei An, and then...

Thinking of the scene at that time, Liya Suburban trembled, and a burst of anger burst out in my heart. That Wei An was so despicable, I believed him so much. , he actually wanted to defile himself...

The more Leia thought about it, the more angry she became, and she was about to get out of bed.

"Lia."

However, at this moment, a shout came from outside, and then the door was pushed open, and the White Tiger King, as well as several elders of the demon clan, Qi Cai Lingfeng, walked in quickly.

"Haha.."

At this moment, seeing that Liya really woke up, the White Tiger King was happy and relieved, he quickly walked over and took Liya's hand, comforting: "My good daughter, seeing you It's alright, my father, I can rest assured."

"I've really wronged you on this day."

Saying that, the white tiger king showed a bit of anger on his face: "It's all my fault that the father is not good, he didn't see the right person, that Yue Feng is so despicable, and the father wants you to take care of him, it's really a mistake, but fortunately, you I 'm lucky that nothing happened."

What?

Hearing this, Lia only felt her brain buzzing and a little dazed.

What did the king say?

Did he see the wrong person? Yue Feng is despicable?

Where is this going?

Just when Liya frowned secretly, all the people around the colorful Lingfeng also spoke.

“Ria, rest in peace, Yue Feng, the shameless villain, has already received his retribution.”

“Yes, don’t think too much, just rest in peace.”

“Even if that Yue Feng is not dead, next time we meet, our whole The demon clan will also help you get justice.”

When everyone said this, King Xuanwu and Wei An who came in later did not stand forward, but watched the situation quietly from behind.

And Leah was even more confused.

What is the situation? Why are they all blaming Your Excellency Yue Feng?

Your Excellency Yue Feng, you didn’t do anything to yourself.

Thinking to herself, Liya said to King White Tiger: “Father, what are you talking about, what did Your Excellency Yue Feng do to me?” Huh

!

Seeing her like this, the White Tiger King thought that his daughter was intoxicated by Yue Feng’s stimulation, and his heart suddenly surged with anger, and said fiercely: “My good daughter, have you forgotten? Yue Feng gave you ‘Huanhe Water’, I wanted to defile you, but fortunately Wei An arrived in time to stop Yue Feng’s atrocities.”

Chapter 4125 After speaking

, the White Tiger King looked back at Qicai Lingfeng and continued: “Later, it was Qi Cailingfeng who gave you Zhuque Pill to suppress the effect of the medicine in your body.” The

voice fell, Qi Cailing Feng Qianqian smiled, shook his head and said, “Your Excellency the White Tiger King is too polite, our entire demon clan is as close as a family, this is what I should do.”

This...

Seeing this situation, Liya was stunned, completely stunned. covered.

Your Excellency Yue Feng wants to defile himself? This has never happened.

“Sister!”

At this moment, a slender figure walked over quickly, it was Mengya.

Nightmare hugged Liya’s arm, her delicate face was full of anger and contempt: “Sister, you are so good to that Yue Feng, but he is plotting against you, but God has eyes, after Wei An rescued you. , Yue Feng was caught by the demons.”

“This kind of despicable villain, hmp, it’s better to be cramped and skinned by the demons.”

Mengya’s words, like raindrops, kept hitting Liya’s heart.

“No.”

Finally, Liya reacted, shook her head and said to the White Tiger King: “That’s not the case, Your Excellency Yue Feng is upright and upright, he never wanted to defile me, and he never gave me ‘Huanhe Water’.

” You...you all misunderstood him.”

What?

Hearing this, the White Tiger King, Qi Cai Lingfeng, and Meng Ya were all stunned.

Not Yue Feng? Who is that?

“Lia!” The White Tiger King took a deep breath, looked at Lea closely and asked, “Whoever gave you ‘Huanhe Water’ is not Yue Feng, who is that?”

Swish.

The voice fell, and the eyes of Qi Cai Lingfeng and Meng Ya, as well as others, were also looking at Li Ya, waiting for her answer.

Liya didn’t answer immediately, but looked around. Finally, behind the crowd, she saw Wei An standing at the door. At that time, Liya’s tender body trembled, and a wave of grief and anger surged out of her heart. She raised her hand and shouted tenderly. :  
“It’s him.”

Saying that, Liya bit her lip tightly, jumped off the bed, walked quickly to Wei An, raised her jade hand, and slapped it hard.

Snapped.

With this slap, Liya used all her strength, and with Liya's endless anger, she heard Wei An groan, her figure staggered back, and a trace of blood came out from the corner of her mouth.

"Wei An."

At this time, Liya was almost furious: "You were the one who gave me the 'Huanhe Water', and it was you who wanted to defile me, but you put the blame on Your Excellency Yue Feng, if it's shameless, You are the most shameless, Your Excellency Yue Feng is the great benefactor of our monster clan, you let him take the blame, where is your conscience?"

What?

Seeing this scene, whether it was the White Tiger King, or the surrounding Colorful Lingfeng and Mengya, they all stood on the spot.

The truth is going to defile Lea, is it... Wei An?

"Father, everyone."

Li Ya's suburban trembled, looked at the White Tiger King first, then looked around: "The situation at the time was like this, Your Excellency Yue Feng and I, took it well in the cave, and the result was that Commander Gong Ao suddenly appeared and surrounded us..."

In the next few minutes, Li Ya explained the details of the situation one by one.

At the end, Li Yayu pointed at Wei An and said angrily, "When Your Excellency Yue Feng and I were under siege, Wei An didn't want to save us from the danger, but made an agreement with Gong Ao to take me first. When I went out, I was really naive at the time, thinking that he would help me regain my strength, and then go back together to save Your Excellency Yue Feng, but I never thought that he would do something in the Xuanwu Huiyuan Pill."

Shah!

At what time, all eyes converged on Wei An at once.

The whole room was also silent, and a drop of a needle could be heard clearly.

At this moment, whether it is the White Tiger King or Mengya, they are all extremely angry. This Wei An is really shameless, and he even slandered Your Excellency Yue Feng.

Wei An covered his face, his eyes flickered constantly, and his heart was even more panicked.

It's over, it's over now.

Alas...

The colorful Lingfeng standing on the side is even more complicated, annoyed, and ashamed.

Didn't expect the truth to be like this.

I... misunderstood Yue Feng.

Chapter 4126

"Father!"

Finally, after a brief silence, Mengya was the first to react, pointing to Wei Anjiao and shouting, "Tie him up and pull him out for trial."

Although Mengya is still young, her personality is also very good. It was a bit unruly, but it was still clear what was right and what was wrong. Although she didn't like Yue Feng, he was a big villain of the demon clan after all.

And Wei An used such despicable means to slander Your Excellency Yue Feng, which is simply unforgivable.

When the words fell, Liya and Qicai Lingfeng nodded in agreement.

Wei An did this kind of thing, according to the rules of the demon clan, he must be tried in public.

call!

The White Tiger King took a deep breath, his face was gloomy, and he did not respond.

puff.

Facing this situation, Wei An was completely panicked, knelt down at once, and pleaded with Liya: "Liya, it's my fault, I'm a beast, I'm obsessed, I shouldn't treat you like that, but I really love you too much to do such absurd things, you forgive me..."

Then, Wei An shouted at the White Tiger King again: "Your Excellency White Tiger King, I really regret it, I beg you to forgive me. For the sake of serving the demon clan just now, don't judge me publicly, please..."

When he said this, Wei An almost cried, and his voice trembled.

Facing Wei An's plea, King White Tiger was about to speak, but was interrupted by King Xuanwu's violent shout.

"You bastard."

At this time, the Xuanwu King suddenly shouted angrily, rushed over and kicked Wei An. Hearing Wei An screaming, he fell directly to the ground.

This chapter is provided by . Visit for daily update.

However, King Xuanwu was still not relieved, and he kept kicking Wei An, and while kicking, he cursed: "I have such high expectations for you, but you have done such a shameful thing, are you worthy of your dead mother? If I don't kill you today, I won't be your father."

The Xuanwu King at this time was very angry on the surface, but he was actually doing it for the White Tiger King.

King Xuanwu was quite resourceful. He knew that if he didn't express his opinion, King White Tiger would really let his subordinates tie Wei An and put him on trial. After all, Wei An almost defiled his daughter.

But if he plays a 'bitter game', the White Tiger King will be soft-hearted.

After all, he is the king of the Xuanwu clan, and his status is comparable to that of the White Tiger King. If he did this, the White Tiger King should give him face.

"Father, don't beat me, I was wrong, I was wrong..." Wei An was kicked and rolled on the ground, miserable, and kept begging for mercy.

Wei An is not stupid either. He knew that his father did this to show the White Tiger King and the others, so he cooperated very well.

"Okay, alright."

Seeing that King Xuanwu was fighting more and more fiercely, King White Tiger finally couldn't stand it anymore, and came up to stop him: "King Xuanwu, calm down too."

Phew!

King Xuanwu took a deep breath, stopped and said angrily: "King White Tiger, I'm so embarrassed for giving birth to such a beast, you can deal with him, don't worry about my face."

Saying this, King Xuanwu secretly pay attention to the change in the expression of the White Tiger King.

That's right, King Xuanwu said this because he made progress by retreating.

After all, no matter how unbearable Wei An is, he is still his own son.

"Really?" White Tiger King's eyes flickered and he said lightly.

At this time, the White Tiger King seemed to have calmed down, but looking at Wei An, his eyes flashed with anger.

Wei An, this bastard, not only wants to slander his own daughter, but also slander Your Excellency Yue Feng. This kind of scum, it is not a pity to die a hundred times.

Uh...

King Xuanwu was stunned for a moment. He didn't seem to have thought that King White Tiger would take it seriously, but at the time it was not easy to go back, so he could only bite the bullet and say, "When did I go back on my words?"

"Okay!"

Hearing the answer, White Tiger Wang nodded, then looked at Wei An and said, "Wei An, your actions should have been publicly judged, but in view of King Xuanwu's face and the great deeds you have just made for the demon clan, I will spare your life."

"Thank you. Your Excellency the White Tiger King, thank you..." Wei An was overjoyed, and hurriedly knelt down and kowtowed to thank him.

Just after saying a few words, he was interrupted by the White Tiger King.

"Don't be in a hurry to thank me." The White Tiger King looked indifferent and said coldly: "The death penalty can be avoided, and the living crime is inevitable. I now announce that I will expel you from the demon clan. From now on, you will no longer belong to our demon clan. , let alone step into our demon clan territory."

## Chapter 4127

What?

Hearing this, Wei An only felt his brain buzzing, and instantly went blank.

Are you going to be expelled from the entire demon clan? How can this work?

With the current situation of God's Domain, if you leave the domain by yourself, no matter if you meet the demons or the gods and soldiers of God's Domain, you will be dead.

Thinking of this, Wei An was extremely frightened, and begged bitterly at the White Tiger King: "Your Excellency White Tiger King, please be merciful, don't expel me from the demon clan, I was wrong, really wrong."

While begging, Wei An looked at King Xuanwu for help.

Seeing his son's pitiful appearance, King Xuanwu couldn't bear it, so he wanted to speak to help.

"King Xuanwu!"

However, the White Tiger King didn't give him a chance to speak at all, and said with a half-smiling smile, "You asked me to execute Wei An just now, so you won't regret it now?" After speaking

, the White Tiger King looked at Wei An. An glanced, and continued: "The big benefactor who slandered the entire demon clan, what kind of fate will be, everyone present knows that I have made such a decision, and it is already open to the net."

Uh....

Xuanwu King's face is embarrassed , I don't know how to respond.

At the same time, there was a lot of discussion in the room.

Mengya was anxious and angry, and looked at the White Tiger King in a puzzled way: "Father, why did you spare his life? This Wei An is too hateful, and it's not a pity to kill him for this kind of scum." The

voice fell . , Qicai Lingfeng also said: "Yes, Wei An has bad behavior and slandered others, so you mustn't forgive it."

When she said this, Qicai Lingfeng was very excited. She was deceived by Wei An and misunderstood. In addition to guilt, Yue Feng also hated Wei An to death.

Seeing the White Tiger King at this time, he just expelled Wei An from the demon clan, and his heart suddenly became anxious.

“Don’t talk about it.” The

White Tiger King’s face did not fluctuate at all, he waved his hand and said, “Wei An’s matter has been decided like this.” The

voice was not loud, but there was no doubt about it.

For a time, Qi Cai Lingfeng and Meng Ya both shut their mouths, and although they were a little dissatisfied, they did not refute. You must know that the White Tiger King has a supreme position in the entire demon clan, and his words represent the entire demon clan.

Seeing that they all shut their mouths, the White Tiger King nodded in satisfaction. The next second, the White Tiger King quietly looked at the Xuanwu

King and said, “How is it? Your Excellency Xuanwu King, do you have any objection to this decision?”

.

Speaking of which, the White Tiger King also wanted to look at King Xuanwu’s face and spared Wei An once, but when he thought about his daughter, he was almost defiled by him, and he couldn’t stop his anger.

More importantly, Wei An slandered Your Excellency Yue Feng, which cannot be tolerated.

Swish!

At this moment, all the eyes of the room suddenly converged on King Xuanwu.

Xuanwu King’s face was gloomy and uncertain, then he squeezed out a smile, nodded at the White Tiger King and said: “Your Excellency White Tiger King, you are fair and strict, you can take my face and spare the dog’s life, I am very grateful, how could there be What about the objection?”

At this time, King Xuanwu had a smile on his face, but he was extremely annoyed in his heart.

Mad, the white tiger king, thought he could take my face and treat Wei An lightly, but he never thought that he would actually expel Wei An from the demon clan.

He is only such a son. If Wei An leaves the territory and something happens to him, wouldn't he be doomed?

But...the words that were said, the water that was poured out.

Just now, I have let the White Tiger King deal with it. If I regret it, how can I stand in the demon clan in the future?

Forget it, that's it for now, and I'll think of a way later.

"Father!"

Seeing Xuanwu's words, Wei An suddenly became anxious and couldn't help shouting: "I can't leave the demon clan, you have to help me, you must help me..."

"I If you leave the territory and get caught by the demons, you will die."

At this time, Wei An was panicking, because half an hour ago, Wei An had deceived Yutian, who was the twelve holy demon kings of the demons. One, the strength is tyrannical, and he will not give up if he is deceived. I am afraid that he is sending his subordinates and looking for himself everywhere.

Wei An could imagine what would happen if it fell into Yutian's hands.

Chapter 4128

"Beast, you shut up!" As

soon as the voice fell, King Xuanwu's face was gloomy, he slammed, pointed at Wei An and cursed: "You have the face to let me help you when you do this kind of thing. You? Do you know that your crime is enough to behead your head, and His Excellency the White Tiger King spared your life, which is already the greatest kindness, what kind of face do you have to beg for mercy ?

"

So, but things have come to this point, nothing can be changed.

Hearing this, Wei An was completely stunned. In the next second, Wei An took a deep breath and said

gratefully to the White Tiger King: "Thank you, Your Excellency

White Tiger King, for your kindness."

Heading towards King Xuanwu, he said, "Your father and son have a match, you can send them off."

King Xuanwu nodded and took Wei An out of the room.

Afterwards, Qi Cai Lingfeng also said goodbye and left.

Phew...

Watching King Xuanwu and his son leave, Liya and Mengya in the room looked complicated.

"Father!"

Finally, Mengya came over, took the White Tiger King's arm, and couldn't help asking: "I just don't understand why you spared Wei An, this bastard, almost ruined my sister's life. Innocent, and slandering Your Excellency Yue Feng. You just kicked him out of the demon clan, it's too light."

Li Ya, who was next to him, didn't speak, but she was also somewhat doubtful and dissatisfied.

The White Tiger King breathed a sigh of relief and smiled bitterly: "I know that you are dissatisfied, in fact, I also really want to kill Wei An immediately, but you also know that the main fighting force of our entire demon clan is our White Tiger clan and Xuanwu clan."

"Once I kill Wei An, the Xuanwu King will definitely be dissatisfied. At that time, he may lead the Xuanwu clan to leave."

"The Xuanwu clan will leave, and the strength of our entire demon clan will be weakened by half. The clan is attacking, how can we stop it? So, for the safety of the entire demon clan, forget about it."

When he said this, the White Tiger King looked complicated.

Liya and Mengya looked at each other, and at this time they both understood the painstaking efforts of the White Tiger King. It turned out that he spared Wei An for the sake of the overall situation.

the other side.

King Xuanwu took hundreds of warriors of the Xuanwu tribe and sent Wei An out of the new territory.

Along the way, no one spoke, and the atmosphere was very dull.

Especially Wei An, who couldn't express the depression and anger in his heart, Ma De, who managed to lure away the powerful enemy Jutian, made contributions to the entire demon clan, but was expelled from the demon clan by the White Tiger King.

"Father!"

Finally, outside the territory, Wei An couldn't bear it any longer, and looked at King Xuanwu puzzled: "Why didn't you object when the White Tiger King announced just now? Don't you have the heart to see me helpless from now on? Damn, wandering around?"

Alas!

King Xuanwu sighed and said slowly: "Wei An, you have seen the situation at that time. What if you are against your father? You will only be covered up by one person. Then, what will the entire demon clan think of me? "

Furthermore, the current situation in the Divine Realm is complicated. Once I have a dispute with the White Tiger King and there is a disagreement, the entire demon clan will be in civil strife. When the time comes, the demon clan or the Divine Realm will attack, and the consequences will be unimaginable..."

"So, You're still a little embarrassed for a while."

At the end, King Xuanwu looked unbearable and patted Wei An on the shoulder: "Don't worry, once the time is right, I will let you return to the demon clan, and the king's words will count. After all, the Xuanwu clan will still need you to lead in the future. "

Huh...

Hearing this, Wei An calmed down a lot, nodded and said, "Okay, I see! Father, let's just say goodbye to it, don't worry, I won't let you down."

After speaking, Wei An said goodbye to King Xuanwu, turned and flew towards the distant sky.

.....

the other side.

After Yue Feng was taken down, because of fatigue and weakness, he passed out directly.

I don't know how long it took, Yue Feng woke up, because of hunger and fatigue, he only felt a splitting headache.

Um?

Looking around, Yue Feng was stunned.

I saw that I was in a stone room. The stone room was simply furnished, with only a stone bed, but on the stone door, there was a blood-colored rune.

Chapter 4129

Call!

At this moment, Yue Feng stood up with difficulty, walked slowly to Shimen, and tried to push it open.

hum!

However, when his hand touched the talisman formation on the stone gate, he saw a blood-colored light flickering. Then, Yue Feng felt a violent force coming. The whole person was directly shocked and flew out.

“Pfft...” The moment he hit the wall, Yue Feng spurted out a mouthful of blood, and his eyes turned black, and he almost fainted again.

Nima!

Yue Feng endured the severe pain, wiped the blood from the corner of his mouth, looked at the talisman formation on the stone gate, and was furious.

This Demon Race’s talisman formation is so powerful?

The power of his own primordial spirit has not been restored, and he can’t break this talisman formation. Wouldn’t he be trapped and die here?

Squeak!

Just when Yue Feng was muttering in secret, suddenly, Shimen was slowly pushed open, and then, a slim figure walked in, his delicate face was full of coldness.

It was Mo Yan, one of the twelve holy devil kings.

is her?

I have to say that Mo Yan is very beautiful. When I first saw it in the cave, Yue Feng was already amazed. At this time, upon closer inspection, Yue Feng found that this woman had an indescribable charm.

A tight-fitting black-red armor, wrapped tightly, showed her exquisite and graceful figure vividly.

Swish!

Seeing Yue Feng's eyes staring at her tightly, Mo Yan's pretty face was cold, she didn't say a word at that time, and walked directly to Yue Feng.

Gudong!

At this moment, seeing Mo Yan getting closer, Yue Feng couldn't help swallowing his saliva.

It's a pity that such a stunner actually belongs to the Demon Race.

Snapped!

Just when Yue Feng was secretly sighing, he saw Mo Yan raised her jade hand, lightning fast, and slapped Yue Feng's face with a slap in the face.

The slap was too fast, Yue Feng didn't have time to react, and only heard a crisp sound, the whole person staggered back a few steps, and slammed into the wall.

What the hell!

Yue Feng covered his face, only to feel that his brain was buzzing, and his whole head was about to explode.

This Moyan is too cruel, she just takes a look at it and then does it. If she makes a joke, wouldn't she have to use a knife? At this time, Mo Yan

looked at Yue Feng with deep contempt in her eyes: "Humans like ants, if you dare to look at me with such eyes, I will dig out your eyes!"

Take any emotional swings.

In her eyes, Yue Feng was just a prisoner, and a prisoner who dared to look at himself like this was a form of blasphemy.

Ugh!

Feeling Moyan's coldness, Yue Feng did not panic at all, but sighed: "Moyan Demon King, you are a bit inhuman, you used me to threaten Jiutian God and failed. Fire, vent on me."

After speaking, Yue Feng made a very helpless look and continued: "Actually, I have the title of Nine Heavens Profound Sage, but I have no power in the realm of the gods, you guys use me to blackmail the Nine Heavens God. , it's completely useless."

Hearing this, Mo Yan frowned, and said coldly: "You have self-knowledge."

"Speaking of this matter, Your Excellency Mozun originally wanted to execute you, but at a critical moment, I I spoke to you and saved your life, do you know why?"

Um?

Yue Feng was stunned for a moment, frowning at Mo Yan, very puzzled.

This demon queen actually saved herself?

Thinking to himself, Yue Feng said, "Why? Please enlighten me."

Mo Yan showed a smile, looked at Yue Feng and said, "It's very simple, from now on, be loyal to me!" As the

voice fell, Mo Yan coldly look at him.

The atmosphere in the stone room also instantly became depressed and dull.

Haha, it turned out to be trying to make me surrender.

At this moment, Yue Feng secretly laughed in his heart, and then looked directly into Mo Yan's eyes: "Although I am only a human being, I also have my own principles, and you and I are different from the devil, so I'm sorry, your kindness I got it!" Clap

!

As soon as the words fell, Mo Yan's pretty face turned cold, her jade hand suddenly raised, and another slap slapped Yue Feng's face!

Nima...

Yue Feng scolded secretly, and suddenly there was some fire, but the power of the primordial spirit did not recover. At this time, he was very weak and had no ability to resist.

Rubbing his face, Yue Feng showed a smile and said with anger: "Your Excellency the Demon Queen, I am also a prisoner. You abuse the prisoner like this, are you not afraid of disgracing it?"

Chapter 4130

“Don’t come with me like this!”

Mo Yan sneered, with no emotion in her tone: “In our Demon Race, prisoners are not worthy of preferential treatment at all, I tell you, I just think you are still useful, so I keep it Your life, don’t know how to praise!”

“Okay, then I’ll tell you too, I already answered you just now, I don’t want to say it a second time.” Yue Feng said lightly.

Swish! Seeing that Yuefeng’s oil and salt did not enter, Mo Yan

suddenly lost his patience and said coldly: “You have a backbone, right? You are very tough, right, okay, I want to see how tough you can be.”

With a jade hand, a white bone whip condensed.

At this time, Mo Yan was very angry. She was one of the twelve holy demon kings, and she was one of the most powerful. Who would dare to go against her will?

What made her even more angry was that she had saved Yue Feng’s life in Demon Zun Gone before, but this Yue Feng did not give any face at all, and was simply courting death.

“Yue Feng, this is the bone whip I made with the bones of a strong monster 10,000 years ago. It hits me like a thunder strike. How many times do you think you can withstand your current state?” Mo Yan spoke coldly.

Nima, this demon queen is too cruel.

Hearing this, Yue Feng was startled, but he still had a calm expression on his face: “Really? I don’t think it’s any different from an ordinary whip.” “

Are you still stubborn?”

, The delicate face flashed a bit of coldness, and then the jade hand raised, and the bone whip was slammed.

Snapped!

Hearing a thunder-like crisp sound, a bloodstain appeared on Yue Feng’s chest, and the blood soaked his clothes in an instant!

At the same time, a heart-wrenching pain also hit Yue Feng’s body.

hiss!

Yue Feng gritted his teeth tightly, but did not cry out, his eyes were instantly bloodshot!

“Are you satisfied?” Mo Yan said coldly.

Yue Feng’s face was pale, and he did not respond, but showed a smile.

Seeing this scene, Mo Yan stopped talking nonsense, raised the whip in her hand again, and kept throwing it on Yue Feng.

Snapped! Snapped! Snapped!

For a time, the sound of the bone whip continuously resounded in the stone room.

.....

On the other hand, Wei An left the new demon clan territory, feeling very depressed, and wandering aimlessly.

Crash...

Just at this moment, a wave of breath came from behind, Wei An looked back subconsciously, and was stunned.

I saw that dozens of warriors of the White Tiger clan came from the sky, each with a gloomy face, the one at the head, with a graceful and charming figure, and a delicate face showing anger.

It was Mengya.

In the room where Liya was resting before, although the White Tiger King had made it clear that not killing Wei An was to take care of the overall situation, Mengya did not refute at that time, but she was very angry.

Later, after the White Tiger King left, Mengya selected dozens of subordinates and quickly left the territory to find Wei An’s whereabouts.

Mengya made a plan. Her father spared Wei An, but she couldn’t let him go easily. She had to let her sister out.

Swish!

At this moment, seeing Wei An, Mengya’s eyes flashed, and she shouted: “Encircle.”

As soon as the words fell, dozens of warriors of the White Tiger Clan burst out one after another and surrounded Wei An.

“Mengya!”

Seeing this situation, Wei An was furious, but he still looked very calm and said coldly, “What are you doing?” What are you

doing?

Hearing this, Meng Ya was very angry, pointed at Wei An’s nose and scolded: “What are you talking about? You bastard, you are obviously trying to slander my sister, but you slander Yue Feng.”

“I tell you, don’t think that My father spares your life and drives you out of the demon clan, you will be fine, I will break your leg and vent my anger to my sister.” At the

end, Mengya waved her hand: “Go!”

Swish swish...

At this moment, dozens of warriors of the White Tiger tribe burst into force and charged directly towards Wei An.

These white tiger warriors were carefully selected by Mengya, and they were all powerful and powerful.

Mad! Deceiving too much.

Seeing this situation, Wei An was furious. He didn’t say a single word at that time, and all the energy in his body burst out, and at the same time he shouted: “Mengya, I have already received the corresponding punishment, don’t force me.” As

he said, Wei An An urged the figure, went up to meet it, and fought fiercely with dozens of White Tiger warriors.
