Chapter 4141

Wei An this fool. He even became a guest of honor.

Seeing this scene, Yue Feng did not have any fluctuations on the surface, but he cursed inwardly.

Um?

At the same time, Wei An's eyes fell on Yue Feng, and his heart was shocked.

Yue Feng? He... shouldn't he be killed by Gong Ao? How are you still alive? And... still in the demon camp?

For a moment, Wei An's mind was buzzing, blank.

When he was brought back by Mo Yan, although Wei An was locked next to Yue Feng, because Yue Feng's door was closed, Wei An never saw it.

"Are you still alive?"

Wei An finally reacted, looking at Yue Feng, unable to hide his surprise: "This... this is impossible."

At this time, Wei An thought that he had broken his legs and lost blood. Too much leads to dizziness.

Seeing his reaction, Yue Feng felt contempt from the bottom of his heart, and sneered: "Yes, I'm still alive, you didn't expect it?"

When he said this, Yue Feng was very calm.

To be honest, if Yue Feng faced a person who slandered him before, he would definitely not be able to control his emotions, but years of experience in the arena has made Yue Feng look down on everything.

Moreover, Yue Feng is too lazy to care about a despicable and shameless person like Wei An.

"You..."

Hearing Yue Feng's voice, Wei An finally understood that this was not dazzling, nor a dream. He wanted to refute, but he didn't know what to say.

The next second, Wei An turned around and shouted at Mo Yan, "Your Excellency Demon King, he is Yue Feng, Jiutian Xuansheng, and the son-in-law of Jiutian God. Kill him, kill him."

When he said this, Wei An Very excited, and very sad in my heart.

Because of Yue Feng, I lost Liya, because of Yue Feng, I was expelled from the demon clan, and because of this Yue Feng, my legs were cut off by Mengya.

In Wei An's heart, it was because of Yue Feng that he had ended up so miserably. Under such circumstances, how could he tolerate Yue Feng living well?

Facing Wei An's clamor, Yue Feng chuckled lightly, not taking it to heart at all.

"Wei An!"

Mo Yan also frowned, a little unhappy, and said lightly: "Okay, calm down."

After saying that, Mo Yan looked at Yue Feng and continued: "The grievances between you two, I It's already clear, but you're all doing things for me now, and you're already sitting in the same boat, so I hope that the previous grievances will be written off."

What?

Hearing this, Wei Anxin's head shook, and she froze there.

Yue Feng took refuge with Moyan Demon King?

This...

Shocked, Wei An was very unconvinced and wanted to speak, but Mo Yan glared at him and quickly closed his mouth.

"Yue Feng!"

At this moment, Mo Yan looked at Yue Feng: "How is your injury?"

"Much better." Yue Feng responded.

Mo Yan nodded, and then looked around: "Okay, then we can talk about business, now there are three innate magic circles around Yutian Palace, Lord Mozun can't break the formation, so we can only find the demon clan, with the demon clan's Strength, to consume the power of the magic circle."

As she said that, Mo Yan's eyes fell on Wei An: "Wei An, you know the location of the new demon clan's territory, right?"

"Clear!"

Wei An nodded repeatedly, with a look of flattery: "As long as Your Excellency the Demon King is willing to give it to you. If I have the chance, I will personally take you to the new territory of the demon clan."

Hearing this answer, Mo Yan was very satisfied and smiled: "Very good."

After speaking, Mo Yan ordered the surrounding demon generals: "Immediately gather the troops and go to the demon clan's territory."

"Yes! Your Excellency the Demon King!" The

voice fell, and dozens of demon generals responded in unison, ready to go out to gather the army.

"Wait a minute!"

However, at this moment, Yue Feng suddenly stood up and said in a complicated tone, "I don't think this is inappropriate." At this moment, Yue Feng was very anxious.

This Wei An really betrayed the demon clan. If he led the demon clan army to the demon clan's territory, his previous plans with the White Tiger King would all be in vain. Not only that, the demon clan would also suffer an unprecedented catastrophe.

So, there must be a way to stop it.

Swish!

At this moment, all the eyes of the tent were focused on Yue Feng. The atmosphere also became dull.

Chapter 4142

This...

Facing the gazes around, Yue Feng's mind turned quickly, and then he smiled at Mo Yan: "Your Excellency the Demon King, I don't think this matter is too hasty. The overall strength of the demon clan is not as good as your demons. There are hundreds of thousands of people. I'm afraid it's not safe to go there."

After speaking, Yue Feng glanced at Wei An subconsciously, and continued: "Besides, he is the son of King Xuanwu, and his status is in the demon. The clan is no trivial

matter, who knows if he really wants to help? In case he secretly colluded with the demon clan and asked the demon clan to ambush in advance, we just rushed out like this, wouldn't we be caught in the net?" The

last word fell, Yue Feng Shaking his head deliberately, he looked like he didn't trust Wei An.

To be honest, in other circumstances, Yue Feng would not deliberately slander Wei An.

But there is no way. After all, this matter is related to the safety of the entire demon clan. What's more, Wei An has slandered himself before, and he has slandered him once, and it can be regarded as a cleanup.

Whoa!

The voice fell, and the entire camp suddenly talked about it.

"Mr. Yue Feng's words are not unreasonable."

"Yeah, this kid looks treacherous. Who knows if he really joins us? What if he secretly cheats? It must be guarded."

"This. ... This kid has broken his legs, doesn't he have the guts?"

Under the discussion, many demon generals agreed with Yue Feng's point of view, and some thought that Yue Feng was too suspicious.

And the most excited is Wei An.

mad.

At this time, Wei An was anxious and angry, and shouted at Yue Feng: "Yue Feng, you are stinging blood, how could I frame Your Majesty the Demon King?"

After speaking, Wei An turned his head and shouted at Mo Yan, "Your Majesty the Demon King, don't listen to Yue Feng's nonsense, you saved my life, and I can't repay such kindness. Going up the mountain and going down to the sea of fire, the liver and brain are on the ground, never frown, and ask Your Excellency the Demon King to believe me."

When he said this, Wei An was anxious and angry, staring at Yue Feng, wishing to kill him immediately .

This Yue Feng dared to slander himself in front of His Excellency the Demon King. He wanted the Demon King to deal with him. It was too hateful.

“Okay!” Feeling Wei An’s excitement, Mo Yan’s delicate face did not fluctuate in the slightest. She raised her jade hand to comfort him, “Don’t be excited, I am loyal, how could I not trust

you?”

Then, Wei An secretly sighed in relief, and a smile appeared on his face.

In the next second, Wei An pointed at Yue Feng and scolded: “Yue Feng, you just said that because you don’t want us to find the territory of the demon clan, right? Who doesn’t know that you have a close relationship with the demon clan, especially the White Tiger King and the Colorful Spirit Phoenix. They are more obedient to you.”

Speaking of this, Wei An became excited again, and said to Mo Yan: “Your Excellency Demon King, this Yue Feng has ulterior motives, he keeps saying that my motives are impure, in fact, he has no real motives. I beg you, Your Majesty, to order her to be dealt with immediately.” As

he said, Wei An looked at Yue Feng fiercely.

Mad, let you slander me and see how I treat you.

Yue Feng pretended not to hear Wei An’s clamor.

“Your Excellency the Demon King.”

At this time, Yue Feng gave Mo Yan a deep salute and said seriously, “I definitely don’t mean that, I just make a suggestion. To know the battle between the two armies, the most important thing is to ‘know oneself and one enemy’. , We are now only relying on Wei An’s own words, it is difficult to determine whether the demon clan is in danger of ambush, so I think we should be cautious.”

Phew...

At this moment, Mo Yan didn’t respond, but sat there, quietly contemplating.

For a while, the tent was silent, and the atmosphere became somewhat subtle.

“Okay!”

Finally, after a few minutes, Mo Yan calmed down, looked around, and finally looked at Yue Feng and said, “Your worries are not wrong, but I choose to trust Wei An, the so-called ‘ Don’t be suspicious of hiring people, don’t need to be suspicious of people’. This matter is settled, you all prepare, we will set off immediately.” The

voice fell, Mo Yan stopped talking nonsense, stood up, and took the lead out of the tent.

More than a dozen demon generals followed closely behind.

Done!

Seeing this scene, Yue Feng was calm on the surface, but he was very anxious in his heart.

Chapter 4143

Haha...

Wei An walked at the back because he was in a wheelchair. At this moment, he saw Yue Feng standing there motionless, and he was instantly proud of himself.

“Yue Feng!”

At this moment, Wei An pushed the wheelchair, and when passing by Yue Feng, he deliberately slowed down and said in a low voice, “Are you fake surrendering?”

Yue Feng looked at him and did not respond.

Wei An’s mouth twitched and he sneered: “It doesn’t matter if you don’t answer, I know you won’t really join the demon clan, you want to break into them, and then find a chance to disintegrate them, I tell you, as long as I’m here, you will No drama.”

“Also, I advise you to stop saving the demon clan. Have you seen my legs? It was all done by that little bitch Mengya. I will make the Baihu clan, and even the entire demon clan, pay a heavy price.”

With the last sentence, Wei An had a grim expression on his face, and then slowly left the tent.

crazy!

Looking at Wei An’s back, Yue Feng took a deep breath, feeling a little sad in his heart in addition to anger.

King Xuanwu gave birth to such a son, isn’t it the sorrow of the entire demon clan?

Muttering in his heart, Yue Feng also walked out quickly.

A few minutes later, Mo Yan did not report the situation to Demon Venerable, but gathered an army of nearly 20,000, and marched mightily towards the demon clan’s territory.

Along the way, Wei An followed behind Mo Yan, indescribably high-spirited.

As long as you help Moyan defeat the demon clan, you have made a great contribution, and you will be the guest of this demon clan in the future, can you be unhappy?

But Yue Feng was dull all the way.

Um?

Half an hour later, the army of 20,000 Demon Race finally arrived at the Demon Race territory, but when they saw the scene in front of them, whether it was Mo Yan or Wei An, they were all stunned.

I saw that the entire demon clan territory was empty, and there was not a single person.

All the demon clan members seemed to disappear out of thin air.

This...

Seeing this scene, Wei An's head trembled, and he was suddenly dumbfounded. He was anxious and couldn't believe it.

This is impossible. When I was expelled from the demon clan a day ago, there were still hundreds of thousands of demon clan members here, and at that time, the White Tiger King also deliberately strengthened the surrounding patrol forces.

It's only been less than a day, why is it all gone?

At the same time, Mo Yan also looked around, her delicate face was gloomy and uncertain, unable to hide her anger.

All have been withdrawn... Is the information of this monster clan so well-informed?

Huh...

And Yue Feng, who was standing aside, was calm on the surface, but his heart was indescribably excited.

Great, the demon clan has moved again, don't worry about it now.

Excited, Yue Feng looked around and saw that there was no mess in the demon clan territory. Obviously, when the White Tiger King organization evacuated, everything was arranged in an orderly manner.

Upon discovering this, Yue Feng couldn't help but admire in his heart: The White Tiger King is indeed a hero of a generation, he acts decisively and is not at all sloppy.

"Wei An!"

Finally, Mo Yan was the first to react, her eyes flashing with anger, and she asked Wei An coldly, "What's going on? Is this the new territory of the demon clan? Where are the demon clan members? What about the White Tiger King?"

A series of questions caught Wei An by surprise.

At that time, Wei An was completely in a mess, opened his mouth, and was speechless: "Your Majesty, please calm down, this... This is indeed the new territory of the demon clan. When I was expelled yesterday, they were still there. What..."

"Why is this gone?"

Depressed, Wei An tilted his head to see Yue Feng, his eyes lit up suddenly, and shouted, "Your Excellency Mozun, it must be him, it is him Secretly reported to the demon clan." After

speaking, Wei An became more and more excited, stared at Yue Feng and said fiercely: "Well, you Yue Feng, Your Excellency Mozun kindly took you in, but you are secretly and secretly acting. Report to the demon clan and ask them to withdraw in advance."

Wei An was cunning and despicable, unable to explain what was happening in front of him, so he put the blame on Yue Feng.

What's more, Yue Feng has a close relationship with the Yaozu, and is most suspicious.

Hearing this, Mo Yan's eyes flashed coldly, and she locked on Yue Feng tightly: "Yue Feng, is that so?"

Speaking of which, Mo Yan did not believe that Yue Feng did it. After all, he had just joined the Demon Race. If you report to the demon clan, you are courting death.

Chapter 4144

But think about it carefully, except for Wei An, only Yue Feng is suspected of everyone present.

After all, it was Yue Feng who helped the demon clan and came out of the sealed land. They were closely related to the White Tiger King and Qi Cai Lingfeng. If it wasn't for him reporting secretly, who else would it be?

Swish!

At this moment, the eyes of the surrounding demon army also converged on Yue Feng.

The atmosphere instantly became tense.

In the face of this situation, Yue Feng did not panic at all, but looked at Mo Yan with a smile: "Your Excellency the Demon King, you flattered me too much, from the time you decided to come to the Demon Race territory, until now, I have been by your side, Even if you have the heart to report, there is no chance."

When he said this, Yue Feng looked calm.

Some truth.

Hearing this, Mo Yan nodded and no longer doubted.

Wei An was in a hurry and couldn't help shouting: "Your Excellency Mozun, don't listen to Yue Feng's explanation, this person is the most cunning, who knows what method he uses to send a message to the demon clan?"

"In my opinion . . . , tie him up first and torture him."

After the last sentence, Wei An stared at Yue Feng, unable to hide his hatred.

Wei An wanted Yue Feng to die without a place to be buried, so naturally he would not miss the opportunity in front of him.

"Okay!"

As soon as the voice fell, Mo Yan scolded coldly: "I have a sense of discretion, it's not your turn to teach me how to do it." The

voice was not loud, but it was full of majesty.

Looking at Mo Yan's face, Wei An didn't dare to say anything nonsense, but looking at Yue Feng's eyes, it was still cold.

At this moment, Moyan looked around and ordered, "Check the surroundings immediately to see if there are any clues left when the demon clan left .

"

Responded, then spread out, and carefully searched the territory.

Ten minutes passed in a blink of an eye, and these demon warriors had not found any clues. Seeing this, Mo Yan's delicate face was full of frost, and her heart was extremely annoyed.

It's really abominable. I thought that this time, Wei An would be able to take the entire demon clan with him, but I didn't expect it to be empty.

What's even more irritating is that there is no clue in this territory.

"Your Excellency Mozun!"

At this moment, a demon general walked over quickly, gave Moyan a salute, and said complicatedly: "In the depths of the territory, I found an area with many wooden stakes and stones at the entrance. Block, this subordinate looks a little weird, so I didn't dare to break in by mistake."

Stakes and stones?

Hearing this, both Mo Yan and Wei An were stunned.

Yue Feng frowned and muttered inwardly.

Could it be a 'mountain and wood formation' that Qi Cai Lingfeng deliberately deployed before the demon clan withdrew?

Among the entire demon clan, Yue Feng only taught the colorful spirit phoenix formation, so when he heard the wooden stakes and stones, his first reaction immediately thought of the formation, and at the same time he also thought of the colorful spirit phoenix.

"Go and have a look!"

Just when Yue Feng was muttering secretly, Mo Yan reacted, and with a wave of her jade hand, she led many of her subordinates and walked towards the depths of the territory.

"Your Excellency the Demon King, wait for me." Wei An called out, pushing his wheelchair and quickly chasing after him.

Yue Feng raised the corner of his mouth, showing a faint smile, and walked at the end.

This...

Soon, when they reached the depths of the territory, Mo Yan frowned immediately when she saw the situation in front of her.

At the same time, Wei An was also stunned.

I saw that there were thousands of thick wooden stakes in the open space in front of me, and between these wooden stakes, there were some large stones scattered. An indescribable feeling.

Sure enough, it is the mountain wood formation.

When Yue Feng saw this scene, he nodded secretly.

The Mountain Wood Array is a formation created by Yue Feng. When Yue Feng first got the “Bai Qi Shen Zhen Array”, he had studied how to create his own formation method. method, ‘Aoki Array’ and ‘Shanshi Array’ are combined to create a ‘Mountain Wood Array’.

Mountain Wood Array, there is wood in the stone, and there is stone in the wood. It can be said that it completely brings together the advantages of ‘Aoki Array’ and ‘Shanshi Array’, and its power has doubled.

Unexpectedly, the colorful Lingfeng has such a high talent in the formation technique. She only taught it once, and she learned it.

Chapter 4145

At this time, looking at the ‘mountain and wood formation’ in front of him, the figure of a colorful phoenix appeared in Yue Feng’s heart, and he was very impressed.

On the surface, however, Yue Feng remained calm.

“Wei An!”

At this moment, Mo Yan retracted her gaze from the ‘mountain and wood formation’ in front of her and asked Wei An, “Where is this place? Why are there so many stakes and stones?”

Although Mo Yan is a demon One of the twelve holy devil kings of the clan, with a detached status and tyrannical strength, but he doesn’t know anything about battle formations. At this time, he can’t see it at all. The chaotic piles and stones in front of him are a very powerful formation.

This...

Wei An scratched his head. At this time, he was also confused, and he couldn’t see what the purpose of the stakes and stones in front of him was.

But in order to show off in front of Mo Yan, Wei An still didn’t know how to pretend: “Your Excellency the Demon King, this should be the place where the warriors of the White Tiger clan practiced. The stakes and stones should be used by them.”

After speaking, Wei An stretched out. Neck, looked into the ‘Mountain Wood Array’, and continued: “But there are a lot of wood piles and stones, and I can’t see what’s going on inside, so let me, Lord Demon King, please allow me to lead a vanguard, First clean up these stakes and stones, and then go inside to check.”

When he said this, Wei An's eyes were full of urgency.

At this time, Wei An thought that there must be some clues behind these wooden stakes and stones. Perhaps, there were some demon people hiding inside. If they were found by themselves, they would have done a good job.

Huh ...

Hearing this request, Moyan frowned lightly, pondered for a few seconds, then nodded and said, "Okay, let's do it like this, I'll give you five thousand warriors." With

that, Moyan mobilized five thousand demon warriors . , to be led by Wei An.

Haha... At this moment, Wei

An was very excited, with a proud look on his face, waving his hands and shouting: "Warriors, follow me in first, and clean up these stakes and stones."

Ann pushes the wheelchair and is about to enter.

"Wait!"

However, at this time, Yue Feng suddenly stood up and stopped Wei An.

"Yue Feng!"

Seeing Yue Feng coming out to make trouble again, Wei An couldn't help it in an instant. He almost jumped up and shouted, "What are you doing?"

Mo Yan also frowned secretly, looking at Yue Feng in confusion. .

Yue Feng looked indifferent, pointed to the mountain and said: "From my experience, these stakes and stones are not simple, they seem to be a formation, if you enter rashly, there will be danger."

"So, let's be careful . One point, think twice before you act."

When he said this, Yue Feng deliberately made a very serious look.

Yue Feng knew that Wei An was in a hurry to make a contribution at this time. No matter what he said, he would think he was going against him.

really.

As soon as he heard this, Wei An couldn't help shouting: "What formation? It's just some stakes and stones, Yue Feng, I think you know something? Why don't you let us go in and investigate?"

Yue Fengqing He laughed and didn't answer.

Seeing Yue Feng like this, Wei An thought he had guessed right, and became even more arrogant: "Hehe, why didn't you answer me? I'll just say it, you must have a ghost in your heart." After speaking

, Wei An said to Mo Yan, "Your Excellency the Demon King, This Yue Feng has repeatedly blocked our actions, I guess, the evacuation of the demon clan must have something to do with him, maybe, he knows the secret behind the stake and stone."

Hearing this, Mo Yan was suspicious and looked at Yue Feng: "Is that so?"

At this time, Mo Yan was also suspicious of Yue Feng. After all, Yue Feng has been preventing this action, which is really suspicious.

call!

Yue Feng breathed a sigh of relief and smiled bitterly: "Your Excellency Demon King, I just feel that there is some insecurity in it based on experience, and there is no other meaning at all."

Hearing this explanation, Mo Yan obviously did not believe it, and at this time, she was too lazy to talk nonsense and rushed. Wei An said, "Are you sure you are sure? These stakes and stones are really not dangerous?"

"Your Majesty, don't worry."

Wei An patted his chest and said to himself, "It's just some stakes and stones, can there be any ? What's the danger? I must investigate the inside clearly." The

voice fell, Wei An raised his hand and waved, commanding thousands of demon warriors to rush into the 'mountain wood formation'.

The ultimate husband in Chinese chapter 4146-4150

Chapter 4146

Haha...

Seeing Wei An and the demon warriors rushing into the formation, Yue Feng had no expression on his face, but his heart was full of joy.

Wei An, this idiot, thought he was going to make a great contribution, but he didn't know that he had fallen into a trap.

"Everyone, listen carefully."

At this moment, the moment he entered the mountain wood formation, Wei An looked proud, and ordered thousands of demon warriors: "Let's clean up these stakes and stones as quickly as possible, Don't miss a single one, and see if there are any holes under the wooden stakes or stones, secret passages..."

Whoops...

Hearing this, the five thousand demon warriors immediately dispersed and moved the objects in front of them. Stakes and stones.

Ugh!

Seeing this scene, Yue Feng smirked in his heart, but he showed a helpless look on his face, shook his head and sighed.

The change in Yue Feng's expression was caught in Mo Yan's eyes. He frowned at that time and said lightly, "Why? You are so sorry, could it be that there are really members of the demon clan hidden here?"

"Yan looked at Yue Feng's eyes with deep dissatisfaction.

If this Yue Feng really pretended to rely on himself, he would definitely not be able to forgive him lightly.

Yue Feng smiled, shook his head and explained, "Your Majesty the Demon King, you still don't believe me? I really didn't pass the news to the demon clan. I don't even know if there are demon clan members hidden in it. It's a pity that this Wei An is too impulsive in order to make a contribution. These wooden stakes and stones seem to be messy, but there are hidden secrets, it's just you..."

Rumble...

Yue Feng was just halfway through, when suddenly, a violent vibration came from his feet, and then he saw that the 'Mountain Wood Array' in front was shaking violently, as if an earthquake.

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

At this moment, I saw the wooden piles and stones in the 'Mountain Wood Array', as if they had life, and they started rolling one by one. Those wooden piles and stones were extremely heavy, and the rolling force was also amazing. .

what happened?

Seeing this, whether it was Wei An and the demon warriors in the 'Mountain Wood Array', or Mo Yan who was standing outside watching, they were all shocked.

At this time, they couldn't understand, these stakes and stones were obviously dead, how could they suddenly seem to have life.

Yue Feng knew that this was because Wei An and the demon warriors moved wooden stakes and stones without authorization, triggering the formation.

"Get out, get out..."

Wei An reacted in shock and shouted at the surrounding: "This is too evil, everyone rush out." While shouting, Wei An quickly turned the two wheelchairs. The wheel, desperately rushed towards the outside.

Whoops!

The voice fell, and thousands of demon warriors rushed out.

However, the mountain wood formation has been opened, and the situation is no longer under their control. They can see that many demon warriors were hit by the rolling stakes and stones because of their panic, and some were directly pressed under the stones. , Within the entire mountain wood formation, there was chaos, screams and mourning continued.

This....

Seeing this scene, Mo Yan bit her lip tightly, her delicate and beautiful face was full of gloom and anger.

Before seeing the shadow of the demon clan, nearly a thousand demon warriors were lost.

It really makes no sense.

While angry, Mo Yan couldn't help but glance at Yue Feng, her heart was extremely complicated.

It turned out.... His guess just now was true, and the area in front of him was really dangerous.

Kacha...

At this moment, Wei An pushed the wheelchair, escaped by luck, and rushed out of the range of the mountain and wood formation, but the wheelchair was still smashed into pieces by a rock. At that time, Wei An had no support and rolled out. Far away, his face was covered with mud, and he was indescribably embarrassed.

At this time, Wei An was frightened and suffocated.

Madd, how could this be?

This time, nearly a thousand demon warriors have been lost. Your Excellency Moyan will definitely not forgive himself.

“Wei An!”

Just when Wei An was restless, Mo Yan came slowly and looked at him condescendingly, with a cold tone: “Didn’t you say it’s safe here? What happened just now?”

Chapter 4147

“Your Excellency the Demon King...”

Facing Mo Yan’s anger, Wei An almost wanted to cry without tears, and panicked: “I... I don’t know what’s going on, those stakes and stones, it moved suddenly, completely unprepared...”

After speaking, Wei An’s eyes fell on Yue Feng, and he shouted: “It’s Yue Feng, he must have done it.”

At this time, Wei An, I was very angry, and I wanted to push the responsibility. After all, he killed nearly a thousand demon warriors without taking any credit. If Mo Yan really wants to blame, how can he afford it?

Mad!

Hearing this, Yue Feng frowned secretly, very angry.

This idiot, at this time, has not forgotten to slander himself.

Thinking to himself, Yue Feng chuckled, looked at Wei An and said coldly, “Wei An, you really don’t blush when you say this, you were the one who insisted on going in just now, and I tried to stop you, but What about you, not only kept, but also said that I secretly reported to the demon clan...”

“Now that I’m in trouble, you’re targeting me again, do you think it’s interesting?” The

words were neither humble nor arrogant.

At this time, Yue Feng looked very unhappy on the surface, but his heart was full of joy.

Haha...

This Wei An is against me all the time, this time I'll let you 'mute to eat coptis, you can't tell the pain. '

"You..."

Hearing Yue Feng's mockery, Wei An's face flushed red, extremely ugly. He wanted to refute a few words, but opened his mouth, but he didn't know how to speak.

Because Yue Feng said it well, he did stop it just now, and he didn't listen to it at all.

But...how do you think about this, how do you feel that something is wrong.

This Yue Feng obviously saw through everything, and he stopped himself just now, he did it on purpose, just to make himself suspicious.

Yes, definitely so.

Thinking to himself, Wei An was so angry that he shouted at Yue Feng: "Okay, don't pretend, anyway, it's all your fault, don't think that you are acting alike, I can't see it. Now , you..."

Yue Feng smiled lightly, ignoring it.

Snapped!

At this moment, before Wei An finished speaking, Mo Yan, who was next to him, couldn't bear it any longer. She walked over quickly, her jade hand suddenly raised, and she slapped Wei An's face with a slap in the face.

"It's like a waste." Mo Yan glared at Wei An and said coldly, "This matter is entirely because of your greed for merit and rashness, which led to such damage. You don't repent, and you still have the face to blame. Yue Feng?"

Mo Yan was very angry when she said this.

The scene in front of him is very obvious. Yue Feng just reminded him with good intentions, but this Wei An, who obviously didn't understand anything, almost killed himself 5,000 demon warriors for his credit.

At the same time of anger, Mo Yan looked at Yue Feng's eyes, and it was different from before, with a strange light flashing.

This Yue Feng, worthy of being a hero of Kyushu, the Nine Heavens Profound Sage of God's Domain, can see at a glance that there is something wrong with these stakes and stones, and he really has some skills.

Fortunately, he was not executed before.

"Your Excellency the Demon King!"

At this time, Yue Feng took a step forward, first glanced at Wei An, and said lightly, "This Wei An is greedy for merit and has made such a big mistake, and he must not be forgiven lightly."

If it was in the past, Yue Feng would definitely disdain doing this, but now the situation is different, a villain like Wei An must be removed early, and if he continues to keep him, there will be endless troubles.

After all, this kid is the son of King Xuanwu, and he has a lot of information about the demon clan in his hands.

Um!

After what happened just now, Mo Yan's view of Yue Feng had a new change. Seeing him say so, she nodded, and then directed at the surrounding demon warriors: "Come on, take Wei An. Drag it out and cut it."

Moyan agreed to take Wei An because he knew the location of the demon clan's territory, and now that the demon clan has been transferred, Wei An is useless.

Moreover, what Mo Yan hated the most was this kind of villain who would only flatter and please.

Whoa!

As soon as the voice fell, several demon warriors immediately surrounded Wei An.

Seeing this, Wei An was frightened, his face was pale, and his whole body trembled.

Pfft!

The next second, Wei An hurriedly knelt there and kowtowed to Mo Yan to beg for mercy: "Your Excellency the Demon King, please raise your hand, spare my life, and give me a chance."

Chapter 4148

Because he lost his legs, Wei An was completely lying on the ground at this time, looking very embarrassed.

Speaking of which, Wei An didn't want to be so dignified, but he couldn't help it. In this state, he had already taken refuge with the Demon Race, and there was no turning back.

While Wei An begged for mercy, he did not forget to stare at Yue Feng fiercely.

Mad, this Yue Feng wants to take the opportunity to get rid of me, but he must not be allowed to succeed.

Facing Wei An's hatred, Yue Feng looked leisurely and pretended to look at the surrounding scenery.

Mo Yan also had a cold face, not moved at all.

"Your Majesty the Demon King!"

Seeing this, Wei An was completely panicked, lying there kowtow non-stop, bursting into tears: "I am loyal to you, you think, I was hurt by the White Tiger King's daughter like this, how can I still Will I collude with them, and have second thoughts about you? It was a complete accident just now."

After speaking, Wei An thought for a while, his face full of sincerity: "Besides, you haven't caught the demon clan yet, I'm still useful to you, Isn't it?" The

last sentence fell, and Wei An's eyes were full of anticipation and prayer.

call!

Feeling Wei An's sincerity, Mo Yan breathed a sigh of relief, her face softened slightly, and said softly, "Okay, since you are so sincere, I will spare you this time."

Mo Yan didn't want to keep Wei An. , but on second thought, this Wei An was right.

The demon clan did not find it, this guy with a broken leg still has some use, so give him a chance.

"Thank you, Your Excellency the Demon King..." Wei An was overjoyed, kowtowing in gratitude.

"but..."

However, at this time, Moyan Yu turned around and looked at Wei An and said lightly: "You don't need to intervene in the investigation of this territory. Now all the affairs here are subject to Yue Feng's arrangements, including you, understand? "

When she said this, Mo Yan's face was firm and unquestionable.

In Mo Yan's heart, Yue Feng's timely stopping of the action just now fully demonstrated the quality and ability of an excellent leader. In many cases, it is best to leave it to Yue Feng to investigate the matter here.

As for this Wei An, he would only be greedy for merit, and could not be alone at all.

What?

Hearing this, Wei An was shocked, first looked at Mo Yan and then at Yue Feng, he was speechless, full of resistance.

Let me follow Yue Feng's arrangement? No, absolutely not.

Thinking about it, Wei An was about to protest.

However, seeing the change in his expression, Mo Yan didn't give a chance at all, and said coldly, "This is an order, whether you want it or not, don't forget, this seat has just spared your life, don't be ignorant of praise."

Said After finishing this, Mo Yan turned around.

This...

Seeing this situation, Wei An was paralyzed on the ground, wanting to cry without tears.

"Okay!"

At this time, Yue Feng took a deep breath, summoned the surrounding demon warriors, and commanded with a smile: "From now on, everyone should follow my arrangements, and don't make mistakes."

Said, Yue The wind divided these demon warriors into four teams and entered from the four directions of the mountain wood formation, which was the correct way to crack the mountain wood formation.

really!

Under the command of Yue Feng, the demon warriors began to clean up the wooden stakes and stones inside.

Huh...

Seeing this scene, Mo Yan, who was standing not far away, couldn't help but nod her head in approval.

This Yue Feng really has a set. With his help, why can't he break the Yutian Palace?

"You..."

At this moment, Yue Feng turned his eyes and landed on Wei An who was lying on the ground, and said with a half-smile, "Go clean up the sewage over there and see if there are any secret passages below. ..."

Said, Yue Feng pointed to a sewage ditch not far away.

This sewage ditch is full of sewage and debris, dark and stinky.

Swish!

Hearing this, Wei An's face was instantly ugly, and a burst of anger burst out in his heart. Ma De, this Yue Feng wants to avenge his personal revenge, and he is also the son of King Xuanwu, how can he clean up the sewage?

Thinking to himself, Wei An said very unconvinced: "Yue Feng, don't go too far, how can I clean up when I'm like this?"

Haha!

Yue Feng chuckled lightly and said slowly, "It's just that you don't have your legs, so it's easy to clean up, just like you said, all the places here have to be checked again, if there's a secret passage, we've missed it, and you'll be responsible for it. ?"

Chapter 4149

When he said this, Yue Feng looked serious, but there was a sly light in his eyes.

Yes, Yue Feng did it on purpose.

Wei An slandered Yue Feng repeatedly and twice, and always wanted to frame Yue Feng, which made Yue Feng very annoyed. At this time, he took advantage of the opportunity to tease Wei An well and speak out of anger.

"You..."

Hearing this, Wei An's face turned blue and white, and he was completely speechless to refute.

After a few seconds, Wei An didn't say anything, but gritted his teeth, turned and crawled towards the sewage, and began to clean up the debris inside.

While cleaning up, Wei Anxin swore secretly.

Yue Feng, you wait for me. When you fall into my hands, I will make you unable to survive or die.

Haha....

Feeling Wei An's hatred, Yue Feng chuckled lightly, pretending he didn't see it.

Half an hour later, the stakes and stones in the mountain-tree array were cleaned up. Mo Yan was very happy, and immediately sent his subordinates to investigate in the depths.

However, to Mo Yan's disappointment, the area behind the mountain wood formation was also quiet, and there was not a single person.

The entire demon clan did not send warriors to stay here, but evacuated cleanly.

call!

At this moment, Mo Yan stood there in a very bad mood.

After tossing for a long time, it was all in vain in the end.

Yue Feng was secretly relieved, and the heart that had been hanging all the time also completely fell to the ground.

That's great, White Tiger King and Qi Cai Lingfeng are still cautious, and they didn't leave any clues after withdrawing, so there's no need to worry.

"Your Excellency Demon!"

However, at this moment, a demon general found something, walked over quickly, and said excitedly at Mo Yan: "We are here and found the trace of the evacuation of the demon clan." That's

great. .

Mo Yan was originally in a very depressed mood, but when she heard this, she felt a lot relieved. She did not hesitate to let the demon general lead the way.

Oops!

Yue Feng was startled, secretly said something was wrong, and immediately followed closely.

Soon, when we got to the depths of the area behind the mountain wood formation, we saw a forest at the end, and in the woods, there was a winding path.

Sha Sha...

After seeing Mo Yan's arrival, a demon general guarding the entrance of the path took out some gleaming white powder from his body and sprinkled it on the road.

Seeing this scene, Yue Feng couldn't help frowning secretly, and couldn't help but mutter in his heart.

what are they doing? Didn't you find the trace of the evacuation of the demon clan? What are you doing with these powders?

hiss!

He was muttering in his heart, and the next scene suddenly made Yue Feng stunned, and he couldn't help but take a deep breath.

I saw that the powder sprinkled on the road by the demon general soon merged into the gravel on the road. In a blink of an eye, many footprints appeared on the road.

There are many footprints, extending in the far direction...

Obviously, at that time, the White Tiger King led the entire demon clan to evacuate from this direction.

What the hell!

Seeing this scene, Yue Feng was completely stunned.

What means is this? It's amazing. The road in the woods is covered with gravel, and there is no trace of it at all, but these demons actually have a way to make these footprints appear...

"Yue Feng!"

Sensing Yue Feng Astonished, Mo Yan showed a smile and said proudly: "I'm surprised, at this time, our Demon Race's unique 'Picture Dispersion' is specially used for tracking."

After speaking, Mo Yan looked at the direction in which the footprints extended: "These monster clans thought that they would be able to rest in peace if they evacuated in time,

but they didn't know that no matter how far they escaped, they would not be able to escape our palm." The

voice fell, and Wei An, who had just come over, couldn't help but pick it up. He said: "Yes, the demons are powerful and famous in the realm of the gods. Sooner or later, they will dominate the realm of the gods. The White Tiger King is too short-sighted."

When he said this, Wei An did not forget to smile at Mo Yan to please.

It's just that he has just cleaned up the sewage, and it's full of dirt and stinky. It doesn't match his long speech at all, and it looks extremely funny.

Is this kid addicted to being a lackey?

Yue Feng frowned secretly, contempt flashing in his eyes.

Mo Yan ignored Wei An and instructed the surrounding demon generals: "Since we have found the traces of the demon clan's evacuation, it is not too late to set off and catch up."

"Yes!" The

voice fell, and more than a dozen demon kings responded He, and then gratefully called his subordinates to gather, and then rushed towards the depths of the woods.

Chapter 4150

Seeing this situation, Yue Feng was so anxious, but he knew that he couldn't stop it, so he could only keep up.

Yue Feng thought about it, Moyan really wants to find the White Tiger King and the entire demon clan, so he will find an opportunity to raid Moyan. As long as Moyan is injured, the nearly 20,000 demon warriors will collapse.

Wei An followed behind, sitting on the wheelchair that had just been made, with a gloomy expression on his face.

After finding the demon clan, he must not let go of the White Tiger King and Mengya easily.

The father and daughter.

One expelled himself from the demon clan, and the other cut off his own legs. Such a bloody revenge must be avenged.

Shasha...

I don't know how long it took, but the team in front suddenly stopped. At this moment, Yue Feng and Mo Yan were both frowning secretly, and they heard the sound of dense footsteps on both sides of the woods in front of them, listening to a lot of people.

Whoa!

In the next second, I saw tens of thousands of warriors from the Xuanwu clan approaching quickly from all directions, surrounding Moyan and Yue Feng.

The one headed, wearing silver-gray armor, filled with a powerful aura, majestic.

It is the Xuanwu King.

Xuanwu King?

Yue Feng was stunned for a moment, and his heart suddenly became complicated.

Father King?

At the same time, Wei An's expression changed, both surprised and happy. He never thought that he would meet the Xuanwu family here.

But soon, Wei An's excitement quickly disappeared, replaced by anxiety and worry.

In Wei An's heart, the White Tiger King and Mengya hurt him so badly, wishing they were caught by Moyan sooner, but the Xuanwu clan was different, it was his own clan.

At this time, Demon King Moyan encountered the Xuanwu family, and he would definitely not let it go easily.

"Wei An?"

At this moment, King Xuanwu's eyes were fixed on Wei An, and he was pleasantly surprised: "I'm finally relieved to see that you're all right."

Two hours ago, after King Xuanwu and King Baihu turned their faces, He took all the warriors of the Xuanwu family and searched for Wei An's whereabouts everywhere, but he searched all over the area for hundreds of miles, but there was still no clue.

But King Xuanwu didn't give up, so he returned to the vicinity of the territory and prepared to search carefully. Sure enough, he found Wei An, but King Xuanwu never thought that there were nearly 20,000 demon warriors with Wei An.

"Who are you?"

At this moment, King Xuanwu stared at Mo Yan with a strong hostility in his eyes: "Why are you here, and what have you done to my son?"

Xuanwu said this. Wang Qiang suppressed his anger.

He could clearly see that the wound on his son Wei An's broken leg had healed, and he was still sitting in a wheelchair at this time.

Seeing this, King Xuanwu subconsciously thought that Wei An was captured by the demons.

Phew...

Feeling the hostility of King Xuanwu, Mo Yan breathed a sigh of relief, without the slightest panic, but said slowly: "This seat Mo Yan, Demon Venerable sits down as one of the twelve holy demon kings, Your Excellency has a good aura, It must be the Xuanwu King, one of the four innate spirit beasts, right?"

After speaking, Mo Yan glanced at the tens of thousands of Xuanwu warriors around, and continued: "Don't get excited, I am not here to fight you, but Come to recruit your demon clan, and join us to deal with the realm of the gods."

Mo Yan's voice was not loud, but these words clearly reached the ears of every Xuanwu warrior.

Surrender?

Hearing this, King Xuanwu's pupils shrank slightly, subconsciously thinking that Mo Yan was threatening herself with Wei An, and sneered at the time: "Interesting, when you come to our territory, you dare to speak madly? Our facial features, don't let us die for your demons."

Immediately, King Xuanwu pulled out his long sword and pointed at Moyan: "Let my son go immediately, otherwise, I will let you go back and forth.

"

The last word fell, King Xuanwu's power exploded, and the surrounding air was instantly distorted, which was amazing.

At the same time, the surrounding tens of thousands of Xuanwu warriors also pulled out their weapons. In an instant, there were many long knives, and the entire forest was filled with a chilling aura.

Qiang Qiang Qiang...

In the face of this situation, nearly 20,000 demon warriors, not to be outdone, set up their formations and confronted the Xuanwu warriors.
