

The ultimate husband in Chinese chapter 4171-4180

Chapter 4171

When she said this, Mo Yan's delicate face was full of frost, but she couldn't tell the shame and annoyance in her heart.

The dignified demon queen of the demon clan had just compromised with a human being. Not only that, but she was hugged by Yue Feng for so long. If this matter spreads out, how can he face those demon tribes?

How could he have the face to see His Excellency Demon Venerable?

Hahaha....

Hearing the threat, Yue Feng did not panic at all, but said with a smile: "Your Excellency the Demon King, it seems that nothing happened to us just now, what can I say when I go out?"

When he said this, Yue Feng couldn't bear it. I stopped to look at Mo Yan.

This female devil is also very interesting, I thought she was not afraid of the sky, but she was also worried about her own reputation.

call!

Hearing the answer, Mo Yan bit her lip, very embarrassed and angry, but she was speechless.

Because Yue Feng was right, nothing really happened when he was in the protective layer just now, but no matter what, the situation at that time, when he and Yue Feng were close together, was too ambiguous.

Thinking of the situation just now, Mo Yan couldn't help but her heart beat faster and her face blushed.

"Okay!"

At this time, Yue Feng stood up slowly, smiled at Mo Yan and said, "It's getting late, Your Majesty the Demon King, rest." After speaking, he hurried out.

This time, Mo Yan didn't stop her, but looked at Yue Feng's back thoughtfully.

Strange, this Yue Feng broke into his tent late at night. He was very angry at first, but in the end, why didn't he want to kill him?

This chapter is provided by . Visit for daily update.

Could it be that... after being seen by him just now, some like him?

No no.. not possible.

Thinking of this, Mo Yan quickly shook her head, her delicate face was extremely red.

How could she like a person like Yue Feng?

...

the other side.

After Yue Feng walked out of the tent, he quickly put away the smile on his face, and his eyes flashed with anger.

Mad, this Wei An is really hateful. He lied to himself to Moyan's camp and almost lost his life. If there is a chance in the future, he must get rid of this villain.

Thinking to himself, Yue Feng returned to his tent.

At this time, it was only two hours before dawn. At that time, Yue Feng was very tired and lay there to rest. He didn't notice that his tent was searched by Wei An.

He didn't even notice that the paper and pen he had written before were hidden.

dong dong dong...

I don't know how long I slept, I heard the sound of gongs and drums coming from outside the tent, which was the signal of the gathering of the demon army.

Are you going to fight?

Yue Feng woke up instantly, got up directly, and walked out quickly.

When he got outside, he saw that the army of hundreds of thousands of demons had assembled. On the high platform, the Demon Lord Gone was standing there with a strong aura. On both sides of him, Mo Yan and the other holy demon kings were also there.

Without any hesitation, Yue Feng walked over and stood behind Mo Yan.

"Great warriors."

At this moment, the Demon Lord Gone looked around the audience with a high momentum: "This battle will be our last battle with the Divine Realm. We will break through the Yutian Palace and be proud for nine days. All the glory will belong to us. you."

"Break the Yutian Palace, rise to power for nine days."

"Break the Yutian Palace, rise to power for nine days..." The

voice fell, and hundreds of thousands of demon warriors shouted in unison, the momentum was overwhelming.

Feeling this momentum, Demon Lord Gone was very satisfied and waved his hand: "Let's go." Wah wah wah

...

what time, hundreds of thousands of demon army, dressed up and set off, heading towards Yutian Palace.

Among the army, the Xuanwu clan followed behind.

"Your Excellency Yue Feng."

At this moment, King Xuanwu came over to walk with Yue Feng, lowered his voice and said, "The plan has not changed?"

Hmm!

Yue Feng nodded, his eyes flickered firmly: "It's better to be unexpected, the demons are defeated today, when the time comes, you will lead the Xuanwu clan to take the opportunity to disrupt the formation of the demons, and then leave quickly." After

speaking, Yue Feng exhaled softly: "When the time comes, I will also take the opportunity to leave."

King Xuanwu and Yue Feng spoke in very low voices, only the two of them could hear them.

At this time, Yue Feng was in a very relaxed mood.

He secretly leaked the situation of the Demon Race to the Nine Heavens God. As long as the Nine Heavens God made adjustments in time, he would definitely be able to defeat the Demon Race army today.

There is no army in the hands of Demon Lord Gone, and there is no threat. Yue Feng does not have to worry, the war will spread to the Kyushu mainland.

Chapter 4172

Hmm!

Hearing this, King Xuanwu felt relieved. Your Excellency Yue Feng has devised a strategy, this time the plan must be very smooth.

Soon, under the leadership of the Demon Lord Gone, the army of hundreds of thousands of demons arrived at the Palace of Heaven.

The demon race was coming, and the Yutian Palace soon got news that the Nine Heavens God immediately summoned all the priests, as well as all the gods and soldiers of the Yutian Palace, nearly a hundred thousand, ready to meet the enemy at all times.

For a time, the army of hundreds of thousands of God's Domain faced off against the army of hundreds of thousands of demons, and a strong chill filled the space between heaven and earth.

call!

Seeing this scene, the priests standing on the steps of Yutian Palace were inexplicably nervous.

The demons came prepared this time, and this battle is not easy to fight.

As for the Nine Heavens God floating there, his face was indifferent, and his eyes flashed with incomparable confidence.

The Demon Lord Gone has already known the secret of the innate magic circle, and the magic circle around the Yutian Palace has also been changed. In this battle, the demons will be defeated.

The matter of the secret letter is of great importance, so the Nine Heavens God did not inform the priests.

Swish.

At this moment, the Demon Lord Gone Yukong came, his eyes fixed on Jiutian God, and sneered: "Jiutian, the injury is recovering very quickly, but I tell you, you will lose today, surrender as soon as possible, maybe I will still I can open the net and save you and your

scumbags.” When he said this, Demon Lord Gone was extremely confident.

The innate magic circle around the Yutian Palace has already found a way to decipher it.

Without the protection of the innate magic circle, the Divine Realm side will definitely lose, because the current situation is already obvious, the number of the two sides is huge, no matter how they fight, the Nine Heavens God has no chance of winning.

Hehe...

Hearing this, Nine Heavens God chuckled lightly: “Gonie, you seem to be a little too confident. It’s not certain who will win when you wait.” “I don’t know how to praise

!”

With a cold snort, he was too lazy to talk nonsense any more, and waved his arm: “All the demon warriors obeyed the order and annihilated the army of the gods for this deity, and broke through the Yutian Palace, leaving no one behind.”

“Kill!” The

voice fell, and the army of hundreds of thousands of demons There was a burst of howl that shook the sky, and it rushed towards the Yutian Palace like a tide.

Seeing this scene, the God of Nine Heavens did not panic at all, and shouted at the hundreds of thousands of gods and soldiers around him: “Don’t panic, everyone, line up to meet the enemy, and defend the Yutian Palace.”

“Remember, don’t fight to the death, try your best. Contain.”

Hula.

Hearing the order of the Nine Heavens God, the army of more than ten thousand gods quickly formed a formation and attacked, but they did not fight to the death, but obeyed the orders of the Nine Heavens God and cooperated with each other to contain the demon army.

These divine soldiers and generals know in their hearts that there is an innate magic circle around the Yutian Palace, so there is no need to panic.

“Nine Heavens!”

At this time, the Demon Lord Gone looked closely at the Nine Heavens God, with a hint of teasing at the corner of his mouth, and sneered: “Stop doing this meaningless

resistance, I know that you are still relying on the innate magic circle. , but I tell you, your magic circle is useless.”

After speaking, the Demon Lord Gone looked around and directed at the Twelve Holy Demon Kings: “Yutian, Moyan, follow the plan...”

” Yes, Your Honor.”

After receiving the order, Yutian, Moyan, and the other holy demon kings responded one after another, and then each led tens of thousands of soldiers, divided into several routes, and attacked Yutian Palace from four directions from east, west, north and south at the same time.

It was seen that the holy devil kings like Yutian and Moyan were holding a black crystal in their hands. This black crystal was called ‘Magic Crystal’ and was produced in Fengmo Mountain.

Within these magic crystals, there are special energy fluctuations, which are the key to cracking the innate magic circle.

“Kill!”

At this moment, the army of demons, led by the Twelve Holy Demon Kings, let out a roar, rushing towards Yutian Palace from all directions.

This....

Seeing this scene, more than a hundred thousand gods and soldiers were inexplicably panicked, and those priests were also anxious.

What are these holy demon kings holding in their hands?

Could it be... they found a way to crack the innate magic circle?

Hahaha...

Seeing the army of God’s Domain, there is already panic, Demon Lord Gone is very proud, and laughed at Jiutian God: “Jiutian, have you seen the magic crystal I have? That’s right. It is the key to cracking the three innate magic circles. Under the influence of the magic crystal, the innate magic circles can no longer be opened!”

“Today, you can’t keep the Yutian Palace, give it up...”

Chapter 4173

“Really?”

Facing the pride of Demon Lord Gone, Nine Heavens God did not panic at all, showing a smile and said: "The so-called 'the devil is one foot high, the road is one foot high', can the innate magic circle be opened, it is not You have the final say."

After speaking, Jiutian God raised his hand and waved: "Let's start the battle."

Buzz.... The

voice fell, and the hundreds of magic soldiers who had already been waiting in place, mobilized their magic power to start the battle. Array agency. In an instant, a violent roar was heard, and the ground in a radius of thousands of miles vibrated violently.

What?

Seeing this, Demon Lord Gone's smile froze on his face, and he was very shocked.

This is impossible.

Under the influence of the magic crystal, the innate magic circle has been destroyed, how can it still be activated?

What went wrong?

At this time, the Demon Lord Gone still didn't know that his cracking of the innate magic circle was leaked last night. At that time, Yue Feng wrote it all in a letter, and asked Yaori Xingjun to give it to Jiutian God.

Although there were some twists and turns in the middle, the letter was stopped by Gong Ao, but it finally fell into the hands of Jiutian God.

Before dawn, Jiutian God quickly made a response, Ming Gongao changed the innate magic circle.

Huhuhu....

As the vibration became more and more intense, I saw a group of dark clouds that quickly gathered together. In just a few seconds, the entire Yutian Palace was shrouded in dark clouds, and it was dark.

card wipe...

Not only that, huge cracks appeared on the ground around Yutian Palace, and then, groups of extremely hot purple-red flames erupted from the cracks, forming dazzling walls of fire.

These purple flames are the most terrifying 'Purple Flame Heavenly Fire' in the Divine Realm.

After the last battle, the Divine Realm army had already gained experience, so at the moment when the Ziyang Tianhuo was raging, they dodged one by one in time and hid behind the prepared fire wall.

However, the demon army that had already rushed into the Yutian Palace at this time was too late to react, and the formation was in chaos in an instant, screaming again and again.

"Ah..." The

purple flames suddenly erupted, and those demon warriors had no time to dodge. At that time, many demon warriors were burned, screaming and turning into ashes.

Click! Click! Kacha...

However, this is just the beginning. When Ziyang Tianhuo was raging, I heard a thunderous sound from the sky, and then, a huge lightning bolt crashed down.

Yes, there are three innate magic circles around the Yutian Palace. In the last battle, the Nine Heavens God only opened the thunder circles.

But this time, after the Nine Heavens God changed, he directly activated the Thunder Array and the Fire Array with a very clear purpose, that is, to completely wipe out the army of hundreds of thousands of demons in one fell swoop.

Under the double eruption of Xuan Lei and Tianhuo, the entire formation of the demon army collapsed instantly, mourning and cries continued to sound, and the air was filled with a strong smell of blood.

mad.

At this moment, Demon Lord Gone was suspended in mid-air, his face ashen, extremely ugly.

He clearly saw that more than half of the hundreds of thousands of troops had been damaged in less than two minutes. Either they were burnt to ashes by the fire of the sky, or the scum that was struck by lightning was not left.

How could this be?

In the face of such a fiasco, Demon Lord Gone's eyes turned black and he almost fainted.

Until this time, the Demon Lord Gone did not realize that the Nine Heavens God changed the innate magic circle last night.

Whoa!

Seeing this scene, the priests and many gods and soldiers were all beaming with joy, and their hearts were extremely excited.

Great, this time the demons' vitality was severely damaged, and they will not be a threat in the future.

Yue Feng, who was behind him, was also secretly relieved at this time.

This Demon Venerable Gone, with a hundred secrets and a sparse, this fiasco, it is estimated that he will vomit blood in anger.

At the same time, the Xuanwu King standing on one side was also extremely excited. That's great, Your Excellency Yue Feng's plan has succeeded. When the Demon Race is defeated, he can take the opportunity to leave with the Xuanwu Race. No more threats from the demons.

Haha...

Over the Yutian Palace, the Nine Heavens God couldn't help laughing up to the sky, unable to hide the smugness in his heart, and mocked at the Demon Lord Gone: "How is it, Demon Lord Gone, as I said just now, today is a The battle, the outcome is unpredictable! Haha..."

Chapter 4174

Shua!

Hearing this, Demon Lord Gone's eyes were extremely blood red, and he didn't respond, but the anger in his heart was rising!

For this battle, I have waited for too long and must not fail.

Never!

"Your Majesty!"

At this time, Gong Ao stepped up quickly and asked the Nine Heavens God for instructions: "The enemy army has completely collapsed, we can fight back!"

When he said this, Gong Ao's eyes were full of urgency.

I contributed a secret letter last night, and I have already made credit. I will kill some more demon warriors later, but the credit will increase.

Haha...

God of the Nine Heavens laughed loudly, indescribably excited, and praised Gong Ao: "Okay, very good, you made a contribution last night, and when you defeat the Demon Race, I will definitely reward you!"

Speaking, Jiutian God's eyes flashed with excitement, and he shouted at the surrounding gods and soldiers: "Soldiers, it's time to counterattack, annihilate the demons, leave no one behind..." The

voice fell, Jiutian God The primordial spirit erupted, and the figure turned into a golden beam, coming straight towards the Demon Lord Gone.

"Your Majesty, I'm here to help you."

At the same time, Haotian Divine Sovereign, who had been watching the battle, also shouted, his figure burst out, and together with the Nine Heavens God, killed the Demon Lord Gone.

"The two will die together?"

Seeing the outburst of Jiutian God and Haotian Divine Sovereign, Demon Lord Gone didn't panic at all, his eyes flashing with strong killing intent: "Then I will fulfill you."

Om!

The voice fell, and a terrifying power of the devil's soul erupted, filling the world, and then, the devil, Gone, went up to meet him, and the two of them fought fiercely in the air with the Nine Heavens God.

"Kill!"

At this time, more than 100,000 divine soldiers and generals also launched a counterattack, howling and rushing towards the disintegrating Demon army. Before the disparity between the strengths of the two sides was too great, the Divine Realm side was very passive. Under the raging fire of the sky and the mysterious thunder, the clan army suffered heavy deaths, the formation was in chaos, and there was no longer any threat.

Swish!

Seeing this scene, Moyan and Yutian, the holy devil kings, were all anxious.

The next second, Mo Yan couldn't help but shouted: "Don't panic, everyone, quickly return to formation, and join forces to meet the enemy..." The

voice fell, and Jutian and the other holy demon kings also shouted.

"Don't panic."

"Obey the order, restore the formation..."

However, those Demon Race warriors, who had faced the power of Xuan Lei and Tianhuo before, were almost scared to death. The generals' counterattacks were so panicked that they couldn't raise their morale at all.

"Ah..."

In less than five minutes, I heard screams one after another, and tens of thousands of demon warriors fell in a pool of blood.

"Haha..."

Seeing this scene, Nine Heavens God was even more proud, and while cooperating with Haotian Divine Sovereign in the attack, he laughed and mocked: "Goni, today is not the day when my God Realm was destroyed, but the day when your Demon Race perished. Now, I want to give you back what you said before."

"Surrender immediately, maybe I can spare your life, haha..."

Shaw!

Hearing this, Demon Lord Gone's eyes instantly turned blood red, and a monstrous anger rose in his heart.

"The villain is successful." Coldly spit out a few words, the Demon Lord Gone broke out completely, and the terrifying power of the Demon Soul swept out, and the temperature in the whole world dropped sharply.

However, in the face of the alliance between the Nine Heavens God and the Haotian God, the Demon Lord Gone did not gain the upper hand, but instead became more and more disadvantaged.

Speaking of which, with the strength of the Demon Lord Gone, he is not afraid of the Nine Heavens God and the Haotian Divine Sovereign joining forces.

In this case, it is natural to fight the worse.

Haha...

Seeing the Demon Lord Gone lose his mind, the Nine Heavens God is even more proud.

But these were not enough. At that time, the Nine Heavens God laughed and sneered at the Demon Lord Gonic: "Gonic, maybe you are still in the dark? I'm not afraid to tell you, last night, I knew that you cracked it. The news of the innate magic circle, so I made a countermeasure at that time and changed the innate magic circle, haha..."

When saying this, Jiutian God was full of mockery.

What?

Hearing this, Demon Lord Gone was shocked, shocked and angry.

It turned out that he knew in advance, and then changed the innate formation...

No, all of his subordinates are extremely loyal, and it is impossible to betray him.

But who leaked the news?

Is it the Xuanwu family?

Chapter 4175

Thinking to himself, the Demon Lord Gone looked back at the Xuanwu King in the distance, his eyes full of coldness.

Gudong!

Feeling the killing intent in the eyes of the Demon Lord Gone, King Xuanwu only felt cold all over his body and couldn't help swallowing.

At the same time, Yue Feng was also shocked, bad, the Demon Venerable began to be suspicious.

In the next second, Yue Feng didn't have time to think about it, and said to King Xuanwu: "Your Excellency King Xuanwu, the demons have been defeated. Now is the best time. You should take your subordinates and go, or it will be too late."

Well!

King Xuanwu nodded heavily, then asked, "What about you?"

Yue Feng took a deep breath and said slowly, "Don't worry about me, I'll leave in the chaos later."

" A few miles away, there is a portal, wait for an opportunity to rush over, pass the portal, and return to the mainland of Kyushu.

Seeing Yue Feng say this, King Xuanwu stopped talking nonsense, and shouted at the tens of thousands of Xuanwu warriors behind him: "Everyone leave with me, hurry."

Whoosh!

When the voice fell, King Xuanwu urged his figure to take the lead in flying towards the distance.

Whoops...

Tens of thousands of Xuanwu warriors did not hesitate at all, and they urged their energy, followed closely, and in the blink of an eye, they were thousands of meters away.

Um?

Seeing this situation, whether it was the Demon Lord Gone or the holy demon kings of Moyan, their expressions changed and they were furious.

This Xuanwu clan is really abominable, and they actually fell into the trap? Ben thought about asking them to come to support, but they ran away at a critical moment...

Especially Mo Yan, her delicate body trembled with anger, and her delicate face was full of anger.

This Xuanwu clan was brought back by themselves, and now they have fled, and they have a great responsibility.

Out of anger, Moyan looked around and saw the army of hundreds of thousands of demons, and now there are only less than 20,000 left, and she was even more anxious at that time.

This...

At this moment, Wei An, who was fighting on the outside of the battlefield, was also blinded at this time, and only felt his brain buzzing.

He never thought that his father, King Xuanwu, would be so decisive that he chose to escape at such a moment.

Could this be what Yue Feng was conspiring with him?

Muttering in his heart, Wei An's eyes locked on Yue Feng, and he saw Yue Feng standing there with a thoughtful look.

Noticing the change in Yue Feng's expression, Wei An immediately guessed something.

This Yue Feng must also plan to escape.

Can't let him do it.

This side of the battlefield.

"Your Highness."

At this time, Mo Yan shouted at the Demon Lord Gone while dealing with the gods and soldiers in front of him, "Why don't you withdraw." As the words

fell, Jiutian and the other Holy Demon Kings couldn't help but rush in. Open your mouth.

"Yeah, if we continue, we will suffer more and more damage."

"Let's withdraw, Your Honor."

Hearing these words, the Demon Lord Gone did not respond, his face was hideous, and his eyes were blood red.

In the face of such a fiasco, the Demon Lord Gone had lost his mind, and he was thinking only about one thing, killing the Nine Heavens God and Haotian God in front of him.

It's just that he is in a state of chaos now, and in the face of the joint efforts of Jiutian God and Haotian God, he cannot turn the situation around.

After another ten seconds, Demon Lord Gone looked around and saw that there were fewer and fewer demon warriors, so he calmed down a lot at that time.

You can't be persistent anymore, if you continue to fight like this, the demons will be wiped out.

"Evacuate!" In the

next second, Demon Lord Gone did not hesitate, and shouted: "All the demon tribes, all evacuate!"

The moment the voice fell, Demon Lord Gone slammed a slap and slammed the Nine Heavens God and Hao Tianshenjun retreated, and then the figure turned and quickly walked away.

“Retreat, quickly retreat.”

Seeing that Demon Venerable finally decided to retreat, Moyan and Yutian, the holy devil kings, also shouted, and at the same time stood out from the encirclement.

Huh...

Seeing this scene, Yue Feng couldn't hide his excitement, it was now, the demons were defeated, and he hurriedly took the opportunity to leave.

Thinking about it, Yue Feng moved his figure to the northwest of Yutian Palace.

Wei An has been staring at Yue Feng, and seeing him fly up at this time, he did not hesitate at that time, and shouted: “Your Excellency Demon Kings, Yue Feng is going to run, he is going to run...”

Shuh!

Hearing this, the gazes of Moyan, Yutian, and other holy devil kings all locked on Yue Feng. Then invariably rushed towards Yue Feng.

Nima.

At this moment, Yue Feng was furious.

This Wei An is mentally ill. Never forget to fight against me.

The ultimate husband in Chinese chapter 4176-4180

Chapter 4176 Whispering

in my heart, I saw Moyan and Yutian several holy devil kings rushing to the front. At that time, Yue Feng didn't have time to think about it.

Bang Bang Bang...

In just a few seconds, Yue Feng was hit on the acupuncture point, unable to move. His Primordial Spirit's power had not been completely recovered. At this time, facing the siege of several holy devil kings at the same time, he was naturally not an opponent.

“Yue Feng!”

At this moment, Mo Yanxiu frowned, and said coldly at Yue Feng, “You are not too brave, you want to betray the demons and run away?”

“I didn’t run away, didn’t your honor just let you retreat?” Yue Feng had a bitter expression on his face.

Running away is a big crime, and it cannot be admitted under any circumstances.

Mo Yan sneered and was about to respond, but was interrupted by Yutian: “Stop talking nonsense with him, hurry up and meet with Zun Shang.” After saying that, Yutian grabbed Yue Feng and rushed towards the direction of Demon Zun Gone.

Swish swish...

Mo Yan stopped talking nonsense, and with the other holy demon kings, led the remnants of the defeated generals and left quickly.

Whoa!

Seeing that the demons were defeated and left, the entire Yutian Palace was filled with joy.

“Your Majesty is mighty!”

At this moment, hundreds of thousands of divine soldiers and generals cheered in unison.

Listening to the cheers around, Jiutian God floated in the air with a smile on his face, and then looked around the audience and said: “Today’s battle, the fight was very beautiful, everyone present immediately made great achievements, wait for the first to clean up the battlefield, and then I will fight. A reward.”

This chapter is provided by . Visit for daily update.

“Thank you, Your Majesty, Ron!”

..... the

other side.

You Tian took Yue Feng and Mo Yan to retreat all the way to Feng Mo Mountain, and then stopped to rest.

I saw that the Demon Lord Gone was standing on the top of the top of the Demon Sealing Mountain, with a gloomy and terrifying face.

Moyan and Yutian, the holy devil kings, also had solemn expressions.

In the battle just now, the demons suffered heavy losses. There were hundreds of thousands of troops. Now there are only less than 20,000. In this situation, everyone is in a bad mood.

For a time, the atmosphere was extremely depressed.

call!

At this time, seeing Yue Feng being tied up by the five flowers, Demon Zun Gane frowned: "What's going on?" You

Tian walked out quickly and responded, "Report to Zun, this kid just wanted to run away."

Run away. ?

Hearing this, Demon Lord Gane's eyes flashed with a hint of coldness.

Yue Feng was startled and quickly said: "Your Excellency Mozun, I didn't want to escape, I was planning to retreat with everyone .

"

Pointing at Yue Feng and shouting: "I saw it very clearly at the time, you didn't retreat with everyone, but wanted to escape, because you were running in a different direction from everyone."

After speaking, Wei An directed towards Demon Lord Gane respectfully: "Your Highness, I suspect that the Xuanwu clan escaped because of Yue Feng's attention."

When he said this, Wei An looked sinister.

Just now, King Xuanwu took the clan to leave, and Demon Venerable would definitely not let it go. As a Xuanwu clan, Wei An was very flustered in his heart. He was afraid that Demon Venerable's anger would spread to him, so he transferred the problem to Yue Feng.

Swish!

At this moment, whether it was Demon Lord Gane, or the eyes of the surrounding demons, all of them converged on Yue Feng.

This fool.

Yue Feng cursed secretly, and then looked very serious, and said slowly: "I do have a good relationship with King Xuanwu, but I really don't know about his plan to escape with the tribe. I never thought about it. Betrayal."

"Still lying?" Wei An shouted.

At this moment, Demon Zun Gone frowned and said, "Okay, shut up." It doesn't matter whether Yue Feng can escape or not. What matters now is how the cracking of the innate magic circle was leaked.

Seeing Demon Venerable speak, Wei An quickly closed his mouth.

The entire Peak of Sealing Demon was also silent, almost audible needles falling.

"Your Highness."

At this moment, Mo Yan couldn't help it, and asked the Demon Lord Gone carefully: "Didn't you crack the innate magic circle? How can the other party still activate it?" The

voice fell, and the other The Holy Demon King also frowned, puzzled.

call!

Demon Lord Gone took a deep breath, looked around the audience, and said lightly: "Because the news leaked out, they changed the formation before dawn today."

What?

At this moment, whether it was Mo Yan or Yutian, they all stood on the spot.

At the same time, Yue Feng's heart was instantly suspended.

Chapter 4177

For a time, Yue Feng couldn't help but muttered in his heart, the secret was leaked by himself, will he be suspected?

probably not.

When I left the Demon Race camp, I was very careful, no one saw it at all, and this Demon Venerable should not suspect him.

"Damn."

At this moment, Jutian reacted first, punching the stone wall next to him, shouting, "Who the hell leaked the news, I know, I must slap him with cramps."

At this time, Jutian was very angry.

The army of hundreds of thousands of demons has been damaged by 90%, and now there are only less than 20,000 who survived.

Whoa!

The voice fell, and the other holy demon kings, as well as those demon warriors, also guessed.

“Yutian is right, this traitor must be found out.”

“Yes, we must find out.” “This traitor has caused

us a complete defeat, and we must not forgive it lightly.”

Like Jutian, other holy demon kings said this. At the time, they were extremely indignant. You must know that in today’s battle, the Demon Race has a great advantage. If the news was not leaked, it is estimated that a celebration banquet would have been held at the Yutian Palace by now.

The Demon Lord Gone did not express his position, but stood there with a gloomy face, secretly thinking about something.

“Everyone.”

At this moment, Mo Yan, who had been silent all the time, came out and said slowly: “I think this matter was definitely not done by our Demon Race. When Zun Shang deployed the battle plan, Everyone was present, and they didn’t leave halfway, so there was basically no suspicion.”

After saying that, Mo Yan glanced at Wei An and continued: “According to my speculation, this matter must have been done by King Xuanwu, because at that time, after the honorable summoned him, the deployment began. All our plans, King Xuanwu knows it.”

“Also, during the previous war, King Xuanwu attacked us and took the opportunity to escape. It can be seen that his previous allegiance was fake and pretended.”

“There are various signs, King Xuanwu is the most suspicious , maybe he leaked our plan to the Nine Heavens God.” The

last sentence fell, Mo Yan looked around, her delicate face full of determination.

Wow...

Hearing this, the surrounding Jutian and other holy demon kings all nodded in agreement.

“Mo Yan is right, that King Xuanwu is very suspicious.”

“What suspect? It must be him.”

“Ma De, I will say that these monsters are unreliable at all, especially this King Xuanwu, I am more It’s not pleasing to the eye.”

Under everyone’s discussion, they couldn’t hide their anger.

Haha...

Seeing this situation, the stone hanging in Yue Feng’s heart fell to the ground in an instant, and his mood instantly relaxed.

Great, this Moyan is really interesting, she thought it was a secret leaked by King Xuanwu.

But that’s fine, everyone doubts King Xuanwu, and no one doubts himself.

Yue Feng was not worried that the demons would find trouble with the Xuanwu King. After all, they had just suffered a fiasco, their vitality was severely damaged, and they had no energy to pursue the Xuanwu King.

This...

Seeing that everyone began to doubt King Xuanwu, Wei An suddenly panicked.

Damn, if the father did it, he would not be able to escape the guilt. After all, he was also a member of the Xuanwu clan.

Thinking to himself, Wei An wanted to speak, but there was no chance to intervene at all due to the current situation.

“Okay!”

At this moment, the Demon Lord Gone also calmed down, looked at Moyan and said, “Moyan is right, that Xuanwu King is very suspicious, this bastard dares to play with the deity. Next time he is caught by me, he will be wiped out.”

When he said this, Demon Venerable’s face was extremely gloomy, especially the murderous aura in his eyes, which was terrifying.

Afterwards, Demon Lord Gone looked around and said slowly: "Everyone take a break, before dark, rectify and set off to pursue the Xuanwu clan, and then look for the whereabouts of the White Tiger King and the other demon clan." The

army of hundreds of thousands of demon clan was damaged. Halfway through, the troops are seriously insufficient. In this case, we can only find a way to recover the demon clan.

"It's your honor..."

For a while, Mo Yan and the other demon kings in Yutian responded in unison.

Chapter 4178

"Your Highness!"

However, at this time, Wei An rushed out with a wheelchair and said anxiously to the Demon Lord Gone: "Your Highness, it must not be a secret leaked by my father, it must not be..."

At this time Wei An looked worried.

Although Wei An had attacked King Xuanwu to threaten the entire tribe to surrender and surrender to the Demons, in his heart, he had always respected King Xuanwu very much.

After all, King Xuanwu is his father. How can he not panic when he sees that the demons believe that King Xuanwu is a traitor?

Swish!

At this moment, whether it was Demon Zun Gone, Mo Yan and the other sage demon kings, their eyes were all focused on Wei An.

Mozun Gone quickly reacted first, without the slightest emotional fluctuations on his cold face, he said lightly: "King Xuanwu is not a traitor, looking at this, you should know some clues."

"Then tell me, who is the traitor . ?" As the

last word fell, Mo Yan couldn't help but shout: "Wei An, what are you going to do? Do you want to clear your father's name?" As the words

fell, the other holy demon kings also spoke up, looking at Wei An His eyes flashed with contempt and disdain.

“This kid is in a panic.”

“Hehe, he is afraid that the matter of King Xuanwu will affect him.”

“Who knows, but then again, he is the son of King Xuanwu, will he also participate in this matter? Son?”

At this moment, Yue Feng also frowned secretly.

Nima, won't this Wei An say I did it? But he has no evidence, so don't be afraid.

call....

The surrounding discussions kept coming, Wei An took a deep breath, then looked at the Demon Lord Gone and said: “Your Highness, I know who is the traitor, it's him, Yue Feng.” After the

last word fell, Wei An suddenly raised his hand and pointed at Yue Feng .

At this moment, the eyes of the audience converged on Yue Feng again.

mad.

Yue Feng was also shocked, and then looked at Wei An with anger and anger: “Wei An, you are so bloody, how could I leak the secret?”

At the same time, Mo Yan also said coldly: “Wei An, you know Among the demons, what is the fate of slandering others at will? Hurry up and step back.”

Speaking of which, Moyan had also thought about suspecting Yue Feng just now, but thinking about it carefully, Yue Feng had no chance at all, because at that time, the Demon Lord Gone When the battle plan was deployed, he was not there at all.

In contrast, King Xuanwu is the most suspect.

And Wei An did this just because he was afraid of being affected. After all, he was the son of King Xuanwu.

Facing Mo Yan's reprimand, Wei An's body trembled, and he was very afraid, but with the anxiety on his face, he did not retreat in the slightest.

“Wei An.”

At this moment, Demon Zun Gonie looked at Wei An and said coldly, “You said Yue Feng was a traitor, do you have any evidence?” After saying that, Demon Zun Gone looked at Yue Feng lightly. .

Although the Demon Lord Gone did not like Yue Feng, he also had his own principles and would not follow Wei An's one-sided words to convict Yue Feng.

call!

Seeing the fair and stern look on the Demon Lord Gone's face, Yue Feng secretly breathed a sigh of relief.

Fortunately, this Demon Venerable is more enlightened.

He didn't leave any evidence, Wei An wanted to slander himself this time, but he was afraid that his efforts would be in vain.

"I have evidence!"

Facing Demon Lord Gone's questioning, Wei An suddenly shouted: "I have, this is what I found in Yuefeng's tent." After speaking, he took out a pen and paper from his body. .

That's right, Wei An was in Yuefeng's tent at the time, and after seeing the paper and pen, he hid under the tent, but when he left, he changed his mind and took the paper and pen away.

As you can see, paper and pens are unique to the Demon Race, and each piece of paper has a number on it.

However, looking at the traces above, it is obvious that a few have been used.

Swish!

At this moment, the eyes of the audience all converged on Yue Feng.

At this time, Yue Feng was also stunned, and only felt his brain buzzing.

Mad, when did Wei An steal the paper and pen he was using?

Muttering in his heart, Yue Feng acted as if nothing had happened, and said to Wei An, "It's just some paper and pen, what can you say?"

"Haha!"

Wei An sneered, looked at Yue Feng and said, "Yue Feng, I really don't know if you are really smart, or if you just came to the Demon Clan, I don't know the situation, these papers and pens were found in your tent, what can you say?"

Chapter 4179

As he spoke, Wei An's mouth curled into a sinister smile and continued: "I came to the Demon Clan a day earlier than you, but I also know that in the camp, paper and pen are rarely used." The

voice fell, and a man beside him The Demon General thought of something, came out and said, "Yes, I remembered, no one has used paper and pens in the camp for the past few days. Only last night, Mr. Yue Feng took some.

"

Faced with this situation, Yue Feng wanted to cry without tears.

I thought that what I did was unknowingly, but I didn't expect it to be revealed in the end.

At this time, Yue Feng never expected that the paper and pens in the demon camp would be managed so strictly.

"How is it?"

At this time, seeing Yue Feng's changing face, Wei An couldn't say how proud he was, and said word by word: "Last night, you were the only one who used paper and pen, and you have obviously used a few. I would like to ask , what did you write on those pieces of paper? Who did you give it to?"

Yue Feng's face was gloomy and he didn't respond.

Whoa!

At this moment, there was also a discussion around.

"It's really him?"

"It can't be wrong."

"Ma De, this Yue Feng is so cunning. Let's suspect King Xuanwu.

"

The surrounding discussions kept coming, and Mo Yan, who had been standing there silent for a while, was also extremely angry on her delicate face.

"Yue Feng!"

Finally, Mo Yan couldn't bear it any longer, and shouted at Yue Fengjiao, "What the hell is going on? You still haven't explained it?"

At this moment, Mo Yan was both angry and disappointed.

Since the close contact with Yue Feng last night, and the cold poison in his body was dispelled by Yue Feng's flames, Mo Yan's view of him has changed.

In Mo Yan's heart, Yue Feng is a very capable man. With his assistance, he will definitely make military exploits in the future, and his status is higher than other holy demon kings.

It can be said that Mo Yan had too many expectations for Yue Feng.

However, she never thought that she believed in Yue Feng so much, but he betrayed her.

Ugh!

Facing Mo Yan's tender drink, Yue Feng showed a wry smile and did not respond.

"Your Excellency the Demon King!"

At this moment, Wei An couldn't hide the smugness on his face, and respectfully said to Mo Yan: "Don't ask, it's obvious, it was Yue Feng who leaked the secret, and he wrote our battle plan. After the last sentence, Wei An looked at Yue Feng coldly, his smile full of

gloom. Yue Feng, Yue Feng, you are not dead this time? call! At this moment, Yue Feng took a deep breath, met Mo Yan's gaze, and said lightly: "Yes, I did it." The matter has come to this point, the evidence is conclusive, and it is meaningless to deny it. As soon as the words fell, several holy demon kings in Jutian, as well as the surrounding demon warriors, couldn't help but curse. "Boy is too nasty."

"Ma De, a white-eyed wolf."

"Just kill it."

Mo Yan was also very angry, and shouted at Yue Fengjiao: "Why? Why did you betray me?"

Betrayal?

Hearing this, Yue Feng showed a smile and said word by word: "How come my betrayal to you Demon Race, since I fell into your hands from the very beginning, I was destined to become your Demon Race's chess piece, I, Yue Feng, stand in the sky, how can I let you be so manipulated?"

“I just want to sabotage your plan and hurt your vitality, so that you will not be able to occupy the realm of the gods.”

“Because after you occupy the realm of the gods, the next goal, it is the continent of Kyushu, and the continent of Kyushu is my hometown, how can I make your wish come true?” The

words were loud and arrogant.

Huh...

Hearing this, Mo Yan's body trembled faintly, and she was speechless for a while.

There was silence all around.

Om...

At this moment, the Demon Lord Gone, who had not spoken for a long time, exploded with the power of the Demon Soul, and approached Yue Feng like lightning.

In the next second, Demon Zun Gone stared at Yue Feng and said coldly: “I didn't expect that when the deity was still looking away, it would be you who really leaked the secret!”

“Tell me, what other last words do you have? ?”

Chapter 4180

Gudong!

Feeling the terrifying aura of Demon Lord Gone, Yue Feng subconsciously swallowed his saliva, his face very calm: “I have no last words, if you want to kill me, do it as soon as possible.”

At this time, Yue Feng knew, Oneself must die.

But he didn't panic at all, because the power of the bird ancestors in the body contains the characteristics of Pannier, and the rebirth of Pannier is the unique power of the Suzaku family. With this power, even if he is killed by the demon, he can still live again .

“Okay, very good!”

At this moment, the Demon Lord Gone's brows furrowed, and he didn't seem to have expected Yue Feng to be so straightforward, and he didn't want to talk nonsense at that time: “Since you ask for death, the deity will fulfill you.”

Om!

When the words fell, Demon Lord Gone suddenly raised his right hand and hit Yue Feng with a palm.

This palm contains the endless anger of Demon Lord Gone, and the surrounding temperature suddenly dropped.

boom!

Demon Lord Gone shot too fast, Yue Feng didn't have time to dodge, this palm hit Yuanshen firmly, and Yue Feng let out a muffled groan, and he was shocked and flew out, and the whole person was sprinkled in the air. A rain of blood.

After flying a few hundred meters away, Yue Feng fell heavily on the ground, his whole body was dyed red with blood, his face was pale and pale, and his eyes were black.

Mad!

At this time, Yue Feng was extremely horrified.

As expected of the Supreme Being of the Demon Race, the power of Gone is really terrifying.

While horrified, Yue Feng clearly felt that his own vitality was rapidly fading away. The palm of his hand just now directly destroyed his Primordial Spirit, and if it was someone else, he had already died.

However, Yue Feng still has the power of Bird Ancestor to bless him, and he can barely support it.

Are you going to die?

With the passage of life, Yue Feng became weaker and weaker, his eyes were dark, and his consciousness became more and more blurred.

However, Yue Feng did not panic at all, and quickly burst out the power of the bird ancestors in his body.

hum!

In an instant, a group of flames burst out from Yue Feng's body. In just a few seconds, a sea of flames formed, completely covering Yue Feng.

In the sea of fire, Yue Feng's body instantly turned into ashes, but a ray of soul, but formed an illusory figure, swaying up and down with the flame...

Yes, the power of Pannier has been motivated, as long as If this ray of soul does not die, Yue Feng can be reborn from the ashes.

Um?

Demon Lord Gonie's eyes were like torches, and he discovered it at once, and couldn't help but mutter to himself: "The power of bird ancestors? Rebirth from ashes? Interesting..."

"Li knew very well, and at this moment, he could see at a glance that before his death, Yue Feng had stimulated the power of Pan Nirvana in the power of bird ancestors.

Talking to himself, Demon Lord Gone didn't talk nonsense, walked step by step, slapped again, and volleyed the phantom swaying up and down.

boom!

Hearing an explosion, the phantom shattered and scattered in the sea of fire.

"Go!"

Demon Zun Gone said lightly, turning around and walking away.

At this moment, Mo Yan, Wei An, the other holy demon kings, and the surrounding demon warriors followed quickly. No one sympathized with Yue Feng. In their hearts, Yue Feng betrayed the demons and died.

In the blink of an eye, the entire top of the Demon Sealing Mountain was left with a sea of flames that continued to burn.

I don't know how long it took, the sea of fire finally gradually extinguished, but there was still a faint flame left at the place where Yue Feng died.

Yes, this flame is the soul of Yue Feng.

Just now, the Demon Lord Gone found that Yue Feng was about to be reborn, so he decisively hit the second palm. Although he prevented Yue Feng from being reborn, he did not completely destroy Yue Feng's soul.

Time passed by minute by minute.

Soon, night fell, darkness enveloped the world, and I saw that flame, on the top of the Demon Sealing Mountain, strangely conspicuous.

Whoosh!

At this moment, a graceful figure came from the sky not far away, wearing a long lavender dress, delicate facial features, and an extraordinary temperament all over her body.

It is worth noting that behind her, she is carrying a beautiful lute.

It is the Pipa Fairy.

Like the Yutong Xianweng that Yue Feng met before, Fairy Pipa is also a fairy from heaven. She wandered to Fengmo Mountain just now and saw a strange flame on the top of the mountain. Fairy Pipa was very curious and came over to take a look.
