

The ultimate husband in Chinese chapter 4191-4200

Chapter 4191

At this time, Yutong Xianweng is in a very happy mood.

In the competition just now, not only did he not lose face, but he also successfully obtained the Sky Blue Pearl, can you be unhappy?

“Senior!”

Seeing his smug look, Princess Dongling bit her lip and said, “Actually, you should thank the Pipa Fairy.”

“Thank her?”

Yutong Xianweng was stunned, then nodded. Said: “Well, I want to thank her. If she doesn’t agree to the competition, I can’t help it.”

Until now, Yutong Xianweng thought that he won by his ability.

Princess Dongling became anxious all of a sudden, shook her head and said, “No, Fairy Pipa let you on purpose just now. I saw with my own eyes that she stopped at the last moment.”

“Senior, this Fairy Pipa is really nice, she is afraid. It’s not good for you to lose, so I deliberately lost to you.” To

be honest, Princess Dongling didn’t want to say anything, but she had an upright personality, and seeing Yutong Xianweng’s proud look, she couldn’t help but say it in the end.

What?

Hearing this, Yutong Xianweng was stunned for a moment, and only felt his brain buzzing.

Pipa Fairy deliberately lost to me?

No, this is absolutely not possible, I have to win by my own ability, and it is too shameless to be deliberately released by the other party.

Thinking to himself, Yutong Xianweng quickly took Princess Dongling and chased in the direction of Fairy Pipa’s departure: “Wait, Fairy Pipa, don’t go yet, wait for me.”

This...

this In an instant, Princess Dongling was speechless.

This jade boy fairy is really unpredictable, is face so important?

At the same time, I have some regrets.

If I knew he was going to catch up, I wouldn't say it myself.

...

the other side.

In a valley dozens of miles away from the False Mountain, Demon Lord Gone, with the twelve holy demon kings and less than 20,000 demon warriors, temporarily rested here.

The day before, Demon Lord Gone looked around for the whereabouts of the demon clan, but there was no clue at all.

Rumble.

As soon as I stopped to rest, I heard a burst of thunder coming from the direction of the False Mountain in the distance.

For a time, whether it was the Demon Lord Gone or the Twelve Holy Demon Kings, they all looked at each other, and they saw that the sky above the False Mountain was covered with dark clouds and the thunder was rolling.

"There..."

Mo Yan quickly reacted, frowning and said: "It seems to be in the direction of the False Mountain, strange, there is the boundary of the God's Domain, how can there be a vision of heaven and earth?" The

voice fell, Mo Zun Ge Nie said lightly: "What kind of vision of heaven and earth, there must be someone doing it there." As the supreme being of the Demon Race, Gone is very keenly aware that there is a strong presence in the False Mountain area and is exerting power.

Hearing this, Mo Yan hurriedly said: "Your Highness, do you want your subordinates to go over and take a look?"

"You don't need to go over there."

Demon Lord Gone shook his head, without the slightest fluctuation on his face: "Now we mainly do , is to find the demon clan as soon as possible, don't worry about other things."

Saying that, Demon Lord Gone pointed to Wei An and a demon general: "You guys go and have a look, find out the situation, and report back as soon as possible."

"Yes, Your Highness."

Upon hearing the order, Wei An and the demon general responded and rushed towards the Misty Mountain.

Wei An's wound on his broken leg has completely healed. Instead of using a wheelchair, he replaced a pair of prosthetic limbs. Although the speed is a bit slow, it does not affect his mobility.

...

on the other side, in the other direction of False Mountain.

In the woods, there is a tired figure who is constantly moving forward. His body is covered with blood, and his expression is tired and weak. It is Gong Ao.

After escaping from the Yutian Palace before, Gong Ao did not stop at all, and kept running for his life until he reached the vicinity of the False Mountain. He was almost out of strength, and then gradually slowed down.

call!

At this time, seeing that there was no Yutianguong pursuer behind him, Gong Ao took a deep breath, found an open space, sat cross-legged, and regained his strength.

Soon Gong Ao entered a state of ecstasy.

I don't know how long it took, Gong Ao slowly opened his eyes, exhaled a turbid breath, and a smile appeared on his face.

The strength has finally recovered more than half, even if you encounter the pursuit of Yutian Palace, you don't have to be afraid.

Muttering in his heart, Gong Ao slowly stood up and continued to walk towards the False Mountain.

hiss.

When he was about to reach the False Mountain, Gong Ao was stunned when he saw the scene in front of him, and he couldn't help taking a breath of cold air.

I saw that there were two huge stone sculptures standing beside the False Mountain. Both stone statues are 1,000 meters high and are carved into the shape of a man and a woman.

Chapter 4192

This... It

took a few minutes before Gong Ao recovered, but his heart was still extremely shocked.

Who carved this sculpture? It's amazing how amazing it is.

As the commander of Yutian Palace, Gong Ao is very familiar with every area of the entire God's Domain, and the False Mountain in front of him often patrols here.

The last time, before the battle between the Demon Race and the God Realm, Gong Ao clearly remembered that the area around the False Mountain was very desolate, and there had never been such a huge statue. How can I not be shocked by the sudden appearance of two such large statues?

Such a large statue is as lifelike as it is real. Even if it is made by the Nine Heavens God, it will take a lot of time.

Shasha...

Just when Gong Ao was fascinated, he heard footsteps in the woods not far away.

The next second, I saw two figures slowly coming, one of them was wearing black armor, and only a pair of eyes were exposed on the strange helmet.

The other features are handsome, but there is a bit of weakness between the eyebrows.

It was Wei An and that demon general.

The demon general's name is Dong Zang, he belongs to Mo Yan's direct subordinate, and he is powerful.

As assigned by the Demon Lord Gone just now, Wei An and Dong Zang did not stop for a moment and went directly to the False Mountain to check the situation.

Hiss....

at this moment, when I saw the two huge statues in front of me, whether it was Wei An or Dong Zang, they were all stunned and gasped.

Heart is also incomparable admiration.

What kind of power can create such a majestic statue.

Um?

Under the shock, Wei An and Dong Zang instantly found Gong Ao not far away, and they were stunned.

At the same time, Gong Ao also discovered the two Wei An, and there was a bit of surprise in his eyes.

Isn't this Wei An, the son of King Xuanwu?

How could he be with a demon general of the Demon Race?

When the demon army attacked Yutian Palace before, Wei An stood far away to watch the battle and did not participate in the battle, so Gong Ao never saw him at that time.

The next second, Gong Ao noticed Wei An's prosthetic limb and frowned.

This kid also broke a pair of legs?

"Isn't this the dog next to Jiutian Xiaoer?" At this moment

, Dong Zang took the lead in reacting, took a step forward slowly, and shouted at Gong Ao, "What? Are you alone?"

Dong Zang looked at Gong Ao with anger and hostility in his eyes.

A day ago, the army of hundreds of thousands of demons attacked Yutian Palace and suffered a crushing defeat. Only less than 20,000 escaped successfully. This is a great shame for the entire demons.

Therefore, the enmity between the Demon Race and the God Realm is getting deeper and deeper.

Under such circumstances, Dong Zang, as a demon general, could not restrain himself when he saw Gong Ao. You must know that Gong Ao was a general around the Nine Heavens God.

Swish!

Hearing Dong Zang's bad words, Gong Ao's face instantly turned gloomy, and he said coldly, "Keep your mouth clean." To

be honest, Gong Ao has an arrogant personality. Still held back.

After all, Gong Ao had been completely abandoned by God Domain, and was even chased by the Nine Heavens God. The situation he faced at this time was nowhere to go, so he didn't want to have any grudges with the Demon Race.

However, Dong Zang did not intend to let Gong Ao go easily.

"Haha."

Seeing the anger on Gong Ao's face, Dong Zang sneered and continued to super trick: "Calling you a dog is already flattering you, and I will cut off your head to pay homage to the undead of the dead soldier. ." The

voice fell, and Dong Zang urged the power of the demon soul to rise into the air.

Dong Zang is not a reckless person, but seeing that Gong Ao has no companions, he thought he was also sent by the Nine Heavens God to check the situation of the False Mountain, and he couldn't help it at that time.

Moreover, Dong Zang felt that Gong Ao's breath was a little weak, and it seemed that he had been injured before. In this case, he was even less afraid.

In Dong Zang's heart, as long as he kills Gong Ao, he can not only vent his anger, but also go back and ask for credit to His Excellency Mozun.

Simply kill two birds with one stone.

hum!

The moment he rose into the air, Dong Zang suddenly raised his hand and clenched a long black knife. At the same time, a powerful aura burst out from his body. Gong Ao came.

Mad!

Seeing that Dong Zang made a move, Gong Ao frowned secretly, shocked and angry.

Chapter 4193

Seeing that my strength has not fully recovered, this guy wants to bully people?

But... a little devil general, I haven't paid attention to it yet.

“I don’t know about life and death.”

Thinking to himself, Gong Ao’s face showed a trace of disdain, and there was no nonsense at all. After speaking coldly, he heard a crisp sound, the golden spear flickered, and was firmly grasped by Gong Ao in his hand. .

This...

Seeing this scene, Wei An, who was standing not far away, was inexplicably anxious, and at the same time wanted to discourage him, but his actions were not very convenient, so he could only watch and worry.

More importantly, after Wei An joined the Demon Race, everything was very careful, for fear of being caught by the Demon Venerable or Mo Yan.

So when he saw Gong Ao just now, Wei An was very flustered, because he and Gong Ao had joined forces to deal with Yue Feng, and they were allies, but this kind of thing should not be known to the demons.

After all, Gong Ao is a famous person beside Jiutian God, once let the demons know, he and Jiutian God’s subordinate alliance, the fate can be imagined.

At this time, Wei An was thinking about this, his eyes fixed on both sides, and he hoped that Dong Zang would successfully kill Gong Ao.

As long as Gong Ao died, no one would know about his alliance with him.

But Wei An also knew that his ideas were somewhat unrealistic.

You must know that Gong Ao is the commander of Yutian Palace after all, and he is powerful. He fights alone, and Dong Zang is not an opponent.

“Death to me.”

This is, Gong Ao shouted loudly, swung the golden spear violently, and heard a scream, and then, a golden beam ripped apart the sky and burst out towards Dong Zang in the air.

What?

Seeing the power of this golden light, Dong Zang’s face changed greatly, and he suddenly panicked.

He never imagined that Gong Ao, who was not at his peak, looked so tired, and could burst out with such a powerful force.

He regrets a little, regrets being reckless just now.

However it was too late.

Jin Mang was like thunder and lightning. At that time, Dong Zang wanted to dodge, but it was too late, and he was directly hit.

“Ah...”

Under the roar, I heard Dong Zang let out a miserable howl, and was directly shot and flew out. The figure sprinkled a rain of blood in the air, and I could clearly see the position of the demon soul on his body. He was pierced through a hole the size of the mouth of a bowl, and blood kept spraying out.

That's right, Gong Ao's shot directly pierced through his demon soul.

Pfft!

Dong Zang flew more than 100 meters, and finally hit one of the huge statues, only to hear the sound of bones shattering, and then slide down like mud.

When he finally landed on the ground, Dong Zang's pupils dilated, staring at the sky, no longer breathing.

Hiss...

Seeing this scene, Wei An couldn't help gasping for air, completely stunned there.

This Gong Ao is really strong.

In shock, Wei An stared at Gong Ao who was suspended in mid-air, and couldn't help sighing inwardly.

“Young Master Wei An.”

At this moment, Gong Ao's eyes flashed, and he looked at Wei An with a half-smile but not a smile: “Don't be alright.” Wei Anji smiled and said unnaturally, “Commander Gong, too. The style remains the same.”

Hehe...

Gong Ao chuckled lightly, looked at Dong Zang's corpse not far away, and said lightly, “I didn't expect that Young Master Wei An would become a member of the Demon Clan after not seeing him for a few days.”

“Just now . When I fought against him, did Young Master Wei An really want me to be killed? In this way, you can go back with him and ask the Demon Venerable for credit.”

When he said this, Gong Ao’s eyes flashed gloomily.

Gong Ao’s palace is very deep, although Wei An has not spoken just now, but from the change in his expression, Gong Ao can guess Wei An’s general thoughts.

Uh...

Wei An was very embarrassed when his mind was revealed, but he still pretended to be nonchalant and chuckled, “Why did Commander Gong say this? You and I used to be in an alliance, my own people, how could I want you to die? ?”

While speaking, Wei An paid attention to the change in Gong Ao’s expression.

Wei An realized that Gong Ao didn’t immediately take action against him, he must have other goals.

Hearing the answer, Gong Ao showed a smile, his tone softened, and he asked, “Okay, I was just joking just now, Young Master Wei An, don’t mind.”

After speaking, Gong Ao looked at Wei An’s prosthetic limb, so he asked. Tsukuru asked in surprise, “Huh? What happened to your leg?”

Chapter 4194

Speaking of which, Gong Ao didn’t want to be so polite to Wei An, but now he has nowhere else to go. Since Wei An has joined the Mozu, he thought of letting Wei An be an introducer and introduce him to Mozunge nirvana.

Gong Ao thought about it, fleeing in this state, sooner or later, he would be caught by the Nine Heavens God, and at that time, it would be the end of his soul and soul. It is better to break the cauldron and sink the boat and directly rely on the demons.

However, in the previous battle at Yutian Palace, the Demon Race suffered heavy casualties, and the entire Demon Race almost hated the Divine Realm. killed.

After all, in the concept of the Demon Race, Gong Ao is the right-hand man of the Nine Heavens God.

So the best way is to find a referrer.

And Wei An in front of him is undoubtedly the most suitable candidate.

Ugh!

At this moment, in the face of Gong Ao's question, Wei An sighed and said fiercely, "It's not because of Yue Feng." After that, Wei An explained the situation in detail.

At the end, Wei An couldn't hide his grief and anger: "Yue Feng has hurt me so badly, I can't wait to have him cramped and skinned, but fortunately, in the end, Your Excellency Mozun killed him directly. Yue Feng's corpse is being sealed The top of the magic mountain burned to ashes."

Yue Feng died?

Hearing this, Gong Ao was stunned for a moment, and then he looked up to the sky and laughed.

"Hahaha..."

Gong Ao at this time was indescribably comfortable: "Yue Feng, Yue Feng, you stole my Princess Dongling, but in the end, you still suffered retribution, the sky has eyes, it's really the sky You have eyes."

Seeing his complacent look, Wei An's eyes flickered, and he said lightly: "Commander Gong, Yue Feng is dead, we have no worries, I should have had three drinks with you, but there are still important things to do, So we can't accompany each other, we will have a date later." After the

last word fell, Wei An was about to turn around and leave.

Wei An is a smart person. He knows that the alliance with Gong Ao was entirely because of Yue Feng, but now that Yue Feng no longer exists, the alliance no longer exists.

In Wei An's heart, he had taken refuge with the Demon Race, and Gong Ao belonged to the God's Domain, so naturally he couldn't stay for long.

More importantly, Gong Ao killed a demon general just now.

"Wait a minute!"

Gong Ao shouted after just a few steps, and said with a smile, "Young Master Wei An, why are you leaving in such a hurry?" We still have to rely on Wei An as an introducer, so how could he let him go so easily? ?

call!

Hearing the call, Wei An took a deep breath and stopped: "Do you have anything else to do, Commander Gong?"

“Young Master Wei An.”

Gong Ao smiled, walked slowly, and said slowly, “You lost your legs, even if you lost your legs. I joined the Demon Clan, and the situation I’m facing isn’t that good, right?”

“Why do you say that?” Wei An frowned.

Hehe...

Gong Ao’s mouth twitched, and he said slowly, “As far as I know, the Demon Clan highly respects force, and always respects the strong. Whoever is strong can be respected, and you...

” At this point, Gong Ao deliberately looked at Wei An’s pair of prosthetic limbs: “Without both legs, it is equivalent to a waste person. No matter how loyal you are in your heart, it is estimated that you will not get any of the demons, right?”

Shuh!

Hearing this, Wei An’s face changed instantly, his eyes were a little blood red, and his heart was full of anger.

That’s right, Gong Ao’s words struck his pain at once.

These days, after Wei An joined the Demon Race, he has always been very focused, diligent and diligent in everything, but because he lost his legs, he encountered the eyes of many Demon Race warriors.

And in the Demon Lord Gone and the Twelve Holy Demon Kings, Wei An didn’t get the slightest appreciation.

Wei An was very troubled by this, but could not do anything about it.

However, these were all suppressed by Wei An in the depths of his heart. At this time, when Gong Ao said it directly, and bluntly said that he was a waste, how could he not be angry?

For a time, Wei An became more and more angry, unable to restrain his emotions any longer, and said coldly to Gong Ao: “Commander Gong, what do you mean?”

Phew...

Seeing Wei An’s angry face, Gong Ao didn’t panic at all, laughing. Hehe said: “Master Wei An, what I said is the truth, don’t be angry, and don’t take it to heart.”

Chapter 4195

“I just want to tell you that with your current state, it is very difficult to occupy a seat in the Demon Race.”

“The only way is to have a friend to support each other with you. “

Support each other?

Wei An furrowed his brows, only to feel that his mind was even more confused: “It’s easy for you to say, the demons are very xenophobic, and I’m alone, where is my friend?”

Gong Ao smiled and pointed to himself: “Of course it is Me. Are we allies after all?”

What?

At this moment, Wei An was completely blinded, looking at Gong Ao for a long time, unable to speak.

Finally, after dozens of seconds, Wei An reacted: “You...you want to join the Demon Clan like me?” Wei An shook his head subconsciously after he finished speaking.

impossible.

This Gong Ao is a famous person beside Jiutian God, how could he join the Demon Race?

The only explanation is that he is pretending to take refuge, the purpose is to inquire about the news inside the Demon Race.

“Not bad!”

Seeing Wei An’s face changing, Gong Ao nodded and said seriously: “To be honest, I have been expelled from the God Realm, and I have been hunted down by the Nine Heavens God.

” Introduce someone, help me introduce.” “At that time, we will be in the Demon Race together, we will be our own people, we will support each other, and with me, you are not afraid of being laughed at by those

Demon Race, right?”

, Gong Ao looked serious and sincere.

In fact, he never thought of supporting each other with Wei An, but only wanted to use Wei An as a springboard to join the Demon Race safely.

As long as you join the Demon Race, you won't be afraid of being chased by the Nine Heavens God.

What?

At this moment, Wei An froze there, only feeling his brain buzzing.

Gong Ao was hunted down by the Nine Heavens God?

No wonder he appeared on the False Mountain alone.

Under the shock, Wei An quickly reacted and smiled at Gong Ao: "I really didn't expect that, the dignified Gong Ao commander, the popular man beside the Nine Heavens God, will one day become a bereaved dog."

Wei An has a sinister personality, Jie Ji must report, just now Gong Ao said that he was a waste, so he held a grudge in his heart. At this moment, he came back with such a good opportunity and taunted him without hesitation.

Moreover, Wei An knew that at this time Gong Ao had something to ask of him, and even if he mocked him, he would not dare to do anything.

Swish.

When the voice fell, Gong Ao's face suddenly became ugly, and his heart was very angry.

Mad, Wei An, this waste, he has become a lackey of the Demon Race, how dare you humiliate me?

Although he was angry, Gong Ao didn't show it, but smiled awkwardly. Because Wei An's guess was good, Gong Ao wanted to ask him, even if he was angry, he had to endure it.

"Yeah!"

At this moment, Gong Ao forced back his unhappiness and forced a smile at Wei An: "Young Master Wei An is right, I'm like a lost dog now, the Nine Heavens God is stubborn and proud of himself. Big, it is no longer worthy of my allegiance."

After speaking, Gong Ao's eyes flickered with anticipation: "Now my only way out is to rely on the demons. Brother Wei An, we have been allied with each other. If we are our own people, just help me. How about a handful?"

"As long as you can help me recommend, I, Gong Ao, are very grateful."

The last sentence fell, Gong Ao looked at Wei An closely, waiting for his answer.

Huh...

Wei An pondered for a moment, then smiled slightly: "Commander Gong, you look down on me too much, although I joined the Demon Clan, I am a gentleman and have no right to speak, let alone status. It's not what you think. , you can see if you want to see the Demon Venerable." After

speaking, Wei An looked up and down at Xia Gongao and continued: "Besides, the Demon Race was defeated in the previous battle at Yutian Palace, and so many soldiers were injured, the Demon Venerable will not accept it. Yours, on the contrary, when I see you, I will kill you without hesitation."

"So, you should hurry up and leave, forgive me what I can do."

After saying the last sentence, Wei An turned to leave without looking at Gong Ao. .

Wei An was not stupid, he knew that Gong Ao just wanted to use himself as a springboard. If he really joined the Demon Race, he would definitely not support each other with him.

Moreover, Wei An is already very difficult among the demons. If he agrees to Gong Ao, wouldn't he have another competitor?

Although Wei An is sometimes reckless, he knows how to survive, so it is impossible to help Gong Ao.

The ultimate husband in Chinese chapter 4196-4200

Chapter 4196

Mad!

At this moment, watching Wei An turn and leave, Gong Ao's face was gloomy, and his heart was filled with anger.

This bastard with a broken leg doesn't even help me?

If you don't join the Demon Race, you have no backing, and sooner or later you will be caught by the Nine Heavens God?

No, you can't sit still like this.

Thinking of this, Gong Ao looked grim, and at that time his heart sank, and he stood up.

hum!

In the next second, Gong Ao's divine power exploded, lightning fast, and a palm slapped directly behind Wei An.

Gong Ao thought about it, since Wei An refused to help, he would just get rid of him.

"You..."

Wei An was taken aback when he felt the movement behind him, and when he turned back to see Gong Ao bursting out, he was even more shocked, and said angrily, "Gong Ao, what are you going to do?"

"Gong Ao was really insidious, and even attacked from behind.

"Young Master Wei An." The corner of

Gong Ao's mouth rose slightly, unable to hide the ruthlessness and madness in his heart: "I ask you the truth, but you refuse to help at all, so you can't blame me." The

last word Falling down, Gong Ao quickened his speed and slapped it with a palm.

This chapter is provided by . Visit for daily update.

"I'm afraid you can't do it?"

Wei An was frightened and angry, subconsciously wanting to dodge, but both of his legs were prosthetic limbs, so he couldn't move at all, so he couldn't dodge at all.

boom!

This palm slammed hard on Wei An, and then heard a dull sound, Wei An trembled, was directly knocked back dozens of steps, and finally hit a tree and stopped.

Gong Ao didn't use all his strength, otherwise, Wei An would be dead at this time.

"You..."

At this time, Wei An leaned on the book, only felt the blood in his body churn, and looked at Gong Ao in shock and anger: "If I don't recommend you, you will kill me? Kill me, It won't do you any good."

When he said this, Wei An was a little flustered in addition to anger.

He never thought that Gong Ao would be so ruthless, that he would be allied with him anyway, and he even said that he would do it.

At the same time, there are still some doubts in my heart.

Wei An clearly felt that Gong Ao's palm didn't explode with full power, otherwise, he would have died.

Could it be that... Gong Ao just wanted to teach himself a lesson?

Thinking of this, Wei An quickly said: "Commander Gong, it's not that I won't help you, but I really don't have a position in the Demon Race, so let's go back and have a look first, find an opportunity, and I'll recommend you to Demon Venerable, how?"

Speaking of which, Wei An didn't want to compromise with Gong Ao, but if he didn't compromise, he would die.

"Haha!"

In the face of Wei An's request, Gong Ao's face was full of contempt, and he sneered: "Young Master Wei An, you don't have to lie to me, you have never thought of helping me, why should you pretend to agree?"

Saying that, Gong Ao's eyes flashed coldly, and he continued: "Want to know why I didn't kill you immediately? Because, your body is still useful to me."

What? !

Hearing this, Wei An was inexplicably uneasy, and said in shock, "You... what do you want?"

Gong Ao's eyes flashed with playfulness, and he said word by word, "I thought about it just now, since you won't help me. , I had no choice but to occupy the dove's nest and use your identity to join the Demon Race."

"You should have heard that in the Imperial Palace, there is a forbidden technique called 'spiritual immersion'. Specifically, I destroy your soul consciousness, and then integrate my soul consciousness and primordial spirit into your body. Nai, at that time, I will become you, and no one will know."

"Although your body has broken a pair of legs, it is still barely usable."

"And my body will naturally be brought back to the devil. Respect for the credit."

"In this way, I not only used your body to save a life, but also used my body to take credit for Li Xia of the Demon Race, killing two birds with one stone, what do you think?"
At the

end, Gong Ao's face was full of expressions. crazy.

crazy!

This Gong Ao is simply a lunatic.

Hearing this, Wei An was both angry and panicked, but he felt shivering all over, and cold sweat broke out.

You can think of such a terrifying way, this Gong Ao is even more terrifying than the Demon Race.

In panic, Wei An almost cried: "Commander Gong, please give me a chance, I will definitely recommend you, I..."

Thinking that Gong Ao was about to occupy his body and become himself, Wei An Not shudder.

Ugh!

Gong Ao didn't listen to Wei An's plea at all. He shook his head and said, "Forget it, if you recommend me, I have to risk being killed. This is the best way to do it once and for all."

Chapter 4197

Papa... After the

voice fell, Gong Ao shot like electricity, his Yuan turned divine power, and sealed several big acupoints on Wei An's body. At any time, Wei An's body trembled, and he couldn't move.

"Gong Ao, you scum..."

He couldn't move, Wei An was so frightened that he was about to scold loudly, but as soon as he scolded a few words, he saw Gong Ao muttering words, and then put his hands on Wei An's on the head.

hum!

For a while, Wei An only felt his whole body tremble, and then a terrifying force poured into his body.

That's right, Gong Ao has already begun to perform 'Spirit of the Spirit'. The first step is to destroy Wei An's soul consciousness. After the soul consciousness is destroyed, Wei An becomes a body without a soul.

Under the crushing force of that force, Wei An only felt that his consciousness became blurred and ethereal.

“You won’t have a good end...”

“Ah...” The

soul consciousness was gradually destroyed, and the unspeakable pain continued to invade Wei An’s soul. For a time, Wei An kept cursing. write.

At first, he scolded fiercely, but gradually, his voice became weaker.

In the end, Wei An’s eyes became empty.

puff.

Finally, after the soul consciousness and soul were completely destroyed, Wei An’s body fell softly to the ground.

call!

At this moment, Gong Ao took a deep breath, the corners of his mouth raised a trace of cruelty, and said to himself, “Wei An, I don’t want to do this either, but in order to save my life, I can only sacrifice you.”

As soon as the words fell, Gong Ao continued to use the forbidden technique of ‘falling into the spirit’, allowing his soul consciousness and primordial spirit to escape from the body, and then slowly merged into Wei An’s body.

Buzz...

For a while, I saw strange forces circling around.

If there was someone next to him, he would definitely be shocked when he saw this scene. Gong Ao’s soul consciousness and primordial spirit gradually emerged from his body, and then slowly entered Wei An’s body...

I don’t know how long it took, Gong Ao finally successfully integrated into Wei An’s body.

“Haha!”

At this moment, Gong Ao slowly stood up and couldn’t help laughing up to the sky. Although this body with a broken leg didn’t feel very good, at least he didn’t have to worry about being chased by the Nine Heavens God.

After laughing a few times, Gong Ao dragged his original body and strode away.

Gong Ao didn't know where the temporary resting place of the demons was, but he believed that the fact that Wei An and Dong Zang could come to the False Mountain to investigate just now proved that their camp was not far away.

call!

I don't know how long it took, Gong Ao finally found the demon camp when he was out of the valley. He took a deep breath and walked over quickly.

wow.

At this moment, seeing Gong Ao dragging a corpse, the demon warriors patrolling around immediately surrounded him.

"This...isn't that Gong Ao? A subordinate beside the Nine Heavens God."

"Dead?"

Under the discussion, these demon warriors didn't realize that the 'Wei An' in front of him was occupied by Gong Ao. The body is no longer the Wei An before.

Seeing that these demon warriors had no doubts, Gong Ao was very excited.

Haha..

This forbidden technique of 'falling into God' is really powerful.

Thinking to himself, Gong Ao exchanged a few words with a few demon warriors and went straight to the big tent.

A few minutes later, in the big account.

Demon Lord Gone sat there without the slightest fluctuation on his face, and his whole body was filled with a palpating aura.

Moyan and Yutian, as well as the other holy demon kings, all looked awe-inspiring on both sides of the station.

Gong Ao knelt there with a respectful face, with his original body beside him.

"Wei An."

At this moment, Mo Yan spoke first, looking at Gong Ao and asking, "What's the matter? Where is Dong Zang who went out with you?" The

voice fell, and the eyes of Demon Lord Gone and the other holy demon kings, They all looked at Gong Ao closely, waiting for his answer.

At this time, whether it was the Demon Lord Gone or the Twelve Holy Demon Kings, there was nothing wrong with the 'Wei An' in front of him.

"Return to Your Excellency the Demon King."

Gong Ao took a deep breath and said politely: "Just now, Dong Zang and I went to investigate the False Mountain, and we happened to meet this Gong Ao, so we started directly at that time, Dong Zang was defeated by Gong Ao and was defeated by Gong Ao. Kill him. I took advantage of Gong Ao's weakness and killed him."

After speaking, Gong Ao made a very frightened look: "This subordinate is incompetent and failed to save Dong Zang's life, please punish him."

Chapter 4198

Call!

Hearing this, Mo Yan breathed a sigh of relief, and her delicate face showed a bit of doubt: "How can this Gong Ao suddenly appear in the False Mountain?"

Mo Yan was very surprised at this time.

You must know that Gong Ao is very powerful. Wei An and Dong Zang joined forces to kill him.

She just wanted to know, how could Gong Ao appear here.

After all, Gong Ao is a popular man beside the Nine Heavens God. If he suddenly appeared in the False Mountain, will he be followed by the God Realm army?

"Back to the Demon King."

Hearing the question, Gong Ao's mind turned quickly and responded: "We started fighting when we met, I don't know why this Gong Ao came to the False Mountain, but according to my guess, it should also be sensed. I came to check the situation from the previous tremors of the False Mountain."

Gong Ao was very thoughtful and knew the truth that too much words must be lost, so he didn't explain too much.

Hearing the answer, Mo Yan nodded and stopped asking.

"Wei An."

At this time, the silent Demon Venerable looked at Gong Ao and said slowly, "This Gong Ao has a very high status in the Divine Realm. If you can kill him, it can be regarded as our defeat before. Out of anger."

After speaking, the Demon Lord Gone smiled slightly: "This time you have made a contribution, and I will make you the Xuanwu General. I hope you will serve more of our Demon Race in the future."

At this time, the Demon Lord was not yet You know, it's not Wei An at all, but Gong Ao.

"Thank you, Your Highness."

Gong Ao was overjoyed and hurriedly bowed.

Heart is also indescribable excitement and excitement.

Hahaha...

This forbidden technique of 'spiritual immersion' is really easy to use, and even the Demon Venerable didn't notice it.

"That's right!"

At this moment, Demon Lord Gone thought of something, looked at Gong Ao and asked: "You were in the False Mountain just now, besides fighting against Gong Ao, what else did you see? Why did the vision of heaven and earth appear at that time?"

Go back to your honor."

Gong Ao was stunned for a moment, and quickly replied: "Beside the False Mountain, there are two huge statues..." After speaking, he explained the scene he had seen before in detail.

At the end, Gong Ao pondered and said, "My subordinates guess that those two statues should be masterpieces of immortals outside the sky, because other than immortals outside the sky, it is impossible for others to create such a big scene in such a short time. It will not trigger a vision of heaven and earth."

Immortals from outside the sky?

Hearing this, Demon Lord Gone frowned, suddenly thinking of something, his eyes flashed.

Could it be that Jade Child Immortal Weng?

....

on the other side.

“Fairy Pipa, wait...”

High in the sky, Yutong Xianweng took Princess Dongling and flew all the way, and finally caught up with Fairy Pipa.

Um?

Seeing this, Pipa Fairy Xiumei frowned, slowly landed, and asked Yutong Xianweng, “Is there anything else?” Huh

!

Yutong Xianweng took a deep breath, held the Tianqingzhu in his hand, and shook it: “I’ll give you this Tianqingzhu.”

Fairy Pipa was stunned: “This is what you won, why don’t you want it?”

Saying that, Fairy Pipa looked at Princess Dongling: “Aren’t you going to help her rebuild her primordial spirit? What? You have to give up now?”

“Why would I give up?”

Yutong Xianweng shook his head with a serious face. I just won disgraceful just now.”

Said, Yutong Xianweng looked at Fairy Pipa closely, and said excitedly: “Tell me, why did you deliberately lose to me just now? Are you afraid that I will lose face? Can I, Yutong Xianweng, not be able to lose?”

“No, we have to compete.”

When he said this, Yutong Xianwen was angrily.

He has a very strong self-esteem and knows that Fairy Pipa deliberately lost to him, so he can’t calm down.

Seeing him being a scoundrel

, Pipa Fairy couldn’t help laughing and laughing, and said softly, “How could I deliberately lose to you? Stop fooling around, I still have something to do.”

“Why am I fooling around?”

Yutong Xianweng suddenly became anxious, raised his finger and pointed at Princess Dongling: "She said it, just now she saw you at the end of the competition and deliberately stopped, you said, did you deliberately lose to me ? "

"Do you think I can't compare to you? You look down on me..."

Alas!

Hearing this, Fairy Pipa was very helpless and gave Princess Dongling a speechless look.

This girl is really interesting. I lost on purpose, so that you can get the Sky Blue Pearl, so that you can reshape the soul, you'd better, and tell the situation.

Chapter 4199

Feeling Fairy Pipa's gaze, Princess Dongling was very embarrassed, her face turned slightly red, and she lowered her head.

At the same time, I couldn't help but cry.

At this time, Princess Dongling did not expect that Yutong Xianweng was so determined to win, knowing that the opponent had lost intentionally, he would catch up and ask Fairy Pipa to try again. "Don't you have anything to say

?"

At this time, Yutong Xianweng looked like she was holding the opponent's handle, and smiled at Fairy Pipa: "The competition just now doesn't count, let's have a competition."

Sky Qingzhu threw it over.

"Wait."

However, Fairy Pipa stopped Yutong Xianweng, her delicate face was full of seriousness: "I can promise you, let's compete again, but you must accept this Tianqingzhu first.

" Why?" Yutong Xianweng was puzzled.

Fairy Pipa pointed at Princess Dongling: "Because she needs this thing."

After saying that, Fairy Pipa looked at Yutong Xianweng closely: "Don't you want a real competition? I can promise you, I don't want to release water on purpose, but Tianqingzhu, you must accept it."

“Okay!”

Yutong Xianweng was silent for a few seconds, then nodded, then turned his head towards Princess Dongling and said, “Daughter, you can make it happen. Fairy Pipa is so attentive, it’s really a blessing from her previous life. Since she insists on giving it to you, you can take it.” As he

spoke, he handed the Tianqingzhu to Princess Dongling.

“Thank you, senior.” Princess Dongling took the Sky Blue Pearl and smiled happily.

Immediately, Princess Dongling thanked Fairy Pipa again: “Thank you Fairy.”

Fairy Pipa smiled lightly, indicating that you are welcome.

“Okay, okay.” At this time, Yutong

Xianweng couldn’t wait to say: “What is the competition this time? If there is no bet in the competition, it will be very boring. Let me see what good things I have on me.”

Tong Xianweng began to rummage through his pockets, and after a while, he took out a colorful Ruyi.

I saw the colorful Ruyi, the whole body was lustrous, and there was a charming luster.

“This is made of colorful jade. Colorful jade is rare in the world, and it can be regarded as a rare treasure.” Yutong Xianweng said with a smile.

Um!

Fairy Pipa nodded, then thought about it, and took out a jade bottle from her body.

Swish!

At this moment, the gazes of Yutong Xianweng and Princess Dongling suddenly converged on the jade bottle. They saw that the jade bottle was delicate in texture, and it was also a good treasure. However, it was the inside of the jade bottle that attracted the attention. A strange flame jumped up and down.

Yes, this fire is the soul of Yue Feng.

In Fengmo Mountain before, Yue Feng was killed by Demon Zun Gone. At that time, he wanted to use the flame of Bird Ancestor’s power to regenerate Pan Nie, but when Demon Zun Gone noticed it, he shot again and destroyed the flame of Pan Nii, but It is still a hundred secrets, and a ray of Yue Feng’s soul escaped by luck.

Later, Fairy Pipa happened to pass by and saw the flames that were transformed by the spirit. At that time, she thought it was interesting and put it in the jade bottle.

Such a strange flame.

At this moment, both Yutong Xianweng and Princess Dongling were extremely curious.

“Jade boy fairy.”

This is, Fairy Pipa’s red lips lightly opened, and she said, “I don’t have any other treasures on my body, only this jade bottle, the flame in the jade bottle, which I got on the Mountain of Sealing Demons. I thought it was very interesting at the time, so I put it away. Inside the jade bottle.”

“If you think you can, let’s start.”

When she said this, Fairy Pipa’s delicate face was full of seriousness.

Because anyone with a discerning eye can see that these two bets, Yutong Xianwen’s colorful Ruyi is obviously rarer, while the jade bottle of Pipa Xianzi is very common.

The only interesting thing is the flame inside.

“Hurry up.”

Immediately after he finished speaking, Yutong Xianweng couldn’t help urging. In his heart, it didn’t matter whether the bet was precious or not. What was important was that he could compete fairly and impartially with Fairy Pipa.

“What do you want to compare this time?” Fairy Pipa asked with a slight smile.

“Let me think about it.” Yutong Xianweng responded, handing over the Qicai Ruyi and the jade bottle to Princess Dongling, and then began to ponder.

Chapter 4200

“Think about it, I don’t have time to make trouble with you.” Fairy Pipa shook her head and smiled bitterly, and couldn’t help but urged gently.

Buzz!

As soon as he finished speaking, he sensed a powerful aura coming from not far away.

Sensing this breath, both Yutong Xianweng and Princess Dongling couldn’t help but turn their heads to look.

hiss!

Seeing this, Princess Dongling couldn't help but take a deep breath!

I saw nearly 20,000 demon warriors coming in a mighty manner. In front of these demon warriors, it was the Demon Lord Gone and the Twelve Holy Demon Kings.

At this time, the Demon Lord Gone, suspended in mid-air, was majestic and had an amazing aura.

Oops!

Seeing the Demon Lord Gone, Princess Dongling trembled in the suburbs and was flustered.

Princess Dongling can't forget that at the wedding with Princess Dongling, the Demon Lord Gone suddenly appeared, kidnapped him, and then destroyed his own primordial spirit. If it wasn't for Yutong Xianweng passing by, the consequences would be unimaginable.

In Princess Dongling's heart, she already had a shadow on Demon Venerable, and when she saw him again at this time, her soul would tremble.

"Girl!"

At this time, Demon Lord Gone's eyes were fixed on Princess Dongling, and his tone was filled with incomparable contempt: "My life is really big, the primordial spirit has been destroyed, and it has not died yet.

" In his proud mouth, when he learned about the situation on the False Mountain, Mozun Gone guessed that it might be the Jade Child Immortal. 's whereabouts.

call!

Feeling the powerful breath of Demon Lord Gone, Princess Dongling pretended to be calm and did not respond, but her delicate face was extremely pale.

Princess.

At this moment, Gong Ao, who was in the demon army, stared at Princess Dongling tightly, and was extremely shocked.

Is she not dead?

Although Princess Dongling was taken away from her innocence by Yue Feng, Gong Ao was very resentful and decided to forget Princess Dongling at that time, but when she saw it again, her heart was still hard to calm down.

After all, that was the goddess whom she had adored for so long.

At this moment, Gong Ao wanted to rush over and say hello to Princess Dongling, but thinking that he was using Wei An's identity, he forcibly held back.

Swish!

At this time, the Demon Lord Gone's eyes fell on Yutong Xianweng and Pipa Fairy's, his eyes flashed with complexity: "Yutong Xianweng, Pipa Fairy, it's really rare to meet two people here." The

last time In the battle between gods and demons, a ray of soul-mind of Demon Lord Gone had wandered for nearly ten thousand years outside the nine heavens. During those long years, he had encountered countless immortals from outside the heavens, including Yutong Xianweng and Pipa. Fairy.

What a disappointment.

Yutong Xianweng frowned, looking very displeased, took a step forward and said to Demon Zun Gone: "Demon Gonia, if you pass by, hurry up and don't hinder our competition.

" The Pipa Fairy deliberately released water, which has already made Yutong Fairy very depressed.

And this time, before the competition started, the demons came to make trouble again, which made Yutong Xianweng very annoyed.

Although the Demon Lord Gone is very famous and powerful in the realm of the gods, in the eyes of Yutong Xianweng, it is nothing at all, and his words are naturally rude.

"presumptuous!"

As soon as the words fell, the Holy Demon King Jutian strode out, pointed at Yutong Xianweng and scolded: "Dare to talk to our lord like this, you don't want to live anymore?"

This old man really has no rules at all, and he must be taught a lesson.

I thought to myself, Jutian was about to rush up, but was stopped by the Demon Lord Gone.

“Yutian, step back.” Demon Lord Gone said lightly, his voice was not loud, but there was no doubt.

Yutian took a deep breath, glared at Yutong Xianweng, and backed away.

“It turned out to be the Demon Venerable who was wandering outside the Nine Heavens.”

At this time, Fairy Pipa’s red lips lightly opened, and she said lightly to the Demon Venerable Gone: “I didn’t expect you to reshape the body, it’s really gratifying, Yutong and I. Immortal Weng is reminiscing about the past, if you are okay, please don’t disturb us.”

Fairy Pipa has a weak nature and doesn’t care about the battles in the realm of the gods. At this time, I just thought that my competition with Yutong Xianweng would not be disturbed by the outside world.

Hehe...

Hearing this, Demon Lord Gone smiled slightly, nodded and said, “I won’t disturb the two of you reminiscing about the past, but I will take this girl away.”
