

## The ultimate husband in Chinese chapter 4201-4210

### Chapter 4201

Speaking, Demon Lord Gone's gaze fell on Princess Dongling, and his face was gloomy.

If it was a day ago, Mozun Gone would not have made a fuss about Princess Dongling. After all, she is only the daughter of the Nine Heavens God, and she can't commit it, but since yesterday's defeat, Mozun Gone has been holding a fire in her heart.

Seeing Princess Dongling at this time, she naturally wouldn't let it go easily.

Swish!

Feeling the gloomy gaze of Demon Lord Gone, Princess Dongling's tender body trembled, her heart was terrified, and she trembled: "I...I will not go with you."

While speaking, Princess Dongling asked for help. Looking at Yutong Xianweng.

"Gonie."

At this moment, Yutong Xianweng was completely impatient, and shouted at the Demon Lord Gone: "You did it on purpose, didn't you? You asked me to take away this girl before, but now Do you want to take it back again?"

"Not bad!" The Demon Lord Gone's face did not fluctuate at all, and said lightly: "I regret it!"

Mad!

Hearing this, Yutong Xianweng's beard cocked up in anger, and mocked at the Demon Lord Gone: "Gonie, you are still the Supreme Lord of the Demon Race, you don't even need to talk, you don't need your face?"

Shah!

In an instant, Demon Lord Gone's face became extremely ugly. He was the supreme Demon Race, but was scolded in public by an immortal from outside the sky. Where would he put his face in the future?

The more he thought about it, the more angry he became, and he said coldly: "Yutong Xianweng, for the sake of our acquaintance, I don't care about you, and tolerate everything, don't think I'm afraid of you."

"I tell you, This girl, I have to take it away today."

Om!

The last word fell, and a violent and terrifying aura erupted from the Demon Lord Gone, sweeping the world.

However, Yutong Xianweng did not panic at all, and was also provoked at this time, and said with his hands on his hips: "Then I will also tell you, today I am here, you don't want to touch her a finger."

At the same time, Pipa Fairy couldn't see it either. Going down, he took a step forward and said coldly: "Goni, you dignified devil, why can't you get along with a baby girl? Why don't you give me a face, forget it."

Forget it?

Demon Lord Gone's eyes flashed cold and sinister, and he said word by word: "Her father, the Nine Heavens God killed so many of my tribe, this hatred is not shared by the sky, Fairy Pipa, what you say today is useless, I advise you not to meddle in your own business, or don't blame me for being rude."

What a lunatic.

Hearing this, Fairy Pipa knitted her brows tightly, her beautiful face showing a bit of displeasure, she didn't hesitate at that time, she walked over and firmly stood in front of Princess Dongling.

Fairy Pipa disliked this kind of injustice the most. Although she had no friendship with Princess Dongling, the Demon Venerable used her power to bully others, which was really hateful.

Fairy Pipa thought about it. No matter what, she must protect Princess Dongling's well-being.

Haha...

Seeing Fairy Pipa taking the initiative to help, Yutong Xianweng showed a smile and said excitedly: "Fairy Pipa, it seems that we can't compete normally this time, why don't we do this, wait for a fight, let's Compared with whoever has defeated more demon idiots." The

demon warriors are all very powerful, but in the eyes of Yutong Xianweng, they are just a bunch of idiots.

Pfft...

Princess Dongling was nervous at first, but when she heard this, she couldn't help it and pursed her lips and laughed.

Fairy Pipa couldn't help laughing too, her smile was like a flower, she was so beautiful.

Damn...

the Demon Lord Gone on the opposite side is unforgivable.

The twelve holy demon kings behind him were also instantly angry, and they were all so angry.

This Jade Child Immortal Weng is too mad to dare to despise the demon warriors so much, he can't bear it.

"Okay, very good!"

Finally, Demon Lord Gone took a deep breath and roared coldly: "Take this girl for me, if you encounter resistance, kill it."

When he said this, Demon Lord Gone's eyes flashed. Terrifying light. have lost their minds.

He knew that the combined strength of Yutong Xianweng and Pipa Fairy was terrifying.

But they had already given them face just now, and as a result, they toasted and didn't eat the penalty drink, so they had to use the thunder method.

Whoa!

The voice fell, and the twelve holy demon kings erupted one after another, coming towards Yutong Xianweng and Pipa fairy.

At the same time, nearly 20,000 demon warriors also poured in like a tide.

Chapter 4202

Swish!

Seeing this scene, Yutong Xianweng's face suddenly became cold, staring closely at the Demon Lord Gone, and sneered: "Okay, very good, saying you are shameless, you are really shameless, you want to bully more people. There are few people, right, let me tell you, even if you double the number of people today, don't even think about taking this girl away from me." The

voice fell, Yutong Xianweng burst out, a strong breath, Swept across the world, and then greeted the Twelve Holy Demon Kings.

Bang bang bang...

The next moment, I saw Yutong Xianweng's figure as fast as thunder and lightning, constantly shuttled in mid-air, the twelve holy demon kings, almost didn't respond what was going on, there were six or seven, directly After being shaken out, they all turned pale.

Hiss...

At this moment, whether it is Mo Yan or Yutian, it is extremely shocking.

The strength of this Jade Child Immortal Weng is too terrifying. The Twelve Holy Demon Kings united, but they couldn't suppress him, but were so easily shaken back by him.

Seeing this situation, Demon Lord Gone's face instantly became ugly.

"Yutong Xianweng." The

next second, Demon Zun Gone stared at Yutong Xianweng, and said word by word: "I know you are very strong, but today, the deity is bound to win."

Om!

The voice fell, a powerful breath permeated from the Demon Lord Gone, and then the figure drew a black trajectory, suddenly raised his hand, and hit Yutong Xianweng with a palm!

Speaking of which, Demon Lord Gone held his own identity and never thought of taking action in person, but seeing the Twelve Holy Demon Kings, he couldn't suppress Yutong Xianweng at all, and he couldn't help it.

Seeing the explosion of the Demon Lord Gone, Yutong Xianweng did not panic at all, but was extremely excited and shouted: "Gonie, you have finally shot, I have been waiting for you."

The competition with Fairy Pipa was disturbed . , Yutong Xianweng has long been holding his stomach, and he has long wanted to teach Mozun Gone a lesson, and seeing him take the initiative to rush up at this time is exactly what he wants.

The voice fell, Yutong Xianweng rose into the sky, and in the high sky, he fought fiercely with Demon Lord Gone.

Hula...

At this moment, nearly 20,000 demon warriors also rushed to the front.

Faced with this situation, Fairy Pipa bit her lip lightly, and her delicate face did not fluctuate in the slightest: "You demons want to win by having more people, but you underestimate me too much."

After saying the last sentence, Fairy Pipa was graceful. Get up and rush directly into the crowd.

This...

Seeing this situation, Princess Dongling, who was standing behind, bit her lip, unable to express her anxiety.

She knew that Yutong Fairy and Pipa Fairy were both very powerful.

But no matter how strong they are, they are only two people. How can they deal with the Demon Lord Gone, the Twelve Holy Demon Kings, and nearly 20,000 Demon Warriors at the same time?

Thinking to herself, Princess Dongling really wanted to help out, but now that she has no primordial spirit, she can only watch in a hurry.

"Baby girl."

Seeing Princess Dongling's anxious look, Fairy Pipa shouted while dealing with the demon warriors, "You step aside first and put away the Tianqingzhu." The

voice was not loud, but there was no doubt about it.

Tian Qingzhu can help Princess Dongling and rebuild her primordial spirit. If she loses it, it will be difficult to find another one.

call!

Hearing this, Princess Dongling breathed a sigh of relief, and quickly put away the Tianqingzhu, as well as the colorful Ruyi and jade bottle, and quickly stepped aside to watch the situation anxiously.

"Boom!"

At this moment, I saw that in the sky, the fight between Demon Lord Gone and Yutong Xianweng became more and more intense. I saw Demon Lord Gone raised his hand and collided with Yutong Xianweng's palms!

In an instant, a loud noise came out, and at the moment when the two palms collided, a tyrannical fluctuation of internal force swept the audience!

Immediately afterwards, I saw Demon Lord Gone's face pale and groaned, and his figure was knocked back dozens of steps in the air. As for Yutong Xianweng, his face changed slightly, and his figure stood there proudly, as stable as a rock.

Obviously, with this palm down, Demon Lord Gone suffered a loss.

Speaking of which, if the Demon Lord Gone was in his peak state, he would never be so embarrassed. The next day, he went to investigate the whereabouts of the demon clan, and the Demon Lord Gone was almost physically and mentally tired.

In this case, facing the peak state of Yutong Xianweng, it is naturally not an opponent. mad.

At this moment, Demon Lord Gone stabilized his figure, glared at Yutong Xianweng, and was secretly shocked.

## Chapter 4203

You must know that since the reshaping of the body, his strength has not been what it used to be. Even if he is not in the peak state, it is more than enough to deal with Yutong Xianweng, but the palm just now did not fight the opponent.

"Yu Tong Xian Weng."

Under the shock, Demon Lord Gone said coldly: "I didn't expect that over the years, your strength has reached such a state, not bad." The voice fell, Demon Lord Gone flashed, and again Rush over!

"If you want to fight, fight, what nonsense!" Yutong Xianweng snorted coldly, without fear, and directly attacked!

Boom....

In the next few seconds, I saw the silhouettes of both sides, constantly shuttled in mid-air, maybe the Demon Lord Gone was too impatient, and there were many flaws in the fight.

Naturally, Yutong Xianweng will not miss the opportunity to use these flaws to suppress the Demon Lord Gone.

"Your Highness, let's help you."

Seeing this, the Twelve Holy Demon Kings who were resting for a while rushed over with howling, and together with Demon Lord Gone, they tightly surrounded Yutong Xianweng.

Hehe...

In the face of this situation, Yutong Xianweng did not panic at all, but became more and more excited, and said with a big laugh: "You demons are like this, fighting alone is not an opponent, so you want to use the wheel to fight, but this Order someone, the old man has not paid attention to it yet." The

voice fell, Yutong Xianweng suddenly raised his hands, and the wind was surging above his head, the wind was howling, and the surrounding air was twisted, like the end of the world.

It is Yutong Xianweng's stunt 'reversing the world'.

"Dangdangdang!"

In the face of Yutong Xianweng's stunt, Demon Lord Gone, plus the Twelve Holy Demon Kings, was a little busy for a while, but still couldn't gain the slightest advantage!

on the other side of the battlefield.

Facing the constant charge of the demon warriors, Fairy Pipa's delicate face did not fluctuate in the slightest, and her figure was like an elf at night, dancing up and down in the army.

However, there are too many demon warriors. The next group fell, and another group rushed up.

Facing this situation, Fairy Pipa was calm on the surface, but a little anxious in her heart.

Can not be done.

Continue like this, the other party will catch the girl doll sooner or later.

hum.

Under the anxiety in her heart, the Pipa Fairy suddenly had an idea, her delicate body flashed, she rushed into the air, pulled out the Pipa on her back, and put her jade hand on it.

In the next second, a melodious and peculiar rhythm came out, and I saw this rhythm spread out, and the air within a kilometer radius suddenly distorted and changed.

“What kind of skill is this?”

“Do you want to kill people with rhythm? Haha...”

Seeing this, many demon warriors couldn't help laughing. In their opinion, Fairy Pipa did this like it's like playing a house, and there is no threat at all.

The sound of laughter came, but Fairy Pipa ignored it and continued to play.

The rhythm visible to the naked eye, like ripples, quickly spread around, covering the demon warriors.

What the Pipa Fairy played was her proud stunt 'Tianwai Xianyin'. Tianwai Xianyin has no real damage, but it can disrupt the enemy's soul thinking.

“Ah, my head hurts!”

“Who am I, where am I...”

At this moment, under the harassment of Tianwai Xianyin, many demon warriors held their heads tightly, only to feel a splitting headache, and their minds went blank.

Puff, puff...

A few seconds later, there were thousands of demon warriors who couldn't bear the intrusion of Tianwai Xianyin, and fell to the ground in a coma. The rest who were not in a coma were also in a trance.

This....

Seeing this situation, Gong Ao, who was watching the battle not far away, was stunned, staring blankly at Fairy Pipa in the air, indescribably shocked.

This Pipa Fairy is worthy of being a Heavenly Immortal.

Just playing a rhythm with the lute can achieve such a terrifying effect.

At the same time, Princess Dongling who had retreated to the side was also extremely shocked. At the same time, under the constant intrusion of the rhythm, she also felt a headache and almost fainted.

hum!

It was at this time that Fairy Pipa landed suddenly and patted Princess Dongling gently behind her back: “Quick, take advantage of the opportunity, you hurry up.”

When she said this, Fairy Pipa looked indifferent, but felt a little anxious in her heart.

Chapter 4204

She knows that the situation in front of her seems to be beneficial to her, but if she continues to fight, it is difficult to guarantee that there will be no accidents. The best way is to let Princess Dongling go quickly when the enemy formation is in chaos.

Whoosh!

This palm seems to be fluttering, but it contains extremely strong power. Before Princess Dongling could respond, she felt a strong force coming, and the whole person flew towards the distance.

“Thank you fairy.” Princess Dongling shouted gratefully, and when the last word fell, it was already a thousand meters away.

Princess Dongling was not stupid, she knew that Fairy Pipa did this for her own safety.

hum!

Before Fairy Pipa could respond, she made sure that Princess Dongling had left safely. With a flash of her delicate body, she rushed into the battlefield again.

mad.

Seeing this scene, Demon Lord Gone was instantly furious. He never thought that Fairy Pipa would use this method to send Princess Dongling away.

At this moment, Mozun Gone really wanted to chase, but was entangled by Yutong Xianweng and couldn't get out at all. In a hurry, he shouted at Gong Ao: “Wei An, what are you still doing? Go and chase that girl back to me. If you fail, don't come back to see the deity.”

“Yes, your honor.” Upon hearing the order, Gong Ao was shocked, and quickly responded, and then turned towards Princess Dongling. Chase in the direction it flew away.

At this moment, Princess Dongling is here.

After flying for a few minutes, Princess Dongling finally landed on the ground.

call!

At this moment, Princess Dongling was both excited and emotional.

That Pipa Fairy is so powerful that she can send me so far with one palm.

With emotion, Princess Dongling was still a little worried.

After he left, Senior Yutong and Fairy Pipa, can they escape successfully? After all, what they faced was the Demon Lord Gone and the Twelve Holy Demon Kings.

Forget it, take it one step at a time. Anyway, in my current situation, going back won't help, but instead causes trouble.

Thinking to herself, Princess Dongling put away the azure pearl, the colorful ruyi, and the jade bottle that already contained the essence of fire, and then walked forward. At this time, Princess Dongling didn't know where she was, but she knew exactly where she was. , I must go as far as possible, otherwise, the demons will soon catch up.

However, Princess Dongling did not notice that a figure quietly landed a few hundred meters behind her.

His eyes flickered with complexity, his expression cunning.

It was Gong Ao.

Phew.... I didn't get lost after all.

At the moment of landing, Gong Ao looked at Princess Dongling who was not far in front of him. He was both excited and emotional, and then quietly followed behind.

After a while, Princess Dongling came to the edge of a cliff.

I saw this cliff, surrounded by clouds and mist, and it was almost bottomless. If I accidentally fell, it would be shattered.

In the past, Princess Dongling would not panic at all and could easily fly over the cliff, but now that she has no primordial spirit, she has no way to pass.

Oops!

At this moment, looking at the steepness below the cliff, Princess Dongling was so anxious that she almost cried.

After finally getting out of the danger, she was blocked by a cliff at this time. For a time, Princess Dongling couldn't bear it any longer, and the tears kept coming.

"Father, Queen Mother, Dongling misses you so much, I really want to come back to you... woo woo..."

Since being captured by the Demon Lord Gone, Princess Dongling has suffered a lot, but with her tenacious character, she has been holding back, and at this time, she can't hold it anymore.

While crying, Princess Dongling clenched her pink fist tightly.

At this time, Princess Dongling really wanted to go back to help, but she knew that if she went back, she would die, but she couldn't calm down when she thought that Fairy Yutong and Fairy Pipa were still fighting fiercely with the demons for her own sake.

It's fine if he can't go back to help, and now he's blocked by a cliff.

What use are you for yourself?

Shasha...

Just when Princess Dongling was secretly blaming herself, she suddenly heard a slight footstep behind her.

It's broken, someone is following.

At that time, Princess Dongling's delicate body was shocked, she looked back quickly, and she was stunned.

I saw a man walking slowly with a smile.

Chapter 4205 Wearing

black soft armor, he looks very imposing, but the two prosthetic limbs on his legs are very eye-catching.

It was Gong Ao who pretended to be Wei An.

Huh...

For a while, Princess Dongling panicked in her heart. She seemed calm on the surface, but her delicate body couldn't stop trembling!

This devil's subordinate, found himself so quickly?

It's over, it's over.

"His Royal Highness."

At this moment, Gong Ao showed a smile and comforted: "Don't be nervous, I will not hurt you." As he spoke, Gong Ao's eyes flashed with complicated emotions.

When I learned that Princess Dongling's innocence was taken away by Yue Feng, and the two parties were going to get married, Gong Ao was hit hard, and his heart was almost ashes. In Gong Ao's heart, he thought that he would no longer have any nostalgia for the princess. .

However, when facing Princess Dongling alone at this time, Gong Ao's suppressed feelings surged up uncontrollably.

"I..."

Feeling Gong Ao's attitude, Princess Dongling frowned, and said in a puzzled manner, "I know you, you are the son of King Xuanwu, what do you want?"

"On the beautiful face of the princess, the hostility and vigilance could not be concealed.

Phew...

Gong Ao looked her up and down with his eyes, secretly exhaled, and then stepped closer: "I said just now, I will not hurt you, princess, if you believe me, let me escort you. Go back to Yutian Palace."

At this time, Gong Ao's eyes were full of urgency.

Speaking of which, Gong Ao originally wanted to take Princess Dongling back according to the order of the Demon Lord Gone, but seeing her at close range at this time, the old admiration flooded into his heart, and Gong Ao couldn't be ruthless.

He thought about it, and as the son of King Xuanwu, escorted Princess Dongling back to Yutian Palace. Anyway, he changed his identity and was not afraid of being killed.

What?

Hearing this, Princess Dongling froze there, frowning at Gong Ao: "You want to escort me back to Yutian Palace?" Although her face was full of vigilance, her eyes still couldn't hide her joy.

"Not bad!" Gong Ao nodded firmly.

Princess Dongling Xiumei frowned, and quickly calmed down, her delicate face regained her alertness: "I'm not familiar with you, why do you want to help me? Or do you have other goals?"

After so much, Princess Dongling has I won't trust anyone easily.

At this time, Princess Dongling still didn't know that the 'son of King Xuanwu' in front of her was actually Gong Ao, whom she once loved deeply.

"His Royal Highness!"

Seeing that Princess Dongling didn't believe in him, Gong Ao couldn't help laughing and crying, and said, "You don't know, my allegiance to the Demon Race on the surface is actually a fake. I just wanted to infiltrate the Demon Race and collect information.

" Although we are not familiar with each other, we have a common enemy, so you have to believe me."

However, the more he said this, the more unbelievable Princess Dongling became, shaking her head: "Forget it, I don't need your help, you can go, as long as I'm very grateful for pretending not to see me."

After saying this, Princess Dongling turned around and was about to leave, planning to bypass this cliff.

This...

Seeing this scene, Gong Ao suddenly became anxious, walked over quickly, grabbed Princess Dongling's arm: "I really want to help you, if you walk around now, it will be easy for the demons to find out. of."

"You...you let me go."

Gong Ao grabbed her arm, Princess Dongling was shy and angry, and she shouted: "Let go of me, I know you are uneasy and kind." While speaking, she struggled.

Gong Ao wanted to cry but had no tears, but in a hurry, he had to say: "Princess, calm down, I am not the son of King Xuanwu, but Gong Ao."

What?

At this moment, Princess Dongling was stunned, staring at Gong Ao in a daze, only to feel her mind buzzing.

what did he say?

He... he is Gong Ao?

After a few seconds, Princess Dongling reacted and said coldly: "What nonsense are you talking about? Let me go." This man is really crazy. He is obviously the son of King Xuanwu, but he says he is Gong Ao.

“Really!”

Seeing that she didn't believe it, Gong Ao was completely anxious, so he quickly said what happened to him during this period: “I became like this because of Yue Feng, the war. The night before, Yue Feng quietly brought the information of the demons, and he gave the information to Xingri Xingri...”

### Chapter 4206

A few minutes later, Gong Ao finished talking about the situation, and his face couldn't hide the resentment: “It's not Yue Feng, I won't be hunted down by Your Majesty, and I won't make such a bad plan to use the 'spiritual ecstasy'. Forbidden art, occupy the body of this broken-leg waste.”

Saying that, Gong Ao looked at Princess Dongling affectionately: “Princess, I know you love me, so I don't want to hide from you, I was wrong before, I don't It's time to abandon you, forgive me, okay?”

“When I escort you back to Yutian Palace, I'll ask Your Majesty for a kiss. Anyway, Yue Feng is dead, and no one can break us up again, okay?”

When the last sentence fell, Gong Ao's eyes were full of expectation and affection.

Yes, Gong Ao still wants to return to Yutian Palace.

After occupying Wei An's body and staying in the Demon Race for a day, Gong Ao deeply understands that it is better to take a gamble than to live in fear in the Demon Race.

As long as Princess Dongling is willing to accept her, after returning to Yutian Palace, she will become the concubine, and since then, she will rise steadily and enjoy infinite scenery.

Hiss....

Knowing the truth, Princess Dongling couldn't help gasping for air, staring at Gong Ao, speechless.

He is really Gong Ao.

A few seconds later, Princess Dongling came back to her senses, her delicate face was changing, then she raised her jade hand and slapped Gong Ao fiercely.

Snapped!

This slap, Princess Dongling almost used all her strength, when she heard a crisp sound, Gong Ao's face instantly became red and swollen, leaving a bright red five-fingerprint.

"Gong Ao, you shameless and despicable scum, you have the face to tell me this." Princess Dongling's suburban trembled with anger, her eyes were full of resentment: "I love you so much, but how did you treat me? I was wrong at that time. Treat Yue Feng as you, and gave myself to him. Later, I learned the truth. Do you know how uncomfortable I am? I really wanted to die."

"But thinking of you at that time gave me the courage to live again. Later, I went to Kyushu Continent looked for you, rescued you from Xia Yinzong, and then told you the truth. I hoped that you would comfort me and stay with me."

This chapter is provided by . Visit for daily update.

"But you, knowing that I have lost my innocence, just sincerely Abandoned me, said that he loved me, but made me dizzy when I wasn't paying attention, and then handed it over to Divine Sovereign Haotian. Then let him take me back to God's Domain to marry."

"You don't want me anymore, and now there is no way out, Thinking of me again, and pretending to love me, don't you feel disgusted?" At the

end, Princess Dongling was so excited that she lost her sense of reason, and said tenderly, "Get out of here, I don't want to see you, forever. I don't even want to see you, whether you live or die, it doesn't matter to me."

Shuh!

Being scolded by Princess Dongling's nose, Gong Ao's smile suddenly froze, and his eyes flashed a little colder.

Mad, I have shown my sincerity to help you, but the bullshit you scolded is no more.

Thinking about it, Gong Ao suddenly slapped him.

Snapped!

With this slap, Princess Dongling was almost unprepared. She groaned and fell to the ground.

The next second, Princess Dongling looked at Gong Ao in shock and anger: "You...you beat me?"

“You shameless bitch.” Gong Ao revealed his true face and said coldly; “I kindly help You, but you are regarded as a donkey liver and lungs, how noble do you really think you are? It’s just a piece of shit that Yue Feng has played with, and now you’re putting on airs in front of Lao Tzu?”

As he spoke, Gong Ao approached slowly, his eyes flickering with evil light, and he kept looking at Princess Dongling.

He thought about it, since Princess Dongling hates him so much, he should enjoy her, and then kill her directly and take the corpse back.

“You, what are you going to do?”

Seeing Gong Ao approaching step by step, Princess Dongling was inexplicably panicked and shouted in a trembling voice.

“What are you doing?”

Gong Ao smiled and said word by word, “I used to love you for so long, but in the end, I was cheap for that kid Yue Feng. I’m not reconciled. How does the princess feel? I also want to feel it. “

You bastard.”

Hearing this, Princess Dongling was very angry, and she immediately scolded, while scolding, she retreated subconsciously.

At this time, Princess Dongling was both angry and desperate.

Chapter 4207

Tears flowed down unsatisfactorily.

Why is your life so hard? Not to mention being stopped by a cliff, he also met Gong Ao, a wolf in sheep’s clothing.

Whoa!

Maybe because she was too nervous, Princess Dongling didn’t see behind her clearly, when her foot slipped, she fell directly off the cliff.

“Ah...”

Princess Dongling exclaimed, her figure quickly landed, and finally disappeared into the clouds.

Mad!

Seeing this scene, Gong Ao's face was extremely ugly. He thought that after completely tearing his face, he could still enjoy the princess' gentleness, but he never thought that the princess would slip and fall off the cliff.

Forget it, go back to life.

Thinking to himself, Gong Ao hurried in the direction from which he came very depressed.

.....

On the other side, Kyushu mainland. Weather Imperial City.

It was already late at night, but the entire palace was brightly lit.

In the Qianyuan Hall, King Guangping, dressed in a golden dragon cannon, sat on the dragon chair in the hall, with a somewhat pleasing smile on his majestic face.

Next to him, sat a handsome figure, dressed in a white long gown, with handsome features.

It was Bai Yunfei.

In the entire Qianyuan Hall, there are only the two of them.

If there were outsiders present at this time, he would definitely be secretly surprised, because King Guangping's face was full of servility and kneeling. In contrast, Bai Yunfei, who was dressed in white, looked more like an emperor.

"Your Mightiness!"

At this time, King Guangping stood up and respectfully said to Bai Yunfei: "Today I have counted the number of troops, a total of 300,000 Imperial Forest troops, and they can leave at any time."

A month ago, King Guangping rescued the dying Bai Yunfei in the ruins of Kunlun. After the two sides reached an alliance, King Guangping brought all members of the Tianqi royal family to join the Mozu.

Bai Yunfei, on the other hand, promised King Guangping to help him unify the continent of Kyushu.

So this month, King Guangping and Bai Yunfei have formulated a detailed plan. The content of the plan is to force other continents to surrender by means of conquest.

“Okay!”

At this moment, Bai Yunfei was very satisfied when he heard King Guangping’s report, nodded and smiled: “Very good, your efficiency is very good, I am very satisfied, I believe that Your Excellency Mozun will be well when he sees you in the future. I want to reuse you.”

After speaking, Bai Yunfei stood up slowly and continued: “Since it is ready, let’s follow our previous plan to conquer the Northern Ying Continent.”

Among the Kyushu Continent, the Northern Ying Continent’s The most powerful, once the Northern Ying Continent is completely conquered, other continents will surely fall on the wind.

“Yes, Your Excellency.”

King Guangping responded quickly, and then showed a very embarrassed look: “That... The Northern Ying Continent is powerful, I am afraid that the 300,000 Royal Forest Army will be difficult to defeat.”

When he said this, King Guangping looked apprehensive.

Although Apocalypse Continent has kept a low profile during this period of time, and the overall strength has improved a lot, but compared with Beiyong Continent, there is still a lot of gap. After all, the strength of Beiyong Continent is recognized by Kyushu.

Many years ago, Yang Jian led the Northern Ying army and swept the world, but King Guangping still remembers it fresh.

Now, with only 300,000 Imperial Forest troops, he is about to conquer the Northern Ying Continent. King Guangping has no confidence in his heart.

Haha...

Feeling the concern of King Guangping, Bai Yunfei laughed and said comfortably: “You don’t need to panic, I have already made arrangements to attack the Northern Ying Continent. You lead the army first, and before the war, I will send a high Help.”

Senior?

Hearing this, King Guangping was stunned.

But looking at Bai Yunfei’s confident look, King Guangping didn’t dare to ask more, so he nodded and walked out of Qianyuan Palace quickly.

A few minutes later, the King of Guangping was on a personal expedition, leading an army of 300,000 imperial forests, and marched mightily towards the Northern Ying Continent.

...

On the other side, the Earth Circle Continent, the Ouyang Family.

At this time, it was late autumn, and the flowers in the flowerbed had withered, but the surrounding maple forest, the fiery red maple leaves, formed a unique landscape.

In the pavilion, Ren Yingying sat alone, with a bit of gloom and sadness on her delicate and beautiful face.

Half a month ago, Ren Yingying broke into the Weather Palace and was besieged by King Guangping. At the critical moment, Bai Yunfei appeared to relieve the siege and lured Ren Yingying to reverse the qi and blood, causing the demon soul to backlash.

Chapter 4208

After that, Bai Yunfei forced Ren Yingying to join his camp by teaching the formula of 'breaking the devil's soul's backlash'.

At that time, Ren Yingying pretended to agree, but Bai Yunfei only taught half of the formula, which made Ren Yingying very annoyed, but he did not dare to tear his face.

After returning to the Ouyang family, Ren Yingying locked herself up and devoted herself to researching ways to crack the demon soul backlash. However, half a month passed and there was no progress at all.

This made Ren Yingying very anxious and annoyed.

"Miss."

At this moment, a maid walked over quickly and respectfully said to Ren Yingying, "Someone sent you a letter just now." After speaking, she handed the letter over.

Ren Yingying has lived in the Ouyang family for many years, and the people below no longer call the princess, but prefer to call the lady.

my letter?

Ren Yingying and Xiumei frowned, and when the maid walked away, she unfolded the letter.

I saw a sentence written on the letter: 'At midnight tonight, there will be a temple break in the north of the city. It's urgent, don't come sooner or later.' There is no signature on the back, but a white cloud is drawn.

Bai Yunfei?

Seeing the white cloud, Ren Yingying didn't need to think about it, she knew that this letter was sent by Bai Yunfei.

Bai Yunfei is looking for himself, there must be nothing wrong.

For a time, Ren Yingying was irritable and instinctively resisted.

But if you don't see it, you can't bear it at all if the devil's soul devours it.

Thinking of the pain caused by the backlash of the demon soul, Ren Yingying's heart palpitated.

"Sister Yingying!"

At this moment, I heard a crisp sound, and then, two slender and charming figures walked quickly into the garden.

One was wearing a light green long dress with a high ponytail, looking youthful and beautiful.

The other one, in a bright yellow short skirt suit, with bright eyes and white teeth, is unbelievably beautiful.

It was Xiaoxi and Mihui.

Because they are similar in age, Xiaoxi and Meihui have a good relationship, and they are almost inseparable in the Ouyang family.

Seeing the two of them coming, Ren Yingying's eyes flashed with panic, and she quickly put away the letter, and the matter with Bai Yunfei must not be known to the people around her.

"Sister Yingying.

"When she came to the front, Meihui took Ren Yingying's hand and pleaded, "I encountered some problems in my cultivation. I told Xiaoxi just now, and Xiaoxi was helpless, why don't you help me? "

Ren Yingying is resourceful, and Meihui admires her very much. Every time she encounters a problem, she will ask Ren Yingying for advice.

Xiao Xi next to her also said, "Yeah, I don't understand the problem that Meihui encountered. Sister Yingying, you know so much, and you can definitely help her."

Hu...

Facing the situation, Ren Yingying He exhaled softly, shook his head and said, "You should still find Brother Wen, or the Great Sage. I also encountered some problems in my cultivation."

After speaking, Ren Yingying smiled lightly, then turned and walked out of the garden.

At this time, Ren Yingying was constantly being devoured by the devil's soul, and Ye Yunfei's letter was disturbing, so how could she be in the mood to help Meihui.

This....

Watching Ren Yingying leave, Xiao Xi and Mei Hui stood there blankly, looking at each other with complicated expressions on each other's faces.

In the next second, Meihui reacted and frowned: "What happened to Sister Yingying recently? She seems to be very busy.

"

She looks very worried. I feel that something must have happened to her."

Xiao Xi's mind is more delicate, thinking of Ren Yingying's hurried departure just now, which strengthens her guess.

"Forget it."

At this time, Mei Hui smiled bitterly and said, "I'm going to ask Brother Wen, you can play by yourself first, Xiao Xi." After saying that, Mei Hui left the garden and walked towards Wen Chou Chou's study.

Xiao Xi responded and walked towards the secret room where Ren Yingying was closed.

Xiao Xi thought about it, first secretly inquired about what happened to Ren Yingying, and then found a way to help. After all, Ren Yingying is the young master's beloved woman. She has something to do and she can't ignore it.

However, when he arrived at the secret room where Ren Yingying was closed, he saw that the door was tightly closed.

Xiao Xi didn't go in rashly, but stayed aside and waited quietly.

Time passed by minute by minute.

In a blink of an eye, it got dark, and Ren Yingying was not seen.

Xiao Xi didn't panic, and continued to wait outside.

Chapter 4209

Squeak...

Finally, until midnight, when Xiao Xi heard the door of the secret room open, she was shocked and wanted to go up, but she was stunned when she saw Ren Yingying's dress.

I saw that Ren Yingying changed out of her usual long skirt and wore a black night clothes, which looked very mysterious.

At this moment, Xiao Xi quickly hid aside, muttering in her heart.

Sister Yingying is getting more and more strange. What is she going to do when she changes into night clothes at night?

While muttering in my heart, I saw Ren Yingying's delicate body flashing, flying into the air, and heading towards the north of the city.

Follow along.

Seeing this, Xiao Xi didn't hesitate, and quickly followed.

A few minutes later, Ren Yingying arrived at a dilapidated temple in the north of Zhongzhou City, and saw that the dilapidated temple was in a state of dilapidation.

Xiao Xi followed here, not showing up rashly, but hiding aside and watching quietly.

When Xiao Xi was very young, she followed Yue Feng to travel all over the world. She has rich experience in rivers and lakes. She could see that Ren Yingying was dressed to meet someone.

And, this man is extraordinary.

At this time, in the broken temple.

Ren Yingying turned around in the yard and saw that the surroundings were desolate. She couldn't help but feel a little flustered, but she still summoned the courage to shout: "Where is the person? Are you here yet?"

Haha...

As soon as the voice fell, just listen There was a burst of laughter, and then, a handsome figure walked out from behind the dilapidated wall in front.

Dressed in white, he is handsome and handsome.

It was Bai Yunfei.

What?

Seeing this scene, Xiao Xi, who was hiding outside the ruined temple, suddenly trembled, her mind buzzing and blank.

The person Sister Yingying wants to see is actually Bai Yunfei?

What's happening here?

This Bai Yunfei is the lackey of Demon Venerable, and he is also the enemy of the son. When did Sister Yingying get involved with him?

Shocked, Xiao Xi wanted to get closer, but was afraid of Bai Yunfei's strength, so she held back.

"Miss Ren is really punctual." When he

got to the front, Bai Yunfei smiled and praised: "I just arrived, you came."

Ren Yingying was too lazy to talk nonsense, and said lightly: "What's the matter with me coming out this time? "

If it wasn't for the second half of the formula of 'deciphering the demon soul's backlash', she would not have met Bai Yunfei here.

"Haha..."

Bai Yunfei smiled and said straight to the point: "It's not a big deal, I want you to do a small favor!"

"What small favor?" Ren Yingying's face did not fluctuate at all.

She had long guessed that Bai Yunfei would not see herself for no reason.

Bai Yunfei smiled slightly: "Before I say this, let me tell you a secret first. King Guangping took the Tianqi royal family and has already taken refuge with our demons."

“Half a day ago, King Guangping had led an army and was ready to conquer the Northern Ying Continent.”

What? ?

Hearing this, Ren Yingying's body was shocked, and she stared at Bai Yunfei in shock.

This Bai Yunfei was so powerful that he regained King Guangping and the Tianqi royal family so quickly.

No....

muttering in my heart, Ren Yingying suddenly flashed her eyes, thought of something, and glared at Bai Yunfei: “Bai Yunfei, in the Weather Palace before, did you and King Guangping deliberately set a trap for me?”

Ren Yingying Thoughtful, through the previous events, he immediately guessed the clue.

Because the last time he was trapped in the palace, Bai Yunfei's appearance was too coincidental. The only explanation was that he had planned with King Guangping at that time.

Uh....

Hearing the question, Bai Yunfei's face showed a bit of embarrassment, and at the same time, he couldn't help but admire in his heart.

This Ren Yingying is worthy of being Zhuge in the girls' middle school. She is resourceful and resourceful. She guessed the truth with just one word of her own.

But Bai Yunfei didn't bother to explain, so he smiled and said: “Miss Ren, you are a smart person. It doesn't make any sense to say this now. After all, we are already on the same boat now.”

After speaking, Bai Yunfei closed his smile, Seriously: “I want you to set off immediately to help King Guangping conquer the Northern Ying mainland. Don't worry, I don't need you to follow the Tianqi army all the time, I just need to help them break through the Feilong Pass and the Imperial City.”

Feilong Pass is Beiyong . The mainland's first fortress, the first frontier gate, not to mention the imperial city, as long as these two places are breached, the Northern Ying mainland will be completely occupied.

Chapter 4210

“No!”

However, as soon as the words fell, Ren Yingying shook her head and refused, with a very firm attitude.

What Ren Yingying hated the most was starting a war, because once a war broke out, it would be the people who would suffer. More importantly, how could she and King Guangping kill her father again, how could she help?

Ugh!

Seeing that Ren Yingying would refuse, Bai Yunfei sighed and patiently persuaded: “Miss Ren, I know that you and King Guangping have an old feud, but for our great cause, I hope you can let go of your personal grievances, as long as we successfully unite Kyushu, you are a great hero. When the time comes, I will say a few words for you in front of Your Excellency Mozun.”

“Once you are appreciated by Your Excellency Mozun, you will have whatever you want. Think about it, Mozun has never liked the Ouyang family, and he will definitely take action against the Ouyang family, but if you do a great job, Mozun will not care about the Ouyang family, right?”

“Also, then solve the demon soul. I have already written the formula for the second half of the backlash.” At the

end, Bai Yunfei took out a golden secret book from his body.

Phew...

Seeing the golden secret book, Ren Yingying’s expression changed, and her eyes flashed with a bit of urgency.

However, Ren Yingying still did not agree.

what are they talking about?

At this moment, Xiao Xi, who was hiding outside the ruined temple, was very anxious. Because of the distance, she couldn’t hear what Ren Yingying and Bai Yunfei were talking about.

Xiao Xi wanted to get closer, but Bai Yunfei’s strength was too strong, and he was afraid that he would be noticed if he made a slight movement.

In this case, Xiao Xi had no choice but to continue to hide and watch.

“Any girl!”

At this time, seeing that Ren Yingying has been unwilling to agree, Bai Yunfei is not in a hurry, and smiled slightly: "I have said what I should say, I will not embarrass you, in fact, my conditions are very simple, I only need you to help the Tianqi army to break through The Feilongguan and the Imperial City."

"You have a demon soul, this trivial matter is very easy for you. As long as you do it, you can come to me and get the secret book."

After saying the last sentence, Bai Yunfei looked at it with a smile. With Ren Yingying, waiting for her decision.

For a while, the broken temple was silent.

Ren Yingying bit her lip tightly, fell silent, and fell into a war between heaven and man.

To help Bai Yunfei attack the Northern Ying Continent is to help Zhou to abuse her, which is completely inconsistent with her principles.

But if you don't agree, you will have to suffer the pain of the demon soul backlash.

call!

Finally, after a few minutes, Ren Yingying took a deep breath, looked at Bai Yunfei and said, "Okay, I promise you, but only this time."

Seriously, she didn't want to compromise, but there was no other way.

Haha...

Seeing that she finally agreed, Bai Yunfei smiled and was very happy: "Okay, then I will wait for the good news, when you help King Guangping break the Feilongguan, you can come back to me, and I will teach you some more. If you break the imperial city, I will give you all the secrets of the secrets."

After saying this, Bai Yunfei put away the secrets and left with a big smile.

Watching Bai Yunfei leave, Ren Yingying's delicate face did not fluctuate in the slightest, she sighed softly, and turned to rush towards the Ouyang family.

call!

Seeing that both of them had left, Xiao Xi, who was hiding in the ruined temple, came out quietly.

At this moment, Xiao Xi frowned, and she felt extremely doubtful in her heart.

What did Sister Yingying say to Bai Yunfei?

Xiao Xi didn't hear a word of the conversation between the two just now, but she knew that this matter was not easy.

A few seconds later, it was determined that Ren Yingying and Bai Yunfei had left, and Xiao Xi also left the broken temple and rushed towards the Ouyang family.

the other side.

Ren Yingying quickly returned to the Ouyang family, first changed clothes, then went to the front hall, and then summoned Wen Chou Chou and Sun Dasheng.

A few minutes later.

Wen Chou Chou, Sun Dasheng, Xiao Yuruo, and Long Qianying were all present.

"Brother and sister!"

At this time, Wen Chou Chou looked at Ren Yingying, unable to hide his doubts: "It's so late, what's the matter with you?"

Shuh!

When the words fell, Sun Dasheng and Xiao Yuruo looked at Ren Yingying curiously.

"Brother Wen."

Ren Yingying bit her lip lightly and hesitated: "... I'm going to leave for a few days. After I leave, you must strengthen the patrol defense of the Ouyang family, and you must not relax a little."
