

The ultimate husband in Chinese chapter 4351-4360

Chapter 4351

Hearing Mu Xixi's shouting, Ji Hongshang snorted coldly: "Qin Sheng, you don't come to provoke me, this stinky girl is so rude to me, if I don't teach her a good lesson, I will not let it be called Ji Hongshang."

Saying that, she slapped her again.

Pfft!

At this moment, Song Qian finally couldn't bear it anymore, and she fainted in front of her eyes.

Seeing this situation, Ji Hongshang stopped.

"Yuantong." In the

next second, Ji Hongshang shouted at the outside. As soon as the voice fell, Yuantong walked in quickly, followed by a few Five Poison Sects.

"Detain them temporarily and keep them under strict guard." Ji Hongshang pointed at Mu Xixi's teacher and apprentice, and said beyond doubt: "If someone runs away, I'll ask you about it."

"Yes."

Yuan Tong hurriedly said. After answering, he and a few non-toxic sect disciples took Mu Xixi out.

...

the other side.

Yue Feng and Yueqing finally arrived at Fengzhuang after several hours of traveling.

Huh...

Seeing the environment around Fengzhuang at this time, whether it was Yue Feng or the Yueqing brothers and sisters, they couldn't help but admire secretly.

This chapter is provided by . Visit [for daily update.](#)

What a beautiful scenery.

While Yue Feng was admiring, his face was also extremely solemn. He clearly saw that there were many people wearing dark blue gowns around Fengzhuang, patrolling back and forth.

Not only that, the gate of Fengzhuang was even more heavily guarded.

And these people's clothes have the symbols of the Five Poison Sects.

mad.

Seeing this, Yue Feng couldn't help taking a deep breath. It seemed that the news Yueqing had received before was not false. The people in Fengzhuang were indeed people from the Five Poison Sect.

"Master was caught here."

At this time, Cheng Yi was full of impulsiveness and clenched his fists and said: "Junior sister, let's go up and ask for someone. If Master has three strengths and two weaknesses, we will not finish with them." The

voice fell, Cheng Yi was ready to rush over.

What the hell!

Seeing this scene, Yue Feng was shocked and very depressed.

This Cheng Yi has a sick mind. There are thousands of elites from the Five Poison Sect in the entire Fengzhuang, but there are only three of them on his side. Does Cheng Yi want to save his master?

How confident is this in yourself?

"Senior brother!"

Just when Yue Feng was frowning secretly, Yueqing also quickly reacted, grabbing Cheng Yi, and anxiously said: "You are crazy, there are so many people patrolling around Fengzhuang, just the three of us, How could it be an opponent?"

Cheng Yi was full of anxiety: "Then what do you say?"

"I don't know."

Yue Qing bit her lip tightly, also very worried, and said softly: "But let's discuss it carefully, There must be a way."

Alas!

Hearing this, Cheng Yi sighed, then his eyes fell on Yue Feng, and he said coldly: "Hey, aren't you very talented? Wolves can be tamed. Tell me, what will you do next?"

The attitude is arrogant, and the tone is even more contemptuous.

At this moment, Yueqing also looked closely at Yue Feng, full of anticipation: "Brother Ah Feng, is there any way you can save my master out?"

Phew...

Yue Feng secretly took a breath, and was about to open his mouth with a smile, when he was suddenly interrupted by the sound of footsteps.

At this moment, Yue Feng hurriedly turned his head to look, and saw on the road not far away, a dozen people were rushing towards Fengzhuang. These people were wearing uniform gray long gowns.

The man at the head looked like he was in his 30s or 40s, with a moustache, giving him an elegant bacillus, and it was Zheng Chunqiu, the sect master of Danzong.

Brother Zheng?

Seeing Zheng Chunqiu, Yue Feng's heart was shocked, and he was indescribably excited and excited.

Speaking of which, Yue Feng hadn't seen Zheng Chunqiu for several months since his farewell in Xia Yinzong.

Under the excitement, Yue Feng was still a little puzzled.

Why did Brother Zheng come to Fengzhuang? Could it be that the Five Poison Sects also captured their Dan Sect people?

Because the three Yue Feng were hidden in the dark, Zheng Chunqiu did not find them, but went directly to the gate of Fengzhuang.

"Stop!"

At this moment, the foundation of the Five Poison Sect guarding the gate suddenly surrounded Zheng Chunqiu, and then asked loudly: "This is Fengzhuang, outsiders are not allowed to approach, hurry up.

" At the same time, the disciples of the Five Poison Sect who were patrolling around rushed over quickly when they heard the movement, and surrounded Zheng Chunqiu.

Chapter 4352

In the face of this situation, Zheng Chunqiu had no fear, looked around, and said word by word: "Report to your Fengzhuang owner immediately, and say that Danzong Zheng Chunqiu has something to see."

When he said this, Zheng Chunqiu said Chunqiu suppressed the anger in his heart.

One day ago, the elder Linmu suddenly stopped in the alchemy room in the back mountain. At that time, the entire alchemy sect was mad, and Zheng Chunqiu was even more impatient. He sent elite disciples to inquire around, and finally found out about the elder Linmu and was caught in Fengzhuang.

After hearing the news, Zheng Chunqiu didn't have time to think about it, so he rushed over with some elite disciples.

In Zheng Chunqiu's heart, Danzong has nothing to do with this Fengzhuang, but the other party kidnapped Elder Linmu, how can he not be angry?

Danzong Sect Master?

Hearing these words, the disciples of the Five Poison Sect surrounding them were all shocked, and their eyes were complicated, revealing a trace of fear.

You must know that there are three major sects in the entire Dongao Continent, namely Wenzong, Danzong and Jianzong. Among them, the suzerain of Wenzong, Su Qingyan, left with Yue Feng many years ago. Since then, Wenzong has rarely asked about it. It's a matter of the rivers and lakes.

In this case, Danzong and Jianzong are left to fight for hegemony.

However, Zheng Chunqiu and Yue Feng have a good relationship. With this relationship, Danzong's reputation in the arena is stronger than that of Jianzong, especially the suzerain Zheng Chunqiu. With the increase in strength in recent years, he is famous in the rivers and lakes. No one knows, no one knows.

At this time, when Zheng Chunqiu visited Fengzhuang in person, these disciples of the Five Poison Sect were naturally unable to calm down.

What?

Seeing the scene in front of them, Cheng Yi and Yue Qing, who were hiding in the dark, also trembled, staring at Zheng Chunqiu blankly, speechless.

The visitor turned out to be Zheng Chunqiu, the famous Danzong sect master in the world?

It's really not as famous as seeing it at first sight, and it really has an extraordinary bearing.

Yueqing, in particular, was even more excited. He quietly took Yue Feng's hand and said, "Brother Ah Feng, you know Dan Zong, right? It is said that Dan Zong's alchemy technique is the best in the East Ao Continent, and makes people yearn for it.

"I have liked the technique of alchemy since I was a child, but unfortunately I already have a master, so I can no longer worship the mountain gate."

"However, now that I can see the famous Zheng Chunqiu, I am also satisfied."

When he said this, Yueqing's face was full of Excited, with a bit of regret in his eyes.

Hehe...

Hearing this, Yue Feng couldn't help laughing. He really didn't expect that in the past few years, Zheng Chunqiu's reputation would become more and more famous in Dongao Continent, and he didn't expect that Yueqing, who was beside him, also liked alchemy, and , and also wanted to join Danzong.

Muttering in his heart, Yue Feng smiled at Yueqing and comforted him in a low voice: "Dan Zong is so famous, of course I heard about it. Since you like alchemy so much, I just happen to know some. When I have time in the future, I will teach you."

Yue Feng's alchemy technique is unmatched in the entire Kyushu, and teaching Yueqing some simple things is simply a piece of cake.

"Really?"

At this moment, Yueqing was very excited and held Yue Feng's hand tightly: "Can you still make alchemy? Brother Afeng, you are amazing."

As soon as he finished speaking, Cheng Yi next to him couldn't bear it. He snorted coldly and looked at Yue Feng with disdain: "It's really shameless, even if you can make alchemy, can you still compare to Dan Zong?"

Then, Cheng Yi pulled Yueqing away and said earnestly: "Junior sister, can you? Don't be so naive, believe what other people say, I think this kid is not only a liar, but also very good at bragging."

When he said this, Cheng Yi looked at Yue Feng's eyes, full of contempt.

This kid dresses like a beggar, and he can have any real skills, but he is purely a liar.

Yueqing didn't take it seriously, and pouted his lips unpleasantly: "Senior brother, why are you so prejudiced against Big Brother Ah Feng? Anyway, he helped us drive away the wolves before, and he saved our lives." Huh

..

Hearing this, Cheng Yi's face flushed, and he was speechless for a moment to refute. He only needed to change the subject: "Shh, stop talking, first look at the situation in front of you, and then think about how to save Master."

As he said, Cheng Yi His gaze fell on Zheng Chunqiu and the others who were not far away.

Chapter 4353

Seeing him say so, Yueqing didn't say more, pulling Yue Feng to watch together quietly.

At this time, Zheng Chunqiu was here.

Huh....

After being stunned for a few seconds, the disciples of the Five Poison Sects around them reacted one after another, and then the one in the lead said politely to Zheng Chunqiu: "It turns out to be Sect Master Zheng, please wait a moment, I'll go in and report."

With that, the disciple hurried into Fengzhuang.

After a while, the disciple came out. Behind him, a dozen elite disciples, surrounded by a slim figure, slowly walked out of the door.

Wearing a deep red dress, her facial features are exquisite and charming, her body exudes a powerful breath, and her eyes are extremely sinister, just like a beautiful snake.

It was Ji Hongshang.

Swish!

Seeing Ji Hongshang, Zheng Chunqiu's face changed suddenly, and he was even more shocked.

Ji Hongshang, the sovereign of the Five Poison Sect? It was her.

No wonder the surrounding Fengzhuang is so heavily guarded.

Zheng Chunqiu once led the Danzong, cooperated with the Ouyang family to encircle and suppress the five poisonous sects, and even played against Ji Hongshang, and the opponent could be recognized when they turned into ashes.

At the same time, Yue Feng frowned when he saw Ji Hongshang.

It's really her, I haven't seen her for a few months, how has Ji Hongshang's strength improved so much?

At this time, Yue Feng could clearly feel that the aura that filled Ji Hongshang's body was not only much stronger than before, but also more sinister.

Afterwards, Yue Feng felt further and was shocked.

The power of the demon soul?

This Ji Hongshang... actually possesses the power of a demon soul?

Yue Feng has been dealing with the demons and has been trapped in the realm of the gods. He is no stranger to the power of the demon soul. After being reborn with the help of the red lotus of the law, his perception is sharper than before, so he noticed it all at once.

"Ji Hongshang!"

Finally, Zheng Chunqiu reacted, glared at Ji Hongshang, and roared: "You witch, you helped the demons to harm Kyushu before, and now you have come to our Dongao Continent to do evil again.

"Let my people go, otherwise we'll never finish."

Wow....

The voice fell, and the surrounding Five Poison Sect was in an uproar, full of anger.

This Danzong Sect Master is really crazy, so rude to the Sect Master when we first met?

Speaking of which, only a few cronies knew about Ji Hongshang sending people to arrest famous doctors, and most of the ordinary disciples did not know it. Under such circumstances, seeing Zheng Chunqiu being so rude as soon as he came up, he was naturally furious. .

"Haha..."

Ji Hongshang was not angry at all, looking at Zheng Chunqiu with a half-smiling smile: “Zheng Sect Master, we are old acquaintances, we haven’t seen each other for a few months, and you asked me for someone as soon as I saw you. , it seems a little inappropriate.”

The disciples below did not know about the arrest of the elder Linmu of Danzong, but she knew it very well.

It’s just that this kind of thing involves the reputation of the Five Poison Sect, and of course it cannot be easily admitted.

Mad! Hearing this, Zheng Chunqiu got angry, took a step forward, glared at Ji Hongshang and shouted: “Don’t mess around

with me. I ask you, are you going to let people go?”

Basically, they are all angry.

There is something wrong with this Danzong Sect Master.

At the same time, Ji Hongshang also raised the corners of his mouth, and said in a leisurely tone: “Zheng Sect Master, you keep asking me to let me go, but I don’t even know who it is, how can I let it go?” I

don’t know?

Zheng Chunqiu’s anger rose and said coldly: “My Danzong elder, Linmu, was refining alchemy in the back mountain the day before yesterday, and was suddenly kidnapped by your subordinates. Don’t you admit it?”

“Elder Linmu?

“

Seeing this, Yue Feng, who was hiding in the dark, was secretly surprised.

This Ji Hongshang is really daring to take the elder of Danzong, no wonder Zheng Chunqiu came here.

Thinking to himself, Yue Feng continued to wait and see.

In the face of Zheng Chunqiu’s questioning, Ji Hongshang looked astonished and nodded with a smile: “Oh, I’ve heard of this elder, obsessed with alchemy, and he hasn’t been down the mountain for decades, so I’ve heard of it. However, I didn’t arrest this person.”

When she learned that Zheng Chunqiu came to the door just now, Ji Hongshang made up her mind and refused to admit it.

Saying that, Ji Hongshang met Zheng Chunqiu's gaze and mocked: "Zheng Sect Master, your Dan Sect is one of the top sects in Dongao Continent after all, but his subordinates were kidnapped in the main altar, alas, what a shame. what."

Chapter 4354

Mad!

Hearing the mockery, Zheng Chunqiu's eyes were instantly blood red, and he clenched his fists tightly, burning with anger.

This Ji Hongshang is really hateful, even if she doesn't admit it, she even dares to make fun of herself.

Under the anger, Zheng Chunqiu clenched his teeth, his anger could no longer be controlled, and shouted: "Okay, if you don't admit it, then I will go in and search, if Elder Linmu is really here, I will absolutely I can't spare you."

Search?

Ji Hongshang smiled contemptuously, looking at Zheng Chunqiu's eyes, full of disdain: "Zheng Chunqiu, don't take yourself too seriously, want to search my Fengzhuang? Are you qualified?"

"I tell you , if this seat respects you, you are a person, if you disrespect you, you are not even an ant." The

last word fell, Ji Hongshang's charming face was full of arrogance.

To be honest, if it was half a year ago, Ji Hongshang would never have the courage to say that to Zheng Chunqiu, but after possessing the power of the demon soul in her body, it would be different, and she did not take him seriously at all.

After all, once the power of the demon soul is successfully integrated, there will be no rivals in Kyushu, and naturally Zheng Chunqiu will not be taken seriously.

Not even an ant.

Hearing this sentence, Zheng Chunqiu was furious and felt a great humiliation.

"Okay, very good."

For a while, Zheng Chunqiu's eyes were blood red and blood red, completely furious, and howled: "Ji Hongshang, it seems that I really underestimate you, don't let me search, right, then I will smash you. The Fengzhuang, as well as you and all the disciples of the Five Poison Sect here, must pay for the life of the elder Linmu."

Ji Hongshang refused to admit it from beginning to end, making Zheng Chunqiu think that the elder Linmu had been killed.

Under such circumstances, Zheng Chunqiu suddenly lost his mind.

The cold voice came from Zheng Chunqiu's mouth, resounding over the entire Fengzhuang. For a moment, the audience was silent.

The surrounding disciples of the Five Poison Sect looked at each other, all stunned there.

Haha...

But after a brief silence, many disciples of the Five Poison Sect burst into laughter.

"What did he say to the sect master? He wants to destroy us all?"

"Tsk tsk, this dan sect sect master is really not an ordinary madman."

"That is, although their dan sect is famous these years, they also used Yue Feng's prestige. That's it, without Yue Feng, who would know about their Dan Zong in the Jiuzhou Jianghu."

Many disciples of the Five Poison Sect, you and I were mocking each other, all of them with contempt in their voices.

Ugh!

Seeing this situation, Yue Feng, who was hiding in the dark, frowned secretly and was a little worried in his heart.

Brother Zheng is so impulsive, how can a sinister woman like Ji Hongshang face it head-on?

"It's about to start a fight."

At this moment, Cheng Yi next to him, with an inexplicable excitement on his face, whispered to Yueqing: "This Fengzhuang is really crazy, even the general manager dares to arrest him, wait for this Zheng. If the sect master takes action in person, this Fengzhuang will be destroyed, and then our master will be fine."

When he said this, Cheng Yi's eyes were full of excitement. Can definitely beat the opponent.

Um!

Yueqing nodded, also excited.

At this time, Zheng Chunqiu was here.

“Haha..”

Hearing the mocking of the surrounding disciples, Ji Hongshang couldn't help but smile charmingly, and looked at Zheng Chunqiu jokingly: “Zheng Chunqiu, are you kidding me? Okay, I want to see how much you are. Horizontal.”

Om!

The voice fell, and a very strong breath burst out from Ji Hongshang's body, and then the figure rose up and came straight to Zheng Chunqiu.

In the past few days, Ji Hongshang tried all kinds of methods to integrate the power of the demon soul. Although it was not completely successful, her strength had improved somewhat. At this time, she used Zheng Chunqiu to practice her skills.

“Come on.”

Seeing Ji Hongshang bursting out, Zheng Chunqiu didn't mean to evade at all, but instead yelled and slapped him with a palm.

Half a year ago, Zheng Chunqiu played against Ji Hongshang. At that time, Zheng Chunqiu was superior in skill and almost injured Ji Hongshang, so in his heart, he did not regard Ji Hongshang as an opponent at all.

The only thing he is afraid of is that there are more disciples of the Five Poison Sect around.

But in order to save Elder Linmu, Zheng Chunqiu couldn't care so much.

Chapter 4355

Bang!

The next second, Ji Hongshang and Zheng Chunqiu collided with their palms, and they heard a dull sound, a powerful wave of internal force swept the audience.

Dengdengdeng...

Immediately afterwards, I saw Ji Hongshang and Zheng Chunqiu groaning and taking a few dozen steps back at the same time.

Obviously, when the palms met, neither of them took advantage of it.

However, those with discerning eyes can see that although Ji Hongshang was shaken back, there was no fluctuation on her delicate face, while Zheng Chunqiu's face was pale.

mad.

Soon, Zheng Chunqiu stabilized his figure and looked at Ji Hongshang closely, shocked.

How did this Ji Hongshang's strength suddenly become so strong? You must know that in a fight six months ago, the opponent was still his defeated general, but in that palm, Ji Hongshang's internal strength was more than twice as strong as before.

How could this be?

At this time, Zheng Chunqiu did not know that Ji Hongshang had experienced too much in the past six months. Not only did he gain the inner alchemy power of the ancient poisonous scorpion, but he also absorbed the power of Bai Yunfei's demon soul. .

Phew ...

At the same time, Ji Hongshang took a deep breath and looked at Zheng Chunqiu quietly, without the slightest fluctuation on the surface, and also muttered in her heart.

No, if you don't successfully integrate the power of the devil's soul, you can't go all out.

At this time, Ji Hongshang could clearly feel that after the confrontation with Zheng Chunqiu just now, the power of the demon soul in her body was already showing signs of disorder.

Realizing this, Ji Hongshang glared at Zheng Chunqiu fiercely.

Damn, I originally planned to take the opportunity to get rid of him today, but now it seems that this plan can only be slowed down.

Thinking so in her heart, Ji Hongshang made a relaxed look and laughed at Zheng Chunqiu: "Zheng Chunqiu, I haven't seen you for half a year, your strength has not improved much, it's really bad. Fighting with you is simply Lowered my status."

After saying that, Ji Hongshang waved her hand with a generous look: "You are not my opponent, let's go."

Mad!

Hearing this, Zheng Chunqiu almost exploded with anger, and roared: "Ji Hongshang, Shaotema, give me this set, let's continue.

" Ji Hongshang is so humiliated, if she bears it, how will she have any face in the arena in the future?

Today, no matter what, I have to fight her to the death.

Oops.

Seeing this scene, Yue Feng, who was hiding in the dark, couldn't help it.

Brother Zheng is so upright, he didn't find out, is the other party a radical?

Moreover, Ji Hongshang possesses the power of demon soul, and her strength is not what it used to be. Even if Zheng Chunqiu goes all out, she is not her opponent.

Thinking about it, Yue Feng was about to rush out to stop Zheng Chunqiu.

Yue Feng knew clearly in his heart, and rushed out hastily, and the whereabouts of himself and Yueqing were completely exposed.

But for the safety of Zheng Chunqiu, Yue Feng couldn't care so much.

"Sect Master!"

However, before Yue Feng could leave, he saw a Danzong elder who quickly rushed over to stop Zheng Chunqiu: "Sect Master, don't be impulsive, this Ji Hongshang is extremely sinister, let's go back first and have a long-term plan."

The voice fell, and several Danzong disciples who accompanied him also comforted each other.

"Sect Master, think again."

"Yes, the other party is very cunning, we can't force it."

"As I see it, let's withdraw first and discuss the countermeasures."

They all knew in their hearts that Ji Hongshang dared to be so unscrupulous, there must be a conspiracy secretly , Moreover, Zheng Chunqiu fought against her just now, obviously suffered a loss, and if they continue to fight, it will only become more and more unfavorable.

Phew ...

Hearing the consolation, Zheng Chunqiu took a deep breath and waved his hand unwillingly: "Let's go." When the

voice fell, he took his subordinates to leave.

But after walking more than ten steps, Zheng Chunqiu was unwilling, and turned back to Ji Hongshang and said coldly: "Ji Hongshang, don't be too proud, I will come back."

Seriously, Zheng Chunqiu didn't want to do it like that . Face is gone, but there is no way.

Ji Hongshang's strength has improved so much, and she is no longer an opponent. If you continue to fight, you can only bring shame on yourself. It is better to go back and think of a way.

call!

Hearing Zheng Chunqiu's harsh words, Ji Hongshang was not happy at all, and a smile appeared on her charming face.

The ultimate husband in Chinese chapter 4356-4360

Chapter 4356

But in my heart, I was secretly relieved.

Fortunately, Zheng Chunqiu confessed and left, otherwise, if he continued to fight, the power of the demon soul in his body would be completely disordered, and he could not control it, and it would be over.

"Everyone listens to the order."

Thinking to herself, Ji Hongshang turned around and instructed the surrounding disciples of the Five Poison Sect: "From now on, strengthen the guard around you and make sure there is no mistake."

"Yes, Sect Master!"

The voice fell, and the surrounding disciples of the Five Poison Sect responded in unison.

Ji Hongshang explained a few more words, then turned around and entered Fengzhuang.

Phew...

At this moment, Yue Feng, who had been hiding in the dark, was also secretly relieved when he saw the situation in front of him.

Fortunately, Brother Zheng listened to what his subordinates said, and did not continue to fight with Ji Hongshang, and he didn't have to show up.

"Junior sister, go!"

At this moment, Cheng Yi suddenly stood up, pulled Yueqing, and chased in the direction where Zheng Chunqiu and others were walking.

Yueqing's face was puzzled, and while struggling, he asked, "Senior brother, what are you doing? Aren't we trying to save Master?"

Alas!

Cheng Yi sighed, pointed to the door of Fengzhuang, and said in a complicated tone: "Junior sister, didn't you see it just now? That woman was so powerful just now that she was not at a disadvantage against Danzong Sect Master. You and I are mediocre, how can you save me? Master?"

This chapter is provided by . Visit for daily update.

"I've made up my mind, let's go to Sect Master Danzong for help. I heard that Sect Master Zheng's heroic spirit will definitely help."

Hearing this, Yueqing thought for a while, and felt it made sense, so he nodded.

Afterwards, Yueqing greeted Yue Feng: "Brother Ah Feng, hurry up and keep up."

Hmm!

Yue Feng responded and quickly followed.

In Yue Feng's heart, he also planned to catch up with Zheng Chunqiu first, but at this time, he heard Yueqing's call and naturally did not refuse.

"Junior sister!"

However, Cheng Yi was unhappy, and said with a disgusted expression: "What are you calling this waste for? Look at his appearance, how can he help?"

Yueqing's delicate face was full of determination: "Brother Ah Feng is my friend, what's wrong with me calling him?"

“What friend, he’s a liar.”

“You said, you already said I was angry…”

“Okay, I won’t say it anymore . . , sigh…”

Yue Feng followed, listening to the brothers and sisters bickering, but didn’t take it to heart.

Half an hour later, the three of Yue Feng tracked and finally found Zheng Chunqiu and the others. They saw that Zheng Chunqiu and his party did not return to the main altar of Danzong, but took a rest in a dilapidated temple.

This monastery is less than ten miles away from Fengzhuang, and the location is very hidden, so I am not afraid that Ji Hongshang will send someone to investigate.

Swish!

At this moment, when the three of Yue Feng entered the temple, Zheng Chunqiu and others, who were sitting there resting, suddenly cast their eyes.

Whoa!

Immediately afterwards, more than a dozen Danzong disciples walked over quickly and surrounded the three of them.

“Who are you?” Zheng Chunqiu sat there cross-legged, glanced at Yue Feng three times, and said with a bit of majesty: “Why are you following us?”

Because Yue Feng at this time not only has long red hair, but also has marks on his face, which Zheng Chunqiu couldn’t recognize at all.

Gudong!

Feeling the strong pressure pervading Zheng Chunqiu, Cheng Yi couldn’t help swallowing a mouthful of saliva, and quickly explained with a smile: “Sect Master Zheng, don’t misunderstand, we are not following you, but asking for something.”

Yueqing next to him was also nervous. No, he nodded and said, “Yes, we are not bad people.”

Then, Cheng Yi told the story of his master’s arrest one by one, and at the end, Cheng Yi looked at Zheng Chunqiu with a sincere expression on his face. : “Zheng Sect Master, you are a hero respected by everyone in our East Ao Continent. Please help us. When you save your Danzong elders, let’s save our master by the way.”

Yueqing's delicate face, also full of anticipation, he followed up and said, "Yes, please."

It turned out to be the case.

Hearing about the situation, Zheng Chunqiu suddenly nodded, but he did not immediately nod in agreement, but asked curiously, "You two are senior brothers and sisters, so who is this one? Why is he with you?" The

last sentence fell, Zheng Chunqiu pointed to Yue Feng.

Chapter 4357

At this time, Zheng Chunqiu's expression was indifferent, but looking at Yue Feng's eyes, there was a bit of surprise.

Who is this man holy? Not only is he full of long hair, but his face is also full of red lotus marks.

It's so peculiar.

At this time, Zheng Chunqiu didn't know that the person in front of him was Yue Feng.

At the same time, the eyes of the surrounding Danzong disciples also focused on Yue Feng, all of them were extremely surprised.

"He."

Hearing the question, Cheng Yi said lightly: "He's just a nobody in the world. Sect Master Zheng doesn't need to pay too much attention to it."

When he said this, Cheng Yi's expression was full of disdain. Feng is a liar, how can he get Zheng Chunqiu's eyes?

Hehe...

Hearing Cheng Yi's introduction, Yue Feng couldn't help but secretly smiled in his heart.

This Cheng Yi is really a chicken belly, and he never forgets to belittle me everywhere.

But in his heart, Yue Feng smiled politely at Zheng Chunqiu.

He has changed his appearance, and there is a villain like Cheng Yi by his side. Forget it, I will not recognize Brother Zheng for the time being. Let's talk about it when I have a chance.

"Senior brother!"

However, at this time, Yueqing, who was standing by the side, was unhappy, and couldn't help but pull Cheng Yi, and whispered, "Why are you still like this?"

Having said that, Yueqing respectfully said to Zheng Chunqiu: "Sect Master Zheng, this is my friend, his name is A Feng, A Feng is very powerful, he helped us drive away the wolves before."

Yue Qing is kind-hearted, seeing that Cheng Yi has always been against Yue Feng, he can't bear it.

Um?

Hearing this, Zheng Chunqiu froze for a moment, then looked up and down at Yue Feng, secretly startled.

Can one man drive away wolves?

This man is interesting.

Cheng Yi was a little anxious. The more junior sister protected Yue Feng, the more upset he felt. At that time, he smiled lightly and waved his hand: "It's nothing, this Ah Feng often wanders in the barren mountains and mountains, and it's nothing to speak a bit of animal language."

Having said that, Cheng Yi turned his eyes and quickly changed the topic: "Zheng Sect Master, my master is also locked in Fengzhuang, please help me."

Phew!

Zheng Chunqiu breathed a sigh of relief, and said lightly, "Everyone is the sons and daughters of all corners of the world. Since your master has also been arrested, I naturally can't stand by and watch."

"But it's getting late, so let's just rest here tonight, the three of you. Come on, tomorrow morning, I'll figure out a plan, and I'll tell you what to do." That's

great.

Seeing Zheng Chunqiu finally agreeing to help, Cheng Yi couldn't tell how excited he was. He nodded and said gratefully: "Thank you, Sect Master Zheng, Sect Master Zheng is really righteous."

As he said, Cheng Yi pulled Yueqing and said, "Junior sister, Zheng The sect master said so, let's go to rest first."

Yue Qing nodded with a smile, and at the same time did not forget to greet Yue Feng: "Brother Ah Feng, let's stay here for one night."

"Okay!"

Yue Feng has no objection . , nodded.

This dilapidated monastery is not big, but there are still a lot of rooms, but most of them are occupied by the disciples of Danzong. In the end, there are only two rooms, and they can barely rest.

One of the doors and windows was intact, while the other was leaking everywhere.

"Big Brother Ah Feng ." When she got

to the better room, Yueqing smiled and said, "Tonight, the three of us, just live here, don't dislike it."

In her heart, Yue Feng followed. Coming to Fengzhuang to save Master, it was very tiring to travel all the way, and it was okay to live together.

After all, it's good to have a place to live in this dilapidated monastery.

Hehe...

Hearing this, Yue Feng showed a smile: "How can it be? When I was walking in the rivers and lakes before, I lived in even worse environments."

Yue Feng is not talking big, when he was in Tianqi Continent, he was with Xiaoqiu. In the evening, Su Qingyan fell to the bottom of the volcano together, the scorching temperature could almost cook people, but the three Yue Feng still stayed in it for half a year.

In contrast, the environment of this monastery is simply much better.

What?

Junior sister wants to rest in the same room with this liar?

Seeing this situation, Cheng Yi quit, his face flushed instantly, and he pulled Yueqing behind him: "Junior sister, are you crazy? You are just an adult, how can you rest with other men? Don't know the difference between men and women? ?"

Chapter 4358

Swish!

Hearing this, Yueqing's delicate face instantly blushed, and at the same time, she was helpless and angry: "Senior brother, what are you talking about? Isn't there no place to live? Besides, brother Afeng is not an outsider. It saved our lives."

Cheng Yi was a little embarrassed, but still said coldly: "Don't keep talking about this, as I see it, he was just lucky at the time, and besides, I didn't ask for it at the time. He helped." Saying

that, Cheng Yi took out the sickle in the bamboo basket behind him: "Also, I also drove away the pack of wolves at that time.

"

He said angrily: "Okay, brother, don't brag. I still remember that when you saw the wolves, your face turned pale."

"In short, I have already decided that you can't chase Big Brother Afeng tonight. Go out."

After saying the last sentence, Yueqing took Yue Feng's hand, and his delicate face was full of firmness: "Go, let's go in and rest."

Yue Feng did not refuse, and followed him in.

This....

seeing this scene, Cheng Yi was so angry, but he had no choice but to follow through with gritted teeth.

Although Yueqing is young, he is very virtuous and diligent. He made some straws and made three simple beds.

"Hey!"

When lying down to rest, Cheng Yi stared at Yue Feng: "Boy, I warn you, you'd better be honest when you rest tonight, if you dare to call my junior sister's attention, I will never forgive you. Not you."

An idiot.

Yue Feng just pretended he didn't hear these words, turned over, closed his eyes and rested.

At this time, Yueqing also turned over and said softly to Yue Feng: "Big brother Afeng, my senior brother is like that, don't mind."

After speaking, Yueqing continued with a little embarrassment: "That... I can't sleep, can you continue to teach me animal language?"

Because it wasn't too far away, Yue Feng could clearly feel her breath, a little itchy feeling, and a fresh fragrance when she was talking at this time. keep coming.

Hu...

Yue Feng took a deep breath, resisted the strange feeling, nodded and smiled, "Okay..." Then he began to teach Yueqing Beast Language seriously.

mad.

Seeing this scene, Cheng Yi, who was lying next door, almost exploded with anger.

This kid with a face full of imprints is really going too far. Just after I warned him, he chatted with his junior sister unscrupulously.

For a while, Cheng Yi felt humiliated, stood up directly, kicked Yue Feng in the leg, and said coldly, "Get up for me."

"What?" Yue Feng frowned and asked back. road.

At the same time, Yueqing was also a little unhappy: "Senior brother, what are you doing?"

Cheng Yi ignored her, but pointed at Yue Feng and scolded: "Boy, I think you are really toasting and not eating and drinking, do you think that My junior sister is young, it's easy to lie, right, I tell you, I have seen a lot of perverts like you."

Nima!

Hearing this, Yue Feng suddenly became a little angry.

This Cheng Yi has a mental illness, right? I chatted with your junior sister a few words, just because I liked her? Is it a werewolf?

"Brother."

At this moment, Yueqing was also very angry, and explained: "What are you talking about? I just asked Brother Afeng to teach me animal language, there is nothing else at all."

"I don't care about this, you talk like this and disturb my rest."

"You..."

Hearing this, Yue Feng couldn't help but chuckle, looked at Cheng Yi and said, "What do you want?"

Cheng Yi pointed to his position: "Let's change ." Separating this kid from his junior sister, the two of them won't have a chance to communicate.

"Senior brother, you are going too far." Yue Qing was so

angry that he pouted and said, "I just want to learn animal language with brother A Feng, and I have no other ideas at all, but I am so crooked by what you think... As he was talking, Yue Feng smiled and comforted: "

Forget it, maybe your brother is really tired, so I'll change it with him." As he spoke, Yue Feng secretly took out a grass from his body and rubbed it Broken grass blades, smeared the juice on the straw under him.

This grass, called 'hemp cow', is a kind of material needed for alchemy, and it is relatively rare.

Chapter 4359

When Yue Feng was on his way before, he saw a plant and picked it. It was intended to be used for alchemy in the future.

In addition to being able to concoct alchemy, hemp grass has another feature, that is, the leaves contain powerful itching ingredients, as long as it gets on the skin, it will be unbearably itchy.

Originally, Yue Feng didn't plan to argue with Cheng Yi, but seeing that he was getting more and more over the top, he was against himself everywhere, so he decided to use hemp grass to rectify him.

At this time, Yue Feng quietly smeared the hemp cow grass, then stood up and said to Cheng Yi: "Since you like it, then you can sleep here."

Then he walked to Cheng Yi's seat and lay down.

Hehe...

Seeing that Yue Feng's clothes were softened, Cheng Yi showed a sneer of disdain and slowly lay down on Yue Feng's seat.

The moment he lay down, Cheng Yi smiled at Yueqing with a gentle smile: "Junior sister, if you want to chat, would you like my brother to accompany you?"

However, Yueqing was in the mood at this time? He snorted and turned over.

Uh...

Hit a soft nail, Cheng Yi is very embarrassed, but he is still very comfortable, at least that kid has no chance to get close to the junior sister.

Thinking to himself, Cheng Yi closed his eyes and prepared to rest.

Um?

However, at this time, Cheng Yi suddenly frowned, and his body twisted subconsciously. It was strange, it was fine just now, why is his back so itchy all of a sudden?

At this time, Cheng Yi clearly felt a tingling sensation in his back, and he couldn't help but stretch out his hand and scratch it.

But what he didn't expect was that the more he stretched out his hand to scratch, the stronger the tingling feeling.

Wipe...

Finally, Cheng Yi couldn't bear it anymore, he simply stretched his hand into his clothes, scratched it hard, and made a sound. Because you worked so hard, you scratched your back, and a trace of blood was oozing out.

But even so, the tingling feeling did not subside, but became clearer.

At this moment, Cheng Yi almost cried, but felt a burning itching on his back. He wished that the knife would peel off that layer of skin.

Haha...

Hearing the movement from Cheng Yi, Yue Feng knew that the effect of the hemp ox grass had struck, and at that time, he couldn't tell how happy he was, because no one could hold back the itch.

After scratching for a while, Cheng Yi couldn't take it anymore, he took off his shirt and grabbed his hands on his back.

Through the light outside, I could see that Cheng Yi was sweating profusely, his facial features were twisted, sweat and tears were mixed together, and he was indescribably miserable.

"Senior brother!"

Finally, Yueqing was awakened by the movement, and couldn't help but ask, "Aren't you going to rest? What are you doing?" As he asked, Yueqing turned over and looked at Cheng Yi.

Swish!

Seeing Cheng Yi's shirtless shirt and the clothes beside him, Yueqing's delicate body trembled, and then a trace of blush and anger spread on his face.

Senior Brother... Senior Brother, he actually undressed beside me?

"Ah..."

After being stunned for a few seconds, Yueqing finally reacted, let out a scream, and then said angrily, "Senior brother, what are you...what are you doing? You are so shameless..."

"Sister... ."

Seeing Yueqing's misunderstanding, Cheng Yi was embarrassed and explained nervously: "Don't misunderstand, it's not what you think, I just took off my clothes and scratched my back suddenly." As he said, Cheng Yi's hands He kept scratching his back.

Mad, what a shame.

More importantly, he was also misunderstood by his junior sister.

While depressed, Cheng Yi was also very puzzled, it was really strange, why was his back so itchy all of a sudden, and it was so strangely itchy. Thinking to himself, Cheng Yi

doubted Yue Feng, and immediately turned around and asked, "Boy, are you the one who did it?"

Yue Feng's face was innocent: "How do you say this?"

"Still pretending to be garlic?"

His voice trembled, and he pointed to the straw under him: "Did you do something on it?"

Yue Feng chuckled and said lightly, "It's really interesting, I was fine just now lying there, you just lie down and just lay down. Is something wrong?"

After a few words, Cheng Yi who retorted was speechless.

“Senior brother!”

At the same time, Yueqing was also angry, frowning and said, “You don’t need anything, it’s all on Brother Afeng’s head.”

Hearing this, Cheng Yi was even more depressed.

Chapter 4360

“Hey, what’s going on?”

At this moment, a question from a Danzong disciple resounded outside the door: “What are you shouting at in the middle of the night?” Obviously, Yueqing’s exclamation just now alarmed other rooms. A resting Danzong disciple.

call!

Hearing the question, Cheng Yi hurried over and said politely across the door: “It’s nothing, there was a mouse just now, which scared my junior sister. I’m sorry to disturb you.

” So embarrassing.

Hearing the answer, the Danzong disciple didn’t ask any more questions, turned around and left.

How to do?

Hearing the sound of footsteps go away, Cheng Yi breathed a sigh of relief, and at the same time his facial features were crowded together, unspeakably uncomfortable.

The numbness on the back is getting worse and worse, it’s life-threatening.

At this time, Yueqing also came over curiously and took a closer look at Cheng Yi’s back. When he saw it, he was shocked.

Just saw Cheng Yi’s back, full of wounds scratched by nails, blood red, indescribably scary.

“Senior brother.”

At this moment, Yueqing no longer complained, but asked worriedly, “Did you get bitten by some poisonous insect?”

“I don’t know.” Cheng Yi replied with a grin, almost crying.

This feeling is really uncomfortable.

Ugh!

At this time, when Yue Feng saw that he was almost done, he sat up slowly and said, "There is a well outside the temple, and the water in the well is cold. You jump in and soak for a while, and it should be able to relieve the itching."

Although this kid is abominable, he has also been rectified. , just let him go.

Hearing Yue Feng's words, Cheng Yi's eyes flickered, and he was a little hesitant at the time, but his back was too itchy, so he finally walked out of the room, found the well outside the temple, and jumped in.

A few minutes later, Cheng Yi came back soaking wet, his face was much better, but he was just like a drowning dog, indescribably embarrassed and funny.

puff.

Seeing him like this, Yueqing couldn't help laughing, and then set up a bonfire to help Cheng Yi bake his clothes.

Cheng Yi was tossing about it just now, and no one was sleepy at this time.

For a while, the room was very silent except for the crackling of the bonfire.

"Gugu..."

Suddenly, Yueqing's stomach made a gurgling sound.

"I'm hungry." Yueqing said embarrassedly with a bit of blush on her delicate face.

After all, Yueqing is a girl. She has been running around for a day and hasn't eaten much. At this time, she can't stand it anymore.

"Junior sister, don't panic."

Cheng Yi quickly stood up and smiled at Yueqing: "When I came, I saw a deer appearing in the woods next to the temple, I'll grab one for you later, let's roast the deer. Eat your legs."

Saying that, Cheng Yi tilted his head and glanced at Yue Feng: "Wait for me, let's go."

In his heart, Yue Feng is just a liar, even if he is hunting, he is only worthy of his own. Start.

Seeing his aloof attitude, Yue Feng secretly smiled, but he didn't care.

"I'll go too."

Hearing that he was going to go hunting, Yueqing immediately became energetic.

At this time, the clothes were also drying, and after Cheng Yi put them on, the three walked out of the room and walked towards the woods outside the monastery.

Speaking of which, Zheng Chunqiu, who was resting next door, and those Danzong disciples must have something to eat, but in Cheng Yi's heart, he had already begged others to save the master, so these little things would not be troublesome.

Tonight is a good night, with a bright moon in the sky.

Soon he reached the woods, and from a distance, he saw a male deer eating the night grass not far away.

Haha...

Seeing this scene, Cheng Yi was full of confidence and smiled at Yueqing: "Junior sister, wait and see how senior brother catches this stag."

As he spoke, Cheng Yi broke a branch . , made a simple bow and arrow.

At this time, Cheng Yi was in a good mood.

This day, my sister's attention has been all on that kid, and now it's finally my turn to show my skills.

Hearing this, Yueqing nodded again and again, with anticipation in his eyes.

Yue Feng laughed secretly.

This Cheng Yi, at first glance, has never survived in the wild. It is strange that such a simple bow and arrow can catch a stag.

After finishing the bow and arrow, Cheng Yi didn't talk nonsense, the cat quietly approached with his waist, and then pulled the bow to shoot the arrow.

However, what he didn't expect was that the stag was too alert, and before Cheng Yi could shoot the arrow, he turned and fled away.
