

## The ultimate husband in Chinese chapter 4391-4400

Chapter 4391

After finishing speaking, Yue Feng pushed Mu Xixi's master and apprentice aside: "Trust me."

Then Yue Feng strode towards Yuantong: "If you want to catch me, it depends on whether you have the ability, let's work together. Come on."

Huh!

Hearing this, Yuan Tong's face changed, and then he shouted: "Let's go together, don't underestimate the enemy." With

such a shout, Yuan Tong didn't mean to shoot, but quietly took a step back.

Yuan Tong is very cunning, he thought about it, first let the surrounding classmates hold Yue Feng, and when the time is right, he will surprise him.

"Kill!" The

voice fell, and nearly 2,000 disciples of the Five Poison Sect let out a burst of howls, killing Yue Feng.

Since you are going to fight, come with a special code.

Seeing the disciples of the Five Poison Sect rushing up, Yue Feng did not panic at all, but showed a smile, even though he was very weak at this time, he did not have the slightest fear.

"Come on!" In the

next second, Yue Feng let out a howl, clenched his fists, and rushed directly into the enemy group.

...

on the other side, in an underground cave.

After some cloud and rain, Cheng Yi got dressed and sat there, indescribably excited.

This chapter is provided by . Visit for daily update.

call!

At this moment, Cheng Yi took a deep breath, felt the power he had just absorbed in his body, and couldn't restrain his inner excitement.

Hahaha...

Today is really a good day. Not only did I taste the taste of the female sect master of the Five Poison Sect, but I also gained an extremely powerful internal strength. This is really a blessing from God.

Not far from him, Ji Hongshang curled up there, with tears streaming down her face, her eyes filled with resentment, she wished she could slash Cheng Yi with a thousand swords!

This bastard who is not as good as a pig and a dog has defiled himself.

Not only that, 90% of the internal power in his body was also passed on to him.

It's really eyeless.

At this moment, Cheng Yi stood up slowly, walked up to him with a smile, stretched out his hand to lift Ji Hongshang's chin: "Follow me in the future, I won't treat you badly, haha..." I

have to say, this five The Sect Master of the Poison Sect is so sexy.

Especially the feeling just now is really memorable.

"Get out, get out of here!" Ji Hongshang gritted her teeth tightly, her eyes full of resentment: "Wait, I will definitely kill you, sooner or later!"

When she said this, Ji Hongshang's eyes were full of resentment. It's killing intent!

"Bitch, shame on your face!"

Hearing this, Cheng Yi's face sank, his eyes flashing coldly, and he immediately slapped him hard!

"Clap!"

With this slap, Cheng Yi used all his strength to hear Ji Hongshang cry out uncontrollably, her delicate body trembled, and she fell directly to the ground, a bright red handprint appeared on her face.

"You... insult my innocence, I will teach you not to die..." Ji Hongshang covered her face in shock and screamed at Cheng Yi.

“Haha.. I can’t die? When you arrested my master, why didn’t you think that you would be today?” Cheng Yi sneered and retorted coldly: “When you smashed me with a stone and humiliated me just now, why didn’t you think of it?” How could you end up like this? Mad, how noble do you think you are? You’re just a slut!”

“I told you to scold, keep scold!”

While shouting, Cheng Yi stepped forward again, slap after slap!

“Slap! Slap! Slap!”

Every slap made a crisp sound.

The crisp sound made everyone tremble!

A slap is heavier than a slap!

Ji Hongshang kept screaming, she wanted to struggle, but the acupoints on her body were lit and she couldn’t move at all!

At this time, Ji Hongshang couldn’t wait to die immediately, and she didn’t want to be so humiliated.

hum!

I don’t know how many times I played, Cheng Yi suddenly stopped, and he felt a heat current raging all over his body, and the burning feeling became stronger and stronger, attacking Cheng Yi’s nerves.

what happened?

At this moment, Cheng Yi suddenly became nervous. He didn’t know that he was originally only in the realm of Emperor Wu, but suddenly he got 90% of Ji Hongshang’s internal strength. Without guidance, his body would not be able to bear it.

“Ah...” The

burning sensation became stronger and stronger, and Cheng Yi finally couldn’t stand it anymore. He shouted and rolled on the ground.

Seeing this scene, Ji Hongshang quickly got up and staggered to the distance.

Chapter 4392

To be honest, Ji Hongshang really wanted to kill Cheng Yi at this time, but she was so weak that she had no strength to walk, so she could still kill people. Opportunity to escape from Cheng Yi's clutches first.

Mad, the bitch is going to run.

Seeing Ji Hongshang fleeing, Cheng Yi was furious. He wanted to stand up and chase, but the pain in his body was getting stronger and stronger, and he couldn't care about it at all.

Finally, Cheng Yi couldn't stand it anymore, his eyes darkened, and he passed out.

....

Ji Hongshang stumbled and ran forward, her face pale, extremely weak, and her heart was full of grief and anger.

live.

must live.

When he regains his strength, kill Cheng Yi first, and then kill Yue Feng.

While running, Ji Hongshang was full of revenge.

It's just that this huge cave is full of forks, and the light is extremely dim. I don't know how long it took to run, and Ji Hongshang suddenly stepped on the air and fell into a deep cave.

Done!

At that time, Ji Hongshang exclaimed, her heart was full of despair, she never thought that in this underground cave, there was actually a downward hole.

.....

the other side!

Cheng Yi didn't know how long he had been in a coma. When he woke up, he only felt sore all over, but the burning feeling disappeared!

Ha ha...

When he opened his eyes, Cheng Yi saw that he was still lying in the same place, but he was pleasantly surprised to find the burning pain on his body. Not only did it

disappear completely, on the contrary, the inside of the dantian was filled with an incomparably strong force.

call!

At this moment, Cheng Yi took a deep breath, indescribably excited, his whole body trembled with excitement.

In the later stage of the Tribulation Transcendence Realm, he gained 90% of Ji Hongshang's power, and he was suddenly promoted from the Martial Emperor to the later stage of the Tribulation Transcendence Realm.

The feeling of being full of power is really cool, haha.

Sure enough, God still treats him favorably, and he did not let himself be unable to bear that power and lose his life.

Speaking of which, Cheng Yi's ability to successfully integrate that power is not considered his luck. You must know that he has been studying medicine with Yang Chenzi all these years, and he often takes some spiritual herbs. His physique is different from ordinary people. , to obtain such a strong and pure power, he would have exploded and died long ago.

By the way, that bitch!

Excited, Cheng Yi suddenly thought of something, stood up quickly, and chased in the direction that Ji Hongshang had fled before.

The Five Poison Sect Sect Master is a stunner of a generation. She must enjoy it well in the future and must not let her slip away.

Thinking to himself, Cheng Yi quickened his speed.

Nima!

It's just that this underground cave is really too big. Cheng Yi searched for more than an hour, but he didn't find Ji Hongshang's figure. Instead, he almost fainted.

Forget it, I won't be looking for it for the time being, let's go back to Fengzhuang to find Master.

After looking around again, Cheng Yi gave up completely, left the underground cave and rushed towards Fengzhuang.

.....

At this moment, Fengzhuang is here.

The fierce battle between Yue Feng and the Five Poison Sect continued.

I saw that in the crowd of thousands of disciples of the Five Poison Sect, Yue Feng was like a tiger descending the mountain, extremely brave!

However, when Yue Feng rescued Mu Xixi's master and apprentice, a lot of power had been consumed. At this time, facing the siege of the disciples of the Five Poison Sect, it was already the end of the force. At this time, it seemed that he was fighting bravely, but in fact he was just struggling to support.

I saw that Yue Feng's body was already covered with blood, and dozens of wounds had been cut all over his body. At this time, the blood was still flowing out, like a blood man.

In front of him, several thousand disciples of the Five Poison Sect, divided into dozens of teams, took turns to attack, constantly consuming Yue Feng's only strength.

call!

Faced with this situation, Yue Feng was exhausted, but he still gritted his teeth and held on with his last breath.

"Brother-in-law!"

Seeing this scene, Song Qian outside the battlefield clasped her hands together and couldn't help exclaiming, "You must hold on."

Beside her, Mu Xixi was also anxious.

However, Mu Xixi was relatively calm. She knew that anxiety was useless, so she sat there cross-legged, seized the time to adjust her breath, and planned to restore her internal strength to help Yue Feng fight the enemy.

Chapter 4393

Haha...

Seeing that Yue Feng's movements were getting slower and slower, Yuan Tong, who had been commanding not far away, instantly lost his previous fears, but couldn't help laughing, shouting at the surrounding classmates: "Yes, that's it, he is alone, and he can't stop it."

At the same time, Yuan Tong couldn't help but sneered at Yue Feng: "Yue Feng, I think you should surrender, haha, keep fighting. Go down, you're just afraid of dying."

What a hero of the Kyushu, what a master of Tianmen, that's all!

Nima!

Hearing Yuan Tong's mockery, Yue Feng Wuming became angry.

This boy is really a little boy.

puff.

Just when Yue Feng was distracted, a disciple of the Five Poison Sect rushed up and slashed directly on Yue Feng's shoulder with a long knife in his hand. In an instant, blood gushed out and dyed the ground red!

Yue Feng couldn't help taking a breath of cold air, but he didn't cry out, his eyes were blood red.

It's really a tiger falling and Pingyang being bullied by a dog.

"Kill!"

At this moment, many disciples of the Five Poison Sect rushed up again howling.

"Go away, get out of here!"

Seeing this situation, Yue Feng was completely furious. He howled at that time, raised his hands, and completely released the power of the red lotus in his body. He saw the surrounding air suddenly distorted, and then A huge fireball condensed out.

"Kill!" Yue Feng roared frantically, raising his hand to point at the crowd!

chi chi chi...

In an instant, the fireball burst out with dazzling rays of light, like a stream of fireballs, heading directly towards the disciples of the Five Poison Sect. Everywhere the firelight passed, the air was divided into cracks!

What skill is this?

What a powerful force...

Seeing this scene, the disciples of the Five Poison Sect who rushed up were inexplicably frightened and wanted to dodge, but it was too late.

"Ah!" In the

blink of an eye, the flames came to the front. The disciples of the Five Poison Sect felt a huge impact, making them unable to stand still. Just this blow, hundreds of people were beaten. Spit blood, no more resistance!

After the outbreak, Yue Feng took a deep breath, his face suddenly pale.

This move takes almost all his power away.

Brother-in-law!

Seeing this scene, Song Qian's heart twitched.

At the same time, Mu Xixi was also extremely worried, Yue Feng's internal strength was almost exhausted, and he was afraid that he would not be able to withstand it, so he must quickly regain his strength.

However, the more anxious he was, the slower Mu Xixi's internal strength recovered.

Nima, is this still human?

And Yuan Tong, who was standing not far away, was very shocked.

They are all injured like this, and they can still explode with such a powerful force.

Under the shock, Yuan Tong clearly saw that Yue Feng's face was pale at this time, and he was shaky as he stood there, obviously he was about to lose his strength.

Noticing this, Yuan Tong couldn't help shouting: "Senior brothers, this Yue Feng can't hold it anymore. He just released his skills and has no strength. Don't be afraid, let's go together."

When he shouted this, Yuan Tong couldn't hide his excitement.

Haha, if Yue Feng was captured alive, he would not only be rewarded by the sect master, but also famous in Kyushu.

"Let's go together!"

Hearing this, the remaining more than a thousand disciples of the Five Poison Sect looked at each other, then howled and rushed over quickly!

"Brother-in-law!"

At this moment, Song Qian couldn't bear it any longer, she rushed up quickly, hugged Yue Feng's arm, and cried, "Brother-in-law, go away, leave me and Master alone for now!"

” At that time, Song Qian’s tears kept streaming down. She knew that after Yue Feng released the fireball just now, his face was pale, and he was at the end of the fight. If he continued to fight, he was afraid that he would die here.

“No!”

Yue Feng shook his head with a resolute expression on his face: “If you want to go, you must also go with your master and apprentice.” With

that, Yue Feng gritted his teeth and pushed Song Qian away: “You are optimistic. Your master!”

After a word fell, Yue Feng took a deep breath and rushed up again.

“A bunch of rabble, just because you want to arrest me? You want to arrest me alive, right? Come, come here!” At this time, Yue Feng almost lost his mind, his eyes were blood red, and his expression was hideous.

Bang bang bang...

Howling, Yue Feng once again used the power of the red lotus of the law industry, like a god of hell, quickly shuttled through the crowd, punching punch after punch.

Chapter 4394 I

have to say that the Faye Red Lotus is worthy of being a rare treasure in the realm of the gods. At this time, the power in Yue Feng’s body is almost exhausted, but the imprint attached to him continues to inject power into his body.

Although these forces are not very powerful, they are enough to support Yue Feng not to fall down immediately.

Yue Feng didn’t know how many punches he had punched, but only knew that every time he punched, a disciple of the Five Poison Sect would be smashed into the air.

This...

Seeing this scene, the disciples of the Five Poison Sects surrounding them were all stunned, and they were all terrified, and even many people couldn’t help but exclaimed in a low voice.

“Is this a human? It’s just a monster!”

“It’s all hurt like this, and its strength is so strong...” “A madman, he is completely a madman

, how do you fight this?”

Unspeakable anxiety.

This Yue Feng is worthy of being a hero of Jiuzhou, he is already at the end of the road, and he can be so heroic, these fellows have been beaten and feared.

It can't go on like this.

Thinking to himself, Yuan Tong took a deep breath, first glanced at Yue Feng in a complicated way, and then shouted at the surrounding: “Brothers, don't panic, you can see that Yue Feng is exhausted, as long as we persevere. If we go down, we will definitely be able to subdue him, as long as we catch Yue Feng and the sect master comes back, we will definitely not treat everyone badly.” I

have to say that Yuan Tong is quick-witted and can be appreciated by Ji Hongshang. would be inspiring.

Whoa!

At this moment, hearing Yuan Tong's words, the remaining disciples of the Five Poison Sect, one by one, cheered up again, as if they had been beaten with chicken blood, and rushed up one after another.

puff!

In the face of this situation, Yue Feng was a little powerless. Suddenly, a disciple of the Five Poison Sect attacked from behind and slashed at Yue Feng's head!

In an instant, blood swarmed out and flowed down Yue Feng's face.

“Yue Feng!”

Seeing this scene, Mu Xixi couldn't help exclaiming, her heart was hanging.

Next to Song Qian, she couldn't cry too, brother-in-law, don't have any trouble, don't have trouble.

“Haha...”

Feeling the blood flowing down, Yue Feng didn't have the slightest fear, but laughed loudly.

In the next second, Yue Feng looked at Yuan Tong with a bright gaze, and said coldly, “You Five Poison Sects, which are also considered to be the major sects of Xicang

Along with the numbness of the scalp, I saw that a behemoth came out of the poisonous mist and appeared in front of everyone's eyes.

It was a huge spider!

Chapter 4395 I

saw that this huge spider was completely transformed from internal force, surrounded by poisonous gas, tens of meters tall, with eight legs in total, each leg was dozens of meters long, and its back was covered with The dark green scales, the poisonous fangs in the mouth, flashed with cold light, which made people feel chills down their spines.

The moment this giant spider appeared, the surrounding temperature dropped several degrees rapidly, and everyone present felt a chill to the bone.

While shocked, many disciples of the Five Poison Sect were also inexplicably excited.

“Heavenly Spider Art!”

“Senior Brother Yuantong, you actually practiced the Heavenly Spider Art?”

Under the exclamation, the eyes of each disciple of the Five Poison Sect were widened, and looking at Yuantong's eyes, they were also full of shock. and admiration.

The Heavenly Spider Art is one of the unique skills of the Five Poison Sect. It has infinite power. The Five Poison Sect has been passed down for thousands of years, but very few people can practice it. It bites itself, so for thousands of years, everyone who tried to cultivate the Heavenly Spider Art was bitten to death by poisonous insects, and very few people succeeded.

But I never imagined that Yuan Tong, who was in front of him, had actually practiced it.

Incredible.

Speaking of which, the Sky Spider Art is one of the secret arts of the town school, and it can only be practiced by the sect master. However, half a year ago, Yuan Tong made a great contribution. At that time, Ji Hongshang was very happy, so he rewarded the secret book of the Sky Spider Art. Yuan Tong.

In the past six months, Yuantong has worked hard to cultivate, relying on luck to practice the Sky Spider Art.

“Heavenly Spider Art?!”

Hearing the exclamations of the surrounding disciples of the Five Poison Sect, Mu Xixi opened her eyes and looked at the huge spider, and couldn't help but gasp.

Isn't it possible that very few people can practice spider art today?

This.... how can this Yuantong do? !

As a piano sage, Mu Xixi has traveled to the continent of Kyushu, and knows a lot about the situation of the Five Poison Sect. He knows that the Heavenly Spider Art is the unique skill of the Five Poison Sect.

It is said that as long as one has mastered the Heavenly Spider Art, one can rely on internal strength to transform into huge poisonous insects, and the transformed poisonous insects are not only huge, but also extremely ferocious.

However, these Mu Xixi have always heard of it, never seen it, but did not expect to see Yuantong perform it with his own eyes today.

“Everyone, get out of the way!”

At this moment, someone in the crowd shouted, and immediately, the disciples of the Five Poison Sect scattered, keeping a safe distance from the huge spider.

These disciples of the Five Poison Sect, because they understand the Heavenly Spider Art, know that although this huge spider is an illusion, its body is covered with highly poisonous.

Phew...

Seeing this, Yue Feng frowned and his face was solemn.

This Yuantong is really insidious, and he was not ready to take action until the last moment, but I have to say that the huge spider he transformed into is indeed very powerful.

Haha..

At this time, Yuan Tong, with a face full of pride, couldn't help but turn his mouth up, and said coldly at Yue Feng: “Yue Feng, today I will let you experience the greatness of my Five Poison Sect!” The

voice fell . , Yuan Tong issued an order to the giant spider.

“Chi-chi!”

After receiving the order, the giant spider's blood basin suddenly opened its mouth and let out bursts of hiss, like a hill, rushing towards Yue Feng in an instant!

“Brother-in-law!”

Seeing this scene, Song Qian burst into tears and exclaimed, she was about to rush over to block in front of Yue Feng, but her legs were weak, and it was too late!

Huh ...

Seeing the giant spider rushing towards him, Yue Feng stood there, shaking slightly, without the slightest fear on his face, but closed his eyes, silently comprehending the red lotus in his body.

After a series of fierce battles just now, Yue Feng had a different understanding of the power of the Faye Red Lotus.

“A poisonous insect is about to defeat me? Hehe...”

Suddenly, Yue Feng’s eyes suddenly opened, staring at the giant spider rushing up, all over his body, flashing countless red rays of light, at the same time, a powerful Power, burst out.

What?

In an instant, everyone’s eyes were focused on Yue Feng’s body, all of them shocked and inexplicable.

“Can he fight back?”

“What kind of power is surging in him? It’s so strong...”

“Impossible, it’s impossible...”

## **The ultimate husband in Chinese chapter 4396-4400**

### **Chapter 4396**

Just when the five poisonous sects were exclaiming, they heard Yue Feng’s hoarse voice, spreading throughout the sky!

“Burning red lotus, burning the sky and purifying the world...”

“Boom!” When the

last word fell, he saw Yue Feng’s whole body glowing brightly, and the firelight quickly condensed a huge blood-colored lotus, spinning in mid-air .

That’s right, this is the new skill that Yue Feng realized in desperate situation, the red lotus art!

“Om!”

At the moment when the huge red lotus was formed, the surrounding air suddenly rose, and the sky and the earth were enveloped by this fire, and everyone felt that the heat was unbearable.

Whoosh!

At this moment, Yue Feng raised his hand and waved, and a red lotus petal rushed towards Mu Xixi and Song Qian, and when they arrived, a protective film was formed, covering the master and the apprentice.

The power of Yue Feng and even the red lotus of Faye is stronger than the cold fire of white lotus. It can burn almost everything. Mu Xixi and Song Qian can't stop such a scorching power.

“Ah!”

Soon, the gowns on the closest disciples of the Five Poison Sect suddenly burst into flames.

Seeing this scene, Yuan Tong's face turned pale, but he still pretended to be calm, and shouted at the surrounding: “Hurry up and deploy the protective film!”

When speaking, Yuan Tong's face was calm, but his heart was inexplicable panic.

This Yue Feng's strength is really perverted. The blood-colored lotus flower that burst out is like the sun. If you don't take precautions quickly, I'm afraid that you and your classmates will die here.

This chapter is provided by . Visit for daily update.

Hearing this, the remaining disciples of the Five Poison Sect mobilized their inner strength.

“boom!”

It was at this time that the blood-colored lotus flower collided fiercely with the giant spider that rushed up. Suddenly, a deafening roar was heard, and within a kilometer radius, dust and smoke were everywhere.

Soon the dust and smoke disappeared, and I saw that the giant spider was burnt cleanly by the terrifying flame power of the blood-colored lotus, and there was not a trace of ashes left.

Pfft... The

giant spider was destroyed, Yuan Tong was shocked, he stepped back several dozen steps, a mouthful of blood spurted out, and his face was extremely pale.

After stabilizing his figure, Yuan Tong looked at Yue Feng closely, his eyes were full of shock, and he was speechless for a long time.

quiet!

At the same time, the audience was deadly silent, even if a needle fell on the ground, it could be heard clearly!

Everyone looked at Yue Feng as if they were looking at a monster!

He has already exhausted his power, yet he can still burst out with such terrifying skills. Is this special code still human? !

Pfft!

Under everyone's attention, Yue Feng's legs softened and he slumped on the ground.

That's right, the red lotus art broke out just now at the juncture of life and death, which completely exhausted Yue Feng's energy. At this time, he has already fought again. It can be said that a child can easily kill him.

"Huh.."

Finally, Yuan Tong reacted, staggering over, looking at Yue Feng with complicated eyes, and his tone was extremely resentful: "I didn't expect that you still have the stunt of pressing the bottom of the box, but so what? You hurt me, I still have so many colleagues, today, you can't fly!"

Said, Yuan Tong raised his hand to Yue Feng: "Catch him! He has no resistance now."

Seriously, Yuan Tong really wanted to do it himself, but he clearly felt that his heart was severely damaged, and he couldn't use any strength.

Whoa!

Hearing this, the surrounding disciples of the Five Poison Sect looked at each other one by one, and then rushed over quickly.

Nima!

Seeing this scene, Yue Feng was angry and anxious.

Is this fate? Today is destined to fall into the hands of this Yuantong? I have tried my best, really tried my best.

Under the rush of fire, Yue Feng's eyes darkened and he fainted.

"Yue Feng!"

Mu Xixi exclaimed when she saw this scene, she didn't have time to think about it, she rushed over and fought fiercely with the disciples of the Five Poison Sect who rushed up.

At this time, Mu Xixi's internal strength did not recover much, but he had no choice but to grit his teeth and fight recklessly.

"Brother-in-law, brother-in-law!" At the same time, Song Qian also ran over, hugged Yue Feng in her arms, and kept shouting, tears kept shedding.

Bang bang bang...

Mu Xixi's internal strength has not recovered much. Facing the siege of the disciples of the Five Poison Sect, he is not an opponent at all. In less than two minutes, a disciple of the Five Poison Sect found an opportunity, slapped it hard, and hit him directly. In the back of Mu Xixi's heart. " Pfft

!" With this palm, Mu Xixi's delicate body trembled, a mouthful of blood spurted out, and she stepped back and fell to the ground.

Chapter 4397

"Master..."

Seeing this scene, Song Qian couldn't help exclaiming, and wanted to rush over to help, but she didn't recover her internal strength, her physique was very weak, and she didn't take two steps, only her legs felt weak, and she fell directly. on the ground.

Haha...

Seeing this scene, Yuan Tong wiped the blood from the corners of his mouth and shouted: "Quick, take them all down!" The

voice fell, and several disciples of the Five Poison Sect rushed up and stopped Mu Xi. Xi's acupuncture point, for a moment, Mu Xixi's delicate body trembled, unable to move.

Papa...

Immediately afterwards, the other two disciples of the Five Poison Sect rushed to Song Qian, quickly sealed her acupuncture point, and dragged Yue Feng out.

At this time, Yue Feng was still in a coma.

“Senior Brother Yuantong!” The two disciples let go of Yue Feng when they were dragged in front of Yuantong. One of them asked, “What should we do with this Yue Feng?” The great enemy Yue Feng was finally caught. call! Yuan Tong took a deep breath, pondered, and said lightly: “First cut off his hands and feet, lest he wake up and find a chance to escape.” When he said this, Yuan Tong’s face was cold, and his eyes flashed even more cruel. Yuantong is cunning by nature. He knows Yue Feng’s ability well. In order to avoid unnecessary trouble, he decided to make Yue Feng a cripple. You must know that only cripple will not escape. “Yes, Senior Brother Yuantong!” Upon hearing this, one of the disciples responded, then pulled out the machete on his body and slashed directly at Yue Feng’s right leg.

“No...don’t...”

Seeing this scene, Song Qian’s heart was cut like a knife, and she burst into tears instantly.

For a time, Song Qian’s heart was ashes!

She has already decided that if her brother-in-law has three strengths and two weaknesses today, she will not live!

At the same time, Mu Xixi was also anxious, shocked and angry!

“You...” In the

next second, Mu Xixi bit her lip and shouted at Yuan Tongjiao: “You have already caught him, why do you need to chop off his legs again? To attack a comatose person, you five poisons Isn’t Zong afraid of people in the world laughing at him?”

When saying this, Mu Xixi looked at Yue Feng closely, praying in her heart.

Yue Feng, you can’t be in trouble, you mustn’t be in trouble.

Ha ha!

Hearing Jiao’s drink, Yuan Tong smiled coldly and looked at Mu Xixi with disdain: “I’m just a defeated general, how can I make irresponsible remarks about our Five Poison Sect?” After speaking

, Yuan Tong waved his hand. : “Don’t pay attention to her, hurry up!”

Hearing these words, the disciple stimulated his inner strength and clenched the machete to speed up.

Done!

Seeing that Yue Feng's right leg was about to be chopped off, Mu Xixi closed her eyes in despair, and Song Qian's eyes darkened even more, and she almost fainted in a hurry.

Om....

However, at this critical moment, an extremely strong breath came from not far away, and at the same time, a full body also sounded: "People from the Five Poison Sect, listen, let me go. Master."

At this moment, both Yuan Tong and others around him all looked over.

The disciple who was about to cut off Yue Feng's right leg also subconsciously stopped and followed the voice with everyone.

I saw a figure coming quickly. The visitor was wearing a dirty long gown, like a beggar, but his whole body was filled with a strong aura, and his expression was arrogant and arrogant.

It was Cheng Yi.

In the underground cave before, Ji Hongshang was not found, so Cheng Yi gave up the search and came directly to Fengzhuang.

Whoa!

Feeling Cheng Yi's breath, both Yuan Tong and the surrounding disciples of the Five Poison Sect were secretly shocked.

This guy is so powerful.

Especially Yuan Tong, frowning and looking at Cheng Yi, he was shocked and puzzled.

Strange, this person's inner strength seems to be the 'Five Saint Heaven's Ultimate Skill' of our Five Poison Sect. It's only the Five Saint Heaven's Ultimate Skill. Only the sect master is qualified to practice. Where did this strange guy come from?

At this time, Yuantong didn't know that Cheng Yi took away Ji Hongshang's innocence, so he got Ji Hongshang's eighth-level skill.

Um?

Facing everyone's attention, Cheng Yi was full of pride, but when he saw Fengzhuang in front of him, he was stunned for a moment.

Chapter 4398

What's the situation, how did Fengzhuang become a sea of fire?

The sincerity at this time clearly saw that Fengzhuang, which was originally beautiful, was completely in ruins under the burning of the fire at this time. The smoke was billowing inside, and there was not a single person.

"This friend!"

Just when his sincerity was in doubt, Yuan Tong endured the pain, took a step forward, and said cautiously, "Excuse me, what are you doing? I just heard your Excellency say 'Let us let your master go', I think, is there any misunderstanding in this?"

When asked, Yuan Tong looked sincere, but felt uneasy in his heart.

This person is so tyrannical, isn't his master even more powerful? In the past half month, the Five Poison Sect had captured many famous doctors, but none of them were stronger than Emperor Wu.

So, it must be a misunderstanding.

To be honest, Yuan Tong didn't want to act so cowardly, but he couldn't help it. He was severely injured by Yue Feng in the first battle, and he no longer had the strength to fight again. At this time, facing Cheng Yi, he could only be extremely polite.

call!

Seeing this scene, Mu Xixi and Song Qian were relieved at the same time.

Very dangerous, just now Yue Feng's legs were almost unable to be saved.

While rejoicing, both the master and the apprentice couldn't help looking at Cheng Yi, and couldn't help but mutter in their hearts, when did such a strong man appear in Dongao Continent?

Listening to what he said just now, the Five Poison Sects also arrested his people. The so-called enemy of an enemy is a friend. It seems that this time is saved.

Thinking of this, Mu Xixi and Song Qian looked at each other, unable to express their excitement.

"misunderstanding?"

At this moment, when Yuan Tong spoke, Cheng Yi showed a sneer: "Five days ago, people from your Five Poison Sect took my master, can I still admit it?"

When he said this, Cheng Yi's face was full of expression. It was cold, and my heart was indescribably happy.

So cool.

Is this what it feels like to be a peerless master? Anyone who sees it is respectful. If this is the case before, how dare you think about it.

"Dare to ask..." Yuan Tong was inexplicably nervous, and asked with a wry smile: "Dare to ask your master's name?"

Cheng Yi snorted lightly, put his hands behind his back, arrogantly, and said word by word, "I Master is Yang Chenzi, where did you get him? Hurry up." In the

last sentence, Cheng Yi almost roared.

At the same time, Cheng Yi couldn't help but glance at Fengzhuang, which was still burning, with a gloomy expression on his face. If the master was burned to death, then let everyone present be buried with him.

Sheep dust?

At this moment, Yuan Tong's heart was shocked, and he hurriedly said with a smile: "This friend, your master has been taken away by Dan Zong, it was half an hour ago, I assure you that he was not trapped in Fengzhuang. Inside."

While speaking, Yuan Tong observed the change in Cheng Yi's expression.

Madd, if he wasn't seriously injured, why would he be rude to him?

In fact, Yuantong didn't know where Yang Chenzi was, because when Zheng Chunqiu came to save people, Yuantong and these elite disciples were not in Fengzhuang.

However, Yuan Tong was quick-witted, and in a hurry, he made up a lie, intending to deceive Cheng Yi.

But he never thought that an hour ago, Yang Chenzi was indeed rescued by Zheng Chunqiu.

Master is not dead?

Cheng Yi frowned and looked at Yuan Tong suspiciously: "What you said is true?"

"It's absolutely true!" Yuan Tong nodded quickly, and at the same time secretly winked at the surrounding Five Poison Sects.

The disciples of the Five Poison Sect understood each and every one of them, and spoke to Cheng Yi one after another.

"Yes, Yang Chenzi did go with Dan Zong."

"We were all there at the time!"

These disciples of the Five Poison Sect were not fools. They knew that Yuan Tong was talking nonsense, but if they didn't help Yuan Li, the man in front of him would be furious. , no one can stop him.

Seeing that the disciples of the Five Poison Sect were saying this, a stone hanging in Cheng Yi's heart fell to the ground in an instant, and a smile appeared on his face.

Then, Cheng Yi was about to turn around and leave.

Um?

However, at this moment, Cheng Yi was stunned when he saw Yue Feng lying on the ground.

Why is this kid here?

Isn't he with his sister-in-law? How could it appear here, with so many injuries, and fainted?

Chapter 4399

Also, where did the junior sister go?

Muttering in his heart, Cheng Yi's eyes fell on Mu Xixi and Song Qian, and he was immediately stunned.

hiss!

Two beautiful women.

I saw that although Mu Xixi and Song Qian were also injured, trapped for a few days and their clothes were dirty, they couldn't hide their charming curves, especially the weakness on their faces. , will feel pity.

For a while, Cheng Yi's expression was sluggish, he couldn't help taking a deep breath, and secretly praised in his heart.

These two beauties are even more charming than that Ji Hongshang.

Cheng Yi's gaze made Mu Xixi feel uncomfortable, but the current situation was not easy.

"Your Excellency!"

Seeing this scene, Yuan Tong was a little panicked, and quickly walked over and said, "These two women and Yue Feng have some personal grievances with our Five Poison Sect, please don't interfere."

At this time, Yuan Tong was very nervous.

Ma De, after fighting for a long time just now, he managed to catch Yue Feng, but he can't let this person mess up the game.

Yue Feng?

Hearing this, Cheng Yi was stunned and looked at Yuan Tong in astonishment: "What did you say? Who is Yue Feng and where is he?"

Cheng Yi couldn't help muttering secretly while asking.

Wouldn't he be talking about Yue Feng, the famous master of Tianmen in Kyushu?

Yuan Tong hurriedly pointed at Yue Feng, who was still in a coma: "It's him. Your Excellency, you may not know. Although this Yue Feng is famous in Kyushu, he is the most cunning person. You see what he looks like now, he is deliberately dressed up."

Yuan Tong could see that Cheng Yi and Yue Feng were not familiar with each other, otherwise they wouldn't recognize him, so he took the opportunity to slander Yue Feng.

"You are talking nonsense!"

Song Qian, who had been silent for a while, couldn't help it at that time, and shouted at Yuan Tongjiao: "My brother-in-law is not such a person, he is a hero, a great hero in Kyushu."

Yuan Tong was cold He sneered and ignored it, but observed Cheng Yi's reaction.

I'm going...

At this moment, Cheng Yi's heart was shocked, he looked at Yue Feng tightly, and was speechless for a while.

This kid turned out to be the famous Lord of Heaven.

No wonder he understands so much, first to disperse the wolves, then to catch the stag, and to detoxify himself, as if he is omnipotent.

But thinking of losing face in front of his junior sister for the past few days, Cheng Yi couldn't admire Yue Feng at all. On the contrary, after knowing his true identity, his resentment grew stronger.

Nima, this Yue Feng is really shameless, he clearly has a prominent identity, but he pretends to be a nobody and has a relationship with my junior sister.

There are rumors in the rivers and lakes that Yue Feng has countless confidantes, each of which is a national beauty and a beautiful country, but he still wants to rob my junior sister from me.

This person is the most shameless.

Thinking to himself, Cheng Yi's heart became colder and colder, but there was a smile on his face.

The next second, Cheng Yi ignored Yuan Tong and walked over directly.

"Girl!"

When he got to the front, Cheng Yi looked at Mu Xixi, while pretending to be polite: "Are you all Yue Feng's friends?" After speaking, he couldn't help but glance at Song Qian.

At this time, the close observation made Cheng Yi even more itchy.

So sexy.

One intellectual and charming, one youthful and beautiful.

What kind of virtue and ability of Yue Feng, will two peerless beauties accompany him?

Facing the question, Mu Xixi's red lips lightly opened to answer, but was interrupted by Song Qian.

"Why are you so incapable of talking?" Song Qian frowned, and said angrily at Cheng Yi: "This is my master, Qin Sheng Mu Xixi, what girl?" After speaking

, Song Qian glanced at Yue Feng, very proudly continued: "Also, Yue Feng and I are not friends, he is my brother-in-law."

Qin Sheng Mu Xixi?

At this moment, Cheng Yi's eyes lit up, and he was indescribably excited and excited.

It turns out that this is the famous Qin Sheng. According to rumors, Qin Sheng is not only powerful, but also has a fairy-like appearance. When I saw it today, it really lived up to its reputation.

Although Cheng Yi had never left Dongao Continent, he had also heard of the name of the Qin Sheng, Mu Xixi. At this time, after learning about the relationship between Yue Feng and Mu Xixi, a bold thought arose in his heart.

Chapter 4400

This Yue Feng dares to hit his junior sister's attention, why don't I grab his woman?

If I could spend a good night with this Mu Xixi, it would be worth it to die immediately, haha...

Honestly, if it was half a day ago, Cheng Yi would never have dared to have such a thought. After all, his strength is low, and his master Yang Chenzi You don't have much fame in Kyushu, how dare you think about the famous Qin Sheng? But after he got Ji Hongshang's eighth-level skill and tasted Ji Hongshang's taste at the same time, his strength became stronger, and his heart swelled up.

At this moment, Cheng Yi thought happily, the smile on his face thicker, and politely said to Mu Xixi: "It turned out to be Your Excellency Qin Sheng and his beloved disciple, disrespectful!"

As he said, Cheng Yi pointed at Yue Feng , continued: "To tell the truth, although Yue Feng and I have just met, but we met late, of course, I didn't know he was Yue Feng before, he always called himself A Feng..."

Said, Cheng Yi He told the process of getting to know Yue Feng. Of course, Cheng Yi deliberately concealed some unpleasantness during the period. He only said that Yue Feng had helped their junior sister to disperse the wolves and detoxify him before.... In short, the relationship is very good. .

call!

Hearing this, Mu Xixi and Song Qian looked at each other and relaxed their vigilance.

It turned out that this person knew Yue Feng, that would be great.

Speaking of which, Mu Xixi has been in the rivers and lakes for a long time, and should not be deceived so easily by Cheng Yi, but almost all of the things Cheng Yi said happened, but some details were deliberately concealed, which made it difficult for Mu Xixi to distinguish .

Song Qian's mind is relatively simple, and she is even more convinced of Cheng Yi, she pointed at Yuan Tong excitedly at the time: "Since you are brother-in-law's friend, help me kill him, it is him and the surrounding disciples of the Five Poison Sect who take advantage of the situation. The danger of human beings is to make my brother-in-law look like this."

When she said this, Song Qian glared at Yuan Tong fiercely, her eyes full of killing intent.

Oops!

Seeing this scene, Yuan Tong's heart trembled, cold sweat broke out on his forehead, and he couldn't panic.

This person turned out to be Yue Feng's friend, and now he is in trouble.

However, listening to Song Qian's cry, Cheng Yi did not mean to do anything, but comforted with a smile: "Don't panic, girl, Yue Feng saved my life, I will definitely avenge him, but he is seriously injured now. , the most important thing for us is to leave here first, and then heal Yue Feng."

When he spoke, Cheng Yi's face was serious and sincere, but his eyes flashed cunningly.

He wasn't stupid, so he wouldn't waste his inner strength fighting the Five Poison Sect for Yue Feng's sake.

Hearing this, Song Qian was a little anxious and wanted to say more, but was interrupted by Mu Xixi.

"Xiaoqian, this friend is right." Mu Xixi sighed lightly, bit her lip and said, "The most important thing now is to heal Yue Feng, and put other things aside for now. It's not too late for a gentleman to take revenge. Besides, these five poisonous sects won't be arrogant for a long time!" At the

end, Mu Xixi nodded at Cheng Yi and said, "It's hard work!"

Mu Xixi didn't know what Cheng Yi was thinking, she only knew that now Yue Feng The situation is very serious, and it is necessary to find a safe place for treatment as soon as possible.

"You're welcome!"

Cheng Yi smiled slightly and stepped forward to unlock the acupoints for Mu Xixi and Song Qian. Phew

... At this moment, Cheng Yi could not help but take a deep breath when he smelled the fragrance of Mu Xixi's master and apprentice at close range, and he was indescribably intoxicated. Later, Cheng Yi turned around and helped Yue Feng up. At this time, Yue Feng was still in a coma and had no idea what was going on. "Let's go!"

At this moment, Cheng Yi supported Yue Feng, and said to Mu Xixi with a smile: "There is me, don't be afraid!" When he said this, Cheng Yi didn't look at the Yuantong people around him, and didn't take it to heart at all. .

hateful!

Seeing this scene, Yuan Tong's face was gloomy and uncertain, burning with anger.

This guy is too arrogant. I have already explained the situation. He even took Yue Feng away. He really doesn't care about the Five Poison Sect.

Thinking to himself, Yuan Tong couldn't help shouting: "Stop!"

Shuh!

Cheng Yi stood on the footcloth and looked back at him coldly: "What?"

Yuan Tong took a deep breath, unable to hide his anger, and said word by word: "Your Excellency, this Yue Feng is the offender of our Five Poison Sect, you can't bring it with you. He goes."
