

The ultimate husband in Chinese chapter 4411-4415

Chapter 4411

These two words, Yue Feng said through gritted teeth, the look in his eyes made people tremble.

Phew..

Cheng Yi exhaled and muttered secretly.

Mad, this Yue Feng is obviously very weak, but his aura.... is still so strong.

“I don’t dare?” In the

next second, Cheng Yi showed a sinister smile, and his face was full of revenge: “Do you dare to see me?” As he spoke, he was about to tear Song Qian’s clothes.

Damn Nima.

At this moment, Yue Feng couldn’t take it anymore, roared, and quickly rushed over and punched Cheng Yi’s back.

However, he had just woken up, and there was no strength in his body at all. This punch was soft and did not pose any threat at all.

“Go away, trash.”

Cheng Yi sneered when he noticed that Yue Feng was coming from behind. He avoided the punch, and then struck Yue Feng with lightning speed.

boom!

This palm of Yue Feng was unavoidable, and with a groaning sound, his body was directly shaken and flew out, flying more than ten meters before he fell heavily at the entrance of the cave.

Yue Feng struggled to stand up, looking at Cheng Yi with blood-red eyes, only to feel the qi and blood in his body surging, his five internal organs were displaced, and a mouthful of blood spurted out.

Done!

Seeing this scene, Mu Xixi sighed secretly, Yue Feng's strength was exhausted, and even if he woke up, it would not change the situation.

"Brother-in-law, hurry up." Song Qian was even more anxious and couldn't help crying.

He was about to be defiled, and he couldn't avoid it. The most important thing now is that his brother-in-law quickly escaped.

As long as the brother-in-law leaves safely and regains his strength, he will definitely avenge himself.

However, Yue Feng didn't mean to leave at all, and stood up slowly, as steady as a rock.

"Yue Feng!"

At this moment, Cheng Yi, with a smug expression on his face, said with a playful smile: "How many slaps do you think you can take?"

Yue Feng clenched his fist tightly and said word by word, "Cheng Yi, dare you not? Dare to make a bet with me?"

Bet?

Cheng Yi was stunned for a moment, and then he looked disdainful: "There are two great beauties waiting for me, why should I bet with you?"

Hu...

Yue Feng took a deep breath, revealing a trace of vagueness "What? Are you afraid? I don't have any inner strength now, and you don't have the courage to make a bet with me?"

"Before, because of me, you were embarrassed in front of your junior sister over and over again, and you didn't want to be there. Do I get my face back?"

When he said this, Yue Feng held back the anger in his heart and was very calm.

Yue Feng knew in his heart that confronting Cheng Yi head-on was completely courting death. In the current situation, it is best to outsmart him.

mad.

Cheng Yi didn't talk nonsense with Yue Feng, but when he heard these words, his face turned gloomy, and he said coldly, "Okay, how do you want to bet?"

He had been embarrassed in front of his junior sister for the past two days. In other words, it is an indelible shame. At this time, seeing Yue Feng betting on this, he naturally agreed without hesitation.

At this time, Cheng Yi didn't know that he had already fallen into Yue Feng's trap.

Seeing his promise, Yue Feng chuckled and pointed to a mountain standing in the distance: "It's very simple, from here to that mountain, we don't have to compete with our internal strength. Whoever comes back first will win."

Yue Feng glanced at Mu Xixi and the two: "If I win, you let them go and I will stay. If you win, the three of us will be at your disposal.

"

Hearing this, Cheng Yi was stunned for a moment, and then laughed disdainfully: "I thought you were a hero of Kyushu and could come up with interesting rules of the game, so that's what it is, I'm in a good mood today, I'll compare with you. "

Speaking, Cheng Yi sneered again and again, his eyes twinkling.

Cheng Yi knew that Yue Feng was resourceful and proposed such a simple game rule, there must be some tricks behind it, but he didn't panic at all, because Yue Feng had no inner strength at all, even if he played tricks in secret, Cheng Yi was not afraid.

This....

Seeing this scene, Mu Xixi and Song Qian looked at each other, both puzzled.

What is Yue Feng going to do, isn't this a game that is lost? He is so weak now that even if he doesn't need internal strength, he can't run into Cheng Yi.

Confused, Song Qian was about to speak, but was interrupted by Mu Xixi's eyes.

"Don't panic, we'll just watch." Mu Xixi said softly, her delicate face was very calm, she didn't know what Yue Feng planned, but she knew that Yue Feng must have his own way of doing this. reason.

Chapter 4412

Seeing Master say this, Song Qian stopped talking.

At this time, Cheng Yi swaggered out of the cave and said contemptuously at Yue Feng, "Heroes of Kyushu, let's start?"

Hmm!

Yue Feng looked indifferent, nodded, and then picked up a wooden board next to the bonfire. The wooden board was picked up by Cheng Yi to burn the fire.

Seeing this, Cheng Yi couldn't help laughing, and said super tricked: "What? If you know you can't run fast, you can find a wooden stick as a crutch? Haha..."

Hearing the ridicule, Yue Feng's face did not fluctuate at all. Indifferently said: "Stop talking nonsense, let's start."

Cheng Yi sneered, without hesitation at the time, he rushed towards the distant mountain.

wow.

At this moment, Yue Feng calmly walked to the stream, threw the wooden board in his hand on the water, then jumped on it, adjusted his balance, used the wooden board as a skateboard, and rode forward quickly with the current.

"Brother-in-law is too smart."

Seeing this scene, Song Qian finally recovered and couldn't help clapping her hands.

I was still worried that my brother-in-law was so weak, how could he outrun Cheng Yi, but he didn't expect him to have a whimsical idea and take a board to slide on the water. You know, sliding on the water is much faster than running.

This bet was won by my brother-in-law.

At the same time, Mu Xixi next to him also showed a smile, looking at Yue Feng, nodding in approval.

Just know that Yue Feng will not disappoint.

It's a neat trick to glide across the water with a plank.

Um?

However, at this time, Cheng Yi, who was running in front, turned back to see this scene, and his face suddenly became gloomy: Mad, is this Yue Feng playing yin for me?

Thinking to himself, Cheng Yi turned back, jumped directly into the stream, and stopped Yue Feng, who was about to surpass the past.

"Yue Feng."

At this moment, Cheng Yi's face was extremely gloomy, and he said with a grim smile at Yue Feng: "Give me this hand, right? You actually slipped over the water compared to the strength of your feet?"

Feeling Cheng Yi's anger, Yue Feng calmly said: "I only said that there is no need for internal strength, I didn't say that there is no other way, if you have other better ways, I will not stop you."

"You.... Hearing this ,

Cheng Yi was furious, but he had nothing to refute.

Because Yue Feng was right, when he said the rules of the game just now, he only said that no internal force was needed, but he did not say that other methods could not be used.

Depressed in his heart, Cheng Yi suddenly thought of something, and a wicked smile appeared on his face: "Okay, very good, you said that, but it gave me a little reminder."

Whoosh!

When the words fell, Cheng Yi suddenly rushed over, pushed Yue Feng down, grabbed the plank, jumped up by himself, and went down the river.

Wow..

Yue Feng fell into the stream, soaking wet, very embarrassed.

"Yue Feng..."

"Brother-in-law!"

Seeing this scene, Mu Xixi and Song Qian were both angry, exclaimed at the same time, and ran over to help Yue Feng up.

Afterwards, Song Qian cursed at Cheng Yi, who was far away: "You are so shameless. My brother-in-law thought of this method. Why do you rob him?"

When she said this, Song Qian was very angry.

This man is so shameless.

Haha....

Cheng Yi was not angry at all when he heard the scolding, but turned his head and laughed loudly: "The rules are set by him. He only said that internal force is not allowed to be used, but he didn't say that you can't rob." After speaking

, Cheng Yi glanced at it. Yue Feng continued to mock: "Come on, catch up, or you will lose, haha..." The

last sentence fell, Cheng Yi rode the board, getting further and further away, gradually losing sight of him.

"Shameless villain." Song Qian was anxious and angry, and couldn't help scolding.

At this time, Mu Xixi also frowned, looking at Yue Feng and said, "What do you do now? Do you have a way to win?"

Huh.

Yue Feng sighed lightly, looked at Cheng Yi's figure in the distance, and smiled slightly: "It doesn't matter whether you win or not, you guys are waiting for me here." The

voice fell, and Yue Feng walked out of the stream and ran along the mountain road to the distance.

Seeing this situation, Mu Xixi and Song Qian looked at each other, each a little anxious.

Can Yue Feng win like this?

Just now, while Cheng Yi was walking far away, he might as well just run.

Just when the master and the apprentice were secretly anxious, they saw Yue Feng coming back with a few herbs in his hands.

Chapter 4413

"Quick!"

When he got to the front, Yue Feng handed the herbal medicine to the master and apprentice, with a very serious and dignified expression: "It's too late to make alchemy now, you will eat the herbal medicine, so that the softness can be relieved. The effect of tendon dispersal."

Hearing this, Mu Xixi and Song Qian hurriedly ate the herbs.

After eating the herbs, Song Qian couldn't help but asked Yue Feng, "Brother-in-law, I thought you were going to race against that villain."

Haha...

Yue Feng smiled slightly and couldn't help but touched Song Qian's body. Head: "Brother-in-law is that stupid? Everything I did just now was to divert Cheng Yi's attention. I didn't plan to play against him at all."

Yes, the game Yue Feng just said was just a stopgap measure.

However, Cheng Yi was narrow-minded. In order to avoid his suspicion, Yue Feng deliberately used a plank to slide on the water, creating the illusion that he really wanted to win, to confuse Cheng Yi's judgment.

In fact, Yue Feng's ultimate goal is to save Mu Xixi and Song Qian.

Mu Xixi's ice and snow is smart, and she immediately understood Yue Feng's intention at this time. She smiled lightly and nodded, "You still have a lot of crazy ideas." When the words

fell, Song Qian quickly said, "While that villain is still alive," she said. If you don't come back, let's go quickly."

As she spoke, Song Qian held Mu Xixi in one hand and Yue Feng in the other, and was about to leave.

However, Yue Feng shook his head: "I can't go."

"Why?"

Song Qian froze there, her delicate face full of doubts: "Why don't you go? What a great opportunity now." Huh

...

Yue Feng took a deep breath, looked at the surrounding environment, and said slowly: "The three of us, one is weaker than the other, and we can't run very far with all our strength, it is easy to be caught up by him, and running away now is not the best policy.

Mu Xixi pondered for a while, nodded and said in agreement: "Yes, let's run away first, and we will be caught by him." Hearing

this, Song Qian was very anxious and almost cried: "Then what should I do? ?"

When she thought of Cheng Yi's wretched appearance, Song Qian felt disgusted from the bottom of her heart, and fell into his hands, her innocence was gone, and she might as well die.

Mu Xixi did not respond, but looked at Yue Feng.

She knew that Yue Feng must have thought of a foolproof strategy, otherwise, he would not have made an effort to agree a match with Cheng Yi before.

Feeling Song Qian's nervousness, Yue Feng smiled and comforted: "Don't panic."

After saying that, Yue Feng returned to the entrance of the cave, put out the bonfire, and started to move stones inside. Before, a small five-element ecstasy array was deployed in the cave, and then he and Mu Xixi were hidden inside.

The Five Elements Fascinating Soul Array is extremely mysterious, and Cheng Yi can't crack it, and standing outside, he can't see the scene inside.

Speaking of which, Yue Feng has gambling elements, but now he can only try it. There is a saying that 'the most dangerous place is the safest'. Cheng Yi never thought that the three Yue Feng did not leave, but continued to hide in the cave.

Phew ...

Soon, after the fascination formation was deployed, Yue Feng wiped the sweat from his forehead and shouted at Mu Xixi, "Come in with me." After speaking, he brought the master and the disciple into the formation. among.

After entering, Yue Fengpanxi sat down and smiled at Mu Xixi: "Okay, we are safe now, let's quickly recover our inner strength, and if Cheng Yi comes back, none of us will make a sound. "

Hmm..

Hearing the warning, both Mu Xixi and Song Qian nodded seriously, then sat down and began to recover their inner strength.

Unconsciously half an hour passed.

"Hahaha..."

At this time, a loud laugh came from a distance, and it was Cheng Yi's voice: "Two beauties, you can't see the shadow of your Kyushu hero being dumped by me, he has already lost, You two get ready to serve me, haha..." The

laughter went from far to near, and soon saw Cheng Yi running over quickly.

At this time, Cheng Yi was very excited. He had won this match properly.

Um?

However, when he arrived at the cave, seeing the scene in front of him, Cheng Yi's heart was shocked, and he was stunned. He saw that the cave was empty except for a pile of stones. How could there be Mu Xixi's master and apprentice?

Chapter 4414

At first Cheng Yi thought he was dazzled, and quickly rubbed his eyes.

Mad!

After confirming that no one was there, Cheng Yi was extremely irritable, walked out of the cave quickly, and saw that the bonfire outside had also been extinguished. At that time, he was sure that he had been deceived.

Obviously, Yue Feng didn't want to compete with him at all, so he deliberately fell behind, and when he was far away, he came back and escaped with the master and the apprentice.

"Nima's." The

more Cheng Yi thought about it, the more angry he became, his face was extremely ferocious: "Well, you Yue Feng, dare to play with me?"

At this time, Cheng Yi still didn't know that the three Yue Feng did not go far at all, but Hidden in the deployed five-star ecstasy array. This formation is so mysterious that Cheng Yi can't see it from the outside at all.

It's great, I didn't find it....

Hearing Cheng Yi furious at the entrance of the cave, Yue Feng and Mu Xixi were both in a very happy mood, but at the same time they were a little nervous. They held their breath and didn't make the slightest movement.

boom!

At this moment, Cheng Yi slammed his fist on the rock wall at the entrance of the cave, gritted his teeth and said, "The three bastards are playing with me. When I catch up with you, you must look good." The

voice fell, and Cheng Yi's inner strength exploded, quickly Go away.

Huh....

Hearing that Cheng Yi walked away, the three Yue Feng hidden in the formation were all secretly relieved.

In the next second, Yue Feng showed a smile and said to Mu Xixi: "Okay, we are completely safe, let's continue to recover our inner strength."

Mu Xixi and Song Qian nodded at the same time, sitting there and continuing to practice

.

.....

On the other side, Divine Realm!

There is a mountain tens of thousands of miles south of Yutian Palace. The other end of the mountain is the chaotic void. The environment here is harsh, the hurricane is howling, the dark clouds are rolling over the head, and the thunder and lightning are raging.

At this moment, on the top of this mountain, a group of figures stood quietly, each with a powerful aura, and the one at the head was dressed in black armor with a solemn expression.

It was the Demon Lord Gone and the Twelve Holy Demon Kings.

In front of them, at a distance of more than ten meters from the top of the mountain, there was a strange white stone suspended. The side of the white stone was as smooth as a mirror, exuding unique power fluctuations.

"Your Highness!"

At this time, the Demon King Jutian, who was standing behind, couldn't help but stepped forward and asked, "What is this stone? It's so strange?"

Shuh!

The voice fell, and the other holy demon kings around also looked at Gone, and all of them were very curious.

Gone sighed lightly and said slowly, "Sacred Heaven Spirit Stone."

Holy Heaven Spirit Stone?

For a time, the Twelve Holy Demon Kings looked at each other and became even more puzzled.

"When Pangu created the world." Gone looked closely at the Holy Spirit Stone, and continued: "After dividing the heaven and the earth, the great god Pangu died, his eyes turned into the sun and the moon, his bones formed mountains, and his blood formed rivers... .."

Hearing this, the Twelve Holy Demon Kings nodded subconsciously, because they all knew this.

At this time, Gone's eyes flickered, and his tone was complicated: "But there is one thing that very few people in the world know about, that is the spiritual wisdom of the great god Pangu, turned into a holy spirit stone, and this holy spirit stone has been in the world. on top of this mountain."

Speaking, Gone couldn't hide his excitement, and continued: "The Holy Spirit Stone can know the past and the future, but it can only be opened once every 10,000 years. In the battle of the gods and demons, I came here to open the Holy Spirit Stone. I came to inquire about the future of the Demon Race, but unfortunately it failed."

"Now that 10,000 years have passed, the deity will come to see where our Demon Race will go in the future."

When he said this, Gone's face was extremely complicated.

The previous siege of the Yutian Palace resulted in the encounter with the innate magic formation deployed by the ancestors of the Great Desolation. The demons suffered heavy losses, with hundreds of thousands of troops, and in the end there were only less than 20,000 left, which can be said to be a heavy loss.

This matter made Gone very annoyed, but he was unable to change the facts.

What?

At this moment, the Twelve Sacred Demon Kings were all stunned, each one was extremely shocked.

This holy spirit stone can know the past and the future, is it too powerful? If you can really predict what will happen in the future, the demons can prepare in advance and take precautions before they happen.

Chapter 4415

Om!

Just when the Twelve Sacred Demon Kings were secretly excited, he saw Gone slowly walking over, raising his hands slowly, and for a while, an incomparably terrifying magic power burst out and poured into the Holy Spirit Stone.

After the magic power was injected, I saw the holy spirit stone shining brightly, like a scorching sun.

"The person who opened the spirit stone."

At this moment, an old and rich voice came from the holy spirit stone: "You can ask me three questions, you can ask questions now." The

voice was thick and loud, The vicissitudes of life are domineering, making it impossible to feel the slightest blasphemy.

Phew...

Hearing this voice, the Twelve Holy Demon Kings held their breaths, not daring to let out a breath. They knew that this voice was sent out by the spiritual wisdom of the great god Pangu, who would dare to be presumptuous?

At the same time, Gone also took a deep breath, took a step forward, and asked the Holy Spirit Stone: "After my demon race, will I be able to rule the world of the gods and the human world?"

"No!" The old voice did not hesitate. 's answer.

Swish!

Hearing this answer, Gone's face instantly became ugly: "Why?" The

old voice came out from the Holy Spirit Stone again: "There is a chosen person who will stop your demons."

The chosen person?

Gone frowned, and the twelve holy demon kings behind him looked at each other in dismay.

Will it be the Nine Heavens God? Fighting alone with him, who is the opponent of Demon Venerable?

It is even more impossible for the ancestors of the Great Desolation, because he is still in retreat, and he will not come out in a short time.

Who is the one?

Finally, Gonie reacted and asked the third question at the Holy Spirit Stone: "Who was chosen that day?" When he said this, Gone's eyes were full of urgency.

If there is such a person, no matter what the cost, they will be destroyed.

hum!

This time, the old voice did not sound, and I saw the light of the Holy Spirit Stone flickering, and then a strange force surged, and finally a figure appeared on the surface of the spirit stone.

Just saw that figure standing proudly high in the sky, followed by the four innate spirit beasts of Qinglong, White Tiger, Suzaku and Xuanwu, indescribably domineering and mighty.

It's him! ?

Seeing that figure, whether it was Gone or the Twelve Holy Demon Kings, was shocked, and his eyes were full of incredulity.

I saw that man's face was resolute, his facial features cut like a knife, and he was indescribably cold.

It was Yue Feng.

impossible.

At this moment, Gone stared at Yue Feng's image closely, his eyes were full of astonishment and doubts.

This kid tried to be reborn, but he was completely killed by himself. How could he stop the demons in the future?

It's just.... the revelation of the Holy Spirit Stone is never wrong.

At the same time, the Twelve Sacred Demon Kings stood there, each of them extremely surprised.

Yue Feng is not dead?

But he was obviously killed by Zun Shang at that time? It is impossible to be reborn.

call..

Finally, Gone reacted, his icy face was extremely gloomy, and he said coldly: "The Twelve Holy Demon Kings obeyed. From now on, enter the human world immediately, and no matter what method is used, we must find the whereabouts of Yue Feng."

"After finding it, kill him, I want him to die." The

last sentence fell, and Gone's eyes were blood red, full of murderous intent.

That Yue Feng was really dead, he didn't even die, but this time, he was bound to be doomed.

"Subordinates obey." The

voice fell, and the twelve holy demon kings responded in unison, and immediately flew down the top of the mountain.

At this time, the radiance of the holy spirit stone gradually weakened and finally disappeared. The three questions have been answered, and this prediction is over. To open it again, it will take another 10,000 years.

"Ancestor of the Great Wilderness!"

At this moment, Gone looked at the direction of the Yutian Palace, and said to himself: "It's time for us to meet again." The voice fell, and the figure drew a stream of light, towards the direction of the Yutian Palace. go.

Speaking of which, Gone is very afraid of the ancestors of the Great Desolation, otherwise, he would not have attacked the Yutian Palace while the ancestors of the Great Desolation were in retreat, but the demons lost one after another and suffered heavy casualties. too much.
