

The ultimate husband in Chinese chapter 4416-4420

Chapter 4416 On the

other side, Kyushu Dongao Continent.

There is a small town at the northwest junction of Dongao Continent and Apocalypse Continent.

The town is not big, but because of its special geographical location, people from the rivers and lakes often stop by, so there are many shops and it is very busy.

Whoosh!

At this time, a figure came from a distance, the whole body was filled with a powerful breath, his face was gloomy, and it was extremely manic.

It was Cheng Yi.

After learning that he had been tricked, Cheng Yi searched for several hours, but the whereabouts of Yue Feng and the three were not found.

When he arrived in the town at this time, Cheng Yi looked gloomy and underestimated in his heart.

The three Yue Feng are very weak, and they must not be able to run far. Maybe they are hiding in this small town.

Thinking to himself, Cheng Yi immediately rushed into the only inn in the town.

“Does the guest officer live in the store?”

As soon as he entered the lobby, a guy greeted him with a smile, and said politely to Cheng Yi: “There are still rooms in this shop.”

Cheng Yi was impatient and waved his hand: “Go away. , I’m looking for someone.” With that, Cheng Yi strode up the stairs, ready to search the room on the second floor.

what’s the situation?

Seeing this scene, the shop clerk hurried up to stop: “Alas, you can’t go up, disturbing the guests, we can’t afford it.” As he said, the shop clerk was about to grab Cheng Yi’s arm.

Wow...

At the same time, the guests resting in the hall also stepped forward to watch the excitement.

“Made.”

At this moment, Cheng Yi cursed loudly, and slapped the shop assistant on the face: “Dare to stop Lao Tzu and court death?”

Slap!

This slap directly slapped the shop assistant out, flying more than ten meters away, and smashed a table. When he landed, the shop assistant spat out a mouthful of blood and passed out.

That shop clerk is just an ordinary person, can that stand up to Cheng Yi’s slap?

Whoa!

Seeing this scene, everyone around was shocked and shouted.

“How do you beat people?”

“A cultivator is amazing? Are there no kings?”

The scolding around him kept coming, Cheng Yi’s face was gloomy, and he didn’t take it seriously at all. He looked around at that time and said coldly: “Anyone who is not convinced will come up and fight me, and if you do anything, just shut up for Lao Tzu.”

Om!

The voice fell, a powerful breath burst out from Cheng Yi, and the temperature of the entire hall dropped a little.

Feeling Cheng Yi’s momentum, everyone around him quickly shut up.

Cheng Yi stopped talking nonsense, went directly to the second floor, and began to search one by one.

At this moment, in the innermost room on the second floor.

A slender figure, sitting in front of the windowsill, was looking at the street outside in fascination. His facial features were exquisite and charming. He was wearing a long pale yellow dress, which could not hide his sexy curves. The whole body was filled with a noble royal aura.

It was Ren Yingying.

Behind Ren Yingying, there were eight cultivating powerhouses standing quietly. These eight powerhouses were all close to the realm of tribulation, and they were the royal guards specially selected by Ren Yingying.

Half a month ago, Ren Yingying ordered to trace the whereabouts of the Five Poison Sect, but there was no news. It was not until two days ago that it was found that the Five Poison Sect had come to Dongao Continent and occupied a manor. At that time, Ren Yingying didn't think much about it, and immediately selected several powerful guards to come to Dongao Continent.

Half an hour ago, Ren Yingying and her party passed by the town and took a short break here.

At this time, Ren Yingying was sitting in front of the window sill, thinking about something on her mind, when she suddenly heard a loud noise coming from the hall on the first floor.

Ren Yingying Xiumei frowned slightly, a little upset, and said softly, "Go down and see what's going on."

"Yes."

A royal guard responded and quickly pushed the door out to check.

After a while, the guard quickly returned, and said with a complicated expression: "Miss Hui, there is a person who is forcibly searching the room. He looks very powerful, and his subordinates can't see the history."

Is there such a thing?

Hearing this, Ren Yingying Xiumei frowned and stood up slowly: "Let's go, let's go out and have a look together." After speaking, she was about to leave the room.

boom!

However, at this moment, the door of the room was kicked, and then, Cheng Yi with a sullen face broke in.

Chapter 4417

Swish!

At this moment, the eyes of everyone in the room suddenly converged on Cheng Yi, and they were all shocked and angry.

This man is so bold that he dares to break into His Majesty's room. However, this time Ren Yingying came to Dongao Continent in micro-service and concealed her identity, so these royal guards did not rashly attack despite the atmosphere.

At the same time, Cheng Yi was stunned when he saw the situation in the room.

so many people?

In the next second, when Cheng Yi's eyes fell on Ren Yingying, he was stunned, and he couldn't help taking a breath.

Hey, what a beautiful woman.

Especially the noble temperament on her body is not comparable to a woman like Ji Hongshang.

I never thought that such a beautiful woman could be found in such a small town.

Swish!

Cheng Yi's gaze made Ren Yingying very displeased, his delicate face was covered with frost, this person has no rules at all, staring at me like this is simply courting death.

"Where are you from, dare to stare at my lady like this?"

At this moment, the surrounding royal guards were also extremely annoyed, and then one of the guards strode out, pointed at Cheng Yi and cursed: "Hurry up to my lady Kneel down and apologize."

Because Ren Yingying was reluctant to reveal her identity as the Queen of Apocalypse, these guards still respectfully called Miss.

kneel?

Hearing this scolding, Cheng Yi was stunned for a moment, then the corners of his mouth twitched, and a smile appeared: "Your young lady is quite a big girl. I just glanced at it, and I'm going to kneel down and apologize? What kind of reason is this?"

At this time, Cheng Yi still didn't know that the beautiful woman in front of her was the queen of Tianqi Continent.

In his subconscious, he thought that Ren Yingying was just a wealthy girl. Although he came from a humble background, he could not kneel casually.

When answering at this time, Cheng Yi couldn't help but looked up and down Ren Yingying, with a look of arrogance and pride.

Just a rich girl, nothing to be afraid of.

What a presumptuous boy!

Seeing this scene, both Ren Yingying and the surrounding royal guards were all furious. How could the royal majesty be trampled on like this?

In anger, the guard who scolded, without the slightest hesitation, pulled out his saber: "Dare to be disrespectful to my young lady, you are courting death!" The

voice fell, and a powerful aura burst out from the body of the guard. The long sword even drew a cold glow, stabbing directly at Cheng Yi's heart.

Chi Chi...

I saw that wherever the figure passed, the air in the entire room was distorted, and the power was amazing.

Seeing the guard attacking, Cheng Yi stood there with a look of disdain and no panic at all.

"Want my life? I'm afraid you don't have that ability!" A

cold voice came out of Cheng Yi's mouth. Then, Cheng Yi took out the electricity, stretched out his right hand, and grabbed it directly towards the guard's long sword.

I saw that Cheng Yi's right hand had a layer of green scales attached to it, like a poisonous snake. The scales were completely transformed from internal force, but it was like the real thing. cold.

Seeing this scene, both Ren Yingying and the surrounding royal guards were all surprised.

What kind of magic is this?

The breath is so evil...

Crack!

It was at this moment that Cheng Yi sneered, his right hand full of scales had already grasped the guard's blade tightly. The scales were so tough that the sharp blade could not be pierced. The guards only felt a terrifying force coming, and the long sword could not break free, let alone advance half a point...

"With this little strength, you dare to yell at me?!"

At this moment, Cheng Yi sneered and sneered, breaking the sword with all his strength . At the same time, the other hand suddenly slapped out, hitting the guard with a palm.

All this happened too fast, the guard couldn't draw the long sword, couldn't dodge, and was directly hit by a palm.

"Pfft!" The

guard groaned, spit out a mouthful of blood, and was knocked out, smashed the door of the room, and finally fell into the hall on the first floor, passing out.

What?

Seeing this scene, the rest of the royal guards were all stunned and furious.

Chapter 4418

A trick?

This person actually stunned the powerful royal guard with just one move?

In the East Ao Continent, there is such a master...

Phew...

At the same time, Ren Yingying also took a deep breath, her delicate and beautiful face was extremely dignified, and her heart was also extremely shocked.

This man is so powerful. His subordinates couldn't even catch a single move.

Afterwards, Ren Yingying took a closer look at Cheng Yi's scaly right hand, and her delicate body trembled faintly.

Scales grow out of the hands, this... This seems to be the practice of the Five Poison Sect.

Ren Yingying is well-informed and knows that although there are many sects in Kyushu that practice poisonous arts, they can practice with the help of poisonous insects, and can grow poisonous snake-like scales on their hands, which only the five poisonous sects can do.

Because, Ren Yingying immediately concluded that the man in front of him was a master of the Five Poison Sect, but he still had some doubts in his heart. You must know that Ren Yingying knew the Five Poison Sect very well, whether it was the Sect Master Ji Hongshang or the elders, they had all seen it before. .

But this is the first time I have seen this person.

When the Five Poison Sect developed such a powerful master, I don't even know...

For a while, Ren Yingying frowned and looked at Cheng Yi, muttering constantly in her heart.

At this time, Ren Yingying still didn't know that Cheng Yi was not a member of the Five Poison Sect at all.

Huh..

After two seconds, Ren Yingying reacted, her red lips lightly opened and she immediately issued an order: "Take this person down."

This time, I came to Dongao Continent to find the whereabouts of the Five Poison Sect. No matter what the identity of this person in the Five Poison Sect is, since I have encountered him, I must not let him run away.

Caught him, just in time to ask Ji Hongshang's whereabouts.

Swish swish.....

The voice fell, and the remaining royal guards erupted one after another, directly thinking of Cheng Yi and rushing over.

Seeing this scene, Cheng Yi didn't panic at all, but laughed instead: "Can you catch me with a lot of people? It's too self-sufficient, but I'm in a good mood at the moment."

Said, Cheng Yi looked provocatively Glancing at Ren Yingying, he smiled and said: "Since this beauty wants to play, I will play with you." The

last word fell, Cheng Yi's figure burst out, broke out of the window directly, suspended above the sky, a pair of With the arrogant gesture of waiting for work.

The room is so cramped that it can't be used at all.

"Looking for death!"

"Boy is rude..."

Hearing these words, Ren Yingying's face was gloomy and she didn't respond, but the few royal guards couldn't bear it anymore.

In the middle of the sky outside, several royal guards burst out in unison, with a surging breath, distorting the entire sky above the town, and the power is amazing.

You must know that these royal guards were carefully selected by Ren Yingying, and they were all top-notch in terms of strength and courage.

interesting.

Feeling the explosive atmosphere of these Huang family guards, Cheng Yi did not dare to underestimate the enemy, but he did not feel nervous at all. Ever since he obtained Ji Hongshang's eight-layered skill, Cheng Yi had an extraordinary confidence.

"It's best to go together."

At this time, Cheng Yi said lightly, and immediately activated the poison art. Suddenly, a violent evil force broke out, forming a green poisonous mist in the air.

The poisonous mist rose in the wind, directly heading towards the rushing royal guards.

"Poisonous!"

"Quickly take the elixir..."

Seeing this, several royal guards turned pale in shock, and while shouting, each took out the antidote from their bodies and took them quickly.

These royal guards have distinguished status, and no one has several antidote elixir on them.

"Haha..."

Seeing this scene, Cheng Yi's face was full of disdain, and he said contemptuously, "Don't waste your energy, the poison that Lao Tzu casts cannot be cured by ordinary elixir. Just wait for the fiasco to end.

" Falling down, the poisonous mist quickly drowned several royal guards.

Oops!

At this moment, several royal guards inhaled the poisonous mist without exception. All of them were shocked. They clearly felt that a sense of numbness was spreading on their bodies...

Obviously this person was right, he The elixir he took could not solve the poison in front of him at all.

Chapter 4419

However, these royal guards are all extremely loyal. Although they have been poisoned, they still rushed up and fought with Cheng Yi in mid-air.

Bang bang bang...

In the blink of an eye, five minutes passed, and I saw that the few royal guards were getting slower and slower under the paralysis of the poison. Finally, Cheng Yi found an opportunity and knocked them down from the air.

Puff, puff....

After landing, several royal guards sat there, all pale and extremely weak.

Afterwards, one of the guards said to Ren Yingying very ashamed: "This subordinate is incompetent..."

Before he could finish speaking, Ren Yingying shook his head and interrupted: "You don't need to blame yourself, you have done your best. Oh, this person is too sinister, too strong..."

Having said that, Ren Yingying looked at Cheng Yi with a burning gaze, her delicate and beautiful face was even more icy cold.

At this time, the strength is so strong, it seems that he will go out in person.

Whoa!

At this time, when they heard the fighting, many passersby came to watch, but they did not dare to approach, but watched from a distance.

"Tsk tsk..."

Facing Ren Yingying's gaze, Cheng Yi didn't panic at all, but was extremely proud and said with a smile: "Beauty don't look at me like this, look at your expression, do you want to make a gesture with me?"

said At this point, Cheng Yi's face was full of wretchedness: "You're not my opponent, let's forget it, I don't want to kill flowers, hehe."

After defeating several royal guards in a row, Cheng Yi's heart was extremely inflated at this time.

Especially seeing people watching the battle around, Cheng Yi's 'little man's ambition' was playing tricks on him, making him even more arrogant and arrogant.

"Shut your dog's mouth!"

At this moment, Ren Yingying gave a cold and tender cry, and then her figure rose up, flew into the air, and confronted Cheng Yi from a distance.

At this time, Ren Yingying looked at Cheng Yi's eyes with anger and contempt: "I didn't expect that my subordinates would not be your opponents if they united! But don't be too arrogant, you must know that there is a sky outside the sky."

hum!

The voice fell, Ren Yingying did not hesitate at all, and directly activated the power of the demon soul. In an instant, a terrifying and powerful aura burst out from Ren Yingying's body, and in an instant, the surrounding air was stagnant!

Although I haven't gotten all Bai Yunfei's formulas, Ren Yingying Bingxue is smart. During this time, I have also developed a way to restrain the backlash of the demon soul. Although this method can only be saved for a while, it can at least control the backlash of the demon soul. The timing of recurrence, in this case, it is very easy to deal with Cheng Yi in front of him.

"Death!" In the

next second, Ren Yingying's red lips lightly opened, and she spit out two words coldly, then she raised her jade hand and called Cheng Yi with a palm!

This palm looks light and fluttering, but it is as fast as thunder and lightning.

Such a strong strength, such a fast speed...

Feeling the incomparable strength and speed of Ren Yingying, Cheng Yi immediately put away his smile and was shocked.

At this time, Cheng Yi did not dare to be careless, and urged all his inner strength to resist!

He never thought that this seemingly delicate beauty in front of him had such a terrifying strength. At this time, Cheng Yi felt a little regretful. He had known that the other party was a peerless powerhouse, and he was less arrogant just now.

It's just too late to regret it now.

Bang!

For a time, Ren Yingying and Cheng Yi collided fiercely with their palms, and saw a deafening roar from the sky of the whole town, and then heard a muffled hum from Cheng Yi, and the whole person was shocked and flew out. After flying more than a hundred meters, he fell heavily to the ground.

Although Cheng Yi obtained Ji Hongshang's eighth-level skill, three days ago, he was only a small character in the realm of Martial Emperor, and in terms of background, he could not be compared with Ren Yingying at all.

More importantly, Ren Yingying not only possesses the power of the demon soul, but is also a descendant of the demon race. With a demon body, he is not afraid of poison at all, so in just one round, Cheng Yi will be completely crushed.

Wow...

Seeing this scene, the passers-by who were besieged not far away were all shocked.

Is this the power of a practitioner?

So strong.

At the same time, the royal guards who were sitting around to expel the poison were also extremely excited.

Chapter 4420

Sure enough, Her Majesty is still mighty.

It was just one move to subdue this arrogant guy.

"As a person in the rivers and lakes."

At this time, Ren Yingying slowly walked towards Cheng Yi, and while walking, she said coldly: "With guns everywhere, you say, should I save your life? Or Kill you directly?"
The

voice was not loud, but there was a strong aura that made people dare not question.

And the breath that permeated Ren Yingying's body made it even more breathless.

Gudong!

At this moment, Cheng Yi was completely panicked, and he was no longer complacent and arrogant, but secretly swallowed his saliva, begging for mercy at Ren Yingying with a sad face: "beautiful... oh no... woman, it's me who has no eyes, I shouldn't have offended you, please forgive me a lot."

When he said this, Cheng Yi almost cried.

I thought I would have the opportunity to have a good time with the beauties in front of me, but I never thought that the strength of the other party was so terrifying.

At the same time, he was very shocked.

The power that this beauty had just burst out was so terrifying, she couldn't even catch a palm, it was incredible.

Hearing the begging for mercy, Ren Yingying's expression was indifferent and ignored.

"Blind dog's eye thing!"

At this time, one of the royal guards couldn't bear it anymore, and yelled at Cheng Yi: "This is the queen of our Apocalypse Continent, not the heroine you speak of."

"You Offending Tianwei, disturbing the holy car, it is not a pity to die a hundred times."
The

voice fell, and the other royal guards also spoke.

"Your Majesty, this kind of scum, just kill it."

"Yes, for the people."

The scolding from several royal guards kept coming, and Cheng Yi's heart trembled. .

This...is this woman the queen of Apocalypse Continent?

No wonder there are so many masters around, and their own strength is so terrifying.

Shocked, Cheng Yi hurriedly knelt there and kept kowtowing to Ren Yingying: "Your Majesty atonement, Your Majesty atonement, the villain just offended the holy car because he had no eyes, and begged Your Majesty to be kind, be kind..."

" ...

Seeing this scene, the people watching the excitement around were also dumbfounded, and then they knelt down one by one, looking horrified.

Who would have thought that the dignified weather queen would come to such a remote town?

Seeing this situation, Ren Yingying breathed a sigh of relief and raised her jade hand towards the passers-by around her: "Get up, I'm just going out on patrol, you don't need to be so polite."

After speaking, Ren Yingying turned her head to look at Cheng Yi , asked coldly: "If you want to survive, tell me where Ji Hongshang is now?"

As soon as Ji Hongshang was mentioned, Ren Yingying's delicate face could not hide the anger and irritability.

Originally, Bai Yunfei had already written a solution to the backlash of the demon soul, but Ji Hongshang betrayed Bai Yunfei, not only absorbed the power of his demon soul, but also took away the written solution.

If you can't get that formula for a day, you will continue to bear the risk of demon soul backlash.

Ji Hongshang?

Hearing the question, Cheng Yi's expression was startled, and he said cautiously, "Little man... Little man I don't know."

While answering, Cheng Yi knelt down and slowly stepped back, keeping a distance from Ren Yingying, for fear of offending Tianwei again.

"I don't know?" Ren Yingying frowned and said angrily: "Your strength is higher than the elders of the Five Poison Sect, and your status is not lower than that of the Five Poison Sect. You say you don't know Ji Hongshang. Where is it? Will I believe it?"

"Tell me where she is, as long as you answer truthfully, I will consider being kind." As she spoke, Ren Yingying approached slowly.

This... At

this moment, Cheng Yi was about to cry without tears, and he carefully stepped back while thinking about how to answer.

That Ji Hongshang escaped from the underground cave, but she didn't find it, how would she know where she was, but if she said that, the queen in front of her would definitely not believe it.

How to do?

Papa...

Just as Cheng Yi was retreating and thinking about countermeasures, suddenly, something fell from him.

This is a cheat book, and the golden cover is very eye-catching.

It was the formula written by Bai Yunfei before.
