

## The ultimate husband in Chinese chapter 4421-4425

Chapter 4421

What is this?

Ren Yingying's eyes flashed, she walked over quickly, picked it up and looked at it, her body trembled, and she was surprised.

Isn't this the formula written by Bai Yunfei?

Great, with this formula, you don't have to worry about demon soul backlash in the future.

But while she was happy, Ren Yingying was also indescribably angry.

This person is too cunning, Ji Hongshang has given him this secret book for safekeeping. Obviously, the two sides have a very close relationship, but this person even said that he did not know where Ji Hongshang was.

"I'll give you one last chance!"

At this time, Ren Yingying put away the secret book and said coldly to Cheng Yi: "Immediately explain where Ji Hongshang is, otherwise I will never forgive me."

"I... In the

face of this situation, Cheng Yi wanted to cry without tears, and said in fear: "Ji Hongshang disappeared in an underground cave. I really don't know where she is now..."

"The situation at that time was revealed. Of course, he did not say that he took advantage of the dangers of others to defile Ji Hongshang, but that he had absorbed Ji Hongshang's skills.

When he said this, Cheng Yi felt very uneasy, because he didn't know what the relationship between Empress Tianqi and Ji Hongshang in front of him was. If they were friends, then he would be miserable.

But he had no way to ask, he could only gamble.

At the end, Cheng Yi kowtowed uncontrollably: "Your Majesty, everything I said is true, I didn't hide it at all."

What?

At this moment, Ren Yingying frowned, very shocked.

This person's skill was actually drawn from Ji Hongshang, but then again, this Ji Hongshang can be regarded as evil and retribution. When he betrayed Bai Yunfei and forcibly absorbed Bai Yunfei's demon soul, he probably did not expect it. I will have such a day.

Muttering in her heart, Ren Yingying looked at Cheng Yi: "Ji Hongshang really can't be found in the underground cave?"

"It's true!" Cheng Yi nodded again and again.

Seeing that he didn't look like he was lying, Ren Yingying didn't ask any further questions, and said to the royal guards around him, "Tie him up first, and look after him strictly these days!"

At this time, the royal guards had already expelled them. The poison in the body, when he heard the order, he quickly walked over to tie Cheng Yi Wuhua.

call!

At this moment, Cheng Yi secretly breathed a sigh of relief, Nima, finally got his life back.

At the same time, I was also a little depressed and anxious.

If you are caught by the Queen of Apocalypse, you will definitely die. You have to find a way to get out quickly.

...

on the other side, God's Domain.

A few miles north of Yutian Palace, there are three immortal mountains, which are in the shape of 'pin' from a distance.

In the direction of the south, there is a vortex shining with colorful rays of light, which is the entrance to the Yaotai Spiritual Realm.

The Yaotai Spiritual Realm is also the place where the ancestors of the prehistoric retreated and practiced.

I saw that there were two burly guards standing on both sides of the entrance, holding halberds and wearing silver armor. They were majestic. These two Yaotai guards were powerful.

After all, the place where the ancient ancestors retreated is no trivial matter, and there can be no mistakes.

Not only that, the two divine guards also held a spirit beast in their hands. That mythical beast with a dragon head and a tiger body, with ox hooves and snake tail is very strange, it is the 'Bi You' who is said to have clairvoyance and ears.

Bi You is a spiritual beast unique to the royal family of the Divine Realm. It is not only clairvoyant, but also extremely powerful. It can be said that although there are only two guards guarding it, they are heavily guarded, even if flies cannot fly in all the time.

Whoosh!

At this moment, a figure came quickly and slowly landed not far away.

This is a young man, dressed in a gray robe, holding a beautiful flower basket in which several spiritual fruits are placed.

“Stop!”

Seeing this scene, the two divine guards hurried up to meet them and shouted loudly, “Who are you? This is the Yaotai Spiritual Realm, and no one is allowed to approach. Hurry up.” The

young man was terrified and quickly put down the basket, bowed deeply: “Master Shenwei, don't be angry, I am a new fruit servant from Lingguo Garden. Today, I was instructed to deliver fresh spiritual fruit to Empress Hua Zhao, but I got lost.”

Chapter 4422

Lost?

Hearing this, the two Yaotai divine guards looked at each other and froze there.

This fruit servant is really stupid enough to go the wrong way to send spirit fruit to Empress Hua Zhao.

Thinking to myself, one of the divine guards pointed in the direction of the fairy garden where Empress Hua Zhao lived, and said loudly: “The fairy garden where Mrs. Hua lives, you can go straight there, this is the spiritual realm of Yaotai, the place where the ancestors retreated, Don't get close!” The

voice fell, and another guard also urged: “Hurry up, you can't stop here.”

“Thank you two adults.”

After hearing the guidance, the young man was very grateful, and directed at the two gods. Wei saluted, and then he was about to leave with a flower basket.

However, the young man looked down at the Lingguo in the flower basket, his face suddenly showed a bit of sadness, and he sighed, looking very uneasy.

what happened again?

Seeing this, the two divine guards frowned secretly, and then one of them asked, "Why haven't you left yet?"

Sigh.

The young man sighed and pointed at the spirit fruit in the flower basket with a wry smile: "This spirit fruit bloomed three years ago, and fruited three years ago. It is very rare. After picking it, it needs to be consumed within half an hour, otherwise it will be consumed within half an hour. It will be damaged and cannot be eaten."

"I got lost and wasted time just now. Even if I deliver it now, the spirit fruit will definitely not be so delicious. At that time, Empress Hua Zhao will definitely blame me."

"I'm just a small fruit . Servant, how can I take responsibility." The

young man said with tears in his eyes, which made people have to sympathize.

This...

For a time, the two divine guards were also a little embarrassed, and one of them said, "Then what are you going to do?" The

young man scratched his head, came over and put the flower basket on the ground, and said sincerely, "Two adults, I Now I can only go back to the Lingguo Garden again to collect the spiritual fruits for the goddess. I can't take these collected before, so I can only ask two adults to help me deal with it."

After speaking, the young man glanced at the flowers in the flower basket. Lingguo, continued: "These spiritual fruits are not broken yet, but they will not work if they are sent to the empress."

"Today's matter, I have troubled the two adults, and I hope the two adults can help me hide it.

" The last sentence, the young man bowed deeply, turned and left.

This...

In the face of this situation, the two Yaotai guards looked at each other and were stunned. They didn't expect things to develop like this. When they reacted, they saw that the young man had gone far.

For a time, the gazes of the two divine guards fell on the flower basket invariably, and bursts of spirit fruit fragrance came out, as if it could entice the greedy worms in the stomach, making people salivate.

"This... how to deal with it?" One of the guards, the first to react, couldn't help but said.

When he said this, his eyes were fixed on the spiritual fruit in the flower basket.

The other swallowed his saliva silently, shook his head and said, "I know that? In my opinion, the fruit servants have already been dealt with by us, why don't we just share them.

"We can only enjoy it with the goddess. We ate it, but it violated the rules of heaven."

"Then how do you deal with it?"

"I...I don't know either."

After discussing for a while, the two divine guards did not discuss a perfect solution. plan.

At this moment, the two guards did not know that the fruit servant just now did not go far, but was behind a tree not far away, quietly observing everything here.

I saw the young man's face full of evil smiles, completely lost the previous cautiousness, but gave people the feeling that the indescribable evil was terrifying.

Yes, this young man is not the fruit servant of Lingguoyuan at all, but the Demon Lord Gone in disguise.

Gone's plan was very simple. He quietly entered the Yaotai Spiritual Realm to raid the ancient ancestors, but it was difficult to break in directly, so he thought of this method.

As for the flower basket that Gone put there, it was not a spiritual fruit at all, but a magic fruit.

Magic fruit, which is highly poisonous, will cause a coma soon after taking it.

At this time, Yaotai Spirit Realm is here.

After negotiating for a while, the guardian who advocated eating it couldn't hold it any longer, and said, "I think you shouldn't worry about it, this spirit fruit was left by that kid just now, not by us. Besides, He asked us to deal with it, so what if we eat it?"

## Chapter 4423

"Besides, this spiritual fruit will be broken in a while, and it would be a pity to throw it away?"

"Seriously, we have been guarding here for thousands of years, and we have no credit or hard work. Now we will eat a few. A broken spirit fruit is not considered a violation of the heavenly rules." The

last word fell, and the body walked over directly, picked up a spirit fruit, put it in his mouth, and took a bite.

When the flesh of the fruit entered his stomach, the god guard was full of intoxication, and couldn't help but exclaim: "It really tastes delicious."

Seeing this, another god guard also put down his worries, picked up the spirit fruit in the flower basket and ate it , After a while, the few spiritual fruits in the flower basket were eaten up by them.

After eating the spiritual fruit, the two divine guards threw away the flower basket and continued to guard the entrance to the Yaotai Spiritual Realm, chatting and laughing.

"I heard that after eating the spirit fruit, your strength will improve a lot. Do you have any feelings now?"

"Not yet, by the way, what to do with the core?"

"This is easy to handle, the core is also a good thing, just throw it away. Give it to Bi You, and let them have a taste of it."

While speaking, the two divine guards threw the fruit core in their hands to the two 'Bi You' spirit beasts, and at some point, the two Bi You quickly bit them and swallowed them directly. go down.

Seeing that Bi You ate the fruit pit, the two guards looked at each other and smiled.

Today's luck is not bad, a silly fruit servant walked by and gave a few spiritual fruit to the two of them in vain.

Um?

Just as he was complacent, one of the guards suddenly frowned, feeling that something was wrong.

Strange, it was fine just now, why is it suddenly dizzy?

Not only that, but the divine power in the body also seemed to be suppressed.

“What’s wrong with you?” Seeing that his companion’s face was not right, another divine guard hurriedly asked.

“I don’t know, I suddenly feel dizzy.”

“Why is this? Is there something wrong with the Spirit Fruit just now?”

Just as he was talking, the other divine guard was also shocked. unstable.

broken.

There is really a problem with the spirit fruit just now.

For a time, the two divine guards realized something and wanted to mobilize their divine power to call for help, but they were so dizzy that they lost the strength to speak.

Putong putong...

Soon, the two guards couldn’t hold it any longer, fell to the ground one after another, and passed out.

At the same time, the two Bi You spirit beasts also fell to the side.

Hehe...

Seeing this scene, Gone, who was hiding behind a tree not far away, showed a sneer on his face, and then walked over slowly, his figure flashed, and he directly entered the Yaotai Spiritual Realm.

...

On the other side, the Ouyang family.

In the hall, Wen Chou Chou, Sun Dasheng, and Xiao Yuruo were sitting there with complicated expressions.

Yue Feng has been gone for so long, and there has been no news, and everyone is extremely anxious and worried.

There is also Ren Yingying. After going to Beiyang Continent, she also lost contact. Two days ago, there was news that Ren Yingying had become the Queen of Apocalypse, but she never came back.

“Report!”

At this moment, a disciple of the Hall of Longevity walked in quickly and respectfully said to Wen Chou Chou, “My subordinate has found out Miss Ren’s whereabouts.”

Hearing this, everyone in the hall was refreshed, and then Wen Chou Chou urged: “Come on.”

The disciple took a deep breath and said slowly: “My subordinate found out that after Miss Ren became the queen, she has been inquiring. The whereabouts of the Five Poison Sect, a day ago, there was news that the Five Poison Sect was in Dongao Continent, so Miss Ren went to Dongao Continent.”

What?

When they received this news, whether it was Wen Chou Chou or Sun Dasheng, everyone was stunned, and then they frowned and pondered.

What happened to Ren Yingying? After being the Queen of Apocalypse, she didn’t send anyone to report the news, and now she went to Dongao Continent to pursue the Five Poison Sect. What was she going to do?

Seeing everyone’s contemplation, the disciple hesitated, and continued in a low voice: “Sect Master, there is one more thing, I don’t know if I should say it...”

“Speak!” Wen Chou Chou nodded without hesitation.

Huh...

The disciple took a deep breath and continued: “I heard from the gossip that when Miss Ren killed King Guangping in the Northern Ying Continent Palace, she used the power of the Demon Race.”

Hearing this Then, Wen Chou Chou was shocked and his eyes widened: “Are you sure?”

Chapter 4424

“My subordinates dare not lie.” The disciple said quickly.

Wen Chou Chou took a deep breath, waved his hand to signal the disciple to step back, and then looked around: “What do you think?”

“Brother Wen!”

As soon as he finished speaking, Sun Dasheng was the first to stand up and said, “This is still useless. Say? There must be something wrong with Ren Yingying, otherwise, why didn’t she get any news back after so long?”

“Speaking of which, when she went back to the Weather Palace by herself last time, I began to doubt it. The emperor’s younger brother is in danger and the situation is critical, but she won’t let us help.”

“This time she went to Beiyang Continent, she was like this again, she left without saying anything, I suspect that she has betrayed Feng Feng. Son, we secretly colluded with Bai Yunfei, we all know that Ji Hongshang betrayed Bai Yunfei, so Ren Yingying is chasing Ji Hongshang.”

When he said this, Sun Dasheng blushed and was very excited. .

Sun Dasheng has a straightforward personality, and he doesn’t care who the other party is.

Huh...

Hearing this, everyone in the hall fell silent.

What the Great Sage said is not unreasonable. Could it be that Ren Yingying really betrayed Yue Feng and colluded with the demon forces?

For a while, the hall was silent and the atmosphere was dull.

“Great Sage.”

Finally, Wen Chou Chou took the lead in reacting, and scolded Sun Da Sheng: “Don’t talk nonsense about these words, Ren Yingying has a deep love for Feng Zi, how could he betray?” Love dares to hate, although she is a woman, she has a tough personality and will not do anything that is sorry to Yue Feng.

Sun Dasheng took a deep breath and asked back: “Brother Wen, don’t help Ren Yingying speak now, when the Tianqi Emperor’s Mausoleum trembled, and after Chiyou’s ancient tomb came into existence, the whole Kyushu knew that Chiyou belonged to the Demon Race, while Ren Yingying was in harmony with him. All the members of the Tianqi royal family are descendants of the Demon Race.”

“With the blood of the ancestors, Ren Yingying colluded with the Demon Race, it is logical.”

This...

Hearing this, Wen Chou Chou opened his mouth, not knowing for a moment. How to refute, because Sun Dasheng said it right, the Tianqi royal family belongs to the descendants of the demon race, and the whole Kyushu knows about this. Besides, Ren Yingying also received Chiyou's inheritance in the ancient tomb.

After hesitating, Wen Chou Chou slowly said: "Well, no matter what happens to Ren Yingying, we must take precautions first."

After saying that, Wen Chou Chou ordered the disciple of the Hall of Longevity: "Send someone to Xia immediately. Yinzong, report the situation to Qingyan, and then ask her to bring the elite of Xia Yinzong to the Ouyang family."

Xia Yinzong is powerful and with their help, even if the Ouyang family encounters an emergency, they can Every misfortune turns into good luck.

"Yes!"

Upon hearing the order, the disciple of the Hall of Longevity responded and walked out quickly.

"Brother Wen!"

At this time, Xiao Yuruo, who was sitting next to him, bit her lip lightly, and couldn't help but whisper, "You doubt Yingying too? Do you think she will bring the Tianqi army to help the demons destroy the Ouyang family?"

Wen Chou Chou didn't have complicated eyes and was about to speak.

"Boom!"

However, before a word was uttered, a loud noise suddenly came from outside! The gate of the Ouyang family was instantly razed to the ground!

"Ah!"

Immediately afterwards, screams continued from outside the hall.

"What's the situation?"

Wen Chou Chou's heart was shocked, his face was extremely frightened, and he walked out quickly.

Sun Dasheng followed closely behind.

hiss!

When they got outside, seeing the scene in front of them, whether it was Wen Chou Chou or Da Sheng Sun, they couldn't help but take a breath of air, and their hearts were extremely shocked.

I saw that the front yard of the Ouyang family was a mess, the gate was split into powder, and a huge pit with a diameter of tens of meters was blasted out on the ground. In the huge pit, dozens of Ouyang family disciples were lying in a pool of blood. Howling! These people are obviously no longer alive!

Outside the gate, more than 100 men in black stood there quietly, with the terrifying aura of death all over their bodies.

Above the more than 100 men in black, a burly figure was quietly suspended, wearing blood-red armor, and his body was filled with a violent and evil aura, which was unparalleled.

It was Jutian, one of the twelve holy demon kings of the demon race.

Chapter 4425

After Gone opened the prophecy of the Holy Spirit Stone, he learned that Yue Feng was not dead. At that time, Gone was shocked and angry, so he directly sent the twelve holy demon kings to the Kyushu continent to destroy Yue Feng at all costs.

As one of the Twelve Holy Demon Kings, after arriving in Kyushu, Yutian's first target was the Ouyang family.

After all, the Ouyang family is Yue Feng's nest.

This...

This is the Demon Race...

Feeling the terrifying aura that erupted from Saint Demon King Jutian, Wen Chou Chou and Da Sage Sun all felt chills in their hearts, and their eyes were full of shock!

"You... Who are you?"

Under the shock, Wen Chou Chou couldn't help but speak!

The opponent's strength is terrifying, and the breath of demon soul permeating his body is more terrifying than Bai Yunfei, and he must have an extraordinary origin.

At the same time, the eyes of Dasheng Sun's people were also watching the Holy Demon King Jutian closely, and they were all shocked.

Hehe..

Hearing the question, the Holy Demon King Jutian smiled evilly, with a look of disdain on his face: "I am Jutian, one of the twelve holy demon kings of the demon clan, and today I am here to kill Yue Feng, where is Yue Feng? Call him out and lead him to death."

When he said this, the Holy Demon King Jutian had a proud look on his face. With his status and strength, he didn't take Wen Chou Chou in the eyes of everyone at all.

Are you looking for Fengzi?

Hearing the answer, Wen Chou Chou frowned, and at the same time, he was furious.

This holy demon king is not small, he came to the Ouyang family to find something, and even named Fengzi's life. But I have to say that the opponent's strength is terrifying, and it does have this strength.

At the same time, the children of the Ouyang family also came out when they heard the movement. They looked up at the Holy Demon King Jutian one by one.

Finally, Wen Chou Chou reacted, looked at the Demon King Jutian and said lightly: "It turned out to be looking for Yue Feng, unfortunately, he is not here." The

voice fell, and Sun Dasheng took a step forward and said loudly: "We are also looking for As for him, if you have news about him, you can tell us about it."

Shuh!

Hearing this, the Holy Demon King Jutian's face sank. Mad and the Ouyang family are very courageous. At this time, they still dare to mess with me?

Thinking to himself, the Holy Demon King Jutian sneered and looked around: "Since he is not here, I have no choice but to do something to you, you are all Yue Feng's family, if I arrest you all, Yue Feng will definitely appear. "

Speaking of which, Sage Demon King Jutian's face turned gloomy: "I advise you not to resist, whoever dares to resist will be shot to death, my goal is only Yue Feng, so don't force me to kill." The

last word fell, Sage Jutian The Demon King raised his hand.

Wow...

In an instant, the more than 100 demon warriors behind them came quickly, ready to tie up Wen Chou Chou and everyone.

Faced with this situation, Wen Chou Chou and everyone were extremely shocked.

The Holy Demon King of this Demon Race is really insidious, and he even wanted to lead out Yue Feng by imprisoning the Ouyang Family.

“Stop!”

Seeing those demon warriors rushing to him, Sun Dasheng had a fiery temperament. At that time, he shouted and pointed at Holy Demon King Jutian and cursed, “What are you? You are also qualified to let us be captured?”

“You Don’t you want to kill Fengzi? I’m his brother, his business is mine, come to me if you have the ability.”

hum!

The last word fell, Sun Dasheng raised his hand and waved, and saw a dazzling light flickering, the opening axe was tightly grasped in his hand, and then he rose up into the air and charged directly towards the Holy Devil King Jutian.

During this period of time, Sun Dasheng had a new understanding. Wherever the figure passed, the air was distorted, and the power was amazing!

“Great Sage, don’t be impulsive.”

Seeing this scene, Wen Chou Chou’s face changed, and he couldn’t help exclaiming. Although Sun Da Sage was strong and had the axe to open the sky, he was not necessarily Jutian’s opponent.

After all, the other party is one of the twelve holy devil kings.

While exclaiming, Wen Chou Chou wanted to stop him, but it was too late.

At the same time, the surrounding Xiao Yuruo and Long Qianying were also worried, and they all sweated for Sun Dasheng.

“Dare to come to the Ouyang family to find trouble, go to hell!” In the

blink of an eye, Sun Dasheng rushed to the front, his eyes were blood red, howling, raised his hand and waved hard!

**The ultimate husband in Chinese chapter 4426-4430**

## Chapter 4426

“Roar!”

A dragon roar that shocked the heavens and the earth came out from the opening axe, and then, a golden glow burst out and quickly went towards the Holy Demon King of Jutian. I saw that this golden light seemed to split the world in half, which was so terrifying.

interesting.

Feeling the power of that golden light, the Holy Demon King Jutian's eyes flickered, without the slightest nervousness, instead he showed a smile.

In the next second, the Holy Demon King Jutian activated the power of the demon soul, slowly raised his right hand, and deployed a protective film in front of him. He saw that the protective film was flashing with blood-red runes, which was very strange.

boom!

In the next second, Jin Mang slammed hard on the protective film, and saw that the protective film appeared one after another cracks, but it did not collapse, and the figure of the Holy Demon King Jutian only swayed slightly.

Obviously, the power of this golden light was completely blocked by the protective film, and it did not cause any damage to the Holy Demon King of Jutian at all.

What?

Seeing this scene, whether it was Sun Dasheng or Wen Chou Chou, their expressions changed and they were shocked.

The defense of this holy devil is too strong, even with the power of the opening axe, it can't be broken.

“Is this the magic weapon of your human world?”

At this time, the Holy Demon King Jutian quietly looked at Sun Dasheng with a hint of contempt at the corner of his mouth: “It looks quite bluffing, but its power is nothing more than that, you have already moved your hand. , now it's my turn.”

Whoosh!

The last word fell, and the figure of the Holy Demon King Jutian flashed, directly drawing an afterimage in the air, slapped it fiercely, and called towards Sun Dasheng.

This speed...

Feeling the speed of the Holy Demon King Jutian, Sun Dasheng was shocked. At that time, he had no time to react, so he could only grit his teeth and raise the opening axe, hoping to block the opponent's palm with the opening axe.

In the next second, the palm force slapped the sky-opening axe fiercely, and Sun Dasheng only felt a terrifying force coming, he groaned, blood spurted out of his mouth, and his body was shaken out. It flew more than 100 meters away, and finally smashed to the ground, blood dripping from the body, and the breath was sluggish!

Although he didn't die, Sun Dasheng didn't have the strength to fight again at this time!

Mad...

At this time, Dasheng Sun, his face was pale, his eyes were blood red, and he stared at the Holy Demon King Jutian, secretly shocked.

Strong, really strong.

Is this the true power of the Demon Race?

What?

Just a trick?

Seeing this scene, everyone present couldn't help gasping for air!

You must know that Sun Dasheng's current strength is enough to disdain the entire Kyushu rivers and lakes. More importantly, he still has the Heaven-Opening Axe in his hand, but even so, facing the Holy Demon King of Jutian in front of him, he couldn't take a single move.

In shock, several disciples of the Ouyang family reacted and ran over to help Dasheng Sun up.

At this time, the Holy Demon King Jutian glanced at Sun Dasheng disdainfully: "How dare you be presumptuous in front of me with this little strength? It's just beyond your own power."

After saying this, the Holy Demon King Jutian locked his eyes on Wen Chou Chou: "You guys still Who is not convinced? Just come up, or else, just obediently capture."

Mad!

Feeling the arrogance of the Holy Demon King Jutian, the people of the Ouyang family present were all shocked and angry.

In the next second, Wen Chou Chou took a deep breath and took a step forward to look directly at the Holy Demon King Jutian: "The Ouyang family is not greedy for life and fear of death, if you want to capture us all, you have to see if the sword in my hand will answer. ."

Om!

The voice fell, and a tyrannical aura burst out from Wen Chou Chou's body! At the same time, a long sword was held tightly by him!

At this time, Wen Chou Chou had a determined face, but he was a little uneasy in his heart. He knew in his heart that the Holy Demon King Jutian in front of him was very powerful,

but the Ouyang family could not be slaughtered.

Thinking to himself, Wen Chou Chou took a deep breath and shouted at the people around him: "Everyone, this demonic evil sect has hit the door of the house, what should we do?" The

voice fell, and the entire Ouyang family looked at each other in dismay, and then shouted in unison. Said: "Fight to the end!"

"Okay!"

Wen Chou Chou was excited and laughed loudly when he heard the answer: "It's been a long time since I moved my muscles and bones. Today we'll be together and have a good time with these demons!"

Chapter 4427 The

voice fell, Wen Chou Chou rose into the sky, and went straight to the Holy Demon King Jutian.

"Kill!"

At the same time, many disciples of the Ouyang family behind him also howled and fought fiercely with those demon warriors.

Speaking of which, these disciples of the Ouyang family knew very well in their hearts that the demon warriors in front of them were tyrannical and could not compete with their own flesh and blood.

“Yi still want to resist?”

Looking at Wen Chou Chou who was rushing up, the corners of the Holy Demon King Jutian raised his mouth, showing a bit of contempt: “Don’t be a fearless struggle. Today, none of your Ouyang family can escape!” The

voice fell . At the moment, the Holy Demon King Jutian mobilized the power of the demon soul and waved his hand!

hum!

In an instant, a blood-red light condensed out, like a blood-colored lightning, tearing the sky apart. From a distance, the sky and the earth seemed to be split apart!

This move condensed the power of the fifth layer of the Holy Demon King of Jutian, and saw that blood-colored light, carrying a terrifying and unparalleled power, ruthlessly bombarded Wen Chou Chou.

Feeling the mighty power, Wen Chou Chou couldn’t think too much, and immediately used the unique technique of the Hall of Longevity, ‘Moving Flowers and Connecting Trees’, into the long sword, and faced the bloody light.

boom!

The next second, the blood-colored light collided with the long sword, and an earth-shattering roar erupted. Wen Chou Chou groaned, and was directly knocked back more than 100 meters by the volley.

And the blood-colored light, Yu Wei undiminished, landed directly on the ground and blasted out a large pit with a diameter of tens of meters. Not only that, the disciples of the Ouyang family who were close to the giant pit were all broken bones, screaming and falling to the ground. in a pool of blood.

Mad!

Seeing this scene, Wen Chou Chou resisted the churning of qi and blood in his body, stared at the Holy Demon King Jutian, and was furious.

This... the strength of this Holy Demon King is really too strong.

Can’t stop it at all.

At the same time, Xiao Yuruo and others below were also shocked when they saw this situation.

“Haha...”

Looking at Wen Chou Chou's expression, the Demon King Jutian couldn't hide his arrogance, and said lightly, "What? Do you still want to resist? If you don't end up fighting against my demon clan, just give up."

Huh !

Hearing this, Wen Chou Chou's eyes were extremely blood red, and he gritted his teeth and shouted, "Don't be complacent, our Ouyang family has never yielded to any evil forces. As long as I still have a breath, I won't let you succeed." The

voice fell. In an instant, Wen Chou Chou clenched his long sword and ran towards the Holy Demon King Jutian again!

"Father, I'm here to help you..."

Seeing this scene, Wen Xiaoyu, who was fighting fiercely below, did not hesitate at all, shouted and rushed into the air, fighting with Wen Chou Chou against the Holy Demon King of Jutian.

Over the years, Wen Xiaoyu has worked hard to cultivate, and his strength is already the top of Kyushu.

"Are the father and son going to battle together? It's interesting." Seeing the father and son rushing up together, the Holy Demon King Jutian didn't panic at all, but instead was full of interest, and his eyes flashed with amusement.

In his eyes, this is a battle without any suspense.

hum!

At this moment, the Holy Demon King Jutian sneered, his figure burst out, the power of the demon soul burst out, the blood-colored light all over his body was loud, and the father and son fought fiercely in the air.

It can be seen that Wen Chou Chou and Wen Xiaoyu cooperated tacitly, but they were unable to suppress the Holy Demon King Jutian. On the contrary, under the terrifying atmosphere of the Holy Devil King Jutian, the two were restrained everywhere, almost in danger.

"Brother Wen...Xiaoyu..."

"Be careful..."

Seeing this, everyone below couldn't help but shout.

This Holy Demon King Jutian is so powerful that even if Brother Wen and his son join forces, it will be difficult to win.

“Don’t waste your energy, you are not my opponent.”

At this time, the Holy Demon King Jutian sneered, his figure flashed away from the sword stabbed by Wen Chou Chou, raised his hand and hit Wen Xiaoyu with a palm, this palm quickly Like thunder.

“Xiaoyu be careful.” Wen Chou Chou exclaimed, wanting to rush up to help resist, but it was too late.

Wen Xiaoyu was also secretly surprised, the opponent’s speed was really too fast, and it was unavoidable at that time, Wen Xiaoyu could only do his best to condense the protective film to resist!

Chapter 4428

“Boom!” As soon as the

protective film was formed, the Holy Demon King Jutian slapped it directly, and saw that the protective film shattered directly, Wen Xiaoyu trembled, and a mouthful of blood spit out, directly from the sky Fall hard.

After defeating Wen Xiaoyu, the Holy Demon King Jutian slapped Wen Chou Chou again.

“I said that although your father and son are very strong, they are not enough in my eyes.” The moment he hit this palm, the Holy Demon King Jutian was arrogant and his face was full of jokes.

Nima!

Seeing his son’s hand, Wen Chou Chou was already panicking. At this time, facing the slap from the Holy Devil King Jutian, he couldn’t dodge at all, so he had to do his best to meet him with a slap.

boom!

In the next second, the palms of the two sides collided fiercely. Wen Chouchou only felt an overwhelming force coming from the mountains. The whole person was like a kite with a broken string.

Pfft...

At the moment of landing, Wen Chou Chou spurted out a mouthful of blood, the qi and blood in the body churned, and the internal force was immediately disordered.

“Brother Wen...”

“Palace Master...”

Seeing this scene, whether it was Dasheng Sun or the people around, they all exclaimed, and at the same time wanted to rush over to help Wen Chou Chou, but they were intercepted by those demon warriors. Can't get past it at all.

“Damn it!”

For a time, Sun Dasheng's eyes were blood red, and he was completely mad. He clenched the opening axe, roared, and fought fiercely with the surrounding demon warriors.

The surrounding Ouyang family disciples also howled, desperately fighting with the surrounding demon warriors.

However, Sun Dasheng was severely injured by the Holy Demon King of Jutian before. Even if he had an axe, he could not turn the situation around. Although the disciples of the Ouyang family were not weak, they were not the opponents of those demon warriors.

After all, these demon warriors are the existences that can compete with the gods and soldiers.

“Ah...”

In less than half a minute, I saw nearly a thousand disciples of the Ouyang family, screaming and falling into a pool of blood.

I saw that those demon warriors were filled with blood-colored mist, like the gods of death from hell. Every move that erupted was extremely terrifying. What was even more terrifying was that their defenses were very strong, and ordinary swords slashed in the air. It doesn't cause any real damage at all.

As for the Holy Demon King Jutian, not to mention, the disciples of the Ouyang family were even more vulnerable in front of him.

Bang bang bang...

I saw the evil smile on the face of the Holy Demon King Jutian, and between the waving of his palms, many disciples of the Ouyang family, before they rushed to the front, were

shocked and flew out by the terrifying force, one by one fell to the ground. in a pool of blood.

In less than five minutes, the entire Ouyang family was like hell. The Ouyang family could continue to fight, from tens of thousands at the beginning to only a few hundred at the end.

However, these remaining people did not hesitate at all, still gritted their teeth and resisted desperately.

They knew in their hearts that once they gave up their resistance, the Ouyang family would fall into a doomed situation.

“Go away!”

At this moment, the Holy Demon King Jutian gave an understated slap, and sent several disciples of the Ouyang family who were in front of him flying away, and then walked to Wen Chou Chou step by step.

“I heard that you are Yue Feng’s sworn eldest brother.” The corner of the mouth of the Holy Demon King Jutian evoked a cruel sneer: “Here in a high position, I will now give you a chance to let them give up their resistance and surrender.”

When he said this, the eyes of Sage Demon King Jutian were full of arrogance. Speaking of which, he really wanted to kill Wen Chou Chou directly, but thinking of attracting Yue Feng to appear, he decided to leave Wen Chou Chou for his own life.

call!

Hearing this, Wen Chou Chou couldn’t help laughing: “Surrender? Ever since I Wen Chou Chou set foot in the arena, I have never known what surrender is. If you want to kill you, do it as soon as possible.”

At this time, Wen Chou Chou had a fearless face. Knowing that the other party kept his own life for the purpose of coercing against Yue Feng, he must not let the other party succeed.

Chapter 4429 “I don’t know how to lift up

!”

Hearing the answer, the Demon King Jutian’s eyes froze and he was furious. He didn’t hesitate at the time, and stepped on Wen Chou Chou’s sitting leg, and the power of the devil’s soul exploded. Use force.

Click!

The sound of a broken bone was only heard, and Wen Chou Chou's left leg was directly trampled off. Suddenly, the severe pain came. Wen Chou Chou's eyes were instantly congested, and he was dripping with cold sweat, but he didn't cry out.

"Brother Wen!"

"Father..."

"Palace Master Wen."

Seeing this scene, whether it was Wen Xiaoyu or the others around him, they all shouted, and they were all shocked and angry. At the same time, he was about to rush over, but surrounded by demon warriors, he was completely helpless.

"It's pretty tough."

The Holy Demon King Jutian was also stunned, as if he didn't expect Wen Chou Chou to be so fierce and not afraid of death, he couldn't help but admire, nodded and said, "Just to prevent me from using you to deal with Yue Feng, is it worth it??"

Wen Chou Chou laughed miserably and mocked with pain: "It's not worth it, our Ouyang family has never bowed to the evil forces, never before, not now, and never will."

"Besides, between our brothers. You don't understand the friendship, because you are not human."

When he said this, Wen Chou Chou's face was firm, without the slightest fear.

Swish!

Hearing this, Sage Demon King Jutian looked extremely gloomy. At that time, he nodded and sneered: "You're still very righteous, right? I think you can be stubborn in time." The

voice fell, Sage Demon King Jutian raised his voice again Get up, ready to step on Wen Chou Chou's right leg.

Wen Chou Chou didn't feel nervous at all, just closed his eyes.

"Brother Wen..."

Seeing this scene, Sun Dasheng roared. At that time, he didn't know where the strength came from, and rushed out of the siege, waving the opening axe and charging towards the Holy Demon King Jutian.

"Injuring my brother Wen, I want you to die, die..."

Rushing to the front, Sun Dasheng pushed his inner strength, opened the sky axe in his hand, and a golden beam erupted directly, slashing directly at the Holy Demon King Jutian!

This axe is very powerful, but the Holy Demon King Jutian is not wrong at all.

“How dare you shout in front of me?” The Holy Demon King Yutian said coldly, raising his hand to deploy a protective film to block the golden light.

Afterwards, the figure of Saint Demon King Jutian was like a ghost, and in the blink of an eye, he came to Sun Dasheng and slapped him in the heart.

boom!

This palm hit, Sun Dasheng suddenly spurted blood, and the opening axe fell to the ground, and the whole person was shocked and flew out. After landing, his eyes darkened and he passed out.

“Great Sage!”

Seeing this scene, Wen Chou’s heart was cut like a knife. He wanted to see the situation of Sun Da Sheng, but his left leg had just been trampled off, and he was completely powerless.

At the same time, everyone around was also shocked.

At this time, the Holy Demon King Jutian turned around and walked over to Wen Chou Chou condescendingly: “How? Are you still not surrendering?”

Wen Chou Chou took a deep breath and responded coldly: “Since ancient times, evil has been invincible. Good end.”

“Good!”

Hearing the answer, the corner of the mouth of the Holy Demon King Jutian raised a trace of cruelty, and he was completely impatient: “Since you are so obsessed with understanding, then you can’t blame me, I will not kill you, but I will make you completely crippled, a crippled can still be Bring out Yue Feng!”

“As for the other people around here, not a single one will be left alive.” The

voice fell, and the Holy Demon King Jutian picked up the opening axe on the ground, aimed at Wen Chou Chou’s right leg, and prepared to chop it down.

“Brother Wen!”

“Stop, don’t hurt Palace Master Wen.”

Seeing this scene, many disciples of the Ouyang family rushed over with blood red eyes.

However, the Holy Demon King Jutian didn’t even look at them, clenched the Heavenly Axe tightly and swung it violently.

“Ah...”

I saw a dazzling ray of light burst out. Those disciples of the Ouyang family, before they rushed to the front, were directly enveloped, and then screamed and all fell into a pool of blood!

Although the Holy Demon King Jutian was using the Heaven-Opening Axe for the first time and did not understand the essence of it, he was strong enough to control it completely.

Done!

Seeing this scene, Wen Chou Chou was full of despair and completely collapsed!

Is the Ouyang family really going to perish today?

Chapter 4430

At the same time, not far away, Xiao Yuruo, Long Qianying and others also all looked miserable and completely desperate.

It’s just that these nearly 100 demon warriors are already very terrifying, plus a holy demon king, there is no way to fight.

The Ouyang family, I am afraid it is really over this time.

“Brother Wen, we’re here!”

Just when everyone was desperate, suddenly, a coquettish shout came from the sky not far away!

The voice is crisp and moving, but it has an aura that cannot be blasphemed.

Swish!

Hearing this shout, whether it was Wen Chou Chou or the others present, their hearts were shocked, and they were indescribably excited and turned their heads to look.

I saw more than a hundred figures in the sky not far away, flying quickly. These figures, wearing uniform light cyan gowns, have a very fairy-like flavor.

The one headed by him is dressed in a long white dress, with a slender figure and exquisite and beautiful facial features.

It was Su Qingyan and the followers of the Xia Yin Sect.

Xia Yinzong is here.

Seeing this scene, everyone present was extremely excited, and their faces instantly ignited hope.

You must know that the founder of Xia Yinzong was a subordinate of Emperor Xuanyuan back then. The original intention of establishing Xia Yinzong was also to fight against the realm of the gods. Therefore, the practice of Xia Yinzong was completely different from that of other sects in Kyushu.

Xia Yinzong can fight against the gods and generals, and maybe also against the demon warriors.

what's the situation?

When she came to the front soon, Su Qingyan saw the scene in front of her, and her body trembled suddenly.

I saw that the entire Ouyang family was like hell. Countless family disciples fell in a pool of blood, and the ground was stained red with blood. Wen Chou Chou's face was miserable. On the ground, life and death are unknown.

Not only that, Xiao Yuruo, Long Qianying and the others were also pale and very weak.

Fortunately, I came in time.

Under the anger, Su Qingyan secretly rejoiced.

Um?

At this moment, the eyes of Holy Demon King Jutian were also attracted by Su Qingyan's appearance.

A beautiful human woman.

For a time, the Holy Demon King Jutian saw that, looking at Su Qingyan up and down, he only felt that his temperament was refined and his body was charming, like a fairy descending to earth.

But what caught his attention even more was the aura of cultivation techniques that pervaded Su Qingyan's body.

What a unique power...and, this power, seems familiar.

Finally, the Holy Demon King Jutian calmed down, looked at Su Qingyan closely and asked, "The practice is so special, are you a descendant of Emperor Xuanyuan?"

As one of the twelve holy demon kings, Jutian had He and Xuanyuan Huangdi have had several relationships, so he is no stranger to this unique exercise.

"No!"

Su Qingyan's red lips parted lightly, and she responded lightly, "I'm just fortunate enough to be the suzerain of the Xia Yin Sect, and the Xia Yin Sect was established by Xuanyuan Huangdi's subordinates."

After speaking, Su Qingyan asked back: "Who are you? Why are you attacking the Ouyang family?"

Seeing Wen Chou Chou and everyone being so miserable, Su Qingyan couldn't hold back her anger.

"I am one of the twelve holy demon kings of the demon race."

Holy Demon King Jutian was arrogant and said word by word: "In those days Xuanyuan Huangdi was at odds with the Divine Realm, and our demons were incompatible with the Divine Realm. Since your Xia Yinzong was established by Xuanyuan Huangdi's subordinates, we are allies. I came to the Ouyang family this time to capture Yue Feng. I hope you don't interfere." To be

honest, the Holy Demon King Jutian didn't want to be so polite to Su Qingyan, but Xia Yinzong can fight the God Realm, so he naturally has the ability to fight against the demons. The strength of a war.

Catch Yue Feng?

Hearing this, Su Qingyan's delicate face suddenly showed a bit of displeasure: "If you are here to catch Yue Feng, we, Xia Yinzong, can't just stand by."

After saying that, Su Qingyan said with a hand. Hui: "The Xia Yin Sect members listen to the order and help the Ouyang family to defend against the enemy."

"Yes, Sect Master!" The

voice fell, and more than one hundred Xia Yin Sect elites behind them erupted and fought fiercely with the demon warriors. .

“Looking for death!”

Seeing this scene, the Holy Demon King Jutian was furious and looked at Su Qingyan coldly: “I really don’t know how to flatter you. Since you are looking for death, then this king will fulfill you.” The

voice fell, and the figure of the Holy Demon King Jutian appeared . In a flash, he walked directly towards Su Qingyan.

## **The ultimate husband in Chinese chapter 4431-4435**

Chapter 4431

“I’m afraid you won’t succeed?”

Seeing the Holy Demon King Jutian rushing towards him, Su Qingyan’s delicate face did not fluctuate in the slightest.

In the blink of an eye, the two sides fought fiercely in mid-air.

“Qingyan...”

Seeing this scene, Wen Chou Chou couldn’t help shouting: “This Holy Demon King’s strength is terrifying, be careful.” While shouting, Wen Chou Chou’s eyes were full of worry and tension.

Wen Chou Chou had just fought against the Holy Demon King Jutian several times, and Wen Chou Chou knew the opponent’s strength very well.

However, Su Qingyan didn’t panic at all, and replied softly, “Brother Wen, don’t worry.”

As she spoke, Su Qingyan stimulated her internal strength and displayed the peerless cultivation technique of Xia Yinzong. It erupted, almost covering the whole world.

Since becoming the suzerain of the Xia Yin Sect, Su Qingyan has devoted herself to cultivating the unique skills of the Xia Yin Sect, and her strength has not been what it used to be.

I saw that the figures of the two sides were constantly shuttled in the air. At this time, Su Qingyan was like a phoenix, with a light movement and no trace. The attack of the Holy Demon King Jutian was very fierce, but she was avoided several times.

It's just that the Holy Demon King Jutian has existed for nearly 10,000 years, and the background is not comparable to Su Qingyan's.

Gradually, under the suppression of the demon soul of the Holy Demon King Jutian, Su Qingyan's speed gradually slowed down, and her delicate face became a little anxious.

The opponent's strength is really terrifying.

Continue to fight, the situation will become more and more unfavorable.

How to do?

call....

At the same time, the Wen Chou Chou crowd watching the battle below also sweated for Su Qingyan, and at the same time they all became anxious.

Can't beat that.

It would be great if Yue Feng came back. Even if he couldn't beat this Yutian, he would still be able to take everyone out of danger.

.....

On the other side, in the cave.

I don't know how long it took, Yue Feng slowly opened his eyes and was in a good mood.

After several hours of practice, Yue Feng only felt that the feeling of weakness on his body had disappeared, replaced by an incomparably full power.

call!

At this moment, Yue Feng took a deep breath, indescribably excited!

Finally regained strength.

What made him even more delighted was that after the training just now, his perception of the power of the red lotus in the law has gained another layer, and the blood-colored marks on his face and body seem to have faded a little.

When the blood-colored mark disappears completely, Yue Feng will be able to restore his original face, can you be unhappy?

Overjoyed, Yue Feng looked to the side and saw Mu Xixi and Song Qian, still sitting there, silently recovering their strength.

At this moment, Yue Feng had nothing to do, so he quietly looked at Mu Xixi.

Because of the critical situation, Yue Feng didn't have the opportunity to observe it carefully. At this time, when he admired Mu Xixi up close, he couldn't help but feel very emotional. He hadn't seen her for nearly a year, and this Mu Xixi became even more charming.

"Hey!"

Just when Yue Feng was fascinated, Song Qian suddenly came up and whispered, "Brother-in-law? Is my master beautiful?"

When asked, Song Qian teased.

I go!

Asking in this lifetime, Yue Feng was taken aback, and his face was extremely embarrassing: "You... Your strength has recovered?"

Seeing his nervous appearance, Song Qian pursed her lips and smiled: "My strength is still shallow, and I will return to nature. Hurry up."

As she said that, Song Qian continued to ask with a mysterious look on her face, "Brother-in-law, you said before that you had made a bet with Master that if you became the emperor, she would be your woman, is that true?"

Uh ...

Yue Feng scratched his head: "Yes."

Hearing this answer, Song Qian's eyes flickered and she said very emotionally: "Oh, if it was before, I would definitely feel sorry for Cousin Liu Xuan, but now I am I also figured it out, brother-in-law, you are a hero of Kyushu, your status is extraordinary, and there are many women around you, it's nothing."

Yue Feng couldn't help laughing and crying: "You girl, what are you thinking about all day long?"

Song Qian laughed. Laughing, he stopped talking about this topic, stood up and stretched: "I'm so hungry, I'm going out to find something to eat, brother-in-law, please help me guard Master." As the words

fell, Song Qian quickly walked out of the Five Elements Ecstasy Formation .

Yes, Song Qian was not hungry, but deliberately gave Yue Feng two independent space.

Chapter 4432

This girl!

Seeing Song Qian leave, Yue Feng couldn't help laughing and crying, but it was too late to stop him, so he had to shake his head and sigh.

Uh...

The next second, Yue Feng turned around and saw that Mu Xixi opened her eyes at an unknown time and was looking at him complicatedly. In an instant, Yue Feng was embarrassed beyond words.

Will she not hear what Song Qian said to me just now?

Thinking to himself, Yue Feng showed a smile and said politely, "Are you awake?"

Hmm!

Mu Xixi responded, her delicate face was very calm, but her heart was like a deer, and she couldn't calm down, because she heard the conversation between Song Qian and Yue Feng just now.

She is a rational and reserved woman, and it was naturally very embarrassing for her apprentice to tell her about the bet she had made with Yue Feng before.

But Mu Xixi didn't show it, but pretended to ask: "Where's Xiaoqian?"

"She."

Yue Feng was stunned, and quickly replied: "She said she was hungry and went out to find something to eat.

"When the answer came, Mu Xixi stopped talking and lowered her head to think about something.

For a time, the anger was a little embarrassing and subtle.

"What's the matter with you?"

After a few seconds, Yue Feng couldn't help but ask: "Are you on your mind?"

“No.” Mu Xixi quickly shook her head, then changed the subject: “Yue Feng, what are you going to do next? Do?” She really didn’t want to mention the previous bet, it was too embarrassing.

Yue Feng thought for a while and said, “First go back to the Earth Circle and join Brother Wen and the others. During the time I went to God’s Domain, I don’t know what happened to the Ouyang family.”

After that, Yue Feng observed Mu Xixi’s state. : “Your strength has completely recovered?”

Yue Feng clearly felt that Mu Xixi’s face was still a little pale. Obviously, he was imprisoned in Fengzhuang for a few days, and his vitality was severely damaged.

“It’s okay!”

Mu Xixi’s face flushed slightly, and she said unnaturally, “I haven’t recovered completely, but it’s much better now than before.” After saying that, she lowered her head and didn’t look at Yue Feng.

To be honest, Mu Xixi also wanted to stay sane, but for some reason, when she thought of the agreement she made with Yue Feng, her heartbeat couldn’t help speeding up.

Haha...

Sensing Mu Xixi’s expression, Yue Feng suddenly understood something and couldn’t help showing a smile.

Mu Xixi must have heard the conversation between me and Song Qian just now, so she was so shy. I just didn’t expect that Qin Sheng, who is famous in Kyushu, also has such a woman’s side.

“...”

Yue Feng’s eyes made Mu Xixi even more uncomfortable. He bit his lip and said, “... I continue to practice.” After the words fell, he sat up again and closed his eyes to practice. stand up.

To be honest, Mu Xixi doesn’t need to continue cultivating, because her situation cannot be recovered in a short time, but there is no way, at this time she really can’t face Yue Feng alone.

“Okay!”

Seeing her appearance, Yue Feng was secretly amused, so he wanted to tease her a little more, but he held back and nodded at that time: "You practice, I will help you protect the law."

For a while, Mu Xixi Cultivating cross-legged, Yue Feng stood by, and the entire cave fell into silence.

I saw that Mu Xixi was sitting there with a very calm expression, but he kept thinking about himself and Yue Feng. After all, Yue Feng was the emperor of Xicang Continent. Keep your promise and be his woman.

But Yue Feng is Xiaoqian's brother-in-law. If he really became his woman, wouldn't it be a mess?

The more Mu Xixi thought about it, the more confused she became. At this time, she completely forgot that she was cultivating. It was a big taboo that she couldn't concentrate on her practice. Soon, within ten minutes, her delicate body suddenly trembled, her delicate face was also ugly, and her forehead was covered with A layer of sweat.

Oops!

I haven't completely calmed down, this... This is a sign of going crazy.

At this moment, Mu Xixi was very anxious, but the more anxious, the more disordered her dantian internal force.

"Well..."

Finally, Mu Xixi couldn't bear it anymore, and let out a painful low moan, her delicate body curled up on the ground and trembled gently, her beautiful face was full of pain.

What the hell!

Seeing this scene, Yue Feng was taken aback and quickly asked, "What's wrong with you?"

Chapter 4433

Saying that, Yue Feng is about to go over to help Mu Xixi.

Yue Feng could see that Mu Xixi's state was a sign of going crazy.

Obviously, she just got distracted in the practice.

"I'm fine.."

However, before Yue Feng approached, Mu Xixi's tender body trembled, and she quickly stopped: "You don't have to obey me, I'll be fine slowly." While speaking, he struggled to sit up straight. body.

At this time, Mu Xixi was very shy.

There are only two people here, Yue Feng and myself. There are differences between men and women, so we can't get too close. If Song Qian comes back and sees it, it will be unclear.

Ugh!

Yue Feng is a smart person, he could see Mu Xixi's thoughts at a glance, and he was very helpless at the time.

What time has it been, this Mu Xixi is still so reserved.

Thinking to himself, Yue Feng couldn't help but ask, "Can you do it yourself?" You must know that it is very dangerous to go into trouble, and it is difficult for ordinary people to survive through their own strength.

"I..."

Mu Xixi bit her lip tightly and nodded firmly: "I can do it, you don't have to worry." After the

voice fell, Mu Xixi closed her eyes and tried to urge her dantian to suppress the accident. Signs of enchantment, but it was too late.

Om...

At this moment, I saw Mu Xixi's face was flushed. At that time, she only felt that her whole body was extremely hot. Then, she saw a flash of fire, looming in her dantian position.

Not good, heart demon karma fire.

Seeing the red light, Yue Feng's heart skipped a beat, and he was immediately worried.

Yue Feng is no stranger to Heart Demon Karma Fire. This is a kind of flame derived from the dantian when a cultivator goes into a demon and is transformed by the cultivator's essence.

Heart Demon Karmic Fire is very different from ordinary flames and abnormal fires. Once formed in the body, it needs to be forced out of the body as soon as possible.

Otherwise, the scorching high temperature will burn the heart of the dantian, and people will also die.

Mu Xixi, as a famous qin sage in Kyushu, the way of nature is very powerful, so she didn't have time to think about it at that time, she quickly bit her lip and forcibly forced the inner demon karma out of her body.

Huhuhu...

At the moment when the fire of the heart and demons was forced out, the entire five elements psychedelic array instantly turned red, and at the same time, the long skirt on Mu Xixi's body was also directly burned.

puff.

At this moment, Mu Xixi was extremely weak and fell to the ground softly.

This time, Yue Feng didn't immediately help him, but stood there, completely stunned, staring at the charming curves exposed by Mu Xixi, his mind went blank.

I really didn't expect that Mu Xixi's figure was so perfect... shuh

!

Aware of Yue Feng's gaze, Mu Xixi's face was extremely red, and she almost cried at that time: "You....you turn around quickly, don't look!"

At this time, Mu Xixi was ashamed and angry. .

Originally, I thought that I could avoid embarrassment as much as possible by myself and Yue Feng here alone, but I didn't expect that not only did I not avoid it, but I was seen by Yue Feng again.

If this is spread out, how can we walk the rivers and lakes in the future?

"Okay."

Looking at her shy and angry look, Yue Feng couldn't help laughing and crying, and said, "I don't look at it, I don't look at it." As he said that, Yue Feng turned around.

As soon as he turned around, Yue Feng thought of something, turned his back to Mu Xixi and said, "You...you can't see anyone in the way you are now. When Song Qian comes back, I'm afraid there will be more misunderstandings, or else , I took off my clothes, you put them on first?"

This...

Hearing this, Mu Xixi's delicate face was extremely tangled.

If you were wearing his clothes, wouldn't you be misunderstood by Song Qian later?

But if you don't wear it...you can't go on like this forever.

"You..."

Finally, Mu Xixi made up her mind and said softly to Yue Feng: "You throw your clothes with your back to me, don't peek."

Haha...

Hearing this, Yue Feng immediately amused, he couldn't help but say: "I have already seen all the things that you should and shouldn't see just now. Don't worry about it so much, and put on your clothes quickly." The

voice fell, and Yue Feng threw his clothes away.

This Mu Xixi is really interesting, it's this time, and he still cares about these details.

This Yue Feng is really not serious.

Seeing Yue Feng's cynical look, Mu Xixi was very angry, but she couldn't refute it, so she could only put on her clothes quickly.

Chapter 4434

"Brother-in-law, Master."

At this moment, Song Qian's voice came from outside: "I will come."

Shuh!

Hearing the voice, both Yue Feng and Mu Xixi were shocked.

It's time for this girl to come back.

In the next second, Yue Feng was about to respond, intending to ask Song Qian to wait and come in again, but it was too late.

"Master..."

At this time, Song Qian walked in in a relaxed mood, and was stunned when she saw the scene in front of her.

I saw that Yue Fengqing was standing beside his arms, his face was a little embarrassed, while Master Mu Xixi was wearing his clothes, not only that, but his face was a little flushed....for

a while , Song Qian only felt that her brain was asking questions, and her delicate face suddenly turned red.

Brother-in-law and master.... just doing things between men and women?

This is developing too fast.

“Xiaoqian!”

At this time, Mu Xixi’s face was extremely blushing, and before Song Qian asked, she hurriedly explained: “It’s not what you think, just now I went crazy and my clothes were burned by the fire of my inner demon, so Your brother-in-law just gave me his clothes...”

When she said this, Mu Xixi was in a hurry.

I’m really afraid of what’s coming.

It’s really embarrassing that such an embarrassing scene was seen by the apprentice.

As soon as the words fell, Yue Feng also said: “Yeah, we didn’t do anything, little sister, don’t think about it too much.” Go crazy

?

Hearing this, Song Qian was stunned for a moment, and then she said with a smile: “I understand, understand, just treat me as if I didn’t see anything.”

After saying that, Song Qian glanced at Yue Feng meaningfully and whispered. Said: “Brother-in-law, congratulations, should we go? I’ll wait for you outside first.” After the

voice fell, Song Qian walked out with a smile without waiting for the two to answer.

In Song Qian’s heart, she thought that Yue Feng had already done things between men and women, but she was too embarrassed, so she would make up things that went crazy.

Ugh.

Seeing this situation, Yue Feng was dumbfounded.

It’s bad, I can’t explain it completely.

Mu Xixi was even more shy, almost crying, and glared at Yue Feng: "It's all your fault!"

"Why did you suddenly blame me?"

"If it weren't for you, I wouldn't have gone crazy just now."

"This I didn't bother you when you were cultivating..."

"It's your fault anyway..."

After a few words, Mu Xixi calmed down and walked out of the cave with Yue Feng.

"Brother-in-law, Master!"

When they got outside, Song Qian greeted her with a smile. She first looked at Mu Xixi and then at Yue Feng: "Where are we going next?"

Yue Feng took a deep breath and looked around. Looking down on the surrounding environment, he opened his mouth and said, "If I remember correctly, after walking through this mountain range, you will reach the Thunder Fire Gate. Xiao Yunlei, the head of the Thunder Fire Gate, received some favors from me back then, so let's go directly to the Thunder Fire Gate."

Having said that, Yue Feng glanced at Mu Xixi and continued: "Your master has just gone crazy, and it is impossible to recover through training in a short period of time. I don't have any alchemy materials on my body, so I can only ask Xiao Yunlei for some."

When he said this, Yue Feng looked confident.

Speaking of which, Xiao Yunlei of Leihuomen and Yue Feng didn't have much contact, but when the Kyushu united against the Rakshasa clan, they fought together. Although it was only a few times, Yue Feng's eyes were not bad, he knew Xiao Yunlei is a man who is grateful.

Mu Xixi's delicate face did not fluctuate, indicating that she had acquiesced.

Because what Yue Feng said was right, she was detained in the Fengzhuang basement secret room before, she was weak, but just now she went into trouble and needed a panacea to recover quickly.

"Hee hee..."

Song Qian couldn't help but pursed her lips and smiled, looking at Yue Feng with a teasing face: "Brother-in-law, you are so kind to my master..."

Before she finished speaking, Mu Xixi endured it. He couldn't stop pulling her: "What nonsense?"

Seeing that the master was about to get angry, Song Qian stuck out her tongue and quickly closed her mouth.

Seeing this scene, Yue Feng was very helpless, but he didn't explain much. He knew that Song Qian had already decided that it was difficult to change her mind, so it was better to let it go.

A few minutes later, Yue Feng was ready and went in the direction of Leihuomen.

#### Chapter 4435

After more than an hour of traveling, the three of Yue Feng finally came to Fenglei Town.

Fenglei Town is next to Leihuomen, separated by a bridge. Originally, it was just a small village. Later, because of Leihuomen, it became prosperous and evolved into a town.

It can be said that the entire Fenglei Town is completely dependent on the Thunder Fire Gate.

The town is not big, but it is very prosperous, and people come and go.

Huh....

at this moment, Yue Feng stood on the street of the town, looking at the noisy street in front of him, he couldn't help but sighed secretly. He didn't expect such a remote place to have such a prosperous town.

Yue Feng clearly saw that there was not a single official soldier in the whole town, but many disciples of Leihuomen who were patrolling to maintain law and order.

After observing for a while, Yue Feng took Mu Xixi and the two to the clothing store to buy a suit for each of them. At the same time, Mu Xixi and Song Qian were both put on masks.

You must know that Mu Xixi has a very high reputation in the Jiuzhou rivers and lakes. At this time, her weak appearance is not good for people to see.

After changing their clothes, the three of Yue Feng walked directly towards Leihuomen.

The main altar of Leihuomen is a large yard with three entrances and three exits. There are many trees in it, and there are many trees that are thousands of years old.

“Stop!”

As soon as they arrived at the gate, the disciples of Leihuomen who were guarding there immediately surrounded Yue Feng, and then the leader said coldly, “Who are you? This is the main altar of Leihuomen. No one should come close.”

The person who spoke was called Jiang Chao, a close disciple of the sect master Xiao Yunlei.

At this time, Jiang Chao questioned and couldn't help but glanced at Mu Xixi and Song Qian.

The two beauties are so sexy.

Although Mu Xixi and Song Qian were both wearing masks at this time, only showing a pair of eyes, but as long as they are not fools, they can see that these are two beautiful women.

Huh..

Hearing the questioning, Yue Feng breathed a sigh of relief and smiled: “I would like to ask you to help me report, I just said that there is an old friend and I want to see your sect master.”

Old friend?

Jiang Chao frowned secretly and looked at Yue Feng up and down: “Boy? What do you mean? Are you a friend of our sect master?”

Yue Feng nodded.

“Haha...”

Jiang Chao sneered, unable to hide the contempt in his heart, and shouted: “You are so bold, you have climbed to our Thunder Fire Gate, I think you don't want to live anymore.

” How can my sect master have a friend like you?”

When he said this, Jiang Chao spread contempt.

The person in front of him, with weird marks all over his face and red hair, is not a good person at first glance, maybe he is a liar.

Thinking to himself, Jiang Chao stopped talking nonsense, raised his hand and waved: “Take him to me. Send it to the door owner.”

Whoa!

The voice fell, and several companions behind him directly surrounded him and tied Yue Feng Wuhua.

Yue Feng did not resist, anyway, when he saw Xiao Yunlei later, everything came to an end.

However, Mu Xixi and Song Qian were furious. This disciple of Thunder Fire Clan really had no rules at all. Yue Feng said that he was a friend of their Clan Master, yet they dared to do it.

Frightened, Song Qian couldn't help but stepped forward to stop and said, "You Leihuomen are really unruly, is this how you treat guests?"

At the same time, Mu Xixi also frowned, ready to start.

"It's okay!"

Before waiting for Jiang Chao to respond, Yue Feng smiled, turned back to the master and apprentice and persuaded: "You wait for me here first, and I will pick you up soon." As he

spoke, he secretly winked Don't be impulsive.

Hearing this, Mu Xixi and Song Qian looked at each other and stopped acting rashly.

"Watch these two women."

At this time, Jiang Chao ordered to the other companions around, and led Yue Feng into the yard.

"Boy!"

At this moment, Jiang Chao looked at Yue Feng contemptuously, and said coldly: "Wait to see the sect master, if you weren't his friend, you would have died miserably. People who pretend to be friends of my family's door owner are swaying and cheating everywhere in the rivers and lakes, and none of them will end well."
