

The ultimate husband in Chinese chapter 4431-4440

Chapter 4431

“I’m afraid you won’t succeed?”

Seeing the Holy Demon King Jutian rushing towards him, Su Qingyan’s delicate face did not fluctuate in the slightest.

In the blink of an eye, the two sides fought fiercely in mid-air.

“Qingyan...”

Seeing this scene, Wen Chou Chou couldn’t help shouting: “This Holy Demon King’s strength is terrifying, be careful.” While shouting, Wen Chou Chou’s eyes were full of worry and tension.

Wen Chou Chou had just fought against the Holy Demon King Jutian several times, and Wen Chou Chou knew the opponent’s strength very well.

However, Su Qingyan didn’t panic at all, and replied softly, “Brother Wen, don’t worry.”

As she spoke, Su Qingyan stimulated her internal strength and displayed the peerless cultivation technique of Xia Yinzong. It erupted, almost covering the whole world.

Since becoming the suzerain of the Xia Yin Sect, Su Qingyan has devoted herself to cultivating the unique skills of the Xia Yin Sect, and her strength has not been what it used to be.

I saw that the figures of the two sides were constantly shuttled in the air. At this time, Su Qingyan was like a phoenix, with a light movement and no trace. The attack of the Holy Demon King Jutian was very fierce, but she was avoided several times.

It’s just that the Holy Demon King Jutian has existed for nearly 10,000 years, and the background is not comparable to Su Qingyan’s.

Gradually, under the suppression of the demon soul of the Holy Demon King Jutian, Su Qingyan’s speed gradually slowed down, and her delicate face became a little anxious.

The opponent’s strength is really terrifying.

Continue to fight, the situation will become more and more unfavorable.

How to do?

call....

At the same time, the Wen Chou Chou crowd watching the battle below also sweated for Su Qingyan, and at the same time they all became anxious.

Can't beat that.

It would be great if Yue Feng came back. Even if he couldn't beat this Yutian, he would still be able to take everyone out of danger.

.....

On the other side, in the cave.

I don't know how long it took, Yue Feng slowly opened his eyes and was in a good mood.

After several hours of practice, Yue Feng only felt that the feeling of weakness on his body had disappeared, replaced by an incomparably full power.

call!

At this moment, Yue Feng took a deep breath, indescribably excited!

Finally regained strength.

What made him even more delighted was that after the training just now, his perception of the power of the red lotus in the law has gained another layer, and the blood-colored marks on his face and body seem to have faded a little.

When the blood-colored mark disappears completely, Yue Feng will be able to restore his original face, can you be unhappy?

Overjoyed, Yue Feng looked to the side and saw Mu Xixi and Song Qian, still sitting there, silently recovering their strength.

At this moment, Yue Feng had nothing to do, so he quietly looked at Mu Xixi.

Because of the critical situation, Yue Feng didn't have the opportunity to observe it carefully. At this time, when he admired Mu Xixi up close, he couldn't help but feel very emotional. He hadn't seen him for nearly a year, and this Mu Xixi became even more charming.

"Hey!"

Just when Yue Feng was fascinated, Song Qian suddenly came up and whispered, "Brother-in-law? Is my master beautiful?"

When asked, Song Qian teased.

I go!

Asking in this lifetime, Yue Feng was taken aback, and his face was extremely embarrassing: "You.... Your strength has recovered?"

Seeing his nervous appearance, Song Qian pursed her lips and smiled: "My strength is still shallow, and I will return to nature. Hurry up."

As she said that, Song Qian continued to ask with a mysterious look on her face, "Brother-in-law, you said before that you had made a bet with Master that if you became the emperor, she would be your woman, is that true?"

Uh

Yue Feng scratched his head: "Yes."

Hearing this answer, Song Qian's eyes flickered and she said very emotionally: "Oh, if it was before, I would definitely feel sorry for Cousin Liu Xuan, but now I am I also figured it out, brother-in-law, you are a hero of Kyushu, your status is extraordinary, and there are many women around you, it's nothing."

Yue Feng couldn't help laughing and crying: "You girl, what are you thinking about all day long?"

Song Qian laughed. Laughing, he stopped talking about this topic, stood up and stretched: "I'm so hungry, I'm going out to find something to eat, brother-in-law, please help me guard Master." As the words

fell, Song Qian quickly walked out of the Five Elements Ecstasy Formation .

Yes, Song Qian was not hungry, but deliberately gave Yue Feng two independent space.

Chapter 4432

This girl!

Seeing Song Qian leave, Yue Feng couldn't help laughing and crying, but it was too late to stop him, so he had to shake his head and sigh.

Uh...

The next second, Yue Feng turned around and saw that Mu Xixi opened her eyes at an unknown time and was looking at him complicatedly. In an instant, Yue Feng was embarrassed beyond words.

Will she not hear what Song Qian said to me just now?

Thinking to himself, Yue Feng showed a smile and said politely, "Are you awake?"

Hmm!

Mu Xixi responded, her delicate face was very calm, but her heart was like a deer, and she couldn't calm down, because she heard the conversation between Song Qian and Yue Feng just now.

She is a rational and reserved woman, and it was naturally very embarrassing for her apprentice to tell her about the bet she had made with Yue Feng before.

But Mu Xixi didn't show it, but pretended to ask: "Where's Xiaoqian?"

"She."

Yue Feng was stunned, and quickly replied: "She said she was hungry and went out to find something to eat."

"When the answer came, Mu Xixi stopped talking and lowered her head to think about something."

For a time, the anger was a little embarrassing and subtle.

"What's the matter with you?"

After a few seconds, Yue Feng couldn't help but ask: "Are you on your mind?"

"No." Mu Xixi quickly shook her head, then changed the subject: "Yue Feng, what are you going to do next? Do?" She really didn't want to mention the previous bet, it was too embarrassing.

Yue Feng thought for a while and said, "First go back to the Earth Circle and join Brother Wen and the others. During the time I went to God's Domain, I don't know what happened to the Ouyang family."

After that, Yue Feng observed Mu Xixi's state. : "Your strength has completely recovered?"

Yue Feng clearly felt that Mu Xixi's face was still a little pale. Obviously, he was imprisoned in Fengzhuang for a few days, and his vitality was severely damaged.

“It’s okay!”

Mu Xixi’s face flushed slightly, and she said unnaturally, “I haven’t recovered completely, but it’s much better now than before.” After saying that, she lowered her head and didn’t look at Yue Feng.

To be honest, Mu Xixi also wanted to stay sane, but for some reason, when she thought of the agreement she made with Yue Feng, her heartbeat couldn’t help speeding up.

Haha...

Sensing Mu Xixi’s expression, Yue Feng suddenly understood something and couldn’t help showing a smile.

Mu Xixi must have heard the conversation between me and Song Qian just now, so she was so shy. I just didn’t expect that Qin Sheng, who is famous in Kyushu, also has such a woman’s side.

“I...”

Yue Feng’s eyes made Mu Xixi even more uncomfortable. He bit his lip and said, “I... I continue to practice.” After the words fell, he sat up again and closed his eyes to practice. stand up.

To be honest, Mu Xixi doesn’t need to continue cultivating, because her situation cannot be recovered in a short time, but there is no way, at this time she really can’t face Yue Feng alone.

“Okay!”

Seeing her appearance, Yue Feng was secretly amused, so he wanted to tease her a little more, but he held back and nodded at that time: “You practice, I will help you protect the law.”

For a while, Mu Xixi Cultivating cross-legged, Yue Feng stood by, and the entire cave fell into silence.

I saw that Mu Xixi was sitting there with a very calm expression, but he kept thinking about himself and Yue Feng. After all, Yue Feng was the emperor of Xicang Continent. Keep your promise and be his woman.

But Yue Feng is Xiaoqian’s brother-in-law. If he really became his woman, wouldn’t it be a mess?

The more Mu Xixi thought about it, the more confused she became. At this time, she completely forgot that she was cultivating. It was a big taboo that she couldn’t

concentrate on her practice. Soon, within ten minutes, her delicate body suddenly trembled, her delicate face was also ugly, and her forehead was covered with A layer of sweat.

Oops!

I haven't completely calmed down, this... This is a sign of going crazy.

At this moment, Mu Xixi was very anxious, but the more anxious, the more disordered her dantian internal force.

"Well..."

Finally, Mu Xixi couldn't bear it anymore, and let out a painful low moan, her delicate body curled up on the ground and trembled gently, her beautiful face was full of pain.

What the hell!

Seeing this scene, Yue Feng was taken aback and quickly asked, "What's wrong with you?"

Chapter 4433

Saying that, Yue Feng is about to go over to help Mu Xixi.

Yue Feng could see that Mu Xixi's state was a sign of going crazy.

Obviously, she just got distracted in the practice.

"I'm fine..."

However, before Yue Feng approached, Mu Xixi's tender body trembled, and she quickly stopped: "You don't have to obey me, I'll be fine slowly." While speaking, he struggled to sit up straight. body.

At this time, Mu Xixi was very shy.

There are only two people here, Yue Feng and myself. There are differences between men and women, so we can't get too close. If Song Qian comes back and sees it, it will be unclear.

Ugh!

Yue Feng is a smart person, he could see Mu Xixi's thoughts at a glance, and he was very helpless at the time.

What time has it been, this Mu Xixi is still so reserved.

Thinking to himself, Yue Feng couldn't help but ask, "Can you do it yourself?" You must know that it is very dangerous to go into trouble, and it is difficult for ordinary people to survive through their own strength.

"I..."

Mu Xixi bit her lip tightly and nodded firmly: "I can do it, you don't have to worry." After the

voice fell, Mu Xixi closed her eyes and tried to urge her dantian to suppress the accident. Signs of enchantment, but it was too late.

Om...

At this moment, I saw Mu Xixi's face was flushed. At that time, she only felt that her whole body was extremely hot. Then, she saw a flash of fire, looming in her dantian position.

Not good, heart demon karma fire.

Seeing the red light, Yue Feng's heart skipped a beat, and he was immediately worried.

Yue Feng is no stranger to Heart Demon Karma Fire. This is a kind of flame derived from the dantian when a cultivator goes into a demon and is transformed by the cultivator's essence.

Heart Demon Karmic Fire is very different from ordinary flames and abnormal fires. Once formed in the body, it needs to be forced out of the body as soon as possible. Otherwise, the scorching high temperature will burn the heart of the dantian, and people will also die.

Mu Xixi, as a famous qin sage in Kyushu, the way of nature is very powerful, so she didn't have time to think about it at that time, she quickly bit her lip and forcibly forced the inner demon karma out of her body.

Huhuhu...

At the moment when the fire of the heart and demons was forced out, the entire five elements psychedelic array instantly turned red, and at the same time, the long skirt on Mu Xixi's body was also directly burned.

puff.

At this moment, Mu Xixi was extremely weak and fell to the ground softly.

This time, Yue Feng didn't immediately help him, but stood there, completely stunned, staring at the charming curves exposed by Mu Xixi, his mind went blank.

I really didn't expect that Mu Xixi's figure was so perfect... shuh

!

Aware of Yue Feng's gaze, Mu Xixi's face was extremely red, and she almost cried at that time: "You...you turn around quickly, don't look!"

At this time, Mu Xixi was ashamed and angry. .

Originally, I thought that I could avoid embarrassment as much as possible by myself and Yue Feng here alone, but I didn't expect that not only did I not avoid it, but I was seen by Yue Feng again.

If this is spread out, how can we walk the rivers and lakes in the future?

"Okay."

Looking at her shy and angry look, Yue Feng couldn't help laughing and crying, and said, "I don't look at it, I don't look at it." As he said that, Yue Feng turned around.

As soon as he turned around, Yue Feng thought of something, turned his back to Mu Xixi and said, "You...you can't see anyone in the way you are now. When Song Qian comes back, I'm afraid there will be more misunderstandings, or else , I took off my clothes, you put them on first?"

This...

Hearing this, Mu Xixi's delicate face was extremely tangled.

If you were wearing his clothes, wouldn't you be misunderstood by Song Qian later?

But if you don't wear it...you can't go on like this forever.

"You..."

Finally, Mu Xixi made up her mind and said softly to Yue Feng: "You throw your clothes with your back to me, don't peek."

Haha...

Hearing this, Yue Feng immediately amused, he couldn't help but say: "I have already seen all the things that you should and shouldn't see just now. Don't worry about it so much, and put on your clothes quickly." The

voice fell, and Yue Feng threw his clothes away.

This Mu Xixi is really interesting, it's this time, and he still cares about these details.

This Yue Feng is really not serious.

Seeing Yue Feng's cynical look, Mu Xixi was very angry, but she couldn't refute it, so she could only put on her clothes quickly.

Chapter 4434

"Brother-in-law, Master."

At this moment, Song Qian's voice came from outside: "I will come."

Shuh!

Hearing the voice, both Yue Feng and Mu Xixi were shocked.

It's time for this girl to come back.

In the next second, Yue Feng was about to respond, intending to ask Song Qian to wait and come in again, but it was too late.

"Master..."

At this time, Song Qian walked in in a relaxed mood, and was stunned when she saw the scene in front of her.

I saw that Yue Fengqing was standing beside his arms, his face was a little embarrassed, while Master Mu Xixi was wearing his clothes, not only that, but his face was a little flushed....for

a while , Song Qian only felt that her brain was asking questions, and her delicate face suddenly turned red.

Brother-in-law and master.... just doing things between men and women?

This is developing too fast.

"Xiaoqian!"

At this time, Mu Xixi's face was extremely blushing, and before Song Qian asked, she hurriedly explained: "It's not what you think, just now I went crazy and my clothes were burned by the fire of my inner demon, so Your brother-in-law just gave me his clothes..."

When she said this, Mu Xixi was in a hurry.

I'm really afraid of what's coming.

It's really embarrassing that such an embarrassing scene was seen by the apprentice.

As soon as the words fell, Yue Feng also said: "Yeah, we didn't do anything, little sister, don't think about it too much." Go crazy

?

Hearing this, Song Qian was stunned for a moment, and then she said with a smile: "I understand, understand, just treat me as if I didn't see anything."

After saying that, Song Qian glanced at Yue Feng meaningfully and whispered. Said: "Brother-in-law, congratulations, should we go? I'll wait for you outside first." After the

voice fell, Song Qian walked out with a smile without waiting for the two to answer.

In Song Qian's heart, she thought that Yue Feng had already done things between men and women, but she was too embarrassed, so she would make up things that went crazy.

Ugh.

Seeing this situation, Yue Feng was dumbfounded.

It's bad, I can't explain it completely.

Mu Xixi was even more shy, almost crying, and glared at Yue Feng: "It's all your fault!"

"Why did you suddenly blame me?"

"If it weren't for you, I wouldn't have gone crazy just now."

"This I didn't bother you when you were cultivating..."

"It's your fault anyway..."

After a few words, Mu Xixi calmed down and walked out of the cave with Yue Feng.

"Brother-in-law, Master!"

When they got outside, Song Qian greeted her with a smile. She first looked at Mu Xixi and then at Yue Feng: "Where are we going next?"

Yue Feng took a deep breath and looked around. Looking down on the surrounding environment, he opened his mouth and said, "If I remember correctly, after walking through this mountain range, you will reach the Thunder Fire Gate. Xiao Yunlei, the head of the Thunder Fire Gate, received some favors from me back then, so let's go directly to the Thunder Fire Gate. "

Having said that, Yue Feng glanced at Mu Xixi and continued: "Your master has just gone crazy, and it is impossible to recover through training in a short period of time. I don't have any alchemy materials on my body, so I can only ask Xiao Yunlei for some."

When he said this, Yue Feng looked confident.

Speaking of which, Xiao Yunlei of Leihuomen and Yue Feng didn't have much contact, but when the Kyushu united against the Rakshasa clan, they fought together. Although it was only a few times, Yue Feng's eyes were not bad, he knew Xiao Yunlei is a man who is grateful.

Mu Xixi's delicate face did not fluctuate, indicating that she had acquiesced.

Because what Yue Feng said was right, she was detained in the Fengzhuang basement secret room before, she was weak, but just now she went into trouble and needed a panacea to recover quickly.

"Hee hee..."

Song Qian couldn't help but pursed her lips and smiled, looking at Yue Feng with a teasing face: "Brother-in-law, you are so kind to my master..."

Before she finished speaking, Mu Xixi endured it. He couldn't stop pulling her: "What nonsense?"

Seeing that the master was about to get angry, Song Qian stuck out her tongue and quickly closed her mouth.

Seeing this scene, Yue Feng was very helpless, but he didn't explain much. He knew that Song Qian had already decided that it was difficult to change her mind, so it was better to let it go.

A few minutes later, Yue Feng was ready and went in the direction of Leihuomen.

Chapter 4435

After more than an hour of traveling, the three of Yue Feng finally came to Fenglei Town.

Fenglei Town is next to Leihuomen, separated by a bridge. Originally, it was just a small village. Later, because of Leihuomen, it became prosperous and evolved into a town.

It can be said that the entire Fenglei Town is completely dependent on the Thunder Fire Gate.

The town is not big, but it is very prosperous, and people come and go.

Huh....

at this moment, Yue Feng stood on the street of the town, looking at the noisy street in front of him, he couldn't help but sighed secretly. He didn't expect such a remote place to have such a prosperous town.

Yue Feng clearly saw that there was not a single official soldier in the whole town, but many disciples of Leihuomen who were patrolling to maintain law and order.

After observing for a while, Yue Feng took Mu Xixi and the two to the clothing store to buy a suit for each of them. At the same time, Mu Xixi and Song Qian were both put on masks.

You must know that Mu Xixi has a very high reputation in the Jiuzhou rivers and lakes. At this time, her weak appearance is not good for people to see.

After changing their clothes, the three of Yue Feng walked directly towards Leihuomen.

The main altar of Leihuomen is a large yard with three entrances and three exits. There are many trees in it, and there are many trees that are thousands of years old.

"Stop!"

As soon as they arrived at the gate, the disciples of Leihuomen who were guarding there immediately surrounded Yue Feng, and then the leader said coldly, "Who are you? This is the main altar of Leihuomen. No one should come close."

The person who spoke was called Jiang Chao, a close disciple of the sect master Xiao Yunlei.

At this time, Jiang Chao questioned and couldn't help but glanced at Mu Xixi and Song Qian.

The two beauties are so sexy.

Although Mu Xixi and Song Qian were both wearing masks at this time, only showing a pair of eyes, but as long as they are not fools, they can see that these are two beautiful women.

Huh..

Hearing the questioning, Yue Feng breathed a sigh of relief and smiled: "I would like to ask you to help me report, I just said that there is an old friend and I want to see your sect master."

Old friend?

Jiang Chao frowned secretly and looked at Yue Feng up and down: "Boy? What do you mean? Are you a friend of our sect master?"

Yue Feng nodded.

"Haha..."

Jiang Chao sneered, unable to hide the contempt in his heart, and shouted: "You are so bold, you have climbed to our Thunder Fire Gate, I think you don't want to live anymore."

"How can my sect master have a friend like you?"

When he said this, Jiang Chao spread contempt.

The person in front of him, with weird marks all over his face and red hair, is not a good person at first glance, maybe he is a liar.

Thinking to himself, Jiang Chao stopped talking nonsense, raised his hand and waved: "Take him to me. Send it to the door owner."

Whoa!

The voice fell, and several companions behind him directly surrounded him and tied Yue Feng Wuhua.

Yue Feng did not resist, anyway, when he saw Xiao Yunlei later, everything came to an end.

However, Mu Xixi and Song Qian were furious. This disciple of Thunder Fire Clan really had no rules at all. Yue Feng said that he was a friend of their Clan Master, yet they dared to do it.

Frightened, Song Qian couldn't help but stepped forward to stop and said, "You Leihuomen are really unruly, is this how you treat guests?"

At the same time, Mu Xixi also frowned, ready to start.

"It's okay!"

Before waiting for Jiang Chao to respond, Yue Feng smiled, turned back to the master and apprentice and persuaded: "You wait for me here first, and I will pick you up soon." As he

spoke, he secretly winked Don't be impulsive.

Hearing this, Mu Xixi and Song Qian looked at each other and stopped acting rashly.

"Watch these two women."

At this time, Jiang Chao ordered to the other companions around, and led Yue Feng into the yard.

"Boy!"

At this moment, Jiang Chao looked at Yue Feng contemptuously, and said coldly: "Wait to see the sect master, if you weren't his friend, you would have died miserably. People who pretend to be friends of my family's door owner are swaying and cheating everywhere in the rivers and lakes, and none of them will end well."

The ultimate husband in Chinese chapter 4436-4440

Chapter 4436

Hearing the threat, Yue Feng didn't take it to heart, chuckled and ignored it.

Soon, in the hall, he saw Xiao Yunlei sitting there, sipping tea leisurely, with a leisurely expression on his face.

Um?

Seeing Jiang Chao bring someone in, Xiao Yunlei couldn't help frowning: "Jiang Chao, who is this person?" As

he spoke, Xiao Yunlei looked at Yue Feng.

This person looks very strange, with strange blood marks on his face, and his hair is also red.

It's just... the charm in those eyebrows, looks a bit familiar.

"Master!"

Jiang Chao took a step forward and said flatteringly, "This liar is very bold. He just came to the gate and said he wanted to see you and said he was your friend.

"You are getting bolder, Master, what do you think about this person?" At the end, Jiang Chao looked smug and expectant, trying to get Xiao Yunlei's approval.

friend?

Hearing this, Xiao Yunlei was stunned for a moment, then stood up and looked at Yue Feng carefully: "Do I know you?"

Yue Feng secretly exhaled, smiled and said, "Clan Master Xiao, can you talk about it alone?" Suddenly, he glanced at Jiang Chao.

Xiao Yunlei frowned, this person is a little interesting.

This chapter is provided by . Visit for daily update.

At the same time, Jiang Chao suddenly became vigilant and looked at Yue Feng coldly and said, "Boy, who do you think you are? What qualifications do you have to talk to my master alone?" As

he spoke, Jiang Chao shouted at Xiao Yunlei: "Master, the origin of this person is unknown, don't listen to him, who knows if he is plotting against you."

Nima!

At this moment, Yue Feng was a little dumbfounded, and at the same time, he was a little angry.

Is there something wrong with this kid? I already said that he is Xiao Yunlei's friend, and he is always against me. How can I be so untrustworthy as I am now?

Thinking to himself, Yue Feng said indifferently to Xiao Yunlei: "Clan Master Xiao, my hands and feet are tied, how could I plot against you?"

Huh....

Hearing this, Xiao Yunlei took a deep breath, pondered for a while, and then He waved his hand: "Jiang Chao, you go out first."

Seeing the master's opening, Jiang Chao was very reluctant, but he turned around and walked out.

For a while, only Yue Feng and Xiao Yunlei were left in the entire hall.

"This friend."

At this time, Xiao Yunlei looked at Yue Feng with complicated eyes: "If you have something to say, you can say it now."

Yue Feng smiled slightly and said, "Clan Master Xiao, remember the Chaos Mountain Range from this year ago. The first battle? When I went out to investigate the situation, I was ambushed and almost died under the bone sword of the Rakshasa warriors."

"You..."

At this moment, Xiao Yunlei was shocked and looked at Yue Feng in shock. : "How do you know? Who are you?"

At this time, Xiao Yunlei was very shocked, and his mind was buzzing.

Back then, when the Kyushu Continent united against the Rakshasa clan, when the two armies faced off, Xiao Yunlei went to investigate the situation of the Rakshasa clan by himself, only to be ambushed. Later, Yue Feng happened to pass by and saved his life.

It's just that Xiao Yunlei didn't tell anyone about this matter, because the master of his dignified sect was ambushed by more than a dozen Rakshasa warriors, which was really embarrassing.

But how did the person in front of him know?

Seeing Xiao Yunlei's shocked expression, Yue Feng took a step forward and said with a smile: "We were the only two who knew about this back then, of course I knew."

"You..." No matter how

stupid Xiao Yunlei was at this time, he understood something With a shudder, it was both joy and consternation: "You are Sect Master Yue, how did you become like this?"
As

he spoke, Xiao Yunlei hurried over to untie Yue Feng, and said very ashamedly, "Sect Master Yue, My disciples are ignorant, so please forgive me."

Knowing the identity of the other party, Xiao Yunlei lost his previous arrogance, but was extremely respectful and polite.

You must know that in the Primal Chaos Mountain Range, Yue Feng saved his life. Without him, he would have long since turned into a pile of bone power.

"It's hard to say."

Yue Feng moved his wrists and smiled bitterly: "I have no choice but to become like this, but it's not bad, Clan Master Xiao, please help me keep it a secret for the time being, and don't reveal my identity. Go out."

Now the situation in the rivers and lakes of Kyushu is unknown, so for safety's sake, Yue Feng does not want to reveal his identity.

Chapter 4437

Xiao Yunlei is a smart person, he instantly understood Yue Feng's intentions, and knowing that he didn't want to reveal his identity, he immediately nodded and said, "I understand, Brother Feng, don't worry, I'll be tight-lipped."

Hmm!

Yue Feng nodded and continued: "There is something else that needs to trouble Clan Master Xiao."

"Brother Feng, please tell me." Xiao Yunlei nodded without thinking.

Back then, when he was fighting against the Rakshasa clan in the Chaos Mountains, Xiao Yunlei strayed into a trap and was in extreme danger. At a critical moment, Yue Feng saved his life. Xiao Yunlei has always kept this in his mind.

At this time, let alone one thing, Xiao Yunlei would agree without hesitation.

Yue Feng breathed a sigh of relief, and said slowly, "A friend of mine, who almost went crazy in her practice before, is very weak now. I'm going to make a medicinal pill for her, and I need some materials."

It turned out to be such a thing.

Hearing this, Xiao Yunlei had a full smile on his face, patted his chest and said, "This trivial matter will be covered by me."

Yue Feng no longer hesitated, and said the required materials one by one, Xiao Yunlei did not dare to neglect, quickly took the paper and pen from the side, and carefully recorded them one by one.

After writing, Xiao Yunlei smiled and said, "Brother Feng, do you need anything else?"

Yue Feng shook his head and said with a smile, "There is nothing else, it's just my two friends who were stopped at the gate by your disciples. Outside."

Mad! At this moment, Xiao Yunlei

's face sank, and he said angrily, "Those who don't have long eyes actually keep the distinguished guests outside? Brother Feng, the people below are ignorant, please don't blame me."

shouted: "Come on!"

When the words fell, Jiang Chao ran in quickly and respectfully said, "What is the master's order?" As he spoke, he looked at Yue Feng, his eyes still full of contempt.

This liar should have revealed his secrets, so the master called me in.

"You idiot!"

At this moment, Xiao Yunlei glared at Jiang Chao and cursed: "Your honored guest is visiting, but you are actually blocking the door, so quickly invite me in." Your

honored guest?

Hearing this, Jiang Chao was stunned there, suddenly a little stunned.

This strange-looking guy, and the two beauties outside the door, turned out to be distinguished guests? But it looks like they don't look like it, especially this guy in front of him, no matter how he looks at it, he looks like a liar.

Thinking to himself, Jiang Chao took a deep breath and said to Xiao Yunlei, "Master, you have been in seclusion for a year. I don't know that there are many liars in the arena. Don't be deceived."

"Shut up!"

Xiao Yunlei shouted angrily. Terrified, Mad, how dare this beast call Yue Feng a liar? At that time, I didn't have time to think about it, I walked over quickly, and slapped Jiang Chao hard on the face.

Snapped!

This slap was almost exhausted, and when I saw Jiang Chao's face, a slap print instantly appeared, and it was swollen high.

"Master!"

Jiang Chao covered his face, indescribable fear, and almost cried: "This person looks so weird, he must be uneasy and kind when he comes to our Leihuomen."

Xiao Yunlei was so angry that he pointed at Jiang Chao and cursed . Said: "You bastard, still don't shut up? Let me tell you, this is my benefactor. If it wasn't for him, the

teacher would have died without a burial place. If you disrespect him, don't blame the teacher. No sympathy."

What?

He...he is Master's savior?

Hearing this, Jiang Chao was completely dumbfounded, staring blankly at Yue Feng, speechless, his mind went blank.

Yue Feng stood there with a calm expression, not even looking at Jiang Chao.

This kind of person Yue Feng has seen too much, and he is too lazy to care about it.

However, Xiao Yunlei did not stop there. He slapped Jiang Chao in the face again and shouted angrily, "What are you still doing? Hurry up and kowtow to Lord Engong to apologize.

"

Master's words made Jiang Chao wake up like a dream, and he quickly knelt down and begged for mercy at Yue Feng: "Your Excellency Engong, I was blind to Mount Tai before, so I begged Lord Engong a lot."

When he said this, Jiang Chao's face was full of sincerity, the previous arrogance is completely gone.

Yue Feng looked indifferent and waved his hand: "Forget it, it's not surprising for those who don't know, please invite my friend in."

Chapter 4438

"Yes, yes..."

Seeing that Yue Feng didn't mean to blame, Jiang Chao secretly breathed a sigh of relief, stood up quickly, and walked out quickly.

After a while, Mu Xixi and Song Qian were brought in.

Huh ...

The moment they entered the hall, Mu Xixi and Song Qian were relieved when they saw Yue Feng sitting there leisurely drinking tea, like a guest of honor.

Seriously, they were really worried outside before.

“Brother Feng!”

At this time, Xiao Yunlei smiled and said to Yue Feng, “You guys are tired all the way, go with me to rest at the back, it’s rare for you to come to Leihuomen, I’ll prepare food and drinks tonight, we must not get drunk or not. Go back, haha.”

After speaking, Xiao Yunlei handed over the paper he had written earlier to Jiang Chao, let him prepare the materials for alchemy, and walked out of the hall first.

Yue Feng smiled and led Mu Xixi and his disciples to follow.

“Okay!”

When he arrived at the back room, Xiao Yunlei smiled with him: “This is a suite. Brother Feng and the three of you can rest here tonight. If you need anything, just tell the disciples outside.”

After that, Xiao Yunlei made a few more polite words . , then backed out.

Watching Xiao Yunlei leave, Yue Feng looked around and couldn’t help but admire secretly, I never expected that the guest room at the main altar of Leihuomen was quite elegant.

As you can see, the suites are separated by pearl curtains, the furniture is made of rare mahogany, and the room is even lit with aromatherapy, green smoke lingers, exuding bursts of fragrance.

“Wow...”

Song Qian showed a smile, looked at this, then looked at that, very happy: “This room is really nice, I can finally have a good rest tonight, brother-in-law, I thought you were bragging before, but I didn’t expect that you He is really the benefactor of this Thunder Fire Sect Master.”

Seeing her happy look, Yue Feng couldn’t help but laugh.

On the other hand, Mu Xixi bit her lip lightly, her delicate face showing a bit of complexity.

Although this room is good, there is no door between the suites, only curtains. I and Xiaoqian are both women, and Yue Feng is a man. It is inconvenient to live here together.

Thinking to herself, Mu Xixi looked at Yue Feng and said, “You can’t sleep here tonight.” Yue Feng was stunned for a moment and asked,

“Why?”

Yue Feng glanced at him: “Why do you say? Men and women don’t have sex. How can Xiao Qian and I rest well when you are here?”

Uh...

Hearing this, Yue Feng was very helpless.

At this time, Song Qian came over and couldn’t help but smile and said, “Master, Clan Master Xiao has already arranged it, so let’s just stay for one night. Besides, haven’t you and my brother-in-law already...”

Said At these times, Song Qian was full of teasing. In her heart, she believed that Yue Feng and Mu Xixi had established a relationship, but they were interrupted before the last sentence was finished.

“Shut up!”

Mu Xixi’s delicate face was flushed with shame, and she stomped her feet in a hurry: “I have nothing to do with your brother-in-law, don’t talk nonsense.”

At this moment, Mu Xixi was very shy . , while some fire.

It’s all Yue Feng, if it wasn’t for him, she wouldn’t be misunderstood by Song Qian.

Ha ha...

Seeing this scene, Yue Feng secretly laughed.

Unexpectedly, Mu Xixi, the world-famous qin sage, is shy and cuter than a little girl.

However, seeing that Mu Xixi was really angry, Yue Feng was not easy to speak, so in order to avoid further embarrassment, he quickly walked out.

Xiao Yunlei should have prepared the materials by now.

Thinking in my heart, Yue Feng went directly to the front hall.

When he reached the hall, he saw Xiao Yunlei sitting there, holding the paper he had written earlier in his hand, checking the alchemy materials on the table, his brows furrowed.

“Clan Master Xiao!”

Seeing this situation, Yue Feng walked over quickly and asked with a smile, "Have you got all the materials?"

Hearing the question, Xiao Yunlei quickly stood up with a bitter smile on his face: "Brother Feng, the other materials are all ready, the only thing missing is Luohuang grass."

"This Luohuang grass, my Leihuomen's warehouse is already scarce, but don't worry, Brother Feng, I will help you find it."

Say the last sentence At that time, Xiao Yunlei was very ashamed.

The benefactor finally came to ask for help, but he couldn't even find some alchemy materials.

Chapter 4439

Luo Huang grass?

Yue Feng was stunned for a moment, then patted Xiao Yunlei on the shoulder with a smile: "It's okay, I'll look for Luo Huangcao. I'm already very grateful that you can help me find so much."

Luo Huangcao has strict requirements for the environment, It usually grows in a dark and humid place. Yue Feng clearly remembers that on the way to Leihuomen, there is a cliff, and there is a pool under the cliff, where there should be Luohuang grass.

Seeing that Yue Feng wanted to find it by himself, Xiao Yunlei was very embarrassed: "How about I send a few disciples to help you?"

"No!"

Yue Feng smiled, seeing that it was still early outside, he said goodbye to Xiao Yunlei temporarily. , walked out quickly.

It's just a Luohuang grass, and it doesn't need to be laborious.

After leaving the main altar of Leihuomen, Yue Feng rushed directly towards the water pool.

And just as Yue Feng left Fenglei Town, he saw two figures, a man and a woman, slowly walking into the street on the other side of the street in the town.

The man's facial features are handsome, he is dressed in a white long gown, and he is indescribably suave.

The woman is charming and charming, wearing a light yellow dress, graceful and graceful.

It is the winter stream and Hongxia of Jianzong.

Five days ago, Hua Yemeng, the deputy sect master of Jianzong, and his disciple Mo Qingyi escaped from the prison cell in the mountain gate. whereabouts.

Of course, the main purpose of Dongliu is not to pursue the dream of flowers and leaves, but to gain the tenderness of beautiful women.

Hongxia loves Dongliu, so she naturally wants to follow.

The two chased from the main altar of Sword Sect to the border of Dongao mainland, and then came to Fenglei Town.

“Senior brother!”

At this time, Hongxia looked at the lively street in front of her and couldn't help but said, “I didn't expect such a remote place to have a prosperous town.”

“There must be an inn here, we need a room to rest. Let's take a moment.”

Dongliu smiled and nodded: “Okay.”

After speaking, Dongliu looked around and continued: “Junior sister, you are in the mountains all the year round and rarely come out, so you probably don't know, this place is not ordinary, This is called Fenglei Town, and there is a sect on the edge of the town called Leihuomen.”

“The head of Leihuomen is called Xiao Yunlei. Over the years, I have been going down the mountain to do business, and I have often passed through Fenglei Town, so I have some friendship with this Xiao clan master.

” At that time, Dongliu couldn't hide the arrogance on his face.

Dongliu has a flamboyant personality. At this time, he naturally has to show off his connections in front of his junior sister.

Wow...

the voice fell, and Hongxia really looked up with admiration: “Senior brother, you are great, the masters of Leihuomen are all your friends. Then can we visit directly without going to the inn?”

Dongliu He shook his head and said, "Let's go all the way. It's not good to visit like this. It's better to take a rest at the inn and clean up before going, so that it will be polite."

"Oh!" Hongxia answered and hugged Dongliu's arm. , walk towards the inn.

.....

the other side.

Below the unknown cliff, Yue Feng walked around the water pool, looking around.

If there is no Luo Huang grass here, it will be troublesome.

I muttered in my heart, and suddenly, Yue Feng's eyes lit up.

haha... found it.

I saw next to a stone in front of me, there was a herb growing with emerald green leaves with irregular yellow markings, it was Luohuang grass.

At this moment, Yue Feng did not hesitate, walked over quickly, collected Luo Huangcao, collected it, activated the power of Yuanshen, and then returned to Thunder Fire Gate.

A few minutes later, Yue Feng arrived on the street of Fenglei Town.

After getting Luo Huangcao, Yue Feng was in a good mood, and his pace was extremely brisk. After refining the medicinal herbs, Mu Xixi would be able to quickly regain his strength.

Thinking of this, Yue Feng quickened his pace.

Um?

However, at this moment, Yue Feng suddenly stopped, and he clearly felt that there was a killing intent coming from behind.

The next second, Yue Feng looked back subconsciously, his brows furrowed, and he saw not far away, a man and a woman were holding their swords tightly and hurried over.

It is the winter stream and the red glow.

"Good boy."

When he got to the front, Dong Liu grinned and stared at Yue Feng: "It's really you, it's really a narrow road for the enemy."

Chapter 4440

When saying this, Dongliu's eyes were gloomy, unable to hide the hatred in his heart.

Just now, after resting in the inn with Hongxia, they came out to visit Xiao Yunlei at Leihuomen, but as soon as they arrived on the street, they saw Yue Feng.

A fool.

Hearing this, Yue Feng chuckled and ignored it, but couldn't help but glance at Hongxia.

I saw that Hongxia was wearing a long red dress at this time, her charming curves were looming, and she was very sexy.

"Senior Sister Hongxia!" In the

next second, Yue Feng showed a smile and greeted Hongxia: "I haven't seen you for a few days. Senior Sister is getting more and more beautiful."

While sighing, Yue Feng secretly paid attention to Dongliu's reaction. .

Although Hongxia is sexy, she is still inferior to Yue Feng's confidantes. Yue Feng said this to deliberately stimulate Dongliu.

After all, the entire Sword Sect disciples know the relationship between the two of them.

Swish! Seeing Yue Feng's smiling face, Hongxia's face flushed, and she said

tenderly, "Shut up, who is your senior sister? The day you escaped from the mountain gate, you were already removed from our sword sect."

Xia couldn't hide her anger.

This beggar-like guy, who dares to look at me with such eyes, is really courting death.

At the same time, Dong Liu's face was also gloomy and he glared at Yue Feng: "I think you really don't know what to do, don't think that if you get rid of the pursuit of the four elders, you can rest easy, let me tell you, now Jianzong has treated you. A kill password has been issued."

Kill password?

Hearing this, Yue Feng's face was fearless, this sword sect is really generous.

At this time, Dongliu took a step forward and said coldly: "I won't talk nonsense with you, you can honestly explain, where are Hua Yemeng and Mo Qingyi?"

What?

Yue Feng was stunned for a moment: "What happened to Hua Yemeng and Qingyi?"

After leaving the main altar of Jianzong, Yue Feng was involved in the Fengzhuang incident. He didn't know what happened to Jianzong, let alone. Hua Yemeng and Qingyi also left Jianzong.

"Give us garlic?"

At this time, Hongxia couldn't bear it anymore, her eyes were full of contempt, and she said tenderly: "Hua Yemeng and Mo Qingyi, betrayed Jianzong and fled down the mountain, you are their accomplice. Dang, will they know their whereabouts?"

Is there such a thing?

Yue Feng frowned, and then sneered: "I'll tell you clearly, Hua Yemeng and Mo Qingyi are not from the same party, they are just my friends, and I never contacted them again after I went down the mountain. , so I don't know where they are at all."

"I still have something to do, and I don't have time to talk nonsense with you." After the last word fell, Yue Feng turned around and prepared to leave.

"Stop!"

Seeing this scene, Dong Liu's eyes flashed and he shouted, clenching his long sword and rushing over.

At the same time, Hongxia also quickly drew out her long sword and cooperated with Dongliu to stop Yue Feng.

Whoa!

Seeing the movement here, many passersby gathered around one after another, watching the excitement with great interest.

"Someone's going to fight."

"It looks like it's a grievance between the rivers and lakes

"

.

While discussing, many men's eyes were deeply attracted by Hongxia.

At this time, Yue Feng looked indifferent, first looked at Dongliu, and then at Hongxia: "What? You want to do something with me? Have you forgotten how you were defeated by me?" The

voice was not loud, but with a strong aura.

When the words fell, Dongliu and Hongxia both blushed and were very embarrassed, because Yue Feng said it well, at the beginning of Jianzong Mountain Gate, both of them had fought against Yue Feng, and without exception, they all ended in disastrous defeat.

Especially Dongliu, who was directly beaten to death by Yue Feng for the last time, it was very miserable.

"You..."

Finally, Dong Liu reacted and looked at Yue Feng viciously: "Don't pretend to be in front of us, no matter what today, you must not tell the whereabouts of Hua Yemeng's master and apprentice, otherwise don't blame us. You're welcome."

"I know you are strong, but if we join forces, we won't necessarily lose."

Hongxia next to her nodded in agreement, "Yes, don't think that you have a few tricks and half-way, and ignore us. Li, I will ask you to experience our strength today."
