

The ultimate husband in Chinese chapter 4451-4460

“Don’t run!”

Seeing this scene, Xiao Xi adjusted the turbulent aura in her body, and with a coquettish shout, she was about to catch up.

But it was soon stopped by Sandy.

“Little girl, don’t chase!” Xian Di bit her lip lightly, her delicate and beautiful face was very serious: “Poor thieves don’t chase.”

Swish swish!

Just as he was talking, a dozen giant dragons hovering high in the sky also landed, transformed into human appearances, and sat cross-legged on the ground, silently regaining their strength.

Triggering thunder, which consumes a lot of power.

“Finally, it’s over.”

At this moment, Wen Chou Chou showed a relieved smile, but he couldn’t hold it anymore, his eyes darkened and he passed out.

“Brother Wen!”

Seeing this scene, Xiao Xi exclaimed and hurried over to check his condition.

At the same time, Xian Di also landed, looked around, and said to everyone: “Don’t panic, quickly restore your strength.”

Hmm!

Everyone nodded, sitting there one by one, and began to regain their strength.

...

This chapter is provided by . Visit for daily update.

On the other side, Apocalypse Continent, Thunder Fire Gate.

In the room, Yue Feng stood in front of the porcelain jar, with a relaxed and comfortable expression on his face.

On the chairs next to them, Mu Xixi and Song Qian sat there, waiting quietly.

boom!

After a while, he heard a vibration of breath coming from the porcelain jar, Yue Feng's face was overjoyed, he quickly opened the porcelain jar, and took out the medicine pill inside.

When he got to the front, Yue Feng handed the medicinal pill to Mu Xixi and said with a smile: "This is called Wulingtong Yuandan, which can repair the damage to the body after going into the devil, and at the same time can help you recover a lot of internal strength, hurry up and take it."

Um!

Mu Xixi hummed, took the medicine pill and ate it directly.

"Brother-in-law!"

Seeing this, Song Qian on the side said with a smile, "Why are you only refining alchemy for Master and not for me?" When she said this, Song Qian looked sly.

However, she only thought it was boring, so she deliberately teased Yue Feng.

Uh!

Yue Feng scratched his head and said with a wry smile: "Your skill is still shallow, have you been seriously injured, and you don't need medicinal herbs for treatment."

Hearing this, Song Qian pouted, "I don't believe it, you just like Master, I just gave her alchemy, right?" As she said that, Song Qian held back her laughter.

This time, Yue Feng was very embarrassed.

This little girl is still as quirky as she was a few years ago.

Mu Xixi's face also flushed, and she said angrily at Song Qianjiao, "What are you talking about?" Saying so, her delicate face was full of shyness, and she didn't dare to look at Yue Feng.

"Okay

, okay!" Song Qian said with a smile, "You two are nervous, I'm just joking."

After speaking, Song Qian carefully observed Mu Xixi's face: "Master, how do you feel?"

At this moment, Yue Feng stood beside him, his face full of anticipation.

call!

Mu Xixi breathed a sigh of relief and showed a smile: "This medicinal pill really works, the inner strength of the dantian has returned to normal, and the feeling of weakness is gone."

Hearing this, Yue Feng and Song Qian smiled at each other.

Especially Song Qian, she was very excited, she couldn't help but praise Yue Feng: "Brother-in-law, you are the most powerful."

Hearing the praise, Yue Feng was very useful and said with a smile: "That's natural, who am I, your brother-in-law? Ah. But what about the famous master of the Heavenly Gate in Kyushu, a great hero."

"Alright, alright!"

Seeing that he was getting more and more out of tune, Mu Xixi said angrily: "It's getting late, we should rest. "

Speaking, Mu Xixi thought of something, looked at Yue Feng, and hesitated.

"What's wrong, Master?" Song Qian asked curiously.

"I..."

Mu Xixi's face flushed slightly, and she whispered, "I want to take a bath and then change my clothes." From leaving Fengzhuang to here, he worked hard all the way, sweated a lot, and was sticky all over. So uncomfortable.

It's just, how dare you say this kind of thing in front of Yue Feng?

"Is that so!" Song Qian's mind was simple, and she didn't think much about it at the time, she nodded and said, "It's easy to do, I'll go out and give instructions and let the maid prepare." As soon as she finished

speaking, Song Qian was about to go out.

"Oh!"

At this moment, Mu Xixi became anxious, grabbed Song Qian, bit her lip and said, "This is not urgent, you should ask your brother-in-law to go out to avoid it." The door, only the curtain, how do you wash it yourself, didn't Yue Feng see it?

Chapter 4452

Puff!

Hearing this, Song Qian couldn't help laughing, grabbed Mu Xixi's arm and said, "It turns out that Master is worried about this, so let's wait for me to guard the door, if brother-in-law dares to peek, I will teach him a lesson. "

When she said this, Song Qian looked sly.

Mu Xixi was very helpless, nodding with a wry smile: "Okay!"

The voices of the master and the apprentice were small, but Yue Feng could hear them clearly.

"I..."

At this time, Yue Feng was also a little embarrassed, scratched his head and said, "You guys rest, I'll have a cup of tea outside!" After saying that, he went to the living room outside and closed his eyes to rest.

"Brother-in-law!"

At this time, Song Qian held back her smile and shouted at Yue Feng on purpose, "Wait for my master to take a bath, so don't peek." What the

hell!

Yue Feng was speechless.

Does this girl think the atmosphere is not embarrassing enough?

At the same time, Mu Xixi's face was also hot and red, she couldn't help pulling Song Qian: "Why did you still say it?"

This Song Qian must be intentional.

Song Qian smiled and said no more. She opened the door and went out to let the maid outside prepare hot water.

After a while, several maids came in and prepared wooden buckets and hot water. At that time, Mu Xixi was very tired and started to take a bath, while Song Qian stayed by the side.

Wow...

Yue Feng was sitting in the living room outside, trying to keep himself clear, but when he heard the sound of the water, he couldn't calm down.

You must know that the one who bathes in it is the world-famous Qin Sheng, who is the goddess in the dreams of countless people in the rivers and lakes.

Gudong!

Thinking to himself, Yue Feng couldn't help swallowing his saliva.

Right now, in the room.

While serving Mu Xixi's bath, Song Qian couldn't help but ask with a smile, "Master, are you and my brother-in-law ever together?"

Seriously, if it was before, Song Qian would definitely not dare to ask, but she She was also a woman, and she could tell that Mu Xixi liked Yue Feng in her heart.

Swish! Hearing the question, Mu Xixi's delicate face turned red all of a sudden, bit her lip

and gently reprimanded: "What do you think about all day long? He is your brother-in-law, how could I like him?"

However, Mu Xixi's heartbeat accelerated inexplicably.

At the same time, a few years ago, he made a bet with Yue Feng, and if Yue Feng became the emperor, he would be his wife. Later, Yue Feng really became the emperor of Xi Cang.

It's just that Mu Xixi was in other continents at the time and couldn't fulfill his promise, and then Yue Feng stopped being the emperor. Now that a few years have passed, Mu Xixi thinks that what happened in the past is over, but she never thought about it. was brought up again.

But having said that, Yue Feng was once the Lord of Tianmen, and he was recognized as a great hero in the Kyushu Continent. Whether it was cultivation, formation, alchemy, etc., he was almost omnipotent.

It was an honor to be his woman.

But...why are you nervous?

For a time, the more Mu Xixi thought about it, the more confused her heart became. After all, she was not ready.

“Master!”

Seeing that Mu Xixi didn't respond, her face was rosy, Song Qian guessed something, and said with a smile: “Master, don't deny it, you look red.” After speaking

, Song Qian came up and said, “Master, if you I'm sorry, I'll ask you what your brother-in-law thinks, how about it? In fact, I can tell that my brother-in-law likes you too, hehe...”

“No!”

Mu Xixi shook her head and shook her head: “Don't make a fool of yourself, the most important thing for us now is to restore our strength as soon as possible.”

When she said this, Mu Xixi's heart was in a mess. Now the situation in Kyushu is unstable, and the three of them are still in Leihuomen. How can I think of myself? thing.

“Okay!”

Song Qian was very bored when she heard the answer, and then her eyes lit up, she touched the water and said, “The water is a little cold, I'll ask those maids to add some hot water in.

” Mu Xixi replied and walked out quickly.

When they got to the living room outside, Song Qian looked very nervous and shouted at Yue Feng, “Brother-in-law, it's not good. Master passed out. Is there something wrong with your medicine pill?”

Chapter 4453

When she said this, Song Qian was anxious, but couldn't stop laughing in her heart.

Yes, Song Qian did it on purpose.

The so-called 'clear bystanders', Song Qian clearly felt that the master and brother-in-law both liked each other, but they were too embarrassed to express their identity.

In this case, Song Qian decided to fulfill them.

What?

Hearing this, Yue Feng's heart skipped a beat, he quickly stood up, and looked closely at Song Qian: “Your master passed out?” As

he asked, he muttered to himself.

This is impossible. The Five Elements Tong Yuan Dan was carefully refined by himself, and there would be no problem at all. Why did he suddenly faint?

“Oh!” Seeing his surprised expression, Song Qian became anxious and urged, “Master is really dizzy, what are you still doing?”

“Oh!”

Seeing Song Qian’s anxious face, Yue Feng no longer doubted, responded quickly and rushed in.

Hiss...

The moment he rushed in, seeing the situation in front of him, Yue Feng’s body froze, and the whole person was stunned. At the same time, he couldn’t help taking a breath of cold air.

I saw that Mu Xixi was soaking in the wooden barrel, her eyes were slightly closed, the clear water, the graceful curves were looming, and there was no sign of fainting at all.

Holy crap, this body is absolutely amazing.

For a time, Yue Feng’s eyes were straight, and at the same time he realized that he had been deceived by Song Qian.

“Xiao Qian.”

At this time, Mu Xixi thought that Song Qian was coming back when she heard the footsteps, her red lips lightly opened: “Hot water is here?” As she spoke, she opened her eyes and turned her head to look over.

At this moment, Yue Feng reacted and was about to turn around and leave.

Nima, this is a big misunderstanding, hurry up and escape.

It’s just too late.

Swish!

At this moment, Mu Xixi’s delicate body trembled when she saw Yue Feng standing at the door, she only felt that her whole mind was blank, and at the same time, a blush quickly spread on her face.

In an instant, the room was silent and the atmosphere was extremely subtle.

“Ah...”

Finally, Mu Xixi reacted, couldn't help screaming, and pointed at Yue Feng with her jade finger: "You...you...who let you in?" She told

Song Qian before taking a shower. Now, let her look at Yue Feng to avoid embarrassment. I never expected that he would finally see it all, which is really embarrassing.

"I..."

At this time, Yue Feng was at a loss, and explained with a wry smile: "Don't misunderstand, it was Xiaoqian who said you fainted just now, so I'll come in and take a look. Since it's all right, I'm relieved."

"You soak slowly, soak slowly..." As

he said, Yue Feng was about to turn around and leave, Nima, this misunderstanding is big.

However, as soon as he turned around, he saw Song Qian walked in quickly, with a blank expression on his face: "What's wrong? What happened?"

Shuh!

At this moment, Yue Feng and Mu Xixi's eyes converged on Song Qian at the same time.

"Xiaoqian!" Mu Xixi was angry and asked, "What's the matter with you? Didn't you ask the maid to bring hot water in? Why did you tell him that I passed out?"

At this time, Mu Xixi, Angry and helpless.

This apprentice of my own is really ridiculous.

As soon as he finished speaking, Yue Feng couldn't help but say, "Yeah, why are you lying to me?"

"Hee hee!"

Facing the accusation, Song Qian did not panic and said with a smile, "Master, I just said Think, let's be more careful in the place of Leihuomen, if I go out and call the maid, it will be bad if someone breaks in!"

"So, I told my brother-in-law to let him go out and call the maid, who knows him I heard it wrong, I thought you fainted." As

she spoke, Song Qian kept blinking at Yue Feng.

call!

Seeing Song Qian's wink, Yue Feng suddenly understood that she was creating opportunities for Mu Xixi and me.

At the same time, I am a bit dumbfounded, even if I create opportunities, I can't do this.

Misheard?

Mu Xixi frowned, and looked suspiciously at Song Qian and then at Yue Feng.

At this moment, the atmosphere is even more awkward.

Uh...

Yue Feng scratched his head and didn't look at Mu Xixi, his heart couldn't calm down for a long time.

I really didn't expect Mu Xixi's figure to be so good.

"I..."

Finally, Yue Feng came back to his senses and said, "It seems that there was a misunderstanding just now, you guys continue, I'll go out to get some air!" After saying that, he bypassed Song Qian and walked out quickly.

Chapter 4454

Call!

When he got outside, Yue Feng breathed a sigh of relief.

Recalling the picture he just saw, Yue Feng still couldn't calm down.

It was already midnight, and the entire Leihuomen main altar, except for the occasional patrolling disciples, was silent.

Going back now will definitely not avoid embarrassment.

But it's so late, where are you going?

For a while, Yue Feng stood in the garden, brows furrowed.

correct!

In the next second, Yue Feng's eyes lit up, he thought of something, and walked straight to the alchemy room behind.

Take a look at the treasures in the alchemy room of Leihuomen, and refine some in case of emergency.

Yue Feng thought about it. It was a long way to go back to Diyu Continent from here. At this time, he took the opportunity to refine some medicinal herbs with the materials of Thunder Fire Gate.

Speaking of which, every sect's alchemy room was a forbidden area, but Yue Feng was not at all panic, after all, he was Xiao Yunlei's guest.

Soon after arriving at the door of the alchemy room, I saw two disciples of Leihuomen guarding there.

"Sir!"

Seeing Yue Feng coming over, the two disciples were very respectful: "It's so late, what do you need, sir?"

Neither of these two disciples knew Yue Feng's true identity, but Xiao Yunlei had explained that this person was With an extraordinary origin and a distinguished status, there can be no slightest neglect.

Xiao Yunlei also said that no matter what the distinguished guest has, he will do his best to satisfy it.

Yue Feng waved his hand and said with a smile: "It's nothing, I'm just here to refine a few pills."

Alchemy?

Hearing this, the two disciples looked at each other, and they were both extremely shocked.

Sure enough, it is a big man, and alchemy is an understatement.

Thinking to himself, one of the disciples made a gesture of invitation: "Sir, please, there are some spare materials in it. If we need other materials, we will prepare them immediately." The

other was also full of compliments.

Yue Feng walked a little and walked into the alchemy room. After looking around, he said with a smile: "Enough materials, if you are tired, go and rest. I won't let anyone come in here."

Alchemy requires a quiet environment, Yue The wind does not want to be disturbed.

More importantly, the medicinal pills made by Yue Feng are all rare elixir, and they do not want to be seen by others.

This...

At this moment, the two disciples looked at each other, hesitated, and finally nodded and left.

As soon as the two disciples left, Yue Feng was left alone inside and outside the alchemy room.

At this time, Yue Feng was in a very comfortable mood. While humming a little tune, he selected materials, then lit the pill furnace and started refining.

At this time, not far from the front hall.

Dongliu and Hongxia finished eating and drinking, came out side by side, and walked towards the resting room.

The brothers and sisters drank a lot of alcohol, but when they got outside, they were blown away by the night wind, and they all woke up a lot.

"Senior brother!"

At this time, Hongxia hugged Dongliu's arm and sighed with emotion: "I never expected that Clan Master Xiao would treat you so politely."

Haha!

Hearing this, Dongliu was very useful, and smiled slightly: "It goes without saying that we are old friends, don't worry, when Leihuomen dispatches disciples to help tomorrow, we will soon be able to find out the dream of flowers and leaves. The whereabouts of the two of them."

"At that time, we can go back and return to life."

Hmm!

Hearing this, Hongxia responded, and then held her head: "Senior brother, I seem to be drinking too much tonight." As she spoke, she leaned against Dongliu's shoulder, showing her charm.

Dongliu smiled and hugged her in his arms: "Then senior brother will accompany you tonight, okay?"

While talking and laughing, the two continued to walk forward.

Um?

When passing the alchemy room, Dongliu suddenly stopped and looked into the alchemy room, frowning secretly.

It's so late, how come the lights are still on inside?

"What's wrong? Senior Brother!"

Hongxia couldn't help but ask softly when she realized that something was wrong with Dongliu.

Dongliu took a deep breath, pointed to the alchemy room and said, "This is the forbidden area of Leihuomen. Usually there are always people guarding it. Today, there is no one, and the lights are still on. It's really strange."

Dongliu had been to Leihuomen before. A few times, so get to know a little about the environment here.

Hearing this, Hongxia couldn't help but smile softly: "Senior brother, are you too sensitive, maybe it's Clan Master Xiao concocting pills inside."

Chapter 4455

At this time, Hongxia, because she is incapable of drinking, just wants to hurry back to her room and have a long relationship with Dongliu!

"Impossible!"

Dong Liu shook his head and said disapprovingly, "Clan Master Xiao also drank alcohol just now. From what I know about him, it is impossible to concoct alchemy while drunk.

"Now, don't you think it's a little abnormal?" Phew... Seeing Dongliu's serious face, Hongxia suddenly woke up, frowning her eyebrows: "Senior brother, the guard was knocked unconscious, and the person inside is a thief

?”

When she said this, Hongxia was inexplicably excited.

If he helped Leihuomen catch the thief, then Xiao Yunlei would definitely be grateful. At that time, he and his senior brother would be completely honored guests of Leihuomen.

At this moment, Hongxia and Dongliu looked at each other and rushed in without any hesitation.

At this time in the alchemy room.

Yue Feng was humming a little song, his face full of leisurely contentment, and he was using a porcelain bottle to fill the medicine pill.

In the past half hour, Yue Feng has refined five or six kinds of elixir, some of which are holy medicines for healing, and some that can improve his own strength at a critical moment.

rustle!

I was wearing it, when I heard a slight footstep outside the door, and there were two people.

The two guards are back?

Yue Feng was stunned for a moment, but he didn't care at the time, thinking it was the disciple of Leihuomen who had left before. While muttering, two figures rushed in quickly.

It's them?

At this moment, seeing Dongliu and Hongxia, Yue Feng was stunned, and the original good mood disappeared in an instant.

Nima, why are these two idiots in Leihuomen?

is this kid?

At the same time, Dongliu and Hongxia were stunned when they saw Yue Feng.

“Good boy!”

Finally, Dongliu reacted, and looked at Yue Feng with a smile: “It's really a narrow road for you, you took the opportunity to escape during the day, but I didn't expect it to run into me again at night.

”, Dong Liu clenched the hilt of the sword, ready to shoot at any time.

“Haha!”

Yue Feng chuckled and retorted lightly, “I didn’t expect that the two of you are really still haunted.”

Seeing that he was still able to laugh at this time, Hongxiajiao on the side shouted: “Don’t stay here. Pretend in front of us, you can’t run tonight.”

After saying that, Hongxia looked at the porcelain bottle in Yue Feng’s hand, and became even more excited: “You are not too timid to go to Leihuomen to steal things, if I guess right, the pills you stole are for the two sluts in Hua Yemeng.”

At this time, Hongxia believed that Yue Feng had come to Leihuomen to steal pills. After all, Hua Yemeng and Mo Qing had previously When he fled down the mountain, he was wounded and in urgent need of elixir.

Guessing this, Hongxia is even more certain that Yue Feng and Hua Yemeng’s master and apprentice are together.

However, he didn’t know that all the medicinal pills in Yue Feng’s hands were made by him just now. Moreover, given his relationship with Xiao Yunlei, there was no need to steal from Leihuomen.

steal?

Hearing this word, Yue Feng couldn’t help laughing. He was too lazy to explain at the time, and said lightly, “Does it have anything to do with you?”

After speaking, Yue Feng was too lazy to talk nonsense, and kept the bottle ready to go out.

Swish!

Seeing this scene, Dongliu and Hongxia looked at each other in shock and anger.

This kid is really crazy, he stole something at Leihuomen, still want to leave?

Clang!

Frightened and angry, Dong Liu did not hesitate, he directly pulled out his long sword, stopped Yue Feng with a flash, and shouted: “Do you still want to go? Can you go?”

Yue Feng was full of contempt and said lightly: “You Can the two stop me?” The

voice fell, and Dong Liu's face instantly turned red, extremely embarrassed!

Yes, this man is powerful.

When it comes to fighting, I and my junior sister are really not rivals.

“Stealing things is so arrogant?”

At this moment, Hongxia snorted and said coldly at Yue Feng: “Don't forget, this is the main altar of Leihuomen.” As she said that, her delicate body flashed and stopped Yue Feng from retreating. .

At the same time, Hongxia did not forget to shout at the surrounding: “Catch the thief, come and catch the thief.”

While shouting, Hongxia looked at Yue Feng proudly.

How strong are you? When someone comes to Thunder Fire Gate, you won't be able to fly.

The ultimate husband in Chinese chapter 4456-4460

Chapter 4456

Haha!

At this moment, Dong revealed a smile, and looked at Hongxia with eyes full of approval.

Junior sister is so witty, why didn't you think of calling someone?

Thinking to himself, Dong Liu was full of pride and shouted at Yue Feng, “Boy, you can't run tonight, let me tell you, I am friends with the Clan Master Xiao of Thunder Fire Clan.”

“So, I advise you . Or give up resistance and honestly explain where Hua Yemeng and the others are.”

Xiao Yunlei's friend?

Hearing this, Yue Feng sneered and stood there with a leisurely bearing.

Whoa!

At this moment, hearing the movement here, many disciples of Leihuomen rushed over.

The leader is Jiang Chao.

“Where can there be a thief?” Before he could rush to him, Jiang Chao shouted loudly: “Where is the thief? You’re not too brave, come to Leihuomen to steal something.”

Seeing someone coming, Dongliu instantly felt confident . , pointed at Yue Feng and shouted: “It’s this kid. Take him down!” When he said this, Dong Liu couldn’t hide his excitement.

“Take it!”

Hearing this, Jiang Chao didn’t think much, shouted, and rushed over first.

At this time, because it was late at night, the light was dim, and Yue Feng didn’t speak, Jiang Chao couldn’t see who it was.

This chapter is provided by . Visit for daily update.

“I’ve really eaten the guts of a bear’s heart and a leopard, dare to come to us...”

At this time, Jiang Chao, howling, rushed over quickly, waving his long sword and was about to start, but he reached a place a few meters away from Yue Feng. , suddenly stopped.

What the hell, what a joke!

The thief that Dongliu said was actually a guest of the sect master?

Whoa!

At the same time, the disciples of Leihuomen who had gathered around suddenly stopped, looking at each other with complicated expressions.

what’s going on?

At this moment, Dongliu and Hongxia were both stunned and puzzled.

Why did it stop?

“You...”

Finally, Jiang Chao reacted and looked back at Dong Liu: “The thief you are talking about, is he?”

“Yes, it is him!” Get up, torture and interrogate!” The voice fell, and Hongxia

also said: “My brother and I saw with our own eyes that he stole the medicine pill from the alchemy room. The evidence is conclusive, and it can’t be wrong!”

Added a sentence: "This person is a liar, and you must not forgive me."

Liar?

Hearing these words, Jiang Chao's mouth twitched, and his forehead was covered in cold sweat.

These two people are really crazy, they even said that the guest of the door owner is a thief, and they also said that he is a liar.

Thinking to himself, Jiang Chao said angrily: "Are you two crazy?"

This special code, the distinguished guest of the sect master, who dares to move.

"It's absolutely true." At this time, Dongliu

became anxious and shouted: "We have seen it with our own eyes, the evidence is conclusive, what are you waiting for?"

Holding the long sword tightly, he charged towards Yue Feng: "Boy, let's capture it."

Chi Chi...

With this sword, Dongliu activated ten layers of skill, and the cold light flickered, the air was torn apart, and the power was amazing.

Seeing this sword stab, Yue Feng did not move at all.

This sword seems to be very powerful, but to Yue Feng, there is no threat at all.

"Stop!"

Seeing this sword, he was about to stab Yue Feng, and suddenly an angry shout sounded, followed by a figure, an electric shot, blocking Yue Feng.

It was Xiao Yunlei!

The moment he stood in front of Yue Feng, Xia Yunlei raised his hand and slapped it on the back of the sword.

Dang!

At that time, Dongliu only felt a strong force coming, his body trembled, his wrist was also numb, and the long sword fell directly to the ground.

"What are you doing?"

At this time, Xiao Yunlei was very angry. He glared at Dong Liu and shouted angrily, "Who asked you to do something at my Thunder Fire Gate?" With

this angry shout, Dong Liu was immediately stunned.

In the next second, Dong Liu pointed at Yue Feng and shouted, "Clan Master Xiao, you came just in time. This person sneaked into the Thunder Fire Gate in the middle of the night and stole the pills from the alchemy room. I'm here to help you catch him." The

voice fell . , Hongxia on the side also quickly said: "Yes, Clan Master Xiao, and also, this person is the man who colluded with Hua Yemeng's master and apprentice, this person is so daring, he even stole things to your Thunder Fire Clan. , but don't forgive him lightly."

Chapter 4457

Mad!

Hearing these words, Xiao Yunlei was unforgivably angry. These two people are really bold, how dare they say that Brother Feng is a thief? I didn't have time to think about it, I slapped Dongliu's face with a slap!

Snapped!

With this slap, Xiao Yunlei almost used all his strength, and when he heard a crisp sound, Dong Liu turned around in a circle, his face swollen.

"Clan Master Xiao!" Dong Liu was immediately stunned. After stabilizing his figure, he covered his face and looked at Xiao Yunlei: "You...how did you hit me? I'll help you catch the thief."

At the same time, Hongxia Ren He couldn't help but say, "Yeah, did you call the wrong person?" As he said that, he looked at Dong Liu distressedly.

Snapped!

Just after he finished speaking, Xiao Yunlei slapped Dongliu again and shouted angrily, "Thief? Open your dog's eyes and see clearly, this is my honored guest, you maliciously slandered you, is it wrong for me to hit you?"

What? ?

This guy is the honored guest of the Xiao Clan Master?

For a time, Dongliu's expression froze, and his brain was buzzing.

Hongxia was even more delicate and trembling, as if she was completely stupid.

A few seconds later, Dong Liu reacted and looked at Xiao Yunlei and said unwillingly: "Clan Master Xiao, you must have been deceived by this kid, he is a liar, and my junior sister and I just saw him stealing pills inside with our own eyes. Medicine."

Until now, Dongliu still didn't want to believe how old this guy with the imprint on his face was.

"Ha ha!"

At this moment, Xiao Yunlei laughed in anger, pointed at Dong Liu and scolded: "You idiot like a pig and dog, I will admit that my benefactor is wrong? Back then in the Chaos Mountains, it wasn't him who saved me, I would have died a long time ago. I tell you, his identity is enough to shock Kyushu."

What?

Hearing this, Dongliu and Hongxia were completely dumbfounded.

This kid was in the Chaos Mountains, participated in the war against the Rakshasa clan, and also saved the life of Xiao Clan Master? More importantly, his identity is enough to shock Kyushu?

Who is this man?

Thinking of this, Dongliu felt inexplicably frightened!

Hongxia was also stupid, her delicate body was trembling, her legs were weak, and she could hardly stand still. She clearly saw that the master of Xiao Yunlei was so respectful and humble in front of this Ah Feng.

How could this be? This kid is also a little stronger than himself, how can he look like someone with a big background?

"Sect Master!"

At this moment, a disciple walked over quickly, and said to Xiao Yunlei very ashamedly, "Just now Mr. said that he wants to make alchemy, and we both left, knowing that he would be disturbed, we I won't leave." The

voice fell, and another disciple came over and said with a bowed head: "It's all our fault, Mr. alchemy was disturbed, and he was misunderstood as a thief."

These two were the disciples who guarded the alchemy room before.

“Trash!”

At this time, Xiao Yunlei was very angry, staring at the two disciples and cursing: “How did I explain to you before? Brother Feng’s affairs must not be neglected in the slightest.

” Moment, was stopped by Yue Feng.

“Forget it!” Yue Feng showed a smile and comforted Xiao Yunlei: “I told them to leave at the time, and I didn’t want to be disturbed when I was refining alchemy.”

As he spoke, Yue Feng asked the two disciples to retreat.

Seeing Yue Feng appearing, Xiao Yunlei put out his anger, and then said embarrassingly: “Brother Feng, I’m so sorry, it was so hard for you to come here. I haven’t exhausted the friendship of the landlord, and I have made you suffer such slander again.

” He didn’t forget to give Dongliu and Hongxia a stern look.

Done!

Noticing the anger in Xiao Yunlei’s eyes, Dong Liu’s heart trembled and he was completely panicked.

This kid is really a distinguished guest of the Xiao Clan Master. Moreover, he didn’t steal anything just now, and those medicinal pills were all refined by himself.

This is a big misunderstanding.

“Clan Master Xiao!” In a

panic, Dong Liu quickly explained to Xiao Yunlei: “Misunderstanding, this is because the four brothers and sisters are abrupt. I hope you don’t take offense.”

Hongxia also reacted and nodded in agreement.

Xiao Yunlei snorted coldly, ignoring it at all, but respectfully said to Yue Feng: “Brother Feng, these two people disturb your mood, what do you do with it.”

Chapter 4458

When he said this, Xiao Yunlei’s face was cold, without the slightest fluctuation.

To be honest, Sword Sect is powerful in Dongao Continent, and it is worth making friends with Leihuomen, but compared with Yue Feng, it is nothing at all.

After all, Yue Feng is a famous figure in Kyushu. How could his influence be comparable to that of a Sword Sect?

Yue Feng stood there, smiling silently.

Done!

Seeing this situation, Dong Liu was completely panicked. He knew that if Yue Feng cared about it, Xiao Yunlei would definitely not let him and his junior sister go.

Realizing this, Dongliu no longer hesitated, walked over quickly, and pleaded with Yue Feng: "Your Excellency, we were wrong about what happened before, please forgive us."

Seriously, Dongliu I don't want to be soft on Yue Feng, but I can't help it. If the situation in front of me is not soft, I'm afraid that my life will be lost. He never imagined that Yue Feng was Xiao Yunlei's distinguished guest.

For a time, Dongliu was very embarrassed. Ben was thinking of finding an opportunity tomorrow and asking Xiao Yunlei to introduce him. How could he know that it would be such a coincidence.

However, Yue Feng still sneered.

Huh...

Dongliu was about to cry at this time, and quickly turned his head to wink at Hongxia.

Hongxia is also a smart woman, she realized it immediately, then walked over and said softly to Yue Feng: "I'm sorry, we were all wrong before, please forgive me."

When she said this, Hongxia's face turned pale.

Just like Dongliu, Hongxia was extremely depressed at this time. She thought that by virtue of her brother's relationship with Xiao Yunlei, she would be able to seize the boy in front of her and interrogate him, but she never thought that senior brother's face was not worth mentioning at all.

He didn't even expect that the guy in front of him was actually Xiao Yunlei's VIP.

Ha ha!

Seeing this scene, Yue Feng finally opened his mouth, chuckled lightly and said, "Isn't it very insincere to just apologize like this?"

At this time, Yue Feng's face was indifferent, and his heart was also filled with anger, Ma De, if it wasn't for these two Personal trouble, and Hua Yemeng will not be misunderstood, and Hua Yemeng and Qingyi will not be forced to leave Jianzong after that.

To be honest, Yue Feng wanted to kill the two Dong Liu immediately at this time, but considering that this was the Thunder Fire Gate, he held back his identity.

As

soon as the words fell, Dongliu and Hongxia looked at each other with extremely tangled expressions on their faces.

Dongliu and Hongxia are not stupid. They know what Yue Feng means by saying this. They want them to kneel down and apologize, but they are the eldest disciple of the Sword Sect and the senior sister, kneeling to others in other sects, and the reputation of the sect is ruined. what.

"Ma De!"

Seeing their hesitation, Xiao Yunlei who was next to him couldn't hold it any longer and shouted, "You guys have offended Brother Feng, you just want to say a few words and you're done? Don't kneel, right?"

Xiao Yunlei rushed Instructing the surrounding disciples: "Come on, tie them to me, and wait for them with words and deeds!"

Whoa!

The last word fell, and the surrounding Leihuomen disciples rushed up.

"I kneel, I kneel..."

Seeing this scene, Dongliu was frightened, and quickly shouted loudly, then dragged Hongxia and knelt in front of Yue Feng together.

"I'm sorry..." Dong Liu lowered his head, almost crying.

At the same time, Hongxia also bit her lip tightly and kept begging: "We were wrong before, please forgive us." At this moment, the two completely forgot their dignity.

However, she felt extremely aggrieved in her heart. She never thought that one day she would kneel and beg for mercy in front of this person.

You know, this person is the target of Jianzong's pursuit.

Shame.

Seeing the expressions of the two, Yue Feng's mouth twitched and he sneered: "It's okay if you let me spare you. Answer me a few questions. As long as you don't tell lies, I'll let you go."

"Okay..." The winter chick nodded as he pecking at the rice.

call!

At this moment, Yue Feng took a deep breath and asked word by word, "Let me ask you, how did Hua Yemeng and Qingyi leave Jianzong?"

"Uh..." Dongliu hesitated, then Tell the situation in detail.

Of course, Dongliu didn't say that he went to the cell in the middle of the night, because he knew that if Yue Feng knew that he was greedy for the beauty of Hua Yemeng, he would definitely not forgive him lightly.

Chapter 4459

Oh!

Knowing the situation, Yue Feng sighed in his heart.

In the end, he still implicated Hua Yemeng and Qingyi.

Thinking to himself, Yue Feng continued to ask: "You have been tracking down for a few days, is there any news about Hua Yemeng?"

"No!"

Dong Liu lowered his head, his face full of bitterness: "We traced all the way here, There has never been any news from them. If you don't believe me, you can ask Clan Master Xiao, we asked him for help before."

"Go to Nima." As

soon as he finished speaking, Xiao Yunlei scolded: "To answer your question honestly, Don't get involved with me, let me tell you, from now on, our Thunder Fire Sect has nothing to do with your sword sect, and will not help you investigate anything."

At this time, Xiao Yunlei was very angry.

It was Dong Liu, a stupid ho, who almost killed the entire Leihuo Sect. Who is not good for him to offend, he has to offend Brother Feng.

Hearing the angry shout, Dong Liu quickly shut up and looked at Yue Feng expectantly.

“Okay!”

Seeing Dongliu’s appearance, it didn’t seem like he was lying, Yue Feng nodded.

The next second, Yue Feng ordered Xiao Yunlei: “Let them both go.”

With that, Yue Feng turned his head to look at Dong Liu, and said coldly, “Go back and tell your master Mu Jianli, and ask him to stop it. The pursuit of Hua Yemeng’s master and apprentice.”

“If he doesn’t listen, I will visit in person when there is a chance in the future.” The voice was not loud, but there was a suffocating pressure.

Gudong!

At this moment, Dong Liu couldn’t help swallowing his saliva and nodded again and again: “Don’t worry, I will definitely bring the words to you.” After speaking, he pulled Hongxia to stand up together, ready to leave.

However, at this moment, Xiao Yunlei couldn’t help but said, “Stop!”

Both Dongliu and Hongxia were shocked and hurriedly stood there.

Xiao Yunlei didn’t even look at them, and asked Yue Feng puzzledly, “Brother Feng, just let them go like this?” Thinking that the two of them regarded Yue Feng as thieves, and they had asked Leihuomen to help deal with Yue Feng before, Xiao Yunlei said: A burst of fire.

Done!

At this moment, Dongliu and Hongxia looked at each other, both nervous and sweating profusely. At the same time, he looked closely at Yue Feng, waiting for his reaction.

Will he go back on his word?

If this is the case, the two of them will die here tonight.

call!

Yue Feng heaved a sigh of relief and smiled at Xiao Yunlei: “Let’s go, the husband has already said a word, the horse is hard to follow, and I want the two of them to help me spread the word to Mu Jianli.”

At this time, Yue Feng Feng, with an indifferent face, in his heart, people like Dongliu and Hongxia are not qualified to be called his enemies at all.

Hearing this, Dongliu and Hongxia both breathed a sigh of relief, feeling a kind of escape from death in their hearts.

Mad!

You are lucky.

Xiao Yunlei was very unwilling, but Yue Feng said so, and it was not easy to refute it at the time, so he waved his hand: "Hurry up, don't let me see you again in the future."

"Thank you, thank you."

At this moment, Dong Liu Wiping the cold sweat from his forehead, he said a few words with a smile, and then dragged Hongxia to flee.

"Brother Feng!"

Seeing Dong Liu and the two leave, Xiao Yunlei said to Yue Feng with indescribable shame and complexity on his face, "It's all because of my poor arrangements, which caused you to not rest well." The

voice fell, Xiao Yunlei bowed deeply.

Yue Feng smiled freely and patted him on the shoulder: "Okay, it happened suddenly, and I have seen this kind of trivial thing a lot, so don't blame yourself." After

speaking, Yue Feng thought of something, his face became serious, He ordered: "By the way, I need to trouble you with something. Help me check the whereabouts of Hua Yemeng's master and apprentice."

Hua Yemeng and Qingyi were both implicated by themselves and were expelled from the mountain gate by Jianzong. , this can't be ignored.

"Brother Feng, don't worry!"

Xiao Yunlei stood up straight, with a solemn expression on his face: "I will definitely activate the power of the entire Thunder Fire Sect, and no matter how much it costs, I will find them."

At this time, Xiao Yunlei had a sincere expression on his face.

I almost had a big misunderstanding tonight, I must show it well.

Um!

Yue Feng nodded and said, "After finding them, let them go to Diyuan Continent to find me." After that, Yue Feng explained a few more words and returned to the room.

Chapter 4460

Yue Feng has thought about it, after dawn tomorrow, he will take Mu Xixi's master and apprentice back to Diyuan Continent.

After being gone for so long, I don't know what happened to the Ouyang family.

And Brother Wen, Dasheng and the others... When they got

to the room, it was quiet inside. Mu Xixi and Song Qian were already resting, because the alchemy room was a little far from the wing, so Mu Xixi was both in the movement outside before. do not know.

Yue Feng did not bother them rashly, returned to his room, and began to close his eyes to rest.

...

On the other side, the Nagumo Imperial Palace!

The weather is nice and sunny today. In the palace hall, there is a relaxed and lively atmosphere.

On the throne, Long Qianyu was dressed in a golden dragon and phoenix robe, which could not hide his graceful curves, and a smile appeared on his delicate face.

Civil and military officials stood on both sides, all of them relaxed and comfortable.

In the past two years, under the governance of Long Qianyu, the Nanyun Continent is peaceful and peaceful, and the people live and work in peace and contentment. It has become the most powerful continent in Kyushu.

This made Long Qianyu very excited and gratified.

Today, it is the 'Qiyun Festival' held every three years in Nanyun Continent.

Qiyun Festival is a festival unique to the Nanyun Continent. It is related to a legendary woman. It is rumored that two thousand years ago, the Nanyun Continent suffered an unprecedented drought. The drought lasted for two years. Displaced, many people starved to death.

At that time, a cultivator named Qiyun, with outstanding strength, was called the goddess of the rivers and lakes. In order to change the drought, Qiyun broke out all the cultivation bases at the cost of his life, causing the heaven and earth to shake, and finally a heavy rain fell. Finally solved the suffering of the people.

But in the end, Qiyun also exhausted the last trace of strength and life, so the fragrance disappeared. Since then, in order to commemorate her, Nanyun Continent named Qiyun's death day as the Qiyun Festival.

"Aiqings!" At this time, Long Qianyu looked around, his red lips lightly parted, and he said with a smile: "In the past two years, our Nanyun's strength has gradually become stronger, and the people can enjoy peace. You all have contributed greatly. It's the Qiyun Festival, tonight's banquet, everyone must have a good time!"

Hu La!

When the words fell, the civil and military officials hurriedly knelt down to salute, and each responded respectfully: "Thank you, Your Majesty, Long En!"

In an instant, the entire hall was filled with a festive atmosphere.

hum!

However, at this time, the sky outside the main hall suddenly changed. The sky was clear, but suddenly it was extremely dark. At the same time, an incomparably powerful force came out from the rolling dark clouds, covering the entire Royal Palace.

what happened?

When they noticed this change, whether it was Long Qianyu or the civil and military officials in the hall, their expressions changed.

"Your Majesty, there is someone in the sky outside..." At this moment, I saw only a little eunuch, staggering over, kneeling in the hall all of a sudden, shouting excitedly!

"Don't panic!"

Long Qianyu's delicate face did not fluctuate at all, and after saying three words coldly, he slowly stood up and walked out of the hall quickly.

Civil and military officials followed closely behind!

call!

When they got outside, seeing the situation in the sky, everyone couldn't help but take a deep breath.

Just saw, in the mid-air, a slender figure, quietly suspended there, wearing black and red soft armor, showing the graceful figure vividly, the finely crafted facial features, there is hardly the slightest bit. flaw.

It's so beautiful, it's like a fairy coming down to earth!

However, the dark clouds that filled the sky and the evil aura that permeated the woman's body made Long Qianyu clear to everyone that this was not a fairy, but an extremely terrifying existence.

Yes, the visitor is none other than Mo Yan, one of the twelve holy demon kings of the demon race.

At that time, the Twelve Holy Demon Kings received an order from Gone to come to Kyushu to investigate the whereabouts of Yue Feng. Youtian went directly to the Ouyang family, while Moyan came to the Nanyun Continent. After controlling the royal family, I don't have to worry about finding Yue Feng.

This... this woman has such a terrifying aura!

And this kind of breath is extremely evil, the same as the power of the demon soul on Bai Yunfei before.
