

## The ultimate husband in Chinese chapter 4471-4480

Chapter 4471

“The Demon Lord Gone? It’s you...”

Seeing Gone revealing his true colors, the ancestors of Honghuang were shocked and furious.

He never thought that Gone would blend into the Yaotai Spirit Realm and transform into a lover.

What shocked him even more was that he didn’t even notice it at all.

“Hey!”

Aware of the anger of the ancestors of the Great Wilderness, the corners of Gone’s mouth rose slightly, unable to hide the excitement and hatred, and said coldly: “I didn’t expect it, I said we would meet again.”

“You The innate magic formation deployed in Yutian Palace has killed so many of my demons, and it should be repaid today.” The

voice fell, Gone speeded up, and slapped it with a palm.

boom!

Gone’s speed is too fast, the ancestor of the prehistoric wilderness has no time to react, this palm slammed into the ancestor of the ancestor of the desolation, and a roar was heard, the ancestor of the prehistoric trembled, and a mouthful of blood spurted out.

At the same time, a phantom was shaken out from the body of the ancient ancestor. This phantom looks exactly the same as the ancestor of Honghuang.

It is the primordial spirit of the ancient ancestors.

The ancestor of the Great Desolation has survived for tens of thousands of years, and his physical body has reached the realm of immortality, but his primordial spirit is the most important.

“You...”

At this time, Yuanshen looked at Gone closely, unable to hide his anger: “How did you get in here?”

This chapter is provided by . Visit for daily update.

Outside the Yaotai Spirituality, there are special guards who are guarded and heavily guarded. It was incredible that Gone could sneak in.

“Hey-hey!”

At this time, Gone had already succeeded in half, and when he heard the question, he immediately sneered: “I won’t hide it from you until now, I first pretended to be a fruit servant, deceived the two guards, and after I came in, I used it again. The spirit of the fairy here forms a protective film around the body, isolating the magic power...”

Saying that, Gone couldn’t hide the smugness in his eyes, and continued: “By the way, the matter of opening the Holy Spirit Stone is true. Yes, but Yue Feng’s prophecy of overthrowing God’s Domain is false.”

“If I don’t say that, how could you be so upset? Haha...”

Despicable!

Hearing this, Yuanshen was both angry and regretful: “Okay, very good, what are you going to do next?”

“It’s very simple.” Primordial Spirit, to prevent future troubles, God Realm without you, the ancient ancestors, is just a piece of loose sand, only relying on the Nine Heavens God and Nuwa, and they are not the opponents of our Demon Race at all.”

Saying that, Gone waved his hand, and a blood-colored light flickered. Out of the sky, a blood-red box condensed in the air. I saw that the box was like jade but not jade, and it was engraved with dense demon runes.

“Ancestor

of the Great Wilderness!” At this time, Gone was very excited and proud: “This is the treasure of our demons, the ‘Soul Soul Magic Stone’, which can devour all things. It’s alright.”

Boom!

When the voice fell, Gone poured the magic power into the soul-suppressing magic stone, and a ray of light burst out from the soul-suppressing magic stone, directly covering the primordial spirit of the ancient ancestors.

Immediately afterwards, an incomparably terrifying suction force pulled the primordial spirit towards the soul-suppressing magic stone.

At this moment, Yuanshen's face was solemn, and he resisted and resisted instinctively, but it was separated from the body, and its strength was greatly reduced, and it couldn't hold the suction of the soul-suppressing magic stone at all.

"Goni..."

Feeling that the suction is getting stronger and stronger, and I am getting closer and closer to the soul-suppressing magic stone, Yuanshen is furious and can't help but say coldly: "Even if you trap me, your demons will not be able to dominate the realm..." "

Hehe, you don't need to worry about this."

At this moment, Gone sneered and responded, urging the power of the Soul Requiring Magic Stone again, and saw that the red light was getting stronger and stronger, and the suction was getting stronger and stronger, until the end, Yuanshen couldn't stand it anymore, and was directly overwhelmed by the red light.

Buzz...

The primordial spirit of the ancestors of Honghuang was trapped in the soul-suppressing magic stone, and the entire Yaotai spiritual realm seemed to be affected. The power of the fairy between heaven and earth began to become disordered, forming a wave of The energy storm, for a time, the sky is dark and dark, like the end of the world.

"Haha!"

Seeing this, Gone didn't panic at all, put away the soul-suppressing magic stone, and rushed out of the Yaotai Spiritual Realm in a flash.

Chapter 4472

Boom!

As soon as the forefoot left, the power of the fairy spirit in the Yaotai Spiritual Realm was completely disordered, and the terrifying power raged, making the independent space of the Yaotai Spiritual Realm completely shattered.

For a time, this piece of heaven and earth was shrouded in dust.

Wow...

At this moment, a team of patrol soldiers passed by, and they were all dumbfounded when they saw the situation here.

"What's the situation?"

“There is a problem in the Yaotai Spirit Realm...”

“It won’t be because the ancestors practiced and encountered trouble?”

“Don’t talk nonsense.”

While discussing, these patrolling soldiers wanted to rush in to check what happened. , but the smoke is too thick to see clearly, and the power of the abuse inside is also very terrifying.

Finally, after half an hour, the dust and smoke gradually dissipated, and these divine soldiers saw the situation inside, and they were all stunned.

I saw Yaotai’s spiritual realm completely collapsed, and there was a mess within a hundred miles. In that mess, an old figure sat there quietly, expressionless and motionless.

It is the body of the ancestors of the Great Desolation.

Without the primordial spirit, the ancestors of the Great Desolation are almost dead.

This....

seeing this situation, the magic soldiers present were all shocked.

“Oops, something happened to my ancestor.”

“Go and report to Your Majesty.”

.....

On the other side, Fengyu Mountain in Dongao Continent.

The fierce battle between Ren Yingying and the Candle Saint Demon King is still going on.

Although Ren Yingying cooperated closely with those royal guards, she still had no advantage in the face of the powerful Candle Saint Demon King.

Bang bang bang...

At this moment, I saw the demon king of the candle holy laughing evilly, and the whole body was full of blood, and the royal guards were directly sent flying out, and they were sent flying more than 100 meters away. On the ground, his face was pale, and he had completely lost his fighting power.

In the air, only Ren Yingying and Candle Saint Demon King remained.

Oops!

Seeing this, Ren Yingying trembled, panicked and angry.

Without his helper, he is no longer the opponent of this candle holy devil.

“Hahaha...”

Aware of Ren Yingying’s panic, Candle Saint Demon King looked up to the sky and laughed, his eyes full of pride: “You traitor, think you have a demon soul and you can fight me? You are far behind. .”

Om!

The voice fell, and the Candle Saint Demon King, like a blood-colored meteor, slapped Ren Yingying with a palm.

Candle Saint Demon King was very fast, and in the blink of an eye, he arrived in front of Ren Yingying. At that time, Ren Yingying had no time to dodge, so he had to activate the power of the demon soul, raised his jade hand, and greeted him with a palm.

At this time, Ren Yingying did not dare to be careless, and pushed the power of the demon soul to the extreme.

boom!

In the next second, the palms of the two sides collided fiercely, and a deafening roar was heard. Ren Yingying’s delicate body trembled, only to feel a surging force coming, and she was directly knocked back dozens of steps by the volley.

At the same time, the power of the demon soul in the body also showed signs of disorder, but fortunately Ren Yingying had learned the formula and resisted it.

Strong, these twelve holy demon kings are really too strong.

After stabilizing her figure, Ren Yingying stared at the Candle Saint Demon King closely, and she was shocked.

Since possessing the Demon Soul, Ren Yingying’s strength has improved almost by leaps and bounds, and has already reached the top of Kyushu, but at this time, facing Candle Saint Demon King, she still can’t stop it.

“Do you still want to resist?”

At this time, the Demon King of Candle Sage raised a hint of abuse at the corner of his mouth: "You are not my opponent, no matter how hard you insist, it is useless."

Ren Yingying bit her lip tightly and did not respond.

She was a little annoyed, she should not have attacked so quickly before, but now it is difficult to ride a tiger.

But she didn't regret it. The demons wanted to deal with Yue Feng. As a woman of Yue Feng, how could she just sit back and watch?

"Stupid woman!"

Seeing that Ren Yingying hadn't conceded defeat for a long time, the Demon King of Candle Saint stopped talking nonsense, and the magic all over his body erupted and erupted again.

At this time, Ren Yingying was already weak, but she still clenched her teeth to meet her.

As a woman of Yue Feng, she must not bow her head to the evil forces.

....

the other side!

Yue Feng and Mu Xixi's apprentices said goodbye to Xiao Yunlei early in the morning and returned to Diyu Continent.

However, just after leaving Fenglei Town and walking a few miles, Yue Feng suddenly frowned, stopped, and looked in the direction of Dongao Continent behind him.

Chapter 4473

"Brother-in-law."

Song Qian was very puzzled and couldn't help but ask, "Why didn't you leave suddenly? You..." Halfway through, Song Qian followed Yue Feng's gaze, and her body trembled.

At the same time, Mu Xixi, who was next to him, was also stunned.

I saw that above the sky in the direction of Dongao Continent, dark clouds were rolling, and between the clouds, blood-colored rays of light were looming, and even though the distance was very far, I could feel the incomparably evil power surging.

"What an evil power."

After a few seconds, Mu Xixi reacted and couldn't help but said: "This seems to be the power of the demons." As

she said, Mu Xixi was secretly surprised, strange that the demon did not leave Kyushu Yet? And that Bai Yunfei is also dead, how can there still be the power of the demons to wreak havoc?

Hearing this, Yue Feng nodded in agreement: "Yes, it is the power of the Demon Race, and it seems to have a lot of background." After speaking, Yue Feng

thought for a while and made a decision: "Go, go back and have a look."

Said Really, Yue Feng really wanted to rush back to the Ouyang family as soon as possible. After all, he hadn't seen Wen Chou Chou and Sun Dasheng for so long, but the appearance of the demon clan was no trivial matter and must not be taken lightly.

Moreover, Yue Feng had a bad feeling, so he had to rush over to find out.

The last word fell, and Yue Feng quickly rushed to the place where the accident happened.

Mu Xixi and Song Qian looked at each other and followed closely behind.

Whoosh!

After walking for a few minutes, I saw a figure, hurriedly fleeing here.

Yue Feng squinted and took a closer look, his face suddenly gloomy, and his fists clenched.

At the same time, Mu Xixi and Song Qian also showed shame and anger on their faces.

It was none other than Cheng Yi who had just escaped from Fengyu Mountain.

What the hell!

At this time, Cheng Yi also discovered the three Yue Fengs. At that time, he was shocked and almost wanted to cry without tears.

It's really a narrow road for the enemy, and I actually met here.

If they had met two days ago, Cheng Yi would have been overjoyed. You must know that the three of Yue Feng were very weak at that time and were not his opponents at all, but now it is different.

Cheng Yi clearly felt that Mu Xixi and Song Qian had regained their strength.

As for Yue Feng, the breath that permeated his body was even more astonishing, as if he had been completely reborn.

Mad, hurry up.

After being stunned for two seconds, Cheng Yi reacted, turned around and ran away, wishing he could grow a pair of wings.

“Want to run?” Yue Feng snorted coldly, and immediately urged the force, and the latter came first to block Cheng Yi.

Whizzing!

At the same time, Mu Xixi and Song Qian also rushed up quickly, blocking Cheng Yi’s retreat.

“Cheng Yi!”

At this moment, Yue Feng looked at Cheng Yi with a half-smile but endured the anger in his heart: “Why did you run away when you saw us? Didn’t you still threaten to arrest us before? We haven’t seen you for two days, that’s all. Coward?”

Mad, thinking that two days ago, this kid was plotting against Mu Xixi, and his heart became angry.

Gudong!

Feeling the aura that filled Yue Feng’s body, Cheng Yi couldn’t help swallowing his saliva, squeezed out a smile and said, “Your Excellency Yue Feng, I didn’t know your identity before.

“I’m just a nobody, please let me go.”

When begging for mercy, Cheng Yi felt aggrieved.

Ma De thought that he had gained Ji Hongshang’s inner strength and could run amok in the world, but he had offended the famous Yue Feng. Anyone who changes this matter will feel embarrassed.

Yue Feng’s face was cold and he didn’t respond.

“Brother-in-law!”

At this moment, Song Qian couldn’t bear it any longer, pointed at Cheng Yijiao and shouted, “What are you talking about with such a shameless person? Just kill him.”

As she spoke, she glared at Cheng Yijiao. Yi.

Two days ago, if my brother-in-law hadn't been witty, he proposed to compete with Cheng Yi, and then used a trick to get rid of him.

Mu Xixi's delicate face was also full of gloomy and cold eyes, with murderous intent flashing in her eyes. There was no nonsense at that time, she drew out her long sword and stabbed Cheng Yi's heart directly: "Despicable villain, die."

Pfft!

Seeing Mu Xixi clenching his sword and stabbing, Cheng Yi continued to be paralyzed, knelt there and kowtowed: "Don't kill me, don't kill me, I can tell you a secret, I just ask you to spare me A life..."

Chapter 4474

Swish!

Hearing this, Mu Xixi forcibly restrained the sword momentum and frowned.

At the same time, Yue Feng's eyes flickered, and he said coldly: "What secret?"

Hu...

Cheng Yi took a deep breath, wiped the cold sweat from his forehead, and pointed in the direction behind him: "Feng... Feng Yushan, A man who claimed to be one of the Twelve Holy Demon Kings came to Kyushu and said.... that he wanted to arrest you."

When the last word fell, Cheng Yi looked at Yue Feng cautiously.

catch me?

Yue Feng was stunned for a moment, and then smiled disdainfully: "The demons have always regarded me as a thorn in their side. It's normal to catch me. It's not a secret."

After speaking, Yue Feng motioned to Mu Xixi to do something.

Mu Xixi nodded and was about to raise the long sword again.

"Don't, don't..."

Seeing this situation, Cheng Yi was completely panicked, and waved his hands again and again: "I haven't finished yet, I met a very beautiful woman in a town before, and there were several people around that woman. All guards are powerful."

After speaking, Cheng Yi looked at Yue Feng: "That woman also has a demon soul, it is said that she is a descendant of the demon race, but she claims to be your confidante. She was in Fengyu Mountain just now. The woman brought her subordinates and fought with that devil king." As he

spoke, Cheng Yi looked at Mu Xixi vigilantly, for fear that she would suddenly stab him with a sword.

Is there such a thing?

At this moment, Yue Feng froze there, muttering secretly.

A woman with a demon soul and looks extremely beautiful, could it be Yingying?

Thinking to himself, Yue Feng asked: "You describe her appearance in detail." Yue Feng was not stupid, guessing that Cheng Yi might be lying, so he decided to ask for some details.

Cheng Yi did not dare to hide it, so he described Ren Yingying's facial features in detail.

I go!

Hearing this, Yue Feng's heart was shocked, and he was both delighted and shocked.

Really Yingying.

Excited, Yue Feng looked at Cheng Yi up and down: "Since they are dealing with the demon king, why did you come here?"

"I..."

Cheng Yi said with a complicated face, and said with a wry smile: "Then the demon king is very scary, so I can help you. I can't beat it." At this time, Cheng Yi lost the high-spirited attitude of two days ago, and looked like a villain who was greedy for life and feared death.

Hearing the answer, Yue Feng's face sank.

At the same time, Mu Xixi couldn't bear it any longer, and said tenderly: "It's really a scum of the rivers and lakes, go to hell." The voice fell, and the long sword drew a shock, stabbing directly at Cheng Yi's heart.

Done!

At this moment, Cheng Yi was terrified, but he was very cunning. Seeing that the tip of the sword was about to stab him, his eyes lit up, and he pointed at the back of Yue

Feng and the three of them and shouted, "Oh, that beautiful girl escaped too. , I really can't believe it."

At the same time as saying this, Cheng Yi quickly stimulated his inner strength.

Yingying escaped?

Yue Feng was worried about Ren Yingying, but when he heard Cheng Yi's call, he didn't have time to think about it, so he quickly turned around to look.

At the same time, Mu Xixi and Song Qian also turned around.

Seeing this, the three of them are all angry, and there is no shadow behind them?

Mad!

Yue Feng is very annoyed, this Cheng Yi is really despicable, he has reached this point, how dare he lie to me?

Thinking about it, Yue Feng was about to turn around and shout angrily.

hum!

However, at this moment, Cheng Yi, who was already prepared, directly activated his inner strength, forming a green poisonous mist all over his body. He absorbed Ji Hongshang's poisonous power, and he naturally released poison at will.

The poisonous mist was so thick that the sight of the three of Yue Feng was blocked.

this little man.

Yue Feng scolded inwardly, reacted quickly at that time, raised his hand, deployed a protective film, shrouded himself and Mu Xixi's master and apprentice, isolated the poisonous fog from the outside, pulled the two of them at the same time, and quickly retreated to avoid the poison. fog area.

Whoosh!

While Yue Feng was doing this, Cheng Yi didn't have time to think, his figure flashed, and he fled into the distance. When the three of them recovered, Cheng Yi had disappeared.

"It's so irritating!"

Song Qian stomped her feet angrily, her delicate face full of pity and anger: "This man is so cunning."

He had already caught the villain, but he still let him run away.

call!

Yue Feng was also extremely annoyed, clenching his fists and taking a deep breath: "Forget it, let's stop chasing her, let's go to Fengyu Mountain." At this time, Yue Feng wanted to chase Cheng Yi, but Ren Yingying's situation was even worse. Danger.

Chapter 4475

Hmm!

Mu Xixi and Song Qian quickly nodded.

In the next second, the three of Yue Feng quickly rushed towards Fengyu Mountain.

...

at this moment, on Fengyu Mountain's side.

Ren Yingying and Candle Saint Demon King were still fighting in mid-air, but after more than an hour of continuous fighting, Ren Yingying's face was pale, and it was almost impossible to stop it.

"You are proud of being able to fight with me for so long."

At this time, Demon Lord Candle Sage lost his patience and said coldly, completely bursting out the power of the demon soul in his body. In an instant, the entire Fengyu Mountain was dark, as if into chaos.

Done!

Feeling the fighting spirit permeating the Demon Lord Candle Saint, Ren Yingying's delicate body trembled faintly, and her heart was also extremely nervous.

This Candle Saint Demon King is about to perform a stunt, and he must not be able to stop it.

hum!

At this time, the Candle Saint Demon King, not talking nonsense, raised his hand and waved, and the surrounding power surged wildly, and finally formed a blood-colored sword glow.

It is one of the stunts of the demons, 'Gore Demon Slash'.

“As I said, you are not my opponent.” The Demon King Zhusheng looked at Ren Yingying closely, his eyes full of arrogance: “I gave you a chance before, but it’s a pity that you didn’t take it well, so you can’t blame me.” The

voice fell, The Candle Saint Demon King raised his hand to point at Ren Yingying, and saw the blood-colored sword glow, which let out a scream, tearing apart the world, like a blood-colored lightning, bursting towards Ren Yingying.

call!

This, Ren Yingying didn’t have time to think about it, and burst out all the power of the demon soul in her body, forming a protective film in front of her in an attempt to block the blow.

However, her background is too far from that of the Candle Saint Demon King.

Bang!

In the blink of an eye, the blood-colored sword light slashed fiercely, hearing a roar, the protective film suddenly shattered, and at the same time Ren Yingying let out a coquettish cry, the whole person was shocked and flew out, flying more than one hundred meters away , and fell heavily to the ground.

Although Ren Yingying possessed the power of the devil soul, she did not fully understand the power in it. She had already consumed a lot after fighting with Candle Sage just now.

“Miss!”

Seeing this scene, the surrounding royal guards exclaimed in surprise, and wanted to rush over at the same time, but they were all seriously injured and too weak to stand up at all.

“Haha, it’s over!”

At this time, the Demon Lord of Candle Saint laughed in the sky, and then stared at Ren Yingying, extremely proud: “You just follow me obediently and wait for Yue Feng to appear.” As he

said, the Demon Lord of Candle Saint Slowly walked towards Ren Yingying.

The terrifying power of the demon soul permeated the entire Fengyu Mountain.

It’s over, it’s over.

Seeing the demon king of candle saint approaching step by step, Ren Yingying bit her lip, trying not to show panic, but her delicate body trembled, and her heart was even more desperate.

If it was used by the other party to blackmail Yue Feng, it would be better to just die.

Ugh!

At the same time, the surrounding royal guards were also anxious and angry, and at the same time extremely desperate.

“Let go of her!!!”

Seeing that the Demon King of Candle Saint came to him, ready to seal Ren Yingying’s acupuncture point, suddenly, a roar came from the sky not far away, and three figures came quickly.

It’s really Yue Feng and Mu Xixi.

Qin Sheng?

Ren Yingying’s delicate body was shocked, and she was very shocked. She only recognized Mu Xixi and Song Qian, but not Yue Feng, because the bloody mark on Yue Feng’s face had not completely disappeared.

At the same time, the surrounding royal guards were also stunned, each with a complicated expression.

Qin Sheng, who is famous in Kyushu, is here, but even if she does her best, she is not the opponent of this Demon King.

“Haha!”

Candle Saint Demon King was also stunned for a moment, and then smiled disdainfully: “Three more people to die.”

Like Ren Yingying, he didn’t recognize Yue Feng, and just thought it was three people passing by.

At this time, Yue Feng looked closely at Ren Yingying, unable to tell how distressed she was, but saw her pale face and unspeakable weakness, which was pitiful.

“Yingying!” In the

next second, Yue Feng said very ashamedly: “You have suffered, Yingying, I am late, I am late.”

Shah!

Hearing this voice, Ren Yingying trembled, surprised and happy: "You..."

## The ultimate husband in Chinese chapter 4476-4480

### Chapter 4476

Although Yue Feng's appearance has changed and Ren Yingying didn't recognize it for a while, how could he forget his voice? I heard it right away.

It was him, this man, who always appeared at critical moments.

For a time, Ren Yingying burst into tears of joy. She was overwhelmed with emotion, and at the same time, she was extremely worried, and shouted, "Yue Feng, be careful, this demon king is very powerful, and even if I have a demon soul, I can't beat her."

"Don't be afraid!"

Yue Feng He smiled and comforted, then looked at the Demon Lord Candle Saint coldly: "Saint Candle Demon Lord, we met again, didn't you expect me to be alive?"

After speaking, Yue Feng's eyes gradually turned blood red: "You dare to touch my woman. , Today, I will let you die here." The

last word, Yue Feng almost howled, vigorous and loud, spread throughout Fengyu Mountain, whether it was the Demon Lord of the Candle Saint or the surrounding royal guards, they all felt in their hearts. Chills.

However, at the same time as the shock, the royal guards were also extremely excited.

"Yue Feng!?"

"It's great, Yue Feng is here, we won't be afraid."

"Why does he have blood marks on his face and body, but it seems to be more powerful than before!

" The sound continued to come, and the Demon King of Candle Saint was extremely solemn, and his heart was even more shocked.

Shengtian Lingshi's prophecy was absolutely right, this kid really didn't die.

call!

Thinking about it, the Demon King Candle Sage took a deep breath, his blood-colored pupils shrank, and a strong fighting spirit permeated his body.

This chapter is provided by . Visit for daily update.

As long as he catches Yue Feng, he will make a great contribution, and he will definitely be rewarded at that time.

“Yue Feng!” In the

next second, the Demon Lord of Candle Saint showed a smile, and said disdainfully at Yue Feng: “It seems that you are lucky enough to be reborn, but if you can die in the hands of our demons once, then You can die a second time.”

“The Demon Lord ordered that our twelve holy devil kings come to Kyushu to catch you in person. If you know each other, just surrender.”

When he said this, the candle holy devil king was full of pride.

In his eyes, Yue Feng's rebirth was just luck, and in terms of strength, he was not his opponent at all.

However, Yue Feng did not pay attention to him for the first time, but rushed over quickly.

“Yingying!”

When he got to the front, Yue Feng hugged Ren Yingying in his arms, feeling extremely distressed.

At this time, Yue Feng clearly felt that the strength in Ren Yingying's body had been exhausted, and he almost lost the strength to speak.

While feeling distressed, the anger in Yue Feng's heart was rising!

“Yingying, it's my fault, I'm late...” Yue Feng hugged Ren Yingying tightly, her voice choked, and her tears couldn't stop flowing.

A dignified hero of Jiuzhou, but can't even protect his own woman, what kind of man is he?

Ren Yingying couldn't hold it anymore, but at this moment she felt the warmth of Yue Feng, and she was extremely happy. She showed a smile at first, raised her jade hand and gently rubbed Yue Feng's face: “Yue Feng, I thought it was a dream just now. Well, I didn't expect it to be you...”

“By the way, what’s wrong with your face? Also, what did the devil say just now that you were reborn?”

Ren Yingying loves Yue Feng so deeply, even though she has been seriously injured. In this way, he still cares about Yue Feng.

“I’m fine, I just ran into some minor troubles, don’t talk for now, I’ll teach this bastard a lesson for you.” Yue Feng said gently, then stood up slowly.

The next second, Yue Feng turned to look at Mu Xixi and Song Qian: “You guys help me take care of her first.”

Hmm!

When the voice fell, Mu Xixi and Song Qian responded in unison, rushed over quickly, and took Ren Yingying to a safe place.

hum!

With Mu Xixi taking care of Ren Yingying, Yue Feng had no worries. At that time, his whole body exploded, he rose into the sky, and he confronted Candle Saint Demon King from afar.

“Do you think you can take your woman away?”

Yue Feng’s ignorance just now made the Demon King Candle Saint very annoyed, and he howled coldly: “Today, none of you can run away.” The voice fell, the power of the demon soul. The explosion came straight to Yue Feng.

Watching the Demon King of Candle Saint rushing towards him, Yue Feng was suspended there, his expression proud and as steady as Mount Tai.

Chapter 4477

Bang!

In the blink of an eye, Demon King Zhu Sheng arrived in front of him. At that time, Yue Feng did not hesitate and raised his hand to confront him.

Hearing a roar, the moment when the two palms collided, a violent and tyrannical power wave swept the entire Fengyu Mountain.

Candle Saint Demon King and Yue Feng were both shaken, and at the same time they were shaken back by the air.

Obviously, this palm down, the two sides are evenly matched, and no one takes advantage.

What?

Stabilizing the figure, Demon King Zhu Sheng was secretly surprised. This kid looked ordinary on the surface, but his strength was so tyrannical. Moreover, the power that erupted from the opponent just now contained extremely strong innate spiritual power...

How could this be?

At this time, the Demon King Zhu Sheng didn't know that Yue Feng's body was the power of the divine treasure, the red lotus of the Faye. The Faye Red Lotus contains infinite innate power, which is not something he can spy on at all.

Facing the shock of Demon King Zhu Sheng, Yue Feng was expressionless.

"Death to me!" In the

next second, Yue Feng roared and raised his hands suddenly!

"Om!"

In an instant, Yue Feng's whole body burned with fire, and the air within a radius of 100 meters suddenly distorted. Then, a fire dragon condensed out and circled and danced in the air.

This fire dragon is completely transformed from the red lotus of Faye, and its power is infinite.

"Death!"

Under the howl of Yue Feng, the fire dragon let out a dragon roar, bursting out with unparalleled power, and rushed towards the candle holy devil!

call....

Seeing this scene, Ren Yingying, Mu Xixi and others who were not far away were extremely excited.

Although Yue Feng at this time has a strange mark on his face, his strength is much stronger than before.

"Small tricks of carving insects." Watching the fire dragon rushing towards him, the Demon King Candle Saint snorted coldly, his face full of disdain.

Click!

At the moment when the voice fell, the Demon Lord Candle Saint raised his hand and waved, and saw a blood-colored light burst out of the hole, which he held tightly in his hand, which was a scepter.

I saw this scepter, which was three meters long, dark and crooked like a withered wood, but it was covered with blood-colored eyes, densely packed, making people look at the scalp.

Yes, this is the unique weapon of the Demon King Zhu Sheng, the Candle Sky Wand.

According to rumors, in the war between gods and demons tens of thousands of years ago, many gods and soldiers died tragically under the hands of the Zhusheng Demon King. After death, their souls were fastened in his magic wand, and finally bloody eyes were formed.

hum!

At this moment, Demon King Zhu Sheng held the candle sky wand tightly, and under the urging of magic power, a blood-colored light burst out, tearing apart the world and meeting the fire dragon!

Boom....

The blood-colored light and the fire dragon collided fiercely, and a violent vibration of aura erupted. Then, the fire dragon was directly defeated and dissipated between heaven and earth!

This...

Seeing this scene, Ren Yingying and others, who were still very excited, were all trembling and stunned.

What kind of weapon is this Demon King Zhu Sheng holding? Looking so scary, the power that burst out is also so powerful, the fire dragon that Yue Feng burst out is already very terrifying, but it was killed by a single move.

Nima!

At the same time, Yue Feng, who was suspended in mid-air, had an extremely solemn expression on his face, and he was shocked beyond words!

According to rumors, the twelve holy demon kings of the demon race are second only to the Demon Lord Gone, and each of them is powerful. Now it seems that it is true.

“Hahaha...”

Aware of Yue Feng’s shock, Candle Saint Demon King couldn’t help but sneered at Yue Feng, laughing and mocking: “This is the strength of the heroes of Kyushu? I don’t think so.

” Yue Feng, I’m here to help you!”

At this moment, Mu Xixi let out a coquettish cry, and her figure rose up, rushing towards the Candle Saint Demon King!

Ren Yingying’s injury is not very serious, she can take care of Song Qian alone.

“Don’t be impulsive!”

Seeing this, Yue Feng’s expression changed, and he hurriedly stopped. Although Mu Xixi was very strong, he was not the opponent of the Demon King Zhu Sheng.

But it was too late.

hum!

Mu Xixi’s speed was very fast, and in the blink of an eye, he was in the air. At that time, the jade hand raised, and a powerful breath burst out, directly locking the candle holy devil, with amazing power!

However, Sacred Candle Demon King didn’t take her seriously at all, and a trace of contempt appeared on the corner of his mouth: “You want to die with Yue Feng? Then I will fulfill you!”

Chapter 4478 The

voice fell, and the candle holy devil waved the candle sky magic wand, and saw a bloody light burst out, directly covering Mu Xixi.

boom!

Feeling the strength of the blood-colored light, Mu Xixi bit her lip tightly, and was very shocked. She wanted to avoid it at that time, but it was too late. She heard a shock and was directly hit by the blood-colored light.

Mu Xixi’s delicate body trembled, groaned, and fell directly.

“

Pfft...” At the moment of landing, Mu Xixi’s delicate body trembled faintly, a mouthful of blood spurted out, and her delicate face instantly turned pale and very weak.

Is this the power of the demons?

At this moment, Mu Xixi stared at the Demon Kings of the Heavens, feeling both anger and shock in her heart. It was the first time she fought against the Demon Race that she knew how terrifying the opponent’s strength was.

“Are you all right?”

At this time, Yue Feng rushed over quickly and hugged Mu Xixi: “How are you? How are you...”

At this time, Yue Feng was moved again, and at the same time, there was some reproach in his heart. .

He knew that Mu Xixi rushed up to help him, but the Demon King Zhu Sheng was too strong, and she couldn’t help him at all.

Swish!

Yue Feng’s intimacy made Mu Xixi’s face blushed all of a sudden. At that time, he didn’t dare to look at Yue Feng at all, and whispered, “I... I’m fine, just let me go.”

Not far away There are apprentices and Ren Yingying watching, but Yue Feng hugs him, how embarrassing.

Uh...

Hearing this, Yue Feng also reacted, and quickly put down Mu Xixi: “You don’t need to help, I can handle it alone.”

“Yue Feng!”

At this time, the Demon Lord of the Candle Sage was suspended in mid-air, seeing that Yue Feng was still in love with his son and daughter at this time, he felt contemptuous, and shouted angrily: “Don’t kiss me here, if you are acquainted, hurry up and capture it. , come with me to see Your Excellency.”

“You can catch me if you can, stop talking nonsense.” Yue Feng sneered and responded.

Swish!

Demon King Zhu Sheng's face was extremely cold and he shouted: "I don't know how to lift. I think you can't cry without seeing the coffin." After the voice fell, the Demon King Zhu Sheng held the candle sky wand tightly, and his figure was like a streamer, rushing directly towards Yue Feng. !

"Come on, if I'm afraid, I won't be called Yue Feng."

Seeing the Demon King Zhu Sheng rushing towards him again, Yue Feng responded coldly without fear, and his figure rose into the sky, heading towards the Demon King Zhu Sheng.

hum!

At this time, Demon King Zhu Sheng, with a grim expression on his face, raised his hand and waved before Yue Feng approached, and a deep purple flame burst out.

This group of purple flames is very strange. Everyone present did not feel any heat, but felt extremely cold.

It is the ice and fire of the Nine Wildernesses unique to the Demon Race.

Jiuhuang Binghuo is derived from the power of the demon soul and can devour the soul. Once it is burned, the body and the soul will be completely devoured.

Phew ...

Seeing this scene, Ren Yingying, Mu Xixi and others below were all taken aback.

What kind of flame is this? Looks so weird?

While secretly shocked, Ren Yingying couldn't help shouting: "Yue Feng, be careful."

Hearing the call, Yue Feng's face was indifferent, without the slightest nervousness. Instead, he quietly watched the mass of ice and fire in the Nine Wildernesses, which came quickly.

Chi Chi...

The next second, I saw that Jiuhuang Binghuo hit Yue Feng's body, making a chi chi sound, and then it went out.

Obviously, Jiuhuang Binghuo seems useless to Yue Feng.

What?

Seeing this scene, Demon King Zhu Sheng's smile froze on his face, and he was immediately blinded.

This is impossible, no one can stop Jiuhuang Binghuo.

At this time, Demon King Zhu Sheng did not know that Yue Feng was reborn through the red lotus of the law, and he was no longer a mortal body, let alone Jiuhuang Binghuo, even Jiutian Xuanlei couldn't hurt him.

Haha...

At this time, Yue Feng was also stunned. He didn't seem to have thought that his body could block the ice and fire of the Nine Wildernesses, but he was quick-witted and immediately guessed that it was because of the red lotus of Faye.

In the next second, Yue Feng looked closely at the Candle Saint Demon King: "The Twelve Saint Demon Kings are nothing more than that."

Shuh!

Hearing the ridicule, Demon King Zhu Sheng blushed and immediately went mad: "Don't be arrogant, kid." The voice fell, Demon King Zhu Sheng held the candle sky magic wand tightly, and the whole body was filled with suffocating energy, rushing directly towards Yue Feng.

Chapter 4479

Yue Feng sneered, flew up, and fought fiercely with Zhu Sheng Demon King in mid-air.

Buzzing...

I saw the figures of both sides, constantly shuttled back and forth in the air, the burst of breath stirred the sky, the dark clouds rolled, and the lightning flashed.

boom!

However, Yue Feng was still at a disadvantage with his bare hands. After a few replies, the Demon King Zhu Sheng found an opportunity, and the candle sky magic wand smashed on Yue Feng, only to hear a dull sound, Yue Feng was directly sent more than 100 meters away. A mouthful of blood spurted out.

Mad!

After stabilizing his figure, Yue Feng was furious. The other party's Candle Sky Magic Wand was even more powerful than the Kaitian Axe.

At the same time, Ren Yingying and others below were also sweating for Yue Feng.

This candle holy devil has the candle sky magic wand in his hand, it is too strong, Yue Feng has no weapon in his hand, how can he fight!

“Be careful, Yue Feng...”

At this time, Ren Yingying sat cross-legged, while recovering her inner strength, while paying attention to the situation on Yue Feng's side, seeing that Yue Feng was injured, she couldn't help shouting.

At the same time, Mu Xixi and Song Qian next to them were also in a hurry.

Especially Mu Xixi wanted to rush up to help Yue Feng. But just now he fought against the Demon King Zhu Sheng and learned his power, so Mu Xixi didn't dare to act rashly.

Mu Xixi knew that, without full confidence, rushing up to him would not only fail to help Yue Feng, but would also cause trouble for him.

“Hahaha...” The

Candle Saint Demon King hovered proudly in mid-air, looking up to the sky and laughing, looking down at Yue Feng with contempt: “Yue Feng, you don't have a chance, just follow me obediently.”

“Om!”

At this moment, the Demon King of the Candle Saint raised his hand again, and a breath of destruction erupted from the Candle Heaven's wand, forming a blood-colored beam of light, like lightning, slamming towards Yue Feng!

The blood-colored light ripped apart the world, as if splitting the whole world in half.

Done!

Seeing this, Ren Yingying, Mu Xixi and Song Qian all trembled.

Yue Feng's face is also solemn, and his heart is even more anxious.

If you can't dodge this blow, you will be completely defeated.

Seeing that blood-colored light getting closer and closer, Yue Feng's pupils shrank, and his heart was a little desperate!

Mad...

Could this be fate? After all, he can't escape the pursuit of the demons?

In despair in his heart, Yue Feng was unwilling and ashamed, and couldn't help but look down.

On the ground, Ren Yingying's face was pale and weak. At this time, her internal strength had not recovered much. Beside her, Mu Xixi and Song Qian were also full of tears.

Yingying, Xiaoqian, Xixi is sorry, I still failed to protect you in the end.

Thinking about it, Yue Feng's sadness came from it, the tears couldn't stop flowing, and then he slowly closed his eyes.

Don't...

Seeing this, Ren Yingying and Mu Xixi were all heartbroken, and they saw that the blood-colored beam of light erupted from the candle sky wand was about to hit Yue Feng.

For a while, Ren Yingying and Mu Xixi couldn't help but close their eyes and didn't dare to look any further!

Swish!

However, at this critical moment, Yue Feng had already given up, and suddenly his whole body trembled, he realized something, and his eyes suddenly opened.

"Om!"

At this moment of life and death, Yue Feng realized something!

"My life is up to me, Devil Lord Candle, if you want to arrest me, I'm afraid I don't have that strength." A crazy voice came from Yue Feng's mouth!

hum!

The words fell, Yue Feng rose to the sky, the power in the body burst out, and the whole body burned with fire.

At this time, Yue Feng was burning red flames all over his body, his eyes were extremely blood red, like a burning man.

"Yue Feng, what are you doing?"

"Brother-in-law, are you crazy?"

Seeing this scene, the expressions of Ren Yingying, Mu Xixi and the others below changed, and they were all extremely surprised.

My whole body is on fire, can I still live?

However, Yue Feng didn't seem to hear their shouts, the figure was suspended in mid-air, like the god of fire coming into the world, a few seconds later, a cold voice came from Yue Feng's mouth, resounding through the world!

"Fire Lotus cleans the world!"

The moment the words fell, Yue Feng suddenly raised his hands.

Chapter 4480

Om!

When the last word fell, the originally dim sky suddenly became clear, and the billowing dark clouds were all dyed blood red.

"Huhuhu!"

Immediately afterwards, the flames around Yue Feng's body spread out instantly, forming a sea of fire around them, and then forming blood-red lotus flowers.

Yes, this is exactly the skill Yue Feng has just realized through the Faye Red Lotus.

Fire Lotus Purifies the World.

"Devil Lord Candle, give me death!"

At this moment, Yue Feng looked mad and roared, the fire lotus quickly condensed, and finally formed a huge fireball, slammed towards the Demon Lord Candle!

Just saw, where the fireball passed, the world was distorted! Like the end of the world!

Oops!

Feeling the terrifying power contained in the fireball, the Demon King Candle Sage changed greatly. He didn't have time to think about it at the time, so he quickly raised the Candle Sky Wand to resist!

"Boom!" In the

next second, the fireball was savagely mounted on the candle sky wand, only to hear an earth-shattering roar, a terrifying burst of energy, and the entire Fengyu Mountain was directly illuminated by a fire!

“Wow!” In the

roar, I saw the candle saint demon king tremble, spit out a mouthful of blood, and his body flew out and fell from the sky.

Even though the Demon King Zhu Sheng is tyrannical and has the Candle Sky Wand in his hand, he can't resist this move, Huo Lian Jing Shi! You must know that the Faye Red Lotus contains infinite power of fairy spirits, and after the fierce battles before, the power of the Candle Saint Demon King has also consumed a lot.

Pfft!

In the blink of an eye, Candle Saint Demon King fell heavily to the ground, and after struggling to stand up, he spat out another mouthful of blood!

At the same time, Yue Feng also slowly landed, only to see his face pale and weak.

Yue Feng was also very tired after using the Fire Lotus to purify the world just now. You must know that he has not fully integrated the power of the Dharma Red Lotus. In the critical moment just now, it was unexpected that he could comprehend the Fire Lotus to purify the world!

This...

Seeing this scene, Ren Yingying, Mu Xixi and the others below were all stunned, delighted, and shocked, but they couldn't get over it for a long time.

Did you win?

It's really thrilling, but I have to say that the sea of fire that Yue Feng burst out just now, forming a blossoming fire lotus, is really shocking.

“Haha.. good, very good!”

At this moment, Demon King Zhu Sheng endured his weakness and locked on Yue Feng tightly: “I didn't expect that you still have a backer, but even if you defeat me, You can't escape the pursuit of our demons.”

“I tell you, besides me, the other eleven holy demon kings have also come to Kyushu. You can't escape.”

After saying this, the Zhusheng demon king couldn't hold it any longer. Zi slumped on the ground and began to silently restore the power of the demon soul.

Nima!

Hearing this, Yue Feng frowned, unable to express his anger.

Is this demon clan crazy? They even sent out twelve holy demon kings. How attractive is he to make the demon clan so much fanfare?

At this time, Yue Feng did not know that the Holy Spirit Stone showed the prophecy, and he was the last barrier against the expansion of the Demon Race.

At the same time, Ren Yingying, who was not far away, also frowned, and the demons pursued Yue Feng with all their strength. At this time, it was no trivial matter. At that time, she did not think much about it and shouted at Yue Feng: "Yue Feng, kill him directly.

" Demon King Zhu Sheng, who already knew Yue Feng's whereabouts, must not let him live.

When the words fell, Mu Xixi and Song Qian also nodded.

"Yes, kill him."

"Brother-in-law, let's do it..."

Hearing this, Yue Feng had a bitter face and shook his head: "We can't kill him." Each of the twelve holy demon kings has The demon body cannot be killed by ordinary means.

More importantly, Yue Feng had just used the Fire Lotus to purify the world, and he had no ability to kill him.

"Why?"

Song Qian's delicate face was full of puzzlement.

At this time, Ren Yingying reacted, realized something, and continued: "Yue Feng is right, we can't kill him, he is one of the twelve holy demon kings, with a demon body and a demon soul, now the most important thing, we Hurry up and leave."

"Yes!"

Yue Feng nodded in agreement and walked over quickly: "Let's go quickly before his companion comes back."
