Chapter 4521

But at this moment, at that moment, there is no permanent enemy in the rivers and lakes. In order to deal with Cheng Yi, Ji Hongshang chose to help Ye Ziyi without hesitation.

Um!

Hearing this, Ye Ziyi was very surprised, but she didn't say much, and nodded gratefully.

“Save people?”

At this time, Cheng Yi, too lazy to talk nonsense, sneered: “I want to see, how do you save people, come on, take this woman down for me.”

Whoa!

Hearing the order, dozens of elite guards burst into internal energy and rushed towards Ji Hongshang.

Seeing this situation, Ji Hongshang calmly recited a formula in her mouth.

Swish...

With the sound of the formula, the poisonous insects that had retreated to the surrounding corners suddenly rushed up and attacked the elite guards.

What?

Seeing this situation, those elite guards were all shocked and panicked. At the same time, he shouted at Cheng Yi.

“General, let these poisonous insects go away.”

“Help, General.”

Cheng Yi was also furious. He didn't have time to think about it, so he hurriedly whistled and prepared to control these poisonous insects.

This chapter is provided by . Visit [for](#) daily update.

However, as the sect master of the Five Poison Sect, Ji Hongshang is often in the company of poisonous insects. He does not know how much more sophisticated the

means of controlling insects are, and he sees Cheng Yi whistling desperately. Those elite guards.

“what...”

In just ten seconds, half of the dozens of elite guards were bitten by poisonous insects. After screaming, they fell into a pool of blood, and in the end, only bones were eaten.

At this moment, Cheng Yi was so frightened that he had to rush up to help the remaining guards deal with the poisonous insects.

Whoosh!

Taking this opportunity, Ji Hongshang’s delicate body flashed, rushed to Ye Ziyi, picked her up, and rushed out of the cave.

To be honest, Ji Hongshang didn’t want to leave like this, but she also knew in her heart that her own strength was still far from Cheng Yi’s.

Anyway, today has ruined his plans.

“Run?”

Seeing this scene, Cheng Yi roared angrily: “Can you run?”

After he finished speaking, he temporarily abandoned the men in the cave and rushed out, chasing after Ji Hongshang and the two.

“General!”

“Help...”

Seeing Cheng Yi rushing out, the guards surrounded by the swarm of poisonous insects cried out.

However, Cheng Yi didn’t seem to hear it, and his eyes only locked on Ji Hongshang and Ye Ziyi. In his heart, these two women were more sexy and charming than the other. How could they be more important to the lives of their subordinates?

How to do?

Ji Hongshang was carrying Ye Ziyi, so she couldn’t fly fast at all. Seeing Cheng Yi getting closer and closer, she suddenly became a little anxious.

In the next second, Ji Hongshang thought of something, reached out and untied the spirit beast sac around her waist.

“Om!”

In an instant, accompanied by a powerful aura fluctuation, a huge figure burst out of the air.

It was the holy scale golden python that was recovered before.

During this period of time, the holy scale golden python has been following Ji Hongshang. Under her training, her strength has grown by leaps and bounds. Her body has reached seventy or eighty meters. The scales all over her body reflect a golden glow under the sunlight, majestic and majestic. Domineering.

hiss!

Seeing the holy scale golden python, Cheng Yi stopped abruptly in mid-air, and couldn't help gasping for air.

What a powerful breath, what kind of spirit beast is this?

“Roar...”

Just when Cheng Yi was secretly shocked, Ji Hongshang issued an order, and saw the holy scale golden python let out a roar, and its huge body rushed towards Cheng Yi.

Mad!

Seeing the rushing Saint-Scaled Golden Python, Cheng Yi tried his best to calm himself, and shouted, “How dare you be arrogant in front of this general? Get out of the way.” The voice fell, Cheng Yi's inner strength exploded, and Saint-Scaled Golden The pythons fought fiercely in midair.

For a time, one person and one beast were constantly circling in the air, shuttling back and forth, the surrounding air was violently distorted, and the scene was shocking beyond words.

Although Cheng Yi's strength is strong, he can't take advantage of the huge holy scale golden python at all. And the holy scale golden python was not yet an adult, so he couldn't kill Cheng Yi for a while.

For a time, the two sides were deadlocked, and the battle became more and more fierce.

call!

Seeing that the holy scale golden python successfully held Cheng Yi, Ji Hongshang breathed a sigh of relief, and quickly rushed towards the famous sword villa with Ye Ziyi.

Chapter 4522

Mad!

Seeing this scene, Cheng Yi's face was extremely gloomy, and the cooked duck flew away like this. He originally wanted to enjoy the gentleness of this young lady of the Ye family, but he didn't expect Ji Hongshang to suddenly appear.

In a frightened anger, Cheng Yi wanted to rush up to chase, but was entangled by the holy scale golden python and couldn't escape at all.

Ji Hongshang, wait for me.

In desperation, Cheng Yi had to deal with the holy scale golden python with all his heart, but he secretly swore in his heart.

The next time it falls into my hands, it will definitely make you unable to survive or die.

call!

On the other side, Ji Hongshang took Ye Ziyi and hurriedly returned to Mingjian Villa. Seeing that Cheng Yi did not catch up, he was secretly relieved.

Ji Hongshang didn't worry about the holy scale golden python at all. After all, it was a spiritual beast second only to the dragon, and its defense was very strong. Even if Cheng Yi was very strong, it would be difficult to hurt it.

Whoa!

Ji Hongshang and Ye Ziyi had just landed at the villa, and many disciples of the famous Sword Villa suddenly surrounded them.

At the same time, several elders heard the movement and rushed over.

"The Sect Master of the Five Poison Sect?"

Seeing Ji Hongshang, both the elders and the surrounding disciples were shocked. Immediately, one of the elders scolded: "Ji Hongshang, let go of my eldest lady.

" Qiang...

The voice fell, and many disciples around drew out their long swords one after another.

They clearly saw that Ye Ziyi's face was pale and her long skirt was stained with blood, and they mistakenly believed that she was injured by Ji Hongshang. You must know

that Ji Hongshang led the Five Poison Sect to join the Demon Race, and it is no longer a secret in the Kyushu arena.

Seeing this scene, Ji Hongshang's delicate face did not fluctuate in the slightest.

"All retreat!"

At this time, Ye Ziyi took a step forward and scolded the disciples: "Don't be rude, Sect Master Ji is not an enemy."

After saying that, Ye Ziyi's eyes fell on a few elders: "Just now I was framed by a general sent by the Nanyun royal family, and several of my disciples died, and at the last moment, it was Ji Hongshang who stepped forward and rescued me."

What?

Hearing this, both the elders and the disciples were stunned.

It is incredible that Ji Hongshang actually saved the eldest miss.

At the same time, everyone was extremely angry. Mad, the Nagumo royal family was so mad that they sent someone to deal with the famous sword villa.

"I'm really ashamed."

Finally, the leader of the elders reacted, and said to Ji Hongshang ashamed: "I was offended just now, I hope Sect Master Ji will not take offense." He said this, but he was secretly wondering.

Ji Hongshang has been working for the Demon Race, why did she suddenly change her temper?

The disciples surrounding them also stepped back and put away their long swords at the same time.

"It's alright."

Ji Hongshang's face was indifferent, and she didn't care about these misunderstandings at all, and said to Ye Ziyi: "Miss Ye, you are safe, I should go too. We will meet later." After the

voice fell, Ji Hongshang turned around and wanted to leave.

"Sect Master Ji."

Just before taking a few steps, Ye Ziyi hurriedly called out and said sincerely: "I see that your condition is very bad. If you don't mind, you might as well rest in our famous villa."

"Now the situation in the rivers and lakes is unstable, It is very dangerous for you to be outside alone, and your situation requires a safe place to recuperate."

Speaking of which, Ye Ziyi had always had a bad impression of Ji Hongshang.

But for some unknown reason, through today's events, Ye Ziyi suddenly felt that this woman didn't seem so hateful.

This....

Feeling Ye Ziyi's sincerity, Ji Hongshang's eyes flickered and she pondered.

Yes, in my current situation, I urgently need a safe place to recuperate, and it is very difficult to deal with Cheng Yi alone, so it is better to join forces with Ye Ziyi.

Thinking to herself, Ji Hongshang nodded and said: "Okay, then I will trouble Miss Ye."

Seeing her answer, Ye Ziyi showed a smile, and ordered the disciples around her: "Go, arrange a room for Sect Master Ji, Ji If the Sect Master has any request, you must do your best and do not neglect it."

"Yes, Miss."

After hearing the order, two female disciples came over and took Ji Hongshang to rest.

Chapter 4523

Om!

It was at this moment that there was a burst of breath shaking in the sky, followed by a huge body that slowly landed near the guest room of the manor.

It was the holy scale golden python.

"My God, such a big snake?"

"What kind of beast is this?"

Seeing this scene, everyone present was shocked.

Ye Ziyi raised her hand to signal everyone to be calm, and then walked slowly towards the guest room.

After arriving, I saw that the holy scale golden python had become smaller and was taken into the spirit beast bag by Ji Hongshang.

“Miss Ye!”

Seeing Ye Ziyi coming, Ji Hongshang’s charming face showed a bit of unwillingness: “Then Cheng Yi ran away.” Speaking of which, Ji Hongshang did not expect the holy scale golden python to kill Cheng Yi. Yi, but knowing that Cheng Yi escaped, was still very annoyed.

“You can rest assured.”

Ye Ziyi also felt a little regretful, and comforted: “This person is cunning and despicable, and dares to call my Mingjian Villa’s attention. As long as he is still in the Yellow Sea Continent, I will never let him leave alive.”

Ji Hongshang After nodding, he returned to his room and began to rest.

Ye Ziyi returned to the front yard, with a delicate face that couldn’t hide her anger and anger, she ordered to the disciples present: “Assemble all the elite disciples, search all places within a hundred miles, and find a person named Cheng Yi, this person He is the newly-appointed general of the Nanyun Imperial Family, and he is very powerful. If you find him, you must not act rashly, and come back and report immediately.”

When Ye Ziyi said this, Ye Ziyi was full of shame and anger.

That bastard, who almost ruined his innocence, must not spare him easily.

“As ordered.”

Hearing the order, all the disciples in the room responded in unison, and immediately mobilized manpower and began to search around.

At this time, an elder came over and said in a complicated tone: “Miss, that Ji Hongshang worked for the Demon Race before, is this kind of person trustworthy? Leave her in our Famous Sword Villa, I’m worried that the tiger will be infested. “

This...

Hearing this, Ye Ziyi pondered for a while, and received: “I have also considered these, but she is very weak now, even if there is a conspiracy, it will not threaten us.”

“Also, keep her in Shanzhuang, if there is any situation, we can also facilitate the investigation.”

Seeing her say that, the elder nodded and stopped talking.

This is what Ye Ziyi thought and asked: "Have the disciples sent to the Ouyang family come back, is there any news about Yue Feng?"

"Miss Hui."

The elder looked depressed and shook his head: "No, according to Ouyang The family got the news that Yue Feng appeared in Dongao Continent five days ago, and then disappeared again."

"However, at that time, Empress Tianqi also went to Dongao Continent, but within two days, Empress Tianqi returned to Tianqi. In the mainland, the disciples who came back said that Hall Master Wen and Dasheng Sun have gone to Tianqi Continent to ask the Queen Tianqi about the situation."

This...

Knowing these circumstances, Ye Ziyi frowned and felt a little inexplicable in her heart.

What the hell is going on with this Yue Feng?

In the rivers and lakes of Kyushu, the wind and rain drifted, but he was erratic.

...

this moment, the other side.

In the Infernal Shadow Prison, the battle between Yue Feng and Mirage continued.

Buzzing...

Under the constant staggering of the figures of the two sides, the surrounding air was violently distorted, forming terrifying hurricanes, like the end of the world.

"Tsk tsk..."

Mirage Dragon's huge body circled and danced, constantly waving its claws to attack, and at the same time feeling the power in Yue Feng's body, his eyes flashed with excitement: "I didn't expect that there is such a pure innate in your body. Spiritual power, with these innate spiritual powers, my strength can be improved to a higher level."

"Boy, accept your fate and give me your innate spiritual power." The

voice fell, and the power of the mirage exploded, in the surrounding air, forming a phantom.

The Mirage at this time was very excited, because it sensed that there was an incomparably pure innate spiritual force in Yue Feng's body.

However, it did not know that this power was passed down to Yue Feng by Nu Wa.

Nima!

At this moment, seeing the phantoms formed in all directions, Yue Feng felt dazzled and panicked.

This is the power of the four innate evil beasts, which is simply too terrifying.

Chapter 4524

Call!

At the moment Yue Feng panicked, Mirage found an opportunity, and his long tail suddenly swung over.

The long tail was like a flash of lightning, and the speed was very fast. At that time, Yue Feng had no time to dodge and was swept away directly.

Bang...

Yue Feng flew more than 100 meters, and fell to the ground ruthlessly. The blood in his body swelled, and bursts of severe pain came, and he spurted out a mouthful of blood on the spot.

"Haha..."

Seeing this scene, Mirage laughed up to the sky, very proud: "Boy, you are not my opponent, I advise you to give up resistance, obediently dedicate your innate spiritual power."

While saying, Mirage Pounce again.

Mad, what should I do?

Seeing the mirage that came so fast, Yue Feng was extremely anxious. If he hit the ball like this, he would die at the hands of this mirage sooner or later. At that time, all the efforts made by Empress Nuwa would be in vain.

Um?

In the next second, Yue Feng Yuguang saw the Qingming Demon King a few meters behind him, and his inspiration flashed, and he had an idea, and rushed over immediately.

Before, the Demon King Qingming was controlled by Nuwa, and the demon soul was sealed. Later, in order to help Yue Feng, Nuwa passed down all her cultivation bases, but when she left the body, she did not revive the demon soul of the Demon King Qingming.

In this case, the Qingming Demon King is like a living dead.

Yue Feng's plan is very simple, to revive the Qingming Demon King and use him to help him deal with the mirage.

Papa....

In the blink of an eye, Yue Feng came to the front. He didn't have time to think about it. He raised his hand and slapped it on the top of the head of the Qingming Demon King, awakening the demon soul that was trapped in the dust.

While doing this, Yue Feng did not forget to laugh at the mirage dragon rushing behind him: "You ugly dragon, you still want to devour my power? You probably didn't expect that I still have a companion, right?"

companion?

Hearing this, Mirage's evil eyes flickered, and he locked onto Demon King Qingming at once, secretly surprised.

This kid even has accomplices?

At the beginning, Mirage's attention was all on Yue Feng, so he never noticed the Demon King Qingming.

"What if you have an accomplice?" The

next second, Mirage reacted, and his body was filled with incomparably violent power, and his tone was even more arrogant: "For me, it's just an extra snack."

Om!

The voice fell, and the huge body of the mirage turned around, opened its bloody mouth, and prepared to swallow the Qingming Demon King.

"Huh..."

At this time, the Qingming Demon King had just recovered, and his mind was still a little confused. Seeing the surrounding environment, he was extremely puzzled.

Is this there?

Doubtful, when he saw the mirage dragon rushing towards him with his bloody mouth open, Demon King Qingming was taken aback: "Where is the evil beast, dare to be presumptuous in front of this king?" After the

voice fell, Demon King Qingming burst into the power of the devil's soul, and his figure rose into the sky. , and fight the Mirage.

However, Mirage, as one of the four innate evil beasts, would be a little wary even if the Demon Lord Gone came here. Qingming is only one of the twelve holy demon kings, so who is his opponent?

Bang bang bang...

Within a few rounds, the Demon King Qingming was stubbornly suppressed. Under Mirage's powerful attack, he was almost powerless to fight back.

Ha ha....

Seeing this scene, Yue Feng's face was full of smiles, and his mood was indescribably smooth.

With this Demon King Qingming as cannon fodder, he can finally breathe a sigh of relief.

Thinking to himself, Yue Feng adjusts his breath, stares at the battle, and waits for an opportunity.

Chi la....

After a few minutes, I saw the Mirage Dragon waving its claws, the Qingming Demon King couldn't dodge, his shoulder was scratched, and blood was sprayed like rain in an instant.

Under the severe pain, the Qingming Demon King also slowed down.

The Mirage pursued the situation, opened its mouth wide, directly biting the Demon King Qingming, greedily absorbing the power of the demon blood and demon soul.

"Ah!"

Demon King Qingming screamed, his eyes were extremely blood red, and he didn't know where the strength came from before he died. His right hand pierced like a sharp blade, piercing Mirage's right eye at once.

The moment he pierced Mirage's right eye, the Demon King Qingming exhausted his strength and died.

He didn't know until his death, what kind of existence he was facing, let alone that he was used by Yue Feng.

"Hoooho..." The

right eye was pierced, and the huge body of the mirage continued to twist, and bursts of roars and mourning came out of his mouth: "My eyes, my eyes..."

Chapter 4525 The

opportunity has come.

Seeing this scene, Yue Feng, who had been waiting for the opportunity, didn't have time to think about it. His figure was like a cannonball, and he jumped on the huge head of the mirage, raised his right hand, and condensed a mass of flames.

On this day, the flame, showing a red color, was condensed by the power of the red lotus of the law.

The moment the flame was formed, Yue Feng waved his hand.

call!

The flames carried the power of endless terrifying destruction, and sank directly into the head of the mirage. In an instant, the flames exploded in Mirage's head furnace, and the flames shot out from the eyes, nostrils, and ears, and the surrounding air became extremely hot.

"Roar...roar..." The

severe pain came, and the mirage made a deafening whine. It never thought that one second, he was still killing others, and the next second, he became the prey.

Huhuhu....

The fire continued to burn, and eventually the huge body of the mirage was completely burned. When the ashes dissipated, only a bright yellow elixir was left, quietly suspended in the air.

You can see that this elixir is as big as a fist, the whole body is dizzy, and it is filled with infinite power. This elixir is exactly where the essence of the mirage lies.

call!

Seeing this scene, Yue Feng's spirit relaxed, his figure landed, and he sat there gasping for breath.

Nima, it's finally done.

After resting for a few minutes, Yue Feng stood up and put away the elixir.

This elixir contains infinite power, and it will definitely be of great use in the future. After all, this elixir is the elixir of the four innate spiritual beasts, the Mirage Dragon.

After putting away the elixir, Yue Feng adjusted himself and flew forward.

He thought about it, he must find a way to get out of here as soon as possible.

Nima!

After flying for half an hour, Yue Feng couldn't help but feel a little impatient. This place seems to be endless. After flying for so long, the surrounding is still dark and chaotic.

How big is this Infernal Shadow Prison?

Depressed, Yue Feng stopped and landed on a small hillside, secretly worried.

"Mother Nuwa."

At this moment, Yue Feng's face was full of bitterness, and he said to himself: "You just passed on your cultivation base to me, you should also tell me how to leave. This place has no end, what should I do? Going out?"

Boom, boom....

As soon as the voice fell, Yue Feng sensed that the hillside under his feet shook violently, shaking the mountain for a while, as if the whole hillside was about to collapse.

Damn, what's going on?

Yue Feng was taken aback, and hurriedly flew into the air to look down. When he saw it, he suddenly took a breath of cold air.

I saw that the hillside below actually moved, and a huge head protruded from the direction of the top of the mountain. At the same time, the four directions below also slowly stretched out four feet.

This...isn't this hillside?

But a giant beast?

Nima, is this too big?

“Haha...”

Just when Yue Feng was secretly surprised, he heard a loud laugh from the giant beast, the sound was like thunder, and it was deafening: “Boy, I heard it just now, the goddess Nuwa put her innate spiritual power Passed it on to you? This is really fat to the mouth.”

When he said this, the blood-red eyes of the giant beast flashed with excitement.

Yes, this giant beast is the giant turtle, one of the four innate spirit beasts.

Yue Feng saw that at first glance, this giant turtle looked like a basalt tortoise among the four innate beasts, but it was somewhat different from the tortoise. It had a huge dragon head, but a tail similar to a unicorn was dragging on the back of the turtle. , The whole body is filled with maroon flames, and the momentum is amazing.

“Boy!”

Just when Yue Feng was secretly surprised, the giant turtle's eyes locked him tightly, and his tone was extremely arrogant: “Give me your power, this is a great honor for you.”

Hoo!

At this moment, Yue Feng reacted, and said in disbelief: “What innate spiritual power, I was just talking nonsense. In fact, I was just a human kid who broke in by mistake and broke into your territory by mistake. I hope you don't take offense.

” You continue to rest, I will leave immediately, I will leave immediately.” As he

spoke, Yue Feng turned around and ran.

Nima, it just happened that it was not easy to get a mirage, and I haven't had time to catch my breath. Now that I have encountered such a big giant turtle, I really came home.

The ultimate husband in Chinese chapter 4526-4530

Chapter 4526

“Want to go!?”

Seeing this, the giant turtle snorted coldly, and swept its tail into a dust storm, forming a sandstorm city wall in front of Yue Feng’s eyes.

boom!

Although Yue Feng’s speed was fast, he was successfully intercepted. He slammed into the wall formed by the sandstorm, and his whole body was shaken back.

For a time, Yue Feng only felt that the world was spinning, and his brain was buzzing.

Damn, the attack power of this giant turtle is not very strong, but the defense power is so strong that with a swipe of its tail, it can form a sandstorm city wall?

How is this good?

Before dealing with the Mirage, there was that Demon King of Qingming as a target, so I could wait for the opportunity.

But now, I’m the only one left, how should I fight this?

Dong Dong Dong...

At this moment, the giant turtle with a body like a hill, quickly approached Yue Feng, and said coldly: “Boy, don’t think about running away, you can’t escape from my palm, Obediently hand over the power in your body.” The

last sentence fell, and the giant turtle raised its right front foot and stepped on Yue Feng fiercely.

Gudong!

Seeing the foot of the house stepping over, Yue Feng’s face was ashen, and he wanted to cry without tears in his heart.

If this is stepped on, won’t it become a puddle of meat?

This chapter is provided by . Visit for daily update.

It’s just that the sandstorm city wall behind him is too tough to rush through.

Thinking about it, Yue Feng was a little desperate.

“Ow, ooh!”

However, at this critical moment, a strange cry was heard in the sky not far away.

Immediately afterwards, a burst of laughter came: “How many years, I finally smell the smell of living things, old turtle shell, such a good thing, I want everyone to share it, you don’t want to swallow it alone.” The

last word fell, a behemoth wearing After passing the sandstorm city wall, he appeared in front of Yue Feng.

Hiss...

Seeing this behemoth, Yue Feng was startled and couldn’t help taking a breath.

I saw that this is a huge vicious dog, with a dark body and a height of dozens of meters. What is even more amazing is that it has three heads and six blood-red eyes, flashing with evil spirits.

It is the Evil Mastiff, one of the four innate evil beasts.

“Damn it!”

At this moment, the giant turtle’s eyes were locked on the evil mastiff, and he said coldly, “I found this kid first, get out of here, it’s none of your business here.”

When he said this, the giant turtle He looked fierce, but he couldn’t hide the fear in his eyes.

They are the same four evil beasts, but their relationship with each other is not friendly. Whenever they encounter something good, they will fight to the death. What’s more, Yue Feng has the innate spiritual power taught by Empress Nuwa in his body, which is a supreme treasure for them. Anyone who gets this power will be able to break free from the shackles of the Infernal Shadow Prison.

In this case, how could the giant soft-shelled turtle share it with the evil mastiff?

“Joke!”

Hearing this, the head in the middle of the evil mastiff sneered: “The so-called seer has a share, why do you want to enjoy it alone?” The

voice fell, and the two heads on the left and right also spoke.

“Ma De, this old turtle is lazy and greedy, what nonsense are you talking about?”

“That’s right, just grab the person directly.”

Although he said that, his eyes were full of fear.

“Wow wow...”

At this moment, the giant turtle shouted angrily, the huge body turned its head, and confronted the evil mastiff: “On my territory, grab something from me?” Not to be

outdone, the three He raised his head high: “What? I’m afraid you won’t succeed?”

Haha...

Seeing this situation, Yue Feng was instantly relieved of his nervousness, and his mood suddenly became excited.

Yes, that’s it, you fight so I can slip away.

“Boy!” The

two sides were at a stalemate. Suddenly, the three heads of the bad mastiff turned around, and the six pairs of eyes locked on Yue Feng: “Otherwise, you can choose one between us, as long as you are willing to follow me, put the inner Hand over the innate power to me, and I promise to safely send you out of this ghost place.” The

voice fell, and the giant turtle shouted: “Boy, don’t believe it, these three-headed monsters are the most cunning, you give the innate power to I, I will not only send you out, but also give you a free mount. How about it?” The

two evil beasts knew each other’s formidable power, so they wanted Yue Feng to make a choice.

What the hell!

Seeing this situation, Yue Feng was stunned.

These two evil beasts are more surprised than the other, and they actually discussed it with me.

Chapter 4527

But... This seems to be interesting. At this moment, Yue Feng was muttering in his heart, and suddenly an idea came to his mind. At that time, he acted very embarrassed and said

to the giant turtle: “You two, to be honest with you, I have a hard time deciding.”

, Yue Feng scratched his head, very confused.

“What’s so hard to choose?” The giant turtle was stunned at first, and then shouted: “This is my chassis, you should give me your innate power, then it’s right.”

At this time, the giant turtle believed that Yue Feng didn’t dare to play tricks with himself, so he guided him and said, “Boy, as long as you give me your innate power, not only will I be your mount, but I will try my best to satisfy you with whatever you want, how about that?”

” At that time, the giant turtle’s eyes flashed with incomparably hot eyes.

You must know that they have been trapped here for nearly 10,000 years, thinking about how to get out of this ghost place day and night, when Yue Feng suddenly appeared with Nuwa’s innate power on him, how did they make them? Not crazy?

Uh...

Hearing this, Yue Feng was secretly amused, but he looked embarrassed.

The next second, Yue Feng was about to respond, but was interrupted by the evil mastiff.

“Boy!” The three heads of the Evil Mastiff stared at Yue Feng, looking very excited: “Don’t believe it, how can innate power be given casually?”

“The so-called strong is respected, don’t Seeing how big it is, but its strength is not as good as mine, as long as you are willing to give me your innate power, I will not only take you out of here, but also help you to establish a hegemony.”

Hearing this, Yue Feng smiled and said nothing.

Haha... both of them are in a hurry.

“fart!”

Seeing the evil mastiff slandering himself, the giant turtle was very angry, holding his head high and shouting angrily: “You also have three heads, which one is better than me?”

” You know, you old turtle shell, you have stayed in this place for ten thousand years, and you have not moved your nest, what else can you do other than being lazy and greedy?”

“Joke, my territory, how I like to treat it, how to treat it.”

“Who stipulated that this place is your site?”

Seeing the two parties quarreling, Yue Feng was indescribably excited.

But Yue Feng was still a little depressed.

Nima, these two guys just quarreled but didn't do anything, and they had no chance to escape at all.

At this time, Yue Feng still didn't know that the four innate evil beasts knew each other very well, and no one would rush into it unless it was compelled to do so.

“You two...”

Finally, Yue Feng was so arguing that he held his forehead and said, “You two, don't be impatient, I have a solution.”

Shuh!

When the voice fell, the eyes of the evil mastiff and the giant turtle converged on Yue Feng at the same time, almost speaking in unison.

“What can I do?”

“Say it now?”

Yue Feng showed a smile, and his tone was full of compliments: “The two of you are the strongest beings I have ever seen in my life. Not bad.”

Having said that, Yue Feng pointed to the evil mastiff, and continued: “There are all things in the world, the strong are respected, so let the two of you compete, and whoever wins, I will give the innate power to whoever.”

” When a word fell, Yue Feng's face was full of respect, but there was a hint of teasing in his eyes.

Nima, don't do anything after arguing for a long time, then I will cheer you on and add a fire.

Um?

Hearing this, both the giant turtle and the evil mastiff were stunned, and then their expressions became complicated.

“Boy!”

Finally, the Evil Mastiff reacted, his six eyes locked tightly on Yue Feng, and said lightly: "Look, you are dumb, you are not stupid, you want to provoke a battle between us, you can take the opportunity to slip away, right? Isn't it right?"

As he spoke, the six eyes kept looking at Yue Feng up and down, as if they could see through people.

The voice fell, and the giant turtle also said coldly: "I really underestimate you, I want to sit on the mountain and watch the tiger fight? Do you think my giant turtle has lived in vain for nearly 10,000 years?"

Uh...

see myself Yue Feng was very embarrassed, blushed, and smiled and defended: "The two misunderstood, I didn't mean that."

Chapter 4528

"You all want me to give him my innate power. I have no choice but to do this." Yue Feng pretended to say: "If this is not the case, you can find a way."

"As long as you can come up with a solution, I will do it."

After saying the last sentence, Yue Feng simply sat on a stone and waited quietly, but he was speechless.

These two evil beasts, one is more refined than the other.

It's really not good to fool.

Phew...

Hearing this, the giant turtle took a deep breath and pondered.

The three-headed Evil Mastiff was also thoughtful, but his eyes looked at Yue Feng intentionally or unintentionally.

"Boy!"

Suddenly, the voice of the Evil Mastiff resounded in Yue Feng's ears: "Seeing that you are quite honest and responsible, I will teach you a way..." What the

hell!

When he suddenly heard the voice of the evil mastiff ringing in his ears, Yue Feng was startled and almost jumped up, because he was surprised to see that the evil mastiff was dozens of meters away, and none of the three mouths opened.

But how did he transmit the sound to himself?

Looking at the giant turtle on the other side, he was still thinking about it. He didn't seem to hear the voice of the evil mastiff. In an instant, Yue Feng was even more puzzled.

"Hey..."

Seeing Yue Feng's surprised face, the evil mastiff's voice came again, showing a bit of pride: "Boy, aren't you shocked? This is my skill, let me tell you, this is called secret language. , only you can hear it, so you don't have to worry about that old turtle shell knowing."

Secret language?

Is there such a thing in this world?

It's incredible.

At this time, Yue Feng didn't know that the four innate evil beasts all had their own unique abilities. The Mirage Dragon that he encountered before, after the explosion of strength, can form illusions around him, that is the unique ability of the Mirage Dragon, and this One of the abilities of the bad mastiff is secret language.

For a time, Yue Feng was secretly shocked, and at the same time used his spirit to communicate with the evil mastiff: "Senior, what can you do?" In order to escape the control of the two evil beasts, Yue Feng had no choice but to pretend to call the senior.

However, while communicating, Yue Feng made up his mind secretly here.

This Evil Mastiff is extremely sinister and cunning at first glance, you have to be careful, but you must not fall into his trap.

"Hehe!"

Hearing Yue Feng calling his seniors, Evil Mastiff was very useful, and the evil laughter came again: "Actually it's very simple, wait for your suggestion, let us two show our stunts, as long as that old turtle Shell agreed, just leave the rest to me."

Show off a stunt?

Hearing this, Yue Feng was stunned for a moment: "Is this all right?"

“Of course!”

Seeing that Yue Feng was willing to communicate with himself, the Evil Mastiff subconsciously believed that Yue Feng tended to give his innate power to himself, and at this time he would not Concealing it again, he smiled and said: “You kid, you really don’t understand anything. Well, then I’ll tell you. This old turtle shell has three unique skills, two of which are life-saving and cannot be easily used.”

“The rest of the stunt is called ‘reversing the void,’ also known as reversing the world. This stunt is very powerful, but there is a fatal door, which is the distance from the tail under its carapace, and as long as he displays it later, he will definitely You stay by your side, and when the time comes, you will use all your strength to hit the door of its life.”

“The gate of life is broken, and the rest is left to me. As long as you can help me get the innate power, my previous promise will not be less of you? How about it?”

The evil mastiff at this time, even though it was a secret language He communicated with Yue Feng, but each of the three eyes on his head shone with evil and cunning.

Huh....

Hearing such a plan, Yue Feng couldn’t help taking a deep breath, Nima, this evil mastiff is really insidious.

I actually wanted to match him and attack the giant turtle...

I have to say, this move is really cruel.

Such a sinister existence really wants to help him, I’m afraid he doesn’t know how he died in the end. Thinking about it, Yue Feng is very contemptuous, but he still communicates with the evil mastiff

in a hypocritical manner: “If possible, I will do my best to help the seniors.”

Chapter 4529

“Haha, Ruzi can be taught, Ruzi can be taught.”

Seeing Yue Feng’s agreement, Evil Mastiff was very excited, and repeatedly praised: “I like you, a smart person, boy, after this is done, I will definitely not I’ll treat you badly.”

“Okay, it’s not too late, you can stop talking, lest this old turtle be suspicious.”

Hmm!

Yue Feng responded, then cleared his throat, and pretended to say, "That... two seniors, have you come up with a solution?" As he

spoke, Yue Feng quickly glanced at Evil Mastiff.

The Evil Mastiff was very clever, and took the lead in saying hypocritically, "How can I do anything better?"

After that, the Evil Mastiff looked at the giant turtle and urged, "Old turtle shell, how about you?"

Huh!

The giant turtle took a deep breath and said in a disappointed tone: "I really can't think of a suitable solution for a while."

Seeing this scene, Yue Feng took the opportunity to say: "You two, if you believe me, I will do it again. I thought of a way, but I don't know your opinion."

"What way?" The giant turtle asked angrily.

Yue Feng smiled slightly and said slowly: "It's very simple, the two seniors were rare peak existences at the time, why don't you just show your own stunts here, and by the way, let this junior like me grow eyes.

"Whoever has the stronger stunt, I will give the innate power to whom, how about this?"

After saying the last sentence, Yue Feng secretly glanced at Evil Mastiff.

Seeing what Yue Feng said was watertight, Evil Mastiff was very satisfied and nodded approvingly.

Show off a stunt?

At this moment, the giant turtle's expression changed, and it became silent and tangled again.

This method is also good, but... I have three stunts, and two life-saving ones should not be displayed, but the last stunt reverses the void, but has a fatal weakness.

If the evil mastiff suddenly attacked when he was showing it, wouldn't the gain outweigh the loss?

"Senior?"

Seeing that the giant turtle was hesitant, Yue Feng took a deep breath and couldn't help asking, "What? Is there a problem with this proposal?" The

giant turtle opened his mouth and was about to answer, but was interrupted by the evil mastiff.

"Hehe, old turtle shell!" The

Evil Mastiff sneered and mocked: "With your hesitant temperament, you still want to gain innate power? I know what you are worried about, not that I will surprise you when you show your stunt. Is it?"

"So, I'll show the stunt first, and then I'll go to the hillside in the distance, so you can rest assured? But then again, your three stunts are not very good, I advise you to just admit defeat. Let me get the innate power quickly, everyone, don't waste anyone's time."

"Fart!"

Hearing the ridicule, the giant turtle was very annoyed and cursed: "My stunt is not as good as yours? Where did you come from? You can show it first."

Haha....

Seeing that the giant turtle was hooked, the Evil Mastiff was almost overjoyed. You must know that among the four innate evil beasts, the giant turtle belongs to the giant turtle. The personality is the most cautious and careful, and it is really harder than reaching the sky to let it be fooled. At this time, he finally fell into his own trap, why is the Evil Mastiff unhappy?

However, the Evil Mastiff didn't know yet that Yue Feng didn't really cooperate with it at all.

Delighted, the Evil Mastiff looked at Yue Feng proudly.

Yue Feng nodded knowingly, but sneered inwardly.

This ugly three-headed dog, really think I will help you? Go do your daydream.

"Boy!"

At this moment, the huge figure of the Evil Mastiff rushed into the air and shouted to Yue Feng: "Today, I will show you my stunt 'Chaos Extreme Flame'."

Om!

The last word fell, and a terrifying force erupted from the Evil Mastiff. Immediately after, the three heads opened their mouths at the same time, spewing out three groups of purple flames.

Huhuhu....

In the blink of an eye, three flames burst into the void, forming a sea of scorching fire. In just a few seconds, the world was enveloped by this purple-red color.

Damn, is this flame so terrifying?

Seeing this scene, Yue Feng opened his mouth wide, very shocked, and what shocked him even more was that this purple flame seemed to have the ability to devour, and the power of the primordial spirit in his body escaped uncontrollably. .

Chapter 4530 Noticing

this, Yue Feng didn't have time to think about it, and quickly exerted his strength to form a protective film around his body. Isolate the devouring power in the flames.

“Hahaha...”

Looking at Yue Feng's shocked appearance, the Evil Mastiff was very proud, and after laughing, he opened his mouth and sucked the sea of fire into his belly.

Afterwards, the Evil Mastiff landed on the hillside not far away, looked at the giant turtle proudly and said, “Old turtle shell, my chaotic extreme flame is unstoppable, I think you don't need to show it, just admit defeat.”

Haha!

Hearing the Evil Mastiff's provocation, the giant turtle was very disdainful, and his huge body was filled with a powerful fighting spirit, and said coldly, “It's just a little trick, in front of my reversal of the void, your farts are useless at all. “

Speaking, the giant turtle looked down at Yue Feng seriously: “Boy, it's my turn, you can be optimistic. Who is stronger and who is weaker, you can see at a glance.”

Om!

At the moment when the last word fell, a terrifying power burst out from within the giant turtle, and immediately, the huge figure turned upside down, with its limbs facing upwards.

This scene seemed funny, but Yue Feng didn't find it funny in his heart, because he could clearly sense that as the power of terror pervaded, everything around him changed.

Huhuhu....

In the next second, the giant turtle's huge body spun violently, setting off a terrifying energy storm around it.

At this moment, Yue Feng clearly saw that there was a place where the tail was below the giant turtle, and his heart suddenly moved.

The door!

Is this the gate of life that Evil Mastiff just said?

Just when Yue Feng was muttering secretly, he saw the dust on the ground under his feet, and under the raging horrific storm, they floated up one after another, forming the ground above his head

...

For a time, Yue Feng was completely stupid, the top of his head became the ground, and the foot became the void. This scene is really incredible.

Is this the power to reverse the void?

"Boy!"

But at this moment, the Evil Mastiff cast a secret message and urged Yue Feng: "What are you still doing? Hurry up!" When saying this, the Evil Mastiff's six eyes flashed viciously.

"Okay, senior." Yue Feng responded with a hypocritical spirit, and then rushed forward with a pretense.

This evil mastiff is cunning and despicable, and Yue Feng never thought of helping it.

"Boy!"

Seeing Yue Feng rushing towards his own gate, the giant turtle was shocked and angry, and shouted: "What are you going to do? Raid me? Have you thought about the consequences?" At the same time, the giant turtle was also a little surprised. .

How did this kid know where his destiny was?

“Senior!”

At this time, Yue Feng didn't panic at all, rushed to the front, did not take action, but said quickly: “Don't misunderstand, I just want to tell you that the evil mastiff just used secret words to surround me, and wants to be right. You take action, be careful.” As

he spoke, Yue Feng reached out to the Evil Mastiff not far behind and made a gesture.

Haha...

Because Yue Feng's figure was blocking the gate of life, the bad mastiff couldn't see the situation clearly. Seeing that he made a gesture, he thought he had succeeded. At that time, he was extremely excited, and his whole body exploded, and he rushed over directly.

What?

At the same time, when he heard Yue Feng's words, the giant turtle was extremely frightened: “Mad, these three evil dogs dare to play with me?” Then, seeing the evil mastiff rushing towards him, he was even more furious.

“Ow...”

At this moment, the giant turtle let out an earth-shattering roar, turned over, and glared at the evil mastiff: “You promised to show off your stunts, but you dare to play this hand, courting death!” The

voice fell, and the huge figure slammed. He got up and headed towards the evil mastiff.

Seeing this situation, Yue Feng breathed a long sigh of relief, Nima, it's not easy to finally make you fight.

Swish!

At this time, the evil mastiff was extremely frightened and furious, and his eyes locked on Yue Feng: “Boy, are you playing me?” , completely at its peak.

Aware of this, Evil Mastiff also realized that he did not play this human with applause, but was played by him instead.

Frightened, the Evil Mastiff hurriedly shouted at the giant turtle: “Old turtle shell, don't be impulsive, we have both been tricked by this kid, calm down!”
