

The ultimate husband in Chinese chapter 4531-4540

Chapter 4531

The evil mastiff at this time is almost anxious and angry.

You must know that it is on a par with the giant turtle in strength. If you fight recklessly, you will only end up with a lose-lose result.

If that's the case, then you'll be fooled by this human kid.

"Shut up!"

However, the giant turtle at this time was in a fit of anger and roared: "Don't give me sophistry, you rushed over to attack me, am I blind and can't see it?"

"I tell you, this innate power, it must be mine." The

voice fell, and the giant turtle's huge body rushed directly towards the evil mastiff.

idiot.

Seeing this scene, the Evil Mastiff scolded secretly, but he didn't have time to think about it, and fought the Giant Turtle in the void.

For a time, the huge bodies of the two sides were in the air, constantly colliding, causing the void to distort violently, as if the end of the world, the scene was extremely shocking.

I'm going.... When I

saw this scene, Yue Feng, who was standing below, was almost stunned. Two innate evil beasts were fighting. This scene would never have happened once in ten thousand years.

But it has to be said that the strength of both sides is really strong.

In the blink of an eye, ten minutes passed, neither the Evil Mastiff nor the Giant Turtle could do anything to the other, but after the fierce battle, both sides were injured, and they saw several shocking wounds and blood on the Giant Turtle's head. It rained down.

And the Evil Mastiff was not much better. Several ribs were broken by the hard shell of the giant turtle, and the speed was obviously not as fast as before.

This chapter is provided by . Visit for daily update.

Seeing this, Yue Feng planned to take the opportunity to leave, but he didn't know what to think, so he decided to wait until they were defeated.

Bang bang bang...

Because they were both injured, the giant turtle and the evil mastiff were both stimulated to be fierce, and the fierce battle became more and more fierce. Finally, after the last collision between the two sides, both fell from the sky.

Two huge evil beasts smashed to the ground, and suddenly the dust filled the air.

At this moment, Yue Feng hurriedly moved his figure to dodge backwards.

call!

After more than ten seconds, when the dust and smoke dissipated, and seeing the situation in front of him clearly, Yue Feng breathed a sigh of relief, and a smile appeared on the corner of his mouth.

Haha... This time I sat on the mountain and watched the tiger fight, the plan was very successful.

I saw that the giant turtle and the evil mastiff were both paralyzed there, their huge bodies were motionless, and one was weaker than the other.

"Boy!"

At this moment, the giant turtle, regardless of the blood spurting on his head, shouted at Yue Feng: "You help me kill these three evil dogs, I don't want the innate power, I will give you a mount, bring Get out of here."

Although they are the four innate evil beasts, they are still beasts. At this time, the giant turtle just wanted to get rid of the evil mastiff.

Swish!

Hearing this, Evil Mastiff's six eyes instantly turned blood red: "Mad, old turtle shell, do you want to get rid of me? I'm afraid you don't have this chance."

After speaking, Evil Mastiff also shouted at Yue Feng. : "Kid, don't listen to it, as long as you help me kill it, I don't want the innate power, and I will not only take you out of here, but also pass your secret words."

"This secret language stunt, you also It's very mysterious."

As soon as the voice fell, the giant turtle scolded again, and asked Yue Feng to help it kill the evil mastiff again, and also said the weakness of the evil mastiff.

Ha ha....

Seeing that the two sides were arguing again, Yue Feng showed a smile and said lightly: "I'm sorry, both of you, I won't help either of you."

After speaking, Yue Feng's eyes were a bit cold: "But I still want to thank you. You, tell me the other party's life gate and weaknesses, so I can save trouble?" The

last word fell, Yue Feng's figure burst out, rushed over, and slapped the giant turtle's life gate with a slap in the face. above.

It's not that Yue Feng is cruel, but that he knows that these two evil beasts are beautiful, but once they help them, they will be doomed forever, so it is better to get rid of them decisively.

"Ow!"

The giant turtle was injured and couldn't dodge at all. At that time, it let out a miserable howl, and its huge body fell to the ground with a bang, and died of breathlessness. Then, its body gradually collapsed, turning into a piece of dust and idling in the void, leaving only The next dark green elixir.

Speaking of which, it is difficult to get rid of the giant turtle by relying on Yue Feng's own strength alone, but it is different when combined with the innate spiritual power of Empress Nuwa.

Gudong!

Seeing this scene, Evil Mastiff couldn't help swallowing, his six eyes were full of horror.

Chapter 4532

The evil mastiff at this time has completely lost his previous arrogance and confidence.

It would never have thought that the boy in front of him, even more cunning than himself, would betray himself at a critical moment and use the giant turtle to deal with him.

It's just too late to say anything now.

"Haha!"

In the face of the evil mastiff's plea, Yue Feng smiled lightly: "I'm sorry, senior, I won't believe a word of what you said. Don't blame me!" After the words

fell, Yue Feng turned his palm power again, divine power. It burst out and slapped directly on the top of the head in the middle.

When the giant turtle was still alive, he told Yue Feng that the fatal weakness of the three-headed mastiff was on the top of the head in the middle, so Yue Feng did not hesitate at all.

Bang!

Accompanied by a silence, the head in the middle of the evil mastiff shattered instantly, and the other two heads also let out bursts of miserable howls. In the end, Qijue died. A crimson elixir.

Yue Feng saw that the whole body of this elixir was wrapped in flames. He didn't think much about it at the time, and just put it away.

Afterwards, Yue Feng sat there cross-legged and took a break.

Three of the four innate evil beasts have already been dealt with by myself, and I don't know where the last one is left, but I don't care about that much now.

...

On the other side, the Ouyang family on the Earth's Earth Continent.

Before, one of the twelve holy demon kings of the demon clan, Yutian, came to attack. The whole family resisted desperately and suffered heavy casualties. Now that half a month has passed, Wen Chouchou and Sun Dasheng have recovered from their injuries.

However, in the past two weeks, the Ouyang family has not forgotten to keep abreast of the situation in Kyushu.

Half a day ago, there was news that Yue Feng had appeared in Fengyu Mountain in Dongao Continent, and then disappeared again. Coincidentally, Ren Yingying brought some palace guards and went to Fengyu Mountain, and then returned to Tianqi Continent. He announced the alliance with the Nagumo Royal Family and worked for the Demons together.

Upon learning of these circumstances, Wen Chou Chou was greatly shocked, and he was grateful to convene everyone to discuss.

At this moment, Wen Chou Chou was sitting in the hall, brows furrowed and his expression complicated.

Sun Dasheng, Xiao Yuruo, Wen Xiaoyu, Yue Wuya, and the others sat around, each with an extremely solemn expression.

“Brother Wen!”

Finally, Dasheng Sun couldn't help it anymore, and said angrily: “I didn't expect that Ren Yingying would be such a woman. Before, we were all blind and regarded her as our own, but now what? She actually joined the Demon Race.”

“When she had a Demon Soul, I felt something was wrong, and it took so long to reveal her true nature.”

When he said this, Sun Dasheng was very angry, you know, He has always respected Ren Yingying very much, but Ren Yingying has defected, how can he not be angry?

The voice fell, and the others around also spoke up.

“Uncle Dasheng is right.” Wen Xiaoyu took a deep breath and couldn't hide his indignation: “When this woman left, she always concealed her purpose. I didn't understand it at the time, but now I know that she was afraid that we would stop her. .”

He didn't have much contact with Ren Yingying, and only relied on instinctive judgment.

“Don't talk nonsense.”

At this moment, Yue Wuya couldn't help it, and stood up with an excited expression: “My aunt is not such a person at all, she loves my father so much, how could she have taken refuge with the demons? There must be something hidden behind this. .”

Yue Wuya has been with Ren Yingying since childhood, and knows her nature too well to do such a thing at all.

He clearly remembered that when Emperor Tianqi wanted to execute him and his mother Qin Rongyin, at the critical moment, it was Ren Yingying who took the risk to rescue him from the prison. At that time, he had nowhere to stay, and spent one night in a ruined temple.

Ren Yingying is very affectionate and sexual, and regards affection more than anything else, and doesn't care about the glory and wealth of God at all. How could such a person betray his lover and friends?

“Y'er!”

Feeling Yue Wuya's excitement, Sun Dasheng sighed and said seriously: "You don't need to speak for her, people will change. You must know that she is a descendant of the demon race, and she is full of demons in her bones. blood of the clan."

Chapter 4533

Hearing this, Yue Wuya became anxious and had to argue.

At this moment, Wen Chou Chou got a headache, stood up, and interrupted everyone's words.

"Okay, okay." Wen Chou Chou waved his hands with a bitter look on his face: "Everyone, stop arguing."

After speaking, Wen Chou Chou looked at Yue Wuya: "I understand Ya'er's mood, and speaking of it, my thoughts are like Ya'er, Yingying's younger siblings are people of temperament, have deep feelings for Fengzi, and have a tough temperament. I believe she will not betray, let alone surrender to the demons."

"There must be other things in this matter. The reason."

Hearing these words, the hall fell silent.

Sun Dasheng blushed, completely disagreeing with Wen Chou Chou's words, but for a while, he didn't know how to refute it.

"Palace Master!"

At this moment, a disciple of the Palace of Longevity walked in in a hurry, with a complicated expression, and said quickly: "Report to the Palace Master, there is a famous eunuch outside the door, claiming that he is from the Weather Palace, and said that he brought the imperial edict of the Queen."

Wow...

Hearing this, the whole hall was in an uproar.

What a coincidence, she just sent someone to talk about Ren Yingying.

At this moment, Wen Chou Chou was full of smiles, stood up and said, "Quick, please come in." You knew that Ren Yingying would never forget the Ouyang family.

Yue Wuya directly greeted him.

As for Dasheng Sun and Wen Xiaoyu, they frowned secretly. Ren Yingying suddenly sent someone here. What was the purpose?

After a while, the disciple came in with a eunuch.

“Little man Deng Chong.”

The eunuch looked respectful, and saluted at Wen Chou Chou and Da Sheng Sun, “I have seen Palace Master Wen, Sect Master Sun, your Excellencies.” His tone was humble and polite, which made people feel good.

Wen Chou Chou showed a smile, but he was also polite: “Father-in-law, sit down!”

Deng Chong humbly shook his head: “I won’t sit down. This time I brought an oral order from Her Majesty the Queen, inviting you to go to the Weather Palace for a chat.”

When he said this, Deng Chong’s face was polite and respectful, but his eyes flashed with insidiousness.

Yes, this time Ren Yingying invited Wen Chou Chou people, not to reminisce about the past, but to deal with them. The Ouyang family has a high reputation in the entire Kyushu arena, and is also the main force to resist the demons. Naturally, the demons were eradicated. first goal.

Wen Chou Chou didn’t notice the change in Deng Chong’s eyes. He nodded and said with a smile, “Okay, father-in-law, wait a moment, we are ready to leave immediately.”

In Wen Chou Chou’s mind, Ren Yingying had left before, and he must have had his own. Due to the difficulties, this time I suddenly called everyone to go to the Weather Palace for a talk, and I must be ready to explain the situation.

He believed that when Ren Yingying explained the ins and outs of the Weather Palace, the Great Sage and other doubters would let go of their prejudices.

On the other hand, Sun Dasheng was full of indignation, and said coldly: “Let’s go to the palace, just in time, I want to ask her face to face, why do you want to take refuge in the demons and demons, and you can’t get along with Kyushu.” After

so many years, Sun Dasheng has a hot temperament. No change, what to say, regardless of the occasion.

Uh...

Facing this situation, Deng Chong’s face was very embarrassed.

“Great Sage?!”

At this moment, Wen Chou Chou frowned and couldn’t help scolding: “Calm down.”

Seeing the elder brother speak, Sun Da Sheng snorted coldly and stopped speaking.

A few minutes later, Wen Chou Chou and everyone were ready, and followed Deng Chong to the Apocalypse Continent.

Along the way, Wen Chou Chou kept asking Deng Chong about Ren Yingying's recent situation and wanted to know more about it in advance, but Deng Chong was a smart person, and every time he avoided the important and fooled the past.

Finally, after several hours of traveling, Wen Chou Chou and his party finally arrived at Tianqi Imperial City.

call!

At this moment, Yue Wuya looked at the place where he grew up, with mixed feelings in his heart. The imperial city is still prosperous, but unfortunately, things are different.

Soon, under the leadership of Deng Chong, Wen Chou Chou and the others entered the Qianyuan Hall smoothly.

call!

At the moment of entering the Qianyuan Hall, I saw the civil and military officials standing quietly on both sides, each with a solemn expression, and the atmosphere was also a little dignified.

On the dragon chair in the main hall, Ren Yingying sat there quietly, wearing a delicate dragon and phoenix robe that fully showed her graceful figure.

Chapter 4534

It's just that delicate face, but it is frosty. At this time, seeing Wen Chou Chou and everyone coming in, there is no fluctuation at all.

"Brother and sister!"

At this moment, Wen Chou Chou couldn't hide his excitement. He took a step forward and bowed first, and said, "You've been gone for so long, and I'm only contacting everyone now. You don't know how much everyone is worried about you." The

voice fell . , Yue Wuya was also extremely excited, and shouted: "Auntie, we are here."

However, Ren Yingying sat there, her face blank, but she did not look happy at all.

"Bold!"

At this moment, a military general strode out and scolded coldly: "You are so bold, the Qianyuan Palace should call Her Majesty the Queen.

"

Made!

Seeing this situation, Sun Dasheng, who was already on fire, couldn't help it, and cursed: "What are you? Our family is talking, we need you to interrupt? Go away."

"What are you talking about? "The general was also angry, glaring at Sun Dasheng: "It's crazy, it's crazy." When the

voice fell, he was about to pull out his long sword and start.

Sun Dasheng was even more unwilling to be outdone, his whole body burst out, shouting: "Want to do it? Your grandfather, I have never been afraid of anyone, come on." " Okay

!"

Going down, he grabbed Sun Dasheng and said, "Calm down, why are you crazy? This is the palace, and they are right. Even if it is a family, we must obey the rules."

After speaking, Wen Chou Chou hugged Ren Yingying. Clap your fists: "It was abrupt just now, I hope Her Majesty the Queen will not blame it."

"It's okay!"

Ren Yingying's delicate face, still without the slightest fluctuation, responded with a sentence, and then waved her hand to let the general retreat.

The next second, Ren Yingying looked at Wen Chou Chou and everyone, and continued: "Everyone has been working hard all the way, drink a glass of wine to relieve fatigue, and then let's talk about business." "

Come on, have a drink!"

The palace maid entered in abundance and came to the crowd with a few glasses of wine.

"That's right."

Sun Dasheng muttered, picked up the glass and drank it, and said in admiration: "The wine in the palace is really different." At the same time, everyone Chou Chou also drank

the wine. After drinking the wine, Sun Dasheng looked at Ren Yingying and said straight to the point: "I said, brother and sister, you also drank

the wine. What happened? Should you explain it?"

The Tianqi royal family has taken refuge, isn't this plotting with the tiger and helping the emperor to abuse it?"

Shua!

At this moment, the eyes of Wen Chou Chou and others also converged on Ren Yingying.

At the same time, Wen Chou Chou couldn't help but said: "Brother and sister, if you have any difficulties, just say it directly. I believe that as long as we face it together, there is nothing that cannot be solved." The

voice fell, and Yue Wuya next to him nodded . go along.

call!

Ren Yingying's face was expressionless, she breathed lightly, and said lightly: "The demons were born from the beginning of the world, and they were born with noble blood. However, they were slandered and oppressed by those gods who pretended to be the way of heaven. Now my demons have made a comeback and dominate the world. It is the general trend, but you people are still obsessed with it."

"And I, the Apocalypse Royal Family, are descendants of the Demon Race, and it is my duty to serve the clan."

"This time I invite you to come, and I sincerely invite you to join. As long as you are willing and serve my demon clan, I promise that the Ouyang family will become the largest family in Kyushu and will prosper from generation to generation."

What?

Hearing these words, both Wen Chou Chou and everyone in Yue Wu Ya were stunned.

Especially Wen Chou Chou, who frowned, couldn't believe his ears.

How could this be?

I thought that Ren Yingying invited everyone to come to explain the reason, but she never expected that she would ask everyone to join the demons like her...

At the same time, Wen Chou Chou observed Ren Yingying's expression again, It feels wrong.

No... It's impossible for Ren Yingying to say these words. Looking at her appearance, her eyes are dull and her speech is blunt. Could it be that she is being controlled?

Chapter 4535

And at this time, Sun Dasheng also reacted and shouted at Wen Chou Chou: "Brother Wen, let me just say, she is no longer the younger brother and sister we know, she has long taken refuge with the Demon Race, but you still Have you always believed in her?"

Said, Dasheng Sun blushed and glared at Ren Yingying: "Ren Yingying, stop talking nonsense, although the Ouyang family has experienced disasters, they have never bowed their heads to any evil. You should still die."

"Let's go!" After the

last sentence fell, Sun Dasheng greeted him, turned and strode out of the hall.

Wen Chou Chou and Yue Wu Ya, with complicated expressions, were also ready to turn around and leave.

"Joke!"

At this moment, a military general snorted coldly and shouted: "Who do you think you are? The palace hall, you can come when you want, and leave when you want?"

Whoa!

As soon as the voice fell, a burst of hurried footsteps was heard, and then, thousands of palace guards came from all directions to surround the entrance of the main hall, all the people who were ugly and ugly.

"Do you want to do it?"

Sun Dasheng had a fiery temper. He couldn't bear it any longer. He looked around and shouted angrily, "I see who of you dare to stop me when I want to leave." The golden light flickered, and the Heaven-Opening Axe was firmly grasped in his hand.

A cluster of wars sparked.

The atmosphere was also extremely solemn.

"Great Sage!"

At this moment, Wen Chou Chou took a deep breath and pulled Sun Da Sheng to comfort him in a low voice: "You calm down first, I think there is something wrong with this. It seems that Yingying's younger siblings are being controlled."

Controlled?

Sun Dasheng was stunned for a moment, then laughed loudly: "Brother Wen, whether she is under control or not, in this case, we have to kill her." The

last word fell, and Sun Dasheng was about to break through, but at this moment, The body trembled suddenly, and the opening axe was almost unsteady.

broken!

It was fine just now, why is it that all of a sudden, my body is limp, and I can't exert any strength?

Not only that, but the inner strength of the dantian was also suppressed by a strange force and could not be used at all, which was clearly a sign of poisoning.

"Great Sage!"

Seeing this situation, Wen Chou Chou looked surprised: "What's wrong with you?"

Sun Da Sheng took a deep breath and gritted his teeth: "Brother Wen, we have all been brushed, this woman was poisoned in wine."

What ?

Hearing this, whether it was Wen Chou Chou or everyone around Yue Wuya, their expressions changed, and then their eyes focused on Ren Yingying who was sitting in the hall.

The next second, Sun Dasheng glared at Ren Yingying: "Okay, you are really good, you actually use such despicable means to deal with your own people.

" come out.

"Not bad!"

At this time, Ren Yingying, with an indifferent expression on her delicate face, said word by word, "The wine you drank just now contains phantom magic powder. , I advise you to give up your resistance."

"As long as you obey obediently and serve my Demon Race, I will not only give you the antidote, but also give you everything you want."

When she said this, Ren Yingying was not at all soft-hearted. Since she was controlled by the Demon Lord Gone, she has lost her emotions and desires. She has only one belief in her heart, that is to do her best for the Demon Race.

“You...”

Hearing this, Sun Dasheng was so angry that he looked at Ren Yingying in shock and anger, unable to speak.

Wen Chou Chou also sighed deeply.

Alas, this time is really a misstep, but who would have thought that Ren Yingying, who has always been wise and quick, would be controlled by the demons?

“Auntie!”

At this time, Yue Wuya couldn't help but say: “Why did you do this, have you forgotten your relationship with my father?” At this time, Yue Wuya was very excited.

He did not believe that Ren Yingying, whom he had always respected, would suddenly become so vicious that his six relatives would not recognize him.

“Love?” In

Ren Yingying's empty eyes, a ray of light flickered, and then she went down and said coldly: “Compared with the great cause of the clan, it is not worth mentioning at all.”

After speaking, Ren Yingying lost her patience: “I don't surrender, you make a decision quickly, I don't have much patience.”

The ultimate husband in Chinese chapter 4536-4540

Chapter 4536

Call!

Sun Dasheng took a deep breath and sneered: “I have already said the answer just now. Our Ouyang family will never bow to any evil. You should die.” After

speaking, Sun Dasheng looked around and said to everyone: “Now, let's stop talking nonsense, let's rush out and talk about it.”

“Okay!”

“Listen to the great sage.”

Hearing this, Yue Wuya, Wen Xiaoyu, and Wen Chou Chou all nodded their heads. , they were about to break through, but as soon as they were about to use their internal power, the poison of the Magic Magic Powder immediately broke out.

In an instant, everyone's heart trembled, their hands and feet trembled, and they couldn't exert any internal strength.

"Oops, my power seems to be imprisoned!"

"Me too..."

Before he finished speaking, all of Sun Dasheng collapsed to the ground without exception.

"It's really too much!"

Seeing this scene, Ren Yingying snorted coldly, slowly stepped down from the throne, walked out of the hall and looked at the crowd: "Light of Firefly, also delusionally want to compete with Haoyue? I gave it to you on behalf of the Demon Race. If you don't cherish several opportunities, then don't blame me for being cruel."

"Come here, put all of them on death row, and when they catch other sects who resist, they will be executed together."

"Yes, Your Majesty. "

After hearing the order, dozens of royal guards hurried over and put Wen Chou Chou and everyone on the death row.

This chapter is provided by . Visit for daily update.

...

At this moment, God's Domain!

In the Infernal Shadow Prison, where Yue Feng was sitting cross-legged, after adjusting his breath for a while, he only felt that the whole person was refreshed.

See how to get out.

The next second, Yue Feng flew up and probed the Infernal Shadow Prison again.

Nima!

Half an hour passed quickly, and what made Yue Feng depressed was that the endless shadow prison in front of him seemed to be endless, and there was no edge at all.

“Huh? Someone!”

Just when Yue Feng was extremely depressed, suddenly, a suspicious voice came from the void behind him. In an instant, Yue Feng’s heart was shocked, and he quickly looked back.

hiss!

Seeing this, Yue Feng couldn’t help gasping for air.

I saw that above the endless void, a huge giant beast was quietly suspended. This giant beast looked similar to a tiger, but it was dark and covered with white stripes. Violet lightning flashed all over his body.

Yue Feng saw that this giant beast was 100 meters long and tens of meters high. From a distance, it looked like a hill, and the aura that erupted around it was stronger than the giant turtles and bad mastiffs he had encountered before. .

What the hell!

After being stunned for more than ten seconds, Yue Feng recovered, and his heart was extremely shocked.

This is the last evil beast.

Yue Feng guessed right, this is the last evil beast, fierce.

Among the four congenital evil beasts, Xiebiao ranked first in strength and was the most violent and ferocious. Originally it was resting in this area, but suddenly it sensed the aura of human beings and followed.

“Interesting!”

At this time, Xie Biao observed Xia Yuefeng, and his fierce temperament was instantly aroused: “This kid seems to be ordinary, but there is such a pure innate power in his body?”

“Roar!”

The voice fell, and the fierce Biao let out a roar, and the sharp claws swung violently, and in an instant, a purple lightning tore apart the world and bombarded towards Yue Feng.

Nima!

Seeing that flash of lightning, Yue Feng was extremely frightened and furious. These four evil beasts are really more ruthless than each other. I didn't provoke you, so I just started?

Thinking to himself, Yue Feng didn't dare to fight hard, so he quickly moved his figure and narrowly avoided the lightning strike.

"Hooho..."

Seeing this scene, Xie Biao completely broke out with ferocity. He kept roaring, and thunder and lightning struck again, and all the retreats around Yue Feng were blocked.

At that time, Yue Feng didn't have time to think about it, so he hurriedly urged his energy and deployed a protective film in front of him.

Boom boom boom...

Thunder and lightning continued to bombard the protective film, and the terrifying power was barely blocked, but the powerful aura vibrated, making Yue Feng pale.

"Interesting."

At this time, Xie Biao stopped the lightning attack and looked at Yue Feng with great interest: "I didn't expect that you, a small human being, could block my lightning strike." As

he spoke, Xie Biao's eyes flickered and his tone of voice flickered. There is no doubt: "Boy, honestly, who are you? How come you are here? Also, where did the innate power in your body come from?"

Chapter 4537 It's

over!

Feeling the fierce power of Fierce Biao, Yue Feng couldn't help swallowing his saliva, secretly anxious.

When dealing with the Mirage before, you can use the Qingming Demon King to divert its sight, and when dealing with the Evil Mastiff and the Giant Turtle, you can let them 'fight with snipe and clam' to take advantage of the fisherman.

At this time, there is only one person around, and there is no one to divert Xie Biao's attention. What should I do?

To face it head-on is to seek death.

In this situation, it can only rely on courage and luck.

Thinking to himself, Yue Feng concealed his inner panic and smiled at the fierce Biao: “My name is Yue Feng, and the innate power in my body was passed on to me by Empress Nuwa herself.”

What?

Hearing this, Xie Biao was very surprised, looking at Yue Feng with complicated eyes: “Ms. Nuwa passed it on to you in person? How can you be a boy?”

As the leader of the four evil beasts, Xie Biao naturally knowing Empress Nuwa, you must know that she is the eldest disciple of the Great Ancestor of the Great Desolation. Even the God of Nine Heavens will give three points to him when he sees him, but this kid in front of him is ordinary, and he really doesn't see anything special.

Ha ha...

Seeing Xie Biao puzzled, Yue Feng smiled slightly and said: “It's very simple, because I am the key to fighting the demons, and the innate spirit stone has already made a prediction, otherwise, the mother of Nuwa will not Trust me so much.”

When he said this, Yue Feng had a proud look on his face.

Yes, Yue Feng's plan is very simple, that is, his identity is too high, so that Xie Biao does not dare to act rashly. You must know that in this situation, you must show strength with the enemy in order to have a chance of survival. Once you show the slightest cowardice, you will fall into a situation of doom.

The prophecy of the innate spirit stone?

At this moment, Xie Biao fell silent. It is said that the innate spiritual stone only prophesied once every ten thousand years, and every time it prophesied a major event that would turn the world around. The boy in front of him was actually the protagonist in this prophecy?

Incredible.

“Hahaha...”

Under the doubts, Xie Biao reacted, laughed upright, and mocked at Yue Feng: “Boy, I have to say that you are very brave and smart, and you want to use this method to scare me, However, I don't dare to shoot at you, right?”

“But unfortunately, you made the wrong calculation. Today, even if you broke the sky, you can’t escape death. I think you should surrender your innate strength obediently and die with peace of mind. “

Om!

The voice fell, and a violent and terrifying force erupted from Xie Biao’s body, rushing towards Yue Feng.

Nima!

Seeing this situation, Yue Feng was shocked and angry.

Seeing that the sharp claws of the fierce Biao were about to be slapped over, Yue Fengxiao shouted in a hurry: “Wait a minute!”

Shua!

When the words fell, Xie Biao suddenly stopped, and looked at Yue Feng with a half-smile, full of contempt: “What? There are still last words to say?”

Yue Feng stood proudly and said indifferently: “I think you are really not afraid of death, have you seen this thing? This is the end of provoking me.” With that, Yue Feng took out the three spiritual pills he had obtained earlier.

These three elixir are the essence of the mirage dragon, the evil mastiff and the giant turtle after they died.

At this time, Yue Feng’s face seemed to be cold, but his heart was nervous to death.

Nima, this is the last fight, if it doesn’t work, then it’s dead.

What?

Seeing the three spirit pills, the fierce and huge body suddenly shook, and the heart was also inexplicably frightened, and the voice trembled: “Then... those three guys died in your hands?”

Look Its reaction, Yue Feng knew that there was a chance, he chuckled and said indifferently: “Why not?”

At this moment, Xie Biao panicked.

This...

Mirage Dragon, Giant Turtle and Evil Mastiff, all of them are not low in strength, and they all died in his hands. Could it be that what he said just now is true?

Because the four evil beasts each have their own territory, Xiebiao had no idea how the Mirage three-headed evil beast died before.

At this moment, Xie Biao thought in his heart, lost his previous arrogance, and asked cautiously, "Dare to ask Your Excellency, why did you suddenly come to the Unbounded Shadow Prison?"

"Friendship can be said, but suddenly all three opponents are dead, whoever changes them will panic in their hearts.

Chapter 4538

After all, Mirage knows the three strengths of Mirage too well.

Even the three of them are not the opponents of this kid, let alone myself.

Hahaha....

Sensing the change in Xie Biao's eyes, Yue Feng was indescribably excited and excited.

Great, I finally stunned this evil beast.

Thinking of this, Yue Feng made a very indifferent gesture, and said lightly: "Now, the Divine Realm is facing unprecedented challenges. The demons are making a comeback, trying to invade the Yutian Palace and dominate this Divine Realm."

"In this case, Nuwa Niangniang specially ordered me to come to the Unbounded Shadow Prison and invite you four big evil beasts to help the God Realm deal with the demons. Niangniang said, as long as you four evil beasts serve faithfully, past mistakes will be written off."

"Who knows, Mirage. The three are obsessed, and their evil nature is hard to change. After listening to my call, not only did they not swear allegiance, but they also wanted to take action against me. As a last resort, I had to completely eradicate the three of them." At the

end, Yue Feng watched with burning eyes. Zhi Xiebiao: "I was looking for you just now, but I didn't expect you to show up on your own initiative. I've made the situation clear, and you can express your attitude."

"If you are loyal, you have a bright future.

The words were dignified and unquestionable.

This...

At this moment, Xie Biao froze there, silent for a long time.

Finally, a few minutes later, Xie Biao made up his mind and lowered his arrogant head towards Yue Feng: "Xi Biao is willing to surrender, assist Your Excellency, and fight against the demons." The

last word fell, and Xie Biao even bent his limbs and prostrate on the ground. , it is the performance of surrender and showing weakness.

At this time, Xie Biao still didn't know that Yue Feng's words just now were completely improvised.

Haha...

Seeing this scene, Yue Feng was extremely excited.

He never imagined that his nonsense would actually stun this fierce and stubborn man.

Excited, Yue Feng smiled and raised his hand at Fierce Biao: "Well, your attitude is not bad. Knowing that the cliff is restrained, I will forgive you for being rude just now. Let's go, let's get out of here together.

" Yes, Your Excellency."

Xie Biao responded quickly, then leaned down, carrying Yue Feng and quickly left the Infernal Shadow Prison.

Speaking of which, it is impossible to leave the Infernal Shadow Prison with the strength of Fierce Biao alone, but with the help of the innate power in Yue Feng's body, all problems can be solved easily.

...

on the other side, God's Domain.

In the black palace inside the Demon Sealing Mountain.

The Demon Lord Gone was sitting there with a gloomy face. Although he successfully captured Yue Feng and locked him in the Infernal Shadow Prison, his confidants were no longer in trouble, but the Qingming Demon King disappeared inexplicably.

Coupled with the various abnormal performances of the Qingming Demon King before, Gone realized that this subordinate might be controlled.

Perhaps, the plan he had arranged before was also leaked.

Whoops!

At this moment, several figures entered the hall one after another. It was the Demon Kings of Neisheng and Zhusheng. They were sent out to find the traces of Qingming, but they all came back without success.

Whoa!

At this time, looking at the cautious appearance of several demon kings, Gone suddenly guessed what Leng Leng was, and asked coldly: "I didn't find it?"

"

Said: "My subordinates have searched the entire vicinity of Fengmo Mountain, but they have not found any trace of Qingming."

Demon King Neisheng said: "When I came back just now, my subordinates inquired, and a soldier once saw that Qingming was I went to the direction of the Infernal Shadow Prison a day ago, and now, my subordinates have brought that warrior here." As

he spoke, the Demon King of Indifference waved to the outside of the hall, and immediately a demon warrior walked away quickly. Come in.

What?

At this moment, Demon Lord Gone frowned, inexplicably burning.

What did Qing Ming go to the Infernal Shadow Prison for?

Afterwards, Mozun looked closely at the soldier: "Did you really see Qingming going to the Infernal Shadow Prison?" "

Yes!"

Dare to ask more."

Phew!

Hearing the answer, Gone's face became more and more gloomy, and he waved his hand to let the soldier back down, then looked around and asked, "What do you think about this matter."

Zhu Sheng and several demon kings looked at each other. They all look complicated and don't know how to respond.

Chapter 4539

"Your Majesty!"

After a few minutes of silence, the Demon King of Reckless Life took a step forward and said respectfully: "In my opinion, Qing Ming must have betrayed our Demon Race, and he went to the Infernal Shadow Prison just because he wanted to. We must rescue Yue Feng."

"But as we all know, the Infernal Shadow Prison is full of dangers, and there are four evil beasts in it. Even if Qing Ming and Yue Feng join forces, they can't escape death."

Speaking of this, the Demon King of Indifference became serious: "In my opinion, the most important thing for us now is how to deal with the realm of the gods."

"Yue Feng is dead, and the biggest trouble of our demons is gone. Moreover, the primordial spirit of the ancestors of the Great Wilderness is still in our hands. It can be said that, We are already invincible."

Phew!

Hearing these words, Gone was in a very happy mood, smiled and said: "Reisheng said it well, now we have a certain victory, but our demon warriors are less than 20,000, how to win in a head

- on confrontation?" Scratching his head: "We can use the primordial spirit of the ancestors of the Great Desolation to continue to threaten Jiutian Xiaoer."

"No!"

As soon as the voice fell, the Demon King of Jutian, who had been silent, immediately stood up and vetoed: "Last time we used the primordial spirit of the ancestors of the Great Desolation. , to exchange for Yue Feng, something has gone wrong."

"That Jiutian Lao'er is not a fool, and he can't be fooled again."

Hearing the rebuttal, the Demon King of Unsung was a little anxious: "Then what do you say?"

Hehe!

The Demon King Jutian smiled slightly, bowed to Gone, and said slowly: "Your Highness, I really have a way, I don't know if it's feasible."

“Come on!” Gone urged.

Demon King Yutian took a deep breath and said with a smile: “We can do this, deliberately releasing a fake news, so that Jiutian Laoer mistakenly thinks that the ancestor of Honghuang is locked in a place, that Jiutian is the disciple of the ancestor of Honghuang, after he finds out, he will definitely Find a way to rescue them. When the time comes, we will set up an ambush, wait for work, and catch them all.”

“If Jiutian rescued them personally, it would be best, but if he didn’t go out in person, we wouldn’t be at a loss.”

Hahaha...

heard At this, Gone was overjoyed, nodded in approval and said: “Okay, very good, this is a good way, Jutian, I will leave this matter to you.”

“Yes, your honor!” Jutian Demon King responded

, Just walk out of the palace.

...

On the other side, the Imperial Palace.

The Nine Heavens God sat on the throne with a gloomy expression on his face.

The priests below all had solemn expressions on their faces, and they did not dare to let out the air.

Previously, Yue Feng was used to exchange the primordial spirit of the ancestors of Honghuang. As a result, there was an accident. There was no primordial spirit in the soul-suppressing magic stone given by the demons. Not only that, Yue Feng was also robbed by the other party.

What annoyed the Nine Heavens even more was that there was no news from the Empress Nuwa, as if she had disappeared.

Nuwa is the senior sister of Jiutian God. In many things, Jiutian God needs to seek Nuwa’s opinion. Suddenly Nuwa is not there, and Jiutian God seems to have no backbone.

At this time, the more and more the God of Nine Heavens thought, the more anxious he became, and he was very angry.

Seeing this situation, the priests standing on both sides did not dare to speak rashly.

“His Majesty!”

At this moment, Haotian Divine Sovereign took a step forward and couldn't help but said: “In my opinion, let's directly send a large army to besiege Fengmo Mountain. Nagone's troops are less than 20,000 troops, which is not enough to be a problem at all.

” He shook his head: “No, the primordial spirit of the ancestors is still in their hands, I can't take risks.”

Alas...

Hearing this, Haotian Shenjun sighed heavily, and was also inexplicably annoyed.

Mad, the current situation is too passive for God's Domain.

At this moment, a god general quickly approached the Yutian Palace and respectfully said to the Nine Heavens God: “Your Majesty, when your subordinates were patrolling around the floating island, they found a group of demon warriors sneaking, and their subordinates launched a surprise attack. , I captured one and came back.”

Floating Island?

Hearing this, whether it was the Nine Heavens God, Haotian God Monarch and the surrounding priests, they all frowned secretly.

Floating Island is located a hundred miles northwest of Fengmo Mountain. The environment there is harsh, and there are turbulent voids everywhere. What are the Demon Race warriors doing there?

Thinking to himself, Jiutian God's eyes flickered, and he waved his hand: “Bring in the demon warrior who caught him.”

Chapter 4540

“Yes, Your Majesty!” After

receiving the order, the god general responded and walked out quickly. After a while, he brought in a demon warrior who was tied up with five flowers. He was indifferent and fearless. .

This demon warrior is called Tali, and it was sent by the Demon King of Jutian to deliberately pass false news to the God of Nine Heavens.

“I ask you!”

At this time, Jiutian God looked at Tali with a burning gaze, and asked coldly, "What are you demons doing on the floating island?"

Phew! Tali took a deep breath and looked

at the God of Nine Heavens without any fear: "Why do we need to tell you when we act as demons?"

"

Speak, court death!"

However, Tali did not show weakness, and said coldly: "This is your majesty, not mine, the demon warriors only allegiance to my family, your majesty, why should I respect you?"

Mad!

Haotian Shenjun was furious and wanted to go up to teach him a lesson, but was stopped by Jiutian God.

"Haotian, don't be impatient."

At this time, Jiutian God gave Tali a deep look, and then directed at the god next to him, "Search him to see if there is anything strange."

Mo zu There must be a reason for suddenly sending his men to the floating island.

The god would walk over quickly, and soon found a few spells, and saw that the spell was blue, filled with evil power, and it was the unique 'locking amulet' of the demon race.

call!

Seeing the lock talisman being found, Ta Li was very shocked and angry, but his eyes flashed with cunning.

Yes, these talisman locks are the Demon King Qingming, who deliberately put them on his body, the purpose is to make Jiutian God suspicious.

"Your Majesty!"

At this time, the god will present the lock talisman to the Nine Heavens God.

Swish!

Seeing the lock talisman, Jiutian God's face instantly turned gloomy, and looked at Tali coldly: "What are you doing with so many lock talismans?" At the same time as asking, Jiutian God's eyes were full of urgency.

You must know that the main purpose of the magic lock talisman is to control the primordial spirit.

The situation in front of him is very obvious, so many lock spirits, I am afraid they are used to control the master. How can this make the Nine Heavens God not excited?

"Haha!"

However, Tali smiled disdainfully, and said lightly: "These are the rewards I got, what's the problem?"

At this moment, Haotian Divine Sovereign couldn't help it and shouted: "I still want to fool us. Well, you are a little warrior, it is impossible to have so many magic locks, you can explain it honestly, or you will suffer."

At this time, the god of the sky also guessed that the magic lock on the demon warrior in front of him must be It is used to control the primordial spirit of the ancient ancestors.

call!

Feeling the anger of Haotian Divine Sovereign, Ta Li's eyes flickered, and he was a little panicked.

At this time, Jiutian God lost his patience, and said coldly: "I don't want to say yes, okay, come on, prepare the Xuanlei formation, let him experience the taste of

Jiutian Xuanlei." Whoops!

The words fell, and several divine soldiers came over quickly, and they were about to take the tower out. At the same time, Haotian Divine Sovereign also went to prepare the Xuanlei Great Array.

Xuan Lei Great Array?

At this moment, Tali's face changed greatly, and he was extremely terrified: "Forgive your life, spare your life, I said, I said..."

After saying that, Tali knelt there all of a sudden, and said in fear: "These lock spirit charms, Yes... it is used to control the primordial spirit of the ancient ancestors, but this is all ordered by my family, and it has nothing to do with me."

As expected!

Seeing that Tali finally surrendered, Jiutian God was extremely excited, but his face was extremely cold: "Tell me, where is my master being imprisoned?"

"It's on the floating island." Tali made a very nervous look: "My honor is, I am afraid that the primordial spirit of the ancestors of the prehistoric will be discovered by you, so we specially built a soul tower on the floating island to trap his primordial spirit, and then ordered us to stick to it day and night, in order to avoid the ancestors of the prehistoric. Escape, every half a day, we will use the lock talisman to deepen the control of the primordial spirit of the ancient ancestors."

At the end, Tali kept kowtowing: "Your Majesty, I beg you to get around me, I just Do as ordered..."
