

## The ultimate husband in Chinese chapter 4551-4560

Chapter 4551

When he said this, Gone looked confident.

Speaking of which, Gone knew a little about Yutong Xianweng. He knew that he was well-versed in the past and the present, and he had a lot of achievements in various fields. If Jade Child Xianweng came in person, he might be able to break the blood sacrifice formation, but it would take some time. .

In front of Jiuxiao, as a disciple of Yutong Xianweng, it will take longer to break the blood sacrifice formation.

In this case, Gone deliberately set the time for ten tones, because it was impossible for the opponent to break the blood sacrifice array within ten.

call!

At this moment, the surrounding demon warriors all smiled and watched with cold eyes.

Within ten times, no one could break the Heavenly Demon Blood Sacrifice Great Array.

This kid loses.

Done!

At the same time, the Nine Heavens God and those divine soldiers and generals were also anxious and extremely angry at the same time.

This Demon Lord Gone is too cunning to draw up rules.

In just ten short beeps, how could it be possible to break this mighty blood sacrifice formation?

However, Yue Feng had a leisurely look on his face, nodded at Gone and said, "Okay, just as you said, within ten times, if I can't break it, then I will lose."

What?

Hearing this, the audience burst into an uproar again.

This chapter is provided by . Visit for daily update.

Whether it was the demon warriors or the Nine Heavens God, they were all stunned, looking at Yue Feng in disbelief.

Such harsh rules, this kid actually agreed?

call!

Demon Lord Gone was also stunned there, frowning secretly.

This kid promised so happily, could it be that he knows how to break the formation? But this is the end of the matter, and it is useless to go back on it. At that time, he nodded: "Okay, then let's start." The

voice fell, and Gone began to count the number.

"Ten!"

"Nine..."

Gone shouted unhurriedly, but only read two numbers, Yue Feng still stood there without moving.

For a time, the Nine Heavens God was so anxious that his heart almost jumped to his throat. Does this kid understand how to break through the formation?

He didn't know that at this time, Yue Feng seemed to be careless, but he was actually observing the Great Demon Blood Sacrifice Array in front of him.

The Heavenly Demon Blood Sacrifice Array is unpredictable, and there are 108 ways to deploy it, and what Gogne deployed today is different from what he deployed on the Demon Sealing Mountain.

But this can't be difficult for Yue Feng. When he first saw the Great Demon Blood Sacrifice Formation in Fengmo Mountain, he could see that half of the eighteen pillars of the blood formation were positive nine palaces and half were anti-nine palaces.

The positive nine palaces are yang, and the opposite nine palaces are yin.

Therefore, the only way to break this formation is the two pillars at the junction of the front and back nine palace formations. As long as those two pillars are destroyed, the blood formation will be resolved.

At this time, Yue Feng was rapidly deducing the position of the junction of the positive and negative nine palaces.

Haha...

At this time, seeing Yue Feng standing there, frowning and contemplating, not moving, many demon warriors couldn't help but burst into laughter.

“With this little skill, you still dare to make a bet with Zun Shang?”

“Looking at his appearance, I don’t know anything about our blood sacrifice formation.”

“I really don’t know where his courage came from.”

At the same time, Gogne was originally a little worried, but now he also showed a smile.

Ten numbers have already been shouted, and this kid hasn’t acted yet. It seems that he has been thinking too much before and overestimated his ability.

Thinking to himself, Gogne called out the next number: “Four!”

Whoosh!

It was at this moment that Yue Feng moved, like a thunderbolt, and almost reached the junction of the front and back nine palace formations in the blink of an eye.

Crack....

The next second, Yue Feng activated the power of his primordial spirit and slapped directly on the two key blood pillars. He heard a burst of cracking sound, and the blood pillars gradually shattered and dissipated.

At the same time, the Nine Heavens God and those divine soldiers and generals clearly felt that the powerful pressure brought by the blood formation dissipated a lot at once.

Did it work?

For a time, the Nine Heavens God was overjoyed, so excited that he was almost speechless.

The surrounding gods and soldiers were also completely stupid. They didn’t expect that the Jiuxiao in front of them really broke the blood sacrifice formation of the demons, and it was still within ten short beeps.

Simply incredible.

Chapter 4552

Boom boom boom... In

less than ten seconds, accompanied by an earth-shattering roar, the entire Heavenly Demon Blood Sacrifice Array collapsed completely, and the aura of the scattered formation also dissipated between heaven and earth.

quiet!

For a while, the entire floating island was silent, and a drop of a needle could be heard clearly.

Especially the surrounding demon warriors looked at Yue Feng in astonishment, their eyes almost falling out.

This... This kid actually did it, and within ten sounds, he broke the blood sacrifice formation.

How can it be?

If you hadn't seen it with your own eyes, who would have believed it?

"Your Majesty Demon!"

At this moment, Yue Feng stood there proudly, looking at Gone with a half-smiling smile: "You said it yourself, within ten times, you lost, as the Supreme Being of the Demon Race, you won't Talking doesn't count, right?" The

voice was not loud, but it spread throughout the floating island and couldn't be refuted.

Swish!

The voice fell, and all the eyes of the audience suddenly converged on Gone.

In particular, the Nine Heavens God and those divine soldiers and generals all looked extremely complicated.

The gods and demons have been fighting each other for so many years. It can be said that the situation is endless, and this Gonie is even more cruel and ruthless. This time, it is difficult to besiege the Nine Heavens God, and the next step is to control the realm of the gods. I just made a bet to lose to this Jiuxiao. Won't get angry and tear up the bet?

call!

Under the gazes of the audience, Demon Lord Gone's face was extremely gloomy, he took a deep breath at that time, and said coldly to Yue Feng: "Okay, very good, I never imagined that Yutong Xianweng's subordinates could have such intelligence. Excellent apprentice, you won the bet this time."

"The deity speaks his mind, and what he has said will naturally count. If you win, you can take Jiutian's child away."

When he said the last sentence, the demon covered up. Incessantly annoyed.

To be honest, he didn't want to admit defeat like this, but he had no choice. I bet that both the enemy and us saw it. If we go back on our word, where will we put our face in the future?

More importantly, behind this Jiuxiao, there are immortals like Yutong Xianweng, who really can't afford to offend.

"Your Highness!"

At this moment, the irritable Candle Saint Demon King couldn't bear it any longer, and came out anxiously: "Your Highness, don't let them go, this time we carefully deployed, and we finally got stuck. Nine Heavens God, if you give up, I'm afraid you won't have a chance in the future." The

voice fell, and the other demon warriors around also spoke up.

"Yeah, Your Honor, you can't just let it go."

"You can't miss this opportunity and don't come again." "Your Highness, think again."

, is also hesitant.

Yes, if the Nine Heavens God is released this time, it will be difficult to catch him in the future.

broken.

Seeing this scene, Yue Feng was secretly anxious. If this Demon Lord Gone really blundered, it would be troublesome. He and Jiutian God are not his opponents.

Anxious, Yue Feng did not hesitate, and bowed his hands to the Demon Lord Gone: "As expected of the Demon Race Supreme, he really has the courage. If that's the case, then I will take the Nine Heavens God away, and we will have a future."

Taking advantage of the Demon Lord Gone Haven't changed your mind yet, go away.

The last word fell, and Yue Feng greeted the Nine Heavens God and the gods and soldiers, and quickly walked towards the Yutian Palace. In the blink of an eye, he rushed out of the floating island.

"Chase!"

Until this moment, the Demon Lord Gone made his final decision, his eyes flashed coldly, and he shouted: "Stop them."

At this time, the Demon Lord Gone had already thought about it.

The surrounding subordinates said that the opportunity must not be lost, and it will never come again.

If the Nine Heavens God is released this time, it will be difficult to arrest her again in the future. Compared with the future of the entire Demon Race, his face is simply insignificant.

Whoa!

The voice fell, and the candle saint demon kings who had already prepared, did not hesitate at all, and urged their figures to catch up. However, it was already too late at this time, seeing the vast sky, how could there still be the figures of Yue Feng and the others?

Made!

At this moment, Demon Zun Gone's face was extremely gloomy, his eyes were fixed on the place where Yue Feng left, and he said fiercely: "Jiuxiao, this deity remembers you, the next time it falls into the hands of this deity, it is better than letting you survive. Can't beg for death."

Chapter 4553

At this time, the Demon Lord Gone still doesn't know that Jiuxiao, who bet with him just now, is not a disciple of Yutong Xianweng at all, but Yue Feng, who was thrown into the Infernal Shadow Prison by him before.

.....

On the other side, Yue Feng took the Nine Heavens God and his group, fled in a hurry, and finally returned to the Yutian Palace.

At this time, the God of Nine Heavens, a messy golden dragon robe, covered with blood, was very embarrassed, where is the majesty of the ruler of the gods?

Um?

The moment he returned to the Imperial Palace and saw the scene inside, the Nine Heavens God was stunned.

In such a huge palace, apart from the guards of the gods and guards, how can there be a shadow of the immortals outside the sky?

"Friend Jiuxiao." In the

next second, Jiutian God looked back at Yue Feng and couldn't help asking: "Dare to ask, where are Ling Zun and other immortals." At this time, Jiutian God had realized that the previous floating Shimayuefeng was deliberately trying to scare the Demon Lord Gone, but he couldn't help but ask.

Daoyou is an honorific title in the domain of the gods, similar to the 'comrade' in the Kyushu rivers and lakes.

Hehe...

Yue Feng smiled slightly, no longer concealed at this time, and said: "Your Majesty, my master and those immortals are not here at all. Previously on the floating island, I deliberately fooled the demon."

Seeing him say it himself, Jiutian God greatly praised: "It's really admirable that fellow Taoist has such courage and courage."

Hearing the praise, Yue Feng's face was full of humility.

But the heart is sneer again and again.

The Nine Heavens God thought that he was a disciple of Yutong Xianweng, so he would be so polite. If he knew that I was Yue Feng, he would have another face.

Forget it, don't care so much. His daughter, Princess Tanglin, sacrificed her life to help me reborn, so what is she doing so much?

Thinking of Princess Dongling, Yue Feng couldn't help feeling a little tingling in his heart.

Strange to say, Yue Feng didn't have much affection for Princess Dongling, but he learned from the mouth of Yutong Xianweng that Princess Dongling sacrificed her life to Faye Red Lotus in order to make him reborn, and she felt very sorry.

After a few words of greetings, Yue Feng suddenly thought of something, took out the piece of fine jade that the Empress Nuwa had transformed into, and handed it over to the God of Nine Heavens: "Your Majesty, Empress Nuwa asked me to hand it over to you at this time. "

Yuanshen Jingyu?

The moment he took over Jingyu, he felt the familiar aura inside. Jiutian God trembled. He guessed something at the time, and said sadly: "My senior sister.... senior sister she..."

As Nuwa's junior brother, God of the Nine Heavens is very aware of the strength of Empress Nuwa. In the entire Divine Realm, there are very few that can force her to give up the primordial spirit, unless she encounters an irreversible desperate situation.

Ugh!

Seeing Jiutian God's expression, Yue Feng sighed in his heart, and said what he had thought before: "At that time, when I was passing through the Infernal Shadow Prison, I met the Empress Nuwa. At that time, he wanted to rescue Yue Feng, so he gave up. Your own primordial spirit..."

Yue Feng was very cautious at this time, not revealing his true identity, but saying that he had accidentally met Nuwa's false appearance.

"At that time, the goddess told me everything. In fact, the demons did everything possible to capture Yue Feng, because the innate spirit stone predicted that Yue Feng was the last key to fighting the demons, so they finally threw Yue Feng into the Infinity Shadow. Prison."

"And in order to save Yue Feng, Niangniang sacrificed her own primordial spirit decisively."

When she said this, Yue Feng kept paying attention to the changes in Jiutian God's expression.

Infernal Shadow Prison?

Hearing these words, Jiutian God was shocked, completely stunned there, unable to calm down for a long time.

"Fellow Daoist!"

Finally, Jiutian God reacted and said gratefully to Yue Feng: "Thank you for bringing back the fine jade of senior sister. By the way, do you know about Yue Feng's situation?"

Speaking of which, Jiutian God expressed his gratitude to Yue Feng. Without the slightest affection, when Princess Dongling married him, it was out of frustration, in order to take care of the royal face, and at this time, knowing that Yue Feng was the key to fighting the demons, Jiutian God began to reposition Yue Feng in his heart.

Perhaps, his previous view of Yue Feng was too narrow.

Yue Feng didn't know what the Nine Heavens was thinking at this time, and replied, "I don't know either, but the Empress said at the time that Yue Feng should be able to leave the Infernal Shadow Prison safely with the power of her Primordial Spirit."

## Chapter 4554

Hmm!

Jiutian God nodded and smiled bitterly: "Thank you fellow Daoist for telling me this! Please sit down!" After speaking

, he arranged for Yue Feng to sit next to the throne, which is a great honor.

Afterwards, the Nine Heavens God summoned the priests to discuss the ambush of the floating island. The Nine Heavens God was extremely annoyed at the thought of being almost captured by the Demon Lord Gone.

The primordial spirit of the ancestors of the Great Wilderness was not found, and he was almost arrested, which is a shame.

Soon, the priests rushed to the Yutian Palace, and the atmosphere in the hall was heavy.

Knowing that the Nine Heavens God was trapped, these priests were even more trembling, and they didn't dare to come out. They didn't rush to rescue in time, which was a serious dereliction of duty.

However, the Nine Heavens God did not have the energy to ask sins.

"Everyone!"

At this time, Nine Heavens God looked around and said coldly: "Master Yuanshen has not yet gone, I have been so humiliated today, I can't swallow this bad breath, I am ready to launch a full-scale war with the demons. , what advice do you have?" Feeling

the

wrath of the Nine Heavens God, the priests looked at each other and didn't know how to answer for a while.

"Your Majesty." One of the priests came out and said cautiously: "I think we need to discuss this matter from a long-term perspective. After all, the primordial spirit of the ancestor is still in the other's hands." The

voice fell, and the other priests nodded in agreement. .

"Yes, Your Majesty, you can't be reckless about this."

"We can't take risks with the primordial spirit of our ancestors."

“Think again, Your Majesty!”

The voices of dissuasion kept coming, and the Nine Heavens God couldn't listen to him at all, and said angrily: “Shut up for me, the demons deceived people too much. First they controlled the master, and before they tried to capture me alive.”

“Such a shame, I swallow . If you don't go on, don't persuade you, my mind has been made up.”

“This matter can't be delayed, if you continue to delay it, you will become more and more passive.”

Phew...

Seeing that the Nine Heavens God was angry, all the priests hurriedly closed their doors. mouth.

At this moment, the Nine Heavens God was furious, and looking at the eyes of the priests, he was also full of disappointment.

What a bunch of rubbish, you can't count on it at the critical moment.

Annoyed in his heart, Jiutian God turned his eyes to Yue Feng and said sincerely, “Friend, do you have a good plan?” As he spoke, his eyes were full of anticipation.

This Jiuxiao, who can break the Heavenly Demon Blood Sacrifice Array within ten times, is simply a genius of the sky, and there must be a way to deal with the Demon Race.

Swish!

At this moment, the eyes of the entire Yutian Palace were all focused on Yue Feng.

Yue Feng took a deep breath, pondered, and said slowly: “Your Majesty, if you want to deal with the demons, you can't do it head-on, even though the demons are not strong enough at this time, and a large-scale war is not an opponent of Yutiangong, but what you said just now That's right, the primordial spirit of the ancestors of Honghuang is still in the hands of the other party. We have to take care of it.”

Hearing this, Jiutian God frowned secretly, very disappointed.

Even he said so, is it necessary to endure the humiliation today?

However, at this moment, Yue Feng showed a smile and continued: “However, I just thought of a solution, I don't know if it is feasible or not.”

“Fellow Daoist, tell me quickly.” .

Huh....

Yue Feng breathed a sigh of relief and said slowly: “At that time, Empress Nuwa occupied the body of the Qingming Demon King, and after breaking into the Infinity Shadow Prison to help Yue Feng, she left the Qingming Demon King’s body in the Infinity Shadow. Prison.”

“This matter, the demons are still kept in the dark. My plan is very simple. I will find an opportunity to capture a demon warrior, then occupy the body, pretend to be the demon king of Qingming, and return to the demons to explore the prehistoric world. The news of the ancestor.”

“This is to dispel the doubts of the Demon Lord Gone. After all, he has directly transformed into the Demon King of Qingming, but he has no demon soul in his body, and his identity can be easily exposed.”

When he said this, Yue The wind is confident.

Because Demon King Qingming died in the Infernal Shadow Prison, only he knew about it.

Whoa!

Hearing this plan, the entire Yutian Palace burst into flames, and all the priests were excited.

Such a good way, why didn’t you think of it?

“Okay!”

Jiutian God was also overjoyed, nodding his head in approval: “This method is wonderful.”

Chapter 4555

said, what did Jiutian God think of, why is it: “It’s just, who is going to hand over such an important task?”

In the entire Yutian Palace, only Haotian Shenjun is qualified for this plan, but he was in Futian before. During the battle on the empty island, Haotian Shenjun was still in a coma.

Swish!

Just when Jiutian God was secretly struggling, Yue Feng slowly stood up and said with a smile, "I came up with this method, or I'll go for it."

When he said this, Yue Feng's face was firm and unquestionable.

Speaking of which, Yue Feng didn't want to take such a risk, but how could the ancestors of the prehistoric have a kindness to him, and then the Empress Nuwa dedicated her power of primordial spirit to help Yue Feng escape from the Infernal Shadow Prison.

More importantly, the demons are very ambitious, and they must not let the realm of the gods fall into their hands.

Therefore, in Yue Feng's heart, both the public and the private must go.

This...

Seeing that Yue Feng took the initiative to stand up, Jiutian God was very happy, but also a little embarrassed: "Fellow Daoist, at this time the grievances between our God Realm and the Demon Race, such a dangerous task let you go, it seems, Somewhat inappropriate..."

At this time, Jiutian God's face was full of seriousness.

Before on the floating island, Jiuxiao took the risk to rescue himself, and already owed a lot of favor. At this time, it was really unbearable to let him take the risk to sneak into the Demon Race.

Seeing Jiutian God's sincere expression, Yue Feng felt a lot more cheerful.

Although the nine-day God has targeted himself everywhere before, it has to be said that it is rare to be able to stick to his principles at a critical moment.

Thinking to himself, Yue Feng smiled and shook his head: "Your Majesty, don't worry, I do this because I don't want to see God's Domain fall into endless war."

"Okay!"

Seeing his insistence, Jiutian God was very grateful, and he no longer discouraged him at that time, he nodded and said, "That fellow Daoist should be more careful. If he succeeds in saving Master's Primordial Spirit, I will be grateful.

"Royal Father!"

Just as he was talking, a handsome figure came out and said respectfully to the Nine Heavens God: "My son, I have something to do." I saw this young man, handsome in features, wearing a yellow and white robe, bearing extraordinary.

It is the second son of the Nine Heavens God, Prince Aolin.

Jiutian God was stunned for a moment, then smiled and said, "Ao Lin, do you have a better idea?" Among the princes, Ao Lin was smart and clever, and was most loved by Jiutian God. A better way to deal with the demons.

At this time, Yue Feng also frowned secretly.

This prince suddenly came out, did he think his plan was not good enough?

"Father!"

At this time, Prince Aolin said with a humble expression: "Senior Jiuxiao's plan is perfect, and my son deeply agrees. I just have an unkind request.

" In front of Yue Feng, he directly gave a big salute and said seriously: "Senior Jiuxiao, before, within ten times of floating island, Ao Lin greatly admired the blood sacrifice formation of the Great Destruction Demon Race. First, I implore the seniors to accept Ao Lin as a disciple. Teaching the supreme secret technique."

When he said this, Prince Aolin's face was full of humility and seriousness.

Yes, when the Nine Heavens God was trapped in the blood sacrifice formation, Prince Aolin was also present. At that time, he also thought that the realm of the gods was completely over. As a result, at a critical moment, Yue Feng appeared and broke the blood sacrifice formation. He is very adored. At this time, seeing him willing to take the risk to go to the Demon Race to investigate the news, it is even more revered.

Prince Aolin was smart and eager to learn. He couldn't help it at this time, so he had to take Yue Feng as his teacher.

What?

Seeing this situation, Yue Feng was immediately stunned, and he quickly waved his hand and smiled bitterly: "His Royal Highness, there is no need to do this great gift, I am not qualified to be your master."

When he said this, Yue Feng's face was full of expressions In resisting, I couldn't help crying and laughing in my heart.

He is not a disciple of Yutong Xianweng at all. Wouldn't it be embarrassing if he became the master of Prince Aolin and his identity was exposed in the future?

However.

Prince Aolin had made up his mind, shook his head and said, "Senior is humble, you can break the Heavenly Demon Blood Sacrifice Great Array in ten voices and save my father in danger. If you are not qualified, who is qualified?"

## **The ultimate husband in Chinese chapter 4556-4560**

Chapter 4556

Haha...

Seeing this scene, Jiutian God was stunned at first, and then he couldn't help laughing.

In the next second, Jiutian God said seriously to Yue Feng: "Fellow Daoist Jiuxiao, it is rare for Aolin to have a sincere heart. I see you and agree to it."

At this time, Jiutian God was also extremely excited. Speaking of which, when Yue Feng broke the blood sacrifice formation before, Jiutian God was very shocked, and then he thought about how to win over. At this time, seeing Prince Aolin coming out to apprentice, he immediately fell into his arms.

Such a genius, if he is the master of his own emperor, he will be tightly bound to the Divine Realm, and he will use it for himself in the future. Can you be unhappy?

Uh...

Seeing that the Nine Heavens God has spoken, Yue Feng scratched his head, very embarrassed.

At this time, the surrounding priests also reacted and came up one after another to congratulate Prince Aolin.

"Congratulations to His Royal Highness, you have such a wise teacher."

"Yes, Your Highness is smart and smart. If you can get the teachings from fellow Daoist Jiuxiao, your future realm will definitely be limitless."

"Not bad..."

Congratulations kept coming, Prince

Aolin was excited and looked at Yue Feng sincerely: "Master, you promise, I will learn from you wholeheartedly, and I will not live up to your expectations.", I believe you can't bear to see such a situation."

“This disciple learns from you to deal with the demons.” At the end, Prince Aolin bowed deeply again.

This chapter is provided by . Visit for daily update.

Ugh!

In the face of such a situation, Yue Feng knew that it would be impossible not to agree, so he nodded with a wry smile: “Well, since His Royal Highness the Emperor looks down on me so much, then I would be more respectful than obedient.”

Seeing that he finally agreed, Prince Aolin was overjoyed. He hurriedly knelt down and bowed: “Master is above, please accept disciple Ao Lin.”

“No ceremony, no ceremony.”

Yue Feng quickly helped him up and smiled: “I don’t have too many rules, His Royal Highness is not more polite than this. “

Okay!”

At this moment, the God of Nine Heavens was also extremely excited, and laughed loudly: “I, Yutian Palace, have received such virtuous assistance from fellow Daoist Jiuxiao, why should I be afraid of the demons? Come, prepare a banquet immediately, for the sake of the emperor.” If we can find a good teacher, let’s celebrate.”

After speaking, Jiutian God ordered another divine general: “Immediately send someone to arrest a demon warrior to prepare for the plan of fellow Daoist Jiuxiao.”

“Yes, Your Majesty!”

When he got the order, the god general complied and hurried to do it.

A few minutes later, the banquet was ready, and Yue Feng, as the prince’s master, was naturally pushed to the VIP seat.

During this period, whether it was the God of Nine Heavens, Prince Aolin or the civil and military officials present, they frequently toasted Yue Feng, but at this time, Yue Feng, how could he not be in the mood to drink.

At this time, the Kyushu Continent did not know what the situation was.

However, in the current situation, the demons are the root cause of the disaster.

Yue Feng thought about it, and helped Yutiangong to completely defeat the demons, and then found a way to return to Kyushu.

The banquet lasted for more than two hours.

After the banquet was over, the divine general sent out also managed to capture a demon warrior back. Speaking of which, Fengmo Mountain was heavily guarded, but it was not difficult to capture a demon warrior silently.

At this moment, Yue Feng did not hesitate in the slightest. Following Nuwa's previous method, he used his Primordial Spirit Out of Body to occupy the body of the demon warrior, and then used the Thousand Transformation Mask to transform his appearance into that of the Qingming Demon King.

The thousand-changing mask is the magical mask that Xie Biao gave to Yue Feng before. Yue Feng specially gave it a name, Qian Bian, which means 'ever-changing'.

After doing this, Yue Feng left Yutian Palace and headed towards Fengmo Mountain under the watch of Jiutian God.

.....

At this moment, Sealing Demon Mountain.

In the black palace, the Demon Lord Gone sat there with a gloomy expression on his face.

The Candle Saint Demon Kings standing below all had extremely solemn expressions.

Before on the floating island, I finally trapped the Nine Heavens God, but all plans were disrupted by the sudden appearance of Jiuxiao, which made Demon Lord Gone very annoyed.

## Chapter 4557

More importantly, at that time, Jiuxiao personally said that Yutong Xianweng and many other immortals had gathered in Yutian Palace to help Jiutian God deal with the demons.

This matter made the Demon Lord Gone almost sleepless, so when he just returned to the Demon Sealing Mountain, Gone immediately sent someone to the Yutian Palace to investigate.

"Report!"

At this moment, a demon warrior quickly approached the black palace, knelt there, and said with a complicated expression to the Demon Lord Gone: "Reporting to your Highness, just now we have a small team that secretly probed the Yutian Palace. "

Have you found the immortals outside the sky?" Demon Zun Gone's eyes flashed and he quickly asked.

call!

The demon warrior took a deep breath and said slowly: "The Yutian Palace was holding a banquet at that time, and it seemed to be celebrating something. However, the subordinates carefully observed and did not find the figure of the immortal outside the sky."

"The subordinate saw that at the banquet . Come on, the one who claimed to be Jiuxiao was named a guest..."

In the next few minutes, the demon warrior explained the situation he had discovered in detail.

hateful!

Knowing these circumstances, Demon Lord Gone's face instantly turned extremely cold. I suddenly realized that I was deceived by that Jiuxiao, Yutong Xianweng and Tianwai Xianren didn't come to God's Domain at all, and everything was a lie made up by that Jiuxiao.

The more he thought about it, the more angry Gone became, and he shouted angrily: "Check, let me find out the true origin of that Jiuxiao."

His dignified Demon Clan Supreme was deceived by a little-known boy, what is this bad breath? Can you bear it?

"Yes."

Hearing the order, the demon warrior responded and quickly retreated.

At this moment, Candle Saint and several Demon Kings were also extremely annoyed. The entire Demon Race was being played with and applauded by a kid. This face is really embarrassing.

However, seeing Gone's gloomy face, several Demon Kings did not dare to speak rashly.

"Your Highness!"

Finally, the Demon King Wusheng took a step forward and couldn't help comforting him: "Your Highness is not too troublesome, although the nine-day child escaped the disaster, the primordial spirit of the ancient ancestor is still in our hands. It 's still good for us."

Hearing this, Gone's expression softened.

Shasha...

At this moment, there was a sound of footsteps outside the palace, and then, a figure walked in slowly, very embarrassed, and his face was even more weak and ashamed.

It was Yue Feng who pretended to be the 'Demon King of Qingming'.

Swish!

Seeing that Qing Ming, who had been missing for two days, suddenly appeared, all the eyes of the entire palace were focused on him, astonished.

Gone's eyes were burning, he looked at Yue Feng closely, and asked coldly, "Qing Ming, where have you been these two days?" When he spoke, Gone suppressed the anger in his heart.

This Qingming, something went wrong when he returned from Kyushu, and has been missing for the past two days, which is really frustrating.

Because Yue Feng invaded the body of a demon warrior, and relied on the Thousand Transformation Mask to change his appearance, so even Demon Lord Gone didn't notice anything wrong, he just saw that Qing Ming was very weak in front of him.

Pfft ...

Feeling Gone's anger, Yue Feng didn't hesitate, knelt down there, and said very ashamedly: "Your Majesty, rest your anger, this subordinate has been trapped in the Infernal Shadow Prison for the past two days, and it was not easy to escape. ."

When talking, Yue Feng looked serious, but he was secretly grateful.

This thousand-changing mask is really easy to use, but Gogne really didn't notice it.

Thinking about it, Yue Feng's courage gradually grew.

What?

As soon as these words came out, the entire hall was in an uproar, and both Gone and the other demon kings were stunned.

In the next second, Gone reacted, holding back his anger and asked, "Why are you going to the Unbounded Shadow Prison?" The Unbounded Shadow Prison is trapped in the Four Great Innate Evil Beasts, and is very dangerous. Isn't Qingming going there to seek death?

At the same time, the other demon kings of Candle Saint also frowned secretly.

Yue Feng took a deep breath and replied seriously: "Reporting to your lord, my subordinates discovered by chance two days ago that Nuwa learned that Yue Feng had been thrown into the Infernal Shadow Prison by us, and she rushed in to rescue her. The situation was urgent at that time. The subordinates didn't have time to report to your superior, so they went in and stopped Nuwa."

"Speaking of which, the subordinates were not as strong as Nuwa, and almost lost their lives at the time, but luckily, Nuwa was about to take Yue Feng out of the world. When they were in the Shadow Prison, their subordinates successfully led the four evil beasts."

#### Chapter 4558

At this time, in order to gain Gone's trust, Yue Feng described the scene vividly: "The four evil beasts are greedy and cruel, and in order to obtain Nuwa's innate spiritual power, the two sides fought fiercely."

"During the melee, The subordinates took the opportunity to kill Yue Feng, and Nuwa was distracted at the time, and was also killed by the four evil beasts

. In the end, Yue Feng knelt there with a look of sincerity and fear, but secretly kept an eye on the changes in Gone's expression.

Phew...

Knowing these circumstances, the entire black palace was silent.

Gone's brows were furrowed, and there was no response for the time being. The surrounding demon kings also looked at each other, each of them shocked.

They did not expect that after Yue Feng was thrown into the Infernal Shadow Prison, there would be so many thrilling situations.

At this time, they did not doubt Yue Feng's words, because Yue Feng was in a state of embarrassment and his demon soul was extremely weak. Only in the sinister environment of the Infernal Shadow Prison could he be so desolate.

However, they didn't know that the Qingming in front of them was simply fake. The real Demon King of the Underworld had already died in the Infernal Shadow Prison.

“Qing Ming!”

Finally, Demon Lord Gone responded and looked at Yue Feng approvingly: “So, you have done a great job this time, if you didn’t stop it in time, then Nuwa has rescued Yue Feng, not bad. .”

At this time, Gone did not doubt Yue Feng’s words at all.

You must know that since the last exchange with Yutian Palace, Mozun has never heard of Nuwa. At that time, I was a little puzzled. Now that I think about it, it turns out that Nuwa was hiding in the dark and went to the Infernal Shadow Prison.

Uh..

Being praised, Yue Feng was not excited at all, but had a humble expression on his face: “It is the duty of the subordinates to share the worries for the superior.”

At this time, the candle saints and several demon kings also smiled and praised Yue Feng.

“Haha... that’s ok, Qing Ming.”

“Yeah, I actually used the four great evil beasts to get rid of Nuwa. This is a big problem for our demons to get rid of.”

Compliments kept coming. Yue Feng smiled and said nothing.

“That’s right!”

At this moment, Gone, who was sitting on the throne, suddenly thought of something and looked at Yue Feng: “How did Nuwa know about the fact that we threw Yue Feng into the Infernal Shadow Prison?”

As the Supreme Being of the Demon Race, Gone was very thoughtful, and after thinking about it for a while, he felt that this matter was not that simple.

This....

Hearing the question, Yue Feng thought about it quickly, and looked like he was hesitant to say anything: “Your Majesty, I also thought about this on the way back, there is only one possibility.

” What?”

Yue Feng took a deep breath and said seriously: “My subordinates guessed that there was a traitor within our Demon Race, and your lord thought about it carefully. When we

dealt with Yue Feng, we completely blocked the news, but not only did Nuwa know, Could it be a coincidence that he was able to enter the Infernal Shadow Prison to rescue Yue Feng at a critical moment?”

“Even if Nu Wa has the ability to predict the future, it is not so accurate.”

When he said this, Yue Feng’s face was sincere, but his eyes were flickering. With cunning.

Yes, this time, Yue Feng impersonated the Qingming Demon King to infiltrate the Demon Race. In addition to secretly inquiring about the whereabouts of the ancestors of the Great Desolation, he was also preparing to disintegrate the inside of the Demon Race.

Swish!

Hearing these words, whether it was Demon Lord Gone, or the other Demon Lords around, their expressions changed.

Is there a traitor within the Demon Race?

If it’s true, that’s too bad.

The next second, the Demon Lord Gone looked around like lightning, and said coldly: “Betraying the deity, there is only one way to end, I believe in the loyalty of everyone present, but the traitor is not impossible, this matter You must investigate carefully.”

Feeling the Demon Lord’s eyes, the Demon Lords present were trembling and in awe.

Afterwards, the Candle Saint Demon King took the lead and said: “Mad, if you let me know, who betrayed your honor and betrayed the Demon Race, I would be the first to forgive him.” The

voice fell, and the other Demon Kings also spoke.

“Yes, we must find out this traitor.”

“It’s really hateful. I said why I always feel wrong recently. It turns out that there is a traitor.”

Chapter 4559

Seeing this scene, Yue Feng is also full of righteous indignation on the surface, but his heart is indescribably happy.

Haha...

Inside the Demon Race, he has been successfully led astray by himself.

You guys just guess slowly, I just can fish in troubled waters.

Thinking to himself, Yue Feng suddenly patted his forehead and shouted, "Damn it."

Shuh!

The voice fell, and the eyes of Demon Lord Gone and the other Demon Kings were startled, and then they converged on Yue Feng.

The next second, Gone frowned and said, "Qing Ming, what's wrong?" The other demon kings also looked at Yue Feng in confusion.

Yue Feng made a very anxious look and said, "Your Highness, if there is a traitor within our Demon Race, wouldn't the place where the Primordial Spirit of the Great Ancestor was sealed also leaked out?"

Hmm...

Hearing this, Demon Lord Gone nodded solemnly, then stood up and walked quickly towards the secret passage behind the palace.

At the same time, Demon Lord Gone did not forget to instruct the demon kings of Yue Feng and Zhu Sheng: "You guys stay here, by the way, pass my order, and the entire Demon Sealing Mountain will strengthen patrol and defense, and no one can leave at will without the order of the deity. "

Yes, Your Honor!"

Upon hearing the order, Zhu Sheng and several Demon Kings responded quickly, and immediately went to prepare.

Yue Feng was indescribably excited.

I really didn't expect that this Demon Lord Gone was so cautious, and in the end, he was still disturbed by a few words of mine.

While muttering in his heart, Yue Feng looked at the secret passage behind the palace.

It turned out that the primordial spirit of the ancestors of the Great Desolation was trapped here. No wonder Nuwa couldn't find it before.

Excited, Yue Feng walked out of the palace quickly.

He had already thought about it, and started to act at night.

Time passed quickly, and it was night in a blink of an eye.

Under the order of the Demon Lord Gone, at this time, the number of patrolling soldiers in the entire Demon Sealing Mountain has doubled, and there are sentries everywhere, which can be said to be heavily guarded.

But it couldn't help Yue Feng.

Taking advantage of the night, Yue Feng came to the edge of a remote cliff in the northwest of Fengmo Mountain and made three strokes on a large rock.

At this time, Yue Feng and Jiutian God agreed on the mark. As long as Yue Feng left a mark here, it proves that Yue Feng has found the place where the ancestors of the prehistoric were trapped. Zu's Yuanshen was rescued, and at the same time, the Nine Heavens God led an army to storm Fengmo Mountain.

At this time, Yue Feng finished marking and went directly to the Black Palace.

Because it was midnight, there was no one to guard the palace at this time, and most of the demon warriors were sent to patrol the periphery of the Demon Sealing Mountain. This was a good opportunity for Yue Feng.

Click!

After entering the palace, Yue Feng searched behind the throne, and soon found a hidden mechanism. At that time, Yue Feng didn't think much about it, he just twisted the mechanism and heard a crisp sound, followed by a long secret passage. in front of you.

Haha...

At this time, Yue Feng was very excited, and quickly walked in. The secret passage was very long, and after walking for a few minutes, he arrived at a dark secret room.

I saw that this secret room was as big as a basketball court, with dim candlesticks lit around it, reflecting a dim light, and there was a stone pedestal in the center of the secret room.

On the stone platform was a blood-colored crystal ball the size of a fist. Yue Feng could clearly see that there was an old man sitting cross-legged in the crystal ball. His eyes were closed and his expression was peaceful, as if he had fallen asleep.

Obviously it is the primordial spirit of the ancestors of the Great Desolation.

Great, finally found it.

At this moment, Yue Feng didn't have time to think, rushed over to take the blood-colored crystal ball in his hand, and quickly left the secret room.

At this time, Yue Feng was very excited. The ancestors of Honghuang were successfully rescued, and God's Domain had no worries. He could let go of the fight and start a war with the Demon Race.

call!

Arriving at the black palace outside, Yue Feng raised his hand and waved, using the power of the red lotus of the law, condensed a flame, and threw it directly on the throne. In an instant, the raging fire burned instantly.

Yue Feng did this to divert the attention of the demons, so that the Nine Heavens God sent the army to launch a surprise attack.

After setting the fire, Yue Feng rushed towards the northwest cliff of Fengmo Mountain according to the original plan.

"It's on fire!"

"Oops, the hall is on fire."

Soon, everyone caught the attention of the patrolling demon warriors, shouting loudly, and there was chaos around the entire black palace.

Chapter 4560

Haha...

Seeing this scene, Yue Feng was extremely excited.

The plan went too smoothly, and when the demons were completely defeated, he could return to Kyushu with peace of mind.

While thinking about it, Yue Feng accelerated.

Whoa!

However, before reaching the cliff, suddenly, there was a powerful aura wave in front of him, and then, a fire suddenly lit up on the cliff.

Oops!

At this moment, Yue Feng was shocked and realized that something was wrong. When he saw the scene in front of him, his whole mind went blank!

I saw that on the cliff not far ahead, dozens of torches were lit up. The ones holding the torches were the Candle Saint Demon King and some elite warriors. In front of them, the Demon Lord Gone quietly suspended there. His face was extremely cold.

Holy crap, has your identity been exposed?

Seeing this scene, Yue Feng was inexplicably panicked, and at the same time, he was a little puzzled. He didn't reveal the slightest flaw. How did this Demon Lord Gone know that he would escape from here?

For a time, Yue Feng frowned, puzzled! The heart is pounding!

“Qing Ming!”

At this moment, Demon Lord Gone's face was gloomy, locked on Yue Feng tightly, and said word by word, “Why did you betray me?”

Yes, when he was in the main hall before, Yue Feng said that inside the Demon Race. When there was a traitor, the Demon Lord Gone began to be suspicious, because the entire Demon Race tribe was full of blood, and coupled with the grievances with the God Domain for thousands of years, it was impossible for any of his subordinates to betray the Demon Race. to help the realm.

The only possibility is that Qing Ming lied.

However, Gone didn't show it at that time, but pretended to go to the secret room to check the primordial spirit of the ancestors of the Great Wilderness. After that, the Demon Venerable secretly paid attention to Yue Feng's every move.

Sure enough, at midnight, Yue Feng went to the secret room and set fire to the palace.

“This...”

Hearing the question, Yue Feng's face changed, and then he squeezed out a smile: “Your Highness, where did you say this? I have always been loyal to you, how could I betray?”

“Hehe... The

Demon Lord Gone sneered: “You don't have to pretend. During the day, I went to the secret room to check the primordial spirit of the ancestors of the Great Wilderness. I did it on purpose for you to see. After that, I secretly sent someone to watch you. So, what you just did I know every move.”

“By the way, let me tell you by the way, in the magic ball you got from the secret room, there is no primordial spirit of the ancient ancestor at all, that is the illusion of the deity using magic power.”

Nima...

heard With these words, Yue Feng's face was pale, and he wanted to cry without tears, and at the same time, he was extremely admired.

As expected of the Supreme Being of the Demon Race, this scheming is really terrible. It turns out that when he was in the palace during the day, everything he pretended was seen through by him.

At this time, Yue Feng was very depressed.

I thought I was in control of the whole situation, but I never thought that in the end, the real clown was me.

Under the shock of his heart, Yue Feng looked at the Demon Lord Gone and smiled bitterly: “As expected of the Supreme Being of the Demon Race, this insight is really admirable, well, I won't hide it now, I'm not Qingming at all, It's the Jiuxiao who won your bet before!”

“You demons are going against the sky, trying to dominate the Divine Realm. In the end, you will only end up with a sad ending, so I advise you to give up.”

When saying this, Yue Feng looked confident, but he was a little uneasy in his heart.

You must know that the one in front of you is the Supreme Being of the Demon Race, and there are several Holy Demon Kings around. If you really fight, you are not an opponent at all, but this is the end of the matter, and you have to hold on.

At the same time, Yue Feng was also a little anxious in his heart.

The signal that he and Jiutian God agreed upon was that once the palace in Fengmoshan caught fire, it would prove that he had successfully rescued the primordial spirit of the ancient ancestors, and then the Divine Realm would launch an attack.

It's just that now that he has been reversed by the Demon Lord Gone, and the plan has changed, how should I inform the Nine Heavens God?

Swish!

At this moment, upon hearing Yue Feng's answer, both the Demon Lord Gone and the surrounding Demon Kings were all shocked and furious.

“It turned out to be your kid!” The

Demon Lord Gone was the first to react. He was furious. He pointed at Yue Feng and roared, “Take him down for me!” He

had finally trapped the Nine Heavens God before, but he was disturbed by this kid. , and now, he pretended to be Qingming, sneaked into the demons to spread rumors, and burned his palace. How can he bear this bad breath?
