

The ultimate husband in Chinese chapter 4561-4565

Chapter 4561

Swish swish.... After

hearing the order, several demon kings of Candle Saint, who could no longer bear it, jumped into the air and charged directly towards Yue Feng!

“Haha..”

Looking at the candle saint demon kings who rushed up, Yue Feng knew that there was no way to retreat, and immediately laughed: “Mozun, I want to go, I’m afraid you can’t stop me!” The

voice fell . , Yue Feng soared into the sky and fought fiercely with Zhu Sheng and several demon kings in the sky.

“Kill him!”

Demon Lord Gone’s face was extremely gloomy, and he howled: “I want him to fly away!”

Bang bang bang... After

the voice fell, the candle saints and several demon kings burst out with all their strength, vowing to kill Yue Feng Killed on the spot, but after Yue Feng was reborn through the red lotus of Faye, he possessed the body of Xuansheng, and in addition, he obtained Nuwa’s innate spiritual power in the Infernal Shadow Prison before, and his strength improved by leaps and bounds.

Under such circumstances, Yue Feng was completely at ease in the face of the frenzied siege of several demon kings.

However, Yue Feng was alone after all, and several demon kings couldn’t hurt him, and it was difficult for him to break out.

Buzz buzz...

Just at this moment, in the sky not far away, there was a burst of breath fluctuations, and then, I saw a large army coming from the clouds and mist, all golden armor, and a golden dragon robe headed, Majestic and full of energy.

It is the God of the Nine Heavens.

After Yue Feng sneaked into the Demon Race, Jiutian God quickly gathered an army and waited for the news in the valley not far from Fengmo Mountain. Just saw the fire on Fengmo Mountain. Jiutian God knew that Yue Feng had succeeded. , and directly led the army to attack.

This chapter is provided by . Visit for daily update.

At this time, the Nine Heavens God didn't know that Yue Feng's plan was revealed and he was trapped.

Oops!

At this time, seeing the Nine Heavens God leading the army to attack, Yue Feng was not excited at all, but extremely anxious.

The ancestors of the Great Wilderness are still in the hands of the Demon Race, and the situation will be more passive when the Divine Realm is attacking at this time.

In the blink of an eye, Jiutian God led his army to the front, and when he saw Yue Feng being surrounded, he immediately shouted: "Fellow Daoist Jiuxiao, don't panic, I will come to rescue you."

At this time, Jiutian God thought that Yue Feng had rescued Honghuang. The primordial spirit of the ancestor was only exposed in the last step.

Ugh!

Hearing the cry of the Nine Heavens God, Yue Feng smiled bitterly.

At this time, the Demon Lord Gone also changed his face when he saw Jiutian God leading the army, but he quickly recovered, and sneered and sneered: "Jiutian child, you think that you can control the overall situation by cooperating with this boy. , it's a pity, in the eyes of this deity, your little plans are just children playing a house."

After speaking, the demon venerable glanced at Yue Feng and continued: "When this kid comes to see this deity during the day, I will start I suspected him, and then deliberately asked him to take away the fake Primordial Spirit. In fact, the real Primordial Spirit of the Great Ancestor has always been on me." After

saying the last sentence, the Demon Race took out a blood-colored crystal ball from his body, With a proud face: "You are not qualified to play tricks with me." I saw that the blood-colored crystal ball was exactly the same as what Yue Feng got from the secret room.

The only difference is that the primordial spirit inside is real.

What?

At this moment, Jiutian God's heart was shocked, only his brain was buzzing.

Such a perfect plan, was actually seen through by Gone?

Yue Feng in mid-air, while dealing with the candle saints and several demon kings, his face was also ashamed.

Mad, after all, is still too confident, otherwise, he would not be so passive.

For a time, the hundreds of thousands of divine soldiers and generals who followed also froze there, not knowing what to do for a while.

"Jiutian child!"

At this moment, Demon Lord Gone's face was gloomy, his right hand squeezed the blood-colored crystal ball tightly, and coldly said to Nine Heavens God: "I don't want your master's primordial spirit to perish, immediately kneel to me. Surrender."

Gone looked crazy when he said this.

How to deal with the realm of the gods in Zhengzhou? God has taken the initiative to send him to the door in these nine days. This time, with the help of the primordial spirit of the ancestors of the Great Desolation, he must be forced to surrender.

call!

At this moment, the God of Nine Heavens clenched his fists and stared at the blood-colored crystal ball in Gone's hand.

How to choose the situation in front of you?

If you don't agree, Master's soul will be destroyed.

However, if he agreed, the ten thousand years of foundation that the gods had worked so hard to build would be destroyed in one fell swoop.

Chapter 4562

"Goni!"

Finally, under the entanglement in his heart, Jiutian God stared closely at the Demon Lord Gone, and said coldly: "Fortunately, you are still the Supreme Being of the Demon Race, and you will only use such despicable means to threaten people. "

If you have the ability, then let go of my master's primordial spirit, and let's have a good fight."

When he said this, Jiutian God was full of indignation, but his eyes flashed with cunning. He glanced at Yue Feng meaningfully.

Yes, the God of Nine Heavens is going to provoke Gone and let him let go of the primordial spirit of the ancient ancestor. At that time, Yue Feng will have the opportunity to take the opportunity to take it away. so many concerns.

call!

Seeing the Nine Heavens God looking at him, Yue Feng understood and immediately understood what he meant.

However, Gone was not a fool, and immediately laughed and sneered at Jiutian God: "Jiutian child, don't come with me, if you want to have a good fight, the deity will accompany you."

"As for this . I will not let go of the primordial spirit of the ancestors easily."

Mad! Seeing that his intentions were seen through, Jiutian

God was very annoyed, but he didn't show it, and said coldly: "Okay, then please enlighten me."

Like thunder and lightning, it hit the Nine Heavens God.

Click!

When he was about to approach, he saw Gone raise his hand and waved a long spear as black as ink tightly in his hand. It is Gone's personal weapon – the blood and the broken soul.

According to legend, the long spear of arrogant blood and broken soul was formed when the world was first divided, and the demons took the evil spirit between heaven and earth, tempered it, and then cast it with the blood of the demon soul, which contained infinite magic power.

Huh...

As soon as the arrogant blood and broken soul came out, the temperature of the entire Demon Sealing Mountain plummeted. Whether it was the gods and warriors, or the warriors of the demon race, they all felt a chill to the bones.

At the same time, seeing Gone's eruption, Jiutian God's eyes were extremely blood red.

Mad, this Gogne shot is the ultimate move, this is a quick decision, and I will be killed by the Demon Mountain.

As I thought to myself, the anger in the Nine Heavens God's heart was rising.

"Come on!" In the

next second, the Nine Heavens God roared wildly, without flinching in the slightest, the figure rose into the sky and directly attacked it. At the same time, there was also a golden long sword in his hand.

I saw that the golden sword was flickering with light and exquisite workmanship, and it contained incomparable power.

It is the Xunyifeng Thunder Sword, the leader of the seven gods in God's Domain.

According to rumors, when the ancestor of the prehistoric realm was at the top of the God's Domain, he realized the power of Jiutian Xuanlei. At a critical moment, something went wrong, and he was almost going to go crazy. At the critical moment, the ancestor of the prehistoric world used the Nine Heavens Stars to expel the power of the demon from the body. , As a result, a sword was created by mistake, which can be regarded as a blessing in disguise.

Therefore, this sword is also known as Xunyi Fenglei Sword.

At this time, Yue Feng could clearly see that the Nine Heavens God's Thunder Sword of Righteousness was swung like a round of golden sun, and the mighty sword light obscured the sky and the sun, and its power was no less than that of Gone's Proud Blood and Soul Shattering Spear.

Even stronger.

Noticing this, Yue Feng couldn't help but cheer up.

I always thought that the Nine Heavens God was just a high-status, and his strength was not that great in the realm of the gods, but only now did he realize that his strength was not inferior to that of Mother Nuwa.

Just when Yue Feng was excited, he saw the silhouettes of Gone and Jiutian God already colliding in the sky.

clang!

In an instant, the Thunder Sword of Yiyi Feng and the Soul Shattering Gun of Ao Xue collided, and a loud noise erupted in the sky. After that, Jiutian God and Gone were both shocked. Then, Jiutian God volleyed back a few steps.

What? !

Seeing this scene, Yue Feng opened his mouth and was shocked.

The Nine Heavens God is holding a peerless divine weapon, and he is not even a match for Gone. The strength of this Demon Race Supreme is too terrifying, right?

But on second thought, if the Demon Lord Gone was not very powerful, he would not have captured the primordial spirit of the ancestors of the Great Wilderness alive.

Whoa!

At the same time, the surrounding demon warriors were extremely excited and cheered.

Chapter 4563

What if the Nine Heavens God surrounded Fengmo Mountain? He couldn't even take a move from His Excellency Mozun.

And the gods and soldiers who were waiting in battle were even more stunned, their eyes focused on the Demon Lord Gone, and they were shocked.

This Demon Venerable Supreme... is really too strong.

You must know that what His Majesty took was the first divine weapon in the Divine Realm, and he was not even his opponent.

"Your Majesty, I'm here to help you!"

At this moment, Yue Feng reacted, shouted and rushed into the sky, fighting the Demon Lord Gone with the Nine Heavens God.

Swish!

Seeing this scene, the Candle Saint Demon King below couldn't help but scream.

"Boy, do you want to bully the young with more?"

"The one-on-one agreement is good, why are you making fun of it?"

"If you want to fight, fight with me!"

Under the anger, several demon kings were about to rush up, but only He was stopped by the Demon Lord Gone.

“You don’t need to take action, this kind of small scene, the deity can handle it.” Demon Lord Gone said indifferently.

With that said, the Demon Venerable looked at Yue Feng who was rushing up, and sneered: “Boy, you came just right. If I don’t blow your bones to ashes today, I will not be the Supreme Being of the Demon Race.”

Thinking of the boy in front of him, I was on the floating island before. Teasing himself, Demon Lord Gone was very annoyed, and he wanted to vent his hatred for a long time. Seeing him take the initiative to rush up at this time is exactly what he wants.

Seeing Gone speak, Candle Saint and several demon kings did not dare to disobey, and obediently retreated.

“Ha ha!”

Yue Feng, on the other hand, was indifferent, feeling Gone’s anger, without panic at all, and said with a big laugh: “Your Excellency Demon, you are still obsessed

. No, I think you should stop.”

Shua! !

Hearing this, Gone’s face was extremely gloomy, and he scolded: “The way of shit can’t be violated, my life is up to me, don’t talk nonsense, today the deity wants you to come and go!” The

voice fell, Gone’s magic power The eruption directly locked Yue Feng.

Yue Feng was also too lazy to talk nonsense, so he mobilized the power of his primordial spirit and raised his hands abruptly!

“Om!”

In an instant, the surrounding air distorted rapidly, and then I saw a fiery red lotus flower condensed out in front of Yue Feng.

Yes, what Yue Feng is driving is the power of the Faye Red Lotus.

Speaking of which, if it was a few days ago, Yue Feng would not have dared to make a rash move in the face of Gone, but since he obtained Nu Wa’s innate power, his realm of strength has improved a lot, and Yue Feng has no fear.

“Huhu!” In the

next second, the fiery red lotus roared out, carrying the power of burning everything, and swept towards the Demon Lord Gone!

This...

seeing this scene, whether it is the surrounding demon warriors or those gods and soldiers, they are all shocked.

What kind of cultivation technique is this, it can burst out such a powerful force.

How many secrets are hidden in this guy named Jiuxiao?

The Nine Heavens God was even more excited and excited.

Unexpectedly, the strength of this fellow Daoist Jiuxiao was so strong, with his help, he would definitely be able to defeat Gone today.

And the gods and soldiers in the back are also very excited. With the help of such a strong person, God's Domain is already invincible in today's battle.

Until this time, both parties present still did not know that this person who called himself Jiuxiao was Yue Feng.

Hehe...

Seeing the fiery red lotus flower rushing towards him, Demon Zun Gone snorted coldly, "Tiny trick of carving insects."

However, a thought suddenly flashed in his mind.

Strangely, this kid seems to be using the power of the Faye Red Lotus, and the previous Yue Feng was reborn with the help of the Faye Red Lotus. Could it be...

This kid is Yue Feng?

No...not possible.

Yue Feng was thrown into the Infernal Shadow Prison, and it was impossible to live, let alone leave the Infernal Shadow Prison.

hum!

I thought to myself, seeing that the fiery red lotus flower was already in front of me, at that time, the Demon Lord Gone had no time to think about it. He held the blood-proud soul-shattering spear tightly and waved his hand. In an instant, a blood-colored light burst out, tearing apart the world, directly. Go for it!

boom! boom! Boom....

In the next second, I saw the blood-colored light emitted by the Demon Lord Gone, colliding with the fiery red lotus, and there was an earth-shattering roar. Immediately, the fiery lotus was directly defeated and turned into a fiery red Light and shadow, dissipated between heaven and earth!

Chapter 4564

What?

Seeing this scene, whether it was the Nine Heavens God or those divine soldiers and generals, they were all stunned and full of shock.

The strength of this Demon Lord Gone is too strong, right? !

The fiery red lotus flower that Yue Feng burst out was already very terrifying, but he was easily blocked by him?

At this time, Yue Feng was also extremely shocked.

As expected of the Supreme Being of the Demon Race, this strength is enough to disdain the entire Divine Realm.

However, after being shocked, Yue Feng quickly calmed down. At that time, he showed a smile and praised: "Your Excellency Mozun is very good, I admire it, but I still want to experience it!"

Om!

The voice fell, and a powerful aura burst out from Yue Feng, lightning fast, and a palm hit Gone.

Seeing this scene, Jiutian God was taken aback: "Fellow Daoist Jiuxiao, don't be reckless." Gone's ability was easily blocked by Gone just now.

Under the exclamation, Jiutian God was about to rush to help, but it was still a step too late.

At this time, the God of Nine Heavens did not know that Yue Feng was in close combat, not to win or lose with the Demon Lord Gone, but the main purpose was to seal the blood-colored crystal ball of the primordial spirit of the ancient ancestors on his body.

"Beyond one's own strength!"

Seeing Yue Feng rushing towards him again, a trace of contempt appeared on the corner of Gone's mouth, then he raised his hand and collided with Yue Feng's palm.

Speaking of which, Gone had the opportunity to use the Proud Blood and Soul Shattering Spear to kill Yue Feng, but he held his own identity and was unwilling to take advantage of it.

clang!

In the blink of an eye, the palms of the two sides collided, and a terrifying and powerful aura wave swept the entire Sealing Demon Mountain.

Immediately, Yue Feng's face was pale, and he groaned, his body was directly shaken and flew out, flying more than 100 meters, and finally landed on the cliff.

At the moment of landing, Yue Feng only felt the qi and blood in his body tossing, his eyes turned black and he almost fainted, but he still held on.

"Fellow Daoist!"

"Your Excellency Jiuxiao!"

Seeing this scene, the Nine Heavens God and those divine soldiers and generals couldn't help exclaiming.

At this time, Yue Feng was extremely weak, but his heart was extremely excited.

Because at the moment when he faced the Demon Lord Gonie just now, Yue Feng Kankan used the 'ghost hand' stunt and swapped the crystal ball in his hand with Gone's. The crystal ball has been taken by Yue Feng.

The Demon Lord Gone and the surrounding parties were still kept in the dark.

Speaking of which, Yue Feng didn't have much confidence when he made this decision just now, so after he succeeded, he was extremely excited.

Haha... I

really didn't expect that in the Kyushu rivers and lakes, the 'ghost hand', which was despised by others, played a crucial role at this time.

"Boy!"

Just when Yue Feng was secretly excited, Demon Zun Gonie looked at him with a cold and arrogant expression: "Everything is over." The

voice fell, and Gone fell down, holding the blood and soul-shattering gun tightly. , step by step.

The terrifying killing intent that pervaded his body was terrifying.

At this time, the Demon Lord Gone was too lazy to talk nonsense, and there was only one thought in his heart, to completely kill this Jiuxiao, destroy the primordial spirit, and let him never be born.

“Fellow Daoist Jiuxiao, don’t panic, I’m here to help you.”

Seeing this situation, the God of Nine Heavens suddenly became anxious and rushed over with an angry shout.

However, as soon as he rushed out a few steps, he was stopped by several demon kings.

“Want to save people?”

“We want to save lives, but no one can save them.”

“Jiutian child, I’ll play with you.” Amidst the

shouting, several demon kings of Candle Sage broke out one after another, killing Jiutian God is surrounded.

For a time, the Nine Heavens God was in a state of impatience, but he couldn’t rush out.

“Your Majesty!”

Seeing this, Yue Feng smiled slightly and comforted the Nine Heavens God: “Don’t worry about me, I will be fine.”

After speaking, Yue Feng looked at Mozun Ge, who was getting closer and closer. Nirvana, with a calm face, smiled and said, “Your Excellency Demon, I’m afraid you won’t be able to kill me today.”

“Really?”

The corner of Demon Lord Gone’s mouth evoked a wicked smile, activating his magic power, and raising his blood-shattering spear.

Chapter 4565

Om!

In an instant, the wind and clouds surging between the heavens and the earth, and a wave of magic power frantically gathered towards the Ao Xue Soul Shattering Gun, and then, a blood-colored gun shadow burst out, coming straight towards Yue Feng.

Just seeing where the gun shadow passed, the world was torn apart, very terrifying.

Phew...

At this moment, whether it was the Nine Heavens God or those divine soldiers and generals, they couldn't help but sweat for Yue Feng.

However, Yue Feng stood there unmoved, and did not mean to dodge at all.

hum!

Seeing that Yue Feng was about to be killed by the gun shadow, he saw something in his mouth, the air in front of him suddenly distorted, and then, the pendant in his neck flashed a ray of light, and a huge object burst out of the air.

It was a black beast.

This giant beast looks like a tiger but not a tiger. Its body is more than 100 meters long. It looks like a hill from a distance. It is surrounded by black gas and lightning, and its blood-red eyes are heart-pounding.

It was the evil beast that Yue Feng had conquered before, Fierce Biao.

“Roar!”

The moment Xie Biao appeared, an extremely strong evil force burst out, meeting the shadow of the gun, and in an instant, the Mountain of Sealing Demons shook, and the dust filled the air.

Soon the dust and smoke dissipated, and the fierceness was as steady as a rock, firmly blocking Yue Feng's body, and there was no scar on his huge body.

Obviously, Gone's strongest move just now was easily blocked by Xie Biao, which did not cause any damage to it.

hiss!

Seeing this scene, the surrounding demon warriors were all dumbfounded. Especially when he felt the monstrous evil aura on Xie Biao's body, he was deeply shocked.

What beast is this?

Such a strong evil.

At the same time, the Nine Heavens God and those gods and soldiers were also stunned, staring blankly at Xie Biao and Yue Feng, speechless.

This...

At this time, the Demon Lord Nagone also looked on the side, looking at the fierce Biao, and his heart was even more astonished.

The body is so huge and so evil.

Isn't this the most powerful Fierce Beast among the Four Great Evil Beasts?

When the gods and demons joined forces to seal the Four Great Innate Evil Beasts in the Infernal Shadow Prison, Gogne was also present, and he knew it naturally.

However, at this time, it was not Xie Biao that Gogne was shocked, but Yue Feng.

This kid who called himself Jiuxiao was able to summon a fierce biao to help out.

Could it be that he is....

As the Supreme Being of the Demon Race, Gogne is very thoughtful, and the scene in front of him can be guessed at once. After all, Yue Feng was thrown into the Infernal Shadow Prison before, and he has the opportunity to subdue the fierce Biao.

Moreover, this guy also displayed the power of the Faye Red Lotus before, which is exactly in line with Yue Feng's situation.

It's just... how did this kid subdue Fierce Biao?

You must know that the four evil beasts were imprisoned when the gods and demons joined forces back then, but Yue Feng was only one person, and he could actually make the fierce Biao, the leader of the four evil beasts, surrender.

It's incredible.

"How?"

Just when Demon Lord Gogne was secretly surprised, Yue Feng showed a smile: "I'm right, you can't kill me." The voice fell, and Yue Feng raised his hand.

Roar!

Xie Biao received the order, without any hesitation, he let out a roar, and his huge body rushed towards Gone.

At that time, Gone's expression changed, and he hurriedly activated his magic power, holding the Proud Blood and Soul Shattering Gun tightly to meet him.

Bang bang bang...

However, Fierce Biao's strength is too terrifying, and Gone's previous fierce battle has consumed a lot of strength. At this time, the two sides are fighting fiercely in mid-air, and you can see that under Fierce Biao's attack, Gone It's very embarrassing to lose in a row.

Bang!

Finally, Fierce Biao fiercely swung his long tail and slammed it on Gone, only to hear him groan, and his body was directly swept away, flying over a hundred meters before falling on the top of Fengmo Mountain. .

What?

Seeing this scene, whether it is the surrounding demon warriors, or the Nine Heavens God and those gods and soldiers, they are all stunned.

The strength of this beast is too terrifying.

Huh...

At this moment, the Nine Heavens God looked at Yue Feng closely, his heart was extremely shocked, and at the same time, he was indescribably excited.

Great, I didn't expect Daoist Jiuxiao to have such strength.

It's just... angering Gone, will Master's Primordial Spirit be in danger?

As the God of the Nine Heavens, he recognized at a glance that this huge beast was an evil beast, but he didn't care how Yue Feng subdued the fierce beast, he only cared about the primordial spirit of the ancient ancestors.
