

The ultimate husband in Chinese chapter 4566-4570

The demon warriors around Chapter 4566 were stunned, completely stupid.

Demon Venerable, who has always been invincible in their eyes, actually lost? Moreover, still defeated by a beast?

For a time, the entire Sealing Demon Mountain was silent, and a drop of a needle could be heard clearly.

“Your Highness!”

“Are you alright, Your Highness...”

Finally, Candle Saint and the Demon Kings took the lead in reacting, shouting and rushing towards them one by one.

Gogne stood up slowly and waved his hand to indicate that he was fine.

“

Phew...” In the next second, Gogne took a deep breath, stared at Yue Feng, and said in a calm tone: “What a Yue Feng, I really didn’t expect your life to be so great that I was thrown into the Infernal Shadow Prison by me. Immortal, and finally surrendered to the fierce.”

When he said this, in addition to anger, Gogne’s eyes were deeply complicated.

Just now when this kid used the power of the red lotus, he should have guessed it...

Wow!

The last word fell, and the entire Demon Sealing Mountain was in an uproar. Whether it was the Demon Race or the Divine Realm, all eyes were staring at Yue Feng, shocked.

Especially the surrounding demon warriors thought they had heard it wrong.

“He’s Yue Feng?”

“How is this possible? Yue Feng was thrown into the Infernal Shadow Prison, how could he come out alive?”

This chapter is provided by . Visit for daily update.

“But how could your Highness talk nonsense?”

And the Nine Heavens God, and those magic soldiers, are even more so. petrified in general.

The Nine Heavens God was unable to calm down for a long time.

Fellow Daoist Jiuxiao... Is it Yue Feng?

To be honest, if it were before, the Nine Heavens God would definitely be furious, because Yue Feng concealed his identity and even accepted Prince Aolin as his disciple, which was a serious crime of deceiving the king.

But at this time, the Nine Heavens God couldn't get angry in his heart. Because he knew that Yue Feng had been trying his best to help God Domain deal with the Demon Race, and the small mistake of concealing his identity was nothing compared to his achievements.

Huh ...

The surrounding discussions kept coming, Yue Feng looked indifferent and looked at Mozun Gone: "Yes, I am Yue Feng, Your Excellency Mozun, I still say that, you go against the way of heaven and go against the sky, yes It won't be successful, it's too late to stop now." The

voice was not loud, but it spread throughout the entire Demon Sealing Mountain and couldn't be refuted.

"Haha, hahaha..."

Hearing this, Demon Lord Gone's face changed, and then he looked up to the sky and laughed loudly: "Stinky boy, do you think that with the help of Fierce Biao, you can completely defeat me?"

"I tell you , I will never give in to the devil."

Speaking of which, the devil took out the blood-colored crystal ball on his body and howled at Jiutian God: "Jiutian child, I will give you one last chance and surrender to me immediately. Otherwise, I will destroy the primordial spirit of the ancient ancestors."

When he shouted the last word, Gone's face was extremely hideous.

In his heart, the primordial spirit of the ancestors of Honghuang is still in his hands, and the demons have not lost.

"Don't..."

At this moment, Jiutian God's face changed, he panicked, and he quickly shouted: "Goni, don't be impulsive..." Although the situation in front of him is very beneficial to the realm of the gods, the teacher Zun is the spiritual pillar of the entire Divine Realm, and there must be nothing wrong with it.

Just halfway through the words, he was interrupted by Yue Feng.

"Your Majesty!"

Yue Feng said with a relaxed expression to the Nine Heavens God: "Don't worry, the primordial spirit of the ancestor has been taken back by me, and the one in his hand is fake."

"Now the demons have lost it. The last trump card, since Demon Venerable is still obsessed, we don't need to be polite, we can launch an all-out attack."

As he spoke, Yue Feng took the blood-colored crystal ball from his body.

What?

Seeing the blood-colored crystal ball, the Demon Lord Gone was shocked, shocked and angry, and howled at Yue Feng: "When did you take it away?"

Yue Feng smiled slightly: "It was when I met your palm just now. , I secretly used a small trick to exchange the crystal ball on your body."

Swish!

Hearing this, Demon Zun Gone only felt black in front of him, and he almost fainted.

Mad, this kid is really hateful. First, he hid his identity and played with himself on the floating island. At this time, he secretly stole the primordial spirit of the ancestors of the Great Wilderness.

Haha...

And the God of the Nine Heavens on the opposite side was stunned for a moment, then overjoyed, nodding at Yue Feng and applauding: "Good method, good method."

Chapter 4567

At this time, the Nine Heavens God is extremely excited, and the master's primordial spirit is no longer in Gone's hands, and he finally has no worries.

At the same time, Jiutian God's gaze on Yue Feng was also full of admiration.

As expected of a talent that Master sees, this Yue Feng can always impress people at critical moments. Speaking of which, Jiutian God has always had opinions on Yue Feng, but after so many things, he always understands that it is not unreasonable that the ancestors of the floods valued Yue Feng.

“Kill!”

Excited, Jiutian God did not hesitate at all, waving the Xun Yifeng Thunder Sword and shouting: “Place the Demon Mountain and completely destroy these demons.”

“Place the Demon Mountain!” The

voice fell, Hundreds of thousands of divine soldiers and generals responded in unison, and immediately pulled out their weapons, without any nonsense, and rushed directly into the formation of the demon warriors.

“Ah...”

For a while, many demon warriors had no time to react, and were directly overwhelmed by the gods and soldiers who rushed up. Only the screams were heard continuously. Within two seconds, there were several Hundreds of demon warriors fell in a pool of blood.

Swish!

Seeing this scene, Demon Lord Gone’s eyes were instantly blood red, and his expression gradually became crazy.

I thought that holding the primordial spirit of the ancestors of the prehistoric land, the demons would be invincible, but I never imagined that they were all destroyed by Yue Feng, and their meticulous efforts were wasted, and everything was in vain. .

Under the anger, Gone thought of the prophecy of the innate spirit stone. Yue Feng is the biggest obstacle for the Demon Race to dominate the God Realm.

Could it be...is this God’s will?

God’s will is inviolable?

The more he thought about it, the more angry he became. His eyes were extremely red, and he locked on Yue Feng tightly: “Boy, I want you to die.

” No wind.

hum!

The last word fell, and Gone's figure erupted, clenching the Proud Blood and Soul Shattering Spear, coming straight towards Yue Feng. Feeling the terrifying power that filled Gone's body, Yue Feng did not panic at all, and said lightly: "Your Excellency Mozun

, everything is over, stop being obsessed!"

Battle Gogne in mid-air.

At this time, Gone, under the resentment and anger in his heart, burst out with all his strength, and saw that he and Yue Feng, as well as the fierce and huge body, constantly shuttled back and forth in high control.

Bang bang bang...

The breath that erupted made the world become dark, the surrounding dark clouds surging, thunder bursts, and the scene was indescribably shocking.

Huh....

Seeing this scene, the many gods and soldiers who fought fiercely below all watched with enthusiasm. In their eyes, the fierce battle between Gogne and Jiutian God just now was shocking enough, but they did not expect that Yue Feng cooperated. The scene of fierce Biao fighting Gone is even more shocking.

It can be said that this is a rare battle for thousands of years.

"For the sake of the clan, never give in!"

At this time, many demon warriors finally reacted, howling one after another, fighting fiercely with the surrounding gods and soldiers, but the disparity between the numbers of the two sides was too great, and many demons fought bravely. Counterattack, and finally fell.

clang clang!

For a time, the sound of weapons colliding, screaming and killing, constantly echoed over the Demon Sealing Mountain.

During the melee, Zhu Sheng and Jiutian several demon kings also pulled out their weapons to join the battle.

Seeing that the situation was getting more and more unfavorable for the Demon Race, the Demon King Jiutian was anxious and shouted to Gone very calmly: "Your Highness, it really doesn't work, let's retreat, keep the green hills, not afraid of running out of firewood. ."

Jutian saw that if the demons continued to fight in the current situation, they would only end up with the destruction of the entire army. If they broke through with all their strength, there might be a chance of survival.

“Withdraw?”

However, as soon as the voice fell, the Candle Saint Demon King shouted: “God’s Domain wants to annihilate us all today, it is impossible to give us a chance to withdraw. One is one.”

Hearing these words, Gone, who was fighting at high altitude, nodded, and said solemnly: “Yes, this battle is about the glory of our demons, and we will not retreat.”

One sentence, like rolling thunder, It resounded in the sky over the entire Demon Sealing Mountain.

Whoa!

Hearing this, all the demon warriors present were full of blood, and they all came out with an aura of swearing to death, fighting like crazy.

Chapter 4568

Call!

Seeing this, Demon King Jutian took a deep breath and his expression became solemn.

Your honor is right. It is about the dignity and glory of the Demon Race. Even if you die in battle, you will never retreat.

Ugh!

At this time, Yue Feng, while fighting with Gone, looked at the situation below, his heart was also shocked, and his face was slightly moved.

To be honest, although the Demon Race is evil and ruthless, this spirit of seeing death as if at home cannot help but be admired.

Thinking to himself, Yue Feng shouted at Gone: “Your Excellency Mozun, why are you doing this? Just for the dignity and glory of the clan, you have to put all your subordinates in a state of doom?”

” As long as you admit defeat, I am willing to help you to ask Jiutian God to give you a habitat for the demons, I believe that Jiutian God knows the righteousness and will agree.”

When he said this, Yue Feng's face was serious.

At this time, Yue Feng didn't know what to think. Even though the demons had done a lot of evil, he couldn't bear to see them destroy their clan.

"Shut up!"

However, Gone didn't appreciate it. Instead, he was furious and shouted: "I am a demon, why do you need help from a villain like you? Besides, the nine-day kid is not worthy of me to bow to him."

"Let's talk nonsense. Said, you put my demons into a desperate situation, and I will make you doomed."

Om!

The last word fell, and Gone's magic power burst out again, dodging a fierce attack, holding the blood-shattering spear tightly, and stabbing it straight at Yue Feng's heart.

This shot is really fast as thunder, and wherever it passes, the world seems to be torn in half.

I go...

This power!

At this moment, Yue Feng didn't dare to despise it. He didn't have time to dodge, so he had no choice but to activate his divine power, raise his hand to condense a snow lotus out, and meet this terrifyingly powerful shot.

Boom, boom, boom...

In the blink of an eye, the bloody red lotus erupted from Yue Feng collided with the Proud Blood Soul Shattering Gun, and a violent roar was heard. Immediately, the bloody red lotus was directly defeated and turned into a piece of blood. Light and shadow, dissipated between heaven and earth.

Huh...

Seeing this scene, whether it was the Nine Heavens God or those gods and soldiers, they couldn't help but sweat for Yue Feng.

This Demon Lord Gone's strength is so terrifying, and he has murderous intentions, I am afraid that Yue Feng is more fortunate and less fortunate.

"Roar!"

At this moment, Fierce Biao roared and charged towards Gone again. Intended to make a relief for Yue Feng.

However, when he saw Fierce Biao rushing towards him, Gone didn't have the slightest fear, and shouted angrily: "Go away." When the voice fell, Gone waved the Bloody Soul Shattering Spear, and a blood-colored light erupted, slamming towards Fierce Biao.

Speaking of which, if he had faced Xie Biao before, Gone would definitely have some concerns in his heart, but at this time he was completely insane, and he wanted to kill Yue Feng, so he couldn't care about that much at all.

laugh!

This gun was like a blood-colored lightning bolt, directly piercing the right eye of Xie Biao, and the blood spurted wildly in an instant, and a rain of blood was sprinkled in the air.

Under the severe pain, Fierce Biao roared wildly, and his fierceness was thoroughly stimulated, waving his claws, and slapped Gone's body fiercely.

"Pfft..."

This pig is full of 10,000 jins of strength, and Gone was shot directly and flew out, spraying a mouthful of demon blood in the air, and his face became pale and weak.

I go!

Seeing this situation, whether it was Yue Feng, or the Nine Heavens God and those divine soldiers, they couldn't help but take a deep breath. This ferocious man deserves to be the leader of the four evil beasts, and it is the only one with this strength, which severely injured Gone.

"Boy!"

At this time, Gone stabilized his figure in the air, his eyes were like poisonous snakes, and he locked on Yue Feng: "No one can save you today, I want you to never turn over." The

voice fell, and Gone's figure was like electricity. , again towards Yue Feng.

Crazy, really crazy.

Seeing that Gone was determined to kill himself, Yue Feng finally panicked and wanted to dodge, but Gone was too fast, so he had no choice but to grit his teeth and burst out all the power of his primordial spirit with a single palm of his hand. Hit it up.

Bang!

In the next second, the figures of the two sides collided fiercely, making a loud noise, and Yue Feng was directly sent flying more than 100 meters away.

Even though Yue Feng possessed the body of a Profound Sage and integrated Nu Wa's innate spiritual power, he could not stop Gone's furious blow.

Chapter 4569

After all, Gone is the supreme being of the Demon Race, and even the ancestors of the Great Desolation are afraid of existence.

Nima!

A burst of severe pain came from his body, Yue Feng was shocked and angry, this Demon Lord Gone is really crazy, he would rather kill me if he was injured, but I have to say that his strength is really terrifying.

At the same time, the nine gods below and those gods and soldiers secretly sweated for Yue Feng.

“Boy!”

At this moment, regardless of the wounds on his body, Gone clenched the blood-shattering gun and walked step by step: “I see who can save you.” The

monstrous aura filled the world.

Gudong!

Yue Feng wanted to cry but had no tears, so he couldn't help swallowing his saliva, feeling a little despair in his heart.

Even Fierce Biao can't stop him, is it really going to die in Feng Mo Mountain today?

“Goni! Hugh wants to hurt him!”

Seeing that Yue Feng was about to die under the gun, he heard a loud shout, and then, a figure turned into a golden streamer and came straight towards Gone.

It is the God of the Nine Heavens.

After being defeated by Gone just now, Jiutian God retreated to the side to restore the power of his primordial spirit. Although he had not fully recovered at this time, seeing that Yue Feng was in danger, Jiutian God could not help but take action.

“Jiutian child, you came just in time.”

Seeing Jiutian God burst out, Gone was furious and howled: “You and Yue Feng are buried together.”

Bang!

The moment the voice fell, Jiutian God and Gone collided fiercely, and a roar was heard, the figure of Jiutian God swayed, and Gone was knocked back dozens of meters by the volley.

Speaking of which, the Nine Heavens God is not Gone’s opponent at all, but he has just recovered some of his primordial energy, and Gone has been fighting endlessly, and his magic power has been consumed too much.

“Haha...”

As soon as he defeated the Demon Lord, the Nine Heavens God couldn’t tell how proud he was: “Goni, today your Demon Race will be wiped out, and it’s useless for you to fight the trapped beasts again, and as long as I’m here, you can’t even think about it. Hurt Yue Feng’s hair.”

“Suffer to death!” The

last three words fell, and the Nine Heavens God clenched the Thunder Sword of Xun Yifeng and stabbed Gone fiercely.

This sword contained all the primordial power of the Nine Heavens God, and saw a sword light shining, and the sky of the Demon Sealing Mountain was dyed with gold.

Huh...

Seeing this scene, the gods and soldiers below are extremely excited, and the remaining demon tribes are even more pale.

The entire Demon Sealing Mountain was silent.

Feeling the power of this sword, Gone’s pupils shrank. At this time, he was covered with scars all over his body. He was first injured by the fierce Biao, and then he was severely injured by the Nine Heavens God. At this time, facing the full blow of the Nine Heavens God, he was powerless to resist.

I’m so unhappy.

Seeing the sword getting closer and closer, Gone was extremely desperate and at the same time very unwilling.

He had been in the form of soul consciousness before, and had wandered for nearly ten thousand years outside the nine heavens. He finally resurrected his subordinates, but in the end he ended up like this.

“Your Highness!”

“Your Highness, be careful...”

At this moment, the candle saint demon kings below, all of them with blood-red eyes, exclaimed, and at the same time, they were about to come up to help, but there were too many gods and soldiers around, and they couldn't rush out at all.

However, at this moment, Gogne made a decision, and his eyes flashed violently.

hum!

In the next second, a violent demonic soul burst out.

“Jiutian child, you are just lucky, even if the deity dies, I will drag you to death.” At the same time, a crazy voice came from Gone's mouth.

Huhuhu...

When the last word fell, I saw a purple flame that completely enveloped Gone. At the same time, a terrifying evil force kept gathering towards him.

“Not good.”

“Oops, Your Majesty is in danger.”

Seeing this scene, whether it was Yue Feng or the gods and soldiers below, they all had a bad premonition.

At the same time, Zhusheng and Jutian's several demon kings also changed their faces.

“Don't...”

“Your Highness!!!”

Others don't know, but as Gone's subordinates, Candle Saint and several demon kings are very clear, at this time Gone is performing the ultimate stunt of the demons, 'Tian Demon Burning Soul' ‘.

The Devil's Soul Burning, as the name suggests, is to burn his own life at the expense of erupting endless terrifying power to kill opponents. After all, it was a lose-lose result.

Chapter 4570

Moreover, in their hearts, as the supreme being of the demon race, Gone would never perform such a stunt, but at this time, they did not expect that Gone would perform it because of the anger in his heart. Huhuhu

... At this moment, as the purple flames burning around Gone's body became more and more intense, the entire sky was dyed purple, the entire Demon Sealing Mountain shook violently, the sky collapsed and the earth collapsed, as if the entire God Realm was about to die.

Destruction in general.

Feeling the power that Gone broke out at this time, both sides present were shocked.

Especially the Nine Heavens God, deep down in his heart, he was even more frightened.

crazy!

This Demon Lord Gone is really crazy.

“Jiutian Laoer, you die for me!”

At this time, Gone roared wildly, his figure cut through the sky, and rushed directly to the God of Nine Heavens. As soon as I saw the figure passed by, everything was burned by the purple flame, and the power was so terrifying.

Oops!

Gone's speed was very fast, and the Nine Heavens God was unavoidable. He didn't have time to think about it at that time, and quickly raised the Thunder Sword of Xunyi Feng to block it.

Bang bang bang... The

next second, I saw Gone and the Nine Heavens God's figures colliding fiercely, and the terrifying and endless energy burst out.

The powerful energy impact swept all around, whether it was Yue Feng, or those divine soldiers and demon kings, they all subconsciously urged their power to deploy a protective layer in front of them.

Putong putong...

Even so, under the terrifying impact, everyone was shocked and flew out, and even some magical soldiers, because they couldn't bear the terrifying aura pressure, fainted directly.

At this time, within a thousand miles of Fengmo Mountain, it was shrouded in purple fire and dust.

Wow...

The roar resounded continuously, and the Demon Sealing Mountain was completely shattered.

I went...

Seeing this scene, Yue Feng was almost stunned, frozen there, and the whole person was stupid.

Is this the full power of the Demon Lord Gone? It was so terrifying.

Finally, the aura that was scattered between the heavens and the earth weakened a little, and many gods rushed into the dust and smoke, looking for the figure of the Nine Heavens God. However, to their disappointment, the place where the two sides collided was empty.

Obviously, after Gone used the Demon Burning Soul, he had already perished with the Nine Heavens God.

quiet!

For a while, the audience was silent, and the gods and soldiers froze there one by one, seemingly unwilling to believe this fact.

Your Majesty... gone?

At the same time, the demon kings of Candle Saint and the remaining demon warriors also had red eyes and grief.

His Majesty is gone, and the entire Demon Race has lost its future.

Yue Feng was suspended in mid-air, and his mind was blank.

Is this the end?

How many soul-stirring moments of life and death have been experienced during this period, and it is finally over...

“Kill!”

Finally, many gods and soldiers reacted, their eyes were blood red, and they howled loudly: “For the sake of His Majesty’s will, for the sake of God’s Domain, Kill these evil demons.”

“Kill them all!”

In the next second, the other gods and soldiers responded one after another, howling one by one, rushing towards the Candle Saint Demon King and the remaining demon warriors.

“Ah...”

Between the heavens and the earth, the shouting and killing sounded again.

.....

Demon Lord Gone and the Nine Heavens God both perished together, and the eruption of the heaven and earth shaking not only caused a violent shaking in the God Realm, but also affected the Kyushu Continent.

At this time, Nagumo Continent!

In the palace hall, Mo Yan controlled Long Qianyu, summoned a hundred civil and military officials, and prepared to deploy plans to invade other continents.

Buzz....

At this moment, the sky was suddenly covered with dark clouds, thunder bursts, and then a purple halo condensed between the thick clouds.

what’s the situation?

Seeing this scene, the civil and military officials present were shocked, and then they walked out of the hall and looked towards the sky.

They all clearly felt that the purple halo contained extremely terrifying power.

not good!

At the same time, Mo Yan, who was sitting there, trembled suddenly, her face was instantly ugly, and her heart was even more inexplicable.

In the purple halo, it seems to be the power that is disintegrating.

Could it be... something happened to your honor?
