Chapter 4571 On the

other side, Apocalypse Continent.

In the Qianyuan Hall, Ren Yingying, dressed in a dragon and phoenix auspicious cloud robe, stood at the door of the hall, looking at the vision in the sky.

Behind him, the civil and military officials all looked up at the sky, all of them in shock.

At this time, everyone did not notice that Ren Yingying's empty eyes gradually recovered some vigor.

At the beginning, the Demon Lord Gone used his own power to control Ren Yingying's soul. At this time, the Demon Lord died and the control disappeared, and Ren Yingying gradually recovered his self-consciousness.

“Go!”

Finally, Ren Yingying reacted, and her red lips parted lightly: “Put the Ouyang family and other sect members on the hall.” The

voice was clear and pleasant, but it contained an unquestionable aura.

“Yes, Your Majesty!”

Upon hearing the order, the civil and military officials quickly responded in unison, and then a military general quickly took the guard to the prison.

After a while, the general returned to the main hall with hundreds of prisoners, and saw that among these prisoners, in addition to the ugly and ugly people of the Ouyang family, there were also other masters of the sect in the Earth Circle Continent.

During this time, Ren Yingying adhered to the concept of allegiance to the Demon Race, and captured all the masters of the major sects in the Earth Circle Continent.

At this time, the crowd of Wen Chou Chou was brought to the main hall, all with gloomy faces and depressed consciousness.

Phew...

The next second, seeing the vision of heaven and earth in the sky, whether it was Wen Chou Chou or other people, they were all stunned.

This chapter is provided by . Visit for daily update.

what's the situation?

With such a vision of heaven and earth, could it be that another divine soldier came into the world?

But...it doesn't look like it.

brush!

At this moment, Ren Yingying stood up suddenly, her delicate face flashed with complexity, and she waved her hand: "All unbound." At this time, Ren Yingying had recovered her senses, and recalled being controlled by Demon Venerable before, she felt very ashamed. .

What?

Hearing this, all the civil and military officials present were stunned.

Her Majesty, what's the matter?

After finally catching these people from the Jianghu sect, why should they be released again?

"Your Majesty!"

Finally, a military general couldn't help but took a step forward and said cautiously: "These are important figures in the arena of the Earth Circle. If you let them go, the consequences will be disastrous."

At this time, the general thought that Ren Yingying was there . Working for the demons, I didn't realize that the queen was sober.

"What?"

Ren Yingying was too lazy to talk nonsense, and glanced at him lightly: "Are you questioning me?"

"Don't dare, my subordinates dare not." The general trembled, shook his head quickly, and then ordered the guards to release Wen Chou Chou and everyone else. .

what's going on?

At this time, Wen Chou Chou and everyone also reacted, frowning one by one, puzzled.

This Ren Yingying grabbed herself, and now let it go.

It's really confusing.

Sun Dasheng is impatient. He took a step forward and shouted at Ren Yingying: "Hey, what do you mean? You couldn't be tough before, but now you want to be soft. Are you going to persuade us to join you in allegiance to the Demon Race?"

"I tell You, we were born in Kyushu and died as ghosts in Kyushu, and we will never serve the evil spirits and demons like you."

The voice fell, and everyone around him nodded in agreement.

"That's right, if you want to kill, just kill, and we will do this with you."

"I would rather die than bow my head."

Seeing this, Ren Yingying felt even more guilty and walked down slowly.

"Brother Wen, big sage."

Ren Yingying bowed deeply and said with guilt, "Before, it was the younger brother and sister who were bad, and the Demon Venerable controlled their minds, so they did such absurd things. Now my younger brother and sister I 'm sober, I'm sure you can forgive me."

When she said this, Ren Yingying was very sincere.

call!

Hearing this, Wen Chou Chou and everyone looked at each other, all of them relieved.

In the next second, Wen Chou Chou showed a smile and said with great joy, "Haha, my brother and sister are sober up, it's really gratifying." After the

voice fell, Yue Wuya also came out, excitedly said to Ren Yingying: "Auntie, I will I know you must be controlled, otherwise, you wouldn't do such a thing."

Ren Yingying smiled and couldn't help rubbing Yue Wuya's head: "Speaking of which, it's not good for my aunt, if not If you're not careful, you won't be controlled by Demon Venerable."

Alas!

At this time, Sun Dasheng scratched his head and muttered: "I was really scared just now, I thought you were going to play some tricks."

Chapter 4572

Haha...

As soon as these words came out, the entire Qianyuan Palace burst into laughter, and everyone smiled.

For a time, the Qianyuan Hall, which was originally a depressed atmosphere, instantly became relaxed.

Ren Yingying smiled and said ashamedly at Sun Dasheng: "Big sage, I was not good before. If I wasn't controlled, I wouldn't do these ridiculous things, but I promise that this kind of thing won't happen in the future. It happened."

Having said that, Ren Yingying looked around and continued: "Because of me, everyone has been wronged, I will prepare a banquet later, and I must make amends to everyone."

When she said this, Ren Yingying's face was full of He smiled, but there was a bit of worry in his eyes.

Yue Feng was arrested and taken to God's Domain, and I don't know what happened. However, Mozun's control over me has been lifted, which proves that something has happened to the Demon Race. This is a good thing for God's Domain and Kyushu.

"Okay, I won't go home if I don't get drunk today."

"With the Queen's words, what else do we have to say?"

At this moment, feeling the sincerity of Ren Yingying, the sect masters who were caught on the scene all smiled and nodded in agreement. .

.....

At this moment, the ghost world.

Inside the Mingdu Hall, Bingyao stood at the door, looking up at the vision in the void of the ghost world, her delicate and beautiful face was full of solemnity.

Behind Bing Yao, all the ghost messengers all looked solemn.

call!

Finally, Bing Yao calmed down and said softly, "With such a vision, I'm afraid the world will experience an earth-shaking change." Although she has been guarding the ghost realm, she doesn't know what happened to the god realm, but Bing Yao can clearly understand He sensed that the vision in the void contained a very strong evil aura.

She knew that at this time, there was a sign of the demise of the Supreme Being of the Demon Race.

Speaking of the death of the Demon Venerable, the vitality of the Demon Race was greatly damaged, and they could no longer be able to raise the slightest storm, but Bing Yao couldn't express the anxiety in her heart, and there was always something bad happening.

Thinking to herself, Bing Yao spoke again: "Pass my order, strengthen the patrol of the ghost world, and report back immediately once someone breaks in."

"Yes!" The

voice fell, and the various ghost messengers behind him responded in unison.

...

on the other side, God's Domain.

The battle on the Demon Sealing Mountain lasted a full day and night.

Candle Saint several demon kings, as well as all the demon warriors present, were surrounded and killed by hundreds of thousands of gods and soldiers, and all of them died.

I saw that on the top of Fengmo Mountain, there were corpses everywhere, and there were the corpses of demon warriors everywhere.

call!

Yue Feng was suspended in mid-air, and when he saw the scene in front of him, he had mixed feelings in his heart.

I don't know why, but after completely defeating the Demon Race, I didn't have the slightest excitement or excitement in my heart, but there was a sense of loss.

"His Royal Highness Xuansheng!"

At this moment, after cleaning up the battlefield, a god general came slowly and respectfully said to Yue Feng: "The battlefield is cleaned up, the next step, do we want the class teacher Yutian Palace?"

Yue Feng is the Nine Heavens Profound Sage conferred by the ancestors of Honghuang, so he must be polite.

Yue Feng heaved a sigh of relief, picked up the Thunder Sword of Xun Yifeng, a relic left by the Nine Heavens God, and Nuwa's fine jade, nodded and said, "Let's go."

After a few minutes, hundreds of thousands of divine soldiers and gods will quickly assemble, Under the leadership of Yue Feng, he returned to Yutian Palace in a mighty manner.

No one spoke on the way, hundreds of thousands of divine soldiers and generals all looked heavy. Although the demons were completely defeated, the death of the Nine Heavens God was also a huge loss to the realm of the gods.

....

at this moment, Yutian Palace.

On the square in front of Yutian Palace, Empress Hua Zhao, dressed in a gorgeous robe, stood there quietly looking at the direction of Fengmo Mountain, her delicate and beautiful face was full of worry.

When the Nine Heavens God decided to go on a personal expedition, Empress Hua Zhao was reluctant, but she still couldn't defeat the Nine Heavens God. Later, when a vision came out of Fengmo Mountain, Empress Hua Zhao became even more worried.

Behind her, several princes and priests stood there, all anxious.

"Niangniang!"

At this moment, Haotian Shenjun walked slowly and comforted Huazhao Niangniang: "Don't worry too much, your majesty is invincible, this time you will definitely return in triumph."

Chapter 4573 The

last time on the floating island, Haotian Shenjun suffered heavy losses, and he has been training since then, so this time he conquered Fengmo Mountain and did not follow him.

Um!

Hearing the comfort, Empress Hua Zhao replied softly, but her mood was still a little messy.

Wow...

that's when there was a commotion in the square, and many priests all looked up to the sky.

“We’re back...”

“They’re back.”

He saw that hundreds of thousands of gods and soldiers came from high in the sky, all of them exhausted and sad.

came back.

Seeing this scene, Empress Hua Zhao was very excited, but after looking around and not seeing the figure of the Nine Heavens God, she realized that something was wrong.

“Niangniang!”

Finally, Yue Feng and many gods and soldiers arrived on the square and knelt down together.

In the next second, Yue Feng lowered his head and said to Empress Hua Zhao, “On the Demon Sealing Mountain, all the remnants of the demon race have been wiped out. Here is the primordial spirit of the ancestor and the jade of Empress Nuwa.

” He politely handed over the blood-colored crystal ball that sealed the primordial spirit of the ancient ancestors, as well as the jade that was transformed into the primordial spirit of Nu Wa.

call!

Suddenly seeing Yue Feng, Empress Hua Zhao was very surprised, but she still took the things and asked, “Where’s Your Majesty?” To be honest, Empress Hua Zhao was very surprised when she suddenly saw Yue Feng, after all, he was bewitched before. The clan took it away, but at this time, Empress Hua Zhao was thinking about the Nine Heavens God and didn’t think about it.

Swish!

At this moment, Haotian Divine Sovereign and the surrounding priests also looked closely at Yue Feng, waiting for his answer.

Yue Feng sighed and said slowly, “Niangniang, you have a plan in your heart, because Your Majesty he... He and the Demon Lord Gone died together.”

After saying this, Yue Feng looked disappointed.

To be honest, Yue Feng doesn’t have much affection for Jiutian God, but in any case, it is admirable for Jiutian God to face Gone at the last moment for the safety and future of the God Realm.

What?

When the last word fell, whether it was Empress Hua Zhao or Divine Sovereign Haotian, their hearts were shocked, as if struck by lightning.

“You...”

Empress Hua Zhao’s eyes turned red, trying to control her emotions, she looked at Yue Feng and asked, “What did you just say? Say it again...”

At this time, Empress Hua Zhao didn’t want to believe it at all. The Nine Heavens God, who rules the God Realm, will suddenly perish.

It’s impossible....

alas!

Yue Feng let out a long sigh of relief, and said with a look of disappointment: “Miss, your condolences, your Majesty is gone, and the Demon Lord Gone has also perished. I have seen this matter with the generals.”

Hearing this, Madam Hua Zhao was in front of her eyes . There was a burst of blackness, and the delicate body was so weak that he almost fainted.

“Niangniang!”

Haotian Shenjun was quick-witted, he held her up, and comforted: “Niangniang take care of your body, you must not be passed.” Saying this, Haotian Shenjun couldn’t help crying.

Empress Hua Zhao didn’t speak, but stared blankly in the direction of Fengmo Mountain, tears streaming down her face.

Your Majesty, are you leaving like this?

You promised me that you would accompany me to the end of the world, why did you just leave me like this?

“Your Majesty...”

Finally, Empress Hua Zhao couldn’t hold it any longer and burst into tears.

At the same time, the surrounding priests also knelt there in grief. The entire Yutian Palace was enveloped in grief.

“Yue Feng!”

At this time, Haotian Divine Sovereign reacted and looked at Yue Feng coldly: "What's going on here?" For a long time, Haotian Divine Sovereign has looked down on Yue Feng, let alone regarded him as a 'Nine Heavens Profound Sage'. 'In my eyes, at this time, because of the death of the Nine Heavens God, I couldn't help asking questions under the grief in my heart.

Phew...

Yue Feng took a deep breath and explained the situation at that time in detail.

Knowing the situation, Haotian Divine Monarch was stunned there, looking in a trance for a long time, but he couldn't come to his senses. He never thought that there would be so many twists and turns in this expedition against Fengmo Mountain.

He didn't expect that Yue Feng would be the key to destroying the entire Demon Race, as predicted by the innate spirit stone.

In other words, this time, Yue Feng was the absolute number one hero who could completely wipe out the Demon Race.

Thinking of this, Haotian Shenjun's face was cold, and he couldn't tell the hatred in his heart. As the right-hand man of the Nine Heavens God, such a big credit should belong to him, but now he was taken away by Yue Feng, it was too suffocating. bend.

#### Chapter 4574

However, Haotian Shenjun did not show it, his expression was indifferent, and he no longer asked.

At the same time, the surrounding priests couldn't help but whisper.

"It's unbelievable, this Yue Feng was thrown into the Infernal Shadow Prison, and he didn't die. He also subdued the fierce Biao, the head of the evil beast..."

"Yeah, I didn't expect the prediction of the innate spirit stone to be true."

"Alas, it's just such a pity for Your Majesty..." The

surrounding discussions kept coming, Yue Feng knelt there, his face was indifferent and did not fluctuate in the slightest.

Everything in God's Domain is over.

I can finally return to Kyushu and reunite with my family. What Nine Heavens Profound Sage, a great hero of the Divine Realm, is not important, being able to be with his family,

“You...”

However, just as Yue Feng was about to leave, the grief-stricken Empress Hua Zhao suddenly pointed at Yue Feng. Feng Jiao shouted, “It’s all you, it’s you who killed Your Majesty.”

“Come on, take him down for me.”

At this time, Empress Hua Zhao’s delicate and beautiful face was full of gloomy coldness, and her eyes were even more penetrating. with deep anger.

In her heart, it was Yue Feng who was damned, and the Nine Heavens God died to save him.

Whoa!

The voice fell, and the two gods strode out, directly pressing Yue Feng to the ground.

At this time, Yue Feng, because he had just returned from the Demon Sealing Mountain, had not recovered the power of his Primordial Spirit, so he could not break free at all.

Encountered by the sudden change, Yue Feng was shocked, angry, and somewhat helpless.

Nima, this Empress Hua Zhao is crazy, why are you blaming me for the crime?

This...

At the same time, the surrounding priests were also stunned, and their expressions became a little complicated.

Yue Feng has suffered a lot for the sake of the God Realm, but it seems inappropriate for the goddess to blame him.

Even Divine Sovereign Haotian couldn’t stand it anymore, so he couldn’t help but say: “Mother, Yue Feng...”

Although he couldn’t get used to Yue Feng, but in a matter of fact, this time he was able to completely wipe out the demons. , Moreover, the death of the Nine Heavens God is also God’s will, no wonder Yue Feng.

“Shut up!”

Just before Haotian Shenjun finished speaking, he was interrupted by Empress Hua Zhao: "This palace has clear grievances, so I can't allow you to interrupt." After speaking, Empress

Hua Zhao looked at Yue Feng, her eyes flashing endless hatred: "Yue Feng, don't think I'm blaming you wrong. When your majesty was ambushed on the floating island, when you went to rescue, in order not to show your true face? Instead, you pretended to be a disciple of immortals outside the sky, and also used a fake name of Jiuxiao?"

"After that, you didn't have full confidence, but you vowed to sneak into the Demon Sealing Mountain, which led to your identity being revealed. If it wasn't for the failure of your plan, the Demon Lord Gone and His Majesty would not have perished together. You said, this are all things not caused by you?"

Madam Hua Zhao became angrier the more she thought about it, and coquettishly shouted: "You hide your identity, deceive the superiors and conceal the inferiors, and even more harm your Majesty's death, it is an unforgivable sin. No guilt?"

Quiet!

At this moment, the entire Yutian Palace was dead silent.

Haha...

Yue Feng was stunned for a moment when he heard Empress Hua Zhao's list of charges, and then he looked up to the sky and laughed: "If Empress wants to talk like this, I have nothing to say." After speaking

, Yue Feng shook his head mockingly.

He could see that Empress Hua Zhao was so saddened by the death of the Nine Heavens God that the evil fire in her heart had nowhere to vent, so she took herself as a scapegoat.

At the same time, Haotian Divine Sovereign and the surrounding priests also fell silent.

They also saw that Empress Hua Zhao was going to take Yue Feng to vent her hatred, but speaking of which, they couldn't pick out the grounds to refute. After all, Yue Feng had indeed concealed his identity, and his plan to sneak into Feng Mo Mountain had failed.

Although he finally successfully rescued the primordial spirit of the ancestors of the Great Desolation, the Nine Heavens God perished because of this.

The merits and demerits of this are indeed difficult to say clearly.

“Delivered to the Heavenly Prison.”

At this time, Empress Hua Zhao stopped talking nonsense, and waved her hand: “Wait for your majesty for a hundred days, and execute it by thunder!” At this time, Empress Hua Zhao wanted to kill Yue Feng immediately to vent her anger, but God of the Nine Heavens As soon as he died, it was very unlucky to kill people in the hundred days after he left, so he held back.

Hearing the order, the two gods will hold Yue Feng and put him in the prison.

Chapter 4575

Alas!

In the prison, Yue Feng's face was full of bitterness, and he couldn't help sighing.

Just after solving the big hidden danger of the demon race, she was locked up by Empress Hua Zhao again.

Is this the doom?

Forget it, let's comprehend the innate power.

Thinking to himself, Yue Feng closed his eyes and began to comprehend the innate power passed down to him by Empress Nuwa. Since leaving the Infernal Shadow Prison, Yue Feng has directly participated in the time of the floating island, and then sneaked into the Demon Sealing Mountain. Realize this power.

Although he was trapped at this time, it just happened to give Yue Feng a quiet space.

Time flies by!

In the blink of an eye it was night.

call!

Yue Feng finished his comprehension, heaved a sigh of relief, slowly opened his eyes, and then began to ponder his own situation.

You can't wait to die here, you have to find a way to leave.

It's just... This day the prison is heavily guarded, and there are tens of thousands of soldiers patrolling around. I'm afraid even a fly can't fly out, how to leave?

Thinking of this, Yue Feng was in a hurry.

Shasha...

But at this moment, I heard footsteps coming from outside the prison. The footsteps were very light and very cautious. Then, with a slight noise, the prison door was pushed open a gap, and then a handsome figure flashed in.

Um?

At this moment, Yue Feng thought that Empress Hua Zhao had sent someone to torture him, but when he looked at it, it was the disciple he had accepted before, Prince Aolin.

“why you?”

Seeing Prince Aolin, Yue Feng was very surprised and couldn't help but ask: “Why are you here?”

He saw that Prince Aolin was wearing a casual dress at this time, and his expression was also anxious and ashamed.

“Master!”

Prince Aolin walked over quickly and knelt down suddenly, very ashamed: “You have made great contributions to the Divine Realm, but they have locked you up, you have suffered.”

When Yue Feng was locked up, Prince Aolin was not present, so he asked Empress Hua Zhao for the theory. However, he was only a prince, how could Empress Hua Zhao be so powerful?

In the end, in desperation, Prince Aolin had no choice but to take the risk of sneaking into the prison, ready to rescue Yue Feng.

Huh.... Seeing Prince Aolin complaining about himself, Yue Feng smiled bitterly: “Speaking of which, I did infiltrate

Fengmo Mountain this time. I did make a mistake. I didn't think too much about it beforehand, and I was too confident.” The prince knew the righteousness, shook

his head and said, “But what are those mistakes compared to your credit? Without a master, I'm afraid that God's Domain will never have peace, and they are just jealous.”

He helped Yue Feng: “Master, let's not talk about this for now, I will take you out. No matter how much the cost, I will successfully send you back to Kyushu.”

In the heart of Prince Aolin, Yue Feng is not only a nine-day Xuansheng, Still omnipotent, first, he broke the Demonic Blood Sacrifice Array within ten times, and then

with his help, God Domain completely defeated the Demon Race. With such achievements, who can compare in the entire Divine Realm? It would be a pity if he died tragically in the Heavenly Prison.

More importantly, it is his own teacher.

So no matter what, save him.

“no!”

However, Yue Feng shook his head and categorically refused: “Ao Lin, you are His Majesty’s prince. I heard that His Majesty once issued an decree asking you to succeed him and be the next Emperor of Heaven.

” Sinner, you save me in private, how do you convince the public? I’m afraid Empress Hua Zhao won’t let you go. If you can’t be the Emperor of Heaven because of this, my conscience will be disturbed.”

When he said this, Yue Feng’s face was full of sincerity.

You haven’t taught Prince Aolin any skills yet, haven’t you fulfilled your master’s responsibilities? How can you implicate him?

“Master!”

Seeing Yue Feng’s refusal, Prince Aolin suddenly became anxious, knelt down again and said firmly: “If Master doesn’t come with me, I won’t be able to get up on my knees here.”

“I believe that neither will my father . I can’t bear to see you end up like this.”

Phew!

Seeing this situation, Yue Feng took a deep breath and had no choice but to nod and agree: “Well, after you take me out of the Heavenly Prison, quickly separate from me, and don’t be found out!”

“Yeah!” Seeing that Yue Feng finally agreed , Prince Aolin was very happy, and nodded quickly: “Master, don’t worry, even if those patrolling soldiers saw me, they wouldn’t dare to do anything.”

With that, Prince Aolin took Yue Feng away from the prison.

## **The ultimate husband in Chinese chapter 4576-4580**

At this moment. In the other garden behind the Imperial Palace.

This other garden, although not as vast as Yuyao Xianyuan, is elegant and refined everywhere.

At this time, Empress Hua Zhao was sitting in the pavilion in Bieyuan, facing the beautiful scenery in front of her, but she was extremely melancholy and sad.

Nine days God is gone, what about the beautiful scenery?

“Niangniang!”

At this moment, a figure came slowly, wearing golden soft armor, with extraordinary aura, it was Haotian Divine Sovereign.

Seeing the Lord Haotian coming over, Empress Hua Zhao waved her hand and signaled the maid beside her to step down.

At this time, Haotian Divine Monarch walked up to him and bowed respectfully: “I rashly disturbed the empress, and I hope to make amends.” As he spoke, he couldn’t help looking up and down on Empress Hua Zhao.

Because of the death of the Nine Heavens God, Empress Hua Zhao changed into her exquisite robes. At this time, she was only wearing a plain long dress, but her beautiful appearance could not be concealed, and even revealed a different kind of charm.

Speaking of which, Haotian Divine Sovereign has always had a secret crush on Empress Hua Zhao, but because of the identity of the other party, he has never dared to have the slightest blasphemy, and now that the Nine Heavens God is not there, Haotian Divine Sovereign has less scruples in his heart.

However, Haotian Shenjun knew that this was not the time to talk about the love between men and women, and the purpose of his interview this time was also for Yue Feng.

Feeling Haotian Divine Sovereign’s gaze, Empress Hua Zhao was not at all displeased. As a woman of the Nine Heavens God, she has always been very clear over the years that Haotian Divine Sovereign likes her.

Speaking of which, Empress Hua Zhao also admired Haotian Shenjun very much, but because of their status, neither of them pierced the window paper.

“You came!”

At this moment, Empress Hua Zhao raised her hand, motioned to the God of Haotian to avoid the ceremony, and said softly, “Is there something wrong?” Prison, a bit

unreasonable, after all, he has contributed to our God Realm, without him, the demons could not be eliminated so quickly, I hope...”

This chapter is provided by . Visit for daily update.

When saying this, Haotian Divine Sovereign was very sincere .

In fact, he did not want to help Yue Feng, but for the sake of Empress Hua Zhao. After all, the Nine Heavens God had already perished. At this time, Empress Hua Zhao was temporarily in power over the entire Divine Realm. However, in front of many priests, she made great contributions to the gods. Yue Feng entered the prison, how to convince the public?

Yue Feng! It's Yue Feng again.

Seeing him mentioning Yue Feng, Empress Hua Zhao's delicate face suddenly showed a bit of impatience and annoyance: “Don't mention Yue Feng in front of me, if it's not him, His Majesty will not perish, I haven't killed him now. , it's already a blessing.”

Alas!

Hearing this, Haotian Divine Monarch sighed and explained patiently: “Niangniang, I'm not begging for him, I'm begging for you...” After speaking, he said what was in his heart.

for me?

Empress Hua Zhao's delicate body trembled, and she stared at Haotian Shenjun for a moment, her red lips lightly opened: “Haotian, I understand what you mean to me, but this is not just to vent my anger, but also to vent my anger. There are other plans.”

Uh...

God Jun Haotian was stunned for a while, and couldn't help but say: “Niangniang, what the hell are you...”

Before he finished speaking, he was interrupted by Empress Hua Zhao: “Haotian, you should I know, Your Majesty once issued an oral decree to ask Ao Lin to be the next Heavenly Emperor.”

Haotian Shenjun thought for a while, nodded and said, “Yes, His Majesty did say it.”

“That Ao Lin was only born by His Majesty and a maid, how can He De be the next Heavenly Emperor?” Empress Hua Zhao snorted coldly, her delicate face full of dissatisfaction: “My Prince Aotian, which is not more than proud Lin Cha?”

Speaking of which, Empress Hua Zhao breathed a sigh of relief and continued: “Your Majesty is gone, a new Heavenly Emperor will be elected in a hundred days, and then due to His Majesty’s word, someone will definitely recommend Ao Lin, and Yue Feng is also Ao Lin’s master, you say, what should I do in this situation?”

“Although Yue Feng is from Kyushu, he is a genius in the sky. With his teaching, Ao Lin’s strength in all aspects must be guaranteed. Stronger than my son Aotian, so I have to do it first.”

At the end of the conversation, Empress Hua Zhao’s expression was stern, unquestionable.

Huh...

Hearing these words, Haotian Divine Sovereign suddenly opened his mouth and suddenly realized.

#### Chapter 4577

It turned out that the empress detained Yue Feng not only to vent her hatred, but to pave the way for Prince Aotian to sit on the emperor in the future.

It’s just... that the Nine Heavens God had already issued an edict that Prince Aolin should be succeeded, but now Empress Hua Zhao suddenly does this, is it possible?

Thinking to himself, Haotian Shenjun took a deep breath and said his thoughts.

“Haotian!”

Empress Hua Zhao bit her lip lightly and whispered, “I know all this in my heart, so I need your help.”

“Me?” How can I help?”

Empress Hua Zhao smiled lightly and said, “You are under one person in the realm of the gods, and above ten thousand people, His Royal Highness, and also His Majesty’s right-hand man, as long as you are in Yutian Palace, you support Aotian in public. The next Heavenly Emperor, I believe, no one dares to object.”

When she said this, Empress Hua Zhao looked over and stared at the Divine Sovereign Haotian.

This...

Feeling this gaze, Divine Sovereign Haotian felt a little throbbing in his heart, and at the same time he was a little stunned: "Is this okay? After all, Your Majesty has made an oral decree, if I deviate from his last wish, I will support Aotian instead. , isn't it rude?"

Haotian Shenjun has an upright temperament and doesn't want to do something treacherous.

"Alas!"

Seeing his hesitation, Empress Hua Zhao sighed softly: "If you don't want it, forget it. Anyway, when His Majesty is gone, all hope in my heart has been dashed. I will bring Aotian back to Yuyao Xianyuan tomorrow. Our orphans and widows are there for a lifetime."

At this time, Empress Hua Zhao's delicate face was full of sadness, and her pitiful appearance was pitiful.

However, her eyes have been paying attention to the changes in Haotian Shenjun's expression.

Empress Hua Zhao has a quick mind, so she doesn't really want to give up, but instead advances by retreating.

Haotian Shenjun did not answer for a while, but frowned and pondered.

"Haotian!"

At this time, Empress Hua Zhao's jade hand gently held Haotian Divine Sovereign's arm and said softly, "I know what you think about me for so many years, and I appreciate you very much, but it's a pity that we are There's a difference."

"I originally thought that if Aotian became the Emperor of Heaven, we would help him together in the future, and we would be able to see each other often. Now it seems to be impossible."

"I only have one last wish, Aotian and I. I live in seclusion in Yuyao Xianyuan, and in the days to come, you can come to see me often. Okay?" The

words were filled with sweetness and tenderness, and were deeply touching, especially at this time, Empress Hua Zhao's sympathetic expression. Appearance, it is difficult for any man to refuse.

This...

God Sovereign Haotian was also moved, and his mood surged instantly.

It turned out that Niangniang did this to create opportunities for herself. She was so stupid that she didn't even think of this.

If Aotian becomes the emperor of heaven, the status of the empress will rise with the tide, and it will be more convenient to summon him in the future...

Thinking of this, the goddess Haotian can no longer hold back, and gently hug Empress Hua Zhao in his arms, his eyes are also Resolute: "Okay, I promise to help the goddess to help Aotian sit on the emperor. And I will protect the goddess forever."

Shuh!

Haotian Divine Sovereign's actions made Empress Hua Zhao feel a little shy, and her delicate face instantly flushed with blush, but she felt the warmth on his body and did not break free.

For a while, the two sides did not speak any more, quietly feeling each other.

The atmosphere in the pavilion is also a little subtle.

"Queen Mother!"

At this moment, a shout came from not far away, and then a figure entered the garden.

He was dressed in a silver robe, with extraordinary extravagance and handsome facial features, but there was an unruly arrogance between his eyebrows and eyes.

It is the son of Empress Hua Zhao, Prince Aotian.

Phew...

Seeing Prince Aotian coming, Divine Lord Haotian and Empress Hua Zhao were startled and quickly separated.

Soon he was in front of him, and Prince Aotian saluted Empress Hua Zhao: "My son has seen my mother." After

speaking, he nodded at Haotian God, "His Royal Highness." Haotian God's status is second only to the God of Nine Heavens. , is also the protector of Yutian Palace, with a detached status, even if the prince sees it, he must give three points of courtesy.

Haotian nodded, then stepped aside.

Chapter 4578 "Aotian, why are you here?" At this time, Empress Hua Zhao adjusted her emotions and asked softly, "Aren't you cultivating in Yuyao Xianyuan

?”

Are you in the mood to cultivate?” Prince Aotian replied in a very depressed tone, and then consoled Empress Hua Zhao: “Mother, don’t be too sad.”

Hmm!

Empress Hua Zhao smiled bitterly: “My mother is very pleased that you can come to see me so soon.”

After speaking, Empress Hua Zhao first glanced at the goddess Haotian next to her, and continued: “Tian’er, there is an important thing. You must be serious.”

“What is it?” Prince Aotian was stunned and responded.

Empress Hua Zhao breathed a sigh of relief, her delicate face full of solemnity; “Your father and emperor are gone, but the entire Divine Realm cannot be without a master for a day, do you want to succeed the throne, the emperor of the day?”

What?

Hearing this, Prince Aotian’s heart was shocked, and he was very shocked: “What did you say, Empress? Do you want me to be the Emperor of Heaven?”

Seeing Empress Hua Zhao nodding, Prince Aotian’s eyes changed, and he smiled bitterly: “I remember, Zeng At a banquet, the father emperor sent an oral decree that I want Ao Lin to be the next emperor of heaven, how can I have a chance.”

When he said this, Aotian prince looked bitter, but his eyes were very unconvinced.

In terms of talent and strength, he is no worse than that Ao Lin, but his father has always liked Ao Lin since he was a child. Seeing Prince Aotian’s reaction, Empress Hua Zhao smiled lightly and said

softly, “It’s just that your father and emperor have spoken orally, so let’s fight for it even more. Tianer, as long as you want, the queen mother will fully support you.”

, Empress Hua Zhao pointed to Haotian Divine Monarch next to her: “Not only behind the scenes, His Highness Divine Monarch will also do his best to help you.”

“Yes!” The

voice fell, and Haotian Shenjun nodded seriously: “I will do my best to help the prince ascend to the throne, but this requires the prince’s cooperation.”

Haha...

Seeing this, Prince Aotian was stunned for a moment, then he smiled, indescribably excited.

Great, with the support of Haotian Divine Sovereign, the chances of becoming a Heavenly Emperor yourself will greatly increase.

Excited, Prince Aotian nodded quickly: "Thank you, Your Excellency Shen Jun, when I become the Emperor of Heaven, I will definitely not treat you badly."

Haotian Shenjun nodded, and then looked at Empress Hua Zhao, both of them revealing smile.

"Okay!"

After a few seconds, Empress Hua Zhao smiled softly: "I am Empress, I am inconvenient to participate in politics, I will go and convene the priests after the next emperor, and discuss the matter at Yutian Palace. I will go back to Yuyao Xianyuan first. , waiting for your good news."

"Okay!"

Haotian Shenjun nodded, and then rushed to Yutian Palace.

Prince Aotian was excited and excited, and followed closely.

A few minutes later, Yutian Palace.

The priests received the invitation of Haotian Divine Sovereign and came one after another.

call!

At this moment, seeing Prince Aotian sitting on the throne, and God Sovereign Haotian guarding him like an iron tower, all the priests looked complicated and were very surprised.

What's happening here?

Why does Prince Aotian sit on the throne and want to usurp the throne?

"Everyone!"

At this moment, Haotian Divine Monarch looked around and said word by word: "Your Majesty's death, I, like everyone, are extremely saddened, but God's Domain cannot be without a master for a day, so I decided to temporarily select a person with both political

integrity and ability. Prince, temporarily assume the throne of the Emperor of Heaven, and after His Majesty's 100 days, the official succession ceremony will be held." After

speaking, Haotian Shenjun raised his hand and pointed at Prince Aotian: "Prince Aotian, he has been intelligent and eager to learn since he was a child, and his intelligence is extraordinary. It's the most suitable candidate, so I decided to let Prince Aotian temporarily replace the Emperor, what do you think?" The

voice was loud and clear, resounding throughout the Yutian Palace, with an undeniable domineering presence.

Wow...

Hearing these words, the priests present suddenly burst into an uproar.

"Let Prince Aotian be the Emperor of Heaven, this..."

"Prince Aotian is not bad, but he's almost the Emperor of Heaven, right?"

"Yeah, I remember that His Majesty once issued an oral decree asking Ao Lin to be the next Emperor of Heaven. ." The

priests talked a lot, but none of them stood up to support it, because they were all present when the Nine Heavens God issued the oracle.

Chapter 4579

Swish!

Seeing the scene in front of him, Prince Aotian, who was sitting on the throne, was instantly gloomy and indescribably annoyed.

Mad, in the hearts of these priests, is Aolin really better than me?

"Don't panic!"

Seeing his face, Haotian Shenjun lowered his voice: "Leave this to me."

After speaking, Haotian Shenjun took a step forward and said with awe: "What are you mumbling about? Dissent, if there is no objection, the matter is settled." The

voice was not loud, but it was full of aura, no doubt.

The last word fell, Haotian Shenjun took out a golden sword and handed it over to Prince Aotian. This sword was exquisite, and it was the Xunyifeng Thunder Sword used by Jiutian God.

This sword belonged to God of Nine Heavens, and it was given to Prince Aotian at this time to prove that sitting on the throne is justifiable.

Huh...

Seeing this, the priests below, you look at me, I look at you, each expression is extremely complicated.

“Wait!”

Finally, a figure strode out, stopping Haotian Divine Monarch: “Everyone has not yet decided, you decide without authorization, is it too child’s play?”

The righteous words on his face are the Sunshine Sun Monarch. .

wow.

The moment the words fell, several priests also came out and accused Haotian Divine Sovereign.

“Yes, it’s a big deal to have the next Heavenly Emperor, how can you be so hasty?”

“God Lord Haotian, the previous emperor treated you well, and he once issued an oral decree that he wanted Ao Lin to succeed the emperor, but now you want Prince Aotian to succeed him, so what is your motive?” The

accusations kept coming, Haotian God Jun’s face sank, and he said coldly: “You are right, the previous emperor did issue an oral edict that Prince Aolin should be established as the next emperor of heaven, but he was only talking about it at the time, and there was no clear edict.” “I think that Prince Aotian

is better than Aolin in terms of character and talent, and he is the most suitable candidate to be the Emperor of Heaven.

“

Looking at Divine Sovereign Haotian, he retorted: “Haotian, you said that Prince Aotian is stronger than Prince Aolin? It’s ridiculous!”

“Prince Aolin has both political integrity and talent, and is more loved by the late emperor. He is the real candidate.”

“You today Going the opposite way and insisting on supporting Prince Aotian, as I see it, your support for Prince Aotian is false, and it is true that you want to take the opportunity to take power secretly?”

Wow!

As soon as these words came out, there was a lot of discussion around!

Haotian Shenjun has always been loyal to Jiutian God, but today he violated his last wish, which is really suspicious.

For a time, Haotian Shenjun blushed and was speechless for a while. You must know that he supported Prince Aotian in public, and he really had selfish intentions. He only wanted to meet with Empress Hua Zhao more in the future, but at this time, being ridiculed in public by the Holy Monarch Sunshine was too much.

Moreover, Haotian Divine Sovereign never thought that the Sunshine Sun Sovereign, who has always been easy-going, dared to oppose him in public today!

For a time, the atmosphere became a little dignified.

Snapped!

At this moment, Prince Aotian, who had been silent all the time, suddenly stood up, patted the throne, and stared at the Holy Sun Lord with anger: "Saint Sun Moon, you are so bold, dare to say that this prince is not as good as Aolin? You? Are you courting death?"

Prince Aotian's personality was rebellious, and he usually relied on his identity as a prince to be arrogant. At this time, when he saw the Holy Monarch on the sun day belittle himself in public, he was so angry that he immediately became murderous.

"His Royal Highness..."

Facing the anger of Prince Aotian, the Holy Monarch Sunshine did not panic at all, and responded neither humble nor arrogant: "I have no disrespect at all, just discussing the matter. Although His Royal Highness has good abilities, it is not as good as Ao. Prince Lin, it's still a little bit worse, and I'm also thinking about the future of our God's Domain."

"You..."

Hearing this, Prince Aotian almost exploded with anger, pointing to the Holy Monarch Sunshine, trembling all over his body. : "Are you really not afraid of death?" The

Luminary Saint Monarch looked indifferent, and his attitude remained the same!

At this time, Haotian Divine Sovereign whispered and comforted: "His Royal Highness, let me handle it!"

After saying that, Haotian Divine Monarch looked at the Sun Saint Monarch and said coldly: "This matter has already been decided, and I can't tolerate it. You refute."

However, the Holy Monarch Sunshine refused to give in an inch, with a dignified expression on his face: "Haotian, what qualifications do you have to identify the successor of the Emperor of Heaven? Do you want to cover the sky with one hand?"

Chapter 4580

"Bold!"

Seeing that his oil and salt did not enter, Haotian Shenjun was also angry: "How can you be allowed to be wild in Yutian Palace?" After the

voice fell, Haotian Shenjun burst out, rushed directly over, and slapped a palm Hit the Sun Lord.

To be honest, Haotian Divine Sovereign didn't want to take action, but Sun Sun Sun Sovereign challenged his authority over and over again, and he couldn't help it.

"I'm afraid you won't succeed?"

Seeing Haotian Divine Sovereign slapped with a palm, the Sunshine Sun Sovereign was not wrong at all: "Don't think that you have a high status and can do whatever you want, and Yutian Palace is not a place for you to seek personal gain!"

This...

Seeing this scene, the other priests around were stunned!

No one expected that the Haotian Divine Sovereign would suddenly take action, let alone that the Sunshine Sun Sovereign had such a backbone and dared to attack.

In a twinkling of an eye, the two sides hit each other hard!

"Touch!" The palms of the

two sides collided, and Shengjun only felt a strong force coming from the sun, and he stumbled back a dozen steps, and finally hit the pillar and stopped.

However, the powerful vibration still made his face pale, and a trace of blood oozes from the corner of his mouth.

The strength of Haotian Divine Sovereign in the Divine Realm is obvious to all. Obviously, this palm, Sunshine Sun Sovereign suffered a big loss.

At this time, Haotian Divine Sovereign's face was extremely cold. Before the Luminary Sun Holy Monarch could stand firm, he quickly walked over and slapped the Sun Sun Holy Monarch with a slap in the face!

“Crack!”

With a crisp sound, I saw the body of the Luminary Sage, flying out more than 20 meters again, and finally fell heavily at the gate of Yutian Palace!

hiss!

Seeing this scene, the priests present took a deep breath!

This Haotian Divine Sovereign is worthy of being the right-hand man of the late emperor. His strength is too strong, and with just one move, he defeated the Sunshine Sun Sovereign.

“Okay!”

At this moment, Prince Aotian stood up excitedly, pointed at the Holy Monarch Sunshine and said fiercely: “To save a waste like you, how dare you point at this prince? His Royal Highness Haotian, kill him immediately!

” The Emperor of Heaven has a violent personality. At this time, he doesn't care about the Holy Monarch of the Sun and his loyalty to the Divine Realm. He only knows that whoever does not let himself be the Emperor of Heaven will die.

Gudong!

Sensing the killing intent of Prince Aotian, the Holy Monarch of Lunar Sun couldn't help swallowing his saliva and panicked completely.

This Prince Aotian is too ruthless, but if he doesn't support him, he will kill me?

Pfft!

In panic, the Holy Monarch on the sun hurriedly knelt down and begged for mercy: “His Royal Highness atonement, I have no disrespect. I was just confused for a while, begging His Highness to spare my life, spare my life...”

However, Prince Aotian had a face on his face. Leng Ran, waved his hand and said: “I know now that I'm wrong, it's too late. Haotian will execute the punishment immediately.”

Hu....

Haotian God Sovereign took a deep breath, walked over and whispered: "Although this Sunshine Holy Monarch is hateful, he is not guilty. Even until death, and the first emperor has not yet arrived in a hundred days, if he kills him, it will not be in harmony with reason."

When he said this, Haotian Divine Sovereign's face was serious, but his heart was extremely complicated.

This Aotian's personality is too violent. If he really becomes the Emperor of Heaven, it will not be a good thing for God's Domain.

"Okay!"

Hearing the dissuasion, Prince Aotian took a deep breath of relief and looked coldly at the Holy Monarch Sunrise: "Since Your Highness Haotian is interceding for you, then I will not take your life, but the death penalty is unavoidable, and the sin of life is inevitable." Speaking, Prince Aotian

waved his hand and summoned two divine soldiers: "Put him in the Heavenly Prison, and wait until the father is a hundred days later, and then convict him.

"

He was dragged out of the Imperial Palace and put into the Heavenly Prison.

Huh...for

a while, the entire Yutian Palace was silent.

Seeing that the Holy Monarch on Lunar Sun was imprisoned in the Heavenly Prison, the other priests were all silent and did not dare to speak rashly.

In particular, those who held objections were even more trembling and did not dare to express their air.

Seeing this scene, Divine Sovereign Haotian nodded with satisfaction, then walked out, knelt down in front of Prince Aotian in public, and shouted, "My minister Haotian, see Your Majesty."

When he said this, Divine Sovereign Haotian thought The figure of Empress Hua Zhao appeared in the middle.

The general trend has come to an end, and Niangniang should be very happy when she knows it.

Whoa!

The voice fell, and the other priests around also knelt down and shouted in unison.

“See Your Majesty.”
