

The ultimate husband in Chinese chapter 4601-4610

Chapter 4601

Buzz, buzz, buzz!

As soon as the words fell, the surrounding divine soldiers exploded with divine power, coming straight towards Yue Feng and Mo Yan.

Made!

Seeing the divine soldier rushing up, Yue Feng was furious. The Haotian Divine Sovereign acted too decisively.

Thinking to himself, Yue Feng did not hesitate at all, and decisively exploded his divine power to meet those divine soldiers.

Bang bang bang!

In the next second, I heard a burst of breath shaking, and the divine soldiers who rushed to the front were all swept away by Yue Fengzhen.

At the same time, Yue Feng shouted at Mo Yan, "Go, hurry up!"

Huh!

Moyan bit her lip tightly and said firmly: "I won't owe you any favors anymore, since I can't leave, I'll fight!" As the words fell, Moyan burst into the power of demon soul, and her figure rose up and rushed towards the enemy among the group.

Swish!

Feeling the power of Moyan's demonic soul, whether it was the Divine Sovereign Haotian or the surrounding divine soldiers, their expressions changed.

Immediately, Haotian Shenjun fixed his eyes on Moyan and sneered: "No wonder Kuishan said that you hid for a day and disappeared. It turned out that the demon soul and accomplices were hidden!"

"The demons have been completely defeated, you are the last remnant. , I won't be happy for a few days, just die." The

voice fell, and the divine power of Haotian Divine Sovereign exploded, like a flash of shock, rushing towards Moyan like lightning.

This chapter is provided by . Visit for daily update.

Ugh!

Seeing this scene, Yue Feng couldn't tell the anxiety, this Moyan was so impulsive, why didn't she listen to her when she left? The power of her demon soul has not been fully recovered, how could she be the opponent of Haotian Divine Sovereign?

Thinking to himself, Yue Feng mobilized his divine power to shake the divine soldiers in front of him back, and then burst out, blocking in front of Mo Yan and attacking the Haotian God.

Bang! In the next second, the figures of the two sides collided fiercely, making a loud noise, and they saw Haotian Divine Monarch and Yue Feng each being shaken back a few steps. Obviously, neither side took advantage of this fight.

What?

However, Haotian Shenjun was shocked in his heart, looking at Yue Feng closely, it was incredible.

This human cultivator, looking at mediocre, has such a powerful strength, his own dignified God King Haotian, with all his strength, can block very few in the realm of the gods, let alone Kyushu, but this guy is actually easy to block down.

At the same time, Mo Yan was also looking at Yue Feng closely, her delicate body trembling, and she was shocked.

He was actually able to tie with Haotian Divine Sovereign.

“Let's go!”

Just when Moyan was stunned, Yue Feng shouted anxiously: “I'll stop Divine Sovereign Haotian, hurry up, if you hesitate any longer, neither of us will be able to leave.”

If Moyan was at his peak, Yue Feng would never be in such a hurry. After all, she is one of the twelve holy demon kings of the demon clan, and she is powerful.

But she was hit with the Demon Suppression Talisman before, causing the power of the Demon Soul to be disordered, and she has not fully recovered yet. If she is forced to stay, it will only be a burden to Yue Feng.

call!

At this moment, Mo Yan bit her lip and was very entangled in her heart. Finally, she obeyed Yue Feng's words. A blue magic flame erupted from her jade hand, forcing the surrounding magical soldiers to retreat.

Taking this opportunity, Mo Yan's delicate body flashed and rushed into the distance.

Seeing that she was finally obedient, Yue Feng secretly breathed a sigh of relief.

"go?"

Seeing this scene, Haotian Divine Sovereign was so frightened that he wanted to chase after him.

However, is Yue Feng willing to give him a chance? Immediately rushed up, stood in front of Haotian God Sovereign, and sneered: "Your Highness God Sovereign, don't you want to fight? I am here to accompany you, why bother with a woman?"

"Palm call.

Yue Feng did not hesitate, once again mobilized his divine power, and greeted him with a palm!

Bang!

The next second, a loud bang came, and both sides were shaken back at the same time.

Haotian Divine Monarch's eyes flickered, looked at Yue Feng closely, and sneered: "Such a powerful force of the red lotus of the law, Yue Feng, you don't have to pretend!"

For nearly a thousand years, only Yue Feng has combined the power of the red lotus of the law. Strength, even though he was wearing a thousand-transformation mask at this time, he was still recognized by Haotian Divine Sovereign.

"Amazing!"

Seeing Haotian Divine Monarch revealing his identity, Yue Feng didn't panic at all, he didn't talk nonsense at that time, he took off his mask and smiled: "As expected of the patron saint of Yutian Palace, you will see it so quickly. Come out."

Anyway, Mo Yan had already broken out, so she didn't need to pretend.

"Yue Feng!"

Seeing Yue Feng's true face, Haotian Divine Sovereign's eyes flickered coldly, and he scolded coldly: "Thanks to the old ancestor's trust in you, you actually colluded with the remnants of the demon race!"

Chapter 4602

“I colluded with the demons?”

Hearing this, Yue Feng sneered and retorted lightly: “Haotian God, you are too embarrassed to say this, you say it yourself, how much I paid for God’s Domain before.”

If it wasn’t for me, the primordial spirit of the ancestors of the Great Wilderness is still in the hands of the Demon Race. If it wasn’t for me, the Demon Race wouldn’t have been wiped out so quickly...”

“But what about your Divine Realm? But crossing the river and demolishing the bridge, you not only Turning a blind eye to my efforts, putting me in a prison, and now slandering me for colluding with the demons, hehe, it’s ridiculous.” The words were

so powerful that they couldn’t be refuted.

Huh...

Hearing this, Haotian Shenjun’s face flushed, he was embarrassed to say it, and he had nothing to refute for a while.

Because Yue Feng was right, without him, the Demon Race would not be wiped out so quickly.

“Yue Feng!”

Finally, after more than ten seconds, Haotian Shenjun exhaled, looking at Yue Feng’s complex tone: “There was indeed some misunderstanding between God’s Domain and you before, and the empress ordered you to be locked up, and I really owe it. That’s right, but your merits and demerits are equal, and you won’t be punished, but you escaped from the prison on your own.”

“That doesn’t count. After you returned to Kyushu, you were with that demon queen, isn’t this not a collusion? ?”

When he said this, Haotian Divine Sovereign looked solemn, but his tone was far-fetched and not very convincing.

“Haha!”

Hearing this, Yue Feng couldn’t help laughing and said slowly: “Whatever you say, I’ll help her, I don’t want to see the demons completely perish, she is the last survivor of the demons. , your Divine Realm has already won the entire war, and you must kill them all?”

Haotian Shenjun's face was cold, and he was too lazy to talk nonsense at this time: "Yue Feng, don't waste your time, right or wrong, go meet the Emperor of Heaven with me to decide."

Emperor of Heaven?

Hearing these two words, Yue Feng was stunned for a moment, and then he asked with some joy: "Has Aolin already become the emperor of heaven?" Master, moreover, Aolin has a kind and sincere disposition, so he will definitely follow his own advice, bypass Mo Yan, and will not kill them all.

"Ao Lin?" God Sovereign Haotian frowned and replied coldly, "What qualifications does he have to be a Heavenly Emperor? Now sitting in the Yutian Palace, the one who temporarily takes the place of Heavenly Emperor is Prince Aotian."

Speaking of which, Haotian God If Jun deceives this matter, perhaps Yue Feng will really return to the realm of the gods with him, but he holds his own identity and disdains to use such small means.

What?

At this moment, Yue Feng was stunned, staring at the Divine Lord Haotian: "In the beginning, His Majesty Jiutian once issued an oral decree to let Prince Aolin take over as the next Emperor of Heaven. Why did you disobey the order?"

At this time, Yue Feng was very angry. It was anger. Prince Aolin had a pure and good nature. He became the emperor of heaven in the future, but he was a blessing to the whole world, but he was despised by them. It was really angering.

At the same time, Yue Feng couldn't help but feel pity for Prince Aolin.

Haotian Divine Monarch's eyes flickered, and he replied word by word: "There are unpredictable circumstances in the sky, and people have disasters and blessings. From time to time, Prince Aolin is really good, but compared to his ability, it is still a lot worse than Prince Aotian. Moreover, It is everyone's opinion to support Aotian as Heavenly Emperor."

When he said this, Haotian Divine Sovereign looked serious, but deep in his eyes, there was a trace of complexity.

Speaking of which, Haotian Shenjun knew in his heart that it would be much better for Prince Aolin to be the Emperor of Heaven than Prince Aotian, but for the future of himself and Empress Hua Zhao, he could only lie with his conscience.

Ha ha....

Yue Feng's heart is as careful as a hair, and he can see at a glance that the god of Haotian is not sincere, and he immediately looks up to the sky and laughs: "Aotian is stronger than Aolin? Hehe, you can even say such a thing against your heart, God of Haotian, before I I still think that you are a person who stands above the ground, but now it seems that I am wrong."

As he spoke, Yue Feng shook his head in disappointment: "If my guess is right, you want to support a puppet so that you can rule the realm of the gods by yourself. Right?"

Huh!

When the words fell, the complexion of Haotian Shenjun changed instantly. Although Yue Feng's guess was not very accurate, it was very close to the truth.

The next second, Haotian Shenjun took a deep breath, concealed his inner panic, and said slowly: "Yue Feng, stop talking nonsense, hurry back with me to see the Emperor of Heaven, I will speak to you then, and I believe the Emperor of Heaven will not either. It's too embarrassing for you."

Chapter 4603

Seriously, Haotian Shenjun holds his own identity and doesn't want to be so polite, but there is no way, Yue Feng was reborn with the help of the red lotus of the law, and then merged with the innate spiritual power of the goddess Nuwa, and the strength is not what it used to be. One word, Haotian Divine Sovereign is not sure of winning.

Yue Feng shook his head, and didn't want to waste his words at this time: "That's your Heavenly Emperor, not mine. I'm not obliged to see him. Do you have anything else to say? If not, I'll leave.

" Falling down, Yue Feng turned around and was about to leave.

Swish!

Seeing that Yue Feng didn't give any face at all, Haotian Divine Sovereign suddenly became angry and shouted: "Yue Feng, don't be ignorant of praise, this king has said all the good things, what else do you want? Do you have to be an enemy of God's Domain?"

"It's not my decision whether I want to be an enemy of God's Domain or not." Yue Feng looked awe-inspiring, facing the eyes of Haotian Divine Sovereign: "It's you, if you have to be so aggressive, I don't care."

"Okay!"

Listen At this point, Haotian's monarch was very angry, and said coldly: "Very good, Yue Feng, don't think that you are strong, so you don't put this king in your eyes. Since you are so obsessed, don't blame me for being rude. "

Speaking, Haotian Divine Lord raised his hand and waved: "Immediately line up and take prisoner Yue Feng." The

last word fell, Haotian Divine Monarch flashed, and sat back in the chariot. He knew that he was dispatched by himself. Taking action one-on-one with Yue Feng, the chance of winning is very small, it is better to let your subordinates consume Yue Feng's strength first, and then defeat him at the right time.

After

hearing the order, thousands of divine soldiers burst out and came straight towards Yue Feng.

Ripped your face?

Seeing this scene, Yue Feng did not panic at all, and immediately exploded with divine power, attacked and fought fiercely with those divine soldiers.

I saw that Yue Feng's whole body was filled with divine power, like a tiger descending a mountain. He swung his fists to form a terrifying wind, and every time he punched, more than a dozen divine soldiers would be shaken and flew out.

However, there were just too many of these divine soldiers. As soon as the front was knocked flying, the back quickly rushed up, one after another, and they couldn't finish the fight at all.

Stab it!

Finally, Yue Feng was inattentive, and was slashed on the back with a knife by a magic soldier behind him. In an instant, blood sprayed and splashed all over the ground. When the severe pain came, Yue Feng did not shout, but gritted his teeth and held it back.

Huh...

Seeing this scene, Haotian Shenjun was very excited, showing a smile, sitting in the chariot and shouting: "Yue Feng, you can't leave today, you should go back with this king obediently.

" Feng sneered, did not respond, and continued to fight with the many gods in front of him.

Pfft...

A few seconds later, I heard a soft sound, and I saw Yue Feng was stabbed again in the leg.

After being injured one after another, Yue Feng's speed slowed down, and his body's divine power was also consumed a lot.

At this time, Divine Sovereign Haotian knew that the opportunity was coming, and without hesitation, he rushed out of the chariot like lightning: "Yue Feng, this king doesn't want to meet you, but you are too stubborn."

"Om!"

At the moment when the words fell, Haotian Divine Sovereign had already reached the sky above Yue Feng. He slowly raised his hand and summoned a golden spear. After this golden spear was consecrated as God King, Prince Aotian specially ordered someone to make it for him. of.

The spear is made of the unique Xingxiao Lingshi of God's Domain. It contains extremely strong innate power, and its power is no less than that of the Nine Heavens God's Xunyi Finglei Sword.

At this moment, a terrifying power fluctuation erupted from the long spear, and the entire sky was distorted!

"Sky Splitting Art!" In the

next second, Haotian Divine Sovereign suddenly raised his hand, and a terrifying golden spear shadow erupted from the spear and slammed into Yue Feng!

This golden spear shadow is more than 100 meters long, and it is completely formed by the fighting spirit of Haotian Divine Sovereign!

At the moment when the golden gun shadow appeared, the surrounding temperature seemed to drop by more than ten degrees. Yue Feng only felt that he had suddenly fallen into the ice cave, and a chill ran from the soles of his feet to the top of his head.

shit.

At this moment, Yue Feng was shocked. Although he knew that Haotian Divine Sovereign was very powerful, he had never seen him break out a stunt, so he never thought that Haotian Divine Sovereign's stunt was so powerful.

Unexpectedly, Haotian Divine Sovereign is so insidious, to take advantage of his injury.

Mad! Can't escape now.

Under the shock, Yue Feng felt a little despair in his heart, and he fell down in cold sweat!

Chapter 4604

Facing the siege of thousands of divine soldiers just now, it consumed a lot of divine power. At this time, the leg was injured again, and he couldn't escape at all. At this time, Yue Feng only felt that the dazzling golden gun shadow in front of him was like A big mountain is pressing down, and there is nowhere to escape!

Whoa!

At the same time, the magical soldiers who were originally surrounded by them all scattered around. They all knew in their hearts that the stunts of the Haotian Divine Sovereign were very terrifying. If they were accidentally injured, they would be shattered.

While dispersing, many divine soldiers looked at Yue Feng, each one being extremely complicated!

"This Yue Feng is also a genius. It's really a pity to die like this!" "What a pity? This man is arrogant and deserves

to be killed by His Royal Highness!

"

, Haotian Divine Sovereign broke out a stunt at this time, and Yue Feng had absolutely no possibility of surviving.

After all, Yue Feng was already injured and could not stop it at all.

call!

At this time, Yue Feng watched the terrifying golden spear shadow getting closer and closer, and clenched his fists secretly. He was nervous at first, but suddenly thought of something in his mind, and suddenly a smile appeared.

I still have a trump card, why have I forgotten?

Thinking about it, Yue Feng's spirit was greatly lifted, and then he opened the pendant on his neck and summoned a figure.

hum!

In an instant, a strong terrifying aura erupted, and then a huge figure burst out of the air.

Impressively fierce.

“Fierce Biao, block him.” The moment Fierce Biao appeared, Yue Feng was extremely excited and excited, the Great Sage ordered.

“Roar!” Fierce Biao roared, the huge body, carrying the terrifying power, directly met the golden gun shadow.

boom!

In the next second, an earth-shattering roar was heard, and the golden spear shadow beat Biao Biao abruptly.

What?

Seeing this scene, both Haotian Divine Sovereign and the Divine Soldiers present were all shocked and stunned.

Such a powerful blow was blocked like this?

Under the shock, Haotian Divine Monarch stared at the fierce Biao tightly, his face changed, and his eyes were extremely complicated and fearful.

Is this the power of the four ancient evil beasts?

It was so scary.

When the Nine Heavens God personally led the army to attack Fengmo Mountain, Haotian Shenjun didn't follow because of his injuries, so he didn't see the scene of the fierce battle against Gone, but he heard about it afterwards.

However, he never thought that Yue Feng would carry this evil beast with him, and the strength of this evil beast was beyond imagination.

“Ferocious Biao!”

Finally, Haotian Divine Sovereign reacted and stared closely at Fierce Biao: “Have you forgotten how you were sealed in the Infernal Shadow Prison? This Yue Feng colluded with the demons, and you help him to be abusive.”

“Now that the demons have been completely annihilated by my God Realm, have you thought about ending for Yue Feng and God Realm?” The

words were impassioned, but to Xie Biao's ears, they were not at all deterrent.

“Roar!”

At this moment, Xie Biao first let out a loud roar, with a pair of copper bell-like eyes, stared at the Haotian God, and said, "Don't scare me, I don't care how strong your God Realm is, I All I know is that I was trapped in the Infernal Shadow Prison for nearly 10,000 years, with no freedom at all, and finally my master brought me out."

"Whoever dares to hurt my master is an enemy of me."

When he said this, he was extremely fierce. Cold and arrogant and domineering, speaking of which, it is not even afraid of the Demon Lord Gone, so naturally it will not take Haotian Divine Sovereign in its eyes.

Mad!

Hearing the response, Haotian Divine Sovereign blushed and was furious.

This Fierce Biao is really a ruthless character, and he moved out of the entire God's Domain without frightening it.

At this moment, Fierce Biao stopped talking nonsense, and his huge body rushed forward, waving his claws, and a purple lightning burst out, slashing towards Haotian Divine Sovereign.

This lightning strikes through the world, as if to split the world into two worlds, and its power is terrifying.

At this moment, Haotian Divine Sovereign had a solemn expression on his face, and he couldn't avoid it at that time. He only needed to use his divine power to block the golden spear in front of him in an attempt to block the blow.

boom!

The next second, I heard a loud noise, and I saw Haotian Shenjun's face pale, and he was directly knocked back dozens of steps by the volley.

Chapter 4605

Haha...

Seeing this scene, Yue Feng was extremely excited, and a smile appeared on his face.

He was so witty, and released the fierce Biao at the critical moment.

It has to be said that this fierce force is so powerful that even the famous Haotian Divine Sovereign is not an opponent, and he can't even take a single move.

Whoa!

At the same time, the magic soldiers around were also stunned, and they couldn't help gasping for air.

The strength of this evil beast, Fierce Biao, is too terrifying. You must know that Haotian Divine Monarch is the patron saint of Yutian Palace. He has been reused by the Nine Heavens God before, but at this time, he couldn't even block a lightning strike from Fierce Biao?

Although there are many divine soldiers who have participated in the extermination of Fengmo Mountain, and have seen the fierceness of Fierce Biao at that time, but at this time, he is still shocked when he sees it easily repelling the Haotian God Monarch.

Mad!

At this moment, Haotian Shenjun stabilized his figure, his face flushed red, and he was shocked and angry.

He is the dignified God King Haotian, but he can't even beat an evil beast. If this news spreads, where will he put his face?

Thinking to himself, Haotian Divine Monarch's eyes were extremely blood red, his divine power burst out, and he rushed towards Fierce Biao: "The wicked animal is going to be arrogant, do you really think this king is afraid of you?"

Fierce Biao roared, and the huge body burst into a purple color. Lightning, attacked, and Haotian Divine Sovereign fought fiercely in mid-air.

call!

Seeing that Xie Biao successfully stopped the Haotian Divine Monarch, Yue Feng breathed a sigh of relief, suspended not far away, and silently recovered his divine power while observing the situation.

.....

this moment, the other side.

In midair, Mo Yan flew at a very high speed, heading towards the Diyuan Continent.

While flying, Mo Yan's mind was also buzzing blankly. The man who had won his innocence, at a critical moment, disregarded his own safety

.... It is too dignified to be protected by a human man over and over again.

No, I can't just leave like this.

Although the guy named Fengtao was very hateful, he couldn't let him die in the hands of Haotian Divine Sovereign.

At this time, Mo Yan's chaotic thoughts finally calmed down, and with a flash of her tender body, she would fall into the woods below, and then sat cross-legged, quickly recovering the power of her demon soul.

More than ten minutes later, Mo Yan's demon soul power was almost restored, and without any hesitation, she rushed back to support her decisively.

Mo Yan didn't know what to think.

It was obvious that the one named Feng Tao had taken away his innocence, and he deserved death, but he couldn't be ruthless, and he didn't want him to fall into the hands of Haotian Divine Sovereign.

Could it be...

that you are in love with him?

No...

As soon as this thought flashed, Mo Yan's face flushed, and she quickly shook her head.

With the future of the demons on his shoulders, how could he be emotionally attached to a human man? No, absolutely not.

With the thoughts on her mind, Mo Yan didn't slow down at all, and soon, she rushed to a small hillside, which was less than 500 meters away from the battlefield.

This...

At this moment, standing on the hillside and looking at the battlefield in the distance, Mo Yan's delicate body trembled, and she was stunned.

I saw that a huge beast on the battlefield was fighting fiercely with Haotian Divine Sovereign in midair.

Under the attack of the beasts, Haotian Divine Sovereign only had the ability to parry, but had no power to fight back.

For a while, Mo Yan was stunned, what kind of beast is this, so brave, can it defeat the Haotian Divine Sovereign? Incredible.

If you hadn't seen it with your own eyes, who would have believed it?

call!

After watching it quietly for a few seconds, Mo Yan suddenly understood something through careful observation, and suddenly her delicate body trembled.

Could it be... this is one of the four evil beasts trapped in the Infernal Shadow Prison?

Speaking of which, Moyan was still in control of the Nanyun Imperial Family in the Kyushu Continent when the Demon Race was completely annihilated on Fengmo Mountain, so she had never seen Vicious Biao, but as one of the Twelve Holy Demon Kings, Moyan was very knowledgeable. At this time, he sensed the evil power pervading Xie Biao's body, and he guessed it at once.

Swish!

In surprise, Mo Yan's eyes turned to Yue Feng, her mind went blank and she was completely stunned.

The ultimate husband in Chinese chapter 4606-4610

Chapter 4606

Because the identity of the goddess Haotian was discovered just now, Yue Feng put away the thousand-changing mask and revealed his true colors.

He...

At this moment, when he saw Yue Feng's face, Mo Yan's delicate body trembled, and his mind was completely blank.

Is he Yue Feng? This man who called himself Fengtao turned out to be Yue Feng?

No wonder...

No wonder he is so strong as a human man, no wonder his demon soul was disordered before, and he can easily help to integrate the power of the demon-suppressing talisman.

For a while, Mo Yan stood there blankly, her delicate face was changing, her heart was a mess, astonishment, anger, humiliation, and humiliation...

Finally, all these emotions turned into resentment.

Mo Yan glared at Yue Feng fiercely, wishing to rush up and kill him immediately, slashing him with thousands of swords and smashing his bones into ashes.

This Yue Feng, who first helped God's Domain to besiege Feng Mo Mountain, led to the annihilation of Zun Shang and all the demon tribes, and then turned into Feng Tao, playing tricks on himself, and taking away his innocence.

The funny thing is that he has been kept in the dark all the time, and he has come to rescue him foolishly.

I'm so stupid, I'm so stupid.

The more Mo Yan thought about it, the more angry she became. The racial hatred, the innocent hatred, this hatred would not be tolerated if not avenged.

Under the anger, Mo Yan was about to rush up, but in the end she held back.

no!

This chapter is provided by . Visit for daily update.

If you rush up now, you will definitely be surrounded by circles. If you kill Yue Feng in time, you will not be able to escape. You will be the only one left in the entire demon race. If you die here today, what are you talking about revitalizing the race?

Thinking of this, Mo Yan endured her anger and left decisively before she was discovered.

Yue Feng!

But at the moment of leaving, Mo Yan did not forget to look back at Yue Feng with a cold look. If you don't die today, I will definitely repay the shame you gave me.

After saying this in her heart, Mo Yan moved her figure and disappeared into the night.

At this moment, Yue Feng is here.

A sneeze.

Yue Feng was recovering his divine power when suddenly he sneezed abruptly.

I go, who is talking about me behind my back?

Muttering in his heart, Yue Feng looked at the sky, and at this time Xie Biao was still fighting fiercely with Haotian God.

Just saw that Haotian Divine Sovereign was pale and in a state of embarrassment under the suppression of the fierce, how could there still be the appearance of the

protector of Yutian Palace? Not only that, there are already many magic soldiers rushed to help, but still can't change the situation.

Mad!

Under such circumstances, Haotian Divine Sovereign was completely anxious. He noticed that Yue Feng, who was not far away, was recovering his divine power, and hurriedly shouted: "You don't need to help me, and try your best to capture Yue Feng."

Haotian Divine Sovereign knew very well that fierce Although Biao is terrifying, he obeys Yue Feng. As long as Yue Feng is under control, fierce Biao will not be a concern.

Whew...

Hearing the order, many of the surrounding magic soldiers locked on Yue Feng and rushed towards him like a tidal wave.

Nima, do you still want to bully the less with more?

Seeing those magic soldiers rushing up, Yue Feng scolded secretly. He didn't think much about it at the time, he turned around and rushed towards the distance!

At the same time, Yue Feng did not forget to turn his head and instructed Xie Biao: "You must stop Haotian." Yue Feng is not stupid, he knows the mind of Haotian God.

But then again, as long as Haotian Divine Sovereign is entangled, those Divine Soldiers will not dare to chase after them.

"Yes, Master!"

Xie Biao responded, his huge body burst out towards the Haotian Divine Sovereign.

boom!

In the next second, Haotian Divine Sovereign received a claw, the armor on his body was directly torn, golden blood sprayed out, his body trembled, and he fell from the air.

"His Royal Highness!"

Seeing this scene, those divine soldiers who were about to pursue Yue Feng exclaimed, turning around and rushing over at the same time.

Whoosh!

Taking advantage of the opportunity, Yue Feng rose into the sky and disappeared into the night in the blink of an eye.

“Who told you to come back?” Seeing Yue Feng’s successful escape, Haotian Divine Sovereign was about to explode with anger, his originally weak face turned even paler at this time.

At this time, Divine Sovereign Haotian was angry and frustrated.

He was the dignified God King Haotian, and he was led by thousands of divine soldiers, but he was turned around by a Yue Feng, and finally let him escape.

shame.

Simply shameful.

Chapter 4607

Under the resentment, Haotian Shenjun ordered the magic soldiers present to deal with the fierce Biao in front of him together.

Yue Feng’s biggest reliance is this Fierce Biao, to subdue Fierce Biao, it is much easier to deal with Yue Feng.

However, Fierce Biao is the head of the four evil beasts, how can he be subdued so easily.

“Roar!”

At this moment, facing the attack of the surrounding divine soldiers, Xie Biao was completely enraged, and let out a roar that shocked the world, followed by an explosion of power all over his body, one after another of purple lightning spewed out of Xie Biao’s mouth, and went straight to the surrounding people. God soldiers go.

Kazazza...

Those purple lightning bolts contained unparalleled power, and the surrounding magic soldiers were too late to react, they were instantly struck by lightning and screamed.

Under the screams, these divine soldiers were extremely frightened. They did not expect that their strength was so amazing under this fierce and madness.

In the blink of an eye, hundreds of divine soldiers turned into fly ash in the purple thunder and lightning, and they almost lost their souls.

Made!

Seeing that the scope of the thunder and lightning was getting wider and wider, Haotian Shenjun was also extremely angry, and at the same time, he didn't have time to think about it, and quickly deployed a protective film in front of him.

boom!

In the next second, the thunder and lightning slammed on the protective film and was directly blocked, but even so, Haotian Shenjun was shocked and was directly shocked back dozens of steps.

At the same time, the magic soldiers around were also turned upside down, and they were all embarrassed.

Whoosh!

Taking advantage of the opportunity, Fierce Biao's huge body rose into the sky and headed towards the direction of Yue Feng's departure. Although it was an evil beast, Fierce Biao was very smart. It knew that its mission was to help Yue Feng escape. Now Yue Feng has already Go far, you don't need to fight.

When Haotian Divine Sovereign reacted, Xie Biao had disappeared from sight.

Made!

At this moment, Haotian Shenjun's face was hideous, and he almost fainted from anger.

Thousands of divine soldiers paid such a heavy price, but they still failed to catch Yue Feng, and now, the evil beast Fierce Biao also ran away. In such a situation, how can I go back and meet Empress Hua Zhao?

"Pass my order!"

After a few seconds, Haotian Divine Sovereign reacted, looked around and said coldly: "Rush to the Ouyang family immediately. Be sure to intercept Yue Feng before he returns." The Ouyang family is Yue Feng's home, and he will definitely go back.

"Yes!"

... on the

other side.

High in the sky, Yue Feng flew very fast, chasing where Mo Yan left before.

The power of her demon soul has not fully recovered, and she is still alone, Yue Feng is really worried.

At this time, Yue Feng put on the Thousand Transformation mask again, and planned to continue to face Mo Yan as Feng Tao, but he didn't know that Mo Yan had just returned quietly and already knew his true identity.

call!

After chasing for more than a hundred miles, and seeing Mo Yan's figure at all, Yue Feng couldn't help frowning secretly.

Where has this silly woman gone? Shouldn't something happen?

“Roar!”

He was anxious in his heart when he heard a roar from behind him. Yue Feng quickly turned his head to look, and saw Xie Biao quickly chasing after him. The huge body was full of scars, all left from the previous fierce battle.

These injuries are not serious, but Yue Feng is still very ashamed.

“Did you get rid of them?”

Yue Feng couldn't help but ask: “Also, is your injury okay?”

Xie Biao responded lightly, “Compared to being in the Infernal Shadow Prison, this injury is nothing. , Master, I have successfully got rid of Haotian Divine Lord and the others, you don't have to worry.”

“Very good!”

Hearing this, Yue Feng smiled and nodded in approval: “This time is really thanks to you.

”, Yue Feng helped Xie Biao check the injury, and after confirming that there was no serious problem, he put it into the pendant and quickly returned to the Ouyang family.

A few hours later, Yue Feng finally arrived in Zhongzhou.

The weather was good and the sun was shining brightly today. However, because of the re-emergence of the barrier on the mainland of Kyushu, panic was triggered all over the place. The bustling and prosperous Zhongzhou City also had few pedestrians on the streets, making it seem deserted.

The situation in the world is about to change, and no one dares to go out at will.

However, the Ouyang family mansion is even more heavily guarded. There are dozens of family disciples at the gate, and there are many people patrolling around.

Ugh!

Seeing this, Yue Feng secretly sighed.

Chapter 4608 I

thought that if I got rid of the demons, I would be able to restore peace to the world. Who knows, people are not as good as heaven. After the death of the Nine Heavens God, Haotian God and the priests even elected the rebellious Prince Aotian to the throne.

Now that the enchantment of Kyushu has reappeared, everyone is in danger, and they don't know when it will be completely peaceful.

Muttering in his heart, Yue Feng walked over quickly.

“Brother Feng?”

“Brother Feng is back!”

When they approached the gate, many family disciples were shocked when they saw Yue Feng, and they were all excited, and then hurried up to greet him with surprises on their faces.

“Yue Feng?”

Hearing the movement, the people who were sitting in the front hall discussing affairs quickly walked out one after another.

Seeing that it was really Yue Feng, everyone was overjoyed, and Mei Hui couldn't hide her joy. Her tender body trembled with excitement: “Brother, you're finally back...” The

voice fell, and Mei Hui rushed into Yue Feng. In his arms, he burst into tears excitedly: “I thought my brother was in trouble and couldn't come back!”

Yue Feng showed a smile, patted Meihui's shoulder and comforted: “Brother is so talented, how could it be? What's wrong?”

Hearing this, Mihui turned her tears into laughter.

At this time, Yue Feng's eyes fell on Ren Yingying: “Yingying, I am relieved to see that you are all right.” When he was caught in the God's Domain before, seeing Ren Yingying being left here, Yue Feng has always kept it in mind.

At this moment, I saw that Ren Yingying was smiling as before, not showing any signs of injury.

“I’m very good!”

Feeling Yue Feng’s concern, Ren Yingying felt a burst of warmth in her heart, and smiled: “I’m worried about you, there’s been no news since you were taken away. Recently, the enchantment of Kyushu has appeared again, and the gods have sent the gods to the gods. General , what kind of ‘Qintianjian’ was set up in Kyushu, which made people panic.”

When saying this, Ren Yingying’s delicate face showed a trace of worry.

At that time, after the enchantment reappeared in Kyushu, there were rumors that Haotian Shenjun also went down to earth in person. Knowing this at the time, Ren Yingying resolutely left the palace and retreated to the Ouyang family with everyone.

call!

Yue Feng took a deep breath and frowned.

At this moment, Sun Dasheng came over and punched Yue Feng’s shoulder with a smile: “Fengzi, you are back, do you know that everyone is so worried about you, and ah, it really happened during this time. There are too many things.”

“You don’t know, we almost had a misunderstanding with my younger brother and sister before...”

Sun Dasheng was straight-faced, he said nothing.

Just before he finished speaking, he was interrupted by Ren Yingying: “Big sage, the past is over...” Yue Feng finally came back, but he really didn’t want to worry about the past.

Almost made a misunderstanding? Yue Feng was stunned for a moment, and when he saw everyone’s expressions, he was a little embarrassed. He couldn’t help asking, “What

misunderstanding? What happened?” “Alas!” At this moment, Wen Chou Chou walked out with a smile: “Since the great sage has said it, let’s not hide it from the wind.”

Speaking, Wen Chou Chou put his hand on Yue Feng’s shoulder and said seriously: “Fengzi, you may not know how much hardship your brother and sister have suffered. After you were taken away, she was controlled by the Demon Venerable, and then she took all the pains. Everyone caught it.”

“Fortunately, at the last critical moment, she woke up.”

When he said this, Wen Chou Chou looked ashamed. As a sworn brother, he didn't take good care of his brother's family, which was really embarrassing.

What?

Is there such a thing?

Knowing the situation, Yue Feng's heart trembled, and he looked at Ren Yingying affectionately, and said bitterly: "Yingying, I'm sorry for making you suffer!" As he said, he held Ren Yingying in his arms.

At this time, Yue Feng felt very guilty.

The former Ren Yingying was the princess of the Tianqi royal family. She was favored and carefree. Later, when the Tianqi emperor died, she followed her to the Ouyang family. She personally said that she wanted to give her happiness.

But these years, the rivers and lakes have been turbulent, and I have been with her less and more, and I have never fulfilled the responsibility of a man.

"You don't have to feel bad!" Feeling Yue Feng's guilt, Ren Yingying smiled, leaning on her chest and gently comforting: "Am I okay?"

Chapter 4609

Hmm!

Yue Feng nodded, couldn't help kissing her on the forehead, and said solemnly: "Don't worry, I won't let you suffer again in the future."

Yue Feng said this from the bottom of his heart, completely forgetting about the others around him.

Swish!

Yue Feng's intimate actions made Ren Yingying blushed instantly, she broke free from her embrace, and said coquettishly, "Brother Wen, they are all here, what are you doing?"

He said this, but his heart was sweet.

As long as the beloved man comes back safely, no matter how much you cry, what is it?

Haha...

Seeing the two flirting with each other, Wen Chou Chou, Sun Da Sheng and others couldn't help but laugh.

"It's okay, it's okay, you continue!"

"Yes, we didn't see anything!"

"Haha..."

Hearing these words, Ren Yingying's face turned even redder, and shyly, she pinched Yue hard. Wind twice.

In an instant, the atmosphere was extremely relaxed.

"That's right!"

At this moment, Wen Chou Chou thought of something, and asked Yue Feng, "What have you been through in God's Domain for so long? Before the younger brother and sister were controlled, they suddenly woke up. At that time, Kyushu was born different. Elephant, we all guessed that it was the Demon Venerable who had a problem, is that true?"

Shuh!

At this moment, the eyes around him also tightly locked on Yue Feng.

Yue Feng breathed a sigh of relief, nodded and said: "Yes, the Demon Lord Gone is dead, and the entire Demon Race no longer exists, but this matter is a long story."

In the next ten minutes, Yue Feng will Everything that happened during this time was described in detail.

Hearing that Yue Feng was misunderstood by the Nine Heavens God, everyone was extremely excited. When they heard that Yue Feng was captured by the demons and thrown into the Infernal Shadow Prison, everyone was extremely worried.

Finally learned that thanks to Yue Feng's efforts, the demons were completely annihilated, and everyone cheered.

Of course, Yue Feng didn't say anything about helping Mo Yan after returning to Kyushu, because he didn't know if he was doing the right thing at the time.

"That's great, the demons have finally been completely wiped out."

"Haha... I knew that Fengzi was a lucky person, and no matter what happened, he could turn bad luck into good luck."

“I can’t see it, Fengzi, The entire Demon Race was wiped out because of you.”

For a while, everyone was in awe of their excitement.

Ren Yingying, Xiao Yuruo next to him, and Su Qingyan’s daughters looked at Yue Feng with joy and satisfaction.

This is his man, omnipotent, no difficulty can overwhelm him.

“That’s right!”

At this moment, Wen Chou Chou suddenly thought of something, looked at Yue Feng and said, “Since you helped Divine Realm exterminate the Demon Race, why did you have to make such a big battle, first make Kyushu Enchantment, and then send the gods and gods to deal with you in the future?”

Yue Feng smiled bitterly, and was about to respond, but was interrupted by Sun Dasheng.

“Made!”

At this time, Dasheng Sun, his face full of anger, said indignantly: “Is there any need to ask? As far as the virtues of those gods are, they must cross the river and demolish the bridge. You think, Yue Feng, a human cultivator, can’t do what they do. The matter has completely wiped out the Demon Race, can they balance their hearts?”

“It’s not surprising that these hypocrites can come up with this trick.” The

voice fell, and many people around nodded in agreement.

Yue Feng smiled and said: “The Great Sage is right, but not entirely right, I was able to escape from the Heavenly Prison because of that Prince Aolin, and the Nine Heavens God was released with me before he perished. I’ve had a grudge.”

“Some things, it’s really hard to say who’s right and who’s wrong.”

Phew!

Hearing this, everyone fell silent.

At this time, Yue Feng looked around and said with a smile: “But anyway, it is my greatest luck to be able to come back alive, and to be with my family is also the happiest.”

After speaking, Yue Feng's words changed: "It's just that I played Divine Sovereign Haotian before. With his personality, he won't let it go easily, and Empress Hua Zhao won't let me go, so let's go to a safe and secret place to hide." The

Ouyang family Everyone is not weak, but in the face of the gods and soldiers led by Haotian God, there is no chance of winning. The best plan is to avoid their edge.

Chapter 4610

Wow!

As soon as these words came out, there was an uproar in the audience.

"We're right, why do we hide?" "But if we don't dodge,

how can we be the opponents of God's Domain?" "Okay, okay!" Seeing this situation, Wen Chou Chou came out and waved his hand: "Everyone, stop arguing, I think Feng Zi is right, these years, we have been caught up in the disputes between the rivers and lakes, and there is no chance to breathe. , I finally managed to settle down, but I was targeted by God's Domain." "With our current strength, we are simply not enough to compete with God's Domain, so we might as well avoid its edge." Seeing Wen Chou Chou speaking, everyone stopped arguing. However, another problem was placed in front of everyone. Although Kyushu was large, it was divided by the barrier, and with so many people, it was very difficult to hide in one place and not be discovered by God's Domain. "Why not!" At this moment, Su Qingyan walked out slowly and said softly, "Let's go to the Xia Yinzong main altar together. " Undiscovered, definitely a good place to hide. Huh... Hearing this, everyone smiled. Yue Feng also patted his forehead and said with a smile, "Yeah, why didn't I think of this place? Then let's go to Xia Yinzong, and take advantage of Haotian Shenjun before he arrives, let's act quickly." Everyone nodded . .

Ten minutes later, the Yue Feng and Ouyang family members, under the leadership of Su Qingyan, left Zhongzhou in a mighty manner, heading towards the Xia Yinzong.

Crash....

As soon as the forefoot left, I saw a burst of breath fluctuations in the sky, and then I saw that thousands of divine soldiers and generals, led by the Haotian God, came quickly.

Seeing this scene, the people of the entire Zhongzhou City were shocked.

Um?

At this time, when he reached the sky above the Ouyang family, Haotian Shenjun was immediately furious when he saw the scene in front of him.

Damn, it was too late.

I saw that the huge Ouyang family manor was dead silent. As far as the eyes could see, there was no one person. It was obvious that everyone had disappeared.

Bang!

Under the anger, Haotian Divine Sovereign slapped the gatehouse at the gate with a slap in the face, only to hear a roar, the gatehouse collapsed instantly, and fluttered into the air. At this time, Haotian Divine Sovereign's face was extremely ugly.

"Pass my order!" In the

next second, a cold voice came from the mouth of Haotian Shenjun: "No matter how much you pay, you must find the whereabouts of Yue Feng and the people of the Ouyang family. There must be no mistake."

His speed was very fast, However, Yue Feng was the first to come back.

But no matter if you flee to the ends of the earth, you will not be able to escape from the palm of my hand.

"Yes!" In an

instant, thousands of divine soldiers responded in unison, and the momentum was shocking.

.....

On the other side, God's Domain.

In the Yutian Palace, Prince Aotian sat there with a gloomy expression on his face!

Beside him, Empress Hua Zhao was wearing a delicate robe, but her delicate face also showed a bit of coldness.

The priests stood quietly on both sides, and the atmosphere was a little depressing.

Below, Prince Aolin stood there with a calm expression on his face, and was not frightened by the atmosphere in front of him.

In the end, he was brought here before he reached the fairy garden where he lived.

"Ao Lin, I'm asking you!"

At this time, Ao Tian looked at Ao Lin coldly, with a lofty tone in his tone: "Did you let Yue Feng go?"

"So what if I let go ?" ?" Ao Lin replied lightly.

"Bold!"

Ao Tian's face sank, and he angrily said: "You let the criminals go privately, is it reasonable?"

Now that he is acting as the Emperor of Heaven, this Ao Lin is so disrespectful, it is really hateful.

In the face of Aotian's anger, Ao Lin did not panic at all, saying word by word: "Aotian, when the late emperor was there, he made an oral decree to appoint me as the next emperor of heaven, but you usurped the throne in private. It is a heinous crime." The

words were so powerful and powerful that they could not be refuted!

hateful!

Hearing this, Aotian's face instantly turned hideous, and he shouted angrily: "My position was recommended by the ministers. In terms of talent, I am a hundred times stronger than you, why am I not qualified to be the emperor of heaven?"
