

The ultimate husband in Chinese chapter 4611-4615

Chapter 4611

Aotian became more and more angry, pointed at Ao Lin and cursed: "Don't rely on the emperor's favor to you, you can be so presumptuous and willful in Yutian Palace at this time.

"Wei?"

Hearing this, Ao Lin laughed in anger: "It's you who is really doing the wrong thing."

At this time, Ao Tian was extremely angry. The position of the Emperor of Heaven originally belonged to him, but was taken away by Ao Tian. Taking it away, not only taking it away, but also facing my sin...

"I ask you!"

At this moment, Aotian's face was gloomy, and he said coldly: "You let Yue Feng go privately and plead guilty or not.?"

Phew!

Ao Lin took a deep breath and looked at Ao Tian fearlessly: "I didn't do anything wrong, why should I admit it? Master has done so much for God's Domain, without him, the Demon Race would not be completely wiped out, without him, Master His Primordial Spirit will not be rescued."

"But you, for your own benefit, actually crossed the river and demolished the bridge. Not only did you not appreciate Master's contribution, but you even put him in the Heavenly Prison."

"Is this what Heaven wants? "

"It's ridiculous, it's ridiculous."

Shaw!

Hearing this sarcasm, both Aotian and the lady Hua Zhao, who was sitting next to him, both changed their expressions and became furious.

"Okay!" In the

next second, Aotian gritted his teeth and shouted: "Very good, I still refuse to plead guilty, right? Come on, punish me." When the

This chapter is provided by . Visit for daily update.

voice fell, a god general walked out immediately, holding a Whiplash.

The spirit whip, as the name implies, is drawn on the body, and the soul also suffers from unbearable pain. When Yue Feng was arrested, Jiutian God suspected that he was colluding with the demons, so he tried the spirit whip.

Swish!

Seeing the whip, Ao Lin was shocked, and looked at Ao Tian in shock and anger: "Ao Tian, you are trying to usurp the throne of the Emperor of Heaven, and you have to lynch me. Father Huangquan knows it and won't forgive you. "

How dare you use your father to scare me? Hit me, hit me." Ao Tian shouted in a panic. The general responded, walked quickly to Ao Lin, and scolded

coldly: "I refuse to admit my guilt, but I still contradict Your Majesty, it's time to fight.

"

Ao Lin's body.

The Spiritual Whip was accompanied by a soul attack. It was just a whip. Ao Lin trembled all over. He felt an indescribable pain coming from the depths of his soul. He almost cried out, but he held back.

Hehe...

Seeing this scene, Aotian was extremely proud, and sat there and said hypocritically: "Ao Lin, how can we say that we are brothers, as long as you confess, I, as a brother, will not embarrass you.

" !

Ao Lin took a deep breath, clenched his teeth tightly, and said with a firm attitude: "I'm not wrong, why come to plead guilty, if you're going to be submissive, I advise you to die."

"Good! Good! Hearing the

answer, Ao Tian smirked and said with a sneer: "I want to see how tough your mouth is, continue to beat him until he confesses his guilt!" The

voice fell, and the god would wave the whip again.

Snapped! Snapped! Snapped!

The crisp whip sound continued to sound, and the surrounding priests were all terrified.

They all knew in their hearts that Aotian had gone too far, but none of them dared to dissuade him. Aotian has a violent personality, who would dare to provoke him?

With the whiplash, Ao Lin could hardly hold it any longer, but he still clenched his teeth tightly and never shouted.

Soon, Ao Lin's clothes were completely stained with blood, and the whole person was extremely weak and sluggish, but his eyes were still determined.

“Okay!”

Seeing that Ao Lin was about to faint, Ao Tian raised his hand and signaled to pause.

Immediately, Ao Tian slowly stood up and looked at Ao Lin condescendingly: “Last chance, admit your guilt?”

At this time, Ao Lin, not only his whole body, but also his soul was trembling constantly, the strength to speak. It's gone, very weak.

But facing Aotian, he still shook his head with a firm attitude.

Made!

Hearing the answer, Aotian completely lost his heart, and sneered at that time: “Very good, this is your choice, come on, put him in the sky prison, and after Yue Feng is caught, we will all be guilty!”

Chapter 4612

Oh!

At this time, Empress Hua Zhao, who had been sitting there in silence, rested gently, looked at Ao Lin and said hypocritically: “Ao Lin, it was wrong for you to let Yue Feng go first, and now you are contradicting His Majesty the Emperor of Heaven, Ben. Gong wants to help you, but I don't know where to start.”

“You are brothers anyway, I think you should plead guilty.”

When she said this, Empress Hua Zhao's face was full of warmth, but there was a trace in her eyes. gloomy.

Yes, she wanted to induce Ao Lin to confess his guilt. As long as he confessed his guilt, he would never be able to turn over, let alone compete with his son Ao Tian for the throne of Heavenly Emperor.

“Haha!”

Ao Lin was not stupid, he guessed Empress Hua Zhao’s mind at once, and immediately sneered: “You don’t have to be hypocritical, I did nothing wrong, I would rather die than confess my guilt.”

If he confessed his guilt, The charges are settled, and there will never be a chance to turn over in the future.

Swish!

Hearing the answer, Empress Hua Zhao’s delicate face suddenly flushed red and she was extremely frightened. This Ao Lin really didn’t know how to praise her.

Aotian next to him was even more angry, he waved his hand and shouted angrily: “Drag it down, drag it down for me.”

Whoa!

Hearing the order, several divine soldiers came quickly, ready to drag Ao Lin out of Yutian Palace.

At this time, Ao Lin felt extremely sad and angry in his heart. He wanted to struggle, but he was so tied up that he couldn’t exert any strength.

At the same time of grief and anger, there is also complete despair in my heart.

Knowing that Aotian was so insidious, it would have been better if he didn’t separate from his master at the beginning, and simply stayed in the Kyushu Continent...

But it’s too late to say anything now.

Haha...

Ao Tian is indescribably proud, as long as Ao Lin is removed, the seat of the Emperor of Heaven will be secured.

The priests standing on both sides had complicated expressions. Several wanted to come up and speak to Ao Lin, but they finally held back. Now the situation in Yutian Palace is completely controlled by Empress Hua Zhao and Ao Tian, who dares to go up? Fooled.

“Stop!”

However, just as Ao Lin was about to be dragged out of the Yutian Palace, a clear, soft, yet majestic voice came from the sky outside.

hum!

In the next second, I saw a colorful glow in the sky outside Yutian Palace. Amidst the glow, a slim figure slowly descended.

Made.

Who is so daring to take care of my Yutian Palace?

Aotian was very angry, he stood up suddenly, and looked over with Empress Hua Zhao and the priests.

call!

Just looking at it, the entire Yutian Palace was suddenly silent.

I can see that the visitor is a woman, wearing a colorful feather coat, showing her graceful figure vividly, and her facial features are exquisite and beautiful, but there is an aura that cannot be desecrated.

The whole body is filled with powerful innate spiritual power.

What is even more eye-catching is that she has a delicate jasper pipa hanging on her back.

It is the Pipa Fairy.

Speaking of which, Fairy Pipa, as an immortal from the outer world, has no desires or desires, and should not have appeared here, but she and Mother Nuwa are close friends. Back then, Nuwa accompanied the ancestors of the prehistoric world to travel nine days away, and met many outer worlds. Immortals, especially Pipa Fairies, have the best relationship, even as sisters.

Some time ago, Fairy Pipa received a letter of help from Empress Nuwa and asked her to come to help deal with the demons. At that time, Fairy Pipa had other important things and did not come to help in time. Finally, she learned that Nuwa was physically destroyed in order to deal with the demons. In the Infernal Shadow Prison, only a piece of fine jade that Yuanshen turned into is left.

Knowing these circumstances, Fairy Pipa was very remorseful. Today, she came to Yutian Palace to see the fine jade that the goddess Nuwa had transformed into, but just in time for Aotian to put Aolin into the heavenly prison.

As for the next Heavenly Emperor, Empress Nuwa once told Fairy Pipa. Speaking of which, Nuwa also likes the magnanimous and righteous Aolin very much. Having him as the next Heavenly Emperor is a blessing in the divine realm after all.

In this case, Fairy Pipa naturally saw Ao Lin suffer from not far away.

Huh...

at this time, seeing the true face of the Pipa Fairy, both Aotian and the surrounding priests were all stunned, and they were all shocked.

What a beautiful woman.

Especially the unique fairy spirit on his body is really exciting.

Even Empress Hua Zhao, who had always thought of herself as a beautiful woman, became jealous when faced with Fairy Pipa's face.

Chapter 4613

Ao Lin is still calm, but he is also a little puzzled.

Who is this woman?

Never seen it before.

call!

At this moment, the Pipa Fairy breathed a sigh of relief, looked around, and said softly, "I am the Pipa Fairy, and I am the best friend of the Nuwa Empress."

A friend of the Nuwa Empress?

Hearing this, the entire Yutian Palace was restless.

All the priests present could not help showing their respectful expressions. You must know that Nuwa, as the eldest disciple of the ancestors of the prehistoric world, is also the senior sister of the emperor, and has a detached status in the realm of the gods, and the woman in front of her is her friend, naturally she is VIP.

At the same time, Aotian also put away his arrogant posture before, and his expression revealed a bit of politeness: "It turns out that it is a distinguished guest, come and see the seat."

Although Aotian is arrogant, but in front of the mother Nuwa, he is also very polite. He didn't dare to be arrogant in the slightest, and he didn't even dare to neglect Nuwa's friends.

Even Empress Hua Zhao stood up and bowed to Fairy Pipa.

Soon, the guest seats were set, and Fairy Pipa was unceremonious and sat up slowly.

"Your Majesty Fairy!"

At this time, Aotian looked polite and said with a smile: "It's really a big loss to welcome you here, I don't know if the fairy will come suddenly, but what's the matter?"

Shuh!

The voice fell, and the surrounding priests all focused on Fairy Pipa.

Fairy Pipa's delicate and beautiful face showed a bit of sadness, and she said, "To be honest, Empress Nuwa once asked me for help and asked me to help deal with the realm of the gods, but I had other important things at that time. late."

"I learned that Nuwa was in the Unbounded Shadow Prison and sacrificed her life for justice. At this time, there was only a piece of fine jade that was transformed by the primordial spirit. I plan to come and see."

When she said this, Fairy Pipa felt very guilty.

Huh...

Seeing her explain the situation, the entire Yutian Palace was suddenly silent, and whether it was Aotian, Empress Hua Zhao and the priests, they all looked sad.

You must know that although the demons were completely defeated this time, the price paid was also very tragic. Empress Nuwa only left a piece of fine jade, and the God of Nine Heavens was completely destroyed...

"Alas!"

After a few seconds, Empress Hua Zhao was the first to react, expressing her gratitude towards Fairy Pipa: "Fairy has this heart, we are in the realm of the gods, although Senior Sister Nuwa has only one piece of fine jade left, she is extremely talented. I

believe that in the near future, she will be able to restore Cultivate the primordial spirit.”
The

voice fell, and Aotian quickly nodded.

The Pipa Fairy smiled and said, “I am relieved with your words.”

“The Fairy is here.” Empress Hua Zhao smiled politely, “It’s better to stay here for a while, and we will have a banquet in the evening. , take care of the fairy...”

Seriously, Empress Hua Zhao didn’t want to be so polite, but the other party was Nuwa’s friend, and she was a celestial immortal.

When the last word fell, Empress Hua Zhao immediately ordered someone to prepare a banquet.

At the same time, seeing Ao Lin still at the door, Empress Hua Zhao quickly gave Ao Angel a wink.

“What’s going on?”

Ao Tian understood and immediately rebuked the soldiers: “The VIP is not far away, why is this prisoner still here? Why don’t you bring him into the prison?”

“Yes!”

Several divine soldiers responded in unison, and they were about to take Ao Lin away.

“Wait!”

But at this moment, Fairy Pipa stood up slowly and stopped: “Is this Prince Aolin? As far as I know, he was appointed by the Nine Heavens God as the next Heavenly Emperor, why suddenly become a prisoner?” The

voice was not loud, but there was an aura that couldn’t be refuted.

Huh....

Hearing the question, Aotian and Empress Hua Zhao looked at each other, their expressions were a little astonished.

In the next second, Aotian reacted and responded with a smile: “This fairy doesn’t know something, although my younger brother is smart, he has made a fatal mistake. He even let go of Yue Feng, a serious offender, in private, without repenting or saying anything. , but also contradicted me in public.” The voice fell, and the lady next to Hua Zhao also said: “Yes, this Aolin

seems to be honest, but in fact he has a very arrogant personality.

Heavenly Emperor, naturally, he will do everything possible to discredit Aolin.

Chapter 4614

Mad!

Hearing the mother and daughter slander him, Ao Lin's face flushed red, and his heart was extremely angry.

In order to completely control the realm of the gods, this mother and son are really doing everything they can.

"Let prisoner Yue Feng go?"

Upon learning of the situation, Fairy Pipa frowned and said inexplicably, "Isn't Yue Feng a great hero? How did he become a prisoner? As far as I know, the innate spirit stone showed a prophecy at that time. , only Yue Feng can completely wipe out the demons, and Yue Feng later confirmed this, and at that time, he was imprisoned in the Infernal Shadow Prison for the sake of the realm of the gods, and then the goddess Nuwa sacrificed her life to save him... "

Afterwards, Yue Feng helped the Divine Realm and successfully wiped out the Demon Race completely. It can be said that everyone can enjoy peace now, and Yue Feng has made great contributions. How could you put him in the Heavenly Prison?

" .

Uh...for

a while, whether it was Aotian, Empress Hua Zhao, and the priests below, they all looked awkward and didn't know how to respond.

call!

Ao Lin, who was standing at the door, was very excited, and he breathed a long sigh of relief.

Great, finally there is a sensible person.

"Haha..."

Finally, Empress Hua Zhao took the lead in reacting and explained to Fairy Pipa, "Fairy only knows one thing and doesn't know the other, so Yue Feng has indeed made a contribution, but he has also committed a monstrous act. It's a big sin. Although he

helped the gods to deal with the demons at that time, he also concealed his identity, and it was because he concealed his identity that the late emperor missed the opportunity, and finally perished with the demons.”

“In other words, if it wasn’t for Yue Feng, neither would the late emperor. It will be destroyed and put him in the heavenly prison, it will be a bargain for him.”

When the words fell, Ao Tian immediately nodded in agreement: “That’s right, Yue Feng is more than meritorious, we just imprisoned him in the Heavenly Prison, we are already very kind, but Ao Lin let him go privately and completely forgot the death of the late emperor. Does it count as rebellious?”

Alas! Hearing this counter-theory, Fairy Pipa smiled wryly

and shook her head: “It’s too far-fetched to say that.”

Forcing the death of the late emperor on Yue Feng is a bit far-fetched.”

This...

Fairy Pipa’s answer caught Aotian a little off guard, and he was embarrassed and a little displeased as he said, “According to Fairy’s words, it was me. Wrong?”

At the same time, Empress Hua Zhao was also dissatisfied: “Fairy, this is a matter of our God’s Domain. It’s not right for you to point fingers like this?”

Speaking of which, Empress Hua Zhao didn’t want to turn her face, but the other party If you violate your own interests, you can’t bear it.

Huh...

And Ao Lin, who was standing at the door, also looked at Fairy Pipa closely, and while he was grateful, he also had some doubts.

I don’t know this Pipa Fairy at all, but she has been helping me talk.

Could it be...she was sent by the master?

“Don’t misunderstand you two.”

Facing the dissatisfaction of Aotian and Empress Hua Zhao, Fairy Pipa did not panic at all, and smiled: “I have no intention of blaming the two of you, let alone meddling in the affairs of your Divine Realm. When Wa asked me for help, he also asked me for one thing.”

Speaking of this, Fairy Pipa slowly stood up and looked around the audience: "In the letter of request for help, Empress Nuwa predicted that she and Jiutian God might have trouble, so please ask me, in case she and Jiutian God are really gone, I will support Prince Aolin to succeed her."

At the end, Fairy Pipa looked at Aolin, her delicate face full of gentleness.

Is there such a thing?

For a time, the entire Yutian Palace was in an uproar.

Whether it was Aotian or Empress Hua Zhao, they were trembling faintly. They never thought that Empress Nuwa had made a plan in advance to make Aolin the Emperor of Heaven.

Ao Lin was also incomparably excited, and the previous gloom was almost swept away.

Great, with Aunt Nuwa's will, let's see how presumptuous the mother and son are.

"You..."

Finally, Empress Hua Zhao reacted, her delicate face was full of disbelief, and she asked the Pipa Fairy, "It's empty words, who knows if what you said is true?"

Chapter 4615

Empress Hua Zhao at this time was very annoyed.

Finally, with the help of Haotian Divine Sovereign's divine power, he pushed his son Aotian to the position of Heavenly Emperor, how could he tolerate this Pipa Fairy talking nonsense?

At the same time, Aotian also glared at Fairy Pipa, and said coldly: "Fairy is here to see friends, or is it deliberately looking for trouble?"

Hu!

Fairy Pipa sighed lightly and did not panic at all, took out a letter of help from her body and handed it to Aotian: "This is the letter of help that Nuwa gave me at that time, it said clearly, you can see for yourself. "

This....

receiving the letter for help, Aotian was stunned for a moment, and he saw that the letter for help was made of five-color cloud brocade unique to God's Domain.

Looking at the above content again, Aotian was shocked and completely stupid.

Because the content is exactly the same as what Fairy Pipa said, Nuwa really planned to make Aolin the emperor of heaven.

How could this be?

For a time, Aotian's brain was buzzing, and he couldn't calm down for a long time.

You must know that Nuwa is the senior sister of Jiutian God, and her status is detached. For almost many things, Jiutian God needs to ask Nuwa for advice. It can be said that Nuwa's decision is the decision of Jiutian God.

At this time, Empress Hua Zhao took the letter and looked at it, and her body trembled, completely stupid.

Fairy Pipa said it was true, Nuwa really wanted Ao Lin to succeed him.

call!

Seeing the mother and son's reaction, Fairy Pipa calmly took the letter of request for help and handed it to the priests below: "I didn't lie, you will know at a glance."

Hearing this, the priests quickly gathered around, and after reading the letter of request for help, they all stood there stunned.

For a time, the entire Yutian Palace was silent, and a drop of a needle could be heard clearly.

"Niangniang, His Royal Highness." After

a few seconds, Fairy Pipa retracted the letter for help, looked at the mother and son, and said lightly, "What else do you have to say?"

"Haha!"

He smiled disapprovingly and said, "Even if what the fairy said is true, it can happen from time to time, and besides, the position of Aotian's Heavenly Emperor was elected by all the ministers present, and it was not this palace that forced him to ascend to the throne, in other words. In other words, this is where the destiny goes."

Hearing this, Fairy Pipa couldn't help laughing: "What a destiny!"

After saying that, Fairy Pipa looked around the priests and said, "The Nine Heavens God does not take you too thin, but in After he left, you disobeyed your order and embraced Aotian as emperor, is this your duty as a minister?"

Wow!

At this moment, the priests bowed their heads one after another, feeling ashamed and helpless at the same time.

When Haotian Divine Sovereign elected Aotian to the throne and shocked the audience with powerful force, they dared not to speak out.

Looking at the reactions of the priests, Fairy Pipa understood something and sighed softly: "Well, this is the end of the matter, and it's a matter of your Divine Realm, so I can't say anything."

Said, Fairy Pipa Yu Fengyi said. Zhuan: "However, Nuwa and I are sisters, and I must help her fulfill her last order. Now that the Nine Heavens God has not arrived for a hundred days, it is against the rules to directly support the new Heavenly God."

"Well, I propose . Let the two princes, Ao Tian and Ao Lin, compete. After a hundred days, whoever is stronger will be the new Emperor of Heaven. In this way, you are not living up to the last emperor's will, and I am also worthy of Nuwa's heavy trust, how? "

Whoa!

The voice fell, and the entire Yutian Palace suddenly exploded, and there was an uproar again.

Aotian's face was full of dissatisfaction, and he shouted: "Why? I'm already the Emperor of Heaven, why should I compete with him again?"

Madam Hua Zhao's delicate face was also extremely red, and she said coldly at Fairy Pipa: " Fairy really wants to be nosy?"

"Don't get me wrong, madam!"

Fairy Pipa smiled and said seriously, "I just want to fulfill my friend's trust, and the letter of help is clearly written, how can it be considered nosy?"

" What if I don't want to?" Empress Hua Zhao said coldly.

Fairy Pipa put away her smile and said word by word, "If the lady insists on going her own way, then I have no choice but to offend me. I will do my best to support Prince Aolin to succeed the throne, no matter how much it costs.

" All the consequences, I don't know if the empress can bear it." The

voice was gentle and pleasant, but full of domineering.
