

The ultimate husband in Chinese chapter 4616-4620

Chapter 4616

“You...”

Seeing Fairy Pipa’s resolute expression, Madam Hua Zhao was very angry, and then bit her lip tightly and said, “Okay, let’s limit it to 100 days, after 100 days, let them Longer and shorter, and capable of becoming a new emperor.”

Seriously, Empress Hua Zhao was reluctant to compromise so easily, but there was no way, the other party had a handwritten letter from Nuwa, which stated that Ao Lin would be succeeded to the throne. .

More importantly, Fairy Pipa is an immortal from outside the sky, and the forces behind it are unimaginable. If she really wants to tear her face, who is her opponent?

Um!

Seeing her agree, Fairy Pipa smiled and nodded.

The next second, Fairy Pipa walked towards Ao Lin delicately, lifted her jade hand, removed the rope from his body, and said softly: “His Royal Highness, let’s go.” The

voice fell, Fairy Pipa took Aolin and walked out of Yutian Palace.

“Queen Mother!”

As soon as his forefoot left, Aotian reacted and shouted at Empress Hua Zhao in dissatisfaction, “Why do you agree to her? Even if she is an immortal from outside the sky, she has no right to care about our God’s Domain. “

I’m already the Emperor of Heaven, but now I have to compete with Ao Lin again.

Why?

“Okay!”

Madam Hua Zhao had a headache from the quarrel, so she couldn’t help but scolded: “Don’t quarrel, there is Nuwa’s handwriting on the letter, you have seen it, what can I do?

” Madam Hua Zhao’s tone softened: “But you don’t need to worry, I will let the God King Haotian teach you personally. After a hundred days, that Ao Lin is no match for you at all.”

This chapter is provided by . Visit for daily update.

Huh....

Hearing this, Aotian calmed down and a smile appeared on his face.

Yes, I have the support of God King Haotian, so what are you afraid of?

the other side.

Fairy Pipa brought Ao Lin back to the fairy garden where Ao Lin was resting.

“Thank you Fairy for your help!” Entering

the hall of Xianyuan, Ao Lin bowed to Fairy Pipa, and said gratefully: “Ao Lin is very grateful.”

Fairy Pipa smiled lightly: “You don’t need to thank me, just thank you. Thank you, Mother Nuwa, speaking of which, I have no desires or desires, and if it wasn’t for Nuwa’s handwritten letter, I wouldn’t be too lazy to get involved in the affairs of your Divine Realm.” As

she spoke, Fairy Pipa looked at Ao Lin and nodded incessantly. approval.

Nuwa’s vision is still good, this Prince Aolin, humble and polite, with decent manners, is really the best choice for the emperor of heaven.

“Fairy!”

At this time, Ao Lin bowed again: “In the future, I will ask the fairy to give more advice.”

Ao Lin is very smart, he knows that relying on himself alone, it will definitely be difficult to beat Ao Tian in a hundred days, but if he can ask Pipa If the fairy stays, there will be a great chance of winning.

puff!

Seeing his appearance, Fairy Pipa couldn’t help laughing, shaking her head and saying, “I’m busy with business, so I don’t have time to stay here to teach you.”

“Ah?” “

You don’t have to panic!”

Fairy Pipa smiled and comforted: “I will help you find a master.”

“Who?” Ao Lin suddenly became energetic.

Those who can be favored by Fairy Pipa are definitely not ordinary people.

Fairy Pipa looked mysterious: “You’ll know when the time comes.”

... On the

other side, the general altar of Xia Yinzong.

The main altar of Xia Yinzong is surrounded by mountains and has a beautiful environment.

At this time, in the pavilion in the forbidden area of the back mountain.

Yue Feng and Wen Chou Chou were sitting there, playing chess. Not far away, Su Qingyan and Ren Yingying were drinking tea and chatting.

Since the Ouyang family moved here, they have lived a life of isolation from the world. The location is hidden and the environment is complex, and they are not worried about being discovered by the gods.

Ugh!

At this time, Wen Chou Chou took a step forward and said with emotion: “For many years, I have wanted to find a place where you can enjoy life, and this time I finally got my wish.”

Yue Feng smiled and pointed . Looking at the chessboard, he said, “Brother Wen, don’t be too busy to sigh, you made a mistake in this step, and you are about to lose.”

“Don’t scare me, it’s not sure who wins and who loses.”

“Haha...” While

joking, a disciple of the Xia Yin Sect suddenly walked over, with a complicated face, and said to Yue Feng, “Sect Master Yue, there is a woman who claims to be a fairy outside the gate, and she wants to see you!”

Although Yue Feng is no longer The Lord of Heaven’s Gate, but he is still used to call him Sect Master Yue in the rivers and lakes.

Chapter 4617

What?

Heavenly Fairy?

Hearing this, Yue Feng's heart was shocked, and he couldn't help but look at Wen Chou Chou, secretly surprised.

I knew Yutong Xianweng when I went out, and I have never seen other immortals from outside the sky. Why did a woman suddenly come?

Also, she lives in seclusion in the main altar of Xia Yinzong. In such a hidden place, God's Domain doesn't know, how did she know?

Thinking to himself, Yue Feng asked the disciple, "Where are the people now?"

"Return to Sect Master Yue!"

The disciple responded respectfully, "It's in the main hall."

At this moment, Wen Chou Chou He stood up and said, "It's a blessing, not a disaster. It's a disaster that can't be avoided. Let's meet and see how sacred the other party is."

Yue Feng nodded and walked towards the hall with Wen Chou Chou.

Seeing the situation here, Su Qingyan and the girls also followed.

call!

Soon, when they arrived in the main hall, everyone was stunned when they saw the scene in front of them, whether it was Yue Feng or Wen Chou Chou.

I saw a slender figure sitting on the seat of the distinguished guests in the main hall, dressed in a long white dress, which set off an extraordinary temperament. The facial features were exquisite and charming, and the aura was strong. Blasphemy majesty.

It is the Pipa Fairy.

At this moment, both Yue Feng and Wen Chou Chou couldn't help but admire secretly.

As expected of a fairy from heaven, this temperament is really outstanding.

"Cough cough..."

A few seconds later, Yue Feng took the lead in reacting and said politely to Fairy Pipa: "I don't know if Fairy suddenly came to visit, what advice would you give me? Also, I want to see her by name and surname."

Although Fairy Pipa looks amazing, Yue Feng still kept it for a while. Calm down.

Um!

Hearing the question, Fairy Pipa smiled lightly, and looked at Yue Feng up and down: "As expected of a man who would rather sacrifice Yuanshen than save her, Princess Dongling is truly extraordinary."

Princess Dongling?

Hearing her mention Princess Dongling, Yue Feng's heart trembled, and a bit of grief suddenly came out.

At the beginning, Princess Dongling had the opportunity to reshape the primordial spirit, but in order to help Yue Feng rebirth, she integrated her own soul and life into the red lotus of the law.

This matter has always been a pain in Yue Feng's heart. At this time, when Fairy Pipa mentioned this matter, he suddenly became restless.

The next second, Yue Feng stared at Fairy Pipa: "Fairy knows Princess Dongling?"

"Of course I do."

Princess Dongling's delicate face showed a bit of regret: "In order to help her escape from the Demon Clan I had a fight with Yutong Xianweng, and the Demon Lord Gone."

"Although that girl was born noble, she was kind-hearted. At that time, I was thinking of accepting her as my apprentice, but it's a pity..."

"At the end, Fairy Pipa smiled apologetically: "I almost forgot, my name is Fairy Pipa."

Fairy Pipa.

Yue Feng said something in his heart, and couldn't help but ask: "The fairy came this time, but for Princess Dongling? Also, how did the fairy come here?"

Fairy Pipa shook her head: "Dongling She's gone, what can I do for her?"

Said, looking at Yue Feng's puzzled face, Fairy Pipa smiled lightly and explained: "You don't have to be nervous, I was able to find this place entirely by sensing the power of the red lotus in Faye, and I acted. Very cautious, not to bring over the gods and soldiers of the gods."

Hmm!

Hearing the answer, Yue Feng nodded suddenly, and the stone hanging in his heart finally fell to the ground.

It would be best if the gods and soldiers were not brought in.

But I have to say that this Pipa Fairy really has a set, and she can find it here by sensing the power of the red lotus of the law.

“Yue Feng!”

At this moment, Fairy Pipa put away her smile and said earnestly, “I have an unkind request for my rash visit this time.”

“Fairy, please speak.” Yue Feng responded quickly without hesitation.

Fairy Pipa said softly, “Please go to God’s Domain to be the emperor’s teacher!”

What?

Hearing this, both Yue Feng and Wen Chou Chou were all stunned.

Emperor Shi, as the name suggests, is the master of the Emperor of Heaven. His status is detached. It can be said that it is an honor that many people would not dare to dream of, but for Yue Feng, this is not a good job.

Chapter 4618

“Fairy!”

Finally, Yue Feng reacted and shook his head with a smile: “Don’t joke with me, I’m the most annoying person in God’s Domain, and as far as I know, Prince Aotian has already usurped the throne. Heavenly Emperor, he regards me as an enemy, how can I be his master?”

When he said this, Yue Feng shook his head repeatedly.

What a joke, I finally left the land of right and wrong in God’s Domain, how could I take the initiative to go back?

Swish!

At the same time, everyone around was frowning at Fairy Pipa.

What’s going on with this fairy, he said he was a friend, but now he wants Yue Feng to return to the God’s Domain to be the emperor’s teacher. Isn’t this pushing him into the fire pit?

call!

Noticing everyone's gaze, Fairy Pipa didn't panic at all, but smiled lightly and explained to Yue Feng, "Yue Feng, you misunderstood, I didn't want you to be Ao Tian's master, but Ao Lin... ."

Said, Pipa Fairy explained the situation in detail at that time.

At the end of the story, Fairy Pipa's delicate face was full of solemnity: "The 100-day deadline, it will come soon if it doesn't last long, in order to make Ao Lin succeed the throne smoothly, I have to trouble you, and you are Ao Lin yourself. My master, so it is the most suitable candidate."

I went... When I

learned about the situation, Yue Feng was stunned, staring at Fairy Pipa, unable to speak for a long time, and was shocked.

I really didn't expect that the situation in the Divine Realm would change so much in just two days, not to mention that Fairy Pipa would force Empress Hua Zhao and Ao Tian to compromise by herself.

But I have to say that since they are the best friends of the Nuwa Empress, they do have this strength.

Under the shock, Yue Feng couldn't help but feel happy for Ao Lin.

I was a little worried about him at first, but now there is a Pipa fairy to help, can you be unhappy?

Huh....

However, Wen Chou Chou, Su Qingyan, and everyone who stood aside were frowning and worried.

Yue Feng managed to escape from the realm of the gods, but now he took the initiative to go back. Empress Hua Zhao and Divine Sovereign Haotian were determined to get rid of him, if they knew that Ao Lin's new master was Yue Feng, how could they just let it go?

"No way!"

Finally, Meihui came out first, hugging Yue Feng's arm tightly, and refused: "I disagree, my brother has done so much for God's Domain over the years, and helped to eradicate the Demon Race completely, but God's Domain However, when I cross the river and demolish the bridge, my brother who almost killed him can't come back, so I don't allow him to take risks again." The

voice was not loud, but it was firm.

The voice fell, and Sun Dasheng couldn't help but shout: "Yes, this is too dangerous, then Empress Hua Zhao and Haotian Divine Sovereign are not good things, they want to put Yue Feng to death, and now go back, don't you want to die? Road?"

Seeing their objections, Fairy Pipa smiled and did not respond, but quietly looked at Yue Feng, waiting for his answer.

call!

At this time, Yue Feng was also entangled in his heart.

It's hard to have a peaceful day, and I really don't want to take risks anymore.

However, Prince Aolin was not mean to himself. Before, he even risked his own life to rescue him from the prison and sent him back to Kyushu in person. Now that he wants to compete with Aotian for the throne of the emperor, it would be inappropriate for him to stand by and watch.

"Okay, I'll go!"

A few seconds later, Yue Feng made up his mind, nodded at Fairy Pipa and said, "Fairy condescending to invite me, if I don't go, I'll be too disrespectful." After

speaking, Yue Feng looked around and said bitterly: "Ao Lin The prince is not mean to me, and now he has something to do, I can't just sit back and ignore it."

Wow!

Hearing this, the entire hall was in an uproar.

Sun Dasheng looked anxious and couldn't help saying: "Fengzi, you are crazy..."
Haotian Divine Sovereign set up a net of heaven and earth in Kyushu, vowing to capture him alive, in this case, Yue Feng took the initiative to go to God's Domain, wouldn't it? Suicide?

The people around Su Qingyan also frowned, unable to hide their worries.

It's just that Sun Dasheng was interrupted by Wen Chou Chou when he was just halfway through.

"Fengzi is right." Wen Chou Chou took a deep breath and said slowly: "Being a human being must be benevolent and righteous, then Prince Aolin risked his life to rescue him from the prison. How can you keep your head up in Kyushu?"

“I believe that with Fairy Pipa here, Yue Feng will not be in danger in the Divine Realm.”

Chapter 4619

When saying this, Wen Chou Chou has a complicated face.

To be honest, he didn't want Yue Feng to take risks, but he also didn't want Yue Feng to be called a 'ruthless' person. He is more aware of Yue Feng's personality, and this kind of thing will never be ignored.

Ugh!

Seeing Wen Chou Chou opened his mouth, no one objected.

At this time, Yue Feng breathed a sigh of relief and smiled bitterly: “Thank you for your understanding, but I just left, I'm really worried!”

With that, Yue Feng took off the pendant on his neck and handed it to Wen Chou Chou. “Brother Wen.” Yue

Feng looked serious: “This pendant is the place where the evil beast Fierce Biao rests. You can put it away. If something goes wrong in the future, you can ask it to help.”

Summons the fierce Biao.

“Roar!”

Accompanied by a roar, he saw a huge body appearing in the hall, with a terrifying aura all over his body, it was Fierce Biao.

Xie Biao's stature can be big or small, because he is in the main hall, so his stature that changes at this time is only a few meters tall, but even so, everyone present is shocked when they see it.

In particular, he felt the power that pervaded Xie Biao's body. Whether it was Wen Chou Chou or Sun Dasheng, they were all shocked. They just felt that it was difficult to breathe.

“Xiao Biao.”

At this time, Yue Feng looked at Xie Biao seriously: “In the days when I was away, I worked hard for you.”

Xie Biao lowered his head, very docile: “Master, don't worry, you can go here, and I will pay you here. Give it to me, no matter what kind of trouble I encounter, I will protect everyone.”

Hearing the assurance, Yue Feng was completely relieved.

A few minutes later, after Yue Feng finished his explanation, he said goodbye to everyone, and then went to the Divine Realm with Fairy Pipa.

“Yue Feng!”

When entering the realm of the gods, Fairy Pipa thought of something, and took out a few pills from her body: “You can’t be discovered by your appearance, this is a magic face pill, you can change your appearance after taking it, and the validity period is twelve hours. , I have to take the next one in twelve hours.”

Pipa Fairy Bingxue was smart, knowing that Yue Feng was inconvenient to show his true colors, so he thought of a countermeasure.

“No!”

However, Yue Feng waved his hand and said with a smile: “I’ve been taking the medicinal pills, and I can’t guarantee that there will be no mistakes. Fairies don’t have to worry about this, I have my own countermeasures.”

Said, Yue Feng took out the thousand-changing mask and put it on, almost in the blink of an eye, it turned into the appearance of an old man, so vivid that there was no sign at all.

Huh....for

a while, Fairy Pipa trembled, she was almost stunned, she couldn’t help but praise: “I really didn’t expect that you still have such a treasure, Prince Aolin can have a master like you, it’s really him. The good fortune.” The

words of Fairy Pipa came from the bottom of her heart, you must know that as a fairy from the sky, she is also well-informed, but it is the first time she has seen such a magical mask.

At this time, Fairy Pipa still didn’t know that Yue Feng’s thousand-changing mask came from Fierce Biao, the only one in the world. She and Fierce Biao had been in the Infernal Shadow Prison for nearly 10,000 years. Naturally, she had never heard of it.

At this moment, under the admiration of Pipa Fairy, she suddenly thought of something, and said to Yue Feng: “Your image is not bad, it fits the name ‘Qingxu Xianweng’ that I thought of just now, and when it arrives, you will call yourself Immortal Weng Qingxu.”

“Of course, you and Prince Aolin are both masters and apprentices. When appropriate, you can tell him your true identity, but you need to be very careful.”

At the end, Fairy Pipa's delicate face was full of seriousness: "Yue Feng, the future of God's Domain depends on you."

Hmm!

Yue Feng showed a smile, nodded and said, "Fairy rest assured, I will do my best."

After speaking, Yue Feng and Pipa Fairy had arrived at the 'Yuxi Xianyuan'.

Yuxi Xianyuan is the place where Prince Aolin lives. Although the environment is not as elegant and beautiful as Yuyao Xianyuan, it is also magnificent.

"Fairy!"

Seeing Fairy Pipa, several maids hurriedly saluted, and when their eyes fell on Yue Feng, they couldn't help but laugh.

I saw that Yue Feng used the thousand-changing mask to transform into the image of an old man, a bit like a jade boy, with a face as white as jade, but with a red rosacea and a few white beards at the corners of his mouth, saying no. out funny.

Chapter 4620

Is this the master that Fairy Pipa is looking for for His Royal Highness?

So interesting.

However, due to the presence of Fairy Pipa, the maids did not dare to laugh.

call!

Seeing this situation, Fairy Pipa also shook her head and smirked. This Yue Feng is also true. It's not good to look like this. She has to become somewhat similar to Yutong Xianweng.

Thinking about it, Fairy Pipa took Yue Feng and walked towards the side hall where Prince Aolin rested.

When I arrived at the side hall, I saw Prince Aolin sitting there, carefully reading an ancient book.

"Fairy!"

Seeing Fairy Pipa coming in, Prince Aolin's face was overjoyed, and he quickly stood up and saluted: "I can't greet you from afar, so don't be surprised."

Fairy Pipa smiled lightly: "There is no need for more courtesy, come here, this is what I will give to you. The master you introduced, Immortal Weng Qingxu, come and meet him." As

he spoke, Fairy Pipa stepped aside.

Prince Aolin responded and hurried up to greet Yue Feng, but he was still stunned when he saw Yue Feng's appearance.

This...

Dressed so casually, her white hair is scattered like that, and this image looks like a childish innocence, she is completely an old urchin.

Can you be your own master and teach yourself skills?

Haha...

Seeing Prince Aolin's reaction, Yue Feng secretly laughed.

Is this kid confused?

However, on the surface, he still pretended to be an old man, and said, "You are really unruly, and you don't show respect when you meet your master? How can I teach you your skills in the future?"

Seriously, Yue Feng really wanted to reveal his true identity. , but in order to prevent the partition from having ears, he held back.

Seeing Ao Lin's suspicious appearance, he wanted to tease him.

Uh...

Hearing the accusation, Ao Lin regained his senses and hurriedly bowed: "Disciple Ao Lin, I have met Master."

Although he was a little confused, Ao Lin still chose to believe in Fairy Pipa. The master I found is definitely not bad.

At this time, Ao Lin didn't know that the master in front of him was Yue Feng, whom he worshipped from his heart.

"Well, good!"

Yue Feng nodded in satisfaction, raised his hand and said, "This is almost the same, get up."

Ao Lin responded.

At this time, Fairy Pipa came over and said with a smile: "Okay, Master has helped you find it. From tomorrow, you can learn your skills with Fairy Qingxu, I should go too!"

"After a hundred days, I will be there in person for your competition with Aotian."

After speaking, Fairy Pipa said goodbye and left.

Ao Lin personally sent it to the outside, and when he came back, he quickly prepared a place for Yue Feng to rest.

"Master!" A

few minutes later, in the room, Ao Lin looked respectful: "You will rest here in the future. If you need anything, just tell me. It's getting late today, so the disciple will leave first."

Yue Feng smiled and nodded . , was about to speak.

"Bang!"

However, at this moment, the door of the room was suddenly pushed open, followed by a divine general who filed in with several divine soldiers.

"The maiden has an order." The general gave Ao Lin a proud look, and then his eyes fell on Yue Feng: "Please, this gentleman, go to Yuyao Xianyuan for a chat." His

tone was arrogant and unquestionable.

Half an hour ago, Empress Hua Zhao learned that Pipa Fairy had found a master for Ao Lin, and with the belief that she knew herself and her enemy, she directly sent someone to invite Yue Feng.

call!

Seeing this situation, Yue Feng and Prince Aolin were stunned for a moment, then looked at each other.

They all knew that Empress Hua Zhao came to inquire about the truth.

After all, Ao Tian and Ao Lin wanted to compete for the position of Emperor of Heaven. As Ao Tian's mother, it was normal for Empress Hua Zhao to understand the truth of Yue Feng.

But the other party was so unscrupulous and went directly to the door, which made Prince Aolin feel humiliated.

Bang!

A few seconds later, Prince Aolin reacted, patted the table, and shouted angrily: "You guys are so bold, you actually broke into this prince's fairy garden directly, have you helped me?"

"Lin was very angry.

This Empress Hua Zhao is really too much. First, she made Aotian the Emperor of Heaven, and now she plans to interrogate my new master.

Do you really think I'm being bullied?"

Facing Ao Lin's anger, the god general did not panic at all, and responded coldly: "The prince calms down, his subordinates are just following orders, and there is no disrespect at all."

This god general has the support of Empress Hua Zhao, and naturally there is no general pride. Lin put his eyes on it.
