

The ultimate husband in Chinese chapter 4621-4630

Chapter 4621

Ha ha!

Hearing the answer, Ao Lin sneered and said without doubt: "I don't care whose order you follow, what if this prince is unwilling?"

"Then I will be offended."

Ao Lin was furious: "You dare!" The

voice fell, Ao Lin pulled out his long sword, and at the same time his divine power exploded.

Qiang Qiang Qiang...

That god general was not to be outdone, he raised his hand and waved, and suddenly several god soldiers surrounded Ao Lin.

For a time, the atmosphere instantly became solemn, and the air was filled with the smell of gunpowder.

Nima!

Seeing this situation, Yue Feng was also extremely angry.

This Empress Hua Zhao was really arrogant. Since she had promised Fairy Pipa to have a fair competition, she even instructed her subordinates to be rude to Prince Aolin.

At the same time, Yue Feng also felt a little distressed for Ao Lin.

Fortunately, Fairy Pipa came forward at a critical moment. Otherwise, he would be alone, facing the ruthless Empress Hua Zhao, and I really couldn't imagine what happened.

Feeling this, Yue Feng strengthened his decision even more.

In any case, also support Ao Lin to sit on the emperor.

This chapter is provided by . Visit for daily update.

"Oh!"

Seeing that the two sides were about to fight, Yue Feng walked over with a smiling face, and persuaded: "It's all my own family, how can I turn my face when I turn my face?"
After

saying that, Yue Feng came over and held down Ao Lin. With a long sword, he said with a smile: "Since the empress wants to see me, then I will take a trip. It is said that empress is beautiful and beautiful, and I have admired it for a long time. I can meet at this time."

When the last word fell, Yue Feng lowered his voice and comforted: "His Royal Highness, when Jiaolong always runs aground, please bear with it first, Master will be fine."

Hearing Yue Feng's words, Ao Lin's eyes flickered, and he finally put it away. long sword.

Seeing that he was no longer impulsive, Yue Feng breathed a sigh of relief.

The next second, Yue Feng smiled at the god general: "Let's lead the way ahead."

"Sir take the initiative to cooperate, that's the best." The god general sneered very proudly, and brought a few magic soldiers. Go out first.

Yue Feng quickly followed, and before leaving the house, he did not forget to turn his head to give Ao Lin a comforting look, indicating that he should not worry.

A few minutes later, Yue Feng came to Yuyao Xianyuan.

"Niangniang!"

Outside the palace where Empress Hua Zhao was resting, the god would respectfully say, "Prince Aolin's master has already been brought."

As soon as he finished speaking, a lazy voice came from inside: "Let him come in. Right."

"Yes!" The

god general responded quickly, and then said coldly to Yue Feng, "My Lady will let you in."

Yue Feng nodded and walked in.

call!

After entering the bedroom, although Yue Feng was mentally prepared, he couldn't help but take a deep breath when he saw the scene in front of him.

I saw that the entire bedroom was incomparably luxurious and elegant. The pure gold in the middle was softly collapsed, and a charming figure was leaning lazily there, dressed in golden feather gauze. , There are thousands of manners, and the whole body is filled with the aura of the mother's world.

It is Empress Hua Zhao.

I go!

Although Yue Feng had seen Empress Hua Zhao more than once, and even almost became her son-in-law, but seeing him again at this time, he still couldn't help but secretly admire.

I haven't seen each other for a while, and this Empress Hua Zhao seems to be even more charming. Yue Feng's gaze made Empress Hua Zhao very unhappy, and she asked

coldly, "Are you the master that Fairy Pipa found for Ao Lin?"

"

"The old man Qingxu Xianweng is an old friend with the Pipa Fairy. He was carefree and light-hearted, and really didn't want to accept any disciples, but the Pipa Fairy has come forward, and the old man can't refuse."

When answering, Yue Feng looked at ease, but his heart was a little uneasy.

This lady Hua Zhao was thoughtful, and she answered like this, and she didn't know if she could get away with it.

Um!

Empress Hua Zhao nodded, without the slightest doubt, and continued to ask, "Then what are you capable of?"

She didn't care much about Yue Feng's identity. What she cared about was the new master of Ao Lin, whether he had any real talents. The truth is, after all, this matter is related to the competition in a hundred days.

Yue Feng is a smart person, and he immediately guessed the meaning of Empress Hua Zhao's question, and immediately smiled: "Hey, my skills are greatly improved, the stars change, the universe is reversed, it can be said that everything is omnipotent. "

Chapter 4622

When talking about this, Yue Feng even drew and painted, deliberately making the appearance of a magic stick.

That's right, he did this to dispel Empress Hua Zhao's doubts and let her be vigilant. You must know that if she showed a neither humble nor arrogant appearance, Empress Hua Zhao's personality would definitely keep her eyes on Ao Lin at all times.

Pfft...

Seeing him like this, the maids standing on both sides couldn't help laughing.

This old man can really brag!

Crazy, how can you look like someone with great ability?

Even Empress Hua Zhao, who was sitting there, couldn't hide her contempt. She didn't know what the Pipa Fairy thought, but she found such a master for Ao Lin.

I can't see other abilities, but bragging is one top ten.

At the same time, Empress Hua Zhao also relaxed her vigilance secretly. Ao Lin would not be able to learn any skills with such a master. After a hundred days, he would definitely not be able to compete with his son Ao Tian, so he didn't have to worry about it.

Thinking to herself, Empress Hua Zhao said coldly to Yue Feng: "Okay, you don't need to say, since you are so talented, you should teach Ao Lin more in the future."

"That's natural!" Yue Feng laughed. nod.

Um?

At the same time as responding, Yue Feng's eyes flashed, and he was stunned when he saw something next to Empress Hua Zhao.

I saw that there was an exquisite box next to Empress Hua Zhao. The box was exquisitely crafted and carved with hollow lines. Through the lines, you could see that there was a blood-colored crystal ball inside.

I'll go, isn't this the magic ball that seals the primordial spirit of the ancient ancestors?

Seeing the blood-colored crystal ball, Yue Feng's heart was shocked, and he was immediately stunned, and he was also extremely puzzled.

You must know that as the master of the Nine Heavens God and Nuwa, the ancestor of Honghuang is naturally in the realm of the gods. But this Empress Hua Zhao, not only did she not free her ancestor's primordial spirit from the magic ball, but she casually put it aside at this time.

What is she going to do?

For a time, countless thoughts flashed in Yue Feng's mind.

"Okay!"

Just when Yue Feng was secretly doubtful, Empress Hua Zhao was too lazy to talk nonsense and raised her hand: "There is nothing else to do, you can go back."

When she said this, Empress Hua Zhao looked contemptuous, He hardly looked at Yue Feng.

Just a crazy old man, what a waste of his time.

"Yes, Niangniang take care." Yue Feng didn't care about Empress Hua Zhao's attitude, smiled at that time, and left the palace.

call!

The moment he walked out of the bedroom, Yue Feng secretly exhaled, and he was lucky that he didn't show any clues just now.

While being fortunate, Yue Feng also had some unspeakable worries in his heart.

The current situation in God's Domain seems to be more troublesome than I imagined.

A few minutes later, Yue Feng returned to Yuxi Xianyuan.

When he entered the room, he saw Ao Lin was still sitting there with a worried expression on his face. Obviously, Yue Feng was taken away, and he was very worried, so he kept waiting here for news.

"Master!"

Seeing Yue Feng returning, Ao Lin quickly stood up and asked, "Are you all right? Did Empress Hua Zhao deliberately make things difficult for you?"

When he said this, Ao Lin looked at Yue Feng's eyes, A bit complicated.

Speaking of which, Ao Lin, like everyone else, has some doubts about this newly recognized master's abilities. No matter how you look at it, he looks like a liar who can only talk big, but no matter what, he was introduced by Fairy Pipa. Keep him safe.

Ha ha!

Facing the question, Yue Feng smiled slightly: "Does it seem like something is wrong with the master? The lady just came to me and asked a few questions."

Hearing this, Ao Lin's face softened a lot.

"That's right!"

At this moment, Yue Feng thought of something, and asked Ao Lin: "I heard that the primordial spirit of the ancient ancestor was taken away by the demons before, and was rescued later, since that's the case, why hasn't the primordial spirit returned to its place?"

When he asked, the scene he had seen before appeared in Yue Feng's mind.

It is really suspicious that the primordial spirit of the ancestors of Honghuang was carried by Empress Hua Zhao with her.

This...

Ao Lin was stunned for a moment, and then said: "Master does not know, when the demons robbed the master's primordial spirit, he destroyed his body, and then was trapped in the magic ball, so he couldn't. When God returns to his place, he needs to reshape his body."

Chapter 4623 After speaking

, Ao Lin asked curiously, "Why did Master suddenly ask this?"

Uh...

Yue Feng scratched his head in embarrassment, and said casually: "It's nothing, just suddenly remembered, Just ask."

After saying that, Yue Feng looked at the sky: "It's getting late, go down and rest, tomorrow morning, I will teach you your skills as a teacher!" The last word fell, Yue Feng lay lazily on the bed, A sleepy look.

Yes, Yue Feng didn't plan to rest. He had already thought about it. At night, he would visit Yuyao Xianyuan where Empress Hua Zhao was located, and find out what happened to the primordial spirit of the ancestors of Honghuang.

This matter is very risky, so it is better to hide it from Ao Lin.

Yue Feng's expression was natural, Ao Lin did not have the slightest doubt and nodded: "Okay Master, you should rest early!" The

voice fell, and Ao Lin walked out of the room.

call!

Watching Ao Lin leave, Yue Feng breathed a sigh of relief and thought secretly in his heart.

At this time, it was just dark, and it would be inappropriate to rush into Yuyao Xianyuan, so let's wait.

Thinking to himself, Yue Feng lay there and began to close his eyes to rest.

A few hours later, Yue Feng slowly opened his eyes and saw that it was dark outside, without the slightest hesitation, he immediately changed his clothes, quietly walked out of the room, and rushed towards Yuyao Xianyuan.

Yuyao Xianyuan Yuefeng has been there once or twice, and he is familiar with the environment there, so along the way, he was not discovered by those patrolling magic soldiers.

Um?

Soon, at the palace where Empress Hua Zhao rested, Yue Feng was stunned.

It's so late, Empress Hua Zhao hasn't rested yet?

I saw the inside of the bedroom, the lights were still on at this time, but it was quiet inside, and there was no sound at all.

Is the empress not in the bedroom? If so, that would be great, just to take the opportunity to go in and investigate.

Muttering in his heart, Yue Feng lightly stepped and entered the bedroom in a flash.

hiss!

At the moment of entering the bedroom, Yue Feng was shocked when he saw the scene inside, and he couldn't help taking a breath of cold air.

I saw that Empress Hua Zhao was sitting alone in front of the windowsill, pouring her own drink. The table in front of her was full of delicacies, but she didn't seem to have moved.

what's the situation?

It's so late, Empress Hua Zhao doesn't sleep and drinks alone?

Muttering in his heart, Yue Feng looked at Empress Hua Zhao carefully, and his eyes suddenly couldn't be opened.

I saw that Empress Hua Zhao at this time was wearing a thin golden gauze feather coat. Her charming curves were looming, and under the candlelight, she revealed a hazy beauty.

Any man who sees this scene will fall deeply.

At the same time, Yue Feng also noticed that Empress Hua Zhao seemed to have something on her mind, cup after cup of fine wine, and her eyes stared blankly outside. She frowned from time to time, as if she was struggling with something.

And by her hand, the magic ball trapped in the primordial spirit of the ancient ancestors was quietly placed there.

call!

After watching for a while, Yue Feng reacted.

Could it be that Empress Hua Zhao drinking alone late at night has something to do with the primordial spirit of the ancestors of Honghuang?

It seems this time is right.

Swish!

Just when Yue Feng was thinking about it, suddenly, Empress Hua Zhao stood up and walked straight towards Yue Feng.

Holy crap, won't you be discovered?

At this moment, Yue Feng suddenly became nervous, and only felt that his heart was about to jump to his throat.

If anyone knew that he had sneaked into Empress Hua Zhao's bedroom, ten heads would not be enough to chop off.

Just when Yue Feng was extremely nervous, Empress Hua Zhao was looking at the spiritual position a few meters away and said to herself, "Your Majesty, do you know how much trouble you have left me with your departure?"

"Haotian and I fought against the crowd, and finally helped Aotian to the throne, and suddenly a Pipa fairy came along with a handwritten letter from Nuwa..."

When she said this, Empress Hua Zhao blushed. Red, and his tone was full of resentment.

call!

At this moment, Yue Feng took a closer look at the spiritual seat, and he was relieved. Nima, it turned out that Empress Hua Zhao was speaking to the spiritual seat of the Nine Heavens God, and she thought she had been discovered.

Really a false alarm.

However, the location where he is hiding is too close to the spiritual position, and he will be discovered if he is not careful.

Thinking to himself, Yue Feng looked around and quickly hid under the soft collapse next to him.

Chapter 4624

Yue Feng's movements were very light, and Empress Hua Zhao didn't notice it at all.

"Your Majesty..."

At this time, Empress Hua Zhao sat in front of the spiritual seat with her wine glass in her hand, and continued to talk to herself: "Today, after thinking about it, I made an important decision, and I plan to integrate Master's Primordial Spirit."

When she said this, Empress Hua Zhao's tone was soft, but she was extremely firm.

What?

Hearing this, Yue Feng, who was hiding under the soft collapse, was suddenly shocked, and the whole person was stunned.

This... this Empress Hua Zhao actually wants to integrate the power of the primordial spirit of the ancestors of the Great Desolation?

Crazy, this is not bold, it is simply outrageous.

When he saw the magic ball during the day, Yue Feng felt that something was wrong, but he never expected that Empress Hua Zhao was so bold and planned to integrate the power of the primordial spirit of the ancient ancestors.

Just when Yue Feng was secretly shocked, he heard Empress Hua Zhao continue: “Your Majesty, don’t blame the concubine, the concubine is forced to do this, if the Pipa Fairy doesn’t appear, the concubine will not make this decision. “

Then the Pipa Fairy is strong and strong, and there are other immortals behind her backing, the concubine is worried. In the test in a hundred days, if Aotian loses, the concubine also has enough strength to reverse the situation. Conversely, if Aotian is defeated If you win, the Pipa Fairy wants to play tricks, and the concubine has a strong strength, so she can easily face it.”

“Anyway, I do everything for the future of God’s Domain.”

Haha!

Hearing this, Yue Feng sneered secretly.

This Empress Hua Zhao is really shameless, such a despicable thing, and said in such a high-sounding manner, you must know that the ancestor of Honghuang is the master of the Nine Heavens God, and Empress Hua Zhao is the woman of the Nine Heavens God, after all, the ancestor of Honghuang is also her master.

And now, she actually intends to integrate the primordial spirit of the ancestors of the prehistoric ancestors.

The funny thing is, in her mouth, it has become a matter of course.

Whoa!

The more Yue Feng thought about it, the more angry he became. When he moved, he accidentally touched a soft corner, and suddenly made a soft sound.

Swish!

Hearing the movement, Empress Hua Zhao was startled, her delicate body trembled, and her eyes instantly locked in the direction of the soft collapse.

what sound?

Someone sneaked in?

Or....His Majesty Izumi knew and heard his own words?

What the hell!

At the same time, Yue Feng, who was hiding under the soft collapse, was also about to cry without tears, and his heart almost jumped to his throat.

It's broken, it's about to be discovered.

I was so careless just now.

For a while, the entire bedroom was silent, and the atmosphere was extremely depressing.

“Who?”

Finally, Empress Hua Zhao reacted, summoning up her courage and shouting in the direction of the soft collapse: “Who is hiding there? Come out quickly.”

Empress Hua Zhao at this time has calmed down, just now The sound is clearly artificial.

Whoever is so bold and dares to break into his own bedroom must be severely punished.

Done!

Hearing Jiao drinking, Yue Feng secretly screamed, he was really afraid of what would happen, he was already careful enough, but in the end he made a noise.

How to do?

If you go out like this, it will definitely be over.

Not only did the plan discussed with Fairy Pipa all fail, but Prince Aolin would also be implicated.

There is.

Under the anxiety, Yue Feng suddenly had a flash of light and suddenly had an idea.

I used the thousand-changing mask to dress up as the God of Haotian and go out. In this way, I not only relieved myself, but also framed the God of Haotian by the way.

Haha, that really kills two birds with one stone.

Thinking of this, Yue Feng quickly activated his divine power and injected it into the thousand-changing mask on his face.

At this time, Empress Hua Zhao had lost her patience and said coldly, "Bengong will give you one last chance, come out quickly, or else I will call the guards outside, and then you will be at your own risk." "

Empress, calm down."

At that time, Yue Feng had already used the Thousand Change Mask to transform into the appearance of Haotian Divine Sovereign, and quickly responded: "Nanny, calm down, I'll come out."

With that, Yue Feng climbed out from under the soft slump.

At this moment, Yue Feng met Empress Hua Zhao's eyes with a look of fear on his face, but he was thinking secretly in his heart.

Madam Hua Zhao knew that it was Haotian Divine Sovereign who had sneaked into the bedroom, would she be furious?

Chapter 4625

Certainly!

After all, Empress Hua Zhao is the woman of the Nine Heavens God. As a minister, Haotian Shenjun actually committed the following crimes and sneaked into the Empress's palace late at night. This is a serious crime of beheading.

The more Yue Feng thought about it, the more excited he became.

I was so witty, to come out with such a wonderful way to get along.

You must know that Haotian Shenjun has been tracking his whereabouts in Kyushu recently. If he is let go by the help of Empress Hua Zhao, he will be one less confidant.

However, the next scene made Yue Feng dumbfounded.

"Haotian?"

At this time, Empress Hua Zhao saw Yue Feng's face, her body trembled, and her delicate face showed a bit of surprise: "You... how are you?"

When she spoke, Empress Hua Zhao's face was faintly flushed, revealing a hint of shyness.

It has to be said that the Thousand Changes Mask is indeed a good treasure. The appearance of Haotian Divine Monarch transformed into it is so vivid that it cannot be seen that it is fake at all.

At this time, Empress Hua Zhao thought that Haotian Shenjun missed her too much, so she hid under the soft collapse late at night, but she didn't know that the person in front of her was not Haotian Shenjun at all, but Yue Feng in disguise.

Speaking of which, Empress Hua Zhao is extremely sensitive, and she would definitely be suspicious if she were to use it normally. It's just that she drank a lot of alcohol just now, and she was a little drunk, so she couldn't think about it at all.

What the hell!

Seeing this situation, Yue Feng was completely stunned.

What's the situation? Haotian Divine Sovereign sneaked into the bedroom, this Empress Hua Zhao was not angry, and she still looked like a little daughter's home.

Is there anything between the two of them...?

In amazement, Yue Feng scratched his head and said hesitantly, "I...that..." Because he didn't understand what was going on for a while, Yue Feng didn't know how to answer.

However, looking at his silly appearance, Madam Hua Zhao thought he was embarrassed, and immediately pursed her lips and smiled: "You fool, you are the king of gods now, if you really want to see me, just come directly, why are you hiding? Under the soft collapse?" As

she spoke, Empress Hua Zhao came over, grabbed Yue Feng's arm, and said softly, "Just right, Ben Gong is in a bad mood tonight, you can have a few drinks with me."

Gudong!

At the moment when Empress Hua Zhao held her arm, Yue Feng only felt a fragrant smell coming to his face, and he couldn't help swallowing saliva immediately.

So fragrant, so soft.

At this time, Yue Feng only felt that his mind was blank, but he also realized that his guess was correct, there was indeed something wrong between Empress Hua Zhao and Divine Sovereign Haotian.

I really didn't expect that Empress Hua Zhao, who was always high above the ground, actually had an affair with her subordinates in private.

There is also the God of Haotian, who is also daring. The God of the Nine Heavens treats him not badly, and he even pays the attention of Empress Hua Zhao.

“Come on!”

Just when Yue Feng was indignant, Madam Hua Zhao took him to the wine table, poured two glasses of wine in her slender hand and handed it to Yue Feng: “Let’s have a glass first.”

Yue Feng reacted, He took the glass and touched her.

“Haotian!”

After a glass of wine, Empress Hua Zhao’s face turned even redder, and she was indescribably charming: “Why did you hide below?”

“I…”

Yue Feng thought for a while, then answered cautiously: “It’s so late, I’m afraid that if I break in directly, it will make the concubine unhappy, so I hide below, hoping to see the concubine one more time, and then leave.”

Hearing this Then, Empress Hua Zhao was overjoyed, leaning in

Yue Feng’s arms and scolding: “You are really a fool, I already understand your heart for me, how can you be angry?” My heart is full of amorous feelings: “When Aotian really becomes the emperor of heaven, you will accompany me every day. We will drink and recite poetry in Yuyao Xianyuan every day, and be happy.”

Hu!

Yue Feng couldn’t help but take a deep breath and suddenly understood something.

No wonder Haotian Divine Sovereign wanted to disobey the will of the Nine Heavens God and established Aotian as the new Heavenly Emperor. It turned out to be for Empress Hua Zhao.

Thinking to herself, seeing Empress Hua Zhao in her arms again, her charming curves, and the continuous burst of fragrance, Yue Feng took a deep breath and understood Aotian Divine Monarch.

Such a charming stunner, what would that man refuse?

The ultimate husband in Chinese chapter 4626-4630

Chapter 4626

No way!

But soon, Yue Feng calmed down, and he came to investigate the situation, not to pretend to be the God of Haotian and kiss me with Empress Hua Zhao.

Thinking of this, Yue Feng imitated Haotian Divine Monarch's tone and asked: "Miss, I seem to have heard that you want to integrate the power of the primordial spirit of the ancestors? But is it true?"

Hmm!

At this time, Empress Hua Zhao did not notice anything wrong with the 'Haotian Divine Sovereign' in front of her. She nodded without hesitation and said, "I have thought about this for a day, and it can be considered over and over again."

"I did this, too. To prevent Fairy Pipa from secretly making a fool of yourself, you think, she is a celestial being with great strength, and then she insists on Ao Lin being the emperor of heaven, what should I do? Only by being strong can we be invincible.

", Empress Hua Zhao was drunk, but her tone was still firm.

call!

Yue Feng breathed a sigh of relief, and said earnestly: "Niangniang, I understand what you are saying, and I can understand your difficulties, but have you ever thought about it, if you integrate the primordial spirit of the ancestor, what will the entire God Realm think of you? "

After all, the old ancestor was the mentor of the ancient emperor. If you do this, you will deceive the teacher and destroy the ancestor. The empress has this charge on her back. Even if Aotian becomes the emperor of heaven, how can he be able to convince the public?"

"And when the time comes, that Pipa Fairy will also make use of this matter to make a fuss, it is not worth the gain, madam!"

When he said this, although Yue Feng used ventriloquism and imitated the accent of Haotian Shenjun, it was also from the bottom of his heart.

After all, the ancestors of the Great Desolation are the spiritual pillars of the entire Divine Realm, how could it be destroyed by Empress Hua Zhao?

This....

Hearing the dissuasion, Empress Hua Zhao frowned and pondered.

This chapter is provided by . Visit for daily update.

Seeing her hesitating, Yue Feng hurriedly struck while the iron was hot, and continued, "Don't worry, Aotian, Haotian will do my best to deal with the Emperor of Heaven.

"

: "Then I'll listen to you and don't do this."

Phew!

Seeing her promise, Yue Feng breathed a sigh of relief. Great, tonight's trip didn't count for nothing.

Seeing that it was getting late, Yue Feng said, "Miss, it is getting late, you are also drunk, hurry up and rest, I should go too." As he spoke, Yue Feng was about to break free.

However, Empress Hua Zhao was still unfinished, a pair of jade hands hugged Yue Feng tightly, with no intention of letting go, her delicate face was full of coquettishness: "Bengong does not allow you to leave, you will stay here tonight to accompany me. , alright?" What the hell

!

Yue Feng was startled, he couldn't help laughing.

It is already a big risk to pretend to be the god of Haotian. If you stay here tonight, once the truth is exposed, it will be completely over.

Thinking to himself, Yue Feng hurriedly comforted: "Niangniang, this is not suitable, let's..."

Before he could finish, Hua Zhaoniangniang interrupted: "Bengong said it is suitable, Haotian, you are too. A man who stands above the ground, why are you so timid? This palace is not afraid, what are you afraid of?"

"Besides, this palace has no orders from this palace, and no one dares to come in. You will be here with me tonight, and you will be here tomorrow morning. Leave."

As she said that, Empress Hua Zhao took Yue Feng's hand and walked directly towards Ruantan.

I go.

At this moment, Yue Feng only felt that his brain was buzzing, and he was completely restless.

It collapsed after driving like this, wouldn't it be...

Thinking to himself, Yue Feng wanted to turn around and leave, but Madam Hua Zhao was holding on tightly on the back of her hand, and she couldn't shake it off at all.

"Haotian!" In the

next second, on the soft couch, Empress Hua Zhao was half lying there, her face resting on Yue Feng's legs, her face full of drunkenness, showing her coquettish coquettishness: "Talk to me well, this For a few days, this palace is really lonely."

Yue Feng was sweating profusely, how could he not be in the mood to chat, but at this stage there was no other way, so he had to bite the bullet and talk to Empress Hua Zhao in the east and west. Chatted one by one.

I don't know how long we chatted, but finally Empress Hua Zhao couldn't hold it anymore and fell asleep.

Nima!

Yue Feng breathed a sigh of relief and finally stopped.

Muttering in his heart, Yue Feng carefully collapsed from the soft side, and then tiptoed out of the bedroom.

Chapter 4627

Returning to Yuxi Xianyuan, it was already the second half of the night, Yue Feng was mentally exhausted, and when he arrived in the room, he lay directly on the soft couch and fell asleep.

Of course, before the break, Yue Feng didn't forget to change himself back to the appearance of Immortal Qingxu.

Before you know it, a few hours passed.

Squeak!

When the sky was bright, Yue Feng was sleeping soundly when he heard the door of the room being gently pushed open, followed by a delicate and slim figure who sneaked in.

What the hell!

Could it be that the matter of pretending to be the god of Haotian was exposed last night? Empress Hua Zhao sent someone to investigate?

Hearing the movement, Yue Feng woke up instantly, but instead of getting up immediately, he narrowed his eyes slightly and peeked at the intruder.

Um?

Seeing this, Yue Feng was stunned for a moment, and saw that the girl who broke in was a 16- or 17-year-old girl, wearing a bright yellow short skirt, showing slender and slender legs, and her facial features were exquisite and beautiful. It is moving, full of youthful and beautiful breath all over the body, and at the same time does not lose the royal elegance.

Who is this girl? What are you doing in my room early in the morning?

In a daze, Yue Feng couldn't help but muttered in his heart, looking at her quirky appearance, it didn't look like she was sent by Empress Hua Zhao.

Could it be that Prince Aolin, the servant girl specially arranged for him? But this temperament doesn't look like a girl....

Because he couldn't be sure of the identity of the other party, Yue Feng didn't dare to act rashly, so he just lay there and continued to pretend to sleep.

At this time, Yue Feng didn't know that the girl in front of him was Princess Xiya, the beloved daughter of Jiutian God. Among the many princes and princesses of Jiutian God, there are two princesses who love the most, one is Princess Dongling, and the other is Xi Ya. Princess Ya.

Princess Xi Ya is young and often lives in the deep palace, so Yue Feng has never seen it before.

Speaking of which, this Princess Xi Ya was born of the Nine Heavens God and Empress Hua Zhao. Logically speaking, the relationship with Prince Aotian, a mother and compatriot, should be the closest, but Princess Xiya and Aotian have an average relationship, but go with Ao Lin instead. got the most recent.

For Princess Xiya, compared with the arrogant and irritable Ao Tian, Ao Lin has a gentle personality and is more like a real brother. Yesterday, he learned that Ao Lin has worshipped a new master, and this new master is still from nine days away. , Princess Xia was very curious, so she came to see it early this morning.

Although she was a princess, she was still young after all. Seeing that the door was closed, she didn't think much of it at the time, so she pushed the door and walked in.

call!

At this moment, Princess Xiya approached slowly, looked at Yue Feng up close, and couldn't help but pouted: "This is Brother Aolin's new master? It doesn't seem to be anything special, just an old man with a white beard... ." The

white-bearded old man?

Hearing this, Yue Feng couldn't help laughing and laughing, but after thinking about it carefully, now he is playing the role of 'Qingxu Xianwen', with white beard and white hair, but not an old man with a white beard.

Huh...

Just as Yue Feng was muttering to himself, he saw Princess Xi Ya suddenly stretched out her jade hand and quickly pulled off a few of Yue Feng's beards, saying to herself, "Why does this beard look fake? What?"

Although the beard was glued on, it was suddenly pulled down, and Yue Feng felt his heart tighten, and a pain came.

I go!

Under the pain, Yue Feng couldn't get on, he almost jumped up from the soft couch, stared at Princess Xiya and said, "What a daring girl, dare to pull this old man's beard?"

"Who sent you here? Really? There are no rules."

While scolding, Yue Feng covered his face with one hand, wanting to cry without tears in his heart.

Nima, today is really unfortunate, I haven't slept well, and my beard was pulled early in the morning.

Seeing that Yue Feng was awake with pain, Princess Xiya knew that she was in trouble, so she took two steps back in fright, but she quickly calmed down and said slyly: "Oh, it turned out to be a real beard, I thought it was fake.

Saying that, Princess Xiya clasped her fists in a pretentious manner: "Old man with a white beard, I'm sorry, I didn't mean it." What

the hell, wasn't this intentional?

Hearing this, Yue Feng almost laughed angrily and looked at her up and down: "Who are you? What are you doing in my room early in the morning? Tell me honestly."

When he said this, Yue Feng seriously admired Princess Xiya , I couldn't help but admire secretly.

Chapter 4628

Although this girl is a little weird, her appearance and figure are also superb. Moreover, her eyebrows and eyes are somewhat similar to Empress Hua Zhao. If she is mature, she is a proper goddess.

Princess Xiya didn't care about Yue Feng's eyes at all, she smiled and said mischievously: "Guess what."

I guess?

Yue Feng's head suddenly became big. This Yuxi Xianyuan is so big, and there are thousands of maids. How can I guess who you are?

"Master!"

Just when Yue Feng was having a headache, he heard a call from outside, and then Prince Aolin walked in quickly.

The moment he came in, when he saw the scene in front of him, Prince Aolin was stunned for a moment, and then he frowned and blamed Princess Xi Ya: "Xiya, why are you running around again, didn't I tell you yesterday, this is Master's work? You can't disturb the room."

After speaking, Prince Aolin apologized to Yue Feng: "Master, this is the little sister Xi Ya, who doesn't know the etiquette at a young age, so don't take offense."

Little sister?

Hearing this, Yue Feng was stunned.

The prince's little sister, isn't she a princess?

Seeing Yue Feng stunned there, Princess Xi Ya burst out laughing, and then said proudly, "Yes, I am the smart and beautiful Princess Xi Ya."

After saying that, Princess Xi Ya took the few pieces that she just took off. The beard was handed to Yue Feng, and he bowed in a fake manner: "Master Whitebeard, I'm really sorry for not holding back for a while."

Uh...

Seeing her strange appearance, Yue Feng didn't So angry, I had to smile bitterly.

Prince Aolin was taken aback, and said incredulously: "Little sister, you are so foolish, how can you pull Master's beard?"

“I didn’t mean to!” Princess Xiya looked aggrieved.

Saying that, Princess Xi Ya put her feet up, put her foot close to Prince Aolin’s ear, and whispered, “Brother, my brother, tell me, when I pulled his beard just now, he was jumping up in pain, really. Heavenly Immortal, how could he know that it hurts? I see, he didn’t say anything great.”

I’ll go!

Princess Xi Ya’s voice was very small, but Yue Feng could still hear it clearly. At the time, she was angry and funny.

This Princess Xia, who pulled out my beard and didn’t say anything, even spoke ill of me behind my back. It’s really a noble status, and it’s being charged with lawlessness.

I was very unhappy, but in front of Prince Aolin, Yue Feng had to endure it.

“Don’t talk nonsense.”

At this time, Prince Aolin was also a little angry, and said with a straight face and very unhappy: “Little sister, you are getting more and more nonsense, you disturbed the master to rest, I haven’t told you about pulling the beard. What. Now I say that it’s not the master’s fault, and apologize quickly.” To

be honest, the first time I saw the immortal Qingxu who was pretending to be Yue Feng, Prince Aolin was also a little suspicious. In any case, he was introduced by Fairy Pipa, so he was definitely not wrong.

“Brother!”

Seeing that Prince Aolin didn’t seem to be joking, he was really angry, Princess Xiya pouted: “I was just playing with Master Whitebeard, and it wasn’t intentional.”

Prince Aolin said in a firm tone, “Young master. What the hell are you thinking, I don’t know yet? Hurry up and apologize.”

Phew!

Hearing this, Princess Xi Ya walked slowly to Yue Feng, bowed her head and said, “Master Whitebeard, I’m sorry about what happened just now.”

When she said these words, Princess Xia was full of reluctance.

But there was no way, he angered Ao Lin’s brother, and no one would play with him in the future.

Yue Feng could see that Princess Xi Ya didn't sincerely apologize, but she didn't care, she waved her hand and said, "Okay, it's not a big deal, forget it."

After speaking, Yue Feng looked at Prince Aolin and said: "His Royal Highness, starting from today, what skills do you want to learn?"

Hu...

Prince Aolin took a deep breath and began to think.

"I also want to learn." At this moment, Princess Xiya came up with an interested face: "Master Whitebeard, what skills do you know, is there any fun?"

This girl!

Seeing her interrupted again, Yue Feng couldn't help laughing and crying.

After all, he is young, and he knows how to play before he is in the world.

"Xiya, don't make trouble here." Ao Lin also frowned and said angrily, "You go outside to play first."

Chapter 4629

"No!"

Princess Siya shook her head, jumped gently on the soft couch, tilted her head and said, "I'm going to be here. When I go outside, no one will accompany me. I don't want to go out.

"You..."

Faced with this situation, Ao Lin had a headache, but there was nothing he could do.

Boom boom boom!

In the next second, Ao Lin was about to speak, when suddenly, there was a roar from outside. The roar was very far away, but the vibration caused by it made people's hearts tremble.

This lively scene, whether it was Yue Feng, Prince Aolin and Princess Xiya, were all startled.

what's going on?

Yue Feng frowned. Could it be that the Demon Race has not been completely wiped out and revived?

At the same time, Prince Aolin and Princess Xi Ya also looked at each other in dismay.

Whoosh!

In the next second, Princess Xi Ya took the lead in reacting and ran outside to take a look. She couldn't help shouting, "Brother, it seems to be in the direction of the Spirit Beast Garden."

Spirit Beast Garden?

Hearing this, Prince Aolin's expression changed.

Yue Feng was also shocked. When he escaped from marriage with Princess Dongling, he encountered a giant beast named Kunmeng. In the end, in desperation, he hid in the Imperial Palace. Because of this, he met Yu by coincidence. Child Fairy.

Yue Feng clearly remembered that Princess Dongling told him at that time that there was a spirit beast garden in the God's Domain, which contained spirit beasts specially domesticated by the royal family. The four congenital beasts.

But... these spirit beasts have been specially domesticated, and they have always performed their duties. Why did a vision suddenly appear today?

"Someone!"

Just when Yue Feng was muttering secretly, Prince Aolin called a patrolling magic soldier and ordered: "Go to the Spirit Beast Garden to see what's going on."

"Yes, His Royal Highness. "

When he heard the order, the divine soldier responded and quickly rushed to the Spirit Beast Garden.

At this time, there was no panic on Princess Xiya's face, but incomparable excitement, she pulled Prince Aolin's arm and said, "Brother, do you think the spirit beasts in the spirit beast garden are fighting? If so, then It's so interesting."

"Don't talk nonsense."

Prince Aolin said with a speechless expression, "The spirit beasts in the spirit beast garden are all tamed, how could they fight each other?"

Yue Feng was also dumbfounded.

This quirky and quirky Princess Xi Ya is really afraid that the world will not be in chaos.

“His Royal Highness!”

Just as he was talking, the divine soldier who was sent to the Spirit Beast Garden ran over in a panic, full of cold sweat, and said to Prince Aolin, “Reporting to Your Highness, this subordinate just went to see it, yes The spirit beast Xuankun suddenly became violent, and the movement just now was caused by Xuankun.”

What?

Hearing this, Prince Aolin’s expression changed greatly.

Princess Xia also stopped smiling and stayed there.

Yue Feng looked curious and couldn’t help but ask, “What kind of spirit beast is Xuan Kun?”

Although Yue Feng has a lot of knowledge, it is the first time Xuan Kun has heard of it.

“Thank you for being my brother’s master.” As soon as she finished speaking, Princess Xi Ya stuck out her tongue and mocked, “Even the mysterious beast of our God Realm doesn’t know about it.”

As soon as she finished speaking, Ao Lin glared at her . After a glance, Princess Xia stopped talking at that time, and shut her mouth obediently.

Yue Feng ignored Princess Xi Ya’s rudeness, and looked at Prince Aolin closely, waiting for his answer.

“Master doesn’t know something.”

At this time, Prince Aolin adjusted his emotions and said slowly: “Speaking of this Xuankun spirit beast, it is a great hero of our God’s Domain, the battle between gods and demons ten thousand years ago, Master It was with the help of Xuan Kun that the ancestors of Zu Honghuang completely defeated the Demon Race, but it was precisely because of that battle that Xuan Kun was severely injured, and he has been cultivating in the Spirit Beast Garden since then.” As he

said, Prince Aolin His brows were furrowed: “Xuan Kun has a gentle temperament, how could he suddenly become violent?”

Phew!

Hearing this, Yue Feng nodded suddenly.

It turned out that this Xuankun spirit beast had a lot of background in dealing with the demons together with the ancestors of Honghuang.

At the same time, a past event also appeared in Yue Feng's mind.

A few years ago, a vision of heaven and earth appeared in Zhongyuan Continent. At that time, many people in Jianghu thought that a divine soldier had come to the world, but only when they arrived at the place did they know that it was the movement of the holy beast Qilin of Tianquan Sect.

Chapter 4630

Yue Feng clearly remembers that the unicorn at that time was frustrated and violent because he encountered a bottleneck in his cultivation.

As for the movement just now, it seems that the situation of this Xuan Kun, like the fire unicorn of the year, is also violent when it encounters a bottleneck in cultivation...

"Go and see!"

Just when Yue Feng was thinking about this, proud Prince Lin said anxiously, and then quickly rushed towards the Spirit Beast Garden.

Yue Feng and Princess Xiya followed closely.

Hiss...

I soon arrived at the Spirit Beast Garden, and seeing the scene in front of me, not only Yue Feng, but also Prince Aolin and Princess Xiya couldn't help but gasp.

Especially Yue Feng, the whole person was shocked.

I saw that in the mid-air of the Spirit Beast Garden, a huge body was suspended, looking like a hill from a distance, the body was like a huge whale, more than 100 meters long, and its mouth was lined with sharp teeth .

At first glance, it looked like a giant shark, but Yue Feng could clearly see that on its back, there were a pair of lavender wings.

Sharks have wings on their backs? But unheard of.

Yes, this gigantic beast is exactly the Xuankun that Prince Aolin said just now.

What the hell!

After a few seconds, Yue Feng regained his senses, and secretly praised in his heart, is this the spirit beast Xuankun? Such a strong breath.

“Hooho..”

At this moment, Xuan Kun let out a loud roar, his eyes were extremely blood red, and all over his body, a terrifying aura burst out.

Yue Feng guessed right, this Xuan Kun was at a bottleneck in his cultivation, which led to mental confusion and madness.

“Quick!”

At this moment, a god general in charge of the Spirit Beast Garden rushed over with hundreds of god soldiers and ordered loudly: “Quickly form a formation and surround Xuan Kun, don’t let it leave the spirit. Beast Garden.”

Once the violent Xuan Kun left the Spirit Beast Garden, the consequences would be unimaginable.

Whoosh whoosh.

Hearing the order, hundreds of divine soldiers burst out one after another, forming a huge circle, surrounding Xuan Kun in the middle.

In the next second, the surrounding spiritual energy of the heavens and the earth continued to gather towards the great formation, forming powerful formations of coercion, suppressing them towards Xuan Kun.

Seeing this situation, Yue Feng looked solemn and shook his head secretly.

This Xuan Kun is already violent, and suppressing it with tough means is afraid that it will backfire.

“Roar!”

Yue Feng guessed right, that Xuan Kun felt the pressure from the magic circle, and suddenly lost his reason, his eyes were blood red, and he let out a roar that shocked the world!

“Buzz! Buzz! Buzz!” In the next second, Yue Feng clearly saw that sound waves with the shape of a substance emanated from Xuankun’s mouth and exploded directly towards the surrounding divine soldiers.

What the hell!

Seeing this scene, Yue Feng opened his mouth wide and was extremely shocked. He couldn't help but mutter to himself: "This Xuan Kun is actually attacking with a sound..."

Seeing his shocked expression, Prince Aotian nodded and said, "Yes, this Xuan Kun is very different from other spirit beasts. The best thing is to use 'sound waves' to defend against the enemy."

"I heard from the father and emperor that when the master brought Xuan Kun to fight against the demons, Xuankun's sound wave caused many demon warriors to dazzle their ears and mess up their formations."

Speaking of this, Prince Aolin looked at the hundreds of divine soldiers in front of him, unable to hide his worries: "Xuankun is very powerful, it's just a magic circle, I'm afraid it will be difficult to trap it..."

"Om Om..."

As soon as he finished speaking, he saw that Xuan Kun sent out two sound waves. In an instant, he was shocked by the sound waves, and many divine soldiers let out a muffled groan and were directly sent flying out.

Seeing this situation, many divine soldiers who came later rushed up to fill the vacancy in the magic circle.

Whoops!

At the same time, the movement also attracted more people to rush over, and they saw that Empress Hua Zhao, surrounded by the priests, came slowly, and behind her, followed the arrogant Prince Aotian.

call!

Seeing that Empress Hua Zhao was also here, Yue Feng couldn't help but take a few glances from a distance, and the scene from last night appeared in his mind.

What happened last night was like a dream. Who would have imagined that Empress Hua Zhao, who was always high above the ground, would be so charming and moving after drinking.

"This..."

Just as Yue Feng was recalling secretly, he saw Empress Hua Zhao's delicate face with a hint of surprise, and asked, "What's going on?"
