

The ultimate husband in Chinese chapter 4651-4660

Chapter 4651

Speaking, Prince Aotian sneered, dragged Yue Feng to the side of the statue, fiddled with his hands and feet, and looked like he was sleeping with the statue in his arms.

“Haha!”

Seeing this scene, Immortal Venerable Taiyi showed a smile and praised: “His Royal Highness is really thoughtful.”

After being praised, Prince Aotian was full of pride: “If the queen mother knew about this old thing, she was drunk and broke into the house. Magic Treasure Pavilion, still holding the statue of Empress Nuwa to sleep, how can you easily spare him?”

Immortal Venerable Taiyi smiled: “It is a sin that cannot be punished for blaspheming Empress Nuwa.”

Nima!

Hearing the conversation between the master and the apprentice, Yue Feng was furious and finally understood their conspiracy.

It’s so insidious, to take revenge on me in this way.

But I have to say, it’s really a no-brainer.

Thinking to himself, Yue Feng did not wake up immediately, but muttered and rolled over.

To be honest, Yue Feng wanted to sit up immediately, but he held back and finally decided to scare them.

Swish!

Yue Feng suddenly turned over, and both Prince Aotian and Immortal Venerable Taiyi were startled.

In the next second, Prince Aotian quickly looked at Yue Feng, made sure he didn’t wake up, and immediately cursed: “Made, the old thing scared the prince.” While talking, he didn’t forget to kick Yue Fengyi. foot.

Yue Feng kept silent and continued to pretend to be asleep.

This chapter is provided by . Visit for daily update.

After kicking, Prince Aotian was not as calm as before, and said to Immortal Taiyi: "Master, while he is still awake, let's leave quickly and report the situation to the Queen Mother."

Phew!

Immortal Venerable Taiyi took a deep breath, thought for a while and said, "His Royal Highness go first!"

"Why?" Prince Aotian looked puzzled.

Taiyi Xianzun pointed at Yue Feng and said, "He is an immortal after all. Although he drank a lot just now, I am afraid that he will wake up soon. If we walk forward, he will wake up. Isn't our plan? In vain?"

Yue Feng suddenly turned over just now, which made Taiyi Immortal Venerable unable to calm down.

Hearing this, Prince Aotian frowned immediately: "According to what Master said, what should we do?"

Immortal Tai Yi thought for a while, then smiled: "It's very simple, Your Highness will go first and report the situation to the empress, before you Before I bring people here, I will inject a divine power into his body to prevent him from waking up and escaping."

When he said this, Immortal Tai Yi looked serious, but his eyes were a bit cold.

Yes, Taiyi Immortal Venerable has his own plans.

Although Prince Aotian's plan is good, it is difficult to understand the hatred in Taiyi Xianzun's heart. He plans to completely get rid of this 'Qingxu Xianwen' tonight. But 'Qingxu Xianweng' is an immortal from outside the sky after all, and his identity is unusual, so he didn't tell Prince Aotian.

Immortal Taiyi thought about it, let Prince Aotian go first, and after he left, he decisively killed the 'Xianweng Qingxu'. Afterwards, it was said that this immortal Qingxu committed suicide in fear of sin.

"Okay! Master, be quick."

Hearing this, Prince Aotian nodded.

At this time, Prince Aotian didn't know Taiyi Immortal Venerable's mind yet. He wanted to kill the 'Xianweng Qingxu'. After saying this, he turned around and walked out of the Magic Treasure Pavilion.

“Xianwen Qingxu!” As soon as

his forefoot left, Taiyi Xianzun’s eyes suddenly sharpened, locked on Yue Feng, and said to himself: “Don’t blame me, it’s all your fault.”

Thinking of being forced to call him Master during the day, and being teased by him at the banquet at night, Immortal Venerable Taiyi couldn’t restrain his inner anger.

hum!

When the last word fell, Immortal Venerable Taiyi suddenly raised his right hand, condensed his divine power on it, and then slammed it towards Yue Feng’s head.

With this palm, Immortal Venerable Tai Yi used almost all his divine power, and wherever he saw it, the air in the entire Magic Treasure Pavilion was distorted, which was amazing.

Nima!

When he noticed that Immortal Taiyi made a move, Yue Feng was furious. This Taiyi Immortal Venerable is too ruthless, but just let him call Master and kill me?

At the same time as I was thinking, I saw Immortal Venerable Taiyi’s palm force immediately hit the top of his head. At that time, Yue Feng didn’t hesitate at all, he exploded his divine power directly, jumped up, and greeted him with a palm.

At the same time, Yue Feng did not forget to sneer and said, “Immortal Taiyi, what a great hatred to kill me?”

What?

Suddenly seeing Yue Feng stand up to fight back, Immortal Venerable Tai Yi was startled and exclaimed: “You...you...you are not drunk?”

Chapter 4652

Feeling the anger of Taiyi Immortal Venerable, Yue Feng’s face was full of leisure, he smiled and said: “Your Excellency Immortal Venerable, I am honest, when Prince Aotian toasted me the first glass of wine at the banquet, I I knew you had other plans. Sure enough, you all wanted to get me drunk, then throw me in the Magic Treasure Pavilion, and make me unjust.”

Speaking of this, Yue Feng’s eyes were cold, and he continued: “It’s just a pity, I’ve been on guard from the very beginning, otherwise, I’d really be fooled by you.”

Shua!

Hearing these words, Taiyi Immortal Venerable's face changed: "What a Qingxu Immortal Weng, I didn't expect your palace to be so deep."

"Haha..."

Yue Feng chuckled: "If we don't keep an eye on each other, isn't it already hurt by you?" The voice fell, Yue Feng speeded up.

boom!

The next second, the palms of the two sides collided, and there was a roar, and I saw Immortal Taiyi's body shaking, and he was directly shaken back ten steps, his face was pale and very weak.

Immortal Venerable Taiyi clearly felt that the power of the primordial spirit in the body was all disordered.

Yue Feng's figure also swayed, only to feel the blood in his body churning, but he still resisted.

Obviously, this palm Yue Feng has the upper hand. After all, Yue Feng not only revived with the help of the Faye Red Lotus, but also integrated the power of the primordial spirit of Empress Nuwa. In this case, Taiyi Immortal Venerable is naturally not an opponent.

"You..."

At this time, Immortal Venerable Tai Yi stabilized his figure and looked at Yue Feng with anger: "What if you know the truth? His Royal Highness Prince Aotian has already reported the situation to Empress Hua Zhao, and soon They will bring troops here, and at that time, the deity will also testify, saying that you are blaspheming Mother Nuwa."

"Hey, at that time, even if you have a hundred mouths, you won't be able to tell."

When he said this, Immortal Venerable Taiyi's face was pale, but the excitement of revenge flashed in his eyes.

Oops!

Hearing this, Yue Feng patted his forehead and said with a half-smile, "You reminded me when you said that." As he said that, Yue Feng moved his wrist and walked step by step.

"You..." Immortal Taiyi realized that something was wrong and panicked: "What do you want to do?"

Yue Feng showed a smile: "Don't worry, you want to kill me, I don't want your life, it's just you Tonight's plan is so perfect, it would be a pity to end it like this."

"So, I have no choice but to aggrieve you." With

that, Yue Feng used his divine power to strike out his right hand like lightning, and slapped the top of Taiyi Immortal Venerable's head with a palm.

boom!

Yue Feng shot very quickly, and Immortal Taiyi was injured just now, and he didn't have time to dodge. He heard a dull sound, Immortal Taiyi's eyes darkened, and he passed out directly.

Yue Feng did not hesitate, dragged Immortal Taiyi to the statue, and then placed Immortal Taiyi's hands and feet on the statue, making a posture of sleeping with the statue in his arms.

Yes, Yue Feng decided to 'use his own way and give his body back'. Didn't the master and the apprentice want to give Yue Fengan a charge of blaspheming Nuwa's mother? Yue Feng followed suit and made Immortal Venerable Taiyi the scapegoat.

"Taiyi Immortal Venerable!"

Last night, Yue Feng looked at the unconscious Taiyi Immortal Venerable, and said coldly: "Don't blame me, the so-called 'you can't live by yourself' is life or death, it depends on your own good fortune. "The

last word fell, and Yue Feng hurriedly left the Magic Treasure Pavilion.

.....

this moment, the other side.

Prince Aotian rushed to Yuyao Xianyuan quickly.

When I got to the bedroom, I saw Empress Hua Zhao sitting there, quietly reading an ancient book.

"Aotian!"

Seeing Aotian coming in, Empress Hua Zhao showed a smile: "At the banquet tonight, you drank so much wine and didn't go to rest, why did you come to the queen's palace?"

Aotian took a deep breath and said He was hesitant to say anything: “Empress mother, my son encountered something just now, and I don’t know how to decide, so I came to ask the queen mother on purpose.”

“What’s the matter?” Empress Hua Zhao put down the ancient book and asked with a smile.

call!

Prince Aotian thought for a while, and said slowly: “Just now, when one of Erchen’s subordinates passed by the Magic Treasure Pavilion, he saw a figure break in, so he quickly reported the situation to Erchen.”

“The Magic Treasure Pavilion is now It’s a forbidden area, and it’s enshrined in the jade of the goddess Nuwa, so it’s inconvenient for my son to enter to check it, so he came to ask for instructions.”

Chapter 4653

When he said this, Prince Aotian hesitated, but his eyes flashed with insidiousness.

He didn’t name Qingxu Xianweng, because he was afraid that Empress Hua Zhao would be suspicious.

Because he knew in his heart that although Empress Hua Zhao was against him, she also had her own principles for right and wrong.

Therefore, Prince Aotian chose to hide the truth.

What?

Hearing this, Empress Hua Zhao changed her pretty face, she stood up instantly, and said in shock, “Who is so bold, dare to break into the Magic Treasure Pavilion?”

Empress Nuwa is the senior sister of the Nine Heavens God, and Empress Hua Zhao sees her. Now, you have to give three points of courtesy, so the Magic Treasure Pavilion dedicated to Nuwa’s empress is even more sacred.

But now, someone broke into the Magic Treasure Pavilion, which is not only a blasphemy to the goddess Nuwa, but also disrespect to the entire Divine Realm.

Haha...

Seeing Madam Hua Zhao’s angry face, Prince Aotian was extremely excited, but he did pretend to be ignorant and responded, “Erchen’s subordinates don’t know who it is, but

Erchen guesses who it is. , I should be attending the banquet tonight, and I drank too much wine to cause this disaster.”

As he said, Aotian couldn't help but muttered in his heart.

Immortal Weng Qingxu, you are dead tonight.

call!

At this time, Empress Hua Zhao became more and more angry. Someone broke into the Magic Treasure Pavilion. Is this still worth it?

The next second, Empress Hua Zhao instructed the maid outside the palace, “Call all the priests immediately and meet at the entrance of the Magic Treasure Pavilion.”

With that said, Empress Hua Zhao said to Prince Aotian again, “Aotian, wait outside the door first, and the mother and queen change into clothes, and then go to the Magic Treasure Pavilion with me.

” The leopard was timid, and dared to break into the Magic Treasure Pavilion.

“Yes, Queen Mother!”

Aotian responded and walked out of the bedroom full of joy.

Outside the dormitory, Ao Tian stopped the maid and instructed: “By the way, I will also inform Prince Ao Lin, don't forget it.” How could Ao Lin be missing from this good show tonight?

Haha... I don't know how Ao Lin would feel when he saw his master, broke into the Magic Treasure Pavilion, and blasphemed Mother Nuwa.

“Yes, Your Highness.” The maid responded and left quickly.

...

on the other side, Yuxi Xianyuan.

Yue Feng left the Magic Treasure Pavilion and immediately returned to Xianyuan's own room.

The moment he opened the door, Yue Feng saw that Prince Aolin was standing in front of the windowsill with an anxious look on his face, apparently waiting for a long time.

At the banquet tonight, Prince Aotian and Immortal Venerable Taiyi were abnormal everywhere, which made Prince Aolin have a bad premonition, and was very worried. After returning, he had been waiting in the room.

“Master!”

Seeing Yue Feng coming back at this time, Prince Aolin’s face was overjoyed, and he hurriedly greeted him: “Master, you are back.”

Then he asked impatiently: “When the banquet is over, that Aotian insists If I continue to drink with you, I feel bad, Master, what did they tell you? Why is it so late?”

Hu...

Feeling Prince Aolin’s worry, Yue Feng felt warm in his heart, then he said with a smile: “You guessed it right, they do have a conspiracy tonight.”

“They want to get me drunk, and then get me Magic Treasure Pavilion, trying to slander and frame...”

After speaking, Yue Feng explained the situation at that time in detail.

Mad!

Knowing the situation, Prince Aolin was furious and said fiercely: “It’s really hateful, these Aotian and Taiyi Immortal Venerable are really insidious and despicable, and such a vulgar method has been used.”

Then Aolin asked nervously. Said: “Master, are you alright? How did you come back?”

Haha...

Yue Feng smiled slightly and said, “As a teacher, it’s natural to have a plan, not only that, but I also ‘follow the way of the other, and give to the other. body’, knocked Taiyi Immortal Venerable unconscious, and left him in the Magic Treasure Pavilion.” As he

said, Yue Feng looked out the window: “It is estimated that at this time, Aotian has led Hua Zhao Niangniang to the Magic Treasure Pavilion to catch the thief. I guess he would never have thought that it was not me, but his master who was sleeping with the statue of Empress Nuwa.”

At this moment, Yue Feng was in a very happy mood.

Chapter 4654

Call!

Hearing this, Ao Lin was stunned for a moment, and then his face showed endless reverence: "Gao, Master's trick is really brilliant, then Ao Tian probably wouldn't have thought that the trap he carefully designed, in the end, I was trampled by myself."

Haha...

For a while, the master and apprentice looked at each other and laughed.

Bump...

But at this moment, there was a knock on the door outside.

"Who is it?" Prince Aolin put away his smile and asked very unhappy.

The voice fell, and a guard's respectful voice sounded: "His Royal Highness, it is a humble position."

Prince Aolin frowned: "I didn't explain to you before, don't disturb Master easily, it's so late, what's the matter?"

"Go back to Your Highness . . ."

The guard stood outside the door and responded respectfully, "The Empress sent someone just now to ask His Highness to go to the Magic Treasure Pavilion immediately and say that there is something important."

Hu!

Hearing this, Prince Aolin frowned, and then looked at Yue Feng.

Yue Feng smiled and said slowly: "It must be Aotian's ghost, he wants to embarrass you tonight."

Prince Aotian thought for a while: "Then go?"

"Go!"

Yue Feng revealed With a smile, he said without hesitation: "Such a beautiful play, of course I want to go, and I want to join you in the fun."

Prince Aotian nodded and said to the guards outside the door: "I know, you can leave."

"It's Your Highness." The

guard replied and left quickly.

After the guards left, Yue Feng changed his clothes and rushed to the Magic Treasure Pavilion with Prince Aotian.

At this moment, the Magic Treasure Pavilion is here.

After being summoned by Empress Hua Zhao, all the priests gathered outside the gate of the Magic Treasure Pavilion.

“Strange, it’s so late, what are you doing here?”

“Yes, this place has been designated as a forbidden area, isn’t it that no one is allowed to approach?”

“Could it be that there is a problem with the jade of the goddess Nuwa? “

While discussing, I saw Empress Hua Zhao slowly approaching under the escort of dozens of divine soldiers, and beside her, Prince Aotian followed quietly.

I saw that Empress Hua Zhao was wearing a golden phoenix robe at this time, very solemn, and her whole body was filled with powerful majesty.

“See Empress.”

For a time, all the priests present knelt down and shouted, and at the same time they were a little uneasy.

You must know that since the death of the Nine Heavens God, Empress Hua Zhao has been dressed very casually, and she suddenly dressed so grandly, which proves that something big has happened.

Madam Hua Zhao looked around, her delicate face, without the slightest expression, said lightly, “All get up.”

“Thank you, Niangniang.”

This is, Mingyue Xingjun took a step forward, and asked boldly, “The lady suddenly called everyone here, but what’s the matter?”

Shuh!

At this moment, the gazes of the surrounding priests also focused on Empress Hua Zhao.

Empress Hua Zhao breathed a sigh of relief and said solemnly, “It’s inappropriate to convene everyone so late, but... the majesty of the royal family cannot be violated, and

Empress Nuwa's name cannot be profaned." Looking around, he continued with stern words: "Bengong got the news that after the banquet, someone broke into the Magic Treasure Pavilion with the gall of wine and blasphemed Mother Nuwa, so I called you here."

What?

Hearing this, there was an uproar in the audience. The priests present were filled with righteous indignation.

"Who is so daring to break into the Magic Treasure Pavilion and blaspheme Nuwa's maiden?"

"It's so abhorrent. After drinking a little wine, you don't know who you are?"

"Severe punishment, must be severely punished." The

priests were angry. The drink kept coming, and Prince Aotian, who had been standing beside him, had a gloomy expression, but his heart blossomed with laughter.

Haha...

Now all the priests are here to witness together.

Immortal Weng Qingxu, Immortal Weng Qingxu, this time, even if you don't die, you have to shed a layer of skin.

Right at this moment, Mingyue Xingjun was full of anger, and he asked Empress Hua Zhao, "Niangniang, please allow me to find out this daring fellow. It's simply unacceptable for me to dare to trespass into the Magic Treasure Pavilion and blaspheme the Empress Nuwa. "

Chapter 4655 The

voice fell, and the surrounding priests responded loudly.

"Yes, let's go in together."

"Let's see who is so bold."

Empress Hua Zhao nodded and was about to respond.

Whizzing!

However, at this moment, I saw two figures flying rapidly from a distance.

It was Prince Aolin and Yue Feng.

Seeing them, the priests subconsciously greeted them.

“His Royal Highness Ao Lin and Xian Weng are here.”

“Xian Weng drank so much wine before, but he is still so energetic. I admire it.”

What?

However, Prince Aotian was stunned, his mind buzzing and blank.

This...isn't this Qingxu Xianwen in the Magic Treasure Pavilion? How come from outside?

Muttering in his heart, Prince Aotian quickly looked around, but at that time he didn't see the figure of Immortal Taiyi, and his heart trembled even more.

Oops.

Master is not outside, could it be inside...for

a while, the more Prince Aotian thought about it, the more frightened he became. He only felt that his hands and feet were cold, and he could hardly stand still.

“See Empress.”

At this time, Yue Feng first bowed to Empress Hua Zhao, then looked around and pretended to know nothing: “Why are you all here this night, what happened? As soon as the words fell, Mingyue Xingjun said loudly: “

Xianweng still doesn't know? Someone was drunk and broke into the Magic Treasure Pavilion.”

“What?”

Yue Feng was startled and looked very angry: “Who is so bold? Inside the Magic Treasure Pavilion enshrines the fine jade of the Empress Nuwa. Empress Nuwa sacrificed her life for the sake of the realm of the gods, and now she only leaves behind. A piece of fine jade.”

“At the beginning, this place was designated as a forbidden area, but it was also to give Lady Nuwa a quiet environment, so that she could restore her primordial spirit and come out. Now someone has broken in? Does this mean that you don't want to live?”

Yue What Feng said was very excited, and all of a sudden, the emotions of the surrounding priests were stirred up again.

“Wait and see who it is, I will never forgive.”

“Yes, I will never forgive.”

For a moment, the gods were angry.

This is, Empress Hua Zhao raised her jade hand: “Okay, don’t talk about it, hurry in and take this daring drunk.”

“Yes!”

After hearing the order, Mingyue Xingjun and several priests quickly responded. , to rush in.

“Wait!”

But at this moment, I saw Prince Aotian shouting with a complicated face.

Swish!

All of a sudden, the audience’s eyes converged on Prince Aotian. One by one is very puzzled.

Empress Hua Zhao also frowned, “Aotian, what are you trying to say?”

“I...” Aotian blushed, and he didn’t know how to respond when he was tangled in his heart.

If it is Taiyi Immortal Venerable, it will be troublesome.

But the situation in front of you is like a sharp arrow in the string, you have to send it, and there is really no reason to stop everyone.

Ha ha...

Seeing this scene, Yue Feng and Prince Aolin looked at each other and couldn’t help but smile.

This Prince Aotian is self-defeating, see how you end up.

call!

Seeing that Prince Aotian hesitated, Empress Hua Zhao was too lazy to talk nonsense and waved her jade hand.

In an instant, several priests of Mingyue Xingjun rushed in immediately.

A few seconds later, Mingyue Xingjun and a few, dragging a figure, walked out quickly. I saw that the man's eyes were tightly closed, and he seemed to be sleeping soundly.

Not Taiyi Immortal Venerable, who else?

Mingyue Xingjun looked solemn and said to Empress Hua Zhao: "Reporting Empress, when we entered, he was holding the statue of Empress Nuwa, and his posture was very indecent..."

Wow!

Seeing the scene in front of them, the audience immediately exploded. Whether it was Empress Hua Zhao or the surrounding priests, they were all stunned.

"This..."

"Taiyi Immortal Venerable? It's actually him!"

"How could he do such a thing?"

At the same time, Prince Aotian, who was standing there, had a buzzing sound in his head, almost fainting. past.

Master...

Really Master.

Didn't he say hit a magic power, inject it into Qingxu Xianweng's body, and then leave? Could it be that something went wrong at a critical moment?

In a panic, Prince Aotian stared at Yue Feng fiercely, his eyes almost spitting out fire.

It was him, it must be him, he knocked out the master.

Just under the anger, Prince Aotian didn't dare to attack. After all, this matter was planned by him, and now it's messed up, and he can only admit it.

Just wronged Taiyi Immortal Venerable.

The ultimate husband in Chinese chapter 4656-4660

Chapter 4656

Call!

At this time, Empress Hua Zhao reacted, her body trembled with anger, and said coldly: "Wake him up."

Upon hearing the order, Mingyue Xingjun quickly asked the gods to get some cold water and poured it on Taiyi Xianzun's body. face.

A sneeze.

Agitated by the cold water, Immortal Venerable Taiyi sneezed instantly and woke up.

The next second, seeing the situation in front of him, Immortal Venerable Taiyi was stunned for a moment, and then he was blinded. Then he saw that Empress Hua Zhao and the priests were gathered around, all of them looking at him coldly.

Not far away, Prince Yue Feng and Prince Aolin were also there.

broken!

A few seconds later, Immortal Venerable Taiyi woke up, only to feel cold all over, and completely desperate in his heart.

I originally wanted to frame Qingxu Xianweng, but now it seems that I have become a scapegoat.

"Oops!"

At this moment, Yue Feng took a step forward and looked at Immortal Taiyi with a half-smiling smile: "I didn't expect that Immortal Taiyi, who looks sane on weekdays, turned out to be such a person."

"Drunken . Breaking into the Magic Treasure Pavilion and desecrating the statue of the Empress Nuwa, you are really courageous."

When he said this, Yue Feng seemed to be in a straight line, but his heart was extremely happy.

Mad, let you frame me.

This chapter is provided by . Visit for daily update.

"You..."

Yue Feng's mockery almost made Taiyi Immortal Venerable faint. At that time, he was trembling and pointed at Yue Feng, but he couldn't say a word.

At this time, Immortal Venerable Taiyi was completely dumb eating Huanglian, and he couldn't tell if he was suffering.

The one who was originally going to be criticized was the immortal Qingxu in front of him. How could he know that the other party was so cunning and made me a scapegoat at a critical moment.

At this time, the surrounding priests also reacted, looking at Taiyi Immortal Venerable one by one, shaking their heads.

"It's really unbelievable. I didn't expect that Taiyi Immortal Venerable was like this..."

"Yeah, it's too shameless." "It's really a shame for our God

's Domain."

Also with frost on his face, angry.

The next second, Lady Hua Zhao shouted at Immortal Venerable Taiyi: "Immortal Taiyi, the first emperor treated you well, and Lady Nuwa praised you even more, but you are so absurd to walk out of such a rebellious and outrageous way. What else do you have to say?"

Gudong!

Feeling Empress Hua Zhao's anger, Immortal Venerable Tai Yi trembled and swallowed secretly. At the same time, he couldn't help but glance at Prince Aotian, only to see him standing there, his face pale and in a trance.

Seeing this, Immortal Venerable Taiyi realized that his apprentice couldn't count on it.

Afterwards, Immortal Venerable Taiyi was ashamed, knelt there and said: "My lady atonement, it was me who was confused. I drank too much and made a big mistake, but I was unintentional. I hope your lady will forgive me."

When he said this, Immortal Tai Yi wanted to cry without tears.

Originally, he was going to frame Qingxu Xianweng, but now, he has become a rat that everyone shouts and beats.

But there is no way, I dare not tell the truth, I can only admit my guilt.

Swish!

The voice fell, and the audience was in an uproar again. Many priests looked at Immortal Venerable Taiyi with deep contempt.

“Okay!”

Seeing him admitting his crime, Empress Hua Zhao nodded, her delicate face did not fluctuate at all, and said coldly: “This palace announces that I will immediately remove the title of Immortal Taiyi, revoke the identity of the prince teacher, and , forever and ever, never step into the Imperial Palace again.”

After saying this, Empress Hua Zhao turned around and left.

Pfft!

At this moment, Immortal Venerable Taiyi’s heart trembled and he slumped directly to the ground.

It’s over, it’s over, it’s been removed from the honorary position, and the status of His Highness’s master has been cancelled. This is completely over.

Soon, several divine soldiers came over and carried away the Immortal Taiyi.

“Okay, okay.”

At this time, Yue Feng came out, looked around and smiled: “It’s all right, everyone, let’s go back to rest.”

Then, Yue Feng smiled at Prince Aolin: “Your Highness, I really never expected that Immortal Venerable Taiyi would be disrespectful to the old and do such a shameful thing, sigh, it is well deserved to be punished, when it’s getting late, let’s go to rest.

” Prince Lin left.

The words were not loud, but the whole audience heard them.

Prince Aotian stood there, almost getting angry.

Ma De, this immortal Weng Qingxu is so hateful, he killed himself without his master, and he said slander.

After a while, the priests left one after another, leaving only Prince Aotian, who was still standing there with a gloomy expression on his face.

Chapter 4657

Qingxu Xianweng, Ao Lin, you wait for me.

After standing for more than ten minutes, Prince Aotian finally came to his senses, said a word in the direction of Yue Feng's departure, and then turned to leave.

.....

On the other side, Kyushu, Nagumo Imperial City.

At this time, night fell, and the entire palace was shrouded in darkness, but it could be vaguely seen that there were soldiers patrolling around the palace from time to time, and guards guarded the gates of each palace.

The entire palace is definitely heavily guarded.

Whoosh!

However, at this moment, one after another, slender figures flew from afar and entered the palace silently.

By the moonlight, I saw this woman, wearing a long black and red dress, showing her tight and charming curves. She was extremely sexy, her facial features were exquisite, but there was a trace of solemnity between her brows, and her whole body was filled with an unacceptable blasphemy. breath.

This woman is Mo Yan.

At that time, when she learned that she was pregnant in the dilapidated temple, Moyan thought about it again and again and decided to come to the Nayun Palace to hide. First, the Queen of Nayun was still under her control, and secondly, everything in the palace would be convenient to give birth to a child in the future. down.

After entering the palace, Mo Yan looked around, then headed directly towards the bedroom behind.

Mo Yan had been here for a few months before, and she was very familiar with the environment of the Nanyun Palace. Even at night, she could easily find the queen's bedroom.

Squeak!

Soon, when they arrived at the Queen's palace, Mo Yan pushed the door and walked in without any hesitation.

When they got inside, Moyan felt relieved when she saw the scene in front of her. She saw that the palace was lit with candles, which illuminated the luxurious and elegant palace.

On the innermost soft couch, the Queen Long Qianyu was wearing a light gauze coat, half lying there, reading an ancient book, the candlelight illuminated her beautiful face, showing a hazy and charming beauty.

Any man who sees this scene will not be able to calm down.

But Mo Yan is also a woman, she just froze for a moment, then calmed down.

“You’re back?”

Seeing Mo Yan’s appearance, Long Qianyu was stunned for a moment, then sat up straight and said softly, “Is there something wrong so late?”

When he spoke, Long Qianyu was unusually calm.

A few months ago, after Long Qianyu was controlled by Mo Yan with the poison, he has been trying his best, and just recently, he finally found a way to successfully expel the poison from his body.

At this time, Long Qianyu wanted to turn his face immediately, but Moyan in front of him was too powerful, so he chose to hold back for the time being.

Um!

Mo Yan didn’t notice Long Qianyu’s mistake, she nodded at that time, and ordered: “Immediately prepare a secret room for me, it needs to be concealed enough and safe enough.” She

has a child, and her strength needs to be restored. Be very careful.

“Okay, I’ll arrange someone now.” Long Qianyu replied, and then looking at Mo Yan’s busy appearance, he slowly stood up, walked to the side and poured a cup of tea himself.

Afterwards, Long Qianyu handed the tea to Mo Yan: “Your Excellency, are you tired, take a sip of tea first and take a rest.”

When he said this, Long Qianyu’s face was sincere, but his eyes flashed with complexity.

Yes, Long Qianyu was poisoned in the tea.

A few days ago, after Long Qianyu successfully removed the poison from his body, considering that Mo Yan would definitely come back, he prepared the poison in advance. Intend to ‘by his way, also apply his body’.

Without the slightest suspicion, Mo Yan took the tea and took a sip.

Um?

After drinking the tea, Moyan frowned when she saw Long Qianyu standing still, “I asked you to prepare the secret room, what are you doing standing here?”

At this moment, Moyan felt a little unhappy.

I haven’t come back for a few days. The efficiency of this queen is so poor. It seems that she will need to be trained in the future.

However, Long Qianyu still stood there motionless, with a faint smile on his delicate face, and said, “Your Excellency the Demon King, I would like to ask who is the ruler of this Southern Cloud Continent?”

Huh... ..

Hearing the question, Mo Yan was stunned for a moment, and then responded: “Of course it’s you Long Qianyu.”

Long Qianyu smiled slightly, the Queen’s powerful aura pervaded her body, and she said word by word, “In that case. , it seems inappropriate for you to trespass into the bedroom and point fingers in front of this emperor.”

Chapter 4658

When he said this, Long Qianyu’s voice was not loud, but he was full of aura.

call!

Hearing this, Mo Yan’s pretty face changed, she stared at Long Qianyu, and said coldly, “What do you mean? Did you forget that your life is still in my hands.”

“As long as I am from now on In the beginning, if you cut off your antidote, after half a month, you will go crazy and die of Qikong bleeding.”

When she said this, Mo Yan was very frightened and angry.

This Long Qianyu is not timid, and dares to tell himself his identity.

“I was just about to tell you about this.”

Feeling Moyan’s anger, Long Qianyu didn’t panic at all, smiled lightly at that time, and said very easily: “Just three days ago, this emperor has successfully detoxified. .”

What?

Mo Yan's delicate body trembled, her beautiful face was full of surprise, and she quickly recited the formula.

However, what shocked her was that when she recited the formula, Long Qianyu didn't react at all. Obviously, she really successfully detoxified her body.

Impossible...

For a moment, Mo Yan was secretly shocked, and her mind went blank.

It was given to Long Qianyu at the beginning, but the poison is unique to the Demon Race, and no one in the entire Kyushu Continent can solve it.

Seeing her appearance, Long Qianyu was very happy in his heart, and said with a half-smile: "Your Excellency Demon King, didn't you think of it? Let me tell you, the poison of your demons is no big deal. You know that I can do it on the mainland of Kyushu. It's a piece of cake for people to come out in large numbers, and it's a piece of cake to detox your demons."

"You..."

Hearing the ridicule, Mo Yan's body trembled faintly, and she was angry, but she was still curious: "How did you detoxify the poison?"

Long Qianyu smiled lightly and said indifferently, "This... I have no idea. I can tell you."

When answering, Long Qianyu's expression was indifferent, but a trace of complicated emotions surged in his heart.

Long Qianyu used a method of 'medicated bath detoxification'. Speaking of which, this medicated bath detoxification is also related to Yue Feng.

Many years ago, Yang Jian of the Northern Ying Continent, cavalry conquered the world, and when he reached the Southern Cloud Continent, Yue Feng came to support and help. At that time, Yang Jian appointed Zhang Jiao as a military advisor, which can be said to be invincible. Zhang Jiao is not only proficient in fighting skills, but also He was also good at using poison, which made Nagumo soldiers miserable.

In order to help the soldiers of Nagumo, Yue Feng studied several ways of detoxification, one of which was detoxification by medicated bath.

After Long Qianyu was poisoned by Mo Yan, he always tried to detoxify it. At that time, he tried many methods to no avail. Finally, he thought of the medicated bath detoxification left by Yue Feng.

It's just that in Long Qianyu's heart, hatred for Yue Feng is greater than admiration, so when faced with Mo Yan's inquiry, he naturally kept his mouth shut.

"Okay, very good!"

Seeing that Long Qianyu refused to say it, Mo Yan didn't bother to ask, and nodded with a sneer: "Long Qianyu, I really underestimated you before, I really didn't expect you to be so short in such a short time. Time, I'll get rid of the poison."

As she spoke, Mo Yan's eyes flashed coldly: "However, even if you get rid of the poison, do you think you can escape from my palm? If I kill you at this time, wouldn't it be as easy as the palm of your hand? After the

last word fell, Mo Yan dropped the teacup and stood up suddenly.

A powerful aura filled the entire bedroom.

"Yes?"

Long Qianyu did not panic at all, and looked at Moyan with a smile: "You can give it a try, can you kill me?"

If it was before, Long Qianyu would never have been so calm, but Moyan just drank poisoned tea, of course not panic at all.

"Looking for death!"

Facing Long Qianyu's provocation, Mo Yan couldn't bear it any longer. With a squeak, she was about to activate the power of her demon soul, but her face suddenly changed, and her delicate body trembled.

At this moment, Mo Yan was very surprised.

Strange, it was fine just now, but all of a sudden, the whole body is sore and sour, and the power of the demon soul can't be motivated.

Moreover, a strange force is wandering around the body, causing the demon soul in the body to show signs of disorder, which... This is clearly poisoned.

Looking at her appearance, Long Qianyu showed a smile: "No need to guess, the tea you drank just now was poisoned by me.

Chapter 4659 Swish

!!

Hearing this, Mo Yan's delicate face suddenly changed, and she was furious: "You poisoned the tea?"

"Not bad!" Long Qianyu was very proud and mocked: "Why? Just allow it. You use the poison to control me, so you won't allow me to poison you?" As he

spoke, Long Qianyu's face gradually grew into a smile, he took out a jade bottle from his body, and continued: "This is from the Nanyun royal family. The special poison 'Blood Soul Pill', once taken, the poison will infiltrate into the blood, and the more the power is stimulated, the faster the poison will spread."

"You..."

At this moment, Mo Yan was angry. No, she pointed at Long Qianyu and shouted: "You are so despicable."

At this moment, Mo Yan was not only angry, but also regretful.

I thought that when I returned to the Nanyun Palace, I would be completely safe, but I never imagined that Long Qianyu had already escaped his control, not only that, but he secretly poisoned himself.

Now the poison has begun to spread, I don't know if it will affect the child in the stomach.

The more Mo Yan thought about it, the more anxious she scolded: "Long Qianyu, don't be complacent, even if I am poisoned, I can still kill you." As she spoke, Mo Yan was about to forcibly use the power of the demon soul.

"Haha..."

Long Qianyu smiled disdainfully, and then clapped his hands.

Whoa!

Hearing the applause, footsteps suddenly sounded outside the palace.

Mo Yan's pretty face changed, she looked back subconsciously, she was stunned, and her mind went blank.

I saw that dozens of palace guards rushed in quickly. Each of these guards was not low in strength, and there were even more than ten, who had broken through to the transcendence realm.

Huh....

Seeing this situation, Mo Yan suddenly felt a little desperate. Obviously, these palace guards had already been ambushed around, and Long Qianyu had already made arrangements.

“Your Excellency the Demon King.”

At this time, Long Qianyu slowly sat on the soft couch, showing royal majesty all over his body, with a shallow smile on his face, but in the smile, he couldn't hide the resentment and coldness: “This emperor has been waiting for this day, but he has been waiting for a long time.”

Mo Yan did not respond and looked at her quietly.

The more Long Qianyu spoke, the more excited he became, his face was extremely cold: “A few months ago, you used despicable means to control the emperor, forcing the entire royal family to do things for your demon clan, causing my Nanyun royal family to bear a lot of infamy. Report, how can I be worthy of the royal ancestors?” At the end, Long Qianyu

stopped talking nonsense, pointed at Mo Yanjiao and shouted, “Take it.” They erupted and charged towards Mo Yan. Seeing the royal guards rushing up, Mo Yan was not afraid at all, biting her lips tightly, her tender body burst out, and directly attacked. Bang bang... I have to say, as one of the twelve holy demon kings of the demon race, Mo Yan's strength is unfathomable. In the blink of an eye, more than ten guards were injured by her, all of them were pale and lost. combat power. However, Mo Yan was poisoned by the ‘Blood Soul Pill’, which forced the power of the demon soul to spread, causing the poison to spread rapidly. Within a few minutes, the speed slowed down, and her delicate face was full of cold sweat. call! Long Qianyu sat on the soft couch and didn't do it himself, but seeing the scene in front of her with a delicate face, Mo Yan did not give up at all, and continued to fight with her teeth clenched.

She knew that once she was caught by Long Qianyu, not only would her life be in danger, but the child in her stomach would also be in danger.

Hmm...

However, just as she was about to rush out of the siege, Mo Yan's delicate body suddenly trembled, and she fell directly on the ground, her beautiful face was looking extremely painful.

Yes, first of all, he was poisoned, and then forced the power of the devil's soul, resulting in the movement of fetal gas.

This... poison attack?

Seeing this situation, the surrounding royal guards stopped one after another, excited one by one.

Long Qianyu frowned, feeling that the situation was not so simple.

Even if it is forcibly urged the power, the poison of this 'Blood Soul Pill' will not strike so quickly.

In the next second, Long Qianyu slowly stood up, walked to Moyan, put his hand on her stomach and sensed it, his body trembled, and he said, "You... pregnant? "

Long Qianyu clearly sensed that there was a sign of life in Moyan's belly. Although it was very weak, he still sensed it.

Chapter 4660 It's

over!

At this moment, Mo Yan only felt a pain in her abdomen, and she had no strength at all. At this time, seeing Long Qianyu finding out that she was pregnant, she was so anxious that she almost fainted.

Long Qianyu knew that she was pregnant with a child, so she would definitely humiliate herself even more.

After all, she used her to control the entire Nagumo royal family. This is a great shame for a queen.

Thinking to herself, Mo Yan bit her lip, almost bleeding: "You...you just kill me."

Rather than being humiliated, it would be better to just die. I just feel sorry for the child, and I haven't had time yet. born.

"Want to die?"

Seeing Moyan's wholeheartedly begging for death, Long Qianyu showed a smile and said coldly, "You want to die, but I don't want you to die. I want you to know how much it will cost to blaspheme this queen. "

Speaking, Long Qianyu said to the surrounding royal guards: "Immediately post the imperial list in the whole city, and an hour later, this evil woman of the demon race will be paraded on the street to show the public."

"Yes, Your Majesty!"

Hearing the order , several royal guards responded in unison, and then quickly prepared to go.

Parade in the street?

At this moment, Mo Yan's delicate body trembled, and her beautiful face was full of despair. If she was a dignified demon king, if she was paraded on the street, she might as well die.

At this time, Long Qianyu looked at her condescendingly, with a bit of playfulness in his tone: "As far as I know, your demons have been annihilated in God's Domain, and you are the last fish that slipped through the net, I am very curious, you Whose child belongs to, is it possible that besides you, there are other survivors of the demon race?"

"It has nothing to do with you." Mo Yan responded coldly, although her voice was weak, her attitude was firm.

"It has nothing to do with me?"

Long Qianyu's delicate face showed a bit of gloom: "You demons are very ambitious, and you have caused catastrophe in the Kyushu continent several times. It has nothing to do with me?"

Huo!

Hearing this, Mo Yan bit her lip tightly, her face flushed red, and she was speechless for a moment.

Because Long Qianyu said it well, in the past two years, there have indeed been many talented people in Kyushu, because the demons died unexpectedly.

Seeing that she didn't speak, Long Qianyu said slowly, "As long as you say who the child's father is, I promise to let you give birth to the child and give the child a chance to live."

In Long Qianyu's heart, he believed that the child was a child. His father is a member of the demon clan. In order to completely eradicate the demon clan, he pretended to negotiate with Moyan about conditions.

Moyan thought carefully, and immediately guessed Long Qianyu's intention, and sneered at that time: "You give up, I won't say it." She knew that even if she said it herself, the child would not survive.

Moreover, the father of the child is not a demon at all, but Yue Feng, a famous hero of Kyushu.

Mo Yan lost her innocence because of Yue Feng and was pregnant with a child. For her, this was a lifetime of humiliation, how could she say it?

“I don’t know how to praise!”

Long Qianyu lost his patience when he heard the answer, and his pretty face was cold: “Since you don’t cooperate, don’t blame me, after you parade through the streets, I will send someone to send you to Tianqi. Continent, I heard that God Domain sent Haotian Divine Monarch to set up Diligent Supervisor in Tianqi Continent.”

“If you fall into Haotian Divine Monarch’s hands, what will happen, think about it for yourself.” The

last sentence fell . , Long Qianyu waved his jade hand. The two royal guards came over immediately and dragged Mo Yan out of the bedroom.

call....

At this moment, Mo Yan’s face was pale and her heart was completely desperate.

If it is really sent to the hands of Haotian Divine Sovereign, it will be completely over, and he will definitely not spare me lightly.

Is this his destiny?

...

at this very moment.

In the southeast of the Nanyun Imperial City, there was an unused courtyard, which was bought by a mysterious businessman ten days ago.

At this time, in the garden in the courtyard, an old man sat there, frowning in thought.

Beside him, several young men in white long shirts stood there quietly, each and everyone was extremely respectful, and at the same time, there was a bit of grief between their brows.

This old man is none other than Bai Yunfei’s father, Bai He.
