

## The ultimate husband in Chinese chapter 4666-4670

### Chapter 4666

“Bai Yunfei!” Bai He said slowly: “Bai Yunfei is a scumbag. A year ago, it was because of the awakening of the power of the demon soul in the forbidden land of the clan that I allowed Yunfei to inherit and then left the family. Go to find the whereabouts of Lord Mozun...”

In the next few minutes, Bai He explained the situation in detail.

When he finally mentioned Bai Yunfei, Bai He couldn't hide the pain in his heart. You must know that Bai Yunfei, his only son, died suddenly at an early age, and no one else could accept it.

call!

Hearing this, Mo Yan's face was stunned, and at the same time, she was full of admiration: “So it is, speaking, if it weren't for Your Excellency Bai Yunfei, it would be a pity that your honor would still be trapped in the ghost world...”

Bai He smiled wryly . After a while: “Yeah, although Yunfei's life is short, it's worth it.”

Hmm! !

As she was speaking, Mo Yan's body trembled suddenly, and she collapsed to the ground, with a layer of cold sweat oozing out of her forehead, and she was in constant pain.

Yes, the poison in her body has attacked again.

“Your Excellency!”

“Your Majesty the Demon King!”

Seeing this scene, both Baihe and everyone in Baiyunhai were all taken aback. However, Mo Yan didn't seem to be able to hear their words, the pain came in bursts, and finally the eyes darkened, and she fainted directly.

This....

in an instant, everyone panicked completely.

“Patriarch!” Bai Yunhai frowned, and couldn't help but ask Bai He, “What should I do now?”

This chapter is provided by . Visit for daily update.

Bai He carefully observed Moyan's situation, and his expression suddenly changed: "Oops, looking at the expression on the face of Your Excellency Demon King, Obviously poisoned."

While speaking, Bai He stepped forward to check Mo Yan's pulse, and suddenly became more dignified.

Seeing this, Bai Yunhai couldn't help but ask, "What happened to the patriarch?" Huh

!

Bai He took a deep breath and said slowly: "Your Majesty's situation is more serious than I thought, and she is already a month pregnant."

After speaking, Bai He sighed, unable to hide his worries: "Then The virulent poison has already penetrated into the embryo, I am afraid that Your Excellency the Demon King will be more fortunate."

What?

When the words fell, Bai Yunhai and the surrounding Bai disciples were shocked and furious.

In the next second, Bai Yunhai slammed the stone next to him with a ruthless punch, and cursed: "Made, the Queen of Nanyun is too ruthless. Your Excellency the Demon King is already pregnant and even poisoned." The

other disciples, They also responded, one by one filled with righteous indignation.

"Okay!" Bai He waved his hand and looked at Mo Yan who was in a coma, feeling distressed and anxious: "No matter what, since we have rescued Your Excellency the Demon King ,

we must keep her safe."

Bai He took out a few detoxification elixir from his body and gave it to Mo Yan.

These elixir are all unique elixir of the Bai family. Although they can't detoxify the poison in Moyan's body, they can help her live for a few more days.

Bai Yunhai watched quietly and couldn't help but say, "Patriarch, where are we going next?"

Huh!

Bai He looked around and said with a sense of disappointment: "Baiyun Villa must not be able to go back, and the Nayun Royal Family must be chasing us. Now, let's head east to the sea."

"As far as I know, there are countless hidden islands in the sea to the east of the mainland. Let's find an island to live in. Everyone hurry up and prepare, and we will set off immediately."

"Yes, patriarch!"

After a few minutes, Baihe ordered someone to use a branch Made a soft frame, lifted Mo Yan, and headed towards the sea.

.....

On the other side, the Nagumo Imperial Palace.

Inside the bedroom, Long Qianyu sat quietly on the throne, closing his eyes and resting.

"Your Majesty!"

At this moment, a shout came from outside the hall, and then Yuan Hong ran in with a look of panic.

"What are you panicking about?" Long Qianyu suddenly opened his eyes, his delicate face was full of displeasure, and he said tenderly, "As the captain of the guards, what's the way to be in such a hurry?"

After speaking, Long Qianyu asked coldly. : "I want you to hold the prison car and parade through the streets in the imperial city, how come it's over so quickly?"

Gudong!

Yuan Hong couldn't help swallowing his saliva, and said with a sad face: "Your Majesty, the parade was going well, but a group of people deliberately made trouble, and suddenly an old man appeared. The witch was robbed."

Chapter 4667

What?

Hearing this, Long Qianyu's body was shocked, and he couldn't tell the anger, and he immediately shouted: "Then what are you still doing? Pass my will, and immediately mobilize the army, no matter the ends of the earth, I will also kill that female demon. Bring the head back to me."

When he said this, Long Qianyu's delicate face was extremely ugly. In the dignified city, at the foot of the emperor, the felon was allowed to escape. If this matter spreads out, wouldn't the Nanyun royal family become the laughing stock of Kyushu? ?

"Yes, yes, Your Majesty..."

Feeling Long Qianyu's anger, Yuan Hong quickly wiped the cold sweat from his forehead, replied with a sound, and walked out quickly.

call!

Watching Yuan Hong walk away, Long Qianyu sat on the soft couch, still resentful.

It's really abominable, I was controlled by this female devil for nearly half a year, and I was finally able to be ashamed, but at a critical moment, she ran away.

It is difficult for anyone to calm down about this matter.

"Your Majesty!"

At this moment, a confidant maid couldn't help but took a step forward and comforted her in a low voice: "Your Majesty, the female devil, wasn't that poisonous before? Even if she was rescued, without an antidote, she won't be able to live for long."

Hearing this, Long Qianyu breathed a sigh of relief, and his face softened a lot.

Yes, the blood soul pill of the Southern Cloud Palace is extremely poisonous, and there are very few people in the world who can solve it. From last night to now, the poison should have spread all over the body.

....

on the other side.

Bai He took Mo Yan, and the many Bai disciples of Bai Yunhai under the escort of all the way, and finally arrived at the seaside.

On the way, Bai He did not dare to stop for a moment, because he knew that as soon as he stopped, he would be overtaken by the army of the Royal Family of Nanyun.

call!

Seeing the sea at this time, Bai He waved to everyone to stop, and at the same time he was deeply relieved.

Finally arrived at the beach, as long as you enter the vast sea, you don't have to worry about being chased.

It's just the seaside in front of you, looking from both sides, it's deserted for dozens of miles, let alone fishing villages, you can't even see a fisherman's house. And with so many people in the Bai family, where did Zhao Chuan come from?

"Patriarch!"

At this time, Bai Yunhai came over and said, "I looked at the map just now. Our current location should be in the south of Coral Harbor. Our Bai family has always lived in the mainland. Knowing how long it will take, why not set up camp on the spot, and then I will send someone to Coral Harbor to buy a boat."

"We will have a boat to leave as soon as it gets dark tomorrow."

Bai Yunhai is quick-witted, whether it is daring or resourceful, no less than Bai Yunfei, who just pondered for a while, and soon had an idea.

call!

Hearing this, Bai He smiled and nodded approvingly: "Very good, Yunhai, just do as you said." After speaking

, Bai He looked around and instructed everyone: "Everyone set up camp on the spot."

Hearing the order, the surrounding Bai disciples got busy.

After a while, the camp was set up, and Bai He set up Moyan first. Along the way, Moyan was in a state of coma because of the spread of the poison in her body.

The medicinal pill Bai He gave her was effective, but it also cured the symptoms but not the root cause. In desperation, Bai He had to mobilize his inner strength to suppress the poison in Moyan's body.

At this time, in the tent.

Bai He once again helped Mo Yan to suppress the poison. At the moment when it was over, Bai He was sweating profusely, and his face was even more exhausted.

The Blood Soul Pill of the Southern Cloud Palace is very domineering, and its suppression consumes a lot of internal strength. Even a top expert like Bai He, who constantly pushes internal strength along the way, can't stand it at this time.

But in order to keep Mo Yan's safety, Bai He went out of his way.

“Your Majesty the Demon King.”

At this time, Bai He looked at Mo Yan who was unconscious, and his tone was firm: “Don’t worry, as long as I Bai He is still there for a day, I will never let you die. No matter the cost, I will save you.”

After saying this, Bai He strode out and returned to his tent.

Whoa!

As soon as he returned to his tent, he saw Bai Yunhai following him with a complicated expression.

“Yunhai, what’s the matter with you?” Bai He said warmly, but his old face couldn’t hide the tiredness. Just now, in order to help Mo Yan suppress the poison, he spent a lot of internal energy.

Chapter 4668

“Uncle!”

Facing the question, Bai Yunhai hesitated and said, “It’s nothing, I just want to see you.” In front of outsiders, Bai Yunhai always called the patriarch, only when no one was there, will be called Uncle.

“You kid.” Bai He smiled and said angrily: “In front of the uncle, he is still secretive, tell me, what’s the matter? Is the person sent to Coral Harbor in trouble?”

” Knowing this nephew, he goes to the Three Treasures Hall for everything.

call!

At this moment, Bai Yunhai took a deep breath and said truthfully: “It’s not this, I want to talk about the matter of Your Excellency Moyan Demon King.”

Bai He was stunned.

Before he could open his mouth to ask, Bai Yunhai said with a complicated expression: “Uncle, I believe you can see that, Your Excellency Moyan Demon King has been poisoned, and time is running out. Uncle has been consuming internal energy along the way to help her. Suppressing the poison, but you also know in your heart that this method will only work temporarily. Even if the uncle uses all his internal strength, it is impossible to help her completely expel the poison.”

“Also, we have to find an overseas island for recuperation, the way forward. Longman, this is not the way to go.”

When he said this, Bai Yunhai looked sincere.

Swish! !

Hearing these remarks, Bai He's heart was shocked, and his face sank instantly: "Yunhai, what do you mean, you want me to give up Lord Demon King? But don't forget, our entire Bai family is descended from Demon Race, and His Excellency Demon Lord is Our only backer."

At this time, Bai He was very displeased, this nephew has always been sensible, but today he said such unethical words.

"Uncle." Bai Yunhai said with a serious face, with a wry smile: "Don't be angry first, I say this for the sake of our Bai family. You know better than me about the situation of Your Excellency the Demon King, and you always take her with us, our Bai family. You are loyal, but compared to the current situation, this is a huge burden."

Said, Bai Yunhai slowly approached, with a mysterious look: "And, I don't mean to abandon Your Excellency the Demon King."

call!

Hearing this, Bai He's face softened a lot, and he frowned: "Then what exactly do you mean?"

A mysterious smile appeared on Bai Yunhai's face: "Power of Demon Soul!"

What?

At this moment, Bai He's heart trembled, and he was stunned.

Bai Yunhai's eyes flickered, and he continued: "Anyway, Your Excellency the Demon King won't be able to hold on for long. Why don't we just take away the demon soul in her body. As long as we successfully integrate the demon soul, our strength will be greatly increased. At that time, let alone Nan The Yun Royal Family, even if we meet the Haotian God, we are not afraid."

"Also, we took great risks in trying to rescue the Demon King before, and now we are forced to do so. I believe that the Demon Lord knows, I won't blame it."

"Of course, the uncle is the patriarch, and the demon soul is naturally yours."

When the last sentence fell, Bai Yunhai smiled and looked confident.

Today's Bai family is facing unprecedented catastrophe and challenges for thousands of years. Only this way can they have a chance to reverse the situation and be reborn.

Thinking to himself, Bai Yunhai looked at Bai He expectantly.

However, Bai He was not excited at all, instead his face was extremely cold.

“Bastard!”

A few seconds later, Bai He shouted angrily, raised his hand violently, and slapped Bai Yunhai fiercely.

This slap was very heavy, and only a clear sound was heard, Bai Yunhai staggered back a few steps, his mind buzzed, and the whole person was stupid.

“Uncle!”

Bai Yunhai covered his face and looked at Bai He with a puzzled look. He was very aggrieved: “Why did you hit me? Can’t I do this?”

“You...” Bai He trembled in anger. Pointing at Bai Yunhai, he shouted angrily: “You are ashamed to say, this is the good way you said? You are doing the following, and you are rebellious.”

Bai Yunhai was very depressed and retorted: “I am not wrong, we have no more Home is home, and carrying her again will be a huge burden...”

Before he could finish speaking, he was interrupted by Bai He and said angrily, “Shut up for me, Your Excellency the Demon King, you are the right arm of Demon Venerable. , made great achievements for the Demon Race, but you want to take advantage of her poisoning and snatch the Demon Soul? Isn’t it diabolical?”

Chapter 4669

Bai He is so bright, how can he do such despicable things?

At this time, Bai He, the more he thought about it, the more angry he became. He pointed to the outside of the tent: “Get out of here now, and don’t mention this kind of thing again.”

“Yes, Uncle!”

Feeling Bai He’s anger, Bai Yunhai did not dare to go against it, In response, he exited the tent.

The moment he walked out of the tent, Bai Yunhai’s face instantly turned hideous, and deep resentment appeared in his eyes. Mad, this old stubborn, kindly thought about the future of the family, but was scolded and slapped.

Thinking to himself, Bai Yunhai returned to his tent angrily.

“Master Yunhai.”

A young man who had just entered the tent and was sitting in the waiting room quickly stood up and asked with a smile, “How is it? Has the patriarch agreed to our plan?” The young man was thin and fair-skinned. , the eyebrows are long and narrow, giving people a sinister and cunning feeling.

His name is Bai Qing, an elite disciple of the Bai family, and Bai Yunhai’s follower. This person looks thin, but has a full stomach. The suggestion that Bai Yunhai gave to Bai He just now is what Bai Qing came up with.

“Made, you still have the face to ask.”

Hearing the question, Bai Yunhai’s face sank, and he scolded his face: “What nonsense idea did you come up with, I was scolded by the patriarch before I finished speaking.”

As he said that, he picked up a jar of wine next to him, and gulped down a few mouthfuls.

After drinking, Bai Yunhai’s face became more and more gloomy, especially when he thought of the slap in the face just now, he was even more angry.

call!

Seeing this situation, Bai Qing did not dare to ask more.

The atmosphere was very dull and depressing.

“Master Yunhai.”

Finally, Bai Qing thought of something, and said cautiously: “You don’t have to be so annoyed, we are doing this for the sake of the Bai family, and the patriarch can’t understand it.”

“What’s the use of talking about this now?” Bai Yun Hai said angrily.

Bai Qing smiled slightly and said in a low voice: “Master Yunhai, I think that the patriarch’s opposition is a good thing for us.”

“A good thing?” Tell me, why is it a good thing?”

Bai Qing narrowed his eyes and looked treacherous: "The patriarch does not approve of this, it proves that he has no relationship with the demon soul, and there are some things I wanted to say to the young master for a long time.

"In my heart, young master, you and Bai Yunfei are almost the same in terms of ability and courage, and even the young master is slightly better, but Bai Yunfei is the son of the patriarch, and he will become the patriarch in the future. After death, Bai Yunfei is not here, and looking at the entire Bai family, besides you, young master, who is qualified to succeed the patriarch?"

Hearing these words, Bai Yunhai felt very relieved and slowly put down the wine jar.

However, at this time, Bai Qing's tone changed: "But what about the patriarch? He never mentioned the matter of letting you take the throne. I am very sorry for the young master. Today, the young master took the initiative to find out for our Bai family. The patriarch raised his opinion, but the patriarch not only did not appreciate it, but also scolded you." At the

end, Bai Qing's eyes showed a bit of gloom: "These signs, the patriarch did not take you as a relative at all, since he is unkind, we will not Righteousness."

"Doesn't he want to be foolish and loyal? Let's fulfill him. As for the demon soul, the young master will take it himself, and then take over the control of the Bai family. Isn't it the best of both worlds?"

This...

Hearing this, Bai Yunhai was shocked, and suddenly sobered up a lot: "You... what do you mean, want me to kill the patriarch? Then get the demon soul?"

Although Bai He is stubborn, he is himself. Uncle ah.

Seeing his hesitation, Bai Qing was a little anxious: "Master, the patriarch has been inputting internal strength for the Demon King along the way, and he is in a very weak state. This is a golden opportunity. If you miss it, you will regret it."

"Huh. "..."

These words made Bai Yunhai's unsteady heart suddenly firm up: "Okay, just do as you said." After speaking, he walked to the side to wash his face, and then strode. went out.

.....

This time, inside the Baihe camp.

Chapter 4670

Bai He sat there quietly, his face gloomy.

Thinking of what happened just now, Bai He was still angry. He never thought that Bai Yunhai, who has always been upright, would say those words just now.

To take away the demon soul of His Excellency the Demon King.

It's really outrageous.

A few seconds later, Bai He stopped thinking about it and started to meditate. Along the way, he kept helping Mo Yan to suppress the poison. His internal strength was almost exhausted, and he needed to recover quickly.

Whoa!

However, at this moment, there was a slight sound of footsteps outside, and then a figure entered the tent. In the darkness, there was a hint of coldness and complexity on his handsome and handsome face.

It is Baiyunhai.

Hearing the movement, Bai He suddenly opened his eyes and saw Bai Yunhai, his brows furrowed: "Yunhai? Why are you here again?" Thinking of Bai Yunhai's remarks, Bai He was still a little angry.

"Uncle!"

At this moment, Bai Yunhai knelt down directly, his face full of shame: "Uncle, I was wrong, I shouldn't have thought like that before, I'm too jerk. Uncle was right just now, Your Excellency the Demon King, yes Our Bai family's only support, he has made a lot of credit for the demons, but I have said a lot of treasonous words and begged my uncle to forgive me."

Phew!

Hearing this, and seeing Bai Yunhai's sincere look again, it didn't seem like he was telling a lie, Bai He took a deep breath and said lightly, "Knowing mistakes can be corrected.

"Okay, get up!"

Bai He felt very relieved when he said this.

He was originally very annoyed at Bai Yunhai's previous remarks, but seeing him repent so quickly, the depression in his heart dissipated a lot in an instant.

“Yes, Uncle!” Bai Yunhai responded and stood up slowly, his face seemed sincere and humble, but there was a hint of gloom in his eyes.

With a smile on his face, Bai He said, “It’s getting late, hurry up and rest!” After speaking, he sat there cross-legged, preparing to continue to recover his inner strength.

Bai Yunhai nodded, but did not intend to leave.

“Go to hell!”

Just as Bai He sat down, Bai Yunhai suddenly shouted, and at the same time a powerful breath burst out, slapped him fiercely, and hit Bai He’s heart directly.

This time I came to pretend to apologize, just to kill Baihe, and then get the demon soul, how could it be possible to leave?

Speaking of which, Bai Yunhai didn’t want to be so cruel. After all, Bai He was the uncle he respected, but for the future of the Bai family and for gaining powerful strength, Bai Yunhai couldn’t care so much anymore.

“You...”

Seeing Bai Yunhai’s sudden attack, Bai He was shocked and angry: “Yun Hai, are you crazy?”

At this time, Bai He never thought that this obedient nephew would commit a crime and suddenly attacked him. this moment.

While frightened, Bai He wanted to dodge, but the distance between the two sides was very close, and Bai Yunhai was too fast to dodge.

To be honest, if Bai He was in his peak state, Bai Yunhai would not be an opponent at all, but on the way to escape, Bai He spent a lot of internal energy in order to suppress the poison in Mo Yan’s body.

Bang!

In the blink of an eye, this palm slammed into Bai He’s heart, and a dull sound erupted. Hearing Bai He’s miserable howl, he staggered back a few steps, and finally collapsed on the ground, blood spurting wildly.

“You... You are a traitor, bullying your master and destroying your ancestors...” The pain came in bursts, Bai He glared at Bai Yunhai and roared weakly. He clearly felt that his heart was directly shattered. .

Before he finished speaking, Bai He swallowed his last breath, his eyes widened and he couldn't rest his eyes.

call!

Seeing that Bai He was dead, Bai Yunhai stood there, breathing deeply, trying to calm down.

I succeeded, I succeeded myself.

Bai He died, and he will be the new patriarch of the Bai family in the future.

Thinking to himself, Bai Yunhai looked down at Bai He's corpse, without the slightest heartache in his eyes, and muttered to himself, "Uncle, don't blame me, who told you to be so pedantic? Our Bai family has no way back to this day. Elected, nephew has nothing to do but sink the boat." The

last sentence fell, and Bai Yunhai snapped his fingers.
