Chapter 4671

Pop!

As soon as he snapped his fingers, a figure entered mysteriously, with a treacherous face.

It was Bai Qing.

Haha...

At the moment of coming in, Bai Qing was very excited when he saw the dead white crane on the ground, and congratulated Bai Yunhai: "Young master is mighty, I knew you would succeed."

"Stop talking nonsense." Bai Yunhai There was no expression on his face, and he said coldly: "Hurry up and clean up."

Bai Qing responded, and together with Bai Yunhai, lifted Bai He onto the straw mat, wiped the blood from the corner of his mouth, and then covered the blood on his clothes. , faked the appearance of sudden sudden death.

After doing this, under Bai Yunhai's signal, Bai Qing walked out of the tent quickly and summoned the elders.

After a while, several elders came quickly.

Hiss...

Entering the camp, seeing the scene in front of them, the heads of several elders were buzzing, and they stood there in a daze, completely stunned.

Several elders clearly saw that Bai He was sitting quietly on the straw mat, his eyes were closed, and he was not breathing.

Beside him, Bai Yunhai was full of grief.

"What's going on?"

"The patriarch... is dead?"

This chapter is provided by . Visit for daily update.

"Isn't it okay before? How could it be..."

After a few seconds, the elders reacted one after another, shocked and puzzled. .
call!

At this time, Bai Yunhai took a step forward, pretending to be very sad, and said slowly:
“Elders, the uncle is dead. Before, he suppressed the poison for His Excellency the
Demon King all the way, causing a catastrophe of internal power. Before setting up
camp, the uncle was again for His Excellency the Demon King. Suppressed the poison,
accidentally got it, and by the time I found out, it was too late...”

“This is all the sinister and despicable Nagumo royal family, uncle, uncle, he died
unjustly.” The

last sentence fell . , Bai Yunfei cried bitterly.

Bai Yunhai is very smart. Since he wants to fake the illusion of sudden death, he needs
a scapegoat, and the Nagumo Royal Family is the most suitable.

What?

Hearing this, several elders felt a pain in their hearts, and at the same time were
extremely sad and angry.

“The patriarch...”

“The abominable Nagumo royal family, who killed His Excellency the Demon King, and
now the patriarch.”

“This blood feud, sooner or later, must be settled with the Nagumo royal family.”

For a time, several patriarchs were filled with righteous indignation, and no one was
there. Doubt Bai Yunhai’s words.

Haha...

Seeing this, Bai Yunhai’s inner worries disappeared instantly, replaced by indescribable
excitement and excitement.

Bai He is dead, and he is the next patriarch.

Excited in his heart, Bai Yunfei pretended to be very heartbroken, and shouted at Bai
He’s corpse: “Uncle, don’t worry, one day, I will take the Bai family and enter the
Nanyun Imperial City for you. Revenge.”

Hearing this, several elders nodded.

“Yes, the patriarch cannot die in vain.”

“This blood feud must be counted...”

Seeing that the time was almost up, Bai Qing, who had been silent beside him, walked out quickly and knelt down in front of Bai Yunhai in public: “The family cannot be without a leader for a day, Young Master Yunhai has both political integrity and talent, and is the most suitable candidate for the new patriarch. Bai Qing has met the patriarch.”

Whoa!

Seeing this, the elders did not hesitate at all, knelt down one after another, and responded in unison.

“I’ve seen the patriarch!”

In the entire Bai family, only Bai Yunhai was the most qualified to take over the position of the patriarch.

call! !

Seeing this scene, Bai Yunhai’s heart blossomed with joy, but his face was still very sad, and he waved his hand: “Everyone, please come up quickly, speaking of which, I am not qualified to be a patriarch with mediocre qualifications, but everyone respects me so much. , I have no choice but to be respectful rather than obedient.”

Said, Bai Yunhai glanced at Bai He’s body: “The most important thing now is to deal with the uncle’s funeral in advance, and then try to find a way to get a boat as soon as possible to find overseas islands.”

“Yes. “

Hearing this, several elders responded in unison.

Early the next morning, the disciples sent to Coral Harbor successfully bought back several large ships. Baiyunhai was very happy, and immediately ordered everyone to board the boat and sail towards the depths of the sea.

At this moment, on the bow deck, Baiyunhai stood there, blowing the sea breeze, with a contented expression on his face.

At this moment, Bai Qing walked quickly, unable to hide the complexity, and when he arrived in front of Bai Yunhai, he whispered: “Patriarch, something is wrong, Your Majesty the Demon King is awake.”

Chapter 4672

What?

Hearing this, Bai Yunhai's heart was shocked, his happy mood disappeared instantly, and his face became solemn.

He killed Bai He last night, because he had to deal with the funeral, so Bai Yunhai had no time to take care of Mo Yan, and was not worried at the time, because Mo Yan was unconscious and there was no threat at all.

But she never expected that Mo Yan would wake up at this time.

Could it be that the poison in the Demon King's body has been resolved? You know, Bai He has been helping her suppress the poison all the way.

The more Bai Yunhai thought about it, the more panicked his heart became. If the poison in Moyan's body was really solved, it would be troublesome now. Knowing that Baihe was killed by himself, he would definitely not let it go.

"You..."

After a few seconds, Bai Yunhai ordered Bai Qing: "You stay outside, I'll go and take a look, remember, don't let others know about the awakening of Your Excellency the Demon King, and, without me No one can enter the Demon King's room."

"Yes, Patriarch." Bai Qing nodded in agreement.

Bai Yunhai ordered a few more words, and then quickly walked towards the cabin behind.

At this moment, in the cabin.

Mo Yan sat there, her hand covering her forehead, her delicate face still showed some weakness.

She clearly felt that the power of the demon soul in her body was not as disordered as before, and the poison that spread to the whole body was also suppressed near the demon soul at this time.

This...

Feeling this, Mo Yan was secretly surprised.

According to normal development, he should have died of poisoning by now, but he did not die.

Yes, it must be the Patriarch of the Bai clan who motivated his inner strength and helped him suppress the poison.

Muttering in her heart, she felt the surroundings sway gently, as if she was at sea, Mo Yan quickly looked around, and through the small window, she could see the endless sea outside.

Seeing this scene, Mo Yan was stunned again.

how at sea?

Squeak!

Just when Mo Yan was secretly puzzled, the door of the cabin was suddenly opened, and then, a handsome figure walked in slowly, with a faint expression on his face.

“Your Excellency the Demon King.”

At the moment when he came in, seeing Mo Yan really woke up, Bai Yunhai was stunned for a moment, and then he gave a pretentious salute: “I’m relieved to see that you’re all right.” As he

spoke, Bai Yunhai secretly said Looking at Mo Yan’s face, she saw that her face was pale and weak, and she suddenly breathed a sigh of relief.

In this state of the other party, it is obvious that the poison in the body has not been eliminated, and it was a false alarm just now.

“What’s going on?”

Mo Yan frowned, and couldn’t help but ask, “Why are we at sea?”

Bai Yunhai smiled slightly and explained, “I discussed with my uncle before, in order to avoid the royal family of Nanyun and God’s Domain. Pursue, decided to enter the depths of the sea, look for an island to settle down, and return to the mainland when the time is right.”

“At that time, Lord Demon King was in a coma, so he didn’t ask for instructions. I hope His Excellency the Demon King will not be

surprised .” The face was respectful, but a pair of eyes kept looking at Mo Yan.

beautiful.

This female demon king, whether it is her face or figure, is a top-notch quality.

When he first rescued Mo Yan, because Bai He was present, Bai Yunhai didn't have a chance to look at Mo Yan carefully. At this time, when he looked closely, his eyes were straight.

Although Bai Yunhai is not very sensual, but facing Mo Yan who is close at hand, it is difficult for him to calm down for a while.

I saw that Mo Yan at this time, wearing a black tights, showed the graceful curves to the fullest, and the beautiful face, because of the poison, showed a bit of weakness, giving people a different kind of appearance. Such beauty.

It turned out to be so.

Hearing the answer, Mo Yan nodded suddenly, and immediately felt Bai Yunhai's gaze, and felt a little unhappy in her heart.

This Bai family disciple really has no rules at all, and he stared at me so recklessly.

Thinking to herself, Mo Yan said lightly: "Where's Patriarch Baihe, please come to see me."

Since he wants to avoid trouble overseas, he still needs to carefully discuss many things. After all, he still has a child in his belly.

"Your Majesty the Demon King!"

Bai Yunhai stood there without moving, looking up and down at Mo Yan, and smiled slightly: "Patriarch Baihe can't come to see you."

Chapter 4673

"Why?" Mo Yan was stunned.

call!

Bai Yunhai took a deep breath, and said lightly, "Don't tell me, Your Excellency the Demon King, didn't you realize that the poison in your body was suppressed?"

"Since you were rescued from Nanyun Imperial City, the patriarch helped you suppress it along the way. Very poisonous, when I arrived at the beach, my internal strength was almost catastrophic, and in the end, I accidentally contracted the poisonous poison, which resulted in my death."

"It can be said that the patriarch died because of Your Excellency. In other words, our Bai family died. To the entire Demon Race, benevolent and righteous."

When he said this, Bai Yunhai looked sad, but there was a sinister smile in his eyes.

What?

Hearing this, Mo Yan's body trembled, and she was extremely shocked.

Baihe is dead? Moreover, he died to help me suppress the poison.

wrong!

However, Mo Yan was as careful as a hair, and after thinking about it carefully, she felt that it was wrong. When she saw Bai Yunhai's eyes, she was even more suspicious: "Are you lying to me?"

Bai Yunhai was stunned for a moment: "Why do you say that?"

Mo Yan Lightly relieved, he said word by word, "I am the blood soul pill unique to the Nanyun royal family. This kind of poison can only occur when I take it. Bai He is just urging my internal force to help me suppress the poison, it is impossible to get infected. "Go on."

"And when you spoke just now, your eyes kept wandering left and right, obviously it was not true, right." At the

end of the story, Mo Yan's eyes flashed with anger, and she said tenderly, "How did Patriarch Baihe die? Tell the truth."

Awesome.

This soft drink directly shocked Bai Yunhai, and he was very surprised.

She concealed it so well that she even noticed it.

In the next second, Bai Yunhai reacted, looked at Moyan with a smile and praised: "As expected of one of the twelve holy demon kings, his observation is so keen and powerful."

Immediately, a trace of arrogance appeared on Bai Yunhai's face: "That's right. Patriarch Baihe did die unfortunately, but these are not important anymore. Now the patriarch of the Bai family is me, as long as your Excellency is willing to cooperate, I guarantee that your Excellency will not suffer any harm.

"Not the slightest threat.

"You..."

Seeing him finally revealing his true face, Mo Yan frowned, and said coldly, "Do you want the deity to cooperate? How to cooperate." This person smiled and hid the knife, and there would definitely be no good thing.

"Your Majesty, don't be nervous!" Bai Yunhai showed a smile and said slowly: "It's actually very simple. As long as Your Majesty the Demon Lord passes the demon soul to me, I will do my best to help you find a way to detoxify.

", it is useless to have the demon soul, it is better to pass it on to me, and when my strength greatly increases and the power of the Bai family grows, I will be able to kill the mainland and step down the Nanyun royal family to avenge your shame."

At this time, Bai Yunhai, The more I talked, the more excited I became, and I couldn't hide my inner ambition.

Huh....

Mo Yan's pretty face changed, and she was full of anger: "Audacious, you are not small, you dare to covet the demon soul of this deity?" I guessed that this person had bad intentions just now, but I didn't expect that he was so ambitious that he actually I want my own demon soul.

Without the demon soul, I am a waste, how can I give it to him easily?

At the same time, Mo Yan thought of something, and stared at Bai Yunhai: "If I guessed correctly, Patriarch Bai He died at your hands, right?"

Although they had just met each other for a while, Mo Yan could see that Bai He was an upright person, and he was even more loyal to the demons. He would never do such a thing, but the Bai Yunhai in front of him was hiding a knife in his smile, despicable and shameless. personality, Bai He will surely die in his hands.

"Hey!"

Seeing Moyan's guess, Bai Yunhai didn't panic at all, but laughed loudly: "Yes, I killed Baihe, he is old and too pedantic, he knows that he can't completely help you drive away. Poison, you still have to consume internal energy. I persuaded him to take away your demon soul, but he scolded me again, saying that I was disobedient, shouldn't this stubborn old thing deserve to die?"

"Now the entire Bai family, Up to now, it is already difficult, and with you as a burden, it will only make it more troublesome. Only when you get the demon soul, can you have a chance to reverse."

"So I killed him and became the patriarch. The next step is to get Your demon soul, strengthen yourself, and then lead the Bai family to grow and develop."

Chapter 4674

When it comes to the end, Bai Yunhai's face is full of madness.

Crazy...what a madman.

Hearing this, Mo Yan was very angry, her delicate body kept trembling, and she cursed: "You killed the Baihe Clan Chief, and you are so plausible, how did my Demon Clan make you such a scum?"

"The Bai Clan Chief is right, you Not only is he rebellious, he's also a lunatic."

It's heartbreaking that a good person like Bai He was killed by his nephew.

Hehe...

In the face of Moyan's anger, Bai Yunhai chuckled lightly and said lightly, "Whatever you say, I do this for the future of the Bai family and the future of the entire Demon Race."

"Besides, Our Bai family has contributed a lot to the entire Demon Race. Before, Bai Yunfei risked his life to break into the ghost world and rescued His Excellency Demon Zun. Now you have contributed the Demon Soul, which can be regarded as a compensation for our Bai family..."

Before she could finish her sentence, Mo Yan couldn't help but spit, and said contemptuously, "Shameless villain, are you also worthy of being compared with Bai Yunfei? Shame. Let me tell you, you can't get a demon soul." The

last word fell, and Mo Yan stood up suddenly, her charming eyes full of killing intent.

Patriarch Baihe took such a big risk to rescue himself from the Nanyun Imperial City, and he must not let him die in vain.

Bai Yunhai didn't panic at all, he sat there leisurely, and said with a smile: "Your Excellency Demon King, why are you doing this? Bai He is already dead, as long as you give me the demon soul, I will do my best to help you detoxify. Think carefully, You are so weak now, and you are pregnant with a child, what is the benefit of tearing your face with me?"

"Stop talking nonsense! Lead to death!"

At this moment, Mo Yan didn't talk nonsense, she let out a coquettish drink, her delicate body flew up, and slapped Bai Yunhai's heart with a palm.

hum! !

At this time, Mo Yan was very weak, but this palm was all her strength, and wherever she passed, the air in the cabin was distorted, which was amazing.

In the blink of an eye, Mo Yan was in front of Bai Yunhai, her delicate and beautiful face full of anger.

“Shameless villain, you murdered the patriarch and even tried to snatch the demon soul of the deity. The sin is unforgivable. Today, I want to get rid of you scum and avenge the Baihe patriarch .

“

With a palm, Bai Yunhai’s face was full of disdain, while speaking, the strength of his whole body burst out, and then, he avoided Mo Yan’s palm with lightning speed.

In the next second, Bai Yunhai turned around, went around behind Mo Yan, and hit her junior with a palm. He heard Mo Yan grunt and collapsed directly on the boat.

clap clap!

In the next second, Bai Yunfei sneered, rushed over to Mo Yan’s body quickly, and directly sealed her acupuncture point.

In an instant, Mo Yan’s delicate body trembled, unable to move at all.

Speaking of which, if Mo Yan was at her peak, Bai Yunhai would not dare to be so arrogant, but now she is suffering from severe poison and is very weak, so she is naturally not an opponent.

At this moment, Mo Yan was both ashamed and angry in her heart.

It is a shame and shame for his own dignified demon king to be defeated by a hateful junior.

“Baiyunhai!”

At this moment, Mo Yan bit her lip and scolded coldly: “You have committed the following crimes, and you are still trying to snatch the demon soul, so let me go quickly, or I will never spare you easily.”

Hehe!

Hearing the scolding, Bai Yunhai didn’t get angry at all, but said with a smile: “Come on, scold whatever you want, it won’t change anything, and even if you scream, no one will come to help you.” , Baiyunhai began to deploy the ritual of seizing the demon soul around.

Seeing this situation, Mo Yan was very desperate.

After a while, everything was ready, Bai Yunhai looked smug, looking at Moyan up and down, as long as she merged her demon soul, her strength would increase by leaps and bounds, when that time comes, let alone the Nanyun royal family, even if you encounter those The gods and soldiers are also not afraid.

Bai Yunhai's proud eyes made Mo Yan very angry.

"Bai Yunhai!"

Mo Yan bit her lip and shouted coldly: "You'd better let me go, otherwise, you will be punished."

Hearing Jiao shouting, Bai Yunhai was not angry at all, but became more and more complacent. .

Chapter 4675

"Let you go?"

At this time, Bai Yunhai raised his mouth slightly and sneered: "In order to get your demon soul, I even killed my uncle, anyway, I have already been charged with infidelity, you Do you think I will let you go? Besides, with your demon soul, I will be able to greatly increase my strength. At that time in the entire Kyushu, no one can do anything to me."

"Your Excellency the Demon King, accept your fate." The

last word fell, Bai Yun Hai slowly walked over and put his hand on top of Mo Yan's head.

hum!

In an instant, Mo Yan's delicate body trembled, and she clearly felt that the power of the demon soul in her body was leaking wildly, and was slowly absorbed by Bai Yunhai.

"Let go of me, bastard, let me go..."

At this moment, Mo Yan was frightened and panicked.

Without the Demon Soul, he would no longer be the Holy Demon King, not only would he lose his powerful strength, but he could not even keep the child in his stomach.

However, Bai Yunhai didn't seem to hear it, and continued to absorb it frantically.

Huhuhu....

With the continuous leakage of the power of the demon soul, I saw a red light permeating Moyan's body, and then, a blood-colored light ball slowly emerged, which contained infinite power.

It was Mo Yan's demon soul.

"You..."

Seeing that the demon soul has been forced out, Mo Yan's delicate and beautiful face is full of grief and anger, but also despair: "You shameless villain will not end well."

Bang!

Seeing that Bai Yunhai was about to successfully seize the demon soul, suddenly, the cabin door was slammed open, and then Bai Qing rushed in anxiously, shouting: "Patriarch, it's not good, it's not good..." Are you courting

death?"

Bai Yunhai was about to faint with anger when he was interrupted. He cursed, "How did I tell you before? No one is allowed to come in without my order?"

He kicked him hard: "Get out, get out of here immediately."

Mad, it's just the last step, and it's time to start again.

Pfft!

Bai Qing was kicked and staggered, and sat on the ground with his buttocks on the ground, his face was panic and anxiety: "Patriarch, our ship has been stopped. There are many people on the other side, and it seems that the people who come here are not good.

"The elder negotiated with the other party just now, but they were not at ease at all, saying that we trespassed on their chassis."

When he said this, Bai Qing was sobbing, almost crying.

Is there such a thing?

Hearing this, Bai Yunhai frowned suddenly, his face extremely ugly. It is said that in the depths of the sea, there are many powerful pirates. These pirates loot everywhere and do all kinds of evil.

Could it be that the people I met were pirates?

Thinking to himself, Bai Yunhai coldly instructed: "Let me look at her, if there is anything wrong, you are the only one who asks." After speaking, Bai Yunhai strode out of the cabin.

Made! !

Destroy your own fusion demon soul, no matter what pirates, you must annihilate them all.

At this time, Bai Yunhai was very suffocating, and almost merged with the demon soul, but it was interrupted. No one else could calm down about this matter.

call!

On the deck outside, seeing the scene in front of him, Bai Yunhai was stunned for a moment, and he saw a dozen large ships lined up in the sea not far ahead, directly surrounding the wooden boats of the Bai family. There are dozens of men, these men, wearing blue gowns in swimsuits, holding long knives one by one.

On the bow of the big ship headed, stood four big men, tall and burly, but it gave people the feeling of being a little silly.

At this time, the four big men were shouting non-stop.

"Hurry up and call your bosses out."

"Don't you know that this is the scope of Icefire Island? Dare to break in?"

"Look at their appearance, they are sneaky, like coming to our Icefire Island to steal 'cold marrow fish' Yes ."

"It's possible..." The

four of you said one sentence to another, arrogant but confusing.

Yes, these four people are the four Sikong brothers who used to have several relationships with Yue Feng, the master Sikongyu, and the younger sister Sikong Yanran.

A few years ago, the situation in Kyushu was chaotic. At that time, Sikong Yanran was looking for Yue Feng. She wanted to invite Yue Feng to go back to the Ice and Fire Island with her to avoid disputes between the rivers and lakes. However, for various reasons, she finally gave up. Ice and Fire Island.

The ultimate husband in Chinese chapter 4676-4680

Chapter 4676

After returning to Ice and Fire Island, Sikong Yanran concentrated on practicing, and the island's affairs were temporarily left to the four brothers to take care of.

Although the four brothers are a little dazed, but Icefire Island is far away from the mainland, and there is nothing to do.

Because of the special geographical environment of Icefire Island, there is a special kind of fish growing in the nearby sea area, called the cold marrow fish. This kind of cold marrow fish is slender and slender, like a sea snake. Containing the unique spiritual energy in the sea, it is a great supplement for practitioners.

So the four brothers saw the wooden boat of the Bai family and broke into the boundary of Icefire Island, thinking that they were here to secretly catch the cold marrow fish. You must know that in the past few years, pirates have often invaded here to catch the cold marrow fish.

What cold marrow fish?

At this time, seeing the four brothers shouting non-stop, Bai Yunhai frowned and stepped forward, shouting: "Several, we are just passing by, please get out of the way immediately and let us pass."

Passing by?

Hearing this, the four brothers looked at each other and frowned.

In the next second, Sikongjia reacted and asked loudly, "You are in charge?"

Bai Yunhai nodded.

Sikongjia continued to ask, "Who are you? Where are you going?"

"We just escaped." Bai Yunhai resisted and responded, "As for where to go, there is no comment."

That's it.

Hearing the answer, Sikongjia nodded subconsciously, and said to the three brothers next to him, "Looking at his appearance, it doesn't look like he's telling a lie." The

voice fell, and Sikongbing answered, "I think so, too. You see how thin he looks, in front of our brothers, do you dare to panic?"

This chapter is provided by . Visit for daily update.

“No, no...”

At this moment, Sikong Yi shook his head: “What if he came to steal the cold marrow fish and deliberately lied to us? Junior sister once said that if you know people, you know your face, but you don’t know your heart. He looks harmless to humans and animals, so he knows what he’s thinking, so maybe he’s a big liar?” The

four brothers’ voices were so loud that Bai Yunhai could hear them clearly, and he was suddenly very angry.

Mad, these four guys actually said they were liars?

However, Bai Yunhai still endured it because it was better to do more than one less thing.

“Hey!”

At this time, after the four brothers discussed, Sikongjia shouted at Baiyunhai: “There is no evidence, let’s check the cabin to see if there are any fishing tools, and make sure that you are not here to secretly catch Hansui. If you’re a fish, I’ll let you pass.”

Whoosh!

When the voice fell, Sikongjia jumped and came straight towards the bow of Baiyunhai.

Three Sikong B followed closely behind.

Nima, these four people are mentally ill.

Seeing this scene, Bai Yunhai was furious. He said that he was passing by, and he had to come over to check. Moreover, only four people came over, not afraid of an ambush on his side?

Frightened, Bai Yunhai shouted angrily, “Don’t lie too much. We don’t have fishing tools on board, so it’s inconvenient to inspect.”

hum!

The voice fell, Baiyunhai’s internal force exploded, he suddenly raised his hand, and hit Sikongjia who was the first to charge.

Seeing Bai Yunhai’s palm coming, Sikong Jia raised his hand to meet him without fear at all.

Bang!

At the moment when the two palms collided, a loud noise was heard, and the powerful internal force fluctuations swept away.

In the next second, Sikongjia and Baiyunhai landed on the deck one after another, taking a few steps back almost at the same time.

Obviously, no one took advantage of this palm.

What?

However, Bai Yunhai's heart was incomparably shocked. His eyes were fixed on Sikongjia, and he was speechless for a while. You must know that Bai Yunhai was already in the realm of tribulation at this time. Moreover, their Bai family were all The descendants of the demon race, the cultivation techniques are different from ordinary people, even if they encounter opponents of the same level, they can easily win.

However, this palm just now was a tie with the opponent!

“Oh?”

Si Kongjia was also surprised, but soon became excited: “I can't tell, this little white face is still a master. I haven't fought in a long time. Come, come, let's have a good fight.”
The

voice fell, Sikongjia's internal force was running, and he rushed over again.

Chapter 4677

At the same time, the three Sikong Yi rushed up one after another, shouting and shouting.

“It turned out to be a master?”

“I'll fight him.”

“You can't do it, I'll do it.”

In the shouting, the four brothers were as fast as lightning, directly surrounding Baiyunhai.

“Come together?”

Seeing the four brothers gathered around, Bai Yunhai's face was full of arrogance, and he smiled disdainfully: “Okay, since you are courting death, then I will fulfill you.”

Om!

The voice fell, and a powerful breath burst out from Bai Yunhai, and the surrounding air froze in an instant.

The breath of the tribulation realm makes people panic.

However, the four brothers were not nervous at all. Instead, their eyes showed high fighting intent, and at the same time they became even more excited.

“Crossing the Tribulation Realm?”

Sikongjia’s eyes flashed with brilliance, as if a beast met its prey, he laughed loudly: “I can’t see it, you are young, but your strength is not low.”

“Today, we will have a good fight . Do n’t give up, regardless of the outcome.”

After speaking, Si Kongjia was about to start.

However, at this moment, Sikong Bing shouted: “Boss, why do people want to fight you? With your skills, you are not as good as me. Let me fight him.”

“No, no!” The

voice fell . , Sikong Ding shook his head again and again: “It’s still the most suitable for me to fight with him. Recently, I have a new understanding, and I just use him to practice my hands...”

The four brothers are more excited than each other. In their eyes, it seems that Bai Yunhai is not a strong opponent, but an interesting plaything.

Nima!

At this moment, Bai Yunhai was almost so angry that he was so angry, what did these four bastards think of themselves? A tool for practice?

How could the patriarch of the dignified Bai family be so humiliated?

The more Bai Yunhai thought about it, the more angry he shouted: “Shut up for me, you all, let’s go together. If I don’t kill you today, I won’t be called Bai Yunhai.” Swoosh

!

The voice fell, Bai Yunhai’s figure flashed, and he rushed directly to the nearest Sikongjia.

Seeing Bai Yunhai rushing towards him, Sikong Jia didn't panic at all, but was extremely excited: "The boy's tone is not small. Today, I will show you the power of Ice and Fire Island."

At the same time, Sikong Yi also rushed over quickly and shouted: "Boss, get out of the way, this kid belongs to me."

Sikong Bing and Sikong Ding also burst into internal energy and joined the battle.

In an instant, the four brothers were over the sea, fighting fiercely with Baiyunhai.

However, the four brothers did not cooperate with each other, but fought each other, all trying to defeat Bai Yunhai with their own strength, and the situation was very chaotic for a while.

Made!

In the face of this situation, Bai Yunhai is very big head.

Speaking of which, the four brothers are fighting each other, and Bai Yunhai has a good chance of defeating them, but each of the four brothers is very powerful. Even if they fight each other, Bai Yunhai can't find any opportunity to take advantage.

On the contrary, facing four powerful enemies at the same time, Bai Yunhai gradually felt powerless.

call!

Seeing this, the surrounding elders of the Bai family couldn't help it, and they all shouted and drank.

"You Icefire Island want to bully the younger?"

"Do you really think we have no one?"

"Patriarch, let's help you!"

Under the shout, several elders broke out at the same time, planning to help Baiyunhai deal with the four brothers.

Whoa!

However, how could the disciples of Ice and Fire Island on the opposite side give them a chance? At that time, dozens of disciples broke out one after another, directly intercepting several elders.

“You trespassed into our Icefire Island boundary, how dare you be so presumptuous?”

“Take them down...”

These Icefire Island disciples were not weak, and in the blink of an eye, they surrounded several elders.

Made!

Seeing that several elders were dragged and unable to come to support, Bai Yunhai was furious and a little anxious in his heart.

It was at this time that Sikongjia slapped his palm. At that time, Bai Yunhai was a little dazed, and he didn't have time to dodge.

Bang!

This palm contained Sikongjia's eighth-level skill, and after hearing a dull sound, Bai Yunhai groaned and fell directly, hitting the deck ruthlessly.

The moment he landed on the deck, Bai Yunhai's body surged with blood, and he opened his mouth to spew out a mouthful of blood.

Chapter 4678

Nima!

At this moment, Bai Yunhai stared at the four Sikongjia brothers, both angry and shocked.

I really did not expect that such a powerful existence exists in the depths of this sea. The strength of these four brothers is too strong.

“Patriarch!”

“How are you, Patriarch?”

Seeing this scene, several elders and the surrounding Bai family disciples couldn't help exclaiming. At the same time, he was about to rush over, but he was surrounded by people from Ice and Fire Island, so he couldn't rush over at all.

Hahaha....

Si Kongjia was suspended in mid-air with a smug expression on his face. He laughed at the three brothers and said, “Look, I'm still the boss, and I'm the strongest. With just one palm, this kid won't be able to do it.”

Said As he continued, he did not forget to say to Bai Yunhai, "You are not weak, but you are still far from me." As soon as he finished speaking

, Sikong Yi said disdainfully, "Boss, you were just taking advantage of the danger of others. Didn't you see that it was me who was directly opposite him, what kind of hero are you attacking from behind?"

"That's right!" Sikong Bing nodded in agreement: "They were just negligent. Besides, I didn't attract his attention just now, Can you succeed in a surprise attack?"

Sikong Ding also followed: "Yes, boss, the palm of your hand just now is not a master."

Phew...

Hearing the words of the three brothers, Sikong Jia was so angry that he blew his beard and stared: "You guys Don't make a fuss, it's a fact that this kid lost to me anyway."

"No, it doesn't count."

Sikong Yi shook his head repeatedly: "How can you win by sneak attack? If I slapped you from behind just now, How should it be calculated?"

"Second, you want to hit me?"

"I'm just making a metaphor."

"Whether you use a metaphor or not, he loses to me anyway." The

brothers argued with each other, blushing and arguing. .

Phew ...

Seeing this situation, whether it's the elders or the disciples of the Bai family, they all look complicated.

These four brothers, there is something wrong with their brains.

We have already injured our patriarch, and we still have to argue about what is right and what is wrong.

Bai Yunhai didn't know whether to laugh or cry. He just felt that the four brothers were even more bizarre than the other, and at the same time, he was also a little fortunate.

Take your time to argue, Lao Tzu just took the opportunity to recover his inner strength.

Thinking to himself, Bai Yunhai hurriedly sat there cross-legged and began to heal and regain his strength.

At this time, Sikong Jia was still arguing with Sikong Yi.

“Second, you have to fight me, don’t you?” “

You won the sneak attack, so you can’t tell anyone?”

“Oh? Why don’t we fight.

“

, the two are about to start.

Haha....

Seeing this, Bai Yunhai showed a smile, indescribably excited.

These four brothers really have a problem with their brains, and they are going to fight for such a reason.

Let’s fight. The harder you fight, the better. When I recover my strength, I will take care of you.

Seeing that the two of them were about to fight, Sikong Bing couldn’t stand it anymore, so he quickly stepped forward to dissuade him: “Boss, second, what are you doing? Why are you still fighting?”

Sikongjia stared at him and said, “Old man Second, if you don’t respect the big brother, shouldn’t you fight?”

Sikong Yi was not to be outdone: “You’re the boss, so should you sneak up on it?”

“Alright, alright!”

Sikong Bing waved his hand and glanced at Bai Yunhai: “Isn’t it because the boss attacked this kid with a sneak attack, and he won’t be able to win. Let’s heal him and hit him again.”

Hmm!

Hearing this, Sikong Jia and Sikong B looked at each other and nodded in agreement.

“This method is good, just do it like this.”

“It’s still the third child’s brain.”

However, the faces of the surrounding Icefire Island disciples changed greatly, and they took the initiative to heal the enemy. This is... crazy.

call!

And those Bai family disciples and several elders were also cold there, each with a complicated expression.

What are these four guys saying?

Did he hear it wrong, they injured the patriarch first, and now they want to help him heal?

Bai Yunhai, who was sitting cross-legged, was even more shocked and excited.

Haha...

These four brothers can’t help but have a sick mind, and they are so stupid that they want to help me heal?

I have lived for so many years, this is the first time I have seen such a fool.

Chapter 4679

“Wait a minute!”

Just when Bai Yunhai was secretly laughing, suddenly, Sikong Jia thought of something and shouted: “This doesn’t seem right!”

“What’s wrong?” Sikong Yi couldn’t help but ask .

At the same time, Sikong Bing and Sikong Ding also looked at their elder brother.

Sikongjia scratched his head: “If I help him heal, his internal strength will be exhausted, so how can we play fair with you later?” That’s

right!

Hearing this, the three Sikong Yi nodded one after another, and then began to think hard one by one. At this time, Bai Yunhai

couldn’t help but said: “Actually, it’s very simple, the four of you heal me at the same time, wouldn’t it be fair?” Each of these four brothers is powerful, but their IQ is even more stupid than the other. Bai Yunhai thought about it and tricked them to heal himself

at the same time, so that the speed of his internal strength recovery would be much faster. As long as he fully recovered, he would take the opportunity to counterattack and kill all four of them. call! When the voice fell, the eyes of the four brothers lit up. Then Sikong Jia nodded in approval and said, "It's your little white face that's smart. Why didn't I think of it?" The voice fell, and Sikong Yi also smiled, and then praised: "This method is good, the four of us will heal his wounds at the same time. The internal strength is the same, so no one suffers." Sikong Bing and Sikong Ding also nodded in agreement. At this time, the four brothers did not know that they were used by Bai Yunhai.

"No!" At this moment, among the disciples of Icefire Island, I don't know who shouted, and the tone

was full of anxiety: "That little white face is our enemy of Icefire Island, how can we help him heal? Think twice."

Falling down, there was an echoing sound around.

"Yeah, don't be impatient, the four!"

"Kill this little white face directly."

"Yes, kill him."

Everyone's persuasion came from you and me, but the four brothers were unmoved.

In the end, Sikong Jia was even more annoyed, looked around, and shouted: "Shut up, we don't do this, how can we prove that we are the strongest?" The

voice fell, and Sikong Yi was also displeased: "Yes. , you don't care about the affairs of our four brothers."

Uh...

Seeing them say this, the disciples around Icefire Island all shut up and looked helpless.

Speaking of which, the behavior of the four brothers was extremely absurd, but there was no other way. They were the closed disciples of the head Sect Master Sikongyu, and they had a detached position in Icefire Island. Even if they did something wrong, other disciples would not dare to forcibly accuse them.

"Come on..."

Seeing that no one objected, Sikongjia walked over impatiently, sat cross-legged in front of Bai Yunhai, and put his hand on his dantian: "Hurry up and heal this kid, let's fight again. field."

Hmm!

The three Sikong Yi nodded one after another, sat around, and put their hands on Bai Yunhai, and began to heal him.

woohoo....

The four brothers injected their inner strength at the same time, and in an instant, they saw a white mist rise from Bai Yunhai's body, the wounds in the body healed quickly, and the inner strength also recovered quickly.

These four fools.

Bai Yunhai was calm on the surface, but his heart was filled with joy.

"You all go to hell!"

Seeing that his internal strength was about to recover completely, Bai Yunhai suddenly roared, his hands suddenly raised, and he hit Sikong A and Sikong B respectively.

With these two palms, Bai Yunhai broke out with all his strength. If nothing else happened, Sikong A and Sikong B would be disabled even if they didn't die. As long as the two of them were dealt with, the remaining Sikong B would be nothing to worry about.

In Bai Yunhai's heart, the four brothers are fighting each other for a short period of time, and there is no tacit understanding between each other.

However, Bai Yunhai was wrong.

The four brothers really like to fight back and forth, but once they reach the point of life and death, they will show amazing cohesion.

"Aiya, sneak attack?"

"The kid is very despicable."

Seeing Bai Yunhai's sudden attack, Sikong Jia and Sikong Yi were both startled, jumped up almost at the same time, and dodged backwards.

At the same time, Sikong Bing and Sikong Ding behind them also avoided.

Chapter 4680 The

four brothers reacted very quickly, and these two palms suddenly hit the air.

However, these two palms did not hit Sikong A and Sikong B, but slapped them on the cabin door.

Boom!

In an instant, with two roars, the wooden door shattered instantly, and the cabin collapsed, revealing the scene inside.

Oops!

Seeing this, Bai Yunhai was shocked. Bai Qing was guarding Moyan Demon King inside. This scene cannot be seen.

Thinking about it, Bai Yunhai subconsciously tried to remedy it, but it was already too late.

Um?

At this moment, seeing the collapsed cabin, the four brothers looked at each other in dismay, all stunned.

At the same time, the surrounding Bai disciples and several elders were also shocked, but they couldn't calm down for a long time.

He saw that, among the shattered sawdust, Mo Yan stood there with a face full of shame and anger, and did not move. It was obvious that the acupoint was tapped.

Beside her, Bai Qing looked terrified.

Just now, he had been ordered by Bai Yunhai to guard Mo Yan in the cabin, but he never expected that the cabin would suddenly be smashed to pieces.

Swish! !

At this time, several elders reacted one after another, and their eyes suddenly converged on Mo Yan, frowning secretly.

As you can see, the position of Moyan's body has obviously been deployed before, ready to take away the demon soul in her body. As for who is so daring, there is no need to guess.

"Yunhai!"

At this time, the first elder, Bai Fu, came out first and looked at Bai Yunhai with a burning gaze: "What the hell is going on here? What did you do to Your Excellency Moyan?"

Speaking of which, Bai Yunhai is the son of Bai Fu. Yesterday, Bai Yunhai took over as the patriarch. Bai Fu was very happy, but he was an upright man, and he couldn't hold the slightest bit of sand in his eyes. When he saw the situation in front of him, he couldn't help but ask questions. .

Swish!

At the same time, the eyes of other elders also converged on Bai Yunhai.

Hearing the question, Bai Yunhai was sweating profusely in an instant, and he lowered his head and dared not look at Bai Fu: "Father, I...I don't know what's going on?" As he said, his mind turned quickly.

Seeing this, Mo Yan secretly breathed a sigh of relief.

My luck is not bad, otherwise, no one would know that Bai Yunhai was killed.

Seeing Bai Yunhai faltering, Bai Fu became more and more suspicious. He was about to ask again, but was interrupted.

"Aiya!"

At this moment, Sikong Jia strode out, pointed at Bai Yunhai and shouted, "You little white face, you look serious, but your bones are so bad, you even snatched a woman and hid it in your room. When the

voice fell, Sikong Yi shook his head and said disapprovingly: "Boss, you didn't hear the old man calling her "Your Excellency" just now. You must have known him. I guess this woman is the wife of this little white face.

" The two quarreled, and the little white face gave her acupuncture points, and then the old man didn't want to."

At the same time, Sikong Bing and Sikong Ding also joined in and began to reason.

"I think what the second child is saying makes sense."

"What makes sense? You look at the woman's eyes at Xiaobai's face, full of hatred, how can it be like a young couple? Stop talking nonsense.

" Unobstructed, this made Mo Yan feel ashamed and angry.

Where are the four stupid and foolish idiots?

How could one of the twelve holy demon kings of the dignified demon be the wife of a despicable villain like Bai Yunhai? The next second, Mo Yan

couldn't help but shouted at the four brothers: "You all shut up, you can't spit out ivory from your mouth, and if you talk nonsense, this deity will pull out your tongues."

The acupuncture point was lit, but the aura was still very strong.

Gudong!

Feeling Mo Yan's aura and anger, the four brothers quickly shut their mouths and secretly swallowed their saliva one by one.

Such a vicious woman.

This temper is even bigger than the younger sister.

"Several elders!"

Seeing the four brothers shut their mouths, Mo Yan took a deep breath and said to Bai Fu's crowd: "Your new patriarch Bai Yunhai is an out-and-out despicable villain. He first killed him cruelly. Patriarch Baihe, took the opportunity to take the position of the patriarch, and then tried to seize the demon soul of the deity..."

In just ten seconds, Mo Yan told the situation.

Whoa!

Hearing this, whether it was the elders of Bai Fu or the disciples of the Bai family present, their expressions changed greatly, and there was an uproar.
