

The ultimate husband in Chinese chapter 4701-4710

Chapter 4701

Wow!

In an instant, the entire Yutian Palace was in an uproar. Whether it was Empress Hua Zhao or the priests, they were all stunned.

You heard it right.

The demon clan not only withdrew from the floating island, but also formed an alliance with Prince Aolin?

Especially the priests, looking at Prince Aolin's eyes at this time, one by one showed a strange light, with the powerful ally of the demon clan, it will be more advantageous to compete for the throne of the emperor in the future.

Empress Hua Zhao couldn't calm down for a long time.

How could this be?

I thought that even if Aolin succeeded in the negotiation, he would have to pay a huge price, and he would inevitably be humiliated by the White Tiger King, but he never expected that he not only succeeded, but also formed an alliance with the demon clan.

Prince Aotian's face was even gloomier, and his heart was even more annoyed.

Mad, what he didn't do, was solved in Aolin's hands, where will he put his face in the future?

"Ao Lin!"

Finally, Empress Hua Zhao reacted, looked at Prince Aolin, and asked in disbelief, "You did a good job of this matter, but this palace would like to know how you talked to the White Tiger King at that time. What?"

Although Aolin has a humble personality and treats people gently, it is not easy to make the White Tiger King compromise, and there must be something else in it.

Prince Aolin smiled slightly and explained calmly: "Hui Niangniang, I met the White Tiger King at that time, Xiaozhi moved it with reason and emotion, and described the benefits and the benefits. The White Tiger King agreed with my point of view very much, so I agreed to withdraw."

"As for the alliance, it's because I hit it off with the White Tiger King..."

When it came to the end, Prince Aolin glanced at Yue Feng subconsciously. He knew in his heart that the reason why the White Tiger King had withdrawn from the floating island and was allied with himself at the same time was because of this master.

To be honest, Ao Lin was also a little curious, what exactly did the master write in the letter to make the White Tiger King be so polite to him, but Ao Lin also knew that this matter must not be said in public.

So simple?

After hearing the answer, Empress Hua Zhao looked a little embarrassed, but she still squeezed out a smile and praised: "Okay, very good, you have done a good job in this matter."

At this time, the priests also went up to congratulate.

"Prince Aolin is really young and promising."

"Yes, he is indeed the favorite prince of the late emperor, and he does things neatly."

"It is a great blessing to have a prince like Aolin in Yutian Palace..."

Compliments It kept coming, and Prince Aotian on the side was so angry that his face was blue, he snorted coldly on the spot, and left with a flick of his sleeves.

Madam Hua Zhao couldn't hold back her face, she slowly stood up and dismissed the court session.

Ten minutes later, Yuxi Xianyuan!

As soon as he arrived at the side hall, Prince Aolin couldn't hold back his curiosity, and asked Yue Fengxing hastily: "Master, you are really amazing, just a letter, let the White Tiger King obediently withdraw from the floating island, and even He also formed an alliance with me."

"But then again, didn't Master say he didn't know the White Tiger King? Why did he read your letter and his attitude was so different?"

Uh...

A series of questions caught Yue Feng by surprise, he scratched his head and said with a smile: "This... I am indeed not familiar with the White Tiger King, but don't you have a master named Yue Feng? I said in the letter, you are a disciple of Yue Feng. When

Yue Feng brought the demon clan out of the seal zone, he had great merit and was respected by the entire demon clan.”

“So I thought at the time that when Yue Feng was mentioned in the letter, the entire demon clan would definitely It will give you face, it seems that I guessed it right, hehe...”

When he said this, Yue Feng scratched his head and concealed his inner embarrassment.

Apprentice, apprentice, it's not that the master doesn't want to show his true colors, it's really not the time.

That's it...

Hearing this explanation, Prince Aolin was stunned and didn't ask any more questions.

It was getting late at this time, the two sides chatted for a while, Yue Feng went back to his room, and specially asked the maid to prepare a wooden barrel, ready to take a good bubble bath.

These days, I have been wearing a thousand-changing mask and pretending to be an old man. I am tired physically and mentally. I will take a good bubble bath today and relax.

After a while, hot water and wooden barrels are ready.

call!

The moment he jumped in, Yue Feng closed his eyes comfortably, let out a long sigh of relief, and felt indescribably comfortable.

At this time, Yue Feng was completely relaxed, and he didn't notice that there was a slender and beautiful figure outside the door, slowly approaching.

Chapter 4702

is Princess Xi Ya.

During the day, Aolin successfully negotiated with the Yaozu. Princess Xi Ya was very happy, so she came to Yuxi Xianyuan to congratulate her, and then begged Prince Aolin to play with her, but Prince Aolin was busy studying the formation method, so how could he be in the mood to play? , played with her casually for a while, and urged Princess Xia to go back to rest.

Princess Xi Ya was playful and reluctantly left. After passing the room where Yue Feng was resting, she saw the lights were still on, so she came to take a look.

Speaking of which, Princess Xiya was originally disgusted with Yue Feng, and felt that the white-bearded old man had no meaning at all, but when she thought of Empress Hua Zhao's order to monitor her secretly, thinking of this, she couldn't help but come over to find out.

What is this white-bearded old man doing so late and still awake?

At this moment, Princess Xia was muttering in her heart, lying in front of the windowsill, and glanced in through the gap.

Swish!

Seeing this, Princess Xi Ya suddenly trembled, and her whole body was stunned.

This... what's the situation?

What about Qingxu Xianweng? Why is there a young man in the room?

At this time, Princess Xiya clearly saw that there was a large fish tank in the room, and a young man was soaking in it with a comfortable face. Under the steaming heat, his cold and handsome face was clearly visible.

And the solid muscles all over her body made Princess Xiya blush.

After all, Princess Xia is still very young and has never experienced a relationship between a man and a woman, but seeing a man taking a bath without any cover, her heart beat a little faster.

Who is this person? Why is it in Qingxu Xianweng's room?

Soon, Princess Xiya calmed down, her mind was full of doubts, and her mind quickly turned.

Is it a thief?

No, how could there be thieves in God's Domain, and this is Yuxi Xianyuan, where the prince rests.

Could it be the accomplice of Xianweng Qingxu? Look lurking here, is it going to be detrimental to Brother Aolin?

Bang!

Thinking of this, Princess Xi Ya couldn't bear it any longer. She pushed open the door and broke in, and said softly, "Who are you?" What the hell

!

The door was suddenly pushed open, Yue Feng was startled, and when he saw that it was Princess Xi Ya, he was completely dumbfounded.

Why is this girl here in the middle of the night?

In shock, Yue Feng did not forget to submerge his body in the water, only showing his head, and asked Princess Xi Ya knowingly, "Who are you... Who are you? Who let you in?"

While saying, Yue Feng asked. The wind is nervous.

It's over, now Princess Xi Ya sees her true face and her identity is exposed. Once Empress Hua Zhao finds out, the consequences will be unimaginable.

However, in the nervousness, Yue Feng decided to take a gamble, because Princess Xi Ya has never seen the real herself, and she should not know that she is Yue Feng who is wanted by God's Domain.

"Who am I?"

Hearing the question, Princess Xi Ya's face was startled, her eyebrows furrowed and she said, "You don't even know who I am, how dare you take a bath in my brother's place so blatantly?"

"Then, Princess Xi Ya said with a charming face: "I am the younger sister of Prince Aolin, Princess Xi Ya. Tell me, who are you? Otherwise, this princess will never forgive me."

Yue Feng guessed it well. Princess Xi Ya had heard of Yue Feng's name, but had never seen it before. After all, she was young, and she was still a princess. In her usual range of activities, except for the place where Empress Hua Zhao lived, which was Prince Aolin's Yuxi Xianyuan, she was not qualified to enter Yutian Palace to participate in government affairs.

Nima!

Hearing the scolding, Yue Feng wanted to cry, rascal, and at the same time, he was a little angry.

This Princess Xi Ya is too unruly. You broke in to disturb me in my bath, and you are so righteous.

It really makes no sense.

I thought so in my heart, but on the surface, Yue Feng didn't dare to show it. At that time, he explained with a smile: "It turned out to be Your Royal Highness. I am disrespectful. Please forgive me that I am in a special situation and can't come out to salute you.

"Feng Nao Rin thought quickly and continued: "My name is Feng Ge, I am a disciple of Immortal Weng Qingxu. I came here from nine days away this time to ask some questions, so I rested here at night."

At this time, Yue Feng, who had already predicted that Princess Xiya didn't know herself, simply started talking nonsense.

Chapter 4703

After all, the matter of pretending to be a fairy of Qingxu is of great importance and must not be exposed.

"Feng Song? Brother Feng..."

Princess Xi Ya frowned, and couldn't help but mutter a few words to herself: "How can there be such a strange name?" Inexperienced, I don't know at this time, and I was taken advantage of by Yue Feng unknowingly.

"Yeah!"

Yue Feng soaked in the wooden barrel and smiled: "The name was obtained by the master, and I have no way to make Her Royal Highness laugh." After

speaking, Yue Feng said cautiously: "Princess, look at me. It's very inconvenient now, why don't you avoid it first and let me come out and get dressed?"

This Princess Xi Ya is so rambunctious, she even broke into other people's rooms, no, you must talk to Prince Aolin about this. It's a matter of fact, in the future, we will set up more sentries around, otherwise there will be too little privacy.

Fortunately, it was Princess Xiya today. If it were someone else, something would definitely happen.

"What do you mean...let me out?" Princess Xia frowned.

Yue Feng smiled and nodded, seemingly calm, but he was in a hurry.

"No!!"

Princess Xi Ya looked arrogant and shook her head: "I am a princess, and the entire Divine Realm belongs to my family. I can go wherever I like, you can't control it."

Saying that, in the eyes of Princess Xi Ya With a bit of cunning, he chuckled: "I see, you must be trying to trick me into leaving, and then take the opportunity to escape, right?"

"I tell you, this is Yuxi Xianyuan, where the prince lives. Idle people can't wait to enter, even if you are a disciple of Xianweng Qingxu."

"According to the rules of God's Domain, you have violated the rules of heaven, understand? Let your master come out and explain, or I will tell the queen mother!" The voice was clear, but there was no doubt.

What the hell!

Hearing this, Yue Feng was depressed. At the same time, there are some who want to cry without tears.

This girl is really tough.

Moreover, I am a fairy of Qingxu, where can I find a master for you?

Seeing his embarrassed look, Princess Xiya thought he was afraid, and asked with a smile: "It's okay if you don't want to invite your master over, then tell me honestly, what's the matter when you come here to find Immortal Qingxu? "

I..."

Yue Feng scratched his head, thought for a while, and replied, "I encountered some bottlenecks in my cultivation. I came here this time to ask Master to help me break through."

After hearing the answer, Princess Xiya He rolled his eyes and chuckled, "Do you think this princess would believe me?"

Whoosh!

When the voice fell, Princess Xi Ya stood up, and her jade hand raised, urging a divine power to call directly at Yue Feng.

Princess Xi Ya was very fast, and Yue Feng was soaking in the wooden barrel, so he couldn't dodge at all. Moreover, he never imagined that this princess was so daring, she was still soaking in the bath, and she had no cover on her body. How dare you rush over to do it.

Papa....

In an instant, Princess Xi Ya hit Yue Feng, urging a force of divine power to imprison him, Yue Feng froze in the barrel, unable to move.

At this time, Yue Feng was almost dumbfounded.

His dignified Kyushu hero, the Nine Heavens Profound Sage of God's Domain, was actually restrained by a girl's film. If it spreads out, he will not be laughed at?

"You are very cunning!"

At this time, Princess Xi Ya clapped her hands proudly, and said arrogantly: "Since you don't explain honestly, I will find Xian Weng Qingxu myself, but I have to ask him, what rights does he have? , let your disciples enter and leave Yuxi Immortal Garden at

will." Then he turned to leave.

"His Royal Highness..."

Yue Feng was in a hurry and shouted quickly: "I will explain, I will explain, in fact, I am here this time to give Master a baby."

Baby?

Hearing this, Princess Xiya's eyes lit up, she immediately stood up, and looked back at Yue Feng: "What baby?"

Yue Feng took a deep breath and looked at a box on the table behind him: "It's in that box. , there is a multicolored stone in it. This is a sacred object used by the goddess Nuwa to mend the sky. My master likes it very much, but it is a pity that I have never encountered it. "

Chapter 4704

"If Her Royal Highness likes it, take it, I just hope you can let me go this time, okay?"

Yue Feng is right, the box is indeed filled with colorful stones.

Back then, Nuwa made colorful stones when she patched up the sky. At that time, some of them were scattered on the mainland of Kyushu, and they were made into keys to open the Seven Treasures Linglong Pagoda.

But this one in the box was collected by Prince Aolin, and it was given to Yue Feng as a gift two days ago.

To be honest, Yue Feng didn't want to be so humble, and he didn't want to give the multicolored stone to Princess Xiya, but compared with his true identity, a mere multicolored stone was nothing.

Colorful stone?

Princess Xia muttered softly, then walked over slowly and opened the wooden box.

Phew... The moment the wooden box was opened, I saw a multicolored brilliance pouring out, illuminating the entire room gorgeously. In the brilliance, I saw a multicolored stone quietly placed in the box.

"It's really a multicolored stone!"

Princess Xiya picked it up and looked at it, with a delicate face, but without the slightest joy, she curled her lips and said, "This princess is not uncommon for a mere multicolored stone."

She is the daughter of Jiutian God, Her Royal Highness Princess Dangtang has never known how many rare treasures she has seen since she was a child. A colorful stone was not enough to arouse her interest at all.

What the hell!

Hearing this, Yue Feng smiled bitterly.

This princess has a very high vision. The multicolored stone is in the Kyushu continent, but it is a rare treasure. In her eyes, it has no value at all.

Thinking to himself, Yue Feng asked with a smile, "Then what the princess likes, I will find a way to get it for you." As he spoke, Yue Feng secretly urged his divine power to try to break the restriction.

Um?

What is this?

At this moment, Princess Xia discovered something.

I saw next to the multicolored stone, and there was a red elixir, with a charming light flowing throughout the body, which was still attractive.

What kind of panacea is this?

At this moment, Princess Xiya's eyes flickered, and the whole person was attracted. You must know that she grew up in the emperor's family, and she didn't know how

many rare elixir she had seen since she was a child, but this is the first time she has seen it.

What the hell!

Seeing this scene, Yue Feng hurriedly said, "Princess, this is an ordinary medicinal pill, it has no value at all."

When he said this, Yue Feng's face was serious, but his heart was secretly anxious. This pill is called Bayang Pill, which was specially refined by Yue Feng for Prince Aolin, so that he could temper his physique, and it contained the power of the most virtuous and yang.

Moreover, each of the materials needed to refine Bayang Pill is extremely rare, and it took Yue Feng a long time to get the materials together, and finally refined such a pill.

It can be said that there is only such a Bayang Pill in the world. If Princess Xiya takes it away, all Yue Feng's previous efforts will be in vain.

"Ordinary elixir?"

Upon hearing this, Princess Xia frowned, then smiled slyly: "You look honest, but you are actually very cunning. If you say it's useless, it must be very important.

" Just being unruly, the more Yue Feng said it was useless, the more interested she became.

After saying this, Princess Xi Ya picked up the Bayang Pill and put it on the tip of her nose and smelled it, and she suddenly showed a smile. It smelled so good. This thing must be what he honored Qingxu Xianwen. Anyway, they broke the rules and ate it by themselves. They didn't dare to say anything.

Thinking of this, Princess Xi Ya couldn't help but threw the medicine pill into her mouth.

Done!

Seeing this scene, Yue Feng's heart was shocked, and he couldn't tell the anxiety: "How did you eat it?"

This princess really likes to mess around, isn't she afraid that this medicine pill is highly poisonous? I actually ate it directly...

"Isn't it just edible when the medicinal pill is refined?" Princess Xi Ya said with a look of disapproval, "This princess is very delicate, and if I eat one of your medicinal pills, it is yours. It's an honor."

Alas!

Yue Feng let out a long sigh, and said in disbelief: "The princess doesn't know anything, this pill is called Bayang Pill, which contains the power of the ultimate Yang, and it is only suitable for men to take, because the physique of men belongs to yin, and the physique of women belongs to yin. If you take it rashly, it will lead to an imbalance of yin and yang, and even in serious cases, it will go crazy and endanger your life."

Chapter 4705

"Your Highness Princess, you are too rash."

At the end, Yue Feng was depressed.

Nima, take a good bath and be disturbed, and eat my Bayang Pill.

What?

Will go crazy?

Hearing this, Princess Xi Ya's body trembled, and she suddenly panicked, and said unpleasantly: "You...why didn't you say it just now?"

Yue Feng's face was full of bitterness: "I told you to put it down, you don't Listen."

Then, Yue Feng thought of something, and his face was urgent: "His Royal Highness, quickly lift the restriction on me, you just took it, the effect of the medicinal pill has not fully exerted, and it is still too late for me to help you."

The Bayang Pill is very effective, and Princess Xiya can't stand it at all.

"No!"

However, Princess Xiya shook her head with a look of distrust on her face: "You must be lying to me, everything that goes wrong is all fake, just to scare me on purpose so that I can let you go, Right?"

"This princess is so shrewd that she won't be fooled by you."

Nima!

At this moment, Yue Feng was very speechless. It was a headache to meet such a stubborn and unruly princess.

"Okay."

Yue Feng sighed and smiled bitterly: "Since the princess doesn't believe it, forget it. When the medicine takes effect, don't blame me. Don't ask me!"

After hearing the last two words, Princess Xia wrinkled. He frowned and said with disdain: "You are more and more arrogant, this princess will beg you? What are you daydreaming about?"

"I tell you..."

Just as she was talking, Princess Xi Ya suddenly frowned, and her delicate body trembled suddenly. At this moment, Princess Xi Ya clearly felt that her whole body was suddenly extremely hot, as if it was on fire.

"Hot!" In the

next second, Princess Xiya couldn't help shouting, trembling all over her body, and her delicate and beautiful face also flushed red.

Oops, the effects of Bayang Pill started to attack.

Seeing this situation, Yue Feng was furious.

You must know that Bayang Pill is the most powerful elixir of yang. If men take it, it will have the effect of quenching tendons and strengthening bones, but it will be very dangerous for women to take it, because women have a negative constitution. .

Nima, this Princess Xia is so ridiculous, why didn't you believe her words just now?

But this girl is so unruly, it's okay to make her suffer a little.

Princess Xi Ya curled up on the ground, her face was in pain, and before she could get used to it, the burning sensation on her body suddenly disappeared, replaced by an ice cold that penetrated deep into the bone marrow.

It felt like falling into the ice cellar from the crater all at once.

"Hey!"

At this moment, Princess Xia felt that her whole body was going to freeze, and the biting cold made her gasp, her body shivered, and a layer of layers formed on her forehead instantly. ice slag.

"It's cold, it's so cold."

At this time, Princess Xi Ya was frightened and uncomfortable, alternating hot and cold. Then he saw the wooden barrel next to him, and he walked in without any hesitation at that time.

Pfft!

The moment she entered the wooden barrel, the warm water enveloped her, and Princess Xiya felt a little better. However, as the efficacy of Bayang Pill increased, the cold feeling in her body became stronger.

At this

moment, Yue Feng looked at Princess Xi Ya who was soaked in the wooden barrel, and she was close at hand, and she could see that her figure was really good.

However, before he could react, Princess Xi Ya suddenly came up and kissed Yue Feng with her red lips!

Whoa!

All of a sudden she kissed, Yue Feng stood unsteady, and the two fell into the wooden barrel all at once.

“Princess, Your Royal Highness?” At this moment, Yue Feng only felt his brain buzzing, but he still spoke subconsciously, and at the same time secretly urged his divine power to try to break the restriction.

However, Princess Xia didn't give him a chance at all. She hugged him tightly, completely confused.

The ultimate husband in Chinese chapter 4706-4710

Chapter 4706

Princess Xiya finally couldn't control it, she whispered softly and crossed the line of defense.

After an unknown amount of time, Princess Xiya finally calmed down.

call!

Yue Feng also let out a long sigh of relief. Just now, the restraint on his body was finally lifted.

However, at this time, Yue Feng's mood was indescribably bad. It was over. He had a husband-and-wife affair with Princess Xiya just now.

Thinking to himself, Yue Feng looked at it subconsciously, and was immediately stunned.

Seeing that Princess Xi Ya was sitting there, her eyes were fixed on Yue Feng, there was no resentment and anger in her imagination, and there was a trace of complexity on her beautiful and beautiful face.

what's going on?

Seeing this situation, Yue Feng was stunned.

This Princess Xia, shouldn't it be too exciting, I don't know how to get angry?

"I..."

Just when Yue Feng was muttering secretly, Princess Xi Ya bit her lip lightly: "What happened to us just now?" At this time, Princess Xi Ya was very complicated and was almost in a mess. .

Despite being unruly and willful, Princess Xiya was still young and had never experienced a relationship between a man and a woman. Moreover, when Bayang Dan had a seizure in her body just now, she completely lost her mind and didn't know what she did next.

But Princess Xia is not stupid, she knows that she lost something important just now, but she can't hate it in her heart. Because the previous feeling was really wonderful.

Uh....

This chapter is provided by . Visit for daily update.

Hearing the question, Yue Feng was stunned, not knowing how to answer for a while. At the same time, I also understood in my heart that the princess in front of her had never experienced it before, so she was so at a loss.

Thinking to himself, Yue Feng said while thinking, "Just now we..."

Before he could finish speaking, Princess Xiya interrupted, looking unreasonable and unreasonable: "Okay, don't Having said that, only the two of us know what happened today."

Although Princess Xiya has little experience, she is not stupid. She knows in her heart that if the incident tonight is spread out, it will have a great impact on the reputation of the royal family. Not only will he be punished by his mother, but Ao Lin's brother will also be implicated.

After all, the man named 'Wind Song' in front of him was a disciple of Xianweng Qingxu, and he was also a senior brother of Ao Lin.

At this time, Princess Xi Ya didn't know that there was no 'Qingxu Xianweng' at all, and there was no Fengge. These identities were all faked by Yue Feng.

Uh...

Seeing her free and easy look, Yue Feng was very surprised, 'I'm going, this is the turn of the story?'

Not so simple, right?

This is not the style of a stubborn princess.

Just when Yue Feng was muttering in his heart, he saw Princess Xi Ya's mouth twitched, revealing a meaningful smile: "But if you offend this princess, you must not forgive you lightly."

Hearing this, Yue Feng smiled bitterly. .

This princess doesn't want to publicize what happened today, and wants to teach herself a lesson. It's impossible, because in a real fight, it's Princess Xi Ya and she's not her opponent.

However, Yue Feng didn't show it, but nodded and said, "What is the princess going to do?"

Whoa...

Princess Xi Ya didn't answer immediately, but slowly walked out of the wooden barrel. Suddenly, with the sound of water splashes, Yue Feng looked at it again. When I reached that charming curve, I was stunned for a moment.

Thinking of the scene in the barrel just now, it is even more memorable.

I have to say that in addition to being a bit unruly, Princess Xi Ya is a top-notch in appearance and figure. If she is more mature, it is perfect.

"From now on."

At this time, Princess Xi Ya used her divine power to dry the long skirt of the stone, and she did not care that Yue Feng was beside her. Looking for you, you have to be on call, understand?"

“If you don’t want to, I will tell the queen what happened tonight, and make you lose your soul.”

When she said this, Princess Xiya’s face was firm and unquestionable.

What?

Hearing this, Yue’s limelight became even bigger.

Want to play with you every day from now on? What have I become? Is it your own plaything?

Thinking to himself, Yue Feng didn’t show it, but scratched his head and said: “Your Highness Princess, I’m afraid this is not good, you said before, I entered Yuxi Xianyuan privately, but I violated the rules, how can I still play with you every day?”

Chapter 4707

“If you don’t agree, you have to agree!” Princess Xia’s face was full of cuteness, and she couldn’t refute: “If you dare to run away secretly, I will tell my mother what happened today and ask her to put your master in the heavenly prison.”

Said At these times, Princess Xi Ya was very arrogant.

She is always playful. After experiencing that wonderful feeling, how could she easily let this ‘Wind Song’ leave?

Nima!

Hearing this, Yue Feng’s heart was shocked, and he was both shocked and funny.

This girl is really arrogant and unreasonable. If I really have a master ‘Qingxu Xianweng’, I will kill him this time, but fortunately, Qingxu Xianweng is a fake and made up by himself, the name Fengge , will all be false.

Muttering in his heart, Yue Feng made a very tangled look, and finally nodded and said, “Okay, I promise you.”

Anyway, it’s all fake. I will pretend to be a fairy godmother of Qingxu tomorrow, and I will not admit it.

“That’s right!”

Seeing his answer, Princess Xiya smiled and gave Yue Feng a meaningful look: “In the future, you will live here and listen to my orders at any time. As long as you cooperate, I will not be here. In front of the queen mother, I will sue you and your master.”

After saying this, Princess Xiya opened the door and left gracefully.

call!

At this moment, Yue Feng let out a long sigh of relief, and this difficult girl finally left.

Muttering, Yue Feng soaked in the wooden barrel for a while, then put on the Thousand Transformation Mask, transformed into the appearance of Qingxu Xianwen and rested.

Early the next morning, Prince Aolin rushed over to ask for advice.

During this time, Yue Feng taught Prince Aolin a lot of secret formation techniques. Prince Aolin was very smart and learned very quickly. The prince didn't understand, so he often came to Yue Feng to clarify his doubts.

Seeing that Prince Aolin was so eager to learn, Yue Feng was very relieved. He got up and explained it to him at that time. In the afternoon, Prince Aolin finally understood the mystery.

“Master!”

At this time, Prince Aolin was full of reverence, and couldn't help but say: “You are really amazing, you know everything, according to rumors, Emperor Fuxi is familiar with the Qimen Dunjia, and his attainment in the formation technique, There is no one in the past, and no one has come since, but I feel that Master is not inferior to the Great Emperor Fuxi at all.”

When he said this, Prince Aolin was very excited.

These days, under the guidance of the master, I have a new understanding of the battle method and the ability to fight the battle has improved a lot, which is greatly beneficial to the future competition for the throne of the emperor.

Yue Feng smiled slightly: “Don't put on a high hat for me, so that I can concentrate on my studies, Master will be very pleased.”

“Your Highness!”

Just as he was talking, a guard appeared at the door with a complicated expression: “Just now, Empress Hua Zhao sent someone here. , I want to clear the seniors and go to Yuyao Xianyuan for a talk.”

Prince Aolin frowned, the empress has always been displeased with the master, and suddenly sent someone to summon, there must be nothing good.

Muttering in his heart, Prince Aolin responded, "Wait, I'll go with Master." No matter what the other party's purpose is, he will follow him himself, so that he can take care of him.

"His Royal Highness!"

The guard said with a wry smile: "The person who came here said that the lady only saw one senior Qingxu."

Hearing this, Prince Aolin was even more worried.

Yue Feng was also stunned.

What is Empress Hua Zhao doing for her? Also, no one will follow.

Damn, could it be Princess Xia who told what happened last night? If that's the case, that's bad.

Thinking to himself, Yue Feng said to the guard, "Okay, tell him, I'll be there soon."

"Yes." The guard replied and turned to leave.

"Master!"

Prince Aolin couldn't hide his worries, and said, "Ms. Hua Zhao has been trying to make us a thorn in her side, and suddenly summoned at this time, there must be something strange. I think you better not go." The

other party refused to let him follow . , is really worried.

Yue Feng thought for a while, smiled and comforted: "It's all right, even if Empress Hua Zhao asks for trouble, she can handle it as a teacher."

It's a blessing, not a disaster. Instead, we have to see what medicine is sold in the gourd of Empress Hua Zhao.

Chapter 4708

Okay!

Seeing Yue Feng's confident face, Prince Aolin didn't say anything more: "Master, be careful."

Yue Feng nodded, changed his clothes, and rushed towards Yuyao Xianyuan.

"Wind song? Wind song?"

As soon as he left, Princess Xi Ya's call came from outside, and then walked in quickly, her delicate and beautiful face was full of displeasure and annoyance.

After going back last night, Princess Xi Ya slept until noon, woke up and ate something, and hurried to Yuxi Xianyuan to find Fengge to play, but when she arrived, she couldn't find Fengge.

This made Princess Xia very angry.

That bastard, he was not too brave to lie to himself.

Annoyed, Princess Xi Ya rushed into the room where Prince Aolin was studying and planned to ask.

"Xiya!"

Seeing Princess Xiya barging in, Prince Aolin frowned and said a little displeased: "Didn't I tell you? When I was studying, don't barge in rashly, look at you, where? Like a princess?"

"I'm here to find my playmate." Princess Xia said angrily.

playmate?

Prince Aolin was stunned for a moment, and was at a loss: "What playmate? How can I have a playmate here?"

Princess Xiya pouted and complained: "You are busy learning skills every day, and you don't have time to play with me. , I'm not allowed to have a new playmate?" Saying that, Princess Xiya looked around the room.

Wind song is not here, has it left?

For a while, Princess Xia got angrier the more she thought about it. This wind song, which she promised last night, would stay here at any time, but now it's too polite to leave without saying goodbye.

"Brother!" In the

next second, Princess Xiya couldn't help but ask Prince Aolin, "Where is your senior brother?" To

be honest, Princess Xiya didn't want to disturb Aolin, but in order to find Fengge, she didn't want to. way.

Hearing the question, Prince Aolin was stunned and frowned: "What senior brother, what are you talking about, little sister?" When did he have another senior brother?

Princess Xi Ya stomped her feet in a hurry: "Oh, it's the one called Fengge, who is also a disciple of Xianweng Qingxu, isn't he your senior brother?"

"He came from nine days away, and was in your jade yesterday. Don't you know that Xixianyuan is staying overnight?"

Huo!

Hearing this, Prince Aolin was a little surprised. His master, Xianweng Qingxu, was an immortal from outside the Nine Heavens, and it was normal to have disciples, but... This brother Fengge, he had never met him, master. Never mentioned it.

Thinking to himself, Prince Aolin looked at Princess Xi Ya and couldn't help but ask, "Little sister, how did you know about this?"

Uh...

At this moment, Princess Xi Ya bit her lip tightly . . , I don't know how to answer.

You must know that last night she secretly came to monitor, only to find 'Wind Song' who was taking a bath. As a princess, her behavior was so vulgar and insulting to the royal family, how could she say it?

A few seconds later, Princess Xia lied: "I... When I came to play yesterday, I saw him by accident, brother, don't ask so much, tell me where he is."

This wind song, If you dare to let me catch it, you must give him a good look.

Prince Aolin became more and more confused: "You said that my senior brother lived here last night? He was seen by you? Besides, you have become playmates?"

Princess Xi Ya nodded heavily.

This....

Prince Aolin frowned: "This is interesting, if the senior brother came from nine days away, why didn't I know? Besides, the master didn't tell me?"

"Little sister, are you Did n't you make up a lie on purpose to make me happy?"

Oh...

Seeing that he didn't believe it, Princess Xiya was so anxious: "How could I lie to you? It might be that old man Qingxu Xianweng, what's the matter? Hidden from you, I deliberately let you meet that Fengge."

"Forget it, I'm leaving, you can study slowly." After the

last word fell, Princess Xiya walked out of the room quickly, she knew that Prince Aolin was There is definitely nothing to ask here, the only way is to find Immortal Qingxu.

On the way here just now, Princess Xiya heard that her mother had summoned Immortal Qingxu in Yuyao Xianyuan, and she was ready to go over and ask.

Chapter 4709

Princess Xi Ya has thought about it, if Qingxu Xianweng doesn't tell her where Fengge is, she will tell her mother, saying that their master and apprentice violated the rules of heaven.

...

On the other side, Yue Feng rushed to Yuyao Xianyuan.

call! !

After entering the palace where Empress Hua Zhao was, Yue Feng was stunned.

I saw that Empress Hua Zhao was sitting there, wearing a long pale golden silk dress, showing her charming curves looming, her posture was lazy and charming, but the royal majesty that pervaded her body was not to be desecrated. .

And beside Empress Hua Zhao, there was still a maid standing quietly.

This maid is called Fairy Yunxiu, who has been serving Empress Hua Zhao closely and is the confidant of Empress Hua Zhao.

At this moment, Yue Feng secretly breathed a sigh of relief.

Looking at the situation, it doesn't seem like he's looking for trouble for himself.

"Niangniang." The

next second, Yue Feng showed a smile and said politely: "Suddenly summoned, but what's the matter?"

As soon as the voice fell, Fairy Yunxiu, who was standing by the side, couldn't help but let out a coquettish cry, coldly. Said: "I met the Empress, don't you know how to bow down? There are really no rules."

This Fairy Yunxiu, relying on herself as Empress Hua Zhao's confidant, has always been arrogant and arrogant, even if she knew that the person in front of her was Tian Wai. Immortals didn't even pay attention.

really interesting!

Seeing Fairy Yunxiu's aloof attitude, Yue Feng was both angry and funny.

If you can't kneel down by yourself, Empress Hua Zhao hasn't opened her mouth yet, and you, a maid, are yelling.

"All right!"

At this moment, Empress Hua Zhao waved her hand and said with a smile, "Your Excellency Xianweng is an immortal from the outer world and Ao Lin's master, so you don't need to kneel."

After speaking, she motioned for Yunxiu to take a seat.

Yun Xiu looked reluctant, but she moved a chair and let Yue Feng sit down.

Um?

At this moment, Yue Feng was very puzzled, what's the situation, Empress Hua Zhao has always hated her, why did she change her temper and be so polite to me today?

Thinking, Yue Feng was about to ask, but was interrupted by a shout.

"Queen Mother!"

A shout came, and then Princess Xiya walked in quickly. The moment she saw Yue Feng, her eyes flashed: "Old man with a white beard, you are really here."

Hearing this title, Yue The wind was a little dumbfounded, and at the same time was a little flustered in his heart.

Oops! !

This Princess Xi Ya must have gone to Yuxi Xianyuan to look for 'Wind Song', but couldn't find it, so she chased after her and questioned.

"Xiya!"

At this time, Empress Hua Zhao also frowned slightly, and said lightly, "How can you be so rude in front of Xianweng?" The voice was soft, but it showed a strong aura.

"Queen Mother!" Xi Ya lowered her head with a well-behaved look: "I will pay attention in the future, I am not here to make trouble, but I have a few questions, and I want to ask Xian Weng."

Feng Ge left without saying goodbye, and asked Princess Xi Ya Very shameless, she thought about it, no matter what, she would ask Fengge's whereabouts.

Empress Hua Zhao nodded and acquiesced.

"Xianweng!"

At this moment, Princess Xiya looked at Yue Feng: "Where is your apprentice Fengge? Where did you go?"

Hearing the question, Yue Feng was very speechless. This princess was so rambunctious that she even asked in front of the empress.

Muttering in his heart, Yue Feng looked very surprised: "What did the princess say? My apprentice? What apprentice Fengge? I don't have a disciple named Fengge."

After saying that, Yue Feng glanced at Empress Hua Zhao . He continued: "I have only one apprentice, Immortal Weng Qingxu, that is, His Royal Highness Prince Aolin."

Anyway, Fengge is a fiction, and he will not admit it.

What?

Hearing this, Princess Xi Ya's body trembled, and her head was buzzing. Isn't Wind Song his apprentice? Who is this person taking a bath in the elder brother Xianyuan?

"Impossible!" Princess Xi Ya quickly reacted and shouted: "He clearly said that he is your apprentice, why don't you admit it?"

Yue Feng smiled and ignored it.

At this time, Empress Hua Zhao was also at a loss: "Xia, what are you talking about? What apprentice, what kind of wind song?" After speaking, she looked at Yue Feng subconsciously, her eyes full of questions.

Although Thea is playful, she doesn't lie. There must be something in it.

Chapter 4710

Facing Empress Hua Zhao's inquiring gaze, Yue Feng smiled bitterly: "Niang Niang, what the princess said, I don't understand at all."

"You..." The

voice fell, and Princess Xi Ya was very angry. , said loudly: "Don't deny it, if you don't know, how could Fengge be in your room last night?" After

saying that, Princess Xiya said to Empress Hua Zhao: "Mother, I want to report a situation. , This Immortal Qingxu brought his apprentice privately and entered Yuxi Immortal Garden, violating the rules of heaven."

Yue Feng refused to admit it, which made Princess Xiya very annoyed, and decided to tell everything.

Nima!

At this moment, Yue Feng was speechless.

This Princess Xia is really a lunatic, she even said it all.

Um?

Empress Hua Zhao was stunned for a moment, her eyebrows furrowed: "Is there such a thing?"

Later, Empress Hua Zhao looked at Yue Feng and said, "Is that so?" You know, Prince Aolin's Yuxi Xianyuan, Although it is not as important as the Magic Treasure Pavilion of the Empress Nuwa, it is also a forbidden place. Even the master of the prince cannot bring people into it casually.

If this is true, Xianweng Qingxu has violated the rules of heaven and will be punished.

Haha....

Seeing her mother speak, Princess Xia is full of pride, and she seems to be looking at Yue Feng a little provocatively.

Still want to cover up your apprentice? Now I see what do you do?

"Go back to madam!"

At this time, Yue Feng took a deep breath and said politely to Empress Hua Zhao: "I just said that I only have one apprentice, that is, His Royal Highness Prince Aolin. People enter Yuxi Immortal Garden."

“If the lady doesn’t believe it, you can send someone to search.”

When he said this, Yue Feng had a calm and confident expression on his face. That ‘Wind Song’ is myself, you can check it casually, and you can’t find any clues after a hundred years of research.

call! !

Hearing this, Empress Hua Zhao frowned.

Princess Xia lost her calmness just now. Could it be that she was really deceived? Qingxu Xianweng really doesn’t know that wind song?

wrong!

If you don’t know him, why did Fengge take a shower in his room last night?

A few seconds later, Empress Hua Zhao reacted and ordered to Fairy Yunxiu who was beside her, “Go and take someone to check to see if someone has sneaked into Yuxi Xianyuan, tell Ao Lin, and let him cooperate well. It was the order of this palace.”

“Yes, madam!”

Upon hearing the order, Fairy Yunxiu complied and walked out quickly.

“White-bearded old man.”

As soon as his forefoot left, Princess Xiya stuck out her tongue at Yue Feng, and said coquettishly, “Don’t try to shield Feng Ge, as long as he is still in the God’s Domain, it will be difficult for him to fly.”

Yue Feng With a slight smile, he asked back: “Your Highness, I really don’t know the wind song you are talking about, but I have a question, how did you know that someone stayed at Yuxi Xianyuan last night?

”, Yue Feng looked serious, but his eyes flashed with slyness.

She shouldn’t have dared to admit what happened in the barrel last night, after all, this is about the honor and dignity of the royal family.

Huh... After

hearing the question, Princess Xiya’s delicate face suddenly flushed red, and he stammered: “I... I heard what others said.” According to the rules, she could not go to Yuxi at night. In Xianyuan, let alone bathing with a man, something else happened...

“Niangniang!”

At this moment, Fairy Yunxiu came back and respectfully said to Niangniang Hua Zhao, “Just now, my servant I took people and went to Yuxi Xianyuan to check, but I couldn’t find anyone named Fengge, and Prince Aolin also said that no outsiders have entered these days.” After

hearing this, Empress Hua Zhao nodded.

Yue Feng also showed a smile.

Impossible....

Princess Xi Ya’s body trembled, she didn’t want to believe this fact, how could she still be a big living person and disappear?

You must know that before Princess Xiya came just now, she specifically asked the magic soldiers guarding near Yuxi Xianyuan. They all said that no outsiders came in or out on this day.

The more Princess Xiya thought about it, the more wrong she became, and finally pointed at Yue Feng angrily: “It must be you, you hid him. You white-bearded old man is the worst.”
