Chapter 4731

However, Yue Feng's answer was invisibly pouring a basin of cold water on Fairy Yunxiu.

"The White Tiger King only let me go alone."

Yue Feng pretended to sigh and looked very regretful: "You also know that the Black Swamp is a forbidden area for the monsters, and no one else can approach it. The White Tiger King also saved me before. His son made an exception only once, but there are conditions."

"I just let me in alone, and he will send a lot of monster warriors to follow. In order to facilitate the collection of ghost grass, there are a few women in the entourage."

"So You can't go anymore."

At this time, Yue Feng was very serious, but his eyes flashed cunningly.

The purpose of entering the black swamp this time is to explore the bottomless black hole, which must not be known to Fairy Yunxiu.

Hearing this, Fairy Yunxiu was very disappointed, and at the same time muttered indignantly: "It's just a monster clan with a lot of rules. Well, when you get the ghost grass, we will return immediately."

Seriously Yes, Fairy Yunxiu didn't want to be so passive, but there was no way, people had to bow their heads under the eaves.

Seeing her promise, Yue Feng showed a smile.

A few minutes later, the White Tiger King arranged for more than a dozen demon warrior elites to accompany Yue Feng and quickly rushed towards the Black Swamp.

.....

On the other side, Kyushu.

In the past two years, due to the power of the demons, the mainland of Kyushu has been ravaged, making overseas a place outside the law, and pirate forces of all sizes are rampant. Among these pirate forces, except for the original Hailongtang, it belongs to our Uru Island. .

Woliu Island is located two hundred miles southwest of Icefire Island. Its area is more than ten times larger than Icefire Island. The island is full of flowers and trees, and the scenery is pleasant, like an overseas fairyland. However, there are tens of thousands of pirates here. Talking about the color change, hearing the wind is frightening.

This chapter is provided by . Visit for daily update.

In the past six months, the Urishima pirates and Hailongtang have fought several times, but no one can do anything about it. The pirate leader of Uliu Island is called Saburo Xia Liu.

At this moment, Saburo Xia Liu was lying on a hammock by the sea, with a simple dining table next to it, and two beautiful women were diligently cutting fruits and feeding them to his mouth.

Xia Liu Saburo is very lustful. Today, his subordinates robbed a merchant ship and robbed more than a dozen beautiful women to present to him, which made him feel very comfortable today.

“Boss!”

At this moment, a pirate ran over quickly, with a complicated expression: “Boss, Yu Du from the Sea Dragon Palace came to ask for a meeting.”

Sea Dragon Palace?

Hearing this, Saburo Xia Liu frowned, when did Hailongtang change its name?

Muttering in his heart, Saburo Xia Liu said lightly: “How many people are there?”

“Back to the boss, there are two people, besides Yu Du, there is a woman.” The pirate responded quickly, and at the same time his eyes flashed with strange expressions, Yu Du was beside him The woman following her is simply a stunner.

Two people, and a girl?

Xia Liu Saburo chuckled lightly, unable to hide his contempt, and waved his hand: “Bring it here.”

“Yes!”

After hearing the order, the pirate complied and hurriedly left.

After a while, the pirate returned, followed by two figures, Yu Du and Mo Yan. Yu Du was dressed in black leather and soft armor, and he was very imposing, but he followed behind Mo Yan.

Mo Yan is wearing a light blue long dress, which gives people a feeling of indescribably refreshing and charming.

“Oh!”

Seeing the two of them, Saburo Xia Liu turned over and got out of the hammock, and said to Yu Du with a half-smile, “What kind of wind is it today, it even brought Boss Yu here, hehe, I just robbed a dozen of them. This beautiful woman is busy training this, so I didn’t meet her in person, so don’t take offense.”

Saburo Xia Liu and Yu Du were old enemies, and when they met at this time, they couldn’t help showing off.

At the same time, Xia Liu Saburo’s gaze couldn’t help but look at Mo Yan, and the pair of triangular eyes looked straight.

Very sexy beauty.

This curve, this appearance, the dozen or so beauties I just grabbed, compared with her, they are simply vulgar fans.

“Xia Liu Saburo!”

At this time, Yu Du said straight to the point: “I won’t say more nonsense, I am here today to inform you that from now on, all the pirates of your Uliu Island will be merged into our Sea Dragon Palace, beside me. This is our Sea Dragon Queen, if you know each other, you should kneel down and pay homage.”

Chapter 4732

What?

At this moment, Saburo Xia Liu was stunned, thinking that he had heard it wrong.

What did Yu Du say, want the pirates of the entire Uliu Island to merge into their Sea Dragon Palace?

At the same time, seeing the situation here, many pirates from Urushima also quickly gathered.

“Yu Du!”

Finally, Xia Liu Saburo reacted, unable to hide his disdain, and sneered loudly at Yu Du: “You are not bad, you are just two people, you dare to go to my site and make a lot of nonsense. Yes, you, Yu Du, were able to expand Hailongtang back then, and you were

considered a character, but now you are subordinated to a woman, and I am embarrassed for you.”

Said, Xia Liu Saburo looked at Moyan, wretched. There was a trace of evil smile on his face: “But I have to say, this beauty is really the best, I, Xia Liu Saburo, have been looting on the sea for so many years, and this is the first time I have encountered such a charming stunner, so what? , you dedicated her to me, I just thought I didn’t hear it, hahaha...” The

words were extremely arrogant.

In Xia Liu Saburo’s heart, Yu Du was only two people, and he was still on his own territory, so he wasn’t afraid at all. Moreover, he is lecherous by nature. At this time, Yu Du personally sent a beautiful woman to the door, how could he be polite?

As soon as the voice fell, many of the pirates around Uliu immediately burst into laughter, and even a few even started booing.

“The boss has a good eye...”

“This woman is so beautiful, the woman who is the boss is the most suitable...”

“Congratulations, boss, you can enjoy the beauty tonight... Hahaha.”

Hearing these words, Mo Yan was exquisite. There was not the slightest fluctuation on her beautiful face, but there was a hint of coldness in her eyes.

“Xia Liu Saburo!”

At this moment, Yu Du’s face was full of anger, raised his finger and pointed at Saburo Xia Liu coldly: “Dare to blaspheme the queen, you are courting death, you only have one chance, you should think carefully, otherwise you will be at your own risk.”

When he said this, Yu Du was full of power. It broke out and wanted to kill Saburo Xia Liu immediately, but the queen didn’t speak and could only hold back.

“Oh?”

Yu Du’s angry shouting did not restrain Xia Liu Saburo in the slightest, but mocked with a half-smile, “Yu Du, Yu Du, you are still scaring me on my territory, you think I am frightened. Ah?”

Said, Xia Liu Saburo raised his finger and pointed at Mo Yan: “You want me to recognize her as the master? Hehe, I will never be soft on any woman in my life, unless it is my woman, hehe...”

Hearing this, Mo Yan's eyes were filled with killing intent, and she said coldly, "Since you don't want to surrender, you can die."

This beauty has quite a personality!

At this moment, Xia Liu Saburo showed a strong interest, and said to Mo Yan with a smile: "Want my life? Well, play a few tricks with me, if you really want to win, I will accept you as the master. If you lose, you can be my woman." As the

voice fell, Saburo Xia Liu rose into the air, heading straight for Mo Yan!

hum!

When he rushed into the air, a powerful aura erupted from Xia Liu Saburo's body. He held a long and narrow machete tightly in his hand and waved a blade shadow that directly enveloped Mo Yan.

I have to say that this Xia Liu Saburo is indeed very strong, and the sword shadow that erupted tore apart the air, with an amazing momentum.

Looking at the shadow of the sword in the sky, Mo Yan didn't mean to dodge at all. At that time, the jade hand slowly raised, directly activating the power of the demon soul.

boom!

In an instant, I saw a red light shoot out from Mo Yan's hand, directly through the blade shadow, and shot into Xia Liu Saburo's chest!

"Ah..."

With a scream, Xia Liu Saburo's chest was directly penetrated by this red light, blood spurted out, and his body flew out at once, flying more than a hundred times. Mi Yuan smashed a few coconut trees, and finally fell heavily on the ground.

When he landed, Xia Liu Saburo was covered in blood and was already dead.

What? one move?

Killed the boss with just one move?

Seeing this scene, the pirates of Uliu Island around were all dumbfounded, and couldn't help gasping for air!

The strength of this woman is too terrifying, right? ! You must know that Xia Liu Saburo's strength has reached the late stage of the Tribulation Realm. Looking at the

entire Kyushu, there are extremely strong existences, and at this time, he was killed by this woman?

Chapter 4733

Quiet!

At this moment, the entire Urishima Island was deadly silent, only the sound of the waves on the beach kept coming.

All Uliu Island looked at Mo Yan suspended in mid-air, and lost the contempt he had before, but turned into a cold fear, especially when they felt the terrifying power, they didn't even dare to let out the atmosphere.

Yu Du's eyes also flashed with a strange brilliance.

The queen is so powerful. She never dared to think about this kind of thing before. She broke into Woryu Island alone and killed Xia Liu Saburo, but she did it, and it was so easy.

"Listen!"

Excited. Yu Dutong's eyes were like electricity, he looked around coldly, and shouted: "Xia Liu Saburo is dead, from now on, the Uliu Island belongs to the Sea Dragon Palace, whoever refuses to accept it, whoever wants to avenge Xia Liu Saburo, come up. If you don't dare, kneel down and pay homage to the Queen immediately."

Putong! Pfft...

The voice fell, and all the pirates of the Urishima Island at the scene all knelt down, all of them trembling and trembling.

"Meet the Queen!"

"Long live the Queen..."

Even Saburo Xia Liu was no match for him. Who would dare to challenge him when he was killed in one move.

"Get up!"

Seeing this scene, Mo Yan showed a smile and said softly: "From now on, this place will be renamed as Dragon King Island, as the main altar of our Sea Dragon Palace."

Mo Yan pointed at Yu Du. He ordered: "I want to build a palace here, you should prepare immediately and go to the coast of the Kyushu mainland to find some laborers, but remember, you can't bully the weak, and every laborer must be paid."

The child will be born in a few months, and he cannot be allowed to live with him in the stone house on the island after he is born. He is the Holy Demon King of the Demon Race, so he must give the best to his children.

"Yes, Queen, I'll do it now."

Yu Du quickly responded, and then began to mobilize people.

Half an hour later, Yu Du led tens of thousands of Hailongdian elites, driving dozens of large ships, and heading towards the wind direction of the Kyushu mainland.

.....

Pearl Harbor, located on the southeastern coast of Nayun Continent, is the largest fishing port in Nayun Continent.

The environment here is beautiful, the seafood is rich, and the people live and work in peace and contentment.

However, half a day ago, the tranquility of Pearl Harbor was broken. A group of pirates suddenly appeared at sea. They didn't rob things or money. They only wanted people. Moreover, these pirates were very principled. , and do not rob those who have children, but only the young and strong men in the family.

That's right, these pirates are the Hailong Hall members led by Yu Du.

Although Mo Yan was ruthless, she also had some conscience and did not harm the people. Under her instructions, Yu Du did not do anything wrong. Every family who took away a strong male would give some reward.

But even so, the entire Pearl Harbor was panicked and chaotic.

.....

At this moment, Nagumo Imperial City.

The Pearl Harbor was looted by pirates, and the news soon spread to the palace.

Knowing the situation at that time, Long Qianyu was very angry, and immediately summoned the ministers to discuss the matter.

At this time, inside the main hall.

On the dragon chair, Long Qianyu sat there quietly, his delicate and beautiful face was full of gloom.

The following civil and military officials all have complex expressions. In recent years, the strength of the Southern Cloud Continent has been greatly improved. The mountain bandits and pirates do not dare to be presumptuous, but I did not expect that some pirates have dared to blatantly loot the Pearl Harbor recently.

“Report—“

At this moment, a soldier from the Pearl Harbor defender hurried in, his face could not hide his fear: “Your Majesty, I just counted the number of people kidnapped by pirates. Nearly 60,000 people!”

What?

More than 60,000 people were kidnapped?

These pirates are really rampant.

At this moment, the entire hall exclaimed in surprise.

Long Qianyu was also shocked, and her delicate face was full of anger. Looking around at that time, Leng Ling said coldly: “Who knows the origin of these pirates?” As an empress, it is a shame that even her own subjects can’t be kept.

Hearing the inquiry, the civil and military officials looked at each other, but none of them responded.

Chapter 4734

“Your Majesty!” A

few seconds later, a general came out slowly and said with a complicated expression: “I have a friend who travels around all year round. According to him, in the past half month, overseas pirate gangs have broken out. In the great change, one of the pirates of the Sea Dragon Hall appointed a new female leader who claimed to be the Queen of the Sea Dragon, and changed the name of the Sea Dragon Hall to the Sea Dragon Hall.”

“One day ago, the Sea Dragon Hall annexed another powerful group of pirates from the Uru Island. , and set the Uliu Island as the main altar. I guess that the people who robbed the people in the Pearl Harbor this time are the pirates of the Sea Dragon Palace.”

“My friend said that the pirates of the Sea Dragon Palace are very powerful, and the number of pirates has reached ten. As many as tens of thousands. It is a considerable force.”

Sea Dragon Palace?

There are hundreds of thousands of people?

Hearing this, the surrounding civil and military officials looked at each other in dismay, unable to hide their inner shock. You must know that for thousands of years, there have been many pirate gangs at sea, fighting with each other. Under such limitations, no one has ever developed to a certain scale. Now, this Sea Dragon Palace can actually annex other islands and become a Overlord of the sea, this is no trivial matter.

With hundreds of thousands of followers, such a force has already threatened the continent of Kyushu.

call!

At this time, Long Qianyu’s delicate face was also extremely solemn: “In this way, all the people who were arrested have been taken to Uliu Island.”

“That’s right!” The general nodded quickly, “That should be the case. Long Qianyu was very angry, stood up all of

a sudden, and said coldly: “The Sea Dragon Palace is so rampant, I can’t be indifferent, let alone abandon tens of thousands of people and ignore it. Immediately pass my order to mobilize the army to clear the Sea Dragon Palace!

” At that time, Long Qianyu didn’t know that the queen of the Sea Dragon Palace was Moyan, the female demon king who was rescued from the imperial city.

“Yes, Your Majesty!”

An hour later, the army of 200,000 Nanyun quickly assembled, led by Long Qianyu, and rushed to Pearl Harbor.

...

On the other hand, Yue Feng, led by a dozen elite warriors from the demon race, quickly entered the depths of the black swamp.

call!

Arriving at the entrance of the mysterious underground cave, Yue Feng couldn’t help taking a deep breath.

I saw that the hole was over a hundred meters in diameter. It was dark and bottomless. Standing on the edge of the hole, I could clearly feel a strange force coming up.

Not only that, the surrounding temperature is also much higher than other places.

This cave is indeed a bit strange.

Muttering in his heart, Yue Feng ordered the monster warriors: "You stay here, unless absolutely necessary, don't go down rashly." The

voice fell, Yue Feng urged his divine power, and jumped into the hole.

"Yes!"

Upon hearing the order, the demon warriors responded in unison, and then dispersed.

At this time, none of these monster warriors noticed. In the grass not far away, there was a slender figure, quietly approaching, dressed in an emerald green dress, sexy and charming.

It was Fairy Yunxiu.

At that time, she promised Yue Feng to wait in the main hall of the territory, but she was not convinced, so she slipped out and followed into the black swamp.

Um?

When she was about to reach the huge hole, Fairy Yunxiu was stunned when she saw the scene in front of her.

Those monster warriors are all there, why don't you see the figure of the immortal Qingxu?

And... why is there such a big hole here?

Mumbling in her heart, Fairy Yunxiu observed it for a while, but she still could not see Yue Feng, she was a little suspicious at that time, could it be... this old unscrupulous person went into the burrow?

Thinking of this, Fairy Yunxiu didn't have time to think about it at the time, she used the wind-fighting technique, her body turned into a shock, and she rushed directly into the cave.

Um?

Fairy Yunxiu was very fast, and the monster warriors who were guarding all around were blinded.

“Did there be something just now?”

“Did your eyes...”

..... the

other side.

Yue Feng’s body kept falling, and he could clearly feel that the more he went down, the stronger the burning sensation.

Boom!

Finally, when his feet landed on the ground, Yue Feng felt relieved and looked around at the same time.

I saw that there was an incomparably huge underground cave in front of me, extending in all directions and winding, like a huge maze.

Chapter 4735

On the surrounding rock walls, red flames were burning. These flames seemed to have life, and they kept jumping, illuminating the entire underground cave.

I’m going, what the hell is this place?

Whoosh!

Just when Yue Feng was muttering secretly, suddenly, the sound of landing came from behind, and at the same time, a faint scent came.

Who doesn’t obey orders?

Yue Feng frowned, looked back immediately, and was stunned.

I saw a charming figure coming quickly, sexy and beautiful, who else would it be if it wasn’t Fairy Yunxiu? !

What the hell! Seeing Fairy Yunxiu, Yue Feng was

shocked and said subconsciously, “Aren’t you supposed to be in the hall? How come you are here?”

stop her?

“Haha!”

Perceiving Yue Feng’s astonishment, Fairy Yunxiu chuckled and said angrily, “I was about to ask you, but you actually asked me, didn’t you help the empress to collect ghost grass? Come to this cave. What are you doing?”

Nima, this Fairy Yunxiu is really difficult to deal with.

At this moment, Yue Feng was very speechless, but he still thought about it and said: “The ghost grass White Tiger King’s subordinates have already obtained it, and they will give it to us when we leave. This hole is a bit weird, I just came down and take a look...”

Curious to come down and take a look?

Hearing this, Fairy Yunxiu obviously didn’t believe it: “Why do I feel that you are hiding something from me?”

“Do you believe it or not.” Yue Feng didn’t bother to explain, and then walked forward.

“Hey!”

Seeing his attitude, Fairy Yunxiu was very displeased, she quickly followed up and asked, “Tell me honestly, what’s so weird about this cave?”

“If I knew, what would I do?” Speechless, he smiled bitterly: “Anyway, you’ve come down too, and you’ll find out if you check it out with me.”

When he said this, Yue Feng didn’t care, but his heart was secretly anxious.

Madam, this Fairy Yunxiu sneaked down, this is a little troublesome, it’s time to think of a way to get rid of her.

Fairy Yunxiu didn’t respond, snorted coldly, and took the lead to investigate the past.

Yue Feng shook his head and followed slowly.

After walking for a while, she didn’t find anything special, Fairy Yunxiu felt very bored, and pouted: “What is there to explore in this ghost place, it’s getting late, let’s go up and get the ghost grass, go back to the goddess Return to life.” The

voice fell, and he turned to leave.

hum!

At this moment, Yue Feng was about to speak, and suddenly he saw the flames attached to the stone wall quickly gathered together to form a giant image several meters high.

I saw that this huge fire man was wearing a fire-red armor. Although the armor was also formed by flames, it was lifelike, and the giant's eyes were even more captivating.

What the hell!

Yue Feng was startled, what's the situation? How can these flames still be alive, and they can gather into a human form?

"This... This is Wuji Skyfire?"

Fairy Yunxiu trembled even more, her delicate face was full of shock, and her voice trembled: "Didn't this disappear ten thousand years ago? How could it appear in here?"

Infinity fire?

Hearing this, Yue Feng frowned and asked, "What is Wuji Tianhuo?"

"It's a pity that you are still an immortal, and you don't even know Wuji Tianhuo." Fairy Yunxiu bit her lip tightly, holding back her inner feelings. Shocked, he responded: "Wuji

Tianhuo, when Pangu opened up the world, the spiritual fire bred from the endless chaos can purify all things..." After the battle between the clan and the gods, the Wuji Tianhuo disappeared, and I didn't expect it to be in this place."

Fairy Yunxiu was very excited when she said this.

call!

Hearing this, Yue Feng couldn't help but take a deep breath, but he didn't expect that the flame had a great origin.

Thinking to himself, Yue Feng asked again: "Then how can it be transformed into a human form?"

"I don't know about that." Fairy Yunxiu shook her head.

hum!

Just as he was talking, he saw the huge fire man, raised his hand and waved, and a group of fire broke out directly thinking of Yue Feng.

The ultimate husband in Chinese chapter 4736-4740

Chapter 4736

At this moment, Yue Feng and Fairy Yunxiu were both shocked.

Immediately, Yue Feng hurriedly urged the power of the Faye Red Lotus to resist. The Faye Red Lotus contained a powerful fire attribute power and was immune to all fires.

Fairy Yunxiu didn't have time to think about it, she quickly activated her divine power and deployed a protective film in front of her.

However, this layer of protective film could not resist the power of Wuji Skyfire at all.

“Chichi!”

As the terrifying scorching heat continued to come, I saw Fairy Yunxiu's protective film making a sound, followed by cracks.

Immediately after, the long dress on Fairy Yunxiu's body was quickly burned, revealing her charming curves!

Gudong!

Seeing this scene, Yue Feng's eyes were straight, and he couldn't help swallowing.

I can't see that Fairy Yunxiu's figure is so good...

“You...”

Perceiving Yue Feng's gaze, Fairy Yunxiu was shy and angry, and immediately said coldly: “Close your dog's eyes, Looking around, I've gouged out your eyes!” This old man is not serious, and he never forgets to take advantage of himself.

Close the dog's eyes?

Fairy Yunxiu didn't say this, but after saying this, Yue Feng looked at her at once.

Seeing Yue Feng getting more and more presumptuous, Fairy Yunxiu's face was extremely blushing, and she was already a little regretful at this time. She knew that she would encounter Wuji Tianhuo, and she would not risk anything to follow.

This chapter is provided by . Visit for daily update.

Um? wrong!

While embarrassed and angry, Fairy Yunxiu discovered something and asked in astonishment, “Why are you all right?”

"I'm an immortal from outside the sky, and of course this Wuji Skyfire is useless to me." Yue Feng said with a smile.

Hearing these words, Fairy Yunxiu suddenly cheered up and said quickly: "So, if you help me deploy a protective film, you can block this infinite sky fire?"

Yue Feng smiled slightly: "Theoretically, it is possible."

Fairy Yunxiu didn't have time to think, she quickly said: "Then...then help me!"

"Oh, you asked me to close my dog's eyes just now. How can I help you?" Yue Feng said. A very difficult look.

"You..."

Fairy Yunxiu was very angry, she could see that the other party asked her to apologize!

But Fairy Yunxiu, who is dignified, was seen by him just now. In this situation, it would be fine if you didn't trouble him, how could you be soft on him?

Thinking to herself, Fairy Yunxiu gritted her teeth secretly, mobilizing her divine power in an attempt to resist the Wuji Heavenly Fire in front of her.

It's just that the Wuji Skyfire is too powerful, and in the blink of an eye, Fairy Yunxiu's body was flushed red, her forehead was full of beads of sweat, and a hint of pain appeared on her delicate face.

She couldn't take it anymore.

Ugh!

Seeing this scene, Yue Feng sighed, raised his hand and waved, unleashing the power of the red lotus of Faye, deploying a protective film in front of him, and then said with a smile: "Forget it, I don't care about villains, today Let me help you once."

Huh!

Hearing this, Fairy Yunxiu was very angry. She saw that the protective film that Yue Feng had deployed had a very small range. If she went there, she could not avoid skin contact.

What's even more annoying is that he also said that he is an adult and doesn't remember villains...

But if you don't pass, the infinite fire in front of you will burn yourself to ashes.

Thinking to herself, Fairy Yunxiu had no choice but to bite her lip and enter the protective film that Yue Feng had deployed.

At this moment, Yue Feng smelled an aroma that came to his face, and he was almost intoxicated. His eyes couldn't help but look at Fairy Yunxiu up close.

I have to say that Fairy Yunxiu's figure is simply too perfect.

Feeling Yue Feng's smiling eyes, Fairy Yunxiu bit her lip and was about to bleed. She felt uncomfortable, but she didn't dare to move, because if she moved, she would break away from the protective film and be burned by the infinite fire outside. .

hum!

At this moment, the huge fireman, seeing that Yue Feng was not afraid of Wuji Heavenly Fire, seemed to be provoked, roared in his mouth, and rushed over directly.

Nima!

At that time, Yue Feng didn't have time to think about it, so he cursed secretly, hugged Fairy Yunxiu directly, turned around and ran away.

Suddenly being held in Yue Feng's arms, Fairy Yunxiu's face turned red all of a sudden, embarrassed and angry: "You.... What are you holding me for? Let me down?" How to meet people?

Yue Feng said angrily: "Okay, I'll let you down, and you can deal with the burning man yourself."

Chapter 4737

"You...."

Fairy Yunxiu was furious, but she hugged Yue Feng tightly and did not dare to let go. The huge fireman was chasing after him, and once he was caught up, he would die.

This huge hole is connected to the swamp below, and the limbs are loose in many places.

Click!

While arguing with Fairy Yunxiu, Yue Feng paid attention to the huge burning man behind him. He didn't pay attention to his feet at all. Suddenly, the ground beneath his feet suddenly collapsed, revealing a big hole!

"Ah!"

Yue Feng and Fairy Yunxiu didn't have time to react, they exclaimed almost at the same time and fell straight down!

Nima, why did the ground suddenly collapse?

At this moment, Yue Feng wanted to cry without tears.

At the same time, the feeling of being weightless and falling made Fairy Yunxiu scream again and again, and out of instinct, she hugged Yue Feng tightly. Her long dress was burnt down just now, but at this moment, she was holding it tightly. Yue Feng only felt a wonderful feeling coming.

Pfft!

After more than ten seconds, the two fell directly to the ground. Yue Feng fell to the ground first, and then Fairy Yunxiu fell on Yue Feng's body.

Fortunately, Yue Feng is a mysterious body, otherwise, if he fell from such a high place and was hit by Fairy Yunxiu, he would definitely be seriously injured.

"You..."

Fairy Yunxiu hurriedly got up from Yue Feng's body, and did not forget to scold: "You can't watch the road, you can fall down if you have a hole in the ground?"

Yue Feng was speechless: "If it weren't for you Quarrel with me, how could I be so careless?"

Fairy Yunxiu snorted coldly, didn't bother to pay attention to him, looked around, and muttered: "I don't know if the fireman will chase down, this place is very strange."

When looking around, Fairy Yunxiu's delicate body Trembling faintly, unable to hide the shock.

call!

At this moment, Yue Feng also looked around and took a deep breath.

I'm going, there is another mystery here.

I saw that there was a huge secret space in front of me, the size of four or five basketball courts, surrounded by a dozen huge stone pillars, and on the stone walls behind each stone pillar, there were some strange symbols. Arts.

This....this is an array.

Yue Feng has extremely high attainments in the formation technique. At this moment, he can see at a glance that the stone pillars in front of him are a very mysterious formation technique. It seems like what Guiguzi once said about the 'Lock Immortal Array'.

The Immortal Lock Formation, as the name suggests, is helpless even if the immortals come. Because this formation can not only trap people, but also cause them to hallucinate, which is very scary...

But Yue Feng is not panic. With Yue Feng, as long as he seals the six acupoints on his body, he will not be affected.

hum!

At this time, Yue Feng only felt a strong sense of dizziness, he didn't have time to think about it, he quickly sealed the acupuncture point, then tilted his head and said to Fairy Yunxiu: "You are lucky to be with me today, otherwise. ..." To

be honest, Yue Feng didn't even bother to care about Fairy Yunxiu, but when something happened to her, it was not easy to deal with Empress Hua Zhao when she went back.

Forget it, let's seal the acupuncture point for her too.

However, before these words were finished, she saw Fairy Yunxiu's delicate body trembling, her originally depressed face suddenly became happy: "It's great, I'm finally back."

Saying that, Fairy Yunxiu's eyes fell on Yue Feng with a bit of shyness in her eyes: "Prince...His Royal Highness..."

Yes, Fairy Yunxiu was already affected by the immortal lock formation in front of her. I had hallucinations in front of my eyes, not only thinking that I had returned to Yuyao Xianyuan, but also mistakenly mistook Yue Feng for Prince Aotian.

Fairy Yunxiu, as Empress Hua Zhao's personal maid, often sees Prince Aotian, and her love has long since risen deep in her heart, but because of her status, Fairy Yunxiu has never dared to express it. At this time, I saw it in the hallucination, and I couldn't help it under the surprise.

I go!

She... She called me His Royal Highness, did she take me as the Aotian Prince?

Yue Feng was stunned for a while, her brows furrowed, unable to see that Fairy Yunxiu was usually so arrogant, but she was so charming even when she was shy, and she never thought that her sweetheart was Prince Aotian.

She thought that Yue Feng was going to help her tap the acupuncture points to wake her up, but after thinking about it, she held back.

It won't do me any good if she's sober. Forget it, let her continue to be confused.

Chapter 4738

Hmm!

Thinking in his heart, Yue Feng pretended to be Prince Aotian and snorted.

At the same time, Yue Feng's eyes couldn't help but look at Fairy Yunxiu's perfect curve. Just now, he was only trying to avoid the pursuit of the huge burning man. dry.

This body proportion is simply too perfect, especially the long straight legs, it's almost...

For a time, Yue Feng was a little confused, and the whole person became a little hot.

Aware of Yue Feng's gaze, Fairy Yunxiu bowed her head shyly, but soon realized that she had nothing to hide, and suddenly exclaimed.

This...

why don't you wear anything?

At this time, Fairy Yunxiu was completely in a hallucination, and she forgot why she didn't have a long skirt.

Yes, if you are dreaming, you must be dreaming. Otherwise, why would you stand in front of the Prince's Palace without any cover?

Thinking of this, Fairy Yunxiu mustered up her courage, raised her head and looked at Yue Feng, her eyes contained tenderness and sweetness, as if she could make a human velvet flower. She had already thought about it. Since this is a dream, she should be bold so as not to wake up. regret after coming.

Uh...

Fairy Yunxiu suddenly raised her head, Yue Feng was startled, thought she was unhappy, and quickly turned her eyes elsewhere.

This time, Fairy Yunxiu was a little unhappy, her eyebrows lowered, and she said softly: "His Royal Highness, why don't you look at me? Could it be... Isn't Yunxiu good-looking?"

At this time, Fairy Yunxiu had a face The resentment, arousing pity.

Gudong!

Hearing this, Yue Feng's heart shuddered, and he couldn't help swallowing his saliva.

Thinking to himself, Yue Feng nodded subconsciously and said, "Good-looking, good-looking!" After the

last word fell, Yue Feng turned his eyes to Fairy Yunxiu, without any pretense, and looked at it with confidence. Anyway, she had fallen into a hallucination. Do not look white do not look.

But after watching it for a while, Yue Feng couldn't stand it anymore, he scratched his head and said: "Okay, I've seen it, I should..." Although the scene in front of me is tempting, the most important thing now is to figure out how to do it. go out.

Just before she finished speaking, she was interrupted by Fairy Yunxiu.

"His Royal Highness!" At this time, Fairy Yunxiu's delicate face was both joyful and shy: "Do you like me?"

Yue Feng was stunned for a moment, then smiled: "Of course I like it, the beauty of the fairy is peerless, Who doesn't like it after seeing it?"

"No!" Fairy Yunxiu

shook her head and said seriously, "I mean that kind of like." Fairy sighed lightly, as if she had made a great determination in her heart, bit her lip lightly and said, "Since Your Highness likes me, let me be His Highness's woman?" After saying this, Fairy Yunxiu's face instantly rose. Extremely red. Fairy Yunxiu would never dare to say such shameful words. She thought she was dreaming at this time, so she took the initiative. What? At this moment, Yue Feng was completely stunned, staring blankly at Fairy Yunxiu, his mind was in chaos. I went, I was really guessed by myself, she really confessed.

However, this is not over yet, Fairy Yunxiu's following remarks made Yue Feng completely stupid: "Your Highness, do you know that your concubine has long admired His Highness for a long time, and a heart has long been yours, since Your Highness I also like a concubine, why don't you want me."

Saying that, Fairy Yunxiu boldly hugged Yue Feng.

Speaking of which, Fairy Yunxiu is usually very reserved, but in her heart, what is in front of her is a dream anyway, so she simply indulges it once.

What the hell!

Suddenly, Yue Feng was stunned, and his mind was buzzing. In the chaos, seeing Fairy Yunxiu in her arms, her sexy curves were unobstructed, Yue Feng couldn't hold it anymore, he quickly shook his head and

said, "Fairy, don't be like this..." Yue Feng grabbed Yunxiu The fairy pushed away, trying not to look at her.

Speaking of which, Yue Feng also likes beautiful women, but she also has her own principles. Fairy Yunxiu is trapped in the illusion and has lost her mind. What she did at this time was not her original intention. If it really happened to her, it was not taking advantage of others Dangerous?

Chapter 4739

At this moment, Yue Feng tried his best to calm down, and at the same time distanced himself from Fairy Yunxiu! However, Fairy Yunxiu didn't give him a chance at all. At that time, she whispered

: "Your Highness, you like me, why can't you want me? Do you know that when you do this, your concubine is very sad..."

, Fairy Yunxiu suddenly hugged Yue Feng and threw him to the ground.

Gudong!

At this moment, Yue Feng felt Fairy Yunxiu's enthusiasm was like fire, and he couldn't hold back for a while, and his hands gently slid over her.

"Well..."

Fairy Yunxiu has never had any intimacy with any man. Yue Feng's action directly caused her to suffer an electric shock. chant.

"Fairy, do you really want to give yourself to me?"

At this time, Yue Feng was also struggling in the depths of his heart.

This meat delivered to the mouth, is it edible or not?

If you eat it, you will take advantage of other people's dangers, but if you don't eat it, you will be too sorry for yourself, especially considering that Fairy Yunxiu has been making trouble for him before, Yue Feng is a little angry.

And now, she delivered it to the door herself.

"His Royal Highness, ask for me, I'm yours..."

Upon hearing the question, Fairy Yunxiu didn't hesitate at all, murmured a few words, and suddenly came up and kissed Yue Feng's mouth.

Nima, this is what you asked for.

Yue Feng couldn't stand the kiss at all. At that time, his mind went blank, he ripped off his clothes and pressed it directly.

"Um..."

In an instant, a seductive low voice constantly reverberated in this Noda's Immortal Lock Formation.

I don't know how long it took, everything returned to calm. Fairy Yunxiu was exhausted and fell asleep there. She was already trapped in an illusion, and then she was with Yue Fengyunyu, so naturally she couldn't stand it.

call!

Yue Feng sat aside and took a deep breath, feeling extremely complicated.

Oops, I endured it for a long time just now, but in the end I couldn't hold back. When Fairy Yunxiu wakes up and knows the truth, will she kill me?

Thinking to himself, Yue Feng tilted his head to look, and saw that Fairy Yunxiu was sleeping soundly, she should not be able to wake up for a while.

Forget it, find a way first!

Muttering in his heart, Yue Feng put on his clothes, stood up in front of the surrounding pillars, studied it carefully, and found a hidden switch in a short while.

Kazushi...

At that time, Yue Feng didn't have time to think about it, he directly opened the mechanism, and heard the sound of stones rubbing, and then the stone wall in front of him revealed a passage. Inside the passage, there was a stone room... I

didn't expect this lock fairy . In the array, there is no cave.

Yue Feng was overjoyed and quickly walked in.

hiss!

Entering the stone room, Yue Feng was stunned by the scene in front of him, and he couldn't help taking a breath of cold air.

Shock! My heart is full of shock!

When he saw the secret room in front of him, it was filled with colorful spar, and each piece exuded a charming luster. Yue Feng could see at a glance that these were all colorful stones.

Colorful stones, in the Kyushu continent and even in the realm of the gods, are treasures that can be found and cannot be sought. In the past, the goddess Nuwa used colorful stones to mend the sky, which shows how precious it is. In this secret room, there are thousands of them.

And in the center of these colorful stones, stood a huge crystal table, and a man sat on the table.

The man's eyes were slightly closed, not angry and arrogant, sitting on the crystal platform without moving, I don't know how long it has been, but it gives the feeling that it is like falling asleep.

who is this?

The surrounding is full of colorful stones, this pomp, the identity is definitely not simple.

Muttering in his heart, Yue Feng walked over slowly, extremely shocked in his heart, and looked around the crystal platform.

Um?

Soon, Yue Feng found something and took a gold medal from the man.

I saw that the gold medal was in the shape of a flowing cloud, with dragons and phoenixes carved on one side, as well as many rare spirit beasts, each of which was lifelike, and the other side was engraved with several elegant ancient characters 'Heavenly Dao Wuji, ruling gods.'

This....

Seeing these eight words, Yue Feng was extremely shocked, and his mind went blank.

Could it be... this is the imperial decree of the Emperor of God that has been lost for Jin Wannian?

As the Nine Heavens Profound Sage of the God Realm, Yue Feng also knows a little about the situation of the God Realm. At the beginning of the establishment of the God Realm, the Emperor of Heaven specially made a token in order to show his identity. The war, the token of heaven and earth will come to an end.

Chapter 4740

Under the shock, Yue Feng couldn't help looking at the man on the crystal stage, and his heart was shaking.

According to rumors, when the gods and the demons fought fiercely ten thousand years ago, the elder who ruled the gods at that time was the elder brother of the ancient ancestor.

It now appears that he was seriously injured and hid here. The immortal lock array outside was deployed by him, it should be to prevent being found by the demons...

Thinking of this, Yue Feng showed a smile, and his heart was inexplicably excited and excited.

Haha...

It's really great, now that I have found the imperial order of the Emperor of Heaven, in the competition a hundred days later, Prince Aolin will have more trump cards.

Excited, Yue Feng put away the emperor's imperial order, and then put the colorful stones in the entire secret room into the necklace around his neck. The space inside this chain is very large. A large area is enough to take away all the colorful stones here.

call!

After doing all this, Yue Feng took a deep breath and bowed deeply to the man on the crystal stage: "Senior, junior Yue Feng has no intention of offending, let alone your greed for your Heavenly Emperor's Imperial Order and Colorful Stones, don't worry, I will hand over the Emperor's Imperial Order to Prince Aolin to help him succeed the new Emperor of Heaven and benefit the world." After the words

fell, Yue Feng turned around and walked out of the secret room.

When I got to the Immortal Locking Formation outside, I saw that Fairy Yunxiu had not woken up yet, and Yue Feng had not woken her up, and carried her back to the cave above.

"Hmm..."

As soon as she got to the top, she heard Fairy Yunxiu let out a soft moan and faintly woke up.

With this sound, Yue Feng's bones were almost crisp at that time. Thinking of the previous scene of Yunyu, he couldn't help but reminisce.

“You...”

At this time, Fairy Yunxiu saw that she was in Yue Feng’s arms, and her face flushed: “What are you doing? Let me down!”

When she said this, Fairy Yunxiu thought of something, and her face turned even redder. She clearly remembered that she had a close relationship with Prince Aotian, and then fell asleep. Why did she return to this underground cave in a blink of an eye?

Could it be that...at that time and myself...is this old and unscrupulous?

No, no, the body of His Royal Highness in the dream is burly and sturdy, and it is not in the state of an old man at all.

It must be a dream, yes, it must be.

Seeing her sober up, Yue Feng smiled bitterly and put her down.

At this time, Fairy Yunxiu didn’t know that the ‘Qingxu Fairy’ in front of her was not an old man at all, but was dressed up by Yue Feng.

“I’m asking you!” At this time, Fairy Yunxiu came back to her senses

, looked around, frowned, “How did we get back? Where was the cave just now?”

“You’re too embarrassed to say it.”

He made a very tired look: “The stone pillars around that place are very strange. At that time, I just felt that the world was spinning, and I passed out soon. I don’t know how long it took to wake up, and I saw that you were still in a coma. Then I took a lot of effort to bring you out.”

She found the secret room and obtained the imperial order of the Heavenly Emperor and the five-colored stone, she must not know about it, she can only make up nonsense on the spot.

“Really?” Fairy Yunxiu was suspicious.

Yue Feng was too lazy to talk nonsense, and smiled lightly: “If you don’t believe it, you can go back and have a look, but let me remind you, if you are trapped in it again, don’t expect the old man to save you.”

With that, Yue Feng walked towards the way he came. .

At this time, Yue Feng was exhausted on the surface, but he was excited in his heart. After this trip, the harvest was not small. He couldn’t help getting the imperial order of

the Emperor who had been missing for many years, and he also obtained so many colorful stones. It was a big profit.

“Hey, wait...”

Fairy Yunxiu frowned and quickly chased after her: “Aren’t you going to help the White Tiger King explore this cave? That’s the end of it?” For

some reason, she always felt this ‘clear and empty’ Xianweng’ has something to hide from himself.

Yue Feng stopped and looked back at her with a half-smiling smile: “I have already seen the place to look. The key place is the underground hole surrounded by stone pillars. I guess that there is an extremely mysterious magic circle. The formation gathers the spiritual energy of the surrounding heaven and earth, so it looks very mysterious. It is estimated that the Wuji Skyfire we encountered before is also related to this formation.”
