

The ultimate husband in Chinese chapter 4766-4770

Chapter 4766

Fairy Lvqi still doesn't know that the cold air in the alchemy room has not completely dissipated. Under such circumstances, alchemy is very dangerous.

Chi Chi...

Just when Fairy Luqi was looking forward to it, suddenly, the flame in the pill furnace was affected by the cold outside, and the fiery red fire suddenly turned ice blue.

what's the situation?

Seeing this scene, Fairy Lvqi was taken aback. At this time, she realized that she was a little reckless, and she was about to go over and put out the fire.

However it was too late.

Bang!

Before Fairy Lvqi approached, the already red-hot Pill Stove suddenly burst under the influence of the surrounding cold air, making a dull roar.

The powerful airflow directly shook Fairy Luqi back a dozen steps, and finally collapsed to the ground. Before she could stand up, the ice-blue flames turned into turquoise, and the flames splashed around with the bursting pill furnace. It spread to Fairy Luqi!

hiss!

Feeling the temperature of the turquoise flame, Fairy Lvqi suddenly trembled, only to feel an incomparably hot pain that hit her body instantly, her face flushed all of a sudden.

Done!

At this moment, Fairy Lvqi regretted very much. She had known that this would be the case, and she should have listened to Xian Weng just now.

.....

On the other side, Yue Feng hugged Princess Xi Ya who was frozen into an ice sculpture, and when he arrived in the room, he put her on the bed.

Kazazzi...

At this moment, the ice layer around Princess Xiya has already appeared cracks, and at the same time, she has regained some consciousness, and shouted weakly and anxiously: "Hey, white-bearded old man, quickly let me out."

My own dignified princess was actually frozen into an ice sculpture, which is really annoying.

Ha ha...

Yue Feng smiled lightly, looked at Princess Xiya and said, "Your Highness, eat a slash to gain wisdom. In the future, you should not rush into the dangerous forbidden area of the alchemy room."

"As for the ice on your body, it will disappear naturally in a few hours, you don't have to worry, we are different from men and women, I'd better go." The

voice fell, Yue Feng turned and left.

This unruly princess, relying on her status, is unscrupulous in what she does. This time, I will make you suffer a little and have a long memory.

"Hey!"

Seeing Yue Feng leaving, Princess Xiya was very angry: "You old man, come back..." However, Yue Feng ignored it and disappeared into the night in a blink of an eye.

"Damn old man!" Princess Xiya was anxious and angry: "Let me find a chance, or you will look good."

Muttering to herself, Princess Xiya tried to use divine power to dissolve the ice on her body.

On the other side, Yue Feng left Princess Xiya's room and was relieved.

It was really dangerous just now. The token of heaven and earth fell out. Fortunately, I was quick, otherwise it would be a big trouble if Princess Xia saw it.

Um?

Soon after passing the alchemy room, Yue Feng suddenly stopped and frowned.

what's the situation?

At this time, Yue Feng could clearly sense that an extremely strong force was raging in the alchemy room. From a distance, a turquoise flame was burning inside, which was very strange.

broken!

Seeing this situation, Yue Feng suddenly understood something. It must be that Fairy Luqi was disobedient, and secretly made medicine pills in the alchemy room. It was so ridiculous. system?

Thinking to myself, Yue Feng hurry up!

“Yeah.”

When he was about to arrive, he heard an intermittent low-pitched moan, revealing pain, it was Fairy Luqi.

The sound came in bursts, as if with a fatal temptation, Yue Feng only felt that the bones in his body were going to be crisp.

I'm going, something must have happened.

At this moment, Yue Feng didn't hesitate and rushed in quickly.

hiss.

The moment he entered the alchemy room, when he saw the scene in front of him, Yue Feng couldn't help taking a breath, and the whole person was stunned.

I saw that the entire alchemy room was burning with turquoise flames, and in the corner, Fairy Lvqi curled up there, dripping with perspiration, her delicate body trembling gently. The delicate face rose red, revealing a trace of pain.

This...

A few seconds later, Yue Feng reacted, a little dumbfounded.

This Fairy Lvqi must have wanted to quickly resolve her physique, so she ignored her previous instructions and hurriedly refined it, causing an accident.

Chapter 4767

Thinking, Yue Feng walked over quickly and said softly, “Fairy, how are you, fairy?”

At this time, Fairy Lvqi seemed to be on fire all over her body, her delicate body kept shaking, and she was completely losing his mind, he couldn't hear what Yue Feng was saying.

"It's hot, it's so hot..."

At this moment, she felt someone approaching her, Fairy Luqi stood up subconsciously, and hugged Yue Feng all of a sudden.

Under the scorching heat in her body, Fairy Lvqi lost her reason, she just wanted to find a place to release the temperature...

This...

Being hugged by Fairy Lvqi suddenly, she felt a fragrance blowing towards her face, Yue Feng's bones were crisp.

Gudong!

Feeling the exquisite figure of Fairy Lvqi, Yue Feng couldn't help but secretly swallowed his saliva. He really didn't expect that Fairy Lvqi's body was not only sexy, but the feeling of hugging her was even more wonderful.

However, Yue Feng was not particularly well. At this time, Fairy Lvqi was hot all over. Yue Feng felt like he was hugging a stove, and after a while, she was sweating profusely.

"Alas..."

At this time, Yue Feng sighed and said to Fairy Luqi who had lost her mind: "I said that I don't want to make alchemy tonight, but you didn't listen. It's okay now, something happened, but you are also lucky. Alright, come back when you meet me, otherwise you will lose your spirits." As

he spoke, Yue Feng began to use his divine power to suppress the scorching power in the body for Fairy Lvqi.

Huhu...

In just a few minutes, the scorching power in Fairy Lvqi's body was successfully dispelled by Yue Feng.

I saw that Fairy Lvqi at this time was dripping with sweat, her long skirt was sticking to her body, revealing a charming curve, and Yue Feng was also sweating profusely.

What's wrong with yourself?

The moment she woke up, Fairy Lvqi's delicate face was very dazed. The next second, she saw herself hugging Yue Feng tightly, and her face flushed.

The next second, Fairy Lvqi quickly broke free from Yue Feng's embrace and stared at Yue Feng shyly and angrily: "Xianweng, you... what did you do to me just now?"

"Now, if it is spread out, how will I see people in the future?"

call!

Yue Feng breathed a sigh of relief, and smiled helplessly: "Fairy Luqi, when I came in just now, you almost went into trouble. You didn't respond to me at that time, and you took the initiative to hold me."

"It's not this old man, the evil fire in your body continues to spread, and the consequences can't be imagined."

This...

Fairy Luqi bit her lip and tilted her head to think.

Xian Weng seems to be right, he really took the initiative to hug her just now. At that time, his whole body was about to burn, so he subconsciously hugged something. I didn't expect it to be Xian Weng...

Thinking of this, Fairy Luqi is incomparable. shy, blushing. She has always been pure and self-love, and rarely gets along with men, but now she takes the initiative to hug Xianweng, and she can't calm down.

Although Xianweng is old, he is also a man.

It's so embarrassing.

For a time, Fairy Lvqi became more embarrassed the more she thought about it, and she didn't dare to raise her eyes to look at Yue Feng.

"Xianweng!" The

next second, Fairy Lvqi bit her lip and walked to Yue Feng, her delicate face showing shyness and a bit of pleading: "Don't tell His Royal Highness what happened tonight, Okay? Even if I beg you..."

I first begged Xian Weng to make alchemy in private, and then I almost caused a catastrophe if I didn't listen to the instructions. More importantly, I took the initiative to hug Xian Weng just now... If Prince Aolin knew about this series of things, he would definitely punish himself. of.

Hehe...

Seeing her look of anticipation, Yue Feng nodded with a smile: "Fairy, don't worry, I won't tell anyone about tonight's affairs."

When he said this, Yue Feng looked serious, but in his heart Secretly funny.

This Fairy Lvqi is so interesting. She just hugged her and didn't do anything else, so she was so nervous.

call!

Seeing his agreement, Fairy Luqi breathed a sigh of relief, nodded and thanked: "Thank you, Xianweng!"

Then she looked at the sky: "Xianweng, it's very late, you should go and rest." The

last sentence fell . , Fairy Lvqi lowered her head shyly, and then began to clean up the mess.

"Okay, the old man will leave first." Yue Feng nodded with a smile, and was about to turn around and leave.

Chapter 4768

Papa!

However, at this time, the thousand-changing mask on Yue Feng's face suddenly fell to the ground. When he was expelling the scorching heat from the body of Fairy Lvqi just now, Yue Feng was sweating profusely, and the thousand-changing mask had been separated from the skin. Yue Feng didn't pay attention, until this moment, the Thousand Changes Mask completely fell off.

What the hell!

Seeing the mask fall to the ground, Yue Feng's mind was buzzing, and it was blank.

It's over, now the identity will be revealed.

"You..."

Upon hearing the movement, Fairy Lvqi immediately looked over. When she saw Yue Feng's true face, her body trembled and she was shocked: "You... are you Yue Feng?"

"When she got up, Fairy Lvqi rarely left Yuxi Xianyuan, and it stands to reason that she didn't know Yue Feng, but after Prince Aolin worshipped Yue Feng as his teacher, he

invited Yue Feng to be a guest at Yuxi Xianyuan. At that time, Fairy Lvqi was far away. After taking a look, because Yue Feng's identity is special, not only Jiutian Xuansheng, but also the prince's master, so Fairy Luqi still has a fresh memory, and she recognized it at a glance.

hiss!

Seeing Fairy Lvqi say her name, Yue Feng couldn't help gasping for air. He wanted to cry without tears, and was completely panicked.

It's over, it's over now.

But soon, Yue Feng calmed down and smiled bitterly at Fairy Luqi: "Fairy, don't misunderstand, I have no choice but to do this."

Anyway, the identity has been exposed, so let's just recognize it.

"You..." At this time, Fairy Lvqi was still immersed in a huge shock: "Xianwen Qingxu from outside the Nine Heavens, turned out to be the Nine Heavens Xuansheng Yue Feng? This..." Said to

himself While talking to herself, Fairy Luqi thought that she took the initiative to hold him just now, and her face became even more ashamed.

Soon, Fairy Lvqi reacted and looked at Yue Feng shyly and angrily: "Yue Feng, what the hell is going on? You are the master of His Royal Highness, how could you even lie to him?"

Alas!

Yue Feng sighed and said, "I don't want to do this either. It's just that Empress Hua Zhao has a deep grudge against me and wants my life all the time, so I had to change my identity and come to God's Domain to teach His Royal Highness.

", Yue Feng explained in detail how he was invited by Fairy Pipa.

"Fairy!" After saying this, Yue Feng said with a serious face: "You also know that Empress Hua Zhao has been trying to suppress and squeeze Prince Aolin in order to support Ao Tian's succession. His Royal Highness's expectations?"

It turned out to be so!

Knowing the situation, Fairy Lvqi was stunned. She was the exclusive alchemist of Prince Aolin, and she was dedicated to Prince Aolin. At this time, she knew that Yue Feng was doing this to help Prince Aolin succeed the throne. Agree.

“So...now the prince doesn't know your identity?” After knowing the truth, Fairy Luqi calmed down a lot and couldn't help asking.

Yue Feng nodded and said with a wry smile: “I absolutely cannot expose the current situation, as you know, Niangniang has always asked Haotian Divine Monarch to track down my whereabouts in Kyushu, if you know that I am a fake immortal, I have become the master of Prince Aolin. , I will definitely not give up, and at that time, His Royal Highness will also be implicated.”

Said, Yue Feng said seriously: “So I hope the fairy can help me keep this matter a secret.”

“Okay!”

Fairy Lvqi bit her tightly. He pursed his lips and nodded without hesitation: “Don't worry, I won't talk about this in my sleep.”

Seeing her answer, Yue Feng breathed a sigh of relief, and after chatting a few more words, he picked up the Thousand Changes mask and left quickly.

At this time, Yue Feng really wanted to return to the room quickly. You must know that he sweated so much just now, his face was sticky, and it was very uncomfortable to wear a thousand-changing mask, so he had to wash his face well.

At this time, Yue Feng didn't know that what was waiting for him was a prank conspiracy.

.....

“I'm so pissed off.”

At this time, Princess Xi Ya used her divine power. After ten minutes of hard work, she finally scratched off the ice layer on her body. Thinking of the scene just now, she became angry. : “This dead old man didn't even help me, let's see how I treat you.” As

she said, Princess Xiya quickly changed her clothes, and quietly approached Yue Feng's room in the dark of night.

Chapter 4769

“Who?” “Who?”

When he was

approaching the door of Yue Feng's room, he encountered several patrolling soldiers.

Princess Xiya was very angry, and she akimbo shouted: "I'm really blind to your dog's eyes, can't you see that it's this princess?"

Gudong!

As soon as they heard the voice of the princess, several patrolling soldiers were so frightened that they swallowed their saliva and then saluted.

"It turned out to be the princess, it's a misunderstanding."

"Princess, calm down, we are really blind..."

Princess Xiya was eager to rectify Yue Feng, but seeing these magic soldiers admit their mistakes, she didn't bother to care, she waved her hand and said, "Okay, hurry up and get out."

"Yes..."

Several divine soldiers responded quickly and turned to leave.

However, at this moment, Princess Xi Ya's eyes flashed, and her delicate face showed a hint of slyness, and she quickly shouted: "Everyone stop, come and do some work for this princess." Work?

Hearing this, several divine soldiers hurried over and said respectfully: "What the princess wants us to do, even if you tell me." Princess Xiya was too lazy to talk nonsense, and said lightly: "Just follow me." Dang Xian walked towards Yue Feng's room.

Several divine soldiers looked at each other in dismay, and didn't dare to ask more at the time, so they quickly followed.

Soon after arriving at the door of Yue Feng's room, Princess Xiya first made a gesture to tell the few magic soldiers behind her not to make any noise, then quietly walked over and carefully stopped across the door.

Great, there is no sound inside, it must be a rest.

In the darkness of the night, Princess Xiya showed a smile and was very excited. She heard the silence in the room, and there was no sound at all, so Ding Yuefeng had already rested.

The next second, Princess Xi Ya turned around and said to the soldiers, "Come here, dig a big hole for me at the door, the deeper the better." When she said this, Princess Xi Ya smiled evilly.

Yes, she plans to rectify Yue Feng and create a trap at the door to make him suffer.

What?

Hearing this, several patrolling soldiers were suddenly dumbfounded.

The princess is too rambunctious, this is Qingxu Xianweng's room, digging a hole here, isn't it courting death? If His Royal Highness finds out, he will definitely be punished.

As I thought to myself, one of the divine soldiers smiled bitterly: "Your Highness Princess, don't be too embarrassed, this is Xian Weng's room, if we dig a hole and let the old man fall, His Royal Highness will definitely punish him if he knows it. Yes ." The

voice fell, and the other divine soldiers nodded.

"A bunch of rubbish!"

Princess Xi Ya said angrily with her almond-shaped eyes, "You are afraid that my brother will punish you, but you are not afraid of this princess? I tell you, if any of you don't listen to me today, I will tell my mother and take your Cut off all the heads."

After speaking, Princess Xiya took a deep breath and softened her tone: "Don't worry, if something really happens, I will say that I did it, and it has nothing to do with you."

This... Seeing her say that ,

several divine soldiers hesitated for a while, but finally bit the bullet and dug a hole at the door.

Speaking of which, they didn't want to do it, but there was no way. This Princess Xia was a lunatic, annoyed her, and the consequences were unimaginable.

Seeing them start, Princess Xia showed a smile, leaned against the tree next to her, and commanded in a similar manner.

"Dig deeper, go deeper..."

"Hurry up!"

Soon, at the urging of Princess Xiya, a trap with a diameter of several meters and a depth of more than ten meters was dug, and then a thin layer of trap was placed on it. The soil is a cover up, and you can't see it unless you look closely.

After the completion, Princess Xi Ya was very satisfied with the effect, and waved her hands to let the magic soldiers leave.

Shasha...

As soon as a few divine soldiers left, they heard footsteps not far away.

Princess Xi Ya quickly hid, and secretly looked in the direction where the footsteps came, only to see a figure slowly approaching under the night, so far away that she could not see her face clearly, but she also recognized the 'Qingxu Xianweng by the figure. '.

call!

At this moment, Princess Xiya was instantly excited and whispered to herself: "This dead old man, he hasn't come back to rest yet, but that's okay, the trap has just been fixed, so let you have a good taste."

Chapter 4770

Hmm! ?

Just when Princess Xi Ya was talking to herself, Yue Feng was approaching the door. For some reason, she suddenly felt that something was wrong around her.

what's going on? How do you feel that someone is staring at you secretly?

Muttering in his heart, Yue Feng shook his head and smiled bitterly. Maybe he had revealed his identity in front of Fairy Luqi just now, and he was a little sensitive in his heart, so he was suspicious.

Muttering in my heart, Yue Feng was about to open the door.

Whoa!

It was at this time that Yue Feng entered the trap area, and suddenly fell flat. At that time, Yue Feng had no time to react and fell directly.

What the hell!

At the same time as the fall, Yue Feng was very annoyed, Nima, when was a big hole dug at the door?

This special code is too bold.

Pfft!

Soon Yue Feng fell to the bottom. At that time, his toes were a little bit, and he stood firmly on the figure, and then he was about to fly up.

“Hee hee...”

However, at this moment, there was a burst of laughter from the top of the big pit, and then a sly head poked down, extremely proud and excited: “Stinky old man, I told you to watch me freeze. I don’t care, now I know how powerful this princess is.”

It was Princess Xiya.

Nima, it’s her again!

Hearing the voice of Princess Xiya, Yue Feng wanted to cry without tears, and at the same time, his heart was full of fire, this girl is really difficult to deal with.

I thought to myself, Yue Feng was about to rush up.

Whoa!

However, at this time, Princess Xi Ya threw down the prepared big net from above, covering Yue Feng directly, then clapped her hands and laughed: “Catch the turtle in the urn, haha, catch the turtle.

” The big net dragged Yue Feng up from the bottom.

Nima!

Hearing Princess Xiya’s laughter, Yue Feng was almost angry. This princess is really hateful. Just dig a hole at my door and call me a turtle. It seems that the lesson I gave you before was too light.

At this moment, Princess Xi Ya had already dragged Yue Feng up. When she saw his face at that time, her delicate body trembled, and she was stunned: “Feng Ge? You...how are you?”

Strange, He clearly caught the immortal Weng Qingxu, how did he turn into the disappearing ‘Feng Ge’ in a blink of an eye?

broken!

Seeing Princess Xiya’s reaction, Yue Feng was startled and panicked. When he came back from the alchemy room, he didn’t wear a mask...

On

the other side, Kyushu, Nanyun Imperial City.

At this time, on the road outside the city, a man and a woman walked quickly towards the city gate.

The man is tall and straight, heroic and handsome, and the woman is dignified and beautiful, glamorous and moving!

It was Yue Wuya and Long Qianyu!

At that time, after Huang Zheng ran away, Long Qianyu didn't care that his internal strength had not fully recovered, so he hurried on the road for a while, and finally arrived after half a day.

This...

quickly arrived in front of the city gate, seeing the situation in front of him, Yue Wuya was stunned, and Long Qianyu frowned!

I saw that on the walls on both sides of the imperial city, there were densely packed soldiers, each with long knives, waiting in full force, and at the city gate, a checkpoint was also set up to strictly check every pedestrian entering and leaving.

At this time, the imperial city can be said to be heavily guarded, like a copper wall and an iron wall, not a fly can fly in.

Not only that, in the imperial city, at this time, it should be full of traffic and lively, but today it is extremely calm. There are many palace guards patrolling the streets.

This situation... is not right!

Seeing this, Yue Wuya frowned and couldn't help but whisper: "Looking at this, Huang Zheng should have come back one step ahead of us, and now there are his subordinates deployed in and out of the city, I see, you Don't go in yet, make another plan."

Phew!

Long Qianyu breathed a sigh of relief, his delicate face did not fluctuate in the slightest, and said lightly, "I am the queen, who would dare to stop me?" He quickly stepped forward.

This woman is really persistent.

Yue Wuya shook his head secretly, then quickly followed.

“Stop!”

As soon as they arrived at the gate of the city, a few defending soldiers walked over quickly and intercepted Long Qianyu.

“Blind your dog’s eyes.”

Long Qianyu’s pretty face froze, and she said coldly: “I am the queen, I will immediately send orders to let the civil and military officials come out of the city to see you.” The voice was not loud, but it was full of aura.
