Chapter 4771

Queen?

Hearing this, those city gate guards looked at each other with complicated expressions.

There was an order in the palace before, once someone claimed to be the queen, they would take it down immediately, and also explained that the fake queen was dressed up by someone from the Ouyang family.

Thinking of this, the leader of the city defense captain looked at Yue Wuya and asked loudly, "Who are you?"

"Yue Wuya!" Yue Wuya responded indifferently with three words.

Swish!

In an instant, the captain's face changed, and he was furious: "It turns out to be Yue Feng's son, the Lord of Tianmen, then there is nothing wrong, come on, take these two daring people and take them down immediately!" The

voice fell, and the surrounding The guard soldiers pulled out their long knives one after another and charged towards Long Qianyu and Yue Wuya.

Nima...

Facing this situation, Yue Wuya frowned.

At the same time, Long Qianyu was also very frightened and shouted: "You guys are so bold, you dare to rebel against the Queen?"

"Rebel?!"

The captain who led the team immediately sneered and scolded: "Really daring. It's you, after the general came back, he has already stated the situation in the hall. When Her Majesty the Queen was fighting the pirates, she unfortunately sank to the bottom of the sea."

"Also, the general has long been informed that your Ouyang family secretly famous people faked the queen. Your Majesty, trying to subvert the situation of my Nagumo, his heart is sinister, and the crime cannot be punished!"

Speaking of this, the captain's face was filled with resentment: "At this time, it seems that what the general said is good, fortunately we found it in time, otherwise we would have It's your turn."

This chapter is provided by . Visit for daily update.

When the last word fell, the captain was too lazy to talk nonsense, and shouted angrily: "Take these two people down! It doesn't matter if you live or die!"

Hula!

The voice fell, and more guards around rushed over, urging their inner strength, and attacked Yue Wuya and the two.

Damn....

At this moment, Long Qian's delicate body trembled, she knew that Huang Zheng was very ambitious, and when he returned to the imperial city, he would definitely reverse right and wrong, but she never thought that he would do such an amazing job. .

At the same time, Yue Wuya also sighed and said to Long Qianyu with a wry smile: "I really didn't expect that Huang Zheng would be so sinister and play this trick, but then again, with such a sinister and despicable subordinate, you actually still Stay by your side and use it again, sigh, it is not wrong to be in such a situation now."

"Shut up!"

Hearing the ridicule, Long Qianyu's face flushed, and he said angrily: "This Huang Zheng, I already knew his character. Misconduct, I just haven't found a chance to convict him." As he

spoke, he was about to rush up, but was stopped by Yue Wuya.

"Forget it, you haven't recovered your internal strength yet, so don't go up. Just hide behind me." Yue Wuya moved his wrist and said slowly: "It's just some defending soldiers, it will be done soon."

hum!

When the words fell, Yue Wuya moved his wrist and rushed over.

Bang bang bang...

In an instant, Yue Wuya was like a tiger entering a flock of sheep, and he was extremely brave. As soon as he saw his figure, a sound of vibration came out, and many guards were shocked and flew out.

“Reinforcement, quickly call for reinforcements...” Seeing this situation, the captain of the defending city was furious and kept howling.

wow wow wow...

Soon, when he learned of the situation here, more imperial city defenders rushed over. However, even so, Yue Wuya did not panic at all. Under the siege of hundreds of palace guards, his figure was as fast as lightning, standing in the crowd. Shuttle back and forth, as fast as lightning, every time a shot is made, a guard will definitely fall.

Almost in the blink of an eye, more than a dozen guards had fallen into a pool of blood.

“Yue Wuya!”

At this time, the captain of the guard was shocked and angry, staring at Yue Wuya with glares: “You Ouyang family are really daring, pretending to be our queen, and dare to come here to be wild, I advise you to surrender immediately and be captured, Otherwise, your head will fall to the ground today.” The

voice fell, and the other guards around also shouted.

“That’s right, you can’t escape today!”

“Hurry up and surrender, or you will be splattered with blood on the spot...”

“Dangdang Nanyun Imperial City, is it also your Ouyang family who want to come and go wild?”

” Soldiers are more angry than each other.

Chapter 4772

What a bunch of idiots.

Hearing this, Yue Wuya frowned and said angrily: “You idiots have all been deceived by Huang Zheng, now you can see clearly with wide eyes, behind me is your queen! She is not dead. , but a lie that Huang Zheng wanted to seize power and deliberately made up!”

Lie?

Hearing this, both the captain and the other guards around were stunned, and then looked at Long Qianyu one by one.

This....be it looks or temperament, she is indeed the queen.

Could it be that what Yue Wuya said was true? Huang Zheng deceived everyone?

For a time, everyone stopped in confusion.

“Yue Wuya, don’t tell stories here.”

However, at this moment, I heard an angry shout from the direction of the palace not far away, and then, thousands of palace guards, surrounded by a figure, quickly come.

The leader in a golden dragon robe is majestic and majestic, it is Huang Zheng.

Huang Zheng was originally watching the singing and dancing in the main hall, and suddenly heard Long Qianyu and Yue Wuya appear.

Swish!

At this moment, seeing Huang Zheng’s attire, Long Qianyu was very frightened, and his petite body trembled: “Huang Zheng, you are very courageous, you dare to usurp the throne and seize power?”

Yue Wuya also frowned and said coldly: “A scoundrel and a thief, the crime should be punished.” To be

honest, Yue Wuya didn’t like Long Qianyu at first, but when he saw her situation, he couldn’t help but feel a little sympathetic. The emperor’s position, but also want to kill people.

“shut up!”

Facing the anger of Long Qianyu and the two, Huang Zheng had a dignified expression on his face, and shouted: “You two are very courageous, pretending to be the queen, and still making trouble in the imperial city.” After speaking

, Huang Zheng looked around and continued. “All officers and men, think about it carefully. Back then, when the Queen annihilated the Ouyang family several times, the two sides were almost incompatible. If the Queen really didn’t die, she wouldn’t be able to be with the Ouyang family. So, this Queen is fake. People from the Ouyang family are pretending, don’t believe it.” In the

last sentence, Huang Zheng almost roared out.

That ‘s right...

Hearing this, many of the surrounding guards nodded silently in approval. The Queen and the Ouyang family were like water and fire, how could it be possible to be with Yue Wuya.

Seeing that everyone believed his words, Huang Zheng was excited and exclaimed without losing the opportunity: "What are you still doing? They are just two of them, and they will take them down together!" The

voice fell, and the surrounding soldiers guarding the city, They looked at each other and rushed over at the same time!

"Stupid..."

Seeing this situation, Long Qian stomped his feet in a straight voice: "You are all deceived by Huang Zheng, I am really the queen..." But no one paid any attention to her.

At this time, Yue Wuya was also very speechless, and smiled bitterly: "Forget it, it's useless to say anything now, let's break out first."

After saying that, Yue Wuya's eyes locked on Huang Zheng, and he sneered. : "Huang Zheng, you despicable villain dare to show up. Last time you were lucky enough to escape, this time you are not so lucky."

Om!

When the words fell, Yue Wuya raised his hand and waved, only to see a golden light flickering, and the Overlord's Hammer was tightly held in his hand.

The terrifying aura swept the audience, and many defending soldiers were afraid and subconsciously took a few steps back.

Seeing Yue Wuya summoning the Overlord Hammer, Huang Zheng couldn't help spitting down tears, and a trace of fear rose in his heart. You must know that in that unknown abandoned fishing village, he had experienced Yue Wuya's power.

But thinking of the current environment, Huang Zheng quickly calmed down and said with a sneer: "Yue Wuya, don't be arrogant in front of me, this is Nanyun Imperial City, not your Ouyang family!" The

last word Falling down, Huang Zheng waved his hand and howled: "Give it to me. Whoever can hurt Yue Wuya will be rewarded heavily."

"Kill!"

Hearing this, the guards who were present and followed Huang Zheng came The Guards, all of them were beaten with blood, rushed up howling.

"Hahaha..."

Seeing everyone rushing up, Yue Wuya didn't panic at all, but laughed loudly: "If you want to catch me, come here." The voice fell, and the figure flashed, holding the Overlord Hammer tightly to kill Enter the crowd!

Chapter 4773

bang bang bang ..

Yue Wuya shuttled through the crowd, full of fighting spirit, golden lights and shadows erupted from the Overlord Hammer, terrifying power raged, in less than a minute, more than a hundred people fell in a pool of blood.

At this time, when the people in the city got the news, they all rushed over to watch.

hiss!

At this time, seeing Yue Wuya fighting fiercely in the crowd, many people couldn't help but gasp and let out bursts of exclamations.

"This young man is so powerful that he actually injured so many guards!"

"I heard that this man is Yue Feng's son, the current Lord of the Heavenly Sect. I didn't expect to be so heroic and handsome..."

"Yeah... "

Under the exclamations of everyone, there were many women who were also fascinated by Yue Wuya's handsome demeanor.

Is this the current Lord of Tianmen? So handsome, so powerful!

call!

Listening to the discussions of the surrounding people, Long Qianyu's delicate face showed a trace of complexity.

This Yue Wuya really deserves to be the son of Yue Feng. He will attract bees and butterflies. He has just grown up, so many women are crazy about him...

Mad!

As for Huang Zheng, who was watching the battle not far away, his face was blue.

So many people can't stop Yue Wuya. If you don't capture him alive today, how will you convince the public in the future?

“Go to hell!”

The more Huang Zheng thought about it, the more angry he became. At that time, he roared, his figure jumped into the air, his hands suddenly raised, and a huge black unicorn condensed out in the air.

It is Huang Zheng's unique skill 'Kirin Art'.

Speaking of which, this Qilin Jue is similar to the 'Xuanyin Divine Art' that Yue Chen practiced back then. After practicing it to a certain level, it can transform into the form of a beast through internal power, and its power is amazing.

“Death to me!”

At the moment when the black unicorn condensed, Huang Zheng raised his hand and only thought about Yue Wuya, then he heard a roar from the unicorn, and burst out.

Huang Zheng knew that Yue Wuya was very strong, so he didn't do it himself at first. Instead, he used the guards and the imperial guards to consume Yue Wuya's strength. When he saw the opportunity, he took decisive action.

mean!

Seeing this situation, Long Qianyu's delicate body was shocked, and he cursed inwardly, and shouted to Yue Wuya at the same time: “Yue Wuya, be careful!” She knew the power of Qilin Jue, if she was hit, she would die or die. residual.

Made!

At this time, Yue Wuya was dealing with the soldiers who were constantly rushing up, and he had no time to take care of his back. He suddenly sensed the danger coming from behind him. He looked back subconsciously, and when he saw the black unicorn, Yue Wuya's face changed.

This Huang Zheng was too cunning, he even attacked from behind...

In the blink of an eye, the black unicorn was in front of him. At that time, Yue Wuya couldn't dodge at all, so he had to raise the bully hammer to resist.

boom!

In the next second, the black unicorn carried terrifying power and slammed into the Overlord's Hammer with a deafening roar. It was seen that most of the power of the black unicorn was offset by the Overlord's Hammer, and only a small part hit Yue Wu. On Ya, even so, Yue Wuya groaned and was knocked back several dozen meters, and a mouthful of blood spurted out.

In response to the crowd's siege just now, Yue Wuya used the Overlord's Hammer, which consumed a lot of internal strength. At this time, facing Huang Zheng's surprise attack from behind, he naturally couldn't stop it.

Oops!

Seeing Yue Wuya's hands, Long Qianyu's delicate face was full of anxiety, and he wanted to rush up, but there were too many people around him, so he couldn't rush in at all.

Haha...

At this time, seeing Yue Wuya's hands, Huang Zheng was indescribably excited and shouted: "This kid is already injured, let's go up together, take him down, and this woman who pretends to be the queen. , and don't let her escape."

Hearing this, the surrounding guards and imperial guards rallied and gathered around again.

call!

Seeing this scene, Long Qianyu bit his lip tightly, without hesitation at the time, he burst into the crowd and helped Yue Wuya defend against the enemy. However, her internal strength has not fully recovered, and it cannot change the situation at all.

Bang bang...

After a while, Long Qianyu and Yue Wuya were both injured, and finally they were taped and tied up.

"Hey..." At this time, Huang Zheng walked over with a wicked smile on his face, unable to hide his pride: "Dare to come to the imperial city to be wild, this is your fate."

Chapter 4774

"Huang Zheng!"

At this time, Long Qianyu was very angry and glared at Huang Zheng: "You commit a crime, usurp the throne and seize power, you will not end well."

"Hehe..." Huang Zheng looked proud , deliberately approached a few steps, and said in Long Qianyu's ear: "You don't have to say this, Long Qianyu, you are no longer the queen, and now the entire imperial city is under my control, and now there is no People believe that you are the queen, and they will only regard you as a member of the Ouyang family. This is God's will, haha..."

With a big laugh, Huang Zheng's face suddenly turned cold: "Throw these two people in prison, three days later, in Beheading outside the city gate for public display."

"Yes!"

After receiving the order, several guards walked over quickly and put Long Qianyu and Yue Wuya in jail.

In a few minutes, in jail.

Long Qianyu and Yue Wuya sat in the cell with their heads downcast and did not speak to each other.

The atmosphere was very depressing.

"You..."

At this time, Long Qianyu hesitated for a moment, and his red lips lightly opened his lips and asked tentatively, "Are you all right?" He was hit by Huang Zheng's black unicorn just now, and he should have been seriously injured.

Yue Wuya's face was indifferent: "It's all right, I just suffered some trauma, and it will be fine after a day of cultivation."

After speaking, Yue Wuya couldn't hide his anger: "Mad, this Huang Zheng is really insidious and despicable, even from behind. Raid."

"It's all me!"

Long Qianyu's delicate face was full of apology: "If I hadn't been too persistent, we wouldn't have been caught. I'm sorry, I hurt you."

Yue Wuya smiled, shook his head and said, "Forget it, it's all over, it's useless to say anything, but don't worry too much, what happened today will soon spread to the Ouyang family, Uncle Wen and The Great Saint Uncle knows about the situation and will definitely come to save us as soon as possible."

Well!

Hearing this, Long Qianyu nodded, but his heart became complicated. At the beginning, he sent troops to attack the Ouyang family several times. When Wen Chou Chou and Sun Dasheng came, would they help me?

"That's right!"

At this moment, Yue Wuya thought of something, and asked curiously, "I came out this time because I heard that there were pirates raging along the coast and robbing many people, what the hell is going on? Son? What is the origin of these pirates?"

Yue Wuya wanted to say that even you had failed to encircle and suppress him with your troops, but he was afraid of hurting Long Qianyu's self-esteem, so he held back.

Huh...

Long Qianyu was very embarrassed when he heard the question, but in the end, he explained what happened at that time in detail.

At the end of the story, Long Qianyu bit her lip and was very angry: "That witch is really fateful, when she fled in the imperial city, I have been sending people to track her whereabouts, but I never expected that she would go I went overseas and became a female pirate leader."

What?

At this moment, Yue Wuya froze there, unable to recover for a long time.

That female pirate leader turned out to be Mo Yan, one of the twelve holy demon kings of the demon race? No wonder Long Qianyu led an army of several hundred thousand, but they all suffered fiasco.

Thinking of this, Yue Wuya looked solemn: "This time is no small matter, we must find a way to notify the major sects in Kyushu as soon as possible."

Hmm!

Long Qianyu nodded.

.....

On the other side, God's Domain, Yuxi Xianyuan.

After Princess Xi Ya caught Yue Feng with a big net, she took him into the room and tied him to a chair with a rope.

After doing all this, Princess Xi Ya sat there, looking at Yue Feng with a half-smile but teasing.

For a time, the atmosphere was a little subtle.

"Princess..." A

few minutes later, Yue Feng couldn't help but say, "Don't make trouble, let me go..." Just before she finished speaking, she was interrupted by Princess Xiya.

"Don't say it." Princess Xi Ya looked up and down at Yue Feng, unable to hide the atmosphere: "I finally understand, I couldn't find you no matter how I looked before, it turns out that Fengge is Qingxu Xianweng, Qingxu Xian Weng is Fengge, right?"

Saying that, Princess Xiya pointed to Yue Feng's nose and said angrily, "You are too cunning, you have been lying to me before, in fact, you are like this, right?"

"I'm going to tell my mother about this, and let her punish you properly."

Princess Xia's face was full of resentment when she said this, but she didn't mean to leave at all.

Yes, she said so, just to scare Yue Feng.

#### Chapter 4775

Yue Feng has been in the rivers and lakes for a long time, and he naturally understands what Princess Xiya is thinking, but at the moment, he is also a little flustered.

"His Royal Highness!"

At this moment, Yue Feng smiled wryly and looked helpless: "Don't get excited, I didn't mean to lie to you."

"Isn't it mean?" Princess Xiya was very excited: "You know that I've been looking for you these days, but you've been hiding it from me, aren't you hateful enough?"

Then, Princess Xiya asked, "Why do you want to look like an old man?"

This...

Yue Feng thought for a while and replied, "Your Highness Princess, I also have difficulties in doing this. Think about it, if I entered Yuxi Immortal Garden with my true colors, there are so many fairies here, and the Empress will definitely not be at ease when she knows about it, so I'll make up to look like an old man."

When he said this, Yue Feng looked serious and was very anxious.

Fortunately, Princess Xiya didn't know that I was Yue Feng, so she had to find a way to stabilize her.

Hearing this, Princess Xi Ya thought for a while and said with a sneer, "According to what you said, you have to do this as a last resort?"

Yue Feng nodded quickly.

“Okay.” Princess Siya put her arms around her chest with a high attitude: “I’ll believe you for a while, but I’ve been trying to find you these past few days, what should I say?”

Alas!

Yue Feng was very helpless, sighed, then squeezed out a smile, and said to Princess Xi Ya: “Your Highness Princess, I don’t want to expose you, you are smart and smart, and there are a lot of adults, don’t have the same knowledge as me! “

After that, Yue Feng turned his head and continued: “What do you want, princess, as long as I can do it, I will definitely not refuse!”

As long as the princess doesn’t reveal her identity, it’s okay to feel wronged.

“You can do whatever you want?” Princess Xiya’s eyes flashed, and she looked at Yue Feng with a half-smile, her delicate face was full of cunning.

Uh...

Yue Feng nodded again.

“Okay!”

Princess Xiya stood up happily, untied the rope for Yue Feng, and said, “Then you prepare hot water for me now, this princess wants to take a bath!”

What?

Hearing this, Yue Feng almost jumped up on the spot. Your dignified princess is taking a bath, do you want me to serve you?

This.... seems inappropriate?

Seeing his expression, Princess Xiya pouted and was very displeased: “What? You don’t want to, it seems that you have no sincerity at all, forget it, I’ll go to the mother!” She stood up and went out .

“Don’t.” Yue Feng quickly stopped, and smiled bitterly: “Okay, I’ll prepare.”

After a while, Yue Feng prepared a wooden bucket and hot water, and the steam was steaming, and the room was like a fairyland.

Shasha..

Princess Xi Ya did not shy away from her suspicions, she took off her long skirt in front of Yue Feng, revealing the underwear inside. In an instant, the charming curve was revealed without reservation, only Yue Feng was stunned. .

This...what's the situation?

wow.

Just when Yue Feng was fascinated, Princess Xi Ya slowly jumped into the wooden barrel, then smiled at him, and hooked her finger: "Why don't you come and serve this princess?"

The tone is gentle, and at the same time, there is a bit of savagery, which is beyond doubt.

Gudong!

Yue Feng swallowed his saliva, walked over slowly, and was stunned again when he reached the wooden barrel. To be honest, he has been in the rivers and lakes for so many years, and he has been served by a woman to take a bath, but this is the first time that he can wait for a woman to take a bath.

More importantly, this is Princess Xi Ya, the daughter of the Nine Heavens God. For a while, Yue Feng stood there at a loss.

"What are you doing?"

Seeing him in a daze, Princess Xiya snickered and said, "Come in with me."

I'll go!

Hearing this, Yue Feng was completely restless, and smiled bitterly: "Your Highness Princess, this seems a little inappropriate..."

Before she could finish her words, she was interrupted by Princess Xiya: "You promised just now, this is the beginning. Do you regret it? Also, last time you took a shower, I came in, and this princess is not afraid, what are you afraid of?"

Yue Feng was speechless after saying this.

Nima, let it go.

Thinking about it, Yue Feng's heart jumped right in.

As soon as she entered the barrel, Princess Xi Ya came over, with a hint of blush on her beautiful and charming face, indescribably beautiful and moving, and whispered in Yue Feng's ear: "We are still like last time. So, okay?"

## The ultimate husband in Chinese chapter 4776-4780

Chapter 4776 The

last word fell, Princess Xi Ya hugged Yue Feng and kissed her with red lips.

Yes, the last time I experienced a relationship with Yue Feng, a certain opening in Princess Xiya's heart suddenly opened, and she couldn't control it.

hum!

At this moment, Yue Feng felt as if he had suffered an electric shock, his body was shocked, and his mind was blank.

"Princess..." Yue Feng quickly reacted, just after saying two words, Princess Xiya was thrown to the edge of the barrel at once. At that time, Princess Xiya was already in a difficult situation, bit her lip lightly, Sit down slowly...

"Oh!" A

charming low voice echoed throughout the room.

.....

On the other side, the ghost world.

A few miles northwest of the Mingdu Hall is a mysterious black building with a huge round altar in the middle. There are several stone gates scattered around the round altar. The stone gates are carved with cumbersome inscriptions....

This is the ghost . The Six Paths of Reincarnation, one of the forbidden places in the world.

After the death of all beings in the Kyushu continent, after passing the trial in the Great Hall of the Underworld, the most evil will be punished in hell, the good will be rewarded, and those who have no merit will be reincarnated and reborn through the six realms of reincarnation.

At this time, in a room in the building, Ji Sheng was sitting there, watching the official document.

Ji Sheng was the messenger of Hades, and because he was reused by Bing Yao, he was assigned to take charge of the six realms of reincarnation.

“Sir!”

This chapter is provided by . Visit for daily update.

Just as he was watching the attention, a ghost suddenly walked in quickly, his pale face was very complicated: “There is a ghost that cannot be reincarnated through the reincarnation, please show me.”

Ji Sheng frowned: “Is there such a thing? Is this ray of ghosts a human, a beast, or a demon?”

“Uh...” The ghost officer hesitated, then replied, “It’s a human.”

Ji Sheng He waved his hand: “You were a human before you were alive. If you have no merits and no faults, continue to be reincarnated as a human. You should take it down the wrong path. Just let him take the human path. Go!”

“Okay!”

Hearing the order, the ghost With a sound, he walked out quickly.

After a while, the ghost messenger came back with a bitter face: “My lord, I took it away from humanity, but it still couldn’t pass.”

What happened?

Ji Sheng was stunned for a moment, then stood up slowly: “Bring the ghost over here.”

The ghost almost nodded, walked out quickly, and soon led a ghost in, and saw that the ghost was a tall man, Face expressionless.

Um?

At the moment of seeing this ghost, Ji Sheng’s heart was suddenly shocked, and then he asked coldly, “Who were you before you were alive?” It was an unprecedented thing in the ghost world to have walked twice without success.

Moreover, ordinary ghosts will panic when they see ghosts, but this one is very calm, and it seems to have an extraordinary origin.

The ghost didn’t answer immediately, but glanced at the ghost beside him, and responded slowly to Ji Sheng: “This lord, can you speak alone?”

Huh!

Ji Sheng thought for a while, then waved his hand to let the ghost go out first.

The ghost had just left, and Ji Sheng looked at the ghost: "Now we can say, who were you before you were alive? Why don't the six realms of reincarnation recognize you?"

"Haha!"

Yin Soul smiled slightly, and said lightly: "I have jumped out of the six realms. You, the little place of reincarnation in the ghost world, naturally can't hold your deity.

"Can see through everything in the world.

Gudong!

When he met this gaze, Yu Sheng couldn't help swallowing his saliva, and became inexplicably flustered: "You... Who are you?"

"Haha..." Yin Hun laughed, unable to say the unrestrained: "Back then, I was with Jiutian Xiaoer. In the last battle of the Demon Sealing Mountain, I thought I would be completely destroyed, but I never thought that there would be a trace of sadness left at the end, and finally I entered the ghost world..."

When he said this, Yin Hun's eyes were full of unwillingness.

hiss!

Hearing this, Qi Sheng couldn't help taking a deep breath, and guessed the identity of the other party at once: "You...you are the Supreme Being of the Demon Race...Gone?" Because he was too nervous, he said the last two words When the voice trembled.

At this time, Yu Sheng was shocked beyond words. He thought that what happened today was a small accident, but he never thought that the other party had such a big background.

Chapter 4777

Seeing Ji Sheng's reaction, Gone chuckled, extremely proud.

call!

At this moment, Ji Sheng reacted, took a deep breath and was about to go out. He planned to go to the main hall to see Bing Yao. Such an important matter must be reported to Hades.

“What?”

As soon as he took two steps, he heard Gone speak indifferently: “Are you going to report to Hades?”

Qi Sheng stopped, concealing his inner fear, and responded: “Yes, Your Excellency is immortal, For the ghost world and Kyushu, it is an earth-shattering event, and it must be decided by His Royal Highness Pluto.”

Gone’s expression remained unchanged, and he said lightly: “Then what? Pluto knows, what will he do? A remnant of a soul trapped?”

Ji Sheng’s expression was complicated and he didn’t respond, but this reaction also indicated his acquiescence.

After all, Gone is not completely destroyed, it is no trivial matter, if it spreads out, it will definitely cause turmoil in the Three Realms.

“Hehe...”

Seeing his acquiescence, Gone chuckled lightly: “You are really devoted to your duties, but I want to ask you, what can you get by reporting the matter to Hades?”

This...

Qi Sheng pondered. Next, I don’t know how to respond.

Gone took a step forward slowly, although it was just a remnant of his soul, his aura was still strong: “Then I will tell you, if you report the matter to Hades, you will at most receive some praise. Afterwards, you are still a little boy. The little messenger of Hades, who supervises such a big place will never be able to come forward. I’m right.”

“You...”

Hearing this, Qi Sheng became confused: “What the hell are you going to say? ?”

Speaking of which, Ji Sheng was in charge of the six realms of reincarnation. At this time, Gone was just a remnant of his soul, and his life and death were held by Ji Sheng, but for some unknown reason, Ji Sheng still felt a little breathless in front of him.

This... is the majesty of the Demon Race Supreme.

“Don’t be nervous!”

Gone smiled slightly, his tone softened, and he said to Ji Sheng, "This deity is just doing the calculations for you. You hand me over, it won't do you any good, but you want to be with me. If we cooperate, it will be completely different."

Just a few words, as if with some kind of magic power, at that time, Ji Sheng's heart was shocked, and he said subconsciously: "Cooperation? How to cooperate?"

Haha...

The corners of Gone's mouth twitched. With a smile, he said slowly: "It's very simple, you quietly take me out of the ghost world, and then find a way to bring me back to life. After I revive the demon clan, you will be the number one hero. At that time, the deity will change the whole three worlds. Day, and you, the new Hades, how?"

Gudong!

Hearing this, Ji Sheng was taken aback, he couldn't help swallowing his saliva, and his mind was buzzing.

what did he say?

Do you want to take him out of the ghost world yourself, and help him revive?

I really want to do this, but I have committed a heinous crime. After all, the Demon Lord Gone is a character who is enough to shake the entire Three Realms. I really want to let him go out, and the Three Realms will not be peaceful in the future.

Thinking of this, Yu Sheng quickly shook his head: "No, no, I can't do this."

"Really?"

Gone seemed to expect that he would refuse, so he wasn't angry at the time, and said with a half-smile, "That's my mistake. If you are a man, be content with the status quo, and don't think about making progress, you can also have this ambition."

"Pluto is not something everyone can do, and opportunities are not available to everyone. Think about it."

After saying this, Gone slowly walked to the side, turned his back to him and stopped talking.

Uh...

Being preached by Gone, Ji Sheng was very ashamed, and he didn't dare to refute it, so he thought about it in his heart.

What this Demon Venerable said is not unreasonable. Although he is greatly used by Hades, at most he is in charge of one cycle of reincarnation, but if he helps Demon Venerable, he will have the opportunity to be Hades in the future...

But, help him, You have become a sinner in the Three Realms.

Seeing that his face was fluctuating, and he was entangled in his heart, Gone said lightly: "If you are worried that if you let me go, you will become a sinner through the ages, then it is a big mistake. When the deity controls the Three Realms, you will be a great hero, or a new one. Hades, who would dare to say that you are not at all?"

"Don't help me, continue to do nothing like this."

"Help me, from now on." At the

end, Gone looked outside: "It's almost time, you think about it. how?"

#### Chapter 4778

When he said this, Gone stared at Ji Sheng with a burning gaze, revealing a strong sense of oppression.

"I..."

At this time, Yu Sheng was still swaying in his heart, and finally met Gone's gaze, and his body suddenly trembled and knelt down: "Yu Sheng is willing to help His Excellency Demon Venerable, go through fire and water, and do whatever it takes."

After weighing the pros and cons, Yu Sheng finally chose to cooperate with Gone.

Haha....

Seeing his promise, Gone laughed up to the sky, then nodded approvingly: "Okay, very good, Ruzi can be taught, then the rest is up to you."

"Your honor." Jisheng's face was full of politeness.

A few minutes later, Ji Sheng put the remnant of Gone's soul into the soul gathering bottle, hid it on his body, and quietly left the ghost world.

.....

On the other side, God's Domain.

In the room of Yuxi Xianyuan, after some cloud and rain, Princess Xi Ya fell asleep with a red face.

call!

Yue Feng sat there, not knowing whether to laugh or cry, and his heart was extremely complicated.

After that, I slept with Princess Xiya twice, and this is a big trouble...

Unknowingly it was getting bright outside. At this time, Princess Xiya woke up faintly and hugged Yue Feng's arm very intimately: "Feng Ge... I'll come to play with you every night from now on, okay?" The

tone was soft, where did she look like a stubborn princess?

What? Come every night?

Hearing this, Yue Feng was very frightened, and quickly said: "Princess, don't make trouble, we have violated the law now, if we are found out, both of us will be in trouble." Push Princess Sia away.

However, Princess Xi Ya hugged him tightly and refused to let go at all. With her delicate face, she was indescribably docile, and she said, "I'm not afraid of this princess, what are you afraid of? Besides, we won't talk about it, and no one will know."

"If someone sees it, I'll say I'm here to find Xian Weng to learn his skills."

I'll go, you really can fool around, how can you come to learn your skills at night?

At this time, Yue Feng was almost on the verge of crying, but he thought about it and said, "In this way, when we can meet in the future, I will inform you, without my news, you can't come here rashly, okay?"

To be honest, if it was before, Yue Feng would never speak so patiently, but there is no way, he still has to stay here to teach Ao Lin's skills, at this time, he will try his best to stabilize Princess Xi Ya first.

"Alright then!"

Princess Xiya tilted her head for a while, then nodded with a smile: "Just listen to you, you can't lie to me, if you don't give me news for a month, I'll come to you directly.

"Okay, okay.."

Yue Feng nodded with a wry smile, and then looked at the sky outside: "It's getting bright outside, princess, hurry up and leave.

"Snuggling up on Yue Feng: "I'm a little tired, I'll go after a while."

I'll go!

At this moment, Yue Feng only felt that his head was too big. When you sleep for a while, Prince Aolin should be here. When he sees the scene in front of him, he will not be able to tell clearly.

Thinking about Yue Feng, he thought about how to persuade her.

"Xianweng?!"

However, at this time, I heard a cry from outside the door, crisp and sweet, but with a hint of arrogance.

It was Fairy Yunxiu's voice.

What the hell!

Hearing Fairy Yunxiu's voice, Yue Feng almost jumped up and her heart beat faster. This Fairy Yunxiu didn't serve Empress Hua Zhao, why did she suddenly come to Yuxi Xianyuan?

If she saw the princess in my room, it would be over.

Anxious, Yue Feng quickly put on his clothes and responded at the same time, "Is there something wrong with the fairy?" When he spoke, Yue Feng subconsciously glanced at Princess Xiya.

Princess Xi Ya also seemed to be a little nervous, but she was stubborn and bold by nature, she quickly calmed down and stuck out her tongue at Yue Feng mischievously.

At this time, Fairy Yunxiu responded angrily outside the door: "Of course there is something wrong, otherwise what is this Fairy doing here?"

Alas!

Hearing this, Yue Feng sighed secretly, motioned Princess Xiya not to make a sound, then pushed the door and walked out.

When he got outside, Yue Feng closed the door to prevent Fairy Yunxiu from seeing Princess Xia inside.

Chapter 4779

"Didling..."

Seeing Yue Feng coming out, Fairy Yunxiu pouted, her delicate face couldn't hide her disdain: "Why did you come out so late?"

Although she went to the black with Yue Feng before The swamp also successfully brought back the 'Ghost Spirit Grass', but this matter did not bring the relationship between the two parties closer, on the contrary, Fairy Yunxiu hated Yue Feng even more.

Seeing her impatience, Yue Feng didn't care, and asked with a smile: "Fairy, please tell me if you have anything to do."

Fairy Yunxiu didn't talk nonsense, and said straight to the point: "The meditation pills in Yuyao Xianyuan are not enough. The pharmacist there has been retreating recently, so you can help refine some."

Meditation Pill is a kind of elixir for tranquility and meditation, which Madam Hua Zhao takes every day, so it is in great demand.

Um? However, Yue Feng

frowned and said with a half-smile, "Fairy, these meditation pills are just some ordinary pills. Fairy, you can make them yourself. There's no need to come here and let me do it for you, right?"

With a single glance, she could see through Fairy Yunxiu's mind.

Yes, Lady Hua Zhao was going to take Jingxin Pill this morning. When she found out that it was gone, she asked Fairy Yunxiu to make some, but Fairy Yunxiu thought that the pill refining was too dirty, and she was afraid that the ash on the pill stove would get on her body, so she thought of Yue at that time. wind.

Fairy Yunxiu has thought about it, as long as she uses the name of the goddess, she is not afraid that the old man will not cooperate.

"You..."

At this moment, her mind was pierced, and Fairy Yunxiu was very angry, pointing at Yue Feng for a while, speechless.

This dead old man is not easy to fool.

Thinking to herself, Fairy Yunxiu said with a coquettish expression: "Yes, this was originally given to me by the Empress, but this Fairy has a habit of cleanliness and doesn't want to enter the alchemy room, so why should I ask you to do it for me? You don't want to. Forget, we came back from the Black Swamp before, if I hadn't said good things by the side, would you be able to get the praise from the empress?"

"This time I want you to do something for this fairy, you will push it back and let me tell you, I will come in person. It's your honor to find you."

Oh?

Hearing this, Yue Feng was both angry and funny.

This Fairy Yunxiu is really interesting. She didn't help at all when she went to the Black Swamp, but she still has merit?

Thinking to himself, Yue Feng smiled lightly: "I'm sorry, I don't have time!" Then, he turned around and entered the room.

"You..."

Fairy Yunxiu stomped her feet angrily, pointed at Yue Fengjiao and shouted: "You don't practice, right? Believe it or not, if I say a few words beside the empress, I will immediately get you out of Yuxi Xianyuan. "

Nima! If you don't have the same knowledge as you, you are still getting more and more energetic.

Yue Feng stopped, looked back at Fairy Yunxiu, and said with a half-smile, "Really? Let's try."

"Wait!" Fairy Yunxiu was very angry. He said coldly, "You don't eat or drink for a toast, but if your mother believes in you, you still believe in me." As he

spoke, he was about to leave angrily.

"Stop!"

At this moment, a coquettish shout came from the room, followed by a slender figure who walked out quickly.

It's Princess Sia.

Originally she didn't plan to come out, but seeing that Fairy Yunxiu had been targeting Yue Feng and talking more and more excessively, she couldn't help it.

What the hell!

Seeing Princess Xi Ya coming out, Yue Feng's heart was shocked, and he panicked at that time. Nima said not to come out, why did he still come out? This Fairy Yunxiu is worried that she can't find my handle. At this time, she knows that the princess is in my

room, and she will definitely add more details in front of Empress Hua Zhao when she goes back...

“Princess?”

At the same time, Fairy Yunxiu Jiao His body trembled, and his eyes stared at Princess Xi Ya, full of incredible, what's the situation? Why is the princess in this old man's room this early in the morning?

A few seconds later, Fairy Yunxiu reacted and asked very gossip, “Why is the princess here?”

” I can't be here? Also, where is this princess, and I need to report to you?”

“Don't dare...” Fairy Yunxiu lowered her head with a respectful look on her face, without any arrogance from before.

Who does not know in the entire Divine Realm, Princess Xiya is rude and unreasonable, even the prince has a headache when she sees it, let alone Fairy Yunxiu, she is just a maid next to Empress Hua Zhao, how dare she provoke her.

Chapter 4780

Fairy Yunxiu's attitude did not make Princess Xiya quell her anger. At that time, she walked over quickly, raised her jade hand, and slapped her hard.

Snapped!

With this slap, Princess Xi Ya almost used all her strength, and when she heard a coquettish cry, Fairy Yunxiu staggered back, and a five-finger print appeared on her delicate face.

“Princess...” Fairy Yunxiu covered her face, very aggrieved, but she dared not say anything: “I... did I do something wrong?”

“What do you think?”

Princess Xiya put her hands on her hips. , said angrily: “Your Excellency Xianweng, is my brother's master, but you are so rude to him, shouldn't you beat him?”

“Also, I came to Xianweng to learn something this morning, but I was disturbed by you. Now , a slap in the face is considered light.”

What?

Hearing this, Fairy Yunxiu was stunned. The princess has always been playful, but now she came so early to find Xianweng Qingxu to learn her skills, the sun really came out from the west.

At this time, Princess Xi Ya still didn't calm down, she pointed at Fairy Yunxiu and shouted: "You are so bold, you dare to use the name of the Queen Mother and threaten Xian Weng, you say it yourself, the Queen Mother knows about this, how should I punish you? ?" I

have to say that although Princess Xiya usually behaves a little bit, she still looks a bit majestic when she is angry at this time.

Pfft!

At this moment, Fairy Yunxiu was so panicked that she knelt down and said, "I was wrong, I beg the princess to spare me."

She never thought that this immortal Qingxu who was not welcome everywhere, At this time, it will be protected by Princess Xia like this.

Seeing her admitting her mistake, Princess Xiya snorted lightly and did not respond directly, but turned back and winked at Yue Feng quietly, and said playfully, "I don't want to deal with this matter, how to punish you depends on what Xianweng means. Let's go." After

saying that, Princess Xiya waved at Yue Feng: "Goodbye, Master." After the last word fell, Princess Xiya left gracefully.

In an instant, only Fairy Yunxiu and Yue Feng were left at the scene, and the atmosphere became a little subtle.

"Xianweng!"

At this time, Fairy Yunxiu bit her lip lightly, lowered her head not to look at Yue Feng, and said in a low voice: "I was too much just now, Lord Xianweng is too large, don't care about me."

Said Really, Fairy Yunxiu was reluctant to admit her mistake to Yue Feng. After all, she is a celebrity next to Empress Hua Zhao. Anyone who sees her should be courteous, so when should she bow her head to others?

But there is no way, this old man now has the support of Princess Xi Ya, if he angers Princess Xi Ya, don't think about it in the future.

"Oops!"

Yue Feng scratched his head and looked at her with a smile: "You admit your mistake so quickly? You just said you wanted to show me a good look."

"I was wrong, really wrong." Fairy Yunxiu bit her tightly. She licked her lips, almost biting blood. She never imagined that she, who was always on top, would be so dignified in front of this old man at this time.

Um!

Yue Feng nodded and said meaningfully: "I will ask Fairy for help in the future... Fairy will not refuse?" Although Fairy Yunxiu is hateful, she will be useful in the future.

Before she could finish her words, Fairy Yunxiu said quickly, "Don't worry, Xian Weng, as long as I can do it, I will do my best."

Seeing her like this, Yue Feng nodded in satisfaction, then waved her hand to let her leave.

...

on the other side, Kyushu.

The Earth Circle Continent, Donghai City!

It was already late at night, and on a coastal road in the suburbs, a red sports car was speeding fast. The driver was a young man, dressed in expensive clothes, but looking depressed.

The young man's name is Liu Hao, the eldest young master of the Liu family. The Liu family belongs to a second-class family in Donghai City. In recent years, the business has been poorly managed, and many industries have closed down.

Liu Hao has great ambitions, but the family business has been losing money year after year, which has caused him a headache. In order to slow down his mood, he became involved in gambling.

Tonight, Liu Hao lost a few million more, and in a state of irritability, he drove to the beach to blow his hair.

boom!

At this time, the car just went through a detour when it suddenly erupted, and the fire instantly enveloped the car. Liu Hao didn't have time to react and died on the spot.

The terrain here is remote, and no one knew that a tragic disaster had occurred here. The fire burned for more than two hours before it gradually went out.
