

The ultimate husband in Chinese chapter 4781-4790

Chapter 4781

Om!

At this moment, not far from the wreckage of the vehicle, two phantoms suddenly appeared slowly.

One of them was wearing a black robe and a high black hat, and his face was pale and pale.

It is the messengers of tomorrow night, Jisheng and Gogne.

call!

At this time, Gone looked at the burnt black body of Liu Hao in the wreckage of the vehicle, and frowned, "This is the body you helped me find?"

His words were full of displeasure.

Ji Sheng's face was embarrassed, but he still answered cautiously: "Your Highness, it is not bad that we just left the ghost world and met a person who died in vain. After the first death of the Lord, the remnant soul was nine days away. After wandering for nearly 10,000 years and absorbing the essence of heaven and earth, he can reshape his physical body!"

"And this time, it will only take a few months for Zun Shang to die. It is almost impossible to reshape the physical body. The only way is to use the help of the dead. The corpse of that person was brought back to life."

As he spoke, Qi Sheng pointed to Liu Hao in the car: "When I came here, I have already checked the life and death struggle, this person is called Liu Hao, and the five elements and fate match very well! The elders will take the lead first, and when you fully recover your strength, it will not be too late to reshape your body."

Phew!

Hearing this, Gone took a deep breath and waved his hand: "Forget it, just follow what you said, I've been waiting for ten thousand years, it's not a little bit of time." The

voice fell, and it turned into a streamer, drilling into Liu Hao's body.

"Cough cough!"

As soon as the remnant got in, he saw Liu Hao, who was already dead. He suddenly shuddered and sat up. He opened his mouth and coughed a few mouthfuls of blood. Although he was still embarrassed, his expression was not as decadent as before. A unique aura.

This chapter is provided by . Visit for daily update.

Yes, at this time he is no longer Liu Hao, but the Demon Lord Gone.

Seeing this situation, Yu Sheng was very excited, and hurried up to congratulate him: “Congratulations, Your Highness, a smooth resurrection.” After speaking

, Yu Sheng couldn’t hide his urgency: “Your Highness, God Domain has long established a Diligent Supervisor in Kyushu. , so you have to be very careful, but as long as you keep a low profile, Divine Realm will not be able to find you, I will leave the ghost realm quietly, I can’t stay here for too long, so I have to go back first, if you need anything, just contact me directly. !”

Hmm!

Gogne nodded, and waved Jisheng away.

As soon as his forefoot left, Gone took a deep breath and began to examine his current body. He said to himself: “The human body is indeed too fragile, but it can be taken care of for a while.”

After speaking, the corners of Gone’s mouth twitched: ” This status is not bad, the eldest young master of the family, so he won’t starve to death.”

Said to himself, Gone walked along the coastal road towards the city center.

At this moment, at the intersection a few hundred meters away from Gognier, an off-road vehicle was parked on the side of the road. There were several big men sitting in the car. The head of the car had a scar on his forehead.

This person’s name is Chen Gang, and he planned Liu Hao’s car accident just now.

“Huh!”

Chen Gang looked at the time and said slowly: “This point hasn’t appeared yet, it should be a success of the plan, let’s go, let’s go and have a look.” After the

voice fell, the driver started the car and drove towards the seaside.

Um?

Not far away, he saw a figure walking slowly by the side of the road, it was Liu Hao.

Seeing that Liu Hao was still alive, whether it was Chen Gang or his accomplices, they were all shocked. This kid has a big life, so he didn't die.

"Get out of the car!" In the

next second, Chen Gang gave an order, and several companions jumped out of the car with machetes, and walked towards 'Liu Hao' aggressively.

At this time, none of them knew that the real Liu Hao was dead, and this one was the resurrection of the Demon Lord Gone.

"Boy!"

When he was about to approach, Chen Gang looked at Gone coldly: "Your life is really hard, I put a bomb on your car, but it didn't kill you, but it doesn't matter, I need more trouble. Son, make sure you can't see the sun tomorrow, brothers, hack him to death for me."

A few companions behind him clung to the machetes and rushed forward!

"A bunch of ants!"

Looking at the few people rushing up, Gone narrowed his eyes slightly, flashing a murderous intent.

Chapter 4782

As the Supreme Being of the Demon Race, Gone could see at a glance that Liu Hao's car accident just now was caused by this group of people.

Although he and Liu Hao are not related, but at this time borrowing his body to resurrect, it is a kind of fate, and it is a matter of course to help him avenge his revenge.

Whoosh!

At this time, Gone's body flashed, and he directly greeted several people like lightning.

Hiss...this kid is so fast.

For a time, both Chen Gang and those few companions were shocked. Liu Hao was originally a poor second-generation rich, like a waste, how did he suddenly become so powerful?

In panic, Chen Gang was about to turn around and return to the car, but it was too late.

Bang bang bang...

Although Goniere has just revived with the help of Liu Hao's body, his strength is less than 1% of his peak state, but it is still more than enough to deal with Chen Gang and the others. , easily fell to the ground.

Swish!

After knocking down a few people, Gone pointed to the car that was burnt to scrap metal not far away, and asked Chen Gang coldly, "Is this what you did?" of pressure.

"You..." Chen Gang panicked, but he still shouted with courage: "Liu...Liu Hao, you are dead today, and my boss Li gave you a death order to kill you."

"But since If you escape from death, leave Donghai City as soon as possible, and I will pretend that nothing happened just now."

Facing Gone's powerful aura, Chen Gang became more and more emboldened, his legs trembled, and he could hardly stand still. He couldn't understand why, the car was blown up like that, this Liu Hao didn't die, and he became a person, stronger than those sect masters.

Mr. Li?

Hearing this, Gone frowned, but soon he found the image and information of a man in Liu Hao's memory, he smiled and said to himself, "Liu Hao, you The wealthy disciples are so miserable, that's all, since the deity occupies your body, let's help you clean up all the enemies."

Seeing him talking to himself, Chen Gang felt inexplicably uneasy in his heart and couldn't help saying: "You. If you don't leave, I'll leave!"

However, how could Gone give him this chance, before Chen Gang turned around, he rushed over and slapped him in the heart.

boom!

Gone's speed was very fast, and before Chen Gang could react, his heart was shattered directly. At that time, his eyes widened, and he fell down with his head upright. When he died, he didn't understand how he died.

"The Liu family in the East China Sea!"

Gone said softly without looking at Chen Gang, and then hurried towards a villa by the sea based on Liu Hao's memory.

At this moment, the Liu family villa.

Liu's Villa is located on the southwest coast of Donghai City, with beautiful scenery and luxurious decoration.

In a room on the second floor of the villa, a man and a woman were sitting in front of a table, chatting and laughing, with candles lit on the table, as well as several delicate dishes and wine.

The woman's name is Jiang Shan, Liu Hao's wife. She is graceful and charming. Because the Liu family's business has been losing money over the years, she has always looked down on Liu Hao and called him a waste.

It is rare to be called Li Tianci, the young master of the Li family, and the president of Fengchen Real Estate. The real estate companies under his name are all over the place, and he is worth a lot of money. Li Tianci was born lustful and hooked up with Jiang Shan through a relationship half a year ago.

"Godsend!"

At this time, Jiang Shan took a sip of red wine, and her delicate face was full of charm: "Tonight that waste Liu Hao is going to play cards again, and it is estimated that he will be back very late. You have to stay with me for a while."

Li Tianci smiled and leaned together. She went up and kissed Jiang Shan's face, and said proudly, "You specially made a candlelight dinner tonight, how can I still leave? From tonight, we can be together forever."

"Really . Is it?" Jiang Shan was delighted.

In Li Tianci's smile, there was a hint of ruthlessness: "Liu Hao, that waste, will never come back. I asked Chen Gang to secretly move his hands and feet in his car. I guess it has been successful by now."

What?

Hearing this, Jiang Shan exclaimed, "You...you're going to kill him?" After all, they were husband and wife. At this time, when she got the news from Li Tianci, she felt a little worried and uneasy.

Chapter 4783

But thinking that Liu Hao has done nothing in these years, Jiang Shan's heart is ruthless again: "This waste, he should have died, he can only drink the northwest wind with him!"

Haha...

Seeing her say that, Li Tianci laughed evilly, and immediately stood up and sat beside Jiang Shan, hugged her in his arms, and raised his hands dishonestly: "Well, that waste is not worthy of your concern at all, his death just fulfilled us."

Li Tianci was in a very good mood at this time. Over the years, he has been trying his best to annex the Liu family's company, but Liu Hao, the stone in the pit, is stinky and hard, and he has never been willing to sign the agreement.

There was no other way, Li Tianci had no choice but to kill him. In this way, not only could he annex the Liu family property, but Liu Hao's beautiful wife also became his own.

The more Li Tianci thought about it, the more excited he became, so he pulled on Jiang Shan's long skirt: "I haven't seen you for a few days, come and make me happy."

"Aiya!"

Jiang Shan groaned and pushed Li Tianci lightly: "Look! You look in a hurry, it's still early, let's have a few more drinks." Saying this, a pair of jade hands grabbed Li Tianci's neck, and any man who saw that gesture would be unable to hold it back.

"Yes, yes..." Li Tianci nodded with a smile: "I feel good to drink a few more glasses." The

two of them raised the glasses and touched them.

Boom!

However, at this moment, the door of the room was suddenly kicked open, and then, a figure covered in blood slowly walked in.

It was Gone who occupied Liu Hao's body.

"Made... sigh..."

The good thing was interrupted, Li Tianci was very angry, and was about to swear, when he saw that it was 'Liu Hao', he was stunned after only scolding two words, and couldn't help gasping for air.

This... this kid is not dead?

How did Chen Gang do it? Didn't he send a message just now that Liu Hao was killed in a car crash? How can I come back? Live to hell?

"You..."

At the same time, Jiang Shan's body trembled, and she was so frightened that her hair was soft and she couldn't stand still.

She could clearly see that Liu Hao was covered in blood, and there was a deep bone-deep wound on his forehead. He was very hideous, but the others seemed to be fine, especially those eyes, which showed a palpitating light. .

Panicked, Jiang Shan tilted her head and glanced at Li Tianci, and said in a low voice, "You...you didn't say...that he would never come back?"

How did I know?

Hearing the question, Li Tianci was speechless, but he still comforted him warmly: "Don't be afraid, with me, this kid can't turn the sky."

"Affair?"

At this moment, Gone looked around and looked At the candlelight dinner on the windowsill, he said lightly, "You secretly sent your subordinates to kill people, but you guys are spending time here, drinking and talking. It's quite elegant."

After saying that, Gone looked at Jiang Shan: "There is a wife like you. , what a great sadness." He said this, completely pity for Liu Hao.

However, Jiang Shan heard that this was mocking and humiliating. She didn't know that the person in front of her was no longer her 'husband'. At that time, she was angry and relied on Li Tianci's support, so she coldly retorted: "Liu Hao, You don't have to be weird here. Yes, I'm married to Li Tianci, but so what? What have I gained from marrying you for the past two years? Did you let me live the life of a rich wife for a day? Apart from gambling , is drinking, complete waste."

"I followed Li Tianci. Even if I were his junior, it would be better than staying by your side. If you still have some self-respect, get out of the city immediately, get out of Donghai City, and never come back."

Shuh!

At this moment, Gone's face suddenly became cold, and his eyes flashed with evil light: "Secret meeting with adulterers. Is it reasonable to frame your husband?" He

walked towards Jiang Shan step by step!

"You, what are you doing..."

Facing Gone's gaze, Jiang Shan's body trembled, and a chill arose in her heart. She would never forget this look in her life!

Terrible!

At this time, Jiang Shan couldn't understand why Liu Hao, who was an extremely useless person, suddenly seemed to be a different person, and the person who was so oppressive could hardly breathe.

Chapter 4784

“Crack!”

Just when Jiang Shan was panicking, Gone didn't talk nonsense, and slapped him fiercely, this slap, he used all his strength! I heard Jiang Shan exclaimed, her body was slapped flying, and she flew out more than ten meters, and finally landed on the ground!

“You...”

At this time, Jiang Shan was frightened and angry. She covered her face with one hand and stared at Gone: “You...you hit me?” This trash, never talked to herself before. Dare to be loud, and now you dare to beat me, I have eaten the guts of a leopard.

“As a wife, you don't keep your wife's rights, and you conspire with an adulterer to murder your husband. Shouldn't you be beaten?”

“Crack! Slap! Slap!” The

crisp sound kept ringing in the room, making Li Tianci's heart skip a beat!

Nima, this kid usually looks so useless and cowardly, I didn't expect to attack so hard.

“Ma De!”

Muttering in his heart, Li Tianci howled: “Liu Hao, dare to beat someone in front of Lao Tzu, I really give you a face!” The voice fell, Li Tianci grabbed the chair next to him and smashed it hard. Gogne!

In Li Tianci's mind, although Jiang Shan is just a plaything, she is also a woman he likes. At this time, being beaten like this by 'Liu Hao', where can I put my face?

Feeling that Li Tianci slammed the chair over, Gonie didn't turn his head back, and he didn't even bother to hide.

“Boom!” The

chair slammed firmly on Gone's body and fell apart in an instant, but Gone's body was as stable as a rock.

hiss!

Seeing this situation, whether it was Li Tianci or Jiang Shan, they couldn't help but gasp, their eyes filled with incredible.

This kid has never practiced martial arts. When did he become so powerful, you must know that the chair is made of mahogany and is extremely tough. Ordinary people will not be able to take it. He has nothing to do. At this time, Gonie

turned his head slowly, his eyes locked on Li Tianci: "Things like ants are also presumptuous in front of me?"

"

In the same way, the whole person was directly fanned out, slammed into the wall, and slid down like a pool of mud!

Whoosh!

However, before his feet landed, he saw a flower in front of his eyes, and Goni was already in front of him, and his big hands were like iron pincers and strangled his neck!

There was a contemptuous sneer at the corner of Goni's mouth: "To steal someone's wife and kill someone's life, what do you think will happen to you?"

"You..."

Li Tianci's face turned purple, and he was almost out of breath, he thought. Struggling, but unable to exert any strength.

"The one named Chen Gang is yours. He is already dead, and his body is on the seashore. I'm afraid it has been swept away by the sea at the moment. What kind of death do you want, I can satisfy you." The

last word Falling down, Goni released his hand.

Pfft!

Li Tianci fell to the ground like a dead dog, breathing in the air with a big mouth, looking at Goni with a horrified gaze, and his heart was even more terrified.

Mad, this kid was so strong that he almost strangled him to death.

But thinking of his own identity, Li Tianci regained his confidence, looked at Goni and said coldly: "Okay, very good, I was wrong before, I didn't expect you to have this skill, Liu Hao, I guessed it well, You have had an adventure during this time, haven't you."

Gone chuckled and didn't respond.

Li Tianci stood up against the wall and took out his cell phone: "Do you dare to let me make a phone call?" Master happened to be in Donghai City these two days. As long as Master takes action, it will be easy to handle this Liu Hao.

"You want to call for help?"

Gone laughed and looked at Li Tianci with great interest: "Okay, I'll give you a chance." After saying that, he walked over slowly and sat on the sofa with his legs crossed. .

As the Supreme Being of the Demon Race, he doesn't even look down on the Nine Heavens God, and naturally he doesn't look down on ordinary people like Li Tianci.

"Okay!"

Seeing his attitude, Li Tianci's face showed a hint of ruthlessness: "You wait for me."

Then he dialed a number: "Master, this disciple is in trouble, come and help quickly." Li Tianci's face was cold and arrogant. His master was Shen Lingtong, the eldest disciple of the Shaolin School, and his strength was close to the transcendence realm.

Chapter 4785

And this Liu Hao, that is, he got some adventures, and he is just stronger.

Thinking of this, Li Tianci looked at Gone with a half-smile but couldn't hide his gloomy expression: "I've already called you, don't regret it when you wait.

" Call as many people as you want."

Pretend!

Seeing him like this, Li Tianci sneered secretly and stopped talking.

"Tianci!" At this time, Jiang Shan gently pulled Li Tianci, unable to hide her worry: "The person you called, can you do it?" As she spoke, she glanced at Gone with fear.

To be honest, Jiang Shan wasn't afraid of Liu Hao at all, but tonight, for some unknown reason, 'Liu Hao' seemed to be a different person, and the aura that filled his body made people afraid to approach.

"Don't be afraid!"

Li Tianci laughed safely, his face full of confidence: "My master is the eldest disciple of the Su family of the Shaolin School, and his strength is unpredictable. Dealing with Liu

Hao is as simple as crushing an ant. Don't look at this. The boy is so majestic now, when my master comes, it's like a mouse meets a cat."

At this time, Li Tianci believed that the 'Liu Hao' in front of him was just lucky, and he encountered some adventures. I didn't realize that I had provoked an extremely terrifying existence.

Um!

Hearing this, Jiang Shan nodded, a stone hanging in her heart fell to the ground, and then she made a pitiful look: "Tianci, you must ask Master to vent my anger, this bastard, take my anger out. The makeup is all gone."

"Don't worry, when Master is here, he will definitely not let him go out alive." Li Tianci said fiercely.

Ha ha...

The two of them were talking in a low voice, but Gone, who was sitting there, could hear them clearly.

I just worshipped a Shaolin master, and I felt amazing. This guy is really confident.

Shasha...

At this moment, there was a sound of footsteps outside, Gone's expression remained unchanged, sitting there motionless, indescribably leisurely.

Li Tianci was very excited, he quickly stood up, his eyes were fixed on the door, and after a while, he saw a tall figure striding forward.

The man is about 30 years old, wearing tight clothes, showing his explosive muscles, powerful and powerful, giving people an oppressive aura.

It was Li Tianci's master, Shen Lingtong.

Speaking of which, people like Li Tianci had no chance to get to know Shen Lingtong originally, but half a year ago, Li Tianci donated 300 million to the Shaolin School to repair the mountain gate in the name of the company, and then through the relationship, he worshipped Shen Lingtong. Ling Tong is the teacher.

It is precisely because of this that Li Tianci has this backing, so he will act recklessly in Donghai City, and no one dares to provoke him.

"Master!"

Seeing Shen Lingtong's arrival at this time, Li Tianci instantly gained confidence, and Yang Wu started to stand up. He pointed at Gogone and shouted: "It's him, he almost killed his disciple just now."

Shuh!

Hearing this, Shen Lingtong looked closely at Gogone: "You want to kill my apprentice?"

Gogone smiled indifferently, with a cold arrogance that could not be concealed in his expression: "I just got a slap and said I killed him. , Your disciple's self-esteem is too fragile."

Saying that, Gogone stood up slowly and said word by word: "He took his wife and killed him, why? Don't let others come back to take revenge?"

When he said this, Gogone's whole body was filled with a powerful aura that could not be refuted.

This...

Hearing this, Shen Lingtong was stunned, and when he saw that Gogone was covered in blood, he immediately understood something: "What do you want?" At this time, Shen Lingtong was very angry, Ma De, this Li Tianci is ignorant and incompetent. He knew that he would not accept him as his apprentice, but there is no way. Since he is here, he must find a way to solve it.

"Master!" Seeing this scene, Li Tianci couldn't help but speak, but just after shouting two words, Shen Lingtong glared at him and immediately shut up.

"It's going to be solved, right?"

At this moment, Gogone sat there stingingly, and said slowly: "You let this kid put all the property in his name under my name, and forget about today's business. Otherwise, the relationship between me and him will never end."

Speaking of which, Gogone didn't have any extravagant desire for money, but he just revived with the help of Liu Hao's body. If he wants to return to his peak state, he must have a strong physique, and a strong physique , you need a lot of elixir, and these require a lot of money as a basis.

The ultimate husband in Chinese chapter 4786-4790

Chapter 4786

What?

Hearing this, Li Tianci almost jumped up, shouting and scolding: "Liu Hao, are you mentally ill?" Want all the property, all for you? What about daydreaming?

Shen Lingtong's expression also changed, and he responded lightly: "I'm afraid this condition is not suitable." "Not

suitable?"

Gone sneered: "Then kill this kid, he will either give money or life. ." The voice was calm and unquestionable.

"Ma De!"

At this moment, Li Tianci couldn't bear it any longer, and he pointed at Gone and shouted: "Liu Hao, I think you are courting death! Master, kill him quickly, as long as Master helps you, half a year later. , I am donating 100 million to build a temple for Shaolin. There is no need to reason with this kid."

Jiang Shan next to him did not speak, but nodded in agreement.

This Liu Hao is really crazy, even the lion opened his mouth and wanted all the property of Li Tianci, just a waste like him, I am afraid that he has his life, and he has no life to spend.

call!

At this moment, Shen Lingtong took a deep breath and looked at Gone with complicated eyes: "This friend, I will not help you kill, and I have no right to let him give you his property, what happened today is his fault. First, I'll ask him to apologize to you, let's forget about it, how about it?"

After speaking, Shen Lingtong's face was full of arrogance: "I'm the eldest disciple of the Shaolin layman, and I personally came forward to help you deal with this matter. To give you face, don't be ignorant of flattering."

At this time, Shen Lingtong lost his patience, he could feel that the young man in front of him was unusual, but he moved out of the Shaolin name, whoever listened to it in the arena To give some thin noodles.

Ha ha!

However, Gone didn't appreciate it, and said coldly: "I already said just now, either give money or give life, I don't care if you are Shaolin or have other backgrounds, if you can't do it, get out, don't waste my time. "

This chapter is provided by . Visit for daily update.

Shh!

Hearing this, Shen Lingtong's face changed, and he was furious: "You are courting death." He had already given enough face, but this kid still didn't eat a toast and eat a fine drink.

When the words fell, Shen Lingtong urged his inner strength and rushed over to punch Gone directly.

Huhu...

This punch is Shaolin's famous stunt, 'Subduing the Dragon and Overcoming the Tiger'.

Seeing this situation, Li Tianci was extremely excited and shouted: "Yes, that's it, Master killed this ignorant boy, let's see if he is arrogant."

Jiang Shan also clenched her hands, inexplicably excited.

Liu Hao, this bastard, slapped himself a few times just now, and now he must be taught by Li Tianci's master...

Alas!

Seeing Shen Lingtong's punch, Gone sighed, with a look of regret, without any intention of dodging: "Since you are courting death, then I will fulfill you." The

voice fell, and Gone fluttered a punch. The punch seemed to be very slow, but in the blink of an eye it came to Shen Lingtong.

boom!

In the next second, the fists of the two sides collided, and Shen Lingtong let out a miserable howl, all the phalanges of his fists were shattered, and blood flowed out, exposing Bai Sensen's bones.

When the pain came, Shen Lingtong couldn't help gasping for air, and at the same time, he looked at Gone in shock. This kid seems to be normal, but his strength is so terrifying. You must know that his own fist of subduing the dragon and subduing the tiger is enough to open mountains and crack rocks. There was no harm at all, but he lost a hand.

Isn't this a useless young master of the family? How can it be so powerful?

At this time, Shen Lingtong still didn't know that the person in front of him was no longer Liu Hao, but the Supreme Demon of the Three Realms.

Whoosh!

At this moment, Gone was no longer talking nonsense, his figure flashed in front of Shen Lingtong, raised his hand and slammed it on the top of his head, only to hear the sound of broken bones, Shen Lingtong barely had time to scream, and died directly.

After killing Shen Lingtong, Gone slowly turned around and looked at Li Tianci with blood-red eyes: "The person you called is not very strong."

Gudong!

Seeing this scene, Li Tianci was completely frightened, his legs softened and he knelt on the ground, stammering: "Liu Hao, Master Liu, don't...don't kill me..."

When he said this, Li Tianci was extremely frightened in his heart, and peed his pants. He never thought that Liu Hao's strength was so terrifying, and his master was so vulnerable in front of him.

Chapter 4787

Jiang Shan is also stupid!

At this moment, her legs felt weak, and her delicate body couldn't help but take two steps back.

She could see that Li Tianci's master was directly killed by 'Liu Hao' and died tragically on the spot. You must know that this was a lay disciple of the Shaolin School.

How is this possible? In the past few years after marrying him, I never knew that he was also a cultivator, and he was so powerful...

In the past few years, every time he was in a bad mood, he would not return his mouth, and he was even accused of being scolded. When Li Tianci was humiliated, he swallowed his anger and never fought.

And today...he actually killed Li Tianci's master...

"Brother Hao, Brother Hao, I was wrong, I was wrong..." Li Tianci knelt there and wept bitterly, and kept kowtowing to Gone to apologize.

However, Gogne ignored it and just looked at him quietly.

Gone's eyes made Li Tianci's heart flutter, and he suddenly shouted and pointed at Jiang Shan: "Brother Hao, it's all her, it's this bitch who betrayed you, she was the one who seduced me first, really, half a year ago. At a banquet, if she hadn't taken the initiative to ask me for contact information, I wouldn't have dared to approach her."

At this time, Li Tianci had no dignity at all, and in order to survive, he could only betray Jiang Shan. After all, Jiang Shan was just a plaything in his heart, how could life matter?

“You...”

Hearing this, Jiang Shan's body trembled, anxious and angry: “Li Tianci, are you...are you still a man?” , use me as a shield.

But now that the matter is over, Jiang Shan doesn't want to care so much anymore, and looks up at Gone: “Liu Hao, I'm sorry for you, you kill me.” She

closed her eyes.

However, Gone didn't even look at her, his cold and arrogant face was full of disdain.

The next second, Gone looked at Li Tianci: “Don't talk so much, the conditions I said just now...”

“Give it, I will give it.” Before he finished speaking, Li Tianci nodded like a chicken pecking at rice. : “Brother Hao, all the property under my name will be given to you. As long as you surround me with your life, I will write the agreement.”

After speaking, he stood up tremblingly and quickly wrote a property gift agreement in front of the table. Then he pressed his handprint on it, and when he pressed the handprint, Li Tianci's heart was dripping blood. All his property added up to billions. Now he gave it all to others. Can you believe it?

But there is no way, if you don't give it, you will die.

“Brother Hao!”

After the agreement was made, Li Tianci came over and handed it to Gone respectfully: “The agreement is made, I beg Lord Hao to spare me once. I promise to leave Donghai City tomorrow, and later They're not coming back.”

When he said this, Li Tianci looked at Gone cautiously, indescribably humble and respectful.

Um!

Gone glanced at the agreement and nodded in satisfaction, but his eyes flashed with icy coldness. At that time, he suddenly raised his right hand and pressed it directly on top of Li Tianci's head.

At that time, Li Tianci didn't have time to dodge, and he sensed a terrifying force pouring into his mind. At that time, he was frightened and stammered: "Brother Hao, spare your life, the money has been given to you, spare your life.

" He did not want Li Tianci's life either, but since today's incident could not be spread out, he planned to turn Li Tianci into dementia.

Pfft!

Finally, Li Tianci couldn't bear the terrifying power, his eyes darkened, and he passed out.

hiss!

Seeing this scene, Jiang Shan's beautiful face was instantly bloodless, and Liu Hao was too cruel. Li Tianci even gave him the money, and even killed him.

At this time, Jiang Shan didn't know that Li Tianci just passed out.

"Brother Hao..."

At this moment, Jiang Shan was extremely frightened and could no longer calm down. She bit her lip and walked to Gone step by step, begging: "I'm sorry for you. For the sake of the field, you...you'll spare me, okay?"

As he spoke, he thought of Lagone's arm, but he felt the terrifying aura on him and held it back.

Gone was expressionless and looked at her quietly: "Didn't you just say that you want me to get out of Donghai City and never come back?"

Chapter 4788

"I was wrong, I really knew I was wrong." Jiang Shan bit her lip tightly, almost bleeding from the bite. She didn't have time to think about it, she hurriedly knelt down, and her delicate body kept shaking.

Li Tianci was killed by him. If he didn't admit his mistake, he would not escape death.

Ha ha!

Seeing her trembling look, Gone laughed and said in a playful tone: "You two are a good match, let's be a pair of desperate couples, what happens to him, you have to accompany him..."

Bang!

The moment the voice fell, Gone raised his hand and patted Jiang Shan's head, only to hear her scream, and fainted on the spot.

At this moment, Gone didn't even look at the three people on the ground, went downstairs delicately, and waved to a servant when he reached the lobby on the first floor.

"What's your order, young master?" the servant said in a submissive voice.

He heard the movement upstairs just now, he knew that someone was dead above, and the appearance of 'Liu Hao' in front of him was shocking, covered in blood.

Gone showed a smile: "Don't panic, now I'm explaining your business, you have to listen carefully, you didn't see me tonight, and I didn't come back. You don't know what happened here, understand?"

"Understood, understand!" The servant nodded quickly.

Gogne explained a few more words, then walked out of the gate of the villa and disappeared into the night.

...

the other side.

At the junction of the coast of Nanyun Continent and Dongao Continent, there is an unknown abandoned fishing village.

At this time, when night fell, a few figures could be vaguely seen, and they were coming quickly. The leader is a middle-aged man, wearing a gray robe, holding a long sword, not angry and arrogant.

It was Mu Jianli, the Sect Master of Sword Sect.

Behind him, Hongxia and several elite disciples of Sword Sect followed closely.

Three days ago, Hongxia and Dongliu traveled here and found Long Qianyu washed up by the sea, so they took her to this abandoned fishing village. After discussion, Hongxia returned to the mountain gate to report the situation, and Dongliu stayed. Continue to take care of Long Qianyu.

As a result, after Hongxia left, she lost contact with Dongchuu. He had no choice but to bring Mu Jianli over.

"Master!"

When approaching the fishing village, Hongxia said softly to Mu Jianli: “At that time, my senior brother and I took Queen Nanyun to one of the wooden houses, and if nothing else happened, she should still be there. “

Mu Jianli nodded and stepped into the fishing village.

Um?

What surprised them, however, was that the entire fishing village was pitch-dark without a trace of light, and it didn't look like someone was taking a break.

“Where's the person?” Mu Jianli asked Hongxia.

At this moment, Hongxia was also inexplicably worried: “When I left, the senior brother and the empress were there, and the empress was seriously injured and would not leave easily.”

Mu Jianli frowned, no longer Instead, he waved his hand to signal everyone to look around.

“Master!”

After a while, an elite disciple quickly ran over, sweating profusely, with a nervous expression: “I found a corpse by the sea, which has been soaked in sea water, but... but looking at the clothes, it should be big Senior Brother.”

When he said this, the disciple looked sad.

What?

Hearing this, both Mu Jianli and Hongxia were shocked.

Especially Hongxia, she almost fainted at the time. She had just made a lifelong decision with Dongliu, and before the wedding was held, something happened to Dongliu, how could she accept it.

The next second, everyone reacted and rushed towards the beach.

From a distance, I could see a corpse lying on the beach, and its face was swollen, but from the clothes, it could be vaguely recognized that it was Dongliu.

“Senior Brother!” Hongxia cried out in grief and rushed up, crying bitterly.

Mu Jianli was also shocked and angry. He stepped forward to check, and said to Hongxia: “Judging from his injury, it should be that something happened to him not long after you left.”

“Uuu...” Hongxia was very sad and couldn't help but said: “Master, who is it, who killed the senior brother?”

Hu...

Mu Jianli frowned, his expression was indescribably sinister, there was no clue around him, he thought it's too hard to find the killer.

“Empress!” At this moment, Hongxia reacted and said ruthlessly: “It must be the queen, my senior brother and I kindly saved her, but she repaid the virtue with resentment, and the senior brother died but she disappeared, it must be her.”

Chapter 4789

Hearing this, Mu Jianli did not respond, but frowned and pondered.

Although she is not familiar with Long Qianyu, she is very familiar with her name. Whenever the queen is before, she is the famous female god of war in the Southern Cloud Continent.

With Long Qianyu's personality, he shouldn't do such despicable things.

But if it wasn't for her, who would have done it?

“Master!”

Just as Mu Jianli was thinking about it, an elite disciple thought of something and couldn't help but say, “Could it be that the rumors we heard on the way here are true? Died at the hands of the Ouyang family?”

Hearing this, Mu Jianli's eyes flashed.

On the way to the fishing village, Mu Jianli got a rumor from the crowd: Long Qianyu, the Queen of Nanyun, failed to exterminate the pirates, died in the sea, and was found out by the Ouyang family, so they found a woman to pretend to be the queen, and then Yue Wuya. Accompanying him to the imperial city, he intends to take the opportunity to seize the throne of the emperor, but the general Huang Zheng sees it through.

After that, the two sides fought. In the end, Yue Wuya and the fake queen lost to each other and were locked in the prison.

When he heard this rumor at the time, Mu Jianli thought it was all false, but thinking about it now, maybe these are all true.

“Ouyang Family!”

At this moment, Mu Jianli's face was gloomy, and he said to himself, "Could it be that they really did it?"

At this time, Hongxia also recalled the scene at that time, not knowing whether it was grief or anger, delicate body Unstoppable trembling: "Master, could it be that what my brother and I saved at the time...was the fake queen from the Ouyang family? Isn't it the real Long Qianyu?"

Huh!

Mu Jianli took a deep breath, looked at Dong Liu's corpse in front of him, and clenched his fists: "It's very possible, with Long Qianyu's personality, he won't take kindness and revenge. It is estimated that you have encountered a fake queen." Jian Li began to speculate: "Because she was afraid of revealing her identity, after you left, the fake queen shot at your brother."

Hearing this, Hongxia was even more sad, and tears kept falling: "Senior brother, Your death is so wrong."

Immediately, Hongxia took Mu Jianli's arm: "Master, the big brother can't die in vain, we must avenge him."

Hmm!

Mu Jianli nodded his head, his eyes flashing with murderous intent in the dark: "Ouyang family, my Jianzong has nothing to do with you, you actually killed my eldest apprentice, I must give you a clear account of this.

"

on the other side, God's Domain!

At the Yutian Palace at this time, the gods and officials gathered, not only that, but also set up a huge ring in the square outside.

Yes, today is the 100th day of the Nine Heavens God's fall, and it is also the day when Prince Aolin and Prince Aotian compete.

The two princes vying for the throne of Heavenly Emperor is the first time in the entire Divine Realm. Therefore, not only did all the priests attend the scene today, but many scattered immortals who lived in seclusion also came to watch this grand occasion.

In the north of the huge arena, a throne was set up. Empress Hua Zhao was dressed in a long robe of gold and silver.

Prince Aotian and Prince Aolin sat on both sides, behind them, Yue Feng and Haotian God King respectively.

That's right, since Immortal Venerable Taiyi was expelled from Yutian Palace, Empress Hua Zhao invited God King Haotian back from Kyushu, as the master of Prince Aotian, to teach him skills.

Facing the scene in front of him, Prince Aolin felt inexplicably nervous.

You must know that today's game is related to your future. If you win, you will be in the Three Realms. If you lose, you will be in a doomed situation. After all, Aotian is ruthless.

"Don't panic!"

Feeling the change in Prince Aolin's expression, Yue Feng smiled slightly, patted his shoulder and whispered, "There is a master."

When he said this, Yue Feng felt very relaxed.

I finally got through to today, and when I helped Ao Lin win the throne of Heavenly Emperor, I could return to the Kyushu Continent.

Just as he was talking, a figure slowly walked towards the center of the ring. It was Mingyue Xingjun, who would preside over today's game.

"Everyone!"

At this time, Mingyue Xingjun first bowed to Empress Hua Zhao, then looked around and said with a smile: "Today, two princes competing for the throne are an unprecedented initiative."

Chapter 4790

"So, with the approval of the goddess and our negotiation and decision, today's game will be divided into three games. One Wenbi, two Wubi!"

Having said that, Mingyue Xingjun looked at him with a smile. Ao Lin and Ao Tian: "Do the two princes have any objections?"

Prince Ao Lin nodded, expressing no objection.

"Haha!"

Prince Aotian chuckled, his face full of self-confidence: "Today's prince, the winning ticket is in hand, do whatever you want." After speaking, he did not forget to give Ao Lin a provocative look.

Ao Lin just pretended not to see it.

However, Yue Feng sneered secretly, this proud prince is really unrepentant, and he is so arrogant on the field of competition.

“Since the two princes have no opinion, let’s start the game.” At this time, Mingyue Xingjun waved his hand, and immediately two fairies took the writing test questions and slowly entered the field.

At this moment, Ao Tian and Ao Lin sat in front of the prepared table respectively and started to write their answers.

In the writing test, there are some things about how to govern the realm of the gods and even the Three Realms, and there are also some questions about how to become a qualified heavenly emperor in the future.

Brushing...

I saw the two princes, both writing hard.

However, the font of Prince Aolin is elegant and graceful, like a dragon flying and a phoenix dancing, which is pleasing to the eyes and refreshing, while Prince Aotian has ordinary handwriting.

From the handwriting alone, it seems that Prince Aolin is slightly better.

“Time is up!”

After half an hour, with the shout of Mingyue Xingjun, the two princes handed in the papers one after another.

“The two princes are indeed both heroic and talented.” Soon, after checking the test questions, Mingyue Xingjun announced the result: “Today’s Wenbi, the two princes are evenly matched, and it is a tie.”

When saying this, Mingyue Xingjun He subconsciously looked at Empress Hua Zhao’s face.

What the hell!

As soon as he finished speaking, Yue Feng’s expression changed.

Nima, this Mingyue Xingjun was obviously bought by Empress Hua Zhao in advance. In the previous Wenbi, just from the handwriting, Prince Aolin was better than Aotian, but he actually said it was a tie?

Thinking to himself, Yue Feng wanted to go forward to the theory, but he still held back.

Whoa!

At the same time, the surrounding priests were also in an uproar, and many whispered.

“In this first game, it seems that Prince Aolin is slightly better.”

“Who said no? It’s a pity that Prince Aolin’s biological mother is no longer there... What can I do...”

“Alas...”

They could all see that this Mingyue Xingjun was jealous of Empress Hua Zhao, so he favored Prince Aotian, but no one dared to say it.

Haha..

Hearing the announcement at this time, Prince Aotian couldn’t help laughing, and looked at Ao Lin contemptuously: “Ao Lin, when the father was still there, he often said that your writing was good, but this prince is not Poor.”

Ao Lin smiled and ignored it.

At this time, at the suggestion of Empress Hua Zhao, Mingyue Xingjun stepped into the ring again: “The remaining two games are martial arts competitions, one is a marching formation, and the other is a competition of strength.”

Saying, Mingyue Xingjun He waved to the audience, and suddenly nearly a hundred soldiers came up with neat steps.

“The two sides will choose some and fight offense and defense, and the winner will win this game.” The

last word fell, and Mingyue Xingjun quickly stepped back.

Whoosh!

At this moment, Prince Aotian walked up slowly and looked at Ao Lin with a half-smiling smile: “Ao Lin, you are my younger brother, I will let you in this game, whether to attack or defend, you choose first.”

Saying this At that time, Prince Aotian looked confident. In the past few days, he and the God King Haotian have learned a lot of marching methods, so he is naturally full of confidence.

Prince Aolin smiled slightly: "I'm free, it's better for the emperor to choose first."

"Okay!"

Aotian didn't intend to let him, but when he saw Aolin say this, a sneer appeared on the corner of his mouth: "Then I Choose to attack." After speaking, he picked fifty divine soldiers.

Prince Aolin looked indifferent, greeted the remaining fifty divine soldiers to his side, and began to deploy the formation.

"Ao Lin!"

At this time, Ao Tian's face was arrogant, and he said with a smile instead of a smile: "If you lose this game, you will miss the position of Heavenly Emperor, otherwise, let's make a covenant first, if I do it Heavenly Emperor, you will always help me, okay?" His

voice was not loud, but he was full of arrogance, as if he had won.

Ao Lin smiled lightly: "Brother Huang said it's too early to say, I won first, let's talk about it."
