Chapter 4791 I don't know how to

praise!

Aotian's face sank, and he didn't talk nonsense immediately, commanding fifty divine soldiers: "Charge immediately!"

Whoa!

Hearing the order, fifty divine soldiers lined up, bursting with divine power, rushing towards the formation of Prince Aolin.

In the eyes of Prince Aotian, the mere fifty magical soldiers cannot form a strong defense at all. As long as the speed is fast enough, they will be rushed to pieces.

However he was wrong.

Seeing Aotian leading his troops to charge, Ao Lin did not panic at all, but subconsciously turned his head to look at Yue Feng. At this moment, Yue Feng showed a smile and nodded at him.

With the invisible support of the master, Ao Lin was extremely calm, and immediately ordered the dozens of soldiers around him: "You guys, occupy the position in the east, you guys, take five steps back, and the rest, go to the Move five steps forward!" The

voice fell, and dozens of divine soldiers did not dare to neglect, and quickly changed their positions.

Whoops!

It was at this time that the divine soldiers led by Ao Tian had already attacked in front of him. Seeing that, he was about to tear apart the formation deployed by Ao Lin.

However, at this moment, a scene that shocked everyone appeared.

I saw that the fifty divine soldiers, under the command of Prince Aolin, cooperated tacitly with each other, not only were they not scattered, but instead surrounded them, trapping all Aotian people there.

What?

Switching from defense to offense so quickly?

This chapter is provided by . Visit for daily update.

Seeing this scene, whether it was Empress Hua Zhao sitting on the throne, or the priests present, they were all shocked. You must know that when the two sides are evenly matched, the attacking and defending sides must entangle for more than a dozen rounds in order to distinguish the winner.

And Prince Aolin, in just one round, directly controls the overall situation.

It's... too awesome.

Yes, Prince Aolin is very talented. During this time, under Yue Feng's patient teaching, he has learned a lot of the essence of the formation.

"You..."

At this time, Aotian commanded dozens of divine soldiers. After several attempts, he was unable to break through the encirclement. He was immediately shocked and furious, and glared at Prince Aolin: "Are you cheating?"

"", obviously he is the attacking side, this has just started, and he has become the defending side?

Prince Aolin smiled slightly and said indifferently: "Brother Huang, don't you know there is a saying called 'A soldier never tires of cheating'? Besides, I did not violate the rules of the game by doing this."

"As long as you can break through, even if I lose, On the other hand, this one, I will win."

Hearing this, Ao Tian was too stunned, but he had nothing to refute, so he had to continue to break through, but after several attempts, there was still no progress.

Time passed by minute by minute.

Seeing that the stipulated time was approaching, Mingyue Xingjun walked over quietly and whispered to Empress Hua Zhao: "Niangniang, the time is almost up, does the minister want to announce the result?"

At this moment, Empress Hua Zhao's delicate face also reflected It's extremely ugly. Her son lost so thoroughly in the second game. How can she still have face as a mother?

At this time, when she heard the question, Empress Hua Zhao frowned and said angrily, "Is there any need to ask? When the time is up, the result will be read out naturally."

"Yes!"

Mingyue Xingjun responded quickly, then walked quickly. Walking to the ring, he raised his hand and said, "His Royal Highnesses, you can stop."

Saying that, he looked around and said loudly, "In the second competition, Prince Aolin won."

Huh!

Hearing the reading, Yue Feng breathed a sigh of relief and showed a smile.

Ao Lin finally lived up to his expectations, this second game was really a beautiful win.

At this time, after reading the results, Mingyue Xingjun asked those divine soldiers to retreat, and said with a smile: "Now there is the last game left, which is to compare strengths."

As soon as the words fell, Prince Aotian moved his wrists. Looking at Prince Aolin fiercely: "I was careless just now, this time, I'm going to be serious."

"I will also go all out." Aolin said lightly.

Speaking of which, the strength of Prince Aotian has always been stronger than that of Aolin. In the third match, Aolin has a high chance of losing, but he is not panic at all.

"Come on!" At this time, Aotian stopped talking nonsense, shouted angrily, and the figure burst out, punching Ao Lin with a fierce punch!

Chapter 4792

Mad!

Seeing this scene, Yue Feng frowned secretly.

This Prince Aotian is really unruly. He hurriedly started before announcing the start. Looking at the situation, the offensive and defensive battle just now made him very embarrassed, so he became angry.

At the same time, the surrounding priests couldn't help but whisper.

"It hasn't been announced yet, how did Prince Aotian start?"

"It's not that I just lost a game, and I feel uncomfortable..."

"Shh, keep your voice down, don't be heard by the goddess."

” After the discussion, Prince Aotian had already rushed in front of Ao Lin, and his face was extremely ferocious at this time: “Ao Lin, you will definitely lose this game, so don’t resist.”

At this time, Ao Tian was arrogant, and his heart was also incomparable. Self-confidence, his strength was originally stronger than Ao Lin. Recently, after the guidance of the God King Haotian, his strength has improved a lot, which is more than enough to deal with Ao Lin.

call!

Ao Lin took a deep breath, did not answer, but urged his divine power to raise his hand, Prince Ao Tian, to collide with his palms! Over the past 100 days, under the guidance of Yue Feng, Aolin has worked hard to cultivate, and his strength has also improved a lot.

boom!

The palms of the two sides collided together, only to hear a loud noise, and a tyrannical internal force fluctuation swept the audience. Immediately afterwards, I saw that Prince Aotian and Prince Aolin groaned, and then they were shaken back a few steps at the same time!

Obviously, no one took advantage of this palm, and they were evenly matched.

After stabilizing his figure, Prince Aolin looked indifferent.

In the heart of Prince Aotian, he was secretly surprised. You must know that Aolin was not his opponent since he was a child. There were several times of competition, and Aolin was defeated. Today, he can even be equal to himself?

“Good boy.”

Under the shock, Prince Aotian looked at Ao Lin closely: “It seems that you have worked very hard during this time.”

“This is natural.” Prince Aolin replied lightly.

“Haha!”

Hearing the answer, Prince Aotian sneered: “So what? I am determined to compete for the throne of Heavenly Emperor today.” The voice fell, and the figure erupted and rushed over again!

“Then let’s wait and see!” Prince Aotian responded, but he was not afraid!

“Dangdangdang!” In the

next second, the figures of the two sides continued to collide in mid-air, and for a while no one could do anything about the other.

In the blink of an eye, ten minutes passed, and neither of the two sides could gain the upper hand, and they suddenly became a little anxious.

“Aotian!”

At this moment, Ao Lin raised a smile on the corner of his mouth, and said lightly: “If I guess right, you secretly bribed Mingyue Xingjun.”

“What do you mean?” Prince Aotian’s expression changed. , said coldly.

Ao Lin smiled slightly, and while fighting Ao Tian, he mocked leisurely: “In the competition just now, everyone could see that I am far better than you in terms of writing and handwriting, but Mingyue Xingjun actually judged us. If it’s a draw, you say, if he confiscates your benefits, how dare he be so blatantly partial?”

When he said this, Ao Lin’s face was serious, but his eyes flashed with slyness.

During this period of time, Ao Lin learned a lot from Yue Feng, especially psychological tactics. He knew that this head-to-head match was not necessarily Ao Tian’s opponent, so he deliberately used words to stimulate him. Impatient, if you lose your mind, you will make a fatal mistake.

“Shut up!”

Sure enough, hearing these words, Ao Tian was furious, and immediately slapped Ao Lin’s heart with a palm.

However, Ao Lin was already prepared, he turned to dodge, and at the same time went around to the back of Ao Tian, and punched him on the shoulder at that time.

boom!

This punch, Ao Lin almost used all his strength, only to hear a dull sound, Ao Tian fell directly, his face was pale, showing a bit of weakness.

Whoa!

Seeing this scene, the priests who were watching the battle immediately caused a commotion.

Aotian’s strength has always been stronger than Aolin, this is a well-known thing, and at this time, Aolin actually beat Aotian back, which is really surprising,

Yue Feng also showed a smile, looking at Aotian's eyes , full of admiration.

Not bad, this Ao Lin has followed him these days, and finally there is no white learning, the psychological tactics just now, used just right.

Chapter 4793

Call!

At this moment, Empress Hua Zhao, who was sitting on the throne, frowned, and her delicate face couldn't hide her anxiety: "In just a hundred days, has Aolin's strength become so strong?"

"This battle, If Aotian loses, he will lose his position as the Emperor of Heaven." The voice fell, and the God King Haotian next to him smiled slightly, and whispered comfortingly: "Don't worry, madam, I have passed on a stunt to His Royal Highness these few days, and he I won't lose."

When he said this, Haotian God King's face was full of confidence.

"Ao Tian!"

At this time, Ao Lin was quietly suspended in mid-air, looking down at Ao Tian, and said in a light tone: "The outcome has been decided, it seems that we don't need to fight."

"Joke, this prince is still I didn't admit defeat."

Hearing this, Prince Aotian's slightly pale face suddenly became extremely gloomy, his eyes flashed a touch of cold light, and then his body flashed, he pulled out a long sword, and flew up!

hum!

At this moment, the divine power in Prince Aotian exploded, and the air around the entire Yutian Palace was about to shatter!

This....

Feeling the aura pervading Ao Tian's body, Ao Lin frowned, having a bad premonition.

What stunt did he perform? It looks very familiar...

At the same time, the surrounding priests watching the battle are also shocked, and at the same time they dispersed to the distance.

“Tianluo destroys the world!”

At this time, Prince Aotian rushed into the air, raised his hand suddenly, a terrifying force burst out from the long sword, forming a sword shadow all over the sky, and suddenly slammed towards Prince Aolin!

These sword shadows, there are thousands of paths, are completely condensed by the divine power of Prince Aotian!

At the moment when thousands of sword shadows appeared, the temperature around the entire arena seemed to drop by more than ten degrees. Whether it was Prince Aolin or the priests not far away, they all felt a chill.

While many priests were shocked, they couldn't help but sweat for Prince Aolin! !

“Tianluo destroys the world?”

“Isn't this the stunt of the God King Haotian? I didn't expect His Royal Highness to learn it!”

“Yeah, it's unbelievable that the God King Haotian can pass such a powerful stunt to His Royal Highness. Looking down, there is no doubt that Prince Aolin will lose this battle.”

Under the shock, many priests couldn't help but talk.

Yes, what Prince Aotian displayed at this time was the famous stunt of the God King Haotian, Tianluo destroys the world. For thousands of years, the God Realm has experienced large and small battles. Every time the God King Haotian relies on this stunt to fall into battle Kill the enemy, Megatron all around.

Haha...

Seeing this scene, the God King Haotian who was standing there showed a smile.

For Empress Hua Zhao, he did not hesitate to teach Aotian his stunt. With the 'Tianluo Destroying the World' stunt, Aotian was already invincible in this third battle.

Sitting there, Empress Hua Zhao, who was still a little worried, was relieved at this time.

Afterwards, Empress Hua Zhao tilted her head to look at the God King Haotian: “Thank you.” The

God King Haotian did not reply, but smiled at him.

What the hell!

Yue Feng, who was not far away, changed his face, and couldn't help but exclaimed at Ao Lin: "Be careful!" At the same time, Yue Feng couldn't help but glance at the God King Haotian.

Nima, this God King Haotian is really willing to write a book, and even passed his unique skills to Aotian.

Oops!

Hearing Yue Feng's cry, Prince Aolin lost his composure, and his forehead was covered in sweat.

This Aotian has learned the stunt of the Haotian God King, and he is afraid that he can't stop it.

Chi Chi...

At this time, the sword shadows in the sky erupted. At that time, Ao Lin didn't have time to think about it, he burst out all his divine power, and pulled out his long sword to block in front of him.

Bang Bang Bang...

Countless sword shadows slammed into it fiercely. Hearing Ao Lin let out a groan, the whole person was shocked and flew out. Finally, when he reached the ring, he fell heavily.

When he fought with Aotian just now, he had already consumed a lot of divine power. At this time, facing Aotian, he would naturally be unable to resist when he used 'Tian Luo Destroy the World'.

"His Royal Highness!"

Seeing this scene, Yue Feng couldn't bear it any longer, exclaimed in surprise, rushed to the ring, and helped Prince Aolin up.

"How are you?" Yue Feng asked anxiously. He clearly felt that Prince Aolin's Primordial Spirit was severely injured, and it would take at least a month to recover.

Chapter 4794

Mad!

At this time, Yue Feng was very angry, this Aotian was too ruthless, just to learn from each other, he actually made such a ruthless hand.

"I'm fine!" Ao Lin smiled weakly, wanting to stand up by himself, but he didn't have any strength.

call!

Seeing the scene in front of them, the surrounding priests were all stunned, and the entire Yutian Palace was silent.

Although they all expected the result, but seeing that Prince Aolin was injured so badly, all of them felt extremely complicated, and they all felt that Aotian was a little too ruthless.

"Aotian!"

At this moment, Yue Feng reacted, and looked at Aotian with burning eyes: "The rules of the game are very clear, the point is to stop, but you have such a ruthless hand, as ruthless as you are, how? Did you become the Emperor of Heaven?"

Speaking of which, Yue Feng didn't want to criticize in public, after all, he would be hated by others, but seeing his disciple being beaten so badly, he couldn't help it.

"You..."

Aotian's face flushed, and he was very shocked, but he didn't know how to refute.

He also knew that it was indeed too much just now.

"Haha!"

At this moment, God King Haotian walked out slowly, looking at Yue Feng with a half-smiling smile: "Xianweng Qingxu, I can't say that, this third chapter competition is a competition of strength, Ao Lin. Who can be blamed for not being good at learning?"
The

disciple was criticized in public, and the master couldn't just ignore it.

"Right, right..."

As soon as he finished speaking, Aotian nodded again and again, and looked at Yue Feng very proudly: "He's not good at learning, it's your responsibility as a master, don't pretend to say that this prince is not here. "

With that said, Aotian tilted his head to look at Mingyue Xingjun: "Xingjun, who wins and who loses in this game?"

“His Royal Highness.” Mingyue Xingjun had a smile on his face, and said very flatteringly: “Of course it is you. You won, just now you said that Prince Aolin was defeated, and everyone saw it.”

Hmm! Hearing the answer, Aotian

nodded with satisfaction, and then urged: “If that’s the case, then you can read the results.

“

The circle said: “Everyone, today’s competition between the two princes is the end.”

After speaking, Mingyue Xingjun glanced at Empress Hua Zhao, and continued: “The two princes have their own strengths, but they passed today’s competition. , Prince Aotian is even better, so I announce that Prince Aotian will succeed him as Emperor of Heaven.”

Wow!

The last word fell, and the audience was in an uproar.

None of the priests present were fools, and it could be seen that Xingjun Mingyue was deliberately partial, but because Empress Hua Zhao was present, she didn’t dare to say anything nonsense.

Hearing the result, Empress Hua Zhao showed a relieved smile.

Prince Aotian was even more excited and proud. Under the leadership of Mingyue Xingjun, he was about to sit on the throne.

“Wait!”

However, at this moment, Yue Feng shouted and walked over quickly.

Swish!

At this moment, the eyes of the audience all converged on Yue Feng.

Prince Aotian’s face is gloomy, Mad, what the hell is this old man trying to do?

At this time, Mingyue Xingjun was also stunned for a while, and then he smiled and said: “Is there any problem with Qingxu Xianwen?”

Yue Feng smiled lightly and said, "Of course there is a problem. In the first game, the two sides were tied, and in the next two games, the two princes had one win and one loss. In general, it was still a draw. "

This...

Mingyue Xingjun scratched his head: "I said just now that the two princes have their own strengths, but in general, Prince Aotian is slightly better."

"A little better?" Yue Feng chuckled and said without shyness: "You mean that Prince Aotian's strength is stronger, so he is qualified to be the Emperor of Heaven?"

Mingyue Xingjun did not respond, but his expression was regarded as a default.

"According to this, in the field, whoever is stronger is the Emperor of Heaven?" Yue Feng continued to speak, raising his finger and pointing at the God King Haotian: "If this is the case, let the God King Haotian be the Emperor of Heaven. "

After a few words, Mingyue Xingjun was speechless.

Prince Aotian was even more frightened and scolded: "Damn old man, don't look for trouble." When the

voice fell, the God King Haotian frowned and said coldly: "Xianweng Qingxu, you are also a fairy from outside the sky. , don't open your mouth and talk nonsense, my loyalty to God's Domain can be learned from the sun and the moon, and I never thought of being the emperor of heaven."

Chapter 4795

When he said this, Haotian God King's face was calm, but he was secretly annoyed.

This immortal Qingxu is really hateful, he dares to talk nonsense about me.

"Haha!"

Feeling the displeasure of the God King Haotian, Yue Feng laughed and said: "Don't blame His Royal Highness, I'm just making an analogy and making a joke." The

voice fell, and Prince Aotian couldn't help but scold: "Presumptuous, such a solemn occasion, how can you be so messed up? Are you not convinced? The prince will give you a chance, how do you prove that Ao Lin is qualified to be the emperor of heaven?"

"If you can say it, and let everyone Convinced, I take the initiative to abdicate, if I can't say it, don't blame this prince for being rude." The

last word fell, and the eyes of Prince Aotian filled with killing intent.

For a time, the atmosphere of the entire Yutian Palace instantly became solemn.

“Okay!”

In front of him, Yue Feng didn’t panic at all, but showed a smile, turned around and walked over, helping Prince Aolin to the throne of Dao.

“Take it!” Yue Feng quietly took out something from his body and handed it to Prince Aolin: “Show it to everyone directly.”

It was the Golden Token of the Heavenly Emperor that he had obtained from the cave in the Black Marsh.

“Hey!”

At this time, Prince Aotian’s face was full of impatience, and he urged: “What the hell are you doing?”

Yue Feng ignored it, but gave Prince Aolin a color. Aolin didn’t even think about it, he directly Show the Emperor’s Golden Token in his hand.

wow.

In an instant, seeing the emperor’s golden order, whether it was Empress Hua Zhao and Aotian, or the God King Haotian and the surrounding priests, their hearts were shocked, and the entire Yutian Palace almost exploded.

“This...isn’t this the long-lost Golden Order of the Heavenly Emperor?”

“The person who possesses the Golden Order is the Emperor of Heaven. This is the rule that has been set since the ground was opened.”

“I didn’t expect that Prince Aolin could find the Golden Order. Could it be God’s will?”
The

surrounding discussions kept coming, Empress Hua Zhao’s delicate body was trembling, and her delicate face was full of incredible.

This....it’s impossible.

The Golden Order of the Heavenly Emperor has been lost for nearly ten thousand years. At the beginning, the Nine Heavens God searched for it several times, but there was no clue at all. How could it appear in the hands of Ao Lin now?

The God King Haotian next to him was also completely stupid, his mind went blank.

Prince Aotian was even more shocked, staring at the Emperor Jin Ling, unable to react for a long time.

“You!”

Finally, Prince Aotian calmed down and stared at Yue Feng: “What do you mean?”

Yue Feng smiled slightly: “Can’t your Highness see it? Prince Aolin is holding the Golden Token of the Emperor of Heaven. The rules of the Divine Realm, who gets the golden decree, who is the emperor, and the mandate of the gods, do I need to explain these?”

Prince Aotian was speechless for a while, but he still blushed and said: “That’s what I said, but the golden decree It has disappeared for nearly 10,000 years, who knows if what you have in your hands is real?”

“Perhaps, this golden order was faked by you.”

Fake?

Hearing this, Yue Feng sneered and said to Haotian God King: “His Royal Highness God King, the prince said this is fake, please verify it.”

Hearing this, God King Haotian reacted, and he was very conflicted at the time, but he still walked over and took a look at Jin Ling.

Phew...

At this moment, all the eyes of the audience focused on the God King Haotian.

At this time, the God King Haotian, with a trace of paleness on his face, slowly said: “This golden order is real.” As

soon as the words fell, the lady Hua Zhao’s delicate body trembled, and she couldn’t help saying: “Impossible... ..” My son is going to be the Emperor of Heaven soon, and everyone’s expectations must not happen again by accident. This golden order must be fake, and it was made by Ao Lin on purpose.

With that said, Empress Hua Zhao walked over quickly and took the golden order in her hand.

This... The

next second, Empress Hua Zhao was completely stupid, because she could clearly see that this golden order was a fake, and it was indeed true.

Could it be that... son Aotian is destined not to be the Emperor of Heaven?

“Everyone!”

At this moment, Yue Feng looked around and said with a smile: “A few days ago, when I was out for a walk with Prince Aolin, I accidentally entered a hidden cave, where I found the Golden Order of the Emperor of Heaven, look. Get up, this is the will of God in the dark, and the sky wants Prince Aolin to be the emperor of heaven.”

The ultimate husband in Chinese chapter 4796-4800

Chapter 4796

“Furthermore, in the competition just now, everyone knows in their hearts that although the two princes are on a par, but Prince Aolin has the golden decree, I think, who is the real emperor of heaven, and I don’t need to waste my words.”

Finally As soon as the word fell, Yue Feng took the lead in bowing to Ao Lin and shouted, “Congratulations, Your Majesty, you are on the throne today.” As

he spoke, Yue Feng kept blinking.

Ao Lin understood, walked over slowly, and sat on the throne.

Whoa!

At this moment, the surrounding priests looked at each other in dismay, then knelt down one by one and shouted in unison.

“I see your Majesty, please.” In the

blink of an eye, all the people in the audience, except Ao Tian, the God King Haotian and Empress Hua Zhao, all knelt down.

Seeing this, Yue Feng smiled secretly, and said to the God King Haotian: “God King Haotian, seeing you like this, I’m not convinced, why? Do you really want to be the Emperor of Heaven?” Huh

!

God King Haotian acted cautiously, how could he not hear that this was Yue Feng’s aggressive tactics? It’s just that in this case, it’s not easy to attack. You can only kneel down and say to Prince Aolin: “Haotian, see Your Majesty.”

At this time, the God King Haotian didn't dare to go to see Empress Hua Zhao, you know, He had sworn before that he would help Ao Tian to become the Emperor of Heaven, but he never thought that Ao Lin had obtained the Golden Token of the Emperor of Heaven.

"You..."

Seeing that the God King Haotian had surrendered, Aotian was anxious and angry, and at that time he lost his mind and shouted: "What kind of golden orders are all fake, I am the only one. Heavenly Emperor..." The

last sentence, Aotian almost howled out, his face was also extremely hideous.

This chapter is provided by . Visit for daily update.

"Bold!"

Ao Lin frowned, he couldn't hold it any longer, and shouted loudly: "Ao Tian, I respect you as the eldest brother, and tolerate you in every possible way, but you are still so presumptuous, come on, take him down, Temporarily imprisoned in Heavenly Prison."

Whoops!

Hearing the order, several divine soldiers came quickly and tied Aotian Wuhua.

"Your Majesty!"

Seeing this, Empress Hua Zhao trembled, and quickly came to intercede: "For the sake of your brothers, don't bother with him, and spare him this time."

Haotian Shenjun also followed . Pleading: "Your Majesty, Aotian has a reckless temperament, please give him a chance."

However, in the face of their pleas, Aolin's expression did not fluctuate in the slightest.

At this moment, Yue Feng walked over and said in a low voice, "Today is the day when you will succeed to the throne of Heaven. It is not appropriate for you to do great work. It is better to forgive him first.

"!"

After saying that, he waved his hand to loosen the binding, and at the same time said coldly to Ao Tian: "Ao Tian, today, for the sake of Master's face, I will forgive you once, and again I dare to act recklessly, and I will never forgive you lightly.

"Yes..." Aotian was dripping with cold sweat and nodded quickly.

He never thought that after Ao Lin became the Emperor of Heaven, he would really dare to condemn himself.

At this time, Yue Feng smiled at Mingyue Xingjun and said: "Xingjun, what should you do next, you won't forget it?"

"", loudly announced: "Today's game is over, and three days later, the enthronement ceremony will be held."

"As per your order!"

For a time, all the priests and soldiers and generals present responded in unison, and the momentum was overwhelming.

.....

On the other side, Kyushu.

Shaolin Temple, in the meditation room.

Master Kong Wu was sitting there, closing his eyes and resting. Since the end of the demons' turmoil in Kyushu, the Shaolin sect has rarely asked about the world.

"Master!"

At this moment, a disciple stepped forward with a complicated expression: "Master, something happened to Shen Lingtong."

Master Kong Wu suddenly opened his eyes and asked, "What happened?"

"He died, at the Liu family villa in Donghai City." The disciple looked solemn: "According to the disciple who brought back the news, Shen Lingtong died after being smashed to pieces by someone's palm, and there were still others at the scene. Two people are unconscious, one is Li Tianci, a disciple of Shen Linglong, and the other is Jiang Shan, the daughter-in-law of the Liu family."

What?

Hearing this, Master Kong Wu was shocked, and was furious. He immediately stood up: "Who is the murderer?"

"It's still such a cruel method, and it's too much to ignore the Shaolin faction."

Chapter 4797

The disciple looked ashamed and whispered: "Reporting to the master, I just don't know who the murderer is, so I alerted you to the old man..."

Hu...

At this moment, Master Kong Wu's face was extremely solemn, and immediately He ordered: "You can let Juechen take people to Donghai City, and no matter how much you pay, you must find the murderer."

"Yes, Master."

...

On the other side, Kyushu, the main altar of Xia Yinzong.

In the study, Wen Chou Chou was sitting cross-legged, closing his eyes and resting.

"Brother Wen!"

At this moment, an anxious shout came from outside the door, and then, Sun Dasheng rushed in in a hurry.

Seeing Wen Chou Chou meditating, Sun Dasheng was very anxious: "Brother Wen, something happened to Ya'er. You are still in the mood to meditate here. Come on, come with me."

Something happened?

Wen Chou Chou was stunned for a moment: "What happened to Ya'er?"

Five days ago, on the coasts of Nanyun Continent and Dongao Continent, some pirates were wreaking havoc and plundering innocent people. After knowing the situation at that time, everyone negotiated to let Yue Wuya go. I went to investigate, but as soon as Yue Wuya left, there was no news.

At this time, when Sun Dasheng said that something had happened to him, Wen Chou Chou was very surprised.

"The people who were sent out yesterday have already heard the news." Sun Dasheng was a hot and impatient person. At this time, he pulled Wen Chou Chou up and said impatiently: "Everyone has been arrested and locked in the prison of Nanyun Imperial City. My brother and sister's eyes are about to swell from crying."

Hearing this, Wen Chou Chou quickly changed his clothes, and then went to the front hall with Sun Dasheng.

When they got to the front hall, they saw Qin Rongyin sitting there with red eyes. All around Ren Yingying, Su Qingyan, Xiao Yuruo and Long Qianying, all of them were anxious and worried.

“Brother Wen!”

Everyone shouted when they saw Wen Chou Chou coming in.

Wen Chou Chou frowned and hurriedly asked, “What’s the matter? Why is Ya’er locked up in the prison of Nanyun Imperial City ?

“

, said respectfully: “We found the news that Young Master Yue met the Queen Long Qianyu at the beach, and then escorted him all the way, and ended up at the Nanyun Imperial City, but the general Huang Zheng said that Long Qianyu was faked by the Ouyang family.”

“At that time, the two sides fought, and Young Master Yue and the Queen lost, and they were caught.”

“By the way, as far as I know, Huang Zheng has already been elected as the new emperor.”

Such a thing!

Hearing this, Wen Chou Chou frowned and his face was very solemn. That general, Huang Zheng, was obviously committing trouble and usurping power.

“This Huang Zheng.”

At this time, Long Qianying, who has always been quiet, couldn’t hide his anger: “It’s really daring to do something like this.” After

speaking, Long Qianying’s delicate face showed a bit of complexity: “Ah , I told my sister at the beginning that this Huang Zhengcheng is very deep and can’t play a big role, but she doesn’t listen, if she listens to my advice, she won’t suffer a big loss now...”

Phew!

Hearing this, Wen Chou Chou took a deep breath and asked the disciple, “When you came back, what else did you hear?”

“The palace has issued a notice.” The disciple looked worried: “It is said that after three days, the young master Yue and the queen will be beheaded to the public.”

Mad!

As soon as the words fell, Sun Dasheng couldn't help it, and shouted: "What are you waiting for? Let's go to save people, Mad, then Huang Zheng is just a clown who dares to move us, let's see if I don't beat him. You bastard."

Saying that, he was about to rush out to gather people.

Just before taking two steps, he was stopped by Wen Chou Chou.

"Great Sage, don't be impulsive." Wen Chouchou was very speechless. The Great Sage's fiery temper could never be changed in his life, so he patiently said: "Now outside, Qin Tianjian is still asking about our whereabouts, so let's We can't leave Xia Yinzong with great fanfare."

"If it is discovered, I'm afraid that we will be stopped by the divine soldiers of Qin Tianjian before we reach the Nanyun Imperial City, and it will be even more troublesome.

", Sun Dasheng was even more anxious: "Then what should we do? Let's just watch and ignore it?"

Wen Chou Chou smiled bitterly: "How can we ignore it? I mean, we can't be too public about this, we have to outsmart it."

Chapter 4798

Speaking, Wen Chou Chou's eyes fell on Long Qianying: "Brother and sister, you are more familiar with Nanyun Imperial City, is there a way to rescue Ya'er without being discovered by the imperial guards?"

Wen Chou Chou was in a calm situation, just now After thinking for a while, he put his hope on Long Qianying.

After all, she is Long Qianyu's older sister, the former Queen of Nayun.

Swish!

At this moment, all eyes in the hall will be focused on Long Qianying, with anticipation on his face.

Long Qianying thought for a while, nodded and said, "Yes, near the north gate of the imperial city, there is a secret passage leading to the prison. That was when Yang Jian led his troops to attack the Nanyun Continent, and I ordered someone to dig it in secret. In case you can't keep the imperial city, there is a way out, but it's useless later." That's

great.

Hearing this, Wen Chou Chou was overjoyed, and quickly asked Long Qianying to draw the location of the secret passage in detail.

A few minutes later, Wen Chou Chou put away the map, and then took Sun Dasheng and many other masters, quietly left the main altar of Xia Yinzong, and hurried to Nanyun Continent.

.....

On the other side, Nagumo Imperial City.

In the main hall, Huang Zheng sat on the throne, wearing a golden dragon robe, with indescribable majesty.

The civil and military officials stood neatly below, one by one being extremely respectful.

Since he ascended the throne as emperor, this is the first time that Huang Zheng has convened a group of ministers to deploy important matters in the DPRK.

At this time, after Huang Zheng inquired about various matters, he suddenly thought of something, and asked a military general: "Zhang Xing, the two felons in the prison, nothing happened, right? After two days, they will be beheaded. It is shown to the public, but there can be no mistakes."

Hearing the question, the general who called Zhang Xing hurried out and replied, "Your Majesty, around the prison, I have strengthened my troops. Not even a fly can fly out. I'm not afraid of two felons escaping.

" His expression became complicated, and he hesitated to speak: "It's just..."

Huang Zheng frowned: "Just what?"

Phew!

Zhang Xing took a deep breath, bowed his head and said, "It's just that the Ouyang family may come to save people. Although Yue Feng is nowhere to be found, Wen Chou Chou and Sun Dasheng are both heroes in the world. If they come to rob the prison together, their subordinates will only I'm afraid I can't stop it."

When he said this, Zhang Xing couldn't hide the fear in his eyes.

Hearing this, Huang Zheng frowned, and he couldn't help but feel a little worried.

Yes, Wen Chou Chou and Sun Dasheng are not low in strength, especially Sun Dasheng, who also has a peerless divine weapon to open the sky.

Thinking about it, Huang Zheng looked around and asked lightly, "Aiqings, what do you think about this?"

When he said this, Huang Zheng couldn't hide his irritability.

Whoa!

The voice downstairs, the civil and military officials suddenly began to discuss.

"The Ouyang family ordered people to pretend to be the queen, and they were rude first. I don't think they were so bold and came to rob the prison.

" Just sit back and watch."

"I don't think you need to be afraid, they are really coming, so just fight."

Everyone said something, I said it, and after a long discussion, no satisfactory result was reached.

At this moment, the Minister of Rites came out and said respectfully to Huang Zheng: "Your Majesty, I have a suggestion, why don't we go and ask Qin Tianjian to come over."

Qin Tianjian?

At this moment, Huang Zheng frowned: "Why?" The Minister of

Rites smiled and said, "When the Divine Realm formed Qin Tianjian, in addition to maintaining the peace of the Kyushu Continent, the purpose was to arrest Yue Feng and the people of the Ouyang family. "

At the beginning, the Ouyang family disappeared without a trace in order to avoid the investigation of Qin Tianjian. As long as we ask for help from Qin Tianjian, they will not sit idly by. At that time, there will be divine soldiers with Qin Tianjian here. Even if Sun Dasheng and Wen Chou Chou have the ability to the sky, they don't dare to be presumptuous."

When he said this, the Minister of Rites looked confident.

Among the civil and military officials around, many people nodded in agreement.

"Bullshit!"

However, Huang Zheng's face was ashen, and he scolded coldly: "I just ascended the throne and became emperor, and the entire Kyushu is watching. If I can't even watch a prison, I need to ask Qin Tianjian for help. How should people see me?"

Chapter 4799

Uh...

Hearing the angry shout, the Minister of Rites was embarrassed, his face flushed and he couldn't speak.

Huang Zheng was too lazy to talk nonsense, he waved his hand to let him back off, and then looked around: "Is there any other suggestion?"

For a while, the civil and military officials looked at each other and fell silent, not daring to speak rashly.

"Your Majesty!"

At this moment, a guard walked in quickly and knelt down at Huang Zheng: "Your Majesty, there are several people outside the palace gate. I have something to ask for."

Sword Sect Sect Master?

Hearing this, Huang Zheng was stunned for a moment. He had never had any dealings with Jianzong, so why did Jianzong's sect master suddenly ask to see him. But I didn't think about it at the time, so I raised my hand and said, "Bring it here."

"Yes, Your Majesty!"

Upon hearing the order, the guard complied and walked out of the main hall quickly, bringing a few people in after a while. I saw that the person in the lead was wearing a black robe and had an extraordinary temperament.

It was Mu Jianli, the Sect Master of Sword Sect.

"Sect Master Mu Jianli."

When he arrived at the front, Mu Jianli gave Huang Zheng a deep salute and said politely, "I have seen Your Majesty."

"Sect Master Mu is polite." Huang Zheng said with a smile: "A few Come to see me, what's the matter?"

Huo!

Mu Jianli took a deep breath and said slowly: "Ashamed to say, my eldest apprentice rescued a woman who claimed to be the queen on a beach a few days ago. The girl Hongxia was there at the time, and later Hongxia returned to the mountain gate to me. Report the situation, and leave the eldest apprentice alone to take care of the queen."

"Who would have thought that the queen would avenge her revenge and kill my eldest apprentice... After that, I heard that the woman who claimed to be the queen came to the imperial city with Yue Wuya, and His Majesty saw the truth..."

The woman who pretended to be the queen was ruthless. She killed my eldest apprentice first, and wanted to seize the throne. I heard that the Ouyang family was ready to send someone to rescue her, so she dared to meet your majesty, willing to cooperate with the imperial guards. Come fight against the Ouyang family and do your best."

When he said this, Mu Jianli couldn't hide his grief and resentment.

The eldest apprentice Dongliu, who had been nurturing him for more than ten years, was about to take over the position of suzerain in the future, but now he was killed, how could he not be heartbroken?

Whoa!

Hearing this, the entire hall was in an uproar, and the civil and military officials were all talking about it.

"There is such a thing."

"I didn't expect that the woman who pretended to be the queen was so cruel, and even killed the people of Jianzong." "The

Ouyang family, relying on Yue Feng's prestige, really does whatever they want."

Come, Huang Zheng is also very surprised.

But soon, Huang Zheng's mood became much more relaxed, haha... Zhengchou didn't know how to deal with the Ouyang family, so someone took the initiative to cooperate.

Ugh!

Agitated in his heart, Huang Zheng appeared to be very heartbroken, and said to Mu Jianli with a hypocritical expression: "It turns out that Jianzong and the Ouyang family still have this feud, but then again, this Ouyang family is really daring and dare to act. The fake queen, I have prepared, two days later, the fake queen and Yue Wuya will be beheaded to the public."

“Since Sect Master Mu has spoken, then I am embarrassed to refuse, so, from now on, I will trouble Sect Master Mu and me. Together with the guards, we will strictly guard the prison to prevent the Ouyang family from robbing the prison.”

When he said this, Huang Zheng’s eyes flashed with slyness.

Haha... This Mu Jianli still doesn’t know that the person I put in the prison is actually the real queen.

But this is fine, since Jianzong is willing to be a pawn, he will be a favored person.

Phew...

Seeing Huang Zheng’s agreement, Mu Jianli breathed a sigh of relief, and said gratefully, “Thank you, Your Majesty, for your accomplishment, Your Majesty, rest assured, I will do my best to keep the prison, as long as the Ouyang family comes, they will surely come. There is no return.”

At this time, Mu Jianli didn’t know that he was used by Huang Zheng.

.....

On the other side, the Earth Circle Continent, Donghai City.

On the second floor of the Liu family villa, Gogne was sitting in a loose Tang suit, closing his eyes and resting.

In less than two days, Gogne has now fully adapted to the body.

Chapter 4800

At this time, Gogne is in a good mood. As long as the meridians of the whole body are opened, he can practice the magic skills. As long as he returns to his peak state, he doesn’t need to use other people’s names to hide.

“Master!”

At this moment, a servant walked cautiously to the door and shouted at Gogne: “There is a guest downstairs, claiming to be from the Shaolin Temple.”

Shuh!

Hearing this, Gogne suddenly opened his eyes, his eyes flashing with a trace of sinister. Shen Linglong died in Liu’s villa. He guessed that Shaolin would send someone to investigate, but he didn’t expect it to come so soon.

“Bring it here.” Gone said lightly.

The servant responded and turned to go downstairs.

As soon as his forefoot left, Gogne quickly got up and lay down on the sofa next to him with a towel on his head, making a very weak look.

Swish...

Just after finishing this, I heard footsteps coming. Then, the servants led a few people up, and I saw that the leader was a tall monk with a national face and a pair of sword eyebrows. .

It is Master Juechen, one of the four elders of the Shaolin School.

“Amitabha.”

When he got to the front, Master Juechen clasped his hands towards Gone and said politely, “The poor monk Shaolin

Juechen has disturbed the patron.” Gone sneered secretly, but on the surface he looked flattered: “It turns out that Shaolin monk, disrespectful and disrespectful, I’m really sorry, I just experienced a car accident, and now my injury is not healed, so I can’t stand up and greet the servant.”

Then, Gone said to the servant, “Go and make tea!”

“No need! “

Juechen waved his hand, and then looked up and down Gone: “Liu Shizhu said that you had a car accident before? But what happened the night before ?

“

There are people who died in this villa, does donor Liu know?” When he said this, Juechen closely observed the changes in Gone’s expression.

This...

Gonier pretended to ponder, shook his head and said: “At that time, I passed out in a car accident. When I woke up, I was sent to the hospital. I didn’t know what happened at home, and was called to record a statement. That’s all I know.”

After speaking, Gone looked ashamed: “I’m not afraid of the master’s joke, my wife secretly had an affair with Liu Tianci. At that time, the two of them had a tryst in this

villa. I don't know how Ling Tong came here and died tragically on the second floor, and my wife and Li Tianci seemed to be surprised, they all turned into dementia..."

Hearing this, Juechen frowned: "Liu Shizhu really doesn't Do you know the situation at the time?"

"I've said everything I should have said." Gone said with a faint smile: "But according to the police's speculation, it was Li Tianci's enemy who did it. Specifically, they are also investigating. If the master wants to know the situation, You can ask them."

Speaking of the last sentence, Gone couldn't hide his tiredness: "It's getting late, Master, it won't be far away."

Phew!

Juechen breathed a sigh of relief, clasped his hands together: "Excuse me!" After saying that, he left with his disciple.

Outside the villa, Juechen stood quietly at the intersection, thoughtful.

"Master!"

At this time, one of the disciples accompanying him couldn't help but said, "Could it be that Li Tianci's enemy did it?"

When the words fell, another disciple shook his head and sighed: "Oh, this Liu Hao is really miserable. Apart from the car accident, his wife is also fooling around with other men, and in the end, there is a murder at home..."

Just halfway through , was interrupted by Jue Chen waving his hand.

"A few of you."

Juechen at this time, with a very solemn expression, commanded word by word: "Starting tonight, closely monitor this Liu Hao." For some reason, he always felt that the 'Liu Hao he saw just now' 'Something's not right.

This....

hearing the order, several disciples were stunned.

Then one of them couldn't help but asked: "Master, what is there to monitor Liu Hao, do you suspect that he is the murderer?"

Under the moonlight, Juechen's face was gloomy, and he said lightly: "This Liu Hao said that he experienced the night before. He had a car accident, it was very serious, but I

secretly sensed it for my teacher just now and found that he was not injured at all, and he was pretending to be tired at the time.”
