

The ultimate husband in Chinese chapter 4821-4830

Chapter 4821

Wow!

Hearing this, the three Duan Lei hurriedly surrounded them and started asking questions.

“What’s the situation?”

“Why is it so bad, have the Palace Master Wen rescued the door master?”

“They are trapped in the imperial city?”

Duan Feng took a deep breath and said anxiously: “More than trapped, When I arrived near the prison just now, I saw the Palace Master and the Sect Master being besieged by the imperial guards, and the situation was not optimistic.”

“I wanted to rush in, but there were too many guards in the imperial city. , I had to come back first to spread the news.”

After saying this, Duan Feng was sweating profusely and was very anxious.

What?

Knowing the situation, Duan Lei’s face changed greatly, and they were furious.

“The other party is really deceiving.”

“What are you talking about? Find a way to rescue the Palace Master Wen and the others.”

“Let’s hurry up and help.”

Listening to his brother’s suggestion, Duan Feng shook his head with a serious face: “The emperor There are thousands of city guards, it’s just the four of us, it’s hard to reverse the situation, and we have to protect the young master.”

After speaking, Duan Feng tilted his head and gave Yue Huaixian a deep look.

This chapter is provided by . Visit for daily update.

Hearing this, Duan Lei thought for a while, then clenched his fists and said, “What should we do? We can’t just sit back and watch, why don’t we do this, let’s immediately issue a summoning order to convene the Tianmen ministries.”

Duan Feng hesitated and nodded. : "That's the only way!" After saying that, he was about to release a fireworks signal to summon the Tianmen ministries in the surrounding area.

"You can't do this at all!"

However, at this moment, Yue Huaixian said loudly, "Have you forgotten why we were reclusive heroes from the Hidden Sect before?" The

voice was not loud, but there was an aura that should not be underestimated.

Uh...

Seeing him speak, the four brothers Duan Feng were stunned.

"At the beginning, the reason why we were secluded in Xia Yinzong was because God's Domain issued a search order to eradicate the Ouyang family and all related forces. Today, if we gather the members of Tianmen to fight with the guards of Nanyun Imperial City, there will be no movement. Qin Tianjian will definitely be brought over, and when that time comes, I'm afraid we won't show Uncle Wen and the others, and we will fall into a passive situation." Yue Huaixian said seriously, his steady attitude and his tender face formed a clear distinction. Compared.

"This..." Hearing these words, Duan Feng was completely silent, and after a few seconds he smiled bitterly: "Young Master is right, but if you don't do this, we have no other way."

Yue Huaixian put his hands behind his back. , took a few steps back and forth, and said, "Uncle Wen often taught me to use more brains and outsmart things, so don't use force."

Shuh!

Seeing him like this, Duan Feng's eyes lit up, and he quickly asked, "Little Young Master, have you come up with a solution?" The

voice fell, and the three Duan Lei next to him were also staring at Yue Huaixian with expressions on their faces. Full of anticipation. You must know that although Yue Huaixian is young, she is smart and full of ghost ideas. In the past six months in Xia Yinzong, the four brothers have been tricked by him several times.

Yue Huaixian touched her nose and smiled: "Of course there is a way, just need you to play a show..."

Hearing this, Duan Feng was overjoyed, and quickly said: "Follow the instructions of the young master."

...

At this moment, the Nanyun Imperial City is here.

The fierce battle on this side of the prison continued.

Dangdangdang...

I saw that Wen Chou Chou, Sun Dasheng and others tried their best to break through, but every time they were blocked back, the sound of weapons colliding echoed throughout the night sky.

At this time, Huang Zheng, who had been watching the battle not far away, showed a smug smile and shouted at Wen Chou Chou: "Wen Chou Chou, Sun Dasheng, don't waste your energy, surrender." The

voice fell, Mu Chou in the battlefield Jian Li also called out, "None of you can escape, so let's just be captured."

"Surrender?"

Sun Dasheng laughed loudly, his expression wild and mad: "Our brothers have been in the rivers and lakes for more than ten years, and we have never understood the word surrender. Write, aren't you going to fight? Then stop talking nonsense."

Shua!

Hearing the answer, Huang Zheng's face was extremely gloomy, Ma De, he has always heard that Sun Dasheng is notoriously hot-tempered, like a stubborn donkey, and seeing it today is indeed well-deserved.

Chapter 4822

In anger, Huang Zheng shouted angrily: "At this point, you still dare to speak up, everyone obeys orders, and no matter how much they pay, they will be captured alive."

He thought about it and directly killed Wen Chou Chou and others, it is too cheap for them, they must be captured alive, torment them to survive, not to die, in order to relieve the evil in their hearts.

"Subordinates obey!" After hearing the order, more imperial guards rushed up.

Seeing this scene, Sun Dasheng's eyes were extremely blood red, and he kept waving the axe, but his internal strength was almost exhausted. At this time, there was always a magic weapon in his hand, and it was difficult to change the situation.

Soon, Sun Dasheng's movements became slower and slower, and his face became pale.

"Clang!"

At this moment, several imperial guards rushed over, and the long swords in their hands slashed on Sun Dasheng's back.

"Pfft!" Blood spurted out instantly, but Sun Dasheng gritted his teeth and didn't cry out, but his body was staggered and almost fell. He and Wen Chou Chou had been fighting fiercely here in the middle of the night, their internal strength was exhausted, and their body was about to be overdrawn.

"Ma De, come!"

Sun Dasheng roared. He didn't know where the strength came from at the time. He swung the axe out and smashed the surrounding imperial guards. At this time, Sun Dasheng's face was extremely pale, but he faced The enemy is still unafraid.

hiss!

Seeing this situation, the surrounding imperial city guards couldn't help but gasped, and felt extremely apprehensive in their hearts.

This is Sun Dasheng, who is famous all over the world. Such a serious injury is fine.

Is that human being?

"What are you afraid of? He doesn't have the strength to fight anymore." At this moment, Mu Jianli howled, rushed over quickly, and stabbed Sun Dasheng's shoulder with a sword.

Sun Dasheng groaned in pain and was about to counterattack, but several guards around him quickly rushed over and tied him up.

"Great Sage!"

Seeing the situation here, Wen Chou Chou shouted and was about to rush over, but there were too many enemies around, and it was too late.

scoff!

And while Wen Chou Chou was not paying attention, a guard clenched his long sword, rushed from behind, and slashed at his back at once.

Immediately afterwards, before Wen Chou Chou could counterattack, more enemies rushed over, with long knives in their hands intertwined into a net of knives, covering him directly.

Blood spurted out at once.

Pfft!

At this moment, Wen Chou Chou only felt that all the strength in his body seemed to be taken out of time, and he half-knelt on the ground all of a sudden.

“Haha...”

Seeing this situation, Huang Zheng was very excited and shouted: “Yes, it’s just like this, they won’t last long. As long as I can win them, I will reward them.” The

voice fell, and the surrounding The guards swarmed in as if they had opened the blood, and in a short while, they tied up Wen Chou Chou and the others.

For a time, whether it was Wen Chou Chou or Sun Dasheng and others, they were all extremely sad, angry and annoyed.

I thought that with the topographic map drawn by Long Qianying, Yue Wuya and Long Qianyu could be quickly rescued, but I never expected that Huang Zheng had the help of Jianzong.

Alas...

At the same time, Yue Wuya also sighed, feeling ashamed beyond words.

If I hadn’t been too careless and arrested with Long Qianyu, I wouldn’t have implicated Uncle Wen and Uncle Sun now...

“Haha..”

At this time, looking at the people who were tied up with five flowers, Huang Zheng was proud of his face and walked over step by step: “Wen Chou Chou, Sun Dasheng, it is rumored that you have the world’s most powerful talents, and you are famous in Jiuzhou. I don’t think so.”

Seeing him With the appearance of a villain, Wen Chou Chou sneered and ignored it.

“Ma De!”

Sun Dasheng had a fiery personality, and he couldn’t hold back, and immediately yelled at Huang Zheng: “You are a clown who jumped on the beam, you just got lucky for a

while, what's there to be proud of? I don't know where it is, don't screeching in front of Lao Tzu."

Sun Dasheng was not afraid, and he was not timid in the face of Demon Venerable, how could he take Huang Zheng in his eyes.

Swish!

Hearing the scolding, Huang Zheng's face suddenly became ugly, and anger rose in his heart. He is now the emperor of the Southern Cloud Continent, but he was scolded by a prisoner pointing his nose. Where will he put his face in the future?

Chapter 4823

However, Huang Zheng maintained his identity and did not attack on the spot, but said with a smile: "Okay, very good, the prisoner under the steps dares to be so arrogant, I want to see, tomorrow when the city gate is beheaded, can you still scold?" After speaking, Huang Zheng raised his hand and waved: "All of them will be put on death row, and they will be

beheaded at noon tomorrow.

"

Wen Chou Chou everyone was put in jail.

At this time, Huang Zheng tilted his head to look at Mu Jianli, and said with a smile: "Tonight, I was able to successfully capture Wen Chou Chou and Da Sheng Sun alive, and Sect Master Mu must have done a lot of credit. I said everything I said, and I will kill these people tomorrow. After that, we must reward Sect Master Mu and the heroes of

Sword Sect." "Your Majesty is polite." Mu Jianli was humble, and then he thought of something and asked for instructions: "Your Majesty, I have a request that I don't know what to say.

" Haha!"

Huang Zheng smiled slightly: "What Sect Master Mu wants to say, just say it! Don't be so restrained."

Phew!

Mu Jianli took a deep breath and couldn't hide the hatred in his eyes: "Tomorrow I want to personally kill Dasheng Sun and others..." The eldest apprentice Dong Liu died at the hands of the Ouyang family. As a master, although he could not personally Killing them

to take revenge, but personally supervising the execution tomorrow, can also be regarded as an explanation for the apprentice's spirit in the sky.

"What's the matter with me?" Hearing this, Huang Zheng was stunned for a moment, and then smiled: "This request is reasonable and reasonable, and I will accept it."

Seeing his agreement, Mu Jianli was very excited: "Thank you, Your Majesty."

Swish swish....

As he was talking, he saw several figures flying quickly in the night sky not far away, wearing uniform golden armor and masks on their faces, majestic.

Um?

Seeing this scene, both Huang Zheng and Mu Jianli frowned secretly.

"Who is it?"

"So bold, dare to break into the imperial city prison at night?"

"Stop immediately!"

At this moment, the surrounding guards also found four people, shouted one after another, and surrounded them directly. However, feeling the breath of the four, these guards did not act rashly.

At this time, a captain of the guard first glanced at Huang Zheng, and then scolded the four: "Come and sign up." The

voice fell, and the head of the four wearing golden armor took a slow step forward, looking at Huang Zheng said: "Your Excellency is the trusted emperor of the Southern Cloud Continent, right?"

"It's me!" Huang Zheng said calmly, "Who dares to be your Excellency?"

Speaking of which, after becoming emperor, Huang Zheng The heart is very swollen, and most people will not pretend to make excuses at all, but facing the golden armor in front of him, for some reason, there is an invisible pressure, and he dare not speak so arrogantly.

The headed Jinjia man replied lightly: "We are the special envoys of the Qintian Superintendent. We received news earlier that your Nanyun Imperial City had caught the people of the Ouyang family, so we came here to take a look." The

voice was not loud, but there was a hint of confusion. An unmistakable aura.

In fact, these four people are the four brothers of the Duan family, and they are not special envoys of the Tiantian Superintendent at all. This outfit at this time was completely Yue Huaixian's attention.

Immortal Yue Huai was a big kid, and asked the four brothers of the Duan family to pretend to be the special envoys of the pro-God's condemnation and come directly to ask for Wen Chou Chou.

What?

At this moment, whether it was Huang Zheng, Mu Jianli, and the surrounding imperial guards, they were all shocked and shocked.

These four turned out to be the special envoys of the Tiantian Superintendent, no wonder the aura was so powerful.

"Your Majesty!"

At this moment, Duan Feng, disguised as a special envoy, looked at Huang Zheng quietly: "I heard that you arrested Wen Chou Chou, Sun Dasheng and others, is it true or false?"

"This..." Huang Zheng After hesitating, he nodded and said, "That's true."

"Very good!"

Duan Feng nodded approvingly, and then said in a commanding tone, "Then please, Your Majesty, hand over all these people, Wen Chou Chou, They are all repeat offenders of our Tiantian Prison, and we are going to bring them back for trial."

Uh...

Hearing this, Huang Zheng's face became complicated and he hesitated.

In order to capture a few Wen Chou Chou alive, it can be said that these few days have been exhausting, but in the end I managed to catch them, and I paid a heavy price.

Chapter 4824

"What?"

Seeing Huang Zheng's hesitant face, Duan Feng said in a low voice, very displeased: "Is your majesty unwilling?"

Huang Zheng sneered and said: "That's it, Wen Chou Chou and others are congress. I have already ordered them to be executed tomorrow, I think, there is no need to send them to the Qintian Prison."

Hearing this, Duan Feng frowned.

"Bold!"

At this moment, Duan Lei, who had been standing behind him, couldn't help but pointed at Huang Zheng and scolded: "You are a small emperor in the world, you are not small, you dare to be with the Tianjian Superintendent. Bargaining, do you know that Yue Feng violated the rules of heaven, and the entire Ouyang family cannot escape the guilt. If we want to take them away for trial, we still need your nod? Are you more powerful than the emperor of heaven?"

Saying these At that time, Duan Lei was fierce and full of aura.

However, the four brothers all wore golden masks and could not see their expressions, but that was what gave them a mysterious sense of oppression.

Gudong! Hearing the reprimand, Huang Zheng's heart trembled, his legs were weak at that time, and he quickly said

: "Don't dare, don't dare, your Excellency the special envoy is serious, I'm just a mortal, how dare I intervene in the affairs of the Tianjian?"

Huang Zheng waved at the captain of the guard next to him and said, "Quick, bring all the prisoners out and hand them over to the special envoy."

At this time, Huang Zheng was very helpless. To be honest, he didn't want to hand over Wen Chou Chou to everyone. There is Long Qianyu, she is the real queen, and if she comes back in a big disaster, all the lies she has worked so hard to make up will be null and void.

But there is no way, the other party is the special envoy of Qin Tianjian, representing the realm of the gods, how dare to offend?

"Yes!"

The captain of the guards responded, and hurriedly led people into the prison, and brought out Wen Chou Chou and everyone else.

At this moment, the four brothers Duan Feng looked at each other, each other was indescribably excited and excited, haha, the little master's strategy is too good, I thought that Huang Zheng would be playing tricks, but I didn't expect to cooperate more than I imagined .

Swish!

However, when they saw Wen Chou Chou and everyone, Duan Feng's four brothers were instantly furious.

They clearly saw that Wen Chou Chou, Sun Dasheng, and Yue Wuya were all dripping with blood, especially Sun Dasheng, who had dozens of wounds on his body.

Cho Nima's... The

next second, Duan Lei clenched his fists tightly and couldn't help but wanted to do it, but Duan Feng stopped him in time.

"Third, don't be impulsive." Duan Feng took a deep breath and lowered his voice: "Don't forget our purpose, mainly to save people. Once we start, the plan will fail."

Hearing this, Duan Lei calmed down. .

At this time, Duan Feng walked over quickly, tied the Wen Chou Chou and the crowd together with a rope, and said coldly: "I am the special envoy of Qin Tianjian, Yue Feng violated the rules of heaven, and we need you to cooperate with us in the investigation."

What? ?

Hearing this, Wen Chou Chou and Sun Dasheng were a little stunned.

What's going on here, why did Superintendent Qin Tian come so quickly?

However, at this time, Duan Feng lowered his voice again and said, "Palace Master Wen, Sect Master Sun, I am Duan Feng, and I came here to save you." His voice was very small and only heard by Dasheng Sun and Wen Chou Chou. .

Huh...

At this moment, whether it was Wen Chou Chou or Sun Dasheng and the others, they were all overjoyed, but they all pretended to be very angry.

"What is Qin Tianjian?" Sun Dasheng made an arrogant look: "I am not afraid even if I go to hell.

" There are places where you look good."

Hehe...

Seeing this, Huang Zheng, who had been standing beside him silently, showed a smile on his face.

This Dasheng Sun is really courting death, how dare he be so arrogant in the face of the special envoy of Qin Tianjian.

At this time, Huang Zheng didn't know that the special envoy of Qintianjian was fake. He was completely deceived by the four brothers Duan Feng.

“Let's go!”

At this time, Feng stopped talking nonsense, greeted Duan Lei three, and escorted Wen Chou Chou and everyone to leave the imperial city quickly.

Chapter 4825

Oh!

As soon as his forefoot left, Huang Zheng couldn't help sighing and said angrily: “Ma De, it's really bad luck. In order to catch Wen Chou Chou and the others, they have damaged so many guards, but now they're cheaper.”

Ma De , If Supervisor Qin Tian came half a day earlier, he wouldn't have to spend so much trouble.

At this time, Mu Jianli looked at Duan Feng's direction and asked thoughtfully, “Your Majesty, why do I feel something is wrong?”

“Why is something wrong?” Huang Zheng asked with a frown.

Mu Jianli thought for a while, and said slowly: “As far as I know, the Diligent Superintendent has strict rules. No matter what you do in Kyushu, or wherever you go, you will show the token first, but the four people just now didn't take it at all. Give out the token,”

“Also, to capture the Ouyang family for such an important matter, at least one team should be sent, but only four came?”

Huo!

Hearing this, Huang Zheng's eyes flickered, and he hurriedly ordered the guards around him: “Quick, go out and see where they are now? Remember, you must follow them secretly!”

“Yes, Your Majesty!” Listen When the order was reached, the surrounding guards responded in unison, and then formed a team to quickly chase out of the city.

After a while, the guard team came back, and the captain headed it with a complicated face, and said to Huang Zheng ashamedly: “Your Majesty, we have checked several

official roads outside the imperial city, but we have not found any of them. The special envoy of the Tianjian and the people of the Ouyang family... just disappeared out of thin air..." The

last sentence fell, the captain lowered his head, his forehead was covered in sweat.

What?

Hearing this, Huang Zheng's expression changed. At this time, he also knew that he had been deceived. The four people just now were probably pretending to be the special envoys of Tiantian Supervisor.

"Ma De!"

In anger, Huang Zheng roared at the surrounding: "Pass my order, and you can go out to pursue and pursue. In addition, at each border crossing, strengthen the inspection of the checkpoints, no matter how much you pay, you must find the figure of this group of people."

At this time, Huang Zheng almost fainted from anger.

Just a few days after becoming the emperor, he was deceived face to face. If this story spreads out, wouldn't it be laughed at by the whole world?

"Yes, Your Majesty!"

.....

On the other side, the four brothers Duan Feng took Wen Chou Chou and everyone out of the imperial city, and immediately deviated from the official road, entered the mountain path, and untied Wen Chou Chou. The ropes on the others.

"Ma De!"

Sun Dasheng took a deep breath and scolded as soon as the rope was untied, "If it wasn't for exhaustion, I would really like to go back and turn the imperial city upside down.

"Loss?"

Hearing this, Wen Chou Chou smiled bitterly and said, "Okay, it's good that we can successfully come out." After

saying that, Wen Chou Chou looked at the four brothers Duan Feng: "I'm really grateful to the four brothers, but I can't. Not to mention, I'm afraid I can't think of such a wonderful way to pretend to be a dignitary just now."

“Palace Master Wen is polite!” The

four brothers looked at each other, and then Duan Feng scratched his head and said with a smile: “Say Get up, our four brothers are stupid, how could we have come up with such a brilliant idea?”

Ah? Not them?

At this moment, both Wen Chou Chou and Sun Dasheng were stunned.

If it wasn't the idea of the four brothers, who could it be?

At this moment, Wen Chou Chou thought about it and couldn't help but ask, “Who is that?”

“Of course it's me!” As

soon as he finished speaking, a young voice came, followed by a tree in front of him, slowly Walking out of a young figure, with his hands behind his back, he looks like a little adult.

It was Yue Huaixian.

“Little brother?” Yue Wuya was surprised and delighted.

Haha...

At the same time, Wen Chou Chou and Sun Da Sheng were also stunned for a moment, and then laughed at the same time.

“It turned out to be you, a clever little ghost.” Wen Chou Chou walked over, his eyes full of love, and reached out and touched Yue Huaixian's head.

Sun Dasheng even hugged him directly, and repeatedly praised: “You little guy is really smart, you can think of it with such a good attention, it seems that Fengzi's advantages have been passed down to you a lot.”

The ultimate husband in Chinese chapter 4826-4830

Chapter 4826 As

he spoke, Dasheng Sun leaned up and kissed Yue Huaixian intimately.

“Aiya!”

Sun Dasheng's face was full of stubble, and the little guy couldn't take it anymore and shouted: "Uncle Sun, the beard on your face is too piercing, I want to go down, I want to go down..."

Haha.. .

Seeing this scene, everyone laughed.

At this moment, Wen Chou Chou glanced at Long Qianyu who was still in a coma, and frowned slightly.

The next second, Wen Chou Chou asked Yue Wuya, "Ya'er, what's going on? Didn't you go to investigate the pirates before? How did you end up with Long Qianyu?"

Shuh!

The voice fell, and the eyes of everyone around also fell on Yue Wuya.

Yue Wuya took a deep breath and said with a wry smile: "When I arrived at a fishing village, I encountered a failure to clear the pirates in the Southern Cloud Continent. At that time, Long Qianyu had just escaped from the sea..."

The following In a few minutes, Yue Wuya explained the situation in detail.

At the end, Yue Wuya said very ashamedly: "At that time, I thought that when I escorted her back to the Nanyun Imperial City, everything would be gone, but I never imagined that Huang Zheng was so insidious, and he was so delusional. Everyone, they said that the queen had died in the sea, and the people who came back with me were faked by our Ouyang family..."

Phew...

when they heard this, everyone was furious.

Especially Sun Dasheng, clenched his fists and said fiercely: "Ma De, this time Liangzi is settled. If there is a chance in the future, I will definitely find Huang Zhengxiao, and even get the money back."

This chapter is provided by . Visit for daily update.

Everyone nodded . should be reconciled.

"Yes, when have we suffered such a loss?"

"This hatred can't be counted like this."

“Yes...”

Feeling the indignation of the crowd, Wen Chou Chou smiled: “Okay, let’s not talk about this for now. .”

After speaking, Wen Chou Chou thought of something, looked at Yue Wu Ya and said: “The strength of the Southern Cloud Continent is not weak, Long Qian Yu is in control of his own expedition, and an army of several hundred thousand people can’t even beat a bunch of pirates?”

At this time, Wen Chou Chou said Ugly was very puzzled. You must know that Long Qianyu’s strength is not low. She thought that she only brought a few hundred people and captured the masters of more than a dozen sects in the Earth Circle Continent. At that time, she was known as the first woman in the Southern Cloud Continent. The god of war, and later became the queen, his strength is even greater than before.

In this case, she personally led the army to clear a small group of kelp, but it failed.

It’s incredible.

“Uncle Wen!”

At this moment, Yue Wuya gave a wry smile, with a very solemn expression: “You don’t know, that is not an ordinary pirate, the female leader of the pirates is Mo Yan, one of the twelve holy demon kings of the demon clan. At that time, Long Qianyu was beaten into the sea by her.”

What?

Hearing this, both Wen Chou Chou and Sun Da Sheng were shocked.

When Fengzi came back, didn’t it mean that the Demon Race had been completely wiped out? Why is there still a witch?

For a while, no one was talking, and the atmosphere was a little depressing and dignified.

Phew...

A few minutes later, Wen Chou Chou took a deep breath and said seriously: “This time is no trivial matter. Let’s go back to Xia Yinzong first, and after we regain our strength, we are making plans.”

“Okay!”

Everyone nodded in agreement, and then took Long Qianyu and quickly rushed in the direction of Xia Yinzong.

....

on the other side.

At that time, a team of magical soldiers launched an attack and hit the portal, causing Yue Feng to be randomly teleported away. At that time, Yue Feng only felt that his eyes were pitch black and his body fell quickly... I

don't know how long it took, Yue Feng finally felt his feet fall. down.

Haha...

At this time, Yue Feng was very excited. He thought that he was discovered at that time and would have to fight with those magic soldiers, but he didn't expect to activate the portal by accident.

This is back to the Kyushu mainland.

Excited in his heart, Yue Feng slowly opened his eyes and was stunned when he saw the scene in front of him.

I saw that the place I was in was a small hillside, with green hills and meadows in the distance, full of greenery, a small river meandering by, and next to the river, there was a quaint village and town.

Uh...

Seeing this, Yue Feng's heart suddenly became bitter. In the entire Kyushu continent, except for the Earth Circle, Dongao, and Zhongyuan Continent, which are modern worlds, the rest are ancient.

Looking at this situation, I did not return to the Earth Continent, but in other continents.

Chapter 4827

Thinking, Yue Feng patted the dust on his body, and he was going to a village not far away to find someone to ask for directions.

Um?

However, at this moment, Yue Feng was shocked when he sensed the situation in his body.

Holy crap, why was the power of the primordial spirit imprisoned?

At this time, Yue Feng clearly felt that there was a strange force around the primordial spirit in his body. Under the imprisonment of this force, the power of the primordial spirit could not be released at all. Now he is stronger than ordinary people.

how could this be?

Could it be because, in the realm of the gods at that time, the portal was not activated normally, which caused some coincidences, which led to the imprisoning of his primordial spirit?

For a time, Yue Feng stood there, scratching his head in confusion.

Whoa!

Just as Yue Feng was thinking about it, he heard footsteps coming from the hillside behind him, and at the same time, the shouts of many people also came over.

“Come on, let’s look separately. Before it gets dark, you must find someone.”

“Ma De, tomorrow is Miss’s big day, and this bastard Yue Yang has disappeared.”

“Shh, be quiet, Yue Yang tomorrow. I’ve become the husband-in-law of the eldest young lady.”

“Hehe, son-in-law, who doesn’t know that the reason why the master wanted to recruit this boy Yueyang as his husband-in-law was to cheer the young lady’s illness. It’s just his useless son-in-law. You look worthy of the eldest miss?” The

voices were getting closer, obviously there were quite a few people?

Yueyang?

Hearing this, Yue Feng couldn’t help but murmured in his heart that the person this group of people was looking for was also named Yue, but it was too bad.

Then I thought about it, wasn’t I also the son-in-law who came to the house back then, and was looked down upon by the people around me?

Muttering, Yue Feng was about to go down the hill.

However, at this time, a group of people came out from the woods behind them, all wearing uniform black short shirts, they should be dressed as servants of a certain big family, and the one in the lead was wearing a gray long shirt and looked fierce. People who bully good and fear evil.

As soon as these people appeared, they found Yue Feng and suddenly shouted.

“I found it, I found it!”

“Yue Yang, you don’t want to live anymore? Tomorrow is the big day for you and Miss, and you are hiding here?”

“Follow us back quickly.

” Surrounded Yue Feng.

What the hell!

Seeing this situation, Yue Feng couldn’t help laughing and laughing. Is there something wrong with these people’s eyes, so they thought of me as that Yue Yang?

Thinking to himself, Yue Feng accompanied the smiling face, looked around and said: “Everyone, you have recognized the wrong person, I am not Yue Yang, I just passed by.”

Isn’t it Yue Yang?

Hearing this, everyone looked at each other in dismay, and then the leading man frowned, walked quickly to Yue Feng, looked up and down and said coldly: “Stinky boy, what tricks do you want to play? Play with us with amnesia?”

“You boy I know you even when you turn into ashes, hurry back to the house with us.”

As he spoke, he raised his hand and patted Yue Feng’s head.

Snapped!

This slap was not very hard, but it was a crisp sound, and Yue Feng was a little angry at that time. Nima, which family’s descendant is this? Such bullying is really outrageous.

Thinking to himself, Yue Feng wanted to turn around and leave, but when he thought that the power of the primordial spirit was imprisoned, and forced walking would definitely not work, he forced a laugh and explained to the man in the lead: “This good man, I am really not Yue Yang, and , I’m not from here either, I’m from the Earth Continent...”

At this time, Yue Feng wanted to show his identity and talk about his Yue Feng, but thinking about it carefully, he was also a hero of Kyushu, and now his divine power was Being imprisoned, it would be too embarrassing to be known, so I held back.

“Earth Round Continent?”

The man headed by him immediately frowned.

At the same time, the people in the back also looked at each other in dismay, puzzled one by one.

“Where is the continent? Is this kid’s brain broken?”

“He’s full of nonsense, I think it looks like.”

Everyone was talking, and the man in the lead waved his hand impatiently: “Okay, don’t talk nonsense with him, Just tie it up and go back to the master.”

Chapter 4828

Wow!

Hearing the order, the surrounding people swarmed up and bound Yue Feng Wuhua without any explanation.

“Hey, you guys...”

At this moment, Yue Feng wanted to resist, but he couldn’t use his divine power for the time being. He had brute force and couldn’t hold back so many people. He immediately struggled and shouted: “You really are Mistaken person.”

Clap!

As soon as he finished speaking, the leading man slapped Yue Feng again and scolded, “Shut up, kid.”

With a wave of his hand, he greeted everyone, and escorted Yue Feng to the distant villages and towns.

Nima!

At this moment, Yue Feng almost wanted to cry without tears.

This is too unfortunate. First, the divine power was imprisoned, and then a group of people identified the wrong object, but think about it carefully, does the Yue Yang in their mouth look a lot like me?

Along the way, Yue Feng didn’t speak again, but through the chat of these people, he also knew the general situation.

These people are all servants of the Su family, and the leading man is called Shen Qinghe, who is the official family of the Su family.

The village and town not far ahead is called Yinlong Town. The Su family is a big family in the town, with a scholarly family. Master Su has an only daughter named Su Liner. The illness, Master Su searched all over the famous doctors, but they all said that there was no cure. The last wandering monk showed Su Liner and told Master Su that he needed to recruit a new son-in-law to Chongchongxi, maybe Su Liner could have more. Live a few years.

In desperation, Master Su had to listen to the perseverance of the wandering monk and recruit a son-in-law in Yinlong Town. However, Su Liner's illness spread throughout the town, and no one wanted to marry a sick wife. , and is still so shameless as a son-in-law.

In the end, Master Su had no choice but to recruit Yue Yang.

Yue Yang was an orphan who never went to school. He wandered around all day, and later became involved in gambling. He spent all day in the casino, a full-fledged gambler. Later, he owed a large amount of gambling debts, and it was Master Su who helped him pay it off, so he was willing to come to the Su family to be his son-in-law.

However, last night, Yue Yang couldn't hold back his gambling addiction and slipped out quietly, and then disappeared. At that time, Master Su was very annoyed, so he sent Shen Qinghe to lead someone out to find him.

It was also a coincidence that Yue Feng and Yue Yang looked very similar. Shen Qinghe's group did not find Yue Yang on the hillside, but they met Yue Feng and mistook him for Yue Yang and arrested him.

What makes Yue Feng even more depressed is that this is not the continent of Kyushu.

The human world is not the only continent of Kyushu. Before, Yue Feng had entered a place called Roland Continent through the chaotic void, but this place in front of him was another human world, the Ziwei Continent.

Nima!

When he heard the news, Yue Feng almost wanted to cry without tears.

This Nima is too unfortunate, not to say that he did not return to the Kyushu mainland, and was arrested as someone else.

Soon, Shen Qinghe and everyone brought Yue Feng back to Su Mansion.

call!

At this moment, Yue Feng couldn't help taking a deep breath. It really belonged to a big family. This mansion was picturesque and poetic.

You can see that the Su Mansion in front of you covers an area of tens of thousands of acres. There are many temples, rockeries and flowing water, and bamboo forests in the corridors can be seen everywhere. Every step makes people linger and forget to return, giving people a feeling of tranquility and elegance.

Unconsciously in the front hall, I saw an old man dressed in Chinese clothes, sitting on the main seat, with gray beard and hair, facing kindness, but at this time, his face was gloomy.

It was Mr. Su.

“master!”

At this time, Shen Qinghe walked up quickly and said respectfully, “We found Yue Yang, this kid must have gone out to gamble again last night. After gambling, he was afraid of your punishment, so he hid on the hillside north of the town.

”, did not forget to glare at Yue Feng.

Swish!

Hearing this, Master Su was furious and shouted at Yue Feng: “Yue Yang, you really can’t support the wall, how did you promise me at that time? Go? And let so many people find you.”

At this time, Master Su was very angry. If his daughter was seriously ill and needed a marriage to celebrate, he would not hire such a waste as his son-in-law. Just too embarrassing.

Chapter 4829

Uh....

Feeling Master Su’s anger, Yue Feng couldn’t laugh or cry, and patiently explained: “You are Master Su, to be honest, my name is Yue Feng, not the Yue Yang you are looking for at all, I am from In other continents, you just passed by that hillside and were caught by your people.”

Huh?

Hearing this, Master Su frowned.

At this moment, Shen Qinghe couldn’t help coming over, patted Yue Feng’s head, and yelled, “You kid didn’t play anymore, right? You’re still talking nonsense? What Yue Feng, from other continents, I think You deserve to be beaten!”

After saying that, Shen Qinghe said to Master Su, "Master, this kid is too outrageous, let's implement the family law, let him know some rules."

Damn, this is the family law ?

Yue Feng was startled.

However, Master Su waved his hand and said angrily: "Tomorrow is the big day. If it is broken, we will lose the face of our Su family. Forget it, lock him up first and let him reflect on it."

"Okay!"

Shen Qinghe responded, turned his head to look at Yue Feng and said, "You are lucky boy!" He pulled him up and dragged him out of the front hall.

"I..."

Yue Feng wanted to say, you guys are mistaken, but Shen Qinghe didn't give him a chance at all, and even pushed him into a room in the backyard.

Shen Qinghe pushed him into the room, and said coldly: "Boy, you can be the son-in-law of the Su family, but you have earned the blessings of eight lifetimes, don't know what to do, tomorrow is the big day, if you dare to escape again, don't break your leg."

Bang!

After saying this, Shen Qinghe closed the door directly, and then locked the outside.

What the hell!

Seeing this situation, Yue Feng was very speechless, and inexplicably became a door-to-door son-in-law, what is this Nima called.

Forget it, instead of being depressed, it is better to find a way to restore divine power.

Muttering in his heart, Yue Feng sat there cross-legged, and began to close his eyes to rest his mind, trying to rush the strange power around his primordial spirit.

Time passed by minute by minute.

At the beginning, Yue Feng was still calm, but after trying many times, he still couldn't get rid of that power, and suddenly became a little irritable, and his forehead was full of sweat.

Mad, is this power the power of the formation in the portal?

How can I get rid of it?

At this moment, Yue Feng was very depressed.

Whoa!

At this moment, I heard the lock outside the door being opened, and then a slender figure walked in with a wooden tray.

Yue Feng quickly stood up and saw the woman who came in, dressed in lavender Luo Qun, with delicate facial features and fair skin, but there was a hint of arrogance between her brows.

On the plate, there are several kinds of side dishes, which are delicious in color and flavor.

This woman's name is Qiu Hong, and she is Su Lin'er's personal maid.

"You are..." Yue Feng looked at it for a few seconds and couldn't help but ask.

As soon as he said a word, Qiu Hong said coldly: "This is the meal that the master ordered to prepare for you." After speaking, she placed the wooden plate heavily on the table.

Afterwards, Qiu Hong couldn't hide the contempt in her heart: "Yue Yang, I heard that you sneaked out to gamble last night, I tell you, don't think that you came to the Su family as a son-in-law, and you have become a prosperous one, you are just bought by the master for the young lady. If you're happy, you'd better be calm in the future, or else you will suffer."

Oh, this maid is not too bad-tempered.

Yue Feng was stunned for a while, but he didn't mind at the time, he smiled and asked, "I heard that your young lady is seriously ill, what is the disease? Can you tell me?"

He thought about it, since he was taken back as Yue Yang The Su Mansion proves that she has a relationship with that Su Lin'er, so it is better to help her see a doctor. As long as Su Lin'er is cured, no matter if she is Yue Yang or Yue Feng, then Master Su will definitely let him go.

"What do you want to do?"

However, hearing this, Qiu Hong's face was full of alertness. The gambler suddenly asked about the young lady's illness, and it was definitely not a good thing.

"Just ask, take care." Yue Feng said with a smile.

“Haha!”

Qiu Hong chuckled softly: “Nothing to be courteous, either a traitor or a thief, don’t ask about the lady’s illness.” After saying this, she turned and left.

Nima!

Seeing this situation, Yue Feng was both angry and funny.

A mere maid with a lot of temper, and Yue Yang, how rubbish is that, making everyone look down on it.

Chapter 4830

I muttered in my heart, seeing that Qiu Hong forgot to lock the door, Yue Feng hurried out.

dong dong dong...

that is, at this time, through the moonlight, I saw more than a dozen black shadows jumping over the wall. These people wore uniform black tights and covered their faces. At first glance, they were the mountains that came to rob bandit.

“Ah!”

Seeing these people, Qiu Hong, who had just walked out of the door, suddenly exclaimed, and before she could call anyone, she was caught by these men in black, and the one in the lead said viciously: “Don’t shout, shout again. I got you.”

As he spoke, he pulled out a long knife and slid it across Qiu Hong’s neck.

There were bursts of icy cold from the long knife, Qiu Hong Suburban trembled, and her face was extremely pale.

Damn, is this a robber?

Seeing this, Yue Feng frowned secretly.

At this moment, the bandits also discovered Yue Feng, and immediately rushed over and tied his hands.

“The bandits are here.”

“Come here!”

At the same time, there were bursts of exclamations from the front hall, and the entire Su family was in chaos for a while.

“Bring everyone to the front.” At this time, a bandit led by the bandit said coldly, and together with his accomplices, brought Qiu Hong and Yue Feng to the front hall.

call!

When he got to the front hall, Yue Feng couldn't help taking a deep breath, and saw that Master Su, Shen Qinghe of the official family, and the entire Su family's servants were all arrested and tied up in the hall one by one.

“You guys are so bold!”

At this time, Shen Qinghe, although his hands and feet were tied, kept shouting: “Do you know where this is? The Su family in Yinlong Town, you really have eaten the guts of bears and leopards.”

As an official family, Shen Qinghe is used to being powerful.

“Ma De!”

Hearing the shouting, the bandit headed by the bandit suddenly became angry and scolded: “I robbed your Su family, and then I shouted again and chopped your head off.” The

voice fell, fiercely A slap slapped Shen Qinghe's face.

After being slapped, Shen Qinghe became even more angry and shouted. At this moment, a dozen bandits surrounded a burly man and walked in swaggeringly.

I saw this big man wearing white mink fur, blind in one eye, and a long scar on his face, which was indescribably hideous and terrifying.

Huh...

Seeing this big man, everyone in the hall, except Yue Feng, couldn't help but fight a cold war.

With a smile on his face, the big man sat on the chair with a big thorn, looked at Master Su and said lightly, “This is Master Su, I am He Lao Liu from White Wolf Mountain, I believe you have heard my name, this time. Come here, I just heard that your Su family has a family heirloom jade Ruyi, hehe, please hand it over, so that my brothers don't go to waste.” Hey,

He Laoliu..

Hearing this, everyone in the entire hall was stunned. He couldn't help taking a breath of cold air.

Bailang Mountain is dozens of miles away from Yinlong Town, where the terrain is complex, and a group of mountain bandits are entrenched all year round. The leader of the mountain bandits is called He Laoliu. Several times of encirclement and suppression were organized, but they were all unsuccessful, because He Laoliu was even more lawless.

Unexpectedly, He Laoliu actually caught the attention of the Su family tonight.

However, Master Su is also a person who has seen the world. At this time, facing He Laoliu, he is not afraid at all, and said lightly: "My Su family does not have any good luck at all, I am afraid that He Dang's family has inquired about the wrong news."

Hehe...

listen At this point, He Laoliu sneered: "Old man, don't pretend to be confused with me, I'm not fully sure, I will come in person?" After saying that, he waved his hand.

In an instant, the two mountain bandits dragged a charming figure into the hall.

It was Su Liner.

Hiss...

Seeing Su Liner, the bandits present couldn't help taking a deep breath.

I saw that Su Liner was wearing a long white satin dress at this time, her charming curves were looming, and her delicately carved face was like a piece of beautiful jade, without the slightest flaw, but she looked a little pale because of her serious illness. , but also gives a different kind of beauty.

I go!

At this moment, Yue Feng was also stunned, and he couldn't help but secretly admire, I didn't expect Miss Su to be so beautiful, but she was seriously ill, which is a pity.

"Master Su!"

At this time, He Laoliu took out a dagger from his body, and gestured on Su Lin'er's face with a wicked smile, and said slowly, "I heard that tomorrow is your daughter's big day, you say If I kill her, who will inherit such a big family business as you?"
