

The ultimate husband in Chinese chapter 4851-4860

Chapter 4851

At eight o'clock in the evening, Donghai City, Shengshi KTV.

Shengshi KTV is the most famous entertainment place in Donghai City. Especially at this time, the business is extremely hot, but the people who come here to consume are all people with heads and faces.

I saw that all kinds of luxury cars were parked at the door, and from time to time there were young men and women who were well-dressed, coming in and out.

At this moment, a figure came slowly, dressed in ordinary casual clothes, with a steady pace.

It was Gogne.

After getting the advice of Yu Sheng during the day, Gognie decided to visit the most famous entertainment place in Donghai City to see if there was any gain.

Speaking of which, his current identity is Liu Hao, the president of the Liu Group, and he should have made a high-profile appearance in a luxury car, but as the supreme being of the Demon Race, Gogne has no interest in luxury cars at all, and feels that driving is not as convenient as freedom of movement. .

After entering Shengshi KTV, Gogne found a random place to sit down.

dong dong dong...

At this time, in the KTV hall, deafening and explosive music is playing, and many men and women are swinging their bodies on the dance floor in the center, all of them looking crazy.

“A bunch of stupid ants.”

Seeing this scene, the corners of Gogne's mouth twitched, and he said disdainfully, and then his eyes swept over the young men and women, secretly sensing the purity of essence.

As a result, Gogne was disappointed. These young men and women who often spend time in entertainment venues, all of them seem to have a bright appearance, but in fact, their bodies have been corroded by alcohol, and their essence has long been consumed.

It seems that looking for a target in such a place is a wrong choice.

Thinking to himself, Gone was about to get up and leave.

This chapter is provided by . Visit for daily update.

However, at this time, the noise not far away caught Gone's attention.

I saw that in the VIP area not far away, several wealthy disciples were punching and kicking a man, beating and cursing at the same time.

"Ma De, how long has the money owed to Lao Tzu been delayed?"

"Liu Zhiyuan, your special code is also the eldest son and eldest grandson of the Liu family. You can't even get 10 million from the Liu family's large property?"

"If you don't pay back the money today, Lao Tzu ruined your legs."

The young man who led the beating, wearing a suit full of rhinestones, shone extremely brightly under the light, with a cigarette in his mouth, while cursing, he kept kicking the man on the ground.

The young man's name is Xu Weidong, the second young master of the Xu family in Donghai City.

The man lying on the ground was also well-dressed, but at this time he was kicked full of shoe prints, with a frightened expression and a cowardly look. At this time, he lay on the ground and kept begging for mercy: "Xu Shao, Xu Shao, please be more lenient. In a few days, I will definitely pay back the money..."

It was Liu Zhiyuan.

When Yue Feng was the son-in-law of the Liu family, Liu Zhiyuan ridiculed Yue Feng a lot. Later, Yue Feng became the master of Tianmen and suppressed the Liu family several times, and the Liu family began to decline. As the eldest son and eldest grandson of the Liu family, Liu Zhiyuan was also unable to support him. Walls, the family business is too lazy to take care of it, and is drunk all day with lantern riddles, and has recently become addicted to gambling.

Ten days ago, Liu Zhiyuan lost millions. At that time, he borrowed Xu Weidong's usury loan, and he has not paid it back, so he was blocked in KTV by Xu Weidong.

"A few more days of grace?"

Hearing the begging, Xu Weidong's face was full of viciousness, and he cursed angrily: "Do you think I opened a bank? Let you delay it again and again?"

Saying that, Xu Weidong thought of something, and showed a sinister smile: "By the way, your Liu family has not cooperated with an entertainment company recently, otherwise, you can help me ask two female stars out, I will consider this money, let you Pay later."

"Xu Shao!"

Liu Zhiyuan was embarrassed, and said bitterly: "Don't make it hard for me, those female stars are bigger than each other, how can they give me face."

"Ma De." Xu Weidong's face sank: "Is it still a bargain, call me!" When the voice fell, he greeted his companions and continued to kick Liu Zhiyuan violently.

Is this Liu Zhiyuan an entertainment company?

This person might be useful.

Gone, who was observing secretly not far away, suddenly stood up and walked straight over with a flash of eyes.

When he got to the front, Gone spoke lightly and stopped: "Okay, don't fight, you will kill people if you fight again."

Chapter 4852

"Who's special code is nosy?"

Xu Weidong's face was full of sternness, and he scolded directly.

The next second, when I looked back and saw Gone, I was stunned and said with a sneer: "Oh, it's Liu Shao, I heard that you are very beautiful recently. Not only did you get most of Li Tianci's properties, but you also founded Liu Shao. Shi Group, tsk tsk, people start to drift when they are rich, dare to care about me?"

When he said this, Xu Weidong's face was cold and arrogant, and he didn't take Gone seriously at all.

Speaking of which, they are both rich and young in Donghai City. Xu Weidong naturally recognizes Liu Hao. Some time ago, Liu Hao, because of the family business, was willing to degenerate, and he went to the casino every day, and often met with Xu Weidong.

Several times at the gambling table, Xu Weidong used the power of his family to mock Liu Hao more than once, but he did not take him seriously at all. Although Liu Hao has

risen to prominence, in Xu Weidong's eyes, he is just rich, and he is still more powerful than power. Not as good as the Xu family, still looked down upon.

At this time, Xu Weidong's face was full of arrogance: "Liu Hao, this is about me and Liu Zhiyuan, it has nothing to do with you, get out!"

He didn't know that the person in front of him was no longer the cowardly Liu Hao who used to be in trouble. Demon Supreme.

roll?

Hearing this word, Gone frowned slightly, holding back his anger and said: "I have some business to discuss with this Liu Zhiyuan, please avoid him. Even if you want to trouble him, it's another day."

Huh?

Hearing this, Xu Weidong was stunned, thinking that he had heard it wrong.

I haven't seen you for a few days, this Liu Hao is so bold, and he is still pretending to be in front of me?

At the same time, Liu Zhiyuan, who was lying on the ground, was also full of surprise. He was not very familiar with Liu Hao, but he had heard people say that this young master of the Liu family was a joke in Donghai City.

The business of the family business that took over is not as good as day by day. Even his wife was dug up by Li Tianci. Even if he has money now, it cannot change the image in the entire Donghai City. When it comes to the power behind it, it is incomparable to Xu Weidong.

And now, how dare he talk to Xu Weidong like that? Looking for death?

Liu Zhiyuan was originally a villain who saw the wind and steered the rudder. At this time, he was not grateful for Gone's coming to make a rescue. On the contrary, he felt that Gone was asking for trouble.

"Yo?"

Finally, Xu Weidong reacted enough, and looked at Gone with a half-smiling smile: "My young master has been in Donghai City for so many years, and no one has ever dared to speak like this?"

"I tell you, this young master is in a bad mood today. , I will give you ten seconds to disappear, otherwise I will let you lie down and go out."

Xu Weidong clapped his hands after the last word fell!

Whoa!

In an instant, more than a dozen people rushed in and shouted, all of them ferocious, surrounding Gone.

Seeing this scene, many people exclaimed and quickly retreated into the distance, pointing at Gone at the same time.

“Isn’t this Liu Hao?”

“I heard that he got all of Li Tianci’s properties. He is very rich. Now that he is rich and courageous, he dares to provoke Xu Weidong?”

“This is a good show to watch.

” Shouting at the dozen or so around, Gone didn’t panic at all, and at this time he lost his patience, and said coldly to Xu Weidong: “Go away!

“

Mad!

Xu Weidong’s face was extremely cold and curious at the same time. He only felt that the Liu Hao in front of him seemed to be different from before, but he didn’t think much about it at the time, and shouted angrily: “Hit me!”

Huhu... The

voice fell . , more than a dozen big men, swarmed up and rushed towards Gone.

“Go away!” At this time, Gone, standing there as steady as a rock, suddenly raised his hand and waved.

hum!

The dozen or so big men who rushed up felt a powerful force blowing towards them. Before they could react, they were shaken and flew out. Some slammed into the wall, and some smashed the marble next to them. The table, the scene is a mess.

Hiss....

seeing this scene, whether it was Liu Zhiyuan lying on the ground, or everyone around him, he couldn’t help but gasp, and they were all stupid.

Is this still the timid and fearful Liu Hao in the rumors?

Liu Zhiyuan was even more shocked. Unexpectedly, this Liu Hao is still a cultivator, and his strength is so strong...

Chapter 4853

Xu Weidong was also frightened, staring blankly at Gone speechless.

He never thought that Liu Hao, who used to be submissive in front of him, would suddenly become so brave. Those dozen or so big men, but they were carefully selected by him, were all beaten down by him when they met each other.

“You...” The

next second, Xu Weidong reacted, pointing to Gone and shouting: “You have the seeds, wait, you wait for me...” After two harsh words, Xu Weidong left in a hurry.

Phew...

Seeing this situation, the crowd watching the excitement quickly dispersed.

Gone didn't catch up, but walked quietly to Liu Zhiyuan, and said lightly: “Can you go?”

“Yes!”

Liu Zhiyuan responded quickly, and then got up with a grin, “Thank you... Thank you Liu Shao. Help.” Liu Zhiyuan was full of awe at this time because he had just seen Gone's power.

Gone's face was indifferent, without the slightest fluctuation: “I want to work with you, are you interested?”

“Yes, of course!”

Liu Zhiyuan's eyes lit up, and the chicken nodded. To be honest, if someone else asked him to cooperate, he would definitely look contemptuous and would never take it to heart, but Liu Hao in front of him was different. He obtained all of Li Tianci's family property and established the Liu Group, which made the original The soon-to-be-declined Liu family has suddenly become the top wealthy family in Donghai City. This is a big rich man.

More importantly, he was still a cultivator, and he beat back more than a dozen of Xu Weidong's bodyguards with just a few gestures.

Liu Zhiyuan was originally a follower, how could he miss the opportunity to hug his thighs at this time?

Seeing him nodding, Gogne stopped talking nonsense: "Come with me." The voice fell, and he should walk out of the prosperous KTV first.

Liu Zhiyuan quickly trotted to keep up.

"Mr. Liu didn't drive?" Liu

Zhiyuan asked flatteringly when he saw that Gogne didn't walk to the parking lot when he got outside.

Gogne nodded: "I'm not used to driving." Huh

...

Hearing this, Liu Zhiyuan's mind quickly turned. Hearing that Liu Hao had a car accident on the coastal road a month ago, he probably had a shadow in his heart. , did not drive.

Thinking to himself, Liu Zhiyuan quickly pointed to a BMW not far away: "If Mr. Liu doesn't dislike it, just take my car. As long as Mr. Liu is willing in the future, I will be your exclusive price, hehe..."

Gogne Nodding, there was a little approval in his eyes.

Although this kid doesn't have any great skills, his eyesight is not bad.

Thinking to himself, Gogne got into the car and directed Liu Zhiyuan to go towards the Liu Group Building.

After half an hour.

The office on the top floor of the Liu Group Building.

I go!

The moment he entered the office, Liu Zhiyuan was instantly stunned by the luxury in front of him. All the furniture was made of red sandalwood. It would cost hundreds of millions of dollars.

"Mr. Liu!"

Under the shock, Liu Zhiyuan flattered: "You are looking for me... What exactly do you want to cooperate with?"

Gogne sat on the sofa and smiled lightly: "I heard that your Liu family has cooperated with an entertainment company and has successfully packaged many stars. As for me, I also want to set up an entertainment company and plan to cultivate some stars. You are the president. "

Speaking, Gognie took out a bank card and threw it in front of Liu Zhiyuan: "There is one billion in it, which is the start-up capital of this entertainment company. How does this entertainment company operate, and you have full control over it, how?"

Gudong!

Seeing the bank card in front of him, Liu Zhiyuan only felt that his legs were weak, and he could hardly stand still.

If I go, it will be one billion in one shot. This Liu Hao really has deep pockets.

Shocked, Liu Zhiyuan quickly picked up the bank card and grinned: "Don't worry, Mr. Liu, this matter is entirely up to me. I promise to talk about our entertainment company and make it the largest and strongest in the entire Earth Continent."

Gone nodded. Slowly said: "I don't care how the company operates, but I only have one request."

"President Liu, please speak." Liu Zhiyuan said quickly.

Gone's eyes flashed with strange light, and he said word by word: "I need to take a look at all the newcomers selected by the company, and these selected newcomers must be born in the year of the year, the day of the month, and the female. It must be born on the 9th day of the 9th year.

Chapter 4854

Uh...

Hearing this, Liu Zhiyuan was stunned. Speaking of which, his Liu family has dealt with many entertainment companies over the years, and there are not a few celebrities who have packaged them. This is the first time I have seen such a request. Thinking to himself, Liu Zhiyuan asked cautiously: "Mr. Liu, when we recruit new people, do

we have to pay so much attention to the date of birth?"

, I'll find someone else to work with."

"Don't..."

Liu Zhiyuan suddenly panicked, and quickly said: “Mr. Liu calm down, I’m just asking, nothing else, don’t worry, I’ll do as you say.”

With such a large gold major, if the opportunity for cooperation is lost, it will be a big loss. One billion in start-up capital, it is not a problem at all to get tens of millions from it and spend it.

Gone was too lazy to talk nonsense, waved his hand and let Liu Zhi stay away.

“Mr. Liu, then I’ll leave first. Regarding the entertainment company, I’ll operate as soon as possible in the past two days.” Liu Zhiyuan greeted him and left happily.

call!

Watching Liu Zhiyuan leave, Gone sighed lightly and leaned his body gently on the sofa.

Yes, the conditions he told Liu Zhiyuan just now were all for the purpose of absorbing pure yang and pure yin essence. Speaking of which, he could handle this kind of thing himself, but two days ago, he just killed the Shaolin master Juechen. , as well as the named disciple, this matter has already caused an uproar in the arena.

Naturally, Gone is not afraid of a Shaolin faction, but God’s Domain has established a Divine Mirror in Kyushu. If something goes wrong and attracts the attention of Divine Mirror, it will be troublesome.

So Gogne could only ask Liu Zhiyuan to do this on his behalf, so that it would be easy to hide from the public.

As long as you find a suitable target, absorb their essence, and restore your peak strength, you are just around the corner.

Thinking of this, Gone’s mouth curled into a smile.

Bang Bang...

At this moment, the door of the office was suddenly knocked, and then a security guard shouted in a panic outside: “Mr. Liu, Boss Liu is not well, a group of people came from the lobby on the first floor. Man, he said he was going to destroy the place, and he also threatened to destroy you.”

When he spoke, the security guard stuttered, obviously frightened.

Someone came to look for something?

Hearing this, Gone's face sank, and he walked out quickly and took the elevator down to the first floor.

As soon as I arrived at the lobby on the first floor, I saw hundreds of people gathered there, and several security guards were confronting them, but in the face of the other party's momentum, several security guards were pale.

This group of people all held long knives in their hands, and they were aggressive, and the one at the head was even more arrogant.

It was Xu Weidong who lost face at Shengshi KTV before.

Swish!

At this time, when Gone appeared, the eyes of nearly a hundred people suddenly converged.

"Liu Hao, didn't you expect me to come so fast?" Xu Weidong grinned, staring at Gone and said: "Ma De, you were very good at KTV in Shengshi just now, this time I brought some more. When people come, I want to see if you can knock them all down."

As he spoke, Xu Weidong's face was full of arrogance and resentment.

Speaking of which, Gone's performance in Shengshi KTV before was really shocking, but Xu Weidong was not afraid at all, because this time he brought a powerful helper.

"Boy!"

The moment the voice fell, a tall man slowly walked out of the crowd, his eyes locked on Gone: "You are not too timid, dare to take care of Master Xu's gossip, and dare to do it?"

"Today in front of everyone You will immediately kneel and kowtow three times to Master Xu, and forget about it, otherwise, you will smash your Liu Family Group Building."

The person who spoke, called Jin Jinhe, was recruited by Xu Weidong. 's helper.

Jin Jinhe used to be a disciple of Wudang sect. Originally, he had good talent and was very popular with the sect master, but unfortunately, he had a bad mind and was expelled from Wudang for stealing secrets. for the subordinates.

After joining the Xu family, Jinjinhe has done a lot of bad things. He has been blessed by the powerful forces of the Xu family. He has been in peace. He just learned that Xu Weidong had lost face in KTV. Nirvana out.

Chapter 4855

Seeing this scene, Gone's face did not fluctuate in the slightest, and he glanced at the Golden River: "Go!" The

dignified Demon Race Supreme, let a group of ordinary humans find trouble, how can he bear it?

Swish!

Hearing this, Jin Jinhe blushed and was extremely angry, and he howled at that time: "I think you are toasting, not eating or drinking." The words fell, and Jinhe suddenly waved his hand.

The voice fell, and more than a hundred people rushed in like a flood, surrounding Gone.

"Mr. Liu!"

Seeing this situation, a security guard was sweating profusely and was so scared that he could hardly stand still. He hurried over and whispered to Gone, "Why don't we call the police."

Gone shook his head . He shook his head: "It's alright, you all go out and close all the doors on the first floor. I will solve this problem myself."

This...

Hearing this, the security guard couldn't help laughing and crying, how can you deal with the other party alone? Hundreds of people? But seeing Gone's serious look, the security guard had no choice but to nod his head, and greeted his companions to walk out of the hall quickly, closing the doors of the hall at the same time.

"Boy!"

At this moment, Huang Jinhe mocked his face: "It's better to let the people below leave, so as not to see you kneeling and affect the image of the company." He thought that Gogne let the security guards leave because he didn't want them. See kneeling.

Gone's expression did not change, he slowly took off his suit jacket, threw it on the sofa not far away, and said lightly: "Let's go together."

Nima!

At this moment, Jin Jinhe knew that he had encountered a hard stubble, and his face was instantly ugly.

At the same time, Xu Weidong next to him was too lazy to talk nonsense, and shouted: "Jin He, what nonsense are you talking to him, fuck him for me." The

last word fell, and more than a hundred people rushed up waving long knives.

"A bunch of ants!"

Gone sneered when he saw the crowd rushing up, his whole body exploded with power, like a ghost, he directly greeted him.

Bang Bang Bang...

In the next two minutes, Gone was like a tiger descending the mountain. The more than 100 people didn't understand what was going on.

What?

Seeing this situation, both Xu Weidong and Jinhe River were shocked.

In just a few minutes, more than 100 people were knocked to the ground.

Is this kid still human?

"Good boy!" In the

next second, Jin Jinhe reacted, looking at Gone and said gloomily: "I was wrong just now, it turned out to be a fellow in the rivers and lakes, I'm here to learn." The

voice fell, Jinhe raised his hand Call out a ghost-headed knife, and the body rises into the air!

hum!

A powerful aura erupted from Jinhe Jinhe's body, and the ghost-headed knife in his hand drew a shocking giant, heading straight for Gone. The imposing aura made the air in the entire hall distorted.

Seeing the Golden River attacking, Gogne looked disdainful.

hum!

Hearing the sound of aura, Gone slowly raised his hands, and a blood-red light enveloped him.

The red light illuminated the entire hall with blood red, and in an instant, both Jinhe River and Xu Weidong felt a terrifying sense of oppression.

Especially the Golden River, a chill rises from the bottom of my heart...

hiss... What kind of power is this? The breath is so terrifying.

“Whoosh!”

At this moment, Gone raised his hand and waved, the blood-colored light all over his body condensed a strange fireball, like a blood-colored lightning, coming straight towards the Golden River!

Oops!

Feeling the speed of the fireball, Jin Jinhe didn't have time to think about it at the time, and hurriedly placed the Ghost Head Sabre in front of him in an attempt to block the blow.

At this time, the Golden River did not know what a terrifying existence he had provoked.

“Ah...” In the

next second, the fireball slammed into the ghost head knife, and heard a scream from the golden river, the whole person spilled a rain of blood in the air, and flew out all at once, completely flying. More than a hundred meters away, the glass of the main entrance of the hall was finally smashed, and he lay there like mud, his eyes were closed, and his life and death were unknown.

This...

Seeing this scene, Xu Weidong's face was full of horror, and his heart was even more terrified. His legs were shaking uncontrollably, and he could hardly stand still.

one move?

With just one move, the Xu family's gold medalist Jinhe He was knocked out!

Is this still that trash Liu Hao? This strength is also... too terrifying, right? !

The ultimate husband in Chinese chapter 4856-4860

Chapter 4856

Call!

At this moment, Gone slowly turned around, his eyes showed a trace of blood red, he locked Xu Weidong tightly, and walked towards him step by step.

The permeating breath around him is shocking.

He didn't walk fast, but Xu Weidong felt that every step seemed to be stepping on his heart.

"You, what are you doing... Liu Hao, I warn you, don't mess around..."

Seeing Gone getting closer, Xu Weidong's heart trembled and his voice trembled. He is also famous in Donghai City ruthless, but this is the first time I have seen this look.

Just like the devil in hell, it is extremely terrifying!

"Crack!"

Gone didn't respond, but raised his hand suddenly and slapped it fiercely. With this slap, he used all his strength to hear a muffled groan, and Xu Weidong's body was slapped flying!

After flying out dozens of meters, Xu Weidong fell heavily to the ground!

"

Pfft!" Xu Weidong only felt that half of his face was numb, he struggled to get up, and at the same time spurted out a mouthful of blood. However, before he could stand still, he saw Gone's body flashing, and he was already in front of him, and his right hand flashed out and clasped his neck directly.

"You..."

At this time, Xu Weidong only felt that he was half-clamped by iron clamps, and he had difficulty breathing for a moment.

Gone's eyes flashed with a cold and cold light, and the hand that was pinching his neck was getting harder and harder!

This chapter is provided by . Visit for daily update.

Xu Weidong had difficulty breathing, his face was very purple and purple, and the huge terror attacked his sensory nerves. At that time, there was still the temperament of the young master of the Xu family. "..."

"Liu Shao, spare your life..."

Hearing the begging, Gone did not stop immediately, but said coldly: "I gave you a chance before, but you insisted on running to die, you said, I What should I do with

you?" "I was wrong!" Xu Weidong was about to cry, and kept begging for mercy: "Liu Shao, forgive me, I... I will not dare

to do so in the future."

With the killing intent, Xu Weidong only felt like he had fallen into an ice cave, his legs were weak, and he almost urinated his pants.

Hehe...

Seeing that Xu Weidong was about to die, Gogne let go.

Xu Weidong slumped on the ground all of a sudden, gasping for breath, like a backwater dog, extremely embarrassed.

However, Gogne hadn't planned to let him go, and while he was gasping for breath, he took out an elixir from his body and quickly stuffed it into it.

Gudong!

Before Xu Weidong could react, the pill was swallowed directly into his stomach.

"You... what did you give me to eat?" Xu Weidong looked at Gogne with a terrified tone. After what happened just now, he already knew that he had provoked an existence that should not have been provoked.

This isn't a human at all, it's a devil...

Gogne smiled evilly: "Aren't you very powerful? Are you afraid of a small pill? But let me tell you, this thing is called Soul Eater Pill!"

Soul Eater Pill?

Hearing this, Xu Weidong's heart was shocked, and he was instantly covered in cold sweat. Although he didn't know what it was, the name also made people horrified.

Seeing his appearance, Gogne had a smile on his face and said word by word: "Once you take the Soul Eater Pill, it will spread to your meridians and brain, and if there is no antidote, your whole body will fester and die. "

In this world, only I have the antidote. What should I do next? You should understand!"

Seriously, with Gogne's personality, he wanted to kill Xu Weidong immediately, but he had not recovered to his peak strength. , many things need to be done by others.

Although this Xu Weidong is hateful, the Xu family behind him is very powerful in Donghai City, and it is a very good choice to take it for his own use.

Festering and dying?

Hearing these words, Xu Weidong's face changed greatly, but he was a smart man, and he immediately understood Gone's intention, knelt down immediately, and said in fear: "Mr. Liu, Brother Liu, you...you will be my brother from now on. , as long as I can use my place, I will definitely die."

Hmm!

Gone nodded with satisfaction, and said lightly: "You know, you go away, when something happens, I will naturally look for you!"

Chapter 4857

"Thank you Brother Liu, thank you Brother Liu..." Xu Weidong nodded again and again, wiping the cold sweat on his face.

.....

On the other side, Lagerstroemia Continent.

Hidden Dragon Town, in the back garden of the Su family.

Yue Feng lay there lazily basking in the sun. Since he and Su Lin'er got married, Yue Feng has officially moved into the Su family as his son-in-law.

Because the reputation in Yinlong Town is not very good, and Master Su facilitated this marriage, it was only for Su Lin'er's happiness, and he didn't expect Yue Feng to do anything for the Su family, so Yue Feng has been doing nothing for the past few days. Totally boring.

However, Yue Feng is not doing nothing, and he has been trying to break through the confinement in his body for the past few days, but he has failed.

At the same time, Yue Feng also secretly observed Su Lin'er's condition from time to time.

Su Lin'er's condition was diagnosed by several famous doctors as hemorrhagic disease. As the name suggests, blood-red scales formed on some hidden places on the body, like fish scales, and as the condition worsened, the scales would become It slowly spread all over the body, and finally festered and deteriorated...

After a few days of secret observation, Yue Feng discovered that Su Lin'er's disease was not caused by accident, it should have been poisoned by some kind of poisonous insect.

Noticing this, Yue Feng wanted to observe further, but after getting married, Su Lin'er didn't let him enter the boudoir at all, and she didn't even meet Yue Feng for a whole day.

This made Yue Feng very helpless.

Sha Sha...

At this moment, the door of the lady's room opened not far away, and then Qiu Hong came out anxiously and walked towards the pharmacy behind.

The Su family is a big family in Yinlong Town, and there is a special pharmacy in the mansion.

Seeing this, Yue Feng knew that Su Lin'er's illness had flared up again, and immediately stood up and followed Qiu Hong closely.

Qiu Hong didn't notice Yue Feng at first, but when she took out the medicine from the pharmacy, she suddenly saw Yue Feng standing at the door.

When speaking, Qiu Hong couldn't hide the contempt in her heart.

Although Yue Feng is now the uncle of the Su family, everyone in the Su family knows that this uncle is only a nominal title, and he is still that useless waste.

Uh...

Qiu Hong's attitude made Yue Feng very helpless, but he didn't care, he said with a smile: "Qiu Hong, Miss is ill again?"

"Can't you see?" Qiu Hong raised her hand The herbal medicine: "Miss is not sick, what am I going to do with the herbal medicine? You quickly get out of the way, don't hinder me from doing things."

This waste can't help me at all, and it's really annoying.

The voice fell, and as soon as Yue Feng was pushed away, he was about to go to the kitchen for decoction.

Yue Feng's eyes flickered, and he said with a smile: "Qiu Hong, you are very tired of taking care of the young lady, why don't I go to decoction."

“You?”

Qiu Hong was stunned, looking at Yue Feng up and down: “You can do it Is it? Let me tell you, these are all precious medicinal herbs, if you mess up, you and I can’t afford it.”

What happened to this waste today? Weird everywhere.

Yue Feng smiled and took the medicinal herbs involuntarily: “It’s just decoction, I’ve made it before, as long as you are careful, you’ll be fine.” After he finished speaking, he turned and walked to the decoction pharmacy next to him.

Qiu Hong was not at all worried, and hurried to catch up: “Don’t be fooling around...”

Just as he was talking, he saw that Yue Feng had already skillfully sorted the medicinal materials, and then put them into the decoction pot in an orderly manner.

“Have you done this before?”

Qiu Hong was very surprised for a while, this waste seemed to be useless, but I didn’t expect decoction to be quite like that.

While controlling the heat, Yue Feng replied with a smile: “When I was sick, I decocted the medicine myself, and these are nothing.”

When he said this, Yue Feng had already concluded in his heart that one of Su Liner’s children was one. The highly poisonous species of ‘Red-Scaled Earth Dragon’ is a special kind of lizard in the popular saying of the Earth-round Continent.

Moreover, when sorting out the medicinal herbs just now, Yue Feng also kept each medicinal herb in his heart. Speaking of which, this prescription can really slow down Su Lin’er’s condition, but it can only cure the symptoms and not the root cause.

After confirming the situation, Yue Feng couldn’t help but ask: “Qiu Hong, do we have a red-scaled earth dragon activity in our Hidden Dragon Town generation?”

Chapter 4858

Scarlet-scaled dragon?

Hearing this suddenly, Qiu Hong was stunned for a moment, and Xiumei frowned: “What earth dragon, I don’t know what you are talking about.”

Yue Feng frowned secretly.

Could it be that on this road, the red-scaled dragon is not called this name?

Thinking about it, Yue Feng still has to ask, but Qiu Hong is a little impatient: "I don't know what you are saying, the medicine is almost done, hurry up and get it, I will bring it to the lady."

Seeing her like this, Yue Feng smiled and didn't ask any more questions.

Soon the medicine was cooked, and Qiu Hong hurriedly brought it to the lady's room.

Phew...

Watching Qiu Hong leave, Yue Feng leaned against the door and fell into contemplation.

To completely remove the poison of the red-scaled earth dragon, a kind of elixir called 'Jianmeicao' is needed to be used as a medicine, but I just read the prescription of the Su family, and there is no such medicine at all.

Yue Feng guessed in his heart that the medical system of the Lagerstroemia Continent had not yet discovered the effect of Jianmeicao, so those famous doctors said that Su Lin'er's condition was intractable.

Looking at it like this, there is a chance to go out and look for it.

Thinking of this, Yue Feng returned to the garden pavilion again, lying there and continuing to bask in the sun.

At this moment, the lady's room.

"Qiu Hong!"

Seeing Qiu Hong come in with the medicine, Su Lin'er's weak face showed a bit of reproach: "Why is the medicine so slow today?"

Hearing the question, Qiu Hong couldn't help complaining: "It's not that waste of Yue Yang, he has to help the young lady decoct medicine, which is a waste of time."

"I blocked it all at the time, but he insisted on not listening, but the medicine is still good."

Huh?

Hearing this, Su Lin'er looked surprised and looked at Qiu Hong closely: "You said that today's medicine was fried by Yue Yang?"

"Yeah." Qiu Hong said while handing over the medicine. : "I was asked a lot of strange questions when I was decoction."

Listening to Qiu Hong's constant whining, Su Lin'er pursed her lips and smiled, and said softly, "Well, it's rare for him to have such a heart. Speaking of which, this Yue Yang is not useless, don't always be so mean when you meet him in the future." After speaking

, Su Lin'er slowly drank the medicine, thinking that today's medicine was fried by Yue Feng, she suddenly said no. Out of the strange feeling.

"Got it!"

Qiu Hong responded, then turned her eyes and couldn't help saying: "Miss, you don't accept Yue Yang in your heart, do you really take him as a husband?"

"You damn girl!"

Hearing this, Su Lin'er's delicate face suddenly blushed, and she couldn't help laughing and scolding: "How can I accept him, you are talking nonsense, see how I punish you."

Qiu Hong burst out laughing, and hurriedly said "I'm joking, miss, don't get excited."

"Haha..."

Just as he was talking and laughing, he heard a burst of laughter from outside the door, and then a figure rushed in, dressed in a white satin gown, Qi Yu Xuan Ang is Su Lin'er's cousin, Liu He.

It was only two days before Su Lin'er's wedding. At that time, Liu He was playing with Yue Feng and was stung by a wild bee. Although it has eased a lot now, there are still some red bumps on his face. Very funny.

Liu He seemed to be in a good mood today. As soon as he came in, he smiled at Su Lin'er and said, "Cousin, you look really good today."

"Cousin!"

Su Lin'er bit her lip to hide her displeasure: "Why did you break in without a word?" This cousin is really, he is now married, and he broke into the boudoir without saying a word.

"Oh!"

Liu He patted his forehead and said with a smile: "I forgot that my cousin is already married, but then again, that Yue Yang was just arranged by his uncle to give you a happy wedding, not your real husband.

", Liu He sat on the chair next to him, unable to hide his excitement: "Cousin, the weather has been good recently, I heard that the lotus flowers are blooming on

Changge Lake, tomorrow cousin will take you for an outing and play, you are always stuck. Don't you feel bored at home too?"

"Okay!"

Su Lin'er's eyes lit up, she nodded quickly, and then she thought about it and said, "Or, let's bring Yue Yang with you."

I don't know why, Su Lin'er I always felt that Yue Yang had already entered the Su family's door, and it was not good to leave him in the cold all the time. It was better to take him with him when he was playing.

Chapter 4859

What?

Hearing this proposal, Liu He's face changed suddenly, and his smile froze: "Why are you taking that trash, that kid doesn't understand anything except gambling, and has no fun at all."

When it came to Yue Yang, Liu He Crane was not angry.

On the day of the Su family's wedding, Liu He stopped the wedding party halfway through the street. He planned to humiliate Yue Yang, but he was played by Yue Yang. Not only that, Liu He was also stung by a wild bee and turned into a pig's head.

Later, Liu He arranged for Li San to come to look for trouble, but he lost to Yue Yang three times in a row, and finally left in despair.

These two things made Liu He very annoyed.

"Yeah!" The

voice fell, and Qiu Hong, who was beside him, couldn't help but say: "Liu Shao is right, but Yue Yang is stupid, and it is also a big mess."

"Qiu Hong!"

Su Lin'er trimmed her eyebrows. Locked tightly, he gently reprimanded: "Forgot what I told you just now? You are not allowed to slander your uncle like this in the future!" After speaking

, Su Lin'er said to Liu He, "After all, I have already married Yue Yang, if I only go out with my cousin. Outing, I'm afraid it's not suitable, and people will gossip when they see it, so let's take him." Seeing her say

that, Liu He was embarrassed to refuse, and immediately nodded reluctantly: "Well then."

At that time, Liu He's face was indifferent, but there was a hint of ruthlessness in his eyes.

Ma De, that stinky boy from Yue Yang, who hurt me so badly before, was almost disfigured by a wild bee sting. This time, with the help of the outing, I must find an opportunity to stab him to death.

Seeing his promise, Su Lin'er showed a smile.

The next second, Su Lin'er directed at Qiu Hong: "Qiu Hong, wait a minute, you will prepare some new clothes for Yue Yang, how can you say that he is also from the Su family now, and he always wears too casually, which is easy to be laughed at. , there is no light on the Su family's face."

It was me again...

Qiu Hong was extremely reluctant, but she nodded and said, "I see, miss."

At this moment, in the garden outside.

Nima!

Yue Feng, who was lying there basking in the sun, saw Liu He directly break into Su Lin'er's room. At that time, he was very upset. This Liu He really has no rules at all. ?

But thinking of his own identity, Yue Feng was too lazy to care.

It's better to quickly find a way to help Su Lin'er completely cure the hyperphosphatemia, and then leave here.

Thinking to himself, Yue Feng got up and went to the prescription to get some herbs, and went back to the room to study to see if there was any other prescription that could cure Su Lin'er's illness, but he didn't have a clue, and the door of the room was suddenly pushed open.

Seeing Qiu Hong holding a ruler, she walked in reluctantly, and said coldly to Yue Feng: "Miss just said that I will go out with Young Master Liu tomorrow for an outing, and I am going to take you with me."

Outing?

Yue Feng was stunned for a moment, then nodded with a smile: "Okay."

Just by taking advantage of this outing, you can find Jian Meicao.

Thinking to himself, looking at the ruler ruler in Qiu Hong's hand, Yue Feng couldn't help but ask, "What are you doing with the ruler ruler?"

Qiu Hong didn't answer immediately, but threw the ruler ruler on the table and said angrily: "Miss said that your clothes are too ordinary. If you go out and be seen, you will lose the face of the Su family, so I'm going to make some new clothes for you."

"You measure the size, so that the people below will make your clothes for you."

After the last sentence, Qiu Hong sat on the chair next to her with an aloof posture, as if Yue Feng was the servant and she was the master. Same.

I go?

Seeing this scene, Yue Feng was both angry and funny: "You asked me to measure the size myself?" This Qiu Hong is really getting more and more presumptuous. As a servant, she even asks the master to do everything.

To be honest, Yue Feng didn't want to worry about Qiu Hong so much, but seeing her getting more and more excessive, she couldn't help it at this time.

"What?"

Feeling Yue Feng's unhappiness, Qiu Hong didn't panic at all, but instead said coldly: "Don't you want me to serve you?"

"Okay!"

Yue Feng didn't have a seizure at that time, and nodded with a smile: "I'll measure it myself." After saying that, he took the ruler and started to measure it slowly. At the same time, he secretly put the two medicinal powders into the incense burner lit nearby.

Chapter 4860

These two powders, one is Kuimu pollen and the other is mandala pollen.

The two herbal powders have different properties, but if they are mixed and ignited, they will form a unique smell, and once people smell it, they will itch unbearably.

Yue Feng did this to cure Qiu Hong's arrogance and rudeness.

Soon, a faint scent filled the room.

At first, Qiu Hong didn't notice anything at all, but gradually she felt something was wrong.

"Well..."

At this moment, Qiu Hong couldn't help but let out a soft sound, and the whole person twisted subconsciously, she only felt itchy and hot, extremely itchy! Extremely hot!

Haha...

Seeing this, Yue Feng smiled secretly, he didn't expect the pollen to work so quickly.

Thinking to himself, Yue Feng smiled and looked at Qiu Hong: "Oh, what's wrong with you Qiu Hong? If you don't sit well, why are you twisting and turning?"

"You..."

Qiu Hong's face flushed, and for a while She didn't know how to speak, it wasn't enough to feel uncomfortable, so she couldn't help but say, "You...what did you order in your room?"

Although she didn't know what was going on, Qiu Hong was not stupid. There was suddenly so much in this room. There was a strange scent, and it was this scent that made him itch unbearably.

"Incense."

Yue Feng replied, pretending to think of something, and continued: "Oh, when I was researching herbal medicine, I accidentally put two kinds of medicinal powder into the incense burner."

"Is it because this?"

Hearing this, Qiu Hong suddenly became anxious: "You...you have nothing to do with researching the powder?"

This waste is really not enough, and more than enough.

Yue Feng scratched his head and looked helpless: "I'm not here to treat the young lady. Is this wrong?"

Qiu Hong was anxious and angry: "What do you know? Can you heal? Miss's illness, many famous doctors are helpless, can you find a cure? It's ridiculous."

Just as she was talking, Qiu Hong only felt that the itchy feeling all over her body became stronger and stronger, and her whole body trembled immediately.

Yue Feng stopped talking and looked at her with a smile.

“No!”

Suddenly, Qiu Hong thought of something, and looked at Yue Feng: “If you accidentally ignite the powder, why are you all right?”

She clearly saw that Yue Feng’s expression was as usual, and he didn’t seem to be at all. Influenced by that pollen.

“Me!”

Yue Feng smiled slightly, and said slowly: “Maybe I just tasted the antidote, so this fragrance is useless to me.” When he said this, Yue Feng’s eyes were full of cunning.

Yes, Yue Feng was deliberately teasing Qiu Hong. He is the body of the Profound Saint, which is invulnerable to all poisons, and does not need to take antidote at all.

“Then why are you still standing there?” Qiu Hong suddenly became anxious and couldn’t help urging: “Give me the antidote quickly.”

When she said this, Qiu Hong was shy and angry.

This Yue Yang must be intentional.

Yue Feng put away his smile and looked at Qiu Hong seriously: “Why should I help you get the antidote? In your heart, I am not your master, just a useless waste.”

“You...”

Hearing this, Qiu Hong was so angry that she could see that Yue Feng was waiting for her to bow down to him.

But she is the lady’s personal maid, and she has some status in the entire Su family. How can she bow her head to a waste?

Thinking to herself, Qiu Hong bit her lip, intending to resist the itch all over her body.

At first, Qiu Hong could bear it, but after a few minutes, she saw that her face was flushed, her body was dripping with sweat, her legs were trembling, and it was obvious that she couldn’t hold it anymore.

“Yue Yang...”

Finally, Qiu Hong couldn’t stand it anymore, she came over biting her lip, took Yue Feng’s arm, and whispered, “I was wrong, give me the antidote.” The

voice was very low Small, if you don't listen carefully, you can't hear it at all.

"Okay!" Yue Feng showed a smile and said lightly, "But what do you call me?" When he said this, the expression on Yue Feng's face was indescribably amused.

"Uncle!"

Qiu Hong bit her lip tightly, lowered her head and didn't look at Yue Feng, and said in a low voice, "Good uncle, please give me the antidote, Qiu Hong can't take it anymore."

At this time , Qiu Hong Her face was flushed, she never imagined that she would put down all her dignity and beg for mercy to a trash that everyone despised.
