

The ultimate husband in Chinese chapter 4871-4880

Chapter 4871

Finally, Chen Qi was the first to react, feeling very comfortable, he laughed at Yue Feng and said, "Haha... OK, brother, I didn't expect the medicine you dispensed to be very effective, it's really a wonderful rejuvenation. !"

Yue Feng smiled: "You are polite!" Phew

... At this moment, Ge Zhenhong was completely awake, and he let out a long sigh of relief.

, I was pleasantly surprised to find that the injury of the heart vessel did not seem to be that serious.

At this time, Ge Zhenhong didn't know that it was Yue Feng who prepared medicine for him when he was in a coma just now.

"Boss!"

Seeing his expression, Chen Qi showed a smile, raised his hand and pointed at Yue Feng: "The healing medicine was not found, but this brother just prepared the medicine... This brother seems to be ordinary, I didn't expect to be very good at medicine!"

Huh?

Hearing this, Ge Zhenhong's face was full of disbelief, looking up and down at Yue Feng, unable to express his surprise.

He is very clear about his injury. After all, he has injured his heart and must have a panacea to heal. This kid actually prepared a random medicine to get himself out of the dangerous period.

Incredible.

Thinking of this, Ge Zhenhong nodded at Yue Feng and said, "Thank you, little brother, for your help. Little brother is very skilled in medicine. It's really admirable."

When he said this, Ge Zhenhong's tone was full of compliments and admiration. Cold and arrogant. Attitude is a complete change of heaven and earth.

Hehe...

In the face of Ge Zhenhong's gratitude, Yue Feng smiled slightly and said very humbly, "Boss Ge is very polite, I only have a rough understanding of medical skills."

This chapter is provided by . Visit for daily update.

In this Ziwei Continent, no one knows Shennong at all, and it is useless to say it, it is better to keep a low profile.

He...

At this moment, Su Lin'er, who had been standing not far away, was trembling, and looking at Yue Feng's eyes, she was also full of shock.

Isn't he a gambler? He had never heard of anyone saying that he was good at medicine before, but he just made a simple medicine and saved the boss of this gang of thieves.

Could it be that...the rumors I heard about him before were all fake?

call!

At the same time, seeing Ge Zhenhong's polite face towards Yue Feng, completely lost his previous ruthlessness, Liu He, who was not far away, also had complicated expressions, and couldn't help but muttered in his heart.

This... what's the situation?

This waste Yue Yang, just fiddling with a few herbs, really saved this Ge Zhenhong? Is he blind, or does he really have the ability?

No, he's just a gambler, how can he know any medical skills, he must be blind... It must be the case.

Thinking of this, Liu He was very upset, and couldn't help but muttered: "Mad, this waste is really lucky, just fiddling with a few herbs, it really saved people..." The

voice was not loud, but Ge Zhenhong But heard clearly.

Swish!

In an instant, Ge Zhenhong's face turned gloomy, and he couldn't tell the fire in his heart, so he instructed Chen Qi: "Chen Qi, let that arrogant boy be honest."

Mad, a bunch of rich scoundrels, dare to despise so much His own savior was simply courting death.

"Yes."

Chen Qi responded, walked over quickly, and scolded Liu He, "Are you looking for death, my boss is talking to my benefactor, it's your turn to make irresponsible remarks here?" The voice fell, and Chen Qi grabbed it Live Liu He's hair!

"Crack!" The

next second, Chen Qi raised his hand and slapped Liu He's face fiercely!

With this slap, Chen Qi almost used all his strength, and when he heard Liu He's squeak, the nosebleed spewed out and fell down.

Liu He couldn't tell the grievance and panic: "I...I didn't say anything?"

Liu He grimaced, this slap was too unfair, who knew that Ge Zhenhong's ears were so smart, and he was so quiet. can hear.

"Ma De!"

Chen Qi's face was fierce, and he threatened Liu He: "I don't care who you are, this Yueyang brother just saved our boss, he is our villain, who of you dares to say that he is half a child, Laozi Abolish you!" With

that, Chen Qi turned his head to look at Yue Feng, his face flattering: "Brother Yue Yang, these guys seem to look down on you, so let me vent your anger, how do you deal with them!"

Chapter 4872 It's

over!

Seeing this situation, Liu He's heart trembled, and he looked at Yue Yang as if asking for help.

This kid Yue Yang, shouldn't fall into the trap, right?

At this moment, Yue Feng smiled at Chen Qi with an indifferent expression: "You can see the disposal." Speaking of which, he was already very disgusted with Liu He. will not block.

call!

Hearing this, Chen Qi nodded knowingly, and then slapped Liu He's face again, roaring: "Ma De, just because he is a rich family boy, he looks down on Brother Yueyang, right? I look at it the most. I'm not used to people like you, I will beat you to death!"

While scolding, Chen Qi pointed to a few wealthy disciples next to him: "There are a few more, hit me hard."

Bang Bang Bang. ...

The voice fell, and the dozen or so big men around didn't say a word, they rushed over, and they punched and kicked Liu He and a few other rich kids.

"You heroes... ah... spare your life, spare your life." Liu He is usually spoiled, but he has just joined Tianlongmen and hasn't learned his skills yet, so can he stand up to this? At that time, he was beaten and rolled on the ground, crying non-stop.

"Forgive your life..."

"Stop hitting, ah... I didn't say anything!"

"Don't hit the hero..."

Several other wealthy children also screamed incessantly.

hiss!

Seeing this scene, Su Lin'er and Liu Ying were both terrified, leaning against each other and shivering.

They are all delicate eldest ladies, and when they saw this scene for the first time, they were all very frightened.

I don't know how long it took, but seeing that Liu He was almost killed, Chen Qi stopped.

At this time, Liu He had a blue nose and a swollen face, and wanted to cry but had no tears.

Mad, what's going on today, I was beaten for offering money, and I was beaten for speaking in a low voice. This is a shame!

Haha...

Seeing Liu He's appearance, Yue Feng couldn't be more happy. This idiot, because he was the young master of the Liu family, used his power to bully people everywhere. He deserved to be taught a lesson by Ge Zhenhong's men today!

In addition to being happy, Yue Feng also kept calm. At this time, he couldn't help but said to Ge Zhenhong: "Boss Ge, look... your injury is not a serious problem, why don't you let us go..."

When he said this, Yue Feng's face was polite, but there was complexity in his eyes.

After walking in the rivers and lakes for so many years, Yue Feng is well aware of the sinister truth of human hearts. Although he saved Ge Zhenhong just now, the other party is the notorious Jiang Yang thief after all, so the sooner he leaves, the better.

When the words fell, Liu He, Su Liner and Liu Ying all looked forward to it.

"Let's go?"

Ge Zhenhong was stunned for a moment, then he said with a smile, "Brother Yueyang, you saved my life, we can be considered fate, why did we just leave like this? And it's getting late, I think so, let's find a place to stay and wait until tomorrow morning before you leave." The

voice was not loud, but it was unquestionable.

Uh...

Hearing this, Yue Feng squeezed a smile on his face and nodded, but his heart was full of bitterness.

Ma De, I'm really afraid of what's coming. Ge Zhenhong won't let anyone go, so he can't force him to leave.

Forget it, let's do it by chance.

"Chen Qi!"

At this time, Ge Zhenhong instructed Chen Qi: "It's cold by the lake at night, take everyone to find a place to rest."

"Yes, boss!" Chen Qi responded, and hurriedly greeted the big men around, urging Liu He and everyone looked around.

After a while, a lot of natural caves were discovered under a cliff not far from the lake, one of which was large enough for everyone to rest together.

"Just here!"

At this time, Ge Zhenhong pointed to the largest cave and smiled at Yue Feng: "Everyone will rest here tonight, Brother Yue Yang, I still need to practice and reply, you can do it yourself, in the future It's my own, don't be restrained!"

After speaking, Ge Zhenhong ordered Chen Qi: "Chen Qi, enjoy a few drinks with Brother Yueyang in a while, but you can't be neglected."

After the order, Ge Zhenhong went to the cave next door and began to practice. Reply. Although Yue Feng helped him with the injury to his heart before, his body was still a little weak and he needed to practice to recover.

Chapter 4873

“Don’t worry, boss!” Chen Qi responded to Ge Zhenhong’s back.

Immediately, Chen Qi held Yue Feng’s shoulder with a smile: “Brother Yue Yang, you saved the boss’s life, and you are also our benefactor. Today we must not get drunk and drink to the fullest.” As

he said, Chen Qi took out the jug he had brought with him, pulled Yue Feng to sit in front of the bonfire, and at the same time ordered a few big men to get some game back.

Huh...

Yue Feng was so anxious in his heart, but at this time he was also calm, sitting there and drinking hard with Chen Qi.

After a while, a few big men beat back a few hares and roasted them on the bonfire, and the fragrance soon overflowed.

“Brother Yueyang!”

At this time, Chen Qi bit down a piece of hare leg meat, ate it beautifully, and said to Yue Feng vaguely: “I really hit it off with you, but... tonight only wine and meat are left. No, it’s great to have beautiful women to accompany, hehe, there are three beauties here, one is more than the other, let them accompany the bar, hahaha...”

As he said, Chen Qi’s eyes were constantly on Su, who was not far away. Lin Er looked at the three of them.

What the hell!

Hearing this, Yue Feng’s heart jumped, and he subconsciously wanted to stop it, but it was too late.

“Come.”

At this time, Chen Qi raised his finger and pointed at Su Lin’er and Zhang Yueqi: “Just the two of them, hehe, one is cold and charming, the other is Shuxian and shy, and the two beauties have their own merits, haha...”

Shuh!

Hearing this, whether it was Zhang Yueqi and Su Lin'er, or Liu He and others, they were all shocked and furious.

These scumbags are too daring to ask Zhang Yueqi to accompany him as a drink. You must know that Zhang Yueqi is a female disciple of Tianlongmen, a famous and authentic one. If you want her to accompany a group of Jiangyang thieves, how will you meet people in the future?

Zhang Yueqi's face flushed even more, staring at Chen Qi coldly with fire in her eyes.

This bastard, who had to search his body before, almost ruined his reputation, and now he wants to accompany himself to drink, and he is famous and authentic, when has he suffered such humiliation?

Su Lin'er next to her was also trembling, biting her lip. In addition to being frightened, she was also extremely nervous.

How to do?

These are all bad people who do all kinds of evil. They can do anything. Now they have to accompany the wine, and they may have to do something later...

"Go, bring the two beauties here!"

At this moment, Chen Qi gave an order with a smile. , a few big men immediately walked over to bring Zhang Yueqi and Su Lin'er over by force.

"Wait a minute!"

At this critical moment, Yue Feng put down his wine glass and smiled at Chen Qi: "Brother Chen Qi, to be honest, this Zhang Yueqi is actually my sister, so don't let her accompany the wine. "

Speaking, Yue Feng smiled at Zhang Yueqi and said, "Little sister, hurry up, call good brother to listen, or Brother Chen Qi thinks I lied to him."

Wow!

As soon as these words came out, there was an uproar around, and Liu He and others were stunned, looking at Yue Feng in shock and anger.

Mad, this piece of shit is crazy!

Just now, she just saved that Ge Zhenhong by mistake, so she thought she was proud of herself, and even said that Zhang Yueqi was her sister? Don't be afraid of Zhang Yueqi's reckoning after the fact.

At this moment, Zhang Yueqi's beautiful face suddenly flushed red, and she was very angry.

This Yueyang is really a nonsense.

Zhang Yueqi is not stupid, she knows that Yue Feng is actually protecting herself by doing this. However, in front of so many people, how did the name come out?

Su Lin'er on the side was also shy and angry. This Yue Yang was too rambunctious. He had just met Zhang Yueqi, and he didn't even know him well, so he said in public that she was his sister...

"Little sister!"

Seeing Zhang Yueqi hesitating, Yue Feng urged with a smile: "Why are you standing still? Shout out, call your brother, are you still shy?"

Hearing this, Zhang Yueqi knew that she couldn't stop shouting, so she bit her lip and shouted softly. "Okay...good brother!"

"Well, really good!" Yue Feng was overjoyed and waved his hand.

What?

Seeing this scene, Liu He and others were completely dumbfounded.

Especially Liu He, his heart is even more complicated. You must know that Zhang Yueqi is his senior sister, but now he actually calls Yue Yang a good waste brother...

Chapter 4874

Mad, isn't this changing the law to take advantage of me?

For a while, Liu He was very annoyed, and because Chen Qi was present, he didn't dare to attack, so he could only stare at Yue Feng from a distance.

Haha..

At this moment, Chen Qi reacted and patted Yue Feng on the shoulder with a big laugh: "Oh, it turns out to be my own, no wonder the Yue Yang brothers would come forward when I searched my body before, it really is a brother-sister relationship. Deep! Well, since she's your sister, forget it, you don't need her to accompany the drink!"

After speaking, Chen Qi's eyes fell directly on Su Lin'er, with unabated interest: "I thought that good things would come in pairs, forget it, let this beauty come over."

Shuh!

When the words fell, Su Lin'er's delicate body trembled, and she couldn't be nervous. At the same time, she also looked at Yue Feng.

At this time, Su Lin'er would never have imagined that one day she would also rely on this titular husband-in-law.

"Tsk tsk!"

Feeling Su Lin'er's nervousness, Chen Qi became even more interested and said with a smile: "It's so gentle and shy, it's really sexy and charming." With that, Chen Qi stood up and was about to go over to pull Su Lin'er.

"Brother Chen Qi." However, at this moment, Yue Feng quickly stood up, stood in front of Su Lin'er, and said

with a smile, "That...this one can't accompany the wine."

Getting married is just to celebrate happiness, not a real husband and wife, but Yue Feng also knows in his heart that Su Lin'er is a gentle and kind girl, how can she watch her being humiliated?

"Why?" Chen Qi frowned, a little unhappy.

Zhang Yueqi is his sister, and she has already given in. Could this Su Lin'er have something to do with him?

Feeling Chen Qi's displeasure, Yue Feng did not panic at all, and smiled slightly at the time: "She is my wife, brother Chen Qi, please give me some face."

Lady?

Hearing this, Chen Qi was very suspicious and turned his head to look at Su Lin'er: "Is what Brother Yueyang said true? You...are you really her lady?"

Facing Chen Qi's straightforward question, Su Lin'er's beautiful face turned red all of a sudden, how charming and charming she was.

Um!

In the next second, Su Lin'er bit her lip and replied softly.

To be honest, although Su Liner married Yue Feng, she never regarded him as her husband in her heart. At this time, she was a little conflicted when she admitted that she was Yue Feng's wife.

But Su Liner is also a smart woman. She knows that Yue Feng is protecting herself. If she denies it, she will not only accompany the drinker, but her innocence will also be humiliated.

In this case, Su Liner could only admit it.

At this moment, Chen Qi was speechless, he waved his hand and motioned Su Liner to go away.

Seeing this, Yue Feng quickly took Su Liner's hand: "Liner, you are tired, go to the side to rest first." After saying that, he took Su Liner to rest on the stone on the side.

Chen Qi didn't stop him, but he was very annoyed.

Mad!

Is it so hard to find a beautiful girl to accompany you tonight?

Thinking to himself, Chen Qi glanced at Liu Ying, and said to Yue Feng in a speechless manner: "Brother Yue Yang, the first two are your wife, the other is your little sister, the rest has nothing to do with you. Right?"

While talking, Chen Qi looked at Liu Ying.

Swish!

In an instant, she felt Chen Qi's wolf-like gaze, Liu Ying's body trembled, and she was so frightened that she could barely stand.

Yue Feng and Su Lin'er sat on the stone together, and responded with a smile: "This has nothing to do with me. Brother Chen Qi can drink whatever he wants, please do."
To

be honest, Yue Feng couldn't bear to be humiliated by Liu Ying, but There is no way, I have interrupted Chen Qi twice just now, if I stop it again this time, I am afraid that Chen Qi will turn his face.

Moreover, Liu Ying is Liu He's younger sister, and her personality is also a bit arrogant and domineering, so let's take this opportunity to teach her a lesson.

Haha...

Hearing this, Chen Qi laughed and shouted: "Come, bring me this little beauty."

At this time, Chen Qi was in a better mood again.

This little beauty finally has nothing to do with Yue Yang, no scruples, and can finally let go.

"Brother!"

Seeing the two big men walking towards her, Liu Ying's legs were weak, and she almost cried, she hurriedly asked Liu He for help: "Save me..."

Chapter 4875

Seeing this situation, Liu He wiped the sweat on his forehead, and quickly pleaded with Chen Qi: "Brother Chen Qi, don't do this, she... she is my sister, please raise your hand.. ."

"Go to your code." Just halfway through, Chen Qi scolded: "Shao special code has something to do with me, who is your big brother?"

"

He didn't dare to retort, he nodded again and again: "I can't speak, good man, please let my sister go, she is still young and can't drink at all."

Chen Qixie laughed: "Can't drink? Then Pour me a drink, no problem."

After saying that, he walked over quickly and grabbed Liu Ying's wrist.

"Good man!" Liu He was in a hurry all of a sudden, and was about to come over to stop him, but was stopped by a few big men, punching and kicking, and lying on the ground.

Chen Qi's face was gloomy and cold: "Ma De, disturb Lao Tzu's interest and beat me hard."

"Wrong, I was wrong..." Liu He had been beaten before, and now he was facing a few big men. A punch, unable to bear it at all, blood dripping from his face.

"Please!"

Seeing this situation, Liu Ying was also terrified, but she still shouted: "Don't hit my brother, don't..."

Chen Qi sneered: "If you don't want your brother to become a waste, then Obediently listen to me, come and pour the wine!" After speaking, he sat down in front of the bonfire.

Liu Ying's delicate body trembled, and she was very reluctant, but seeing her brother's tragic condition, she walked over slowly.

Haha...

At this moment, Chen Qi admired Liu Ying up close, and the more he looked, the more excited he became. This little beauty is not very old, but she looks slim, especially her charming curves, which are really tempting.

Excited, Chen Qi stretched out his hand and hooked Liu Ying's chin, his eyes narrowed slightly: "Come on, little beauty, pour a drink for Lao Tzu!"

Liu Ying did not dare to disobey, and carefully poured Chen Qi a drink.

Haha....

Seeing her so obedient, Chen Qi couldn't say how proud she was.

Seeing this, Yue Feng frowned secretly. Speaking of which, I was really relieved to see Liu He being taught a lesson, but seeing Chen Qi getting more and more excessive, Yue Feng couldn't stand it any longer.

No, I can't waste it here, I have to find a way to save everyone from leaving.

While thinking about it, Yue Feng couldn't help but glance at the cave where Ge Zhenhong was practicing. Now it's just Chen Qi, which makes everyone panic. When Ge Zhenhong regains his strength, he is afraid of everyone's fate, it will be even worse...

"Yue Yang!"

At this moment, Su Lin'er, who was sitting next to him, couldn't stand it anymore, and couldn't help but whispered, "You can find a way to save Liu Ying."

Yue Feng smiled and whispered. He comforted: "Don't worry, she will be fine."

Saying so, Yue Feng was also secretly anxious, Mad, if it wasn't for his divine power being imprisoned, how could these guys be so arrogant? Head-to-head is not the best policy, you need to use your brain.

Got it!

In the next second, Yue Feng had a flash of inspiration and thought of something, and smiled at Chen Qi: "Brother Chen Qi, I won't bother you with beautiful women. It's still early, I'll go get some herbs, To help Boss Ge fully recover."

When he said this, Yue Feng smiled, but there was a hint of cunning in his eyes.

Yes, Yue Feng lied to Chen Qi.

He didn't plan to find herbal medicine at all, but planned to make some ecstasy powder to stun Chen Qi and the others, and then rescue Su Liner and Liu He.

"Haha!"

Chen Qi didn't know what Yue Feng was thinking. Hearing this, he smiled and nodded again and again: "Okay, okay, Brother Yueyang is really caring, I thank you for the boss!"

Chen Qichong said, A few big men next to him instructed: "Follow Brother Yueyang, those in the wilderness, don't encounter wild animals, and you can take care of them when the time comes."

Chen Qi seems reckless, but his heart is like a fine hair. Worried that Yue Feng would sneak away, he deliberately sent someone to follow him.

Yue Feng has been in the rivers and lakes for a long time, how can he not know Chen Qi's mind, and he didn't break it at the time.

Soon, Yue Feng and a few big men entered the woods not far away, looking for herbs.

And this side of the cave.

Accompanied by Liu Ying, Chen Qi drank a lot of wine, and soon became a little drunk, and he became a lot more courageous while drinking.

"Little beauty!"

At this moment, Chen Qi smiled evilly and grabbed Liu Ying's wrist: "Go, accompany me to rest."

The ultimate husband in Chinese chapter 4876-4880

Chapter 4876

"I..."

At this time, Liu Ying's face flushed red, and she shook her head and said, "I don't want..."

At the same time, not far away, Liu He, His face was also full of anxiety, and he couldn't help shouting: "Hey man, please spare my little sister, she has already drunk with you, so you can let her go."

At this time, Liu He was very angry in his heart.

After all, he is also the eldest young master of the Liu family. He has always only bullied others. When have you ever suffered from this kind of anger? Especially the little sister, she is still young and does not know the dangers of the rivers and lakes. If she is defiled by Chen Qi today, how will she live in the future?

"Ma De!"

Hearing the shouting, Chen Qi suddenly became angry, pulled out his long knife, pointed at Liu He and shouted: "I think you can't cry without seeing the coffin, you just beat it lightly, I can see her, it's her blessing, if you dare to say a word again, I will let you see the sun tomorrow."

Feeling Chen Qi's ferocity, Liu He's heart trembled, and he was too scared to speak at that time, but he still watched closely. Looking at Liu Ying, her eyes were full of anxiety.

Liu Ying was also terrified, her delicate body kept shaking, and she could hardly stand up.

"Little beauty!" At this moment, Chen Qi leaned up, raised Liu Ying's chin, and said with a

half-smile, "If you don't want your eldest brother to be hacked to death, just listen to me."

Liu Ying, walked towards the depths of the cave.

At this time, Liu Ying was full of despair. Although she was young, only eighteen or nineteen years old, she had not experienced anything between men and women, but she also guessed what would happen next, and tears kept streaming down her face.

"Little sister!"

Seeing this scene, Liu He exclaimed anxiously, his heart twisted like a knife...

This chapter is provided by . Visit for daily update.

Soon, Chen Qi took Liu Ying to a corner deep in the cave and began to be dishonest.

“Tsk tsk...”

Chen Qi put down the long knife in his hand, sniffed slightly in front of Liu Ying, and his face was intoxicated: “I have been desperate for so many years, this is the first time I have encountered such a beautiful beauty, don’t say, this is The young lady of a big family is full of fragrance.”

Liu Ying was afraid and resisted, bit her lip tightly, and said timidly: “You... what are you doing?”

“What do you think?” Chen Qi smiled evilly on his face , grabbed Liu Ying’s wrist.

“You...” Liu Ying was anxious and angry, and she didn’t know where the courage came from: “Don’t touch me.” She was about to break free from Chen Qi’s hand.

Mad!

Seeing her struggling, Chen Qi was very annoyed, and his face turned hideous in an instant: “Don’t be so shameless, it’s your honor to serve me, and if you chatter again, believe it or not, I will kill you.”

Hearing this , Liu Ying’s heart trembled.

Snapped!

It was at this time that Chen Qi sneered, suddenly raised his hand, and touched Liu Ying’s acupuncture point.

In an instant, Liu Ying’s body trembled and she couldn’t move. Before he could react, he saw Chen Qi took out a small medicine bottle, poured out a pill from it, and stuffed it directly into Liu Ying’s mouth.

“You...”

At this moment, Liu Ying panicked completely, and her voice trembled: “What did you give me to eat?”

Chen Qi hehe: “Don’t panic, this is a good thing, wait for the drug to take effect. , I will take you to feel the taste of immortality and death, hehe...”

As a robber from Jiangyang, Chen Qi has done many evil things, especially bullying women, so he always has a pill that makes women lose their resistance.

He thought about it and used a strong tone, which caused Liu Ying to cry. It would be better to take medicine. When the pills attack, this little beauty will let go of her restraint and save a lot of trouble...

“You!”

Although Chen Qi said it was very obscure, but Liu Ying was not an idiot. She immediately heard that what she was eating was not a good thing, and immediately became embarrassed and angry: “Kill me, I would rather die than let you succeed!”

“Hehe! Chen Qi’s face was full of pride: “It would be a pity to kill such a beautiful little beauty. I am a person who loves fragrance and jade.”

After speaking, Chen Qi lay on the side, quietly staring at Liu Ying’s body’s medicinal power attack.

Done!

At this moment, Liu Ying was completely desperate. If he was defiled by him, he might as well die. It’s just that the acupuncture point was tapped, and he couldn’t move at all.

Chapter 4877

At this moment, the other side.

Accompanied by a few big men, Yue Feng quickly found all the medicinal materials. Not only that, but Yue Feng also accidentally discovered a few stalks of the sword plum grass. He was very excited at the time, so he quickly collected it.

Soon, returning to the cave, Yue Feng set up a porcelain jar on the bonfire and began to brew the medicine.

Huh....

A few big men stood around, all of them looked incomparably admirable.

Afterwards, one of the big men couldn’t help but asked Yue Feng, “Brother Yue Yang, what kind of medicine did you make for Boss Ge just now? It’s really amazing.” The voice fell, and several companions also spoke.

“Yeah, Boss Ge’s heart was injured, and he was cured in such a short period of time. It’s incredible.”

“Brother Yue Yang, it’s really a reincarnation of a genius doctor.”

Hearing the inquiries of several big men, Yue Feng made a statement. With a humble look, he smiled and said: “The elder brothers Liao Zan, how can I be a genius doctor? It’s just that I met an expert in the rivers and lakes before and received some advice.”

Hearing this, several big men are all one face stunned.

Then one of them asked again, "Then what is Brother Yue Yang making now? Is it the same medicine from before?"

"This is not!"

Yue Feng's eyes flickered, with a serious look: "I see all the heroes, one by one. I am very tired from running around, so I will make some medicines to strengthen my body first, and after everyone drinks it, my spirit will be better, and I will make medicines for Boss Ge alone."

When he said this, Yue Feng had a face on his face. He was polite, but there was a slyness in his eyes.

Yes, what he brewed was not a 'strengthening' drug at all, but a coma drug. It is called ecstasy soup, as the name suggests, as long as you drink it, you will be unconscious.

Wow...

Hearing this, several big men were overjoyed and couldn't help but applaud.

"Brother Yueyang is really thoughtful!"

"It turns out that this medicine was specially prepared for us. I really want to thank Brother Yueyang. Why don't you like this? Let's go with us tomorrow, Brother Ge, to go through the rivers and lakes with Boss Ge."

"Yes, yes, Brother Yue Yang is so skilled in medicine, Boss Ge will definitely not treat you badly."

At this time, these big men didn't know that they were all deceived by Yue Feng.

Huh....

Seeing this situation, Liu He, who was tied not far away, as well as Su Liner and Zhang Yueqi, were all shocked and angry, and looked at Yue Feng in shock and anger.

Especially Liu He, who was about to explode with anger.

Ma De, this Yue Yang is really not a thing, just got to know each other, and became one with the gang of Jiang Yang thieves.

Thinking to himself, Liu He said to Su Lin'er, "Cousin, you see, this waste is nothing at all. Those wicked people just praised him a few words, and he can't find Bei, and even wants to join them!"

Su Liner didn't respond, bit her lip tightly, feeling complicated.

Although he married Yue Yang, it was just for the sake of happiness, and there was no real relationship between husband and wife, but he was also the son-in-law of the Su family.

At this time, the bonfire is here.

Facing the invitations of several big men, Yue Feng smiled slightly: "Thank you for your kindness, eldest brothers, I don't have the strength to hold the chicken, and I'm afraid of dragging my feet when I join you. I'll put this matter on hold for now, and I'll make medicine for you. "

While talking, Yue Feng boiled the medicine seriously.

After a while, the medicine was successfully brewed, and Yue Feng divided it into several points and handed it to the big men present: "Everyone, this medicine can only be effective if you drink it while it's hot, so don't be polite."

Wow!

Hearing this, all the big men present hurriedly gathered around, each brought a bowl, and hurriedly drank it.

Speaking of which, these people have been wandering around the world all the year round, and one is better than the other. If it is normal, they would never trust Yue Feng so much, but just now Ge Zhenhong drank the medicine made by Yue Feng, and it is obviously much better. This is obvious to all, so everyone Without the slightest doubt.

Haha, it worked!

Seeing these big men drink the medicine, Yue Feng showed a smile, and his heart was indescribably excited.

Nima, it's really not easy to deceive this gang of Jiang Yang robbers.

Chapter 4878

Mad!

Seeing this scene, Liu He was so angry that Yue Yang, the bastard, really cooked medicine for these wicked people in order to please them.

Really like a pug.

Zhang Yueqi was also in a hurry, what happened to this Yue Yang? Knowing that this group of people are not good people, and giving them medicine, isn't this just a joke?

Just when Zhang Yueqi was anxious, the next scene made them stunned!

Putong putong....

I saw that the big men just took the medicine, and they stood unsteadily one by one, and then fell to the ground and passed out.

Papa...

At this time, Yue Feng clapped his hands, looking relieved: "It's finally done!"

Seeing this scene, Zhang Yueqi, Liu He and the others were all blank.

This...what's the situation?

"You..."

Finally, Su Liner was the first to react, and she couldn't help but said softly, "Didn't you make medicine for them to help them recover? Why did they all fall? Could it be... ..you just said helping them, it's all fake?"

"Silly lady!" Yue Feng nodded with a smile: "I have such a sense of justice, how can I help the wicked and help them heal their wounds

?

" At this, Su Lin'er breathed a deep sigh of relief and smiled.

As expected, he was right, he was deliberately trying to please these wicked people. I almost misunderstood him just now.

At the same time, Zhang Yueqi also looked relieved, and when she saw Yue Feng's eyes, she showed some appreciation. Liu He next to him was full of disdain.

This waste will play this despicable method, what is there to show off?

"Okay!"

Thinking to himself, Liu He chuckled and shouted at Yue Feng, "I can't see that you are still doing this shit, Ma De, just now this young master thought you were going to join forces with them. Saying that, Liu He couldn't hide his arrogance: "

Hey, what are you still doing? Hurry up and untie us."

In front of Chen Qi's group, Liu He was cowardly like a dog, but in front of Yue Feng, he thought he was an identity. Noble, began to be invincible again.

A fool!

Seeing Liu He's aloof appearance, Yue Feng scolded secretly and didn't bother to pay attention.

At that time, Yue Feng didn't even look at him, walked over delicately, and untied the rope for Zhang Yueqi and Su Lin'er's two daughters first.

As for Liu He and a few rich children, Yue Feng didn't even look at them.

"Let's go."

At this moment, Yue Feng said to Su Lin'er and Zhang Yueqi: "That Ge Zhenhong is practicing in the cave next door. Before he knows the situation here, you should leave here quickly."

Zhang Yueqi nodded: " Good!"

After saying that, he was about to take Su Lin'er away.

However, at this moment, Liu He became angry and couldn't help shouting: "Ma De, what do you mean, Yue Yang? Didn't you see that this young master was still tied?"

Hehe...

Yue Feng sneered and looked back. At him: "you are tied, what's the matter with me?"

Madd, Liu He, this idiot, tried his best to humiliate me before, but now that he is in trouble, he thinks of me?

Thinking to himself, Yue Feng continued: "You are the eldest young master of the Liu family, and your family is rich. When these wicked people wake up, if you give them more money, maybe they will let you go."

You.....

Liu He His face flushed, he was so angry at the time, but he had nothing to refute. At the same time, he was also panicked. These villains, one by one, were more vicious than each other. When they woke up and couldn't see Yue Yang and the others, they would definitely take their anger out.

I said before that I wanted to give money, and I was beaten so badly, how dare I ask for the money.

“Yue Yang!”

At this moment, Su Lin'er couldn't stand it anymore, and said softly to Yue Feng: “Yue Feng, save them, if these people wake up and see us all running away, they will definitely kill them. I took them.”

Yue Feng smiled and didn't respond.

Speaking of which, Su Lin'er was kind-hearted, and Yue Feng couldn't bear to refuse, but thinking of what Liu He had done before, she was full of anger.

Mad!

Seeing this, Liu He was completely angry, and shouted at Su Lin'er: “Cousin, don't beg this waste, Mad, he is a villain and won't deserve you to beg him.”

Chapter 4879

“Cousin ..” Su Lin'er stomped her feet in a hurry: “Just say less!”

Haha..

Seeing this, Yue Feng laughed lightly, looked at Su Lin'er and said, “Madam, it's not I didn't save him, and you saw it, he didn't care about me going to save him.”

After saying this, Yue Feng was about to turn around and leave.

Su Lin'er couldn't do it, so she quickly grabbed Yue Feng's sleeve: “Yue Yang, save them, I beg you...” To

be honest, Su Lin'er knew very well that Liu He was arrogant and arrogant. It was his own fault to end up like this, but no matter what, he was also his own cousin, so he couldn't just watch it.

“Yue Yang!”

At this time, Zhang Yueqi, who had been silent by the side, couldn't help but say, “Save Liu He and the others!” Originally, Zhang Yueqi could do it herself, but before she and Chen Qi Everyone fought, was injured, and was very weak at this time.

call!

Seeing Zhang Yueqi also interceding, Yue Feng took a deep breath and thought quietly.

The next second, Yue Feng showed a smile and looked up at Su Lin'er: “Miss, you want me to save Liu He, that's fine, but I have a condition!”

Yue Feng's eyes made Su Liner a little embarrassed, bit his lip lightly, and said in a low voice, "What conditions..."

"We've been married for two days, but I've never heard you call me husband, so if you call me a good husband, I'll let them go. A few." Yue Feng said with a cheeky smile.

"Shuh!"

Hearing this, Su Lin'er's beautiful face suddenly blushed. Although he married Yue Yang, he never recognized him as his husband-in-law, but now, he wants to call him Xianggong in public...

Made!

At the same time, Liu He's expression changed, and he glared at Yue Feng and said coldly: "With your virtue, do you also want to be your cousin's husband? Don't forget that when your uncle recruited you as his son-in-law, he just wanted to celebrate your cousin. , are you serious? It's the toad who wants to eat swan meat."

When he said this, Liu He's face was full of contempt.

He and Su Liner were childhood sweethearts, how could he let a waste take advantage of her?

Mad, this Liu He is really like a mad dog.

Hearing the abuse, Yue Feng was very annoyed, but he ignored it and looked at Su Liner with a smile.

Ugh!

Seeing Su Liner biting her lip and hesitating, Yue Feng looked disappointed and sighed, "Forget it, it seems that I'm really unworthy."

Then, he turned around and left!

"Don't go."

Su Liner was in a hurry, she quickly pulled Yue Feng's sleeve, bit her lip lightly, and called out, "Okay...Good husband! Save my cousin..."

Saying At those few words, Su Lin'er's beautiful face instantly lowered, and she was extremely blushing.

Good husband!

Hearing these three words and shouting them out from Su Lin'er's mouth, Yue Feng only felt that the bones all over his body were going to be crisp, and he was unspeakably happy.

This Miss Su family is really sweet.

With emotion in his heart, Yue Feng nodded with a smile: "Since the lady has spoken, then I will show kindness!"

After speaking, Yue Feng walked slowly to Liu He, and said slowly: "Master Liu, I am watching The lady's face is willing to help you, but you have to show an attitude!"

"What do you mean?" Liu He's face was gloomy.

Yue Feng said with a smile: "Apologize to me for my previous behavior, and be sincere!"

"Ma De!" Liu He was suddenly angry, and he scolded: "Yue Yang, don't be too aggressive!"

Yue Feng said this How dare you let your dignified young master of the Liu family apologize to him?

Go crazy.

"Do I have to make an inch?"

Yue Feng's face sank, and he said coldly: "Don't forget, who rescued your sister when she was bitten by a poisonous snake before, and who dealt with these wicked people just now, without me, what would happen next? , you know better than me!"

After saying that, Yue Feng glanced at the big man around him: "The medicine I brewed only lasts for half an hour, and they will wake up after half an hour, and you can decide what the consequences will be. "

Boom!

Hearing this, Liu He's heart suddenly burst, thinking of the ferocity of Chen Qi and these people, he couldn't help swallowing saliva.

Chapter 4880

For a time, the more Liu He thought about it, the more afraid he became. At that time, he no longer hesitated, and hurriedly said to Yue Feng: "That... Yue Yang, I was wrong before, I was wrong, you are a lot, don't care about me, beg Let me go." To

be honest, to apologize to a waste gambler, Liu He was ten thousand reluctant, but there was no way, those villains woke up in a while, not only that, the next cave, that Ge Zhenhong was still there practice.

In order to save his life, Liu He had to choose to compromise. However, when he bowed his head and apologized, Liu He's expression was extremely cold.

Mad, Yueyang, you waste, wait for me!

"Yue Yang, please!"

"Yes, we were wrong before..."

"Let's untie us."

At the same time, several rich children next to him also pleaded with Yue Feng, but none The previous arrogant attitude.

Haha...

Seeing this scene, Yue Feng smiled, and immediately released Liu He and a few people, and then urged Zhang Yueqi and Su Liner to leave.

"That's right!"

At this moment, Liu He suddenly thought of something and sweated profusely: "My sister, my sister is still in that Chen Qi's hand!" Anxious, Liu He was about to rush into the cave , but after a few steps, he stopped.

That Chen Qi is ruthless, and when he really fights, he is not an opponent.

Swish!

At the same time, Su Liner and Zhang Yueqi also changed their expressions. At this moment, they all thought that Liu Ying was taken into the depths of the cave by Chen Qi just now, and it has been a while now. ..

But in anxiety, everyone, like Liu He, did not have the courage to go back and save people.

"Yue Yang!"

At this moment, Zhang Yueqi bit her lip and said to Yue Feng, "How about you go back to rescue Liu He's sister, we will return to Yinlong Town as soon as possible to find rescuers!"

Seriously, she knew this It was a bit too much, but after going through what happened just now, Zhang Yueqi knew very well that this Yue Yang seemed to be useless, but he was hidden. Among all the people present, he was the only one who could save Liu Ying.

Uh....

Hearing this, Yue Feng was very speechless: "How can I have such great ability?"

At this time, Su Lin'er couldn't help but say: "Yue Yang, please help, you The idea is the most, there must be a way." For some reason, after today's events, she also felt that the Yue Yang in front of her was not as wasteful as others said.

"Okay!"

Seeing that Su Lin'er also spoke, Yue Feng was embarrassed to refuse, so he nodded. Speaking of which, he didn't have a good impression of the Liu He brothers and sisters, but Liu Ying was still very young and reasonable. , can not sit idly by.

"Thank you!"

Seeing Yue Feng's answer, Zhang Yueqi was very happy: "Don't worry, we will bring the rescuers back as soon as possible." After that, she greeted Su Lin'er, Liu He and others to leave quickly.

call!

Watching them go away, Yue Feng took a deep breath and began to deploy.

First, he dragged the unconscious big men to the vicinity of the bonfire, and then Yue Feng moved some stones from the surrounding area and set them up according to the rules.

Yes, Yue Feng decided to form a stone formation to trap Chen Qi. You must know that among Ge Zhenhong's men, Chen Qi is the strongest and the most shrewd. He must have doubts if he rashly invites him to drink medicine soup. It's safer to get a trap.

Soon, the stone formation was ready, Yue Feng wiped the sweat on his forehead, turned around and entered the cave.

"Brother Chen Qi?"

Entering the cave, Yue Feng shouted as he walked inside: "Brother Chen Qi, it's not good, something happened!"

Mad...

At this time, Chen Qi was lying down there, waiting happily for the drug in Liu Ying's body to break out, she suddenly heard a shout, and she was suddenly a little unhappy. What happened to the Yueyang brothers? Don't know if I'm resting? It's so out of sight.

Thinking to himself, Chen Qi still endured the anger and walked out, and said lightly: "What's the matter, so anxious!"

"Brother Chen Qi!"

Seeing Chen Qi coming out of the shadow inside, Yue Feng made an anxious look: "It's not good, someone came just now, injured all the brothers, and rescued Liu He and the others!"
