

The ultimate husband in Chinese chapter 4881-4890

Chapter 4881

What?

Hearing this, Chen Qi was furious, why is he so bold?

Could it be those sect masters who tracked them here?

Thinking to himself, Chen Qi walked over quickly and asked Yue Feng, "Who is the other party and what he looks like, have you seen clearly?"

Yue Feng took a deep breath and walked out of a panicked look: "The man was very fast, he was wearing a white long shirt, I didn't see his face clearly, but the other party was very fast, and before I could

react, the brothers fell down one by one." Wiping the sweat from his forehead: "Fortunately, I reacted quickly and hid, or else I'd be caught."

At this time, Yue Feng's tone was very nervous, but he was holding back a smile.

Haha...

I was just talking nonsense, and Chen Qi really believed it.

Because of the dim light, Chen Qi couldn't see Yue Feng's expression at all, and he didn't have the slightest suspicion at that time, and scolded: "Ma De, I want to see who has eaten the gall of a bear and a leopard, and dared to be in the river. Long before the wild, right, where is the boss?"

Yue Feng turned his eyes and quickly responded: "The boss should still be cultivating, I didn't dare to disturb."

"Go!"

At this time, Chen Qi no longer hesitated, and strode out of the cave. , Yue Feng quickly followed.

When he got outside, seeing the scene in front of him, Chen Qi's heart was shocked, he couldn't help taking a deep breath, and he saw that a dozen of his accomplices were lying around the bonfire, their eyes closed and unconscious.

call!

For a time, Chen Qi took a deep breath and was secretly shocked.

Is the opponent so strong? He even knocked down more than a dozen big men without a sound. You must know that none of these big men are weak, and there was no sound of fighting just now.

Incredible.

Under the doubts, Chen Qi couldn't help but ask: "The other party is really alone?"

"Yes!" Yue Feng nodded affirmatively.

When responding, Yue Feng was also a little uneasy, Nima, this Chen Qi is too cunning, it seems that it is not easy to deceive.

Chen Qi no longer asked, but looked around and observed again.

Not right.

Soon, Chen Qi discovered something, there were no signs of fighting around, and no injuries were seen on the comatose companions... Near the bonfire, except for some rocks, there was nothing else suspicious. .

Is there another secret?

Muttering in his heart, Chen Qi walked to the vicinity of the bonfire, preparing to check the situation of those companions at close range. At this time, he didn't know that he had entered the stone formation deployed by Yue Feng.

Haha...

Seeing him enter the stone formation, the big stone hanging in Yue Feng's heart fell to the ground instantly, and then said with a smile: "Brother Chen Qi, don't look at it, they were all stunned by my decoction."

What? ?

Hearing this, Chen Qi's heart was shocked, and he turned around and locked Yue Feng tightly, his face full of anger: "You...why did you do this?"

Yue Feng smiled and said slowly: "Do you really think that I saved Ge Zhenhong before just to please you? You are wrong, it was just an expedient measure, I have always acted upright, how can I be in the company of you scumbags?"

"Good boy!"

Hearing Yue Feng's mockery, Chen Qi's face was extremely gloomy, his heart was burning with anger, and he shouted: "I really missed it before, you are not small, you dare to play this trick with Lao Tzu, and I won't cut off your head today. When I'm a jug, I won't be called Chen Qi." The

voice fell, Chen Qi's power exploded, and he was about to rush over to kill Yue Feng.

However, the next scene made Chen Qi completely dumbfounded.

Chen Qi was surprised to see that the seemingly inconspicuous stones in front of him now seemed to be alive, completely blocking himself and Yue Feng. No matter how he changed his position, those stones were always in front of his eyes.

How could this be?

A mere pile of rocks can actually play such a mysterious role.

It's really wicked.

In his heart, Chen Qi did not believe in evil, and tried several times, but what made him depressed was that the stones in front of him would move the same way, and no matter how they changed their positions, they would still be in front of him.

Chapter 4882

Haha...

Seeing Chen Qi trapped inside, like a headless fly, unable to rush out, Yue Feng showed a smile, and his mood was indescribably happy.

In the next second, Yue Feng couldn't help shouting: "Chen Qi, you can slowly turn inside, we will have a period later, haha..."

With that, Yue Feng turned around and returned to the cave.

Chen Qi was brought out, and Liu Ying was still inside. She promised Zhang Yueqi and Su Lin'er before that, to save Liu Ying, she had to say what she said.

Mad!

Hearing Yue Feng's mockery, Chen Qi almost exploded with anger, and kept howling in the stone formation: "Yue Yang, I remember you, you'd better start praying now, otherwise, next time you fall in the hands of Lao Tzu, I will definitely tell you that life is better than death..." The

roar kept coming from behind, Yue Feng pretended not to hear it, and strode into the cave.

“Liu Ying? Liu Ying...”

After entering the cave, Yue Feng began to shout, and he didn't dare to be too loud. After all, Ge Zhenhong was practicing in the cave next door. If he was led out, it would be troublesome.

He shouted several times, but never got a response.

Oops!

For a while, Yue Feng had a bad premonition. Chen Qi looked like a lecherous person, shouldn't he have sullied Liu Ying?

Thinking to himself, Yue Feng quickly accelerated his pace.

Phew...

When he reached a hidden corner inside, Yue Feng was stunned and couldn't help taking a deep breath of cold air.

Just saw Liu Ying lying there quietly, her face blushing, her eyes blurred, obviously it was caused by taking some drugs, how charming and charming she looked.

Speaking of which, Liu Ying was eighteen and nineteen, just at the age of budding.

However, Yue Feng is very clear-headed, especially when he thinks that she is Liu He's younger sister, he is even less interested.

At this time, Yue Feng walked over quickly and asked, “How are you? Are you all right?”

“...”

At this time, Liu Ying, the medicine in her body had begun to attack, her mind began to become confused, and she could no longer recognize it. Who is Yue Feng in front of him?

At this time, time is pressing, and Yue Feng is too lazy to talk nonsense, and said lightly: “Miss Liu Ying, speaking of which, we have nothing to do with each other. Don't think about it, if you can get up, come with me quickly!” With

that, Yue Feng waited quietly.

Liu Ying didn't respond, she still lay there, motionless.

what's going on? She got acupuncture points?

Yue Feng frowned, and walked closer, as expected, Liu Ying's body was stiff, obviously acupuncture points. I didn't think much about it at the time, I raised my hand to untie the acupuncture point for her.

Although divine power was restricted, it did not affect Yue Fengjie acupoint.

"Yeah." The

acupuncture point had just been untied, only to see Liu Ying's delicate body trembling, and at the same time she let out a low moan, revealing pain.

This voice seemed to carry a fatal temptation, Yue Feng only felt his heart sway, and quickly calmed down, he couldn't help saying: "Did Chen Qi give you some special medicine..."

Hmm ?

Just as he was talking, seeing Liu Ying's state at this time, Yue Feng couldn't help taking a breath, and the whole person was stunned.

I saw Liu Ying curled up sideways there, under the long skirt, the charming curves were looming. His skin was red as blood, and he was dripping with sweat. And that beautiful face, seemingly incomparably painful, at the same time charming!

What the hell ...this...this is the kind of drug that was taken...

Yue Feng is well-informed, he can see something at a glance, and immediately can't help but say: "Liu Ying, stay awake, don't Crazy thinking..."

Shuh!

Just as she was talking, Liu Ying suddenly sat up and hugged Yue Feng!

That's right, just now Liu Ying was forced to take the medicinal pill by Chen Qi. At this time, the effect of the medicine started to attack, and the whole person had completely lost his mind.

"You..." Yue Feng was taken aback and continued to try to wake up Liu Ying, but at this time Liu Ying couldn't hear what he was saying at all. She was crazy and hugged him tightly.

At this time, Liu Ying only felt that a flame was burning in her body, and her whole body was about to burn. She just wanted to find a vent. She felt the temperature on Yue Feng's body and couldn't help but kiss her.

Chapter 4883 What the hell

!

This time, Yue Feng was completely anxious, and hurriedly tilted his head to avoid Liu Ying's kiss, and then raised his hand to touch Liu Ying's faint point.

To be honest, Yue Feng would have been overwhelmed before, but over the years, this situation has been experienced several times. In order to avoid making mistakes, Yue Feng made a decisive decision.

"Yeah!"

Liu Ying let out a low voice when the faint point was tapped, and immediately passed out in darkness.

At the same time, Yue Feng was also relieved, Nima, it was really dangerous just now, and I almost made a mistake again.

Muttering in his heart, Yue Feng picked up Liu Ying and walked out of the cave quickly.

Haha...

When I got outside, I saw that Chen Qi was still trapped in the stone formation, sweating profusely. At that time, Yue Feng ignored it and walked quickly towards Yinlong Town.

Whoa!

After walking a few hundred meters, suddenly, a fire appeared in front of him, and then, dozens of figures came quickly, each holding a torch in his hand.

This group of people, wearing uniform dark red official uniforms, are the hunters of Yinlong Town.

The two at the head were Li San and the head catcher Wang Zhen, and beside them were the anxious Liu He and Zhang Yueqi. "Wang Zhaotou

, let's hurry up, we must rescue my sister tonight."

"Liu Shao don't worry, didn't you say that Yue Yang is here?"

"What can you expect from that trash?"

speed. It was at this time that when they suddenly saw Yue Feng and Liu Ying, they were all stunned.

call!

At this time, Zhang Yueqi breathed a long sigh of relief and looked at Yue Feng's eyes, full of approval.

I thought that leaving this Yue Yang would not necessarily save Liu Ying from the bitter sea, but now it seems that this person's ability is far beyond his imagination.

"Little sister!"

At this time, Liu He reacted, surprised and happy, and couldn't help shouting, but at this time Liu Ying was in a coma and could not respond.

Liu He was stunned for a moment, then quickly approached, only then did he see Liu Ying's situation clearly.

"Ma De!"

After a few seconds, Liu He reacted and glared at Yue Feng: "Yue Yang, you rubbish, what have you done to my sister?" Ying grabbed it.

"Little sister... Little sister!" Liu He was very anxious and tried to shout a few times, but Liu Ying was still in a coma and didn't respond at all.

Seeing this, Liu He was very angry.

He clearly felt that his sister Liu Ying was hot all over and her face was extremely flushed. This situation was obviously drugged.

"Good, you Yueyang!"

Liu He became more angry the more he thought about it, pointed at Yue Feng's nose and scolded: "I said how did you agree so happily at the time, it turned out to be uneasy and kind, you said that you wanted to save my sister, but you were thinking about it in your heart. Insulting her innocence."

As the eldest young master of the Liu family, he often bullied men and women, and at this time Liu Ying's situation, he could see at a glance that someone had been drugged.

He is the dignified eldest young master of the Liu family, only to bully others, but now his own sister has been drugged, how to swallow this breath?

Nima!

Seeing Liu He's blatant slander, Yue Feng suddenly became angry, and said coldly: "Master Liu, don't spit your blood, your sister was drugged by Chen Qi and rescued by me at a critical moment."

When he said this, Yue Feng was very annoyed.

This Liu He has a sick mind. I saved your sister, but I was slandered by you. What kind of reason is this?

"Is it Chen Qi's medicine?"

Liu He sneered and said with contempt: "Yue Yang, I think it's you who is talking nonsense. When everyone was arrested before, everyone saw it. You first boiled the medicine for that person. Hun Jianglong healed the wound, and then boiled the medicine again, making all his subordinates dizzy."

"You boil the medicine so powerfully, and you secretly used some means to prescribe medicine to my sister. It's an easy thing to do, how dare you say that you didn't do it. What?"

Liu Hezhen was right, insisting that the person who prescribed the medicine was Yue Feng.

Hearing this, Yue Feng smirked, but didn't bother to explain.

However, Liu He was unrelenting, and said to Li San and Wang Zhen next to him: "What are you doing? This kid and the gang of thieves from Jiangyang call themselves brothers and sisters. They even drugged my sister, and they were directly arrested and put in jail for interrogation."

Shaw!

When the words fell, Li San and Wang Zhen's eyes locked on Yue Feng.

Chapter 4884 In the

next second, Wang Zhen said coldly: "I really didn't expect that there would be such a scum in our Yinlong Town, and it even colluded with the thief Jiang Yang, come on, take Yue Yang down."

His tone was lingering and unquestionable.

Although Wang Zhen is a headhunter, he has a good relationship with Liu He in private. On weekdays, Liu He bullies men and women, and Wang Zhen helps him clean up the mess. After all, Liu He is the young master of the Liu family, and Wang Zhen takes a lot

of money every month. The good thing is that when Liu He wants to catch Yue Feng, he naturally cooperates fully.

Whoa!

Downstairs, the dozens of arresters behind him drew out their long knives and surrounded Yue Feng.

Facing the situation in front of him, Yue Feng was so angry that he secretly clenched his fists.

Mad, he gave his life and tried every means to save everyone, but in the end he got this result. If he knew this, he should have left the bastard Liu He there.

In anger, Yue Feng wanted to fight back.

Although the divine power has been imprisoned, it shouldn't be difficult to deal with these fast catchers.

For a time, the atmosphere was extremely solemn, and the air was filled with the smell of gunpowder.

"Wait!"

Just at this critical moment, Zhang Yueqi, who had been silent, suddenly stepped out to block Yue Feng: "What are you doing? We can take it out safely, it's all up to Yue Yang, now you want to arrest him?"

"Zhang Yueqi looked at Liu He, and continued to say coldly: "We cannot do things like crossing the river and demolishing the bridge." The

voice was not loud, but there was an unquestionable aura.

Well...

Seeing Senior Sister speak, Liu He's face showed a bit of embarrassment, and argued: "Senior Sister, this Yue Yang seems to have helped us, who knows if he is hiding evil intentions? Isn't it suspicious for those who are called brothers and sisters?"

As he spoke, he looked at Yue Feng coldly, unable to hide his contempt.

Zhang Yueqi's expression remained unchanged, and she insisted on her position: "I believe that Yue Yang is a good person, Liu He, if you really want to deal with him, you should arrest my senior sister as well."

In Zhang Yueqi's heart, although she had just met Yue Feng, she believed that , this door-to-door son-in-law is not a waste in the mouths of others.

This...

Hearing this, Liu He's face instantly became extremely ugly, and his heart was also indescribably depressed.

What's the matter, senior sister, you keep talking for this waste?

Thinking to himself, Liu He was holding back his fire and feeling helpless, and waved at Wang Zhen and the others: "Forget it, let this waste go." Seriously, if he insisted on dealing with Yue Feng, Zhang Yueqi stopped him. not live.

But Liu He knew in his heart that he had just joined Tianlongmen, and he still needed her help in many places in the future. If he really offended Zhang Yueqi today, it would be worth the loss.

"Boy!"

But Liu He was very angry in his heart, and said coldly to Yue Feng: "You are lucky today, don't let me catch you in the future, otherwise, I will not only let you get out of the Su family, In the entire Hidden Dragon Town, you will never have a place to live."

One idiot!

Yue Feng was too lazy to respond, so he scolded inwardly, and then smiled at Zhang Yueqi: "Thank you."

Zhang Yueqi nodded, and then asked: "What's going on with those Jiang Yang robbers now?"

Yue Feng took a deep breath and told the situation. Of course, he did not say that he used the stone formation to trap Chen Qi, so he made up a lie, saying that another group of people came and fought with Chen Qi.

Hearing this, Zhang Yueqi was very excited, and hurriedly said to Liu He and the others: "Great, let's go there now, just in time to catch all these wicked people."

Then she quickly walked towards the scene of the incident.

Liu He hurriedly greeted Wang Zhen and the others, and followed closely.

Phew...

Watching them go away, Yue Feng took a deep breath, turned and rushed towards Yinlong Town.

Speaking of which, Yue Feng had a chance to leave at this time, but thinking of Su Liner's illness, he decided to go back to Su's house.

...

the other side!

The Earth Circle Continent, Donghai City.

After Liu Zhiyuan was instructed by Gone, through the Liu family's connections in Donghai City and the method of public audition, he quickly found dozens of men and women who echoed the request.

Chapter 4885

What just made Liu Zhiyuan wonder is that a day ago, Gogne asked him to talk about the newly recruited men, and they all gathered in the office on the top floor of the Liu Group Building, and they stayed there for a day.

Moreover, no one is allowed to break in during the period, not even Liu Zhiyuan, it is very mysterious.

At that time, Liu Zhiyuan suspected that the young master of the Liu family might like men, but early this morning, he received an instruction from Gone to bring all the newly recruited women to the office.

This time, Liu Zhiyuan was even more puzzled.

what's going on?

To meet new people, do you have to divide into groups of men and women?

However, Liu Zhiyuan didn't dare to ask any more questions. After receiving the instructions, he quickly brought over all the ten newly recruited young women.

At this time, in the lobby on the first floor of the Liu Group Building, Liu Zhiyuan stood there and said earnestly to the ten women: "When I see Liu Shao later, I must be polite and try my best to show your charm.

" If it can be cultivated by Liu Shao's fancy, the future will be limitless."

When he said this, Liu Zhiyuan's face was serious, but his eyes kept swept back and forth on these women.

I can see that these ten women, Yan thin and fat, each have their own merits, and each of them can be called the best. Speaking of which, Liu Zhiyuan is also very lustful. When selecting these women at that time, none of them were unmoved.

In particular, Xiao Qingyi standing on the far left is the best of the best.

Xiao Qingyi, Miss Xiao's family from Donghai City, is Xiao Yuruo's cousin. She just graduated from college this year. Both her figure and appearance are perfect.

Today's Xiao Qingyi, wearing a long black dress, shows charming curves, indescribably fresh and refined, and at the same time gives a mysterious beauty.

Mad!

At this time, when Liu Zhiyuan's eyes fell on Xiao Qingyi, he couldn't move away in an instant.

Beautiful, so beautiful.

Back then, Xiao Yuruo was the number one beauty in Donghai City, but she didn't expect her cousin to be even better than the blue. Her appearance was like a fairy in the world. If she could enjoy a night of tenderness, it would be worth dying.

The next second, thinking that the beauties in front of him were all chosen by Gone on purpose, Liu Zhiyuan woke up.

"Yes!"

Hearing Liu Zhiyuan's instruction, ten beauties responded in unison, and any man would find it difficult to restrain himself when he heard the sound of Yingyan.

Liu Zhiyuan's heart was also agitated at the time, but he still waved his hand and said, "Okay, let me go upstairs with me!" After saying that, he walked into the stairs first.

Ten beauties followed!

Soon, at the office on the top floor, Liu Zhiyuan first rang the doorbell, and then said respectfully through the door: "Liu Shao, I have brought everyone."

As soon as the voice fell, Gone's faint voice came from inside: "Well, let them all come in."

"Yes!"

Liu Zhiyuan responded, hurriedly opened the door, and then signaled that Xiao Qingyi was a beautiful woman to go in, and then followed.

I go!

The moment he entered, Liu Zhiyuan was stunned when he saw the scene in front of him.

I saw that in the huge living room, on the three-meter-long red sandalwood table, ten glasses of fine wine were neatly placed. The royal family should be luxurious.

This... Is Liu Shao planning to take ten beauties for a drink today?

With ten beauties drinking together, Liu Shao really knows how to play.

Wow!

At the same time, seeing the luxurious office in front of her, Xiao Qingyi's ten beauties couldn't help but let out a burst of exclamation, and even some of their legs became weak.

This decoration, at least tens of millions, and those world famous wines, just a few million for a bottle.

Shocked, the other beauties were extremely reserved and apprehensive, not daring to meet Gane's eyes, only Xiao Qingyi looked at this 'Liu Jia Fu Shao' curiously.

Speaking of which, Xiao Qingyi was born in the Xiao family, and she was the eldest lady of brocade clothing and jade food. She was not vain at all, but was interested in Liu Hao.

You must know that when she was in college, after learning about Xiao Yuruo and Yue Feng, she not only admired Yue Feng, but also envied Xiao Yuruo very much.

Yue Feng's son-in-law, who was originally looked down upon by others, later founded Tianmen and became a hero of Kyushu. I wonder if that woman is not worshipped?

The ultimate husband in Chinese chapter 4886-4890

Chapter 4886

And this Liu Hao, although the experience is not as sad as Xiao Qingyi, but he was also the young master of a declining family at the beginning. He was ridiculed and depressed, and suddenly he had billions of wealth and became the object of everyone's admiration. The change made Xiao Qingyi very interested.

In Xiao Qingyi's heart, Liu Hao has Xiao Qingyi's shadow on her body, that's why she came to run for election, just to see what is different about this mysterious young master of the Liu family.

Huh ...

Seeing this young master of the Liu family with her own eyes, Xiao Qingyi's heartbeat suddenly accelerated a little. She felt that this man seemed ordinary, but he had an indescribable temperament around him.

In the future, it must be unlimited.

At this moment, Xiao Qingyi felt that this time to participate in the election was the most correct decision she had made over the years.

The other girls around seemed to be stunned by Gone's aura as well, standing there silently one by one, extremely well-behaved.

"You!"

At this time, Gone gave Liu Zhiyuan a faint glance: "Go out, just like yesterday, no one will come in without my order."

Uh...

Liu Zhiyuan was embarrassed, and then responded with a wry smile. He said: "Yes, Liu Shao." I thought that I could be with Liu Shao today and accompany these beauties to have a drunken break. It seems that I have thought too much.

With regret, Liu Zhiyuan quickly exited the office and closed the door.

"Everyone!"

As soon as his forefoot left, Goniere stood up slowly, with a slight smile on his face: "Welcome to join Liu's Entertainment. From today onwards, as long as you are willing to work hard, I will never treat you badly."

"Come on, Cheers to our first meeting!"

This chapter is provided by . Visit for daily update.

At the end, Gone smiled and raised the wine glass in his hand.

"Thank you, Mr. Liu!"

At this moment, the girls present were extremely excited, and they responded in unison, and then raised their wine glasses one after another.

Xiao Qingyi, as a young lady of the Xiao family, can drink quite a lot. Seeing this young master of the Liu family in front of him, he is so approachable, so she drank the wine in her glass in one breath.

In the next few minutes, Gogne talked eloquently, while talking about the business developed by the company, while frequently toasting with the beauties.

In the face of such an enthusiastic boss, Xiao Qingyi and all the beauties are drinking to the glass.

At first, Xiao Qingyi didn't feel anything, but slowly, the wine became more energetic, and it became a little top-heavy. Phew

... At this time, Xiao Qingyi only felt that her entire head was dizzy, and her whole body, under the anesthesia of alcohol, was so soft that she could hardly sit still. what happened? Your alcohol intake is okay, and you're a little drunk after drinking less than three glasses? At this time, Xiao Qingyi still didn't know that the person in front of him, on the surface, was the eldest son of the Liu family, but in fact he was the Supreme Being of the Demon Race, and there was something special in the wine he just drank! At the same time, several other beauties were also drunk. One of them had a shy face and whispered to Gogne: "Mr. Liu, I... I seem to be drunk and can't drink anymore." He waved his hands and said, "Okay, if you can't drink it, don't drink it. You all sit on the sofa and rest for a while. I'll wait for the secretary to prepare some sober tea for you."

Hearing this, several beauties nodded, and then sat on the sofa to rest. Soon, they stumbled and fell into a coma.

Pfft!

Xiao Qingyi still wanted to keep calm, but the dizziness became stronger and stronger, and in the end she couldn't bear it anymore, her eyes darkened, and she lay down on the sofa.

Haha...

Seeing this scene, Gogne put down the glass, and his face was indescribably excited.

These mortal women are really easy to deal with, just a few glasses of wine.

"Don't blame me." At this time, Gogne looked around, his eyes swept over Xiao Qingyi and these beauties, and said to himself: "In order to rebuild the demon soul, this deity can only absorb your pure yin essence. After the

last word fell, Gogne walked directly in front of Xiao Qingyi, raised her hands slowly, and placed them on top of her head.

Om...

In an instant, a sinister aura erupted, directly shrouding Xiao Qingyi.

Chapter 4887

Soon, after absorbing Xiao Qingyi's essence, Gone targeted the beautiful woman next to her.

Buzz....

Ten minutes passed, all the pure yin essence of ten beauties were absorbed by Gone.

Huh ..

At this moment, Gone exhaled a long breath, and the somewhat sinister face showed a bit of happiness at this moment: "Pure Yang essence and pure Yin essence have been obtained, and the next step is to reshape the devil. The soul is gone."

"With the demon soul, it is just around the corner to restore the peak power, hahaha..."

...

On the other side, the Ziwei Continent.

Hidden Dragon Town, Su family.

Yue Feng walked for half an hour before finally returning to Yinlong Town.

When we arrived at the Su family compound, the sky was already bright.

"Who?"

"Yue Yang?"

As soon as they arrived at the door, they were stopped by two servants. They were all surprised when they saw it was Yue Feng. Just now, the news that Liu He, Su Liner and others encountered Jiangyang robbers in Changge Lake had spread throughout Yinlong Town, causing people to panic.

When they learned that Yue Feng was the last person to stay, everyone thought that he was dying, but they did not expect that he would come back alive.

wow.

Hearing the movement at the gate, Su Lin'er, Master Su and others came out one after another.

Seeing Yue Feng, everyone was stunned.

The next second, Su Lin'er walked over quickly, bit her lip and asked, "Yue Yang? Are you all right?" When asking, she looked up and down at Yue Feng to see if he was injured.

At this time, Su Lin'er didn't know that after the matter of Changge Lake, she had unknowingly started to care about Yue Feng.

"I'm fine!" Yue Feng laughed. At this moment, Qiu

Hong, who was beside him, couldn't help sneering, and said lightly: "Miss, you don't see any injuries on his body, what could be wrong."

Instead of learning his lesson, he intensified his efforts, mocking Yue Feng whenever he had the chance.

Yue Feng ignored Qiu Hong's rudeness.

Su Lin'er frowned slightly, and glared at Qiu Hong, this girl is getting more and more unruly.

Qiu Hong stuck out her tongue and quickly shut up.

This is, Su Lin'er continued to ask Yue Feng: "By the way, is Liu Ying alright? Have you successfully rescued her? Also, my cousin has already called Wang Zhaotou and the others, saying yes I want to wipe out the gang of Jiangyang thieves."

"I met you halfway."

Yue Feng said with a calm expression, "Then I will hand over Liu Ying to your cousin to take care of it." Liu He is looking for trouble. So, Yue Feng endured and didn't say anything.

"That's great!"

Su Lin'er was very happy when she learned the situation. Looking at Yue Feng's eyes, she also flashed a strange light: "I didn't expect you to be so powerful. I was worried just now..."

Saying that, seeing Yue Feng staring at her with a half-smile, Su Lin'er's heart trembled slightly, and her face flushed a little.

What happened to yourself? Totally forgot to be modest, what a shame.

“All right!”

At this moment, Master Su, who had been silent for a long time, said with a smile: “Ying’er has been rescued, so we don’t have to worry, and with Wang Zhaotou leading the team, all the Jiang Yang robbers must all run away. No, let’s go back to the hall and wait for the news.”

After speaking, he turned and returned to the hall.

Su Liner and Yue Feng followed slowly.

“Master!”

After half an hour, a servant ran in quickly, his face full of excitement: “There is news from the yamen, saying that Wang Zhaotou is near Changge Lake, a big thief, and a total of fifteen people have been arrested. .”

Whoops!

Hearing this, both Master Su and Su Lin’er were overjoyed.

And Yue Feng frowned secretly, fifteen people? That’s not right... When I first met Ge Zhenhong and the others, I secretly counted their number, and it was sixteen.

And that head catcher, Wang Zhen, only caught fifteen, which proved that there was one fish that slipped through the net... Thinking to himself, Yue Feng couldn’t help but ask ,

“Are you sure about fifteen?”

“Yes!”

The servant nodded, then thought of something, and said, “Listen to Liu Shaoye, the leader of this gang of Jiangyang robbers, nicknamed Hun Jianglong, ran away.”

Chapter 4888

Hu!

Hearing this, Yue Feng took a deep breath and secretly said that it was not good.

I thought it was just a little scoundrel who ran away, but it turned out that Ge Zhenhong ran away. This man is ruthless and does all kinds of evil. This time he fell into trouble in Yinlong Town, and he will never let it go.

At this time, the servant smiled and said to Master Su, "Master, Young Master Liu helped capture so many bandits in all corners of the world, and the yamen Zhang Bang specially commended it."

Hmm!

Master Su smiled and nodded.

Su Lin'er took a deep look at Yue Feng and couldn't help but said, "Speaking of which, Yue Yang's credit is not small for catching so many robbers from Jiangyang this time..."

At that time, Su Lin'er was vividly remembered. eye.

Just before he finished speaking, Qiu Hong, who was next to him, couldn't help but curl his lips and said, "What ability does he have? In the end, it wasn't due to Young Master Liu? If Young Master Liu hadn't brought Wang to catch them, the bandits would have already run away."

Qiu Hong!" Su Lin'er was really angry this time, she couldn't help shouting softly: "Don't talk too much!"

Qiu Hong quickly lowered her head and muttered softly, "Am I wrong?" ... "Right ..."

At this moment, the servant suddenly thought of something, took out a letter from his body, and handed it to Su Lin'er respectfully: "Miss, this is specially handed over by Young Master Liu. For you."

Letter?

Su Lin'er frowned, and she took the letter in confusion. Since she was a child, her cousin came here. When did you write the letter?

Thinking about it, Su Lin'er opened the letter.

hum!

Seeing the content of the letter, Su Lin'er's body trembled, her brain buzzed, and her whole body was blinded.

I saw that Yue Feng's major crimes were listed above, saying that he was suspected of colluding with the robbers of Jiang Yang, and even drugged his sister Liu Ying. It was despicable and shameless, and she was a complete scum...

"You..."

After reading the letter, Su Liner was anxious and angry, looked at Yue Feng complicatedly, and just said a word, her delicate body began to tremble, her beautiful face was also pale, and it was very painful.

That's right, after Su Liner read the letter, she was in a hurry, causing the attack of Blood Lin's disease...

Wow!

At this moment, whether it was Master Su, Qiu Hong and the maids around, they were all panicking...

"Lin'er..."

"It's not good, the young lady is sick."

"Hurry up, hurry up. Doctor Yang please..." Amidst the exclamations, Master Su urged loudly, and Qiu Hong hurried out of the hall.

Sick attack?

Seeing this scene, Yue Feng was also worried. I wanted to go check it out, but under Master Su's instructions, a few maids surrounded Su Lin'er, and there was no chance at all.

"Doctor Yang is here." Soon, Qiu Hong quickly returned, followed by a thin middle-aged man.

It is the famous doctor of Yinlong Town, Yang Qingyun, Doctor Yang.

"Quick! Quickly take the medicine for Miss."

When he got to the front, Yang Qingyun quickly took out a set of medicines from the medicine box he carried, and instructed Qiu Hong to take it for Su Lin'er.

After taking the medicine, she saw that Su Liner's condition was getting better and her body was no longer shaking, but her face was still a little weak.

call!

For a time, everyone in the hall breathed a sigh of relief.

"Miss!"

At this time, Qiu Hong said with a look of fear: "You really scared me to death just now. Doctor Yang said before, don't get angry with everything, what did Miss just do..."

Halfway through, Qiu Hong realized what happened, picked up the letter next to him and looked at it, his face changed suddenly.

"Okay!" In the

next second, Qiu Hong glared at Yue Feng: "You rubbish, Miss protects you everywhere, you treat her like this, even if you collude with the thief Jiang Yang, you dare to call Miss Liu Ying's attention, you... you're such a bastard."

When she said this, Qiu Hong was very angry.

This waste, it's okay to do nothing. Just now, I made the young lady sick, and it's really heinous.

Whoa!

Hearing this, the entire hall was in an uproar, and everyone glared at Yue Feng.

Master Su was also angry, pointing at Yue Feng, almost speechless: "Yue Yang, Yue Yang, what are you doing..."

Facing the situation in front of him, Yue Feng wanted to cry without tears.

Nima, he worked hard all night and rescued everyone, but got this result.

Especially that Liu He, who is really despicable. Before, in front of Zhang Yueqi, he pretended to reconcile with me, and secretly wrote a letter to Su Lin'er, and made so many unwarranted things.

Chapter 4889

Depressed, Yue Feng looked at Su Lin'er quietly: "Lin'er, I didn't collude with Jiang Yang, let alone drug Liu Ying. Zhang Yueqi was very clear about the situation at that time. If you don't believe me, you can go ask her."

Su Lin'er bit her lip and didn't respond.

Qiu Hong sneered: "It's ridiculous, Zhang Yueqi is a disciple of Tianlongmen, is he familiar with you? Why do they testify for you?"

Yue Feng ignored her, and kept looking at Su Lin'er: "Also, yours The disease is called Blood Lin disease, and I can cure it!"

What?

Hearing this, Su Lin'er was stunned, and everyone around looked at Yue Feng in astonishment.

What did he say...he could cure the lady?

"You..."

At this moment, Su Lin'er reacted, her eyes fixed on Yue Feng, revealing deep complexity: "What did you just say, can you cure my disease?"

Yue Feng nodded seriously !

Qiu Hong said with a look of contempt: "You stop talking nonsense. Who doesn't know about the whole Yinlong Town? You are a gambler. You are nothing but gambling. If you can cure diseases, there will be no patients in the world."

After speaking, Qiu Hong was full of The mocking expression on his face: "I'm very curious, you said that you can cure diseases, where did you learn your medical skills?"
The

voice fell, and everyone looked at Yue Feng with suspicion.

In the face of doubts, Yue Feng smiled lightly: "Three years ago, I met a strange person in all corners of the world who taught me some medical skills."

What?

Hearing this, Qiu Hong was stunned for a moment, and then laughed disdainfully.

The people around were also full of disbelief.

"The strange man in the world? Made it up..."

"I think it's nonsense!"

At this time, Qiu Hong reacted and said to Su Lin'er, "Miss, this Yue Yang is just making up it, he just wanted to Change the subject, and you can't believe a word you say."

When she said this, Qiu Hong did not forget to give Yue Feng a look.

It's just a piece of shit, and it's a big joke to say that he has studied medicine!

Nima!

Hearing this, Yue Feng couldn't help laughing, and looked at Qiu Hong speechlessly.

This Qiu Hong is really healed, and the scar has forgotten the pain. It seems that he has forgotten how he knelt down and begged me for mercy before... But the situation in front of him is too lazy to care about him.

The next second, Yue Feng said to Su Lin'er, "Lin'er, I really didn't lie to you. Three years ago, that strange man passed on my medical skills and left. At that time, I thought he was a liar. I dared to treat people, but I didn't try it until last night when Liu Ying was bitten by a snake, but I didn't expect it to work!"

"Later, I boiled those medicines and knocked out those robbers from Jiangyang. At that time, you I saw it too!"

Phew!

Hearing this, Su Lin'er breathed softly and fell into deep thought.

Speaking of which, if it was a day ago, Su Lin'er definitely thought that Yue Feng was talking nonsense, but after what happened last night, her views on Yue Feng have changed a lot.

It's just... his own disease, many famous doctors are helpless, but he says it can be cured, is he a little arrogant?

"Lin'er!"

Seeing her complexion changing and her suspicious appearance, Yue Feng took out the sword plum grass collected last night: "It is called Jian plum grass, and it is the nemesis of blood lint disease. healed."

What?

Hearing this, both Su Lin'er and the others around were stunned, staring blankly at Yue Feng, speechless.

This 'sword plum grass' is so magical?

A few seconds later, Qiu Hong couldn't help but pursed her lips and laughed, and the others looked at Yue Feng with mocking expressions.

"It's really interesting, the more I talk about it, the more ridiculous..."

"Yeah, Doctor Yang has superb medical skills, and he can't completely cure the young lady. He just learned some fur from a Jianghu person, and he even boasted that he could completely cure the young lady. It's really funny..."

“Fuck the air, I think it’s completely hopeless...”

The people around me laughed, and even Yang Qingyun, who was next to him, couldn’t help but sneer.

Yang Qingyun couldn’t hide his contempt, and said coldly to Yue Feng: “Yue Yang, you are the son-in-law of the Su family. The old man didn’t want to bother with you, but what you said just now was too outrageous. I know the young lady’s illness best. You have read all the medical books, and tried countless methods to no avail, you just learned a few tricks, and you brazenly said that you can cure, don’t you blush?”

Chapter 4890

Ha ha!

Hearing this, Yue Feng smiled lightly: “You can’t cure it, it doesn’t mean that others can’t cure it... You have to know that medical skills are boundless, and a true healer can make bones and flesh come back to life.”

“You...” Yang Qingyun blushed and wanted to refute, but couldn’t speak.

The medical technique of reviving the dead from the bones only exists in legends, how can it exist in reality?

However, at this time, Yang Qingyun did not know that the real Yue Yang was not in front of him, but from the splendid Kyushu Continent. He even studied under Yaozu Shennong, and his medical skills were far beyond his imagination.

“Lin’er!”

At this time, Yue Feng was too lazy to talk nonsense, and turned his eyes back to Su Lin’er: “If you believe me, let me try, if it succeeds, everyone will be happy, if it fails, you think I colluded with Jiangyang thief. Just give Liu Ying medicine, grab me and take me to the yamen, I won’t even frown.”

Seeing

Yue Feng’s sincere face, Su Liner bit her lip and pondered.

If what he said was true, and if the disease was cured, he would be able to live a peaceful life in the future, and he would no longer have to worry about the onset of the disease.

“Yue Yang!”

At this time, Master Su, who had been silent all the time, also had a solemn expression on his face: "Are you sure you can cure Lin'er's illness?" His voice was not loud, but his eyes showed expectation.

He is just one daughter, like a pearl in the palm of his hand. In recent years, he has worked hard for her illness. If there is a way to cure it, it will be a big surprise.

"It's absolutely true!" Yue Feng answered seriously.

Hearing this, Master Su couldn't hide his excitement, and nodded at Su Lin'er: "Lin'er, let him try."

"Okay!"

Su Lin'er responded and looked at Yue Feng seriously: "You can start dispensing now!"

What? The lady agreed.

Seeing this, both Qiu Hong and Yang Qingyun were shocked.

Especially Yang Qingyun, who looked anxious at this time: "Miss, taking medicine to treat a disease is not a child's play. You must know that medicine is three-point poisonous. If it fails, the consequences will be disastrous."

Su Lin'er did not respond, obviously it was her heart . Decided.

Yang Qingyun was very speechless, but he didn't give up, and turned his head to look at Yue Feng: "Yue Yang, I want to ask, how do you plan to dispense the medicine?"

Dispensing?

Yue Feng smiled slightly: "Simple dispensing and boiling, of course not, I need to use the sword plum grass as the medicine to refine a pure blood pill!"

What?

At this moment, both Yang Qingyun, Su Lin'er and the people around them were all shocked, and looked at Yue Feng in astonishment, each and everyone was shocked.

He... what did he say?

He wants to alchemy?

You must know that Ziwei Continent has a long history, and there were alchemists. However, a thousand years ago, there was a catastrophe in the alchemy world, all the alchemy recipes were burned, and the alchemists disappeared.

It can be said that the alchemy technique has long been lost in Ziwei Continent, and Yue Yang, who is in front of him, actually said that he wants to alchemy?

It's unbelievable.

"Alchemy?" At this time, Su Lin'er was also extremely surprised, looking at Yue Feng and confirming: "Do you want to concoct alchemy?"

I'll go!

Seeing this situation, Yue Feng frowned secretly, very speechless, it was just alchemy, as for all the fuss?

Thinking to himself, Yue Feng smiled and nodded: "Yes!" After speaking, he told the maid next to him about the other materials needed, and asked them to arrange the pill furnace.

Those maids were still in shock and did not recover, but after being reminded by Master Su, they hurried to prepare.

After a while, several maids brought the pill furnace.

Yue Feng looked at it, this pill furnace is a few years old, and it is still bronze, not bad.

Soon, the medicinal materials were also prepared. At that time, Yue Feng did not hesitate to light the raw furnace, and then skillfully sorted the medicinal materials and put them into the furnace in an orderly manner. At every step, Yue Feng was methodical and serious.

call!

Seeing this scene, everyone in the hall looked at Yue Feng with extremely complicated eyes.

Is this the beginning? But it looks like that is the case.

Especially Yang Qingyun, watching Yue Feng's every step closely, his eyes flashed with strange light, and his heart was even more shocked.

He...he can really alchemy?

Half of the alchemy recipes in Yang Qingyun's house, the details of alchemy described above are not much different from the steps Yue Feng just took.
