

The ultimate husband in Chinese chapter 4891-4900

Chapter 4891

Under Yang Qingyun's astonished gaze, Yue Feng quickly finished the materials, and then slowly controlled the heat.

At this time, Yue Feng, with a relaxed attitude, does not feel like he is concocting alchemy, but rather like doing an extremely easy task.

As the temperature of the furnace continued to rise, the entire hall was also warm.

Unconsciously, ten minutes passed.

Seeing that there was no movement from the pill furnace, Qiu Hong couldn't help but chuckled, unable to hide her contempt: "Yue Yang, I think you should stop pretending, you don't know how to make pills at all!

"I just want to stay with the Su family. So, don't waste your energy."

In Qiu Hong's heart, she didn't think Yue Feng could concoct alchemy at all.

Hehe..

Hearing the mockery, Yue Feng's mouth twitched and he laughed without saying a word.

Bang!

Qiu Hong was still sneering, but suddenly, she heard a sudden vibration from the pill furnace.

What's the situation? Is the Dan furnace going to explode?

At this moment, whether it was Qiu Hong or the others around, they were all taken aback, and then they all stepped back. They all thought that Yue Feng's alchemy failed, causing the alchemy furnace to collapse.

However, when they reacted, they saw that the pill furnace was intact and did not burst.

They didn't even know that the sound just now was the reaction of the airflow in the pill furnace under the high temperature. Not meant to explode.

This chapter is provided by . Visit for daily update.

Just when everyone was in shock, Yue Feng smiled slightly, then walked over and slowly opened the pill furnace.

Whoa!

Seeing this, everyone present couldn't help but leaned up, even Su Lin'er and Master Su couldn't help standing up, looking around with complicated expressions.

At this moment, the entire hall was silent, and everyone held their breath!

This... The

next second, when they saw the situation in front of them, Qiu Hong and a few maids couldn't help exclaiming, their minds went blank, they were completely stupid, and they could hardly stand still.

I saw that at the bottom of the pill furnace, there was a golden pill lying quietly, and a refreshing aroma filled the air.

Some attentive people found that this medicinal pill looked golden yellow from a distance. If you looked closely, you would find that it was covered with tiny red lines, just like blood vessels, which was very peculiar.

It is the pure blood pill.

What? !

Actually...really refined by him? !

In an instant, everyone in the entire hall was blank in their minds. Looking at the medicinal pills in the pill furnace, their eyes were filled with incredible!

Qiu Hong next to her, her delicate body trembling, looked at Yue Feng with surprise in her eyes.

At this time, Qiu Hong, in addition to being extremely shocked, was also even more curious. This Yue Yang is a well-known waste of Yinlong Town, except for gambling, there is no use for it, when did he learn medicine? Moreover, the alchemy technique that has been passed down for nearly a thousand years will be lost....

Yang Qingyun, who is standing by the side, stares at Yue Feng in a dazed manner, unable to calm down for a long time.

He...he really knows how to alchemy.

Moreover, the refining of this kind of medicine is unheard of.

Isn't this Yueyang a door-to-door son-in-law? How does it feel to be unfathomable?

"Lin'er!"

At this moment, Yue Feng took out the pure blood pill and looked at Su Lin'er with a smile: "This is the pure blood pill I said just now, which has the effect of improving the essence, qi and blood. And your situation For the symptom, you can take it first and feel it."

With that, Yue Feng walked over to give the medicine pill to Su Lin'er.

"Wait a minute!"

But at this moment, Qiu Hong reacted and looked at Yue Feng with disdain: "Yue Yang, you can make a medicinal pill at random, and then come up with a name, say you can To cure Miss's illness?"

"The medicine pill has been lost for thousands of years, who knows whether what you have refined is true or false."

After speaking, Qiu Hong said seriously to Su Lin'er: "Miss, medicine pills should not be used indiscriminately, you have to be careful. Ah." The

voice fell, and the others around nodded in agreement.

"Qiu Hong is right, the medicine pill technique has been lost for so long, who knows if what he is practicing is true!

Chapter 4892

"I read an ancient book before, it said that someone took the medicine pill by mistake, which caused the fire to burn, and finally no bones were left..."

Many people present expressed their doubts. The wind is very helpless.

This...

Hearing the words of Qiu Hong and the people around her, Su Lin'er frowned, and she hesitated in her heart.

Master Su also frowned secretly.

That's right, if the medicinal pills refined by Yue Yang can't heal her daughter, but rather aggravate her daughter's condition, it will be more than the loss.

After hesitating, Master Su looked at Yang Qingyun next to him, and couldn't help but said, "Doctor Yang, what do you think?" Shuh

!

As soon as the words fell, Su Lin'er's eyes also turned to Yang Qingyun.

Yang Qingyun pondered for a while, his eyes fixed on the pure blood pill in Yue Feng's hands, his expression was extremely complicated, and he slowly said: "Please forgive my ignorance, this is the first time I heard about this pure blood pill, but this pill It's fragrant and pleasant, it doesn't seem to be highly toxic..."

After saying that, Yang Qingyun looked at Su Lin'er: "I think Miss can give it a try."

Hmm!

Hearing this, Su Lin'er nodded, and without hesitation, she took the Blood Pill.

Speaking of which, Su Lin'er didn't believe that Yue Feng would harm her, but seeing Yang Qingyun say this, she no longer had any doubts in her heart.

call!

Seeing Su Lin'er taking the Blood Pill, Qiu Hong and the others around her were all nervous, all eyes focused on Su Lin'er, holding her breath, quietly waiting for the effect!

Master Su was also full of anticipation and excitement.

Yue Feng had a relaxed look on his face.

One minute..two

minutes!

Five minutes later, Su Lin'er's pale face turned rosy and shiny, and she looked much more energetic.

call!

Su Lin'er breathed a sigh of relief and showed a smile. She couldn't help but said softly, "This pure blood pill is really amazing. Before, I always felt weak and weak, but now it seems like a different person."

After saying that, Su Lin'er looked at Looking at Yue Feng, with a flowery smile: "Yue Yang, thank you..."

This... Really works...

Seeing Su Lin'er say this, Qiu Hong and the others around her are extremely pleasantly surprised.

They all clearly saw that the young lady was radiant and charming at this time. Compared with before, she was completely different. This pure blood pill is really amazing.

Yang Qingyun, on the other hand, looked closely at Yue Feng, unable to hide his admiration and appreciation.

It's amazing, this Yue Yang not only has the long-lost alchemy technique, but also cured Miss Su's intractable illness. If he hadn't seen it with his own eyes, who would have believed it?

"Yue Yang!"

At this moment, Su Lin'er looked at Yue Feng with a smiling face: "Is my illness cured now?" Her voice was clear and gentle. After what happened just now, Su Lin'er completely let go of Yue Feng's prejudice.

This man is not as worthless as the outside world says, on the contrary, everything is impressive.

Huh...

Hearing the question, Yue Feng wanted to say yes, but then he thought, if he said that, he would have no chance to leave the Su family after that.

Thinking to himself, Yue Feng smiled and said: "This pure blood pill needs to be taken every ten days for a year, and the most important ingredient is

Jianmeicao." "But Lin'er doesn't need it. I'm worried, when we went to Changge Lake to play before, I knew there was a lot of sword plum grass in a place. I'll go pick some more later." That's

great!

Hearing this, Su Lin'er was very happy.

Master Su was also full of relief, and nodded again and again: "Okay, okay, Yue Yang, in the future, Lin'er's condition will depend entirely on you. When the medicine is collected, I will send a few more people to be with you.

"No need!"

Yue Feng smiled slightly and said, "Only I know Jian Meicao, so many people go, it is meaningless."

Seeing him say this, Master Su no longer insisted.

Half an hour later, Yue Feng left Su's house and rushed in the direction of Changge Lake, saying that he was collecting sword plum grass, but in fact he was preparing to leave Yinlong Town.

In Yue Feng's heart, there is nothing more important than returning to the mainland of Kyushu. Since he has helped Su Liner healed, there is no need to stay here.

Chapter 4893

Although it is already noon at this time, Changge Lake is far away from Yinlong Town.

After finally leaving Hidden Dragon Town, it is time to figure out how to recover his divine power and return to the Kyushu Continent.

For a time, Yue Feng was walking by the Changge Lake, the breeze was blowing, and he was indescribably comfortable.

Crash...

But at this moment, Yue Feng heard footsteps coming from behind him, the footsteps were very light.

However, Yue Feng has been in the rivers and lakes for a long time, and he was very alert. At that time, he looked back subconsciously. As soon as he turned around, he saw a familiar figure.

What the hell, why is he?

At that time, Yue Feng cursed secretly, and instantly broke out in a cold sweat. He saw that the person who came had a gloomy face, and his eyes could almost spit fire.

It was Ge Zhenhong, the dragon of the mixed river.

"Boy!"

At this moment, Ge Zhenhong's eyes were like poisonous snakes, and he locked on Yue Feng: "You killed my brother who was arrested. I didn't expect that I would be able to escape."

When he said this, Ge Zhenhong was almost angry . Medium burn.

Last night, when he was cultivating in the cave next door, he heard the noise outside, so he went out to check, and it turned out that he was catching Chen Qi and others with Liu He and Wang Zhen's group.

At that time, Ge Zhenhong's strength had not fully recovered, and after a fierce battle with Wang Zhen and others, he fled in a hurry.

However, Ge Zhenhong did not flee, but hid in a hidden place. Knowing that it was all about Yue Feng, Ge Zhenhong was very angry, so he planned to return to Hidden Dragon Town to take revenge on Yue Feng, and he happened to meet him on the way.

"Boss Ge!"

Feeling Ge Zhenhong's anger, Yue Feng squeezed out a smile and said embarrassingly: "There must be a misunderstanding between us, don't get excited, at that time..."

Just as he was talking, he was interrupted by Ge Zhenhong: "Shut up. "You kid, don't talk flattery to me, Mad, I won't believe a word of your words." When the words

fell, Ge Zhenhong raised his hand and slapped Yue Feng on the back of the head.

Yue Feng didn't recover his divine power, and Ge Zhenhong was very fast. When the palm was hit, Yue Feng's whole brain was buzzing, and then his eyes went black, and he didn't know anything.

Yue Feng didn't know how long he had been in a coma, but it only felt like he had a long dream.

When I woke up, my brain was still a little swollen.

call!

The moment he opened his eyes, Yue Feng took a deep breath, and then found himself tied up with five flowers!

Yue Feng saw that he was in a closed space, like a secret room, with a wooden table and a few chairs in the secret room.

Looking around, Yue Feng's eyes fell on a chair in front of him, and he was stunned.

A beautiful and sexy woman is sitting on the chair.

what's the situation?

Isn't it Ge Zhenhong who is catching himself? How did you become a woman?

While muttering in his heart, Yue Feng looked at the woman up and down, and saw that she was around 20 years old, wearing a dark purple dress, which showed her exquisite and graceful figure vividly.

The woman sits on the chair, giving people an elegant and charming feeling, and at the same time, her whole body is filled with a powerful aura.

At this time, Yue Feng didn't know that the woman in front of her was called Gu Sanniang, the leader of the Four Seas Gang, a well-known figure in the arena.

Although the Four Seas Gang did not belong to the famous sect, they ruled all the rivers and rivers of the Ziwei Continent, large and small, especially Jiangyang thieves like Ge Zhenhong, who were also sheltered by the Four Seas Gang.

Half a day ago, after Ge Zhenhong captured Yue Feng, he came to a sub-altar of the Four Seas Gang. While seeking asylum, he was also preparing to get rid of Yue Feng. However, Gu Sanniang happened to be in this sub-altar at the time.

At that time, Gu Sanniang summoned Ge Zhenhong and learned that he had suffered a heart attack before, but was cured by Yue Feng's decoction.

You must know that there is no panacea for trauma to the heart, and Yue Feng can only be treated with a simple decoction, which is really incredible.

"Does it look good?"

At this time, seeing Yue Feng's eyes staring at her tightly, Gu Sanniang smiled lightly, stood up slowly, and then slowly walked to Yue Feng's front and asked softly.

Yue Feng didn't know the situation, and when he heard the question, he nodded subconsciously!

Chapter 4894

While nodding, Yue Feng looked at Gu Sanniang again.

Unexpectedly, there are many beauties in Ziwei Continent. The previous Su Liner was already very pleasing to the eye, but I didn't expect this one to be even more charming.

Thinking to herself, seeing Gu Sanniang's slender waist and slender legs, she couldn't help twitching her Adam's apple.

Snapped!

However, at this moment, Gu Sanniang suddenly stretched out her jade hand and slapped Yue Feng fiercely in the face!

“Dare to look at me like this.”

Gu Sanniang smiled, but her tone was cold: “Do you know how the last man who looked at me like this died? I threw him into the crocodile pond. In the end, I was bitten to the bone.” What the

hell!

Feeling Gu Sanniang’s killing intent, Yue Feng couldn’t help taking a deep breath, and then said with a smile, “This beauty, we have no grievances or enmity

. At the words, Gu Sanniang was stunned for a moment, and then said lightly, “Do you know who I am?”

Yue Feng shook his head.

Gu Sanniang’s beautiful face showed a bit of arrogance: “The Four Seas Gang, Gu Sanniang!” After speaking, she observed Yue Feng’s reaction. You must know that when ordinary people hear the Four Seas Gang, their hearts must be split with fear, and the person in front of them must be extremely frightened.

However, what she didn’t expect was that Yue Feng was surprisingly calm: “The Four Seas Gang? Is it the Jianghu Sect?”

This person doesn’t know the Four Seas Gang?

At this moment, Gu Sanniang stood there in a daze, and then she thought of something. The person in front of her was said to be the son-in-law of a small town, and it was normal to be ignorant.

Thinking to herself, Gu Sanniang smiled contemptuously: “It doesn’t matter if you don’t know the Four Seas Gang, I can tell you that Ge Zhenhong is my subordinate, I want him to die, he will never survive tomorrow, so in front of me, you’d better be old To be honest, if I ask you anything, just answer it, do you understand?” Hearing this, Yue Feng couldn’t help taking a deep breath

. This woman looks so young, so Ge Zhenhong is actually her subordinate? According to this, the identity of this woman is not simple. In shock, Yue Feng said with a smile: “Okay, why are you tying me here? To avenge Ge Zhenhong’s accomplices?” Disciple, I have no interest in paying attention to their lives, I heard that Ge Zhenhong hurt his heart at that time, and it was you who made a pair of decoctions that greatly improved his condition, is there such a thing?” It turned out to be because of this. Yue Feng was stunned, but his face showed a look of surprise: “I’m just a mountain villager, how could I be able to heal? You must have heard it wrong.” As he spoke, Yue Feng shook his head. . He is not stupid. Once he admits this kind of thing, he is afraid that Gu Sanniang will imprison him here and treat the members of the Sihai Gang forever. Swish! Seeing

that he didn't admit it, Gu Sanniang's face sank, and she said coldly: "Can't cure? Do you think I believe in Ge Zhenhong, or in you?" Yue Feng smiled wryly: "Maybe he really lied to you." Crash... As soon as the voice fell, the door of the secret room was opened, and then, Ge Zhenhong with a gloomy face walked in. "Sanniang!"

When he got to the front, Ge Zhenhong looked respectful: "What does this kid say?"

Gu Sanniang's beautiful face was extremely gloomy: "Ge Zhenhong, are you lying to me, this person has no medical skills at all!"

What?

Ge Zhenhong was stunned for a moment, then glared at Yue Feng: "Boy, you don't know medical skills. Then you made a soup for me and helped me heal my heart. How can I say?"

Yue Feng smiled and looked directly into Ge Zhenhong's eyes. : "This... I just messed around with some herbs at the time, I was blind!"

While talking, Yue Feng tried to break free from the rope, but his divine power was imprisoned and he couldn't use any strength.

Blind?

Hearing this answer, Ge Zhenhong was furious, and without any hesitation, he slapped Yue Feng fiercely: "Ma De, do you know where this place is? Dare to talk nonsense in front of Sanniang? Let me tell you, at that time you used What kind of prescription is there, it's best to explain it honestly!"

Chapter 4895

"What do I have to explain? I have said everything I should say." Yue Feng responded lightly.

Seeing Yue Feng's stubborn mouth, Gu Sanniang suddenly lost patience and said coldly, "Ge Zhenhong, stop talking nonsense with him! What to do, you can decide."

"Understood, Sanniang!" Ge Zhenhong nodded, then immediately From the corner next to it, a leather whip was pulled out.

I saw that the whip was covered with spikes, and it was very tough. If it was beaten, I was afraid that the skin would peel off.

What the hell! Seeing this scene, Yue Feng could n't

help taking a deep breath of cold air, and was furious: “Ge Zhenhong, don’t forget, I have saved you!”

“Saved me?”

Mentioning this, Ge Zhenhong was furious and pointed at Yue Feng, holding the leather whip tightly: “Ma De, it’s all you, Chen Qi and the others, who are the ones who harmed them. They were all caught by Yinlong Town’s arresters.” The

voice fell, and Ge Zhenhong held his hands tightly. The whip, just whipped it!

Snapped!

A crisp sound came, Yue Feng couldn’t help taking a breath of cold air, and his body suddenly burst into flesh and blood dripped.

Mad!

Yue Feng clenched his teeth tightly and did not cry out, but his eyes were instantly bloodshot!

“Hurry up and say the prescription, or I will kill you.” Ge Zhenhong shouted at Yue Feng with madness flashing in his eyes.

Nima!

At this moment, Yue Feng took a deep breath, decided to admit his counsel temporarily, and said, “I said... I said, don’t fight, that prescription was passed down to me by a strange person in Jianghu.” A

strange person in Jianghu?

Hearing Yue Feng’s words, Ge Zhenhong and Gu Sanniang looked at each other, both were extremely complicated.

The next second, Gu Sanniang couldn’t help but ask, “Where is the prescription?”

“You loosen me up and I can write it down.” Yue Feng took a deep breath and replied lightly.

While speaking, Yue Feng’s eyes couldn’t help but look closely at Gu Sanniang.

So sexy!

The facial features are also perfect, but unfortunately, this is a beautiful snake and cannot be contaminated.

Hearing this, Gu Sanniang quickly gestured to Ge Zhenhong and asked him to untie the rope for Yue Feng. Then prepare paper and pen.

Yue Feng stopped talking, picked up the brush and wrote the prescription.

This...

But after reading the prescription, Gu Sanniang frowned instantly, her brain was buzzing, and her whole body became confused.

What is this all about? Three-eye grass.... nightshade flower.... and other medicinal materials, this is the first time I heard it.

This person can't be stupid, can he?

"Are these the names of the herbs you need?" Gu Sanniang asked Yue Feng in confusion.

A smile appeared on the corner of Yue Feng's mouth, and he nodded: "Yes, I have already written it very clearly, Sanniang won't understand it, right?"

Hearing this, Gu Sanniang's face instantly became ugly.

At this time, Ge Zhenhong came over to take a look, and immediately said coldly: "Boy, are you trying to trick us on purpose? What kind of three-eyed grass, nightshade, how can there be such a thing in the world?"

"You dare to play Sanniang . . , I see that you are impatient."

When the last word fell, Ge Zhenhong pulled out his long knife and stabbed directly at Yue Feng's heart.

Gu Sanniang's face was indifferent, and she didn't mean to stop her. In her heart, she also thought that Yue Feng was teasing her.

What the hell!

Seeing that his heart was about to be pierced by a long knife, Yue Feng was in a panic, but he pretended to be very calm, and said lightly: "You don't know these herbs, it doesn't mean that there is no such thing in this world!"

"Tell you the truth. Well, the medical skills I learned from that strange person in the rivers and lakes, many of the prescriptions in it have been lost, and the medicinal materials needed in it, let alone you have never heard of them, even those famous doctors from all over the world have never heard of it!"

Phew...

heard this, Gu Sanniang took a deep breath, and raised her jade hand to stop Ge Zhenhong's long knife: "Leave him alive for now!"

Ge Zhenhong was very reluctant, but nodded, put away the long knife and stepped aside.

The next second, Gu Sanniang looked at the prescription again, and then said to Yue Feng, "Are you sure this prescription is real?"

"Of course." Yue Feng nodded with a smile, and then said, "Not only do I have this prescription, there is another treasure, but I need to talk to Sanniang alone!"

Gu Sanniang pondered for a while, then nodded: "Okay! Ge Zhenhong, you go out first."

"Sanniang!"

Ge Zhenhong was stunned for a moment, and quickly said: "This guy is very cunning, you can't trust him."

The ultimate husband in Chinese chapter 4896-4900

Chapter 4896

However, Gu Sanniang is very confident in her own strength, and she is stubborn: "It's okay, just go out." In

front of her is just a son-in-law from a small place, and there is no threat at all.

"Okay!"

Seeing her insistence, Ge Zhenhong couldn't say anything else, so he nodded and walked out of the secret room.

"Tell me!"

As soon as her forefoot left, Gu Sanniang looked back at Yue Feng with a condescending attitude: "What do you want to talk about? You said that there are treasures, what are they?"

Yue Feng smiled and said lightly: "I have a Guiyuan Pill here. After taking it, it has the effect of rebirth." After speaking, he took out a red pill from his body.

Guiyuandan?

In an instant, Gu Sanniang's delicate body was shocked, and her eyes were fixed on the medicinal pill. The whole person was shocked. You must know that the medicinal medicinal technique of Ziwei Continent was completely lost thousands of years ago.

For nearly a thousand years, I don't know how many famous doctors in the world have tried to find the pills that are sealed in various places, but in the end they were unsuccessful. It can be said that there have been no pills on the rivers and lakes for more than a thousand years.

And the man in front of him took one out of his body, which was incredible.

Under the shock, Gu Sanniang had incomparable anticipation in her eyes, and couldn't help but ask: "Where did you get this medicine pill?"

Hehe...

Feeling her excitement, Yue Feng looked indifferent: "This makes me sell it. Let's just talk about what's in front of us, I'll give you this Guiyuan Pill, you let me go right away, how about it?"

Hu.....

This chapter is provided by . Visit for daily update.

Hearing this, Gu Sanniang couldn't help but feel the excitement in her heart, and looked at Yue Feng tightly: "I can let you go, but, is this Guiyuan Dan really so energetic that it can make people reborn?"

Yue Feng showed a smile, nodded and said: "Sanniang, I'm in your hands now, how could I lie to you?"

When he said this, Yue Feng's face was serious, but there was a bit of cunning in his eyes.

In fact, the elixir that Yue Feng took out was called Spirit Addiction Pill.

This spirit-loving pill was made by Yue Feng when he was concocting pills for Su Liner.

Yue Feng knew very well in his heart that Gu Sanniang would not let herself go easily, so she could only take a risk and act against customers.

"Okay! I'll believe you once."

Yue Feng said so, Gu Sanniang no longer hesitated, picked up the medicinal pill and swallowed it directly.

Haha...

Seeing her swallowing the medicine pill, Yue Feng's face is calm, but his heart is indescribably happy. This Gu Sanniang seems shrewd, and her IQ is not very good. It's so simple that you believe me...

After taking the medicine pill, Gu Sanniang sat there and waited quietly .

A few minutes later, Gu Sanniang frowned secretly.

She clearly felt that there was no change in her body at all, and she became puzzled at the time, frowning and looking at Yue Feng: "What's the situation, why don't I feel anything at all?"

Yue Feng did not respond, but looked at it with a smile instead of a smile. she.

Not right.

As the leader of the Four Seas Gang, Gu Sanniang has a keen mind, and immediately noticed that something was wrong, so she said to Yue Feng: "You..." Just after saying one word, her delicate body suddenly trembled.

At this time, Gu Sanniang clearly felt that her body was soft and soft, and her body seemed to be suppressed by an invisible force.

How could this be?

In shock, Gu Sanniang realized that she was poisoned, and glared at Yue Feng: "That's not Guiyuan Pill, it's poisonous, right?"

"You're courting death, dare to lie to me!"

Yue Feng responded with a smile: "Sanniang, I don't know if you've heard a sentence, it's called soldiers never tire of cheating, you trapped me here, so you won't allow me to resist?"

"Bastard!"

He started, but at this moment he lost all his strength, and just as he was about to stand up, he sat down softly again.

Seeing this scene, Yue Feng said with a smile: "Sanniang, I advise you to give up your struggle. What you just said was right. This is not a Guiyuan Pill at all, but a Spirit Addiction Pill."

Chapter 4897

At this time, Yue Feng, with a relaxed expression on his face, continued: "This elixir is highly toxic, if you don't take the antidote within three months, evil poison will be produced in your body, and eventually the poison will kill you. Forcibly urging energy will speed up the spread of the poison in the body, if you don't believe it, you can try it!"

"You...you are courting death..."

Gu Sanniang stared fiercely in shock and anger. Yue Feng, you can't get angry.

He was dignified by the help of the Four Seas, and his subordinates were all over the place. It can be said that he was a famous figure in the Ziwei continent. Today, he was planted in the hands of this door-to-door son-in-law.

What a shame!

"Hurry up and take out the antidote!" Gu Sanniang became angrier the more she thought about it, she couldn't help shouting coquettishly.

At this time, Gu Sanniang was very annoyed. She didn't expect this person to be so cunning, but in the end, she underestimated the enemy.

Yue Feng smiled slightly: "I'm not that stupid. If I give you an antidote, you will kill me in the next second, but I have a way to get the best of both worlds."

"What way?" Gu Sanniang bit her lip. , said. With a leisurely expression on his face, Yue Feng said slowly: "Within half a year, you must do things for me wholeheartedly and obey my orders. At that time, I will not only give you an antidote, but also teach you the technique of

alchemy, how?"

Yue Feng was very helpless when he arrived at the Lagerstroemia Continent. The most important thing now was to find a way to understand the Lagerstroemia Continent in addition to recovering his divine power. And Gu Sanniang has an extraordinary status, and this kind of person is best kept for her own use.

The art of alchemy?

Hearing this, Gu Sanniang's eyes flashed a strange light, but she quickly bit her lip and said coldly, "Don't be delusional."

Speaking of which, being able to learn the art of alchemy is very tempting to Gu Sanniang. After all, the art of alchemy has disappeared for thousands of years.

It's just.... I am also the female gang leader of the Four Seas Gang, with an extraordinary position, how could I bow to a son-in-law who came to the door?

Impossible!

“Okay!”

Yue Feng guessed that she would refuse, and was not angry at the time. He said with a smile: “Since Sanniang doesn’t agree, I won’t force it. It’s a big deal. Let’s die together.”

“You...”

Gu Sanniang’s delicate body trembled, and she said angrily, “Who wants to die with you, don’t put gold on your face.”

Yue Feng stopped talking, stretched his waist, and slowly sat aside, pretending He said to himself: “Oh, I thought that I would be able to make a good break in the world after leaving Yinlong Town, but I didn’t expect to be locked in such a ghost place, but it’s okay, with a beauty like Sanniang accompanying, it’s worth dying. I’m done.”

Hearing this, Gu Sanniang was ashamed and angry, but she didn’t know how to refute.

For the next few minutes, neither of them spoke.

The atmosphere was a little subtle for a while.

call!

Finally, after standing for nearly ten minutes, Gu Sanniang finally put down her dignity, bit her lip tightly, and whispered, “Okay, I promise you...”

Seriously, she compromised with a son-in-law who came to the house, Gu Sanniang said in a low voice. Sanniang felt ten thousand reluctance in her heart, but she couldn’t do it if she didn’t agree. When she thought that she had no antidote, she would die of poisoning, and Gu Sanniang felt cold and shuddered.

Haha...

Seeing her finally agreeing, Yue Feng showed a smile: “That’s right, we will be our own from now on, Sanniang, you have to take care of me.”

Seeing his smiley face, Gu Sanniang felt contempt from the bottom of her heart, but she didn’t feel good, so she nodded.

The next second, Gu Sanniang called Ge Zhenhong in.

“Sanniang!”

Soon, Ge Zhenhong walked in quickly, and respectfully said to Gu Sanniang: "Is this guy soft? If he is still stubborn, I will chop off his hands first, I don't believe it anymore, this kid can be stubborn. When will it be?" When

he said this, Ge Zhenhong gave Yue Feng a vicious look, as if he was ready to do something.

At this time, Ge Zhenhong did not know that Gu Sanniang had surrendered to Yue Feng.

"Shut up!"

Gu Sanniang frowned and scolded coldly, "From now on, don't be rude to him!"

What?

Ge Zhenhong thought he heard it wrong, and his face was full of surprise.

what's going on?

Seeing Ge Zhenhong froze there, Gu Sanniang frowned and said coldly, "What? Do you have any questions?"

Chapter 4898

"No..."

Seeing that Gu Sanniang was really angry, Ge Zhenhong suddenly panicked: "No doubt. Sanniang, then... what do I do next?"

Gu Sanniang first glanced at Yue Feng, and then said lightly: "First arrange a place for Mr. Yue to rest, and then see what he needs."

Mr. Yue?

Hearing this title, Ge Zhenhong was even more puzzled, but he didn't dare to ask more.

At this time, Gu Sanniang took a deep look at Yue Feng: "I hope your words count!" Immediately, she slowly walked out of the secret room.

call!

At this moment, Yue Feng took a deep breath, and his mood was very complicated. Fortunately, he just turned against the customer and took control of the situation. Otherwise, this Gu Sanniang would be really difficult to deal with.

“Yue...”

At this moment, Ge Zhenhong squeezed out a smile, walked over very diligently and asked, “Mr. Yue, what are your orders, just tell me...”

When he said this, Ge Zhenhong was in a very emotional mood. Depressed, Mad, he originally arrested this kid to vent his anger on the brothers. Never would he have thought that this kid and Gu Sanniang had been chatting alone for a while, and he became a guest.

This huge gap in identity is really annoying.

Facing Ge Zhenhong’s question, Yue Feng thought about it and asked, “Do you know how to travel through space, leave here, and go to other continents?”

What?

Hearing this, Ge Zhenhong looked confused and traveled through space? Go to another continent? Is there something wrong with this kid’s brain?

But with this thought in his heart, Ge Zhenhong didn’t dare to show it, and said with a look of flattery: “Mr. Yue, what are you talking about. I... I don’t understand.”

Although he is a robber from Jiang Yang and has a lot of knowledge, he has never heard of anyone who can travel through space and leave the Ziwei Continent.

Uh...

Seeing his reaction, Yue Feng knew that he was asking in vain, and suddenly felt a little depressed.

In the next second, Yue Feng changed his method and continued to ask: “Is there a teleportation array in the entire Ziwei Continent?”

Ge Zhenhong shook his head again: “As far as the teleportation array is concerned, it seems that it existed thousands of years ago, but it is rarely seen now. There is

drama...

Hearing this answer, Yue Feng’s eyes lit up: “Then do you know which sect closest to here has a teleportation relic?”

Ge Zhenhong pondered, and said slowly: “Yes, the distance Thirty miles away from here, there is an ancient sect, where there are relics of the teleportation formation...”

After speaking, Ge Zhenhong hesitated: "It's just that the environment in that place is bad, it is very evil, and strange things often happen, Mr. Yue wants to If you go, be cautious."

When he said this, Ge Zhenhong couldn't hide the fear on his face.

Speaking of which, he has never been to the Zongmen ruins, but he often walks around the rivers and lakes, and he has heard a lot of rumors there. It is said that three years ago, a treasure cave appeared in the Zongmen ruins. Going to explore, looking for treasures, but after entering, no one came out alive.

Weird?

Hearing this, Yue Feng looked indifferent and said with a smile: "It's okay, you just need to arrange it."

It's just a sect relic, how dangerous can it be?

"Okay!"

Seeing Yue Feng's excited look, Ge Zhenhong couldn't refuse, so he nodded.

.....

On the other side, Kyushu, Diyuan Continent, Donghai City.

The weather is good today, and the Xiao family manor is even more lively, because today is the 60th birthday of Xiao Qingshan, the head of the Xiao family, and I see luxury cars parked side by side on the road outside the manor. Looking around, they are almost full. an entire street.

In the manor, it is even more crowded.

Almost all the famous families in Donghai City came.

In recent years, under the leadership of Xiao Qingshan, the Xiao family has built a great reputation in the antique world, so today's birthday, not only the big family in Donghai City, but also the big antiques in other cities. .

At this time, the birthday banquet had already started, and Xiao Qingshan sat in the first place with a smile on his face.

The surrounding guests kept toasting Xiao Qingshan and sending congratulations. For a time, the entire hall of the manor was full of laughter and laughter.

In the face of everyone's congratulations, Xiao Qingshan was very happy, but what made him even more gratified was that his daughter Xiao Yuruo came back on purpose for her birthday today.

Chapter 4899

Xiao Yuruo is sitting on the right side of Xiao Qingshan, wearing a long red dress today, the graceful curves are revealed, indescribably graceful and charming.

It has been many years since I fell in love with Yue Feng back then. In total, Xiao Yuruo has passed 30 at this time, but the years have not left many traces on Xiao Yuruo's face.

On the contrary, the current Xiao Yuruo is more bright and moving, like a blooming rose.

Phew...

the surrounding guests, while congratulating Xiao Qingshan, all of them could not help but be attracted by Xiao Yuruo.

"Mei, is this the eldest Miss Xiao family, once the number one beauty in Donghai City? Sure enough, she deserves her reputation."

"Yes, after so many years, she is still as beautiful as a god.

" Yue Feng.

"It's a pity, I've been with Yue Feng for so many years, let alone children, I haven't gotten married yet, sigh..."

"Then Yue Feng's whereabouts are mysterious now, I heard that he violated the law in God's Domain, so God's Domain was created. The diligent supervisor of the sect was catching Yue Feng everywhere, and that's why the Ouyang family went into hiding..."

"Shh, keep your voice down, don't let people hear you." The

surrounding discussions kept coming, even though the voices were very low. It was small, but Xiao Yuruo could still hear her clearly, but she didn't care, and stayed by her father's side obediently.

Speaking of which, Xiao Yuruo also knew that if he rashly returned to Donghai City, he would be noticed by the Qin Tianjian, but if his father didn't come back on his birthday, wouldn't he be unfilial?

At this time, Xiao Yuruo was chatting and laughing with Xiao Qingshan while keeping an eye on the other side.

Opposite Xiao Yuruo, there was also a woman who was alluring, her youthful age, no matter her appearance or figure, was not inferior to Xiao Yuruo.

It was Xiao Qingyi.

“Qingyi!” At this time, Xiao Yuruo smiled lightly and

asked, “I heard that you graduated from college and signed a contract with an entertainment company. How do you feel?”

, I specifically asked about it.

“It’s okay!” Xiao Qingyi smiled lightly, as if she was in a low mood and looked listless.

Um!

Xiao Yuruo nodded, but she frowned secretly in her heart.

There was something wrong with Qingyi. In the past, every time she came back, she had to come to the door specially to ask questions, especially about herself and Yue Feng, and she had to ask them in detail, but today she didn’t have a single question.

Not only that, but the whole person seems to have no energy at all, his face is pale, and he looks very weak.

Confused in her heart, Xiao Yuruo couldn’t help but ask, “Qingyi, what’s wrong with you? Are you uncomfortable?”

“I…”

Faced with the question, Xiao Qingyi opened her mouth and was about to respond. Extremely pale, slumped to the ground.

Whoa!

Seeing this scene, everyone around panicked and quickly gathered around.

Xiao Qingshan also had a solemn expression on his face, and shouted anxiously: “Quick, is there a doctor?” The

voice fell, and a man walked over quickly: “I’ll take a look.” Today, I came here specially to congratulate Xiao Qingshan on his birthday.

“Doctor Chen!”

Seeing that it was Chen Long, everyone was sure, Xiao Qingshan was even more relieved, and said, "Come and see what happened to Qingyi."

Chen Long nodded and walked over. Looking at Xiao Qingyi's situation, her brows furrowed instantly.

Strange, his breathing and pulse were normal, how could he faint so well? You know, Xiao Qingyi is only about 20 years old.

Huh...

Seeing Chen Long frowning, everyone around couldn't help but talk in a low voice.

"What's the matter?"

"Could it be that Miss Qingyi has an acute illness?"

"Impossible, she just graduated from college, so young..."

Everyone around you and I didn't pay attention to the comments. Xiao Yuruo, who was at the side, frowned.

Something's wrong, Qingyi's situation seems to be... controlled by some kind of Jianghu method... That

's right!

Suddenly, Xiao Yuruo thought of something, and her body trembled.

Could it be that... Qingyi was sucked by someone?

Chapter 4900

For a time, the more Xiao Yuruo thought about it, the more frightened it became. You must know that Xiao Yuruo was once absorbed by Hu Sanyang of the Kunlun faction, and was extremely weak. Later, in order to save her, Yue Feng killed the Kunlun faction and got the Phoenix Gallbladder, This saved Xiao Yuruo's life.

Although it has been many years since this incident, Xiao Yuruo can't forget the scene of being sucked in at that time.

And Xiao Qingyi in front of her was also in this state.

"Doctor Chen!"

At this moment, Xiao Qingshan also realized that the situation was not good, and asked Chen Long anxiously: "How is Qingyi's situation?"

Huh!

Chen Long took a deep breath and said embarrassingly, "Mr. Xiao, Miss Qingyi's condition is very bad. With my many years of clinical experience, I have never encountered such a difficult condition, follow my instructions and rush to the hospital. Let's go."

Xiao Qingshan nodded quickly, then greeted a few people and asked them to prepare the car.

"Dad!"

However, at this moment, Xiao Yuruo walked over quickly, stopped Xiao Qingshan, shook his head and said, "Qingyi's situation, it is useless to send it to the hospital."

"Why?"

Xiao Qingshan was stunned, subconsciously asked a question.

At the same time, everyone around was also surprised, and their eyes focused on Xiao Yuruo.

Facing the gazes of everyone, Xiao Yuruo breathed a sigh of relief and said seriously, "Qingyi was suddenly in a coma because she was sucked out of her essence. In this case, the hospital can't cure it at all, and she needs a natural resource."

What?

Hearing this, the whole birthday banquet was in an uproar, and many people couldn't help exclaiming.

"I was sucked by someone?"

"This...what's the situation? It sounds scary .

"

With a huge shock in his heart, he looked at Xiao Yuruo closely: "Yuruo, what are you saying is true? You... can you read it wrong?"

"No way!"

Xiao Yuruo nodded firmly: "Dad, you Don't you forget, I was sucked by Hu Sanyang a few years ago, and I was in the same state, but after Yue Feng got the Phoenix gallbladder, I was pulled back from the gate of hell."

Hearing this, Xiao Qingshan's face suddenly changed. , then frowned and said, "Listen to what you said, it's true."

Xiao Yuruo frowned tightly, watching Xiao Qingyi's situation: "Strange, in the entire Kyushu, only Hu Sanyang practiced that kind of evil art. Later, after Hu Sanyang's death, No one will be able to cultivate, so who did it?"

Xiao Yuruo was very puzzled at this time, because she clearly felt that Xiao Qingyi's situation was somewhat similar to her back then, but if you look closely, it seems to be a little different. . Back then, he was simply sucked out of his essence, but Xiao Qingyi in front of him not only had his essence sucked out, but there seemed to be a lingering evil power left in his body...

What's going on?

"Yuruo!"

Just when Xiao Yuruo was thinking about it, Xiao Qingshan was so anxious that he couldn't help but say, "What should I do now?"

Although he is a very important figure in the antique world, the affairs of the arena are nothing at all. Proficient, I can only rely on my daughter for the things in front of me.

call!

Xiao Yuruo breathed a sigh of relief, thought for a while, and said, "Get Qingyi to the backyard room first. I'll try to contact Senior Shennong. Maybe he has a way."

Speaking of which, Shennong lived in seclusion for many years, and no one knew his whereabouts. But Xiao Yuruo firmly believed that with the strength of Xia Yinzong and the Ouyang family, he would definitely be found.

Xiao Qingshan nodded and ordered people to do as Xiao Yuruo said.

Half an hour later, in the wing of the Xiao family manor.

Xiao Yuruo injected her internal strength into Xiao Qingyi, and temporarily helped her stabilize the situation. After a while, Xiao Qingyi woke up faintly.

"Sister!"

The moment she opened her eyes, she saw Xiao Yuruo sitting in front of the bed, Xiao Qingyi's red lips lightly parted, and she said weakly, "I... What's wrong with me?" The coma just now was very sudden, and Xiao Qingyi didn't even bother to understand what's going on.

Xiao Yuruo smiled lightly and said softly, "Qingyi, I ask you a few questions, you must answer me seriously, you know?"
