

## The ultimate husband in Chinese chapter 4901-4910

Chapter 4901

When asked about this, Xiao Yuruo's delicate face showed a trace of solemnity.

Um!

Xiao Qingyi lay there, still nodded weakly.

"Have you been in danger these past few days?" Xiao Yuruo asked straight to the point.

"No!"

Xiao Qingyi shook her head without thinking: "After graduating from college, I have been staying with the family, and the scope of activities is within Donghai City, so I haven't encountered any danger."

After speaking, Xiao Qingyi couldn't help but said: "Sister, is my situation serious?" There was some expectation in her eyes. At this time, Xiao Qingyi still didn't know what her situation was.

"Then...recently..."

Hearing the answer, Xiao Yuruo frowned, then thought about it, and continued to ask: "Have you met anyone in the arena, such as your suitor, or your classmates? What...if so, what did they do to you, do you know?"

When asked about this, Xiao Yuruo's tone was gentle, but her eyes showed a trace of solemnity.

It must be the people of Jianghu who can absorb the essence of people. After all, ordinary people simply don't have that much ability.

People on the rivers and lakes?

Xiao Qingyi shook her head again: "Sister, it's not like you don't know me, I rarely make friends outside, how can I know people in the arena?" Xiao Qingyi felt very strange in her heart.

What happened to Miss Yuruo? He doesn't talk about his illness, but he always asks strange questions.

At the same time, Xiao Yuruo also frowned, and she couldn't help but mutter in her heart. It's strange, the little girl doesn't know people in the arena, and she hasn't left Donghai City recently.

This chapter is provided by . Visit for daily update.

For a while, Xiao Yuruo became more confused the more she thought about it, and she was at a loss for understanding.

Huh ...

A few minutes later, Xiao Yuruo reacted and looked at Xiao Qingyi: "Little sister, think about it, have you been impressed by anything in the past few days?"

Xiao Qingyi thought for a moment, then slowly said: "I'm not impressed yet, but a few days ago, I went to President Liu's office and drank a few glasses of wine. At that time, I was so drunk that I fell asleep for more than an hour."

President Liu? lethargy?

Hearing this, Xiao Yuruo quickly asked, "Which President Liu?"

Xiao Qingyi responded, "It's Liu Hao, the eldest young master of the Liu family, who recently established an entertainment company, and I passed the election."

Xiao Yuruo nodded and continued to ask: "What's the matter with the drowsiness you said?"

At this moment, Xiao Qingyi's delicate and weak face showed a bit of complexity, and she whispered: "I don't know what's going on, I can drink enough, but that day After only two drinks, you will be drunk."

Drugged?

At this moment, Xiao Yuruo had a flash of inspiration, and her first reaction was that Liu Hao had a problem, and she had to ask at that time. As a result, Xiao Qingyi was very tired, she closed her eyes and fell asleep again.

Seeing her like this, Xiao Yuruo was very distressed and walked out of the wing.

"Yuruo!"

At this time, Xiao Qingshan and the rest of the Xiao family were still waiting outside the door. Seeing Xiao Yuruo coming out, Xiao Qingshan hurried up to meet him with an eager face: "How is the situation? Did you ask anything about the situation? Xiao Yuruo breathed a sigh of relief and said, "

Dad, I want to ask about that Liu Hao. The boss of the entertainment company where Qingyi works."

Liu Hao?

Hearing the question, Xiao Qingshan was stunned for a moment, and then he explained what he knew in detail.

Huh ....

Knowing the situation, Xiao Yuruo took a deep breath, and she was immediately sure that Xiao Qingyi's energy was inhaled, and it was definitely related to that Liu Hao. You must know that a young master from a declining family suddenly gained a lot of wealth, and Li Tianci, who gave him wealth, has also become a fool. This matter is worth scrutinizing. What is even more suspicious is that the Shaolin faction came to investigate, and so many masters have died in a row...

There is definitely something wrong with this Liu Hao.

Thinking of this, Xiao Yuruo bit her lip tightly, her mind quickly turned, and she began to think of a way.

....

on the other side, Ziwei Continent!

Three hundred miles southwest of Yinlong Town, there is a valley where there are dense forests and few people.

At this time, in the dense forest in the valley, Yue Feng, led by Ge Zhenhong, slowly moved forward. In the huge dense forest, there were only the two of them, and there were only insects and birds chirping around.

Chapter 4902

It is midsummer. Although it is cloudy, the dark clouds in the sky are very low. This is a precursor to rain, and the air is full of hot and humid smells.

"This ghost weather!"

At this time, Ge Zhenhong looked around and smiled at Yue Feng: "Mr. Yue, there is the ruins of the sect ahead. It's such a hot day, why don't we find a place to rest first?"

Said At these times, Ge Zhenhong was polite on the surface, but there was a bit of disdain in his eyes.

Seriously, at this time, Ge Zhenhong really wanted to kill Yue Feng and Chen Qi's brothers, who are still detained in the yamen in Yinlong Town. He still held back his orders.

Ge Zhenhong couldn't understand why Gu Sanniang was also a ruthless character in the world, so how could she be so polite to a son-in-law who came to her house.

Before leaving, Gu Sanniang specially explained that Yue Feng's safety must be well protected, so Ge Zhenhong did not dare to go against it.

call!

Hearing the proposal, Yue Feng also wiped away a sweat.

Nima, it's too hot today, let's get some rain to cool down.

Thinking to himself, Yue Feng looked at the surrounding environment and said lightly: "Isn't it about to get there? Let's go to the ruins first." At this time, Yue Feng just wanted to find the Zongmen ruins quickly. Formation, it would be even better.

With Yue Feng's accomplishments in the formation, no matter how long the formation has been abandoned, he can quickly repair it.

Ge Zhenhong complied and continued on with Yue Feng.

"Haha..."

After walking for another ten minutes, Ge Zhenhong was excited and said with a smile, "Mr. Yue, we're here!"

At this moment, Yue Feng was also indescribably excited. He saw that there was a vast ruin in front of him. Some places were well preserved, while others had completely collapsed under the invasion of time...

When he got to the front, Yue Feng only felt an ancient aura of vicissitudes blowing towards his face.

Looking at this dilapidated situation, this sect has been abandoned for at least a thousand years.

Muttering in his heart, Yue Feng looked around and was about to prepare to investigate the ruins in all aspects. At this time, Ge Zhenhong walked over quickly and said, "Mr. Yue, after passing through this ruins, there is a dangerous area behind. It is said that this place used to be there. The forbidden area of the sect."

"A lot of people from the rivers and lakes broke into it back then, but none of them came out alive."

Forbidden area?

Hearing this, Yue Feng didn't panic at all, instead he was full of interest: "Go, go and have a look!"

Ge Zhenhong nodded and walked towards the forbidden area behind with Yue Feng!

Um?

Soon, when they approached the entrance of the forbidden area, Yue Feng and Ge Zhenhong were stunned when they saw the situation in front of them.

I saw a group of people gathered near the entrance of the forbidden area. These people are dressed in different clothes, and they are obviously all from the rivers and lakes.

There is also a beautiful woman among them, very eye-catching.

The woman looks in her twenties, wearing a long yellow dress, with delicate features and a charming figure, but her body is filled with an aura that cannot be approached.

At this time, this group of Jianghu people gathered at the entrance and were discussing.

Hu...

Yue Feng took a deep breath and looked carefully, and found a stone tablet at the entrance of the forbidden area.

"What are they discussing?" Yue Feng couldn't help asking.

Ge Zhenhong shook his head: "It's too far away, I can't hear clearly, but..."

After speaking, Ge Zhenhong turned around, his face showing a bit of mystery: "As far as I know, within this forbidden area, there is a There are many treasures in the big ancient tomb, and I guess these people are here for the treasures of the ancient tomb."

"It's just... I don't know how many people have tried to enter the ancient tomb over the years, but none of them came out alive. At the end of the

story, Ge Zhenhong couldn't hide the fear on his face.

Tomb?

Hearing this, Yue Feng frowned and was a little disappointed. If it was a few years ago, he might still be interested, but now he just wants to get out of here as soon as possible, just wants to find the teleportation formation, and is really not interested in the ancient tomb.

"Mr. Yue!"

Just when Yue Feng was very bored, Ge Zhenhong couldn't help but said, "They're in, what should we do?" After speaking, Ge Zhenhong was eager to try, but thinking of the danger inside, he still couldn't muster the courage to go in.

Chapter 4903

Hu...

Yue Feng pondered for a while, and finally decided to say: "In this way, you meet me outside, and I will go in and have a look." After

speaking, he strode over.

"Be careful, Mr. Yue!" Ge Zhenhong responded, watching Yue Feng enter the forbidden area, and quickly hid in the grass beside him.

On the other side, after Yue Feng entered the forbidden area, the first thing that caught his eye was a bush, and passing through the bush was a wide open space, with stone pillars being dealt with in the open space.

Before approaching, Yue Feng felt a desolate aura on the stone pillar.

At the end of the square is the entrance of an underground passage. On both sides of the entrance, there are two huge stone beasts. Under the baptism of the years, the stone beasts are full of mottled cracks.

Tomb entrance? !

Seeing this scene, Yue Feng couldn't help but murmured in his heart, and then walked over quickly.

I went, it turned out to be an enchantment.

As soon as he walked in, Yue Feng was stunned. There was an enchantment in front of him. The enchantment was like a wave of water, but it was filled with powerful power. Because the enchantment was blocked, it was impossible to see the situation on the other side.

This group of people just passed through this barrier and entered? According to Ge Zhenhong, the most dangerous place in this sect ruins should be here.

Those people in the rivers and lakes who didn't get out alive before must have been trapped in this barrier...

Mumbling in my heart, Yue Feng walked over slowly and reached out to touch the barrier.

To be honest, if it were ten years ago, Yue Feng would never have dared to be so reckless, but after so many years, Yue Feng is already well-informed and does not panic at all.

hum...

As soon as the hand touched the barrier, a powerful force burst out from the barrier, and then a huge vortex formed on the surface of the barrier, directly involving Yue Feng

...

At that time, Yue Feng didn't have time to react, and he rushed into the whirlpool at once!

At this time, Yue Feng, under the powerful force of the enchantment, only felt that his head was about to explode, and at the same time tried his best to remain calm.

Yue Feng realized that this barrier seemed dangerous, but it was actually a portal. At this time, he was really transported to the inside of the ancient tomb.

Phew...

I don't know how long it took, Yue Feng felt that his feet touched the ground, and the squeezing feeling all over his body disappeared, and he immediately breathed a sigh of relief.

What made him depressed was that he couldn't see his fingers, and it was completely dark.

Crash...

But what makes Yue Feng a little reassured is that there is the sound of running water not far away, and the presence of water proves that there is a way. At that time, Yue Feng did not hesitate, he identified the position by listening to the sound, and walked towards the direction of the water.

After walking for a few minutes, some light appeared in front of him, and Yue Feng gradually saw the surrounding environment.

Holy crap, is this ancient tomb so big?

Yue Feng could clearly see that he was in a huge underground town at this time, and the position in front of him was the edge of the town, an underground stream gurgling through.

Not far away, is the intersection of this huge underground town.

Gudong!

At this moment, Yue Feng looked around and couldn't help swallowing his saliva. For such a large tomb, only the ancient tomb of Lu Bu could be compared to it.

Yue Feng saw that this ancient tomb was as big as Donghai City, with stone houses everywhere, like a huge labyrinth, and the dim light gave people an indescribably depressed feeling.

Facing such an environment, Yue Feng was not panic at all, but rather depressed.

If this is just a simple ancient tomb, there is definitely no teleportation formation, I am afraid that it will be a waste of time.

But it's all here, so let's check it out.

Thinking to himself, Yue Feng walked towards the center of the ancient tomb.

The ancient tomb is very large, and all the stone houses around are almost the same. Yue Feng walked for more than ten minutes, but did not find any strange places, and suddenly became a little interested.

Um?

However, at this time, Yue Feng discovered that the entrance of a stone house was deliberately marked in the shape of a flying eagle.

Is there any mystery in it, and it has been marked?

Yue Feng murmured in his heart, and immediately walked in quickly.

I go!

As soon as he entered the stone house, Yue Feng was stunned when he saw the scene in front of him.

Chapter 4904

saw that in the middle of the stone house, there was a huge treasure box, more than one meter high, the whole treasure box was made of pure gold, and it was shiny.

It's just a treasure chest, it's all so luxurious, and the contents inside are estimated to be even more valuable.

For a while, Yue Feng sighed in his heart, and walked over slowly, preparing to open the box, only to see a delicate lock hanging on it.

The lock should be made of special metal, with a dark luster, assembled from hundreds of small parts, very delicate.

Huh...

Seeing this lock, Yue Feng instantly understood something. Obviously, this treasure chest was discovered by someone who came in before. Since the lock could not be opened, he made a mark so that it would be easier to find when he came back.

Thinking of this, Yue Feng showed a smile.

You must know that this delicate lock is very cumbersome to others, but it is very simple to Yue Feng. After all, when Yue Feng was very young, he played with Luban locks and later became a cultivator. In terms of escaping, he also has superb attainments.

At this moment, Yue Feng did not hesitate at all, and directly unlocked the lock. At that time, I saw that gunpowder was stuffed in the center of the lock. If it was forcibly opened, the gunpowder would explode and destroy the treasure in the treasure chest.

No wonder the gang didn't dare to open it forcibly.

For a while, Yue Feng muttered in his heart, and slowly opened the treasure chest.

I went....

the moment I opened the treasure chest, even though Yue Feng was prepared, he was still surprised.

I saw that the treasure chest was full of light and filled with all kinds of jewelry. Not only that, but there were also some jade bottles. The jade bottles were sealed and filled with medicinal pills.

Really good stuff!

Looking at those jade bottles, Yue Feng couldn't help but admire secretly in his heart. Ziwei Continent's medicinal pills have been lost for thousands of years, and any medicinal pill is worth a fortune, and there are so many treasures in this treasure chest, the value can be imagined.

However, Yue Feng soon discovered that although these jade bottles were well preserved, after so long, most of the medicinal pills in them had failed.

Noticing this, Yue Feng shook his head regretfully.

"Brother, there are signs here!"

“Haha... There must be something good in the place where the Divine Carved Gate is marked .

“

Then, four figures rushed in quickly.

Nima!

The speed of the other party was very fast, and Yue Feng had no time to hide at all, so he was very depressed at the time.

But seeing the outfits of these four people, Yue Feng couldn't help laughing, haha... Are these four guys singing? Dressed so weirdly?

I saw that the four of them were supposed to be siblings. They were all about 30 years old. They looked exactly the same, with big heads and small bodies. They also wore very small clothes.

Even more ridiculous, they are still cross-eyed.

For a while, seeing these four brothers, Yue Feng suddenly thought of the four Sikong brothers from Ice and Fire Island, but the four Sikong brothers are tall and big, and these four are simply from the Lilliputian Kingdom.

It was funny in his heart, but Yue Feng didn't dare to take it lightly, because he clearly sensed that the four brothers in front of him were not weak.

These four brothers are on the rivers and lakes. They are known as the Four Ghosts of the North Sea. Their names are Tong Lao Da, Tong Lao Er, Tong Lao San and Tong Lao Si. The four brothers are both good and evil. They like to join in the fun. Here to explore the ruins of the tomb, I came here to find out.

anyone?

At this moment, the four brothers were stunned when they saw Yue Feng.

“Someone?”

“Oh, isn't it someone from Shendiaomen?”

“It doesn't look like it! Go and ask...” The

four brothers walked over quickly, surrounded Yue Feng, and immediately Boss Tong made a fierce look: “Boy, who are you? Why are you here alone?”

“I...”

Yue Feng's eyes turned, and he could see that the four brothers were very fond of that god-carved door. Out of fear, he opened his mouth and said, "I am a person from Shendiaomen, who are you? Dare to come here, didn't you see the sign of our Shendiaomen on the door?"

Chapter 4905 Phew

...

Seeing Yue Feng's serious appearance, the four brothers were stunned, and then looked at each other.

The next second, Tong Laosan couldn't help but whispered: "Is it really a divine carving?"

As soon as the voice fell, Tong Lao Er shook his head and pointed to Yue Feng: "This kid doesn't look great at all, And he didn't wear the robes of the disciples of Shendiaomen, he was frightening us."

"Good boy!" The voice fell, and Boss Tong glared

at Yue Feng: "You dare to play with us!"

When the lock was locked, Boss Tong suddenly looked shocked: "Oh, you can actually unlock the 'Heavenly Secret Lock'?" When he said this, the boss with a pair of eyes stared as if he saw a monster.

Wow..

At the same time, the three brothers next to him were also shocked.

"This kid is so powerful?"

"I can't tell."

While discussing, the four brothers couldn't help but looked up and down at Yue Feng, as if they had seen a ghost.

Seeing this situation, Yue Feng laughed secretly, he just unlocked a lock, why are these four brothers making such a fuss? However, he didn't know that five hundred years ago, there was a hidden sect Heavenly Secret Palace in Ziwei Continent, and it was best at organ formations. According to rumors, as long as you were trapped in the formations set up by the Heavenly Secrets Palace, don't even think about coming out again. The organs of the Tianji Palace are also unique.

The lock in front of him is the unique lock of the Heavenly Secret Palace. This kind of lock can only be unlocked by the disciples of the Heavenly Secret Palace.

Today, the Tianji Palace no longer exists. It can be said that there are almost no people who can unlock the Tianji lock, and this seemingly useless boy in front of him has been unlocked. Isn't it shocking?

Finally, the four brothers reacted and made a decision after looking at each other.

“Arrest him first!”

“That's right, maybe this kid is from the Heavenly Secret Palace.”

“Haha, if he is really from the Heavenly Secret Palace, we will keep him by our side in the future and let him deploy in case of danger. Formation, who is still our opponent on the rivers and lakes?”

Finally, the four brothers looked at each other and laughed, then rushed over and tied Yue Feng Wuhua.

What the hell!

At this moment, Yue Feng subconsciously wanted to resist, but his divine power did not recover. He was not the opponent of the four brothers at all. In the blink of an eye, he was tied firmly.

“Four heroes!”

Yue Feng said with bitterness on his face, unable to laugh or cry: “You have recognized the wrong person, I am not from the Heavenly Secret Palace, it is useless for you to arrest me.”

However, the four brothers did not listen at all and put him aside. , and began to study those jade bottles and jewels in the treasure chest.

“I've made a fortune!”

“Haha...”

Laughing loudly, the four brothers began to pack their treasures with great excitement.

Seeing this scene, Yue Feng almost wanted to cry without tears, Nima, originally came here to look for the teleportation array, but the teleportation array was not found, and I met four unreasonable idiots

...

Just when Yue Feng was secretly depressed, footsteps suddenly came from outside, and then, two figures walked in quickly.

One male and one female.

The man's face was cold, and he couldn't hide the arrogance between his brows.

The woman is beautiful and moving, but her body is filled with icy coldness that cannot be desecrated. It is the woman that Yue Feng saw before entering the forbidden area.

This woman is none other than the eldest sister of Shendiaomen, Lu Xiaoshuang.

The man is her junior brother, Du Leng.

Phew...

Seeing Lu Xiaoshuang and Du Leng coming in, the four brothers who were excited about the treasure were all taken aback, but seeing that there were only two of them, they gained confidence.

Seeing the scene in front of him, Lu Xiaoshuang's face was icy cold: "You guys are not too timid, you dare to touch my divine carving door." The

voice fell, and Du Leng said, "Course death!"

Hearing this, the four brothers looked at each other, Immediately, Boss Tong said with a look of disdain: "What's the thing about your Divine Carved Gate, this place is not the main altar of your Divine Carved Gate." The

voice fell, and the three brothers next to him nodded in agreement.

"That's right, it's yours when you see it first?"

"Whoever owns something is who it is." The

four brothers retorted one sentence at a time, and Lu Xiaoshuang was very impatient. The next second, he saw the open mystery. Lock, his pretty face suddenly changed, and he was shocked.

This...how did the secret lock get opened?

## **The ultimate husband in Chinese chapter 4906-4910**

Chapter 4906

Swish!

At this moment, the four brothers glanced at Yue Feng almost invariably.

In the next second, Boss Tong took a step forward with an arrogant expression on his face: "What is a mere secret lock? In the eyes of our four brothers, it's nothing at all." After the

voice fell, Second Boss Tong looked at Du Leng: "Others We are not afraid of you Shendiaomen, those who know each other, hurry up and get out." In fact, he knew the strength of Shendiaomen, but there were only two people in front of Du Leng, so Tong Lao Er was not false at all.

I have four brothers, and there are only two on the opposite side. If they really fight, my side also has the advantage.

Did you open it?

Lu Xiaoshuang frowned, obviously not believing it, but he was too lazy to talk nonsense, and said coldly: "This is what we found first, why did we leave?"

"Senior sister!" Du Leng immediately answered: "What do you want to say to these no-name soldiers?"

After speaking, Du Leng looked at the four bosses, with murderous intent in his eyes: "You four are really bold, you robbed us of Shendiaomen, and you are so arrogant. I tell you, immediately kneel down and apologize, maybe my senior sister can blame you, otherwise you will be at your own risk."

Wow!

Hearing this, the four brothers exploded in an instant. "Aiya

? Want to fight? I'm afraid you won't be able to do it?"

"You're very talkative, but I don't know if your strength is as powerful as you said.

"

Du Leng was completely furious when he heard my sentence, and said coldly, "You are courting death!" When the voice fell, Du Leng rose into the air, his arms spread out, like a soaring eagle.

This chapter is provided by . Visit for daily update.

hum!

In the next second, Du Leng pulled out a long knife and slashed towards the youngest child who was closest to him, only to see a flicker of cold light, and then a long shadow of the knife came out.

This sword shadow was completely formed by Du Leng's strength, and it was seven or eight meters long, like a dazzling lightning bolt, slashing towards Boss Tong fiercely.

What the hell!

Seeing this situation, Yue Feng secretly complained in his heart, Nima, he just broke in unintentionally, and then opened the treasure box out of curiosity, but was first bound by these four strange brothers, and now, Shendiaomen also came. . Although the two sides fought, but no matter which side wins, it is not good for Yue Feng.

Thinking to himself, Yue Feng kept calm, twisted his body secretly, and tried to break free from the rope.

“Ouch!”

“Be careful, old man!”

“This kid hits whenever he wants to? He doesn't even say hello, it's really unruly.”

At the same time, seeing Du Leng's shot, Tong Lao Er and Tong Lao San were standing beside him. , They were all shocked and screamed, and they all clearly felt that this Du Leng shot was a killer move, and he was determined to kill his boss.

Under the anger, the second child, the third child, and the fourth child, looked at each other, and immediately erupted, cooperating with the first child to deal with Du Leng.

Bang Bang Bang...

In the blink of an eye, the two sides fought fiercely in the stone house.

I saw that the four brothers cooperated tacitly, standing in four directions to surround Du Leng. At first, Du Leng was able to cope with it easily, but gradually it became unbearable.

“Ha ha!”

The four brothers fought more and more vigorously, and Boss Tong was full of pride, and mocked at Du Leng: “Boy, with your little ability, you dare to go wild in front of the four grandfathers? Today, I will let you know how good we are.” The

voice fell . , Tong Lao Er also sneered: “Yes, boy, you call us grandpa now, and we will spare you.”

Hearing this, Du Leng almost exploded with anger, "You are courting death!" The disciple of the famous and authentic, but now being ridiculed by the four rivers and lakes, how can he bear it?

Under his anger, Du Leng burst into power again. However, when he was calm, he was not the opponent of the four brothers. At this time, he lost his mind and was full of flaws.

boom!

Soon, the second child found an opportunity, rushed from behind, punched Du Leng in the back of the heart, heard Du Leng groan, the whole person flew out, and flew more than ten meters before smashing On the stone outside the stone house, his face instantly paled, showing weakness.

Chapter 4907

Dang!

The moment Du Leng was hit and flew out, the long knife in his hand also fell, and it happened to fall next to Yue Feng.

Haha...

Seeing this situation, Yue Feng was instantly excited. It seems that his luck is not too bad.

Thinking to himself, Yue Feng first glanced at Lu Xiaoshuang secretly, and found that her attention was on the four brothers.

Yue Feng was very careful and didn't dare to make a move at all.

At this time outside the stone house.

The four brothers hit Du Leng hard, and they were extremely proud of each other.

"Hehe, this is the strength of Shendiaomen?"

"But that's it!"

"Boy, do you still dare to be arrogant in front of us?"

Listening to the mockery, Du Leng's eyes instantly turned blood red, he gritted his teeth and did not respond, his eyes almost spurted out Huo Lai, Mad, these four brothers really have some fame, but they were originally going to show it in front of their senior sister, but they lost so badly, they really have no face.

The more Du Leng thought about it, the more angry he became, and turned his head to look at Lu Xiaoshuang: "Senior sister, I'm sorry, I have embarrassed Shendiaomen." Saying this, he bowed his head in shame.

"It's alright."

Lu Xiaoshuang's red lips parted lightly, and she said softly, "You were just negligent and lost to them. Even if the master knows about it, he won't blame you. Also, the knife you used just now, it lacks a bit of power."

"Let's see how Senior Sister handles them." After the

last word fell, Lu Xiaoshuang moved gently and walked out of the stone room slowly, staring at the four brothers with a pair of eyes.

I have to say that this Lu Xiaoshuang, as the eldest sister of Shendiaomen, is full of aura, and the moment she walked out of the stone house, the temperature around her seemed to drop a lot.

However, the four brothers didn't take it to heart at all. Instead, they all grinned at Lu Xiaoshuang.

"Oh, the beauty is about to take action." "I heard that Shendiaomen

has a very beautiful female disciple named Lu Xiaoshuang. She should be her."

"It should be, she looks so beautiful."

, rushed to Lu Xiaoshuang and said: "Beauty, our four brothers don't beat women, you ask your junior brother to kowtow to us and apologize, and then leave, it's all over." The

voice fell, and the three next to him nodded again and again.

"Yes, kowtow and apologize!"

"This is because the four of our brothers are looking at the beauty, otherwise, this kid will suffer."

"If you don't want your junior brother to apologize, hehe, just kiss our four brothers. "The more the

four brothers talked, the more arrogant they became. At the end, they laughed arrogantly. In their hearts, after defeating Du Leng, they all swelled up, and they didn't take Lu Xiaoshuang seriously at all.

I go!

Seeing this situation, Yue Feng secretly laughed.

These four brothers are really timid and timid. They all look like they came out of Lilliput, but they are still so lecherous. I'm afraid they will suffer later.

Although Yue Feng was imprisoned, he could feel that Lu Xiaoshuang was much stronger than Du Leng.

Swish!

At this moment, Lu Xiaoshuang's delicate face was also extremely cold: "You four shameless people, if I don't kill you today, I will not be Lu Xiaoshuang." The voice fell, and Lu Xiaoshuang left.

Immediately afterwards, a long sword appeared in Lu Xiaoshuang's hand and swung it into the air.

hum!

The next second, I saw a sword shadow burst out, like a shock, coming straight to the four brothers. At this time, Lu Xiaoshuang's attack was exactly the same as Du Leng's just now, but its power was more than doubled. .

Feeling the power of this sword, the four brothers were all surprised.

"Oh, this beauty has something."

"Come on together!"

shouting, the four brothers rushed up and deployed a protective film in front of them in an attempt to block the sword shadow. However, the protective film was condensed. The sword shadow was instantly defeated.

Immediately afterwards, Jian Ying's Yu Wei directly slammed into Tong Lao Da and Tong Lao Er. Hearing them groan at the same time, Qi Qi spurted out a mouthful of blood, and staggered back.

When the four brothers fought against Du Leng just now, they had already consumed a lot of strength. At this time, facing Lu Xiaoshuang with all their strength, they naturally couldn't resist it.

Chapter 4908

"Boss, second child!"

"Oops!"

Seeing this scene, Tong Lao San or two standing behind suddenly exclaimed and rushed up one after another, supporting Tong Lao and Tong Lao Er.

“You dare to despise our Divine Carved Sect.”

At this time, Lu Xiaoshuang walked over slowly, her delicate face was frosty, without the slightest expression: “Now you know how powerful our Divine Carved Sect is.”

“Senior Sister!”

At the same time, Du Leng, who was sitting not far away, was full of excitement at this time, and shouted: “Kill them.”

Lu Xiaoshuang nodded, holding the long sword tightly, his eyes directly locked on Tong Laosan and Tong Laosi: “You guys are lucky, the power of the sword just now was blocked by your two brothers, but you don’t have to get lucky, because it’s you next.”

Hearing this, Tong Laosan and Tong Laosi looked at each other, all look complicated.

“I don’t believe it!” The

next second, Tong Laosan gritted his teeth and took a step forward to look closely at Lu Xiaoshuang: “Our four brothers can’t even beat a woman, beauty, don’t be complacent, we were careless just now. Now I’ll be with you one-on-one.”

While speaking, Tong Laosan whispered to Tong Laosi: “Second brother, I’ll hold this bitch, you take the eldest and the second child and leave quickly.”

Tong Laosan is very clever. He knows that if he continues to fight, his four brothers may not survive, so he can only find a way to hold Lu Xiaoshuang and let the three brothers leave first.

Tong Laosi didn’t respond, his brows furrowed, very tangled.

Tong Lao Da and Tong Lao Er were also worried.

Afterwards, the eldest child couldn’t help but said: “The third child, don’t be confused, you can’t stop her alone. You and the fourth child leave quickly, the second child and I will be fine.”

“No!”

He categorically refused: “Our four brothers, we live together, and we die together.”

Phew...

Seeing this scene, Yue Feng's eyes showed a bit of approval. Although the behavior of these four brothers was somewhat disgusting, the brotherhood between them is still very rare.

"None of you can leave today." At this moment, Lu Xiaoshuang snorted coldly, tapped his toes on the ground, and came straight to Tong Lao San and Tong Lao Si: "Aren't you two brothers in love? Let's die together."

"Falling down, Lu Xiaoshuang's power exploded, the long sword in his hand vibrated in a low voice, and a sword shadow was drawn, covering Tong Lao San and Tong Lao Si.

Tong Laosan and Tong Laosi looked at each other without any hesitation.

Stab...

In less than two rounds, I heard a soft sound, and I saw that the blood on Tong Laosan's shoulder was dripping, and Lu Xiaoshuang had already been hit by a sword. Although Tong Lao Si was not injured, his face was pale, and it was obvious that he was about to stop.

"The third, the fourth."

Seeing this situation, the eldest child was so anxious that he kept shouting: "You guys go, I'm the eldest, you have to listen to me, go..."

Second child Tong He also shouted: "Yeah, if you don't leave, none of our four brothers will survive."

Mad!

Hearing the call, Tong Laosan clenched his teeth tightly, his funny face was full of unwillingness, and then shouted at Tong Laosi: "Elder Fourth, listen to the boss, let's go, if the boss and the second have a good or bad relationship, We fought our lives to avenge them."

To be honest, Tong Laosan didn't want to leave, but he also knew in his heart that if he continued to fight, his four brothers would really sleep here forever. If they escaped, there would still be a chance.

Tong Laosi also had blood-red eyes, and nodded reluctantly.

Bang Bang...

The next second, the brothers took out the dark beads from their bodies and slammed them on the ground, and instantly a black mist spread out, shrouding their figures.

The black beads were obtained by accident when the four brothers were exploring a cave. It is said that they belonged to the Heavenly Secret Palace. They contained special drugs. The explosion would create fog, and they could escape danger and save their lives at critical moments.

“Tianji Palace’s ‘Thunderbolt Mist Bomb’?”

His vision was blocked, and Lu Xiaoshuang frowned. He couldn’t help but muttered. At the same time, he stopped subconsciously. disappeared.

Chapter 4909 A

bit interesting!

At this moment, looking at the gradually disappearing black fog, Yue Feng frowned, and couldn’t help but secretly said, this Heavenly Secret Palace can actually research so many strange things, but unfortunately it no longer exists, otherwise, you must go Check it out.

Thinking to himself, Yue Feng adjusted his posture and continued to cut the rope on his hand with a long knife.

hateful!

At this moment, Lu Xiaoshuang reacted, his delicate face was full of anger, then turned his head and looked the two bosses coldly.

The eldest child and the second child were relieved. Although they were both injured, the third and fourth managed to escape, and the result was not bad.

The next second, Boss Tong looked at Lu Xiaoshuang: “Beauty, you...”

Before he could finish speaking, he saw Lu Xiaoshuang clenching his sword and stabbed directly. Before Boss Tong could respond, his heart was stabbed. Out of a hole, blood gushed out, fell directly, and died of breathlessness.

After killing Boss Tong, Lu Xiaoshuang turned his sword and stabbed Boss Tong to death.

“Breaching the divine carving door, and being rude to me, damn it.” After killing two people, Lu Xiaoshuang said coldly, without changing his expression, and wiped the blood from the long sword on the brothers, then put it away. up.

“Haha...”

Du Leng, who was not far away, was full of pride, and at the same time rushed to Lu Xiaoshuang and said, "It's still a great senior sister."

After speaking, Du Leng thought of something and said, "Oh, I forgot to ask just now, how did you open the secret lock?" You must know that although the secret palace no longer exists, there are many ruins of the secret palace in various parts of the Ziwei Continent. Among these sites, many entrances are sealed with this secret lock. Living.

If you know how to open the Tianji lock, it will be much easier to find the ruins of the Tianji Palace in the future and retrieve the treasures inside.

It's a pity that of these four brothers, two died and two ran away.

"You are wrong!"

Hearing Du Leng's words, Lu Xiaoshuang's delicate face did not fluctuate in the slightest. He shook his head and said, "It wasn't these four brothers who opened the secret lock, but the person inside."

After speaking, Lu Xiaoshuang turned around. He glanced at Yue Feng.

As the senior sister of Shendiaomen, Lu Xiaoshuang has a delicate mind. When Boss Tong said just now that they opened the Tianji lock, she could see that the four brothers were just bragging, and they didn't know how to open the lock at all.

Another point is that the person who was bound inside has no strength at all, and is no threat to the four brothers, but the four brothers even tied him up. Obviously, this person has an unspeakable secret.

Combining these two points, Lu Xiaoshuang concluded that the person who really opened the secret lock was Yue Feng.

What the hell!

Lu Xiaoshuang suddenly looked over, making Yue Feng very nervous, and when he heard her words again, he was even more shocked.

This woman is amazing, she can actually guess that it was the secret lock that I opened.

"He?"

At the same time, Du Leng was also stunned, looking at Yue Feng from a distance: "Is this kid capable of this?"

Whoa...

At this moment, Lu Xiaoshuang was about to respond when he heard footsteps. It came, and soon, several figures came quickly, and they saw that they were wearing uniform clothes, and they were the disciples of Shendiaomen.

“Elder Sister!”

When they got to the front, several people greeted Lu Xiaoshuang in unison, and they were all shocked when they saw the situation in front of them.

They saw that Du Lengpan was sitting there, his face pale and obviously injured.

In front of Lu Xiaoshuang’s eyes, the eldest child and the second child of Tong lay in a pool of blood, no longer breathing.

“Senior Brother Du? What’s the matter with you?”

“What happened?”

Listening to everyone’s inquiries, Lu Xiaoshuang’s expression remained unchanged, and he said lightly, “Nothing, something happened just now, but it’s alright.

” Lu Xiaoshuang ordered several disciples: “You two take Du Leng to rest, and the rest, go after the two short men, the two of them look the same as the dead ones, and if you find them, kill them. “

Yes, Senior Sister!”

After hearing the order, the two disciples quickly helped Du Leng up and took him to a quiet place to recuperate. The remaining few, under the instructions of Lu Xiaoshuang, went to Tong Lao San and Tong Lao. Four chased in the direction of escape.

Chapter 4910 In the

blink of an eye, everyone walked cleanly, only Lu Xiaoshuang and Yue Feng in the stone house were left.

Phew...

Seeing this, Yue Feng couldn’t help taking a deep breath.

I can’t see that this Lu Xiaoshuang is delicate and weak, and her status in the Shendiaomen is not low. Whether it is the disciples of the Shendiaomen or the Du Leng just now, they are all obedient to her. It can be seen that this woman’s wrist is very Not normal.

Swish!

Just when Yue Feng was thinking about this, he saw Lu Xiaoshuang slowly turning around, and a certain pair of eyes locked Yue Feng directly.

What the hell! It's over...

Lu Xiaoshuang's eyes seemed calm, but Yue Feng's heart skipped a beat.

At this time, Lu Xiaoshuang walked over slowly, came to the front, looked down at Yue Feng, and her red lips raised a cold and arrogant arc: "What's your name?" The voice was clear and pleasant, but there was no doubt.

Yue Feng thought for a while and replied, "Yue Feng!" Anyway, this is not Hidden Dragon Town, so there is no need to hide the name.

Yue Feng...

Lu Xiaoshuang whispered to himself, making sure that Yue Feng was not from the rivers and lakes, and continued to ask: "I ask you, why did the four brothers tie you up just now? Is it because you turned it on? Heavenly Secret Lock?"

While saying this, Lu Xiaoshuang stared at Yue Feng's change of expression.

call...

Yue Feng breathed a sigh of relief, calmed himself secretly, and said with a smile: "How can I have such great ability, in fact, I am a mountain person. I saw a lot of people entering a secret passage through here today, so I followed up curiously. After arriving here, I accidentally found that the four brothers had opened the treasure box in this stone house, so I came over to take a look."

"It turned out that it was not hidden at the time, they were discovered, and then they were tied up."

When saying this, Yue Feng looked very scared.

At the same time, Yue Feng's eyes couldn't help but look at Lu Xiaoshuang. I have to say that this Lu Xiaoshuang is really beautiful, with a proud figure and delicate facial features. Standing next to Su Liner, they have their own merits.

If Su Liner is a gentle lily, then this Lu Xiaoshuang is a cold orchid.

Hearing the answer, Lu Xiaoshuang frowned slightly: "According to you, the four brothers really opened the Tianji lock?"

"Yes!" Yue Feng nodded in response without hesitation.

As soon as the words fell, Lu Xiaoshuang chuckled lightly.

For a while, seeing her smiling face, Yue Feng suddenly felt a little dazed, and before he could react, Lu Xiaoshuang suddenly raised his right foot, landed directly on Yue Feng's shoulder, and stepped on him like that.

hiss!

This kick, Lu Xiaoshuang was very hard, the pain came, Yue Feng couldn't help gasping for air, and he was also shocked and angry, Mad, this woman is really difficult to deal with, if she turns her face, she turns her face.

To be honest, if her divine power was restored, Yue Feng would not take her seriously at all, but from time to time, her divine power was still imprisoned, and she had no resistance at all.

"Beautiful..." Yue Feng opened his mouth. He wanted to call beauty, but he immediately changed his mouth when he felt it was inappropriate: "Woman, everything I said is true, please raise your hand."

Gudong!

Just as he was talking, Yue Feng was stunned for a moment. At this time, Lu Xiaoshuang was stepping on his shoulder with his feet raised. So, from his perspective, he could just see Lu Xiaoshuang's long snow-white legs. Into his eyes, at that time Yue Feng only felt that his blood was surging, and his mind was blank.

It's just that the feeling of being stepped on by a woman is really uncomfortable.

"Pretend?"

Facing Yue Feng's begging for mercy, Lu Xiaoshuang sneered: "Do you really think I'm so easy to deceive? If they can really unlock the secret lock, I won't kill them, you don't look like a Jianghu person, But you can come here, and it is not something ordinary people can do."

After speaking, Lu Xiaoshuang looked at the hands tied behind Yue Feng, the rope on it had been cut in half: "You have been cutting the rope with a long knife just now, Think I can't see it?"

"Come on, how did you open the secret lock? If you're trying to deceive me, go to the underworld and be with those two people."

At the end of the conversation, Lu Xiaoshuang waved his long sword, Directly across Yue Feng's neck.

What the hell!

There were bursts of coldness coming from the long sword, Yue Feng couldn't help swallowing his saliva, his heart was extremely bitter.
