Chapter 4931

Swish!

At this moment, everyone's eyes converged on Yue Feng.

Sun Haocheng stood on the footcloth, looked back at Yue Feng, and frowned slightly: "What? Is there something else?" When he said this, Sun Haocheng looked arrogant, and his eyes showed a bit of contempt.

In his opinion, Yue Feng thought that the money was too little.

Bai Lin and Ye He looked puzzled, Yue Feng, why don't you let these gods of plague go away, what are you doing to stop them?

Huh....

Under the attention of everyone, Yue Feng breathed a sigh of relief, pointed to the mess in the hall, and said to Sun Haocheng: "Young Master Sun beat someone again just now, and he wants to kill people and burn the house, good Shuiyue. Do you want to walk away now that the dock is like this?" The

voice was not loud, but it gave off an irrefutable aura.

When the words fell, the faces of the big men around changed, and Sun Haocheng frowned even more, and his heart was full of anger, what does this kid mean? Want me to pay?

Thinking to himself, Sun Haocheng chuckled lightly and said lightly, "What do you mean?" His

tone was indifferent, but his eyes were filled with murderous intent.

In an instant, the atmosphere of the entire hall became extremely solemn.

Yue Feng did not panic at all, and slowly spit out a few words: "The gold you gave should be able to compensate for these losses, but you just indulged your subordinates, and you should apologize to her in person." When it came to the final time, Yue Feng pointed to Bai Lin.

To be honest, they beat Ye He just now, Yue Feng didn't bother to care, but they made Bai Lin smash her head, which made Yue Feng unable to bear it. Yue Feng has always been very principled, he saved Sun Wan'er, they should give money, but one yard is for another, if they hurt Bai Lin, they have to apologize.

Hiss...

Hearing this, Ye He couldn't help taking a deep breath, and his face changed greatly. Is this Yue Feng's brain sick? He even talked to Sun Haocheng like this and asked him to apologize?

Bai Lin next to her was also nervous, her heart was about to jump out.

Swish!

But at this moment, the big men who followed Sun Haocheng were all shocked and angry, their eyes locked on Yue Feng.

The big man at the head was even more furious. He raised the long knife in his hand and pointed at Yue Feng: "You are looking for death. Don't think that you saved the young lady, so you can be proud of yourself."

"I'm afraid you have forgotten the identity of my young master. Do you want him to apologize? Believe it or not, I have abolished you?"

This big man is called Cao Yong, Sun Haocheng's capable bodyguard, who is used to being arrogant and domineering with Sun Haocheng on weekdays. At this time, how dare you so brazenly ask the young master to apologize? I couldn't help it immediately.

When the words fell, Cao Yong held the long sword tightly and strode towards Yue Feng.

Sun Haocheng watched from the sidelines with no intention of stopping.

Ha ha...

Seeing this situation, Ye He sneered secretly and looked at Yue Feng's eyes with a bit of schadenfreude.

Obviously it's all right, this Yue Feng has to court death, and he deserves to be hacked to death later.

Originally, Ye He was very unhappy with Yue Feng because of his junior sister, but when he saw him asking for trouble, he was immediately excited.

"Don't..."

Seeing this situation, Bai Lin became anxious all of a sudden, she quickly stood in front of Yue Feng, and said to Cao Yong, "Your lady is already well, you can't mess around here."

Saying that, Bai Lin looked back at Yue Feng: "Forget it, Yue Feng, the wound on my head is fine, let them go."

Yue Feng pulled her back and shook his head calmly: "You don't have to worry about it. Now, let me deal with it, no matter who you are, you have to follow the rules and apologize when you hit someone, this is only right and proper."

Oh?

Hearing this, Cao Qiong laughed, with a grim expression on his face: "Good boy, you're still panting when you say you're fat? Give you some color, do you really think my young master is easy to talk to?" The

last one The words fell, Cao Yong stopped talking nonsense, and the long knife looked directly at Yue Feng.

Seeing this scene, Ye He's face was nervous, but his heart was excited. Yes, that's it, it's better to hack this Yue Feng to death.

Bai Lin screamed in fright and closed her eyes.

Chapter 4932

Yue Feng was standing there, motionless, his expression as usual.

"Brother..."

At this critical moment, Sun Wan'er at the door walked over quickly and shouted at Cao Yong, "Cao Yong, what are you doing? Stop!"

Hearing the young lady's reprimand, Cao Yong immediately stopped there and said embarrassingly: "Miss, this kid is rude to the young master, I will teach him a lesson and let him remember."

After speaking, he glanced at Sun Haocheng subconsciously.

Sun Haocheng's face was gloomy and he didn't speak.

Sun Wan'er came over and took Sun Haocheng's arm: "Brother, how did you hit people just now? Didn't Dad always teach us to be kind to others? Look, you guys even smashed things."

“Little sister!” Sun Haocheng took a deep breath. With a sigh, he glared at Ye He who was not far away, and said lightly: “You were in a coma just now and didn’t know the situation. You were in critical condition just now, and you almost died. I didn’t demolish this place. I got the money.”

Having said that, Sun Haocheng glanced at Yue Feng coldly: “Boy, the money you gave just now is enough to buy a new set of items here, you don’t have to make an inch.”

Yue Feng chuckled and didn’t respond.

This is Sun Wan’er anxious: “Brother, don’t be like this, he is right, you have to apologize if you hit someone. Otherwise, I…” As she was talking, she might be too anxious, and her body itself just weak, Sun Wan’er softened in the suburbs and almost fainted.

“Little sister!”

Sun Haocheng was startled, he quickly held it up, and then nodded with gritted teeth, “Okay, I apologize!”

Having said that, Sun Haocheng turned his head to look at Bai Lin: “I offended a lot just now, I can’t afford to lose it.” Speaking of which, he is the eldest young master of the Sun family and will never apologize to anyone, but the younger sister is still very weak. Sun Haocheng was in a hurry to take her back to recuperate, so he could only admit it temporarily.

“No… it’s fine!” Seeing Sun Haocheng really apologize, Bai Lin was very frightened.

Sun Haocheng stopped talking nonsense, waved his hand, supported Sun Wan’er, and at the same time greeted Cao Yong and others to leave.

“Boy!”

When he reached the gate, Sun Haocheng turned his head to look at Yue Feng, his eyes were as sharp as a sharp blade: “I remember you, we will have a future.”

Mad, my sister will not care about you here, let’s wait and see.

Feeling the coldness in Sun Haocheng’s eyes, Yue Feng smiled lightly, not taking it to heart at all: “Young Master Sun, walk slowly.” Sun

Haocheng snorted coldly and led people away.

call!

As soon as his forefoot left, Yue Feng breathed a sigh of relief, picked up the gold ingot on the table, and handed it to Bai Lin: "I had a false alarm just now, but I also got a reward, so it's not bad."

After speaking, he was about to bend over Go and help pack things up.

"Hey!"

At this moment, Ye He walked over quickly, grabbed something from Yue Feng's hand, and pointed at the gate: "Your illness is cured, don't be shameless here, you hurry up Let's go."

His attitude was arrogant, and he was completely different from the cowardly appearance just now.

Yue Feng looked at him and ignored him.

Ye He suddenly became anxious and shouted, "What do you mean? You still want to stay here, don't you? Let me tell you, you provoked that young master just now, do you know who he is? That's a famous wealthy family nearby. Son, you just asked him to apologize, he won't let you go."

"If you still have some conscience, you'd better leave now, otherwise, our Shuiyuewu will definitely be implicated by you. Don't forget, Master saved you and let you rest here, not to cause you trouble. At

this time, Ye He was full of disgust and impatience.

Ma De, this Yue Feng is a broom star. If anyone is unlucky, let him get out of here.

"Senior brother!"

Bai Lin couldn't stand it any longer, and pulled Ye He: "What are you doing? Yue Feng did nothing wrong just now, but those people are hateful, why did you drive him away?"

"He If you don't leave! We will be in more trouble at Shuiyuewu." Ye He's face was full of anxiety: "You didn't see that Young Master Sun left just now, and he will definitely come back to make trouble."

Hearing this, Bai Lin bit her tightly . He pursed his lips and fell silent.

A few seconds later, Bai Lin's face was firm: "Anyway, I don't agree with Yue Feng's departure. He has just woken up and needs to recuperate. Besides, if he hadn't rescued that Miss Sun just now, we would both be in trouble."

Chapter 4933

“In this way, Yue Feng is still the benefactor of the two of us. If you drive him away now, is your conscience justified?”

Bai Lin is kind-hearted. He didn't dare to let go of a fart, it all depended on Yue Feng, and now that the person left, he drove Yue Feng away again.

“I...”

After speaking, Ye He was speechless. After a few seconds, he reacted and argued: “That's what I said, but Junior Sister, wait for that Sun Haocheng to really come to trouble you. Is there a way?”

This time, it was Bai Lin's turn to stand there, biting her lip, not knowing how to answer.

At this moment, Yue Feng said lightly: “If he comes again, I have a way to deal with it.”

Then, he looked at Bai Lin: “Don't be afraid! There is me!”

Hmm!

Bai Lin nodded. She was nervous at first, but at this moment she relaxed a lot. She didn't know why. She and Yue Feng had only known each other for a day, but she had an inexplicable trust in her heart.

you deal with? Ye

He almost couldn't help jumping up: “Then Young Master Sun is surrounded by a lot of guards, how do you deal with it? You look so sick, what do you do with it?”

Yue Feng is really able to blow.

However, Yue Feng ignored him at all and smiled at Bai Lin: “Master is coming back soon, let's clean up this place.”

Hmm!

Bai Lin nodded, tacitly ignoring Ye He, and started cleaning the hall with Yue Feng.

“You...”

“Junior sister, can you listen to me?”

Ignored by the two of them, Ye He almost smoked with anger, but he was helpless. In the end, he felt bored and went to the back angrily.

After a while, Yue Feng and Bai Lin cleaned the hall.

“I’m coming!”

At this time, seeing Bai Lin going to light the sandalwood incense, Yue Feng’s heart moved, he walked over, took the lead in lighting the sandalwood, and inserted it into the incense burner. But at this time, Yue Feng quietly took some special medicinal powder and sprinkled it in the incense burner.

The medicinal powder, called Qinxincao, belongs to a special kind of spice. When she was dispensing the medicine for Sun Waner just now, Yue Feng got some and hid it on her body. This Qinxincao powder has a unique fragrance mixed in the sandalwood. Makes people powerless.

Speaking of which, Yue Feng had already thought about what Ye He said just now, but Sun Haocheng was used to being arrogant and domineering. He must have been very upset when he asked him to apologize in public just now, and he might come back for trouble soon.

So after thinking about it, Yue Feng decided to plan ahead and prepare first.

After lighting the sandalwood, Yue Feng picked up the teapot next to him, secretly put the antidote in it, and then said to Bai Lin, “Go make a pot of tea. After cleaning for so long, I’m so tired.”

“Okay!”

Bai Lin said. Lin responded, took the teapot, and was about to make tea. She was virtuous and did not have the slightest dissatisfaction with Yue Feng’s orders.

However, at this moment, Ye He heard the movement and walked in quickly from behind, staring at Yue Feng and shouting, “You kid can enjoy it. If you want to drink tea, why don’t you go back and burn yourself? My master is just kindly taking you in. I didn’t want you to be an uncle here.” After

speaking, Ye He said to Bai Lin, “Junior sister, don’t burn it, let him do it himself.”

At this time, Ye He was very upset, Ma De, for the past few years , I haven’t had the tea that my sister-in-law made yet. You’ve only been here for two days, and you’ve made your sister-in-law a servant girl?

Yue Feng sat there, closed his eyes and rested his mind, ignoring it at all.

Ye He was instantly angry and was about to come to the theory.

“Okay!”

Seeing this scene, Bai Lin hurried over to persuade him: "Senior brother, what's the matter with you, the past two days have been so temperamental, the master said before leaving that Yue Feng is weak and needs to rest. It's okay for me to make tea for him, I just happened to be busy for a while, and I'm thirsty too." After

speaking, he quickly went to make tea.

Ye He snorted and stopped talking, but his face was still extremely ugly.

Soon, Bai Lin made the tea, and Ye He couldn't wait to bring a cup and tasted it beautifully: "Well... the tea brewed by junior sister is delicious."

Bai Lin pursed her lips and smiled: "If it is good, drink more. Come on, don't pick on Yue Feng's fault again later."

Chapter 4934

Ye He looked unhappy, and argued strongly: "How can I pick on him? It's because he likes to cause trouble, okay..."

"Okay..."

Bai Lin was very helpless, pursed her lips and smiled: "Yes He has a lot of things to do, brother, don't talk about it, let's drink tea."

After speaking, Bai Lin brought a cup to Yue Feng, and with a trace of embarrassment on the delicate face in front of her, she whispered: "Yue Feng, you Don't mind, my senior brother is just like that, you don't have ordinary knowledge."

Yue Feng smiled and nodded, Ye He's ridicule, he didn't take it to heart at all.

At this time, Yue Feng's attention was all on the tea. Just now, Bai Lin and Ye He both drank the tea, and the Qinxin grass in the sandalwood was ineffective for them, so there was no need to worry.

Next, wait for Sun Haocheng to come to the door.

Boom!

Just as he was thinking about it, he heard that the gate of the courtyard was kicked open. Then, Cao Yong rushed in aggressively with a dozen big men.

Oops!

Seeing this scene, both Ye He and Bai Lin's expressions changed, especially Ye He, who was furious at the time and glared at Yue Feng. It was him who had to provoke Sun Haocheng. came back for revenge.

"Stinky boy!" At this time, Cao Yong stared fiercely at Yue Feng: "Just now you were very courageous, you dared to ask our young master to apologize? Hurry up and get out." Just now after Sun Haocheng sent his sister home, he directly asked Cao Yong to bring someone back to find him. Yue Feng's troubles.

Sun Haocheng gave a clear order to cut off Yue Feng.

Yue Feng looked as usual, slowly put down the teacup, and looked at Cao Yong with a half-smiling smile: "What did you ask me to do? If you come to make amends, just come in and kowtow a few times for me. You don't need to make such a big fanfare."

Crazy !

Hearing this, Ye He took a deep look at Yue Feng, as if he had encountered a fool, and immediately pulled Bai Lin and dragged her back: "Junior sister, hurry up, let's hide."

"You What are you doing?" Bai Lin couldn't help struggling, but couldn't shake Ye He's hand.

Ye Hefei said quickly: "Can't you see it? Then Young Master Sun sent someone to trouble him. Even if we are intentional, we won't be able to help. It's better to hide."

Bai Lin couldn't beat him, so they had to hide together. Pharmacy in the back.

Swish!

At this moment, Cao Yong was also very angry, he jumped up, pointed at Yue Feng and shouted angrily: "Good boy, I still dare to speak up, if I don't teach you a good lesson today, I won't be called Cao Yong, give it to me, get it Cut off his hand and foot!" The

voice fell, Cao Yong took the lead and charged directly towards Yue Feng, followed by the big man behind!

Ha ha!

Yue Feng looked indifferent, watching Cao Yong's fist, he didn't flinch at all, standing there without moving!

Brat, how dare you pretend?

Seeing Yue Feng like this, Cao Yong became even more angry, and immediately accelerated his speed, but when he was about to rush to Yue Feng's face, he suddenly trembled and frowned!

what's the situation?

At this time, Cao Yong's face suddenly turned very bad. It was strange. He was fine just now. Why was he suddenly soft and unable to exert any strength?

At the same time, the big men who rushed after Cao Yong also all turned aside and stopped one by one!

They also clearly felt that they suddenly became very weak, and they could hardly stand still.

"what happened?"

"I can't use any strength!"

"Me too...Ma De, it's really evil!"

Cao Yong panicked when he heard the words of his companion behind him, and then looked at Yue Feng in surprise, Ma De, Is it his fault?

Hehe...

Just when Cao Yong was in doubt, Yue Feng chuckled lightly and walked over slowly: "Just these two times, do you still want to trouble me?" The voice fell, Yue Feng raised his hand and slapped Cao Yong's hand. face.

Snapped!

With this slap, Yue Feng almost used all his strength, when he heard Cao Yong groan, he staggered back and almost sat on the ground.

"You...you dare to hit me?" Cao Yong covered his face, only to feel that half of his face swelled up in an instant. He was about to explode with anger. Since he followed Sun Haocheng, Cao Yong foxed and pretended to be a tiger, only to bully others, what? Have you ever suffered such a loss?

Chapter 4935

"What's wrong with hitting you?" Yue Feng said indifferently: "I just saved your lady's life, you should come over and kneel down to thank me, but you repay your grievances and bring people over to ask for trouble, shouldn't you hit me?" Papapa

...

the voice fell, Yue Feng raised his arm, swung it round, slap after slap, slapped Cao Yong's face non-stop.

Cao Yong was beaten and shouted: "Oh, you are special, I have to abolish you..."

The big men behind him were also furious and wanted to rush up to help, but they were all limp. I couldn't exert any strength, and I could barely stand still, so I could only watch.

Clap clap clap... The

crisp slaps in the face kept ringing in the hall. At first, the big men in the back were a little angry. Gradually, seeing Yue Feng's ferocity, they all jumped up in fear.

At this time, Ye He and Bai Lin, who were hiding behind, couldn't help sneaking in to check the situation.

This...

just entered the hall, and when they saw the scene in front of them, both brothers and sisters trembled, completely dumbfounded.

what happened?

The two clearly saw that Yue Feng was standing there, slap after slap on Cao Yong's face, while Cao Yong was powerless to fight back and shouted in pain.

Ye He's eyes widened in disbelief.

Impossible, this Yue Feng disease has not been healed yet, and it looks weak and weak, how can he beat this Cao Yong so badly? How could this be?

Bai Lin was also stupid, her delicate body trembled faintly, she stared at Yue Feng blankly, almost unable to stand still.

Unexpectedly, this Yue Feng looks thin and weak, but at the critical moment, he is actually such a man.

It's just... how did he do it so that Cao Yong was powerless to fight back?

At this time, neither brother nor sister knew that Yue Feng had walked in the incense burner in the hall before, and there was an antidote in the tea he just drank. So the brothers and sisters have nothing to do.

And Cao Yong and the others, just rushed into the house and inhaled the fragrance of Qinxincao, and they all fell for it.

Yue Feng didn't know how many times he slapped him, but finally stopped, kicked Cao Yong's ass, and said coldly, "I'll spare you this time. Next time I dare to make trouble, it won't be as simple as a slap in the face."

Yue Feng didn't use much force on his foot, but Cao Yong was still unsteady.

"You..."

At the moment when he got up, Cao Yong's face was dark with anger, and he pointed at Yue Feng's hysterical shouting: "Wait, wait for me with your special code. Have you heard of the Sihai Gang? I know you. Master of the Four Seas Gang, you are doomed."

After saying harsh words, Cao Yong took the people and walked away in embarrassment.

Four Seas Gang? Isn't the leader the same Gu Sanniang you knew before?

Thinking to himself, Yue Feng smiled slightly: "Okay, I'll wait." After speaking, he sat leisurely in the pavilion.

Hiss...

But at this moment, Bai Lin and Ye He were both shocked.

This Cao Yong actually knew people from the Four Seas Gang. You must know that the Four Seas Gang is an organization on the rivers and lakes.

This time things are really messed up.

At this time, watching Cao Yong and the others go away, Bai Lin walked over quickly, bit her lip and said to Yue Feng: "Yue Feng, why don't you leave quickly, the Four Seas Gang is very powerful, and we can't afford it."

If the situation just now, Bai Lin would not have said that, let alone let Yue Feng go, but now the situation is different, then Cao Yong has something to do with the Sihai Gang...
The

Sihai Gang is even afraid of the Jianghu people like snakes and scorpions. Feng is just an ordinary person, can he afford it?

"Did you hear me?"

Seeing the junior sister taking the initiative to speak at this time, Ye He was immediately confident: "Get out of here, don't you think you're causing enough trouble?"

Yue Feng ignored him, but looked at Bai Lin with a smile: "Don't worry, I caused the trouble and won't affect Shuiyuewu. Besides, you have seen the situation just now. If I'm leaving, then Cao Yong will definitely use you to vent his anger."

"Don't panic, this one. I'll handle the matter."

This...

Hearing this, Bai Lin pondered.

Ye He became angry all of a sudden, almost jumped up and scolded: "Yue Feng, are you sick? Then Cao Yong is supported by the Sihai Gang? How do you deal with it? Do you insist on Shuiyuewu to accompany you? Unlucky, you are happy, aren't you?"

The ultimate husband in Chinese chapter 4936-4940

Chapter 4936

"Get out of here before the master comes back."

"Also, if Cao Yong brings someone back, we will say that you are gone, and you are here to recover from your injuries, and it has nothing to do with us. "

Let's go, let's go..." At the

end of the story, Ye He looked impatient.

Hearing this, Yue Feng frowned, looked at Ye He and said, "Don't worry, I won't cause trouble to Shuiyuewu. Even if there is trouble, I will solve it completely."

After that, Yue Feng turned to look With Bai Lin: "You guys are busy with your work, I'll go outside and wait for that Cao Yong!" After saying this, Yue Feng strode out of the yard and waited quietly under a bamboo forest not far from Shuiyuewu.

Seeing this, Bai Lin stomped her feet in a hurry and complained at Ye He: "Senior brother, what are you doing? Yue Feng has promised to hide outside, but you have to speak so badly."

Ye He defended : "Junior sister, how can you blame me for this? You have seen the situation before. He insisted on provoking Young Master Sun, and he beat up that Cao Yong just now!

" If he causes big trouble, I will drive him away, in fact, it is for his own good."

Hearing this, Bai Lin bit her lip, not knowing how to refute.

.....

On the other side, there is a post station more than ten miles away from Shuiyuewu. .

At this moment, in the tavern next to the inn, a man sat quietly in front of the windowsill, drinking tea while frowning in thought.

It was Ge Zhenhong!

In the Zongmen ruins before, Ge Zhenhong waited outside for a few hours, but he never saw Yue Feng come out, so he thought something had happened to him, and he didn't think much about it at the time, so he hurried back to pay Gu Sanniang.

This chapter is provided by . Visit for daily update.

As a result, when Gu Sanniang learned of the situation, she scolded Ge Zhenhong on the spot, and then gave a death order to find Yue Feng no matter what. The death will be very miserable. It can be said that the fate of Gu Sanniang has been tied to Yue Feng.

At that time, I learned that Yue Feng was in the ancient tomb inside the ruins, and his life and death were unknown. How could Gu Sanniang not be in a hurry?

Ge Zhenhong was also terrified. He did not expect that Gu Sanniang would make such a big fire. At that time, he had no choice but to go back the same way and rush to the Zongmen ruins again!

However, after arriving, the people who were catching up with Shendiaomen withdrew from the ancient tomb. At that time, Ge Zhenhong hid in the dark and heard the conversation of the disciples of Shendiaomen, only to know that Yue Feng had left the ancient tomb. He was injured and was taken away by a huge mad hee.

After that, Ge Zhenhong asked around for news about Yue Feng and Kuang Xi, but what made him depressed was that he had searched for hundreds of miles in Fang Yuan in the past two days, but there was still no news.

Yue Feng and that Kuangxi seemed to have disappeared.

Today, Ge Zhenhong passed by Shuiyuewu and rested here for a while. At the same time, he was ready to use local forces to help him find someone together.

Ge Zhenhong, as a thief in the rivers and lakes, has contacts with forces in various places. In the Shuiyuewu area, the more powerful one was Cao Yong.

Half an hour ago, Ge Zhenhong asked Cao Yong to pass the news and asked him to come to the tavern of this inn to meet, but he waited and waited, but no one was seen.

Mad!

At this time, Ge Zhenhong was very angry. It would be fine if Mr. Yue Feng could not find him. Now Cao Yong, he knew that he was going to meet, but he was so neglectful.

wow...

Just as he was irritated, he heard footsteps coming from outside, and then he saw Cao Yong walking over with a dozen accomplices, very embarrassed.

I saw that half of Cao Yong's face was swollen high, and his eyes were squinted, unable to open.

Behind him, more than a dozen big men are also weak, as if they can faint at any time.

"Cao Yong!"

Seeing this situation, Ge Zhenhong said angrily, "I asked you to come see me, why did you grind for so long?" As he spoke, he looked at Cao Yong and muttered secretly.

Isn't this kid doing a good job in this area? Why is it so miserable now?

"Boss Ge."

Feeling Ge Zhenhong's displeasure, Cao Yong wanted to cry without tears: "I originally planned to come to see you first, but I was in a hurry, so it's too late."

Chapter 4937

Ge Zhenhong frowned: "What's the matter, you were beaten?"

Cao Yong was ashamed: "Don't mention it, didn't I act as a personal guard for the young master of the Sun family recently? Miss Sun came to Shuiyuewu before. He almost had an accident, and then a kid rescued Miss Sun!"

"But that kid was very arrogant, saying that Young Master Sun had hit someone, and he wanted to apologize! Because Young Master Sun was present at the time, Young Master Sun didn't feel good, so he apologized. , but I was very upset, so I brought someone back to vent his anger."

"Who knows, just now when we arrived in the hall of Shuiyuewu, we smelled a strange fragrance, and we were all powerless... .."

When he said this, Cao Yong's face was full of resentment.

so evil?

Knowing the situation, Ge Zhenhong also frowned, and then pondered for a moment: "If my guess is right, you must be poisoned, and you will be all weak and weak."

Mad!

Cao Yong scolded all of a sudden: "I knew there was something wrong with that kid. I think Cao Yong has been here for so long, when did I suffer this loss?"

After speaking, Cao Yong looked at Ge Zhenhong embarrassedly: "Ge Boss, you are here just today, or help me teach that kid a good lesson, you are all over the world, even if the kid secretly poisons, you can see through it at a glance."

Ge Zhenhong thought for a while, nodded and said, "Okay, I will help you first. Solve this matter, and then you can help me find someone."

Haha...

Seeing Ge Zhenhong's agreement, Cao Yong was so excited that he seemed to have seen the scene of Yue Feng howling on the ground, but he didn't. Dare to show it.

Immediately, Cao Yong calmed down and asked cautiously, "Boss Ge, who do you want me to find?"

Ge Zhenhong waved his hand: "Go to Shuiyuewu first, and after you've dealt with your affairs, let's talk about it in detail!" After the last word fell, Ge Zhenhong strode towards Shuiyuewu.

"Brothers, keep up." With Ge Zhenhong's support, Cao Yong instantly straightened his back, and loudly greeted the dozen or so big men behind him and followed closely.

At this moment, Shuiyuewu is here.

Yue Feng stood under the bamboo forest and waited for half an hour, but still couldn't help frowning when Cao Yong and the others still didn't appear.

Then Cao Yong wouldn't dare to come, would he?

On second thought, no!

After all, Cao Yong is a famous gangster in the neighborhood. He suffered a big loss just now. How could he swallow his breath?

Thinking about it, Yue Feng continued to wait.

In Shuiyuewu, a dozen meters away, Bai Lin was standing in the pavilion, looking at the situation here. Seeing that Yue Feng was still standing there, she was a little anxious.

This Yue Feng is really a muscle. Why don't you leave quickly while Cao Yong's gang doesn't come back? Do you really plan to fight to the end with Cao Yong and the others? He is only one person, how could he be Cao Yong's opponent?

Thinking to herself, Bai Lin was going to persuade Yue Feng to leave.

Just before taking two steps, Ye He was held back.

At this time, Ye He looked as if he had nothing to do with him: "Junior sister, what are you going to do? Do you want to persuade Yue Feng to leave?"

"Yes." Bai Lin was very anxious: "You didn't watch it. Are you there? He's still waiting there. When Cao Yong finds someone to come over, he'll be in trouble. I have to let him go."

Ye He frowned and said, "Junior sister, why do you care so much about him? This kid likes to cause trouble. Let him go, anyway, if he walks out of Shuiyuewu, even if he is beaten to death, it has nothing to do with us."

"Also, you'd better not participate in this matter."

Bai Lin frowned: "Why?"

Ye He chuckled lightly: "Why do you say? That Cao Yong is ruthless, if you know that you care so much about Yue Feng, guess what? What will he do?"

Bai Lin blushed: "I just don't want to see him die here, let him leave, what can I do?" After saying that, she pressed away from Ye He's hand and went over to persuade Yue Feng to leave quickly.

Huh...

But at this moment, seeing the room in the distance, Bai Lin's delicate body trembled, and her face instantly paled.

Ye He looked up and was shocked.

I saw that Cao Yong's group went back and forth, each of them was aggressive, and they were completely different from when they left in embarrassment before. Not only that, but a man quietly followed Cao Yong's side.

Although he was far away and could not see his face clearly, Bai Lin and Ye He could clearly sense the evil spirit pervading him.

It was Ge Zhenhong, the dragon of the mixed river.

Chapter 4938 It's

over!

Seeing this scene, Bai Lin's body trembled uncontrollably, and her palms were sweating.

"Boss Ge!"

At this time, Cao Yong saw from a distance that Yue Feng was standing under the bamboo forest, and immediately shouted, "That kid hasn't left yet! It looks like he's waiting for me to come back."

"That's right, Boss Ge, this kid is a bit evil, we just got poisoned unknowingly!"

"It's interesting." Ge Zhenhong showed a trace of contempt on his face, and said coldly, "I want to be quiet, who is this kid so holy."

With that said, Ge Zhenhong quickened his pace.

Cao Yong's group followed behind, they were all very proud and excited. You must know that this is a famous dragon in the rivers and lakes.

Um?

When he was about to approach, when he saw Yue Feng, Ge Zhenhong was stunned.

"Yue Feng, hurry up!"

At this time, Bai Lin walked quickly to the gate of Shuiyuewu and shouted at Yue Feng anxiously, "Hurry up." However, it was too late, Cao Yong and his group, came over quickly and surrounded Yue Feng.

Ugh!

Bai Lin sighed and closed her eyes in despair, not wanting to see the bloody scene that followed. Speaking of which, she knew very well that Yue Feng didn't leave because she didn't want to bring disaster to Chi Yu and bring trouble to Shuiyuewu.

It's just... how could he handle such wicked people as Cao Yong alone? What's more, Cao Yong also brought an expert in the arena.

Ye He quickly pulled Bai Lin: "Junior sister, don't go there, it's dangerous!"

When he said this, Ye He felt incomparably happy, this Yue Feng is too good at pretending, dare to provoke Cao Yong, wait to die.

"What's the matter?"

At this moment, a gentle voice came from behind, Ye He and Bai Lin hurriedly looked back, instantly overjoyed.

It was Mr. Shuiyue who came back.

"Master!" Bai Lin seemed to grab a life-saving straw: "Hurry up and save Yue Feng, Cao Yong's gang wanted to trouble him, and they brought an expert in the arena!"

Is there such a thing?

Hearing this, Mr. Shuiyue was shocked and frowned: "What happened?"

"Master." As soon as he finished speaking, Ye He hurriedly said what happened before, adding fuel to it: "This is Yue Feng not only treated people without authorization, but also used his hands on others..."

Finally, Ye He couldn't hide the contempt in his heart: "This is self-inflicted, and if that young master Sun didn't apologize at that time, it would not develop. It 's beyond control."

"Senior brother, you said..." Bai Lin stomped her feet in a hurry, and then pleaded with Mr. Shuiyue: "Master, the situation is critical, go and save Yue Feng."

Um!

Mr. Shuiyue took a deep breath, nodded, and then walked over slowly, accompanied by a smile, and said to Cao Yong, "Brother Cao, is there a misunderstanding in today's affairs..."

Seriously, Mr. Shuiyue Sober and indifferent, he doesn't like to participate in these grievances on the rivers and lakes, but Yue Feng is resting in Shuiyuewu after all, so he can't ignore it.

Just before he finished speaking, Cao Yong glared at him and scolded: "You are Mr. Shuiyue, hurry up and shut up, I tell you, this matter today has nothing to do with you Shuiyuewu, it is me and him. Gratitude, you'd better not go into this muddy water!"

Saying that, Cao Yong pointed to Ge Zhenhong next to him, with a proud look on his face: "Do you know who this is? The famous Hunjiang Longge boss in the arena, annoyed him and set your Shuiyuewu on fire. "

What?

The words fell, Mr. Shuiyue's heart trembled, his face changed greatly, and the eyes of Ge Zhenhong also showed deep fear.

Although Mr. Shuiyue is not involved in the affairs of the rivers and lakes, he also knows the affairs of the rivers and lakes very well. The jerk in front of him is a very heinous and famous person. He didn't expect Cao Yong to have such a great ability to find him.

"Excuse me..." Under the fear, Mr. Shuiyue smiled bitterly, then turned around and returned to Shuiyuewu.

Seeing this situation, Bai Lin became anxious: "Master, should we leave it alone?" If Master didn't care, Yue Feng would really be finished.

As soon as the words fell, Ye He pulled her and said anxiously: "Junior sister, are you stupid, can't you see it now? The identity of the other party, the master can't do anything, we can't afford it at all, hurry up, Let's go back with Master quickly, don't meddle in your own business."

Chapter 4939

At the same time, Mr. Shuiyue was also full of bitterness, and said to Bai Lin: "Lin'er, the other party has a lot of background, and he is powerless as a teacher. What Yue Feng will face in the future depends on his own fortune. "

The doctors are benevolent, we can't fight against Hunjianglong, but wait, as long as Yue Feng doesn't die, the teacher can still cure him."

After saying this, Mr. Shuiyue turned around and entered the hall.

Seeing this situation, Bai Lin knew that it was useless to say anything, she sighed at that time, and entered Shuiyuewu both disappointed and worried.

At this time, Yue Feng is here.

Seeing that it was Ge Zhenhong, Yue Feng was stunned for a moment, and then showed a smile.

Haha..

When Cao Yong left just now, he thought he would find some powerful helper. After a long time, it was Ge Zhenhong?

Speaking of which, when Yue Feng decided to wait here just now, it was not because he was overwhelmed, but because he knew that the fierce beast Kuangxi was in the depths of the bamboo forest. Yue Feng didn't panic at all.

Huh ...

Just when Yue Feng looked at Ge Zhenhong with a half-smile, the ecstasy hiding in the bamboo forest was ready to pounce. He had communicated with Yue Feng just now, as long as Yue Feng made a gesture, he will rush out and kill Cao Yong's group of people.

Seeing Yue Feng at this time, Ge Zhenhong was also shocked and extremely happy at the same time.

Mr. Yue Feng? Haha, that's great. I've been looking for him for the past two days. No wonder he couldn't find him. It turns out that he was recovering from his injuries in Shuiyuewu.

At this time, Cao Yong had not found out that something was wrong.

Seeing Ge Zhenhong standing still, Cao Yong became anxious and couldn't help shouting: "Boss Ge, this is this kid, you can subdue him quickly, I'm going to abolish him."

Phew!

Hearing the shout, Ge Zhenhong reacted and looked at Cao Yong with a complicated expression: "The person you just said is him?!"

When asked, Ge Zhenhong's tone was very complicated.

"Yes, it's this kid!" Cao Yong shouted excitedly. Seeing that Ge Zhenhong hadn't made his move, he couldn't bear it any longer. He pulled out the long knife on his body and directly thought of Yue Feng and chopped it.

Speaking of which, Cao Yong is still a little weak, so this knife looks soft, but it is full of momentum.

Snapped!

However, before the long knife touched Yue Feng, he saw Ge Zhenhong's expression change, and he suddenly raised his hand and patted the back of the knife. Suddenly, Cao Yong staggered and the long knife fell to the ground.

“Boss Ge?” Cao Yong was a little confused: “Go ahead? What are you doing with my knife? Let this bastard know how powerful we are.”

“Shut up!”

As he was talking, Ge Zhenhong suddenly roared, and Cao Yong was blinded at that time. . The big men around were also startled.

“Boss Ge?” Cao Yong quickly reacted, pointing at Yue Feng and said, “What’s wrong with you? It’s this kid who poisoned me just now, Ma De..”

Slap!

Before he finished speaking, he saw Ge Zhenhong’s face was gloomy and cold, he raised his hand suddenly, slapped him fiercely, and slapped it on Cao Yong’s face!

With this slap, Ge Zhenhong almost used all his strength, and when he saw Cao Yong’s groan, the other half of his face also swelled up.

At this time, Cao Yong was about to cry. What’s the situation? Just now, when he came to trouble Yue Feng, he was abused. Now that he brought Ge Zhenhong, he was beaten by himself...

Thinking to himself, Cao Yong covered his His face was full of puzzlement: “Boss Ge, you... why are you hitting me?”

At the same time, the big men around were also completely stunned?

How could this bastard beating his own people?

Hula...

At this moment, when I heard the movement outside, Mr. Shuiyue, as well as Bai Lin and Ye He, couldn’t help but come out to watch the situation.

This.. the

next second, seeing the five fingerprints on Cao Yong’s face, Mr. Shuiyue’s three were stunned.

what’s the situation?

Isn’t this Ge Zhenhong a helper brought by Cao Yong? How do you turn your face away?

“Ma De!” Ge Zhenhong’s face was gloomy, and he pointed at Cao Yong and cursed, “I think you are looking for death by a special code. It’s not good to offend anyone, but dare to offend Mr. Yue Feng.”

Mr. Yue Feng?

Hearing this title, not only Cao Yong, but also Mr. Shuiyue and others not far away were all stunned.

Chapter 4940

“Mr. Yue Feng..”

At this moment, Ge Zhenhong squeezed out a smile, and at the same time said extremely ashamed: “Before in the ruins of the sect, I waited for a long time and didn’t see you coming out, so I left first. , don’t be angry.”

When he said this, Ge Zhenhong felt extremely uneasy.

Hehe...

Yue Feng smiled lightly and said slowly: “Did you think I had already died in that ancient tomb?”

Ge Zhenhong was embarrassed and smiled, “How could it be? I guessed that Mr. If it was in danger, I hurried back to inform Sanniang, but when Sanniang found out about

the situation, she scolded me badly, saying that I didn’t protect Mr. Ge Zhenhong, his heart is up and down. The person in front of her would be polite even when Gu Sanniang saw her, how could she dare to offend her.

Huh...

Seeing this situation, everyone present was dumbfounded, and they were all shocked and puzzled.

What’s the matter, this bastard Jianglong is so polite to Yue Feng, his attitude is like a son seeing his father!

But this Yue Feng, who has no power to hold a chicken, doesn’t look like a person in the arena at all.

He...

At this moment, Bai Lin was also stunned, staring at Yue Feng blankly, unable to speak for a long time, to be honest, she was really worried about Yue Feng just now, and she

was afraid that Cao Yong and Ge Zhenhong would meet. What about him, but I never expected that the situation would develop like this.

“Okay!” Hearing Ge Zhenhong’s explanation at this time, Yue Feng smiled lightly and didn’t care too much.

At this moment, Cao Yong walked over slowly. He was very puzzled at this moment and couldn’t help asking: “Boss Ge, you... Have you recognized the wrong person? This kid...” He didn’t

finish his words. , was scolded back by Ge Zhenhong: “Shut up for me? Did I admit the wrong person? Let me tell you, the Mr. Yue Feng in front of you is a VIP of our cosmopolitan gang, and even our leader Gu Sanniang saw him. , you have to be polite, you bastard dare to trouble him, you think you have a long life...”

Putong!

Hearing this, Cao Yong’s heart trembled, his legs were weak and he slumped on the ground. Inwardly apprehensive.

Only then did he realize what kind of existence he had provoked. Even Gu Sanniang of the Four Seas Gang would be polite when she saw him. Isn’t this Yue Feng’s background too big?

“Yue...” The

next second, Cao Yong reacted and kept apologizing to Yue Feng, almost crying: “Mr. Yue Feng, I’m sorry, I’m really sorry, I was reckless just now, and I offended you...” “

Yue Feng stood there, ignoring it.

“Mr. Yue Feng!” Cao Yong suddenly became anxious and couldn’t help shouting: “It’s all Master Sun, all this is what Master Sun ordered me to do, and I was forced to do it too.”

Yue Feng was expressionless, He looked at him with a half-smile but not a smile: “Because of helplessness? You relied on your personal connections and Sun Haocheng’s financial support to think that you can do whatever you want, right?” After speaking

, Yue Feng pointed to Shuiyuewu in front of him: “I If it weren’t for the distinguished guests of the Four Seas Gang, in addition to teaching me a lesson, you would also destroy Shuiyuewu, right?” After

speaking, Cao Yong was speechless: “I...”

Then, he was nervous. Under the circumstances, Cao Yong no longer cared about his face and dignity, and knelt down in front of Yue Feng, with unspeakable humility: "Mr. Yue Feng, spare your life... I beg you, spare me this time."

To be honest, in Cao Yong's eyes, Yue Feng has no strength at all, and is not a threat at all. It's just the Four Seas Gang behind him, but the largest river and lake organization in the entire Ziwei Continent, even those sects that have been passed down for thousands of years. Three points for fear of the Four Seas Gang. On the other hand, he has provoked the distinguished guests of the Four Seas Gang.

Seeing his humbly admitting his mistake, Yue Feng breathed a sigh of relief and said lightly, "I can give you a chance, but you have to remember that from today onwards, you are not allowed to come to Shuiyuewu to make trouble, let alone bully others, you know. Is it?"

Cao Yong nodded without hesitation: "Understood, understand..."

Yue Feng stopped talking nonsense, waved his hand, and directly let Cao Yong lead the people away.

As soon as his forefoot left, Yue Feng showed a smile and walked towards Shuiyuewu. When he got there, Yue Feng smiled and said goodbye to Mr. Shuiyue: "There have been many disturbances in the past two days, the trouble has been resolved, and I should go."

Mr. Shuiyue nodded, his face was calm, but his heart could not be calm for a long time.
