

The ultimate husband in Chinese chapter 4961-4965

Chapter 4961

Hiss!

At this moment, Lu Xiaoshuang was completely blinded, the suburbs trembled, and her legs were so weak that she could barely stand still.

She clearly saw that there were thousands of beasts around the entire hall. These beasts were all golden hairs, their eyes were amber, and their bodies were filled with a powerful aura.

These beasts are more than two meters high, with sharp teeth and claws, which are terrifying to look at.

The head at the head was four or five meters tall, with a pair of eyes flashing terrifyingly, staring at him coldly.

What are these beasts?

For a time, Lu Xiaoshuang was almost unsteady and was about to slump on the ground.

As the eldest sister of Shendiaomen, Lu Xiaoshuang often travels the rivers and lakes, and she is well-informed. Especially in these years, she has encountered many beasts. In the underground tomb, she also saw one of the top ten murderers. hee.

However, this is the first time that Lu Xiaoshuang has seen these beasts. She can clearly feel that the aura that pervades the beasts in front of her is much stronger than what she has seen before, especially the leader, whose aura is almost Leave her breathless.

People's fear of the unknown can often arouse the deepest fear in their hearts, which is Lu Xiaoshuang at this time.

"This..."

Finally, Lu Xiaoshuang reacted, put away the long sword, and asked Yue Feng, "What kind of beast is this?" There are so many beasts, I didn't even see it just now...

Lu Xiaoshuang at this time is completely gone. The cold attitude just now showed the panic of the youngest daughter's family.

"Um..."

Seeing her nervous look, Yue Feng secretly laughed, scratching his head at the time, making a complicated look: "I don't know, when I came in just now, they were just like now, directly surrounding me. Now ."

This chapter is provided by . Visit for daily update.

"I was communicating with them, and told them not to kill me, but you rushed in."

Of course, Yue Feng couldn't tell the truth, so he just made up a lie.

What?

Hearing this, Lu Xiaoshuang's mind suddenly became a little messy, and looked at Yue Feng with a look of disbelief: "You said...you can communicate with these beasts?"

Thousands of years ago, there were beast tamers in Ziwei Continent. Beast tamers have unique secret techniques and can communicate with beasts. However, as the years change, many sects on the rivers and lakes no longer exist, and those orc tamers also disappear in the long river of time.

For nearly a thousand years, no one has been able to tame the unique secret art of beasts, and no one has been able to communicate with beasts, but this person in front of him actually said that he could? Lu Xiaoshuang naturally didn't believe it.

Yue Feng had an indifferent expression, a look of whether he believed it or not.

call!

Seeing his attitude, Lu Xiaoshuang was inexplicably angry, how dare this kid pose in front of me? But thinking about the previous things, Lu Xiaoshuang pondered again.

In the ancient underground tomb, this person unlocked the secret lock, and was rescued by Kuang Xi... By

the way, Kuang Xi...

Thinking of this, Lu Xiaoshuang was shocked and stared at Yue Feng: "Before The Kuangxi in the ancient tomb is because you communicated with it, so it finally took you away after it broke through the encirclement?"

"Otherwise?" Yue Feng said with a smile.

Lu Xiaoshuang's eyes flickered, and there was some doubts: "It's a mystery, that Kuangxi has a ferocious temperament, how could he obey your orders and rescue you from the ancient tomb?"

After speaking, Lu Xiaoshuang looked around: "If this is true, that crazy Where is Xi?"

Yue Feng replied without hesitation: "After leaving the tomb, it was separated from me." In fact, the ecstasy was outside the secret, waiting to meet Yue Feng, but this matter, how could it be possible to tell Lu Xiaoshuang ?

call!

Hearing the answer, Lu Xiaoshuang had his own attention, and said coldly, "You, there is no truth in your mouth. I have already seen that these beasts seem dangerous, but in fact they will not attack people at all.

" Then, Lu Xiaoshuang strode out of the hall.

At this time, she decided that Yue Feng was lying. After all, he had no strength at all. How could these beasts around him not hurt him and still listen to him?

The only reason that can be explained is that these beasts do not have any aggressiveness, they just look scary from the outside.

Chapter 4962

Hehe ..

Seeing this scene, Yue Feng couldn't help showing a smile and shook his head secretly.

This woman is really arrogant.

"Ouch, ooh..."

Just as Yue Feng was muttering secretly, he saw the surrounding Jialan beasts roaring one after another, then rushed over, stopped Lu Xiaoshuang, and at the same time blocked the door of the main hall.

These Jialan beasts all have extremely high IQs. When Lu Xiaoshuang rushed in just now and pointed his sword at Yue Feng, they could see that this woman was not Yue Feng's friend, but an enemy.

Seeing that the woman was leaving at this time, although they didn't get Yue Feng's instructions, these Jialan beasts rushed up in tacit understanding and intercepted Lu Xiaoshuang.

"Emperor!"

While stopping Lu Xiaoshuang, the leading Jialan beast respectfully said to Yue Feng, "This woman dared to offend you just now, what are you going to do with her?" As he spoke, he looked at Lu Xiao coldly. Frost.

Yue Feng smiled and said with the animal language: "Don't touch her. Although this woman is abominable, she is not guilty of death, but it is still okay to scare her."

This...

Suddenly stopped by these Jialan beasts, Lu Xiaoshuang's heart was startled, and he was so frightened that he realized at this moment that the judgment just now was almost completely wrong. These beasts are not without aggression.

At this time, Lu Xiaoshuang heard the roar of the leading Jialan beast, and was so frightened that he could not stand still. At this time, Lu Xiaoshuang did not understand animal language at all, and he did not know that the leading Jialan beast, is communicating with Yue Feng.

broken!

For a time, Lu Xiaoshuang was frightened and frightened, almost crying. With so many beasts, how could he be his opponent? It seemed that he was going to die in that great hall today.

Um?

In the panic, Lu Xiaoshuang saw Yue Feng out of the corner of his eye, and his body was shocked, and his eyes were full of incredible.

It was seen that those Garan beasts tacitly avoided Yue Feng and seemed to be in awe of him.

This... Could it be that what he said just now is true, that he can really communicate with beasts?

Haha...

Looking at Lu Xiaoshuang's expression, Yue Feng showed a smile, and he couldn't express the joy in his heart, and said in a relaxed tone: "How is it? You should believe it now? Look, just now I and these beasts After the exchange, none of them attacked me, they have already regarded me as a friend." After

speaking, Yue Feng touched his nose and continued: "These beasts are guarding this secret realm, they are all fierce, they said just now Now, the people who break into this place will be torn to shreds and their bones will be swallowed..."

As he said, Yue Feng secretly observed Lu Xiaoshuang's reaction.

Yes, this Lu Xiaoshuang is not only ruthless, but also very arrogant and conceited. At this moment, he must take this opportunity to scare her and suppress her arrogance.

call!

Sure enough, hearing these words, Lu Xiaoshuang couldn't help shivering, her delicate face instantly turned extremely pale, and she couldn't help panicking.

Being torn to shreds and swallowing bones would have been a tragic death.

"Yue Feng..."

Finally, Lu Xiaoshuang came back to his senses, bit his lip, and walked slowly to Yue Feng, bowing his head, panicked and embarrassed.

Yue Feng looked at her with a smile: "What's the matter? Don't you want to leave? Why aren't you leaving now?"

Haha...

I thought this Lu Xiaoshuang could be so strong, now facing these Jialan beasts, will also be afraid.

Facing Yue Feng's mockery, Lu Xiaoshuang dared to get angry? At this moment, biting his lip, he whispered: "Yue Feng, you... can you help communicate with these beasts and let them not hurt me, okay?" .

To be honest, in Lu Xiaoshuang's heart, she always thought that Yue Feng was a scoundrel, and was not qualified to speak on the same level as herself, but she never dreamed that one day she would beg him for mercy!

Yue Feng scratched his head and looked embarrassed: "This... I'm just afraid to say good things to you, but they won't agree."

"Please." Lu Xiaoshuang suddenly became anxious and couldn't help pulling Yue Feng. Arm: "Don't they regard you as a friend now? As long as you are willing to speak, they will definitely listen."

Chapter 4963

At this time, Lu Xiaoshuang was so anxious.

This time, I was ordered by the master to investigate the mysterious realm of the sky. I thought about what I could explore, and if I gained something, I would be able to get the

reward from the master when I went back. As a result, I haven't explored anything yet, and I encountered these beasts.

It would be too embarrassing to die here.

Seeing that she was about to cry, Yue Feng pretended to be embarrassed and nodded: "Okay, I'll try it and see if it works."

"Well." Seeing that he finally agreed, Lu Xiaoshuang was very excited and focused. nod.

At this time, Lu Xiaoshuang didn't dare to run around and hid tightly behind Yue Feng, her delicate body trembling faintly.

Cough cough cough...

At this moment, Yue Feng turned around, directed at the leading Jialan beast, and shouted in human words: "Hey, big man, we agreed just now that we are friends with each other, what about this beauty? , is also my friend."

"Friends of friends are all friends, right, so don't hurt her."

When he said this, Yue Feng was serious, but secretly winked at the leading Jialan beast. He blinked, meaning to let it ignore what he said.

The leading Jialan beast, with a very high IQ, immediately understood it, and it also saw that Yue Feng was going to play with this human woman.

call!

Lu Xiaoshuang didn't notice Yue Feng's small movements at all, and when he saw him speak for help, he felt a sigh of relief.

Great, these beasts shouldn't attack me now, right?

Thinking about it, Lu Xiaoshuang put away his long sword, took two steps towards the nearest Jialan beast, and said kindly, "Friend, I'm your friend too..."

Seeing Yue Feng communicate with these Jialan beasts just now using human words, Lu Xiaoshuang instinctively thought that he could communicate with them in the same way.

"Ouch..."

But what she didn't expect was that before the words were finished, the Jialan beast in front of her was provoked. It rushed to Lu Xiaoshuang, opened its bloody mouth, and let out a roar.

At the same time, the surrounding Jialan beasts also roared one after another, their forebodies lying on the ground, making an appearance of attacking at any time.

This...

Lu Xiaoshuang was very frightened, and quickly retreated to Yue Feng's side, with a trembling tone: "What's going on? Didn't you tell them all? Why are they still like this?"

Haha... Seeing her appearance ,

Yue Feng was overjoyed in his heart, but he had a helpless look on his face: "This... I don't know."

When he said this, Yue Feng scratched his head and was very puzzled. .

Lu Xiaoshuang became anxious all of a sudden, and took Yue Feng's arm: "Talk to them again, just... just say, we are good friends, please don't hurt me."

At this time, Lu Xiaoshuang, almost is wanting to cry without tears.

I thought that these beasts would be friendly to them after listening to Yue Feng's words, but they didn't change anything. If this were normal, she would have already sent out a firework signal and asked Shendiaomen to come to the rescue. However, this was a mysterious realm, and the firework signal was useless at all, so she could only pin all her hopes on Yue Feng.

"This..."

Seeing the anxiety on her face, Yue Feng said in a very embarrassed way: "These beasts are very ferocious, in case I tell them frequently, you are my friend, they don't stop, but they are also right. If I become hostile, it will be troublesome." As

he spoke, Yue Feng secretly paid attention to Lu Xiaoshuang's expression.

This woman, who was in the ancient tomb before, humiliated me in every possible way. Now she is in trouble and wants me to help. How can I let you do it so easily?

Lu Xiaoshuang was about to cry, and held Yue Feng's arm tightly: "Yue Feng, please, please help me with good words. If you don't help, I... I will die here."

When she said this, Lu Xiaoshuang almost couldn't help kneeling down to Yue Feng, because she could clearly see that the beasts around were slowly surrounding them. Zhanmang, if this is besieged, I am afraid that I will be torn to pieces in an instant...

"Okay..."

Yue Feng nodded helplessly, his eyes flickering: "However, I have a condition!"

Chapter 4964

"What conditions?" Lu Xiaoshuang asked without hesitation. At this time, she only thought about saving her life, but she didn't realize that she had completely fallen into Yue Feng's trap.

call!

Yue Feng breathed a sigh of relief, thought for a while, and said with a smile: "You swear now, when you see me in the future, you will be as polite as a guest, and promise that you will not trouble me in the future. I'll say good things to you again."

Seriously, if it was before, Yue Feng would not have put Shendiaomen in his eyes at all.

But now the divine power has not recovered, it is almost dangerous to walk on the rivers and lakes of Ziwei Continent, and Shendiaomen's power is not weak, if you can't reach an agreement with Lu Xiaoshuang at this time, there will be more troubles in the future.

Phew...

Hearing this request, Lu Xiaoshuang frowned, bit her lip tightly, and hesitated immediately.

In the underground tomb before, almost all of the Divine Carving Gates were dispatched to capture the Kuangxi alive. They even used the town formation method, but they were still run away by Kuangxi. Not only that, Kuangxi will also Yue Feng took it away.

So at that time, the head of the family ordered that no matter what the cost, the whereabouts of Kuangxi and Yue Feng should be found out.

But now, Yue Feng wanted to wipe out the grievances. Although Lu Xiaoshuang was a senior sister, she didn't have such a big right to agree.

Alas..

Seeing her reaction, Yue Feng sighed and said disappointedly: "Lu Xiaoshuang, you and I have no grievances or enmity, there is no need to hold me down, right? You are all just asking for this. If you don't agree, you still want me to say something nice to you? Do you think it's possible?"

"Forget it, it seems that you're not sincere. You can find a way to communicate with them. I still have something to do, so I'll go first."

The last word fell, and Yue Feng strode out of the hall.

Yes, Yue Feng deliberately scare her, not really want to leave.

“Don’t...don’t go.”

At this moment, Lu Xiaoshuang’s delicate body trembled, and she quickly grabbed Yue Feng, her delicate face full of tension and pleading: “Don’t go, what should I do if you leave?”

As he spoke, he glanced at the surrounding Jialan beasts in horror.

Yue Feng chuckled and said lightly, “Then you agreed?”

“Well, I agree!”

Originally, Lu Xiaoshuang was hesitant, but in the face of this situation, he almost nodded his head as a chicken pecking rice: “I, Lu Xiaoshuang At this time, I swear to God that I will be polite to Yue Feng in the future, and I promise that Shendiaomen will not trouble Yue Feng again in the future.”

Although the teacher’s life is hard to violate, it is not as important as his own life.

Seeing her say it, Yue Feng nodded with satisfaction: “Okay, seeing that you are so sincere, I will tell you something nice for you.” When the words

fell, Yue Feng turned around and said to the surrounding Jialan beasts: “Master beasts, this is really my friend, don’t embarrass her and let her go, okay?”

At this time, Yue Feng still used human words.

“Ow, ooh...”

These Jialan beasts responded with roars, and they didn’t seem to buy Yue Feng’s account very much.

Because Yue Feng told them in the animal language just now, as long as he uses human words, these Jialan beasts will not care about anything, try to scare Lu Xiaoshuang, until Yue Feng uses the animal language, can let Lu Xiaoshuang go.

This...

Seeing this situation, Lu Xiaoshuang was completely panicked, and Hua Rong almost turned pale: “Why not?”

“Don’t panic!”

Yue Feng smiled secretly, pretending to be serious on the surface: "Let me tell you more, and ask what the situation is?"

After saying that, Yue Feng strode to the leading Jialan beast, pretending to be After discussing it: "Master Chief, what's going on, why are you unwilling to let this beauty go?"

After speaking, Yue Feng put his ears close and pretended to listen.

"Ouch, ooh..."

The leading Jialan beast also cooperated very well, and roared a few times in a rhythmic manner. It seemed that he really communicated with Yue Feng again, but in fact, he just compensated Yue Feng. Acting.

"Oh..."

After a few seconds, Yue Feng nodded suddenly and returned to Lu Xiaoshuang.

Chapter 4965

"How is it?"

Lu Xiaoshuang pulled Yue Feng's arm tightly and asked expectantly, "What did they say? Did you promise to let me go?"

When asked, Lu Xiaoshuang's delicate face, Can't hide the excitement.

Just now, Yue Feng told the leaders of these beasts that it would definitely work.

What she didn't expect was that Yue Feng looked sad and shook his head: "They don't want to let you go?"

What?

In a word, it was like a thunderbolt from the blue. At that time, Lu Xiaoshuang was blinded, and he was very desperate: "Why?"

Yue Feng smiled bitterly: "I said you were my friend? It didn't hurt me just now, it's already set a precedent, and you can't break the rules anymore because of you."

"They also said that unless it's my family, they can only get away with it, and friends are absolutely not."

This...

heard this , Lu Xiaoshuang only felt that his brain was buzzing, and it was a little messy at the time. How did these beasts break the rules, why can only be tolerant to Yue Feng, and others can't? Just because he speaks animal language?

For a time, Lu Xiaoshuang was so anxious that he hurriedly said: "Then you say, I am your family member?"

Yue Feng said with a bitter face: "I said it just now, but this beast leader doesn't believe it, it said that the family Our relationship is very close, but we are not close at all, and you pointed your sword at me just now..."

When he said this, Yue Feng's face was serious, but his heart was full of smiles.

Haha...

This Lu Xiaoshuang is always high and mighty. I never thought that he would be fooled around by me.

close?

Hearing this word, Lu Xiaoshuang was completely stunned, bit his lip and said, "Just say, I was joking with you just now." At this time, Lu Xiaoshuang regretted to death. He knew it was so dangerous and didn't say anything just now. This hall.

Yue Feng shrugged: "I said it just now, but they don't believe it. The most important thing now is how to prove that we are a family, and how can we be considered close?"

After speaking, Yue Feng pretended to scratch his head: "Aiya, It's really troublesome. You said, if these beasts knew that I lied to them, would they eat me too?"

"Lu Xiaoshuang, I've been implicated by you..."

Lu Xiaoshuang was already panicked when she heard These words made me even more nervous. He bit his lip and said, "Yue Feng, think of a way. As long as we can prove that we are a family and have a close relationship

, I can do anything?" Apart from being nervous, I couldn't think of any way, I could only count on Yue Feng.

"Do anything?" Yue Feng almost laughed out loud at her appearance.

Um!

Lu Xiaoshuang nodded heavily, stomping his feet in a hurry at the time, and urged, "Don't ask these useless questions, just think of a way."

Yue Feng pretended to think for a while, and showed a smile: "If there is a way, you can treat it as me. Wife, beat my back and my legs now, they will definitely believe it."

After speaking, Yue Feng looked at Lu Xiaoshuang with a playful expression.

After entering the Mysterious Realm for such a long time, Yue Feng was already exhausted, so he just took this opportunity to call Lu Xiaoshuang.

You know, Lu Xiaoshuang is beautiful and her body is extremely sexy. If she can be served like a maid, she will be beautiful if you think about it.

Swish!

Hearing this, Lu Xiaoshuang's beautiful face suddenly turned red.

This Yue Feng, it's really a shame that he can think of it, and he actually wants to beat his back and squeeze his shoulders? You must know that, after all, you are also the dignified senior sister of the gods, so you can beat him on the back... How can this be done?

"If you don't want to, forget it, you can think of a better way..." Seeing that Lu Xiaoshuang didn't respond, Yue Feng said with a smile.

He could see that Lu Xiaoshuang was completely panicked and couldn't think of a way at all.

"Okay..." Lu Xiaoshuang was in a hurry, bit her lip immediately, and replied, "I'll beat your back..." With so many beasts staring around, she really didn't want to stay in this hall any longer.

Seeing his promise, Yue Feng showed a smile and sat on the ground carelessly.

Lu Xiao bit his lip tightly, and squatted behind Yue Feng very wisely, with a pair of jade hands on his shoulders, kneading gently.
