

## The ultimate husband in Chinese chapter 5001-5010

### Chapter 5001

“Daoist Master!”

At this moment, Yue Feng took the medicine pill, walked over slowly, and looked at Taoist Qianqiu with a smile: “This is the Three Yuan Guiyi Dan, which has a miraculous effect on expelling cold and Gu Yuan, Daoist take it first and feel it.”

When he spoke, Yue Feng looked serious, but he was secretly amused.

Yes, what Yue Feng refined was Peiyuan Pill, not Sanyuan Guiyi Pill at all, Sanyuan Guiyi Pill, which was originally made up by him.

But that’s okay, Peiyuan Dan was originally meant to cultivate the soul and the soul, and Taoist Qianqiu had no side effects at all. Moreover, Peiyuan Dan is a positive drug, whether it is taken by Taoist Qianqiu or others around it, it can restrain the cold intrusion of the ice and jade below.

Um!

At this time, Taoist Qianqiu couldn’t hide the shock in his heart, and his eyes changed when he looked at Yue Feng.

This kid seems to be young, but he really knows how to make alchemy.

Yue Feng stopped talking nonsense, walked over quickly, and was ready to give the medicinal pill to Taoist Qianqiu.

“Little boy...”

However, at this moment, Liu Qiang, who was beside him, reacted from his shock, looked at Yue Feng tightly, couldn’t hide his suspicion, and said coldly, “I can’t see it. , you really know how to concoct pills, but...”

After speaking, Liu Qiang turned around and looked at Taoist Qianqiu: “You just concoct a pill, and you just want to fool us? What evidence do you have? Explain, this is the Three Yuan Guiyi Dan?”

Hu!

Hearing this, Yue Feng frowned.

Nima, is this kid mentally ill? He has rectified you a few times just now, but he still hasn’t learned his lesson?

This chapter is provided by . Visit for daily update.

Seeing that Yue Feng did not speak, Liu Qiang firmly believed in his speculation, and hurriedly shouted at Taoist Qianqiu: "Master, this kid's identity is suspicious, although he has refined medicinal pills, but who knows whether he refined three or not. Yuan Gui Yi Pill? Besides, as far as the disciples know, there is never any record of San Yuan Gui Yi Pill on those ancient medicinal pills."

"I suspect that this kid is lying to you, in case this medicinal pill contains It's highly poisonous, Master took it rashly, didn't he fall for his trick?"

When he said this, Liu Qiang was full of urgency. At the same time, looking at Yue Feng's eyes, he couldn't hide the hostility.

You Qi thought that Liu Qiang was even more annoyed when he was summoned by this kid just now.

Wow...

Hearing this, the surrounding three major disciples instantly burst into an uproar, and then they all nodded in agreement.

"Senior Brother Liu Qiang is right. This kid has no strength at all, yet he can refine medicine pills..."

"Yes, he is not from our three major sects, but he has always been diligent, so he must have a plan. "

I guess it is also, if the elder Qianqiu takes the other side's way, it will be a huge loss for our three major sects."

Everyone's doubts, you and I came, Yue Feng didn't have any fluctuations on the surface, but he wanted to cry without tears in his heart.

Ma De, the disciples of these three sects, is more suspicious than the other.

But it is no wonder that in the past 100 years, the three major sects have forcibly occupied the mysterious realm of the sky, and other sects are not allowed to enter. From the sect master, the elders, to the disciples, all of them suffered from persecution paranoia.

This group of people...

At the same time, Lu Xiaoshuang trembled, anxious and angry, and felt sorry for Yue Feng.

Aren't the disciples of these three sects unreasonable?

Yue Feng has already refined the medicinal herbs, and they are still deliberately looking for trouble, which is really hateful.

Feeling uneasy, Lu Xiaoshuang wanted to say a few words to Yue Feng, but thinking of his own identity, he held back.

Huh...

Hearing what Liu Qiang and the surrounding disciples said, Daoist Qianqiu held the medicinal pill in his hand, frowned slightly, pressed it for a while, and felt a little hesitant in his heart.

What Liu Qiang said to these disciples seemed to make sense.

The man in front of him named Yue Feng, who seemed to be ordinary, would have lost the thousand-year-old technique of alchemy. Moreover, he could accurately tell the hidden dangers in his body before, which was really doubtful.

But... if he poisoned me, what good would it do to himself?

Chapter 5002

Haha...

Seeing the Taoist Qianqiu also hesitated, Yue Feng was secretly amused and couldn't help but said: "Daoist, I have refined the medicinal pills, if you don't believe it, I can't help it."

Speaking, Yue Feng pretended to throw the medicine pill into the fire: "Oh, I thought I was sincere, but I didn't expect that in exchange, it was just suspicion and accusation. Forget it, I don't want this medicine pill..."

He didn't intend to really destroy the medicine pill, but just deliberately scare Taoist Qianqiu. Yue Feng could see that Taoist Qianqiu seemed to see through everything on the surface, but in fact, he valued his own life more than anything else.

Moreover, under the guidance of Yue Feng just now, Taoist Qianqiu had already sensed that something was wrong in his body. Under such circumstances, how could Yue Feng be able to destroy the elixir that he had finally refined?

"Little brother, you can't..."

Sure enough, when he saw that Yue Feng was going to destroy the medicine pill, Taoist Qianqiu's expression changed, he hurried over, stopped Yue Feng, and said with a smile, "The people below are ignorant, brother don't want it. Care."

After speaking, he took the medicine pill from Yue Feng.

Yue Feng laughed secretly, and said lightly: "Isn't the Taoist afraid of the poison in this medicine?" This Taoist is really interesting, and it is only when he has to make things stiff that he is happy.

Uh...

Seeing Yue Feng's smile but not a smile, Taoist Qianqiu was stunned for a moment, then smiled awkwardly: "Little brother, don't laugh anymore, even if it's poison, this old man has to try it."

At this time Taoist Qianqiu also wanted to understand, before his eyes Yue Feng did not dare to use poison at all. If it were really poison, he wouldn't be able to live.

Who in this world is not afraid of death?

Besides, if the dignified Grand Elder of Chunyang Palace doesn't even have the guts to test the medicine, wouldn't he be laughed at?

Thinking of this, Taoist Qianqiu didn't hesitate to take the medicine pill at this time.

Whoa!

Seeing this situation, Liu Qiang and the surrounding disciples of the three major sects all changed their expressions and instinctively wanted to dissuade them, but they were still a step behind.

For a time, everyone's eyes were fixed on Taoist Qianqiu, holding their breaths and waiting for the effect!

Haha...

Seeing Liu Qiang and the others being nervous, Yue Feng secretly laughed.

At the same time, Lu Xiaoshuang stood aside, only to feel that his heart was hanging.

Is this... the medicinal pill made by Yue Feng, can it be effective?

If it doesn't work, the Taoist Qianqiu and the disciples of the three major sects around him will immediately turn their faces.

Time passed by minute by minute.

In the blink of an eye, ten minutes passed, and Taoist Qianqiu was sitting there, silently running the Pure Yang Technique, his old face was full of red.

Huh...

Then, Taoist Qianqiu stood up slowly, looked at Yue Feng eagerly, and couldn't hide his excitement: "Brother Yue Feng, your medicinal pill is really amazing, the cold feeling in this old man's body, it's gone, it's amazing, it's really amazing..."

When he said this, Taoist Qianqiu smiled, and his attitude was the same as when he first came, and it was like heaven and earth.

When he was using his internal power just now, Taoist Qianqiu only felt like he was falling into an ice cave, but after taking the medicine pill, the cold feeling disappeared, and his whole body was warm and indescribably refreshing.

At this time, in the mind of Taoist Qianqiu, the Yue Feng in front of him was undoubtedly the alchemy god who descended to earth. Can you be rude?

What?

Seeing this situation, the surrounding Liu Qiang and the disciples of the three major sects were all shocked.

This... the medicine pill refined by this kid is really useful?

I thought that this kid had bad intentions and wanted to take the opportunity to poison Daoist Qianqiu, but he didn't expect that the effect would be so significant. From this, it can be seen that this kid is really good at alchemy.

It's incredible.

call!

At the same time, Lu Xiaoshuang was also very excited. It was great, the medicinal pill was effective, and neither he nor Yue Feng had to die.

At the same time, Lu Xiaoshuang's eyes were also fixed on Yue Feng, unable to hide the admiration and appreciation in his heart.

This Yue Feng is really amazing. Not only does he understand the formation method, he understands the language of animals, he can open the secret lock, but even the alchemy technique, which has been lost for thousands of years, is also perfect...

This is a talent that is rare in a thousand years.

Chapter 5003

Seeing everyone's expressions, Yue Feng showed a smile.

The next second, Yue Feng looked at Daoist Qianqiu seriously: "Daoist, the situation in your body has been relieved. As long as you concentrate on recuperation and stop frequent retreats, you should be fine."

Saying, Yue Feng tilted his head and glanced at Lu Xiaoshuang, and continued: "The Taoist priest also took the medicine pill. Now it's time to let us go. This girl Lu is my friend. I hope the Taoist priest will not embarrass him."

Huh.. When

the words fell, Lu Xiaoshuang was moved beyond words, and looked at Yue Feng's eyes with a hint of gratitude.

Up to now, he still thinks about my safety, this Yue Feng is really good.

While moved, Lu Xiaoshuang looked at Daoist Qianqiu with great anticipation. Just wait for him to say a word.

Hmm...

Daoist Qianqiu didn't answer immediately, but pondered.

At the same time, Liu Qiang and the three surrounding disciples of the three sects were in an uproar.

This Lu Xiaoshuang, who dared to break into the mysterious realm of the sky, how could he be lighthearted?

Thinking to himself, Liu Qiang was the first to stand up and pointed at Yue Feng and yelled loudly: "Hey, don't go too far, you have refined the medicine pill and solved the predicament of the master, you can save yourself from death, but this woman, but the elder sister of Shendiaomen, she trespassed into the secret realm, she represented Shendiaomen, and openly opposed our three sects."

"So, this woman must not be lenient, so boy, just take care of yourself, don't I thought that if I saved my master, I would be able to speak loudly..." The

voice fell, and the surrounding disciples all spoke up one after another.

"Senior Brother Liu Qiang is right, don't push yourself too far, kid."

“It’s good that you can save your own life, and you want to take care of others? Hehe...”

“Do you want to be a hero to save the beauty? Don’t look at the place, what’s the situation...”

Everyone scolded, you said, When I heard a sentence, my attitude was very tough, and it seemed that I did not intend to spare Lu Xiaoshuang lightly.

Swish!

Lu Xiaoshuang was originally full of hope, but when he saw the situation in front of him, his legs suddenly became weak, and he could barely stand still, and his face was extremely pale.

It’s over, it looks like I really can’t get out now.

But at the same time of despair, Lu Xiaoshuang couldn’t help but glance at Yue Feng, hoping that he could say good things to him again.

call!

Yue Feng also took a deep breath and frowned secretly.

Ma De, the disciples of these three sects have a strong sense of superiority.

Muttering, Yue Feng planned to speak to Lu Xiaoshuang again, but at this time, Taoist Qianqiu coughed and began to express his position.

“Shut up!”

At this time, Daoist Qianqiu looked around, his face was solemn, showing a bit of displeasure, and he said to Liu Qiang everyone: “What does it look like when everyone is yelling?” Daoist

Qianqiu not only He is the Great Elder of Chunyang Palace, and among the three major sects, he also has a very high prestige. Seeing his displeased face at this time, whether it is Liu Qiang or the other three major sect disciples around him, they hurriedly closed their mouths.

Taoist Qianqiu adjusted his mood and said slowly: “Brother Yue Feng, a genius in the sky, it’s a great honor to meet him, whether it’s this old man or you, and now Brother Yue Feng can help friends with a few words. , can’t everyone understand it?”

At this time, in the hearts of Taoist Qianqiu, Yue Feng was already regarded as the god of alchemy, and he did not dare to offend him in the slightest.

Uh...

After hearing this reprimand, Liu Qiang didn't dare to open his mouth to refute it, although he didn't agree with it.

"Liu Qiang!"

At this time, Taoist Qianqiu ordered Liu Qiang: "Bring a few people and send Miss Lu out of the secret realm. Remember to protect her safety and make no mistakes."

After speaking, Taoist Qianqiu rushed to Lu Xiao again. Shuang said, "Miss Lu, originally you trespassed into the secret realm today, and the old man couldn't spare you lightly, but since Brother Yue Feng has spoken, the old man will open up and give you a chance."

When he said this, Taoist Qianqiu paid attention, has always been on Yue Feng.

In the eyes of Taoist Qianqiu, Yue Feng is a once-in-a-millennium genius, and it is too late to flatter him. How could he offend him? Since this Lu Xiaoshuang is his friend, let's be friendly and let it go, nothing to lose.

Chapter 5004

"Thank you, Daoist Master!"

Hearing this, Lu Xiaoshuang was overjoyed, quickly nodded his thanks, and gave Yue Feng a deep look.

Today, thanks to him, I can save my life.

Whoops!

Soon, Liu Qiang picked a few disciples and asked them to send Lu Xiaoshuang out of the secret realm.

Lu Xiaoshuang didn't dare to disobey, but before leaving, he couldn't help but look at Yue Feng worriedly. Taoist Qianqiu only let himself go, but left Yue Feng here, and everyone would be worried.

Yue Feng smiled slightly, gave Lu Xiaoshuang a comforting look, and signaled not to worry.

Soon, a few Lu Xiaoshuang left.

call!

Seeing Lu Xiaoshuang's back go away, Yue Feng took a deep breath and looked at Taoist Qianqiu with a smile: "The Taoist didn't say let me go, is there something else?"

In fact, Yue Feng was not in a hurry to leave. After all, the marrow golden pill was still on the frozen jade stone below the altar that day, and that was a good thing that could restore his divine power. I'm afraid that there is only one in the entire Ziwei Continent. How can he leave so easily?

However, in the current situation, Yue Feng had to express his attitude, otherwise Taoist Qianqiu would be suspicious when he saw that he was not in a hurry.

Hehe... Hearing the question, Taoist Qianqiu smiled slightly and said very politely: "Brother Yue Feng, don't get excited, I'm leaving you just to ask

, have you joined Shendiaomen?"

At that time, Taoist Qianqiu had a bit of urgency in his eyes.

Yes, he wants to pull Yue Feng into the Chunyang Palace. After all, this is a genius who can make alchemy, so he must win over him.

This...

Sensing the expression of Taoist Qianqiu, Yue Feng pondered for a while, scratched his head and said, "No, I'm just a nobody in the rivers and lakes, how can I be qualified to enter the sect."

Yue Feng could see that Taoist Qianqiu wanted to win over himself, Moreover, people of his status are decisive in killing, and once they know that they are from other sects, they will be tempted to kill.

So after thinking about it, Yue Feng decided to answer truthfully.

Haha...

Daoist Qianqiu was very excited and said impatiently, "I don't know Brother Yue Feng, are you interested in joining our Chunyang Palace?"

Yue Feng looked humble: "This...I don't have any strength at all. I'm afraid I can't do anything when I join Chunyang Palace

." He said with a smile: "Just now, my brother refined the medicinal pills on the spot, but it was an eye-opener for me."

"Also, Brother Yue Feng, don't worry, as long as you join our Chunyang Palace, you will never be treated badly. The strength of alchemy will never make you a disciple."

When he said this, Taoist Qianqiu took out a jade pendant from his body and handed it to Yue Feng: "From now on, you are the Dan Pavilion of Chunyang Palace. Pavilion Master ."

The alchemy room of Chunyang Palace, also known as the Pill Pavilion, has been idle for nearly a thousand years, and has been taken care of by Taoist Qianqiu in recent years. It was decided to hand over the Pill Pavilion to Yue Feng.

Pill Pavilion is extremely special in Chunyang Palace. Once you become the Pavilion Master, let alone the disciples below, even the Palace Master of Chunyang Palace, you must be polite and courteous.

You must know that in the entire Ziwei Continent, alchemists are extremely rare.

wow.

Dan Pavilion Pavilion Master? !

As soon as the words fell, the surrounding Liu Qiang, the disciples of the three major sects, suddenly burst into an uproar, all eyes focused on Yue Feng, full of envy and jealousy.

"Master!"

After a brief silence, Liu Qiang couldn't help being the first to rush out, and said to Taoist Qianqiu in a complicated tone: "The position of the Pavilion Master of the Pill Pavilion has been idle for nearly a thousand years, although this Yue Feng knows a little about alchemy. Fa, but let him be the pavilion master, is it a bit too hasty, after all, he has no strength at all, how can he assume the position of the pavilion master of the Pill Pavilion?" The

voice fell, and many disciples of the surrounding Chunyang Palace also endured it. They kept talking.

"Yeah, the elder, Senior Brother Liu Qiang is right. This Yue Feng has no strength at all. It would be inappropriate for him to be the pavilion master of the Pill Pavilion."

"In case of trouble, he is caught by other sects. Isn't our Chunyang Palace very embarrassing?"

"Elder, think twice!"

Chapter 5005 Huh

...

Seeing this scene, Taoist Qianqiu's face instantly turned gloomy, and he looked around coldly: "Do I need to ask you for instructions on what this old man wants to do?" The

voice was not loud, but it spread throughout the audience. , At the same time, a powerful aura also permeated from Taoist Qianqiu.

For a time, feeling the strong pressure of Taoist Qianqiu, everyone couldn't help but take a deep breath and quickly shut their mouths. At this time, Taoist Qianqiu looked closely at Liu Qiang: "Even you questioned the old man, is it in your heart that you have no master

like me?" His whole body trembled, his legs softened, he knelt directly on the ground, and repeatedly said: "The disciple dare not, the disciple dare not..." Although he was arrogant and domineering, in front of Taoist Qianqiu, he did not dare to be arrogant in the slightest. . Seeing him admit his mistake, Taoist Qianqiu's face softened a little, then he looked around and said lightly: "This brother Yue Feng, just made a medicinal pill, everyone has seen it, since alchemy disappeared a thousand years ago, there are people on the rivers and lakes. Who dares to be able to make alchemy by himself? It is Brother Yue Feng, who has revived the brilliance of alchemy." "Now let him be the alchemy pavilion master of our Chunyang Palace, why not? I have decided on this matter. Now , after you go out, report to the Sect Master immediately, I believe the Sect Master will be very happy." "From now on, whoever dares to be disrespectful to the Pill Pavilion Master again, don't blame the old man for being rude. ." Hearing this, the disciples of Chunyang Palace present were all trembling, and no one dared to talk nonsense. call! Seeing this situation, Yue Feng's face was indifferent, but his heart was filled with joy.

What happened today is really twists and turns. I thought that it would be good to make a medicinal pill just now and save a life, but I never expected that I would become the Pill Pavilion Pavilion Master of Chunyang Palace in the end.

With this identity, it will be much more convenient to explore this secret realm next.

"Brother Yue Feng."

At this time, Taoist Qianqiu came over and said with an embarrassed expression: "The people below are ignorant, you don't have the same knowledge as them. From today, we are a family, haha..."

At this time Daoist Qianqiu is very happy.

Although today's Dao Discussion Conference had a lot of problems, and many people secretly broke into the mysterious realm of the sky, but in any case, it was definitely an unexpected surprise to win an alchemy master today.

Yue Feng smiled: "Daoist is polite."

Taoist Qianqiu nodded and said very politely: "I have been delayed here for so long, and I don't know where the other people who broke in are where, Brother Yue Feng. Would you like to go search with me?"

When he said this, Taoist Qianqiu's eyes were full of expectations.

This...

Yue Feng scratched his head and made a very embarrassed look: "Otherwise, you can go, I want to rest..." Under the altar, the Heavenly Marrow Golden Core on the Frost Jade Stone was still alive. If you don't get it, how can you follow them around?

Hearing the answer, Taoist Qianqiu was stunned for a moment, and then nodded suddenly: "Look at my brain, Brother Yue Feng must be tired if he can walk all the way here, then you rest, I will take someone to search for others, After that, let's meet here."

In Taoist Qianqiu's heart, Yue Feng had no strength, and after entering the Heavenly Mysterious Realm, to be able to get to this place must be exhausted, and naturally he has to rest.

At this time, Taoist Qianqiu still didn't know that Yue Feng's rest was fake, and his real purpose was to get the golden pill of heavenly marrow under the altar.

Wow...

Soon, Taoist Qianqiu led Liu Qiang and the others, and headed for the distance. There are many experts in the arena in the mysterious realm, and they must be cleared out.

Huh...

Watching Taoist Qianqiu lead people away, Yue Feng let out a long sigh of relief, Nima, he finally left. The situation just now really made me sweat.

Fortunately, I was resourceful and used alchemy to restrain Taoist Qianqiu. Otherwise, I and Lu Xiaoshuang would have been prisoners.

Thinking to himself, Yue Feng began to study the altar in front of him.

Although the organs around the altar are very delicate, they can't help Yue Feng at all.

## **The ultimate husband in Chinese chapter 5006-5010**

Chapter 5006

Scratching...

After a while, Yue Feng found the mechanism under the altar. After opening it, he heard a sound of vibration, and then the slate on the altar slowly opened, revealing the ice inside. jade.

I saw that on the ice jade stone, the beautiful woman was still lying there, and the Heavenly Marrow Golden Core in her hand was still there.

Haha...

At this moment, Yue Feng took a deep breath, unable to restrain his excitement.

Although it has gone through twists and turns, doesn't this Heavenly Marrow Golden Core still fall into your hands in the end?

Excited, Yue Feng jumped down quickly, took the Heaven Marrow Golden Pill in his hand, then looked at the sleeping beauty, took a deep breath and said, "This fairy, I know that this Celestial Marrow Golden Pill is a You use it to restore your divine power after you wake up, but it is also very important to me."

"Don't worry, I took your Heavenly Marrow Golden Pill, and I won't ignore you. I will strengthen the formation of this altar later. Don't let anyone disturb you, and, if there is a chance in the future, I will come back to return your golden pill." The

voice fell, Yue Feng jumped onto the altar, twisted the mechanism and slowly closed the slate. After that, a formation was deployed around the altar again.

After doing this, Yue Feng took a deep breath and saw that it was relatively hidden under a big rock not far away, so he walked over quickly. After taking the Tianzhu Jindan, he sat cross-legged and began to silently adjust his breath.

Om...

At the moment of swallowing the Heaven Marrow Golden Pill, Yue Feng clearly felt that a vigorous and unparalleled force permeated his body, feeling these, Yue Feng couldn't tell the excitement.

The power contained in the Celestial Marrow Golden Pill is very powerful. According to the speed, it would take Yue Feng half a month to completely integrate the power of the Celestial Marrow Golden Pill. Then, the divine power in the body can be fully restored.

Although it took a long time, it did not affect Yue Feng's mood at this time.

As long as the divine power is fully recovered, even if the former teleportation formation cannot be found here, Yue Feng has enough strength to build one by himself.

This chapter is provided by . Visit [for](#) daily update.

Huh.. Thinking of being able to leave here soon, Yue Feng was very excited. He sat there

cross-legged, looking at his nose and his heart, and quickly entered a state of fusion

...

In the square in the distance, there was a sound of footsteps, and it seemed that there were not many people, only five or six.

“Senior sister...Master came in half an hour ago. We are only here now, so we may not be able to find anyone.”

“Yeah, as I see it, we are still guarding the entrance of the secret realm, maybe we will encounter some slipping nets. Where’s the fish.”

“Yes, yes...”

Several men’s pleasing voices came one after another, and then a clear and pleasant voice sounded: “You guys, one is really lazy than the other.”

“Today is On the days when our three major sects held the Dao Discussion Conference, those Jianghu Xiaoxiao dared to take the opportunity to break into the secret realm, but they did not take our three major sects seriously. At this time, the honor and disgrace of the sects should not be taken lightly. Did you bring people in in person?”

“Can’t you have some snacks? This is a good opportunity to show up in front of Master, so no matter what, we have to catch a few people here. Master will also have a face at that time, I understand. Is it?” The

woman said, walking towards the altar first.

I’m going...

Yue Feng is very depressed when he hears the movement, Mad, if he knew this, he would find a place far away to hide.

Muttering, Yue Feng couldn’t help but open his eyes, glanced outside, and was stunned for a moment, and saw a woman, with five disciples of Chunyang Palace, already on the altar.

The woman in her twenties is very sexy and charming, her brows lack the cold and arrogant air of Lu Xiaoshuang, but she also gives the impression of being a difficult master.

At this time, Yue Feng didn't know that the woman's name was Cao Qian. Like Liu Qiang, she was also a closed disciple of Taoist Qianqiu. Liu Qiang was the senior brother and she was the second senior sister.

However, because of her cleverness, Cao Qian is more favored. Among the disciples of Taoist Qianqiu, she has a high reputation. Even among the younger generation of the entire Chunyang Palace, very few people dare to provoke her.

## Chapter 5007

Originally, Cao Qian was in charge of maintaining order at the Dao Discussion Conference, but after the Tian Mysterious Realm was intruded, the three major sects immediately decided to suspend the Dao Discussion Conference, and then did their best to arrest the trespassing secret realm. people.

Cao Qian was so overjoyed that she saw that her master brought people in, and she was unwilling to be lonely, so she quietly brought a few younger brothers in, intending to arrest a few people for merit.

At this time on the altar, Cao Qian checked the next four weeks!

"There are a lot of footprints and corpses here..."

"It looks like Master must have been here."

"Huh? Someone over there..."

While discussing, one of the disciples found Yue Feng behind the stone. , suddenly couldn't help shouting.

Swish!

In an instant, the eyes of Cao Qian and the other disciples also converged on Yue Feng. Each one looked cold.

"Tie this person up." In the

next second, Cao Qian's red lips lightly opened, and she spit out a few words coldly. Like the few people beside her, in her heart, the Yue Feng in front of her was the Jianghu Xiaoxiao who had sneaked in. To deal with this kind of person, you can't be polite at all, you must use the thunder method to teach you a lesson.

Whoa!

The voice fell, and several junior brothers walked over quickly and tied Yue Feng Wuhua.

To be honest, if they were a few minutes late, they would not be able to catch Yue Feng, but Yue Feng had just taken the Heaven Marrow Golden Pill, and his divine power was still in the awakening stage, so he couldn't resist at all.

Haha...

After Yue Feng was tied up, several disciples were all excited, and one by one, they tried to please Cao Qian.

"Senior sister is really right. We just got in and caught one."

"Yeah, I'll be very happy when Master sees you."

"Maybe there will be a reward."

Cao Qian was also full of smiles. Putting on the attitude of a senior sister, he said lightly: "That's right, wait and listen to my instructions. As long as you find someone who is not from our three major sects, they will all be arrested. Anyone who dares to resist will be killed." The

voice fell, Several brothers and sisters nodded.

In the next second, Cao Qian looked at Yue Feng coldly, with a condescending look: "You are very courageous, you dare to break into the mysterious realm of the sky, do you know the consequences?" Cao Qian

clearly sensed that the person in front of him, He has no strength at all, he must be at the bottom of the rivers and lakes, and he is too lazy to look directly.

Uh... Feeling Cao Qian's contempt, Yue Feng was

speechless, but still squeezed out a smile and said, "This beauty, a misunderstanding, we are our own people, let me go quickly."

The Pill Pavilion Master of Chunyang Palace, isn't it his own?

own people?

Hearing this, Cao Qian was stunned for a moment, and the disciples of Chunyang Palace next to each other also looked at each other, and then couldn't help sneering.

"The kid is not too timid, and dare to pretend to be someone from my Chunyang Palace."

"I think you are impatient with your life."

“You think we are all fools?”

Cao Qian also laughed angrily, looking at Yue with disdain. Feng Dao: “Looking at you, are you qualified to enter our Chunyang Palace? Honestly, who are you? What are you doing here? Are there any accomplices?”

The person in front of him, who dares to pretend to be a disciple of Chunyang Palace, is really tired of living.

Ugh!

Yue Feng sighed, very helpless, why don't these people believe it?

Thinking to himself, Yue Feng said seriously: “I really didn't lie to you, I just separated from Taoist Qianqiu, and it was because of Taoist Qianqiu that I joined Chunyang Palace...”

But before he finished speaking, Cao Cao Qian and a few disciples all changed their expressions and scolded them one after another.

“Bold...”

“Pretentious...”

“Shut up!”

Cao Qian's face was frosty, and she stomped her feet: “You're not too brave, so it's taboo to call my master by his name? You guys, throw him off the bridge. Go down.” Saying this, he raised his finger and pointed to the chain bridge in the distance behind him.

In their hearts, Master Qianqiu is a tyrannical person, and he has a broad understanding of ancient and modern, and he is like a saint, and Yue Feng dares to call his name outright, which is simply a kind of blasphemy to the master, and it is a provocation to the Chunyang Palace.

Whoa!

The voice fell, and a few disciples behind him walked over quickly, and they were about to drag Yue Feng away!

Chapter 5008

Nima!

Yue Feng was shocked and angry, so I called Taoist Qianqiu's name. Are you all so excited?

But thinking so in his heart, Yue Feng did not dare to get too excited, squeezed out a smile, and said to Cao Qian: "This beauty, have something to say, I was wrong just now, it is the Great Elder Qianqiu.

" I have a chance..."

At this moment, Yue Feng was very angry, Ma De, if his divine power hadn't fully recovered, why would he be arrogant to these people?

Huh ...

Seeing his sincere expression, Cao Qian thought for a while, and said arrogantly, "You can live if you want to. I kowtow three times to auntie, and I'll spare your life for the time being.

" Several disciples also opened their mouths.

"Call auntie..."

"It's rare for our senior sister to be open to the public, so don't be ignorant of praise."

Damn! In the face of this situation, Yue Feng wanted to cry without tears, and at the same time felt very funny, and immediately said to Cao Qian: "What if I don't kowtow?

" Not too lazy to talk nonsense, he waved his hand: "If you want to survive, but don't want to kowtow? Then break your legs."

Whoa!

The words fell, and several disciples beside him came over one by one eagerly, and they were about to do something to Yue Feng. In their hearts, the boy in front of him, if he didn't listen to his senior sister, was courting death.

"Stop, stop for me!"

However, at this critical moment, a roar sounded from a distance, and then, more than 100 people came forward in a mighty manner. Taoist.

After Taoist Qianqiu took people away, he inspected some nearby places, but did not find other people who broke in. He rushed back with Yue Feng's safety in mind.

You must know that Yue Feng can make alchemy, but the treasure of the entire Chunyang Palace must not let him have an accident. Just as soon as he came back, he

saw from a distance that the female apprentice Cao Qian and the named disciple actually took Yue Feng Tied, how not to get angry?

“You bastard!”

At this moment, Taoist Qianqiu walked over quickly, and his shot was as fast as lightning. Several disciples who followed Cao Qian were all slapped.

Snapped! Snapped! Snapped!

With these few slaps, Daoist Qianqiu took action very quickly, and several disciples didn't have time to react, and all of their faces were swollen. Several people were immediately stunned.

“Master, why did you beat us!”

“Yeah, we came in to help arrest someone.”

“We also arrested one.”

At the same time, Cao Qian couldn't help but say, “Master, you're weird. Did we come in without asking for instructions? Don't be angry, Master, you see, I just caught a stinky boy, and the funny thing is, this kid said he knew you.”

At this time, when Cao Qian spoke, she didn't notice at all. , The faces of Liu Qiang and others around him were extremely complicated.

“Shut up!” The

Taoist Qianqiu was also trembling with anger, and shouted angrily at Cao Qian: “You stinky girl, I brought someone in privately, I won't talk about you, this person is the Pill Pavilion Pavilion Master of our Chunyang Palace, You actually tied him up, do you still have rules in your eyes? Is there still a master like me?”

What? !

Hearing this, not only Cao Qian, but also the named disciples behind him were all stunned.

The kid I caught is the pavilion master of the Pill Pavilion?

However, the Pill Pavilion has not been sealed as a pavilion master for nearly a thousand years. This kid seems to have no strength at all, so how did he become the Pill Pavilion pavilion?

Doubtful, Cao Qian couldn't help but say: "Master, are you confused? This person looks like a liar, and it is impossible for him to be able to make alchemy. What's going on, the pavilion master of the alchemy pavilion?"

Shuh!

Hearing this, Daoist Qianqiu's face turned green with anger, and at the same time, Liu Qiang was too anxious, he walked over quickly, and said in a low voice, "Junior sister, this person is really the Pill Pavilion Master, please apologize. "

Later, Liu Qiang explained what happened before in detail.

What?

After learning about the situation, Cao Qian's body trembled, completely dumbfounded, staring blankly at Yue Feng, speechless.

This person... just made a medicinal pill on the spot and saved the master? This... how is this possible?

Chapter 5009

She never imagined that this seemingly useless kid in front of her would have such great abilities.

But seeing the scene in front of her, Cao Qian only felt that her legs were weak, and she could hardly stand still.

His master, in front of Yue Feng at this time, was extremely polite and complimented.

Are you dreaming?

Master has always regarded himself very highly, even in the face of the palace master of Chunyang Palace, he has always maintained a high attitude, but in front of this person, he is so polite.

How could this be?

"What are you doing?"

At this time, Taoist Qianqiu glared at the disciples around Cao Qian and shouted angrily, "Why don't you come over and apologize to the Pavilion Master of Pill Pavilion ?

"

They all trembled, and then walked over quickly, each one was in a very uneasy mood, and apologized to Yue Feng.

“I’ve seen the pavilion master, how offended it was just now!”

“We have eyes but don’t know Mount Tai...”

“Please forgive the pavilion...”

As they said, several people loosened Yue Feng’s ties.

Yue Feng smiled and ignored them, but looked at Cao Qian quietly.

The next second, Yue Feng said with a smile: “How is it? Trust me now, I said just now that we are our own people, but you guys don’t listen!

” Go to the abyss, and finally ask me to kowtow to apologize.”

“Oh, what do you think you guys are all about?”

The tone was leisurely, but when Cao Qian heard it, the words were like a talisman, all of them were pale and panicked.

It’s over, it’s over... I

was so disrespectful to the Pill Pavilion Master just now, and when Master knows it, he must be furious.

Swish!

Sure enough, upon hearing this, Taoist Qianqiu almost exploded with anger, glaring at Cao Qian and angrily said, “You are so daring, you dare to treat the Pill Pavilion Master like this, and you still don’t kneel down and apologize?”

“I tell you, if you can’t let it The pavilion master is satisfied, don’t call me master in the future, I don’t have a disciple like you.”

At this time, the Taoist Qianqiu was very angry, Ma De, he had managed to win over an alchemy genius just now, but he was almost given by these incompetent disciples. get killed.

If something happened to Yue Feng, it would not only be the loss of Chunyang Palace, but also the loss of the entire Jianghu.

hum!

Hearing Master's words, Cao Qian's beautiful face was instantly bloodless, and her delicate body couldn't help but take two steps back. She never thought that the master who had always loved her would be so angry with her today for Yue Feng's sake.

But she also knew that the master was really angry this time.

Pfft!

At this moment, Cao Qian bit her lip tightly, bent her knees, and knelt directly in front of Yue Feng, completely losing her arrogant aura.

"Pavilion Master, I was wrong just now, please forgive me this time."

Cao Qian almost cried when she said this. You must know that in Chunyang Palace, in addition to the master and the palace master, other disciples saw her. They are all polite, when do you bow your head to someone? But today, in front of so many people, not only have to bow to Yue Feng, but also kowtow to apologize.

Really lost face.

Haha...

Seeing her pitiful appearance, Yue Feng smiled slightly and said, "When you see me in the future, you will be so polite, do you understand?"

Cao Qian nodded repeatedly: "Understood, pavilion master!"

Seeing her being so obedient, Yue Feng nodded with satisfaction, turned back to Taoist Qianqiu and smiled: "It was just a misunderstanding, the Taoist priest should not be angry, give this girl a chance."

Although Yue Feng is more than Cao Qian. It's not a big deal, but he has been involved in the arena for more than ten years. Whether it is qualifications or experience in the arena, Cao Qian can't compare.

More importantly, Yue Feng is not only the Nine Heavens Profound Sage, but also the teacher of the Heavenly Emperor. It is not too much to call Cao Qian a girl.

Ha ha!

Seeing that Yue Feng no longer cares about it, Taoist Qianqiu also smiled: "Brother Yue Feng is still young, but he has such a mind, which is really admirable." After speaking,

Taoist Qianqiu glared at Cao Qian and said coldly: "Since the pavilion master doesn't care anymore, I will spare you this time, and next time, I will expel all of you from the division."

## Chapter 5010

“Yes, Master!”

Hearing this, Cao Qian and several disciples nodded tremblingly, what else would they dare to say?

However, when Cao Qian lowered her head, she couldn't help but glance at Yue Feng, bit her lip, and swore in her heart that this bastard made me so embarrassed, and I will teach you a lesson when I find an opportunity in the future.

“Brother Yue Feng!”

At this moment, Taoist Qianqiu came over and said with a smile: “There was a misunderstanding just now, please don't worry about it, it's getting late, those Jianghu Xiaoxiao who broke in, let others Go catch, let's go back to Chunyang Palace first.”

Well!

Yue Feng showed a smile and readily agreed.

I have already taken the Celestial Marrow Golden Pill just now, so I don't need to go to the teleportation array at all. I just need to find a place, cultivate with peace of mind, and slowly integrate the power of the Celestial Marrow Golden Pill.

And Chunyang Palace is undoubtedly a very good place.

.....

Earth-circle continent, Donghai City.

Gone, Zhu Bajie, and Xiao Yuruo, the fierce battle between the two sides has been fought from the top floor office of the Liu Group Building to the vicinity of the Zhaixing Building.

They have been playing for hours, but still no winner.

Gone was one to two, facing Zhu Bajie and Xiao Yuruo's joint effort, and was constantly suppressed, and he was very frightened and angry. It's really shameful that he, the supreme being of the Demon Race, has been entangled by two humans for so long.

Mad!

And Zhu Bajie was not in a hurry.

This kid's strength is too strong, he and Xiao Yuruo have been fighting with him for more than two hours. Although they have always had the upper hand, they have never been able to completely suppress him.

Really suffocating.

“Boy!”

At this time, taking advantage of Xiao Yuruo's attention to Gone, Zhu Bajie knew that the opportunity was coming, and immediately shouted: “I think you should give up resistance.” The voice fell, and all the energy in his dantian exploded.

“Roar!”

At the moment when the terrifying aura erupted, a loud roar of a tiger resounded through the sky.

With the whistling sound, Zhu Bajie's figure jumped up, suspended high above the sky, and a huge yellow-spotted tiger appeared in front of him.

This yellow-spotted tiger is more than ten meters long. It is obviously formed by the illusion of internal power, but it is lifelike and has amazing momentum!

Yes, it was one of the great skills of Zhu Bajie's cultivation. With this move, Zhu Bajie defeated the countless guards in Beiyong Imperial City in one fell swoop, with infinite power.

“Kill! Lie down for me, Lao Zhu.” In the

next second, Zhu Bajie shouted and raised his hand straight to Gone.

In an instant, the tiger roared wildly, carrying unparalleled power, and charged directly towards Gone. Wherever the huge body passed, a crack was cut in the air!

Mad!

Seeing Zhu Bajie's ultimate move, Gone's face was extremely solemn, and he didn't dare to underestimate the enemy at that time.

“Boom!...”

Next wonderful, the tiger slammed into the protective film, and a thunderous roar erupted, and the protective film suddenly shattered. come down.

Damn, was actually injured by a human.

Gone stood up quickly, wiped the blood from the corner of his mouth, his eyes were extremely sinister.

Speaking of which, if Goni was at his peak, Zhu Bajie wouldn't even be able to touch his clothes, but Gone had just recreated his demon soul, and he was far from recovering to his peak. , naturally could not resist.

Seeing this scene, Xiao Yuruo was incomparably excited: "Big Brother Zhu, you played well!"

As she spoke, Xiao Yuruo's eyes locked tightly on Gone: "Drain my sister's essence and die!" The voice fell, and Xiao Yuruo clenched her hands tightly. The long sword rose lightly and stabbed directly at Gone's heart.

want to kill me?

Feeling the sternness of Xiao Yuruo's sword, Goni's mouth twitched into a sneer, standing there without escaping, and decisively slapped it with a palm.

boom!

The palm strength and the long sword collided, and a dull sound came out. This palm Goni almost tried his best, but the power was amazing. Xiao Yuruo's face was pale, and her delicate body was directly knocked back ten steps. Even Zhu Bajie had to back away!
