Chapter 5021

“Yue Feng!”

After swallowing the golden pill, Gu Chen said coldly at Yue Feng with a grim face: “If you prove that this pill is real, you have committed an unforgivable crime. “

I originally intended to dedicate this golden pill to the palace lord, but because I bet with you, I ate it myself. It was you who made the palace lord lose an opportunity to improve his strength, so you can ask for more after a while. Blessed.”

Wow...

the voice fell, and everyone around was talking about it.

“Elder Gu Chen is right.”

“Yes, only the palace lord is eligible to take the golden pill, and now, just because of Yue Feng’s words, the elder Gu Chen is forced to make a bet with him that if the golden pill is real, Didn’t the palace master lose the opportunity?”

“Who said no?”

Everyone around, the comments from you and me are all unfavorable to Yue Feng.

However, Yue Feng had a smile on his face, and his mood was not affected at all.

But seeing this scene, Taoist Qianqiu was a little panicked in his heart. He hurried over and whispered to Yue Feng: “Brother Yue Feng, have you seen it clearly? Is the golden pill really ineffective?”

You know, this But Jin Dan, in the entire Ziwei Continent, I am afraid that it may not be possible to encounter one for thousands of years, but it was found by Gu Chen.

And Yue Feng actually said that it was invalid.

If it really fails, it’s fine. If it doesn’t fail, the palace master will be furious. , forcing Gu Chen to eat it himself.

If Yue Fengwan took a wrong look, he would not only be angered and punished by the palace master, but he would also suffer. After all, Yue Feng’s position as the master of the Pill Pavilion was highly recommended by him.

This chapter is provided by . Visit for daily update.

“Relax!”

Feeling the apprehension of Taoist Qianqiu, Yue Feng nodded, and responded with relief, but at the same time, he was secretly funny, this Taoist Qianqiu is really interesting, are you afraid of being implicated by me? It was so tense.

Seeing him say this, Taoist Qianqiu breathed a sigh of relief, but he was still a little nervous.

For a while, the hall was silent.

Everyone looked at Gu Chen quietly, waiting for the reaction of Jin Dan after he took it.

Su Lan sat on the throne, her delicate face did not fluctuate at all, and her mood was extremely complicated.

It would be better if the golden pill failed.

If it didn't fail, wouldn't he miss a once-in-a-lifetime opportunity?

Let's wait and see Gu Chen's reaction.

Soon, ten minutes passed.

Hehe...

Gu Chen was full of pride, couldn't help but sneered at Yue Feng: “Boy, have you seen it? I don't have anything at all right now. You say this golden pill is fake, it's completely nonsense. “The

voice fell, and everyone around them began to discuss again.

“Looking at this, there is no problem with Jindan.”

“Alas, this Yue Feng is still young. Even if he can make alchemy, how could he have seen this rare Jindan?”

“Yeah, for the sake of grandstanding. , just say Jindan is fake, now it's good, it's self-defeating, wait and see how he ends.”

Seeing everyone say this, Dao Qianqiu's heart trembled, but he felt that he could not stand still.

Done.

Looking at it like this, Jindan really did not fail.

Brother Yue Feng's judgment was wrong, and he will inevitably be punished by the palace master later, and I am afraid that he cannot escape the guilt.

However, Yue Feng was indifferent and didn't care about the comments of the people around him, but looked at Gu Chen with a half-smiling smile: "Elder Gu Chen, you said that this golden pill is not ineffective, then let me ask you, your strength has improved. Is it?"

This Gu Chen is really interesting, the disaster is imminent, and he doesn't know it yet.

Um?

Hearing Yue Feng's question suddenly, Gu Chen was stunned, and at the same time, he was also secretly puzzled, yes, Jin Dan has been eating for so long, why is there no sign of improvement in his own strength?

At the same time, everyone around them frowned.

"Elder Gu Chen, it seems that his strength has not improved at all."

"Yeah, it has been a long time, and there is no movement at all." "

What is the situation?"

Well, I don't understand the situation at all.

Chapter 5022

Hehe...

At this moment, Gu Chen reacted and shouted at Yue Feng: "Good boy, are you trying to bluff me? This golden elixir is a rare treasure, how can it be found so quickly? The effect?"

"I tell you, it's been such a long time now, I don't have anything to do, don't think about delaying the time, the palace lord you killed can't take the golden pill, go to the palace lord and take the guilt, young You are messing around with me."

After saying this, Gu Chen turned his head and said to Su Lan: "Palace Master, it has been proved that this Yue Fengxin is completely unreasonable, right or wrong, please ask the Palace Master to clarify."

Shuh!

The voice fell, and the eyes of the audience suddenly converged on Su Lan.

Everyone present at this time knew what happened to Yue Feng. At this time, it was Su Lan's words. After all, Elder Gu Chen took Jindan for a while, and there was nothing wrong.

It can be seen that this golden pill has not failed. As Gu Chen said, the golden pill is a rare treasure, and it is impossible to have an effect so quickly.

Hmm...

In the face of this situation, Su Lan's delicate face did not fluctuate at all, and she pondered.

Afterwards, Su Lan looked at Yue Feng and was about to speak. Suddenly, seeing Gu Chen's expression changed, she immediately covered her heart and sat on the ground.

Pfft! When he was slumped on the ground, he saw that Gu Chen

was sweating coldly, his face was pale, and he seemed to be unable to speak properly. He stammered: "Cold, it's so cold..."

Falling into an ice cave, it was biting cold, as if the soul had been frozen.

Yes, it was caused by the failed golden elixir.

Yue Feng's guess was good. After the Jindan expired, it would be very dangerous to take it rashly. Just now, Gu Chen had not responded because the Jindan had been ineffective for too long and the effect had not yet been exerted.

what's the situation?

Seeing this scene, everyone was shocked.

I saw Elder Gu Chen in front of him, his face as white as paper, and the cold sweat on his body quickly turned into ice slag, which looked very scary.

Only Yue Feng shook his head secretly, sigh, Gu Chen's personality is too stubborn, he just said that this golden pill is ineffective, he doesn't believe it, and he has to say that I am talking nonsense.

"It's hot, it's so hot..."

Just when everyone was in shock, they saw Gu Chen called out again, his face full of pain, and the ice slag on his body melted at the speed visible to the naked eye, and it was replaced by a burning fire. flushed.

At this time, Gu Chen only felt that he was still in the ice cave for a second. At this moment, he seemed to fall into the burning mouth. His whole body was extremely hot, and his soul was burning. This kind of taste will never be forgotten for a lifetime. .

This...

At this time, everyone around also reacted and exclaimed one by one.

“It seems that the Pavilion Master of Pill Pavilion is right.”

“Yeah, it seems that this golden pill is really ineffective.

” The pill has failed.”

Everyone was discussing, looking at Yue Feng’s eyes, no longer had the suspicion before, but showed deep admiration and reverence.

call!

At the same time, Taoist Qianqiu was originally worried that he was about to die, but he was relieved at this time, patted Yue Feng on the shoulder, and said with a smile:

“Brother Yue Feng, you are really amazing, whether this golden elixir is invalid or not, it can even be used. I can see, it’s amazing, it’s amazing.”

When speaking, Taoist Qianqiu didn’t even look at Gu Chen.

The people around also complimented Yue Feng one after another. They changed their faces faster than turning over a book. Just now, they followed Gu Chen to question Yue Feng, but now that the situation has reversed, their expressions have changed.

Su Lan also secretly exhaled, feeling very fortunate.

Fortunately, I hesitated a moment ago and didn’t take Jindan to take it. Otherwise, wouldn’t life be better than death like Gu Chen?

For a time, everyone’s attention was on Yue Feng, completely ignoring Gu Chen.

“Ah...”

At this moment, Gu Chen shouted, his face full of pain, and he rolled directly on the ground: “Uncomfortable... I’m going to die, I’m going to die...” The

huge pain continued to invade Gu Chen’s sensory nerves, for a while, seemed to be frozen, and for a while, they seemed to be roasted on the fire. The taste was like death.

Chapter 5023

“Pavilion Master!”

However, Gu Chen still retained a bit of the situation, with tears streaming down his face, raising his head and staring at Yue Feng, full of pleading and anticipation: “I was wrong, I beg you, save me Me, help me...”

Gu Chen is not stupid, since Yue Feng can see at a glance that the golden pill has failed, there must be a solution.

After all, he is the pavilion master of the Pill Pavilion.

“Okay!”

Yue Feng looked at him with a half-smile, with a playful look on his face: “However, you lost the bet, so you shouldn’t have forgotten. What should you do?”

“I was wrong, I know I was wrong.” Gu Chen had a sad face, and regretted it in his heart. He knew that this golden pill was really ineffective, so he was less impulsive just now and swallowed it.

It’s too late to say anything now.

It’s just that he is also the elder of Chunyang Palace, and now he apologizes to Yue Fengxia in public, he really can’t afford to lose this person.

Ha ha!

Seeing him hesitating, Yue Feng smiled lightly, turned his head towards the Taoist Qianqiu and said: “Master, the weather is good today, I just came to our Chunyang Palace, I haven’t had a good time, I heard that there are many scenery in our mountain gate, I don’t know if you are interested, be a guide for me.”

While saying that, Yue Feng glanced at Gu Chen casually.

Just now he was targeting me everywhere, but now that something happened, he was thinking of me? If you want me to save you, but don’t want to kneel down and apologize, how can there be such a good thing in the world?

Daoist Qianqiu is also a good person. He immediately heard the sound of Yue Feng’s words, and immediately nodded with a smile: “Of course, I can be a guide for Brother Yue Feng, haha, but it’s an honor for this old man.

” There is a maple forest, and there is a hot spring next to it, how about I take you there?”

Saying that, Taoist Qianqiu also glanced at Gu Chen proudly. Mad, this kid, because he is also an elder, will go against me if he is okay, but today he smashed himself in the foot with a stone, which is really pleasing.

The two laughed and walked out of the hall.

In fact, Yue Feng didn't really want to leave, but deliberately stimulated Gu Chen.

Huh...

Seeing this scene, everyone around them laughed and said nothing. They could all see that Yue Feng did it on purpose, but none of them came out to speak for Gu Chen.

After all, Yue Feng had just joined the Chunyang Palace, but Gu Chen was always targeting others, but it was a bit too much. Now he has suffered a loss, and his memory is good.

"Don't!"

Sure enough, before taking two steps, Gu Chen's expression changed, and then he rushed over and crawled, hugging Yue Feng's legs tightly, almost crying: "Pavilion Master, you can I can't go, if you go, I will die."

Yue Feng looked at him with a half-smiling smile: "Really? But I see you, it doesn't look like a big disaster is coming, you won't lose the bet. admit..."

What? I'm dying, doesn't it seem like a catastrophe is imminent?

Hearing this, Gu Chen wanted to cry without tears, and immediately gritted his teeth and said, "Pavilion Master, it was my rudeness just now, it was my fault!"

"I kneel down and apologize!"

After saying the last word, Gu Chen hurriedly said. Kneeling in front of Yue Feng, at this moment in his heart, the elder's face and self-esteem were all forgotten.

No matter how important face is, life is not as important.

"Pavilion Master, I beg you, I beg you to save my life." At this time, Gu Chen clutched Yue Feng's trousers tightly, snot and tears, indescribably pitiful!

Um!

Seeing that he was finally soft, Yue Feng nodded and said earnestly: "You talk about internal strength, move to the vicinity of the 'Five Treasures' and 'Baichi Points', slowly

expel the remaining power of the golden elixir inside, and, Within half a month, you can't easily use strength to recover."

As the teacher of the Heavenly Emperor, Yue Feng naturally knew how to solve the side effects of the failure of the golden elixir.

Hearing this, Gu Chen didn't dare to neglect, and hurriedly operated his inner strength according to Yue Feng's instructions. Soon, the pain in his body was relieved a lot.

"Many thanks to the pavilion master, many thanks to the pavilion master..."

At this moment, Gu Chen no longer dared to despise Yue Feng in the slightest, and continued to thank him.

Whoa!

At the same time, everyone around was amazed and gave Yue Feng a thumbs up.

"Pill Pavilion Master, it really lives up to its reputation. The side effects of this golden pill have been resolved so quickly."

"It's really amazing, I admire it..."

Chapter 5024

"Yeah, Pill Pavilion Master, he truly deserves his name..."

Seeing everyone complimenting Yue Feng, Taoist Qianqiu also felt that his face was very bright, laughed and said: "Okay, you guys Don't brag about it, Brother Yue Feng, but the one I've drawn to our Chunyang Palace is weak? Haha..."

Everyone nodded in agreement.

This is, Yue Feng showed a smile, looked at Gu Chen quietly and said: "Elder Gu Chen, you will change your character in the future, you know? If you don't understand things, don't say it so absolutely. Otherwise, you will suffer in the end."

"Yes, yes..." Gu Chen nodded again and again.

Just now I learned the taste of a failed golden pill, but at this moment in front of Yue Feng, how dare Gu Chen say nothing?

"Okay!"

At this moment, Su Lan, who had been sitting on the throne, smiled slightly and looked at Yue Feng and said, "Just now, Pavilion Master of Pill Pavilion, to help resolve the

crisis of Elder Gu Chen is really exciting. Vision, it's getting late, everyone should go to rest."

Saying that, Su Lan looked at Yue Feng with a smile: "Yue Feng, you just came to Chunyang Palace, and I will let Taoist Qianqiu accompany you to walk around with you later. Familiarize yourself with the environment."

At this time, Su Lan, the more she looked at Yue Feng, the more pleasing to the eye.

Thanks to Yue Feng, who stopped him in time, he didn't take Jindan rashly. Otherwise, Gu Chen's encounter just now would be replaced by himself. After all, he is also the Palace Master of Chunyang Palace. Sweat, cold and hot, how ugly.

"Yes, Palace Master!"

Upon hearing the order, Taoist Qianqiu responded with a smile, and then pulled Yue Feng out of the hall.

I have to say that the scenery of Chunyang Palace is very good.

The entire Chunyang Palace, built halfway up the mountain, is an antique building, with pavilions and pavilions, scattered in an orderly manner, and it is refreshing to walk during the period.

When we approached the maple forest behind the mountain,

there was a big difference, Tian Maru Jindan was very annoyed and at the same time speechless. This guy is too talkative. For a time, he was speechless.

Seeing that he didn't speak, Taoist Qianqiu was even more proud: "I didn't expect that Tianmen Sect Master Yue Wudi was so timid and cowardly that he didn't even dare to enter a small forest."

"Haha..."

At this time, Taoist Qianqiu was walking in the In the front, while introducing the surrounding environment to Yue Feng, he smiled and said: "Brother Yue Feng, our Chunyang Palace has been inherited for thousands of years, and is known as the first 'Dongxuan Blessed Land' in Ziwei Continent."

"And this title , Naturally, thousands of years ago, the alchemy skills of our Chunyang Palace were second to none in the rivers and lakes, and were only recognized by the major sects. It's a pity that there was a catastrophe in the rivers and lakes, and alchemy was extinct. This cave of our Chunyang Palace No one has mentioned the title of "Mysterious Blessed Land"."

“However, now that the Yue Feng brothers are here, I believe that with your strength, you will be able to carry forward the techniques of our Chunyang Palace, haha...”

Said At these times, Taoist Qianqiu’s eyes were full of expectations.

Yue Feng also showed a smile: “I only know a little about the art of medicine pills. The Taoist priest has such high expectations for me, but I am flattered.”

When he said this, Yue Feng looked around at the surrounding environment and nodded in approval. .

This Pure Yang Palace is really good, full of spiritual energy, and it is a very rare place to practice. It is the most suitable place to comprehend and integrate the Heavenly Marrow Golden Pill.

“Master!”

Just thinking about it, I saw a disciple hurried over, sweating profusely, and said to Daoist Qianqiu: “It’s not good, Master, the eighth and ninth brothers were just discussing, accidentally except for the mistake, the ninth brother was hit with a sword. , the situation is very critical, Master, go take a look.”

When he spoke, the disciple was almost in a hurry.

“It’s really two idiots.”

Hearing this, Taoist Qianqiu’s expression changed, and he scolded very displeasedly: “You can still make such a big mess by learning from each other, it really doesn’t make you worry at all, you go back and watch first. , I’ll be right here.”

“Yes, Master!” The disciple responded, turning around and returning to the original path.

Seeing the disciple walking away, Taoist Qianqiu looked embarrassed and said with a smile at Yue Feng: “Oh, something happened to the disciple, it seems that this old man can’t accompany Brother Yue Feng to continue shopping, or you can go around by yourself. , I’ll go check the situation right away?”

Chapter 5025

The Taoist Qianqiu at this time was very angry.

Originally, I wanted to take this opportunity to have more relationship with Yue Feng, but I didn’t expect that my disciples would be so worry-free. But no matter what, if something happens to the disciple, the master himself can’t ignore it.

Ha ha!

Seeing his embarrassed look, Yue Feng smiled and waved his hand: "Daoist, hurry up, don't let anything happen."

Anyway, it's almost gone, and Yue Feng also understands the general environment of the entire Chunyang Palace. , it doesn't matter if there are thousands of people who follow.

"Okay, then Brother Yue Feng take a walk slowly, I'll go first."

Hearing Yue Feng's words, Taoist Qianqiu smiled, turned around and left quickly.

call!

After Taoist Qianqiu left, Yue Feng was a little bored. Looking at the maple forest not far ahead, he suddenly thought that Taoist Qianqiu said just now that there is a hot spring through the maple forest.

Anyway, if you have nothing to do, just relax in the hot spring.

After making up his mind, Yue Feng walked towards Fenglin, and when he was about to reach the hot spring, he heard the sound of playing with water in front of him.

Um? Is someone taking a bath in the hot spring?

Moreover, listening to the voices of two women, so clear and sweet, they should be beautiful women.

Realizing this, Yue Feng wanted to turn around and leave, but he couldn't hold back his curiosity and walked out slowly.

call!

Soon, when I walked to the end of the maple forest, I saw a natural hot spring appeared in front of me. The water mist was like a fairyland, and in that pool of water, there were two graceful figures, playing and playing in it.

What the hell!

In the next second, Yue Feng was stunned when he saw the face of one of the female protagonists.

It was none other than Cao Qian who had met once in the mysterious realm of heaven. At that time, in the mysterious realm of heaven, Cao Qian saw Yue Feng and thought he was a Jianghu Xiaoxiao who slipped in, so he tied him up and humiliated him afterwards. Yue Feng, at a critical moment, Taoist Qianqiu arrived and scolded Cao Qian.

In the end, Cao Qian knelt down and apologized to Yue Feng.

It can be said that Yue Feng had a deep impression on this woman, but he didn't expect to meet again so soon.

In a daze, Yue Feng couldn't help but look at Cao Qian.

Although Cao Qian was wearing clothes, in the water at this time, her charming curves were looming, tight and sexy.

And the one next to him is also fair-skinned and beautiful, indescribably graceful and charming.

At this time, Yue Feng didn't know that the one who was soaking in the hot spring with Cao Qian was the eldest disciple of the palace master, Jiang Hongyu.

Jiang Hongyu, twenty-three years old, although young, is a well-known senior sister of Chunyang Palace. When she was seven years old, she became the master of the palace. Since then, she has been cultivating in Chunyang Palace with deep aptitude. It can be said that, In the entire Chunyang Palace, it has a very high status.

Because he is the eldest disciple of the Palace Master, even the elders like Daoist Qianqiu will give three points politely when they meet him.

“Ah...”

Just when Yue Feng was fascinated by it, the two beauties in the pool also found Yue Feng, blushing suddenly and exclaimed.

At the same time, the two women also hurried to the water's edge, trying to block themselves with the stones by the water's edge.

It's just that the stones by the water are too small, and the spring water is clear, Yue Feng can still clearly see through the water and see their slender curves...

“You...”

In the next second, Ouyang Jiang was the first to react, staring at Yue Feng with shame and anger: “You... Who are you? Who told you to run around? Get out of here quickly...”

This man, who seemed to be Sven, a pair of eyes, but looking straight at himself, really hateful.

You must know that you are the senior sister of Chunyang Palace, Bingqing Yujie, when was a man seen this way? Especially when you are in a hot spring.

“Senior sister...”

As soon as the voice fell, Cao Qian hurriedly pulled her, her delicate face was full of complexity, and she whispered: “You...you calm down first, don’t provoke this person, he... .He is Yue Feng, the just-sealed pavilion master of the Pill Pavilion.”

When he said this, Cao Qian quickly glanced at Yue Feng, and then quickly lowered his head, her heart was extremely complicated.

Jiang Hongyu doesn’t know Yue Feng, how could she not? Before in the mysterious realm of heaven, it was because of him that he was almost expelled from the master by Taoist Qianqiu.

The ultimate husband in Chinese chapter 5026-5030

Chapter 5026

Pill Pavilion Pavilion Master?

Jiang Hongyu was stunned for a moment, looking at Yue Feng with doubts in her eyes.

Taoist Qianqiu found a new Pill Pavilion master in the mysterious realm of heaven. Moreover, just now in the main hall, he heard that this Pill Pavilion Pavilion owner also made a bet with Elder Gu Chen. In the end, Gu Chen not only lost, but also He almost lost his life because he took the ineffective Jindan.

Jiang Hongyu had just heard Cao Qian talk about these things, and was very interested in this Pill Pavilion Master at that time.

I didn’t expect to meet so soon.

Is it him?

I thought he was such an amazing person, but I didn’t expect that he was so virtuous that he peeked at himself and Cao Qian bathing in the hot spring?

Moreover, this person has no strength at all, he can actually be the master of the Pill Pavilion, and he is so respected by Taoist Qianqiu.

Thinking about it, Jiang Hongyu felt even more disgusted in her heart, and couldn’t help but ask Yue Feng, “Are you the new Pill Pavilion Master?”

Yue Feng looked at her with a smile and nodded, “Yes, it’s me.”

While talking, he also admired Jiang Hongyu’s figure.

I have to say that this woman's figure is also of the highest quality. Standing with Cao Qian, they are simply different.

Swish!

Seeing Yue Feng's gaze, staring at him, Jiang Hongyu was very unhappy, and said coldly: "Even if you are the pavilion master of Pill Pavilion, don't you know a little bit of rules, don't you know the difference between men and women? Hear this Someone is taking a bath in the hot spring, you still come to watch?"

Said, Jiang Hongyu pointed to the distance: "Please leave immediately."

This chapter is provided by . Visit for daily update.

Jiang Hongyu was very angry at this time, if it wasn't for Yue Feng's identity, he really wanted to kill him with a sword.

Uh... This woman is young and has a good temper.

Looking at your eyes, you won't lose a piece of meat... Mumbling

in my heart, Yue Feng scratched his head and smiled: "Don't get excited, I am familiar with the environment today

. With that, Yue Feng looked at Jiang Hongyu strangely, and continued: "You are cultivating exercises, you are more feminine, right?"

When Yue Feng looked at Jiang Hongyu just now, he not only admired her figure, but secretly sensed her. Arrived, Jiang Hongyu's whole body was full of Yin energy, but she was soaking in this hot spring.

It's fine in a short time, but after a long time, I'm afraid there will be bad effects. You must know that the hot springs here come from the ground, and most of the hot springs are formed by underground magma. On the ground, the hot springs formed.

And the underground magma belongs to the pure yang fire, which is just to restrain the feminine, this Jiang Hongyu has been soaking in it, how can it be good?

Um?

Hearing this, Jiang Hongyuxiumei frowned lightly and said angrily, "What do you mean?"

This person is pretending to be mysterious, and he must have no good intentions.

Yue Feng smiled and said, "It's nothing, just soaking for a long time is not good for your health. I advise you to come out earlier."

When he said this, Yue Feng was completely kind.

However, from Jiang Hongyu's hearing, it's another matter. This person has been staring at himself and Cao Qian since he first arrived. He must be a womanizer. Pay attention.

Thinking of this, Jiang Hongyu said angrily: "I can't get up, what does it have to do with you? You hurry up, if you don't leave, I will tell the master, saying that you peeked at the female disciples bathing in the hot springs.

", to do such a thing, if you let others know, see how you can stay in Chunyang Palace..."

Speaking of which, Jiang Hongyu usually comes to the hot spring to take a bath, at most half an hour, Yue Feng just arrived. At that time, I had already soaked enough time, and I was about to leave, but when I saw Yue Feng, I was very upset, and I didn't want to leave when it was time to go.

After all, this lecherous Yue Feng was watching from above, and when he went ashore at this time, wasn't he seeing all of it?

Uh....

Seeing Jiang Hongyu's expression, Yue Feng was speechless and smiled bitterly: "Okay, believe it or not." After speaking, he turned and left.

"Senior Sister Hongyu!"

Looking at Yue Feng's back, Cao Qian bit her lip tightly and couldn't help but say, "Don't be so cruel to him, I don't think what he said just now was groundless!"

Chapter 5027

"When I was in the mysterious realm of the sky, I heard from the senior brother that my master had hidden dangers in his practice recently, and it was all in his words..."

Because he had seen Yue Feng's methods before, Cao Qian was not like Jiang Hongyu Willful, I couldn't help but console me.

Hearing this, Jiang Hongyu couldn't help laughing

: “Junior sister, what he said just now clearly meant something else, you think, we both went ashore, will he be full of happiness soon? Something will happen, but you are so simple...”

Just as she was talking, Jiang Hongyu suddenly trembled, Xiumei frowned, and her jade hand quickly supported her forehead.

At this moment, Jiang Hongyu’s face turned a little worse, and she was shocked and inexplicable.

Strange, it was fine just now, why is my body suddenly sore and sore, and I can’t exert any strength?

“Senior sister!”

Cao Qian, who was next to her, also changed her pretty face, and quickly asked, “What’s wrong with you?” She clearly saw that Jiang Hongyu’s face was completely pale without any blood.

It’s just... Now that the two of them are still soaking in the hot spring, why are their faces so pale?

Should not be ah.

Ha ha!

At this moment, Yue Feng, who had walked a few steps away, did not look back, but said lightly: “Look, I told you to come up just now, but if you didn’t come up, now the meridians in your body are disordered, of course something has happened. .”

What?

Hearing this, Jiang Hongyu’s pretty face changed. She looked closely at Yue Feng’s back, and said in surprise, “You...you said, did you do it just now? Secretly poisoned me?”

On the rivers and lakes, there are many people who are good at poisoning, and they can poison people quietly. At this time, in Jiang Hongyu’s heart, she believes that Yue Feng poisoned her, and it has nothing to do with the hot springs.

Cao Qian frowned and groaned.

This Yue Feng is really amazing. In the mysterious realm of heaven, he said that Master had hidden dangers because of his cultivation. At that time, Master confirmed it, and it really happened.

And just now, he said that Senior Sister Hongyu was not good after soaking in the hot spring for a long time, and in a blink of an eye, Senior Sister really had a problem.

Realizing this, Cao Qian wanted to console Jiang Hongyu, but she didn't know how to speak when she saw her annoyed look.

Ugh!

In the face of Jiang Hongyu's questioning, Yue Feng was also very speechless, and immediately smiled bitterly: "We have no grievances and no enmity, why should I poison you?" After

speaking, Yue Feng pointed to the hot spring and explained patiently: "The hot spring water is made from the fire of underground lava, and it contains the properties of pure yang fire, and you are practicing a yin and soft exercise, one yang and one yin, restraining each other..."

Phew...

listen At this point, Jiang Hongyu's eyes flickered, and her heart gradually calmed down. Could it be... as he said, it was caused by his long soaking in the hot spring?

Muttering in her heart, Jiang Hongyu raised her eyes to look at Yue Feng, and said in a complicated tone, "If it's what you said, how can you solve it?" Seriously, Jiang Hongyu didn't want to believe Yue Feng, but what he said was well-founded, let him People have to believe.

Yue Feng smiled slightly: "It's very simple, as long as you use your internal strength to clear the 'Yuqiong Point' and 'Tianming Point' on your back... the adverse effects on your body will be eliminated immediately."

Phew!

Hearing this, Jiang Hongyu breathed a sigh of relief, then nodded at Cao Qian, and said softly, "Junior sister, I'm sorry." There were only three people present at this time. Certainly not.

Not to mention Yue Feng, he is a man, so he can only ask Cao Qian to take action.

Cao Qian nodded understandingly, then moved behind Jiang Hongyu and began to work hard to help her clear up.

It's just embarrassing that Cao Qian's internal strength is still weak, and even though she tried her best, she still couldn't help Jiang Hongyu to clear her veins, so she was in a hurry at that time.

Jiang Hongyu's face was also flushed, and she was dripping with sweat.

It's just that Cao Qian didn't help her unblock her. What made her uncomfortable was that after the unblocking failed, the feeling of weakness and weakness all over her body seemed to be more serious.

After trying several times in a row and failing, Cao Qian was a little anxious, and her delicate face was full of apology: "I'm sorry, Senior Sister Hongyu, I... I'm not strong enough, I can't seem to help you."

Chapter 5028

Hearing this, Jiang Hongyu also frowned and frowned, a little anxious.

This is how to do?

This feeling on my body is getting more and more uncomfortable, and I can't drag it. Moreover, I was still soaking in the hot spring, so I definitely wouldn't be able to drag it.

"Senior Sister!" At this moment, Cao Qian came over with a blushing face, and her voice was so small that only the two of them could hear: "How about, let the Pill Pavilion Master help you? Although he has no strength, he There must be another way."

This.... Hearing this, Jiang Hongyu hesitated, but in the end she

asked Yue Feng, "You...do you have any other way besides this?"

I don't want to ask Yue Feng, but I can't help it, this feeling is really uncomfortable.

Hehe...

Yue Feng had been waiting for her to ask her before he left, and immediately said with a smile, "Yes." He could see that Cao Qian's strength was still weak, and he couldn't help Jiang Hongyu to clear the veins.

"What way?" Jiang Hongyu's eyes lit up, very urgent.

Cao Qian also flashed her big eyes, staring at Yue Feng closely, full of admiration. Although Yue Feng is young, he can always learn something from him.

Yue Feng scratched his head and said slowly: "I also have an exclusive massage technique, but... we men and women can't give each other a kiss. I think you are definitely not willing."

"Well, I'll go back and call someone for you . . ."

With that, Yue Feng was about to turn around and leave.

In fact, Yue Feng didn't really want to call someone. After all, Jiang Hongyu was still a yellow-flowered girl. At this time, in the hot spring, she was slender and looming, and it was not easy to be seen by others.

Do this just to tease her.

"Don't..."

Sure enough, just two steps away, Jiang Hongyu shouted eagerly from behind.

Yue Feng stopped and looked back at her with a smile: "Is there any other order? Or... Who do you want to call over?" With that, Yue Feng smirked.

Haha...you are just a girl, and you still want to put on airs in front of me? Now I know it's wrong...

"No... don't call anyone." Jiang Hongyu bit her lip tightly, her delicate face was very unnatural, she was the senior sister of the younger generation of Chunyang Palace, and now she looks like this , How bad is it to be seen by people like this?

Yue Feng pretended to be stunned for a moment: "If you don't call people, what will you do?"

In fact, the only way out of the current situation is for Yue Feng to go out in person, but how could Yue Feng reveal it?

At this...

At this moment, Jiang Hongyu bit her lip, hesitated, and finally lowered her head and said, "Would you like to give me a massage?" When she said the last word, her face was as red as blood, and she couldn't wait to find it. Drill into a hole.

At this time, Jiang Hongyu did not expect that she would take the initiative to make such a request to Yue Feng.

But she really had no choice. Cao Qian next to her couldn't help her. She called others to come, and she was worried that her reputation and innocence would be damaged. The last resort was to ask Yue Feng to take action.

Haha...

Hearing this, Yue Feng was calm on the surface, but he was overjoyed in his heart.

This woman was arrogant just now, but in the end, didn't she obediently beg me for help?

"Is this... suitable?" Yue Feng wanted to tease her again with a cheerful heart.

Jiang Hongyu's face flushed, and she didn't look at Yue Feng at all. She lowered her head and said shyly, "Please help me, the pavilion master."

"Okay!

"Although we men and women don't have a relationship, I shouldn't help you, but you said so, and I'm embarrassed to refuse."

As he spoke, he walked slowly and got off the hot spring.

Pfft...

Seeing his serious appearance, Cao Qian next to him couldn't help laughing. This Yue Feng, he obviously took advantage of him, but he still spoke sarcastically.

Jiang Hongyu is not stupid, how could he not see it? I was embarrassed and angry, but I couldn't say anything. She really didn't want to endure the feeling of soreness all over her body.

call!

The next second, Yue Feng came to Jiang Hongyu's back, saw the smooth and white beautiful back, and at the same time smelled the fragrance, he couldn't help taking a deep breath.

Really fragrant....

Sighing, Yue Feng slowly stretched out his hand and began to massage Jiang Hongyu.

Chapter 5029

Jiang Hongyu's body was tense, and she felt that Yue Feng's hands kept walking on her back. It felt like an electric shock, and she couldn't help shaking slightly.

Her face was also red and hot...

However, she did not dare to move, for fear that if she moved, the massage would fail...

"Okay!"

After more than ten minutes, Yue Feng clapped his hands and smiled. Said : “Now that you are trying to exercise, has the uncomfortable feeling on your body disappeared?”

As he spoke, he admired Jiang Hongyu’s curves up close.

I have to say, this Jiang Hongyu is really beautiful, especially this skin, which is like a peeled egg, which can be broken by blowing a bullet.

Um!

Jiang Hongyu responded and hurriedly urged her inner strength to try it out. She was pleasantly surprised to find that the feeling of soreness and powerlessness just now had disappeared without a trace.

For a time, Jiang Hongyu was very surprised.

Just a few massages and it solved the problem, it was amazing.

“Haha...”

This is, Yue Feng laughed, walked out of the hot spring, and said seriously to Jiang Hongyu: “In the future, you will have to save some snacks, and then come to the hot spring, remember not to take too long, within half an hour is the best, otherwise If you have this kind of problem again, I can’t help you.”

After speaking, he left with a smile.

At this moment, Jiang Hongyu stared blankly at Yue Feng’s back and fell into contemplation.

I thought that this person was a person who made a name for himself, but I didn’t expect that he was really capable, without the slightest strength, and he could actually help me clear the meridians?

Who would believe it if it wasn’t for personal experience?

“Sister Hongyu!”

Just when Jiang Hongyu was fascinated, Cao Qian next to him laughed and said with a playful look: “Look, let me just say, this Yue Feng is really a capable person, he has no strength, But I solved the problem for you.”

“Senior sister has also experienced it personally, how do you feel?”

When speaking, Cao Qian looked sly.

Jiang Hongyu blushed when she saw her, and quickly looked away: "What... how about what?"

"Oh!"

Cao Qian smiled and pointed in the direction where Yue Feng was leaving: "He left just now. When he was around, senior sister kept looking at him, do you already like him in your heart?"

Hearing this, Jiang Hongyu's face turned even redder, she stomped her feet, and scolded with a smile, "You bitch, are you trying to trick me on purpose? Who likes him? I'm just curious, he doesn't have any strength at all, how does he know so much?"

"Hehe..." Cao Qian smiled and continued to joke: "Just now, you both had skin-to-skin relationship, senior sister. If you don't like him, how can you let him touch you..."

"You..."

Jiang Hongyu couldn't be shy: "You are still talking nonsense, see if I don't tear your mouth..."

"Oh, no, no, Senior Sister, why are you angry..."

"You still said..." The

voice fell, and he and Cao Qian were playing in the hot spring.

...

On the other side, Yue Feng hummed a little tune and returned to the Pill Pavilion.

As the owner of the Pill Pavilion, the resting place is on the second floor of the Pill Refining Pavilion. The Pill Refining Pavilion is the most sacred place in the Chunyang Palace. Even if the palace owner comes, it must be notified. It can be seen that Yue Feng's identity is in the Chunyang Palace. how special.

Lying on the soft couch and resting, Yue Feng began to sit there, silently integrating the power of the Heavenly Marrow Golden Core.

"Pavilion Master!"

Just after a while, I heard a crisp and melodious cry from downstairs.

Yue Feng frowned, got up and walked downstairs, and saw a petite figure in the lobby on the first floor, standing there pretty, seventeen or eighteen years old, with a pretty appearance, and a pair of eyes flashing smart.

Seeing this girl, Yue Feng suddenly felt in a trance, as if he saw Xiao Xi from a few years ago, he immediately suppressed his displeasure and asked with a smile, "Who are you? What are you doing here?"

Alchemy Pavilion, anyone who comes in must be notified in advance, even the Palace Master. She actually broke in directly, which made Yue Feng very curious.

The girl Yingying gave a gift, very respectful and polite: "Report to the pavilion master, my name is Xiaorou, and it is Dan Tong arranged by the palace master."

Dan Tong?

Hearing this, Yue Feng was stunned. If it was Dan Tong, Xiaorou's grade would seem to be a bit older.

Moreover, she is still a woman, so I am afraid it will be a little inconvenient to face each other in the future.

Chapter 5030

Just when Yue Feng was thinking about this, Xiao Rou smiled gently and continued: "The Palace Master also said, let me take care of the Pavilion Master's diet and daily life, and I can't be sloppy." At the

end, Xiao Rou said His face was a little red.

I go!

At this moment, Yue Feng immediately understood something, and waved his hand embarrassingly: "Uh... just take care of your life, you can just be my Dan Tong."

When he said this, Yue Feng was a little ashamed.

Although Xiaorou is very good, and Yue Feng can understand the intention of the palace master, he wants him to eat and live well here, and someone to wait on him, so that he can refine medicine pills for Chunyang Palace.

It's just... Yue Feng is not from here at all, and he will leave sooner or later. Under such circumstances, how could he have done something excessive to Xiaorou?

"Yes, pavilion master!" Xiaorou replied very well-behaved.

Yue Feng thought about it again, and continued to instruct: "Also, if I am on the second floor in the future, if there is no major matter, don't disturb me easily, you know?"

Although the status of the Pill Pavilion's pavilion master is quite high, but in the In Yue Feng's heart, it is not uncommon at all. It is the most important thing to quickly integrate the power of the Heavenly Marrow Golden Pill to restore the divine power and return to the Kyushu Continent.

This...

Xiaorou is very simple, hesitated for a while, and asked softly, "Can I go up?"

Seeing her appearance, Yue Feng was immediately happy, and said with a smile, "When I called you, you Only then can you come up." I meditated on it and fused the Heavenly Marrow Golden Core, so I couldn't be seen casually.

Now Xiaorou is a little embarrassed: "Then... Then what can I do?"

Yue Feng thought about it and said, "Since it's Dan Tong, I'll teach you how to make some medicinal pills." After all, he is also the master of the Dan Pavilion. .

"Really?"

Xiaorou suddenly became excited. She had liked alchemy since she was a child, but unfortunately, the alchemy technique of Ziwei Continent has long been lost, and she has never found her master.

Today, Xiaorou was very excited to learn that Chunyang Palace was newly appointed as the Dan Pavilion Master. She was in front of the Palace Master at that time and recommended herself to be the Dan Tong of Yue Feng.

I wanted to stay by Yue Feng's side, and I was satisfied to see him alchemy with my own eyes. I never expected that the pavilion master could teach himself alchemy. host.

At this time, when she heard that Yue Feng was going to teach her alchemy, she was naturally very excited.

Yue Feng smiled slightly, picked up the paper and pen, and wrote down a few pills. Of course, they were all relatively simple methods of refining pills.

"Look at it for yourself, and then go to refine it after you've studied it." Yue Feng handed the pill to Xiaorou and said with a smile.

These pill recipes were enough for her to study for several days.

"Many thanks to the pavilion master." Xiaorou said with a smile as if she had obtained a treasure, and then went to the pill room at the back to study.

call!

Yue Feng breathed a sigh of relief, and a smile appeared on his face. With these pill recipes, for at least three days, you don't have to worry about being disturbed by Xiaorou.

What Yue Feng didn't expect was that Xiaorou woke up early the next morning.

"Pavilion Master!"

The next morning, Yue Feng was sleeping soundly when he heard Xiaorou standing at the entrance of the stairs, shouting cautiously: "Pavilion Master, it's time to get up, Pavilion Master..."

Yue Feng sat up very depressed, rubbed his eyes, not knowing whether to laugh or cry.

What's the matter? It's only been one night, Xiaorou has studied all the pill recipes thoroughly?

Thinking to himself, Yue Feng got dressed and went downstairs, and saw Xiaorou standing there respectfully, and immediately smiled bitterly: "It's early in the morning, what's the matter?"

Seeing Yue Feng's unhappy look, Xiaorou bit her lip and said softly: "Pavilion Master, Tianlongmen sent several disciples to visit the pavilion master specially."

Tianlongmen?

Hearing this word, Yue Feng was stunned for a moment, only feeling a little familiar, and then couldn't help but ask: "They sent disciples, why don't they go to see the palace master, why are they visiting me?"

Xiaorou pursed her lips and smiled, unable to hide it. His reverence: "You don't know the pavilion master yet. You became the pavilion owner of the Dan Pavilion of the Chunyang Palace, which not only caused a sensation in the entire Chunyang Palace, but also other sects on the rivers and lakes."

"You know, we Ziwei On the mainland, the art of alchemy has been lost for nearly a thousand years, and you, the pavilion master, were born out of nowhere, so naturally you have attracted much attention."
