

The ultimate husband in Chinese chapter 5041-5050

Chapter 5041

When he said this, Jiang Hongyu changed his icy arrogance before, and his face was full of tenderness. Two years ago, Jiang Hongyu met Zhang Yueqi during his travels in the arena, and together with the same origin of Tianlongmen and Chunyang Palace, he became A good friend who doesn't talk about anything.

Today, Jiang Hongyu came to the Pill Pavilion, originally wanting to see the brand new alchemy room, but did not expect to meet Zhang Yueqi.

“Sister Hongyu...”

Zhang Yueqi was also extremely happy when she saw Jiang Hongyu, walked over quickly and held her hand tightly. Originally, I was still in a low mood, but when I saw Jiang Hongyu, I was instantly relieved.

I'm going...

Seeing this scene, Yue Feng couldn't help scratching his head, what's the situation? Are these two girls so familiar?

At this time, Jiang Hongyu and the two completely left Yue Feng, the Pill Pavilion Master, to the side, as if their relatives had met, and they didn't see anything at all, sitting on the chair next to them and chatting.

After chatting for a while, Jiang Hongyu suddenly thought of something, and smiled at Zhang Yueqi: “I heard that your Tianlongmen found some medicinal pills, and they sent someone to deliver them today. I thought it was someone else, but I didn't expect it to be you. “

By the way, how about those pills?”

Alas!

Facing Jiang Hongyu's question, Zhang Yueqi's smile restrained a little, sighed softly, and said, “To tell the truth, Sister Hongyu, the pavilion master has seen it just now, and all the medicinal pills we brought are ineffective.

”, Zhang Yueqi couldn't help but glance at Yue Feng.

What? All failed?

Hearing this, Jiang Hongyu's delicate body trembled, her delicate face was full of disbelief, and when she saw the box in Zhang Yueqi's hand, she subconsciously took it and opened it to look at the medicine pill inside.

"This...."

This chapter is provided by . Visit for daily update.

After looking at the dozens of medicinal pills in it, Jiang Hongyu looked at Yue Feng very complicatedly: "Aren't these medicinal pills well-preserved? Why are they all ineffective? You... Are you bullying Sister Yueqi? If you don't know the medicine pill, you deliberately lie to her?" What the

hell?

Feeling Jiang Hongyu's questioning attitude, Yue Feng was stunned for a moment, and then he said in disbelief: "I lied to her on purpose? Why do you think of me like this? I have no grievances with her, why should I lie to her?"

"She couldn't help but pulled Jiang Hongyu, bit her lip lightly, and whispered: "Sister Hongyu, you...don't talk nonsense."

I am a guest, and I don't want to cause more trouble. More importantly, Junior brother Liu He had only offended Yue Feng before, and he is still unconscious. Under such circumstances, how could he dare to provoke him easily?

At the same time, Zhang Yueqi was also a little curious.

Although Sister Hongyu has some status in Chunyang Palace, she is only the eldest disciple of the Palace Master, and Yue Yang in front of her is the Pavilion Master of Pill Pavilion. At this time, Sister Hongyu dares to question him in public. Aren't you afraid of being blamed by the palace master?

Zhang Yueqi was in a hurry, but Jiang Hongyu was not panic at all.

Seeing Yue Feng smiling, Jiang Hongyu said angrily, "Anyway, I don't think all these medicinal pills will fail." Although Yue Feng massaged her yesterday, and the effect was remarkable, in her heart, this person would be better at best. Bug carving tricks.

As for alchemy, who knows if he really lives up to his name?

Ha ha!

At this time, Yue Feng was too lazy to talk nonsense. He picked up the box and walked towards the alchemy room inside. At the same time, he did not forget to greet Jiang Hongyu: "Come with me."

” No one dares to call it second. It seems that it is impossible not to show one’s hand today.

What is he going to do?

At this moment, Jiang Hongyu looked puzzled and looked at Zhang Yueqi.

Zhang Yueqi bit her lip lightly and said in a low voice, “When he came out of the Crane Tower just now, what he said to me is seeing is believing, and I don’t know what he is going to do.

“

Hearing this, Jiang Hongyu couldn’t help but murmured, then dragged Zhang Yueqi and followed him in: “Go, go in and see what the hell he’s up to.”

He couldn’t believe it, he still had a way to prove all the medicinal pills failed.

Huh...

Xiao Rou walked last, but she was also the most excited. She was smart and alert, and she could tell at a glance that Yue Feng was going to make the medicinal pill by herself.

Speaking of which, Xiao Rou has not seen Yue Feng concocting alchemy since she had been working with Yue Feng for three days, so how could she not be excited.

Chapter 5042

Soon, I arrived in the alchemy room.

Yue Feng took out an elixir from the box and asked Zhang Yueqi with a smile: “Before you came, your master told you what kind of elixir this is and does it have any effect?”

Zhang Yueqi thought about it and said: “Master said that this is called Tongxuan Pill, and within an hour after taking it, the strength will double.”

Hmm!

Hearing this, Yue Feng nodded, this Tongxuan Pill, on the continent of Kyushu, is called Shenli Pill. The effect of the two is the same, and the refining method should not be much different.

Thinking to himself, Yue Feng instructed Xiaorou, “Xiaorou, help me prepare some materials and herbs.”

After speaking, Yue Feng explained the required materials in detail.

“Okay, Pavilion Master!”

Xiaorou answered with a smile and hurried to prepare.

This...

Seeing this situation, Jiang Hongyu and Zhang Yueqi were both stunned. At this time, they realized something, and their eyes flashed with surprise.

He...he wants to refine these medicinal herbs on the spot?

In surprise, Jiang Hongyu couldn't help but said, “Do you want to concoct pills?” The pills in these boxes can be hidden in ancient tombs by the wind, which shows that they are very valuable, and they cannot be refined casually. .

And this Yue Feng actually wanted to make alchemy on the spot?

Is he really capable? Or are you ready to fish your eyes?

“Yeah!” Yue Feng nodded with a smile, looking cynical: “Don't you believe me? Then I will refine it on the spot and let you identify it. Everything is clear.”

When he said this, Yue Feng looked at Jiang Hongyu and laughed secretly in his heart.

Isn't this Jiang Hongyu who massaged you in the hot spring yesterday and had a skin-to-skin relationship with you? She's so stingy, she's going to run on me when she gets the chance.

Hehe...

Jiang Hongyu guessed that he would say this, and said angrily at the time: “Don't be too complacent, whether you can refine it is another matter.”

After speaking, Jiang Hongyu pointed at Zhang Yueqi seriously Said: “Yueqi, you are optimistic about your medicinal pills, don't let him secretly change them later, and then take the medicinal pills in your box and say that you made them yourself.”

This....

Hearing this, Zhang Yueqi Jiao His body trembled, and instinctively he covered the box in which the medicinal pills were placed with his hands, and his delicate face couldn't hide his vigilance.

When she was in Immortal Crane Tower just now, she had some doubts about Yue Feng's ability. Now that Jiang Hongyu said so, she felt a sense of being deceived.

This Yue Yang... Could it be that he really intends to get rid of my pills?

But... if he didn't have attainments in the art of alchemy, how did he sit on the alchemy pavilion?

Uh...

Seeing the expressions of the two of them, especially Zhang Yueqi's hand protecting the box, Yue Feng couldn't help laughing and crying, and said, "Okay, okay, I won't touch the box, so, what kind of pills I want to make later, Miss Zhang, you hold the medicine pill in my hand, I will never touch it, that's it."

These two women are so interesting.

The medicinal pills in this box are priceless to them, but to Yue Feng, they are nothing but ordinary things.

After all, Yue Feng is the teacher of the Emperor of Heaven, and golden pills are not rare, so how can these ordinary medicinal pills be taken seriously.

Jiang Hongyu's face did not fluctuate at all, and she said lightly, "This is the best."

Zhang Yueqi did not answer, but she also acquiesced to Jiang Hongyu's statement.

Haha...

Seeing them like this, Yue Feng was too lazy to say more. At this time, Xiaorou brought all the materials she needed.

Yue Feng checked the side and confirmed that it was correct. He couldn't help but nodded approvingly at Xiaorou. Although this girl was not very old, she was very careful in her work. More than a dozen kinds of materials were still the same.

Afterwards, Yue Feng skillfully lit the fire and sorted the medicinal materials.

Everything is orderly.

Huh ...

Seeing his serious and skilled appearance, Jiang Hongyu was stunned for a while, her eyes a little dazed....

Yesterday Cao Qian said that he had high attainments in the art of alchemy, but Jiang Hongyu didn't believe it at the time. I just feel that this person is slick, a full-fledged womanizer.

And now, it seems that this person really has real material.

Zhang Yueqi next to Chapter 5043

is even more delicate and trembling.

Does he really know how to make alchemy?

No, isn't he a gambler from his junior brother Liu He? At most, he has a little medical skills, so how could the alchemy technique that has been lost for nearly a thousand years?

"You..."

Finally, Jiang Hongyu reacted and couldn't help but ask Yue Feng, "What kind of medicinal pill are you refining now?"

Although he was very skilled, it seemed that he was too relaxed.

Yue Feng smiled slightly and pointed to the medicinal pill in Zhang Yueqi's hand: "Refining Tongxuan Pill, I said just now, all the ones she brought are useless, I will make one now and let you see the truth. "

Bragging!

Seeing his confident look, Jiang Hongyu couldn't help but pouted.

However, it was at this time that a vibration was heard from the pill furnace. Jiang Hongyu and Zhang Yueqi were both startled at that time, and couldn't help but take a step back, thinking that the pill furnace was about to explode.

Pfft...

Seeing this scene, Xiao Rou, who has been standing by the side, couldn't help but pursed her lips and smiled: "Sister Hongyu, don't panic, this is the air flow reaction generated by the high temperature in the pill furnace, not the pill. The furnace is about to explode."

She has been studying pill recipes in the alchemy room for the past few days, trying to refine a lot of pills, and she has long been accustomed to this situation.

Huh

Hearing this, Jiang Hongyu and Zhang Yueqi breathed a sigh of relief, and then their eyes focused on Yue Feng.

I saw that Yue Feng was very relaxed at this time, with a smile on his face, he took out two medicinal pills from the pill furnace, the appearance was orange-yellow, the halo was flowing, and the aroma was fragrant.

For a while, Jiang Hongyu was stunned.

Seeing that these two medicinal pills are similar to the medicinal pills in Zhang Yueqi's hands, but the surface gloss is more vivid, which makes people unable to hold back and want to take it as their own.

two?

After being stunned for a few seconds, Jiang Hongyu was the first to react, looking at the medicinal pill in Yue Feng's hand, and then at the medicinal pill in Zhang Yueqi's hand.

In the next second, Jiang Hongyu asked Yue Feng, "This is the Tongxuan Pill you made?"

At such a fast speed, can you make two at once?

Incredible.

"Yeah!" Yue Feng smiled and nodded: "It's Tongxuan Pill,

if it's fake." After speaking, Yue Feng handed one of them to Zhang Yueqi: "In order to prevent you from saying that I'm a ghost, I specially refined two of them, and one of them is for you to take on the spot and experience it for yourself. See if what I said before is true or false."

Zhang Yueqi took the medicine pill in a daze, but she didn't recover for a while. Come: "You... What do you mean, let me take it now?"

Is it too extravagant to just take such an expensive medicinal pill?

And... the two medicinal pills he refined are indeed very similar to the Tong Xuan Dan in his hand, but no one knows whether it will work or not. What if there is an accident?

After all, Zhang Yueqi still didn't believe Yue Feng in her heart.

Jiang Hongyu's expression changed even more, and she hurriedly stopped: "Why don't you eat the medicinal pill you made yourself? Let us try it out? I think you are mentally ill."

Alas!

Seeing their reaction, Yue Feng was dumbfounded.

At this moment, Xiaorou came over and said, "Sister Hongyu, you should trust the pavilion master. In the past two days, under the guidance of the pavilion master, I have been able to make pills by myself.

" , of course not bad."

What?

Hearing this, Jiang Hongyu's delicate body trembled and she was shocked. She stared at Xiaorou blankly, thinking that she had heard it wrong.

In just two short days, Xiaorou can concoct alchemy by herself?

You know, Xiaorou grew up in Chunyang Palace, Jiang Hongyu knew her best, and always liked alchemy, but the secret of alchemy on the road has long been lost, and no one has taught her at all. In other words, she has no interest in it. , but he knows almost nothing about alchemy.

And in this case, Xiao Rou only followed Yue Feng for two days before she could make alchemy?

Think it's impossible, right?

Zhang Yueqi was also stunned for a while, and quickly recovered, and then put the medicinal pill handed by Yue Feng into his mouth and swallowed it directly.

"Yueqi..."

Seeing this, Jiang Hongyu was taken aback and wanted to stop it, but it was too late, when Zhang Yueqi closed her eyes and swallowed the medicine pill.

Chapter 5044 Seeing that Zhang

Yueqi had swallowed it, Jiang Hongyue stomped her feet, but she had no choice but to wait quietly for the effect.

Xiaorou is also looking forward to it.

Yue Feng was leaning there, his face relaxed and comfortable.

Soon, five minutes passed.

Jiang Hongyu couldn't wait any longer, thinking that the medicinal pills made by Yue Feng must be fake, but at this time, Zhang Yueqi was full of joy.

“Sister Hongyu!”

Zhang Yueqi was very excited at this time, she grabbed Jiang Hongyu’s hand, almost cheering: “This medicine pill is really effective, I... my strength has doubled...”

“It’s really Tongxuandan.”

Because she was too excited, Zhang Yueqi’s voice trembled a little when she said this, her face was flushed, and she was indescribably sexy and charming.

Does it really work?

Seeing Zhang Yueqi’s excited look, Jiang Hongyu was completely stunned.

She clearly felt that Zhang Yueqi’s internal strength was significantly stronger than before, and her whole person became brighter.

I thought that this Yue Feng was just randomly creating two medicinal pills to fool himself and Zhang Yueqi, but he never expected that he had really refined Tongxuan Dan.

And still two.

“The pavilion master is amazing.”

Xiaorou next to him was also full of excitement, clapping her hands and admiring: “The pavilion master’s accomplishments in alchemy are really superb, and in such a short period of time, he has refined two Xuan Tong Xuan. Dan.”

“I have read a fragment of the pill recipe before, and it was clearly recorded that when an alchemy master was refining the Tong Xuan pill, it took a full half an hour, and the time spent by the pavilion master could be It’s less than one-tenth of the master of that year, which is really eye-opening.”

When she said this, Xiaorou looked at Yue Feng with admiration and admiration.

Huh ...

Hearing these words, Jiang Hongyu was also completely dumbfounded, staring at Yue Feng blankly, unable to speak for a long time.

This man had a cynical look on his face, and thought he was just relying on some method to confuse the master, and then he took the position of the pavilion master of the Pill Pavilion, but he did not expect that he would really be able to refine pills.

Not only can he alchemy, but his attainments are unfathomable.

It's just... He is so young, how can he be more powerful than those alchemy masters back then?

Zhang Yueqi was also full of shock. She experienced the effect of Tongxuan Pill firsthand, and felt even more deeply. At this time, her eyes were fixed on Yue Feng, and she didn't know what to say.

Just now, I had been misunderstanding him, thinking that it was just some kind of coincidence that he could take the position of the Pill Pavilion Pavilion Master.

It turned out that the clown turned out to be himself.

Haha...

Seeing their appearance, Yue Feng showed a smile, and put another Tongxuan Pill in Zhang Yueqi's palm: "There are two in total, let you eat one, and you can take this one back for business."

Of course, because of our relationship, I'm too embarrassed to let you take one away." With

that, Yue Feng instructed Xiaorou, "Go, light the other pill stoves. In addition, put the medicinal materials on fire." Prepare enough." He thought about it, and wanted to refine all the medicinal pills that Zhang Yueqi brought.

I was just practicing my hands just now, and now it's the real issue.

What?

As soon as the words fell, Jiang Hongyu and Zhang Yueqi trembled, completely stunned.

There are ten pill furnaces in the entire alchemy room. He actually wants to light all of them... What is he going to do?

Xiaorou was also dumbfounded for a while, her eyes widened, and she didn't calm down for a long time.

After a full ten seconds, Xiaorou asked tentatively: "Pavilion Master, you... Are you preparing ten pill furnaces to make pills together?" At the end, Xiaorou's voice trembled.

In the records of those elixir fragments, no one has ever used so many elixir furnaces to make pills at one time. According to legend, the originator of elixir on Ziwei Continent, 'Master Lu Wen', can only use three elixir furnaces at a time.

And the pavilion owner in front of him had to use ten pill furnaces at a time.

This... this is too shocking.

For a time, Xiaorou only felt that her brain was buzzing, and she only felt that her outlook on life had been completely subverted.

Yue Feng was indifferent, smiled and said, "Yeah, what's so surprising about using a pill stove at a time? I think it's too little." There is no problem with alchemy in a pill furnace.

Chapter 5045

In Yue Feng's heart, refining these elixir for Zhang Yueqi is not a big deal at all. The most important thing now is to get rid of them quickly, so that he can go back to the second floor to integrate the Tianzhu Jindan.

What?

Hearing this, Jiang Hongyu and Zhang Yueqi looked at each other, completely dumbfounded.

Is it too little for a pill furnace?

He's still not human...

At this time, Xiaorou also reacted from the shock, trotting all the way to prepare the materials, and after ten minutes, she came back with several large baskets of herbs.

Immediately, under Yue Feng's instruction, Xiaorou lit ten pill stoves on fire.

Huhuhu...

Ten pill furnaces burned at the same time, and the temperature of the entire pill refining room suddenly increased a lot.

At this moment, I can see that Yue Feng is still in the same relaxed and contented look, but the speed in his hand is a little faster, sorting materials, shuttle back and forth between ten pill furnaces, and control the heat, that incomparably relaxed appearance, where is Alchemy is like playing.

The pills that Zhang Yueqi brought were 18 pills in total. Yue Feng used ten pill furnaces to refine them, two pills for each pill, adding up to thirty-six pills in less than five minutes. practice.

Wow...

At this moment, when Yue Feng put the refined medicinal pills into the jade bottle, he heard only the sound of medicinal pills colliding in the entire alchemy room, and the three Jiang Hongyu were all dumbfounded.

Especially Jiang Hongyu and Zhang Yueqi, their faces blushed, staring at Yue Feng blankly, unable to speak for a long time.

So many medicinal pills, and they are all rare spiritual pills on the rivers and lakes, and they were all refined by him in the blink of an eye. Who would have believed it if he hadn't seen it with his own eyes.

Xiaorou's body trembled, and she could barely stand still.

Using ten pill furnaces at a time, it can be refined so quickly.

The pavilion master is simply divine, could it be... he is the reincarnation of the God of War?

"Okay!"

At this time, Yue Feng packed the medicinal pills, handed them to Zhang Yueqi, and said with a smile: "We are also friends. As for these medicinal pills, you can bring them back to Tianlongmen and give them to your master."

"That's right. If you need medicinal herbs in the future, feel free to come to me."

Speaking of which, Zhang Yueqi was in Xianhe Tower before. The wind is very appreciated.

Therefore, in Yue Feng's heart, he really wanted Zhang Yueqi as a friend.

"Really?"

Hearing this, Zhang Yueqi suddenly reacted from shock, as if she couldn't believe her ears, and looked at Yue Feng in surprise and joy: "I... I can really come directly to find it. You?"

After what happened just now, Yue Feng was already a god-like existence in her heart.

If you can come to Yue Feng at any time to get the medicine pill in the future, you will have more protection when you walk in the rivers and lakes. Can you not be excited?

Um!

Zhang Yueqi's reaction almost made Yue Feng laugh, and she nodded immediately: "Of course it's true."

“That’s great.” Zhang Yueqi couldn’t say how happy she was, so she carefully put away the medicinal pills, because she was too excited, and there was something wrong at the time. I wanted to rush up to hug Yue Feng’s urge, but thinking of my identity and the fact that there were people watching, I still held back.

Immediately, Zhang Yueqi looked at the sky outside, and was a little reluctant to part: “It’s getting late, I should return, Pavilion Master Yue, see you next time.”

After saying that, he waved goodbye to Jiang Hongyu.

Yue Feng showed a smile and asked Xiaorou to send Zhang Yueqi.

For a while, Yue Feng and Jiang Hongyu were left in the alchemy room.

At this time, Jiang Hongyu was still immersed in huge shock, staring blankly at the ten pill furnaces.

“Stupid?”

At this moment, Yue Feng came up with a smile and said in Jiang Hongyu’s ear: “If you want medicinal pills in the future, you can come to me at any time.”

“Although my status in Chunyang Palace is relatively high, You are tall, but who made the two of us have a relationship? Right.”

Jiang Hongyu had been suspicious just now, Yue Feng didn’t care, but at this time, he couldn’t help but want to tease her.

Swish!

Hearing something in Yue Feng’s words again at such a close distance, Jiang Hongyu suddenly recovered, and her delicate face suddenly flushed red.

The ultimate husband in Chinese chapter 5046-5050

Chapter 5046

“You...”

After more than ten seconds, Jiang Hongyu recovered, her face blushed, and she stamped her feet: “Who is destined for you.” The last word fell, like a victim The startled rabbit quickly ran out.

Haha...

Seeing her reaction, Yue Feng showed a smile. He never expected that Jiang Hongyu, who has always been arrogant, would be shy and embarrassed.

Thinking to himself, Yue Feng walked slowly to the front hall, made a cup of tea, and drank it leisurely.

“Pavilion Master!”

At this time, Xiaorou returned after sending Zhang Yueqi back, and happily ran in front of Yue Feng: “Pavilion Master, you were so amazing just now, you used ten pill furnaces to make pills at a time, I was just dumbfounded. Saying that ,

Xiao Rou looked at Yue Feng closely, her eyes full of anticipation: “Pavilion Master, how did you do it? Can you teach Xiao Rou?”

Yue Feng smiled: “With your current attainments , it is difficult to use two pill furnaces at the same time, let alone ten, and the art of pill making requires a step-by-step process, and there are no shortcuts.”

Oh!

Xiaorou nodded thoughtfully.

At this moment, Yue Feng thought of something, and asked with a smile, “How are you studying the alchemy recipe I wrote for you?” Xiaorou is very talented in alchemy. With a little training, she will definitely become a great master. Alchemy Master.

Xiaorou smiled humbly: “I have made a few pills in the past two days. Although I am not very skilled, I have not failed.”

Speaking of which, Xiaorou has refined several kinds of medicinal herbs in three days. I didn't dare to think, now that I have mastered the trick, I was a little complacent at first, but after seeing Yue Feng concocting pills just now, that smug heart disappeared instantly.

Compared with the Pavilion Master, he is still far behind.

This chapter is provided by . Visit for daily update.

However, Yue Feng was stunned, watching Xiaorou secretly surprised, I will go, this girl is too smart, six pill recipes, she actually learned it in just three days?

Haha...

Under the shock, Yue Feng couldn't help laughing.

Unexpectedly, I came to Ziwei Continent by accident, and I also met an alchemy genius. You must know that when Yue Feng obtained the Wuji alchemy technique, all the alchemy recipes in it had been comprehended for several months. At the fastest time, Yue Feng refined more than a dozen medicinal herbs in one day. Although Xiaorou is still a little worse than him, no matter what, this speed is also very terrifying.

“Pavilion Master.”

Seeing Yue Feng looking at her with a smile, Xiaorou felt a little embarrassed and asked subconsciously, “What are you laughing at?” After speaking, she couldn’t help touching her face, there was something on her face ?

Her appearance made Yue Feng even more happy, and he immediately smiled: “It’s nothing, I just think you are working hard, and I didn’t waste my hard work.”

Yue Feng knew very well that at an age like Xiaorou, it was the easiest I am proud and complacent, so it is necessary to teach in a step-by-step manner.

Having said that, Yue Feng asked Xiaorou to bring a paper and a pen, swish, swish, and write down more than a dozen kinds of pill recipes.

“These few pill recipes are much more difficult to refine than the ones given to you before.” Yue Feng put away his smile and pushed the pill recipe in front of Xiaorou with a serious face: “So you have to work harder, you know? You can’t be self-confident and self-satisfied just because you have refined a few simple pills.”

When he said this, there was a trace of gentleness in Yue Feng’s eyes.

This Xiao Rou is so similar to Xiao Xi, alas, it would be nice if Xiao Xi was by her side now.

call...

Seeing the pill recipe in front of her, Xiaorou’s delicate body trembled slightly, her heart couldn’t express her excitement, and she nodded her head: “Pavilion Master, rest assured, I will definitely work harder.”

Yue Feng smiled and waved her hand to let her Go to work, then return to the second floor and continue to integrate the Tianzhu Jindan.

.....

Kyushu Continent!

Overseas, Dragon King Island.

In the main hall, Mo Yan sat there, dressed in a gorgeous robe, dignified and charming, and the whole body was filled with an aura that could not be desecrated.

Next to it, a maid was holding a child carved in pink and jade.

Today, Mo Yan is in a good mood. The news just came that Yu Du successfully established the Gorefiend Sect in the mainland, and has recruited many experts from all corners of the world. Today, Yu Du will return to his life.

On the two sides below, dozens of leaders stood there, all of them extremely excited.

Chapter 5047

“Queen!”

At this moment, Yu Du walked quickly into the hall and said respectfully, “Yu Du, see the Queen. Your subordinates have lived up to their trust and have successfully established the Gorefiend Gate in secret on the mainland.”

Well. ..

Hearing this, Mo Yan nodded with joy, and a smile appeared on her beautiful face: “Very good, Yu Du, you have worked hard these days.” After

speaking, she asked the maids below to prepare Reward.

However, Yu Du was standing there, without the slightest joy, and instead said a little embarrassedly: “Report to the queen, there is one more thing, this subordinate... This subordinate has embarrassed you.”

Huh? what’s the situation?

Mo Yan was stunned, and the surrounding leaders also frowned secretly.

At this time, Mo Yan reacted and asked with a smile, “What’s the matter? You say it directly, I won’t blame you.” In her heart, Yu Du is the right arm, even if she did something shameful, Nor will it be to blame.

Yu Du took a deep breath, bowed his head and said, “Reporting to the Queen, one day ago in Donghai City, my subordinate met a strange person. This person is powerful, not only defeated me, but also forced me to take him back to Dragon King Island, saying that he wanted to meet. See the Queen.”

“My subordinate was very helpless at the time, so I agreed to him, and now I have taken him outside the hall.”

After saying this, Yu Du was ashamed.

As the No. 2 person in the Palace of the Sea King, it was really embarrassing to be forced to the door of the house.

What?

Hearing this, both Mo Yan and the surrounding leaders were secretly taken aback.

Who is the other party, so powerful?

You must know that Yu Du is second only to the Queen in the Palace of the Sea King, and even the Gorefiend Sect has been established. There is almost nothing that can't be done.

Under the astonishment, many leaders came to their senses, and all of them were extremely frightened.

“Who is so daring.”

“It's just a fluke that he won the leader of Yudu, and he dares to come to the door?” “

Bring it in quickly, but let's see who is holy.”

, as long as you see Muran later, you will obediently surrender.

The anger of the crowd came, and Mo Yan was also beautifully locked, and her beautiful face was very solemn.

The other party is so arrogant, could it be.... is it Yue Feng?

The thought of Yue Feng made Mo Yan feel both ashamed and complicated. If it wasn't for him, the Demon Race would not have been destroyed, and she would not have been reduced to overseas as the leader of these pirates.

It's just....

I have a child with him by accident, and I really want to meet later, how should I deal with it?

Just when Mo Yan was entangled in her heart, Yu Du cautiously stepped forward and said tentatively, “Queen, that person is waiting outside the palace, do you want to see me?”

Mo Yan breathed softly, trying to calm herself down, and said lightly: ” Bring it in.”

“Yes, Queen!” Yu Du responded and walked out quickly.

After a few seconds, Yu Du returned, followed by a young man. It was Gone who occupied Liu Hao’s body.

The moment he came in, Gone’s gaze fell on Mo Yan’s body, and a smile appeared on the corner of his mouth, and it really was her.

Swish!

At this moment, the eyes of everyone in the hall converged on the man, and each and every one of them was full of ill will. At the same time, there are some doubts in my heart.

Is such a kid who defeated Yu Po?

Then, aware of Gone’s gaze, he kept looking at Mo Yan, and everyone was extremely frightened and angry. This man is not small, dare to look directly at the Queen, he really has no rules.

Seeing that it wasn’t Yue Feng, Mo Yan was secretly relieved. Just facing Gone’s arrogant gaze, she was immediately a little unhappy, but what surprised her was that the person in front of her had a very familiar feeling on her body.

“Bold!”

Finally, someone couldn’t bear it anymore, stepped forward and pointed at Gone and scolded: “You are very brave, why didn’t you kneel when you saw our queen?” The voice fell, and everyone around was glaring at Gone .

Gone smiled lightly, and didn’t pay attention to them at all, still looking at Mo Yan.

Chapter 5048

At this moment, Mo Yan was also a little displeased, and said lightly to Gone: “Listen to Yu Du, do you want to see me?” As she spoke, Mo Yan looked at Gone carefully.

Strange, this person is only in his twenties, why does it feel like he has known each other for a long time.

Especially the aura of contempt for everything...

both unfamiliar and familiar.

“Not bad!”

Gone smiled and looked at Mo Yan quietly: "When I participated in the ring competition in Donghai City, I was thinking, is it you who is controlling everything behind this?"

"So I deliberately Let this Yudu bring me to Dragon King Island to see it, and the result is not what I expected, it's really you, Moyan."

When the next word fell, Gogne was very relieved.

Huh...

Seeing him say that, Mo Yan is even more puzzled, does this person know me?

At the same time, seeing Gone directly calling Moyan's name taboo, everyone around was furious, and they pointed at Gone and yelled at them.

"The kid is really rude."

"Dare to call our queen's name, courting death..."

"I don't know whether to live or die, I urge you to kneel down and beg for mercy, or you will be better off dead."

Among the anger, there were a few people. Unable to bear, he approached Gone directly, intending to subdue him on the spot. Although this person defeated Yu Du, with so many people present, it was still very easy to subdue him.

"Long-winded..."

Looking at the few people around, Gone frowned, and became a little irritable for a while: "Go away to the deity." The voice fell, and the strength of the whole body burst out.

hum!

Before those few people got to them, they felt an overwhelming force coming towards them, and they all stood unsteadily and were shaken back a few steps.

After stabilizing their figures, several people stared at Gone, their hearts were extremely shocked.

This man is young, but his strength is so terrifying. And... his explosive power is exactly the same as the queen?

"Stop!"

Mo Yan also stood up all of a sudden, couldn't help but shouted at Gone Jiao, and at the same time, feeling the strength of the other party, she was even more shocked.

Demon soul... Demon soul power?

This person actually possesses the power of a demon soul?

Isn't the entire Demon Race the only one left? How can there still be people with the power of the devil soul?

"Moyan!"

Just when Moyan was in doubt, Gone smiled and said lightly: "This deity has changed into a skin, you don't know it anymore? Or...you became the queen of this Dragon King Island and changed So arrogant and arrogant, no one cares about it?" The

voice was not loud, but there was a suffocating majesty.

He... he calls himself the deity?

Hearing this, Mo Yan felt that her legs were weak, and she could barely stand still. She was shocked and delighted.

Swish!

And the people around Yu Po were even more furious, Ma De, this person became more and more rude. Just calling the queen by her name was a taboo, but now she calls herself the deity?

"You're such a coward."

Finally, Yu Du reacted, pointed at Gone and shouted angrily: "Dare to be so rude to the Queen, everyone, let's go together and teach this ignorant boy a lesson." The voice fell, and he was the first to rush up.

In Yu Du's heart, he thought that Gone followed to meet Moyan on Dragon King Island, and was planning to join the Sea Dragon Palace, but he didn't expect that this person would not be astonished and die endlessly.

Simply insane.

Whoa!

The people around were eager to give it a try. At this time, seeing Yu Du rushing in first, they burst into internal energy, followed closely behind and surrounded Gone.

This time, Gone did not use the power of the demon soul, but just smiled contemptuously, stood there proudly, and did not move.

“Stop, stop all...”

Mo Yan also reacted at this time, and hurriedly shouted, and said to the rest of the people: “Retreat all, no one should be presumptuous.” At the same time, she watched closely. Gone was excited.

Moyan Bingxue was smart, and she already understood at this time that the person in front of her was the Demon Lord Gone.

This...

Hearing Mo Yan’s coquettish drink, Yu Du and the others hurriedly stood there, looking at each other in disbelief.

what’s the situation?

This person is so arrogant and rude, instead of being angry, the queen blames us?

Chapter 5049

And the next scene surprised them again.

Pfft!

Seeing Moyan walking down quickly, her knees bent, she knelt directly in front of Gone, her beautiful face could not hide her excitement and joy: “Subordinate Moyan, see your honor.”

In an instant, the entire The hall was silent.

Yu Du and everyone froze there, all of them were stupid, and they all felt that their brains were buzzing and blank.

what’s the situation?

The queen actually took the initiative to kneel to this person and call him honorable? Who the hell is he that can make the queen so arrogant to bow down to her knees?

For a while, everyone stared blankly at this scene, but didn’t speak. The hall was deadly silent, even if a needle was dropped, they could hear it clearly.

“Get up!”

Gone smiled and looked at Mo Yan, with a calm tone: "The situation is not as good as before, so don't be so polite."

Mo Yan responded and stood up slowly. My heart is still very excited, it's great, the honor is not dead, there is hope for the demons.

In the next second, Mo Yan looked around and said to the rest of Yu Du: "Everyone, listen carefully, from now on, he is the king of our Sea Dragon Palace and the owner of the entire Dragon King Island.

" Don't blame me for turning my face and being ruthless." The voice was clear and loud, unquestionable.

This...

Hearing these words, everyone in Yu Du looked at each other in dismay, what's the situation? Does the queen want to hand over the entire Sea Dragon Palace to this person?

How can he be?

Just looking at Mo Yan's serious face, everyone didn't dare to refuse in public.

The next second, Yu Du knelt down to Gone in public, and said respectfully, "I have seen you, Your Majesty." Yu Du has been able to travel overseas for so many years, not only by strength, but by the ability to judge the situation.

The queen in front of her is such a respectful person. If you object, you can imagine what will happen. Therefore, Yu Du resolutely surrendered, and when he saw Mo Yan calling Zun Shang, he also shouted.

At this time, Yu Du didn't know Gone's true identity yet, but he could guess that the person who could make the Queen compliment him like this must have an extraordinary origin.

Wow...

Seeing that Yu Du has softened, the other people around didn't hesitate, and they knelt down.

"See Your Excellency..."

Seeing this scene, Gone's face did not fluctuate in the slightest, he nodded, then walked up slowly and sat on the throne.

Mo Yan hurriedly followed, standing by the side respectfully.

“Get up.” Gone said lightly.

Yu Du and everyone hurriedly thanked them and stood up one after another.

Gone looked around at the lower hall, and smiled at Mo Yan: “This deity has always expected a lot from you, so I sent you to the Kyushu Continent at the beginning. Now it seems that you have not disappointed this deity.”

In such a short period of time, Unifying overseas pirate organizations, large and small, and establishing the Gorefiend Gate, Moyan’s actions made Gogne very happy to arrive.

Mo Yan smiled lightly and said humbly: “Thank you for your praise.”

However, at this moment, Gone’s eyes fell on the child in the maid’s arms next to him, and his brows frowned: “Moyan...this child Is it yours?”

His voice was calm, but there was a hint of sternness.

Pfft!

Moyan’s heart trembled, her secret channel was broken, and she immediately knelt down, her beautiful face couldn’t hide her inner fear: “Yes... Yes.”

“Born with a human?” Gone’s face gradually became gloomy.

call!

Mo Yan was even more nervous. A layer of cold sweat appeared on the bridge of her pretty nose. She lowered her head and said, “Yes.” When she answered, Mo Yan was so frightened that she almost lost her knees.

You must know that the demon clan has a clear decree that the clansmen are not allowed to have an affair with the gods, otherwise, they will be severely punished.

Not even a god, let alone a human being like an ant in the eyes of the demons.

And Moyan, as one of the Twelve Holy Demon Kings, actually had a child with a human being, which simply humiliated the demons, so how could Gone not be angry?

“Who is that person?” Gone was expressionless, looked around at everyone in the hall, and said coldly: “Is it here?”

Mo Yan said tremblingly: "No, that person is already dead..." She knew Gone's personality too well. If she let him know that she and Yue Feng had a child, she would be furious.

Not only that, the child has no chance to survive, so he can only make up a lie that the child's father is dead.

Chapter 5050

Dead?

Hearing this answer, Gone frowned, and then looked at the child subconsciously.

"Your Highness!"

At this moment, Mo Yan hurriedly kowtowed to apologize: "At that time, I was chased and killed by those gods and soldiers, and being with the child's father was also a coincidence, not the intention of the subordinates."

"It's just, now the child It has already been born, and it is a life after all, and the blood of the demons is flowing in my body. I beg your honor, for the sake of my loyalty and loyalty to the demons over the years, spare the child's life."

"I beg you. Your Highness ."

At the same time as pleading, Mo Yan knelt there, tears kept coming, and her beautiful face was full of anticipation.

After all, flesh and blood are connected. Without that mother, she would be ruthless and disregard the life and death of her child.

Hu....

Seeing Moyan kneeling there pitifully and begging for mercy, Gone took a deep breath, her face changed a few times, and finally nodded: "Okay, let this child live."

"Thank you for your honor..."

...

On the other side, Ziwei Continent, Chunyang Palace.

Unknowingly, Yue Feng had been in Chunyang Palace for a week. During this week in public, in addition to taking care of his diet and daily life, Xiaorou was studying medicine pills in the alchemy room in her spare time.

It has to be said that Xiaorou is very talented in alchemy, and all the medicinal pills needed in Chunyang Palace can be refined, and Yue Feng does not need to do it himself.

Under this circumstance, Yue Feng was completely able to calm down and fuse the Heavenly Marrow Golden Core.

The weather is fine today, with clear skies.

Yue Feng merged with the Heaven Marrow Golden Pill for a while, made a pot of tea in the pavilion outside the Pill Pavilion, then got a reclining chair, and leisurely enjoyed the quiet time in the afternoon.

In these seven days, Yue Feng had absorbed half of the spiritual energy of the Heaven Marrow Golden Pill, and his divine power had recovered quite a bit. Although he had not yet reached his peak state, walking on the Ziwei Continent would be no problem at all for self-protection.

Xiaorou is in the alchemy room, continuing to study medicine pills.

All around the Pill Pavilion, except for the occasional bird chirping, there was a peaceful and peaceful scene.

In the square a few hundred meters away from the Pill Pavilion, it was very lively at this time.

The elite disciples of the entire Chunyang Palace gathered here for the annual martial arts conference.

The martial arts conference is a unique day of Chunyang Palace. Every year at this time, all elite disciples are required to come to a competition to verify whether there has been progress this year.

I saw that in the middle of the square, a large space was vacated as a ring.

On the back of the square, a judging platform was set up, and a slender figure stood quietly on the platform. It was Jiang Hongyu, who judged this year's martial arts conference.

Speaking of which, in previous years, it was the elders who were responsible for judging this work. It was just a few days ago that the three major sects jointly held the Dao Discussion Conference, which was interrupted due to an accident. The palace lord and several elders were not there.

In this case, the judgment thing naturally falls on Jiang Hongyu.

After all, she is the palace master's eldest disciple.

Today, the palace master and several elders are not there. Many disciples present have no worries in the past, and they are chatting there in groups of three or five.

"All right!"

Seeing the commotion in the audience, Jiang Hongyu Xiumei frowned slightly, stood up and shouted, "Don't be noisy, it's getting late, the martial arts performance will start soon, everyone should be in place." I

have to say, Jiang Hongyu is still very aura. Yes, the voice fell, and the audience suddenly fell silent.

Seeing this scene, Jiang Hongyu nodded with satisfaction, and then prepared to let the first group of people play and learn from each other.

"Oh, beautiful Jiang, she is so majestic."

However, at this moment, a ridicule came from not far away.

The voice was loud, and all the disciples at that time couldn't help but raised their heads and looked up to the sky. When they saw the person coming, they all frowned.

"Xu Wenliang from Nianhua Palace?"

"Why is he here?"

He saw a figure coming from the sky, a young man in his twenties, dressed in a white gown, indescribably suave.

It was Xu Wenliang, the chief disciple of Nianhua Palace.

Nianhua Palace has only been established for a few hundred years, but it has a pivotal position in the rivers and lakes. See you at the main gate.
