

The ultimate husband in Chinese chapter 5071-5080

Chapter 5071

Not long after Yue Wuya and Wen Xiaoyu walked on their forefoot, a slender figure walked through the garden and came towards the palace.

A long red dress with graceful curves and unbelievable beauty.

It was Mo Yan.

Mo Yan was in a good mood at this time. After practicing for a few hours just now, she gained a lot of insights. Come and see the child right now. Since having a child, Mo Yan's personality has become gentler than before, and she is a little more concerned about her.

But I have to say that the child is so cute that I can't think of it if I don't see it for a while.

Um?

When she was about to reach the entrance of the palace, Mo Yan suddenly trembled, and she felt a bad feeling in her heart.

I saw that several maids were sitting by the door and did not move, apparently their acupuncture points had been tapped, and there was silence in the bedroom.

Oops!

Realizing that something was wrong, Mo Yan hurried in and walked in quickly. Seeing that the bed was empty, her head suddenly buzzed, her legs went weak, and she slumped on the ground.

Kids.... Where's the kids?

For a time, Mo Yan felt like the sky was falling.

After a few seconds, Mo Yan recovered, struggled to stand up, and quickly relieved the acupuncture of the maid who was lying softly on the bed. Her delicate face was full of anxiety: "Where's the child? Where's my child?"

At this moment, Mo Yan was almost on the verge of crying.

In her heart, children are everything.

Pfft....

The maid's face was ashamed, and she knelt on the ground all of a sudden, crying and saying, "Queen, it's my fault, I didn't think highly of the young master, just now a man broke in and directly acupoints us, and then Take the young master away."

Having said that, the maid thought for a while, and then continued: "The man said that if you want the young master to be safe and sound, he will exchange... a girl named Hai Ling'er."

"Queen, the maid is useless . . , I beg the Queen to punish.."

At the end of the story, the maid fell to her knees on the ground, her face full of tears, indescribable fear and anxiety.

Phew...

Hearing this, Mo Yan sat paralyzed on the bed, her face pale and her mind blank. Heart is also extremely angry.

Who is so daring to kidnap my child?

Seeing that she didn't speak, the maid didn't dare to move when she knelt down.

For a time, in the entire bedroom, there was a dead silence, and a drop of a needle could be heard clearly.

"This matter..."

After more than ten minutes, Mo Yan came back to her senses and said to the maid, "I don't blame you for this matter, get up, and hurry up and remove the residual poison. Call me ."

In Mo Yan's heart, Yu Du is her right-hand man, no matter what happens, she will think of him immediately.

"Yes, Queen."

Seeing that Moyan didn't blame her, the maid was surprised and delighted, and quickly stood up and walked out.

At this moment, Mo Yan suddenly thought of something, and stopped her again: "Wait a minute, it's time for you to call Yu Du. When you meet other people, don't tell what happened here, understand?" The

child was lost , the stakes are important, but it cannot be publicized.

The maid was stunned for a moment, and immediately understood: "Understood." After speaking, she hurried out.

After a while, the maid returned, followed by Yu Du.

"Queen!"

Yu Du walked in quickly, with a respectful look on his face: "Call me so early, what's your order?" When he spoke, Yu Du subconsciously looked at the bed, feeling a little doubtful in his heart.

Strange, at this time of weekdays, the queen is holding her children and playing with them. Why don't you see the children today?

At this time, Mo Yan also calmed down and said softly, "The child was kidnapped." Then, she explained what happened in detail.

As one of the twelve holy demon kings of the demon race, Moyan is very different from ordinary women. Mental toughness, even in the face of big things, can calm down quickly.

What?

Knowing the situation, Yu Du was shocked and his eyes widened: "Young master was kidnapped?"

Mad, who? This is to eat bear heart leopard gall.

Thinking to himself, Yu Du clenched his fists and said, "I'll take someone there now and get the young master back. Mad, those two guys are not small, I know these two people, they broke into the island two hours ago. , killed a lot of us at that time, and then Zun took the shot and knocked them into the sea."

Chapter 5072

"At that time, Zun sent people to search the surrounding waters, but there was no news. I thought they were dead at sea, but I didn't expect that these two boys didn't die."

"By the way, these two boys, one is called Yue Wuya is Yue Feng's son." When he said this, Yu Du clenched his fists tightly, and his eyes almost burst out with fire.

At that time, when Yue Wuya and Wen Xiaoyu were fighting against Gone, Yu Du also came out to watch the battle when he learned of the movement. When I heard Mo Yan's narration, I immediately thought that it was the two young people who kidnapped the young master.

Yue Feng's son?

Hearing this, Moyan's heart shuddered, and her anxious mood suddenly became complicated: "They have been on the island before? They were also severely injured by respect?" She was practicing in the secret room at the time, so she didn't know this.

"Yes."

Yu Du nodded and said ruthlessly: "The two of them are really bold, they were severely injured by their respect and could not escape, and they dared to come back, and they still want to use the young master as a hostage? They are tired of living."

"Queen Don't panic, Dragon King Island is surrounded by the vast sea, and there are several small islands nearby, all of which are deserted, they can't run far, I will gather people now to rescue the young master."

After speaking, Yu Du was about to turn around . to call someone.

"Stop!"

However, Mo Yan's face became anxious and she stomped her feet: "You can't be so reckless."

Uh...

Yu Du stood there with an unconcealed anxiety on his face: "If you don't bring someone to rescue in time, only I'm afraid it will be too late."

Mo Yan bit her lip tightly, unable to hide her anxiety: "When that person kidnapped the child, he asked the maid to leave a message, saying that he would exchange it with a girl named Hai Ling'er."

With that said, Mo Yan suppressed the anger in her heart. The entire Dragon King Island combined, there were tens of thousands of tribesmen, but they couldn't stop the two young people. It was really embarrassing.

exchange?

Hearing this, Yu Du was stunned for a moment, and said in a complicated tone: "Queen, what do you mean... we want to exchange with them?" Dignified Hailong Palace, if you compromise with those two young people, the news will spread to the rivers and lakes. What will your face look like in the future?

Mo Yan nodded solemnly: "Yes."

She also knew that the Sea Dragon Palace would be very embarrassing if they exchanged, but there is no way, the safety of the child is the most important. She can not want the Sea Dragon Palace, not everything now, but she can't have no children.

After nodding, Mo Yan looked at Yu Du closely: "That girl named Hai Ling'er, do you know?"

"Yes!"

Yu Du quickly nodded and said, "And I have seen it before, she is very beautiful and very strong. Qiang, it is said... she is the princess of the sea shark clan."

Hu...

Knowing this, Mo Yan nodded: "It seems that the identity of the other party is not simple, so we can't have the slightest mistake, first of all we must Guarantee the safety of the child."

"So, hurry up and take Hai Linger to exchange now."

Feeling Mo Yan's nervousness, Yu Du nodded: "I understand, Queen, don't worry, I will take the young master safely. Bring it back." After speaking, Yu Du

thought about it for a while, and said tentatively: "Actually, if the Queen and the Honorable can come forward at the same time, we can save the child without any exchange..."

Gone's strength is strong, with his help, nothing will be lost.

Just before he finished speaking, Mo Yan interrupted: "No, this is absolutely impossible, I can't show my face, and this matter must not be known to the Lord."

She and Yue Feng had a child by mistake, and they had violated the rules of the demon clan. This matter has already made Gone very unhappy. If she knew that the child was taken away, not only would she not save it, but she would also It will prevent Moyan from exchanging hostages.

Mo Yan has been Gognie's subordinate for so many years, and he is very clear about his temperament, so he must not let him know about this.

As for herself, she also wanted to exchange the hostages herself at this time, but considering that doing so would arouse Gone's suspicions, she held back.

Seeing the solemn expression on Moyan's face, Yu Du didn't dare to ask any more questions, and nodded, "Okay."

“Remember!”

Mo Yan was still a little worried, staring at Yu Du tightly, saying, “This matter You only need to know it alone, and the person you bring with you must be very trustworthy, and don’t let your superiors know about it.”

Chapter 5073 Yu

Du responded and asked for some details that needed attention, and hurried out of the hall.

Pfft!

As soon as her forefoot left, Mo Yan sat there in a slump, like a deflated ball. Under extreme worry, her whole body was sore and weak.

In front of Yu Du just now, Mo Yan was just trying to support her. There was no one around, and she couldn’t hold on anymore. Although she was a witch, she was also a woman after all. , how could she calm down.

Boy, you can’t be okay.

There must be nothing wrong.

The moment she slumped to the ground, Mo Yan closed her eyes and kept praying in her heart.

.....

After Yu Du left the palace, he rushed towards the stone house.

Because Mo Yan had explained it, Yu Du did not call his subordinates to prevent the news from leaking out.

He made a plan, wait for the next person to bring Hai Linger to exchange, as long as the child can be successfully exchanged, even if it is broken.

Although Yu Du was a vicious pirate leader, he was very loyal. He knew that without Moyan, he would not be who he is now, so he was very grateful. In the past, he had to do things for Moyan. , is when he really needs to repay Mo Yan.

At this moment, in one of the rooms in the stone house.

Hai Ling’er was bound by chains and was sitting in the corner of the room, staring blankly at the sky outside the window with a gloomy expression.

It's been five days.

It has been five days since he was arrested. During these five days, Hai Ling'er had been sealed because of drinking poisoned wine. Under the custody of the members of the Hailong Palace, there was no chance to escape.

After being escorted to Dragon King Island, Yu Du came to see her once, tried to persuade her to join the Gorefiend Sect, and offered very favorable conditions, but Hai Linger refused without hesitation.

Moreover, in order to express her firm position, Hai Linger made a silent protest by going on hunger strike.

This has been going on for two days.

Every time the servants of the Hailong Palace brought in the food, Hai Linger didn't even look at it, just stared out the window.

She misses, misses the relatives of the sea sharks, and misses Yue Wuya whom she hadn't seen for several years.

However...

being locked in such a ghost place, will I be able to see these people in the future?

At this time, Hai Linger was thinking about her relatives, and she felt dizzy and lethargic. She couldn't hold it any longer without eating or drinking for three days.

Squeak!

Just when Hai Linger was about to faint, Shimen was suddenly pushed open, and then a figure walked in. Complex complexion, it is the residual poison.

"Brother Wuya..."

At this time, Hai Ling'er was already in a trance, thinking that it was Yue Wuya who appeared, and couldn't help shouting.

Yu Du didn't respond, but looked at her coldly.

Madd, because of this woman, the queen's child was kidnapped.

Thinking of this, Yu Du had the urge to kill, but she resisted it. The queen said that for the safety of the child, she must ensure that this woman is safe and sound.

Soon, Yu Du adjusted his mood and said to Hai Ling'er, "Seeing as you are young and temperamental, you still want to threaten us with a hunger strike. Do you think that when you arrive at Dragon King Island, you can die if you want?"

Um?

Hearing that it was not Yue Wuya's voice, Hai Ling'er was stunned and rubbed her eyes, only to realize that the person in front of her was not the Yue Wuya she had been thinking about, but Yu Po.

Just had a hallucination.

For a while, Hai Ling'er was very embarrassed, but she didn't give Yu Du a good look, she snorted coldly, and turned her head to the side.

Quite stubborn temper.

Hai Ling'er's attitude made Yu Du very angry, but she still smiled coldly: "I tell you, if it were a normal day, I would never care about your life or death, but you are lucky today, someone will save you out."

someone save me?

The voice fell, Hai Linger was stunned, she was caught here, almost no one knew, who would come to save me?

Seeing her reaction, Yu Du sneered: "Come with me."

After saying that, he untied the shackles on her feet and walked out first.

What the hell is this guy doing?

Hai Ling'er frowned, hesitated, and followed slowly.

Chapter 5074

At this moment, the other side.

Yue Wuya and Wen Xiaoyu quickly returned to the deserted island with the baby.

At this time, it was already bright, and the child woke up. At this time, he was staring at Wu Liuliu, looking at the brothers curiously.

Huh..

Seeing this scene, Wen Xiaoyu couldn't help laughing, and stretched out his finger to hook the child's chin: "This little guy is quite cute."

Seriously, in Wen Xiaoyu's heart, the enemy's child in front of him should have resisted, but seeing him so cute, he couldn't hate him at all.

Yue Wuya also frowned, the other party didn't know if he would exchange Hai Ling'er, how could he be happy?

Giggle...

At this moment, the child's eyes turned to Yue Wuya's face, and he suddenly laughed, his hands and feet fluttering happily, very happy, as if he had seen his relatives.

The child and Yue Wuya are considered to be half-sisters. After all, they should be called Brother Yue Wuya. Although he is still ignorant at this time, blood is thicker than water. Even if it is the first time, he will naturally give birth to a kind of intimacy.

However, Yue Wuya didn't know what was going on. Seeing that the child kept smiling at him, his brows furrowed even more.

Is this little guy laughing at me?

Um?

Wen Xiaoyu, who was on the side, saw this scene, but it was secretly novel: "This little guy is not afraid of strangers?"

Wen Xiaoyu looked at Yue Wuya and the child again, and couldn't help laughing: "Brother Wuya, what do I think of this little guy's facial features, it's a bit like you?"

"To be honest, it won't have anything to do with the two of you, right? Look, he's so happy to see you."

Saying that, Wen Xiaoyu was joking.

He could see that Yue Wuya was very anxious at this moment, so he took this opportunity to activate the atmosphere.

"Go to..." Hearing these words, Yue Wuya

couldn't help laughing and crying, and said angrily: "Don't talk nonsense, he is the child of the pirate chief, what does it have to do with me?"

I was very irritable, so I handed the child to Wen Xiaoyu: "You hold it first, I'll see the direction of Longwang Island to see if anyone is coming."

“Wow...”

However, as soon as the child left Yue Wuya's embrace, he immediately Just wow wow.

Wen Xiaoyu was suddenly in a hurry: “Brother Wuya, this child is crying non-stop, how to coax him?” As the young master of the Hall of Longevity, Wen Xiaoyu has a long history, and he has seen any scene, only the first Once I saw this kind of battle, my head suddenly became big.

Yue Wuya was also upset by crying, scratching his head and said, “How do I know, otherwise, let's get him something to eat?” As he

spoke, Yue Wuya looked around.

On this deserted island, apart from catching fish, there is really no other food to eat, just such a small child, can you eat fish?

For a time, both brothers had a headache.

“Yue Wuya...”

At this moment, a loud shout came from the sea not far away, showing anger.

Swish!

Hearing the shout, Yue Wuya and Wen Xiaoyu immediately turned their heads to look, and they were all shocked.

I saw that a small boat was approaching quickly, with a man standing on the bow, his face was gloomy and his aura was good, it was the aftertaste of coming to exchange the hostages.

In the cabin behind him, a slender figure sat with his hands tied behind him, it was Hai Linger.

Linger.

Seeing Hai Linger, Yue Wuya was overjoyed, excited and angry.

He clearly saw that Hai Ling'er had become more attractive and beautiful after not seeing him for several years, but at this time her face was pale and her energy was low, as if she was about to faint at any time.

Mad...

Seeing this, Yue Wuya clenched his fists. The bastards from the Sea Dragon Palace didn't know what method they used to torture Hai Linger like this.

At this time, Hai Linger also saw Yue Wuya, and her whole body suddenly cheered up, and she shouted with joy: "Brother Wuya." On the

way just now, Hai Linger thought that Yu Du was playing some tricks. When I saw Yue Wuya, I realized that someone really saved him, and he was still the one who had always been in his heart.

"Ling'er!"

Yue Wuya showed a smile, and his tone was full of warmth: "Don't be afraid, I'll save you."

At this moment, Yu Du drove a small boat to the shore.

Chapter 5075

At the moment of landing, Yue Wuya is about to rush over.

"Stop!"

Just before taking two steps, Yu Du scolded coldly: "Bring my young master here first." As

he spoke, he couldn't help but glance at the child in Wen Xiaoyu's arms.

call!

Yue Wuya took a deep breath, with a firm attitude: "When you get here, you must follow my rules. You let Hai Linger go first, and when I see her disembark, I will give you the child."

Yue Wuya said so. Ya's eyes were fixed on Hai Ling'er, unable to hide her concern.

Mad!

Seeing him at this time, he dared to bargain, Yu Du was furious: "Yue Wuya, don't think that you are the Lord of Heaven's Sect, you can do whatever you want, I tell you, my family's young master has made a mistake, and after your Heaven Sect, there will be no peace forever. "

If you know each other, give me the child first."

When he said this, Yu Du was very anxious, because he clearly saw that the child was crying non-stop in Wen Xiaoyu's arms.

Hehe...

Hearing this, Yue Wuya sneered, with a firm attitude: "No, let Hai Ling'er go first, otherwise we won't talk." After two trips to the Dragon King Island, he finally saw Hai Ling'er. It's not easy, so make sure you don't miss anything.

Yu Du was about to explode with anger, but in the end he chose to compromise and took Hai Linger off the boat.

"Ling'er!"

At this moment, Yue Wuya hurried up to meet him and hugged Hai Linger in his arms.

Then, Yue Wuya nodded at Wen Xiaoyu: "Give him the child."

Wen Xiaoyu responded and walked towards the boat with the child in his arms.

Boom...

But at this moment, Wen Xiaoyu just took two steps when he heard a deafening thunder in the sky, and then the sky over the sea was covered with dark clouds, and the sky was dark.

Huhu...

The originally calm sea also blew a strong wind!

Oops, it's the harbinger of a storm coming.

Seeing this scene, both Hai Ling'er and Yu Du's expressions changed. One of the two is a pirate, and the other is a princess of the sea shark clan. They live at sea all the year round, and they know the environment here very well.

Mad!

In shock, Yu Du's eyes were blood red, and he shouted at Wen Xiaoyu: "Quick, give me the child."

Just after he finished speaking, the rain had poured down.

Immediately afterwards, a wave of waves rolled over, directly overturning the residual poison and the boat into the sea.

The waves are getting bigger and bigger, quickly swallowing the desert island.

“Brother Wuya!”

Seeing this situation, Hai Ling'er couldn't help but let out a coquettish cry: “The storm is coming, let's go to the highest place on the island and hide behind the rocks.”

Yue Wuya responded with a tight voice. He held her hand tightly, then turned back and shouted at Wen Xiaoyu: “Brother, follow quickly.”

“I'll follow.” Wen Xiaoyu hugged the child tightly, lowered his head, and tried not to let the rain hit the ground. On the child, at the same time quickly follow.

In Wen Xiaoyu's heart, although the leader of the Sea Dragon Palace is abominable, the child is innocent.

More importantly, the other party has already sent his sister-in-law over, so he must not break his promise and must protect the child's life.

Soon, the three entered the highest point of the desert island.

Huhuhu...

That is, at this time, the rainstorm is getting bigger, the sky is dark and the earth is dark, as if it has entered the dark night, and the heavy rain is constantly falling, almost invisible.

“Brother!”

After hiding under a big rock, Yue Wuya saw the child in Wen Xiaoyu's arms and asked loudly, “Where's that person?”

Wen Xiaoyu looked around, only to see a frenzy around him. The waves are like the end of the world. After Yudu and the boat were overturned, they were completely submerged. How can they still see the figure?

Upon discovering this, Wen Xiaoyu responded loudly: “I can't see anyone anymore, I guess they were swept away by the waves.”

Phew!

Hearing this, Yue Wuya took a deep breath, and his heart suddenly became complicated.

Hai Linger was successfully rescued, but the child was still in her hands.

This is trouble.

It is definitely unrealistic to take the initiative to return to Dragon King Island. The only way is to hope that the storm will end soon, and then find a way to return to the Kyushu mainland.

After returning to the Kyushu Continent, think of a way to deal with this child.

The ultimate husband in Chinese chapter 5076-5080

Chapter 5076

This storm lasted for seven or eight hours. After everything was over, the sea was calm and the sky was clear.

call!

Seeing this scene, Yue Wuya and Wen Xiaoyu both breathed a sigh of relief.

However, at this time, Hai Ling'er couldn't hold it any longer. She fell down and sat there all of a sudden, her face was pale and her body was weak. She hadn't eaten or drank for three days. .

"Linger."

Seeing her appearance, Yue Wuya hurriedly supported her: "What's the matter with you?" As he said, he sensed her pulse, and when he noticed that the pulse was stable, he immediately guessed that Hai Linger might be hungry.

"I..."

Feeling Yue Wuya's concern, Hai Ling'er squeezed out a smile and said weakly, "Brother Wuya...I...I'm hungry." She was already weak, but now she felt a little uncomfortable. I'm sorry, the voice is very low and low, only she and Yue Wuya can hear it.

Hearing this, Yue Wuya smiled slightly, took out the previously grilled fish, and handed it to Hai Linger.

At that time, Yue Wuya said distressedly: "Linger, you are so stupid, even if you are caught, you can't stop eating?" Although Hai Linger didn't say anything, he could guess that Hai Linger It was because they were arrested and protested with a hunger strike that they were so hungry.

Hai Ling'er smiled lightly, did not speak, and ate the grilled fish in small mouthfuls.

After a while, after a piece of fish was eaten, Hai Ling'er's complexion returned to some ruddy, and the whole person looked much more energetic.

call!

Seeing that she was all right, Yue Wuya breathed a sigh of relief, then turned to look at the child in Wen Xiaoyu's arms.

I saw that the child's eyes were closed and he slept soundly. When the storm was raging before, Wen Xiaoyu kept pushing his inner strength and formed a protective film around him, so the bedding was not wet at all, and the child was fine.

This chapter is provided by . Visit for daily update.

"What a lovely child."

At this time, Hai Ling'er also came up, staring at the child with big eyes, unable to hide her joy: "Looking like this, it must have been a while since he was born, right? What's his name? What's your name?"

She was kind-hearted, and when she saw such a cute child, she liked it from the bottom of her heart.

This...

Hearing the question, Yue Wuya and Wen Xiaoyu looked at each other, but didn't answer. In their eyes, this child is just a hostage to exchange for returning Linger, who knows how old it is and what it is called.

Seeing that they didn't answer, Huan Ling'er didn't ask any more questions, she reached out and hugged the child.

It was already afternoon, but the sun was shining brightly, and the child seemed to be exposed to the sun, so he turned over subconsciously, that chubby appearance, not to mention how cute.

The more she looked at it, the more happy she became, and she wanted to tease the child, but seeing that he was sleeping so soundly, she held back, and then turned around to shield the child from the sun.

"That's right!"

At this moment, Hai Linger thought of something and turned to look at Yue Wuya: "Brother Wuya, the leader who brought me here just now, called this child young master? Could it be..."

Before she could finish speaking, Yue Wuya gave a wry smile and said, "He is the child of the Queen of the Sea Dragon Palace." As the Lord of the Heavenly Sect, Yue Wuya behaves in an upright manner, and since he has done some things, he is not afraid of being known.

"Sister-in-law!"

As soon as the voice fell, Wen Xiaoyu said: "This kid's identity is not simple, otherwise, we can't use it in exchange for you, you don't know, in order to save you, my brother Wuya and I But it took a lot of effort and I almost lost my life."

Thinking of Gone's horror, Wen Xiaoyu still had some lingering fears.

Swish!

Hearing Wen Xiaoyu's name, Hai Ling'er's beautiful face turned red all of a sudden, then she thought of something, bit her lip and said, "It's so pitiful for such a young child to be forced to leave her mother, Brother Wu Ya. , let's send him back."

Although the people in the Sea Dragon Palace are all very hateful, the children are innocent.

What?

Hearing this, Wen Xiaoyu almost jumped up, and said incredulously: "Sister-in-law, you are crazy, there are tens of thousands of people on the Dragon King Island, and the defense is like a copper wall and an iron wall, not even a fly can fly. Go in."

"Also, Brother Wu Ya and I have spent a lot of time trying to save you. If we send the child back, we will be caught in the net."

Chapter 5077 When the

voice fell, Yue Wuya also gave a wry smile, and said seriously to Hai Linger: "Linger, I know you pity this child, but we must not send him back."

"Dragon King Island is very dangerous, if we go back , I'm afraid the three of us won't be able to leave."

Phew!

Hearing this, Hai Linger Xiumei frowned and fell into deep thought. She knew that what Yue Wuya said was true. Dragon King Island was heavily guarded, and sending the child back would be death.

But...forcing an innocent child to be separated from his mother, she couldn't bear it.

A few seconds later, Hai Ling'er said, "Brother Wuya, if you don't send the child back, you have to promise me something." As she spoke, she carefully tucked the child's bedding.

Hehe...

Yue Wuya smiled and said: "I understand what you mean, you are afraid that I will hurt this child, don't worry, although his parents are both wicked people, I will not touch the child. On the contrary, I have to ensure his safety."

Said, Yue Wuya looked at the vast sea in front of him, with a bit of pride in his eyes: "The so-called disaster is not for the family, I am the dignified Lord of Heaven, it is absolutely I won't be embarrassed by a baby."

Hearing this, Hai Ling'er breathed a sigh of relief and smiled, "Brother Wuya, you are so kind." As she spoke, she gently leaned against Yue Wuya.

With a smile on his face, Yue Wuya gently hugged him with infinite warmth in his heart.

Uh...

Seeing this scene, Wen Xiaoyu scratched his head and walked into the distance with interest.

After walking around the deserted island, Wen Xiaoyu walked back with a dignified expression: "Brother Wuya, sister-in-law, don't rush to kiss me and me, there was a storm just now, and the boat fell apart. Can't go anymore."

Hearing this, Yue Wuya was very embarrassed, and quickly let go of the hand holding Hai Linger.

Hai Ling'er's face was also bright red, very shy and indescribably charming.

In the next second, Yue Wuya walked over quickly and looked in the direction of Wen Xiaoyu's finger. He saw the boat that Yu Du had driven earlier. It was stranded on a reef by the sea. .

As for the residual poison, it has disappeared, apparently washed away by the sea.

Oops.

Seeing this scene, Yue Wuya was also a little anxious.

It is so far from the mainland of Kyushu, and there is no boat, how to get back?

More importantly, I encountered a storm and failed to exchange hostages before. The female leader of Dragon King Island must think that I have gone back on my word. Maybe I have sent someone over now. At that time, it must be a fierce battle. I and Wen Xiaoyu are not afraid, just afraid of the sea. Linger had another accident.

Thinking to himself, Yue Wuya was in a panic.

“Is the boat broken?”

At this moment, Hai Ling'er came over with the child in her arms, and saw the boat stranded in the reef, she suddenly smiled: “It didn't fall apart, it can be repaired.”

She is a sea shark. The princess, who grew up at sea as a child, has many unique ways of repairing ships.

Ah? Can this be fixed?

At this moment, Yue Wuya and Wen Xiaoyu both looked at each other, very surprised, but also overjoyed.

If he can really repair it, he will be able to return to the Kyushu Continent.

At this time, Hai Ling'er handed the child to Yue Wuya, then walked slowly to the beach and took out a bag of colorful powder from her body.

call...

At this moment, Yue Wuya and Wen Xiaoyu both watched curiously, and at the same time did not rashly ask.

Hai Ling'er poured the powder into her hands, squatted on the beach, sprinkled it lightly in the sea water, and then quietly waited.

“Ling'er!”

Yue Wuya looked suspicious and couldn't help asking: “What are you doing?” Isn't it repairing the boat? Why are you squatting on the beach and waiting? What are you waiting for?

Shhh!

Hai Ling'er hurriedly turned her head and made a silent gesture, her beautiful face was very mysterious, and whispered, “You'll find out later.”

Seeing her appearance, Yue Wuya couldn't help but be amused, He didn't ask any more questions, and waited quietly with Wen Xiaoyu.

Clap la la...

After a while, I heard the sound of water splashes, and then I saw sea fish half a meter long, rushing to swim over, as if they had received an order.

Chapter 5078

This...

Seeing this scene, Yue Wuya and Wen Xiaoyu were dumbfounded, and looked at Hai Ling'er's eyes with strange light.

What are those colorful powders? Can even lure fish.

It's incredible.

Moreover, Yue Wuya and the two of them could clearly see that the fish that they took the initiative to surround themselves with were not ordinary sea fish, but a kind of fish that was red and looked very strange. The fish scales were covered with strange patterns. From a distance, it looks like a group of flames that are burning.

"Giggle..."

Seeing that both of them were dumbfounded, Hai Ling'er couldn't help giggling, then she skillfully caught a fish, pulled off two scales from it, and explained at the same time: "This kind of fish is very rare, it only lives in the deep sea, and it is called fire-patterned fish. Their scales are soft and tough, and they are the most suitable for filling holes in the cabin."

"And the powder I just sprinkled is the pollen of the sea soul flower."

"The sea soul flower, like the fire-patterned fish, only grows on the bottom of the deep sea and has a strange fragrance, and the fire-patterned fish is most obsessed with this fragrance. As long as it smells the fragrance, it will swim over desperately.

"Saying that, Hai Ling'er did not forget to continue catching fire-patterned fish from the seawater in front of her.

She is not only kind, but also has a very delicate mind. In order to avoid hurting these fire-patterned fish, she only took off two scales from each of them and put them back into the sea.

Even so, with so many fire-patterned fish in front of them, even if two fish scales were pulled from each of them, it would add up to a lot.

Huh...

Hearing Hai Ling'er's explanation, Yue Wuya and Wen Xiaoyu looked at each other and suddenly realized.

It is impossible to see that after living at sea for so long, there are still so many exquisite, and some unknown life tips.

For a while, Wen Xiaoyu couldn't help but smile and sigh: "My sister-in-law is not only beautiful, but she knows a lot. I'm fortunate to have you today, otherwise, Brother Wuya and I would have been really trapped here. Hearing the

compliment, Hai Linger was in a good mood, but still blushed and said, "You...don't keep calling me sister-in-law, I...brother Wuya and I haven't gotten married yet." "

He finally said, bowing his head shyly.

Haha...

Seeing her like this, Wen Xiaoyu couldn't help laughing: "Sister-in-law is still shy, it's a matter of time before you marry my brother, don't you...don't you like my brother?"

"You...you said that." Hai Ling'er's face turned even redder, and she stomped her feet in a hurry.

Yue Wuya also showed a smile, and at the same time said to Wen Xiaoyu: "Okay, don't tease her."

After saying that, Yue Wuya walked over quickly and looked at Hai Linger with a warm expression: "Do you need any help from us?" Originally, men did things like repairing the boat, but now he and Wen Xiaoyu are watching, and letting Hai Linger do it alone is really unreasonable.

"No need..."

However, Hai Linger shook her head and said with a smile: "Everything will be ready soon, you don't need to help, just watch the child." Although she is the princess of the sea shark clan, Hai Linger is not a big deal. There is no shelf at all. In the past, the ships in the clan's land were broken. As long as Hai Linger saw it, he would take the initiative to repair it.

Hearing this, Yue Wuya nodded, stepped aside, looked at Hai Linger's eyes, both admiration and curiosity.

This is the first time I have seen this method of replenishing the ship, so I must take a good look at it later.

Pfft!

At this moment, Hai Ling'er got enough fish scales, and with her toes on the ground, jumped directly into the sea.

Seeing this scene, Wen Xiaoyu was startled, and couldn't help shouting, "Sister-in-law..." As he spoke, he wanted to jump down. But was stopped by Yue Wuya.

"She is the princess of the sea shark clan. She is like going home in the sea, and there will be no danger." Yue Wuya said with a smile.

Wen Xiaoyu patted his forehead and laughed at himself: "Yeah, look at me, why did you forget it just now? I'm worried that my sister-in-law will have an accident when she jumps off."

Whoa!

Just as she was talking, Hai Ling'er surfaced, holding a few slender seaweeds in her hands, and came ashore again with a light posture. She saw that the water plants in her hands were several meters long, very thin, but very tough.

Chapter 5079

In the next few minutes, Hai Linger threaded the fish scales together with seaweed, and then patched the holes in the boat.

I saw that those fish scales were close to the hull, as if they were growing on it, and even a drop of water could not leak out.

God.

Seeing this scene, Wen Xiaoyu walked over quickly, checked the boat, and couldn't help but give a thumbs up: "Sister-in-law, you are really ingenious, oh my, you've opened your eyes today.

" face of pride.

The woman you love is not only beautiful, but also ingenious. Can you be unhappy?

"Don't compliment me."

Hai Ling'er smiled lightly, took the child from Yue Wuya, and urged: "Let's go quickly, the repair of the ship has been delayed for a while, I'm afraid those people in the Hailong Palace have already dispatched. "

Hmm!

Hearing this, the two brothers nodded at the same time, got the boat out of the reef, and then the three of them boarded the boat and quickly sailed towards the Kyushu mainland.

.....

Dragon King Island, in the bedroom.

Mo Yan kept walking around, her delicate face could not hide her worry and anxiety.

Yu Du has been gone for several hours and hasn't come back yet. Could it be that something happened?

Shasha...

At this moment, footsteps came from outside the hall, and then, Goni walked in slowly behind his hands.

Huh ...

Seeing Goni, Mo Yan's heart skipped a beat, but she still pretended to be nothing, hurried up to meet him, and said respectfully, "See your honor."

When speaking, Mo Yanjuemei's face was very calm, but her heart was very anxious.

It was broken, Yu Du did not come back, and Zun Shang came again.

Goni seemed to be in a good mood, sitting on the chair next to him, smiling slightly: "Okay, there is no one else here, so you don't need to be polite."

After speaking, Goni said cheerfully: "Just pass by here, just stop by and have a look. You and..." Before the child could say the word, he subconsciously looked at the bed, and was stunned when he saw that it was empty.

Oops.

Aware of Goni's gaze, Mo Yan's delicate body trembled, and she immediately realized that something was wrong.

Sure enough, Goni frowned: "Where's the child?" Speaking of which, Goni was very unhappy when he learned that Moyan and the human had a child, and even wanted to put the child to death at the time, but after thinking about it, the child is innocent, and also has the blood of the demons flowing on its body.

When he wanted to understand this, Goni didn't feel conflicted, so he decided to come over to have a look. He couldn't help but ask if he knew that the child was not there.

“Your honor...I...” Mo Yan was flustered and didn't know how to answer for a while.

The matter that Yue Wuya stole the child and asked Hai Linger to exchange it was completely blocked by Mo Yan and deliberately kept Gone from knowing it.

Who knows, wait left and right, never see the residual poison coming back. But at this time, Gone came.

“Moyan!”

Seeing her faltering, Gogne stood up slowly, her cold face very unhappy: “Are you hiding something from your deity? Honestly, what's wrong with the child?”

Moyan bit her tightly . He licked his lips, and his brain turned quickly, ready to fabricate a lie.

“Queen!”

However, at this moment, a voice came from outside the main hall, and then, Yu Du stumbled in and ran in, soaking wet, his face was pale, and he looked very embarrassed.

Om...

Mo Yan was already nervous in her heart, but when she saw him like this, she knew that the child was not rescued, and suddenly her head hummed, and she slumped on the ground.

Yu Du also had a face full of shame, and when he came in and saw Gone, the whole person was shocked.

Oops, why is Your Highness here?

The Queen had told me a lot before that the matter of the child being robbed must not be made known to the Venerable Master. How should I explain my appearance at this time?

“Yu Du!”

Just when Yu Du's heart was going up and down, Gogne asked slowly: “How did you make it like this? What happened?”

“I...” Yu Du grimaced, no He answered immediately, but looked at Mo Yan subconsciously.

Seeing him like this, Gogne was even more certain that something had happened, and was very displeased, and said coldly, "Come on."

Chapter 5080 The

sound is not loud, but it is unquestionable.

Feeling the powerful breath that permeated Gogne's body, Yu Du only felt that it was difficult to breathe.

However, he was loyal to Mo Yan.

Mo Yan said that Gogne would never know about this matter, so even though he was very frightened by Gogne, he still gritted his teeth and didn't say anything.

"You want to die?"

Seeing that he didn't say anything, Gogne was completely angry, his eyes flashed with a cold glow, and he scolded coldly.

As soon as the words fell, Mo Yan quickly said: "Your anger, I won't let him say it." She knew that Gogne would do what she said, but Yu Du was her right-hand man, how could she just watch him die? Thinking to herself, Mo

Yan said to Yu Du, "Since your honor has asked, you shouldn't have to hide it, just say it.

"

What happened was told in detail.

At the same time, I was secretly happy.

Fortunately, the Queen relented, otherwise she would not be able to live tomorrow.

When it came to the end, Yu Du looked at Mo Yan with a look of shame on his face: "Queen, it's my fault, I was about to take over the young master from that kid when I knew that a storm suddenly came, my subordinates. He was still standing on the boat at that time, and was washed into the sea by accident."

"When the storm was over, the subordinates hurriedly swam to the deserted island, but at that time, they were nowhere to be seen."

"The subordinates failed to pick up The young master comes back and asks the queen to punish." The

last sentence fell, and Yu Du knelt there, feeling ashamed and frustrated.

hum!

Hearing this, even though Mo Yan was already prepared in her heart, when Yu Du said this, she only felt a thunder in her head, her tender body softened, and she slumped on the ground.

Child, my child..

why are you so miserable? Less than 20 days after birth, she was about to be separated from her mother.

“Absurd!”

At this time, Gogne also slapped the table heavily, stood up abruptly, his face full of anger: “It’s just two little thieves who let them break into Dragon King Island again and again, and finally snatched the child away. “

Moyan, you’ve followed me for so many years, and you’ve always handled things neatly, why are you so confused today? You were led away by the nose by two little thieves? They wanted to exchange hostages, so you compromised for the safety of your children. Not only did you compromise, but you also kept it from the deity.”

Saying that, Gogne looked at Yu Du coldly: “And you, you can do such a simple thing, what’s the use of you?”

” Gogne, the more he talked, the more annoyed he became.

When the two of Yue Wuya were shot into the sea, Gogne guessed that the two would not die so easily, but it never occurred to them that these two boys were lucky enough to escape, and they dared not to take the opportunity to leave. The second time he broke into Longwang Island and stole the child.

This is not the shame of Dragon King Island, but also the shame of his Demon Race Supreme.

Feeling Gogne’s anger, Mo Yan knelt there, extremely ashamed: “This subordinate has embarrassed the demons, and the subordinate is wrong.”

At the same time, Yu Du also knelt there, constantly blaming himself: “It’s all I, it was my unfavorable work that made the life and death of the young master unclear, your honor, if you want to punish me, punish me.” The

Queen lost her child, and she felt bad enough, she couldn’t bear to see her punished by Gogne again.

call!

Seeing the two of them, Gone took a deep breath and snorted coldly: "What's the use of admitting mistakes now? The child has been snatched away. Dragon King Island is also disgraced."

Bang Bang Bang...

Hearing this, Mo Yan's delicate body trembled, and she kept kowtowing to Gone: "Your Highness, I beg you to find a way to get the child back, please."

"It came out: "The deity's order is passed on. From now on, the Sea Dragon Palace will start a full-scale war against Tianmen. No matter how much the price is paid, we must kill Yue Wuya and take back the child."

"killing intent."

"Subordinate, obey."

Hearing this, Mo Yan and Yu Du were both shocked, and then agreed in unison.
